HAD Threatened By Proposed Budget Cuts

Help-Aid-Direction (H.A.D.), a Hicksville-based youth and family counseling, drug and alcohol abuse prevention and treatment center, wishes to express its deep appreciation and sincere gratitude to all those individuals, businessmen, religious leaders, clubs, and adult organizations who took the time to write letters and mailgrams to the New York Legislature on its behalf.

H.A.D. has been informed by many local legislators that they were extremely impressed by the vast range of support given its agency by Hicksville area individuals and groups. Efforts are now underway by New York State Assemblymen and State Senators to restore some of agencies presently operating throughout the state. If money can not be restored in the upcoming Supplemental N.Y.S. Budget, more than fifty-five funded counseling groups in Nassau County face up to 36 percent cutback in state appropriations. For many of these local community centers a cutback of that large a magnitude would surely force them to close their doors and discontinue their important counseling services.

Help-Aid-Direction appeals to its friends and supporters in the Hicksville area and especially to those youngsters, adults and families who have directly

benefitted from any of its free-of-charge counseling services over the past five years to write immediately additional letters to some of the following legislators requesting that they restore money to the Youthful Drug Abuse (Y.D.A.) portion of the N.Y.S. Supplemental Budget.

Letters of support for the continuation of the H.A.D. agency and other drug alcohol counseling centers in Nassau County should be sent to several of the following key legislators: State Senator Ralph Marino; State Senate Majority Leader Warren Anderson; State Senator John Marchi; Assembly Speaker Stanley Steingut; Assemblyman Joseph Margiotta; Assemblyman Bertram Hecht; Assemblyman Angelo Orazio; and Assemblyman Lewis Yevoli. The address for all of these legislators is: Legislative Office Building, Albany, New York 12224.

Hearings and a vote on the upcoming N.Y.S. Supplemental Budget are scheduled to be held within the month so it is imperative that letters of support be sent out soon.

H.A.D. in an effort to serve more troubled youngsters and their families will be open on Saturdays from 11:00 a.m. to 4:00 p.m. beginning April 3, 1976. Competent, professionally trained counselors will be available to answer any question

and assist in finding solutions to all types of human relation problems. Anyone in need of assistance may call H.A.D. at WE5-6858 or visit its counseling facility at 76 North Broadway, Hicksville, Room 4000. The following represents the H.A.D. center's revised hours of operation: Monday, 12 noon to 8:00 p.m.; Tuesday, Wednesday, Thursday, 12:00 noon to 10:00 p.m.; Friday, 12:00 noon to 6:00 p.m.; Saturday 11:00 a.m. to 4:00 p.m. Furthermore, H.A.D.'s secretary is normally at the center from 10:00 a.m. on weekdays to answer telephone calls and schedule counseling appointments for staff later on in the day.

Counseling at Help-Aid-Direction is available to anyone in need of its services regardless of the community where they live. H.A.D. hopes that troubled individuals from Hicksville and its neighboring communities will utilize its valuable services.

One final note. H.A.D. appeals to the residents, businessmen, and adult groups in the Hicksville area for financial donations to assist it in continuing to serve troubled people. H.A.D. is a nonprofit, tax-exempt agency and contributions are therefore tax deductible under federal tax law 501C(3). Any donation would be greatly appreciated.

Bicentennial Parade News

The Hicksville American Revolution Bicentennial Parade is shaping up as one of the larger and more impressive community processions and patriotic events in the last 23 years.

Parade Chairman Steve Didier reports a strong and eager response to the Parade Committee's invitation to parade in honor of the nation's 200th Anniversary of Independence on Saturday, June 12th, Flag Day weekend.

"A variety of bands, school groups, military color guards and community groups plan to take part", Didier stated, "the Parade Committee is now seeking to swell the line of march with every patriotic citizen who wants to

honor our nation's Bicentennial...we hereby invite individuals, groups of neighbors or friends, community organizations—youth and old—to take part. Carry a flag, support a banner, accompany or ride a float depicting an event from our history—participate any way you can is the message and invitation the Parade Committee extends to Hicksville."

The Bicentennial Parade Committee meetings will be held at the Hicksville American Legion Hall on East Nicholas Street, on the first Wednesday evening of the next three months, at 8 P.M. (April 7, May 5, and June 2). Inquiries may be made to Steve Didier-681-5946, after 6 p.m.

PTA Council To Meet

The Hicksville Council of PTA Units will be meeting at the Lee Avenue School on Wednesday, April 7th at 8 P.M.

"These meetings are open to

the general public so do join us for a very informative meeting," a spokesman for this organization said.

On March 24, the District Executive of the Boy Scouts of America, Mr. Gerald J. Moors (on left) presented a plaque to Russell J. Coniglio, President of the Kiwanis Club of Hicksville for their financial support of the Nassau County Council and sponsorship of the Hicksville Boy Scouts Troop No. 64.

Bicentennial Reflections

By Dick Evers

Pageantry and the recollection of America's heritage are naturally a big part of the current Bicentennial interest. In an effort to help community groups which want to prepare floats, pictorial banners or exhibit displays for the Hicksville Bicentennial Parade on June 12 or the "Old-time Fair" at the High School grounds on July 4th, the following Bicentennial ideas or themes are offered:

Valley Forge Soldiers' Hut or Tent; George Washington "at prayer in the Valley Forge forest; Baron von Steuben drilling patriot recruits; Large copy of the Declaration of Inde-

pendence; Continental Army men posed before a roster of Revolutionary battles; the British surrender at Yorktown; Washington crossing the Delaware; the "Spirit of '76" (if we are not careful, we'll have thirty versions); Boston "tea party"; Minuteman Statue; Map of the 13 Colonies; Large sign with lettered ideal(s) of our forefathers; Paul Revere; Morgan's Rifleman; Crispus Attucks and "Boston Massacre" theme; the Liberty Bell; Independence Hall

Our nation's Bicentennial celebrates more than a Revolutionary triumph, however. This commemoration evokes endless memories of America's growth and history...Here are float ideas for broader historic themes:

The Lincoln Memorial; Washington Memorial; Mount Rushmore's Presidents; our freedoms of religion, of speech, of the press, of assembly; the U.S. Constitution; Women's Rights or Liberation Movement; Free Public Schools; the Emancipation Proclamation depicted; World War I, II, Korea and Vietnam—the fight for liberty and democracy on a hundred battlefields; our great community groups: the Red Cross; Boy Scouts; Girl Scouts; Camp Fire Girls; 4H Clubs; the contributions of service clubs: Kiwanis; Lions; Rotary; the great fraternal groups: Masons, the Elks, Knights of Columbus; ethnic contributions to America as depicted in floats representing

the Sons of Italy; Steuben Society, Loyal Order of the Hibernians; Hellenic Society; Polish National Alliance, etc.; Floats depicting ideals, contributions of veterans groups: American Legion; Veterans of Foreign Wars, Amvets; floats showing great moments in transportation's growth in America: stagecoaches; conestoga wagons; Pony Express Riders; early locomotives; the Mayflower; "Old Ironsides"; Monitor; Clermont steamship; clipper ships; showboats; Mississippi sidewheelers; atomic subs; floats portraying America's inventive gifts to the world: Edison and electric light or phonograph; Bell and telephone; Morse and telegraph; Ford and Model T; Wright Brothers; Eli Whitney; the village blacksmith; America in music: Negro spirituals; Stephen Foster; Sousa; George M. Cohan; Irving Berlin; country music; America's men of medicine: Walter Reed; Colonel Gorgas; Elizabeth Blackwell; Jonas Salk; Mayo Brothers, etc.; why not symbolize or depict the great New England Town Meeting; America's free enterprise is a theme worthy of creation; some of our holidays might be shown: First Thanksgiving; Labor Day; Memorial Day; the "Good Neighbor Policy" of Franklin Roosevelt; brotherhood; our police and fire departments; the U.S. Mails...Think a bit about what America means to you or your group and you'll have an idea for a Bicentennial float or banner.

GOP Club

The Ernest F. Francke Republican Club of Hicksville will hold their regular monthly meeting at 8:30 P.M. on Friday evening, April 9. The meeting will be held at the Veterans of Foreign Wars Hall - Wm. M. Gouse Jr. Post No. 3211, located at 320 South Broadway in Hicksville. (The hall is situated south of the Firestone Store and north of the H.I.P. Building). Refreshment will be served.

The guest speaker for the evening will be the honorable HALLSTED CHRIST, Comptroller of Nassau County. Mr. Christ will speak about the office of the Comptroller.

All interested parties are invited to attend this meeting.

Dear Friends....

A CORRECTION: Hicksville Fireman William Stamos recently received his certificate as a "pre-hospital cardiac care technician" (para medic), after 110 hours of training at Massapequa General Hospital. Last week in the Hicksville lead picture, this award was incorrectly listed. Fireman Stamos was pictured with Capt. Nawrocki, who is already qualified, and Lt. Meyer, who also attended the presentation ceremonies in February. Thank you, Fireman Stamos for setting the record straight...and congratulation on completing a course so important in this field of community service.

AS WE APPROACH NEARER to the date of the Hicksville Library Budget vote, we'll have more on this budget's details and on those who will be running for the position of library trustee. In the meantime we hope all Hicksville voters took time to read the fine mailing piece that was sent to each home recently on the services available at our fine library. It was excellently done.

IN THE PLAINVIEW AREA, volunteers are desperately needed to help transport a local cancer patient for treatment. If you can help please phone WE 5-5431 or WE 1-5862.

HERE AND THERE: The attractive stationary that the Hicksville American Revolution Bicentennial Committee is using was donated to them by the Edgjan Press, through the kind efforts of one of our favorite Hicksvillian's Marge Gianelli. No, I haven't seen her lately.... this information was passed on to me by one of the committee chairmen...Local dates to remember are April 20th which is the Annual Meeting of the ever-active Hicksville Chamber of Commerce (time and place later)... and May 20, this same organization has scheduled its Installation Buffet at the Old Country Manor. This is one you won't want to miss. Then, of course, on Thursday, June 3rd, all (and I mean ALL) community leaders will be present at the fifth annual dinner and awards night of the Hicksville Community Council, which will be held as usual at the Trinity Lutheran Church...gourmets please note...the same fabulous food prepared by the same skilled people, at the same low price...so by all means, don't miss this one. By the way, if any other local organizations wish to have me mention some of their coming events, so that people can set aside the date, drop me a line. I'll be happy to do so.

THAT'S ALL FOR THIS WEEK. Stay well, and remember the old saying, "You can't spend your way out of debt."

"For the good that needs assistance
For the bad that needs resistance
For the future in the distance
And the good that we can do."

Gov. Hugh L. Carey, Nassau & Suffolk County Officials, Senators & Assemblymen Gentlemen:

In this morning's newspaper, the County of Nassau and Suffolk plan a county income tax. This is the worst idea any official ever had. They claim this would decrease the school tax. But who will pay this income tax: only the property owners and county working people. Everybody else will have a free ride.

If the county income tax is passed, everybody - residents and non-residents alike should pay it just like New York City. I live in Nassau County and work in N.Y.C. I have to pay NYC income tax the same as the people who live there. The City does not exclude Nassau and Suffolk residents.

If a tax is needed for the schools, put the 1 percent Sales Tax in so that everybody shares the expenses, not just a handful of people.

Don't bleed the goose that laid the Golden Egg.

Yours truly,
William Sill,
Hicksville

To the Editor:

The time is now. Taxpayers desiring to place a lid on our school taxes, among the highest in New York State and the nation, must advise the school board that a business-as-usual budget is no longer acceptable. A budget that maintains the status quo, while increasing the school tax liability and thus its tax rate, is unconscionable in times when property taxes are squeezing property owners beyond their limits of endurance. But such a budget is on the horizon even though money available for school is no longer an unlimited resource to be plucked from overburdened taxpayers by a blanket check education philosophy. One of the school board's major tasks should be to allocate available money where it will produce the greatest good for the largest number of students. But the board is accepting the status quo.

Letters To The Editor

The board will raise taxes to pay for the increased costs.

Failure to economize to the maximum extent possible insults the intelligence of most Hicksville residents and casts doubts on the capability of the present school board to handle school district fiscal problems without large tax increases to balance expanded spending. Taxpayers are not so naive to believe that by voting on school budgets they exercise any real control over the tax rate. They are sophisticated enough to know that the voting is to approve or disapprove a dollar amount expenditure listing. The tax rate is dependent on other factors over which the district has little control: size of state aid, revenues, assessed valuation of real property, and whether the budget is approved by the voters. Thus, if Hicksville's tax liability is increased by excessive spending, if state aid is not up to expectations, if revenues are less than forecasted, or if the assessed valuation does not increase, the tax rate increase could be huge. Furthermore, even if the voters do not approve the budget, they would still be liable for the expenditures labeled "contingency" regardless of the tax rate which could also result in a large tax increase (though it would be smaller than if the budget was approved).

Since taxpayers cannot effectively influence the tax rate by voting on the budget, it behooves them to attend board meetings so that their voices can be heard. Taxpayers must persuade the board to insist:

1. That school administrators program budgeting alternatives to a tax rate increase;
2. That whenever and wherever a raise is occasioned by state mandated or other cost increases for employee fringe benefits school administrators specify exactly wherein the present budget cuts can be made to offset the increases;
3. That contingent liabilities be budgeted in the expenditure listing and the possible effect on the tax rate reflected in budget literature.

If the school board presents taxpayers with an inflated budget and a tax increase, replacements for trustees up for reelection must oppose spendthrift budgeting for the next several years or we can expect an elephantine tax rate increase

during that period.

Sincerely yours,
Frank H. Willard

Dear Sheila:

For those who are facing hard times and unemployment and may be getting down on themselves, permit me to share a bit of positivism I recently read.

"With a wife and a sick child to support, Irwin S. Cobb started to pound the big city's pavement, going from one newspaper office to another, looking for work. For two weeks he visited and revisited them, but the bosses always sent word that no help was needed. As a last attempt, Cobb sat down and wrote a letter to each of the editors, proving that he could write effectively and had confidence in himself."

"The letter ended as follows: 'This is positively your last chance. I have grown weary of studying the wallpaper design in your waiting room. A modest appreciation of my own worth forbids me doing business with your head office any longer. Unless you grab me right away, I will go elsewhere and leave your paper flat on its back right here in the middle of a hard winter, and your whole life hereafter will be one vast, surging regret. The line forms on the right; applications considered in the order they're received. Write, wire, or call at the above address.'"

Dear Mrs. Noeth:

The forthcoming Democratic Primary has given rise to a good deal of controversy in our local area. This is as it should be - strong public interest and strong concern over local and national issues are good barometers for a healthy democratic society.

Let's hope this interest carries over to Primary Day (and beyond). I sincerely hope that all local Democrats, whatever their opinions on the candidates and the issues, will take the few minutes necessary to go to the polls and vote on Tuesday, April 6. The polls are open from 12:00 Noon to 9:00 PM.

Remember - your vote is your voice. Don't lose it.

Very truly yours,
Michael Polansky

Letters To The Editor

(Continued from Page 4)
To the Editor:

On behalf of the Committee for the President John F. Kennedy Memorial Park in Hicksville, I would like to publically thank the Kiwanis Club of Hicksville for their presentation of a Bicentennial Flag and the light which shines on the American Flag.

This presentation was made on Sunday, March 13th, 1976.

We of the Committee are grateful for the interest they have shown. Having a light at the Memorial will solve a problem which I have been confronted with for the past 11 years and that is seeing to it that the flag was raised and lowered each day. We are hoping some other

organizations of the town will keep the light lit and help the Committee keep the flags flying at the site.

The late Fred Noeth was an ardent worker on this project which took 18 months of time planning, negotiating and labor to finish. We are glad after all this time, interest is being shown to improve this site.

I have been asked by Richard Evers, our Town Historian if bronze plaques could be placed on the now existing Memorial and permission has been given. This I am told will be done soon.

Again, on behalf of the President John F. Kennedy Memorial Park Committee, Thank you, Hicksville Kiwanis Club.

To The Editor:
I recently received a letter from a student doing a report on

Government that asked a question that is fundamental to the principles of democracy:

Should an elected official be responsible first to his constituency or to his own judgement and conscience?

The question of whether an elected official's first responsibility rests with his constituency or his judgement and conscience, should not and cannot be answered by simply choosing an option.

These two most important concerns - responsiveness to the public and a true belief in the rightness of one's actions - are not mutually exclusive. Rather, in effective practice, they constitute significant aspects in a general process of evaluation resulting in the value judgements and decisions of governmental officials.

By virtue of oath of office, the elected official is required to sustain and promulgate legislation, policies and practices designed to enhance the best interests of his constituency. The official must remain open and responsive to the needs and desires of residents, and must

Fire Report By Ex-Capt. Owen Magee

Explosion Rips Hicksville Gas Station

On March 26 The Hicksville Fire Dispatcher received a report of an explosion and fire at the Texaco Gas Station on North Broadway and Bethpage Road. A general alarm brought 90 Hicksville Vamps, 10 pieces of fire apparatus to the scene under Fire Chief Roy Schaaf. Upon arrival Vamps found several cars damaged. A huge hole in the ground and several shakey gas station employees.

Vamps searched the wreckage and miraculously there were no injured. Eye witness stated that when the explosion went off there was a huge fire ball and when the dust and debris settled the fire was out, snuffed out by the explosion itself. Leaking gasoline seeped into the storm drain in front of the bay doors and somehow an explosion was triggered. Firemen doused the area with pyronox chemical to prevent any further explosions. The alarm came in at 8:48 pm. Vamps were on the scene till after 11:00 pm.

House Fires

On March 31st two house fires caused considerable damage. At 10:45 am fire was reported coming from a house at 93 Cedar

St. Upon arrival Vamps found numerous separate fires. Arson is suspected. The Fire Marshals Office is investigating. Damage was estimated at \$15,000.00 No one was home at the time.

Fire struck a split level home later on at 11:47 pm when firemen arrived they were faced with extremely heavy smoke. The fire evidently had been burning awhile before the occupants awoke. They managed to escape unharmed 75 men, 9 pieces of apparatus responded under Chief Roy Schaaf. Cause is undetermined and the Marshals Office will conduct a routine investigation. Damage was estimated at \$10,000.00.

Fire Report 3 23 thru 3 30

Hicksville firemen responded to 19 alarms last week. There were 5 rescue calls, 12 fire calls, and 2 malicious false alarms were turned in from Clarissa Dr. and Genesse St. and Cortland and Willow St.

Get well wishes to fireman Robert Chiz of Eng. Co. 7 who is ill and in Central General Hospital, Plainview

ALHHS

On Tuesday, March 9th students from Mr. Smith's and Mr. Kulp's 9th grade English classes, at Hicksville Junior High, went to Hofstra University to see one of Shakespeare's most famous comedies **MUCH ADO ABOUT NOTHING**. The play was presented in the John Cranford Adams Playhouse, the stage of which is a replica of Shakespeare's Globe Theatre in England around the year 1598.

The plot of the comedy is many-sided and has something for everyone. It deals with the near tragic love of Hero and Claudio, the witty and scornful repartee of Beatrice and Benedick, the black hearted villainy of Don John and the farce of Dogberry and the watch.

All in all the production was splendid. The actors and actresses did a fine job and the costumes were excellent. The audience, composed mostly of students from Long Island, seemed to enjoy the play immensely.

Written by Kevin Dowd and John Esposito, students

Williamsburgh Savings Bank Opens First Suffolk Office

The resurgence of Americana on Long Island reached a pleasant peak on Friday, March 26th, when The Williamsburgh Savings Bank opened its first Suffolk office in the Walt Whitman Shopping Center in Huntington.

On that day in this Bicentennial year, The Williamsburgh Savings Bank celebrated its founding when these United States were a mere seventy-five years old. Not only is this new office located in the shopping mall named after Long Island's most famous poet, but when the bank was founded in Brooklyn in 1851, that borough was considered a town on Western Long Island. Indeed, the Huntington-born Whitman worked in Brooklyn as a newspaper editor.

Although the bank is a newcomer to Suffolk, mortgage money supplied by it to Suffolk residents is a familiar and substantial story. In fact, The Williamsburgh Savings Bank has invested over half a billion dollars in twenty thousand Suffolk homes since 1958.

A further emphasis on Americana is in the prizes customarily distributed in the gala opening of a savings bank

branch. Although the tried and true electrical appliances are well represented, sprinkled throughout are handsome authentic reproductions of Williamsburgh (Virginia) antiques of the 18th century.

This opening brings the total number of offices of The Williamsburgh Savings Bank to twelve: four in Brooklyn, two in Manhattan, three in Queens and two in Nassau.

In appointing bank officer Jay A. Jones as manager of the Walt Whitman office, George F. Ulich, President of The Williamsburgh Savings Bank, said,

"In our tradition of friendly courtesy, our depositors are always sure of a warm welcome and we look forward to extending that welcome to many old and new depositors in the Huntington area and beyond. It's always a pleasure to break new ground, although in reaching Eastward on Long Island, we feel we are really just continuing to expand our home territory, since so many residents of Long Island have their roots in Brooklyn."

The Bank, situated in Walt Whitman Shopping Center, Route 110, is open from 10 A.M. to 9:30 P.M., Monday through Saturday.

Outside, he explained about telephone poles, then proceeded to climb one.

The children were thrilled by his visit!

Hicksville Soccer Club

The Hicksville American Boys team, sponsored by the V.F.W., had a very impressive win over Syosset on Saturday. Jimmy Bell had his first shutout of the young year with timely saves in goal. Outstanding in the Hicksville defense were Tommy Solaski, Richard Bodony and David Straup. The constant hustling of John Cusack, Martin Conway and Doug Cochran controlled the Midfield play, while the combined efforts of the forwards John Borthwick, John Kerti, Andy Menzin and Michael Finkelman produced three goals into the back of the Syosset net.

impossible to get Past John Solaski, Charlie Wayne, Shahe Halajian, Roland Caputo and Butch Barczik. Their next game is played at our home field against Garden City at 1 P.M. If you want to see a good game of soccer we'll see you there.

The girls under 12 traveling team met strong opposition in a hard fought with the Massapequa Stingers at Byrne Park in Massapequa. The girls came away victorious, defeating Massapequa 1-0 in a game that remained scoreless until the last 10 minutes of play. Janine Baggett, Susan Brill, Donna Richards, Brenda Condon and Mary Ann Carroll played excellent defense and left little work for goalie Donna Berk in the second half. However, in the first half, with the wind coming at her, Goalie Christine Verhagen had many hair raising saves. The offensive line, Cathy Conway, Denise Harkins and especially Marie Weber pressed hard to score the winning goal.

Hicksville Midget Blue sponsored by G.O.P. did not play this week because of Long Beach's failure to show. Sunday G.O.P. will play Bayside at their home field at 4:30 P.M.

Pee Wee M.B. were idle this week, but will travel to St. Kevins on Sunday

Pee Wee - Joe Neto & John Harris
In the Pee Wee Division, the Hicksville Wagner team defeated Bohemia Eagles by a 1-0 score. It was a very frustrating game for the Wagner boys. Most of the game was played on the opponents side of the field, however the goal area was so congested that the forward line just could not penetrate. Several off-sides did not help the Hicksville cause as one goal had to be called back. David Weinberg was superb in his inside left position. His aggressiveness paid off as he scored the only goal of the game. Peter Thompson did a good job in his left fullback position turning back the opposition every time. Michael Ayrnes did an excellent job as goalkeeper. On a break away one on one situation, Michael held his ground until the last second to challenge his opponent and made a great stop.

The Bantam Mid Island Blue lost to Huntington Boys Club 2-0.

State PTA Honorary Life Memberships

Will the March winds ever cease? Again the Hicksville Blue juveniles played a great game of soccer in winds that were unbelievable. They defeated the Brentwood Iroquis by a score of 5-0. Goals were scored by Kevin Anglin 2, Bruce Zwiebel 2, and William Dunn 1, with assists by Donald Anglin, Anthony Luongo and Dwayne Beard. Defense was played with great skill and it was

The actions of government must never be made simply in compliance with the "hue and cry" of the day, but rather must evolve from fact and merit. Substantive considerations, regardless of their relationship to momentary popular appeal, must form the base for all governmental decisions. Elected officials, charged with the responsibility of managing government, possess the unique capability of drawing upon the expertise and practical wisdom of those who have devoted their working lives to specific fields of endeavor. These individuals are able to offer clinical and critical evaluations regarding concerns for which affected citizens may have a more subjective view. All input must be carefully studied and evaluated before officials can make value judgement and reach determinations. At a meeting on Thursday, March 11, Mr. Lou Penque, Assistant Principal at Lee Avenue School, Hicksville, and Mrs. Audrey Hupfer were presented an Honorary Life Membership in the New York State Congress of Parents and Teachers, by the Lee Avenue P.T.A., in recognition of their dedicated service to children and youth in the school and community.

This distinguished award was made possible through a contribution by the Lee Avenue PTA to the New York State PTA Jenkins Memorial Scholarship Fund, and the Teacher Fellowship Fund. Contributions to these funds enable the New York State PTA to provide scholarships to students entering college with an education major, and Fellowship to teachers enrolled in summer study programs.

Evangelist Bud Lyles At First Baptist

Evangelist Bud Lyles will speak in the First Baptist Church of Hicksville on April 10th through 18th. The pastor, Alan D. Swaim cordially invites all to attend.

Dr. Lyles became a Christian and was called to preach in 1944. He preached for the first time in the fall of that year. Later he attended and graduated from Bob Jones University in Greenville, South Carolina. While a student, he met his wife, the former Dorothy Watson, also a graduate of the university. They have five children.

For 15 years Dr. Lyles was associated with Dr. John R. Rice as assistant director of the voice of revival broadcast. He also wrote a regular column called

Dr. Bud Lyles

"Teen Talks" for that weekly Christian paper *The Sword of the Lord*. It was during that time that

Dr. Lyles evangelistic ministry began.

Revival work has taken Evangelist Lyles into most of the United States and he has traveled to several foreign countries. He has directed hundreds of campaigns for individual churches and has held several campaigns with a group of churches cooperating together in the meetings.

Dr. Lyles is an experienced soloist and song leader. His album, "Bud Lyles Sings", is very popular. It features songs that he uses in his meetings.

An ordained Baptist Preacher, Dr. Lyles will stir hearts with his ministry. Meetings are open to the public, of course, and everyone is urged to come.

April is 100th birthday month for The Roslyn Savings Bank and all Long Island is invited to join the celebration.

RECIPE FOR A 100th BIRTHDAY

Start in 1876: We've been working on our recipe for successful community service since Roslyn opened its doors for business on April 3, 1876. The bank had been organized by a group of local businessmen and neighbors who felt that there should be a "safe place to build or purchase their homes, a conservative institution... designed in the interest of the people of Long Island."

At the end of its first two months in business, it had 26 accounts and assets of \$1,176. It paid its first dividends on July 1, 1876, and has paid them continuously ever since. Today it still pays the highest rates the law allows.

Improve every year: Always operating in "the interest of the people of Long Island," Roslyn, in 1976, has assets of over \$440 million and expects to increase it by several million more during its anniversary year. There are offices in Roslyn and Farmingdale, where a new drive-in annex has just been added, in West Hempstead and in Bellmore. A new full-serve office is under construction in Woodbury.

Serve with pride: All of us at The Roslyn Savings Bank are proud to be part of the bank's accomplishments. There will be many celebratory activities during the month of April - prizes, souvenirs, open houses, a special birthday party.

We want to share the celebration with our friends, so please stop by at any office during the first week of April for a taste of our birthday cake. The 100-year recipe printed here is based on one from the files of an early Roslyn Savings Bank depositor. It's almost as good as money in the bank (Roslyn Savings, that is)! You can pick up extra copies for your friends at any nearby Roslyn office.

Join us in celebrating 100 years of better banking.
Open House at all branches! April 5 through 9.

ORANGE CREAM CAKE

(Roslyn's 100th Birthday Cake)

- 5 eggs
- 1 lb. orange juice
- grated rind of one orange
- 1 1/2 cups sugar
- 2 cups flour
- 2 tsp. baking powder
- 1/4 pint heavy cream

Beat sugar, rind, orange juice and rind until very light. Fold in flour sifted with baking powder, alternately with cream. Grease and flour a 9" tube pan. Pour in batter and bake 15 minutes at 400°, reduce heat to 300° and bake 30 minutes or until cake tests done. (Great-great grandmother used a broom straw.) Top with seven minute frosting, orange glaze, etc.

OLD FASHIONED BUTTERMILK FROSTING

- 3/4 cup buttermilk
- 3/4 cup sugar

Cook until mixture forms soft ball when tried in cold water (234°F). Cool slightly, then beat briefly until right consistency to spread.

(Note: These recipes are adapted from the files of the late Mrs. John F. Remers, whose husband's grandmother Deborah Remers was one of Roslyn's first depositors in 1876.)
