Founders Day

The 24th Annual Founder's Day Dinner, sponsored by the Hicksville Council of P.T.A.'s, will be held on February 17, at the Woodbury Country Club, Jericho Turnpike, Woodbury. This year's event marks the 80th anniversary of the founding of the National Congress of Parents and Teachers.

Mrs. Norma Dagna has been chosen as this year's district honored guest. Norma has done outstanding work for the children and youth of the Hicksville community and has been a dedicated member of PTA for 17 years. She is an extraordinary person who has contributed much to our community.

Also being honored at this year's Founder's Day Dinner are individual PTA unit guests. These honored guests have been chosen by each unit's members for their contributions of time and energy in furthering PTA goals and objectives. This year's list is again an impressive one.

East St. PTA

On Thursday, February 10, at 8:30 P.M. the East Street School P.T.A. will hold its next general meeting in the All Purpose Room.

The program for the evening will be our annual "Founder's Day Ceremony" honoring Past East Street P.T.A. Presidents and Life Members. Life membership in P.T.A. is an honor bestowed on people who have given of themselves in time,

energy and concern for the betterment of all children.

Also, as an extra special entertainment feature, a "Sing-Along" with Pat and Gene Schmidt playing all the old-time favorites on guitar and banjo is planned.

The evening promises to be very enjoyable, so plan to be there! Refreshments will be served.

At Willet Avenue

On February 7, at 8 P.M. the Willet Ave. P.T.A. will hold a general meeting. The topic of this meeting is "Alcoholism: Is Everyone's Problem?" presented by guest speaker Mr. Paul Kennedy's "Out Reach Counselor" from Brunswick House.

The topics to be explained are

Myths, Mysteries, Truth and Consequences of alcoholism. This meeting should be of interest to all parents of teenage children. There are 1,300,000 teenage alcoholics in the United States. All are invited to attend.

Refreshments will be served after the meeting.

WINNERS: Mrs. Feuerstein's afternoon Kindergarten class, has won the PTA's teddy bear. This class has a 100 percent membership in the PTA. They have the honor of taking care of the teddy bear, which they already named "Smookey the Bear", for the rest of the school year.

Joining the class for this picture was East St. School Principal, Mr. Granville, PTA President, N. Goerke and of course Mrs. Feuerstein plus the Membership Chairlady, M. Fredrickson. (Photo by Mr. Fournier).

CONGRATULATIONS: Oyster Bay Town Supervisor Joseph Colby, left, and former Town Supervisor Justice John W. Burke, center, offer their congratulations to Roy Schaaf, Chief of the Hicksville Fire Department, at ceremonies which included the re-induction of Chief Schaaf. Roy Schaaf joined the Fire Department in 1956 and has held several offices through the years, including Captain of Company 7.

School District Message

Heat Conservation measures have been taken in the Hicksville Public Schools. Due to the serious energy shortages facing many areas of our state and nation, President Carter and Governor Carey have asked us all to cooperate by cutting back temperatures both day and night. If we all cooperate, it may not be necessary to close still more schools and factories, thereby throwing additional thousands out of work and creating additional hardship problems.

Please make sure your child comes to school warmly dressed, and with additional loose garments, such as sweaters, ski pants, etc., and warm footwear to be used whenever necessary.

To avoid having to adjust over 600 individual thermostats to the prescribed 65° and 55° settings several times daily, custodians will be asked to "night cycle" heating plants on and off intermittently during the day. This will continue as long as the emergency lasts or until other order are received from Albany.

Open House

St. Ignatius Loyola School is holding Open House for the community February 8 and 10 between the hours of 9:30 a.m. and 11:30 a.m., 1:15 p.m. and 2:15 p.m. and Wednesday, February 9, 9:30 a.m. to 12 noon. Our Open House will coincide with the national and local observance of Catholic Schools Week under the theme — Catholic Schools ... A Plus for America.

We invite all our friends and neighbors to see the school in operation. Come see our happy hardworking primary grades and our industrious cheerful upper grades. Our learning center will also be in operation demonstrating opportunities offered more gifted children and extra help offered to those who most need it.

Sister Kathleen Murphy, Principal, stated that registration will take place for first grade and all new students during the Open House.

GOP Club Meeting

The Ernest F. Francke Republican Club of Hicksville will hold their regular meeting at 8:30 P.M. on Friday evening, February 11th. The meeting will be held at the Veterans of Foreign Wars Hall — Wm. M. Gousse Jr. Post No. 3211, located at 320 South Broadway in Hicksville. (The hall is situated south of the Firestone Store and north of the H.I.P. Building). Refreshments will be served.

New members to the club are always welcome. If interested in joining the Hicksville Republican Club please call Club President Bob Jackson at 681-6198 or Membership Chairman Bill Gaborow at 433-3544.

The installation of the officers of the club will be held at this meeting. The new officers will serve during the year of 1977. (Note: this installation was scheduled for the January meeting which had to be cancelled, due to inclement weather.)

The installation of the "T.A.R.S." ("Teen Age Republicans") and the "Young Republicans" will also take place at this meeting.

All interested are cordially invited to attend.

Bd of Ed To Meet

The Hicksville Board of Education will hold its next Public Meeting on Wednesday, February 16, at 8:15 p.m. in the Conference Room of the Administration Building, Division Avenue, Hicksville. The public is invited to attend.

This will be the ONLY Board meeting in February as the meetings originally set for February 9 and February 23 have been cancelled.

Hicksville Fire Report

By Ex-Capt. Owen Magee

Wake Up Smoke Detectors Can Save Your Life.

A Smoke Detector is a fire alarm that buzzes when it detects smoke. Warning you in time to escape.

There Are 2 Types-Battery Powered and Electric House Current. They cost between \$25. & \$60.

Installation is Simple- If you can handle a screwdriver you can install a smoke detector.

Maintenance is Important- Replace batteries according to manufacturers instructions (usually once a year) clean unit according to manufacturers instructions. Test Weekly

Know How To Escape- Your smoke detector will awaken you, but you may not be thinking clearly. You should practice escaping before an emergency strikes. Plan 2 escape routes from every room in the house and drill with all family members.

Increase Your Chance of Survival- A single detector

outside your bedroom increases by 46 percent your chances of getting the 2 minutes precious escape time. With one on each floor your chances go up to 86 percent.

The National Fire Protection Association has available a 28 page standard-NFPA pamphlet No. 74 Household Fire Warning Equipment which covers all "Need to Know" details on smoke detectors. \$2 each payment must accompany order. Address: National Fire Protection Association, Publications Dept., 470 Atlantic Ave., Boston, Mass. 02210

The best reason for installing a smoke detector is basic. It may save your life one night.

In the near future we hope to publish an article with all information on smoke detectors to satisfy your needs. Data is being gathered and should be ready soon. Keep an eye peeled for the

1977: A Good Travel Year

"You are going to love 1977", says Paul O'Shea, owner of Island Pref International Travel, Ltd. "We have a new President, new future and a travel explosion where all of us can take advantage of the fantastic savings on charter flights offered to you and your families. Miami \$99., California \$199., Ski Aspen \$149., Hawaii \$299., Ireland \$249., London \$299., Germany \$315., Greece \$450. You have seen these ads on T.V., newspapers, and have heard them on the radio. These flights are not on winky dink airlines, they are on American, United, Pan

American, Trans World Airlines, and some of our best supplemental carriers. "Don't let the confusing terms bother you. C.A.B., O.T.C., A.B.C., I.T.C., these abbreviations mean protection of your monies and tremendous savings upwards of 50 percent of the normal airfares. These new charters are for individuals, families, and groups. No clubs to join, no membership fees, no worries whether your monies will disappear with the organization if they go out of business. Here is what these abbreviations mean:

O.T.C. One Stop Tour Charter, provides round trip air transportation, hotels, transfers and sightseeing. One price, one destination. Hawaii \$389. Air and land arrangements with United Airlines. Two examples: approximately cost of regular air fare to Hawaii is \$520, and Las Vegas is \$370. A.B.C. Advance Booking Charters, air flights only. Must be booked and paid for 45 days prior to departure to Europe, 30 days prior to departure within the U.S.A. Miami roundtrip \$99. California \$199. Regular air fare Miami \$210. California \$404. Ireland \$249. Germany \$315. Normal air fare to Ireland, \$580, and Germany, \$694.

"I really believe people would rather spend their money on having a good time on vacation than on a high priced airline seat," says O'Shea. "You can combine these flights with car rental in Europe, tour as you like."

VFW Auxiliary 3211 News

By May Gergsohn

To begin with, I must at this time apologize for being late with my message to our readers, my friends. I would like to wish to each and everyone a very happy and healthy New Year. You should all have your dreams and wishes come true.

With the beginning of the new year, 1977, we have some new ideas and plans. Some of the old ideas are still in the working stage and we hope with the new members and friends that we made this past year, we can accomplish all of our necessary tasks. As I previously stated, an organization is only as strong as its members, and we are getting stronger each week, for we are taking in at least a new member each meeting which is once a month. If you are interested in joining us, come down to our

VFW Hall in Hicksville on a Friday evening and speak to one of our women. If you have the necessary requirements, you're in. Your husband, father, son or brother must have served in any branch of the Armed Service and have been on foreign land. Or even if you were, you can become a member. We have some very interesting meetings. At this writing, we are getting together and planning our next Dinner-Dance, which will be held on March 19. More details will follow in my next message, next month. Our Bicentennial Dance was such a success, that we are getting reservations now for our Mar. 19 Dinner-Dance.

Every month a group of men and women from No. 3211 go to Northport Hospital to visit the Veterans, for the holidays we had them at our Hall for a dinner and gave them some gifts. It was so rewarding to see the smiles on the men's faces, especially when our Jr. Girls Unit sang some Christmas carols and other holiday songs. They laughed and sang with us, some of them danced, it was really a beautiful sight to see them so happy.

Speaking of our Jr. Girls Unit, they have been doing such a fantastic job with the paper drive and cake sales, besides all their other projects. The dates for the next Cake Sale is Feb. 13. Special of the Day-Valentines Cakes-the time is 9:30 AM to 12:30 PM and the paper drive is on Feb. 19 at 9:30 AM to 10 AM at our Hall.

Act In Energy Crisis

The Nassau Board of Supervisors will hold a public hearing Monday, Feb. 7th on a proposed law which would enable the County to regulate the days and times during which businesses may be open to the public in an energy crisis.

If approved, the new law will probably be implemented immediately to bar Sunday operations at department stores and supermarkets in Nassau, according to Hempstead, Town Supervisor Alfonso D'Amato, who is sponsoring the measure.

"Sunday closings are one of the best and easiest ways to get energy conservation without imperiling working people and services," D'Amato declared.

"This proposal would not affect delicatessens, restaurants and other businesses traditionally open on Sunday," he added. "It is aimed primarily at those establishments which had been closed on Sundays until the State 'blue laws' were declared invalid last year."

Under D'Amato's proposal, the Nassau Energy Resources Bureau would receive the power to adopt regulations to conserve heating fuel for the duration of the energy crisis. Its immediate effect would be to limit certain retailers to a six-day week.

The hearing will be held in the Board of Supervisors fifth floor hearing room in the County Executive Building at 1 West Street Mineola, at 11 A.M.

Set "Las Vegas Night" Hearing

A public hearing to consider proposed amendments to the Town of Oyster Bay's "Games of Chance" Local Law was scheduled for Tuesday, February 15, by the Town Board on Feb. 1.

The amendments would exercise an option, permitted by New York State Law, to designate the chief law enforcement officer of Nassau County to handle the control and supervision of all games of chance at so-called "Las Vegas Nights" which were authorized under the local law adopted by the Town Board in August, 1976.

The Town would also turn over to the County the special fee of five percent of the net proceeds collected to defray the actual cost of enforcement.

"The Nassau County Police Department is much better equipped in terms of manpower and expertise to control and supervise these activities," explained Town Clerk Ann Ocker, whose department is responsible for issuing the required licenses. "The five percent we would have collected would not have covered the costs for hiring and training new inspectors."

INDEPENDENCE DAY: 8-year old Marta Podoluk of Hicksville accepts a Proclamation from Oyster Bay Town Supervisor Joseph Colby on behalf of the Nassau County branch of the Ukrainian Congress

of America. The Oyster Bay Town Board declared January 22nd "Ukrainian Independence Day" in the Town, and has urged Town residents to recognize and support the struggle of the Ukrainian people to gain their independence from Soviet rule.

NEW MEMBER: At the Jan. 19th meeting of the Hicksville Lions Club, another new member was inducted. In the picture, new Lion member Paul O'Shea (C) is welcomed into the club by Zone Chairman Paul D'Amato (L) while sponsoring Lion Dr. Jack Weber watches.

Planning For Our Coastline

How can we make the best plans for our coastline for present and future generations?

The public will have its opportunity to participate in planning for Long Island's future on Wednesday, Feb. 9, at 8:00 p.m., at Church of Savior Lutheran, 8001 Northern Blvd., Manhasset (opposite Altman's), when the League of Women Voters will sponsor a forum on coastal zone management. The program will include a slide show prepared by the League and a discussion by Dr. Koppelman, Executive Director of the Nassau-Suffolk Planning Board. A major portion of the time will be reserved for statements and questions from the public.

The League urges all interested groups and private parties - commercial, recreational, environmental, governmental - to attend the meeting and help shape Long Island's future.

If you wish further information, call the League at 799-3030.

Dear Friends. . .

Congratulations to both Peter C. Doyle, Jr. and William H. Benson, who have both been elected to the Board of Suburbia Federal Savings and Loan Association. Mr. Doyle has served as a Director since 1964 and as the Board's vice-chairman for the past two years. Mr. Benson is president of Whitehall Cabinets, Inc. of East Rockaway.

It is easy to discern the fine hand of leading members of Nassau's democratic party in the recent actions of Ralph Caso. While this gentleman is going down in flames, they are advising him, so as to milk every ounce of benefit, or what they think is benefit, for their party's candidate, whoever he may turn out to be. I suppose that is what one calls politics. But it is not how politics should be run. . . it is only what has given politics a bad name, whether it is done by republicans or democrats. . . and, of course, it's what the daily newspaper that we have here on Long Island gleefully play up in the belief that it sells newspapers.

As a republican who is listening respectfully to President Carter and who believes in giving everyone elected a fair chance to put his campaign promises into action, I do wish that on this local level, we could operate on a fairer level so that our form of government could be more effective. For example, TOB Supervisor Colby has inherited some controversial issues which we believe he is sincerely trying to solve, such as the Plainview land fill problem. Why not give him your opinions and advice, but not your invective and contempt. I'm sure he will listen.

A Salute to George Washington on the occasion of his 110th birthday in 1842 will be re-enacted at the Old Bethpage village restoration on Sunday afternoon, Feb. 20th, when townspeople in costume gather in front of the Noon Inn at 2 p.m. Should be interesting.

Our County has a special phone number for senior citizens to call if they have fuel or food emergencies. It is 335-4321 and is in operation 24 hours a day.

That's all for this week. Stay well and remember this is the season to join your many friends and neighbors who are keeping their thermostats at a lower level and wearing sweaters to keep warm.

Letters To The Editor

To The Editor:

Newly elected President James Carter in his first day in office has given every Veteran who served, a slap in the face, his pardon of the draft dodgers is as he states, "to heal the wounds of our great country and bring every American together again". What he has done is saying to all of us who served honorably see stupid you should have resisted I would have let you off the hook. To those who lay in Veterans Hospitals, to those who will never walk-see-feel-run-play-love, and yes think again he is saying Thanks for nothing.

To Washington-Madison-Jackson-Lincoln-Grant-McKinley-Teddy Roosevelt-Wilson-Franklin Roosevelt-Truman-Eisenhower-Kennedy-Johnson-Nixon and every President who fought to preserve our Constitution and Bill of Rights, he is saying there would have been no wars if everyone would have resisted, to the 75,000,000 Americans who served since 1775 to date, to the millions who died and were wounded he is saying stupid you should have gone to Canada, but would we be here today if the American people resisted when our Country was involved in a conflict?

No, my friends, we the officers and members of the Hicksville Veterans of Foreign Wars 3211 are proud to be associated with our forefathers who since 1775 have not let our country down, we didn't run, Yes, "we feel we are the Best", when we are asked by the young of our community, why do you guys think you're so great and what you did was right, the answer is simple, only the best were chosen, you had to be 100 percent physically capable, 100 percent mentally in order to serve our country, we did not condemn the AF's, they just weren't good enough to serve but all of us Veterans who were good enough, did our job, we realize that killing is not right but ask yourself, if the Veterans did not protect our country would be here, and if so, what type of rule would we be living under? We do not say don't let these boys come back to this country, all we ask is that they be subjected to the same Law's that we were subjected to.

The injustice here is plain and simple that 200,000 draft resisters that have been pardoned didn't even vote for President Carter, but I assure you that millions of Veterans did, and as a result Mr. Carter is our Commander in chief, and I am certain that we Veterans Organizations will respect and obey our President, but it does not mean we have to agree with him.

We do hope and pray that the good Lord above will watch over our Country as the famous song states "God Bless America," and ask Mr. Carter to also pardon the killed in Action, the maimed in hospitals and all of our memory's of the great tragedy of War, I'm sure that if he has the power to pardon draft resisters he has the power to issue a Moratorium on those killed in Action and ask them all to rise and join us in bringing this Country Together Again, and Mr. Carter the Hicksville V.F.W. Post 3211 would ask you to please pardon the 1300 MIA's and POW's, so they can come back to their loved ones.

To The Editor:
I would like to have the following statement that I made at the Town of Oyster Bay Variance Hearing Tuesday

February 1, 1977 on the United Jewish Ys of Long Island for a YM-YWHA at the Fern Place School in Plainview, N.Y.

My name is Glenn Kerbs, I reside at 489 Staples Street, Farmingdale, N.Y. Supervisor Colby, Town Councilman.

I am a life long resident of the town of Oyster Bay being born in the town of Hicksville in 1915. My Father was also born in Hicksville so my family HAS SOME DEEP ROOTS IN THIS AREA.

I am a Building tradesman and have worked as a Carpenter since 1936 and have worked as a Carpenter Foreman and Job Superintendent for 5 different large Construction Companies in various Housing, Commercial, School and Government jobs. For the last 8 years I have been the elected Business Representative of Local Union No. 1772 of The United Brotherhood of Carpenters & Joiners of America. I am fully trained for this job.

I am also a highly qualified Community Leader as upon my marriage in 1939 and moving to Farmingdale, N.Y. I have given the following services: 10 years as a Volunteer Fireman, 5 years as a N.R.A. Instructor for a N.R.A. Jr. Rifle Clubs Instructor in the N.Y.S. Conservation Hunter Safety Program, 6 years as a Member of the Farmingdale H.S. Dads Club, 10 years of Fund Raising for several Charitable Organizations, helped organize work groups of 20 to 30 men for weekend projects at the Nassau County Boy Scout Camps for 20 years and spent 22 years as a registered Adult Scout Leader in the Nassau County Boy Scouts of America program, leadly highly successful Pack, Scout Troop and Explorer Post for 10 of those years and was actively pursued by the Nassau County Boy Scout Council to become a Professional Scouter. I know that any program MUST HAVE COMPETENT TRAINED LEADERS USING PLANNED PROGRAMS TO BE SUCCESSFUL.

I have sat through your last Tuesday A.M. and P.M. hearings and have heard only one speaker who mention Juvenile Delinquency problems and that was when the young lad spoke at the A.M. hearing revealed that one boy had hit another boy with a baseball bat. WHAT ABOUT THE DOPE, ALCHOLICS,

ROBBERY, WORSE IN FARMINGDALE 3MURDERS IN THE LAST 3 YEARS & RAPE???? I guess there is none in Plainview, I wish I could say the same for Farmingdale and the other towns nearby. I want to submit an article from the January 27, 1977 issue of the Mid-Island Hicksville Herald from the front page in regard to \$75,000.00 of damage to the Hicksville Schools by Juvenile Delinquents, for one year I believe that this is one of the biggest problems of our times. All the various Community Programs mentioned by a speaker last Tuesday night are great but I can tell you from my experience that 50% of the Boy Scout, Girl Scout, Little League and other Programs are being run by Adult Leaders who are not trained and who some times cause more harm than good. NOW HERE IS AN ORGANIZATION THAT HAS THE NECESSARY TOOLS & TRAINED LEADERS TO PUT ON A SUCCESSFUL PROGRAM NOT ONLY FOR THE YOUTH BUT FOR ALL AGES.

I would like to go back and give a brief history of the area. In the 20s & 30s Farming was the main industry and there were fields, woodlands and hunting was one of the main sports, there were few houses, no factories no smog, no pollution and very little Juvenile Delinquency, cars were a luxury item, no School Bus you walked. Along came the 40s & 50s which also brought new Schools, Churches, Shopping Centers, Industrial Parks, Incinerators, Landfills, Parkways, Roads etc and along with this boom came the problems GARBAGE DISPOSAL, POLLUTION, DRUGS, ALCHOLICS AND THE JUVENILE DELINQUENCY PROBLEMS I ENUMERATED BEFORE.

Now we have this project already approved by a Referendum vote in the Plainview-Old Bethpage School District by a 3578 yes to 196 no vote, a 94.8 percent majority that is now being opposed by a large group (1300) of people claiming there would be too much noise, pollution etc, we do not want it in our area (I ASK YOU COUNCILMEN WHERE HAVE YOU HEARD THAT QUESTION BEFORE? THE OBVIOUS ANSWER IS AT JUST ABOUT EVERY VARIANCE HEARING (Continued on Page 7)

We are happy to report progress in the recovery of Marguerite Robey of Jonathan Ave., HICKSVILLE, who is now at home convalescing from a kidney operation. All her friends and neighbors send best wishes to this lovely lady, who is well known locally for her willingness to help in the Hicksville community, whenever possible.

A speedy recovery to Joe Marcus of HICKSVILLE who is presently undergoing tests at Nassau County Medical Center.

Congratulations to Joseph J. Martin of HICKSVILLE, who recently received a Ring Club Award from Personal Products, a Johnson and Johnson affiliate. Mr. Martin is currently a territory manager for the North Nassau area. The Ring Club Award is based on outstanding sales accomplishments.

It's best wishes for a happy birthday to Kurt Breitteller of Acree Lane, HICKSVILLE, who will be celebrating his 43rd tomorrow, Feb. 4th. Kurt is the son of Mr. and Mrs. Frank Breitteller.

Congratulations to Kristine Rottkamp, daughter of Mr. and Mrs. Joseph Rottkamp of OLD BETHPAGE, for Kristine has been elected to "Who's Who Among Students in American Universities and Colleges." Her name will appear in the 1976-1977 edition of this publication. She is a senior at New York Institute of Technology in Old Westbury.

Midshipman Thomas M. Joyce, son of Mr. and Mrs. James F. Joyce of Robert St. in OLD BETHPAGE, participated in the recent Inaugural Parade in Washington, D.C. Tom, who attends the U.S. Naval Academy in Annapolis, is a member of a company selected to represent the Academy at President Carter's Inauguration.

It's a happy birthday to Drew Blake of Rim Lane, HICKSVILLE, who celebrated his on Feb. 1st.

Birthday greetings to Glen Mitchell of Ronald Avenue, HICKSVILLE, who celebrated his birthday on Feb. 2nd.

And speaking of birthdays, the MID ISLAND HERALD celebrates its 30th with this issue.

SHOCK HAZARD NOTICE
The U.S. Consumers Product Safety Commission is investigating reports of electrical shock and fire problems with the popular "Mr. Coffee" coffee maker. It is not known if only a few or thousands of the coffee makers are involved. The manufacturer has been asked to give a report on the situation.

The company reported a potential hazard as a fire-electrical shock. An unknown number may have damaged wire insulation or be prone to easy damage. If you have one, give it a thorough inspection or have an appliance dealer check it out for you.

At The School Board Meeting

By Marge Marcus

The Hicksville School Board Meeting of January 26th was chaired by Vice-President Mr. Tom Nagel in the absence of Mrs. Wolfson Board President Board Member Mr. William Bruno was also not in attendance. Announcement was made that there will only be one Board meeting in February and this will be on Wednesday the 16th. Winter recess and Educational Conventions caused this change in schedule.

The Board Meeting was held at the Old Country Road School for an Educational Presentation of their new reading center School Principal, Mr. Duncan and his two Reading Teachers had children from the program demonstrating what can be done when special reading problems exist. Photographic machines, equipment to train the eye to read faster were available plus workbooks for practice combine to make up the program.

Announcement was made for the Long Range Planning Committee Meeting on February 9th all school Principals will attend.

Reporting from the Superintendent of Schools was a postponement of Budget Study Calendar reports until March, due to the rescheduling of Budget Committee Meetings. This was due also to Winter Recess and other information sought by Mr. Arena, Budget Committee

Chairman, state revenues also were not clearcut.

School Transportation Policy was amended to conform to New York State requirements. Distance measurements for kindergarten through grade six are made from the student's home to the main front entrance of the school, and for grade seven through twelve from the student's home to the nearest available door leading to a school corridor. The route of measurement shall start from there and follow the nearest designated "pedestrian route."

Tabled for the February Agenda is approval of the use of the Senior High School by the St. Ignace Girls' Cadet Corps. Mr. Becker, Building & Grounds Director was asked to make some calculations of costs to the District.

Retirement of Mr. Gardiner as Director of Curriculum Materials and many years of service to the District was announced.

Dr. Hill and Mr. Kozmar our chief Administrators have been attending Superintendents' Meeting throughout the County and asked the School Superintendents' Meeting throughout the County and asked the School Board to approve any changes which may be necessary in the 1977-79 School Calendar. What they want is a more unified calendar for all schools using BOCES scheduling as a guide. Board Members agreed that

more standardization would help all schools involved.

Dutch Lane PTA had requested approval for a School Store, staffed by parents, as a learning experience for children and same was approved.

Discussion on the recent school vandalism with instructions regarding punishment was given to School Officials. Mr. Rusch, High School Principal asked for "clear-cut policies" so that he may take action on a known perpetrator. Unfortunately agreement on punishment for the young is not easy to obtain by any group including the Board. The school acting not as the law, but as place to help young people will offer assistance if cooperation from the offender is received.

The status of contract negotiations were still in progress and further report will be made by School Attorney Mr. Campanella next month.

THAT THIS T-8 B BOARD HAS EVER HELD).

Some of the speakers at last Tuesday night's hearing said they were not given the proper facts and would have not voted yes. Well if you took the 1300 people listed on the opposing petitions and subtracted them from the 3578 who voted yes and added them to the 196 no votes you WOULD NOW HAVE 2278 YES VOTES AND 1496 NO VOTES - A 60 PERCENT MAJORITY THAT IS RATHER A SUBSTANTIAL MAJORITY.

Also, another speaker claimed that the property could be sold at a better price than the \$750,000 to a Developer and homes could be built there. Well last Friday Jan. 28, 1977 I contacted two of the most qualified and experienced Home Builders in this area, Holiday Park Properties and the Abe Shames Organization (both with more than 30 years experience) to give me their opinion as to whether this site was feasible for use for Home Development. Mr. Jerry Monter of Holiday Park Properties was in Fla. for two weeks and will get back to me when he returns, but the Abe Shames organization representative Mr. John Buttloph visited the site with me last Friday and gave me the following: To clear the grounds, develop roads, sewers, walks etc. with 35 Homes on 70 ft by 100 ft plots the homes would have to sell at \$80,000 each. He also stated that it would be impossible to sell them. No 1 because of the Neighborhood and No 2 the biggest

reason being the extremely high tax base. He also stated that the only way any developer would consider this property would be to build CONDO UNITS WITH AT LEAST 10 UNITS PER ACRE. HE STATED THE VILLAS IN PLAINVIEW WHERE THEY HAVE BEEN BUILDING SINCE OCT. 1973 (3 1/2 yrs) AND STILL NOT COMPLETED OR SOLD ALL THEIR UNITS.

Another point mentioned was use by a BOCES School. Forget it, their Funding has just been cut 20 percent by N.Y. State and they are in the same declining enrollment as all our Schools. They have moved out of one School in Farmingdale recently.

The Roper Report of 3 or 4 years ago was mentioned and the results of the preferential uses of the excess School Properties. What possible uses could they be used for? The only realistic use in my estimation would be for a Sr. Citizens House Site but with the demise of the "HUD" PROGRAM by the Federal Government and their proposed new Housing Program looks like it will die a natural death. THE SAME WAY THAT THE REDEVELOPMENT PLAN OF THE HICKSVILLE TRIANGLE AREA DID.

On the noise problem would it not be better to hear cheers and yells from supervised activities rather than the sound of breaking glass or fire sirens when the building is set on fire or Police sirens when they respond to the Street teenage problems, that where mentioned by two speakers at last Tuesday's hearing.

The Traffic problem is very

serious but I believe that some solution (i.e. Private road, one way streets) could be the answer. It was mentioned about the short interval (20 seconds I believe) at the intersection at Old Country Road. Well, if the traffic pattern changes there will also be a change for a longer interval for cars coming out onto Old Country Road.

Here is another subject no one has talked about THE EXTREMELY HIGH RATE (60 percent-70 percent) OF UNEMPLOYMENT IN THE BUILDING TRADES. THE CARPENTERS LOCAL UNION NO. 1772 OF HICKSVILLE THAT I REPRESENT HAS 65 PERCENT OF MEN OUT OF WORK AT THE PRESENT WITH MANY MEMBERS OUT OF UNEMPLOYMENT BENEFITS (65 WEEKS) AND UNABLE TO REQUALIFY BECAUSE THEY DO NOT HAVE 20 WEEKS OF EMPLOYMENT. MANY ARE RECEIVING FOOD STAMPS, OTHERS HAVE HAD TO APPLY FOR SOCIAL SERVICES AS THEY HAVE LOST THEIR HOMES. OTHERS HAVE NO CAR TO GET TO WORK IF AND WHEN THEY ARE CALLED AND LAST BUT ONE OF THE MOST IMPORTANT REASONS WE HAVE ABOUT 3 PERCENT OF THESE SKILLED TRADESMAN SELLING THEIR HOMES AND LEAVING N.Y. STATE FOR GOOD. ITS A DISASTER.

WHAT BETTER WAY WOULD THERE BE TO GIVE OUR STAGNANT ECONOMY IN THIS AREA A MUCH NEEDED PUSH THAN TO GET THIS PROJECT

CUMMINGS 'N GOINGS

By Jim Cummings

ROUND OUR TOWN As we await the anticipated structural improvements on West Broadway, in Hicksville - meanwhile other areas of our community are bubbling with activity. New stores have opened on West Nicholas Street - a former newspaper plant adjacent to Aleenan Oil Company parking field at this street is being remodeled for new business. However, on Jerusalem Avenue, four stores are for rent. Up on North Broadway demolition of the property opposite Panzer Cleaners (southwest corner) was being completed at this writing. New stores planned and a former gas station just north of the Jerry Spiegel building has hit the dust. Good signs for good times, we hope for the Hicksville community. The new Pathmark Super Center (just south of Northern State Parkway) in Jericho is now packed with shoppers - their neighbor is the Nassau Downs OTB unit.

WE HEAR That the Hicksville Post Office has taken over additional parking for its employees at West John Street entrance to Mid Island Plaza Food Fair. Jay occupy the former Pathmark location? Past Grand Knight Arthur Schreiber's wife, Jane is home following recent hospital stay. It will be first come, first served basis for the February 12th Ballard Session sponsored by the Commodore John Barry Division Eleven, Ancient Order of Hibernians, Pat Rowan, Division President. Feminds one and all of the limited accommodations in the Lounge at the Knights of Columbus Hall - an entertainer headlining the popular "Irish Blazers" and local talent. The Joseph Barry Council, Knights of Columbus is

planning a "Gung" nite for members - not to be confused with the TV rendition - I'm sure we have better talent.

HAPPY ANNIVERSARY Eileen and Bob Andreone of Montana Street, Hicksville, celebrate their 35th year of wedded bliss on Saturday, February 5 - they will first attend 7:30 P.M. special anniversary mass at St. Ignatius, followed by a private reception at their residence - our very best to two fine neighbors these many years.

DID'YA KNOW THAT: We received our notice to attend the February 8 meeting of the St. Patrick's Day Parade Committee at the Hotel Biltmore (NYC) the Honorable James J. Comerford is General Chairman with John W. Duffy, vice-chairman serving as Formation Chairman - we've been discussing these matters since last November by phone with the Parade Chairman and John Concannon, of Newsweek, whom it is my pleasure to handle the LI aspect of public relations with the media - John is Public Relations Chairman - we look forward to another good day, on Thursday, March 17. Medard O'Connell of Benjamin Avenue a former fire chief and fire commissioner of Hicksville is back at his desk following illness - He is truly one of the most dedicated and active members of the Volunteer Fire Department in our fine community and a long-time personal friend - He, like Rudy Bouse, who has served the Charles Wagner American Legion Post, American Red Cross activities you name it are held in the highest esteem by their many friends in the AOH and throughout the community - in fact, both Rudy and Medard

always march with the AOH in every parade, including March 17 in N.Y.

WITH SYMPATHY: Our condolences to Danny Donovan and family, upon the recent passing of his dad, Daniel P. Donovan, president of the Donovan Armed Guard Service, Inc., and a Hicksville resident of many years - Mr. Donovan was a member of "New York's Finest" stationed at the Charles Street precinct of the New York City Police Dept., Danny, Jr., is employed by the Town of Oyster Bay Sanitary Collection Division

LETTERS TO THE EDITOR

(Continued from Page 7)
UNDERWAY? \$3,000,000.00 IS A LOT OF MONEY AND WILL CREATE JOBS ENABLING PEOPLE TO GET BACK IN THE MAIN STREAM OF LIFE. LAST WEEK COUNCILMAN CARMEN PUBLISHED A REPORT IN THE PAPERS THAT THE CONSTRUCTION PERMITS IN THE TOWN OF OYSTER BAY WERE \$11 MILLION HIGHER THEN THE PREVIOUS YEAR. I WOULD LIKE TO POINT OUT THAT THE DODGE REPORTS ALSO CONFIRMED THIS INCREASED ACTIVITY BUT THAT IT WAS ONLY 20 PERCENT OF WHAT WAS LOST IN THE LAST FOUR YEARS.

IF THIS PROJECT IS LOST TO THE TOWN OF OYSTER BAY WE SHOULD BE ASHAMED.
THANK YOU FOR YOUR ATTENTION.

Mid Island Plaza To Undergo Major Renovation

An international adventure in shopping is coming to Long Island that is expected to focus increasing attention toward Mid-Island Plaza in Hicksville. There, the first phase of a major renovation and expansion of one of the nation's largest suburban regional shopping centers is underway today, including total conversion of the mall into an exciting ten-court yard design concept with the innovative international theme: "Islands of the World."

Authentic replicas of scenes from such diverse islands as the Far East, the Caribbean, Great Britain and a Grecian isle in the Aegean Sea will give shoppers the chance to stroll through a realistic Japanese garden or rest beneath a palm tree tropical oasis, visit an authentic kiosk set in a scenic Venetian grotto or perhaps sample the native wares of any of ten exciting islands. All the while, they can do their regular shopping in stores without leaving the mall.

Franklin L. Frank, executive partner with Mid-Island Shopping Plaza Co., said that Mid-Island's multi-million dollar development plan incorporates the best features of modern regional centers visited throughout the nation, and adds its own special attraction — an "international islands" theme reportedly never attempted in any major shopping center.

Moreover, with expanded multi-purpose facilities and current development of a new and revitalized tenant mix, Mid-Island Plaza is bidding to become the most fashionable shopping, dining, and entertainment complex on Long Island. Further, the interior and exterior improvements are consistent with the overall plan to beautify Hicksville. Mid-Island also expects to lead the way in heating efficiency for large enclosed malls with maximum use of energy conservation materials for the renovation.

Ranked among the largest regional shopping centers in the nation, Mid-Island Plaza comprises 1.5 million sq. ft. of building area with more than 120 tenants including several large department stores. The center is strategically located on a 70-acre site on Broadway (Routes 106-107) adjacent to major access

highways in the heart of Nassau County's most accessible area for people living in neighboring Suffolk County as well as Queens in New York City.

Mid-Island Plaza's effective market area of 2 million people, with more than 400,000 within five miles of the center, is the nation's fifth highest retail suburban sales market with the second highest median household effective buying income. The "international islands" theme of the mall, plus updated fashion merchandising in the new stores, is expected to have considerable impact on this affluent market potential.

The project, designed by Werfel & Berg, architects-engineers-planners of New York City, comprises a total conversion of the mall into a visually entertaining pattern, with undulating storefronts creating courtyards for the "international islands." Each of the ten "islands" will be in a separate courtyard centered on the mall, similar to a series of international pavilions with seating and planting areas, boutiques, open shops and market places indigenous to the geographical areas they represent.

Plans for the first "island" are currently being reviewed in Japan to make certain the design will be authentic in every detail.

Since energy conservation is a prime consideration, architect Lawrence Werfel concurred with management in using only those interior materials which have insulative qualities to cut energy consumption. Thus, the new floor of the mall will be essentially of natural wood and carpeting, both materials selected for their inherent richness and ability to minimize heat loss. In terms of shopper comfort, the flooring will be both attractive and easy on the feet.

New ceilings throughout the mall will vary in height and architectural shape to define the "international island" courtyards below, and most of the upper glass areas will be retained to permit natural daylight to enter. Even Mid-Island Plaza's name has been redesigned by the Werfel & Berg firm with distinctive new graphics depicting the "islands" theme that will appear on all signage. Also, special color schemes,

Artist's rendering of the enclosed mall at Mid-Island Plaza, Hicksville, New York, as it will appear after ten authentically designed international "Islands of the World" are completed as part of the innovative design

theme for renovation of the mall, now underway during major expansion of the regional shopping center. In addition to the dramatic conversion of the mall, Mid-Island plans new

multi-purpose facilities and other major improvements to make the center the most fashionable shopping, dining and entertainment complex on Long Island.

pylons, canopies and landscaping are planned for mall entrances to beautify and enhance the center's new image.

The project marks the evolution of Mid-Island Plaza from its initial construction in 1956 as an open air regional shopping center, the subsequent enclosure of its mall eight years ago to provide shoppers with a climate controlled environment, and the current work to create a fashion mall which, when the renovation is completed, will be one of the largest, most modern, attractive and energy efficient regional shopping centers anywhere.

Leonard J. Marzocco, Mid-Island Plaza's director of leasing, has been working overtime to accommodate new tenants, store renovations and lease renewals with existing tenants whose broad range of merchandising and services are compatible with the center's immediate and long range goals. Many existing stores, tenants since the center was originally built, have signed new leases and store renovation agreements. They plan to have new storefronts and interiors to complement the "international islands" theme.

Additional department stores also are planned, and with the new store construction right on schedule with the mall's

renovation, Mid-Island's management said that only two mall tenant spaces currently are available and uncommitted.

"Theme centers usually are small shopping centers without department stores," said Marzocco, "and to create a theme within a regional shopping center of Mid-Island's size is an unusual venture. We felt that it was important to avoid design concepts which reflected fads. Major use of dominant graphics, mirrors, stainless steel or other highly visible materials which may be popular today could be obsolete ten years from now. Mid-Island Plaza's international theme, 'islands of the world' is timeless in nature and will be as up to date and appealing any time in the future as it is now. With an 'island' setting, you can always make changes to maintain a fresh or seasonal look."

He emphasized that the new mall design will not infringe on tenant signage, with a careful balance to maintain strong merchant identification for those stores adjacent to the "international islands" plus all other mall stores.

New tenant enthusiasm apparently indicates agreement with the international theme idea, and Mid-Island Plaza's management team means business. They recently expanded their staff with the ad-

diti on of Daniel Loetzer, a professional engineer, formerly director of development for the City of New Rochelle, who was named director of development and mall management.

Marzocco announced that he already has more than 25 tenants signed to new long term leases, lease extensions and store renovations. He said negotiations are continuing with other key tenants and expects to have another 20 signed this year.

Among tenants already signed are Franklin Simon, Chandler's Shoes, Bond Clothes, Kinney Shoes, Wrangler Branch, National Shoes, Sterling Optical Co., Dry Dock Savings Bank, Frankel's Curtains and Drapery, Nathans Famous Restaurant, Buster Brown Shoes, Damian Men's Clothes, Courtesy Drugs, Fifth Avenue Card Shop, Pembroke China, Keepsake Diamond Center, Bagel Nosh Restaurant, Mi Pi Restaurant, Pantry Pride, Cardinal Cards & Gifts, Country Village Shop, Petland, Michael's, The Game Room, Venus Salon, Key Shop, Perfect Pretzel and Lodi Crafts.

Meanwhile, the renovation continues at a steady pace. Marzocco emphasized that the construction work is being done in the evening hours and weekend periods while stores are closed and does not interfere with normal retail operations.
