**Dedication Ceremony  
This Sunday**

Hicksville's American Revolution Bicentennial program features a dedication ceremony at the John F. Kennedy Memorial Mall on North Broadway this Sunday afternoon, March 14 at 2:15 P.M.

Continental army music by fifers and drummers of the Hicksville High School Colonial Brigade will call patriots to witness the dedication by the Hicksville Kiwanis Club of a village Bicentennial Flag and the beginning of constant illumination at the Mall.

The presentation ceremonies have been arranged by Kiwanis Club Bicentennial co-chairmen Kingsley Kelly and Dr. Richard Smith with the assistance of Richard Evers. Co-chairman of

the Hicksville Bicentennial Committee.

In addition to the installation of an official Bicentennial Flag and night and day lighting at the Kennedy Mall honoring the heroic War Dead of Hicksville, the Kiwanis Club, under the leadership of President Russell Coniglio, will defray the cost of electric power for the Bicentennial Year.

The public is cordially invited to witness the latest Bicentennial event in Hicksville and to join Color Guard members of the American Legion, Veterans of Foreign Wars and Annvets in enhancing the Kennedy Mall and its War Memorial.

**CAPA Chorale**

The CAPA Chorale concert will be presented at the Hicksville Library, 169 Jerusalem Avenue, on Sunday, March 14, beginning at 3PM.

The CAPA Chorale was formed in 1974 under the auspices of the Cultural and Performing Arts Division of the Department of Community Services. The 30 member group offers a wide repertoire and is dedicated to the study and performance of all types of music. During its first

season, the group performed Honegger's oratorio, "King David," and numerous "pop" concerts.

The Chorale is under the direction of Carl Olsen, voice teacher and choral director of Columbia University. Olsen is a former lead tenor with the New York City Center Opera Company.

Admission to the concerts is free. For further information, contact Lois Manning, CAPA Superintendent, at 922-5800.

**Hicksville High PTA  
"Program Of Studies"**

Courses of study open to Hicksville High students will be explained and explored at the PTA meeting on Thursday evening March 18 at 8:15 p.m.

Department chairmen of Mathematics, Music, English and Social Studies will outline course offerings and participate in open discussion on the program of studies with interested inquirers.

Parents of present 8th and 9th grade students may also wish to avail themselves of the opportunity to learn the specifics, scope and depth of subjects and sequences offered in the four high school years. They are cordially invited to attend.

The slate of new PTA officers for 1976-77 will be introduced. Election will take place at the next meeting.

**PTA Bus Trip To Albany**

By Marge Marcus  
JHS Legislative Chm.

Join members of the New York State Parent-Teacher Associations and your local Hicksville PTA Delegates on a bus trip to Albany, On Tuesday, March 23 at 7:30 AM we will leave in our chartered bus from Roosevelt Field.

Governor Carey has proposed over a \$110 million cut in funds

for State education. Our schools can no longer survive a cut of this magnitude.

Administrators, Teachers, PTA Board Members and others will be going. Contact your local PTA school President. They will be seeking your representation for their school. Seats will have to be reserved, so act at once.

"A STRING OF PEARLS" AT March 27. This annual concert dance features music from the era of the "Big Bands". Tickets are now on sale at \$5.00

per couple. Call 733-2146, Mr. David Abl. for details.

**Rotary Fly-In Set For Apr. 8**

The Rotary Club of Hicksville will hold the Second Annual Fly-In of the International Fellowship of Flying Rotarians on April 8. The IFFR is a world wide organization of Rotarians who are also licensed pilots. Home base of the IFFR is in Houston, Texas.

Pilots will arrive on the morning of April 8, 1976 at Long Island's Isip MacArthur Airport, Ronkonkoma, N.Y. A welcoming committee will be provided by the 99's, New York Chapter, International Association of Women Pilots.

Luncheon will be served at

J.B. "Doc" Hartranft, Jr.

12:30 PM at the Airport Inn, Main Terminal Building, at the airport.

Guest speaker will be Mr. J. B. Hartranft Jr., President, Aircraft Owners and Pilots Association, Washington, D.C.

Other notables expected to attend are representatives from Grumman Corporation, Fairchild Republic Corporation, Federal Aviation Agency, Aviation Council of Long Island, and District Governors of Rotary International.

An invitation is extended to all interested in aviation. All pilots will be welcomed. Reservations for a full course luncheon at \$6.95 may be made by calling Chris Mazur, 516-921-5300.

**Gem And Mineral Show**

The Gregory Museum, Long Island's Earth Science Center, which serves 68 school districts, will present its 5th Annual Gem and Mineral Show, Sat. and Sun., March 20 and 21, at Hicksville High School, Division Ave., Hicksville. The hours will be Sat., March 20, from 10 a.m. to 8 p.m., and Sun., March 21, from 10 a.m. to 6 p.m.

Each retail gem and mineral dealer will have his own out-

standing selection of quality gem and mineral specimens for sale. There will also be live demonstrations of channel silver jewelry and cabbings and some of the exhibits to be included are the Gregory Museum Exhibit, Educational Exhibit, Extensive Fossil Collection, and on view will be the "Bicentennial Grandmother Queen Crown, made of sterling silver with 13 stars representing the 13 colonies.

In addition, there will be educational films on geology and mineral specimens will be awarded every hour as door prizes. A raffle drawing will be held on Sunday. Raffle tickets can be purchased at the show.

Admission is \$1.00 for adults, 50c for children. The Gem and Mineral Show benefits The Gregory Museum, Heitz Pl., Hicksville, a non-profit educational teaching museum.

**Hicksville Young  
Republicans**

By Gene Solosky

The Hicksville Young Republicans will be holding a meeting March 17 at the Dalton Community House starting at 7:30 P.M. All are welcome to attend.

Club members have the opportunity to actively support their republican candidates.

Plans for the upcoming elections will be a topic for discussions. Also to be discussed are many social activities. Such plans include a bicycle ride, to Jones Beach and a Broadway show. There is also a bowling league open to new members.

The Dalton Community House is located right next to the Dalton Home on Hempstead Turnpike Levittown.

Mr. Edward Johnson of Parr and Hanson, Arborists, was the guest Speaker at the February meeting of the Hicksville Garden Club.

His lecture provided members with valuable information on the proper selection of trees and their care.

## Dear Friends. . . .

Republicans and Democrats alike are disturbed with the fact that under Gov. Carey's proposed state budget, New York City will lose only \$10.20 per pupil in aid, while the rest of the state will lose \$30.43 per pupil. Assemblyman Joseph Margiotta tells us that the 12-member Nassau Republican delegation agreed to form a coalition with other suburban legislators to attempt to force the Governor to provide additional funds for school districts outside New York City. "We shall not vote for any state budget that calls for areas outside the City to be plundered in favor of those in the City", he said. Those of like mind plan to withhold their votes on the state budget until additional educational aid is provided for all areas outside New York City. If you agree...send your letter to Gov. Carey in Albany. Your opinion as a resident and taxpayer is more important than you think, but it must be constantly backed up by such letters...and, of course, by your vote when you have this opportunity.

Nassau County budget hearings may be scheduled differently than in the past. We received the following copy of a letter from the Rev. Thomas J. Philipp to the Hon. Ralph Caso:

Dear Mr. Caso:

As a member of the Steering Committee of the Nassau County Task Force on Revenue Sharing, I wish to commend you for the commitment you made in your television appearance on Channel 21 last Sunday to hold a series of summer and fall public hearings on 1977 budget requests of the County's departments and agencies.

As you know, this has been a major concern of our Task Force. Holding public hearings is a viable means for providing citizen participation in the budget making process.

Sincerely,

(Rev.) Thomas J. Philipp

IT'S A HAPPY BIRTHDAY, their 64th, to the Girl Scouts of this great nation, for they are celebrating on March 12th.

THAT'S ALL FOR THIS WEEK. Stay well, and remember that we welcome your LETTERS TO THE EDITOR, on any subject of local interest.

SHEILA NOETH

## County Marathon

Applications from local distance runners are pouring in to the Sports Unit of the Nassau County Department of Recreation and Parks for the County's 4th Annual Earthday Marathon, set for Sunday, Mar. 21, starting at 12 noon.

The event for contestants age 14 and up is second in size only to the famed Boston Marathon and precedes it by approximately a month. The 26-mile course begins and ends at Roosevelt Raceway, circling around nearby Eisenhower Park four times in between.

The Annual Marathon, which

draws contestants from all over the country, has been co-sponsored by the Nassau County Department of Recreation and Parks, the Long Island Athletic Club, and Roosevelt Raceway, with the cooperation of the New York Road Runners, since 1973, with Dr. Pepper as an additional co-sponsor of the 1976 event.

An advance fee of \$3 is charged to each participant, and beginning Mar. 12, the cost will be \$4. Checks are to be made payable to the Long Island Athletic Club.

For registration information and further details, call 292-4284.

## Read-a-Thon For MS

There are over 40,000 young people in Nassau County reading an average of 10 books every four weeks to raise money for the National Multiple Sclerosis Society. They're part of the nationwide READ-a-thon program, in which friends and relatives contribute money for each book read.

Among the schools who have participated in the program are: Franklin Square, Great Neck, Hicksville, Rockville Centre, Mineola, Syosset, Uniondale, Friends Academy, Woodmere Academy, Hebrew Academy, mostly all the parochial schools and the entire Nassau Library system; as well as the Glen Cove Schools.

For many years now, much heated discussion has been generated over the subject of why Johnny or Jane can't read. This problem, many troubled observers feel, has helped breed a rising school dropout, runaway

and crime rate among juveniles who are caught in today's "mixed up" culture which, in too many cases, deprives early-age children of the intellectual and emotional nourishment they need.

The READ-a-thon program of the Nassau County Chapter of the National Multiple Sclerosis Society has provided a positive stimulant to this problem. It has the enthusiastic support of teachers, librarians, parents and children across the country. It encourages children to turn to books for recreational pleasure while at the same time "reading for the need of others." The "others" are the hundreds of thousands of MS patients whose hope for a cure hinges on the goodness inherent in all of us.

The young Mystery Sleuths, so called because they are helping to solve the "mystery of MS" - turn the monies raised over to the Nassau County Chapter for

**HORSE SPECTACULAR.** Assemblyman Joseph M. Margiotta, far left, (R-Uniondale) Chairman of the Nassau Republican Committee, who is serving as Honorary Chairman of the third annual Horse Spectacular to benefit the Association for the Help of Retarded Children, confers with members of the Horse Show Committee (l to r) AHRC Executive Director Helen Kaplan; Chief Deputy County Executive Thomas G. De Vivo; and Peter F. Mele of Hempstead. The planning session was held recently at AHRC Headquarters in Brookville. The Class "A" event, slated for August 25, 26, 27, 28, at the C. W. Post Equestrian Field, is once again expected to draw large spectator crowds and the nation's top riders. Entire proceeds benefit the AHRC Educational Center's programs for retarded children and adults.

## CPES Urges Legislative Action On Potentially Beneficial Education Bills

Citizens Public Expenditure Survey, Inc. (CPES) recently urged both houses of the State Legislature to give serious consideration to a number of measures, dealing with education, which could have a beneficial impact on New York State.

CPES is the statewide taxpayer research organization headquartered in Albany, New York.

Joseph P. Halwachs, president of CPES, said, "Primary and secondary education in this State is now a \$7 billion proposition and that, coupled with the fact that New York State is the first in the nation to break the \$2,000 mark in spending per pupil, would seem to indicate that the Legislature should be looking for ways to economize while trying to maintain a quality education for all our youngsters."

"A series of bills have been introduced by various legislators which could improve both the quality and the cost effectiveness of education here in New York and Citizens Survey feels these measures deserve the consideration by the full houses of both the Assembly and Senate."

Halwachs went on to list several of the key pieces of education legislation that CPES wants enacted this year:

• Senate Bill (S1020) and Assembly Bill (A1069) - this legislation would create a new Office of Education Performance Review (OEPR) to review the cost effectiveness of public expenditures for the operation of public elementary and secondary

patient service programs and to support research efforts to find the cause and cure of this disease.

Multiple Sclerosis is a neurological disease which is known as the "mysterious crippler of young adults," generally affects young people between the ages of 20 and 40.

For further information about joining the program telephone the Nassau County Chapter of the National Multiple Sclerosis Society at 821-8771.

education. Halwachs noted that the old Office of Education Performance Review, under Daniel Klepak, was very effective in exposing waste in our school systems. He said a new OEPR could be expected to be just as effective.

• Senate Bill (S1086) and Assembly Bill (A952) - if enacted, the provisions of this legislation would allow component school districts to purchase non-instructional services from private sources rather than Boards of Cooperative Educational Services. The measures would also protect school districts from losing state aid if they could get a better product and price from private enterprise instead of BOCES. Halwachs stated that it was ridiculous for school districts to be threatened with state aid losses merely because they want to obtain such things as printing and computer services from outside sources. He said that if school districts can get these services at a better rate than through BOCES they should be

commended. They should not be penalized by a loss of state aid.

• Senate Bill (S184A) and Assembly Bill (A795A) - this legislation would set up an experimental continuous learning year program in up to three school districts in the state to test the extended school year concept. Halwachs said that CPES feels many school districts could realize tremendous benefits and savings if they were allowed to adopt such a plan. He also pointed out that the bill is aimed at proving the viability of the year-round school theory and, because of that, it should be passed.

The CPES President concluded by saying, "These are but a few of the many important measures in the Legislature which could have a beneficial impact on education. In light of the current cost of education in this state, CPES wants to see all legislation which has merit and deals with education brought to the floor of both houses for a vote."

Palma A. Marone, Acorn Lane, PLAINVIEW, Audrey A. Picone, Field Ave., HICKSVILLE, Jacqueline A. Wroblewski, Kings Cl., PLAINVIEW, Michael P. Sabanos, Hollins Rd., HICKSVILLE, and John H. Lyons, Piper Pl., OLD BETHPAGE, have been named to the Dean's List at Villanova University.

Mary O'Toole, of Cornell Lane, HICKSVILLE, has been accepted for admission in September to the State University Agricultural and Technical College at Delhi. She will study Liberal Arts. The daughter of Mr. and Mrs. Raymond O'Toole, she plans to graduate from Hicksville High School, Class of '76.

Students at the State University College at Fredonia raised \$4,827.12 during the Muscular Dystrophy dance marathon held recently. Among the top five couple and the amounts they raised were Deborah Sylves, of Camillus, N.Y. and Neil S. Perrone, of PLAINVIEW, \$278.83.

Michael R. Daziger of Balsam Dr., HICKSVILLE, received a Bachelor of Arts degree at the recent graduation exercises held at Boston University's College of Liberal Arts. He majored in biology.

Christopher Woodcheke, son of Mr. and Mrs. Stanley Woodcheke of Ferndale Dr., HICKSVILLE, has been accepted for admission in September to the State University Agricultural and Technical College at Delhi. He will study Construction Technology. He plans to graduate from Hicksville High School, Class of '76.

Raymond Allotta, Ferny St., HICKSVILLE, has been named to the Dean's List at Five Town's College, Merrick.

Amy Schrom, a freshman at Dickinson College, will portray the part of Sister Helena in the college's Mermaid Players production of "The Prime of Miss Jean Brodie." She is the daughter of Mr. and Mrs. Irving Schrom, of Keswick, PLAINVIEW.

## Colonial Costume Making Workshop

Town Councilman Howard T. Hogan, Jr. announced that a workshop on the creation of Bicentennial costumes, sponsored by the Town of Oyster Bay American Revolution Bicentennial Commission, will be held in the hearing room auditorium of Town Hall East, Oyster Bay, on Thursday, March 18, at 7 PM.

"Anyone involved in community Bicentennial activities is urged to attend this very practical workshop," Hogan said. "Though actual demonstration, the workshop will offer all the details of sewing and creating both a woman's and a man's costume."

Dorothy Horton McGee, Chairman of the Town's Bicentennial Commission, noted that, "Mrs. Elva L. Pizzano, who will be conducting the workshop.

is an expert in costume designing. She has told me that she estimates such a Colonial costume can be made for under \$10.00.

"Such a reasonable figure," Miss McGee continued, "should make it possible for nearly everyone who wants to wear Colonial costume for the Bicentennial celebration to make one. Mrs. Pizzano's how-to explanations and step-by-step demonstration will make the process very clear. All the audience need do is bring pencil and paper to take notes."

Miss McGee has also asked those who have already made a Colonial costume to wear it to Town Hall on the evening of March 18th to show off their handiwork. "We can have a mini-fashion show so everyone can see what has been done."

## April 20 Town Board Meeting Cancelled

Oyster Bay Town Clerk Ann R. Ocker announced that the Town Board's regularly scheduled meeting of April 20th will not be

held. Mrs. Ocker explained that the meeting has been cancelled for the purpose of recognizing an Easter-Passover recess.

## Two Promoted

The appointments of John K. Schnock as Assistant Secretary and Miss V.Carol Mayer as Assistant Treasurer were announced recently by Wilbur A. Levin, President of the Independence Savings Bank.

The Independence Savings Bank with assets in excess of \$770 million will be opening its ninth office in Huntington this month. The bank has eight other branches located in the metropolitan area.

## Letters To The Editor

Dear Mr. Coniglio, President Kiwanis Club of Hicksville, I would like to take this opportunity to thank you and your entire club membership for your recent generous donation of \$150.00.

Help Aid-Direction (H.A.D.), Hicksville's own youth and family counseling, drug and alcohol abuse prevention and treatment center is deeply grateful for your club's consistent support. As you know, H.A.D. is a non-profit, tax-exempt counseling agency providing quality services free-of-charge to troubled individuals and their family members. Your Club's generosity over the last five years enabled our agency to continue to serve needy people. We appreciate your concern for the youngsters of the Hicksville area.

Please be assured that the H.A.D. agency will make every attempt to adequately publicize your club's continued support and concern for our survival.

Thanking you again for your positive, youth-centered community spirit, I am,

Very truly yours,  
Robert J. Losche  
H.A.D. Board President  
CI: Mid-Island Herald

Dear Mrs. Noeth, I would like to thank those people who helped make The Hicksville High School Ecology Club's February Aluminum and Paper Drive a great success. Our February drive was the most successful drive we have had this year-and one of the most successful drives in the history of our club.

With the cooperation of the Mid Island Herald and with the help of those who contributed paper and aluminum, our club was able to collect over 10,000 pounds of paper and a generous amount of aluminum.

Our next Aluminum and Paper Drive will be held on Saturday March 20th in front of Hicksville High School from 8:00 - 11:00, rain or shine. We ask the help of the residents of the area to bring their paper and aluminum to our drive in order to make our March

drive as successful as our previous one.

Thank you  
Charles A. DiSalvo  
Pres. H.H.S. Ecology Club

To the Editor:  
At a recent School Board meeting I witnessed the "evolution" of a candidate. Apparently, a Mr. Frank Willard has emerged as a self-proclaimed instant "expert" on the fiscal responsibilities of the Hicksville School District. Using an expedient "shot gun" approach, he attacked the Board of Education, Central Administration, and the teachers of Hicksville without any apparent knowledge of the legal responsibilities and professional ethics involved.

Willard castigated the Board Trustees for failing to provide "his brand of educational priorities." He assailed the Superintendent and Administration for their abandonment of fiscal responsibilities. Further he attacked teachers, resident and non-resident for daring to attend a School Board meeting, charging them with self-interest. Willard stated that most of the teachers did not live in Hicksville (eight of the ten are resident tax payers). I believe that in 80 percent he referred to teachers in a letter to a local newspaper as "turkeys" and made an allusion to them as swine.

If Willard has a problem with teacher identification, math, turkeys, and swine how can he possibly hope to successfully identify, and help initiate effective fiscal policies in his Citizens Budget Advisory Committee?

Yours truly,  
John F. Pitrelli, Taxpayer and Teacher

Dear Editor,  
I read with interest the letter by Michael Polansky in your Feb. 26 issue. I thought by this time everyone knew Mr. Polansky-the professional letter writer. He carefully conceals his identity and deceptively addresses himself to political subjects posing as a naive observer while promoting his candidates in some election or other. His feigned innocence and misleading information is punctuated with half-truths, exaggerations and downright fabrications.

In his letter he points out that nearly 3,500 Tenth Assembly District Democrats signed Party designating petitions. He claims that "much of the credit for this record performance is due to the inspired leadership of local Democratic leaders Aaron Britvan and Carole Fishman." I simply cannot understand how any of the credit could go to his "leaders" since all they inspired was the primary election which necessitated the signatures. The leadership he lauds must have been lacking since there are two slates in opposition to it. In fact, Bernard Chetkof and Sally Shapiro submitted in excess of 300 signatures more than Britvan and Fishman, who ran second in the three-team race. So inspired was their leadership that they were able to poll a majority of committeemen's votes at the Party's designating convention-not an enviable record for incumbents and leaders who inspire.

Polansky insists that "the kind of leadership our Party must continue to have in the Plainview-Hicksville Beltpage area." More people disagree with him than he is willing to admit, as evidenced by the convention vote and petition signatures.

So, I suggest that in the future Polansky present all the facts, unvarnished and unadulterated, like when he writes a letter to the

editor promoting political candidates he should reveal his official position, his political identity. It's time to stand up and be counted. Readers should be advised that he is the Publicity Chairman for the Britvan Fishman campaign. That would make his letters less effective and him more truthful.

Very truly yours,  
Albert Wahnou  
Publicity Chairman  
(Chetkof and Shapiro)

Dear Editor:  
Stop Noise Stop Pollution Stop the SST STOP THE PTA from meddling in political and controversial issues. It was upsetting for me to have my second grade daughter come home telling me that the SST causes skin cancer that I should write to Governor Carey. She then handed me a pamphlet issued by the Dutch Lane PTA urging the reader to write to the Governor protesting the landing of the SST.

I have formed my own opinion on the subject and did not expect to have my daughter brain washed to such an extent that her parent is put on the defensive.

In my opinion, The Federal Government, in the person of the Secretary of Transportation Mr. William T. Coleman, made a reasonable decision regarding this issue. A trial period of six-teen months to determine the actual fact concerning the charges of noise, pollution etc. I was of the opinion that the PTA was a progressive thinking organization. I now have my doubts.

I already have our noise factor at the airports. I am sure the home owners in the area of the airports were aware of the noise factor when they purchased their homes, unless they had cotton in their ears at contract time. Pollution-we have it all around us. It is part of the industrial technological age, and we are making progress in abating it. But using the argument that the SST is damaging our ozone layer is open to further study, and is not a substantiated fact. When we use our aerosol cans each morning we are contributing to the loss of the protective shield of our ozone layer so if you must stop the SST, why not apply the same reasoning by not smelling good and let your hair down. We would be naive to think that our engineers and technicians will not find remedies for the pollution problems of our age. The SST is a wonderful achievement of man. It is unfortunate that these same pressure tactics deprived America of its supersonic aircraft.

The local PTA has joined the ranks of those that have succumbed to the scare tactics of our publicity seeking politicians and saw fit to use our children to persuade the parents to join their fight against the SST.

I hope that in future the PTA will confine their discussions to the meeting hall and not through the mouths of babes.

Sincerely,  
WILLIAM P. BENNETT  
Hicksville

Dear Editor:  
Cursory examination of complex situations is apt to result in misunderstandings.

A recent letter appearing in your newspaper proves that the most fleeting glimpse at the development of the Town of Oyster Bay's improved and modernized solid waste disposal system can scarcely provide an adequate understanding of the program. The following is written to correct misconceptions that

readers may have drawn from that letter.

Solid waste disposal is a concern of virtually every municipality throughout the nation. The geography of Long Island and its containment by various bodies of water necessitates that local municipalities work with a limited land availability for waste disposal purposes. The alternative, shipment of waste is totally unattractive and uneconomic as a solution.

Today's solutions require that a high degree of efficiency be incorporated in local waste disposal facilities and that such facilities be well integrated with both collection systems and practical resource recovery and waste separation techniques.

Oyster Bay's plan, now well into the developmental stages, envisions a new sanitary landfill which will operate in conjunction with a high density compactor and existing incineration methods as well as current and projected material recovery efforts.

When the 65-acre landfill site in Plainview was acquired a number of years ago, the Town immediately initiated plans to insure that its development would be undertaken under the strictest environmental safeguards. Because of this commitment, Town officials have participated in numerous meetings with state and federal environmental representatives during the preparation of the facility. Utilization of the 65-acre site will begin, hopefully at the end of this calendar year.

It has been our intention from the conception of this project that the Plainview landfill site shall not be simply a dumping ground for raw refuse. Principally compacted materials will be placed within this acreage. Compacted landfilling is a proven, practical, sanitary method permitting the greatest conservation, and thus the longest life, of limited landfill space.

With financial assistance from the state, the Town has purchased a solid waste compactor having the capability to compress at a one-for-ten volume ratio. We are currently in the bidding phase of a contract that will provide an adequate housing structure and ancillary machinery for the effective and efficient operation of this equipment.

Another step in the overall plan

LEGAL NOTICE

NOTICE IS HEREBY GIVEN THAT THE Board of Fire Commissioners of the Jericho Fire District, Jericho, N.Y., invites sealed bids on Miscellaneous Equipment. Bids will be accepted at the Firehouse, Hicksville-Jericho Rd Jericho, N.Y. until 10:00 A.M. on March 30, 1976, at which time and place all bids will be publicly opened and read. Envelopes must be marked "Sealed Bid".

Specifications and information may be obtained at the Firehouse from March 16, 1976, between the hours of 9:00 A.M. and 5:00 P.M. Monday thru Friday.

The Board of Fire Commissioners reserves the right to reject any and all bids, and reserves the right to accept any part or all of any bid and reserves the right to waive and informality in any bid and to accept that bid which is in the best interest of the District.

Board of Fire Commissioners

Martin Schwartz, Secretary  
1076  
Mid Island Herald  
10-3665 FT 3 11 MHI

of waste disposal includes the Town Board's recent authorization for the purchase of landfill acreage adjacent to our present landfill operation in Old Bethpage. This land, which is industrially zoned, will be acquired under a long-standing option agreement at a cost well below current market values. The importance of this purchase is essentially two-fold: it assures the availability of a disposal area until the Plainview landfill and compactor are in operation and also fills the long-term need for disposal of refuse that can neither be burned nor compacted. The vast percentage of all collected wastes will continue to be burned or compacted and then landfilled in Plainview when the new system is operational, however, such items as concrete rubble, which cannot be compacted, will be placed in the Old Bethpage landfill site.

While I do not believe that the writer of the recent letter was serious in the inference that raw refuse should be placed in the as yet incomplete Plainview site, it is equally unbelievable that she rests her case on the non-existent systems of other municipalities.

In pointing to a waste disposal plan of three Suffolk towns, the writer ignores the fact that the cost of this proposal exceeds ten times the cost of the proven concept being undertaken in Oyster Bay. More importantly it now arrears that the state's \$30 million participation in the Suffolk venture has become highly questionable. State officials are now questioning the viability of the plan, which has been more than six years in the making, and have delayed indefinitely their financial support. The three towns must now continue to rely on existing disposal operations and may very well have to begin the development of a disposal plan of proven feasibility.

Oyster Bay's solid waste disposal system, the product of much serious thought, is a carefully conceived and practical concept that will efficiently serve the residents of this Town for years to come.

Very truly yours,  
John W. Burke  
Supervisor

# At The Town Board

by Gerry Kahn

The regular meeting of the Town Board, held Tuesday March 9, was adjourned at 10:55. There were 22 items on the agenda which included one hearing. The Hearing was a petition for a special use permit to conduct, operate and maintain a pizzeria on Sunrise Highway in Massapequa. There were no opposing voices heard on the matter and Phyllis Singer spoke in favor of the granting welcoming the new business with wishes of luck.

She inquired into the fact that the Building Dept failed to issue a summons while the enterprise was in operation without the proper permits.

The balance of the morning proceeded in normal fashion with each resolution being voted on in quick succession. The Resolution relative to the Hearing held on February 24th, pertaining to the Amendments to the Code of

Ordinances TOB Garbage, Litter and Waste...Garbage Collection was the only exception.

The resolution was passed on a 4 to 3 vote. Councilmen Saladino, Mosca and Diamond voting Nay. Each of the nay votes was preceded by an explanation for the negative action. Basically they were; a granting may pave the way for a 4 day work week for other essential services, a poor bargaining position when negotiating a new union contract; longer work days may result in less efficiency and or accident prone situations and finally the savings to the taxpayer may not ever come to pass.

Supervisor Burkes' vote was required to pass the legislation and he prefaced his vote with an explanation as follows:

The genesis of today's crisis is the energy crunch coupled with that is the daily problems created by inflationary pressures. It is the responsibility of every municipality to hold the line and attempt to reduce spending wherever possible. The Supervisor went on to say that the measures being adopted were thoroughly reviewed by both labor and management and their joint findings are implicit in this resolution. Its adoption requires changes in the existing agreement which will expire on Dec. 31st of this year thereby

permitting TOB a pilot program to thoroughly judge the merits of the amendment. Supervisor Burke claimed that Real property taxes have topped out, our taxpaying community can't survive any additional burdens and it is our responsibility to investigate every avenue of economy to avoid further tax pressures. This is a time for very hard decisions, it is hoped that these measures will achieve an annual savings of 500 thousand dollars and pave new ground for further economy in an area of vehicular maintenance and related spending. Supervisor Burke concluded.

In the informal meeting that followed Mr. Oscar Summers and Phyllis Singer spoke before the assemblage. The informal meeting concluded at 11:15.

## Connie Mack Tryouts

The Hicksville Connie Mack baseball team announces the general tryouts for its 1976 season.

All those 16-19 year olds interested in trying out for the Hicksville Connie Mack Baseball team should call Bob Mackey at 935-7321.

## Purim Carnival

The Sisterhood of Congregation Shaarei Zedek, New South and Old Country Roads, Hicksville, will sponsor a Purim Carnival on Sunday, March 14, from 10 a.m. to 1 p.m. There will be games, prizes, toys, and food. Children welcome.

## Hicksville Soccer Club

Once again the Juvenile Girls (under 16 yrs.) displayed their strength, determination and prowess with a soccer ball and won the Girl's Indoor Championship last weekend. This marked the first time on Long Island and perhaps anywhere that young ladies played the game indoor and, Camara's & Conway's "Commandos" brought the crown back to Hicksville and to their new sponsor - The Benevolent and Protective Order of Elks (B. P. O. E.).

Nine girls teams participated in the tournament and in 10 games on Sat. & Sun., the

Hicksville Girls racked up a record of 9 wins and 1 loss scoring twenty one goals while giving up six. In six of the 10 games played, the girls held their opponents completely scoreless.

On Saturday, the team went undefeated (5-0) and placed second behind Northport. In the quarter finals on Sunday, the girls took their only loss of the day to Garden City (2-1) and slipped temporarily to 4th place. The team talked things over, regrouped and came out in their last game to beat Oceanside 4-0. The most exciting game of the entire tournament was the semi-

final against Massapequa. The game was a scoreless tie at the end of regulation play and again at the end of a 5 minute sudden death overtime period. Two minutes into the second overtime period, Hicksville scored and it was all over. It was a hard fought battle and both teams played exceptional soccer. The girls were exhausted but called on their deep down strength, courage & will-to-win and defeated Northport in the Championship game 3-1.

No one girl was outstanding - they all were. Up front was the "Fearsome Foursome" Patty

Conway, Patty Decker, Karen Jung and Karen Kolovich; behind the strikers was the "Doomsday Defense" of Karen Dolan, Mary Flynn and Jeanne O'Shea; the Hicksville goal, which was practically impenetrable, was manned by Susan Stafford.

The TOURNAMENT Referees, selected the candidate for soccer's most sought after prize - The Sportsmanship Award This week it was brought home by Karen; last week it was brother Mike. These kids are the epitome of fair play, integrity & leadership & really set the example for others to follow. Congratulations Karen, we're proud of you.

In two days of competitions the Hicksville Reds sponsored by

Ernie's Auto Body Shop took 1st place in the Long Island League girls under 12 indoor soccer tournament. The girls, spearheaded by Denise Harkins and Joanne Mullins defeated Massapequa 4-3 in a sudden death overtime. The teamwork of Donna Richards, Cathy Conway, Marie Weber, Susan Brill, Brenda Condon and Krista Cusick jelled as the reds moved up from 4th place in the quarterfinals. To cap the day for this team Donna Berk was awarded the Most Valuable Goalie trophy.

Hicksville Kiwanis won its first game of the National Junior (Continued on Page 7)

### HICKS, SOCCER

(Continued from Page 6)

Challenge Cup game against Oceanside 6:1 Sunday Scoring for Hicksville were John Sanaore 2, Joe Sharkey 2, Jim Cavuto 1 and Phil Gramaglia 1. The Hicksville defense and Tom Goodwin held Oceanside scoreless in the second half. The Kiwanis move to the next round March 21, against Brentwood at Brentwood.

In the Juvenile Division Hicksville Blue played against the Massapequa Celtics and both teams played against a very strong wind. Our Blue team won by a score 3-2. Goals scored by Shahi Halajian, Donald Anglin and Dwaney Beard with assists by Anthony Luongo, William Dunn and Kevin Anglin. Outstanding defensive game by goalie Neil Watnik, Francis Bardzik, Roland Caputo and John Solaski also played well on defense.

Hicksville Juveniles coached by Harry Habersaat and Alex Suarez and sponsored by A.O.H. or Hicksville registered their second victory with a 2-0 shutout over Northport Whalers in Division 1. An action packed first half produced the first goal by M. Bedell on an assist by T. Cusack. The defense B. Dalton on goal and M. Humphreys, J. Shannon, S. Solaski as fullbacks continuously prevented Northport from scoring. Taking of a fast break M. Bedell, scored the second goal on an assist by J. Jablonski, R. Bedell, D. Barcavage and P. Collins were outstanding as fullbacks.

The Hicksville American Boys Soccer team sponsored by the V.F.W., Registered their first defeat of the when they journeyed to North Shore on Saturday. The great goaltending of Timmy Bell, who also saved a penalty shot, and the untiring efforts of Tommy Solaski and Martin Conway proved futile because the final score was 3-0 against the Hicksville boys.

#### REMINDER

Tickets for the Bi-Centennial Dance to be held March 27 at the Marco Polo Lodge are going fast. Please contact Jeanne Acevedo, 731-2903 or Angela Sini, 735-8937 for reservations. Tickets are \$15.00 per couple which includes liquor and an International Supper Music by the MELANCHERS.

Please turn in all outstanding tickets and monies by next Monday, March 15 at the Coaches Meeting.

In the Pee Wee Division, the Hicksville Municipal Beef team defeated the Hicksville Wagner

3-13 Hicksville's Harris Aluminum sponsored Hanam team lost this weekend to Massapequa Cosmos in a closely contested game at Massapequa.

This was a very tightly contested game with the outcome in doubt right up to the final whistle. Half time saw the teams deadlocked at 0-0 and it was evident that a break for either team would decide the issue. Unfortunately for Hicksville the all important goal was scored by Massapequa.

The Hicksville boys showed their great competitive spirit and on numerous occasions came within inches of tying up the game. The fine efforts of Kevin Jung and Lloyd Sneddon on defense in Goal could not be faulted on the winning score. The play of the forward line, while not reflected on the scoreboard, was determined and David Bell was unlucky not to notch a pair of goals.

The unselfish work of the midfield pairing of Sean Devlin and Dave Smyth took a lot of the load off the defense. All told the Hicksville boys made a tremendous effort to pull off "the double" of knocking off their chief rivals Deer Park and Massapequa on successive weekends.

#### BOYS DIVISION RED

CO-Coaches - M. Sini - J. Sana. Excellent teamwork had determination brought victory on Saturday, March 6 to Marco Polo's Under 14 Team co-coached by M. Sini and J. Sana, as they defeated Garden City 3-1.

Scores came off the feet of Sal Musumeci (1) and Jim Jianette (2) in well co-ordinated passing by the middle linesman Scott Cahalan, Don Cusack and Tom McCann.

The defense was controlled by fullbacks Mike Magner and Tommy Luongo and the Garden City fought hard, they were unable to penetrate, thanks to goalkeeper Peter Fletcher.

Opening day saw Hicksville M.B. defeat Floral Park Green by 4-0 score in the Pee Wee Division. Center forward Chris Bentley provided the winning margin early in the second half when he banged home a goal through heavy traffic in front of the Floral Park goal. Bentley's linemates L. Mejia, and K. McCann set up several scoring opportunities which were not converted. Fullbacks D. Donsky and R. Youngs played a strong two-way game as did fullbacks G. Skupinsky, A. Brill and R. Humann. Goalie R. Markey recorded the shutout.

team by a 3-0 score. After a scoreless first half at windswept Grumman field, forward L. Mejia scored early in the second half for the MB team despite the heroic efforts of the Wagner goalie, K. Rice. The initial score was followed by goals by C. Bentley, S. Hertz, D. Donsky and P. Ziembecki. The final 3-0 score was not indicative of how close and hard-fought this game was. For the MB team, K. McCann was particularly effective on right wing setting up several of his team mates scores and the fullback line of A. Brill, G. Skupinsky, R. Humann and P. Masiello was virtually impenetrable. Goalie R. Markey preserved the shutout after being forced to make several key saves in the first half.

Hicksville Wagners lost to Hicksville M.B. by a score of 6-0. In spite of the final score it was a much closer game. Wagners had several scoring opportunities in the first half, with the wind in their favor, but could not put the ball in the net. In the second half, it was a constant battle against the wind and a tough opponent in spite of the hard work of fullbacks K. Conway, T. Kenny and M. Jaycard, Wagners, just could not amount much of an offense.

Hicksville American G.O.P. Midgets lost on Saturday 5-0 to Bohemia Bohemia won the goss and took the wind. Despite of the Hicksville defence, Bohemia scored four goals in the first half and also tallied early in the second half. Next game the G.O.P. team will meet Huntington at Grumman at 4:30 P.M.

# Postal Chief Calls For Dialogue On Mail System

Warning that drastic revisions in the nation's Postal Service may be needed to avoid "a vicious spiral which will destroy the postal system," Postmaster General Benjamin F. Bailar today called on the American

people for a public dialogue to discuss "postal services in terms of economic reality."

Citing a continually mounting deficit that threatens further postal rate increases and "roadblocks" thrown across the

path of cost-cutting measures the Postal Service has implemented, Bailar expressed the need for "a construction dialogue - unafraid of change - that sweeps away all the rhetoric, partisanship and finger-pointing that have for so long characterized postal affairs."

In an address before the Economic Club of Detroit, Bailar said, "I believe we must re-evaluate traditional concepts of mail service to see if they still have value in modern America."

"Do all Americans really need six-day-a-week household delivery?"

"Do we all really need mail delivered to our front doors?"

"Do we really need 40,000 post offices, stations and branches?"

"Should all first class letters

cost the same? That is, should a metered, typewritten, ZIP Coded, bulk mailing cost the same amount per piece as individual correspondence?"

"These are among the questions being asked at the Postal Service that I believe all Americans must begin to ask," Bailar said. "It is time for all of us - for every American - to view postal service in terms of economic reality."

Bailar said the Postal Service, like other businesses, has been caught in a severe financial squeeze by double-digit inflation and recession, with prices forced up as volume declined.

"While mail volume will almost certainly continue to decline," Bailar said, "the number of delivery points we must service will certainly continue to increase," at a rate of about two per cent a year.

He said if present trends continue, "we're heading for a potential disaster - a vicious spiral which will destroy the postal system."

The key to the future of the Postal Service must be flexibility, Bailar said. "Flexibility to provide more service for those who need more - and we can do that - and flexibility to trim service where it is really not needed, in order to save all users unnecessary expense."

Bailar said it is clear that the public "cannot have its cake and eat it, too."

"It must either pay the growing price, or be willing to give up something," he said. "If the public elects to continue the postal system in its present form, it will have to pay a steep price. It may find the first class stamp becoming a luxury item in the

next decade and the Postal Service a ponderous and costly leftover from simpler, more affluent times."

"We have come to believe it is our birthright to have more and more - more income, more leisure, more government services and so on," Bailar said. "While common sense tells us that we cannot keep drawing out of the same well faster and faster without someday reaching bottom, we have acted as if that were possible."

Bailar said the Postal Service is taking every step possible to cut costs without reducing essential services, but that such a course will not solve the long-range problems of the Postal Service, nor even the short-range ones without additional help from Congress.

"Virtually every cost-reduction program has met active resistance from one or more of the parties affected," he said.

"There should be no misunderstanding," Bailar said. "Unless additional support is forthcoming through appropriations, our vigorous efforts to reduce postal costs will have to continue in every permissible way despite opposition and regardless of the risks posed to present levels of postal service."

Bailar said the basic difficulty of the mail system lies in "providing a service that may become less and less economically justifiable and could become obsolete."

He noted that the Postal Service projects its volume - which peaked in 1974 at slightly over 90 billion pieces - will over the next five years, slump to 83 or 84 billion "and never recover."

He attributed part of the (Continued on Page 9)

**LEGAL NOTICE**

STATE OF NEW YORK DEPARTMENT OF ENVIRONMENTAL CONSERVATION

NOTICE OF APPLICATION FOR PERMIT TO DISCHARGE UNDER PROVISIONS OF NEW YORK STATE POLLUTANT DISCHARGE ELIMINATION SYSTEM APPLICATION NO. NY-0090034 (GWM) VILLAS IN NASSAU CONDOMINIUM

Oyster Bay (T), Nassau County

Notice is hereby given that, pursuant to Titles 7 & 8 of Article 17 of the Environmental Conservation Law of New York State for the administration of and the issuance of permits under said Law,

Plainview Realty, Inc. 3672 Route 112 Coram, New York 11727 ATTN: Mr. Ed Reiben

has filed a permit application with the New York State Department of Environmental Conservation at its office at 50 Wolf Road, Albany, New York 12233, where the application and related documents are available for public inspection. The applicant proposes to discharge 45,000 gallons per day of sanitary wastes into groundwaters from a subsurface disposal system at the applicant's facility located at S. S Old Country Road, 1.5 miles E/O Rt. 135, Plainview, New York, Oyster Bay (T), Nassau County, where the applicant will operate a residential condominium.

The New York State Department of Environmental Conservation tentatively intends to issue a State Pollutant Discharge Elimination System (SPDES) permit for the subject discharge(s). A final issuance will follow: (1) review of the

**LEGAL NOTICE**

application to assure compliance with all applicable provisions of Article 17 of the Environmental Conservation Law of New York State and all applicable provisions of the Federal Water Pollution Control Act Amendments of 1972 (P.L. 92-500); (2) development of special conditions setting forth specific effluent limitations and other controls applicable to the discharge(s) described above including schedules of compliance; (3) development of monitoring and reporting requirements for the applicants performance; (4) consideration of all written comments from persons who qualify, as described below, as interested parties on this notice of application.

Any person interested in this application who wishes to comment thereon or become an interested party in any proceeding regarding this application must notify the undersigned in writing stating specific areas of interest on or before April 5, 1976.

All such written comments will be retained by the Department and considered in the formulation of the final determination. Any such interested party will be eligible to be heard if a public hearing is ultimately held in connection with this application. Further information may be obtained from the New York State Department of Environmental Conservation, Division of Pure Waters, Room 201, 50 Wolf Road, Albany, New York 12233, (A.C. 518, 457-4125, 457-4126).

# Community Service Coalition Protest Proposed Cutbacks

The Joint Coalition of Community Services, Inc., an organization of some fifty five (55) community based, voluntary (treatment and prevention agencies; schools, and hospitals, specializing in the delivery of services to adolescents and their families with drug and related difficulties in Nassau County, called for its members agencies to close down their offices yesterday, Wednesday, March 10, to participate in a general membership meeting and press conference in Elmont. The purpose of the conference was to protest the arbitrary proposed budget cutbacks to these programs servicing some 18,000 individuals within the county. This 45 percent reduction would amount to a \$1.7 million cut in funds for these agencies. A recent statement by the New York State Office of Drug Abuse Services indicates, "substance abuse among the youth has increased sharply." In addition, it has been well documented that drug abuse

and delinquent behavior is no longer restricted to the later adolescent, but has filtered down to the elementary and junior high school age child. The ability to cope with the rising needs of adolescents and their families cannot be carried through locally raised funds alone. The State Legislature and Governor Carey must continue its commitment to the youth in our state or face the inevitable consequences of rising youth crime and delinquency. Funds will not only severely curtail all services to the adolescent and family population, but in most cases will completely eliminate services to a given community. The projected cuts damage the functioning of all services provided to youth in Nassau County as well as all of New York State. The threatened cuts come on top of two years of fiscal austerity which further deepens the impact of these reductions. Retrenchment would deny many youth and their families in Nassau County the services that

they so desperately need to develop into well functioning, healthy individuals that can make a productive impact and contribution to society. The Joint Coalition of Community Services, Inc. implores the State Legislature and Governor Carey to return these funds to the youthful drug abuse population, the member agencies, their community boards. The residents of Nassau County are asked to send their legislators telegrams and letters as soon as possible to express their concern on these vital issues.

- 1) Assemblyman Burtham Hecht, Chairman Assembly Ways and Means Committee Legislative Office Building, Albany, New York.
- 2) State Senator John Marchi, Chairman Senate Finance Committee, Legislative Office Building, Albany, New York.
- 3) Plus local reps. (ie. Assemblymen Yevoli, Murphy, Reilly, Oraziq and Senators Marino and Caemmerer)

## Named Treasurer

Henry R. Bang, executive vice president of the Long Island Health and Hospital Planning Council in Plainview has been named as treasurer of the Long Island Cancer Council. Mr. Bang is also serving as co-chairman of the council's Evaluation Committee, and of its Central Registry Subcommittee. Thomas H. Cranshaw, executive director of the Planning Council is also a co-chairman. Joseph A. Wellfeld of Plainview has been named

project director of the Council. The Long Island Cancer Council will apply proven methods of cancer control against colon and rectal, breast, uterine, and prostate cancer through community based coordinated programs and cooperative efforts. Committees will focus on these four cancer sites and on cancer prevention, education, detection, diagnosis, treatment, rehabilitation, and continuing care.

## MAIL SYSTEM DIALOGUE (Continued from Page 8)

decline to increased rates which have driven mail users to alternate forms of communications, and said development of electronic communications bodes ill for the transmission of many forms of mail in the future. "Electronic funds transfer, the direct exchange of funds between computers, has grown in recent years, and it has only one place to go - and that, of course, is up," Bailar said.

For example, he said, the Social Security Administration is initiating a program to transfer payments directly to banks. "While this will mean a sizeable loss of business for the Postal Service," he said, it could also "significantly improve service" to those who receive

Postal Security checks. Another system is being tested in a number of cities, Bailar said, where an individual can pay all his bills with one phone call for 10 cents a transaction - less than it would cost to pay those bills by mail. This, too, could result in a massive loss of mail volume, he said. Despite the potential loss of volume, Bailar said, "When a change results in savings for society and a more efficient use of national resources, everyone should support it."

"Postal policies if they are to be in the interest of our employees as well as the national interest, should not be pointed toward resisting change, but rather should recognize change and adapt to it," Bailar said.

## LEGAL NOTICE

## Hicksville Library News

There are many special programs and events at the Hicksville Library occurring at the Hicksville Library during the month of March.

Friday, March 12 at 8 pm the film "A Star is Born" starring Janet Gaynor and Fredric March will be seen in the Theatre Series. Sunday, March 14 at 3 pm the library will present the CAPA Choral co-sponsored by the Town of Oyster Bay Department of Community Services Division of Cultural and Performing Arts.

Also, with the cooperation of the Town of Oyster Bay, there are two art exhibits on display in the

library at this time. In the fiction room glass case is an exhibit of sculpture by Mickey Levine an artist represented in many local art galleries private collections and also in Narobi. In the auditorium exhibit area, is a showing of oils by Sybil Ronis. Mrs. Ronis is a local artist who has some of her works in private and corporate collections in the Metropolitan area.

The last opera bus trip for the year will be Thursday, April 15 to see "Madame Butterfly". All ticket money must be at the library by March 26. For any further information on the tickets, call Mrs. Neufeld at We 1-1417.

## Dedication Mass

A dedication mass for the new council home of the Joseph F. Lamb Council No. 5723 Knights of Columbus, Plainview N.Y. will be held on Thursday evening, March 18th, at 8:30 P.M. "sharp". The mass will be celebrated by the Council chaplain, Reverend Father James Bossel, pastor of Our Lady of Mercy Church in Hicksville, who will dedicate the

newly renovated chambers which are located at 1139 Old Country Road in Plainview in the Waldbaum Shopping Center. All are welcome to attend the Mass and to view the beautiful new Hall, bar and other rooms which were renovated entirely thru the volunteer efforts of the men of the Joseph F. Lamb Council.

Mr. and Mrs. Paul Crown of Chance St., HICKSVILLE, are pleased to announce the engagement of their daughter, Nancy Elizabeth, to Steven Schwartz, son of Dr. and Mrs. William Schwartz, also of HICKSVILLE.

Both are graduates of Hicksville High School. Nancy is a student at Barnard College.

Steven will graduate from the University of North Carolina at Chapel Hill.

A December wedding is planned.

Happy Birthday to Catherine Eberle, daughter of Mr. and Mrs. William Eberle, 9 Switzerland Rd., HICKSVILLE. She celebrated her 7th on March 10.

Birthday greetings also go to Adelaide Carpenter, Belmont Ave., PLAINVIEW. She celebrates on March 14.

John Vincent and Cathie Ellen

Zike are excited to announce the arrival of their baby brother, William Paul, on Tues., March 2 at 1:32 p.m. He weighed in at 10 lbs. 4 oz. and was 23" long. Proud mommy and daddy are Cynthia and John Zike, 144 3rd St., HICKSVILLE. Cynthia is the former Cynthia Braun. William Paul is the fifth grandchild for Mrs. Marian Braun and Mrs. Sophia Zike.

Michelle Visceglie, Moeltz, St., HICKSVILLE, celebrated her 6th

birthday on March 9. Happy birthday.

Birthday greetings go to Arthur Lam, Monroe Ave., HICKSVILLE, who celebrated on March 10.

Lorraine Rhodas of HICKSVILLE, a freshman at Queens College, has been selected for admission into its Bachelor of Music program as of Sept. 1976. The juries were impressed not only with her excellent skill and background on

the recorder, but also with her overall understanding of music and her promise as a complete musician. Congratulations, Lorraine.

Elizabeth Foster, Rover Lane, HICKSVILLE, celebrated her 12th birthday on March 11. Happy Birthday.

Happy Birthday to Joseph Martin, Wishing Lane, HICKSVILLE. He celebrated his 4th birthday on March 11.

## Educational Goals

The Educational Goals and Objectives Committee of the Hicksville Board of Education, chaired by Mr. John Ayres, will hold its next meeting on Thur-

sday, March 18, in the Board Room, Administration Building, in Hicksville.

The public is invited to attend.

## Saturday Showtime

Movie showtime is 2 o'clock Saturday afternoon, March 13th, when the Children's Room of the Hicksville Library presents

Chapter 8 of the FLASH GOR-DMAN series and BRINGING UP BARRY

# "The Hidden Resource"

The United Methodist Church of Hicksville invites the community to join them in the search for "The Hidden Resource." Remembering how Jesus confronted the trying situations and issues of his time by first of all drawing apart to pray. Most of us have never discovered the magnificent dimensions of this experience with God.

On Wednesday evenings March 17, 24, 31 and April 14 at 7:00 p.m. we will gather in the Social Hall for a light supper (soup and sandwich - expenses to be shared.) Then spend the evening watching and listening to such well-known authors as: Father John Powell, Maxie Dunnam and Metropolitan Anthony Bloom. They will be discussing such topics as: talking an listening, receiving guidance, finding strength, contemplative living, meditation and action.

"Join us as we listen and discuss among ourselves The Hidden Resource. Life today is so complex and frustrating. We need the dynamic action of prayer which transforms lives as well as mountains, urged a spokesman for this series.

Related to this primary theme, Pastor Benson will be preaching on prayer Sunday mornings at 8:15, 9:30 and 11:00.

March 14 "How God Reaches Us Through Prayer"  
March 21 "Prayer Which Heals the Inner Self"  
March 28 "Prayer that Heals the World"

The church is located on the corner of Old Country Road and Nelson Avenue in Hicksville.

**Accident Report**

March 7-1:30 a.m. - Cars driven by John J. Mohrman, 18 Briggs St., Hicksville, and Paul Casamesina, 27 Richard Ct., Plainview, collided on Old Country Rd. at New South Rd., Hicksville. Injured and taken to Central General Hospital were: John J. Mohrman, severe bleeding of the face; Paul Casamesina, head pain; and Patty Pollak, contusions of the face.

March 9-1:50 p.m. - A car driven by Leslee R. Brady, 6 Cypress Lane, Plainview, collided with a tree on Washington Ave., 100 feet south of Colonial Gate, Plainview. Leslee R. Brady was taken to Central General Hospital with minor burns of the face.

# DEVOTIONS

Trinity Lutheran Church  
Dial-A-Devotion 931-2221

By Rev. J. H. Krahn

**REJOICE! GIVE THANKS, AND SING**

Those who absent themselves from worship play Russian Roulette with their souls. Russian Roulette has never been a very safe game, but when the stakes are eternal life, it becomes even more tragic. Regular worship of the Almighty has never been an optional activity. Nowhere in Scripture does it allow for a worship life that is based upon whether or not we feel like it. "Remember the Sabbath Day to keep it Holy," God says, period! The first three Commandments God gave to His chosen people dealt with showing love and respect to Him and worshipping Him. When Jesus was asked what was the greatest of all the Commandments, He answered that we should love the Lord our God with all our heart, mind and soul.

We have a great God worthy of

a daily worship life. That's right - a daily worship. Sunday worship is essential but is not enough. Begin each day in His name and come to Him frequently with prayer and praise. Our is the God who stretched out His arm and made beautiful flowers and gorgeous landscapes. He fashioned majestic mountains and placid lakes. The noble lion and the graceful deer came into being by His command. Whenever a newborn infant cries God's greatness is proclaimed. Our very life is a gift from Almighty God. That we are able to worship is a statement of God's goodness to us. And then to think that God would lower Himself to take the form of a man and to be spit upon, mocked, beaten up, and then continually disappoint Him, this is beyond reason. But He did. He died. Greater love has no man than he gives his life for another.

the Bible tells us. He loves you and continues to love you and me. And then, for so many of us to not care enough about His risen presence in the world today, not care enough for Him and to be sloppy in our worship life - this is most regrettable.

Our great and merciful God is not only one which demands our praise but is infinitely worthy of it. The psalmist is right when he encourages us to "Make a joyful noise unto the Lord To serve the Lord with gladness To enter His gates with thanksgiving and come into His courts with praise To give thanks to Him, and bless His name." Why? "For the Lord is good: His steadfast love endures forever, and His faithfulness is to all generations. All generations that means down to today. It's ours. We come to church to thank and praise God for it. To rejoice, give thanks, and sing.

# Obituaries

**GIOVANNA MALTEMPI**  
Giovanna Maltempi of Plainview died on Feb. 28. She was the mother of Nancy Gullo, Cecilia DiPietro, Frances Cicciolla, Steve, Terry, Vincent, Rosario, Joseph and John. She is also survived by 28 grandchildren and eight great-grandchildren.

She reposed at the Mangano Funeral Home, Deer Park. Funeral Mass was held Tues., March 2, at St. Patrick's R.C. Church, Bay Shore. Interment followed in St. Charles Cemetery.

# A Ministry Through Music

THE TREES, a religious community of young adults specializing in a ministry through music, is visiting Holy Trinity Episcopal Church, Hicksville, this Sunday, March 14, where they will offer a musical concert at the 10:00 A.M. service. The public is cordially invited to attend this service and share in this musical treat.

THE TREES begin a nationwide tour with this visit to Holy Trinity Episcopal Church, which will take them to California and back. Formerly resident at the Episcopal Cathedral of St. John the Divine in New York City, they are now living in community at

the General Theological Seminary (Episcopalian), Chelsea, New York City. THE TREES use musical instruments from all over the world and from various centuries and their music is both medieval and contemporary. They will perform some original music as well as composing, performing and promoting music and their life of prayer in community is their full time work.

An unusual spiritual experience, appropriate for people of all ages, is promised for those who attend this concert on Sunday.

## Two Year Bible Study

Members of the Teacher Training Class of Trinity Lutheran Church, 40 West Nicholas Street, Hicksville are prepared to teach a two-year overview of the entire Bible.

In October over 200 adults will

begin to study the Old Testament in the Bethel Bible Series.

Teacher trainees have made a four year commitment. After studying with their pastor for two years, they have agreed to teach their fellow members for two years.

# March 13 Concert

VLADIMIR ASHKENAZY, internationally acclaimed pianist, will make an exclusive Long Island appearance for Island Concert Hall on SATURDAY NIGHT, MARCH 13, at 8:40 P.M. at C.W. POST CENTER AUDITORIUM in BROOKLYNE.

VLADIMIR ASHKENAZY is a phenomenal Technician, who will devote himself exclusively to two sonatas by Beethoven (including the "Appassionata" sonata) and a Chopin group.

All tickets to the ASHKENAZY event are reserved at \$9.00 each (students and senior citizens pay only \$7.00).

Tickets for the ASHKENAZY concert can be obtained or reserved by phoning the Island Concert Hall at (516) MA 1-4444.

DRIVE CAREFULLY

# Winter Fair

The Woodland Avenue PTA is sponsoring a Winter Fair, to be held on Saturday, March 13th, from 11:00 AM to 4:00 PM. There will be games, prizes and refreshments available. All are welcome - the children especially will have a good time.

There will also be a meeting on Tuesday, March 16, at 8:15 P.M. with Mr. David Jaffee - a

speech clinician with the Hicksville schools - as guest speaker. This is rescheduled from January when it had been cancelled due to snow.

The meeting is open to all adults, as elections will be held with nominations accepted from the floor. Only PTA members are eligible to vote. Refreshments will be served after the meeting.

### LEGAL NOTICE

THE PEOPLE OF THE STATE OF NEW YORK BY THE GRACE OF GOD FREE AND INDEPENDENT

TO Attorney General of the State of New York, Public Administrator of the County of Nassau. Heirs at Law, next of kin and distributees of PETER SASS, the decedent herein whose names and places of residence are unknown, and if they died subsequent to their heirs, executors, devisees, assignees, administrators, legatees and successors in interest, whose names and places of residence are unknown and cannot, after diligent inquiry be ascertained. GREETINGS

WHEREAS, EDWARD A. UNIACKE, who is domiciled at 255 Acre Lane, Hicksville, New York has lately applied to the Surrogate's Court of our County of Nassau, to have a certain instrument in writing bearing date the 10th day of July, 1962 relating to both real and personal property duly proved as the Last Will and Testament of PETER SASS, deceased who was at the time of his death domiciled at 27 16th Street Jericho, in said County of Nassau.

THEREFORE, you, and each of you, are cited to show cause before the Surrogate's Court of our County of Nassau, at the Surrogate's Court, Nassau County Court House at Mineola in the County of Nassau, on the 7th day of April, 1976 at 9:30 A.M. of that day why the said Will and Testament should not be admitted to probate as a Will of real and personal property.

IN TESTIMONY WHEREOF, We have caused the seal of the Surrogate's Court of our said County of Nassau to be hereunto affixed.

WITNESS HON. JOHN D. BENNETT, Judge of the Surrogate's Court of our said County of Nassau, at the Surrogate's Office, at Mineola, in the said County, the 23 day of February, 1976.

Michael F. Rich  
CLERK OF THE  
SURROGATE'S COURT

This citation is served upon you as required by law. You are not obliged to appear in person. If you fail to appear, it will be assumed that you consent to the proceedings, unless you file written-verified objections thereto.

# Fire Report By Ex-Capt. Owen Magee

## VAMPS' BATTLE HOUSE FIRE, 2 Hurt

Hicksville Firemen called out early Monday Feb. 8 to douse a fire in a house at 19 Boehme St. off South Broadway upon arrival firemen found a smoky blaze had taken full possession of the basement. The occupants had escaped minutes earlier unharmed, but apparently the fire had burned for a considerable time before a fireman became aware of it. (Something a smoke detector could have done with far less fire spread and damage.) The basement was gutted as firemen, hampered by toxic smoke from foam rubber, battled successfully to prevent further spread. Due to smoke and heat, however the remainder of the 2 1/2 story wood frame dwelling suffered damage. Two vamps were injured during the fire fight. Robert Chiz of Eng. Co. 7 suffered smoke inhalation. He was transported to Central General Hospital via F.D. Ambulance, treated and released. 75 men, 9 pieces of apparatus responded to the 12:37 am alarm under Chief Roy Schaaf. 4 pieces of apparatus were used to extinguish the blaze. Damage was estimated at \$6,000.00.

### Fire Report

During the past 2 week period Feb. 23 thru March 9th Hicksville firemen responded to 35 alarms. There were 7 false alarms, 20 rescue calls, and 29 fire calls. False alarms were received from the following locations:

- Brittle and Petal Lanes
- Pollack Pl rear of Woodland Ave. school

Chestnut & Oak Streets  
Robert & Jonathon Streets 24  
Jerusalem Ave. & Walnut La.  
Division Ave. opp. Sr. High School

The false alarm at the Sr. High School was sounded as firemen were fighting the house fire on Boehme St. Firemen fought a stubborn blaze in the landfill area off West John St. on Feb. 29. The 4:46 pm alarm kept vamps tied up till 9 pm.

Fire officials are investigating a burglary-arson case, at the Magic Shop in the Mid Island Plaza. The alarm was reported 8:08 am on February 26. Damage was minor. The fire was set possibly to hide the theft or just an act of vandalism.

In another incident, Second Precinct Police caught 2 youths

red handed setting fire to rubbish outside the Weo Milk store on No. Broadway & James St. early Sunday March 6. Firemen doused the fire and the youths were arrested. A nice job by County Police.

### Fire Ambulance Struck Enroute To Hospital

Hicksville F.D. Ambulance was in a collision with a motor vehicle which failed to yield the right of way at the intersection of South Oyster Bay Rd. & Virginia Ave. The ambulance, which was enroute to Central General Hospital with a heart patient, had stopped and then started to proceed when it was struck. The Plainview Fire Dept. was called in with their ambulance to take the patient on to the hospital. There were no injuries. Damage to the ambulance was slight.

# Individualized Instruction

Mr Thomas Nagle, chairman of the school district's Committee, announced today that the date of the next meeting is changed from March 16 to March 30 at 8:00 P.M., in the Administration Building.

The main topics to be discussed that evening will be "Mainstreaming at the Dutch Lane School" and "Some Problems Faced by Innovators in Hicksville Schools". Ninon Rothbard, Lois Goldstein, Denise Yannon, Eudice Lambert and Pearl Blaustein, all Dutch Lane teachers, will discuss the

mainstreaming of children at Dutch Lane who are involved in special programs. Herbert Cavanaugh, principal of Woodland Avenue School, will present survey results designed to solve the problems faced by Hicksville schools when they introduce new programs or techniques of teaching.

School Board Members Neil McCormack and Thomas Nagle are pleased with the increasing membership of this committee. They remind us that there is always room for more people to visit

# Pack 293 Dinner By Jeanne Morgan

Our Blue and Gold Dinner was held this Bicentennial year in the Social Hall of the United Methodist Church on Feb. 29. We were glad to see so many families attend. The menu included roast beef, string beans with slivered almonds, baked potatoes with sour cream and chives and salad and cakes brought in by each family. It was a delicious event and a good time to get to know each other and the cubs. Our sincerest thanks to all those who helped in the kitchen, decorated and cleaned up. It sure is a great Pack!

The program this year for the Blue and Gold was skits put on by each den. All the cubs participated and they were very entertaining. Next month, the boys will perform these skits again for the people at the A. Holly Patterson Home.

The awards received at the Blue and Gold were as follows: Den No. 3 - Wolf badges were awarded to Eugene Tournour,

Tommy Moran, Randall Villiger, Gerry Flynn, Paul Hammond, Scott Wages and James Stamos. Den No. 4 - Douglas Bowen - 1 Gold arrow, Robert Pardi - Bear badge, David Jackson - Bear badge, Den No 5 - Robert Aldag - 1 gold arrow WEBELOS - Stephen Lobmeier - Citizenship. Athlete, Dean Covias - Citizenship, James Mills - Citizenship, Artist, Athlete, Naturalist, Robert Goodey-Athlete.

Van Jacoboni and Robert Goodey who have graduated from the Pack were presented with Indian Heads as a memento of their years in Pack 293. Congratulations on your graduation boys and we hope you continue to have many happy years in Scouting.

If your son is 8 years old or older (or has completed 2nd grade) and would like to be a cub scout, we'd love to have him in our Pack. For information call Dan Davidson (796-8426), Jim Mills (796-7240), or Jeanne Morgan (433-2642.)

Enjoy the friendly atmosphere at
