## Fire Commissioners Letter To The Town Board

Feb. 4, 1976  
Town Board  
Town of Oyster Bay  
Oyster Bay, N.Y. 11771  
At: Warren M. Doolittle, Esq.  
Re: Hicksville Fire District  
Acquisition of additional vacant land for on-site parking at East Marie Street Firehouse.

Honorable Sirs:  
The Board of Fire Commissioners held a Special Meeting on February 3, 1976 at 7:30 p.m. at the East Marie Street Firehouse, Hicksville, N.Y. The purpose of the meeting was to consider the question of the acquisition of a fifteen foot corridor separating the Fire District property on the easterly side of East Marie Street and the adjoining property to the west. The proposed acquisition was approved at this meeting.

The Town Board may well ask at this point the following questions:

1. What problem is involved?
2. What is the solution to this problem, and
3. What is the interest of the Town Board in this matter?

The questions can not be answered without considering the background leading up to the proposed acquisition.

The history of the acquisition therefore deserves consideration. The entire problem is related to the general problem as it relates to the parking problem in the so-called "business area" of Hicksville, at or near the East Marie Street Firehouse.

More than fifteen years ago the Town of Oyster Bay acquired the parking field at East Marie Street directly opposite the Firehouse. The purpose in acquiring this parking field was essentially to meet the needs of commuters for obtaining adequate parking near the Long Island Railroad. The parking facilities were also used by residents in order to shop the many retail stores on Broadway.

The proximity of the parking field to the East Marie Street Firehouse encouraged its use for parking by the volunteer firemen for general purposes in attending meetings at the Firehouse and while engaged in other firematic duties.

On-site parking at the Firehouse was extremely limited. In an emergency the on-site parking was totally inadequate. The adjacent public parking field was utilized extensively by volunteer firemen in responding to a fire call.

The Town Board was approached on many occasions to set aside so many of the parking spaces as the Town Board may determine for exclusive use of the volunteer firemen for general purposes at all times. In considering this request, the Town Board attempted to weigh the rights of the commuters and residents, as against this exclusive use. The Town Board determined that the temporary use of the parking field during emergencies in non-designated spaces would not be interfered with. However, designated spaces could not be set aside for such emergencies. Thus, the commuters and residents' need for parking was placed in contention with the volunteer firemen's need for parking in the public parking field. The Town Board, after some discussion with the Fire Commissioners, suggested that the situation be tolerated temporarily.

The Town Board, however, recommended that the Fire Commissioners secure sufficient vacant land adjacent to the Firehouse so as to accommodate on-site parking for the volunteer firemen. The Fire Commissioners, in response to this policy, negotiated with the then owner of the gas station which was immediately contiguous to the Firehouse property (this is

commonly known as the Neider property). After extensive negotiations with the owner, a price was agreed upon and thereafter a private sale of this parcel was consummated.

In order to meet the needs of the District, certain alteration work was required at the Firehouse. This involved the addition of space to accommodate new equipment, and additional office space. Such additional space required additional parking space. The Town Board, while approving the alteration work, nevertheless, referred to its prior policy of requesting additional on-site parking by reason of the additional space added.

Negotiations were then had with the Youdelman family who owned property adjacent to the Firehouse to the west and consisting of a parcel sixty by one hundred twenty feet. There was a diner on the premises, not being used, and a tenant, namely, DeMarco & Reese, who had an auto body repair shop, together with a one story building on the premises. After negotiations with the Youdelman family, a private sale was arranged, the diner was removed and since DeMarco & Reese had a lease on the premises, they were permitted to remain until the termination of their lease. The one story repair shop was then demolished.

What remained then was the fifteen foot corridor between the so-called Neider property and the Youdelman property.

Negotiations had been initiated as early as 1971 with the then owner of the fifteen foot corridor to acquire by private sale the said vacant land. Unfortunately, however, and unlike the Neider and Youdelman private sales, the negotiations soon reached an impasse. The fifteen foot corridor was used as the right-of-way to

(Continued on Page 12)

**BEST WISHES:** Oyster Bay Town Supervisor John W. Burke, left and Town Councilman Warren M. Doolittle offer their congratulations to Mr. Roy Schaaf at ceremonies which inducted Mr. Schaaf the Chief of the Hicksville Fire Department. Chief Schaaf joined the Department in 1956 and has held several offices including Captain of Company 7 and third Assistant Chief.

## Readathon Winners

The National Multiple Sclerosis Society organized a Readathon to raise funds for research projects for the cure and treatment of Multiple Sclerosis.

More than 200 children from the eight elementary schools in the Hicksville School District participated and succeeded in raising close to \$3,000.00. According to Mrs. Gertrude Javer, coordinator of the Nassau County Readathon, this figure far surpasses other school districts in Nassau County.

Children were given six weeks in which to read as many books as they were able. They had to obtain sponsors who would pledge a certain amount of

money per book read.

Prizes will be awarded, on a school wide basis, to those children who read the most books and/or collected the most money.

The following children have been declared winners of the Readathon:

Pupil's Name	Grade	school
Christina Lari	5	Burns Avenue
William Coakley	4	Dutch Lane
Theresa Divirgilio	6	East Street
Julia Sone	6	East Street
John Gaglio	3	Fork Lane
John Johnson	6	Lee Avenue
Jeanne Bargiuk	6	Old Country Rd
Christie Abbes	3	Old Country Rd
Anne Marie Looney	5	Willet Ave
Jennifer Marchetti	5	Woodland Ave

**BARING THEIR SOLES.** . . . are these eager volunteers of the Nassau County March of Dimes who are spreading the word that Super Walk '76, the March of Dimes Annual 20 mile hike, is close at hand (and foot). All "soles" wishing to walk on Sunday, April 25th and help in the fight against birth defects can register for Super Walk '76 NOW, by contacting their local representatives or calling Super Walk Headquarters at 741-4045. Footing the registration drive in Hicksville are Super Walk Representatives (left to right) Linda Trommsdorff, Kathy Champouillon, John Carroll.

For further information: Margo Marzullo 741-4045.

## PTA Council To Honor Richard Evers

For this Bicentennial year, it is with great pride that the PTA Council honors Mr. Richard Evers as the District Guest of Honor for the Founders Day Dinner. Dr. Manus J. Clancy, Director of Curriculum and Instruction, will be the Toastmaster.

Richard E. Evers is a resident of Hicksville since 1949. He has served this town well as a leader in historic preservation and commemorative programs in the Central Nassau area. He is presently teaching in the Hicksville Jr. High, specializing in State, Local and U.S. History. Mr. Evers introduced Asian studies in the Jr. High, and one of the first secondary school courses in Russian History and Communism on L.I. in 1960. He has lectured and taught at both Adelphi and C.W. Post Colleges; authored local history text book, HICKSVILLE; YESTERDAY AND TODAY; worked with the Gregory Museum and four sets of local history slides with Mr. Gregory; taught Fraternity of Christian Doctrine at St. Ignatius with Rev. Lawrence Bolweg and is, for the past 11 years, Lector in

Richard E. Evers

his parish church; a frequent contributor to local newspapers on community activities and active in promoting democratic patriotic values among young people. Dick is a 30-year member of the American Legion with 18 years as Americanism and Youth Awards Chairman. He is extremely active in all phases of bicentennial, including the Town of Oyster Bay Bicentennial Kit which has been distributed widely among L.I. educators;

currently chairman of the Hicksville Public School Bicentennial Committee.

Dick and his wife, Anne have been fascinated, often bemused and saddened, too, by the changes overtaking this community. They have been very active in all community happenings. They manage to make time for hobbies such as hiking, cycling, swimming, fishing, collecting and painting military miniatures, stamps, and gardening. They were into organic gardening long before it became popular (when you see them, ask them about elephants and vegetable gardens).

Kevin, 24 and Susan, 21 should be very proud of their parents, Richard and Anne Evers. In Dick's own words, "It was a grand place to raise kids, and I'd be quite willing for a replay of our lives together in Hicksville."

Audrey Hupler, Chairman of the Founders Day Committee, Dr. Clancy, Toastmaster, the members of the Founders Day Committee and the members of the Hicksville Council of PTA invites all of Hicksville to join us

# Around Town

by Lynda Noeth Scotti  
796 - 1286

Happy Birthday to Brian Narschhauser, Vincent Rd., HICKSVILLE. He celebrates his 19th on Feb. 17.

Steven Henry Niggemeier, Jefferson Ave., HICKSVILLE, celebrated his 7th birthday on Feb. 7. Happy Birthday, Steven.

Congratulations to David and Billie Bardsley, of Morton Blvd., PLAINVIEW. They are the proud parents of a daughter, Nicole Kathryn, born Jan. 20 at Central General Hospital. She was warmly greeted at home by brother, Frank and sister, Jerri.

Welcome home to Bob Bogart of 21st St., JERICHO. Bob recently returned home following a stay at Huntington Hospital. Feel better soon, Bob!

## On The Campus

Sara Solonche, Plainview Rd., HICKSVILLE, and Linda Rubin, Winthrop Rd., PLAINVIEW, have been named to the Dean's List of Yeshiva University's Stern College for Women in Manhattan.

Birthday greetings go to Carrie Clark, Dartmouth Dr., HICKSVILLE. Carrie celebrated her 15th birthday on Feb. 7.

Congratulations to Howard Fluhr, of PLAINVIEW, who was recently appointed a senior vice president with the Martin E. Segal Company, one of the largest consulting and actuarial firms in the employee-benefits field. Along with being named senior vice president and actuary, he is also co-manager of the new corporate division. He previously held posts as assistant actuary and associate actuary and has been a vice president since 1973.

Plans are underway for the Ernest F. Francke Republican Club's Spring Dance and Cocktail Party, to be held on May 14 at the Old Country Manor, Hicksville. Tickets are \$12.50 each and include three hours of drinks with Smorgasbord for two hours. Music again will be by Bob Logan. Contact Joe Ferrandino 796-6282 or John Hill 931-1170 for tickets. Make your reservations early.

Happy Birthday to William Walter Pietruszewicz IV, Arpad St., HICKSVILLE. He celebrated his 2nd birthday on Feb. 12.

Matthew Kiwat, son of Harold and Cecilia Kiwat, Charlotte Pl., PLAINVIEW, is member of the cast of the University of Minnesota Theatre production of "The Little Foxes." A Bush Foundation Fellowship recipient, he is a graduate student in theatre arts at the University. He is a 1970 graduate of John F. Kennedy High School, Plainview, and he received a bachelor of fine arts degree from Ithaca College.

Terri Lynn Schettino, Bishop Lane, HICKSVILLE, celebrated her 5th birthday on Feb. 8. Happy Birthday.

Congratulations to the newly elected officers of the Ernest F. Francke Republican Club. They are: Robert Jackson, President; Charles Lynch, 1st Vice Pres.; William Gaborow, 2nd Vice Pres.; Thomas Connolly, 3rd

Vice Pres.; Ann Jablonsky, Rec. Sec.; Sis Wesnoske, Corr. Sec.; Joseph Magee, Treas.; Stanford Weiss, Sergeant-at-Arms; and Frank Jopp, Publicity Director.

## Behind The Scenes At Flora '76

There may be snow on the ground and the wintry winds are blowing, but preparations for spring are under way for the opening of the low-acre exhibition, Flora '76 on Saturday, March 6, 1976 at the Nassau Coliseum, Uniondale, Long Island. This is the culmination of 25 years of flower and garden shows stretching back to the first Long Island Nurserymen's Association Show held in the Palm Room of the Garden City Hotel.

Flora '76 unites, for the first time, two other important horticultural groups the Long Island Flower Growers and the Long Island Retail Florists. Together with the Long Island Nurserymen's Association, they plan a Bicentennial celebration of 200 years of flowers and gardens. The Show will be open every day from 10 a.m. to 2 p.m. until Sunday, March 14, when it closes at 8 p.m.

The Exhibition Hall will display outstanding gardens that will provide landscaping ideas for Island home owners. Months of planning have gone into these gardens, until the basic design was put down on paper. Then the exhibitor had to decide which plants to use, to combine with the

other features, and to carry out the design best. During the winter, nursery growers dug and prepared the plants. In December and January, they were brought into the greenhouse where the warming days of spring were simulated.

In this way, trees and plants which normally bloom months later, are "forced" into leaf or flower in advance-for opening day. This process is carefully supervised every few days to judge progress. Much moving of plants is often necessary to provide the proper temperature. Then in some cases it is necessary to add supplemental lighting to the sun, to make the plants believe that the days are getting longer.

This is the most critical month for forcing with visits to the greenhouse several times a day. Will the plants make it? Be sure to pay a visit to Flora '76 to see this extraordinary horticultural achievement.

For information on advance sale of tickets, contact Ann Reilly, Flora '76, 211 Burrs Lane, Dix Hills, N.Y. 11746 or call 516-643-3399. Discount prices are in effect: for adults on weekends at \$2.75; \$2.25 on weekdays and \$1.00 for children.

## Candle - Soap Making Demonstration

The processing of candles and soap as practiced by frugal Long Island housewives in the early 1800s will be demonstrated on Saturday and Sunday, February 14 and 15, at the Old Bethpage village restoration on Round Swamp Road. The methods demonstrated at the Powell farm have been carefully researched by the Museum Division of the Nassau County Department of Recreation and Parks.

Using by-products of the winter butchering, beef and mutton fat, farmwives at the restoration make candles from the tallow (rendered fat) and soap from tallow and lye, also prepared at the farm. Women of the pre-Civil War era took as much pride in their capability as candle makers as they did in their baking and sewing talents. With the advent of kerosene lamps in the 1870's, the use of candles as a source of light tapered off and candles became an aesthetic accent rather than basic lighting.

Although most housewives in the 1800s made tallow candles, they were also inclined to purchase more exotic tapers made from bayberry, beeswax and spermaceti if they could afford them. The bayberry wax required for candles was produced by boiling the tiny wild berries and skimming the resultant mixture. A 1/8 inch aromatic bayberry taper requires 1 1/2 quarts of berries. Molded bayberry candles will be on display at the Powell farm during the demonstration weekend.

The Old Bethpage village restoration is open daily from 10 a.m. to 4 p.m. during February, except for Mondays and Thursday, Washington's Birthday, February 16.

WICKS ARE DIPPED into cast iron pot containing tallow following old method of candle making.

### LILCO News

The Board of Directors of Long Island Lighting Company today (January 28, 1976) declared regular quarterly dividends of \$2.03 a share on the Series J, 8.12 percent preferred stock and \$3.25 a share on the Series N, 13 per-

cent preferred stock.

The dividends are payable March 15, 1976, to holders of the preferred stock of record at the close of business February 27, 1976.

## New "Small Business" Film Available

"Hey, We're in Business," a new IRS film highlighting tax law rights and responsibilities for owners of small businesses, is now available for loan, free of charge, to business, civic, fraternal, and other community groups. George S. Alberts, District Director of Internal Revenue for Brooklyn, Queens, Nassau and Suffolk, said today.

The film covers such important areas as proper recordkeeping, what to do if a business is not able to meet a tax deadline, the tax responsibilities relating to employees, and the types of free taxpayer assistance available from IRS offices. A copy of the film can be requested from: Public Affairs Officer, GPO Box 380, Brooklyn, N.Y. 11202.

The 27-1/2 minute, 16mm color film traces the fortunes of a

young couple who open a new restaurant in an established block of stores. It features a number of well-known television and theatre personalities, including Jim Backus, widely known for his role in "Gilligan's Island" and as the voice of "Mr. McGoo"; David Hedison, who starred in the "Voyage to the Bottom of the Sea" series and who frequently appears in television dramatic programs; Pat Finley, best known as Bob Newhart's sister, Ellen, on the "Bob Newhart Show"; Nehemiah Persoff, veteran actor who has had countless dramatic roles in the legitimate theatre and television; and Warren Berlinger, a frequent performer on the former "Love, American Style," show who may soon be seen in two films with Elliott Gould.

### Tax Brochure

Oyster Bay Town Receiver of Taxes Solomon Newborn is reminding members of the Clergy and veterans of their possible eligibility for property tax exemptions.

The Tax Receiver's Office offers a brochure which details how and where these exemption applications may be obtained; how to fill them out and outlines the savings available.

Copies of the brochures are available at Town Hall or by sending a stamped, self-addressed envelope to Receiver of Taxes Solomon Newborn, Town Hall, Audrey Avenue, Oyster Bay, New York 11771.

## Bar Association To Expand Hdqtrs.

Nassau County will soon have a new "Bar center" - officials of the Bar Association of Nassau County, Inc. this week announced plans to greatly enlarge the present home of the association in Mineola to accommodate more services for its lawyer-members, as well as to serve the general public.

The Bar Association, which is among the 50 largest of its type in the nation, has over 3,000 members, and is one of the few legal associations in the region to have its own headquarters. The present building - "Domus" as its members proudly call it - was built in 1930, when the Bar Association of Nassau County had only 300 or so members.

Over the years, with the steady growth of the legal profession here in the county, and the ever-increasing services being offered to the public by the association, the need for larger quarters has become an absolute necessity. Among the services which the association's officers hope to quarter in the expanded building are the Lawyer Referral Service, an expanded law library for

members' use, the administrative offices of a planned "Prepaid Legal Services" insurance program, a meeting place for other county lawyers' associations, and other Bar center functions.

Also, with increasing emphasis being placed in recent years on the function of continuing legal education for members of the profession, the association's active schedule of programs for lawyer-members would also be considerably enhanced with the addition of more meeting rooms, and a larger auditorium for general membership meetings.

Association President James Miner, a Mineola attorney, envisions the building as becoming a "Bar center" for all members of the profession. "Nassau County's legal profession needs a center for its activities," he explains, "and with the ever-increasing involvement of the average citizen with the legal system of our county, state and federal governments, the public needs a place to come to for legal guidance and assistance."

The present building, which is

English Tudor-style, (located opposite the County Executive Building on West and 15th Streets in Mineola), has a large meeting room - the "Great Hall," modeled after the historic Middle Temple of the Inns of Court in England - for general membership meetings; a basement law library; a dining room for members and guests to use for lunch as well as evening meetings, and offices for the association's use.

The expansion program plans calls for a needed enlargement of the dining facilities, enlarged parking areas, nine separate meeting and conference rooms, an expanded law library, as well as additional offices for the association and its service-affiliates.

Evening and luncheon legal education programs - for which the Bar Association of Nassau County received an American Bar Association Award of Merit in 1973 - will be increased considerably with more facilities being made available for committee or seminar meetings.

# Keep The SST Out Of JFK!!!

## Dear Friends. . . .

AS YOU MAY GATHER, from the five-column banner across the top of this page, we are absolutely opposed to permitting the SST into JFK Airport. We are pleased to see that, to a man, all our elected officials agree on this matter and are taking steps to oppose such a ridiculous action. The reasons are too obvious to repeat them in this limited space. We'd suggest that you write directly to President Ford on this matter.

TOM GALLAHUE is the Executive Leader of the Hicksville Republicans and we quote from his Message to the membership of the Republican Club as follows: "Our elected officials are taking steps to hold the line on all expenditures. What can we do as residents of Hicksville? We first must realize that in order to cut costs, certain services will have to be reduced. Our adjustments to these probable cuts will determine how successful we are in cutting costs. We as homeowners and taxpayers know that property taxes have reached the breaking point and future needed revenue can no longer be obtained from this source. It is our duty as citizens to make certain that our elected officials are responsive to their constituency."

We'll say AMEN to the above. It is our duty to keep in touch with those whom we have elected, when the occasion demands. And, of course, to register and vote.

AND SPEAKING OF POLITICS, we bear, along the same lines, from Congressman Norman F. Lent. He tells us that he believes that financial relief for the middle class taxpayer must be provided. Much of the social progress of the past 30 years has come out of the pockets of these taxpayers, he reiterated. And he is co-sponsoring a bill (H.R. 6165) which, if passed, will help to some extent those middle class taxpayers, who are sending their children to private colleges or universities. Many young people have been forced to attend public rather than private institutions because of the cheaper tax-supported tuition, which often forced them away from their first-choice school.

A very high percentage of the tax burdens of this country fall on the shoulders of the working middle classes (us). There must be more suggestions. We'll be glad to pass them along.

THE HICKSVILLE POST OFFICE BRANCH at Gertz is open for the same hours as in the past, as we reported two weeks ago. There were however, some hours during last week's heavy snow weather, when no one could get through. On top of that our Postmaster, Anthony Murello, caught the flu bug and was out until Wednesday of this week, so was unable to answer your phone calls on this subject. We're glad to say that all is well now, including Mr. Murello and his family.

IF YOU WANT TO CONTRIBUTE to Guatemalan relief because of the disastrous earthquake of last week, here are several agencies active in this area: CARE GUATEMALA EARTHQUAKE FUND, Tri-State Regional Office, 660 First Ave., N.Y. NY 10016. or, Diocese of Rockville Centre, 50 North Park Ave., Rockville Centre, NY 11570 (checks should be made out to Catholic Relief Services), or, we are sure that the Red Cross in Mineola has a similar fund for this disaster, if you wish to contribute through them. Mr. Frank Chlunsky of Hicksville is head of the local Salvation Army organization and would be able to direct you as to the procedures of this group, if you would like to make a donation through them. His phone number is WE 1-0451.

THAT'S ALL for this week. Stay well. Enjoy each day and remember the old saying - "Don't complain about getting old, for many are denied this privilege."

SHEILA NOETH

## HAD Honors Dedicated Volunteers

Help-Aid-Direction (H.A.D.), Hicksville's own youth and family counseling, drug and alcohol abuse prevention and treatment center is indeed fortunate to have a very dedicated core of youth-centered, community-minded individuals who generously and unselfishly donated time and energy throughout 1975 to raise funds desperately needed for the very survival of this agency.

More than sixty men and women showed their concern and support for the survival of the H.A.D. counseling agency by sacrificing countless hours on Tuesday nights to run these weekly fund-raising endeavors in the Lions Den Hall, Mid-Island Shopping Plaza, Hicksville.

Many of these individuals were also very actively involved in other community service youth and adult organizations. Therefore, their dedication and sacrifices on behalf of the H.A.D. agency were especially appreciated by the clients, staff, and board members of H.A.D. They cared about their community and its residents and they consistently showed their concern by action and self-sacrifice.

The Help-Aid-Direction counseling agency has served Hicksville and its neighboring communities for over five consecutive years. It has provided numerous youngsters, adults, and families with free, confidential assistance in effectively dealing with all types of problems and personal difficulties. Its present counseling facility at 76 North Broadway, Hicksville (room 4000) is open Monday through Friday, 12 noon - 8 p.m. to help anyone with a problem. There are no fees or residency

requirements for any H.A.D. service. Sympathetic, professionally-trained and supervised counselors are available to talk by calling H.A.D. at 935-6858.

H.A.D.'s continued ability to provide quality counseling services for troubled individuals is directly a result of the dedicated, hard-working efforts of its volunteers who raise money needed to cover expenses not paid by annual state appropriations. Without their help, H.A.D. would not be able to meet its financial commitments and would definitely collapse.

The following list represents all of the volunteers who generously contributed their energies and time on behalf of the H.A.D. agency. The first group mentioned below either contributed more than 60 hours or were present at approximately 20 or more weeks out of a possible 42 weeks that H.A.D. operated this fund-raising endeavor during 1975.

Volunteers who worked at least 100 hours or 20 weeks were: Father Hugh Cannon, Mr. Charles Churik, Jr., Mrs. Julie Goldsmith, Mr. Jeff Gould, Miss Kathy Kwiatkowski, Mrs. Anne C. Maniec, Mr. John Maniec, Mr. Robert Rodman, Miss Wendy Saitzyk, Miss Laura Sas, Mr. Ira Smithermer, Miss Kathy Takush, and Mr. Steve Urso.

Supporters of the H.A.D. agency who participated in this particular fund-raising project for at least 10 weeks were: Mr. Peter Amar, Mrs. Clara Bennett, Mrs. Elizabeth Gay, Mrs. Edith Grimmer, Mrs. Marilyn Greco, Mrs. Betty Gumanow, Mrs. Eileen Jackson, Mrs. Shirley Kershow, Mr. Robert Losche, Mrs. Barbara Nagle, Mr. Don

Osganian, Mrs. Marylou Rowehl, Mr. Herman Sipinick, Mrs. Eleanor Takus, Mrs. Adele Weiss, and Mrs. Ruth Zeig.

Other workers who greatly assisted in the successful operation of this Lions Den fund-raising project for many weeks were: Mr. Peter Arena, (Mrs. Anne Balfour, Miss Jill Begelman, Mr. Bill Bennett, Mrs. Rosilyn Brechnez, Mr. Ray Calahan, Mrs. Mary Cordier, Mr. Douglas Duerbeck, Mr. Tom Hogan, Mrs. Lucille Kaye, Mr. Lou Laurenti, Mrs. Dot Link, Mr. Steven Nelson, Miss Beth Nitzberg, Mrs. Thomasina Pepples, Mrs. Robert Rasumens, Mr. Eugene Rochman, Mrs. Dolores Samowitz, Mr. Joseph Santaniello, Sr. Miss Marie Santaniello, Mr. John Schuff, Mrs. Muriel Schwartz, Mr. Anthony Sicari, Mrs. Mary Sipinick, Mrs. Barbara Spierer, Mrs. Ann Stevenson, Miss Denise Van Auken, Mrs. Estelle Wall, Mrs. Sylvia Weissman and Mrs. Sandy Zimmerman.

H.A.D. is deeply grateful and forever indebted to all of these individuals who gave of themselves during 1975. They are concerned human beings who cared enough about H.A.D.'s survival to sacrifice many hours of their free time in order to raise desperately needed funds.

This particular fund-raising project which was suspended temporarily in December 1975 will re-start again on Tuesday nights beginning in March 1976. Supporters and friends of H.A.D. are urged to seriously consider donating several hours once or twice monthly to make this important project successful again. For further details, contact John Maniec, H.A.D. Executive Director, at 935-6858.

### ADAM SCHERIFF

James F. Hurley III  
James F. Hurley III of Hicksville died Feb. 5. He was the husband of Mildred; father of George, Judith and Joyce; grandfather of Laura, Daniel, Alan, Lisa, John, Janine, Brian, and Karen; brother of Gertrude, Kitty, Margaret, Marie, Joseph.  
(Continued on Page 9)

Adam (Artie) Scheriff of Hicksville died Feb. 5. He was the husband of Mildred; father of George, Judith and Joyce; grandfather of Laura, Daniel, Alan, Lisa, John, Janine, Brian, and Karen; brother of Gertrude, Kitty, Margaret, Marie, Joseph.

# -NEWS BRIEFS-

## Community Relations Committee

There will be a meeting of the Community Relations Committee of the Hicksville Board of Education, chaired by Mrs. Iris Wolfson, on Thursday February 19, at 8:00 P.M. in the Board Room of the Administration Building, Division Avenue, Hicksville.

All those who are interested are invited to attend.

## Military Bridge

The Tri-Town chapter (Hicksville, Plainview and Old Bethpage) of the Association for the Help of Retarded Children is holding a Military Bridge on Tuesday, February 24, at 8 p.m. in the main ballroom of the A.H.R.C. center in Brookville.

An admission of \$3.50 will provide you with fun and prizes as well as bagels, lox, coffee and cake.

For more information and reservations call Harriet 626-0652 or Helen 822-6413.

## Puppets

### At The Library

In celebration of National Brotherhood Week, the Hicksville Library's Children's Room will present the Htudlee Traveling Puppet Theatre on Saturday afternoon, February 21st, at 2 o'clock. The puppets will present ethnic folklore and original myths from many far-away lands. The program is free - all are welcome to attend.

## Riddle at Nathans

Roger Riddle, well known children's comic will perform at the Nathan's Famous Children's Theatre, 1401 Mid-Island Shopping Center, Hicksville, L.I. on Sunday, February 15, 1976 at 1:00 P.M.

The free one-hour show is part of a continuing series of children's entertainment presented throughout the year. Further information can be obtained by calling (516) 822-2177.

## Receives Scholarship

Muhlenberg College, Allentown, Pennsylvania, has announced that Walter O. Staehle, 20 Rave Street, HICKSVILLE, has been selected as the recipient of an Aid Association for Lutherans (AAL) Lutheran Campus Scholarship for the 1975-76 academic year. Walter is a junior majoring in economics English at the school.

He is the son of Walter and Frances Staehle. The school awarded the scholarship out of funds provided for scholarship purposes by members of AAL.

AAL is fraternal insurance organization of member-Lutherans and their families. Members buy insurance, take part in Association activities, and carry out humanitarian, service and social projects in their own local AAL branches. AAL's national office is in Appleton, Wis. Walter is a member of Trinity Lutheran Church, Hicksville.

## JHS Students In Music Festival

The following Hicksville Junior High students participated in the Nassau Music Educators Association Junior High School Music Festival held in the Westbury High School on Friday and Saturday, January 30 and 31:

In the Chorus: Paul Hoderath - Soprano, Linda Buonincontro - Alto, Diane Stursburg - Alto, and Eric Seigel - Bass.

In the Orchestra - Barbara Hart - Cello.

In the Band: Gayle Brady - Clarinet, Keith Blake - Clarinet; Jean Publisi - Clarinet, and Peter Weinberg - Clarinet.

Peter Weinberg was chosen by audition to be the concertmaster or principal clarinet for the whole band.

## Old Country Rd. School News

"To climax our unit on Mexico, our kindergarten classes at Old Country Road had a fiesta on January 30, 1976.

"Pinatas had been made earlier in the week, mothers had come to help the children coat balloons with paper mache. Songs and dances were rehearsed, tropical fruit salad was prepared.

"On Friday, all the parents were invited to attend the fiesta. Since we could not tie the pinata to trees, we used two tall mothers, standing on chairs, holding the filled pinata on a long pole while the children were given a chance to break the pinata with a blindfold on. There was a scrambling for the candy when the paper mache finally cracked open.

"We sang Going to Jerez and ten little Indians in Spanish, and dance to the music of LaRaspa and the Mexican Waltz. Everybody enjoyed their hot chocolate knowing that the chocolate came to us from the Mexican heritage."

## JHS To Wall St.

Mr. Greenspan's and Mr. McAuley's General Business classes from the Hicksville Junior High went to Wall Street recently to tour the financial district. The students were afforded a personal tour of the American Stock Exchange with an explanation of the hand signals used. The class observed the floor trading on the New York Stock Exchange and saw the Money Tree exhibit at Merrill Lynch.

An interesting highlight was "Welcome Hicksville Students" flashed on the New York Stock Exchange board and put on ticker tapes throughout the world amid the stock quotations.

## Penny Auction

On February 24 at 8:00 P.M. the Dutch Lane P.T.A. will hold a Penny Auction in the All Purpose Room of the school on Stewart Avenue in Hicksville. Many valuable gifts will be auctioned off for just pennies. There will be door prizes, raffles and refreshments, too.

"Come and join us. Bring a friend. Bring your pennies. Remember ... February 24 ... 8:00 ... Dutch Lane School," urged a PTA spokesperson.

Because nuclear power is cheaper than electricity generated from coal, it will help hold down energy costs.

## DAR Student Awards

The Annual Awards Tea for the DAR Good Citizens will be held at Raynham Hall, February 16th at 8:15 P.M., according to Mrs. Mainard Chittenden of Muttontown, chairman of the Good Citizen Committee. The Good Citizen from each of the area high schools is selected by the school faculty, and by passing an examination concerning the history of this nation. This is the first year the contest was opened to male students.

The Good Citizens who will be receiving their gold medals are: Miss Heidi Schaeetz from the Lutheran High School; Miss Patricia Caesar from the Hicksville High School; Mr. Robert DiGennaro from the Oyster Bay High School and Mr. Thomas Hammond from the Jericho High School.

To be selected a DAR Good Citizen, a senior student must have maintained a fine scholastic record throughout his school career, entered extra-curricular activities, and also must have taken an active part in community and church life.

A well-rounded citizen is one whose interests lie in many directions and who will work for the benefit of many while forgetting any rewards which may be reflected back upon them.

Mrs. Russell Schroeder, of Hunting Station, regent of the chapter, will conduct the business meeting prior to the awards ceremony. Reports will be given on other youth-oriented projects conducted by the chapter. The DAR is most aware that the country's future depends upon the skills of today's youth, and the greatest proportion of DAR work is with children and with their educational facilities. Hostesses for the tea will be Mrs. E. Kahler and Mrs. George Wulforst both of Syosset.

## BOCES Board Meeting

The BOCES Board of Education will meet on February 26, at 8:15 p.m. These meetings are held at Valentines Road and The Plain Road, Westbury. Anyone wishing further information may call 977-8700.

The entire Hicksville Community is welcome to join us at our Open House on Monday, Feb. 23rd., Tuesday, Feb. 24th., and Wednesday, Feb. 25th. We have many events planned which we are sure will be of interest to you.

Eighth grade pupils, Gina Credidio and Mark Pestana, compare the characteristics of their own brand of sandstone with the real product during their Earth Science classes at the Hicksville Junior High School while studying the composition of the earth's crust.

# 1300 MIA's Are Not Forgotten

Hicksville was well represented in presenting letters to both North and South Vietnam, asking them to release the 1300 M.I.A.'s. The letters were presented by Dan Hoison, Past President V.F.W. Amvets Post No. 44, Harry C. Wurth, Nassau County Commander V.F.W., Joe Normandy, Commander Hicksville Post No. 3211 V.F.W., and James Sottile, Past Commander V.F.W.

Following a parade down 5th Ave. in New York City to the U.N. Building, a delegation of all veteran groups combined, massed at the U.S. Council to protest and demand that Hanoi release the names and men that they are holding prisoners. An audience was held by the Ambassador H. Williams Bennett who assured all the veteran groups that all that was possible was being done. Our own Joe Normandy said "enough was not being done and this should be brought out before the United Nations and a stronger stand should be taken by our government" to secure the release of

Our Own Joe Normandy addressing the Ambassador.

these 1300 men. Further plans are being made by the various veteran groups for the return of these men. The Hicksville V.F.W. Post 3211 plus Inwood's V.F.W. Post 1582 and

Bellmore V.F.W. Post 2770 have combined under the chairmanship of Vincent Esposito Past County Commander V.F.W. and assisted by County Commander Harry Wurth of the Hicksville Post to sponsor a night in the Nassau Veterans Coliseum on Friday, Feb. 27, in remembrance of our M.I.A. and P.O.W.s. Nassau County Executive Ralph Caso as well as Governor Hugh Carey have issued proclamations which will be presented at half-time during a game between the N.Y. Nets and Kentucky Col., proclaiming the week of Feb. 27 as remembrance of the 1300 men who are missing in action. There will be massing of colors from all over the Island, Brooklyn, Queens, New York City—your name it.

The Hicksville Post, under the co-chairmanship of Abe Feldman, Sr. Vice Commander, and Vincent Edwards, Jr. Vice Commander, have made plans to have our own P.B.C. band play during the massing of colors. Also in attendance will be the Hicksville Soccer Club. These 100 tickets were made available by the Hicksville V.F.W. Post. Anyone wishing tickets to this outstanding affair, can purchase them at half price. These are \$7 tickets for \$3.50 and will be made available by contacting Abe Feldman at PE 1-8133 or Vincent Edwards at 796-5247. If you can't come, watch us on Channel 9. Let us not forget those who are M.I.A.'s and pray that God will return these men to their loved ones.

# Fire Dept. Report

During the period January 27 thru February 10 Hicksville Firefighters responded to 42 alarms. 1 malicious false alarm, 21 rescue call, 20 fire calls, including a mutual aid call to assist the Westbury F.D. on Jan. 30 at 1:38 AM. Hicksville firemen stood by while Westbury fought a general alarm blaze in the Old St. Bridgid's parish house on Post Ave.

Total alarms for January were 154 calls, 54 general alarms, 51 silent alarms. There were 66 rescue calls, 12 false alarms, 3 mutual aid calls to assist other fire departments and one working fire.

### Vamps Stop 2 Fires, Millions Saved

On Sunday, February 8, Hicksville Firemen responded to a fire alarm at the General Instrument Co. plant on W. John St. The cause of the automatic alarm was a fire in a lab loaded with millions of dollars worth of equipment. A leaking roof caused employees to erect plastic over the machines to protect them. The plastic became loaded with water and fell on the hot machines. Due to the water, the sprinkler system did not go off, but the fire managed to spread. Firemen using water sparingly saved a majority of the valuable machinery. Damage was estimated at \$8,000. Vamps were on the scene for several hours. The alarm came in at 10:39 AM. All department apparatus responded with 75 men under Chief Roy Schaaf.

**Major Blaze at Mid Island Plaza Averted**  
While Firemen were busy at the General Inst. Co. blaze, a general alarm via an automatic fire alarm rang into Hicksville

Fire Hdg. at 11:02 AM indicating a fire in building zone 3, at the Mid Island Shopping Center on No. Broadway. In the Past Hicksville Firemen have responded to numerous false alarms at the Plaza. The alarm system was installed after 2 costly fires occurred there a few years ago.

Firemen made a thorough search of the area and found no sign of fire in Zone 3. Traces of smoke were found in Zone 2 and after some time fire was found burning in the ceiling of a basement office belonging to the Owners of the Plaza. It should be noted that since September Hicksville Firemen were no longer welcome to drill at the Mid Island Plaza. Pre-planning is a valuable tool in modern fire fighting. It is an asset in the battle against fire. The Vamps search was hampered due to the fact maintenance and security personnel had limited knowledge of the building. As a result in tracking down the source of the smoke, 8 stores had to be forced open.

The fire was caused by an electric space heater. The ceiling beams were badly charred. Hicksville Fire Chief Roy Schaaf said had this fire gone undetected several more hours a serious fire in the bowels of the Plaza would have caused serious damage. A basement fire is one of the most difficult to combat. Just a few years ago this section suffered a serious fire in which 5 stores were destroyed. Chief Schaaf credited his men for a fine stop. Thanks to their efforts it will be business as usual for Plaza merchants.

**4 FIREMEN INJURED IN Plaza Gas Spill**  
On Saturday February 7 Hicksville Firemen responds to a

## HHS Swim Team

This years Hicksville High School swim team, coached by Bob Otto, started off their season with a victory over Southside. Strong swimmers for the team were Seniors - Pete Hammer, Walter Kozak; Juniors - Mike Bradley, Chris Conboy, Nancy Yorke, Jen Porter; Sophomores - Bill Porter, Kevin Drummond, Tom White; Divers - Laurie Grech, Claire Dzieukiewicz. Team Coach Otto stated "the enthusiasm and turn out for a school without a pool was overwhelming; out of 75 in-

terested candidates we have a stable roster of 35". Team spirit was tremendous, the girls performances were excellent. Lack of facilities didn't hinder the spirit of this group. Overall, despite handicaps, the team looked forward to a victorious season.

The girls should definitely have their own team by next Fall if possible. The Teams feelings are to get more support and publicity from the school & students; and to improve themselves, develop their talent (abilities).

Scoring girls for the team were: Nancy Yorke, Jen Porter, Nancy Harmen, Carol Allgeier, Vera Althaus; having to compete on a boys team made these girls that much better.

Strong and promising medley relay Kozak, Porter, Hammer & Bradley look forward to the counties held in March. Some times that have been recorded by these boys are: Captain Pete Hammer - 100 yd Fly - 55.1 which placed him 6th in the state last year; 200 Im - 2:11:5; Co-Captain Walt Kozak - 100 yd Breat - 1:07:6, which placed him 3rd in the county; 100 yd back - 1:04:7; Porter - 500 yd free (20) laps - 6:09:00; Bradley - 100 yd free - 56:5; 50 yd free - 25:5.

By Ex-Capt. Owen Magee

report of a chlorine gas order at the Holiday Spa in the Mid Island Plaza. Upon arrival firemen found powdered chlorine and acid were spilled. Firemen using air masks had to wash away the Chemical but were hampered by no ventilation in the basement. Several men suffered from the effects of the gas and became ill. They were transported to Plainview Central General Hospital - treated and released. No damage was reported. The call came in at 4:10 PM 3 pieces of apparatus. 15 men responded to the silent alarm under Asst. Chief Keyer.

Attack Dog, Frozen Hydrant Hamper Vamps, 4 Injured

A fire of suspicious nature gutted the offices of the Hicksville cesspool service on Duffy Ave. early Wednesday February 4.

The General Alarm Blaze rang in at 1:17 AM. 85 Hicksville Vamps, 13 pieces of apparatus responded under chief Roy Schaaf. Firemen could not use the hydrant in front of the fire building because it was frozen. This was caused by unauthorized use of the hydrant by persons unknown. A problem not uncommon in this area. Firemen had to stretch lines in from Hydrants 2 blocks away.

The first firemen on the scene, aided by county police had to

(Continued on Page 8)

# Hicksville Wrestling

The genesis of a new organization began several weeks ago when a group of School District 17 wrestling parents met to determine and discuss the reasons for the poor attendance at Comet wrestling matches. Also to be discussed was the alleged consideration by school administrators that Hicksville wrestling is a minor sport which has led to something less than their enthusiastic support, to poor publicity for the sport, to lack of safety equipment, to a totally unsatisfactory training area, and to being the "low-man on a totem pole" in the scheduling and use of the gymnasium for wrestling matches. By the 5th of February, the group had grown to over 40 in number and gave birth to the "Hicksville Parents Wrestling Association." Its avowed purpose is to support and promote wrestling in the entire Hicksville School District. These individuals were elected to the office or committee indicated: President: Mr. Larry Gould; Vice President: Mr. Howie Taylor; Treasurer: Mrs. Harriet Haas; Secretary: Mrs. Mae Trentanove and Membership Committee Chairperson: Mrs. Jean Gould.

The Steering Committee: (In alphabetical order -- the chairperson to be selected at a later date) Mr. Robert Byrnes, Mr. Richard Endres, Mrs. Jean Gould, Mrs. Claire Harvey, and Mrs. Mae Trentanove.

The organizers specifically point out two major facts about the association:

1. The membership does now and will continue to include any Hicksville resident who believes in the Association's stated goals whether or not they have children enrolled in school, and if they do, whether or not the children are engaged in wrestling. In fact a specific invitation to join is ex-

tended to any school district 17 resident. Come to the next meeting, Wednesday, February 18 in the High School teacher's cafeteria. Meeting begins at 8:00 PM.

2. The support of Hicksville wrestling includes support at the elementary level under sponsorship of the association, support of Coach Marvin Goldberg's efforts at the Junior High, and of Coaches Steve Tomaini and Mike Lendo at the Senior High.

Now on to news of Comet wrestling. The little girl with the loud voice always heard cheering on the Comet's effort is Hicksville High cheerleader Chris Pfeiffer. She is the team's co-manager along with Leslie Castro. These two girls are joys to behold when the Comets are wrestling. Look for them at or around the scorer's table.

As of 6 February, the team has an 8 won and a 1 loss record. How does number 1 in conference 2 sound? That's what they are. Port Washington High School was their latest victim 41-16. The match was highlighted by four significant bouts that foretell great things for next year's team:

1. Sophomore Gene Haas ripped his opponent with the fastest pin ever recorded by a Hicksville wrestler within the past few years. Obviously out to be a tiger, he zeroed in on his adversary and flattened him in 27 seconds.

2. Not to be outdone, Junior Jaime Gould, wrestling his first varsity match, jut-jawed his way to the mat (a la Dave Spector) and completely outclassed his rival the first period, and then

## Basketball Tournament

The Old Country Road School held its annual boys' basketball tournament on Thursday, February 5th and Friday, February 6th.

The tournament was under the direction of Mr. Kaufman, physical education teacher, who also officiated each game. All games were well played and the scores were close.

Mr. St. John's class was the winner at the 4th grade level; Mr. James Baker's class was the winner at the 5th grade level and Mrs. Blumenthal's class was the winner at the 6th grade level.

## Plainview-Old Bethpage High School News

## Kiwanis Receives Soccer Club Award

On Wednesday, January 21, the Kiwanis Club of Hicksville was honored by the Hicksville Americans Soccer Club for its financial support of the 16 to 19 year old boys travelling soccer team. For the past two years, Hicksville Kiwanis has sponsored this particular team composed of older teenagers living in the Hicksville area.

Mr. Frank Schnur, coach of the team, attended the January 21st luncheon meeting of the Hicksville Kiwanis Club as a guest of Kiwanian John Maniec. Mr. Schnur surprised the members there by presenting a plaque from his soccer club which read: The Hicksville Americans Soccer Club - "On behalf of the parents and children of our club, we express our sincere gratitude and thanks for your concern and interest in the youth of our community."

Shown in this picture from left to right are Hicksville Kiwanian President Russel Coniglio and First Vice-President Harvey Kolin accepting the award on behalf of their club membership.

Mr. Schnur indicated that the particular team that the Hicksville Kiwanis club presently sponsors has been very suc-

cessful in many of the recent competitive matches they have participated in. He concluded by saying that he will make every effort to keep Kiwanians fully informed of future matches and publicize their support of his team.

The Kiwanis Club of Hicksville Board of Directors is scheduled to take up the matter of renewing their sponsorship of this soccer

team at their February 26th monthly meeting. At that time, the formal request of the Hicksville Americans Soccer Club to support Mr. Schnur's team for the next two years will be voted on. Approval of this renewed sponsorship would cost the Kiwanis Club \$200.00 and the money would be utilized to replace worn-out uniforms and other soccer equipment.

## Hicksville Bicentennial Committee Report

The Hicksville Bicentennial Committee will hold its next meeting on February 18, at 8 P.M., in the Teachers Cafeteria of the Junior High School. The cafeteria is reached from Old Country Road via Frevert Street opposite the Alibi Restaurant or from Jerusalem Avenue via the east end of Second Street.

Progress reports will be heard from committees preparing plans for the Bicentennial Ball on

May 21, the All-Community Bicentennial Parade on June 12 and the Bicentennial "Old Time Fair and Fourth of July".

Committee chairmen are eager to fill out the groups working on the various programs and cordially invite the participation of all types of organizations and individuals. Representatives of the following organizations are especially urged to attend: the Hicksville Fire Department; Hicksville Auxiliary Police;

veterans groups and their auxiliaries; the Sons of Italy and Ancient Order of Hibernians and all other ethnic group leaders and members who would like to help reflect the great contributions to America of its overseas forebearers.

The Hicksville Bicentennial Committee would welcome the attendance at its meetings of Antique Car Club members and company representatives or individuals who might make available for the Bicentennial Parade or "Old Time Fair" models or actual examples of old-time agricultural and commercial equipment or vehicles typical of the great Hicksville Farm Era between 1836-1949.

### WRESTLING (Continued from Page 7)

zapped him with a quick pin in the second period.

3. Junior Bill Stepkowski continued to show great balance, skill, and agility - seemingly able to score at will - and won a superior decision 12-0 which was worth five points.

4. Sophomore Joe DiLuvio, although losing, showed great promise with his aggressiveness, quickness, and heart in his first victory bout.

Pat Bennett, Brian Damm, Roger Sokenis, and Frank Corone won by forfeit. Andy Edell lost his first dual-meet bout of the year 6-5. That loss is no reflection on Andy's wrestling skill, aggressiveness, spirit and attitude. Andy, coming off a bout with the flu and having missed the two prior matches, wrestled valiantly and courageously but the flu had taken its toll. Andy has already forgotten the match and is looking forward to and preparing for the next match, but the above facts about Andy had to be said. Illnesses kept Joe Leo, Marty Byrnes, and Pete Webb from suiting up.

The match with Plainedge, our February 3rd match was rescheduled to 12 February. Results next week. Don't forget our match at Westbury High on Tuesday, 17 February at 4 P.M.

### HONOR RICHARD EVERS (Continued from Page 1)

## Local Man Elected IEEE Fellow

A Plainview resident Robert L. Steven of Cutler-Hammer's AIL Division has been elected a Fellow of the Institute of Electrical and Electronics Engineers (IEEE), the world's largest professional engineering society. Mr. Steven, Deputy Director of AIL's Applied Electronics Division, received the coveted award for his "contributions to microwave filters and equalizers and to the development of low-noise amplifiers for satellite communications."

A Fellow is the IEEE's most prestigious and highest membership rating and is awarded each year by the IEEE Board of Directors to a limited number of individuals who have shown evidence of outstanding and extraordinary qualifications in their particular fields. This year the IEEE elected 112 new Fellows from an international membership of 180,000.

Mr. Steven, who has been an AIL staff member since 1956, serves on the editorial board of the IEEE Transactions on Microwave Theory and Techniques. He has published over 20 technical papers on

filters, parametric amplifiers, noise-figure measurements and multimode power measurements.

A 1953 graduate of the City College of New York with the B.E.E. degree, he received the M.E.E. degree from the Polytechnic Institute of Brooklyn in 1959.

He and his wife, Rita, reside at 34 Gilbert Lane in Plainview. They have two children, Paul and Deborah.

### Our Arm Forces

A 1970 graduate of Hicksville High School, the lieutenant received his B.A. degree from East Carolina University at Greenville, and was commissioned there in 1974 through the Reserve Officers Training Corps program.

Now wearing U.S. Air Force silver wings is Second Lieutenant Thomas W. Shubert, son of Mr. and Mrs. Walter Shubert of 174 Cottage Blvd., Hicksville, N.Y. He recently graduated from pilot training at Laughlin AFB, Tex.

Lieutenant Shubert is being assigned to Beale AFB, Calif.

Congressman Norman F. Lent (r) congratulates two young men from Hicksville whom he nominated to the Air Force Academy (T to R): Charles Thorwarth and Thomas Zenker.

Now that they've been nominated, Zenker and Thorwarth will compete with other young men and women from all over the country for a place in the class of 1980 and a commission in the U.S. Air Force.

## HHS Madrigal Singers

The Hicksville High School Madrigal Singers, under the direction of Mrs. Charles Arnold, will entertain at the Founder's Day meeting on Tuesday, February 17, at 8:15 PM at

Woodland Avenue School. Refreshments will be served.

Also, at this meeting, the proposed slate of PTA officers for the forthcoming year will be presented.

### FIRE DEPT.

(Continued from Page 6)

corral an attack dog. Bystanders were shouting to police to shoot the animal, but police and firemen managed to quiet the frightened animal, removed the dog from the area. Fire by now had spread to all parts of the 2 story wood frame building. Fireman John McMahon of Engine Co. 4 was engulfed in flames by exploding gasoline

which was found upon entry into the building. The flames were quickly doused. McMahon was treated at Central General Hospital and released. Fireman R. Rodecker H & L Co. 1 suffered a knee injury, fireman Robert Hammond Jr. of H & L Co. 1 suffered smoke poisoning and Fireman T. Farrell of Co. No.3 suffered a knee injury. All were treated and released. The Nassau County Fire Marshals office is investigating.

SIGNING UP ON THE "BAYH LINE". Phyllis Sarrel of Pasadena Drive in Plainview adds her name to the Democratic Party Designating Petition being circulated in support of the delegate slate committed to the Presidential candidacy of Senator Birch Bayh. Looking on with approval are Phyllis' husband Bob (Right) and son Lloyd, and Bayh delegate candidate Michael Polansky (Left), also of Plainview. Local Bayh supporters expect to turn in a record number of signatures in support of Senator Bayh's slate of delegates before Feb. 19 filing date.

## DEVOTIONS

Trinity Lutheran Church  
Dial-A-Devotion 931 2221

By Rev. J. H. Krahn

### BLESSINGS IN '76

As the new year begins we can approach it in one of two ways. We can see it through pessimistic eyes which see problems in every possibility or through the eyes of an optimist who sees possibilities in every problem. Now we can be assured that 1976 will bring its share of problems our way. To be alive is to have problems. How we will handle them is the question? Dr. Karl Menninger, the noted psychiatrist, said, "It's not what happens to you but how you react to it that makes the difference." That's a great concept. Trouble never leaves you where it finds you. It will either change you into a bitter person or a better person. Your attitude in confronting trouble is most important.

Now a God that has as His greatest desire our good, who wishes to bless us abundantly in the New Year, has given us the power needed to handle the difficulties this year. This power is available to all of us, and it comes as we develop a warm

personal relationship with the Lord.

For some of us God might be a friendly stranger. You respect everything you seemingly have heard about Him, but the two of you really don't relate.

With others there is a nodding acquaintanceship, and every once in awhile you run into Him and say, "Hello, Lord."

Others of you are on a first-name basis. He knows you and you know Him. And you're really very good freinds.

Then there are others, who have a very deep, warm, intimate friendship with God. I mean like two people who cry together, laugh together, and talk into the night together. This last relationship with the Lord is the one we should seek. He wants to be our close, intimate friend. With such friendship God's beautiful blessings flow continuously. Through such friendship with God we can develop an attitude which can find possibilities - even in our problems.

### Cards and Chatter

Our Lady of Mercy Rosary Altar Society invites you and your friends to an evening of CARDS and CHATTER on Thursday, February 19, at 8PM. in Our Lady of Mercy School auditorium, on South Oyster Bay Rd., Hicksville.

Play your own game of cards, sit and talk. Refreshments will be served. Prizes galore for everyone.

Tickets can be purchased at the door. Cost is \$2.50.

**WOMAN PRESIDENT:** The Council of Redeemer Lutheran Church, Hicksville, The Church of the Open Door, recently elected its first woman president. Audrey Brandt Foley was chosen for the position at the organizing meeting of the Council in January.

Mrs. Foley has been an active member of the congregation since its organization in 1958. She was one of the first women elected to the Church Council in 1965 and has represented Redeemer Lutheran Church at several Synod Conventions. A long time resident of Hicksville, Mrs. Foley attended local schools and taught at the junior high school for many years. She is presently chairman of the reading department at Walt Whitman High School in Huntington Station.

### Obituaries

(Continued from Page 4)

Fred, Jerry and Thomas.

Religious services were held on Friday, Feb. 6 at 10 a.m., Rev. James J. Beanson officiated. Interment followed in L.I. National cemetery.

#### RONALD DZIEGELEWSKI

Ronald Dziegelewski of Hicksville died Feb. 9. He was the son of Mary and Mitchell, brother of Steve and John Dziegelewski, grandson of Steve Tolisz.

He reposed at the Henry J. Sock Funeral Home, Newbridge Rd., Hicksville, Mass of the Christian burial on Friday, Feb. 13, at St. Ignatius R.C. Church, 9:45 a.m. Interment, Holy Rood Cemetery.

**Dr. August Bernthal:** Trinity Lutheran Church, 40 West Nicholas Street, Hicksville was honored to have Dr. August Bernthal as their guest preacher on February 8th at their 125th Anniversary Worship Services. Dr. Bernthal, pastor of Grace Lutheran Church, Winter Haven, Florida is also a vice president of The Lutheran Church-Missouri Synod. This weekend culminated a year-long celebration of Trinity's Teaching...Loving...Caring in the Mid-Island community. The congregation began its ministry in 1850 and has grown from a small country parish to the largest Lutheran church in New York State. Last Saturday night the parishioners gathered at Carl Hoppli's Malibu Beach Club for a gala Dinner-Dance. Greetings and best wishes were received from many dignitaries, including a personal letter from President Gerald R. Ford.

# Steps To Avoid A Heart Attack While Shovelling Snow

When it comes to shovelling snow, here is a check list of do's and don'ts:

-If you're over 40 and healthy, it's okay to shovel, but take it easy. Snow shovelling is strenuous and it can exert a strain on the heart of a person not used to regular physical activity.

-If you have heart disease, don't shovel without your doctor's permission.

-Don't shovel immediately after eating. Tackle the snow before you eat, or at least an hour

after a meal.

-don't smoke during the period you shovel. Smoking causes constriction of the blood vessels, as cold air does. The combination could be lethal.

-Don't shovel to the point of exhaustion. Fatigue is further strain on the heart.

-Dress warmly in light, thin layers of clothing, muffle ears and throat and keep hands and feet dry.

-Each shovelful of dry snow weighs about four pounds and wet

snow is much heavier. When you shovel, lift with your entire body keeping your back straight.

-If you run out of breath, pause until breathing is easier. If you feel a tightness in your chest, quit.

Those are the guidelines for shovelling snow. But what are the warning signs of a heart attack? Could you recognize them — in yourself, or in a friend, during or after a period of shovelling snow? Here they are:

-Prolonged, heavy pressure or

squeezing pain in the center of the chest, behind the breastbone.

-Pain which may spread to the shoulder, arm, neck or jaw.

-Pain or discomfort accompanied by sweating, Nausea, vomiting or shortness of breath may also occur.

-Symptoms may subside and then return.

Dr. Lambrew reminds us that if you recognize these warning signs, in yourself or in a friend, don't panic. Try to relax and to think clearly. Try to get help

immediately. Call your doctor, the police or a hospital emergency room at once. Half of all heart attack deaths occur before the victim gets to a hospital.

The President of the American Heart Association, Nassau Chapter, adds:

Shovelling snow can be a form of vigorous, healthy exercise. Treat it that way by not over-exerting. Don't shovel yourself to a heart attack.

**PLEASE TAKE NOTICE**, that pursuant to law a public hearing will be held in the Hearing Room of the Town Hall, Audrey Avenue, Oyster Bay, Nassau County, New York, on Tuesday, the 24th day of February, 1976, at 10 o'clock a.m., prevailing time, or as soon thereafter as practicable to consider the following amend-

**LEGAL NOTICE**

STATE OF NEW YORK  
 DEPARTMENT OF  
 ENVIRONMENTAL CON-  
 SERVAION

**NOTICE OF APPLICATION FOR PERMIT TO DISCHARGE UNDER PROVISIONS OF NEW YORK STATE POLLUTANT DISCHARGE ELIMINATION SYSTEM**

APPLICATION NO. NY-0092304 (GWM)  
**FRED & ROSE GUIDONE (MEAT MARKET)**  
 Oyster Bay (T), Nassau Co.  
 Notice is hereby given that, pursuant to Titles 7 & 8 of Article 17 of the Environmental Conservation Law of New York State for the administration of and the issuance of permits under said Law,

Fred and Rose Guidone (Meat Market)  
 403 Jerusalem Avenue  
 Hicksville, New York 11801  
 has filed a permit application with the New York State Department of Environmental Conservation at its office at 50 Wolf Road, Albany, New York 12233, where the application and related documents are available for public inspection. The applicant proposes to discharge 1057 gallons per day of sanitary wastes into groundwaters from a subsurface disposal system at the applicant's facility located at 385 Jerusalem Avenue, Hicksville, New York, Oyster Bay (T), Nassau Co., where the applicant will operate a meat market.

The New York State Department of Environmental Conservation tentatively intends to issue a State Pollutant Discharge Elimination System (SPDES) permit for the subject discharge(s). A final issuance will follow: (1) review of the application to assure compliance with all applicable provisions of Article 17 of the Environmental Conservation Law of New York State and all applicable provisions of the Federal Water Pollution Control Act Amendments of 1972 (P.L. 92-500); (2) development of special conditions setting forth specific effluent limitations and other controls applicable to the discharge(s) described above including schedules of compliance; (3) development of monitoring and reporting requirements for the applicants performance; (4) consideration of all written comments from persons who qualify, as described below, as interested parties on this notice of application.

Any person interested in this application who wishes to comment thereon or become an interested party in any proceeding regarding this application must notify the undersigned in writing stating specific areas of interest on or before March 29, 1976.

All such written comments will be retained by the Department and considered in the formulation of the final determination. Any such interested party will be eligible to be heard if a public hearing is ultimately held in connection with this application.

Further information may be obtained from the New York State Department of Environmental Conservation, Division of Pure Waters, Room 201, 50 Wolf Road, Albany, New York 12233, (A.C. 518, 457-4125, 457-4126).

ments to Chapter 11 "Garbage, Litter and Waste" of the Code of Ordinances of the Town of Oyster Bay, New York as amended:

**AMEND Article II - Town Garbage Collection** so that the Town Board will hereafter establish by resolution regularly scheduled days for the collection of garbage in residential and business areas of the Town and at hours designated by the Commissioner of the Department of Public Works (Sec. 11-17)  
**AMEND Article II** so that fecal matter of domestic animals must be placed in a sealed waterproof container before being placed in garbage. (Sec. 11-30)  
**AMEND Article III Private Garbage and Waste Collectors** so that effective January 1, 1977, the fee for refuse disposal at Town facilities will be \$100. for each vehicle used to cart refuse. (Sec. 11-49)  
**AMEND Article III** to establish a new Commission entitled the "Private Refuse

**LEGAL NOTICE**

Collection Commission" which shall have the duty of assisting and advising the Town Board concerning the collection and disposal of waste and refuse by privately owned refuse collectors. This Commission is proposed to serve without compensation and will consist both of members of Town government and representatives of the Private Waste Carters Association. This Commission is proposed to have the power to hear complaints and grievances from consumers who are serviced by private refuse collectors. This Commission is also proposed to have the authority to hear grievances from private refuse collectors who have been denied operating licenses by the Town Clerk or who have had operating licenses suspended or revoked. Association. This Commission is also proposed to have the authority to hear grievances from consumers who are serviced by private refuse collectors. This

**LEGAL NOTICE**

Commission is also proposed to have the authority to hear grievances from private refuse collectors who have been denied operating licenses by the Town Clerk or who have had operating licenses suspended or revoked.  
**AMEND Article IV Town Disposal Facilities** so that charitable, fraternal and religious organizations upon proper proof will be allowed to discard refuse at the Town Landfill without charge so long as no load exceeds one ton. (Sec. 11-67)  
**AMEND Article IV** so that as of June 1, 1976 the charge for disposing of garbage and rubbish at Town Disposal Facilities shall be forty-five (\$0.45) per hundred (100) pounds or fraction thereof. It is also proposed that there be a charge of fifty-five cents (\$0.55) per hundred pounds for disposal of bulky items which are over four (4) feet in length. (Sec. 11-72)  
**AMEND Article IV** so that the charge for disposal of sludge and liquid from

**LEGAL NOTICE**

cesspools and septic tanks be established from time to time by resolution of the Town Board. (Sec. 11-72) It is also proposed that there be a charge for disposal of dead animals including dogs and cats under one hundred (100) pounds at twenty-five cents (\$0.25) a pound.  
**AMEND Article II Town Garbage Collection** so that there shall be no collection of refuse on Sundays and the Holidays to be designated by the Town Board. (Sec. 11-19)  
**AMEND Section 11-19, 11-46, 11-58, 11-72** with regard to the administration and operation of the Garbage, Litter and Waste Ordinance and revise the language contained therein.  
 All persons interested in these and other amendments to Chapter 11, "Garbage, Litter and Waste" shall have an opportunity to be heard at the time and place aforesaid and may examine said amendments between the hours of 9 a.m. and 4:45 p.m. (except Saturday, Sunday or Holidays) in the office of the Town Clerk.

**FIRE COMMISSIONER**  
(Continued from Page 1)

give access to the rear of certain retail stores fronting on Broadway, consisting particularly of the butcher shop, stationery store and sweet shop.

The Fire Commissioners did an extensive study to attempt to preserve the access requested and at the same time, acquire title to the corridor for parking purposes.

During the period following 1971 an additional need for this land became apparent. The District architect, considering the change in firematic equipment, recommended the on-site storage underground for both diesel and gasoline fuel. Thus, the need for making this acquisition as soon as possible became all the more imperative.

A public hearing was held at the Firehouse on January 20, 1976. The owners and tenants of properties in the affected area were given audience, as well as other interested taxpayers and citizens. Understandably, the plight of those directly affected

by the proposed acquisition was quickly made known to the Board. Essentially, the proposed acquisition focused on the access of the owners and tenants of business and residential premises fronting on Broadway to the rear of their premises. Each resident expressed in clear and unmistakable language the effect on him of the proposed acquisition. The desire to make some compromise was paramount with the residents and the Board.

The need for additional land for on-site parking and underground tanks and the necessity of the owner and tenants for access to the rear of their premises for deliveries and parking is also of importance. Access to the rear of the premises is now obtained through East Marie Street. The proposed acquisition will cut off this means of ingress and egress. The substitution of access from East Marie Street to the Long Island Railroad property is the goal to be achieved. Property is owned to the Long Island Railroad property line by those in the affected area. Access is

presently denied to the rear of the premises since there is no easement or right of way permitted across the Long Island Railroad street or roadway to the rear of the premises.

The Board of Fire Commissioners recognize their sworn duty to the entire Hicksville community and beyond in the proposed acquisition. If this can be accomplished by lessening the burden and impact of denying the owners and tenants access to the rear of their premises, the Board would lend their efforts and recommend to the Town Board that every effort be made to obtain the necessary permission for access. Such permission is requested not only by the Board for the owners and tenants, but also would be a benefit of providing ingress and egress to volunteer firemen gaining ready access to the Firehouse in response to a fire call.

The Board will be pleased to meet with you or any members of the Town Board to furnish further details of the basic proposal together with a copy of the proposed acquisition map and

any other information which may be deemed pertinent for the successful resolution of this matter.

The answers to the questions originally asked may then be stated as follows:

1. Q. What problem is involved?

A. The necessity of providing a right-of-way from the Long Island Railroad property into the rear of the premises affected.

2. Q. What is the solution to this problem?

A. Obtaining the necessary consents from the Town Board and other agencies having jurisdiction.

3. Q. What is the interest of the Town Board in this matter?

A. The welfare of the owners and tenants in the affected area.

Will you please be kind enough to acknowledge receipt of this letter in writing and advise promptly of the action taken by the Town Board so that we may advise all parties concerned.

Respectfully yours,  
HICKSVILLE FIRE DISTRICT

By Clifford Davis, Chairman  
August Jud, Commissioner  
G. Maynard Munch, Commissioner

William Foley, Commissioner  
John Hannigan, Commissioner

Editor's Note: Our Board of Fire Commissioners is keeping you all informed as to their decisions in this matter by sending the Herald a copy of their letter to the Town of Oyster Bay.

T.O.B. Councilman Warren Doolittle told us that the Board is presently consulting with their attorney to see if they have the right to alleviate this situation. If they can, we are sure they will. More on this as it occurs.
