Transportation - School - Library Vote On Dec. 15

On Wednesday, December 15th the voters of the Hicksville School District have the opportunity to vote for or against three propositions which could have an important impact upon our community and the services provided to community pupils and residents.

PROPOSITION 1 - TRANSPORTATION

The first proposition must be submitted to the voters as a result of a legal petition submitted by citizens asking that the Board restore the 1/2 mile "cuts" in Junior and Senior High School transportation service, so that pupils who reside over 1 1/2 miles from the Senior High School and over 1 mile from the Junior High School be transported in the same manner as last year. The Board would be authorized to levy an estimated \$10,000 tax to pay the costs thereof.

This means when the voters approved a no-growth budget for 1976-77, one of the ways in which expenditures were maintained at the prior year level was through a \$178,000 reduction in the transportation services appropriation. This meant that

pupils living less than 1 1/2 miles from the Junior High and less than 2 miles from the Senior High had to walk. The budget, with the reduced services, was approved overwhelmingly. After school began, a number of parents, who disapproved of such curtailed transportation service, submitted a petition which requires the Board of Education to resubmit this question to the voters. The Board believed that cuts in transportation would be less harmful than cuts in other educational services. However, voters have the right by legal petition to require a revote of such curtailment. If the service is now restored for the balance of the school year, it would cost approximately \$110,000. Since taxes have already been levied for this year, the added expense would have to be financed from operating funds available, and added to the taxes levied next year.

At the public hearing, it was pointed out that the Board has taken no official position, either for or against this proposition. The Board believes that such transportation can be provided if the people wish to pay for it.

Elementary (K-6) pupils were not affected by the cuts. Estimated Cost: \$110,000.

PROPOSITION 2 - FEDERALLY FINANCED CONSTRUCTION PROJECTS

In an attempt to relieve high unemployment and particularly unemployment in the construction trades, the Congress passed a federal public works program, and re-passed it over a Presidential veto. The act provides for 100 percent federal funding of the costs of various types of public works at the national, state and local levels.

The local community must provide suitable sites and the preliminary costs of submitting the necessary applications. It is the desire of Congress that such unemployment relief projects get under way as quickly as possible, and preference is given to those "on the shelf projects" which can be started within 60-90 days.

The Nassau County area may receive some such funds. However, it has been ruled that New York State school districts may not apply for these funds without a favorable vote by the local citizens, even though the

3 In Race For Fire Commissioner

There will be an election for Fire Commissioner at the Hicksville Fire Headquarters on East Marie Street on Tuesday, December 14th with voting hours from 7 p.m. to 10 p.m.

Three residents are running for this position: Incumbent August W. Jud who has served as Fire Commissioner for the past ten years, Former Chief Mario Misturini who has

served in the Dept for many years, and Robert Dwyer, who is a member of Emergency Company No. 5 in the Hicksville Fire Dept.

To qualify as a voter in this election you must have been registered with the Board of Elections to vote at the last general election held on Nov. 2, 1976 and must reside in the Hicksville Fire District on Dec. 14th, the date of this election.

Galileo Lodge Raises

Funds For Children's Party

The Galileo Galilei Lodge No. 2253, Order Sons of Italy in America, of Hicksville, held its Fifth Annual Christmas Party on December 4, to raise funds for its fourth Annual Christmas Party for Retarded Children.

Venerable Anthony Monteforte stated, the party was a huge success and hopes for a bigger and more successful party next year. He wished to express his

appreciations to the many friends, guests and members of the Lodge who attended.

He wished also to thank Joseph Iannotti, Raymond Moffitan and Joseph Giordano, Co-Chairmen of the Entertainment Committee and its members; also Frances Ausiello, President of the Galileo Galilei Ladies Auxiliary and members of the Auxiliary for a job well done.

Merry Christmas.

HFD Open House Draws Over 2,000

By Ex-Capt. Owen Magee

The annual Hicksville Fire Dept. Open House Fire Prevention Program was attended by over 2,000 people. Santa and His Helpers plus demonstrations by firemen and

equipment displays made for a busy afternoon, even the weather co-operated.

A Message From Your Library

On December 15 a District Referendum will be held seeking approval of the taxpayers on three propositions submitted by the School Board. Proposition 3 authorizes the installation of a system of ramps, elevators and handrails to provide ready access to library facilities for the elderly and physically handicapped. Propositions 2 and 3 seek approval to proceed with projects only if the proposals are selected for funding under the Public Works Employment Act of 1976. The Library Board urges approval of this project which, if funded, will provide the handicapped with the same quality of service now enjoyed by his fellow citizens and taxpayers. The project in no way will adversely affect the present services available, nor entail large sums of money for maintenance of equipment.

The Hicksville Public Library was one of the libraries surveyed by the firm of Scheiner and Swit, Architects for the Nassau Library System in 1975 to determine what was needed to remove architectural barriers from the library. Their recommendations included elevators, handrails, ramps and modification of the public toilets and telephone. This survey is being used for Proposition 3 and has been endorsed by the Eastern Paralyzed Veteran's Association, the Arthritis Foundation of Nassau Suffolk, the Muscular Dystrophy Association and other groups of the disabled. The handicapped, according to most estimates, number 10 percent of the population and have, until recently, been ignored or neglected by legislators, administrators and builders when planning public buildings, theaters, offices, restaurants, etc. The entire lower level of the Hicksville Public Library, in-

cluding the children's library and the meeting rooms are inaccessible to people with chronic heart conditions or who are confined to wheelchairs. Again, please note "the referendum grants permission to complete the project, only if selected for

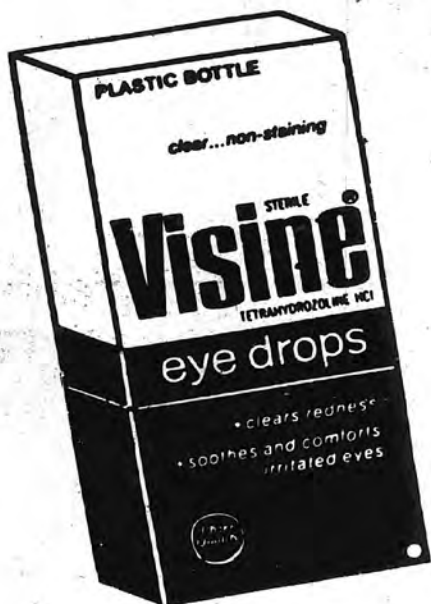

funding by the federal government. No present or future funding will be used or requested from the library's operating budget.

Please vote YES on December 15th. At your local school from 10 a.m. to 10 p.m.

Shown at recent 50th Anniversary Celebration of the Hicksville Public Library are Joan Jones, President of the Friends of the Library, Paul Goldberger and Elery H. Benn, Library Trustee. Mr. Goldberger graciously donated the Silver Tea Service to the Library in memory of his wife Emalie, who died last year. (Photo by Robert Berkowitz).

Opening Ceremony

"HEARTY" OPENING: It's a "hearty" ribbon cutting ceremony at the recent opening of the Laet's Hallmark Shop in the Woodbury Shopping Center, Hicksville - especially since the "ribbon" will be donated to the American Heart Association-Nassau Chapter, (center) Nat Schmaltz (Plainview), Chairman of the Central General Stroke Club is shown doing the honors as Mr. & Mrs. Leslie Windisch, proprietors of the Shop join in the ceremony. The money will be used to help support the life-saving educational, research and community service program of the American Heart Association-Nassau Chapter.

Christmas Concert

CHRISTMAS CONCERT: Mr. Charles F. Boehm, Choir Director of Trinity Lutheran Church in Hicksville, leads the Adult Choir at Trinity's annual Christmas Concert at Mid-Island Plaza. On Thursday evening, December 16, from 7:45-9:00 p.m., the members of Trinity again invite the Mid-Island community to rejoice at Christ's birth as the choirs sing at the Plaza.

Christmas Boutique

On Monday, Nov. 22, the annual Our Lady of Mercy School Christmas Boutique was held, and, as usual was a huge success. The quality and variety of items on sale was great, and the prices unbeatable. Everyone worked very hard to make this the biggest money raising event of the year for Our Lady of Mercy School. Pictured are members of the cake sale committee (left to right), Betty DeSalvo, Marie Saitta, Pat Quinn, Carol Kokol and Terry Gagliano.

CAPA Sponsors Two Children's Theatre Productions

Oyster Bay Town youngsters will have their choice of two fine theatrical performances on Saturday, December 11, when the Town's Cultural and Performing Arts (CAPA) Division of the Department of Community Services sponsors "Aladdin and the Magic Lamp" and "Young Mark Twain."

Town Councilman Howard T. Hogan, Jr. announced that "Young Mark Twain" will be presented at the Plainview-Old Bethpage High School, Central Park Road, Plainview, at 11 A.M. Performed by the PART Foundation, Inc., a professional children's theatre group, the play is being co-sponsored by the Parkway, Joyce Road P.T.A. which is charging a 75c admission fee to defray costs.

A musical adventure based on Twain's Life on the Mississippi, "Young Mark Twain" brings together two characters, young Sam Clemens and Old Mark. The plot involves them in an escapade with river bandits aboard a Mississippi steam boat, and there are plenty of close calls before justice finally triumphs.

"Aladdin and the Magic Lamp" will be presented at the Oyster Bay High School, East Main Street, at 2 P.M. Performed by the Gingerbread Players and Jack, a professional children's

theatre company, the play is being co-sponsored by the Berringtonham and Roosevelt School's P.T.As. An admission of 50c is being charged by the P.T.As to defray costs.

Based on a story from "Tales of the Arabian Nights," "Aladdin and the Magic Lamp" depicts the adventures of a young man who discovers the secret of a magic lamp. Set to music, the play portrays Aladdin's encounters with an evil magician, a gorilla

and finally the Princess of Baghdad whom he has dreamed of marrying.

"CAPA is delighted to bring professional children's theatre to Oyster Bay," Hogan commented. "Both productions have all the ingredients to make them culturally enriching and entertaining experiences for everyone."

For further information, contact CAPA Superintendent Lois Manning at 922-5800 Ext. 245.

THINK SNOW!

Some people like snow. Some don't. Whichever category you fall into, the Town of Oyster Bay knows that you don't want to be inconvenienced by it. Our Highway Division will plow and sand your street whether you're off to the slopes or off to work. All we ask is a little help. When snow is predicted, or when snow is first spotted, park your car in your driveway. That simple move alone will double the speed of our snow removal operations. Then, with the roads clear, you can take off to the slopes or to work. Whether you like snow or not.

If a road must be cleared immediately to permit access by an emergency vehicle - Ambulance, Fire Truck, etc. - call the Town Emergency number. But, please, only in emergencies.

Dear Friends...

A nighttime drive to the Bethpage State Park golf clubhouse is a "must" this holiday season—especially if there are young children in the family. One thousand colored lights have transformed the clubhouse flagpole into a giant shining Christmas tree which will light up the sky every evening throughout the holiday season. An added visual treat for the youngsters are the 10 foot high "Snow flakes" couple standing under the tree.

The golf clubhouse can be reached via the Bethpage State Parkway (Exit 30 from Southern State Parkway) or via the Seaford-Oyster Bay Expressway (Powell Avenue exit).

As you will be reading on another page in this issue, the third Hope For Youth group home has opened this week in Plainview on the grounds of Nassau County's Plainview office complex. The first two homes are not located in our areas, but it is good to hear that now even more young people, between the ages of 10 and 16 are going to receive a home and help in developing into responsible adults. Judge Elizabeth Bass Golding, a friend of many years' standing, brought this Hope For Youth Program into existence. She struggled for years to help these children where no help was available for them. Her understanding of these children's problems, her compassion plus her persistence finally resulted in success and "Hope For Youth" now exists and is growing. It is inspiring to know such an individual.

County Clerk Harold McConnell tells us that the Motor Vehicle Bureau and its branches will be closed on Christmas Eve and New Year's Eve, Dec. 24th and Dec. 31st. He also advises motorists to renew early and by mail to avoid the last minute rush and standing on long lines as the month of December is one in which we have a very large volume of automobile registration and driver's license renewals.

CORRECTION: We incorrectly identified senior citizens visiting the Gregory Museum in a picture caption in last week's HERALD. The group came from the Holly Patterson Home in Uniondale. Sorry.

During this coming week Hicksvillians have two opportunities to vote. On Tuesday, Dec. 14th, for Fire Commissioner and on Wednesday, Dec. 15th for several propositions explained again on page one of our Hicksville edition. **DON'T FORGET** to vote, folks.

Public Works Commissioner H. John Plock Jr. suggests that we all keep two telephone numbers handy. "IV 5-4422 is the number to call to find out if an official snow emergency has been declared," Plock said, "IV 3-6208 is for reporting the location of a major snow accumulation, dangerous icing, downed trees or other dangerous highway conditions."

THAT'S ALL FOR this week. Stay well and remember the old adage and driving instruction, "It is not good to argue the right of way from a hospital bed." Sheila Noeth

LETTER TO THE EDITOR

Gentlemen:
Re: Community Facilities
The Plainview Old Bethpage Area is noted, among other things, for its lack of full time community facilities and for its high school tax rates.

The voters of our community recently took a giant step towards solving the first of our problems, somewhat abating the second, by approving the sale of the Fern Place School to the Mid-Island Y.M.H.A. for the purpose of constructing a full service facility on the site of the existing Fern Place structure.

Many residents of the Town of Oyster Bay, including those within and without the Plainview Area, have indicated their support of the "Y" by subscribing to its building campaign which will provide a beneficial facility to the community at no cost to the tax payer body. In my opinion, even those who do not belong to the "Y" or participate in its program, will benefit from them just by the fact that children and young adults will be given a place to socialize and participate in activities which are not available to them elsewhere in the Town of Oyster Bay on an ongoing supervised basis, and from the various programs which it is hoped will be available to our community members, as well as members of the "Y".

It is essential to the success of the "Y" that the Town Board, when it convenes to pass upon the Application for a Special Use Permit for the "Y", grant the Permit without hesitancy or restriction so that the "Y's" program can be undertaken expeditiously.

Very truly yours,
Gerald Goldstein

Gentlemen:
Due to the recent articles appearing this week in the newspapers concerning contaminants in wells surrounding Grumman Aerospace Corporation, the Board of Commissioners of the Hicksville Water District called a special meeting December 4, 1976 and had their consulting Engineer present.

We wish to inform you that we have sent a notice to our consumers notifying them that the well in question has not been used for the past eight (8) years except for sampling and monitoring.

The Board of Commissioners

would appreciate publication of the action taken on their part in order to ease the minds of people in our District.

Thank you for your cooperation in this matter of Public Interest.

Very truly yours,
Hicksville Water District

TO THE EDITOR:

At a recent hearing in the later part of October, an application requesting a change of zone for a shopping center was heard. I have heard nothing as to the outcome of this proposal. I would like to take the opportunity at this time to express my views. I am one of 15,000 construction workers in the Town of Oyster Bay and with their families represent 37,000 votes. Over recent years it seems that our local Boards have been yielding to the more vocal voters rather than ours as to local zoning matters. It seems that the Boards are not aware of the desperate state that has plagued me and my association over the last several years.

Application upon application has been denied due to the effect and pressures put upon the Board by special interest groups immediately involved with these applications. It is time that I and my associates take issue with the reasons for denial of these applications. What the Boards and special interest groups have lost sight of is that what is good for construction workers is good for the Town of Oyster Bay. For example, if this shopping center were built the effect upon Oyster Bay will be as follows:

During the years of planning and construction approximately 200 construction workers and professional people will be employed. Also, the Building Department in the Town of Oyster Bay will be kept busy due to this construction.

When the project is completed 235 full time and part time workers will be employed at the shopping center, approximately half will be women.

Also, policemen, firemen, garbage workers, landscapers, all will receive additional employment. All these workers, some of which are now unemployed will receive incomes to buy homes and goods within the Town of Oyster Bay. The spending of these additional income dollars will employ by

stimulating the market hundreds of additional jobs. This thrust in our economy is so desperately needed, which will stabilize our taxes and make Oyster Bay a viable place to live. The shopping center will have a minimal impact on the roads and immediate area, so listen to the needs of the construction worker instead of special interest groups because that is what is good for Oyster Bay.

Very truly yours,
Glenn Kerbs
Business Representative

Dear Friends,

On Wednesday December 15 (from 10 a.m. to 10 p.m.) you will have the opportunity of voting for 3 propositions. The Friends of the Hicksville Library heartily support Proposition No 3 which in essence will remove all architectural barriers which impede handicapped and elderly citizens from using the Library's facilities. The cost will be fully funded by the Federal Government. The Friends have worked for several years to attain the above goal. We realized it would take years of arduous fundraising activity to attain our goal. Now that the remarkable possibility exists that the Federal Government will supply the funds, we urge all voters to vote "yes." At our recent meeting we unanimously voted, "That the Friends of the Hicksville Library contribute \$2,000 for the drawing up of detailed plans for the removal of architectural barriers at the Library to facilitate the use of the Library by the handicapped."

We want to thank all community members and groups for their gracious support of our fund raisers. A special thanks to the Independent Art Society who donated* the proceeds of their lovely Bicentennial Art Show to us. The Library has faithfully served and reflected the intellectual and cultural desires of this community for 50 years. By voting for Proposition No 3 on Dec. 15 you will positively affirm **READING IS FOR EVERYONE.** Thank you all.

Sincerely yours,
Joan Jones,

Dems Initiate "Project Early Bird"

The 1977 campaign has already started for Town of Oyster Bay Democrats.

Town Democratic Chairman James A. Weir has announced the formation of a "Project Early Bird" Task Force to lay the groundwork for a successful 1977 Democratic Party campaign for Town Supervisor, Town Board and Town Clerk. Chairing the Task Force will be Joseph F. Rohan of Hicksville.

According to Rohan, the Task Force will focus its efforts on solving two perennial Democratic campaign problems - fund raising and voter communication. "We think that we've got an important message for TOB homeowners and taxpayers," Rohan noted. "We feel that they simply aren't getting a fair shake from the Republican Town Government. Unfortunately, our recent lack of success in Town-wide elections can be directly traced to our failure to reach the average voter with this message. With proper planning and an early start we believe things will be different in 1977."

Democratic Chairman Weir has high hopes for the Task

Force. "1977 promises to be a banner year for our local Democratic Party," Weir stated. "Project Early Bird will give us a head start."

Other members of the Project

Early Bird Task Force are Tom Stivala of Plainview, Robert Bruni of Massapequa, John and Anne Maniec of Hicksville, Mike Polansky of Plainview and Jim Fouassier of Hicksville.

At The Town Board Meeting

by Gerry Kahn

Owen Walsh, Deputy Supervisor of the Town of Oyster Bay, chaired the Town Board Meeting held on Tuesday, December 7th.

This was the first meeting since January 1971, 274 consecutive meetings, that was not conducted by Supervisor Burke.

The Supervisor was attending a Judicial Seminar held by N.Y. State that was mandatory for him to attend relative to his newly elected position as Judge of the Supreme Court of the State of New York.

The agenda contained 14 items. The first, a hearing on the Petition of Penthouse Estates, Inc. was for a change of zone from Bus G to Res E District at Bethpage, s s Kearney Ave., 130 feet w o Stewart Ave.

The petitioner was represented by counsel, Bertram Corin.

The petition, if approved,

would permit the construction of 3, 2-family homes on the subject property. The decision of the Town Board will be made based upon the outcome of a Dec. 16th Hearing before the Zoning Bd. of Appeals.

There were no comments in opposition to the petition. The balance of the agenda was completed in quick succession.

An attempt to recognize Pearl Harbor Day, the day of Infamy in American History, was slightly less than futile, as no Board member insisted that a moment of silence be observed.

Among the speakers that addressed the board in the informal meeting that followed adjournment were Judy Jacobs and Carol Fishman.

Mrs. Jacobs spoke relative to a Town Right Of Way as an access route to the Hicksville R.R.

Station since the pathway that has been utilized by commuters for years has been recently blocked off. She mentioned that her civic group was strongly opposed to any further curb cuts onto Woodbury Rd. on the Froelich Farms Industrial Park end mentioned a temporary blockage of an access road to Jericho Turnpike in the Crossroads Ind. Park by the Tilles group.

Mrs. Fishman spoke relative to the methane gas at the Bethpage Landfill and the newly devised system of converting the gas to energy.

She mentioned the dire need for Caution, Curve and other traffic signs to relieve the safety hazards on Washington Ave. in Plainview.

The morning meeting was concluded at 11:20.

TOB Table Tennis Tourney

Table tennis enthusiasts can register now for the Third Annual Town of Oyster Bay Table Tennis Tournament, it was announced this week by Town Councilman Joseph J. Saladino.

The Tournament, which is open only to Town residents between the ages of 10 and 18, will be held at the Marjorie R. Post Community Park Center, Unqua and Merrick Roads, Massapequa, on two days: Tuesday, December 28, for ages 10 through 14, and Wednesday, December 29, for ages 15 through 18. Competition will commence at 10 AM on both days. Equipment will be provided.

Pre-registration is required. Forms may be obtained at the Town's Department of Parks and Recreation office, 800 South Oyster Bay Road, Hicksville; at the Community Park offices (Bethpage, Plainview-Old Bethpage, Syosset-Woodbury and Marjorie R. Post) and at Town Park offices (John J. Burns, Massapequa, and Ellsworth Allen, Farmingdale). They must be returned to the Parks and Recreation Department no later than Monday, December 20. There is no fee.

For further information, call 433-8810.

Scouts Plan '77 Jamboree

According to Roger Lewis, Council Jamboree Committee Chairman of the Nassau County Council, applications for the 1977 National Scout Jamboree are available at the council office for those scouts who wish to attend.

The jamboree, to be held August 3-9, 1977, at Moraine State Park near Butler, Pa., just 70 miles north of Pittsburgh, will be attended by slightly more than 31,000 boys from across the country.

Lewis said, "We have set our qualifications rather high so that

boys with outstanding records and leadership potential will attend." Afterward those who attended will share their experience with various troops in the Nassau County Council.

Thousands of Scouts will be involved in a week of working, learning and living with Scouts from all 50 states and over 300 brother Scouts from most of the 109 member nations of the world Scouting movement.

Lewis said, "This is going to be the 'summit conference' of Scouting."

Receive BSA Silver Beaver Awards

Seven hundred attended the Annual Recognition Dinner of the Nassau County Council, Boy Scouts of America, held recently at the Crest Hollow Country Club, Woodbury.

Sixteen Silver Beaver Awards were presented at the dinner. This award is made for noteworthy service of exceptional character to boyhood by registered Scouts, Cub Scouts and Explorer leaders within the territory under the jurisdiction of a local council.

Among those who received this award were Robert Greenbaum, 16 Woodcrest Rd., Hicksville, Alex Gruenwald, 57 April Lane, Hicksville, and Irving Schrom, 16 Keswick Lane, Plainview.

Mr. Greenbaum served as an Assistant Scoutmaster of Troop 293, sponsored by the Hicksville Methodist Church, for twenty three years. Two years ago he became its Scoutmaster. He is also an active member of his church, serving as Head Usher, Finance Committee member, Sunday School Teacher and Youth Retreat Counselor.

Mr. Gruenwald has been Advisor to Explorer Post 800 for the past sixteen years. In addition, he served for four years as Advisor to the Explorer President's Association. He further served as a Girl Scout Leader. He is a Gregory Museum Volunteer, an Editor of Monitor, a Little League Manager and

Chairman of the Institute of Electrical and Electronic Engineers as well as its Vice President for the New York Section.

Mr. Schrom has served as a Scouter in Unit, District and Council wide service. He has been a Pack Committee Chairman, Troop Committee Chairman, Scoutmaster, Commissioner, District Scout Chairman and District Training Committee Vice Chairman. He was a Little League Coach for four years, a Red Cross First Aid Instructor for ten years, and has served on Red Cross, Cancer Care and Heart Association fund raising campaigns.

BOCES Hotline Offers Help

Where can parents turn for help for a handicapped youngster--or for one they suspect might be handicapped? In Nassau County, they can now turn to the Child Find hotline, a new service offered by the Nassau Board of Cooperative Educational Services (BOCES). The hotline will be handled by Mrs. Ann Oppman, a BOCES staff member and learning disabilities specialist. She will be able to tell parents where to find

diagnostic testing, clinics, health centers, public and private agencies and schools, and other available services in the county. All calls will be treated confidentially.

The purpose of the Child Find hotline is to locate handicapped children from birth to age 21 who need educational services but are not receiving them. It is estimated that there are approximately 8000 such children in Nassau County.

It is hoped that, through the hotline, unserved handicapped youngsters of all ages can be identified and aided. A special effort will be made to serve infants and pre-schoolers who, with early help, may be able to avoid possible learning problems or inappropriate placement when they get to school.

The hotline number, 333-3463, the last four digits of which spell FIND, can be reached weekdays between 9 a.m. and 4:30 p.m.

GIRLS DIVISIONS

In the girls intramural program, there was exciting competition in all divisions. All teams were evenly matched and the girls played extremely good soccer.

PEE WEE DIVISION (under 10)

The final standings in regular season play were: POSITION

TEAM	COACH
1. Bluebonnets	M Nathan
2. Carnations	S Kugler
3. Mistletoes	T Manaskie
4. Magnolias	Mr D'Arqua

In the semi-finals, the 4th place Magnolias fought hard and defeated the first place Bluebonnets 1-0 in a very close contest, and the second place Carnations won out over the Mistletoes. The Championship game was another close match and all the marbles were brought home by Sandy Kugler and her bouquet of Carnations 1-0. Congratulations to all the girls and their coaches on a fine season.

MIDGET DIVISION (under 12)

Regular season standings: POSITION

TEAM	COACH
1. Irises	D Conway
2. Appleblossoms	P. Hawkins
3. Wild Roses	J. Murray
4. Orangeblossoms	E. Lavacca

In the semis, the Irises and Appleblossoms emerged the

victors by 6-2 and 2-0 scores and readied themselves for the Championship game. The key to the "Big Apple" went to Pat Harkins and his Appleblossoms. The final game was a nail-bitin' 3-2 contest and both teams deserve a big round of applause.

GIRLS DIVISION (under 14)

Regular season standings:

1. Goldenrods
2. Violets
3. Poppies
4. Camelias

This division was very tight and all final games were won by

the same score, 2-0. In the semi-finals, the Goldenrods defeated the Camelias and the Poppies beat the second place Violets. In the Final, the pot of gold went to coach McCarthy and the Goldenrods over the Poppies, coached by Mr. Carroll - again by a 2-0 score.

Girls in all divisions played well as indicated by the close scores in all playoff games and a sincere congratulations and thank you goes to all the coaches and players who made this program a huge success.

Hicksville American Soccer Club Wins Tournament

On the weekend of December 4 and 5 the Hicksville American Soccer Club held its 7th Annual Pee Wee Indoor Tournament. The Tournament started on Saturday with sixteen teams from 10 different soccer clubs.

By the end of the first qualifying round it was obvious which two teams would meet head on in the finals, those two teams being Hicksville and Island Trees.

At the end of Saturdays qualifying rounds, the Hicksville team, under the direction of coaches Joe Neto and John Harris were in first place undefeated with four wins and one tie, scoring 10 goals and giving up only one goal.

On Sunday the boys came back well rested and ready to play more soccer. The Hicksville boys again showed what they were made of as they again won their four games and out scoring all the qualifying teams to remain in first place after the quarter finals.

In the semi-finals Hicksville drew a very tough Deer Park team, a team which Hicksville played to a zero-zero tie in the qualifying round. However, the flawless defense of Chris Beach

and Greg Skupinsky and the aggressiveness of the offense paid off as Berto Cerasi put the ball low in the left corner on a pass from the most valuable player in the tournament, Peter Thompson. The team held on to the one goal margin to go into the finals.

The finals was a real classic. Both teams came out determined to win the tournament. It was a fierce battle on both sides of the gym, both teams putting pressure on their opponent. However, it seems that the tougher the competition the better the Hicksville boys played. Mid-way in the first half on an indirect free kick T. Boccafola passed the ball back to full back Greg Skupinsky sending a line drive shot 3/4 of the length of the field into the net. The goalkeeper never had a chance. The boys kept their poise and played superb for the rest of the game protecting their one goal lead.

Congratulations to all the boys. They were all super and they are all worth mentioning. Vincent

Ataki, Chris Beach, Thomas Boccafola, Berto Cerasi, Cliff Hiller, Darren Nathan, Greg Skupinsky and Peter Thompson.

SEEN AT THE SCENE: at one of the greatest social events of the year, held recently to honor East Street School principal John A. McGovern upon his retirement, we see just a few of the 250 who gathered to honor this much loved educator. In the upper left we see the McGovern family ... in the upper right are Mr. and Mrs. McGovern and Mr.

and Mrs. Don Abt ... in the lower right Mr. McGovern exchanges pleasantries with Supt. of Hicksville Schools Dr. Fred Hill ... while on the lower left we see just a section of those who danced til dawn(?) on this auspicious occasion.

Citations from all levels of government, local, state and

national were presented to Mr. McGovern at this testimonial dinner, plus recognition from the Hicksville School District and the Commissioner of Education. And, most of all were the good wishes expressed by his many friends. Surely no one entered into retirement surrounded by more affectionate good wishes, sincerely meant by all.

SAVE HOME IMPROVEMENT RECEIPTS

Many homeowners are expanding or improving their present homes instead of buying new ones. The New York State Society of CPAs advises that when you remodel your house,

save all receipts and other proof of outlays. These expenses can increase your cost basis, thereby reducing the capital gain tax you ultimately may have to pay.

JONAH

Perhaps you have had the same experience that I have when I read the comics. I cannot help but identify with some of the characters. If you read Peanuts, how can you not help but identify with Charlie Brown every time Lucy pulls the football away from him? It reminds you of yourself every time you are taken. And who does not read the stories of the Bible without seeing himself reflected in them? We can see ourselves in uninvolved Jonah, who when he hears "Arise, go to Nineveh," hotfoots it for Joppa to catch a slow boat heading in the opposite direction for Tarshish?

Jonah's determination not to get involved still has a lot of appeal among today's Christians. Family frictions, an unchurched community, billions of bellies exploding with the pain of hunger - all Nineveh's - and how we wish we could climb into a boat's hold,

go to sleep, and avoid them. But God calls us to care, and caring takes time. Caring takes preparation and hard work. Caring takes giving. Caring demands involvement in a world without guarantees - a world full of problems.

There's just no escape for Jonah. God had a plan for Jonah's life, and going in the opposite direction of that plan made no difference. God raised a storm, provided him with the shoot straw, and gave him lodging in a specially equipped fish. Jonah had three days to think things over in most unusual surroundings. He did a lot of praying before the fish spit him up on the beach. And even before Jonah dries out there is the Lord calling Jonah to care enough to go to Nineveh. But this time Jonah went. He still realized that it's trouble to care but now knew it was more trouble not to care.

The Call of God to us who serve Him is always a call to care. People are hurting both within the Church and without - people for whom God cares. Jesus came to our earth because people were suffering from the consequences of their sins. There is joy in following Jesus, but there is also suffering, for evil does not stand idly by when under attack. To follow Christ means to be involved with people - their needs, and their hurts. Caring for one another takes time, our time; it takes energy, our energy; it takes giving, our giving. That God in Christ cared for us is known. Even Jonah knew that God cared for him. But do we appreciate it? And if so, how much? And if "much," then how will we respond to God's caring?

Every day a boat embarks for Nineveh; Jonah missed it the first time around - will we be on it?

Christmas Services

Sensing the pressure of approaching Christmas. The crowded stores, the nightmare of shopping, the greed for gifts, the tinsel and make-believe Santas and overpowering commercialism. New residents and visitors are welcomed to join the United Methodist Church of Hicksville in their Christmas Services. Sunday morning worship at 8:15, 9:30 and 11 a.m.

Sunday December 19 at 6 p.m. "The Beauty of Christmas" will be celebrated with an informal sing-a-long, Christmas poetry and special numbers from the choirs. Child care will be provided for pre-school children but older children will enjoy hearing and singing the carols.

Carols and Candlelight Christmas Eve Services begin at 7:30 and 10:30 p.m. with organ music for a half-hour before the services start at 8 & 11 p.m.

The need of the Christmas message was never so great, the need for joy, giving and loving, the need for faith in God Eternal. The ways of men lead nowhere. There remains only one way - the way of Him who was born a Babe in Bethlehem. Come, join us. The church is located on the corner of Old Country Road and Nelson Ave in Hicksville.

Committee To Meet

The Educational Goals and Objectives Committee, of the Hicksville Board of Education, will hold its next meeting on Monday, December 13, at 7:15 p.m. in the Board Room of the Administration Building, Division Avenue, Hicksville. The public is invited.

Holiday Boutique

The East Street School PTA will hold its second annual Holiday Boutique from Monday, December 13 through Thursday, December 16 for the benefit of the John A. McGovern Media Center. A wide assortment of gifts suitable for both children and adults will be available at very reasonable prices.

Children will have an opportunity to make their purchases during their scheduled lunch hours on Monday, Tuesday, Wednesday and Thursday. Adults will be able to make their selections Wednesday evening at the school district election and Thursday evening at the PTA meeting.

Lessons And Carols

Would you like to be part of a truly traditional, religious, Christmas service? Holy Trinity Episcopal Church of Hicksville extends to you an invitation to a candlelight service of Lessons and Carols on Sunday, December 12th at 5:30 P.M.

In appreciation for the many favors granted by the Episcopal Church and the Community, the Singing Boys of Long Island will participate.

The flickering of candles; the blending of boys voices; the

aroma of incense all enhance a spiritual uplifting - an ideal way of having your family start the Christmas Season.

The Holy Trinity Episcopal Church is located at 130 Jerusalem Ave. (corner of Old Country Road) in Hicksville.

Some people believe that dew gathered on midsummer night restores the sight.

Girl Scout Carolers

Girl Scouts will be making Eisenhower, Cantigue and Christopher Morley Parks ring with caroling as they decorate Christmas trees for the holiday season. Local scout troops will provide their own selection of song and method of tree adornment.

The Nassau County Department of Recreation and Parks welcomes the scout troops and invites the public to join in the pre-holiday event on Tuesday, December 14, at Christopher Morley Park at 4 p.m.; on Saturday December 18, at

Cantigue Park at 3 p.m.; and at Eisenhower Park at 2 p.m. The Eisenhower Park event has a rain date set for the same time on Sunday, December 19.

Vamps Meet On The Ice

By Ex-Capt. Owen Magee

Members of the Hicksville & Jericho Fire Dept. met Thanksgiving eve for their 2nd annual hockey game. The 11 P.M. game held at Cantiague Park drew a good size crowd from Hicksville, but the cheers were in vain as the Hicks went down in defeat 7-2.

The Jericho team led by coach/manager Rich Drab took an early lead. Tom Casey scored 3 goals, while Ron Dechent, Tex Zulkofske, Mike Cvinar, Ralph Barrea scored 1 goal each. Goalie Charles Keinath did a super job. His biggest job was keeping Hicksvilles Bill Kelly out of the net. Kelly got over the goal more than the puck.

The Hicksville team was led by manager coach Vic Nawrocki. Goals were scored by Bill Kelly and Ken Brady. Vic says next year, he's going to let them wear ice skates. Ambulances will be standing by, and when this goes in print, I'll need one.

Appointment

Mr. Frank Goban of Hicksville has been appointed sales representative for the domestic operations of American Polymers, Inc.

Mr. Goban earned his Bachelors Degree in Chemistry from Fordham University. Formerly with PMI and Monsanto, he has held many positions in the plastics and plastic processing industries.

Mr. Goban is a resident of Hicksville, Long Island, where he lives with his wife Mildred and their five children, Christine, 22, Judy, 19, Jean Marie, 13, Matthew, 16, and Robert 17.

Fire Report

By Ex-Capt. Owen Magee

HOUSE FIRES A basement fire at 101 Dean St. caused considerable damage on November 23. Hicksville Vamps were called out at 7:42 AM for a hair dryer fire, or so they thought. Upon arrival vamps found a serious fire in progress and for the next 20 minutes put up with a lot of heat and smoke to douse the blaze. The probable cause was a hand held hair dryer left laying on a couch. Vamps led by Chief Roy Schaaf suspect a short circuit in the dryer.

Third Group Home In Plainview

County Executive Ralph G. Caso has officially opened the third Hope for Youth group home in a rented cottage provided by Nassau on the grounds of the county's Plainview Office Complex.

This home, like ones in North Bellmore and Seaford, will accommodate children between the ages of 10 and 16 who have emotional problems and are in need of compassionate care to help rebuild their devastated lives.

"Were it not for the Hope for Youth agency" said Caso, "these hopeless, non-psychotic young victims would be left to languish in mental hospitals and other institutions and would be permanently lost to society. Thanks to Family Court Judge Elizabeth Bass Golding, who rallied a group of citizens to deal with the plight of these young victims of neglect, their bright lives are now filled with hope for the future."

Established in 1971, the Hope for Youth organization is a voluntary social service agency dedicated to establishing and maintaining group homes for rehabilitation of children with emotional problems. Believing that a child develops best in a family situation, the organization insures that each home accommodates only seven youngsters under the direction of house parents who attend to their physical and emotional needs.

Free Workshops At Bank

Tips on holiday decorating and easy entertaining will be featured at two programs set for December at the Woodbury office of The Roslyn Savings Bank.

On Tuesday, December 14, from 9 a.m. to noon, Katherine Irwin of A La Carte Caterers will be demonstrating easy-to-make party hors d'oeuvres and desserts. The results may be sampled on the spot and recipes will be available to take home.

On Thursday, December 16, from 9 a.m. to noon, Denise Thors of Gilheewinkles Boutique in Cold Spring Harbor will demonstrate how to construct a

table-top Christmas tree, show how to make a bread dough basket and tell the tricks of paper flower making.

Both demonstrations, for which there is no charge, will take place on a continuous basis in the Community Room of The Roslyn Savings Bank, 8081 Jericho Turnpike, Woodbury. Coffee will be served.

The Roslyn Savings Bank is Nassau County's oldest financial institution and has offices in Roslyn, West Hempstead, Farmingdale and Bellmore, as well as Woodbury.

Library Board Meeting

CUMMINGS 'N GOINGS ROUND-TOWN

by Jim Cummings

DID YA KNOW THAT the Town's annual Leaf Collection Program will end next Friday, December 17, 1976, as the Town's DPW forces ready for a change of equipment for snow and ice control. When the snow does come, please cooperate with the Highway Division and put your car in the garage or driveway, in order that this Division may have access to plow the roads in the incorporated areas of our Town. George Kinz, Superintendent of Highways tells the writer that his crews are ready for snow emergencies, if they come sooner than expected, as they have been in past years. The various divisions of the Department of Public Works are under the able direction of Frank J. Antonasso, Commissioner. These Town employees are your neighbors serving you.

WE HEAR THAT: John Duffy, National Secretary of the Ancient Order of Hibernians will make his official visit to Nassau County this Saturday evening, as the Commodore John Barry Division Eleven, Ancient Order of Hibernians salute Past President Pat Dowling at their 18th Annual Holiday Dinner-Dance, at the Joseph Barry Council, Knights of Columbus - music by Noel Kingston and his recording orchestra - call John Connolly at 938-1898 you might find a ticket or two - but that's about it... Supervisor John Burke, a member of our Order and newly-elected State Supreme Court Justice had a record of 274 consecutive hard meetings in attendance during his 7 years in office - he was excused last Tuesday as he attended a judicial

seminar in New York City - he will be sworn in this January - his fellow Hibernians and the writer wish him god speed in his new career of service.

ROUND OUR TOWN Congratulations to Joseph Colby of Massapequa Park, appointed by the Republican Town Committee to succeed Supervisor Burke - installation of Supervisor Colby is set for Tuesday, January 4. Town Board will hold a public hearing on Tuesday, December 14 as Cablevision Systems requests increase for basic service from \$5.00 per month to \$7.00. Town Clerk Ann R. Ocker announces that commencing January 2, 1977, her office will begin selling 77 Parking Permits, although the '76 permit is valid until February 28, next year so to avoid last minute crowding, why not plan to stop in

Mario Misturini

Mario Misturini is running for the office of Fire Commissioner in the Hicksville Fire District. He has recently served as Fire Chief of the Hicksville Fire Department. In the 20 years he has been with the District, he has had experience in all the workings of the Fire Department. A member of Chemical Company No. 3, he rose through the ranks starting as a volunteer fireman. He was elected by his fellow members to the 2nd Lieutenant for two years, 1st Lieutenant for two years and then to Captain for three years. On the administrative side, he has served as Secretary-Treasurer of the Rescue Squad. In addition, he has served as an

Assistant Fire Inspector for 15 years, 8 years of which he has served as Chief Fire Inspector.

A resident of Hicksville for the past 30 years, he is a dedicated volunteer firefighter.

Mr. Misturini has been employed by the New York Daily News for 32 years and has been a supervisor since 1958. He and his wife Lillian are the proud parents of six children - Anne, William, Nelson, Sai, Sue and Pat.

The election will be held on Tuesday, December 14, between 7:00 p.m. and 10:00 p.m. at the main fire house on East Marie Street opposite the Hicksville Theater.

News From Berkeley

The Berkeley School of Hicksville will hold its winter graduation exercises at the Marc Pierre Restaurant, Broad Hollow Road, Melville, on Thursday, Dec. 16, at 7 p.m. Graduates will receive diplomas in the professional, executive and intensive secretarial programs.

The Berkeley School will also hold a Christmas luncheon at Antun's Restaurant, Old Country Road, Hicksville, on Friday, Dec. 17, at noon. Joseph M. Margiotta, chairman of Nassau County Republican Committee, will be the guest speaker at the luncheon.

LIRR Commuter Hearing Set

A unique public hearing will be conducted on the MTA Operation of the Long Island Railroad on Saturday morning, December 11 in the Mid Island Shopping Plaza. The hearing, limited to taking testimony from LIRR commuters, will run from 10:00 A.M. to 2:00 P.M. and is being conducted by Assemblyman Lewis J. Yevoli, Chairman of the New York State Assembly Sub-Committee on Long Island Transportation.

"The public hearing on Saturday morning, December 11th has been scheduled for a time and place to encourage public participation," said Assemblyman Yevoli. "Every effort is being made to assure the attendance and participation of commuters. I have invited Assemblyman John J. Flanagan of Huntington to join the members of the sub-committee and representatives of commuter associations in listening to the testimony."

Evaluation of the present operations of the LIRR and a

A Special Christmas Show starring Noel Kingstone and Paddy Farrell, has been scheduled for Friday, Dec. 17 at the popular Stack O'Barley Irish Restaurant located at 646 South Broadway, Hicksville.

determination as to the extent of its service to the commuting public is the objective of the hearing. The Committee is anxious to receive testimony concerning the following conditions on the L.I.R.R.: schedule, safety, comfort, fares, funding, communications, security, incentives and responsiveness.

Those interested in presenting a formal statement at the hearing will be invited to speak on a first come - first heard basis. Further

information can be obtained by calling: 516-935-4131 or 516-249-3288.

The public hearing on December 11th is being limited to those who use the L.I.R.R. facilities. Public officials are being invited to present written statements in order to preclude their appearance at the hearing. Subsequent hearings will be conducted to take testimony from management and union officials. The Committee is also distributing a detailed questionnaire to commuters and will incorporate in its final report a compilation of its findings including responses to the questionnaire.

In addition to Assemblyman Lewis J. Yevoli, the following individuals are associated with the work of the sub-committee: Jules Bernstein of Old Bethpage is the Legislative Assistant to the sub-committee. He is President of the Central Island Commuters Association, a member of the Department of Transportation Commissioner's Council, a member of the MTA Study Committee and is Chairman of the Council of Commuter Organizations. George V. O'Haire of Lloyd Harbor is Counsel to the sub-committee and served as Deputy Supervisor of the Town of Oyster Bay.

AOH To Honor Pat Dowling

By Jim Cummings

Patrick Dowling of Hicksville will be tendered a testimonial in his honor this Saturday evening, December 11, at the Joseph Barry Council, Knights of Columbus, 45 Heitz Place. As a Past President of the Commodore John Barry Division Eleven, Ancient Order of Hibernians, he provided the leadership to continue the work of this order in the Hicksville community, which culminated with the fact that the Hicksville unit, now in its 18th year, continues to be most active, in community affairs, and involved in all aspects of charitable community work. He has served faithfully through the years in any assignments given him and there were many.

Pat and his wife, Madeline and family, moved to Hicksville 26 years ago, and presently reside at the same address. Watching his family grow, Pat became "involved" in the community first joining the Hibernians in its early years and helping it to steer a steady course to promote Irish culture. A member of the Joseph Barry Council, No. 2520 Knights of Columbus, the St. Ignatius Holy Name Society and a Hicksville Republican Committeeman for over 15 years, he has given much of his time and talent, for the benefit of many.

Festivities to honor Pat will get underway at 9:30 p.m., as Noel Kingston, (in person) and his recording orchestra kick-off the evening with the strains of the "Stack O Barley". Noel and his orchestra were booked a year in advance for this auspicious occasion.

John Connolly, Dance Chairman reports a SRO attendance with excellent food, refreshments and music until 1:30 A.M. A drawing for a 19" Color TV to benefit the J. Vincent Jones Memorial Scholarship Fund will be awarded during the evening. Chairman John Connolly says a "Cead Mile Failte" to all-join.

Salvation Army

Each Christmas, through its programs of social service, The Salvation Army provides new clothing, gaily-wrapped gifts, a modest check for turkey and trimmings, the rekindling hope and optimism for more than two-million needy-Americans. At the same time, spiritual guidance brings the light of faith into many darkened lives.

August W. Jud

August W. Jud, who has served in the capacity of Fire Commissioner of the Hicksville Fire District for the past ten years, is a life-long resident of Hicksville.

He has been an active member of the Hicksville Fire Dept. for over thirty years during which time he has served as Captain of Company No. 2, President and Trustee of the Volunteer Exempt Chiefs, New York Association of Fire Chiefs, Firemans Association, State of New York, Association of Fire Districts County of Nassau, Association of Fire Districts State of New York, Associate with Flame Free dedicated to the Resolution of America's Fire and Burn Accident Problems, member of Hicksville Elks Lodge and

member of the Manetto Lodge of Masons.

As a property owner Mr. Jud is concerned with good efficient service at reasonable cost and believes that the best for our Volunteer Firemen is the best for our Fire District.

Those who have watched him serve in many capacities through the years feel that his vast experience in the field of engineering has been invaluable through his years of service in many capacities, particularly as Fire Commissioner for the past ten years.

If re-elected Commissioner Jud has pledged himself to serve our community unselfishly where the lives and safety of our loved ones are at stake.

Robert Dwyer

Robert Dwyer is a member of Emergency Company No. 5 in the Hicksville Fire Department and in his years as a member has taken extensive training and has become an advanced medical technician.

He is a member of the Hicksville Rescue Squad and has served on many department committees, among them co-purchasing chairman of the Hicksville Fire Department's 48th Annual Labor Day Parade and Drill.

Bob Dwyer works for the Town of Oyster Bay and is a mechanic in the Highway Division. He deals with heavy equipment and

hydraulic pumps. He was elected chairman of the Grievance Board in the Highway Division of the Civil Service Employees Association.

If elected, Bob will use his knowledge of firematics and his business experience to maintain the high standards and good reputation of the Hicksville Fire District.

He is a member of the Nassau County and New York State Fire Associations and qualifies as an AMT. His family has lived in Hicksville for over 65 years. His uncles are members of the Fire Department. He is a graduate of Hicksville schools.

Named Hohner Credit Manager

Douglas H. Harknett

Mr. Douglas H. Harknett of Hicksville, has been appointed to the position of Credit Manager of M. Hohner Inc., announced Frank Hohner, president of the firm.

Mr. Harknett spent 15 years with the GAF Corporation of New York City. Mr. Harknett has done post graduate work in accounting, law and computer programming.

Well known for the Harmonicas, M. Hohner Inc., of Hicksville, is a major

manufacturer of musical instruments with a diverse line that includes guitars and other fretted instruments, electronic keyboards, percussion instruments for classroom education, amplifiers, microphones, accordions, melodicas and recorders.

Mr. Harknett and his wife Lena reside at 28 April Lane, in Hicksville, with their five children.

Win Awards

Barbara Katz of Briggs Rd., Plainview, was awarded second place for her entry in the oils and acrylics class and Helen Grella of Meadow Ln., Hicksville, won third place in the water color class in the art exhibit sponsored last weekend at Bethpage State Park by the Long Island State Park and Recreation Commission and the National Alliance of Businessmen, Long Island Metro.

The art exhibit was the first in a series of four events planned at Bethpage State Park as part of the 1976 Winter Arts Festival. A photography exhibit from December 9 to 12 and a crafts exhibit from December 16 to 19.

Circus Trip Planned

As a special treat, members of the Group Activities Program for the Handicapped, (GAP) and their families will enjoy the sights and sounds of a circus, it was announced this week by Oyster Bay Town Councilman Joseph J. Saladino.

On December 18, GAP members will attend the afternoon matinee of the Emmett Kelly, Jr. Circus at the Long Island Arena in Commack. An entire section of gallery has been reserved for them and their families.

A special attraction of the circus will be an appearance by Barnett Weiss, GAP Director, dressed as a clown. He will join

regular circus clowns and Santa Claus in entertaining the audience and handing out gifts to GAP members.

"Families rarely participate in GAP special events with their children," Saladino commented. "It is our hope that by having the parents come to the circus with their GAP children, they will be able to share the closeness and enthusiasm that is so much a part of the GAP, especially during the holiday season."

At a museum, don't feel guilty if you would rather spend 30 minutes in front of one painting than one minute in front of 30.

Birthday greetings go to Robert Proffe, Notre Dame Ave., HICKSVILLE. He celebrated his 5th on Dec. 6.

Mr. and Mrs. Joseph Alfieri Sr. of HICKSVILLE are happy to announce the engagement of their daughter, Nancy Lynne, to Mr. Philip Russo of Hilliswood.

Miss Alfieri is a graduate of Hicksville High School.

Mr. Russo is a graduate of St. John's University.

A Fall 1977 wedding is planned. Congratulations and best wishes.

Happy Birthday to Robert Dawson, Winter Lane, HICKSVILLE, who celebrated on Dec. 6.

Garnet Gay Hughes, daughter of Robert and the late Lee Dell Hughes of HICKSVILLE was joyfully married Dec. 4 at the Hicksville United Methodist Church to Michael Roddy of Staten Island. The couple plan to reside in Staten Island after honeymooning in California.

Joan and Sol Wexler of 20 Arrow Lane, HICKSVILLE just wish to keep all up to date on their three sons, Kenneth Andrew, Gene Lawrence, and Paul Dennis.

Kenneth is now a full fellow at Columbia University, heading for his Master's and Ph.D. in Chemistry.

Gene is a senior at Yale University and was just awarded his Phi Beta Kappa Key. He will be going to Law School after completing his term at Yale.

Last, but not least, Paul is now a freshman at Harper College at Binghamton.

Happy Birthday to Terri-Jo Caloia, Willet Ave.,

HICKSVILLE. She celebrated her 7th birthday on Dec. 6.

Mr. and Mrs. Louis Glazer, 114 Dean St., HICKSVILLE, and Mr. and Mrs. Roy Corell, 8 Colony St., HICKSVILLE, are the proud grandparents of a grandson, Daniel born Nov. 29 to Arlene and Howard Corell of Selden, N.Y.

Ruth Eberle, daughter of Mr. and Mrs. William Eberle, 9 Switzerland Rd., HICKSVILLE, celebrates her 12th birthday on Dec. 11. Happy Birthday Ruth.

We heard recently from former Hicksvillians Clarice and Herb Johnsen, who are now residents of Dunedin, Florida. Besides enjoying all the sunshine in Florida, they recently returned following a six day trip to New Orleans. They write that they enjoy receiving the Herald and keeping up with all the local news.

DeAnn Huttler, Harrison Ave., HICKSVILLE, celebrated her 4th birthday on Dec. 9. Happy Birthday, DeAnn.

Doll Exhibit

The Gregory Museum is featuring a delightful exhibit of dolls during this Holiday Season.

Entitled "Personalities On Parade" it is a display of dolls from the collection of Joan Amundsen of Hicksville.

Wonderful replicas of popular comic-strip characters, celebrities of stage and screen and the sporting world make this an exhibit for young and old.

The Gregory Museum is located on Bay Ave. and Heitz Pl. in Hicksville. It is open from 9 to 5 daily and 1 to 5 on Sundays.

Parents Meeting

Mrs. Sadie Hofstein, Executive Director of the Mental Health Association of Nassau County, will be the featured speaker at the next parents' meeting of the Hicksville Nursery School at the United Methodist Church on Monday, Dec. 13 at 8:30 P.M.

The school is located at W. Cherry St. & Nelson Ave. and is inviting members of the community to their meeting. A \$5.00 charge will be made to non-members of the school for coffee and cake.

For information, call Ann Jensen - 997-7128.

CARE Holiday Gift Plan Aids Needy Overseas

"As the holiday season approaches, CARE is providing a special way for people to send greetings to family, friends and business associates while at the same time helping needy families overseas," Frank L. Goffio, executive director of CARE said this week.

He was announcing the international aid and development agency's seasonal gift card plan.

"The cards let each person know that you have given in his or her name to help needy families in developing countries in Asia, Africa, Latin America and the Middle East. Through CARE your gift helps provide nourishing food for hungry children, materials to build rural schools, equipment for villagers to construct water systems, tools and equipment for struggling farmers to grow more food and other self-help projects. And through CARE MEDICO you help send teams of doctors and nurses to teach better health care

and more modern medical practices in remote areas," Mr. Goffio explained.

Send the names and addresses on your list with a minimum contribution of \$2 for each name to CARE, Dept. HOL, Tri-State Regional Office, Box 570, New York, N.Y. 10016. Allow ample time for mailing.

"Through these greeting cards you can do a lot more than you think," Mr. Goffio said. "For example, \$5 serves up to 30 children a daily bowl of nourishing porridge for a month; \$10 provides a group of farmers with training and supervision in food production techniques; \$15 keeps a CARE/MEDICO nurse on duty training local staff and treating patients for a full day, and \$25 gives thousands of children nourishing food vital to normal development. With the CARE holiday gift plan you can use this season's joy to help shape a better future for the poorest of the poor overseas."

Board Meeting

The Hicksville Board of Education will hold a public meeting on Wednesday,

December 15, at 8:15 P.M. in the cafeteria of the senior high school. Certification of the results of the referendum vote will be held, after the results are in. The public is invited to attend.

"Oliver"

By Carole Wolf

Playing to standing ovations every night last weekend Oliver will be presented for the last two performances. On Friday, December 10th and Saturday, December 11th at Holy Family School, Fordham Avenue, Hicksville. What an outstanding performance these 7th and 8th graders put on. When they came on stage, you lost all track of their ages. They became actors, and they didn't miss a line.

The props worked out extremely well, especially the coffin and the dying flowers. The colors on the background scenes were vivid and the new permanently installed sound system allowed the audience to hear every word.

A special thank you goes to Sister Eileen, who allowed all the practice for the past 4 months and to the producer, Joe Trapp, and the directors, Carol Callery and Millie Fitzgerald from the cast and crew.

You owe it to yourself to come to Holy Family this weekend to see this marvelous group of young ladies and gentlemen climb onto this Off-Off-Broadway stage to show you Oliver. Tickets are \$1.50 adults and \$1 children on a first-come first-served basis. Show time is 8:15 PM. See you there.

total cost of construction would be paid by federal grants.

The local district is required only to furnish the preliminary architectural drawings and there is no guarantee that if the people approve the projects, federal funds will be forthcoming. Nevertheless, if voters approve, the district may attempt to procure these worthwhile local facilities. It is a part of the federal regulations that approvals must be given and work started within a stipulated

minimum of time. Approval by the voters is a necessary first step. If funds are not provided by the federal government, the projects will be abandoned and voter approval would apply only if such projects are federally funded.

The school district has the preliminary plans for a district maintenance shop and storage building to take the place of the decrepit old farm barns and war surplus Quonset hut on Newbridge Road. It would permit adequate housing and maintenance of the district's tractors, mowers, snowplows, trucks and

maintenance vehicles and proper storage of maintenance supplies and equipment. This facility would also include toilets to serve persons attending football, baseball, and various other community events using the school grounds. Estimated Cost: \$394,000.

Another project would provide a school-community swimming pool to be built at the rear of the high school. It would be almost identical to the pool built at Farmingdale High School. In addition to school use, it could be open evenings, weekends, and during summer months for

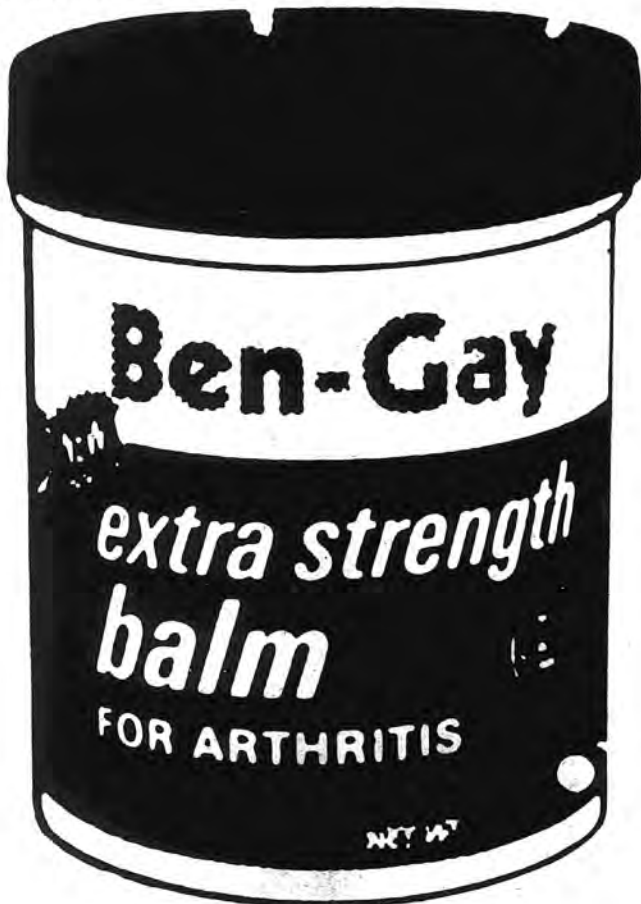

community organizations, family and individual use. Five neighboring communities operate such pools with modest fees on a self-sustaining basis. Hicksville has not wished to provide such a pool from local tax funds. If it can be built with federal unemployment funds, it would be a valuable community asset. Estimated Cost: \$975,000.

At Lee Avenue, there is a partially completed foundation storage space and a records storage area which can be used for long-term storage of vital district records and supplies and equipment. What is proposed is

the cutting in of a ramp driveway and doorway to permit truck loading and unloading access to this underground storage area. Estimated Cost: \$35,000.

When Willet Avenue School was built, it was designed as a small neighborhood primary school for kindergarten through 3rd grade. Now it has grown to a K-6 building, and Willet is one of our areas where school population is not diminishing rapidly. What is proposed is that we build the same gym and multi-media center facilities at Willet as at other elementary schools. (Continued on Page 24)

Messiah "Sing-In"

A musical tradition is being born this holiday season in Hicksville. Dr. Charles Gouse, Supervisor of Music for the school district is hoping that this Sunday's Sing-In of Handel's "Messiah" will become an annual event in our community.

The Community Orchestra, led by Dr. Gouse and the Community Chorus, directed by Wm. Goleeke will perform Handel's magnificent oratorio at 3 p.m. Sunday, December 12 in the Sr. High Gymnasium. They hope to be joined in the singing by many

members of local choirs and by anyone else who has the vocal score and would like to take part.

The soloists will be Judith Clurman (soprano) Deborah Litwak (alto), Cantor Israel Goldstein (tenor) and William Goleeke (bass).

Traditionally, the "Messiah" is performed at this season by huge choruses the world over, and it is hoped that this will be the first of many such performances in Hicksville.

Refreshments will be served. Admission is free.

Hicksville Task Force To Seek Referendum On 13 Acres

The Hicksville Park Task Force has decided to take steps that will lead to a public referendum regarding the recreational development of 13 acres of land in the community, according to Oyster Bay Town Councilman Thomas L. Clark.

Clark said that the Task Force will seek to implement the referendum authority granted by the State earlier this year so that all Hicksville Park District residents can vote on a specific plan affecting seven acres on Lee Avenue (Geise property) and a triangular-shaped six acres bordered by Old Country Road, South Oyster Bay Road and Plainview Road.

"A brochure outlining the recommendations of the Task Force for development of the two parcels will receive wide distribution throughout the Park District early next year," stated Clark. "Public sessions will then be held by the Task Force, at which time all community residents can make their own feelings known. After these

sessions, the Task Force will then make a formal recommendation to the Town Board, which will be in the position of having a specific item placed on a ballot. A Park District-wide election will then provide the means for all District residents to formally approve or disapprove the plan."

Clark said that the concept around which the brochure will be developed is one of three plans considered by the Task Force a number of years ago. "Action regarding any proposal was held off until the people of Hicksville had formal voting power," stated the Councilman. "Now that the authority is within our grasp, the Task Force will bring to the public a proposal which it believes will meet the needs of all residents of the community."

Briefly, the Task Force would like to see the Lee Avenue property developed with an indoor-outdoor swimming pool complex, a community center, court facilities, a senior citizens' area including shuffleboard,

horseshoe courts, a picnic area and related recreational facilities.

Low intensity use for the triangular parcel would include baseball and multi-use field, courts, games, a passive sitting area and a senior area similar to the one planned for Lee Avenue.

When this concept took on a detailed profile in the beginning of 1975, its projected cost was an approximate \$4 million to be paid for by residents of the Hicksville Park District at an approximate cost of \$16.15 per year for 20 years on homes assessed at \$5,000. All financial projections must be updated, and will be included in the comprehensive brochure to be distributed by the Task Force.

Clark said that "By proceeding with the brochure, local public sessions and a formal referendum, all the people of the Hicksville Park District will be given full opportunity to make their views known and have a true say with regard to the Task Force plan."

Camping Show

If winter's barn is around the corner, so to speak, how far can spring be?

Ordinarily, it's a long way. But the third annual Long Island Recreational Vehicle and Camping Show will speed it up, by providing families with a preview of the latest and most modern equipment for the 1977 outdoor season.

The Recreational Vehicle and Camping Show, the largest in the metropolitan area, will be held at the Nassau Coliseum for nine days, January 15 to 23 inclusive.

"The response from the dealers has been very strong," said Joe Doblmeier, of Westbury, director of the show. "In fact, we have had to open up more exhibit space this year because of the demand.

ORT News

The Levittown Chapter of Women's American ORT, the giant international school system embracing five continents that frees people from dependence on charity is having a Bazaar. It is sponsored by Levittown ORT. This Bazaar will be held on Dec. 12, at American Legion Hall. It will be held 24 E. Nicholas St., Hicksville. Admission is free Opens - 11 A.M.

The show hours vary. On Saturday, (January 15 and 22) hours are 12 noon to 10 p.m.; Sunday, (January 16 and 23) 12 noon to 8 p.m.; Weekday hours (January 17-21) are 6 p.m. to 10 p.m.

Admission is \$2.75 for adults and \$1.50 for youths; children under six, free.

TRANSPORTATION

(Continued from Page 23)

Estimated Cost: \$296,000.

All four of these projects would be built only if the federal government supplied the funds. However, they could not be built unless voters did approve them.

PROPOSITION 3

The third proposition has been submitted by the Library Board, and is intended to provide certain much-needed facilities so that the elderly and physically handicapped may have access to the building, in the same way as other residents may use it.

This means that the Library proposal, if funded, will enable the handicapped to utilize their library to the same extent as any

other taxpayer. We plan to modify the building to eliminate presently existing architectural barriers. Ramps, an elevator, lowered plumbing facilities, and a public telephone will be added so that people in wheelchairs, or otherwise handicapped, will be able to move freely about the library. At present, the lower level, including the children's library and auditorium, is inaccessible to the handicapped. Estimated Cost: \$150,000.

Voting will be at regular school election places from 10:00 a.m. to 10:00 p.m. on Wednesday, December 15th.

possession - an Antique Model "T" Ford chemical wagon, and to the Plainview F.D. for the use of their information display signs and to the American Cleaners for making Santa's suit nice and clean. We hope to have some photos in this issue or next of open house activities.

We do hope our efforts will help make Hicksville a little more fire safe, and we thank all those who came out to our open house.

MEMORIAL TO TWO TEACHERS: Many parents and children have been making favorable comments on the beautiful shrubbery garden gracing the front lawn at Woodland Avenue School. The garden was recently planted during a ceremony honoring the memories of two of Woodland's teachers, who recently passed away...Irvin Munowitz and Joseph Mina.

These two fine, vital teachers together devoted four decades to teaching and serving youth. Irvin Munowitz devoted his energies to the teaching and training of mentally retarded children, and Joseph Mina chose to be a "substitute father" as well as teacher to the elementary children of Hicksville. The faculty, staff and students at Woodland felt that nothing less than a "living memorial" would do to honor their memories.

The "Irvin Munowitz-Joseph Mina Memorial Garden" is there for all to admire and is a fitting tribute to the memories of these wonderful and well loved men."
