Bicentennial July 4 Fair

With a grand Bicentennial ball and parade now under their belts, the leaders and workers of the Hicksville Bicentennial Committee are busy in their final drive for a festive and "Glorious Fourth" to climax three years of sustained community Bicentennial spirit.

The "booths and exhibits" committee of the Old Time Country Fair planners has announced that over thirty exhibits are in the offing for the High School grounds. The public is invited to prepare entries for competition at the Fair in the areas of floral display, early vegetables, cooking, baking, ceramics, woodwork, needlecrafts, quilting, painting.

The Fourth of July in Hicksville will mean a day of pageantry as the celebration opens with a patriotic procession around noon, a commemorative program involving high school students, music by the Nautical Cadets Band, the Junior High School "Minutemen" and the ever-popular Holy Family Players under Tom and Pegeen O'Connor. Congressman Lent will make the traditional Independence Day Oration.

The program for the afternoon at the Fair becomes more and more exciting, with music, games, exhibitions, and dancing in honor of the 200th Anniversary of America's Independence.

HAD Needs Volunteers

Help-Aid Direction (H.A.D.), a Hicksville-based youth and family counseling, drug and alcohol abuse prevention and treatment center, serving the communities of Hicksville, Plainview, Jericho and portions of neighboring areas, desperately needs the assistance of hard-working, community-minded citizens.

The H.A.D. counseling agency has suffered severe cutbacks in state funding allocations for the fiscal year beginning April 1, 1976. More than \$11,000 (representing 15 per cent of its 1975-76 budget) was cut from its annual state appropriations.

In order to maintain its high quality counseling services, the H.A.D. organization must appeal to local residents, businessmen, clubs and organizations for both financial and volunteer support.

Contributions of both money and volunteer time are desperately needed by H.A.D. All financial donations are tax deductible on your federal tax return since H.A.D. is recognized as a charity under Federal Tax Law 501(c)(3).

Volunteers are also needed to run various on-going H.A.D. fund raising, public relations, and community organization projects. H.A.D. asks that you seriously consider giving it five (5) to ten (10) hours of your time on a monthly basis.

The following committees of the H.A.D. organization need additional workers who will be adequately trained before they are asked to work:

Four Running For Two School Board Seats

Nagle-Wolfson

Hicksville School Board Trustees, THOMAS NAGLE and IRIS WOLFSON, both of whom are seeking re-election to the board present the following election platform to the district. Pointing to their accomplishments as trustees of the district they state: "Three years ago, we promised to return Reason, Fiscal Soundness and Education to Hicksville." ... We promised to work to improve the conduct of School Board meetings.

- ..Dignity has been returned and the general public heard.
- ..We promised the elimination of Friday night meetings.
- ..We promised the re-activation of the Citizens Budget Advisory and Community Relations Committee.
- ..These have been accomplished.
- ..Most of all we promised "Education not Confrontation."
- ..These are highlights of a few areas that the Board and Administration have worked together to implement:
- ..Instituted specialized reading courses for elementary teachers.
- ..Initiated and expanded learning disability classes, including 'mainstreaming' of BOCES students.
- ..Added a mini-computer (federally funded) and computer courses to the High School curriculum.
- ..Expanded career education.
- ..Updated the math and reading curriculum.
- ..Added mini-courses to a fully self-supporting Adult Education program.
- ..Provided a 0 growth expenditure budget for '76-'77 with no cuts in educational programs.
- ..As for their future goals for the district the candidates say: "We promised to continue to work towards an educational system all Hicksvillians can be proud of."

- ..We promise a continuation of quality education within sound fiscal constraints.
- ..Continued curriculum review and updating.
- ..Expansion of pupil testing to pinpoint individual strengths and weaknesses.
- ..Junior and Senior High reading centers for student with reading problems.
- ..Establishment of a Long Range Planning Committee, involving the community in organizational and physical plant planning.
- ..Continued Board attendance at School, Senior Citizen, Special Education and PTA functions.
- ..Continued community use of school buildings and grounds.
- ..Their biographical sketches follow:

Mrs. Wade Says "Thank You"

A special thank you and note of appreciation is extended by Mrs. Wade to the parents of her Kindergarten classes at the Dutch Lane School, for helping to make the recent Bicentennial celebration so successful. All the parents were very cooperative in having their children come to school each day dressed in clothes that were representative of the colonial era.

Mrs. Apgar and Mrs. Frey were responsible for the assembly and layout of the log cabin, and two huge flags which the children decorated—the cabin was decorated with paint and the flags were covered with crepe paper flowers. The huge cartons that were used were donated by Mr. Epstein.

Mrs. Greenfield supervised each child as he dipped candles, starting with a nylon wick and ending with a finished candle a la colonial days.

Mrs. Breare worked with both classes in the making of rolls, and "No cook strawberry jam" which were served to the grandparents on Grandparents Day.

Mrs. Terizan and Mrs. Sheridan worked with the children on embroidery, instructing them in the use of the cross stitch, and in sewing using the running stitch.

Mrs. Rosenfeld worked with the group on weaving red, white

Students' Murals Help to Set the Scene.

and blue pot holders on small looms.

Mrs. Hetner helped the children plant vegetable seeds in egg cartons and then later helped them to transplant these vegetables into cartons so that there would be a garden near the log cabin in the room (rather in the "Colonial Village"). She then helped the children transplant a selection of vegetables so that each child had one or two of the plants to put into his own garden at home.

Mrs. Joosten provided the farm animals, for the program, consisting of a live duck (Fonzi, by name), a rabbit, and a chicken—each in his own cage. Mrs.

Joosten and her boys brought the animals to school every morning with clean hay for the cages and fresh food, and took them home at night during the week of our celebrations.

Mrs. Bacchi, Mrs. Mc Entee, and Mrs. Mc Kenna worked very hard setting up the room so that the 1976 look was camouflaged, as much as possible, by the 1776 items for display.

The custodians were very helpful putting up the huge murals of forests and farms which the Kindergarten children had painted to help set the tone that one was truly walking into a colonial village.

Awards Dinner

I PROMISE: Hicksville's Frank Chlumsky, administers the oath of office to the Hicksville Community Council's new officers as follows: President Carole Wolf, Second Vice-

President Judge Warren Doolittle and Treasurer Cathy Steckler. Also installed were First Vice President, Steve Weinblatt and Secretary John Budnick. (Picture by Robert Berkowitz).

On Thursday evening, June 3, more than 90 community leaders, businessmen, and local citizens of the Hicksville community gathered together at the Fifth Annual Hicksville Community Council Awards Dinner. This highly entertaining affair was held in the gymnasium of Trinity Lutheran Church's Elementary School, West Nicholas Street, Hicksville. The Council is indeed very grateful for the free use of this building. It wishes to express its thanks and appreciation to Trinity Lutheran's Board of Trustees as well as to Pastor John Krahn and Assistant Pastor Charles Froehlich for donating its use so that the Community Council could continue to serve the residents and groups of Hicksville.

After out-going Council President John Maniec had introduced everyone in attendance at this dinner, the new slate of officers for the Council for 1976-77 were officially voted into office. The new officers are: President - Mrs. Carole Wolf, 1st Vice President - Mr. Steven Weinblatt, 2nd Vice President - Honorable District Court Judge Warren Doolittle, Secretary - Mr. John Budnick, and Treasurer - Mrs. Cathy Steckler.

The high point of the Council dinner came when President Maniec made the presentation of the Annual Community Council 'Community Service Award' for 1976 and the 1976 President's Award.

The following represents excerpts from Mr. Maniec's remarks: "The Community Services Award is presented each year by the Council to those groups, organizations, or individuals who by actions during the year best demonstrate their dedication and interest in the betterment of the Hicksville community and the residents living there. Over the past years, the Council has honored the Hicksville Fire Department, the Hicksville Public Library, Help-Aid-Direction (H.A.D.), and the volunteers of the Gregory Museum for their efforts and sacrifices to improve life here in Hicksville. Tonight, we honor several local citizens for their hard work and countless hours spent to serve the people living in our community."

"A little background on these citizens. They have been residents of Hicksville for at least 23 years. They all have been active with youngsters. They are all dedicated to promoting the 'democratic and patriotic values' among the citizens and young people of our community. They feel that the history of our community, township, county, state, and nation must be preserved and they have taken an active interest in creating activities which got great numbers of inhabitants involved in their community. They all were very active in organizing and

promoting the 325th Anniversary celebration of the 'Robert Williams Purchase of Hicksville.' They have all been moving forces and tireless workers for the Gregory Museum. They have been active members of the Hicksville Community Council. They love our community, really take an active interest in its welfare, are active in promoting positive, constructive attributes that the youngsters around them can emulate."

"Who are these men? One man is a teacher of history in the Hicksville Junior High School. One man has been active in the Boy Scouts for almost 49 years. One man, while also very active in scouting, has been a founding member of this Council and presently holds the position of Assistant Director of the Gregory Museum."

"What ties all of these men together this year? They have done a tremendous, sometimes 'thankless job' organizing a countless number of bicentennial projects and promoting the celebration of our nation's two hundredth birthday. They truly deserve this award and the thanks of all the citizens of our community. They are the co-chairmen of Hicksville's Bicentennial Committee. Sieg Widder, Jack Landress, and Dick Evers - Three very fine Hicksvillians..."

Mr. Maniec then spoke about the background around the annual presentation of the Council President's Award. This award is given to an individual who not only has been active in our community but also has contributed much to the Council itself. The decision on who receives this award is totally left up to the Council President. He made this award to Mrs. Sheila Noth, editor and publisher of The Mid Island Herald, "for untiring efforts to serve the inhabitants of Hicksville". Mrs. Noth accepted the award on behalf, not only of the staff of The Herald, but also those in the community who help to make the reporting of their fine community efforts an inspiration and a joy each week.

After both awards had been presented, Mr. Frank Chlumsky, "Mr. Hicksville," was called up to officially install the new Council officers. Mr. Chlumsky not only did an outstanding job installing these individuals but he also entertained the audience with his charm and wit. Those who know "Uncle Frank" can only wish that they are as active and mentally alert as he presently is when they too reach the age of 91.

Mrs. Carole Wolf then took over the meeting. She briefly outlined her goals for the 1976-77 year and then opened the meeting for members of the audience to present announcements concerning upcoming events happening in Hicksville.

Dear Friends...

On Tuesday evening, June 15th, the Joseph Barry Council K of C, Hicksville, honored Frank Chlumsky, "Mr. Hicksville himself," with their Annual Community Service Award. It was an enjoyable program filled with interesting memories and just awards, not only to Mr. Chlumsky, but to many who have been working to make this K of C such an active organization. They couldn't have chosen a more deserving Hicksvillian to honor, not only for what he has done in the past, but also for the fact that at 92 years of age, he is still a hard person to keep up with because he is still busy serving those around him, and according to his own words "enjoying every minute of it..." Everyone loves you, Uncle Frank...and you are an inspiration to all.

More on the other K of C Awards, next week.

Congratulations to Hicksville's Thomas L. Clark who was sworn in last Tuesday as TOB Councilman to fill the vacancy created by the appointment of Warren Doolittle to the District Court Bench.

Congratulations and best wishes to Monsigneur Martin O'Dea of Holy Family R.C. Church who will be celebrating his fiftieth year of service of Our Lord, this week. Mgr. O'Dea has many tangible proofs of his years of service around him in the Parish which he established and, we are sure, that these are outnumbered by far by the spiritual blessings his work has brought to his parishioners, through the years, which are "stars in his crown."

We agree 100 percent with Shirley Smith's "Letter To The Editor" about last Saturday's parade, and flag raising ceremonies. They were really inspirational and certainly help to "balance the ledger" when one reads the headlines in the daily newspapers and listens to the TV news. Everyone in Plainview will have the opportunity to enjoy their Bicentennial Program on July 4.

One last reminder: next Wednesday, June 23rd from 10 to 10, you will have the opportunity to vote on the proposed budget for Hicksville School District 17 and to decide who will serve you on the Board of Education. On another page we have brought you background material on all those who are running for these seats on the school board. It is up to you to decide which ones you wish to serve you in this capacity. Also, whether or not you want to accept this "no-growth" budget which is for the same amount (but not of course for the same items) as last year. The present Board of Education feels it is adequate and Dr. Frederick Hill, Supt. of Schools has written a message on the budget in this issue, at our request. We believe it is a good one, though no budget does as much as we would like it to do for our young people... still we have a fine school system here, and we believe that the district will be able to keep up its usual standards under this budget. However, whatever your believe, don't forget to vote on next Tuesday.

P.S. A note to our publicity chairpeople. Don't be discouraged...much more news and pictures scheduled for next week.

Firm Moves To Hicksville

Custom Extruders, Inc., a major supplier of custom vinyl profile extrusions for the building trades and numerous other industrial component applications, is proud to announce the opening of its new facilities at 60 Commerce Place in Hicksville.

R. Lawrence Dagna, President and founder of the Company said: "The move, effectively doubling capacity, was made necessary by the steady growth that has taken place over the course of twenty years of operation. Continued expansion is projected by the creation of a subdivision which will design, package and merchandise

proprietary consumer products." R. Lawrence Dagna has been a resident of Hicksville for 24 years.

Letters To The Editor

To The Editor:

This past Saturday, I had the privilege of watching the Hicksville Bicentennial parade and what a pleasure it was. I would like to commend Steven Didier for the outstanding job he did as chairman and organizer. Congratulations also to Hicksville's Bicentennial co-chairmen, Richard Evers, Sieg Widder and Jack Landress, for their hard work on all the activities to celebrate America's 200th birthday.

In addition to these individuals, I feel the people of Hicksville (young and old) should be commended for their participation in Saturday's parade—whether marching or watching. It was really encouraging to witness and be a part of so much community spirit and good will.

Too often we jump to criticize and point out the failures around us, but when there are successes we remain silent. I'm proud to speak out and say Hicksville did a great job. We've proved we are a community of people ready to share and care. Let's keep up the good work.

Sincerely,
Shirley R. Smith

To The Editor:

We add our endorsement for the election of Iris Wolfson and Tom Nagle to the Hicksville Board of Education for the next three years. They have demonstrated to us by their past years of service on the Board to be best qualified to handle the uncertainties of the coming years as it rebates to our tax dollar and quality education. The record speaks for itself and we commend Iris Wolfson for her dedication and many hours of hard work in her capacity as Board member and President of the Board. Tom Nagle brings with him many years of experience and is keenly aware of the workings of the Board. By his performance and faithful devotion he merits our vote and confidence.

The charge that the Board, as presently constituted, is overly represented by HCBE endorsed candidates and is unduly influenced by this community organization is not borne out by the facts. The idiologies of each HCBE member varies considerably and in this respect Iris's and Tom's voting record has clearly demonstrated to be that of independent thinking individuals.

We feel that the election of Iris and Tom will be in the best interests of the property owners of Hicksville—as is demonstrated by their no-growth budget. Unknown to many in the community, we have found that the membership of HCBE represents a good cross section of the thinking of our educationally oriented community, both progressive and conservatives alike. So' vote row "A" all the way for Iris Wolfson and Tom Nagle for a continuance of reasonable and positive Board action.

William P. & Clara T. Bennett

Dear Editor:

I am writing as an individual resident of Hicksville School District 17. I urge all voters to exercise their franchise on June 23, to approve the school budget as presented by the Board of Education, and to re-elect Mrs. Iris Wolfson and Mr. Thomas Nagle to new terms on the Board.

All of us are feeling in some degree the frustrations of continuing inflation and depressed economic activity. Yet, what is our moral responsibility? In a geographic area replete with color television, cable television, air conditioning, and backyard

swimming pools, can we, in conscience, justify taking out our frustrations on our children by economizing on their education merely for the sake of economy? I think not—and especially if this bicentennial anniversary of our country has any real meaning to us—and that is why I so strongly recommend a "yes" vote on this year's school budget.

In the same spirit, I commend to everyone the re-election of Mrs. Wolfson and Mr. Nagle to the Board. These candidates have contended with many pressures in their successful efforts to maintain the general educational program of the District and to expand services for children with special needs. Unfortunately, from what we now know, the next three years promise to be at least as difficult as the last three. Thus, we must have Board members, such as Mrs. Wolfson and Mr. Nagle, who will work calmly, intelligently and diligently in the best interests of all of our children.

Sincerely,
Paul Sauerland
Hicksville

To The Editor:

On behalf of Hicksville Council of PTA's, I would like to urge the residents of our community to support the 1976-77 school budget by voting YES on June 23. PTA Council has studied the proposed budget and we feel it is educationally sound and beneficial to our youth and the people of Hicksville.

We realize there must be some reductions in this era of high inflation and escalating costs. When there are such cutbacks, someone loses. In this case, it is approximately 1800 Junior and Senior High young people who will be affected by the half-mile extension on the transportation and will be walking to and from school. Rather than "burdening a small group in order to pacify a larger one," the board of education has made it possible to continue our excellent programs of foreign language and music, to expand our programs for the handicapped, to provide additional reinforcement in the necessary basics of reading and math, to extend the opportunity for our adults to supplement their learning, to provide use of the school buildings and grounds to the entire community, and to offer a vital outlet for our young people through our extensive sports programs.

We urge the people of Hicksville to remember these portions of the budget when they enter the voting booth. Should we lose these because the transportation budget was reduced? Are our secondary-age students so endangered on their way to school?

We must remember that if the budget is defeated, we will face cutbacks in the other important areas of the budget. And rather than 1800 students (ages 12-18) walking, more than 7000 will be crossing our streets several

times a day. Would we rather have 5-year-olds crossing Old Country Road or 12-18 year olds?

PTA is concerned about safety—of all the children. And we are concerned about our children's education and their free time. It is time to look at our values and study our actions. Are we cutting off our noses to spite our faces by voting no? Remember, if the budget passes, we can work together and petition the board to offer another referendum on transportation—provided the people of Hicksville want that and are willing to pay the costs of another vote and the additional buses. But if we lose the budget, we lose so much more.

PTA Council urges you to vote YES on June 23. Support our youth. Support our schools.

Sincerely,
Shirley R. Smith
President
Hicksville Council of PTA's

To The Editor:

The problems of Senior Citizens have often been given back seat consideration within the school community.

It is therefore with appreciation that I can write to say that the current school board HAS shown an interest in our problems and has taken positive action in several areas.

For example, the schools issue passes to Senior Citizens to school functions; Senior Citizens are now represented on the Adult Education Advisory Committee; Senior Citizens groups now make effective use of school facilities and school board members regularly attend their functions.

Iris Wolfson and Thomas Nagle are two board members who have demonstrated their concern for our community. Let's get them re-elected on June 23rd.

Frederick Fischer
President Hicksville
Senior Citizens

To The Editor:

There are times when we take the smooth running of an organization or a public board for granted. This is just such a time in Hicksville. Not too long ago the community fought hard for the retention of significant educational programs i.e. music, and foreign language in the early grades. The availability of such programs has enriched the education of our children and upgraded the status of our community.

The retention of these specialized programs has been an important priority for current school board trustees TOM NAGLE and IRIS WOLFSON, who have held the line for quality education while at the same time have provided the community with a zero growth expenditure budget for next year. Certainly that was no small feat during this highly inflationary period. I believe the efforts of NAGLE and WOLFSON should be recognized by the community as they seek re-election on June 23rd.

Sincerely,
Harvey Scolnick

The School Budget

By Frederick W. Hill, Supt. of Schools

The proposed 1976-77 budget for the Hicksville Public Schools is in the exact same sum as the budget for 1975-76. The Board of Education has directed that there should be no growth in the dollars expended, and therefore, for the first time in over twenty-five years, our proposed total school expenditures are not increased.

To create such a budget, the Board of Education and administrative staff carefully reviewed budgetary requests, and had to cut over 1.2 million dollars from original requests of the individual schools and departments. The unavoidable increases in costs for lights, heat, power, repairs, supplies and equipment, plus the state and federal levied increases in taxes for retirement and social security, had to be offset by corresponding cuts in other sections of the budget. Due to declining enrollment and by decreasing staffs, it was possible to offer the same level of instructional services within the total dollar limit of this year's budget. The only reduction in service is a one-half mile increase in the walking distance for Junior and Senior High school pupils. These will now be 1.1, 2 and 2 miles respectively. This reduction in bus service will not affect elementary school pupils in any way.

Unlike many other districts which face prolonged teacher negotiations and possible job

actions and unsettling conditions, the proposed Hicksville "no-growth budget" covers the total cost of all teacher services. Our two-year teacher contract extension provided only \$200,000, or less than 1-1/2 percent of new money in the teacher salary package. Any further increases have to be financed by reductions in teaching staff, and thus our citizens and taxpayers are completely protected against unbridled cost increases which are making headlines elsewhere. We have an excellent staff of teaching, administrative, maintenance, clerical and custodial workers. Their salaries are in the median or average classes for Nassau County, and we believe they provide excellent service to the children and citizens of Hicksville. Our educational results are very good, the opportunities provided to our children are excellent, and we believe the quality and caliber of educational services rendered help to make Hicksville the desirable and attractive community of homes which it is.

We urge every citizen to thoughtfully consider what the schools mean to our children and our community's future, and we urge everyone to go to the polls and vote on June 23rd. When all is said and done, Hicksville will have as good schools as it is willing to support, or as poor schools as it will tolerate. The decision is really up to us.

At The Town Board

by Gerry Kahn

After leading the assemblage in the Pledge of Allegiance, Supervisor Burke opened the Town Board Meeting on June 15th, by requesting that the meeting commence with Item No. 3 on the agenda.

Approval of the item, a resolution relating to personnel, in effect, was the acceptance and installation of Thomas L. Clark as Councilman from Hicksville.

The brief installation ceremony was held in front of the board, with Judge Carmello Tese administering the Oath of Office.

Councilman Clark, after a brief and effective acceptance speech assumed his seat of office.

The 46 item calendar was headed by 2 hearings. The first was postponed because of a

procedural defect relative to proper notice to property owners. It was rescheduled for July 13th.

Supervisor Burke permitted the council for the petitioner to make opening remarks and then close by way of explanation after comments and questions from those members of the community who did show up for the hearing and who indicated the possibility of not being able to make another hearing date.

Baron Blakeslee, a division of Purex Corp., petitioned for a special use permit to maintain a freight terminal and warehouse for the storage of petroleum derivatives at Hicksville, 495.37^s of West John St.

Address Correction Fee Now 13¢

Mr. Anthony M. Murello, Sectional Center Manager Postmaster announced the fee for address correction service advanced to a temporary 13-cent rate on Sunday, June, 13.

The Postal Service's Governors authorized implementation of the new temporary fee at its June 2 meeting.

The current address correction

fee of 10 cents has been in effect since 1968.

This action was taken in accordance with the Dec. 16, 1975, opinion of the U.S. District Court in the case of Associated Third Class Mail Users Vs. U.S. Postal Service, but without prejudice to the Postal Service's appeal from the decision in that case.

The temporary rate follows

upon the March 3 request of the Postal Service to the Rate Commission for a higher permanent fee for address correction service.

Address correction service which is available for all classes of mail, helps mailers keep their address lists current and helps reduce percentage of mail not deliverable as addressed.

Hicksville Soccer Club News

The A. O. H. sponsored

Juveniles finished the 1976 season by winning the L. I. Cup with a 2-0 victory over Massapequa. The game was played on a neutral field in Brentwood, June 13. Michael Bell playing right wing scored the first Hicksville goal assisted by M. Collins and M. Bedell. Going into the second half and against the wind, the Hicksville defense withstood all Massapequa attacks. On a Hicksville corner kick taken by B. Bedell, Peter Collins scored Hicksville's second goal. The achievements for 1976 were Long Island Indoor Champions, Southern N. Y. State Champions, Runner up Division I L. I. Junior Soccer League, L. I. Cup Champions and Runner up Bricktown, N. J. Tournament.

The team will travel to Toronto, Canada to participate in the Robbie Tournament June 30 - July 4.

Hicksville G.O.P. played it's last game of the season against Farmingdale P.B.C. WINNING THE GAME BY A SCORE OF 4-1. Mike Morga opened the scoring with a shot from the right side, Ronnie Brill, Bob Pearce and Gene Tyranski also tallied. Danny Burke played well in goal. The G.O.P. record is 6 wins and 7 losses to wind up in a tie with Glen Cove S.C. for 8th place.

BOYS INTRAMURAL BANTAM DIVISION

New Jersey kept their undefeated title with a 4-1 victory over Pennsylvania. The goals for New Jersey were scored by Joe Bush (2) James Youngs (1) and Frank Christiano (1). Sam Masiello contributed to the game with some great saves in the goal, with Mike Lagnese playing a beautiful game at full back sweep. Outstanding on the wings were Joe Abbatiello, and Jimmy Stenborg. Anthony Sgaraglio played his usual good game along with Steve Geerds, and excellent defensive plays by Mary Nyitary and Rich Karlewicz.

New York shut-out South Carolina 5-0. The boys scoring for New York were Steve Wayte (2) with an assist by Harold Meltzer, Kenny Kugler (1) with an assist by Herbie Nowak, Danny Holland (1), and Jimmy Lauritsen (1). The whole team got together and worked hard to really make this a terrific game.

GIRLS TAKE L.I. CUP

The Long Island Cup for the girls under 16 Division was won last weekend by Hicksville & will be housed for the next year at Hicksville Public Library. After the Championship Game in which the girls beat Massapequa 2-0, each girl was also presented with an individual trophy by coaches Ann Camara & Gert Conway. The girls played great soccer & the

recognition as Long Islands best is well earned. The Club, the Community, the Parents, & the Hicksville Elks Club sponsor are all very proud of "Hicksville's Heroines": Michelle Brill, Patty Conway, Lori Daley, Patty

LITTLE LEAGUE (Continued from Page 7)

"AA" LEAGUE
By Gary Madine

Goldman Bros. defeated Steve's American 5-3 in a play-off game which decided who was the winner of the first half. For Goldman's Greg Christoforou pitched 3 innings giving up 1 run on 1 hit, and 3 walks while striking out 6. Jim Hoosack finished up, and allowed 2 runs on 5 hits, and a walk. Dave Pietramala, and Larry Sullivan each went 2 for 3, with Lary belting 2 triples. Jim Arlet, Dan Devine, Jim Hoosack, and George Sotong each drove in a run. The entire Goldman infield turned in a solid game. Frank Macchio, and Vic Porcasi combined to pitch a good game but costly outfield errors hurt their effort. Macchio also had 2 hits, and Louis Cannava, Craig Schelin, and Vic Porcasi all added hits.

Steve's American walloped Marder Shell 23-12 behind the hitting of Frank Macchio with a grand slam home run, Ken Higgins, and Craig Schelin, each with 2 run home runs, and 13 other assorted hits. Vic Porcasi was the star in the field with a fine catch in left and a hit, 3 inning pitching performance. For Marder Shell Tony Puma had 2 hits, and 2 rbi's, Kevin Landers had a triple, and 2 rbi's, Jeff Braunstein had 2 hits, and a rbi, Todd Loeffler had a hit, and 2 rbi's, and Ken Frers drove in a run. Ron Fleming made a spectacular catch in right field.

Goldman's beat Marder Shell 8-5. For Goldman's Dan Devine went 2 for 3 with an rbi, Greg Christoforou, and Jim Hoosack combined to gain the victory. For Marder Kevin Landers pitched 3 innings striking out 6, and clutch pitching from Todd Loeffler kept it close. Christine Byrnes, Kevin Landers, Mark Calais, and Todd Loeffler each had 2 hits, and Tony Puma had a double, and a single.

Steve's American downed Circle Texaco 16-7. Ken Higgins had 3 hits, and 4 rbi's, and had a very busy day at shortstop. Frank Macchio, and Lisa Torregrossa combined to pitch a strong game. Goldman Bros. looked tired playing their third game of the week but still managed to edge Cotton Lillien 10-7. For Goldman's Dave Pietramala had a perfect day at the plate with a solo home run, 2 doubles, a single, and 5 rbi's. Larry Sullivan belted a grand slam home run, and Jim Arlet added an rbi. Pietramala also pitched 3 innings and allowed only a hit, and a run. For Cotton Lillien Ron Rosenthal drove in 6 runs, and caught a good game.

Fork Lane PTA News

Mrs. Helen Pershinsky was awarded an Honorary Life Membership in the New York State Congress of Parents and Teachers, on May 19th.

The Fork Lane PTA presented the award in recognition of Mrs. Pershinsky's dedicated service to children and youth in school and the community.

This distinguished award was made possible through a contribution by the Fork Lane P.T.A. to the New York State PTA Jenkins Memorial Scholarship Fund. Contributions to this fund enables the New York State PTA to provide scholarships to students entering college with an education major.

This honorary award was given to Mrs. Pershinsky for her many years of active involvement in all phases of the Fork Lane P.T.A.

At the same meeting, Service pins were presented to Barbara Smith, Judy Wilson, Eleanor Bauman, and Shirley Smith, in recognition for their extra time and effort they have contributed toward Fork Lane P.T.A. activities.

Honored For Reading

Thirteen Hicksville Senior High School students were honored on Wednesday, June 9, for reading twenty-five books about the U. S. A. Cynthia Albach, Paul Basist, Ronald Eckler, Lynn Fordham, Barbara Goldman, Jerri and Kevin Gould, Henry Jaroslowski, Iris Kinzer, Carol Koenig, Nora Neshta, Gina Pavoglio and Patricia Rogers each received a fifty-dollar check at the Fourth Annual Albert Hirst Readings in American History Awards program held in the Senior High School Library.

Their families were served refreshments by the Library Staff and Library Club.

The benefactor of the awards, father of Hicksville High School language teacher Dr. Eric Hirst, was an octogenarian who believed that America's youth would "stop tearing down America if they could get a more realistic picture of its history, neither rosy myths nor muckrakings". To that end, he set aside \$10,000 in the LEARN Foundation and the program began in Hicksville Senior High School in 1972.

Principal Raymond Rusch and District no. 17 Superintendent Dr. Frederick W Hill praised the students for making the effort to learn more about their country's heritage, to appreciate its contributions to mankind and to become an enlightened citizenry. Afterwards, the students and

Mr. Albert Hirst died in 1974. His son, Dr. Hirst, and Hicksville Senior High School Librarian Mr. Carl Danna continue administering and expanding the Hirst idea. To date, almost \$4,000 has been awarded at seven libraries. Hicksville residents have received almost \$2,000 of it.

WEED EATER
The Bladeless Edger-Trimmer

Instead of a blade, revolutionary WEED EATER uses specially treated nylon fishing line, whirling at ultra high speed, to cut faster, closer and safer than any conventional machine can. In places no conventional machine could hope to reach.

WEED EATER mows, trims, edges and sweeps, around fences, rocks, trees, shrubs, rock gardens, etc. And with no blade there's no danger of slicing off fingers or toes, or having small rocks and glass fragments damage your blade or your body.

Best of all, WEED EATER saves you hours of back breaking labor, piles of hard earned money, and gives you a better groomed lawn in the bargain. That's quite a bargain.

MEET ONE OF OUR BEST

JUERGEN WEFERLING
5 FOREST DRIVE
PLAINVIEW

Once a year we at Aid Association for Lutherans take a moment to recognize some of our best people. You've just met one of them.

Juergen was the leading representative in 1975 in the Hans W. Schrader Agency, Commack. We're proud of him. And we want to tell you about it.

What's it take to be one of the best at AAL? Well, it takes a thorough knowledge of insurance. It takes training and experience so Lutheran families get the best coverage possible. It takes genuine interest in the fraternal and benevolent activities of AAL local branches. And it takes a special kind of dedication to AAL's concern for others.

We think that describes Juergen pretty well.

Congratulations to George Friedel, Sr., of PLAINVIEW. He recently retired from the Fire Dept. in New York City.

Happy Birthday to Ronald Proff, Notre Dame Ave., HICKSVILLE. He celebrated his birthday on June 3.

Birthday greetings go to Elizabeth Mensing, Princess St., HICKSVILLE. She celebrated her 4th birthday on June 5.

Congressman Norman F. Lent offered his congratulations along with a flag which flew over the U.S. Capitol to HICKSVILLE's newest Eagle Scout, James Long. He received Scouting's high honor, the Eagle Award, at a recent court of honor held at St. Ignatius Loyola School, Hicksville. Congratulations James.

Birthday greetings go to Terry VanNuis, Woodbury Rd., HICKSVILLE, who celebrated on June 8.

A number of young people from the Hicksville area were recently honored during Nassau Hospital's annual Candy Stripper and Junior Male Volunteer Awards Day in Garden City. Among those to receive awards were: Carol Deacy, of Hicksville, 400 hour service award; Anne Stenborg, of Hicksville, 300 hour award; Lisa Bartkus, Karen McBrier, and

Kathleen Nalepa, of Hicksville, 200 hour service awards; and Mary Elizabeth Carton and Brian Brady, of Hicksville, won 100 hour service awards. Congratulations to you all.

Happy Birthday to Keith Blake, Kim Lane, HICKSVILLE, who celebrated his birthday on June 14. His brother Christopher, celebrated on June 15.

Michael Ciaddella, of 54 Lehigh Lane, HICKSVILLE, was guest of honor at a surprise 50th birthday party held at his brother's home in North Babylon on June 6. The party was given by his wife, Connie, and daughters, Lucia Balaker, Margaret Gulli, Michele Shipman, and Debbie Ciaddella. Fifty friends and relatives helped him to blow out the candles on his cake. Although the actual date of his birthday is June 8, a really good time was had by all.

Happy Birthday to Lori Coppola, Violet Ave., HICKSVILLE, who celebrated her 12th birthday on June 12.

A Hicksville cab driver spotted a car fire early June 12th and notified the Hicksville Fire Dept. The 2:41 a.m. alarm brought out Chief Roy Schaaf and 2 engine companies. Upon arrival, vamps found a working car fire. The fire was so intense that it took a large volume of water to extinguish. The fire was knocked down quickly and it was then that firemen made a grim discovery.

The burned out shell contained the body of a man burned beyond recognition. He was later identified as Martin L. Riggs, 52, of Levittown, by N.C. Medical Examiner. Chief Schaaf requested an immediate investigation by County Fire Marshals. It was reported that a man was noticed sitting in the car an hour before the fire was reported. A report released Sunday said the apparent cause was careless smoking. The fire was located in the parking lot of the LIER Station on Newbridge Rd.

East St. School Does It Again

Each year the East St. PTA sponsors the National French Contest. Over the last few years, our children have taken top honors in the nation.

This year was no exception. Cathy Savino, who placed fourth last year, took FIRST place in the United States. Rosanna Greci, also from East St. placed SECOND.

Of course, this could never have been accomplished without the leadership of their foreign language teacher, Mrs. Renee Lesetz.

Congratulations to Cathy, Rosanna, and Mrs. Lesetz.

Holy Trinity Graduation

Holy Trinity Diocesan High School will graduate its 7th Class on Saturday, June 19, at 11:00 A.M. The Commencement exercises will be held on the John Kutner Memorial Field on Holy Trinity Campus.

Guest speaker will be Rev. Patrick J. Young, former Principal at Holy Trinity for seven years.

DEVOTIONS

ANGELS - GOD'S SPECIAL AGENTS

Who has not thrilled to read the account of the three Hebrew

Trinity Lutheran Church - Dial-A-Devotion 931-2221 children, Shadrach, Meshach, and Abednego? They refused to fall in tune with the music of obeisance and worship to the king of Babylon. After they had

By Rev. J. H. Krahn refused to bow and were thrown into a furnace, the angel preserved them from being burned alive or even having the smell of smoke on their garments. The angel came to them in the midst of the flame without harm and was seen by the king who excitedly said, "But I see four men loose walking in the midst of the fire, and they are not hurt, and the appearance of the fourth is like a son of the gods."

In over 300 places in the Bible we read about angels. Their presence and reality is indisputable. Their importance is

uncontestable. There is rarely a significant event that occurs in scripture without an angel present.

"But just what is an angel?" some might be asking. Luther's definition is as good as any. He said in his Tischereden, "An angel is a spiritual creature without a body, created by God for the service of Christians and the church." To say of a child, no matter how cute he is, "He's such an angel," is always incorrect. Although angels at times assume a bodily form, more often than not they remain in their spiritual state. They are sometimes visible but are most often invisible. They

were created by God, created before He created man. They are neither male nor female nor even human. They neither marry nor reproduce. There are millions of them. They have super-human power.

God has even provided for each one of us a special angel to watch over us and protect us. We commonly refer to him as our guardian angel. It is comforting to know that as we make our way through life that God has stationed His heavenly guards to protect us. This guardianship begins at infancy, for Jesus said in Matthew 18:10, "See that you do not despise one of these little ones; for I tell you in heaven their angels always behold the face of my Father who is in heaven."

Now angels are not God, so we are not to worship them. But we should thank God for them for the help and protection they provide. Our awareness of their presence and ministry should be of comfort

At Old Country Rd.. School

The kindergarten children in Mrs. Schleck's Old Country Road class presented a program of dances and songs for their families on Monday, June 7th.

Fourteen folk dances of many nations were performed, along with several lively songs.

The families joined in the final dances, hugging their partners in the Mexican Waltz. Everyone enjoyed the refreshments brought by the children, and a pleasant morning ended with the satisfaction of sharing kindergarten experiences.

Singing Boys Concert

On Saturday, June 26th at 8:00 P.M. in the Interfaith Chapel of C. W. Post College, Brookville, the Singing Boys of Long Island will present their annual concert.

Featured on the evening's program will be Hans Leo Hassler's "Missa Secunda", which the boys' choir performed at St. Peter's in Rome, Italy for Pope Paul VI and an audience of 40,000.

The second half of the program will be a bicentennial salute to America featuring American music of the past 200 years.

Tickets for the concert are \$2.00 and may be obtained by sending a check to Box 205, Hicksville, New York 11801.

For further information, call 681-0492.

Flag Contest Display

The Flag Contest sponsored by the Children's Room of the Hicksville Public Library was a great success, with many entries from the boys and girls of Hicksville. Six prizes will be awarded for the most creative flags and the winners will be notified soon.

Now on display at the library are American and Bicentennial flags made from cloth, paper, rice, candy, wood and other materials. Everyone is invited to visit the Children's Room to admire the originality and creativity of the contestants.

On The Campus

Mr. Frank H. Willard, 81 Sixth Street, Hicksville was graduated June 6th, Summa Cum Laude from Nassau Community College. Mr. Willard majored in accounting and achieved straight "A" grades while earning 74 credits. He will now pursue his degree in accounting at C. W. Post which he enters in the fall under an Advanced Study Tuition Grant.

College are: Susan Uda, PLAINVIEW, 3rd prize in prints; and Elizabeth Karely, PLAINVIEW, honorable mention, painting.

Susan Lynn Merl, of PLAINVIEW, was awarded a Bachelor of Arts degree during commencement exercises held at Virginia Commonwealth University.

Michael Calma, Miller Circle, HICKSVILLE; Susan Parks, Switzerland Rd., HICKSVILLE,

Lori Sanders, Ridge Ct., HICKSVILLE; Adria Weiss, Hunter Lane, HICKSVILLE; have all been awarded Bachelor degrees, during commencement exercises held at Plattsburgh State University College.

Mr. Goldberg Retires

By John Kearns

Samuel A. Goldberg, former chairman of the Hicksville High Foreign Language Department - The man who brought the Roman eagle to the Hicksville Railroad station - was honored at a retirement dinner at the Milleridge Inn in Jericho on Friday evening, May 28th.

Teachers and friends presented Sam and his wife, Ruth, with a huge ceramic eagle, a replica of the one presented and dedicated by Mr. Goldberg and his Latin students on the Ides of May, 1965. The eagle, perhaps the most visible memento of his years of community service, was rescued

from the demolition of the old Pennsylvania Railroad Station.

Mr. Goldberg taught Latin and French for twenty years in the Hicksville Senior High and served as chairman of the foreign language department for the past ten years, until he suffered a stroke and was forced into retirement in early 1976. Previously he taught the same subjects in the Jersey City high schools for twenty-one years.

Before his stroke and retirement, Mr. Goldberg was active in professional and fraternal organizations: first vice-president and editor of the

newsletter of the Foreign Language Association of Chairmen and Supervisors (FLACS) of Nassau and Suffolk Counties, on the program at annual meetings of the Classical Association of the Empire State and of the New York State Association of Foreign Language Teachers. He was active in the B'nai B'rith and was president of its Jersey City Lodge and twice president of the Pioneer Lodge in the Seafoard-Wantagh area.

Among guests at the dinner were Mr. and Mrs. Goldberg's daughter, Rochelle, who just received her Ph.D. from the University of Rochester, and their son, Stephen, whose wife had just made them proud

grandparents of a baby boy. Wishes for a happy retirement were extended by friends and associates. Stan Isaacs of Newsday and John Burke, Supervisor of the Town of Oyster Bay, were among dignitaries who sent messages of congratulations. Mr. Goldberg thanked everyone in Latin, French, German, Italian, Spanish, and Hebrew for expressions of friendship and good wishes.

Mrs. Wade's "Thank You"

Many parents contributed antiques for our viewing pleasure. Mrs. Schirral permitted us to use her stereoscopic and collection of pictures. Everyone was extremely interested in having a turn.

The boys were very excited setting up the lead soldiers and horses which were contributed for the week by Mr. Wade.

My sincere thanks to all who helped and contributed and visited and shared our experiences, and of course a special thank you to our principal, Mr. Robert Whearty.

At The Town Board

(Continued from Page 5)
Jim Petrone, Joseph Prodelino and William Senenschin were among those whose comments were in opposition to the petition.

It was learned that the facility on the 1.86 acres could not be expandable in the future. That the total capacity would store 180,000 gallons, the bulk of which would be anti-freeze for aircraft, delivered by tank car. The material would be in liquid form and stored in storage tanks and 55 gallon drums, there would be no requirement for a railroad siding.

The 2nd hearing was to consider proposed amendments to the Code of Ordinances relative to motor vehicles and traffic rules and regulations.

Mr. Frank Colletta and Mr. Martin Soloman of Hicksville questioned the new proposals affecting Field Ave and West Nicolai St. in Hicksville.

The balance of the agenda was dealt with in quick succession.

Among those resolutions of local interest were item No. 19 which directed Consulting Engineers to proceed with the design phase of the Bituminous resurfacing of Arizona Ave. in Syosset.

Item No. 28 was a resolution relating to advance payment to the owners of the property being acquired for the Jericho Park District.

The regular meeting adjourned at 12:00 noon and the informal meeting that followed was brief. Carol Fishman prefaced her

Fifty Years As A Servant Of God

Msgr. Martin O'Dea

Monsignor Martin O'Dea will celebrate his 50th Anniversary of Ordination on June 20th. A grand and glorious Golden Anniversary of service to God and God's people - an attainment granted in the Providence of the Almighty to but a select few among them the Pastor Emeritus of Holy Family Parish, the Rev. Msgr. Martin O'Dea. These are the words of the present Pastor of Holy Family Parish, Hicksville.

Rev. Daniel J. Nelson, Parishoner of Holy Family here call him "our someone special." "We look to our pastor emeritus as father," wrote one parishoner in the June issue of Holy Family Life, a Parish monthly magazine, dedicated to Msgr. O'Dea. Another noted that Msgr. O'Dea is a truly rare and gifted man of God - he is loved and respected by all who are

associated with him. And from priests living with him:

"For all of us who have shared our growth in life and the priesthood with him and under his wise leadership, there is no way that his faith, his obedience to the Church, his love for the Mass, the Breviary, the Rosary, and his concern for the people of God could not influence our lives and our priesthood."

Many people will join with Msgr. O'Dea and Bishop Keenan in celebrating a golden jubilee Mass on June 20th at 2:00 P.M. in the church here.

Born in County Clare, Ireland, he studied at the National School in Tullabrack; Franciscan College, County West Meath, and All Hallows Seminary in Dublin, from which he was ordained.

He came to the United States shortly after his ordination and was assigned to St. Mary Magdalene parish in Springfield Gardens where he served until 1937 when he was assigned to St. Raymond's parish in East Rockaway.

In 1951 he was named founding pastor of Holy Family Parish here.

A Perfect June Day.... A Perfect Bicentennial Parade

Hicksville's Bicentennial celebration continued on its vibrant way this past Saturday with the grandest parade in almost thirty years. Old-timers and native sons are going back to the memorable Tercentennial Parade marking the 300th Anniversary of the Robert Williams Indian Land Purchase, in 1948, for a parade with as much color variety and spectators.

With Heaven's sunny blessing and a brisk breeze to fly the many flags, the procession marched off at 10:05, almost on time, following the Fire House horn's signal to begin the day's celebration. Thousands of marchers and viewers along Old Country Road and Broadway took part in the community's latest tribute to the Nation's two hundred years of independence.

Parade Grand Marshal, Stephen Didier, the man who almost single-handedly organized the parade, marched in the van, followed by Congressman Norman Lent, Honorary Grand Marshal, in an antique 1930 Chevrolet convertible which got rolling with a push from the Grand Marshal. Among the dignitaries and guests in open cars were Judge Warren Doolittle, Town Supervisor John Burke, Town Councilman Howard Hogan, and Dorothy H. McGee, Chairman of the Town of Oyster Bay Bicentennial Commission in a car driven by Past Commander Tom Nikitas of the American Legion and Mrs. Jean Chittenden representing the Daughters of the American Revolution. Lovelies in costume and parasols from the Gregory Museum's staff were in a car escorted by a grizzled veteran in the uniform of the Continental Line. Gardiner Gregory, carrying a replica of the Brown Bess musket to be raffled off at the "Old-time Country Fair" on July 4th. Radiant in her own chariot was the Gregory Museum's "Grandmother Bicentennial Queen", Elaine

Tusa Striding well to the front to the pre-Civil War band music of 110 beats of the Old Bethpage Village Restoration Band, who led the parade with their authentic 19th century instruments, were Richard Evers and Sigfried Widder, two of Hicksville Bicentennial Committee's Co-chairmen. The smiling gentlemen were attired in the ensemble of the 18th Century American colonial gentry, while up at the Reviewing Stand on North Broadway, taking his usually splendid color slide pictures of each unit approaching the reviewing party was Committee Co-chairman, Jack Landress, in the uniform of a Scout Commissioner of the Great Bear District.

On they came, past applauding friends, neighbors, kin and strangers lining the curbs; the color guards of the United States Merchant Marine Academy at Kings Point, of the United States Marines and the Veterans of Foreign Wars, preceding three veterans of the Pearl Harbor Survivors Association bearing their banner. There was endless succession of bands - twenty-four in all each in excellent interval and planning by the Grand Marshal, Steven Didier, and Dr. Charles Gouse, director of the Hicksville school's virtually unparalleled musical program. Reverberating the length of Broadway and filling the cool air with shrill melody were the drums and fifes of the Junior High School Colonial Minutemen under Bandmaster Henry Gates, of the Hicksville High's fine Colonial Corps and the always spirited Good Shepherd Lutheran Corps. There came on strongly the high school senior bands: the Hicksville "Orange and Black" with the "Coquettes" prancing gayly in front; the numberless green and white melodious tide of Holy Trinity Catholic Diocesan

years after the parish was established and the school constructed in 1960. He served as pastor for 20 years, becoming pastor emeritus on June 23, 1971. His service in the diocese has also included assignments as a

deanery delegate on the Priests' Retirement Board, and as a synodical judge and examiner. He was also a member of the diocesan Commission for Sacred Liturgy. Pope John XXIII named him a domestic prelate in 1962.

charge of installation management at an air base in Germany, headed a team which audited and mechanized the personnel records of 112,000 reservists in a 13 state area, and was chairman of a management engineering committee in Wyoming. He also served as head of a plans unit and as head of an intelligence gathering unit. Colonel Willard's last six years in the service were spent as an investigator, auditor, and inspector of management activities and missile resources in the Strategic Air Command. With straight "A" grades, Mr. Willard graduated Summa Cum

Laude from Nassau Community College. Continuing his lifelong interest in education, he is entering C. W. Post College in September to pursue his degree in accounting. Mr. Willard lives with his wife, Laude from Nassau Community College. Continuing his lifelong interest in education, he is entering C. W. Post College in September to pursue his degree in accounting. Mr. Willard lives with his wife, the former Lorraine Zeiher, her sister, Mrs. Marilyn Rinehardt, and her uncle, Mr. Robert Schreder, are all Hicksville residents.

In a recent statement Mr. Willard said, "This outlines my education philosophy and indicates what I believe must be

done if the school board is to be strong and viable tool of the taxpayers in controlling the Hicksville education system - which could then provide the most education at the least cost.

1. A STRONG planning committee is an immediate need in preparing comprehensive plans to cope with a declining enrollment continued inflation, and reduced state aid. Each committee plan must offer recommendations that are the best of all available courses of action - fully studied for their effect on the children, on the education process, and on the taxpayers. The committee must have the facts, the brains, and the GUTS to make the proper choice among the various alternatives. Mere "lip-service" to appointment of a committee and its workings and of "cosmetic action" on committee recom-

mendations must not be accepted by taxpayers.

2. Alternative budgeting principles must be adopted. Alternatives would be provided by the planning committee. Full backup material should be furnished with each recommendation so that the board can fully review and can reach logical decisions. Public hearings and full publicity is mandatory in order to eliminate any possibility of deceiving the taxpayers. The Citizen's Budget Advisory Committee should be eliminated; citizens cannot be expected to have the capability of making budgetary recommendations based upon biased facts presented by administrators.

3. There must be a reduction of costs associated with educator pay and fringe benefits coupled with an improvement in the pay

of those who earn below a specified threshold. The costs of educators can be reduced by elimination of all excess teachers - those not required as a normal result of a declining student population and by the elimination of programs which are not cost effective in terms of the results obtained or the number of students served.

4. The addition or expansion of a program or a cause, or the purchase or lease of additional equipment must be evaluated, not only for cost effectiveness, but it must be evaluated in terms of a declining enrollment, continued inflation, and the burdens of the taxpayer.

5. The school board must be removed from the hands of special interest groups and placed back into the hands of the taxpayer. Specifically, undue influence by educator unions must be eliminated. Board deliberations and judgments must be based on fact and logic and the will of the people - and not on the interests of special groups.

6. A procedure must be established to immediately suspend any teacher who uses excessive or unnecessary force against a student for any reason whatsoever. If facts leading to his suspension are sustained during a subsequent hearing, the teacher must be fired at once. Taxpayers cannot allow the trust placed by parents in teachers to be flaunted with impunity.

7. The "law of diminishing returns" now applies to our education system. I do not subscribe to the twin fallacies of ignorance. More money sunk into education does not breed better education - it fattens educator's paychecks. Most certainly, higher taxes do not improve property values.

damage. The windshield was broken, the body was punctured by flying debris and the paint was damaged by debris. The ambulance was in Bethpage when the storm hit the local area.

A seven year old Hicksville girl was struck and killed by a car on Miller Road on June 6. In all fairness to the rescue squads who worked hard to save her, we mention it here as press reports in Long Island papers failed to mention the dedicated actions of the Hicksville and Jericho rescue squads.

On the sick list is Ex-Chief Henry Gebhardt, our Sr. Fireman who is quite sick in Central General Hospital, Plainview. Our thoughts and prayers are with you always Henry.

Deepest sympathy, to the family of Carl Eiseeman of Co. No. 1 on the loss of his wife Sophie, from the officers and men of the Hicksville Fire Dept.

to us. Angels are yet another statement of God's love and concern for us, and for that we are most appreciative.

So this coming week as we do battle with temptation and the forces of darkness, as we travel around doing our daily routine, as we seek direction to serve the Lord, we will have company. The heavenly hosts will accompany us, leading, watching and protecting.

The more you know, the more you can save.
