Former Hicksville Minister Brutally Murdered

The Reverend David Sanford Duncombe, Jr., Superintendent for Indian Work on the Wind River Reservation, Ethete, Wyoming, and Priest-in-Charge of St. Michael's Episcopal Church on the Reservation, was brutally murdered Saturday, April 24, by a youth whom he had befriended. Father Duncombe was the former Rector of Holy Trinity Episcopal Church, Hicksville. Both he and his wife, Patricia, were actively engaged in various aspects in the Mission with the Arapahoe Indians where they have been since 1970.

Father Duncombe was born in Bronxville, New York, April 3, 1921; graduating from Columbia College, New York City, in 1947 where he also earned his Master's Degree in 1956. He attended Seabury Western Theological Seminary, Evanston, Illinois, graduating with a Master's in Divinity in 1950. In June of the same year he was ordained a Deacon by Bishop DeWolfe, who also ordained him to the Priesthood in December of 1950. Following his ordination to the Diaconate, Bishop DeWolfe appointed him as Minister-in-Charge of Holy Trinity Church, Hicksville. Father Duncombe married Patricia Warburton April 11, 1947. They were the parents of five children. During his years in Hicksville,

Father Duncombe ministered to a community which reflected the growth of the early postwar years. The small Episcopal Mission was growing rapidly and Father Duncombe both ministered to the people and harnessed the energies of the people to bring it to parish status in 1954. The newly organized Vestry elected him the first Rector of Holy Trinity Church and he served in this capacity until his resignation, September 1, 1958. Under his leadership the Diocese-supported Mission became a self-sustaining parish; a new parish hall was built and a chapel affixed to the former church building. Father Duncombe also engineered the purchase of additional adjoining property and prepared the parish for the building of a new church edifice. In civic affairs Father Duncombe was an active member of Kiwanis and worked with various youth organizations. Upon his resignation from Holy Trinity Church, Father Duncombe moved to Tucson, Arizona, where he was Chaplain to the Episcopal Order of the Teachers of the Children of God and an instructor in education in their Boarding and Day School. From 1959 to 1962 he was associated with St. Michael and All Angels parish in Tucson,

Arizona, and later on from 1962 to 1970 was Rector of St. Paul's Church, Elko, Nevada. Upon his resignation from St. Paul's he accepted the Superintendentcy for Indian Work on the Wind River Reservation.

Funeral services for Father Duncombe were held at St. Michael's Mission at 10:00 A.M. on Tuesday, April 27, with The Right Reverend David R. Thornberry, Bishop of Wyoming, officiating. Father Duncombe was buried at the Mission Cemetery, Ethete, Wyoming. The burial services were also attended by full Indian ceremonials. Memorial contributions may be sent to Holy Trinity Episcopal Church, 130 Jerusalem Avenue, Hicksville, N.Y. 11801, for St. Michael's Farm at Ethete, Wyoming, which had become Father Duncombe's favorite project. Memorial services for Father Duncombe will be held at Holy Trinity Episcopal Church, Hicksville, at 3:00 P.M. on Saturday, May 1, with The Right Reverend Jonathan G. Sherman, Bishop of Long Island, and The Rev. Domenic K. Ciannella, Rector of Holy Trinity Church, officiating. Member of the community and especially those who remember Father Duncombe are asked to share in this commemoration.

At The Library Board Meeting

By Clara Bennett

The Trustees of the Hicksville Public Library held their meeting on April 21st at 8:15 P.M. In the absence of Mr. Fishman, President and Mrs. Aaron, Vice President, Mr. Kenneth Jones conducted the meeting. The other Trustees present were Elyer Bean and Joseph McCarthy.

The minutes of the previous meeting were approved and bills submitted were approved for payment. Mr. Paul Rudoff appeared before the Trustees to discuss the problems faced in presenting the Sunday Afternoon concert series. As all are well aware, funds are being cut drastically by the State, and it is felt that the Nassau County Office of Cultural Development will become an advisory rather than a funding office. Mr. Rudoff estimates that the entire cost of running an amateur concert, i.e., publicity, transportation, etc., would be approximately \$75. It is his hope that a program might be printed up, with booster ads costing approximately \$20. per year. This would provide funds with which to operate the concert series. There are no firm commitments for funds beyond June except for Trust funds. He hopes that amateur nights might be conducted on Friday nights in order to develop local talent and then have a Sunday series of eight professional and eight amateur concerts. Funds for the Program would be solicited in the name of the Training Orchestra, with the series to be held at the Hicksville Public Library. The Trustees approved Mr. Rudoff's suggestion of a printed program with advertisements and booster ads to help defray the cost of the concert series in the future.

Mr. Saul Weinstein of Glow Lane then appeared before the Trustees to question the usage of Library facilities by T.M. and Esoteric Philosophy. It is his feeling that a public facility supported by public funds is being used to further the dissemination of their ideas. Mr. Jones, on behalf of the Trustees, stated that they felt they were not violating the approved usage of library facilities as set forth in Board Doctrine or in the guidelines for library usage. Further, the Trustees feel that these groups are "self-improvement" rather than religious groups. They suggested that Mr. Weinstein attend meetings of both of these groups and urged that he return to the Trustees if he finds that he has a valid complaint. They also gave him a copy of the guidelines for

library usage.

Mr. Barnes reported that the chiller has been delivered about ten days ago, but is not working yet. Freeport Mechanical informed him that they would come this week to set it up.

As regards the upcoming Budget, Mr. Barnes is preparing a letter to new borrowers. There are over 300 this year. The Friends of the Library will contact new residents in the community. Telephone calls will also be made to remind people of the upcoming vote. Mr. Barnes stated that he has been submitting articles to the local newspapers with pertinent information about the Hicksville Library that he feels are of interest to borrowers and voters.

Staff reports were once again held in abeyance due to the fact

Prayer Congress

The seventeen Churches in the Hicksville-Plainview-Bethpage area that form the MID-ISLAND ECUMENICAL COUNCIL are planning a 3-day Prayer Congress to be held on consecutive evenings in May.

A committee under the chairmanship of Mrs. William Persons has worked out a program that will study in depth several forms of prayer. Under the overall title of "Sharing and Exploring the Experience of Prayer", speakers and panel members will discuss Group Prayer, Private or Personal Prayer and Liturgical or Corporate Prayer, and share their experiences with those attending the Congress. The format of the evenings then calls for a brief intermission and the forming of small study groups, each group to be under the leadership of a local clergyman.

The sessions will be held at the following Churches, beginning at 8:00 P.M. and ending at 10:00 P.M.:

Tues., May 11 - Parkway Community Church, Hicksville-Group Prayer

Wednes., May 12-Plainview Methodist Church--Private Prayer

Thurs., May 13--St. Martin of Tours R.C. Church, Bethpage-Liturgical Prayer.

Soccer Club News

April 24

The Hicksville Red's, Girls Under 12 Traveling Team, held Garden City to a 0-0 tie on April

24th. The defense spearheaded by Susan Brill, Donna Richards, and Mariann Carroll gave their goalie very little work to do. However, the Garden City goalie, who played an outstanding game for her team, was able to stave off the many attacks of Hicksville's forward line.

HPWA To Meet

The Hicksville Parents Wrestling Association (HPWA) will hold a general meeting at 8 p.m. on Wednesday, May 5, at the Hicksville High School.

VFW Team

The Hicksville American Boys team sponsored by the V.F.W. had an impressive win over Plainview on Saturday. Although trailing 1 to 0 at the half the Hicksville team fought back and a great goal by Martin Conway equalized the score. Tommy Solaski put the V.F.W. boys ahead when he booted the ball to the back of the net from a free, followed by another goal by John Kerti. Andy Menzin and Michael Finkelman played an excellent game. The final score was Hicksville 5, Plainview 2.

Tough Competition
 Hicksville's Harris Alumnus sponsored Bantam team lost a heartbreaker to the Massapequa Cosmos, the number one team in their division. Down 1-0 at halftime, Hicksville tried valiantly for the goal that could change the complexion of the game and succeeded into forcing Massapequa into a defensive game the second half.

Despite many good opportunities, Hicksville was denied by a very strong and very fast defense. As is usually the case when one team is all out on offense and are frustrated in their scoring attempts the other team usually strikes with a breakthrough and scores. This is exactly what happened to Hicksville in the second half and the score was 2-0.

The game was very exciting to watch and the Hicksville boys more than held their own against the toughest competition in their age group. All of the Hicksville team played their very best with particularly strong efforts from Frank Schnur, Billy Cheslock, Chris Habersaat and John Maguire.

JUVENILE "BLUE"
 Juvenile "Blue" Team, who has become authoritative, pleasant and sure of themselves, has ripped another victory over East Meadow "Specials". The standing which sees the "Blues" in a convincing first position, gives clear prediction of the ambition of the boys to the final victory. Kevin Anglin scored the first goal, showing brilliant control and convincing super class of a star. Chris Pinkerton, from a diagonal position infiltrated the ball through the goalie and the goal post, giving the Blues the second goal. The rain didn't stop the rhythm and the tempo of the game. East Meadow scored on a good layout, but Dwayne Beard, the bomber of the last three games, caught a pass from Kevin Anglin finding himself alone before the goal; he moves the ball to the right side of the two posts, inviting the goalie to follow him, generously inserting the ball on the left side, giving a final score of 3 to 1 in favor of Hicksville Blue. (Coach A. Lozito)

Fifth Shutout

Mitchell's Mighty Middets chalked up their fifth shutout of the year against Glen Cove last week. Johnny Mitchell and A. Pepi at the wing positions demonstrated how to cross the ball in front of the opponents net for scores by John McCann & A. Coiro. Bobby Stenborg was in the net for the first time this year & played exceptional. Bobby Andrus completely controlled the mid-field & the Dolan-Mike Andrus-Cahalan-Fletcher defensive unit helped preserve

Bicentennial Ball Report

The Hicksville Bicentennial Ball Committee reports that tickets for colorful dance planned for May 21 will go on sale to the general public on May 1st. The sale has been proceeding in two stages. Tickets were distributed initially during April, among Hicksville's sixty-odd community groups. "This ball is an effort to bring all sorts of Hicksvillians together for a night of fun and congeniality in honor of nation's 200th years of independence," Cochairman Richard Evers believes.

Bicentennial tickets are selling for \$7.50 per person, a price which includes music by Joe Testa and his orchestra, a cold buffet at each table and beer. Setups will be provided for persons electing to bring preferred liquor from home.

The dance is generating considerable excitement since a large cross-section of Hicksville's people have an opportunity to get tickets.

Dancing will take place from 9 P. M. to 1 A. M. on the largest non-public dance floor in Hicksville, that of the St. Ignatius Loyola Old School Hall, which has graciously

been donated by the Parish Council and Pastor Frederick Herrer.

Costumes reflecting all eras of American history will certainly be in order but are optional, according to the Ball Committee. Prizes will be offered for the best

and most unusual costumes, and a procession of Bicentennial revelers in costume will open the ball.

Tickets may be obtained by calling Ticket Chairman Myrtle O'Toole at 433-8148 or at the Gregory Museum, Heitz Place, Hicksville, 822-7505.

Dear Friends. . .

HICKSVILLE IS FORTUNATE in that we have two fine community leaders willing to serve as Library Trustee. Clara Bennett and Sieggie Widder are both running for the seat on the Board of Trustees of the Hicksville Library made vacant when Mr. Joseph McCarthy decided not to run. The qualifications and backgrounds of both candidates have been made known to you in our "Letters To The Editor" column in the past weeks. We feel they are both highly qualified and at this point I sincerely wish that there were two seats available on this august Board. However, as is our custom, we will bring you as much information as possible about both the candidates and the library budget which you will also be voting on. How you vote of course, is up to you. Tuesday, May 11 is the election and budget vote, at your local polling place. Under recent changes in our election law, if you are registered in the General Election, you need not register again to vote in this election. However, if you are not registered, you may do so on May 5th from noon to 8 p.m. at the local election districts.

ONE OF THE MOST INTERESTING AND INFORMATIVE parts of our monthly Hicksville Community Council meetings is when TOB Councilman Warren Doolittle makes announcements and answers questions from the audience. Naturally this is always about Hicksville, and we notice that if our Councilman does not happen to have answers to questions from the audience he always follows them up and, as soon as answers are available, make them known both to the questioner and those present at following Council meetings. We commend Mr. Doolittle for this continuing interest and service to our community. By the way, the May meeting of the Hicksville Community Council is set for Thursday, May 6th starting at 8:30 p.m. at the Hicksville Library. See article on page one of our Hicksville edition for details. We know there will be a discussion of the proposed School District budget, but there is always much more than the formal program at his lively meetings which concern all aspects of our community. Why not join us?

YOU'LL BE PLEASED to hear that negotiations are presently going on to provide more parking near the Hicksville Post Office. Also, in the very near future a legal left turn will be installed at this active Post Office's front entrance.

HICKSVILLE resident Morton Estrin, a great concert pianist, recording artist and teacher, has a concert scheduled for Saturday afternoon, May 8, at 2:30 at the Alice Tully Hall at Lincoln Center. You may obtain tickets at the Box Office or write: Alice Tully Hall Box Office, Broadway at 65th St., N.Y. NY 10023. For mail orders they ask that you include a self addressed stamped envelope. Mr. Estrin's program will include selections from Brahms, Rubinstein, Durand, Sinding, Poldini, Reinhold, Berlioz-Liszt and Kupferman.

BEST WISHES FOR SUCCESS in their new business, to our friends John and Anne Manic, whose new shop will open tomorrow, April 30th, as part of the grand opening of Nassau County's newest mini-mall and entertainment center, San Francisco East, 3276 Hempstead Tpke., in Levittown, across Jerusalem Ave. (Gardiners Ave.) from Times Square and diagonally across from Henshaw's Furniture. San Francisco East will open to the public at 6 p.m. on April 30th and you are all invited to attend.

That's all for this week. Stay well and remember the latest saying of our favorite economist: "Inflation is the price we pay for those government benefits everybody thought were free."

Letters To The Editor

Dear Mrs. Noeth:
I should like to clarify in toto, not out of context, the status of the condemnation proceeding initiated by the board of commissioners of the Hicksville Fire District. Said condemnation is to acquire land, purchased in 1896, with great foresight by William Braun, my grandfather, to provide access to his, then my fathers and, now, my property on Broadway.

I have, through my attorney, sent letters to the Attorney General, the Board of Fire Commissioners, and the Board, requesting an opportunity to negotiate this matter on the following dates: March 26, 1975; December 1, 1975; February 18, 1976; February 25, 1976 and March 9, 1976.

To date, these offers have neither been accepted nor have they been acknowledged.

Mr. Warren Doolittle has been in contact with me both personally and in several telephone conversations. He Supervisor John Burke and Deputy Town Attorney Styne have taken the time from their duties to inspect the area in question. They are interested third parties. As I explained to them, the fifteen foot easement to the rear of my property proffered by the said board, is over property I presently own, but subject to their condemnation. Were it usable and practical as an access, I would have so petitioned The M.T.A. for a curb cut years ago. In the professional judgment of representatives from The Amalgamated Meat Cutters' Union and the Teamsters' Union, whose drivers make deliveries and pick-ups at the rear of the Broadway Retail Stores in question. The lack of turning radius, restricted by the angle and width of the MTA right-of-way and the width of the easement precluded access by their trucks. Therefore access by easement from that point is unacceptable simply because of its inadequacy.

Contrary to the letter of George Frey, secretary to The Board of Fire Commissioner, which was printed last week, I did offer a compromise, an alternative, and it was amiable. This was stated verbally to Mr. Doolittle, to Mr. Burke, to Mr. Styne, and previous to that to the Board themselves on the night of the hearing, on January 20, 1976. I offered to convey subject property to said Board, precluding any condemnation, in return for which, in addition to the cost of the land, I wanted an easement from East Marie Street, to be located at their discretion and pleasure. This has been flatly refused by said Board.

I question, then, who is it that will accept no compromise, and who is responsible for the impasse?

There are presently four residential and three commercial tenants, for whom I am required

to provide off-street parking, either by lease or ordinance. In accordance with the directives set forth by the Nassau County Board of Health and for personal esthetic reasons, I do not curb my garbage, it is containerized and picked up by a private sanitation firm in the rear. By contract, meat deliveries will not be made, except from a legal parking area not more than twenty-five feet from my door. As you can see, loss of rear yard access will create many problems - for me and for Broadway. There are more problems than have been mentioned, not the least of which is loss of income from Real Estate and four different businesses.

The solution is so simple - The easement from Marie Street - controlled during emergencies or programmed activities by the Fire Department itself, by any of a number of traffic controls, electric gates, lights and infintum.

If I am to be landlocked, by condemnation, on two of the frontages which I own, and upon which I have paid premium taxes (according to a letter on file from Nassau County Board of Assessors), I leave it to the readers as to which party is adamant, capricious, uncompromising and perhaps vindictive. On with the condemnation and its consequences.

Thank you for allowing me to express the many facets of the problem.

I am,
Respectfully Yours
Thomas W Braun

Dear Mrs. Noeth:
This past Friday evening, we again had the privilege of attending another one of the Hicksville Public Library's cultural programs. This delightful evening's entertainment was just another example of the outstanding services provided by our Library for the benefit of the citizens of Hicksville.

As a candidate for the vacated seat on the Library Board of Trustees, I strongly suggest that the residents of Hicksville study the proposed Budget which is being presented to the voters for approval on May 11, and make their decision to allow the Library to continue to provide us with the many literary, educational and cultural services it makes available to the people of Hicksville.

My background qualifies me to serve as a Trustee of the Library Board. Before coming to Hicksville in 1953, I served on the Church Council of Redeemer Lutheran Church, St. Albans. While working for IBM, prior to my retirement, I served as vice president of the World Headquarters IBM Club, treasurer and president of the Board of Governors of the IBM Country Club in Sands Point, and

president of the Downtown N.Y. IBM Club. In Hicksville, I served as vice president and financial secretary of the Church Council at Trinity Lutheran Church, as well as assistant treasurer and recording secretary of the Board of Trustees. When Long Island Lutheran High School was organized, I was privileged to serve as an incorporator. In Scouting, I worked with the District Organization and Extension Committee. I was appointed to the Executive Committee of the Protestant Relationship Committee for Nassau County Council. For the past five years, I have served as chairman of the Nassau County Lutheran Committee on Scouting. In the community, I have served as president of the Hicksville Community Council and chairman of the Policy Committee of the Gregory Museum Board of Trustees.

With this variety of experience in decision making positions, I feel that I am qualified to sit in on Board meetings, to listen to discussions and proposals, and be able to amek decisions as to what will be best for the continued progress of our Library. Your support will be appreciated.

Sincerely,
Siegfried R. Widder

To the Editor:

In May of 1975, the school board and the Hicksville Congress of Teachers (HCT) entered into a three year extension of the teacher's contract. That contract extension was a "sell-out" to the teacher's union and a "rip-off" of the Hicksville taxpayer.

The contract locked-in the teaching staff at 577 teachers. While the school board could add teachers (and it has added 17) it could not reduce the number of teachers below 577 without HCT approval. A total of 594 teachers is being maintained on the payroll in the current 1975-76 school year despite a drop in school population of about 300 from the last school year. This means the school district is carrying 10 extra teachers on the payroll at a cost of about \$175,000 - a needless waste of taxpayer's money. But even worse, the school population will decrease by about 400 in each of the remaining years of the teachers contract. Thus the district will be carrying 24 extra teachers in the 1976-77 school year at a cost of \$426,720 - another needless waste of taxpayer money. For the third year of the contract the district will be carrying 37 extra teachers at a cost to the district of \$657,880. As a result, the contract extension will for extra teachers cost us the grand total of 1.26 million dollars for wages and fringes alone. But that sum does not include the provisions for increases in teacher pay.

The contract extension affirmed the raises granted teachers in the current school year (1975-76). The raises went from \$650 for the lowest paid teacher to \$2031 for the highest paid teacher with the average salary now over \$20,000 per year. This brings the cost for each teacher to over \$25,000 per year for salary and fringe benefits. In the 1976-77 school year, another \$200,000 will be added to the total pay package which will bring about like type raises, and possibly again in the 1977-78 school year. At this point it should be emphasized that:

1. The average cost per teacher includes only teacher's salary and fringes for a 6.5 hour work day for an average 182 days work in a 10 month work year. It does not include any of the

Hicksville Kiwanis Honors West German Soccer Team

On Wednesday afternoon, April 21, the membership of the Kiwanis Club of Hicksville, Inc. had as their guests for lunch the entire delegation of soccer players and adult coaches from the Zweekel Soccer Club of West Germany. These West Germans along with various representatives from the Hicksville Americans Soccer Club attended the regular weekly luncheon meeting of the Hicksville Kiwanis Club held at the Milleridge Inn, Jericho.

The Hicksville Kiwanis Club presented a plaque to Mr. Ulrich Simon, President of Youth Activities, on behalf of the Zweekel Soccer Club. This award was given to this soccer club in honor of their visit to Hicksville to compete against the 16 yr.-19 yr. old soccer team presently sponsored by Kiwanis.

The inscription on this plaque read as follows: "The Hicksville Kiwanis Club honors the Zweekel Soccer Club of West Germany. Hicksville Kiwanis supports positive youth activities. Our motto is 'We Build.' We support International Brotherhood and World Peace Presented April 21, 1976 Hicksville, N.Y. U.S.A."

The Kiwanis Club of Hicksville hosted this luncheon to honor these West Germans for several significant reasons. First of all, the club wanted to show these visiting Europeans that American business and professional men took an active interest in promoting constructive activities for American youngsters. Furthermore, Hicksville Kiwanians wanted to leave a very lasting impression in the minds of these West Germans regarding Americans' desire for warmer international relations, peace and brotherhood among all mankind on the earth. Finally, the Hicksville Kiwanis Club felt that having these West Germans as their luncheon guests at the historic Milleridge Inn would be a

From left to right are: Mr. Willi Tiehoff, coach of the older German soccer team; Mr. Werner Richel, Vice-President of the Club and Secretary of Protocol; Mr. Bill Cresham, representative of the Hicksville Americans Soccer Club; Mr. Ulrich Simon, President of Youth-Zweekel Soccer Club; Mr. Frank Schnoor, coach of Kiwanis-sponsored soccer team; Mr. Russell Coniglio, president of the Hicksville Kiwanis Club; and Mr. Harvey Kolin, Kiwanis V.P. very appropriate endeavor considering that their visit comes during a time when America celebrates its own bicentennial.

The Hicksville Kiwanis Club also arranged to have Assemblyman Lewis Yevoli present an award to the Zweekel Soccer Club on behalf of the New York State Assembly. Assemblyman Yevoli congratulated both the Zweekel and Hicksville Americans Soccer Clubs for their efforts to promote youth activities which stressed sportsmanship, friendship, and improved relationships between people of different nations. He concluded his remarks by praising Hicksville Kiwanians for their financial and moral support of these youth groups.

The history of the Hicksville Kiwanis Club along with a brief description of its members' diverse occupations was presented to these visiting

German and American soccer guests by Kiwanian John Maniec.

Mr. Maniec stressed that his club continued to support the Hicksville Americans Soccer Club because they have developed a very active, positive athletic program which not only kept youngsters involved for at least ten months a year but also gave them numerous opportunities to mingle with and get to know youngsters and adults from other nations. This type of association with people of different nations could only enhance the world's chances for lasting peace and international friendship.

The Kiwanis Club of Hicksville is deeply committed to support all endeavors which not only keep American youngsters out of trouble but which strengthen America's image throughout the world, as a country with friendly, compassionate citizens.

Soccer Club Bids "Auf Weidersein"

By Christine and Ray Cahalan

The Soccer Club bid "Auf Weidersein" to their new German friends, 29 soccer players and 7 adults. Their departure for home from Kennedy Airport marked the end of a week of frantic activity.

Upon their arrival last Saturday from Philadelphia, the Zweekel Soccer Club dispersed to various homes in Hicksville, resting and eating before being taken to the Navy - Hofstra Lacrosse game at Hofstra Stadium.

On Easter Sunday, teams from Rockville Center, N. Babylon, Bricktown, N.J. and Hicksville joined the visitors on the Grumman fields. The record breaking temperatures encouraged a mid-season quality of play as Zweekel illustrated the high level of European sport.

Our Kiwanis sponsored Juniors swept their division in the mini-tournament, undefeated, under the direction of Frank Schnurr. The AOH Juniors did the same thing in their division, guided by Coach Harry Habersaat. The Hicksville Blue Juniors fared less well but did make a great showing in their defeat of Bricktown. Coach Angelo Luzzo can be proud of his boys. Sunday ended on a note of elation between the Club and its visitors, as the hosting parents shared Easter dinner.

A tour of N.Y.C. was scheduled for Monday. The weather was

perfect for sightseeing, and our visitors made the most of it.

The Town of Oyster Bay made an outstanding effort on Tuesday to help make our guests welcome. Supervisor John Burke delivered a Proclamation of welcome, crowning the combined efforts of

Hicksville's Councilman Warren Doolittle, Public Relations Director Leslie Tombs, and interpreter Juergen Weterling.

At 4:30 P.M. Tuesday, April 20, the two Clubs presented an

Local Pythians Honor Jack Rudinsky

Commuter Lodge No. 833, Knights of Pythias, has announced that it has bestowed the highest of Pythian honors - initiation into the rank of Knight of the Golden Spur - on Jack Rudinsky of Plainview.

The honor is a well-deserved one. Jack Rudinsky's years of dedicated service to the Pythian Order speak for themselves. In 1961 - 1962 he was one of the first Chancellor - Commanders of Commuter Lodge. He subsequently served for five years as Treasurer of the 15th Pythian District, and in 1970 was elected Deputy Grand Chancellor of the

Jack Rudinsky

New York State Pythian Order. He has chaired various New York

State Grand Lodge committees over the years, including the Membership Committee and the Youth Committee.

Through all his activities in the State-wide organization, Jack has always found time to work with Commuter Lodge, most recently serving as its Altruistic Chairman.

Jack Rudinsky is only the fourth member of Commuter Lodge to have been so honored. He has truly earned congratulations and a hearty "well done" from his pythian brothers.

Romney, distinguished in business, in church work and in the political field; three times Governor of Michigan and a former Secretary of Housing and Urban Development, will examine the alternatives facing the United States in this Bicentennial Year of reflection and general reassessment in a presentation entitled "Which Way America?" at the Plainview Stake Center of the Church of Jesus Christ of Latter-day Saints (Mormons) on Thursday, May 6th at 8 P.M.

President Charles E. Neaman of Plainview Stake urges all Long Islanders to take advantage of the opportunity to hear Mr. Romney in this exclusive metropolitan area appearance. SOCCER NEWS

(Continued from Page 2) the shutout making the K of C Midgets 6 & 1 in league play.

Girls Win

The Juvenile Girls (under 16) rolled to their 6th win in 7 league games with a convincing 3-0 win over the Northport Barracudas. Patty Conway scored twice & Patty Decker once with a great deal of help on the front line by Karen Kolovich & Karen Jung. The mid-field & defensive area was completely controlled by Mary Flynn, Michelle Brill & Shauna Leidle. The Dolans - Kathy, Karen & Theresa helped preserve the girls' 4th shutout. This team is sponsored by the HICKSVILLE Benevolent & Protective Order of Elks.

Hicksville Wins

On Saturday, April 24, the Hicksville A.O.H. sponsored juveniles travelled to Metropolitan Oval in Queens to play Gottchee B.W. from the German American League in their semi-final cup game. After 80 minutes of hard soccer Hicksville came out with a 4-2 win. Goals were scored by B. Bedell (2) assisted by J. Shannon and D. Barcavage, A. Sakk and J. Joblowsk assisted by T. Cusack and G. Trubatch. Hicksville will now play North Shore for the N.Y. state finals.

On Sunday in their regular league game Hicksville A.O.H. had to play a strong North Babylon team. The final score was a 3-3 tie. T. Cusack scored

first for Hicksville assisted by M. Collins. B. Bedell was assisted by his brother Michael to score the second Hicksville goal. After trailing 3-2 with five minutes to go D. Barcavage tied the score on a beautiful free kick.

Marco Polo Boys Tie...

In their last game played this season, Marco Polo's boys team tied Massapequa 2-2. The whole team played to its fullest potential and Coach Mike Sini had much to be proud of. Hicksville had Massapequa on the run with a 2-1 lead up until the final two minutes of the game when the Mass. Tornadoes were able to score on an indirect free kick. Winger Jimmy Jianette outran the opposition's full-backs and missed many shots on goal which either went slightly wide or hit the goal post. He finally was able to bury one and center-forward Sal Musumeci scored the second goal. Full-backs Joe Mullings & Tom Luongo kept the opposition from penetrating and the middle-line kept putting the ball up to the forwards.

HELP FOR THOSE WHO ARE HELPING: On Sunday April 25th, Galileo Lodge No. 2253, Order Sons of Italy in America served refreshments to over 1200 youngsters who participated in the Walkathon for the March of Dimes. The walkers were served (see photo) by members of the Lodge and Ladies Auxiliary of the Galileo Lodge at check-point No. 3

located at 200 Levittown Parkway, Hicksville, Venerable Anthony Monteforte of the Galileo Lodge (in circle) said "it was our pleasure and privilege to serve these youngsters who marched 15 miles up to this point despite the rainy weather". The members of our Lodge and Ladies Auxiliary congratulate the walkers and appreciated the opportunity to serve them.

Bicentennial Reflections

By Dick Evers

This spring is especially delightful, with its early warmth and surge of new life, its glories of Easter and the Passover. And now, ahead, beckon the signals of the oncoming Bicentennial climax.

Yes, it is a time for one to get a table of friends together for the Bicentennial Ball on May 21st, a time to dust off the dancing slippers or even to try your hand at making a ballroom costume. We hear great reports from Steve Didier of the Flag Day Weekend Parade, June 12th. Bands and color guards and marching contingents continue to apply for a position in our mushrooming Bicentennial Parade. All sorts of patriotic floats are being prepared in garages and backyards. Creative children, youths and adults are busy with hammers, timbers and chicken wire. We'll have more on this fascinating aspect of the

community festival effort next week. Just remember, all you tinkers, you've got a railroad overpass to get under if you are ever going to reach the parade reviewing stand!

Millie Pino, lovely and dynamic Cochairman for the Hicksville Fourth of July Old-time Country Fair, reports 16 booths are shaping up so far for the Fair on the High School grounds. She and her committee expect to review applications for at least twice that number of exhibitors by community organizations. We will report shortly on the names of exhibitors whose programs, creations and wards will be seen on July 4th. Joan Eanucci of the Fair steering Committee and Prizes Chairlady is busy making prize ribbons for the categories of crafts, school projects, edible delicacies and flowers and vegetables to be entered in

display contests. Doc Richard Smith, our genial chiropractor friend, is a man of many ideas for the Old-time Fair. He reports special exhibits have been arranged, featuring displays provided by Lilco, Grumman Aviation and Bell Telephone. A Bicentennial celebrates a nation's technology as well as its political and social evolution.

At Woodland Ave.

The Woodland Avenue PTA is sponsoring a Plant Sale for Mother's Day. It will be held at the school on Thursday and Friday May 6 and 7, between 10:30 AM and 2:30 PM. There will be many varieties of house plants available at a cost of 50 cents each.

Your support will be appreciated.

High Blood Pressure Screening

Free screening for high blood pressure (hypertension) will be available at the Plainview-Old Bethpage Public Library on Sunday, May 2 from 1 to 4 P.M. Nurses will take the blood pressures. Counseling, referral and follow up are available when needed. The nurses will be from the National Council of Jewish Women which is co-sponsoring the screening.

"Having your blood pressure checked can be a life saver," Dr. John J. Dowling, Commissioner of the Nassau County Department of Health, said. "It probably was such for 33 of the people screened this past year by the Nassau County Seek and Treat Program.

"These people - including white, black, oriental and hispanic men and women, ranging in age from their 20's to their 50's - had blood pressures so high, they were on the verge of a stroke. From the screening session, they were taken for emergency treatment to the nearest hospital."

High blood pressure, even when not at emergency levels, shortens peoples lives, Dr. Dowling explained. It also often contributes to strokes, heart failure and kidney disorders. But high blood pressure can be controlled.

The Nassau County Hypertension Seek and Treat Program has screened more than 20,000 people. Over 17 per cent of them were found to have high blood pressure. Close to half of these - 44 per cent - had no prior knowledge of having the problem.

Dr. Dowling advises anyone who has not had a blood pressure test in a year to have one.

Seek and Treat is funded by a Federal grant under the Nassau-Suffolk Regional Medical Program. For additional information on the program, call any of the sponsoring agencies, the Health Department at 535-3410, Nassau Chapter American Red Cross at 747-3500 or North Shore University Hospital at 562-2684.

Children's Fair

A Children's Fair has been planned for Sunday, May 2 at the United Methodist Church, Old Country Rd. at Nelson Place from noon to 5 p.m.

All proceeds from the Fair will be given to underprivileged children.

There will be refreshments, games and gifts for Mother's Day, at bargain prices.

exhibition at Cantiague Park. Once again Hicksville played tremendous soccer as the

Kiwanis Juniors played to a 1-1 tie against Zweckel and the A O H Juveniles won their game 2-1. At half time, the A O H sponsors presented the Zweckel Juvenile counterpart of their own team with a plaque to take home as a memento. This ceremony was followed by a presentation of a Nassau County Proclamation of welcome by Joseph Driscoll, Deputy County Executive, representing Ralph Caso, County

Executive. The TV coverage of the event was capably directed by Pat Dolan of Cablevision.

During the evening the festivities continued at St. Ignatius, whose facilities were made available thru the kind offices of Father Harrer. During the buffet, countless exchanges of mementos took place. The atmosphere of comradorie was obvious to all. The parents of the Hicksville teams contributed

limitless time and energy in making the entire visit the success it was. Accolades to Bill Cresham - Tour Director. We hope our German friends remember us as fondly as we will remember them.

You won't have to pay extra for tires, brakes, and gasoline, if you avoid rushing up to red lights and stop signs when driving.

special pays that many teachers are receiving such as coaching pay, music pay, driver's education pay, grade advisor pay, and fees for work as sports event timers, photographers, and supervisors.

2. The number of teachers on the payroll will be increased in the 1976-77 school year by those needed to fill-in for teachers on sabbatical leave. As of this writing, eleven teachers with an annual salary average of \$22,400 have applied for sabbaticals. This will cost the taxpayers some 100,000 dollars.

It is my hope that the board will use its sole authority to reduce the teacher staff to that necessitated by the reduced number of students. But the board cannot, the contract extension abrogated their "sole" authority in deference to the teacher's union. Therefore it will be interesting to see how adroit the school board will be in effecting teacher reductions by the year 1980-81 when I now predict a 6500 school student population. (That was the year I previously predicted a \$25 per 100 tax rate.)

Sincerely yours,
Frank H. Willard

P.S. Eugene Edelstein, by his own words in his letter published in your paper on April 22, reflects his ignorance of "alternative budgeting" and confirms my statement that all the Budget Advisory Committee can do is agree or disagree on proposed budgeted dollars for line items. Secondly, when notified of a budget advisory committee meeting (its first), I called the committee chairman and asked if I was a committee member. He said "yes". Further query elicited the fact that I was nominated for "appointment" to the committee by a school board member. If Mr. Edelstein prefers to all that a self-appointment - he can be my guest.

"Hope to see you there," said a spokesman for this PTSA.

YM-YWHA Plan

\$3 Million Complex

The first step in the creation of a major YM & YWHA facility for Long Island was taken on April 27th in Plainview, with the signing of a contract between the United Jewish Ys of Long Island and the Plainview-Old Bethpage Board of Education for the purchase of the Fern Place Elementary School for \$750,000. The school lies on an eight and one-half acre tract located in Plainview just north of Old Country Road and one-half mile west of the Oyster Bay Expressway. It will provide the core structure of what will ultimately be a \$3 million building serving the entire mid-island area. A campaign for that sum to finance the venture is currently being organized under the leadership of Harold Leviton, President of the UJYs and Joseph Rogers, President of the Mid-Island YM & YWHA.

The contract, which was signed by Alvin Delman, Chairman of the Plainview-Old Bethpage Board of Education, and Mr. Leviton, calls for the Mid-Island Y to take over the new facility just as soon as a special permit is obtained from the Town of Oyster Bay.

After signing the contract, Mr. Delman declared that the School Board was "enormously pleased by this action. In an overwhelming referendum of 3,578 to

196 December 17th, our community expressed its acceptance of this splendid new facility.

Speaking for the UJY's, Mr. Leviton stated that "all residents of this area will welcome and use this marvelous facility. It is our hope that it will serve as a prime example of what the private sector can accomplish - without government support - on behalf of the community. People of all ages, from nursery school tots to older adults will find in this beautiful new building a full complement of activities designed to enrich their lives in every respect."

"Moreover," Mr. Leviton added, "the new structure will serve as a flagship facility; an example to the rest of Long Island of what can be accomplished when communities unite in concert to build - creating facilities far surpassing any that could be built by the individual communities alone. We call on every mid-island resident to join us in bringing this project to a speedy and successful fruition."

Present at the signing was Joseph Rogers, President of the Mid-Island Y, and Chairman of the Campaign Cabinet. He expressed his hope that use of the new school building could start some time during the coming winter and continue without

interruption during construction of the additional facilities. Martin Eglow, Chairman of the UJY Building Construction Committee, estimated that new construction would start during the Spring of 1977.

Building plans call for one of the finest facilities in the entire New York Metropolitan area. Included will be a 450 seat auditorium, two gymnasiums, 3 indoor handball courts, a squash court, nursery school, health club, an olympic size pool, 4 outdoor tennis courts, ballfields, club and craft rooms, a large Judaisca library lounge and game rooms, among other attractions. There will be a full, year-round calendar of cultural events, sports competitions and educational activities.

The United Jewish Ys is the umbrella organization providing leadership in planning, coordinating, developing and expanding Y services on Long Island to serve the substantial Jewish population of 525,000 in Nassau and 125,000 in Suffolk Counties. The organization's Executive Director is PERCY Abrams. The present Mid-Island Y has been serving the mid-island community for 20 years, and has a current membership of 1,500. It is located at 3833 Jerusalem Avenue in Seaford.

Girl Scout Bicentennial Jamboree

Rain or shine, Nassau County's 1000 Girl Scouts will converge on Eisenhower Park, East Meadow, to celebrate the country's Bicentennial with a gala "Yankee Doodle Jamboree."

The camp-out, a "first" for Nassau, is set for Saturday and Sunday, May 8 and 9, and is co-sponsored by the Nassau Council of Girl Scouts, Inc. and the County's American Revolution Bicentennial Commission, with

the cooperation of the Nassau County Department of Recreation and Parks. Numerous events of every description have been prepared by the Scouts for the entertainment of visitors, who are welcome all day Saturday until 4 p.m.

Saturday's program begins at 9 a.m. with a parade of Girl Scouts from Parking Field No. 8 to the Veterans' Memorial, where opening ceremonies will be conducted at 10 a.m. After a lively performance by the Old Bethpage village restoration's Colonial Band, the Scouts will then march along Bicentennial Drive to the area near the Field House, Parking Field No. 2, where many special displays, performances and games will

begin at 11 a.m. The events, all with a Bicentennial touch, include skits, songs, dances and even a jug band. International games, and some dating back to the Colonial era, will go on continuously, four or five at a time, throughout the day.

Commemorative patches in honor of the occasion will be on sale for 50 cents each at the Field House and at the Roller Rink area, near Parking Field No. 4, with adults and Senior Scouts wearing special arm-bands on hand all day to answer questions and expedite the many programs.

Cars parked for the day, or part of it, are required to use Parking Fields No. 1, 2 or 6.

LIBRARY MEETING (Continued from Page 1)

that only three board members were present.

Mr. Barnes further informed the Trustees that the County was contacted regarding the drainage problem on Jerusalem Ave. and they came to clean the drain. Mr. Jones feels that the drain should be lowered - that the real problem is the fact that the drain is higher than the surrounding area and the water cannot run off as a result. Mr. Barnes will once again look into this.

As regards the program for the Handicapped, Mr. Clifford Daly was contacted and he told Mr. Barnes that he felt that some money might be available from Community Development Funds and the Library might be eligible. However, there was a meeting in January, at which time requests were to be made, and the library was not made aware of it, even though communications had been sent prior to that time requesting funds. This will be looked into further.

Mrs. Bennett reported that the Friends of the Library will be preparing letters and flyers on the budget, will be conducting a plant sale in May and will work with the Independent Art Society on their Art show in October. As regards the handicapped "drive"

at the request of the Friends Mr. Barnes will look into the cost of a ramp leading to the fiction room and see whether this might be done as a first step to improving the facilities for usage by the handicapped. Mrs. Bennett also raised the question of whether or not the Library had not only a moral, but a legal obligation, as a public building, to correct their facilities within a given number of years. Mr. Sam Sheiner, the architect who conducted the survey of the Library, will be contacted in this regard.

Mr. Barnes informed the trustees that the Library will have a Float in the Bicentennial Parade, as well as a booth in the Fair.

Mr. Jones brought up the fact that when visiting the Library on a Friday evening, it did not appear to have many people present. Therefore, a survey will be conducted as to usage of the Library on Fridays from 6 P.M. to 9 P.M., with a thought to eliminating Friday hours if usage does not merit remaining open. This will be brought up again after a survey is conducted for a few months.

There being no further business, the meeting was adjourned at 9:04 P.M.
