## Storm Hits Local Area 24 Alarms For Fire Dept.

By Ex-Capt. Owen Magee

Tuesday, June 1, started out O.K. but dark skies around 5 p.m. signaled an approaching thunder storm, accompanied by winds approaching tornado strength.

In 6 1/2 hours, Hicksville firemen responded to over 24 alarms. The first alarm came in shortly after 5 p.m. Dispatcher Walter Telender received a request for help at 17 Croyden Lane. As that call came in another came in on top of it for a fire on Barry Dr. While the Fire Dept. was enroute to these alarms, the storm hit the local area. Many residents said it was a tornado. The storm touched down in Westbury, then struck Hicksville, south of Old Country Rd., proceeded southeast and destroyed many buildings in its path.

Responding apparatus reported very bad road conditions and blinding rains. Upon arrival at Croyden Lane, Vamps found trees torn from the ground and strewn about the street. Tool sheds and swimming pools were gone. Many homes were damaged. Power lines, utility pole were downed. The worst incident occurred at 5:25 p.m. across the the Allied Shopping Center on Jerusalem Ave. The twister touched down here and tore the roof off the Carvel Stand and severely damaged the

Minuteman Cleaners and a Doctor's office nearby.

Two weeks ago, a fire damaged a garage at 12 Winding Rd. The cause was arson. The garage, just behind the shopping center was rebuilt and now it stands no more. The twister leveled it. One 28 year old man suffered a severe cut on the wrist from flying glass and was transported by Jericho Fire Dept. ambulance to Central General Hospital. Jericho Firemen also came into Hicksville and kept one engine on stand-by as Hicksville equipment went from call to call.

A gas leak in the Allied Shops forced Vamps to cut off gas supplies to the stores and break out windows to disperse the gas. Hicksville firemen were kept on duty till 10:30 p.m. answering downed or burning power lines.

Fire Report

Hicksville Firemen responded to 61 fire calls during the past two weeks, May 18 through June 1. There were 15 rescue calls, 40 fire calls, and 6 malicious false alarms. False alarms were received from the following locations: Jr. High School; W. Marie St. Center; Jerusalem Ave. and Walnut Lane; Sr. High School; Duffy Ave. and Suggs Lane; and Nicholai St. and Morgan St.

## Lent Seeks Federal Aid

In the wake of Tuesday's freak wind storm which knocked down at least one store and factory, tore the roofs off several others, uprooted trees, overturned a garage and ripped a path of destruction through central Nassau County, Congressman Norman F. Lent called on Governor Hugh L. Carey to investigate and declare the area a disaster area so it could qualify for state and federal aid.

"In order to qualify for help from the Federal Disaster Assistance Administration," Lent explained, "the governor of the state must certify that the affected area is a disaster area and ask for federal help."

Chief James Huttie of the Hicksville Fire Department estimated that, "Better than 200 houses were damaged in one way or the other." This is in addition to the ice cream store on Jerusalem Avenue in Hicksville which was destroyed by the storm. Extensive damage was also incurred by two shopping centers, one in Hicksville and one in Bethpage, and to Beigh Iron Works on the Hicksville-Bethpage border, the area most

affected ran from Westbury to Bethpage.

Lent praised the dedicated people who worked through the night to restore services knocked out by the storm. The Oyster Bay Highway Department worked till 1:00 A.M. to clean up after the storm hit during the evening rush hour on Tuesday, June 1st. The Hicksville Fire Department answered two dozen storm-related alarms in the same period, and many other people were also involved.

"Miraculously," Lent said, "nobody was killed by this storm. Property damage was widespread and now is the time for government to move in and help restore the homes and businesses of those citizens who suffered from this destructive storm."

Lent sent a telegram to Governor Carey, urging immediate action to provide relief to those whose homes and businesses have been damaged. Lent was also in touch with the Deputy Director of Civil Defense, in Albany, who promised a quick response from the Governor's office.

**LAST TUESDAY'S HERALD** by Robert Berkowitz, one can see just a small part of the extensive damage which occurred throughout the community.

The top picture is the roof of the Carvel Ice Cream building which was blown 200 feet to the rear

into a vacant lot. Had it been blown 75 feet further it would have hit homes in the area. The center picture shows what is left of the front of the Carvel building. The lower picture needs no explanation, and was repeated many times in this devastated area.

### Wins Letter

Bill Bartholomae, a junior at State University of New York at Albany and a 1973 graduate of JFK High School in PLAINVIEW, has been awarded a varsity lacrosse letter by coach Bill Fowler.

Bartholomae, a psychology major, has played midfield for the Great Danes squad for three years.

The 5'9", 140 pounder was one of the top scorers for the Danes with 13 points, 11 goals and two assists. He was also among the top five in corraling ground balls with 63. For his offensive work against Rochester Institute and C. W. Post he was voted the coaches' offensive award. Albany split the two games, defeating R.I.T. 5-2 with three Bartholomae goals and losing to Post 12-6. In the 18-1 shelling of Hartwick College, Bartholomae was presented with the team's Hustler Award.

In addition to his participation in intercollegiate athletics, Bartholomae, son of Mr. and Mrs. William Bartholomae of 32 Lark Avenue, OLD BETHPAGE, has been named to the Dean's List for scholastic achievement

## GPCA Dinner Dance

The Greater Plainview Community Association's Second Annual Dinner Dance - held on Friday evening, May 21 at the Huntington Town House - was indeed a night to remember.

It will be remembered most by Plainview Baseball Association President Irwin Zolotorof, recipient of GPCA's 1976 "Citizen of the Year" Award. The award was formally presented to Irwin by Congressman Jerome Ambro. In addition to the handsome plaque from GPCA, Irwin also received a certificate in honor of the occasion from Assemblyman Lewis J. Yevoli and a Citation from the Town of Oyster Bay - presented by Councilman Salvatore Mosca. (Councilman Mosca was also most expressive in his praise of GPCA for its vigorous efforts and substantial accomplishments on behalf of the Plainview community.)

Other dignitaries on hand to do honor both to Mr. Zolotorof and to GPCA included State Senator Owen Johnson, Oyster Bay Town Clerk Ann Ocker, Deputy County Parks Commissioner (and for-

mer Town Councilman) Ed Ocker, Oyster Bay Director of Legislative Affairs John Bogut, Plainview-Old Bethpage School Board President Al Delman, and Plainview-Old Bethpage Youth Council President Mike Weissman.

GPCA President Paul Eisenstein also presented two "surprise" awards in recognition of outstanding service to the Association - to Membership Chairwoman Elaine Sandler and Newsletter Editor Susan Polansky.

Formal presentations notwithstanding - there was still plenty of time for the cocktail party, buffet, sit-down dinner and dancing to the music of Bob Weiner's Band (featuring Las Vegas personality Aaron Jack).

"A tremendous vote of thanks is due to everyone who worked so hard to make the Dinner Dance a success - most of all to Carol Eisenstein and Lillian Feigenbaum, who coordinated the evening, and to Fran Levinson for her outstanding artwork," said a GPCA spokesman.

# Dear Friends...

We thought it was March that comes in like a lion and goes out like a lamb. But in this Bicentennial Year, in Hicksville at least, June seems to be usurping that well-known tradition. Last Tuesday's storm, squal, hurricane or tornado, whichever the weather dept. decides to call it, has done a tremendous amount of damage to the southwest areas of Hicksville. It is fortunate, of course, that no one was injured... but the damage to hundreds of homes, some cars and businesses is astronomical. Robert Berkowitz' pictures of some of the disaster area, will give you an idea of what happened throughout that section of Hicksville. Cong. Lent has requested Gov. Carey to declare the area a disaster area.

Speaking of Robert Berkowitz, whose pictures are well known to you, we inadvertently omitted his credit line under those great pictures of our 1976 Bicentennial Ball last week. Bob did his usual great job of photographing this historic local event.

This week, in an editorial THE HERALD has come out in favor of the Plainview-Old Bethpage budget, which will be voted upon on June 9th. All school districts are beset with problems including a declining school population combined with the same inflationary cost problems known to all of us. We feel that this is a realistic budget. The only ones objecting to it, at least at Board meetings, are those who want it to go higher. This is not realistic in today's economy. Whether or not you agree with us, Plainview-Old Bethpage taxpayers don't forget to vote on June 9th.

Speaking of school expenses, partial reimbursement to our local school districts, covering part of last year's BOCES expenses paid at that time by our districts are: Hicksville, which received \$320,283.75 and Plainview-Old Bethpage which received \$103,695.00.

A word to those who are watching for their news in our ON THE CAMPUS column. Every year at this time we have a tremendous number of items for this column. We have them all set and use as many as there is room for each week, continuing until we use all items which are sent to us. This usually takes well into July, but we always use all items received.

That's all for this week. Stay well and enjoy the beautiful June weather.

## Bicentennial Camporee

The Great Bear District, which consists of the towns of Hicksville and Levittown, will hold a Bicentennial Camporee on June 4, 5, 6 at Camp Wauwepex, Wading River, Long Island, and it promises to be the highlight of the 1975-1976 Scout Year.

Many of the 28 troops of the district have signed up for this event which features inter-patrol competition in Scout skills consisting of Hobo-stove cooking, flint and steel firebuilding, rope making, knot tying, compass skills, survival shelters, first aid and emergency preparedness. Patrols of the troops will compete against time and be awarded with Patrol ribbons of blue, red or white depending upon their

proficiency in each event.

A certificate of participation and a camporee patch will be awarded each Scout and Scouter for his attendance and scout mugs will be available for purchase at the completion of the Camporee. Scout participation is stressed, rather than troop performance in skill events and judging will be by adult volunteers from all units of the district.

Troop council fires will be held Saturday night where patrols will demonstrate their best skits, songs, games and stories for the enjoyment of the whole troop. The closing ceremony for this camporee will be at 11:00 a.m. Sunday morning.

## Plan Aug. 11 Showboat Trip

# Letters To The Editor

**Dear Mrs. Noeth,**  
As a 16 year resident taxpayer of Hicksville. I have seen our taxes go up year after year. This year, I was very pleased to see a "No Growth in Dollars" Budget. I realize this can only be accomplished by what Dr. Hill calls "belt tightening".

Many people are expressing concern over the fact that eligibility for riding school buses is to be increased by one-half mile in the secondary schools. This is by no means a cut in our educational services. I would much rather see my children walking to school and being able to avail themselves of our present instructional programs and services. Incidentally, one of my children will be affected by this cut in transportation.

Do you realize what a no vote on June 23rd will mean? Not only will many of our secondary school children be walking, but almost all our primary school children will walk. This is only minor compared to the cuts in education and elimination of extra-curricular activities mandated by an austerity budget.

If the Board of Education can find the amount needed to maintain our present transportation policy in the 1976-77 budget, without sacrificing education, I personally, am all for it. Since it is too late to add a transportation proposition into the budget, I urge you to vote YES on the budget on June 23rd. For those who feel strongly about the transportation, you can still petition the board for a separate referendum before school opens.

This year I am serving as president of the East St. PTA. However, the above remarks are mine alone and not those of the East St. PTA.

Sincerely,  
Norma Goerke

**To The Editor:**  
STATEMENT ON THE BICENTENNIAL GOD BLESS AMERICA FESTIVAL.

On Wednesday, May 26, 1976, I withdrew permission to use my name in conjunction with the Bicentennial God Bless America Festival.

I have participated in many bicentennial programs in and around my district, and I assumed this was to be a similar patriotic observance of our nation's 200th birthday. In the interim, I have learned that the festival planned for June 1 in Yankee Stadium is not authorized by the Federal American Revolution Administration as I had been led to believe.

I emphatically do not endorse the Moon Church.

Owen H. Johnson  
N. Y. State Senate

**To The Editor.**

In the 1950's and 60's, school could not be built fast enough to handle the annual influx of students, today, many of these structures are millstones around the necks of school boards and taxpayers. Then, it was a mad race to keep up with the population explosion. Later, community development stabilized and population growth levelled off, but another change in the population was occurring, it wasn't getting larger, but it was growing older. As one local educator has put it, "Our baby-boom children are graduating and the parents are staying put."

This trend is expected to continue in Nassau County, according to its Planning Commission, with school enrollments expected to decline 39 percent by 1985 and more school buildings becoming surplus each year.

The Town has been working closely with a number of our school districts to develop a feasible solution to this increasingly serious problem. Some districts have opted for the

sale of unused buildings and property. This not only produces a capital gain for the school district, but also puts the property back on the tax rolls.

The negative aspect of outright sale is that the building and property are irrevocably lost in the event that there is a reversal in the population trend and an increase in school enrollment.

An alternative is the leasing of such properties, which allows the communities to retain control while generating additional revenue for education purposes. However, difficulties have been experienced in obtaining the capital to convert these buildings to other uses. Relief could be forthcoming if Congress passes the Surplus School Conservation Act recently co-introduced by Congressman Norman Lent.

This will authorize the Secretary of Housing and Urban Development to award grants to communities to pay up to 80 percent of the costs for renovating leased school buildings in the fields of education and public services, such as senior citizen centers, vocational schools, or recreational centers.

The decision to sell, lease or otherwise cope with the problem of currently surplus school properties must properly be determined by local school officials and their constituents.

The Town will continue to provide meaningful and reasoned involvement in meeting the challenges now prevalent in a number of its school communities.

## Bicentennial Reflections

By Richard Evers

The Bicentennial Ball and yesterday's large Memorial Day Parade continued to bring many of our people together in this year of recollection and celebration in Hicksville. Prominent as speakers at the Memorial Day services at the High School were Judge Warren Doolittle and Miss Barbara Asam of the Senior Class. Both stressed the "positive", extolling this land as blessed with a democracy and good life dearly won by the sacrifices of countless patriots.

By this time, Bicentennial Parade Chairman Steve Didier and his committee have met and put the final touches on the great procession shining on for Hicksville's Flag Day weekend. The Bicentennial Parade marchers consisting of over twenty bands, numerous color guards, floats, military units will form at 9 A.M. on June 12th. Assembly points are West Nicholai and West Cherry Streets, between Jerusalem Avenue and Division Avenue. The great parade will proceed along Old Country Road, north on Broadway and past the reviewing stand south of Sears, where among the reviewing dignitaries will be Senator James Buckley and Congressman Norman Lent. The Parade will climax at the Mid-Island Plaza main entrance area, where a Flag Day ceremony will take place. Chairman Didier invites all of Hicksville's people whether members of a marching organization or not, to get into the line of march in a demonstration

of affection and loyalty to the nation in their Bicentennial year.

We hear exciting news about the Bicentennial Old-time Country Fair being organized for July 4th. The festivities will begin about noon at the High School playing field with a formal ceremony. Pageantry, music, patriotic recitations and an address by Congressman Norman Lent will be among the time-honored "openers" for our Glorious Fourth.

It is exciting to hear of the plans for the Old-time Fair being organized by Co-chairmen Millie Pino, Dr. Richard Smith, Joan Eannucci and Activities and Music Chairman Carol Skupeen. All sorts of exhibits and booths will lure the crowds while entertainment and fun events will reign throughout the fair grounds from 1 P.M. until dusk.

Among the features of the day-long festivity will be a rock band for young folks, an archery demonstration by the Long Island Bowmen, dance music in the early evening by the Jazz Quintet of Hicksville, fun-races for the youngsters, strongmen and acrobats and exhibit judging and prizes, to mention some of the events planned. The Fair Committee promises a special Bicentennial thrill for the Hicksville as tentative plans materialize.

Now for the bad news. The inevitable question of finances rears its ugly head. The Fair Committee has been appealing to local professional and business men to help defray the costs of insurance and incorporation fees. Recently appointed Judge Doolittle in his last action as a practicing attorney donated his services in helping the Hicksville Bicentennial Committee become incorporated. Community individuals, commercial leaders and community groups who would like to help with contribution to the Bicentennial Fair Committee's projects may make checks payable to the Hicksville Bicentennial Committee, Inc. and forward them to Mrs. Millie Pino 171 6th Street, Hicksville.

Hicksville Firemen provided mutual aid assistance to the Jericho Fire Dept. on May 29 at 9:33 p.m. One engine was sent to stand-by while Jericho battled a house fire. Jericho Firemen, during the past week, have provided mutual aid assistance for ambulance service while the Hicksville ambulance is out for repairs. Hicksville almost lost the ambulance during the twister. The repair shop in Bethpage was slightly damaged, but many buildings around it were leveled.

Hicksville Vamps provided mutual aid to the Westbury Fire Dept. when a general alarm blaze just outside Hicksville destroyed a block-long fabric and sportswear building. The smoke rose hundreds of feet into the air. Two engine companies responded to the fire and remained there from 1:30 to 5:30 p.m. The Sunday,

May 30, alarm came in at 1:20 p.m. and Fire Dept. from Hicksville, Jericho, Carle Place, East Meadow, and Roslyn assisted Westbury Vamps. Memorial Services Held On Memorial Day, May 31, Hicksville Firemen assembled at 8 a.m. and paid honor to 4 Hicksville Firemen who died during the past year.

The ceremonies, which took place on E. Marie St., in front of the Fire Headquarters, honored Joseph Braun, John Gosinski, Paul Huckstein Sr. and John Wichmann. Department members then formed and marched down Broadway in the annual Memorial Day Parade.

## Childrens Craft Contest

Entries of grade school finalists in the Elmer's National Glue-Craft Contest will be on public display at The Bowery Savings Bank, 947 Old Country Road, Westbury, from Tuesday, June 1, through Friday, June 18. The exhibit represents craft

entries submitted in a national contest from children grades kindergarten through grade four. Entries in the contest were received from over 40,000 grade school classes in every one of the fifty states, with a finalist chosen from each state.

Each student was asked to create any glue-craft project that demonstrated his or her idea of "The Spirit of '76" - either 1776 or 1976. Entries ranged from glued together log cabins, eagles made of match sticks, Liberty Bells made of glue-dough and Betsy Ross in all sizes and shapes to dioramas of Washington Crossing the Delaware.

The Bowery, in cooperation with the Consumer Products Division, Borden Chemical, is making the exhibition possible as part of its bicentennial celebration. The Long Island tour of the exhibit represents the first time entries have been placed on public display in the contest's history. Local school groups are invited to the bank to view the entries.

Goldman Bros. beat Cotton Lillien 8-5 behind the hitting of Larry Sullivan, Dave Pietramala, and Drew Nares who all went 2 for 3, and combined to drive in 5 runs. For Cotton Lillien Kevin, and Chris Kerbs shared the pitching, Jim Stamos did most of the hitting, and Frank Bufico was sharp in the field.

Steve's American routed Circle Texaco 17-4. For Steve's American the big sticks were Frank Macchio with 3 hits, Craig Schelim with 2 hits & 4 rbi's, Vic Porcasi who went 3 for 4, Marc Domro who belted a 2 run double, and Mike Livingston who chipped in 2 rbi's. Bob Delhaye was outstanding in the field with 2 fine putouts, and Lisa Torregrossa, and Ken Higgins combined for a heads-up play at 2nd. Jim Hoosack pitched 3 scoreless innings, and only gave up 1 hit in Goldman's 13-3 romp over Marder Shell. Greg Christoforou relieved, and allowed 3 runs on 2 hits. At the plate Larry Sullivan ripped a bases loaded triple, Dan Devine had 2 hits, & 2 rbi's, and George Sotong had a 2 run single. This game was highlighted by a spectacular play when Mike Hogan (Marder Shell) lashed a triple down the third base-line, and tried to stretch it into a homerun. Left-fielder Mike Lastinends relayed to shortstop Jim Hoosack who then put a perfect peg into the glove of Dave Pietramala at the plate, the throw beat the runner by inches and Dave held on for the out.

Steve's American edged Cotton Lillien 7-6 despite some shaky pitching. Craig Schelim went 3 for 3 with 2 rbi's. Lisa Torregrossa added 2 hits to the attack, and combined with Tony Rappa to turn over a double play in the second to stop a potential rally. In a make up game Cotton Lillien downed Circle Texaco by a score of 14-5. Kevin, and Chris Kerbs split the pitching, and allowed 5 runs on 6 hits. Ron Rosenfield, and Dave Caggiano doubled in 2 runs each. Prorrevilla Javier singled in a run and Jim Stamos tripled with the bases loaded. George Maggio and Abbe Weidenfeld showed heads-up baserunning.

# Hicksville's World Champions Again "On The Go . . ."

For more than eighteen years, the girls of the St. Ignatius Girls Cadet Corps, have represented Long Island and especially Hicksville, at many competitions and parades.

In 1966, they were ranked third in the nation in a contest held in Washington D.C. They went on to win the Nassau American Legion Competitions from 1968 through 1975. In March of 1971 we were selected as the best corps at the New York City's St. Patrick Day Parade. The Corps traveled to, and performed memorably, at other events throughout New York, New Jersey, Connecticut, Massachusetts, Ohio, Pennsylvania, and Canada.

In 1974 the girls won the New York State American Legion All Girl Championship For three years in a row 1973, 1974, and

1975, our girls won the "ALL GIRL WORLD OPEN" competition in Massachusetts. August of 1975 was an outstanding month. In Brantford, Canada the girls won the Canadian International. This was never won by a U.S. Corps before. They continued on to Pennsylvania and won the Drum Corp International, sweeping the triple crown. The World Open, The Canadian International, and the

Drum Corp International. This was another feat never accomplished by any other corps.

The girls are leaving on a 17 day trip out west on June 19th and returning July 5th. Some of the stops they will make are: Indianapolis, Indiana; Junction City, Kansas; Canon City, Colorado; Glenwood Springs, Colorado; Denver, Colorado; Fort Collins, Colorado; Casper, Wyoming; Lander, Wyoming; Mitchell, South Dakota; Greenberg, Wisconsin; Cleveland, Ohio; Towanda, Pennsylvania, and Ocean City, New Jersey.

The St. Ignatius Girls Cadet Corps is entirely self-supporting and is now in the process of trying to earn \$21,000. The girls are selling candy, shirts, socks, bumper stickers, decals, and are holding card parties, and cake sales. Businesses and organizations throughout Long Island have made donations to help the girls reach their goal.

The St. Ignatius All Girl Drum and Bugle Corps is made up of girls of many different faiths.

If you would like to buy a decal, bumper sticker, or a bar of candy please send your request to the St. Ignatius Girls Cadet Corps, P.B. 421, Hicksville, New York 11802. All donations are greatly appreciated. Your donation, no matter how small, will help bring 120 girls one step closer to Colorado.

Thank you for all the support you have given us in the past and we hope you will continue to

support us in the future. Wherever the girls travel they do so in the name of Hicksville, and Long Island. Please give them the support that all their hard work and dedication deserves. Urged a spokesman for the Corps.

## Guest Speaker

A party honoring the International Hotels Corporation for its commitment to New York was held at the Plaza Hotel on Tuesday, May 25. The party was co-sponsored by United Airlines and East-West Network and featured Covington Hardee, Chairman of the Board and Chief Executive Officer of the Lincoln Savings Bank as guest speaker.

Hardee, renowned for his bank's commitment and concern for the well-being and preservation of New York City, spoke of the Lincoln's efforts to rehabilitate sound real estate to create good housing for the moderate income New Yorker via the city's "J-51" law which provides tax concessions for 10-16 years to any developers who rehabilitates a structure for housing.

The Lincoln has sponsored a wide variety of these "rehab" including Delmonicos at 502 Park Avenue which was purchased by William Zeckendorf, Jr. with the Lincoln's help. It is currently under rehabilitation and is being converted into 171 rental apartments. What was a landmark sinking into obscurity is fast becoming a landmark anew in Midtown New York.

Other exciting projects include "The Convent", built in 1881 by Dominican Sisters, now houses 92 multi-level apartments; "The Ice-Cream Factory", once the Horton Ice Cream Factory and vacant for 10 years, now is a 180 apartment building; "The Atrium", formerly the 19th century Mill Hotel and more recently the Greenwich Hotel, has been redesigned into 190 modern apartments.

Hardee told his audience, "the Lincoln is proud of New York and has absolute faith in its future. Good housing which keeps and attracts young, moderate income New Yorkers is essential to the life of the city. I urge our fellow New York lending institutions and developers to join us in this revitalization of New York."

By Marge Marcus

The May 26th School Board Meeting was started without Mr. Bruno and Mr. Lari present. Mr. Bruno was not going to be present due to personnel considerations; and Mr. Lari arrived by 9 P.M. First on the agenda was announcement of the Public Hearing of the School Budget, June 2nd at 8:15 PM in the Hicksville High School.

District policy for teacher tenure was explained in depth. A certified teacher must be with the District three years and then approval must come from at least four members of the Board. Specific personnel approval for tenure was tabled for more review.

With the publication of the new budget and what it represents there were many more people in attendance anxious to question Board positions.

A petition was circulated suggesting transportation be put on a separate referendum, instead of the planned extension of half-mile walking in the Jr. & Sr. High Schools. Board members explained that this was not possible at this time because of planned integration of budget figures. It is only at prior public budget planning sessions before June 23rd when residents requests can be met. Mr. Arena stated that the community will save \$175,000 and approximately 1500 children will be involved. Shirley Smith, President of the PTA Council, stated her opinion that the budget was a good one.

# Hicksville Woman To Be Elected B'nai Brith Treasurer

The time was just before the outbreak of World War II Hitler was at the height of his power and rampages.

B'nai Brith America's oldest and largest Jewish service organization, joined in the rescue of Jewish children from Hitler's clutches.

One of the children saved and brought to London was Margaret Heller, of Berlin, now Mrs. Kurt Goldberger, of 36 Dean St., Hicksville, L.I.

On Monday, June 7, nearly four decades later, Mrs. Goldberger will be elected as Treasurer of District No. 1 B'nai Brith Women—placing her in direct line for ultimate election as President of 50,000 members in nearly 300 Chapters spread throughout New York State and all New England states.

United Nations Ambassador William W. Scranton will be the keynote speaker before the more than 1,500 Jewish community and civic leaders from Northeast U.S. who will participate in the 124th Annual Convention of District 1 B'nai Brith at the Concord Hotel in Kiamesha Lake, N.Y., June 6-9.

David M. Blumberg, Knoxville, Tenn., International President of B'nai Brith, will join a host of other dignitaries in honoring Mrs. Goldberger and other newly elected officers at the four-day convention.

Several hundred Long Island Delegates and guests will also be there to join in the tribute.

Mrs. Goldberger's unanimous selection as a future President of the largest Women's District in the 500,000 member B'nai Brith organization will cap two decades of tireless volunteer work during which she championed B'nai Brith's wide variety of public and other services.

Her husband, Kurt, who fled from the Nazis in Vienna in the 1930s and who met and married her here in 1949, also is involved with B'nai Brith and Long Island community service groups. He is Field Services Director of District 1 B'nai Brith.

Mrs. Goldberger is involved in many community causes. She has been active in the Nassau County Mental Health Organization, the Taxpayers' Assn. for Better Schools and the Hicksville Commission on Human Rights.

She also works several days a

week at the Jewish Board of Guardians where she is a registrar for the Emotional Camp for Mentally Disturbed Children.

She previously served as Executive Vice-President of the Nassau-Suffolk Council of B'nai Brith making her the highest ranking woman officer of the organization of Long Island.

Prior to that she was president of the Central Nassau Chapter, a district chairman of the Anti-Defamation League of B'nai Brith (ADL) and active on behalf of the Jewish aged and needy in Nassau County.

She was an organizer of the Nassau-Suffolk Jewish Family Conference in 1973 and is a member of both the New York and Long Island Regional ADL Boards and of the Nassau-Suffolk Advisory Board of the B'nai

Brith Youth Organization.

She is currently Co-Chairman of the B'nai Brith Metropolitan Conference American Bicentennial Committee.

Two months ago, she was appointed by Mrs. Kaygey Kash, of Los Angeles, International President of B'nai Brith Women, as Vice-Chairman of the nationwide "Operation Stork" project -- a program through which B'nai Brith Women offer pre-natal advice and assistance to expectant mothers.

The Goldbergers have a 22-year-old daughter, Ruth, who was just graduated Phi Beta Kappa from Harpur University in Binghamton.

Despite their busy schedules, the Goldbergers manage to find some time for relaxation by attending concerts and going to the theater.

**THE FAMILY LAWYER**

*Blind Corner*

Alex dutifully halted his car at the stop sign. At that point, which was about 30 feet back from the corner, his vision of the intersection was blocked by some high bushes. Nevertheless, he moved briskly into the crossing.

Result: a collision with a car coming along the other street.

Was Alex guilty of negligence? He insisted that he was not, pointing out in a court hearing that he had brought his car to a full stop at the sign.

"That's all the law requires," he said. "I stopped, looked, and listened at the designated place."

But the court found him guilty of negligence anyhow. The court said a "blind" corner imposes an extra duty on motorists—regardless of stop signs or traffic signals—to proceed with caution.

The law does recognize, however, that caution is a matter of degree. For example:

Another man also entered an intersection that he could not see because of shrubbery. But this time, the man edged forward at a snail's pace, glancing in both directions. Even though he still got in the way of an oncoming car and caused a collision, a court ruled afterward that he could not be held legally liable.

"The law does not require the impossible," said the court. "One cannot be held guilty of negligence because he is unable to see through impenetrable objects or to bend his vision around them."

What about the responsibility for making the intersection blind in the first place? Unless a special statute so provides, the local government ordinarily cannot be held liable for this kind of hazard.

However, courts have occasionally placed the blame on a private property owner who has brought such an obstruction into existence. Liability has been based on the theory that the condition of his premises could foreseeably cause some luckless motorist, some day, to get hurt.

# "Free checking at The Bowery is different from 'free' checking at most commercial banks."

- Joe DiMaggio

Unlike most commercial banks, you can have a free Bowery checking account... **Without** a minimum balance in a savings account.

**Without** keeping a minimum balance in your checking account.

**Without** a per-check charge.

**Without** a monthly service charge.

For years many commercial banks have talked about their so-called free checking accounts.

So-called because you have to keep a minimum

balance in a savings account. A minimum which can be as high as \$1,000 at some commercial banks. Not exactly "free" checking.

When we say free checking we mean *free*. No strings attached. You don't even need a minimum balance in a savings account. But with the dividends we're paying these days, opening a Bowery savings account is a very good investment.

How much can you make? More than you can get on passbook savings at any commercial bank. Free Bowery checking, plus the highest dividends allowed on passbook savings, gives you the kind of one-stop banking no commercial bank can offer.
