Bicentennial Reflections

By Dick Evers

In spite of criticism that commercialism is typical of the current Bicentennial preparations, there is plenty of evidence that "grassroots" programs are genuinely spirited and that all sorts of activities celebrating the nation's 200th Birthday have already evoked thrills and emotion-packed moments as well as proud reflection.

Those of us who "danced in" the New Year at the great St. Ignatius Ball to the tunes of Paddy Noonan's band were treated to a rare moment of excitement and patriotic delirium at the stroke of midnight. Who can forget the spontaneous singing of four hundred and fifty revelers of "Happy Birthday, America" following Auld Lang Syne? And what person there can forget the entrancing dancing which followed as Noonan played sets of American "old favorites" and national airs, the impromptu group lines forming, hand to hand and stepping lightly to the old favorites we have sung with our parents and friends over the years. It was a precious interlude, of a kind all too rare in recent years, somewhat

reminiscent of the great rallies of years of the World Wars.

This past Friday night saw still another electrifying Bicentennial scene, at the Nassau Coliseum, as Britain's Royal Marines and Black Watch Regimental Bands, Pipes and Sword Dancers saluted America's "great year." 14,000 metropolitan area residents witnessed or heard two signal tributes from Her Britannic Majesty's crack military units. The opening ceremonials saw Britain's proud national colors draped in that rarest of flag positions, touching the ground in symbolic deference to the victorious and independent colonies. Only our gallant Anglo-Saxon relatives could render such a gesture.

It was a night of military splendor and spiritual brotherhood, including the intermission compliment by Captain Shillito, Director of Music for the Royal Marines, to the packed Coliseum audience of young and old that: "Nowhere in our ten week's tour of your marvelous country have we heard such singing of your National Anthem as here this evening." Bravo, Nassovians and all ye denizens of the Five Boroughs and Jersey cousins.

But, our small, local pageants also are bringing us Bicentennial camaraderie and pride in knowledge and awareness of America's intangible heritage and ideals...One could not have been at the Gregory Museum or in the procession marking last year's Bicentennial of the Battles of Lexington and Concord or at the recent Kiwanis dedication of a Bicentennial flag at the John F. Kennedy Mall and not sense the drama and fun of being a part of our nation's 200th Birthday as an independent nation.

Of course, "Festival, U.S.A." is not all that the Bicentennial represents, nor is intoxicating ourselves with heady draughts of "Heritage, U.S.A.", the ultimate challenge of this commemoration. The thoughtful citizen knows this, and this writer will consider in subsequent commentaries the needs implicit in the National Bicentennial Commission's call to consider "whether 'Horizons, U.S.A.'?"

For the moment, however, it is good to pause in all the prevalent mea culpas and self-flagellations attendant upon the Watergate and C.I.A. traumas and give "three rousing cheers for the U.S.A. and her emerging Bicentennial festivals and programs."

At The Library Board Meeting

By Clara Bennett

At the March 17th meeting of the Trustees of the Hicksville Public Library, the first order of business was approval of bills.

The low bidder for air conditioning of the Library was by Freeport Mechanical Corporation of \$35,750. The other two bids received were for \$48,250 and \$50,750. Work could start immediately, said Mr. Bud Costello, owner of the business, who was present at the meeting. The York chiller was to be delivered on March 26 and the job would be

completed within four to six weeks - it should be operating by the first or second week in May. The well could still be used for mild weather. There is a one year full guarantee and a five year warranty on the compressors. Freeport does their own servicing.

Correspondence from Mrs. Egan School District Clerk dated March 11th advises the Library that their Budget Vote is set for Tuesday, May 11th, with advertising to begin on March 25th. Registration for the vote will be

held at each of the school buildings on Wednesday May 5th from 12 noon to 8 P.M. Nominating petitions must be filed by Friday, April 9th. Copies of the budget must be available no later than May 4th, and the Library is responsible for distribution of budget to all school buildings.

In discussion, it was learned that the law does not permit School Board candidates election on the same day as the Library

Dear Friends....

A new and charming member of the Hicksville Chamber of Commerce is Ms. Lauree Lee Gregory, who is replacing Lou Magrene as manager of the Bowery Savings Bank. Lour becomes manager of the Bowery's Bay Shore office. We wish him well and welcome Ms. Gregory to town.

Speaking of our active C of C, there are eight new members who will be joining next month. There is much activity on the business front, and our Chamber also cooperates in many other community activities. If you are a local business man or woman, why not join the Hicksville Chamber of Commerce and help to make it even more effective?

HERE AND THERE: We were pleased to hear that Herb and Clarice Johnsen visited Hicksville last month. Hope that next time they'll be able to stay longer, for they are two very special people and we miss them..... good news, Jim Cummings who has had two heart attacks in the past year, is feeling just fine and hopes to be back at his desk in the TOB Dept of Public Works on Monday, March 29th. We're so glad that you are better, Jim..... keep up the good work, and thanks a million for the fine coverage of the Hicksville AOH.

THAT'S ALL for this week. Stay well and remember the old saying, "The time to cut a stick out of a hedge is when you see it," or, simply translated, "Do it now."

SHEILA NOETH

At The Town Board

by Gerry Kahn

The Town Board meeting held on Tuesday, March 23, ended earlier than anticipated due to the withdrawal of the first item, a Hearing for a change of zone at Syosset.

The second Hearing was for a special use Permit to erect a model home for display purposes in an Ind. H District at Hicksville. The area, approximately one acre, fronts Duffy's Lane and would contain a prefabricated extruded plastic type home for sale primarily to foreign governments.

The petitioner, Universal Housing Systems of America, Inc. was represented by council, Mr. Donald J. White and Mr. Irwin Tobin, a principal in the corporation. The building to be on display

would contain no plumbing, and electrical facilities, and would have dimensions of 35.4 feet by 21.1 feet.

Councilmen Saladino, Carmen, Mosca and Diamond, questioned the petitioner relative to code violations, extent of special use permit and final dismantling of the sample home.

There were no speakers in opposition to the petition.

The balance of the 22 item calendar was handled in swift order.

The petition of Oswaldo Foreign Car Service Inc for special use permit at Jericho, was denied as well as the petition of Woodbury properties, Inc. for a change of zone at Woodbury for the contemplated expansion of the Woodbury Commons Shopping Center.

For the bad that needs resistance

Letters To The Editor

Dear Editor,

Thank you for continuing to report on the Post Office parking situation. It is painfully apparent to me that no solution of value will be found that revolves around the use of the 14 available parking spaces in front of the Post Office.

The solution lies in at least partly ameliorating the original sin committed that permitted leasing of the building with its totally inadequate parking.

I am prepared to put my time where my mouth is, provided the Town Fathers are prepared to do their duty by meeting with Mr. Warren Doolittle offering him the way to a physical solution. My telephone number is in the directory.

Let me say, that I cannot see how the various experts whose names have appeared in your paper can not find a solution unless they are shackled.

By the way, as of this writing, there is still one "no left turn" sign at the Post Office. Is that sign legal or is it not?

Sincerely,
Herbert Klein

To The Editor

While months of study and re-examination went into the Town's preparation of a revised sanitation collection schedule that will allow annual savings of a half-million dollars, last week's approval of the program brings us to the most important aspect of the transition.

In less than two weeks -- beginning the week of April 5th -- 62,000 homeowners who have received Town Sanitation

Collection services on the same days, every week for years, are going to have to change their established routine. To help remind our residents, the Town is in the process of distributing the new collection schedule to each home. Although a great deal of information about the program has been publicized, there are still certain questions being expressed that indicate some misunderstandings about the new schedule. At this time I would like to answer the two questions most frequently asked.

1. What days will I receive collection under the new schedule?

If you currently receive collections on Monday, Wednesday and Friday, beginning the week of April 5th your collections will be on Tuesday and Friday. If your current collection schedule is Tuesday, Thursday and Saturday, your new schedule will be Monday and Thursday.

2. Do I end up with one collection a week if a holiday falls on my collection day?

No. While you currently lose a collection if it falls on a holiday, the new schedule provides for Wednesday collection when holidays fall on Monday or Tuesday and Saturday collection when holidays fall on Thursday or Friday. In addition, instead of 11 Sanitation holidays per year, the new schedule provides for only these six: New Year's Day, Memorial Day, July 4th, Labor Day, Thanksgiving Day and Christmas Day.

While this change of routine may at first present problems, once the new schedule becomes the routine, it is doubtful that the homeowner will experience serious difficulties. Due to this change, homeowners will benefit in that the savings of the new schedule will greatly help to keep property taxes from rising. Through this revision I believe we can seriously talk about the possibility of the 1977 Sanitation Collection tax remaining at the current rate. Without this

program, a tax increase seemed certain.

PEACE OF MIND

I don't have to go into a long dissertation on how much people desire peace of mind. The popularity of Transcendental Meditation and other movements gleaned from Eastern religions exclaim that peace of mind is a need which is felt by many. Many are looking for a technique, a teaching, a drug, something that will bring them peace of mind.

At the end of the hall in our Community Christian School the answer awaits all seekers. You will find there a carving of Jesus, the Good Shepherd. In His right hand is a little lamb. The lamb is safe and secure. Perhaps it was the lost sheep that He once referred to. Looking at the lamb closely, it seems to be peaceful. There are no signs of fright on its face. It is warmed by the heat of the Master's body; it is secure in the sure grip of His hand. The little Lamb knows he's safe, he knows he's protected, he knows he's loved. He has peace of mind in Jesus. Peace of mind awaits all.

Looking at that fine piece of artwork again I was reminded of a lady who is now dead. I first met her nine years ago in the A. Holly Patterson Nursing Home. It was a hot summer's day. What struck me when I entered her room was the sun visor on her head and the several sweaters she wore. You see she was senile and believed in her mind that she was always cold. She was also nearly blind and could hear very little.

Well, as long as I visited her I don't honestly know if she ever knew me personally. That wasn't important. When I came I always told her that I was the pastor from Trinity. Trinity was important to her, for it had been her church for years and whenever the word "Trinity" got through to her, you could see the peace and joy on her face. "Oh, Trinity," she would say. "I used to love to go into the school. I would walk to the end of the hall and see that beautiful statue of Jesus with the

PLAINVIEW PLAYER: Ray Seeback, Oswego State Junior from 68 Virginia Ave., Plainview, helped Great Lakers into Eastern Division Two playoffs by scoring 20 goals and 31 assists in 25 regular season games. A business administration and economics major who transferred from Nassau CC, Seeback formerly played for Cyster Bay Gulls in Metro Junior Hockey League. Seeback was second leading Gulls in Metro Junior Hockey League. Seeback was second leading scorer this season for Great Lakers, who posted a 17-8-1 record in matches against collegiate squads from New England, Ontario, and New York State.

Hicksville Soccer Club

Hicksville Municipal Beef scored a 2-0 victory over Brentwood in the Pee Wee Division on a windy and rainy afternoon at Grumman field. After a scoreless first half the MB team scored early in the second half when right fullback Brill drilled a long pass deep into Brentwood territory. Right wing K. McCann outraced the enemy fullback to the ball and fired a low shot from an extreme angle to the wide side of the goalie and into the net. Halfback R. Youngs scored the second goal unassisted. When his corner kick rebounded off a Brentwood player and rolled toward him, he lofted a high shot toward the goal which curved right into the net with an assist from the unusually strong wind. Halfbacks D. Donsky and D. Fisher along with fullbacks R. Humann, G. Skupinsky and P.

Masiello deserve credit for a strong performance under extremely adverse conditions. R. Markey in goal recorded his fourth shutout of the young season.

Pee Wee - Joe Neto

In the Pee Wee Division, The Hicksville Wagner team defeated Floral Park Green by a 1-0 score. The goal came with a couple of minutes left in the game, on a cross from J. Neto to B. McKenna who put the ball in. It was a tough game on a cold and windy day. Fullback Paul Thompson, did a great job clearing the ball out of his end. Forwards D. Weinberg, M. Boccafolo and K. Rice kept putting the pressure on the opposition for most of the game but could not penetrate the defense.

The A.O.H. sponsored

Hicksville juveniles ended their game with a 0-0 tie against a determined Garden City team. The strong wind factor made it difficult for a ball controlled game. B. Dalton was outstanding in goal as were P. Collins and S. Solasky on defense. The offensive threats came from M. Bedell and T. Cusack. Team effort remained throughout.

The K of C midget monsters "entertained" Bayside this weekend 6-0. It took them a while to get started and Adrian Pepi finally put one in for a 1-0 lead at halftime. The boys got fired up in the second half and made Bayside very unhappy that they made the trip to Hicksville.

The team was happy to have John McCann back in there scrapping in front of the net and Bobby Andrus was play-making and getting assists all day long. Ball control was the name of this game and from fullbacks Robby Zaretsky and Kevin Cahalan on up to Johnny Mitchell & Anthony Corio on the front line, the boys moved the ball around until it was time to strike. Speaking of striking, Donald Barcavage had a hat trick, Adrian Pepi two and Glen Zakian banged one in from the center-halfback position.

Probably the most frustrating thing to Bayside was trying to get the ball past Mike Andrus, Mike Jung and Tommy Fletcher. They just would not let it happen. This "terrible trio" gave Eddy Thompson another day of leisure at goal. The middle of the field was completely dominated by center-halfbacks Steve Dolan and Glen Zakian. Paddy Bedell and Bobby Stenborg gave forth a strong effort with good passing and aggressive play. The team is now 3 wins and 1 loss and gearing up for Garden City next week.

Mid Island Bantam Blue welcomed new boys to their team this weekend. Steve Masters, Billy Verhagen and Chris Bartkus. But this new talent wasn't enough, against a strong Garden City team, Hicksville lost 5-0. Outstanding were R. Newlands and goalie J. Knuth.

As Spring made its official entry into Hicksville on Saturday (but quickly left on Sunday) the B.P.O.E. Elks girls (under 16) travelled to Garden City to meet the only team to beat them in the indoor tournament two weeks ago. The girls were apprehensive and did not take this game lightly. The first 8 minutes of the game found the ball all around Garden City's net but not in it, & as usually happens, G. C. broke loose, took the ball down the field and scored. Our girls were in a hole 1-0.

This seemed to get their "Irish Up" and the girls came storming back. For the rest of the 40 minutes half, goalkeeper Theresa Dolan only touched the ball once. The fullback line of Kathy Dolan, Susan Stafford and Jeanne O'Shea seemed determined not to let the ball get past them. They worked extremely well together; covering up for each other, plugging the open gap and turning the ball upfield time and again.

The fullback line worked double time helping the fullbacks on defense and moving the ball past mid-field and putting it in position for the front line to "strike." This area of the field was more than adequately controlled by Michelle Brill, Mary Flynn and Karen Dolan. Strong back-up was provided by Mary Jeanette, Shauna Leidle and Lori Daley.

The girls again demonstrated their ability to play this game of ball control, look for an opening

Strike The front line put on a passing display, moved the ball around and put it in the net three times for a 3-1 lead at halftime. The first score was by Karen Jung on a beautiful cross by Patty Decker, followed closely by a long, hard 30 yarder by Mary Flynn that sailed right through the goalkeepers hands. The third one Patty Decker banged in on a pretty pass from Karen Kolavich. Patty Conway spent the day frustrating the opponents defense and setting up her teammates. Sharon Humphreys and Cathy Eichler gave more speed and punch to the front line which wore down the Garden City defense. Hicksvilles Heronies emerged the victors 4-2 Three stars to Patty Decker for her hard work up front, and Kathy Dolan and Susan Stafford for being stalwarts on defense.

Hicksville G.O.P. Midget Blue coached by Tony Camera lost to Massapequa Bugs 6-0 at the Grumman Field. The Hicksville boys worked hard in trying to stop a well balanced Massapequa team. Goalie Gene Tyranski at his first time in goal this year held the Bugs to 4 goals his backup V. Christiano allowed 2 more Hicksville forwards had 5 attempts at goal, but could not capitalize. The G.O.P.ers defense did their best in slowing it's opponents down by kicking the ball back up field.

Marco Polo's team co-coached by Mike Sini and Joe Sanna won a closely contested game over Brentwood on Saturday, March 20th. The weather was beautiful in Brentwood and the team played to its fullest potential. Although Brentwood played a very Physical game, Hicksville's boys out played them and once again proved that good ball control and teamwork brings victory. Center halfback Scott Cahalan and fullbacks Tommy Luongo, Mike Wagner and Martin Mize kept the opposition from penetrating while Jimmy Jancette and Sal Musumeci kept pounding the Brentwood goal. After a goal scored by Sal Musumeci was nullified, Hicksville was awarded a Penalty shot which was buried in the Brentwood net by Tommy Luongo. Final score, Hicksville 1 Brentwood 0.

Hicksville Blue played Huntington Boys Club to a 1-1 tie game. Although our first goal came early in the first period, it was the only scoring until about ten minutes before the termination of the game when Huntington scored.

Two boys sustained injuries and had to be removed to Syosset Hospital for examination. Both Marie Russo and Kenneth Court have displayed much courage and aggressiveness in serving as an important asset to the Blue team. We wish you both a speedy recovery.

Although the Blue team shows a plethora in power, there seems to be a paucity in passing. Even though they face the problems of a new team learning how to play together, they have maintained their first place position and I can only see things getting better for them as the season progresses.

Goal was scored by Kevin Anghin with an assist from Anthony Luongo. Once again John (sure foot) Salaski played an outstanding defensive game.

Hicksville's under 12 girls sponsored by Ernies Auto Body defeated the Northport Windjammers 4-0 in an exciting game threatened by the elements. Heavy winds often carried the soccer ball, and the girls had to muster all their skills to control it. Their outstanding determination helped them score as

many goals during the second half against the wind, as they had in the first half with the wind. The goals were scored by Denise Harkins 2, Cathy Conway 1 and Christine Verhagen. Donna Richards almost singlehandedly held up the defense.

Hicksville Kiwanis Junior team won their second game of the National Junior Challenge cup 2-0 over Brentwood, Jim Cavuto and Kevin Readon scoring. The next round will be against Five Towns April 4, at Hicksville.

Hicksville; Harris Aluminum sponsored Ram team continued their winning ways this past weekend with a decisive 4-0 victory over Massapequa PBC. This victory was particularly satisfying, not just because of the 4-0 score but the manner in which these goals came about. The half-back line of Todd Lewis, Frank Schue and Billy Cresham were in complete command of center field and supplied the forwards with a steady stream of passes. The play of the halfbacks allowed the inside forwards Dave Smyth and Sean Devlin to concentrate on some lovely passing plays with their wingers Michael Sini and David Bell.

Alternating at center forward, John Maguire and Peter Schnur played exceptionally well and both players notched a goal.

A fine save in the game of John Rubins kept Massapequa at bay until such time as Hicksville accustomed themselves to the blustery conditions and started to play a short passing ground game.

Improving every week, Sean Devlin opened the scoring with a beautiful left-footed shot which left the Massapequa goalie vainly clutching the air. Late in the first half John Maguire again showed his ability by jumping on a loose ball in the Massapequa goalmouth and coolly sliding it under the goalkeeper to leave the half-time 2-0 in favor of Hicksville. Again showing team effort, strong displays by Chris Habesaat, Larry Ziembick, and Bill Cheslock added up to an important Hicksville win.

AT THE LIBRARY

(Continued from Page 1)
it is not their Annual Meeting Date.

Approval was given to a two-year staff agreement and contract.

Staff reports will be reviewed by Board members individually and then they will be reviewed by all at the next meeting.

Upon receipt of the Annual Report, Mrs. Aaron requested that in the future, same be approved by the Board before it goes to the printer.

National Library Week is April 4th, at which time the following programs will be some of those presented:

April 2nd - Theatre recital
April 3rd - Jolly Jazvo in the Children's Room

April 11th - Annual Concert with tea served by the Friends of the Library.

Films will also be shown during the week in the browsing area.

Mr. Barnes reported on the proposed merger of the Nassau and Suffolk Library Systems, possibly by January 1977. Before anything is done, an auditor will examine the books of Suffolk to determine the extent of their trouble. The two Boards have the right to effect a merger without

approval by the Education Department. A majority vote of the Libraries themselves is not needed, but since the Boards are composed of Trustees elected to represent Libraries in the Nassau and Suffolk systems, there is representation present.

The Friends of the Library reported the possibility of receiving part of the proceeds of a Bicentennial Art Show.

Mr. Jones inquired as to the problem of drainage on

Jerusalem Avenue in front of the Library - it is almost impossible for a pedestrian not to be drenched on a rainy day by traffic going through the puddles and splashing over the sidewalks. Mr. Barnes will look into this situation.

Personal changes were approved as submitted.

In the absence of Mr. Fishman, Mrs. Aaron, Vice President of the Trustees, conducted the meeting.

All other trustees were present.

The decision is yours

If your Synagogue, Benevolent Society or Organization provides death benefits or cemetery plots, you have the right to select any Funeral Director WITHOUT LOSING ANY OF THESE BENEFITS. Even if a so-called "official" Funeral Director has been appointed by your Organization or Synagogue, you are not obligated to use his services to receive the death benefits. The right to select the Funeral Director of your choice together with the assurance of receiving all your benefits are guaranteed under NEW YORK STATE LAW (Section 165 of the Insurance Law).

Your selection of a Funeral Director should be based on his reputation, convenience of location and his facilities.

Hibernians Highlight St. Patrick's Day Parades

By Jim Cummings, Press Sec'y Nassau County Board AOH

Once again, the Division of the "Green Berets" of the Hicksville Hibernians were the spotlight of the New York St. Patrick's Day Parade, led by the Charles Wagner Post, American Legion Color Guard, and the fantastic 140 piece Hicksville High School

Senior Marching Band as they crossed the TV cameras of Channel 5, hosted by Jack Cassidy and WPIX Channel Eleven, with the gifted son of Erin, Jack McCarthy, who exalted our Irish heritage in conversation, poetry and verse throughout the parade.

This marks the 18th year of our distinguished Divisions' par-

ticipation in parades since our organization in 1958. As they say, "We've Come A Long Way". I can recall our first organizational meeting with Edward Quinn and John Finnegan who met with the writer to implement plans for the Hicksville Division.

The Ladies Auxiliary was

organized in May, 1964 by Dolores Cummings and has grown like its counterpart the Men's Division. They are both recognized throughout Long Island and the State as the largest contingent in this part of the country.

Division Eleven, is involved in

Hicksville and works closely with our youth through community programs.

If you are interested in taking an active part in this fine organization please write to P. O. Box 644, Ancient Order of Hibernians, c/o of the writer, for additional details.

little lamb How wonderful that our children get to see that every day and are reminded that they are Jesus' little lambs. That was the only thing she ever said that made much sense in the confusion of her mind the thought of Jesus brought peace and joy. She found peace in seeing herself in those arms. At her advanced age, through hardened arteries in the brain, the Spirit of God used an earlier teaching, a work of art, a remembrance to bring her peace and joy.

What is keeping you from feeling at peace? Completely at peace? Perhaps there are some of you who feel lost, aimlessly wandering through life? God sent you Jesus Christ. Jesus said, "The Son of Man has come to seek and to save that which was lost." It really doesn't so much matter what is troubling you, for Jesus Christ can break through it all. With Him comes the peace that pushes out fear and brings security. Picture yourself right now in the arms of the Good Shepherd. Close your eyes if it helps, relax, feel His strength, thrill to His love. In Christ Jesus is peace. We can have peace of mind in Him.

However, State mandated parapet walls, and chimneys, spires and similar projections not in excess of fifteen (15) feet above the roof, shall be excluded in measuring the height of a building. Elevator or stair bulkheads, mechanical equipment, water towers and similar equipment shall be enclosed or screened and shall be setback a minimum of twenty (20) feet from all the edges of the roof, except that where the roof area cannot accommodate such a minimum setback, all around, then such equipment shall be placed on the roof so as to be as equally distant as possible from all roof edges but, in no event, closer than five (5) feet from any such roof edge; and the aggregate area covered by such enclosures or screened areas shall not exceed twenty percent (20%) of the roof area; and the total height of such penthouse enclosures or screened areas shall not be in excess of twelve (12) feet above the roof. For the purposes of this ordinance where separate and contiguous stores or shops share a common roof that part of such common roof which covers each separate store or shop shall be considered for setbacks and centering purposes for that separate store or shop as to such equipment serving such store or shop. Notwithstanding the above, where separate and contiguous stores or shops share a common roof, nothing precludes the placing upon the roof covering that store or shop such equipment serving such store or shop along the center of an inner edge of the roof which separates the abutting and contiguous stores or shops; where elevator or stair bulkheads, mechanical

Kiwanis Re-Sponsors Soccer Team

The Kiwanis Club of Hicksville, Inc., an active community minded organization of more than sixty local businessmen, recently approved a request from the Hicksville Americans Soccer Club to continue the sponsorship of its sixteen year old to nineteen year old Juniors travelling team. Hicksville Kiwanis contributed \$200, which will be utilized by this Hicksville youth organization to replace worn uniforms and old soccer equipment.

The membership of the Kiwanis Club of Hicksville are deeply committed to improving the conditions of life for both youngsters and adults living within the Hicksville community. Specifically with regard to the Hicksville Americans Soccer Club, Hicksville Kiwanis originally decided more than two years ago to support its oldest group of soccer players because these older adolescents could greatly benefit from interest and concern of local businessmen. By providing financial support to these teenagers, the club felt that they were contributing to keeping these youngsters active in a positive constructive endeavor. Their sponsorship would encourage the team members to stay out of trouble and help them mature into productive adults.

The recent sponsorship of this older soccer team reaffirms Hicksville Kiwanians' belief in these teenagers. Furthermore, many Kiwanians have expressed an interest in attending home games of this team so that they may lend moral as well as financial support to these fine youngsters.

On Wednesday, March 17, the Kiwanis Club of Hicksville was honored to have as its guests the coach of the Juniors team, Mr. Frank Schnur and three of his team members. Shown in this picture from left to right are: team captain John Sanacore,

goalie Roy Messing, lineman Kevin Reardon, and coach Schnur. These youngsters under Mr. Schnur's direction presented a short demonstration of different soccer techniques and their presentation was warmly received by the members present.

Mr. Schnur promised the club that he will keep them fully informed of upcoming home games through contact with Kiwanian John Maniec who was designated by the Kiwanis Club as its liaison representative with the Hicksville Americans Soccer Club.

Fire Report

By Ex-Capt. Owen Magee

47 Alarms For Vamps
Hicksville firefighters responded to 47 Alarms during the period March 9 thru 23rd. There were 22 Rescue Calls, 15 Fire Calls and 10 Malicious false Alarms. False Alarms were received from boxes at the following locations:

- Broadway & Cherry St.
 - Cottage Blvd & Essex La.
 - East Baclay St. (center)
 - Holy Family School
 - Division Av. & 2nd St.
 - McAllister St. & Boarder St - 3
- Alarms turned in from this box
Old Country Rd & Underhill Av - 2 alarms turned in from this box.

The large Number of false alarms has forced fire official to revise the apparatus response so that at no time will another area of the district be deprived of a quick response. Past records show that most alarms from alarm boxes prove to be false and that those calls that are fires are received via phone at the same time. No longer can 14 pieces of apparatus be wasted on false alarms. The new system will also cut down on a large number of emergency vehicles racing through traffic which, at many times in Hicksville, is quite heavy. It is expected, that under the zone response system, taxpayer money will be conserved, road safety improved and that no part of the district will be stripped. Not much help has ever come from elected officials, law makers etc. on false alarm calls. What is needed is harsher penalties and more strict judges. Volunteer or paid - False Alarms Can Kill.

In recent weeks firemen have responded to several serious fires where careless smoking has been the cause. Please read our article "The Final Cigarette?" Fire Hurts. Best Wishes to fireman Joe Eiseman Ex-Capt of Eng. Co 2 for a speedy recovery.

Hicksville Vamps mourn the loss of exempt member John Brigandi.

The Final Cigarette?
Ah, the day's finally over. You're in bed at last, all snuggled down and comfy. Oh, you've lit up one final cigarette? Oops, you've dozed off, and dropped it.

You now have maybe 5-2 minutes left to live, once your mattress starts burning. If you're going to live any longer than that you're going to have to wake up by then - and keep your wits about you.

This is what Factory Mutual and Harvard University scientists found out from their third bedroom fire test, run under a research grant from the National Science Foundation through its Research Applied to National Needs program. No one fully understand home fires, or even if two homes fires the same way. So to help find the answers, and save some lives, the team of scientists has built and set fires to three authentic mockups of a typical bedroom. Information was collected with 180 different data channels and a battery of computers.

After an electric match on the mattress was ignited the fire grew slowly for three minutes, reaching a foot (0.3m) high it grew more rapidly then, and at four minutes there began a steady buildup of smoke in the room. A minute or so after that the smoke was four feet (1.2m) down from the ceiling. If you wake up now, and crawl out the door, you'll make it. Stand up into the smoke and you probably won't. In just another minute (only 6 minutes after ignition) everything combustible in the room will become superheated and ignite within seconds - a phenomenon known as "flashover." Anyone in a room at flashover will not survive it.
