Sunday, March 27
Holy Trinity Episcopal Church's Annual Easter Sale, 11 a.m. to 1 p.m., Old Country Rd., and Jerusalem Ave., Hicksville.
Hydroponic Program, 1 p.m. to 3 p.m., Gregory Museum, Heitz Pl., Hicksville, tickets—adults \$1; students 50c.

Monday, March 28
FISH, Annual meeting, 8 p.m., Hicksville United Methodist Church, Old Country Rd., Hicksville.
East Street School PTA, Executive Board meeting, 8 p.m.

Tuesday, March 29
AARP, American Assn. of Retired Persons, Income Tax info., 2-4 p.m., Fiction Room, Hicksville Library, Jerusalem Ave., Hicksville.
Blood Bank Night at Joseph Barry Council Knights of Columbus, 45 Heitz Pl., Hicksville, 4 p.m. to 9 p.m.

Wednesday, March 30
AARP, American Assn. of Retired Persons, Income Tax info., 2-4 p.m., Fiction Room, Hicksville Library, Jerusalem Ave., Hicksville.
Board of Education meeting, Hicksville School Board, 8:15 p.m., Administration building.
Hicksville Kiwanis Club, 12:10 p.m., Milleridge Inn, Jericho.

Thursday, March 31
Hicksville Rotary Club, 12:10 p.m., Milleridge Inn, Jericho.
AARP, American Assn. of Retired Persons, Income Tax info., 2-4 p.m., Fiction Room, Hicksville Library, Jerusalem Ave., Hicksville.
Senior High PTA, Executive Board meeting, 8 p.m.
Hicksville BPOE No. 1931, 9 p.m., 80 E. Barclay St., Hicksville.

GOP April Meeting Rescheduled

The Ernest F. Francke Republican Club of Hicksville has rescheduled the regular April meeting of the club to Friday evening, April 1st 1977, due to prior meeting commitments. (The meeting was to have been held on April 8th.) The club meeting will be at 8:30 P.M. at the Veterans of Foreign Wars Hall-Wm. M. Gouse Jr. Post No. 3211, located at 320 South Broadway in Hicksville. (The Hall is situated south of the Firestone Store and north of the H.I.P. building.) Refreshments will be served.

New members to the club are always welcome. If interested in joining the Hicksville Republican Club please call club President Bob Jackson at 681-6198 or Membership Chairman Mildred Bernert at 433-0042.

Program
The guest speaker for the evening will be Hempstead Town Presiding Supervisor Francis T. Purcell, who is the party nominee in the upcoming primary election for the office of County Executive.

Library Budget Vote

The Hicksville Public Library will vote on the 1977-78 budget on May 10, from 10:00 A.M. to 10:00 P.M. in the local schools.

At this time a Library Trustee position will also be voted on.

Petitions are available at the office of the Clerk of the School District and at the Hicksville Library. Thirty two signatures (minimum) are required. All petitions must be returned to the clerk's office no later than April 11.

K of C Blood Bank

Blood Bank night at the Joseph Barry Council Knights of Columbus, 45 Heitz Pl., Hicksville is scheduled for Tuesday, March 29, from 4 p.m. to 9 p.m.

The Blood Bank Chairman is Larry Roby, who can be reached at 935-1134.

Garden Club

The Hicksville Garden Club meeting will be held on Monday, March 28th at 8 P.M. at the Gregory Museum, Heitz Place, Hicksville. Mr. Gardiner Gregory will give a demonstration of Hydroponics, which is the soilless method of growing plants. Everyone is welcome.

Chamber Hears Detloff

"At the present time there is no question about the quality of the water in Hicksville. We have a top water supply system," Supt. Louis Detloff, told members of the Hicksville Chamber of Commerce at their luncheon meeting at Murrant's Restaurant on Tues., Mar. 22.

"We have a quality-controlled water district here in Hicksville. We have this water, in great abundance due to good planning in the past, and also, due to our good fiscal policy," Mr. Detloff continued.

Assessment of trace organics started in 1974

Mr. Detloff explained that "Trace organics and heavy metals are now being constantly assessed. This, however, only started in 1974 throughout the entire nation, and Hicksville was one of 80 water districts designated to undergo such assessment, in fact, the only such water district on Long Island. We were of course, constantly maintaining quality water throughout the years, and were glad of such new inquiries which can only eventually improve the quality of all water, as we undergo more stringent tests which have not been used in the past. It takes four analyses, before an accurate conclusion can be ascertained in regard to trace organics," he explained, "Even detergents affect water, as we well know."

"We should have a great degree of confidence in our local water district," he told those present, "for it has been controlled for a long time by professionals and elected officials, who are constantly concerned with quality control."

"We must constantly assess and reassess the quality of the water we use," he said. "The Hicksville Water District has constantly sent reports of possible contaminants to the County Board of Health and we welcome the opportunity of a review of our record, which is one of which we are justly proud," he said.

"The well in question that made the daily press a few months ago, and at that time were so disturbing to our local residents, had been closed by us eight years ago," Mr. Detloff explained. "And, with the newer

type of assessment for trace organics, we are planning for constant reassessment, as we believe that in this way new, and possibly higher standards will be set. However, the constant vigilance shown in the past, coupled with expert blending of the water in the wells presently used, makes one realize that quality control is in effect in the Hicksville Water District. Of course, one can not say that no new facts will come to light as further scientific assessments go forward. That remains to be seen. One can only say that caution and constant reassessment is being used, and there is no cause for panic. Higher standards are always our aim, but our water is certainly of an extremely high quality right now," Mr. Detloff said, as he concluded with the reading of a letter confirming a recent meeting with State officials as follows:

N.Y. State Dept. of Environmental Conservation
State University of New York
Building 40
Stony Brook, N.Y. 11790.
Att: Mr. Anthony Candella
Re: WSA No. 6715-Hicksville W.D.

Dear Mr. Candella:

In accordance with your request, I am confirming the discussion and general understanding arrived at during our meeting of February 17, 1977 held at your offices with officials of the Hicksville Water District and their Consultant, Samuel C. McLendon, P.E.

First, it was indicated that the Hicksville Water District had lost substantial authorized pumping capacity as the result of elevated nitrate levels at Well No. 3-1, 4-1, 5-1 and 7-2.

Second, it was indicated that the reliable available capacity of the existing wells was estimated to be 17.0 MGD after reductions for quality deterioration, physical failure and pumping capacity of some wells were considered.

Third, the Hicksville W.D. indicated that it would be necessary to install two new wells to raise reliable available capacity to above the estimated 18.83 MGD maximum day demand (based on a drought

recurrence).

Fourth, as a result of testing of all operational wells in the Hicksville W.D. for organic contaminants:

One well (No. 3-1) was restricted from use because of the detection of vinyl chloride WHICH SUBSEQUENTLY WAS REVEALED TO HAVE BEEN CAUSED BY A LABORATORY ERROR. Well 3-1 however has not been used for over eight years because of high nitrate levels.

Another well (1-5) equalled the New York State Guideline of 50 ug/l for a single organic contaminant (Benzene) in one of four separate analysis and showed negative results after a reanalysis. *Note: A second reanalysis made on 3/17/77 continued to show results substantially below New York State Guidelines.)

While seven other wells (#2, 5-1, 5-2, 6-2, 7-1, 8-1, and 9-1) showed values of between 12-36 ug/l for an individual organic, reanalysis of the remaining water sample for six of the wells indicated negative results, as did the resampling results for all seven wells.

In summary no wells have been closed for exceeding New York State Guidelines for Organics.

Fifth, it was indicated that the Hicksville W.D. requests approval to install two new wells at Plant No. 5 and No. 6 with a combined available capacity of 3.2 MGD and that the Plant No. 5 well is proposed in lieu of installation of the second well at Plant No. 3 in view of the lower level of nitrates anticipated in the ground water at the depth proposed.

Sixth, it was indicated that the Nassau County Dept. of Health does not find sufficient ground for the rejection of Plant No. 2, No. 5 or No. 8 as a site for installation of a new well on the basis of water quality considerations and recommends approval of the Hicksville Water District Water Supply Application (WSA No. 6715).

Seventh, after discussion of the information presented at the meeting and that already ob-

(Continued on Page 16)

Educational Goals

The next meeting of the Educational Goals and Objectives Committee, of the Hicksville Board of Education, will be held on Monday, March 28, 1977, at 7:15 p.m., in the Small Conference Room at the Administration Building on Division Avenue in Hicksville.

Budget Committee

The next meeting of the Budget Committee of the Hicksville Board of Education will be held on Monday, March 28, at 8:15 p.m., in the Conference Room at the Administration Building on Division Avenue in Hicksville.

This committee will continue to review the 1977-78 Budget.

School Board Meeting

The next regular meeting of the Hicksville Board of Education will be held on March 30, at 8:15 p.m. in the Board Room of the Administration Building, Division Avenue, Hicksville.

A Public Budget Study Session will be held during the regular business meeting.

RICHARD A. STRATTON, Captain, United States Navy Commanding Officer, Navy Recruiting District, New York, will be the guest speaker at a special luncheon meeting of the Hicksville Rotary Club at Milleridge Inn on Thursday March 31, 1977.

Captain Stratton flew 22 combat missions over North Vietnam before being captured and then spent six years in a Hanoi prison. A picture of him in a striped prison uniform was publicized around the world.

Rotarians from many clubs in Nassau County along with their wives are expected to join the Hicksville Rotarians on this special occasion.

Our Armed Forces

Marine Private First Class Harry V. Vieux, son of Hermione Alphonse of West Centennial Ave. in Hicksville, has been promoted to his present rank while serving with Fleet Marine Force, Atlantic, Norfolk, Va.

He attended City College, New York City, and joined the Marine Corps in December 1975.

Charles Hydek, son of Mr. and

Mrs. William Hydek, who reside on Haverford Road in HICKSVILLE, has entered the United States Air Force Delayed Enlistment Program according to Sergeant Rick Semprun, the local Air Force Representative. Airman Hydek will be in the Air Force Reserve until he enters active duty on July 18. At that time Airman Hydek will begin six weeks of basic orientation at

Lackland Air Force Base in Texas.

Marine Corporal Colin J. Yorke, son of Mr. and Mrs. James V. Yorke of 62 Kramer St., HICKSVILLE has reported for duty at the Marine Corps Air Station, Cherry Point, N.C.

A 1974 Graduate of Hicksville High School, he joined the Marine Corps in July 1974.

Robyn Sadowski, who resides on Nevada Street in HICKSVILLE has entered the United States Air Force Delayed Enlistment Program according to Sergeant Rick Semprun, the local Air Force Representative. Airman Sadowski will be in the Air Force Reserve until she enters active duty on April 8. At that time Airman Sadowski will begin six weeks of basic orientation at Lackland Air Force Base in Texas.

Airman Joseph A. Fox, son of Mr. and Mrs. Joseph E. Fox of 65 Hunter Lane, HICKSVILLE, has received a new assignment following graduation from the

Plainview-Old Bethpage High School students participated in the 28th annual High School Mathematics Examination on Tuesday, March 8th. This examination is sponsored by the Mathematical Association of America, Society of Actuaries, Mu Alpha Theta and the National Council of Teacher of

weapons control systems mechanic course conducted by the Air Training command at Lowry AFB, Colo.

Airman Fox, now a specialist in the maintenance and repair of aircraft weapons control systems, will go to Nellis AFB, Nev., for duty with a unit of the Tactical Air Command. Completion of the course enables the airman to receive academic credits through the Community College of the Air Force.

The airman is a 1974 graduate of Hicksville Senior High School and has studied at Nassau Community College in Garden City, N.Y.

Marine Private First Class Scott A. Frey, son of Mr. and Mrs. Herbert H. Frey of Cherry

High Scorers

Mathematics. The content of this examination is "limited to material from elementary algebra, plane and simple coordinate geometry, intermediate algebra and trigonometry, but the questions are of a more sophisticated nature than one would find on the usual classroom type test or Regents examination. The examination aims to create and to sustain interest in mathematics among the students as well as supplementing classroom work as it broadens and deepens mathematical concepts."

The high scorers for our school were obtained by: Amy Gorelick and Bruce Ritter.

Tied for third place were Michael Gershel and Jeffrey Fritzon.

The scores that these students earned on this examination will determine our High School's ranking in the national competition.

Lane, HICKSVILLE has reported for duty with Force Troops Fleet Marine Force Atlantic, Camp Lejeune, N.C.

Coast Guard Seaman Apprentice Tammy L. Graham, daughter of Mr. and Mrs. Wallace F. Graham of West Marie St. in HICKSVILLE, was graduated from Boatswain's Mate, Port Security School.

Airman James M. Wittenborg, whose mother is Mrs. Jean E. Cahn of Blueberry Lane in HICKSVILLE, has completed Air Force Basic training at Lackland AFB, Tex.

The airman, a 1974 graduate of Hicksville High School, attended Cortland (N.Y.) College. His father, John H. Wittenborg, resides on Marshall Drive in East Meadow.

"NOTICE TO TAXPAYERS"
Re: SUPPLEMENTAL SECOND HALF 1976 - 1977 SCHOOL TAXES

The undersigned Receiver of Taxes for the Town of Oyster Bay, County of Nassau, State of New York, hereby gives notice that he has received the Supplemental Second Half School Tax Roll and Warrant attached thereto and will be in attendance to receive taxes at:

TOWN HALL, AUDREY AVE.,
OYSTER BAY, N.Y. 11771

APRIL 1, 1977
and each weekday from 9 A.M. to 4:45 P.M. (Saturday, Sundays and Holidays excepted).

PENALTIES:

Second half due and payable April 1, 1977. Penalty on the second half will be added after May 10, 1977 at the rate of one per centum per month from April 1, 1977 calculated to the end of the month during which payment is made.

Taxes are payable by cash, certified checks or Post Office Money Orders. Uncertified checks will be accepted subject to collection only.

When sending for tax bills, please state the School District, location, Section, Block and Lot numbers in accordance with the Nassau County Tax Map.

After May 31, 1977, the 1976 - 1977 School tax Roll will be turned over to the County Treasurer, Mineola, N. Y. and all payments after that date should be made at the Office of the County Treasurer.

"GOING PLACES" is the only one of the many popular programs for Nassau's handicapped residents sponsored by the County's Department of Recreation and Parks. Above, Merrick's Mary Jane Palma of the Special Recreation Activities Unit helps Mrs. Helen Bense, a Hempstead resident, aboard the

hydraulic lift bus in a preview of a forthcoming trip. On March 27, a busload of people who have already registered will be going to see the Harlem Globetrotters cavort at the Nassau Veterans Memorial Coliseum in Uniondale. To sign up for future trips, handicapped men and women are invited to call 292-4251.

To Transport Elderly And Handicapped

The Urban Mass Transportation Administration has approved federal grants to three non-profit organizations in Nassau for the purchase of 14 vehicles to transport the elderly and handicapped, County Executive Ralph G. Caso announced today.

The grant applications, prepared with the assistance of the Nassau Office of Public Transportation, were for the Nassau Economic Opportunity Commission to purchase seven vehicles; the Nassau American Red Cross chapter, five vehicles; and the Port Washington Com-

munity Action Council, two vehicles.

The acquisition cost, estimated at \$140,000, will be financed 80 percent by the federal government and 20 percent by the local organizations.

The specially-equipped vehicles will be used by the organizations to provide transportation services for the elderly and handicapped in Glen Cove, Hempstead, Roosevelt, Long Beach, Rockville Centre, Port Washington, Manhasset-Great Neck and the Red cross service areas.

Set Public Hearing

The Nassau County Office of Public Transportation will hold a public hearing on March 29 on three transportation improvement projects for which the county intends to apply for federal funds.

The projects are part of an effort to upgrade specialized transportation services provided by the Nassau Senior Citizens Affairs and Recreation and Parks Departments and the Nassau Medical Center's handicapped and rehabilitative program.

The proposed projects are: (1) the purchase of two vehicles to transport senior citizens to various services and voluntary projects located within Nassau County. Project cost: \$70,000 (\$56,000 federal, \$14,000 Nassau).

(2) the purchase of four replacement buses to continue the Recreation and Parks Department program of providing transportation to the elderly and handicapped for

recreation purposes. The program provides specialized transportation to destinations not presently accessible via normal bus or train service. Project cost: \$247,000 (\$197,600 Federal, \$49,400 Nassau).

(3) the purchase of eleven vehicles to replace and expand the Medical Center's program of transporting the handicapped to specialized medical and rehabilitative services. Project cost: \$97,000 (\$77,600 Federal, \$19,400 Nassau).

The hearing will begin at 8 p.m. in the auditorium of the Nassau County Social Service Building in Mineola. Interested persons and agencies are invited to comment and make suggestions on the social, economic and environmental aspects of the projects. The resulting testimony will be submitted along with the applications for federal funding to the Urban Mass Transportation Administration. Nassau County has already approved its share of the funding.

Exhibition Of Poetry

"The Mending Wall," an exhibition of poetry by the handicapped, will open for its first public viewing at the Westbury Memorial Library beginning Friday, April 1.

Contributions from writers attending therapy recreation programs in health-related Nassau County facilities were gathered and prepared for display by the Special Recreation Activities Unit of the Department of Recreation and Parks. After its initial appearance, arranged with the cooperation of the Greater Westbury Arts Council, the exhibit will tour other Nassau Libraries.

Poetry of participants in

therapy programs as well as volunteers and professionals working with the handicapped are included in the "The Mending Wall" display to reflect the depth of empathy resulting when feelings are explored through the poetic art form.

The exhibit will tour Nassau County Libraries stopping for the month of April at the Westbury Memorial Library, May at East Meadow Library, June at the Syosset Library, July at Hicksville Library, August at Jericho Library, September at Sheller Rock Library in Albertson, and October at Bryant Library in Roslyn.

Set Evening Meeting To Discuss Proposed Mitchel Mini-Mall

A meeting to present the Nassau County administration's case for construction of a \$20 million shopping mall at Mitchel Field will be held on Monday, March 28, at 8 p.m. in the auditorium of the Social Services Building, County Seat Drive, Mineola.

Nassau Commerce and Industry Commissioner James Wells and a representative of the county Planning Commission will make a presentation on the shopping center's relationship to the overall county plan for Mitchel Field. Developer Wilbur Breslin will discuss the mall development which will yield more than \$280,000 in annual rent and \$1.4 million in taxes while providing badly needed construction employment and, later, 1,000 retail jobs. Questions and answers will follow.

The meeting is being held at the request of Hempstead Town Presiding Supervisor Francis T. Purcell to give proponents and opponents another opportunity for information on the proposal.

Seniors Bowling Tournament

Strikes and spares - and maybe even an open frame or two - will be lighting up the alleys when the Sixth Annual Senior Citizens Bowling Tournament begins on Friday, April 1.

The popular county-wide tournament, in which 1,500 seniors bowled last year, is conducted by the Nassau County Department of Recreation and Parks and co-sponsored by the Nassau Bowling Proprietors Association. The Towns of

Hempstead, North Hempstead, Oyster Bay and the City of Long Beach.

Nassau men and women age 60 and over are welcome to register for the tournament at their local participating alley whether they've got an eye on winning a trophy or just bowling for the fun of the sport.

Qualifying events consist of three non-league games recorded on an official form. Multiple entries will be accepted. Discount

prices and free shoe rentals are in effect for tournament players weekdays from 10 a.m. to 4 p.m.

Winners of the town and city championships to be decided by the play-offs on Friday, May 13, will then meet for the Nassau County Championship on Friday, May 20.

For further information, call the County's Recreation Department at 292-4248 or the recreation office of your participating town or city.

Recreate Town Meeting

The main resolution to be discussed at the Noon Inn meeting is expected to arouse impassioned debate, both pro and con. Visitors and villagers will argue the merits of allowing the railroad to build a branch line into town, bringing with it expanded commerce - and smoky, spark-throwing steam engines. The question will be settled by a secret ballot of all men present that day.

Old Bethpage village, a museum facility of the Nassau County Department of Recreation and Parks, is a recreated Long Island agricultural community.

Ruminating cows, sturdy work horses, geese and pigs, all denizens of the Powell Farm, are an instant hit with curious children who can run along the safe dirt by-ways of the village where the only vehicles permitted are powered by horses and oxen.

The village is located on Round Swamp Road, Old Bethpage, just south of the Long Island Expressway, exit 48. Admission is \$2.25 for adults, \$1.50 for children. Nassau County leisure pass holders are admitted for \$1.75 and \$1.25 respectively. There is a cafeteria and gift shop on the premises. Parking is free.

Easter Service

Part of Nassau County's Easter tradition is the Dawn Sunrise Service to be conducted this year at the Lakeside Theatre in Eisenhower Park on Sunday, April 10, beginning 6 a.m. The theatre is near parking field No. 6.

Services will be conducted

under the auspices of the Long Island Council of Churches in cooperation with the Nassau County Department of Recreation and Parks.

In case of rain, services will take place in the Salisbury Lounge near parking field No. 7.

Amateur Theater Players

Singers, dancers and musicians of all ages are still welcome to join the Amateur Theatre Players, a new troupe sponsored by the Nassau County Department of Recreation and Parks.

Especially needed are male vocalists and technicians. Prior experience is not necessary. A large group of talented Nassau residents is already rehearsing every Tuesday evening at Nassau Beach Park, Lido. Its first venture is "Blondes Prefer Gentlemen", an original musical penned by Francis J. O'Connell, a Garden City resident.

To sign up with the troupe or for further information, call 292-4121.

German Shepherd Show

Dog fanciers will converge on Eisenhower Park for a German Shepherd Show to be held on Sunday, April 3, beginning 9 a.m. near parking field No. 8.

The show is conducted by the German Shepherd Club of Long Island with the cooperation of the Nassau County Department of Recreation and Parks.

Ribbons will be awarded for best of breed and obedience training. Spectators are welcome.

YR FUN. The Nassau County Young Republicans enjoy a social hour with Congressman John W. Wylder (R-Nassau County) in the Congressman's capital office. The YRs were in Washington to attend their national conference. Left to right, front row: Larry Nedelka, Garden City; Nick Skelos, Rockville Centre; Helen Tyska, Uniondale; Stella Weiner, Floral Park; Congressman Wylder; Anthony Giordano, Levittown; Susan Burns, West Hempstead; and Katie Schari, Hewlett. Back row: George Goodman, Williston Park; Bob Lazaro, Elmont; Andrew Rodan, Hewlett; Dean Pfeffer, Westbury; Bill Pape, Stewart Manor; Nick Carruso, Hicksville; Ralph Mack North Woodmere; Jeff DeLuca, Mineola.

Dear Friends...

In a recent message received from Nassau County Executive Ralph Caso, he deplores the numbers of agencies and districts presently necessary to carry out all the services required by the 1.5 million residents of Nassau County. Mr. Caso states that we have nearly 400 units of government, nearly all of them with taxing authority and clearcut responsibilities, as well as our county government which contains innumerable layers of bureaucracy. He is now forming a task force to begin taking a "long hard look" at the way all these levels of government work, because he feels that the average homeowner can not pay any more taxes.

Well, I don't know what such a committee can accomplish at this late date, but I do agree with Mr. Caso, when he says, "There must be a better way, a saner way. We have to cut down the costs of government...and one way to do it is less government." (this is a direct quote)...we only hope that, not only Mr. Caso, but all of the voters so affected, remember this, when the opportunity to vote on the proposition to govern Nassau County with a Legislature comes up AGAIN...for, although it was soundly defeated last year, believe me, it will come up AGAIN...so, watch out...and don't be deceived into believing that it will be "less government"...it will be more...much more...government...as witness what has and is happening in neighboring Suffolk County.

Attention Senior Citizens

Residents of the Hicksville School District who are over 65 and have a total income of less than \$6,500 are reminded that they must file an application before May 1, 1977, to be eligible for a 50 percent exemption on their school district tax for the 1977-78 school year.

Besides the income requirement of \$6,500 which includes the combined income of all owners, residents must meet certain other qualifications in order to be eligible for the exemption. Real property must be owned by one or more persons, each of whom is 65 or older, or owned by a husband and wife, one of whom must be 65 or older.

The property must be the applicant's legal residence used exclusively for residential purposes and the owner or owners must occupy all or part of the premises. There is also a two-year residency requirement.

However, a resident is not eligible for the tax exemption if a child attending the schools lives in the house.

The law requires all eligible residents to file annually for the exemption. Eligible residents may go directly or may write for applications to the Department of Assessment, 240 Old Country Road, Mineola, New York 11501. Letters requesting the applications should be marked to the attention of Mrs. Plant. Residents may also contact Mrs. Plant by calling 335-2377.

"SORRY TO SEE YOU GO": Irene and Ed Burke are leaving Hicksville after 27 years. Both Irene and Ed are taking an early retirement and moving upstate to Claverack, New York, by the end of March.

At a recent gathering of some friends in their home prior to moving upstate, they expressed how happy they have been in the 27 years being in Hicksville.

Ed was quite active in Boys sports having been one of the founders of the Hicksville Baseball Association and also introduced both Pony and colt baseballs to Hicksville.

Ed ran the Holy Family Boys Basketball C.Y.O. program for 15 years, which produced many fine basketball players for Hicksville High School. He also organized the first C.Y.O. Football program in Holy Family.

Both Irene and Ed have many friends in Hicksville who wish them many happy years ahead in their new home in Claverack, New York. We understand they are going to be gentlemen farmers and so, must be there "in time for spring planting." Best wishes.

Safe boating courses for young people between the ages of 10 through 16 will be held at three locations in the Town starting Monday, April 4. The five-day course is mandatory for this age group to qualify for New York State Motorboat Operator's License.

The courses, which are jointly sponsored by the Town's Conservation and Waterways Bureau and Flotilla 13-2 of the Coast Guard Auxiliary, will be held at John J. Burns Park from 4 PM to 6 PM; the Hicksville Library from 1 PM to 3 PM and the Syosset Library from 10 AM until Noon.

There are no prerequisite requirements or fees. Instruction is given in safe boat operation, marlinpike seamanship, use of charts and the compass, and first aid.

Letters To The Editor

Dear Mrs. Noeth:

We want to thank the paramedic squad of the Hicksville Fire Department for saving the life of Otto Schlosser, our son's father-in-law. Had it not been for their prompt response and quick action, we would not have Otto Schlosser with us today.

We pray to God for more men like these.

God bless these dedicated men.

Sincerely,
Mary and Robert Erwin
Dakota St.
Hicksville

To The Editor:

I want to thank Mrs. Sheila Noeth, editor of the Mid Island Herald and one of the founders of the Hicksville Community Council for bringing some important matters to our attention. These matters primarily concern the Hicksville homeowner, the one who is still gainfully employed and the one who happens to be (unfortunately) on a fixed income. Both of them are facing tremendous expenses. In addition to having had to face an extremely cold winter with fuel bills steadily increasing and the cost of living index higher than ever, we now have to face up to the fact that sewer construction will begin in 1978, that our sewer taxes will escalate and that homeowners will have to pay out of their own pockets (the expense accrued to be connected to the sewer system which will be high, especially for those whose cesspool happens to be in the backyard; from what I understand, at least \$500.00 if not more, depending on the location of the cesspool. There are reassessments of homes on the agenda. How it will affect us only the future can tell.

We are now asked to vote on a referendum for two parks, one smaller parcel of land located at the intersection of Plainview, Old Country and South Oyster Bay Road, the other one - the former Giese property at Lee Avenue, both parcels of land owned by the Town of Oyster Bay. The Lee Avenue property is the larger one of the two. Our Hicksville Park Task Force, appointed by the Town Board, has proposed construction of a Five Million

Dollar Pool-Park Complex on the site of the Lee Avenue property: the expenses for paying off the bonds and the maintenance of said complex to be paid through taxes by the Hicksville homeowner. The Sr. Citizen who is now receiving a 50 percent exemption on school and property taxes, will receive no exemption, because he pays Hicksville taxes in full. The smaller parcel of land at the intersection of Plainview, Old Country and So. Oyster Bay roads will be planted in grass. It is the Five Million Dollar Complex I am wondering about. Are the planners for this construction trying to saddle the homeowner with a Mini Cantigue park, when the real one is only a short distance away, easily reached by car or bicycle. I believe that most of us are for parks at both locations, parks that are planted with lawns, trees, bushes, parks that form a green oasis within the jumble of our housing, with a play area for the small fry and a rain shelter. Parks like that are easily paid for by us. They create small inducement for the voracious appetites of vandals. They would be a boon for the elderly, where they could relax on benches amidst the greenery. There could be a picnic ground. Let's go back to the sane ways of our forefathers. We do not need an expensive sports arena. We do not need cement and concrete. We need a place to stretch our souls not our muscles.

A CONCERNED TAXPAYER

Dear Mrs. Noeth:

Apathy can be a frustrating thing.

As reported by you in last week's Herald, the Plainview-Old Bethpage PTA Council and other civic groups sponsored a Rally at Matlin JHS last Thursday to protest Governor Carey's proposed cuts in State aid to education. Due most especially to the determined efforts of such PTA leaders as Eve Cohn and Fran Chorny, the Rally received a tremendous amount of advance publicity. Indeed it would have been difficult NOT to have known about the Rally days in advance.

Assemblyman Yevoli showed up at the Rally School Board President Mitchell Laub showed

up at the Rally. Teachers Union President Paul Rubin showed up at the Rally. About 150 or so of Plainview-Old Bethpage's more active and involved citizens also showed up (the "usual" faces). Unfortunately, however, most of the rest of the 36,000 people of Plainview-Old Bethpage stayed home.

Doesn't anybody out there care? Don't people realize that both their financial well-being and the education of their children are at stake? Albany can only get the message if the people of Nassau County come out en masse to send it. We simply cannot afford to sit back and let "the other guy" (or gal) carry the entire load.

It's not too late. Albany WILL listen...if enough of us speak out. Our local legislators of both parties are unanimous in their opposition to Governor Carey's ill-advised revision to the State aid formula. But it's up to US to give their opposition some real weight. WRITE TO GOVERNOR CAREY (c/o State of New York, Executive Chambers, Albany, New York 12224). Tell him that you oppose his proposed \$150 million reduction in State aid to education. Tell him you oppose this attack on your pocketbook and your children's future.

Apathy is a luxury that we can no longer afford.

Very truly yours,
Michael Polansky,
Plainview

To the Editor:

Criticism of the saccharin test in rats on the grounds that the dosages were excessively high is misleading and scientifically invalid. Administration of high doses is a technique routinely used in testing for cancer-causing chemicals because it permits the effects to be detected in a small number of animals (30 to 50). Cancer incidence is directly related to dosage. Testing at low doses would require hundreds of thousands of animals and would be unwieldy and prohibitively expensive.

In the saccharin test, 14 percent of the rats developed cancer. If, as the manufacturers tell us, this dosage is equivalent to 800 bottles of soft drink daily for a

(Continued on Page 10)

LEGAL NOTICE

AMENDMENT TO THE CODE OF ORDINANCES OF THE TOWN OF OYSTER BAY, CHAPTER 8, ENVIRONMENTAL CONTROL

BE IT ORDAINED by the Town Board of the Town of Oyster Bay, that Chapter 8, "Environmental Control" of the Code of Ordinances of the Town of Oyster Bay, New York, as amended, be and the same hereby is amended by deleting therein the following:

"Article I. In General

See 8-1. Pesticides: Legislative findings: prohibited types; penalty.

(a) An integral part of the responsibility of a town to protect the health, safety and welfare of its residents is the obligation to maintain a safe and stable environment. While the town is cognizant of the value of pesticides in controlling undesirable insects, fungi, and rodents, it is also aware that the widespread and sometimes indiscriminate use of pesticides, especially those pesticides of relative high toxicity which do not break down rapidly after use, has resulted in disrupting the ecological balance, causing

LEGAL NOTICE

permanent injury or death to fish and wildlife and continues to pose a potential threat to the health and welfare of the people. The town, in exercising its environmental responsibility to present and future generations of its residents, has made it the purpose of this section to foster control of these pesticides of relative high toxicity which do not decompose rapidly in the air, soil and water after use.

(b) It shall be unlawful for any person to spray, sprinkle, atomize or otherwise emit in the environment any of the following chemicals: Dieldrin, Endrin, Aldrin, Toxaphene, Heptachlor, Lindane, Aldane, D.D.T., D.D.D., D.D.E. or any combination thereof.

In addition to any other remedy for an offense against this section, any person committing an offense against this section shall be guilty of a violation punishable by a fine not to exceed two hundred fifty dollars (\$250.00) or by imprisonment not exceeding fifteen (15) days, or both such fine and imprisonment. In addition, the town board may maintain an action or proceeding, in the name of the town in a court of competent jurisdiction to compel compliance or to restrain by in-

LEGAL NOTICE

junction, the violation of this section.

STATE OF NEW YORK,
COUNTY OF NASSAU,
TOWN OF OYSTER BAY ss.:

I, ANN R. OCKER, Town Clerk of the Town of Oyster Bay, and custodian of the Records of said Town, DO HEREBY CERTIFY that I have compared the annexed with the original Notice of Amendments to The Code of Ordinances Amending Chapter 8, Environmental Control adopted by the Town Board on March 15, 1977.

In the Town Clerk's Office and that the same is a true transcript thereof, and of the whole of such original.

In Testimony Whereof, I have hereunto signed my name and affixed the seal of said Town this

16th day of March 1977.

Ann R. Ocker
Town Clerk.

BY ORDER OF
THE TOWN BOARD
OF THE TOWN
OF OYSTER BAY
Ann R. Ocker

At Town Board Meeting

by Gerry Kahn

The twelve item calendar heard at the Town Board Meeting on Tuesday, March 22nd was led by three Hearings.

The opener was a Petition of Frank Dell'Accio for a change of zone from Res. "D" District to Bus. "F" at Massapequa. The requested change site was located on Hicksville Rd. and basically was to conduct a Real Estate business from a home giving a "living room" atmosphere to the business. The petitioner was represented by Mr. Curtis who cited the various business locations in the residential area which included K of C as a neighbor.

Joyce Gotard, Carol Dows, Carol McGrath and Phyllis Singer spoke in opposition to the granting. They stated that there were too many empty stores in close proximity to the site and that there was no necessity to create more business zoning in an area where there was apparently an overabundance of business

locations now. They presented the Board with a petition of 100 signatures in opposition.

Councilman Diamond led the questioning from the Board which included parking availabilities, number of employees, a covenant restricting the site to Real Estate operations, sprinklers and the type of signs to be erected. The petitioner was planning on a "Century 21" franchised operation.

The second item on the agenda was a Finance Hearing relative to repaving of various parking fields with an estimated cost of \$150,000.

The last Hearing of the morning was the Petition by American Institute of Physics for a special use permit for an eleemosynary institution at Woodbury. The site is the existing Waldemar Medical Research Foundation on Sunnyside Blvd. in the Northern State Parkway. The petitioner was

represented by Counsel Alan Menser although the attorney of record was stated as being Roncallo, Weber and Shapiro. Mr. Menser, Pres. of the Waldemar Foundation stated that the income from the foundation was not enough to support the operation and that the petitioner was a bona fide purchaser. The primary concern of the Board and interested parties was to what extent the printing phase of the operation would be.

Counsel explained that there would be no printing operation on premises except for normal office copying. That the site would merely be for office work and that there would be approximately 100 employees.

Councilman Diamond noted that there was an area on the property that was filled with debris and requested that in the event of a granting there would be an extensive clean-up operation as well as additional shrubbery screening.

A Leprechaun Visits Hicksville

St. Patrick's Day began early for Mrs. Schiecker's Kindergarten classes. On Friday, March 11th, when the children got to school, they had a big surprise awaiting them. There were green footprints on the wall, from the door to the blackboard. Tacked to the board was the following letter: "Good Day to you, Kindergarten Children. I am a Leprechaun. I am an Irish Fairy. I make shoes for all the wee folk, and they pay me with gold. If you catch me, I have to give you my pot of gold. That's why nobody ever sees me. Every Year I come to New York to see the parade on St. Patrick's Day. Every year I come to your room, and leave little surprises in my favorite color (guess?). Sometimes I do mischief too. Wait and see. I left pictures of Irish Children for you. Those pictures on the wall are not right. I don't look like that at all. More on Monday. Have a Nice Green Day." Each child found a green good luck charm in his cubby this day.

On Monday, we found new footprints, leading from the door, along the walls, and right over to the pumpkin seeds we had planted last week. Each child found a little green bell in his flowerpot.

On Tuesday, our Leprechaun left footprints across the room and left us green candies, a green sponge to plant seeds on, and a beautiful green Jade Plant.

On Wednesday, he walked all over our Doll House, and left us pictures of what people think he looks like.

On Thursday, St. Patrick's Day, we found out what he meant, when he said "he sometimes does mischief" in his first letter - he had emptied out all our cubbies, and mixed them all up. It took everyone the longest time to find all of our things.

To make up for his mischief, he left us two loafs of Irish Soda Bread, that he baked, and some green butter.

On Friday, the children each dictated a story to the class mothers, about Leprechauns. These stories exemplify what the children think.

"I like when the Leprechaun gives me the presents. He's all green. He has pointy ears and pointy eyebrows. Under their shoes, it's round. I wonder if he will give me a pot of gold next year." He goes all over and delivers presents. He lives in a green house. It's a regular house, but everything is green inside and outside. Even the fireplaces have green smoke and green fire. He wears green clothes. He's all green. I wish if he comes back next year he leaves me a pot of gold so I could be rich and buy a few houses and I'd buy a lot of food to eat."

"I like about the Leprechaun that he leaves you some prizes

and he plays tricks on us. He gives us good feelings from leaving us stuff. I wish he could give me a pot of gold. He has pointy ears, curly hair. He has a three leaf olive in his hat. He's green. He goes to people's houses and leaves them surprises. He lives in a three leaf olive. He wears green clothes. I wish he will come back next year, not to the kindergarten, but to the first grade, and leave a pot of gold, so then we'll be rich. We'll have the gold and he won't."

Good Advice

Oyster Bay Town Clerk Ann R. Ocker reminded Town residents that although solicitors from non-profit organizations are exempt from obtaining Town permits, they are bound by other Town regulations.

Mrs. Ocker said that responsible organizations have always provided some means for their solicitors to identify themselves and they have explained common courtesy rules of soliciting.

Mrs. Ocker advised Town residents to contact her office from Monday to Friday, between 9 AM and 4:45 PM, if they have any complaints about a solicitor. "Even those not required to have a permit can be dealt with through my office if they are violating Town regulations."

Second Half School Taxes Due

Oyster Bay Town Receiver of Taxes Solomon Newborn is reminding residents, who pay their property taxes directly, that between April 1 and May 10, 1977 payment must be made on 1976-77 second-half school district taxes.

"Most residents of our Town pay these taxes through their monthly mortgage payments," Newborn said, "but those who make the payments directly should be aware that they will not be receiving any further notice of the due dates for the second-half school tax payments."

East Street's Reading Contest

THE READING COMMITTEE: Standing: Chris Kowalski, Richard Locke, Chris Pasquerale, Seated: Nicole Trama, Pat Kenny, Christine Woros, Lisa Moyer, Holly Bush, Christine Morris and Diane Lizza. (Photo by Don Fournier).

ON March 10th, the PTA sponsored the "East Street's 50th Reading Contest". Trophies were given to the class at each grade level which had the largest total amount of books read. Also, first, second and third place medals were given to the students of each grade who read the most books.

A reading committee, made up of ten students, under the supervision of Mrs. Frances Byrne, reading teacher, did an excellent job of reading over 1,000 reports.

The winners were:
Trophy: Third Grade - Mrs. Wallman

First: Charles Bund
Second: Kelly Patwell
Third: Lisa Slis

Trophy: Fourth Grade - Mrs. Shields

First: Mondana Hormozi
Second: Bryan Althaus

Third: Christine Fredrickson

Hicksville Soccer Club News

Squeaker

The midlets travelled to Brentwood last week-end and took on a very tough competitor but managed to hold on and come back to Hicksville with a 2-1 victory. This Germany-bound K of C team came out roaring and scored two goals early in the game. The first was by center-halfback Steve Dolan on a rebound from a corner kick and the second by the 'Big A' (Adrian Pepi) from the left wing. That was all the scoring from "Cresham's Crunch Bunch" in this game despite some hard work by John Mitchell, John McCann and Philip Ridgeway up front. The Brentwood defense simply closed the door and Hicksville couldn't penetrate. When this happens, the defensive unit had better get ready for some hard work. Kevin Cahalan, Billy Cresham, Frank Schnur and goalkeeper Robert Pearce were up to the task and preserved the victory for Hicksville. The boys record is now 2 and 0 and they'll practice twice this week for their next match against Cow Harbor.

Bantam Team

Last Sunday, during a snowstorm, the Hicksville Harris Aluminum Bantam team coached by Ben Brutschin, fought against the cold, the slippery ground and the Brentwood Chiefs. Although visibility was poor, goals were scored by Robert Newlands, R.J. Nakashian and Mickey Boccafola. A very aggressive defense was played by John Carroll. When the final whistle blew the Hicksville team had beaten Brentwood by a score of 3-1.

Indoor Season Ends

The Hicksville Americans Indoor Soccer Season finished literally in a flurry last week-end at Lutheran High School in Brookville. As the first spring snow fell, two divisions of girls (under 14 & under 18 years) participated in 56 soccer games on Saturday & Sunday to decide a champion in each age group. There were 15 teams in total (125 young ladies) and Hicksville had two entries in each division.

The younger girls were coached by Sam and Marcella Masiello and came in 4th and 9th respectively. They played good soccer and gained a great deal of experience and ran now join forces for their outdoor season. Donna Richards won the coveted Sportsmanship Award and joining Donna on the court were her teammates Donna Berk, Joanne Mullings, Sharon Humphreys, Marc Masiello, Barbara Luongo, Donna Taylor, Mariann Carroll, Janice Lane, Judi Lauritsen, Julie Dolan, Debbie Newlands, Kathy Panetta, Patti Lagnese, Cara Greenberg, Michelle Duneire and Joann Barcavage.

The older girls also did a fine job and after 8 rounds of soccer, the two teams finished 1st and second respectively. This was a

very equal division and all teams were very strong. The 'Blue' team which finished first in the qualifying rounds, had the Tournament's Most Valuable Player Karen Wilson and seven other girls who played their hearts out and did one terrific job: Denise Burke, Tracey Hass, Gail Zakian, Donna Drake, Lorraine Behr, Kathy Dolan and Patty Rogers. The Blue team was eliminated in the semi-finals by Island Trees in the FOURTH sudden death overtime period. The Red Team was made up of the Conway sisters Patty and Diana, Susan Stafford, Miriam Pepi, Patty Decker, Joanne O'Shea and Kathy Scheidel. In the qualifying rounds, these girls had finished second and scored the most goals but were also eliminated in the semis by Northport. Both teams were coaches by Kevin and Gerry Shannon.

First and Second place trophies were donated by Galileo Galilei Lodge and Venerable Assistants Messrs. Pasqueral and Previte were on hand to give the trophies to the happy winners. Councilman Tom Clark presented the Sportsmanship Awards which he donated for all age groups. President Peter C. Collins introduced the celebrities and explained that almost 1500 children played indoor soccer in Hicksville this winter in 8 Tournaments since December.

Boys Blue Team

The Boys Blue team lost the seasons opener against Cow Harbor, 1 - 0. Blue had at least four chances to score but just couldn't seem to find the net. In spite of this, they never gave up and kept Cow Harbor to one goal. Coach Ken Groves has high hopes for this team as the season progresses.

This same team traveled to North Shore for their indoor tournament on 3/19/77. The team was divided into two teams and while neither team reached the semi finals, they did provide some excellent soccer. Hicksville defeated Port Washington 4 - 0 with Don Barcavage scoring all 4 goals. They then topped Garden City 3 - 0 with a goal by Don Barcavage and 2 goals by Tony Coiro. Ralph Stieveling and Juan Majia scored to tie Massapequa 2 - 2. Tom Sullivan scored a beauty to tie Northport 1 - 1. Will Dempsey scored twice with assists by R. Stieveling to tie Northport 2 - 2. All the boys gave their very best. The final winner of the tournament was Brentwood 1 - 0 over Massapequa. Two door prize stereo sets were won by Hicksvillians. Don Barcavage was awarded the M.V.P. trophy of the Tournament. Team 1: E. Thompson, J. Tomlinson, B. Stenborg, S. Stafford, J. Anglin, D. Barcavage, T. Coiro, P. Redell, Coach H. Groves. Team 2: R. Coiro, D. Straub, K. Smith, R. Stieveling, W. Dempsey, J. Mejia, T. Sullivan, Coach pro tem, A. Coiro.

Girls under 18
The Girls U 18 defeated the

Girls Volleyball Team Wins Tournament

The girl's volleyball team at Burns Ave. won the elementary school volleyball tournament with 2 straight victories over Woodland Ave. on Wednesday, March 16th. The scores of the games were 15-12 and 15-10. The games were held at the girls gym at Hicksville High School.

In reaching the finals the Burns Ave. team defeated Dutch Lane 15-1 and 15-4 and in the second round took the measure of Lee Ave. 15-10 and 15-10.

The team was coached by Mr. Lou Crandall of the Burns Ave.

faculty. There were 16 girls on the team from grades 5 and 6.

In the boy's basketball tournament, the Burns Ave. team, coached by Mr. Ron Donahue, reached the finals only to be turned back by Woodland Ave. by a score of 30-18.

Burns Ave. defeated Dutch Lane in the opening round 36-13 and took the measure of Willet Ave. 28-25 in the semi-finals. Coach Donahue's 15 man squad played excellent basketball in all of their games.

Northport Cutters 7 - 1. Goals were scored by Pat Decker (3), Pat Conway (2) and K. Wilson (2). Assistants were credited to Miriam Pepi, Diane Conway, Denise Burke and Kathy Scheidel. Although the entire defense played a solid game, Lou Ann Schwing (goalie) and Sue Stafford (sweep) are worthy of special mention for combining on many occasions to thwart the Cutters attack.

Hicksville Juniors

Take the First Hurdle

What an explosive start: after three games - 19 goals for and 3 against. After one week of action coaches Bedell and Schnur are optimistic without a doubt the forward line is the most potent ever. Phil Gramaglia, Sandro Vitello and Walter Diaz are hard to stop. The midfield with Mike Bedell, Kevin Readon, Mike Hartman and Peter Collins shows promise. The defense is still a bit shaky and both goal keepers Rich Gallagher and Bob Zabronsky haven't really been tested yet.

On February 27 the Juniors marched past Northport in the National Junior Cup with a convincing 10-2 score. The first half was close but Gramaglia and Co. exploded in the second half and demolished the Northport defense. In the next round Hicksville will meet West Islip. West Islip will be out to avenge the 1-0 loss to Hicksville in the Ernie Grege Indoor Final.

In league play Hicksville is undefeated, beating Huntington Gold 5-1 on Saturday March 5, and shutting out Garden City 4-0 on Sunday, March 6. The team is also preparing for a trip to Europe in August.

Pee Wee Blue Team

Under grey Northport skies and snow buries Municipal Reef's Pee Wee Blue Team met Cow Harbor B in the first away game of the season. In the opening minutes of the first half M. STORMS scored with an assist from J. HANNA offering the promise of an easy victory for Hicksville. However, by halftime

(Continued on Page 10)

Recreational Wrestling

The new Hicksville Elementary Wrestling Program is holding its registration on Sat., Apr. 2nd.

Boys between the ages of 8 to 12 years and attend any Hicksville Elementary school are invited to participate.

Sign-up Saturday is set for the 2nd of April between 9:30 a.m. and 12:30 p.m.

Practice will be held in the Hicksville High School Boys Gym each Saturday between the hours of 9:30 a.m. and 11:30 a.m. commencing April 2nd.

"The program will end on the 21 of May with a tournament for the boys to show off what they have learned," said a spokesman for this program.

Late Registration For PBC Baseball

Calling all boys ages 8 thru 13 for the Police Boys Club Baseball Teams. There will be registration on Saturday, March 26 at the PBC Clubhouse 85 Bethpage Road, Hicksville from 10 a.m. to 2 p.m. Parents must be present to register child.

The Police Boys Club is

also looking for boys and girls ages 8 and up to join The Nautical Cadet Band, they meet on Friday evening at the Hicksville Junior High from 7:15 till 10:00. For further information call Bandmaster Robert Miller at 433-4427.

Summer Food Program

On March 1 the Oyster Bay. Town Board approved the filing of an application to become a sponsor of a federally funded Summer Food Program for participants in the Town's Group Activities Program (GAP) for the handicapped.

Town Councilman Howard T. Hogan, Jr. explained that, in order to qualify, at least one-third of those engaged in the program must meet New York State Eligibility for free or reduced price meals.

Announcing a WORKSHOP FOR PARENTS WHO NEED OR WANT TO HELP

NOW 2 LOCATIONS • HICKSVILLE • MEDFORD

This workshop will provide diagnostic and prescriptive approaches to aid parents in planning to help their learning disabled child to compensate for his difficulties.

Specific techniques in developing children from frustrated, rigid students to youngsters who are ready to achieve more positive growth will be taught.

8 SESSIONS INCLUDING 2 PRIVATE VIDEO TAPING SESSIONS

Sheila Rosenberg, M.A. in Learning Disabilities, has successfully helped many parents personalize the solution to their children's problem.

By The Rev. John H. Krahn

WHEN WINNING MEANS LOSING

For the Christian life is idyllic. As you embrace Christ your problems become opportunities, heartaches turn into joys, bad times fade into the past. Your career succeeds as it never has. Your relationship with those around you is enhanced. Unkind words once directed towards you no longer make their way to your ears. Temptation runs against you then retreats in dismay. Money is no longer a problem. For you'll have more than enough. Lovely flowers moving in the fresh breeze send their elegant fragrance your way, as the warming rays of the sun fill your body with the feeling of health and beautiful harmony with God and nature. As God's special person, He spares you from pain, problems, and paucity.

Hogwash, unmitigated hogwash—more like heresy. If Christianity is as I have just described it, then all of us must be wondering whether we really are Christians. Although our walk with Jesus brings us many blessings that will enhance our lives, the Evil One does not roll over and play dead when we

follow Christ but continues to dog us as we make our way through life. Following Jesus Christ also brings with it a degree of suffering as our selfishness is lost to service and discipleship.

And as we struggle to be what we are, children of God through Baptism, it is often hard and painful. Christ suffered, his followers suffered, we too will have the privilege of suffering. Dietrich Bonhoeffer, Christian martyr in 1945, writes, "When Christ calls a man, He bids him come and die." Perhaps more than any of us, our Christian brothers and sisters in Communist countries understand this. Many are imprisoned for their faith. Some die. All are ostracized. We, in this country, don't have it hard, but those who are actively serving the Lord often experience exhaustion over long hours of toil. When we do not always have the success we'd like with some of our best efforts at ministry, suffering results.

We who try to live a moral life in a society that is so permissive know the suffering that sometimes accompanies our uniqueness. Often others look at us in disbelief when we stand for

something because it's right rather than because it's expedient. But for us to do less is to march to a different drum beat than the one Jesus sounds. Jesus puts it to us today, "If any man would come after me, let him deny himself and take up his cross and follow me."

Our march through life does not end at the grave but moves beyond. Our vision is both present and future, in this world and the next. Courageously we meet the world proclaiming the glory of the Lord in word and deed finding strength through Him to overcome the present, whatever conflicts our faith might encounter. Leaning on Him we seek His Spirit's power to help us deny ourselves, to bear His cross and to even suffer for the Gospel's sake. We desire with Him that all men whom He loves might become His children through faith and might join Him and us at the Father's house in eternity.

And when we arrive God will look us over—not for medals, or awards, or degrees, but for scars. Finding them, He will declare, "Ah, a wise person who understood that winning meant losing."

TTY - Enables Deaf to Telephone By Typing

Profoundly deaf people can now "talk" on the telephone—but it's not as easy as picking up a receiver. To use a TTY, a teletypewriter adapted for use by the deaf, one has to know how to type and be affluent enough to pay for the exceedingly high cost of the service.

The TTY is a typewriter that transmits electrical signals over phone lines either by hard wire or by an acoustic coupler. When a call comes in, the phone rings and a light on the device goes on. Deaf persons often have multiple lights installed wherever they spend most of their time. Then, of course, many deaf persons live with hearing relatives who alert them when the phone rings. Persons "hold conversations" on TTYs by typing back and forth to each other.

First demonstrated at the Alexander Graham Bell Convention in Utah in 1964, the TTY was introduced to Nassau and

Suffolk in 1969. There are now about 90 in use in both counties. Although most of the TTYs are in private residences, a few agencies, including the Nassau County Police Department, and the Helen Keller National Center for Deaf-Blind Youths and Adults, and Catholic Charities, Diocese of Rockville Centre, also have them.

According to Nancy Smith, Catholic Charities' counselor for the deaf, there would probably be many more TTYs in use if the cost of owning, operating and repairing the machines were not so prohibitive. There are a number of models available, among them a new portable version, but the least expensive runs around \$300. Added to the initial outlay are expenses for the rolls of paper used in the machine, repairs and, what can be, exceptionally high monthly charges. A call on a TTY can cost three or four times the cost of a

similar call made on a regular phone, depending on the typing speed of those "carrying on the conversation." Thus, a "hunt-and-peck" typist would pay more than a skilled typist for a comparative call.

Mrs. Hoffman, mother of three and a leader in the deaf community, was interviewed recently via Catholic Charities' TTY in the agency's Bi-County Center in Amityville.

Emergency Dept. Completes First Year

Central General Hospital, in Plainview, which opened its newly expanded Emergency Department in June 1975 has completed its first full year of service to the community. During this past year of 1976 the Emergency Department treated over 23,000 people who came there due to an immediate medical problem. Of these, over 3,300 patients were subsequently admitted into the hospital. The department's main treatment room has 6 stretched areas with all the most modern life saving equipment. There is also a separate minor surgical trauma room and an orthopedic cast room where almost 2,600 casts are applied. The department also has a fully equipped 4 bed holding room where patients can be monitored for a few hours to determine if it is necessary to admit them.

The department which is staffed by a doctor, three nurses, ward clerk and an emergency medical technician also uses the hospital's attending call list if a specialist is needed. A separate clerical staff is also available to assist the patient or family when they arrive. The medical and nursing staff is also involved in providing training courses in various programs throughout the community. Some of these courses are in Cardio Pulmonary Resuscitation (C.P.R.) and Emergency Medical Training to various fire departments.

The Emergency Department of Central General Hospital has radio communication with the fire departments of Plainview, Bethpage, Jericho, Hicksville, Farmingdale, Melville and Dix Hills which bring many emergency patients to the

hospital. The hospital being near 3 major parkways also has many accident victims brought to its Emergency Department by 2nd and 8th Pct. of the Nassau County Police Department. There is also a Cardiac Alert phone hookup between Central General and the Cardiac Command Center and Nassau County Medical Center.

LETTERS

(Continued from Page 4)
human, an unreasonable rate of consumption, perhaps we should consider the likely effects of one bottle daily. In rats, the equivalent dosage would likely cause about 1:800 x 14 percent, or 0.0175 percent of the animals to develop cancer. If people are similarly sensitive to saccharin, and 200 million Americans consume one bottle daily, this rate of cancer induction would lead to 35,000 cancers. If our margin of error or sensitivity differed within a factor of 10, then between 3,500 and 350,000 people would get cancer. Such extrapolations from animal data are not precise, but animal data are still the best indicators we have for estimating the human response.

The hazards indicated by the rat data are great and we ignore them at our peril. The Delaney Amendment to the Food, Drug and Cosmetic Act properly prohibits the addition of such cancer-causing chemicals to our foods. It would be a tragedy if a hysterical but uninformed public reaction against the saccharin ban were to sweep away this piece of legislation so essential to our protection. Charles F. Wurster
Trustee, Environmental Defense Fund

East Plains Medical Director At Mental Health Center

The East Plains Mental Health Center at 35 Broadway, Hicksville, announces the appointment of Robert N. Pilosi, M.D., as its new Medical Director.

Dr. Pilosi is no stranger to East Plains as he has been associated since February 1976 with its satellite clinic, East Plains Community Program, which is funded by the Nassau County Department of Drug and Alcohol Addiction.

Dr. Pilosi's experience and background are impressive. He received his M.D. degree in 1960 at the Georgetown University Medical School and interned at the Nassau County Medical Center from July 1960 to June 1961. Following this, he received his residency training at the Kingsbridge Veterans Administration Hospital in the Bronx with an affiliated

residency at the New York State Psychiatric Institute. He is diplomate of the American Board of Psychiatry and Neurology.

Over the last number of years, Dr. Pilosi has accumulated extensive, diversified experience in the field of psychiatry through his associations with Catholic Charities both in New York City and on Long Island, and with Jewish Memorial Hospital in New York City. Having both lectured and taught professional staffs in other organizations, he comes to East Plains fully knowledgeable for the supervising of East Plains's own professional staff.

East Plains Mental Health Center is a non-profit community mental health facility licensed by the New York State Department of Mental Hygiene. It serves the Towns of Bethpage, Farmingdale, Hicksville, Jericho, Old Bethpage, Plainville and Plainview and offers a full range of psychotherapeutic treatment services for children, adolescents and adults.

SOCCER NEWS

(Continued from Page 7)

Cow Harbor's offensive line had warmed up managing to tie the score 1-1. Pressing the attack into the second half with brilliant passing tactics, Cow Harbor added another two points to their score over the valiant defensive efforts of fullbacks R. Smith, J. Reardon and B. Magee for a final score of 3-1 over Hicksville.

STATE OF NEW YORK
DEPARTMENT OF
ENVIRONMENTAL CON-
SERVATION
NOTICE OF APPLICATION
FOR PERMIT TO DISCHARGE
UNDER PROVISIONS OF
NEW YORK STATE
POLLUTANT DISCHARGE
ELIMINATION SYSTEM
APPLICATION NO. NY-0102539
ALSY MANUFACTURING
COMPANY

Oyster Bay (T), Nassau Co.
Notice is hereby given that, pursuant to Titles 7 & 8 of Article 17 of the Environmental Conservation Law of New York State for the administration of and the issuance of permits under said Law,

Alsy Manufacturing Company
270 Duffy Avenue
Hicksville, New York 11801
has filed an application for a permit to discharge industrial wastes and sanitary wastes into groundwaters from subsurface disposal systems at the applicant's facility located at 270 Duffy Ave., Hicksville, N.Y., Oyster Bay (T), Nassau County, where the applicant engages in lamp manufacturing.

The New York State Department of Environmental Conservation tentatively intends to issue a State Pollutant Discharge Elimination System (SPDES) permit for the subject discharge(s). A final issuance will follow: (1) review of the application to assure compliance with all applicable provisions of Article 17 of the Environmental Conservation Law of New York State and all applicable

LEGAL NOTICE

provisions of the Federal Water Pollution Control Act Amendments of 1972 (P.L. 92-500); (2) development of special conditions setting forth specific effluent limitations and other controls applicable to the discharge(s) described above including schedules of compliance; (3) development of monitoring and reporting requirements for the applicants performance; (4) consideration of all written comments from persons who qualify, as described below, as interested parties to this notice of application.

Any person interested in this application who wishes to comment thereon or become an interested party in any proceeding regarding this application must notify the undersigned in writing stating specific areas of interest on or before April 25, 1977.

All such written comments will be retained by the Department and considered in the formulation of the final determination. Any such interested party will be eligible to be heard if a public hearing is ultimately held in connection with this application. Further information may be obtained from the New York State Department of Environmental Conservation, P.D.E.S. Permit Section, Room 201, 50 Wolf Road, Albany, New York 12233, (A.C. 518, 457-4125), where the application and related documents are available for public inspection.

LEGAL NOTICE

NOTICE IS HEREBY GIVEN that the resolution published herewith has been adopted by the Town Board of the Town of Oyster Bay, Nassau County, New York, on the 15th day of February, 1977, and the validity of the obligations authorized by such resolution may be hereafter contested only if such obligations were authorized for an object or purpose for which said Town is not authorized to expend money, or the provisions of law which should have been complied with as of the date of publication of this notice were not substantially complied with, and an action, suit or proceeding contesting such validity is commenced within twenty days after the date of publication of this notice, or such obligations were authorized in violation of the provisions of the Constitution. Such resolution was adopted subject to a permissive referendum. The period of time has elapsed for the submission and filing of a petition for a permissive referendum and a valid petition has not been submitted and filed.
Dated: Oyster Bay, New York
March 18, 1977

Ann R. Ocker
Town Clerk
RESOLUTION NO. 130 - 1977

RESOLUTION DATED February 15, 1977.

A RESOLUTION
AUTHORIZING THE
ISSUANCE OF \$37,000
SERIAL BONDS AND \$2,000
CAPITAL NOTES OF THE
TOWN OF OYSTER BAY,
NASSAU COUNTY, NEW
YORK, TO PAY THE COST
OF THE INSTALLATION
OF A NEW HEATING, VENTILATING AND AIR
CONDITIONING SYSTEM
IN THE TOWN HIGHWAY
BUILDING ON MILLER
ROAD IN SYOSSET.

BE IT RESOLVED, by the
Town Board of the Town of
Oyster Bay, Nassau County, New
York, as follows:

Section 1. The specific object or

LEGAL NOTICE

purpose to be financed pursuant to this resolution is the installation of a new heating, ventilating and air conditioning system in the Town Highway Building of the Town of Oyster Bay, Nassau County, New York, located on Miller Road in Syosset.

Section 2. The maximum estimated cost of such specific object or purpose is \$39,000, and the plan for the financing thereof is as follows:

a) By the issuance of \$37,000 serial bonds of said Town, hereby authorized to be issued pursuant to the Local Finance Law; and

b) By the issuance of \$2,000 capital notes of said Town, hereby authorized to be issued pursuant to the Local Finance Law. Such capital notes shall be sold at private sale and all further powers in connection with the details and the sale thereof are hereby delegated to the Supervisor in accordance with the Local Finance Law. Pursuant to Section 107.00 of the Local Finance Law, the proceeds from the sale of such capital notes will be provided prior to the issuance of the bonds herein authorized or bond anticipation notes.

Section 3. It is hereby determined that the period of probable usefulness of the aforesaid specific object or purpose is ten years, pursuant to subdivision 13 of paragraph a of subdivision 11.00 of the Local Finance Law. It is hereby further determined that the maximum maturity of the serial bonds herein authorized will exceed five years.

Section 4. The faith and credit of said Town of Oyster Bay, Nassau County, New York, are hereby irrevocably pledged to the payment of the principal of and interest on such obligations as the same respectively become due and payable. An annual appropriation shall be made in each

LEGAL NOTICE

year sufficient to pay the principal of and interest on such obligations becoming due and payable in such year. There shall annually be levied on all the taxable real property in said Town a tax sufficient to pay the principal of and interest on such obligations as the same become due and payable.

Section 5. Subject to the provisions of the Local Finance Law, the power to authorize the issuance of and to sell bond anticipation notes in anticipation of the issuance and sale of the serial bonds herein authorized, including renewals of such notes, is hereby delegated to the Supervisor, the chief fiscal officer. Such notes shall be of such terms, form and content, and shall be sold in such manner as may be prescribed by said Supervisor, consistent with the provisions of the Local Finance Law.

Section 6. The validity of such bonds, bond anticipation notes and capital notes may be contested only if:

1) Such obligations are authorized for an object or purpose for which said Town is not authorized to expend money; or
2) The provisions of law which should be complied with at the date of publication of this resolution are not substantially complied with.

and an action, suit or proceeding contesting such validity is commenced within twenty days after the date of such publication, or

3) Such obligations are authorized in violation of the provisions of the Constitution.

Section 7. Upon this resolution taking effect, the same shall be published in full in Syosset Tribune & Mid-Island Herald together with a notice of the Town Clerk in substantially the form provided in Section 81.00 of the Local Finance Law.

Section 8. This resolution is adopted subject to permissive referendum.
D-3912-1T 3: 24 MID

LEGAL NOTICE

NOTICE OF HICKSVILLE
PUBLIC LIBRARY
ELECTION AND VOTE
ON APPROPRIATION
OF FUNDSHICKSVILLE UNION FREE
SCHOOL DISTRICT
Hicksville, New York

NOTICE IS HEREBY GIVEN THAT pursuant to the resolution of the Board of Trustees of the Hicksville Public Library of Hicksville Union Free School District, Hicksville, New York adopted March 16, 1977 the Special District Election of the qualified voters of this School District for the Hicksville Public Library Election and Vote on appropriation of funds will be held on May 10, 1977, between the hours of 10:00 o'clock A.M. (D.S.T.) and 10:00 o'clock P.M. (D.S.T.) in the seven election districts, stated below, for the purpose of voting upon the following proposition(s):

PROPOSITION NO. 1

Shall the Library Budget for the school year 1977-1978 adopted by the Library Board be approved and a tax be levied on the taxable property of the District in the amount of such budget, less sums received in the form of State and Federal Aid and from any other sources, all pursuant to the pertinent provisions of the Education Law?

NOTICE IS FURTHER GIVEN that nominating petitions for the office of member of the Board of Trustees of the Library must be filed with the Clerk of the School District no later than thirty (30) days before the Special meeting. Separate petition shall be required to nominate a candidate. Each petition shall be directed to the Clerk of the School District, shall be signed by at least 32 qualified voters of the District (the same being five percent (5%) of the number of voters who voted in the previous Library election), shall state the residence of each signer, the name and residence of the candidate, and include at least the length of the term of the office. Forms of petitions for Library Board Members may be obtained from the Clerk of the School District and at the Hicksville Public Library.

The following vacancy is to be filled on the Board of Library Trustees:

Office of Member of Board of Library Trustees 5 year term ending June 30th, 1982.

NOTICE IS FURTHER GIVEN that personal registration and Election Districts have been established in the School District, that no person shall be entitled to vote at the Special Meeting whose name does not appear on the register of the School District unless such person is registered under the provisions of Section 352 of the Election Law as amended by Chapter 629 of the Laws of 1975, and that those qualified to register and vote shall do so in the School Election District in which they reside.

NOTICE IS FURTHER GIVEN that copies of the estimated expenses of the Library for the year 1977-1978 may be obtained at the Library and each school house in the District on and after May 4, 1977 on any weekday from 9:00 A.M. to 4:00 P.M. and that any other propositions to be voted upon are available for inspection by any taxpayer in the District at the Library daily except Saturday and Sunday on and after May 4, 1977, between 9:00 A.M. and 4:00 P.M.

NOTICE IS FURTHER GIVEN that the Board of Registration shall meet in the seven (7) Election Districts described below on: May 4, 1977 from 3:00 P.M. until 8:00 P.M. (D.S.T.).

Any person shall be entitled to have his name placed upon such

LEGAL NOTICE

register provided that at such meeting of the Board of Registration he proves to the satisfaction of such Board of Registration to be then or thereafter entitled to vote at the Library meeting or election for which such register is prepared. Said register will be filed in the Office of the Clerk of the District on May 4, 1977, and will be open for inspection by any qualified voter of the District from 9:00 A.M. to 4:00 P.M. on any weekday from May 4, 1977 up to and including May 10, 1977. Residents who voted at an Annual or Special Meeting of the District within two years from the date of the current Special Meeting, or who registered within that time need not register to be eligible to vote at the Special Meeting. Residents otherwise qualified to vote who are registered under the provisions of Section 352 of the Election Law as amended by Chapter 629 of the Laws of 1975 need not register to be eligible to vote at the Meeting.

NOTICE IS FURTHER GIVEN that during the voting hours on May 10, 1977, the Board of Registration will meet in the various election districts to receive registration for the ensuing year.

SCHOOL ELECTION
DISTRICTS

The boundaries of the School Election Districts, as adopted by resolution of the Board of Education and the place in each Election District for registration and voting shall be as follows:

Election District No. 1
Burns Avenue School

On the East: Broadway, from the District's North Line, to the intersection Jerusalem Avenue and Broadway, continuing South along Jerusalem Avenue to the intersection of Jerusalem Avenue and the Long Island Railroad.

On the South: The Long Island Railroad, from Jerusalem Avenue to the District's West Line.

On the West: The District's West line from the Long Island Railroad to the District's North Line.

On the North: The District's North line from the District's West line to Broadway.

Election District No. 2
East Street School

Museum Notes
Dormant Spray

When crocuses are in bloom, is a good time to treat your shrubs and trees with dormant spray.

The dormant spray is the most important of all the sprays to control damage done by certain insects by killing the overwintering eggs of insects such as scale insects, red spiders, mites, mealybugs, etc.

We use a miscible dormant oil spray, which can be obtained at any garden center. This spray should be put on in late winter or early spring when the temperature is above 50 before shrubs and trees have leaves or flowers. Be sure to carefully read and follow the instructions on the label of the bottle. Caution should be taken concerning spraying certain evergreen and non-woody plants.

Banks Loan \$60 Million To UDC

The final step in UDC's financial recovery program was accomplished today as \$6 of the State's savings banks closed a loan of \$60 million to the New York State Project Finance Agency for the New York State Urban Development Corporation. The savings banks' loan takes the form of a purchase of bonds issued by the Project Finance Agency, a single-purpose entity created to help UDC in its

By Gardiner Gregory,
Director Gregory Museum

It is recommended that you spray before noon on a day when there is little wind. The easiest sprayer to use is one that attaches to a garden hose. When spraying insecticides and fungicides, be sure to wear a face shield or safety glasses and a safety mask to cover your nose and mouth. I also wear long rubber gloves. Don't eat or smoke while spraying.

After finishing spraying, clean all equipment and thoroughly wash your face and hands. Be sure to discard any mixed spray not used. It is a good idea to immediately wash the clothes you were wearing while spraying.

To have good roses, other flowering shrubs and good fruit, spraying for insects and diseases is a must on Long Island.

Art Exhibit

On Friday, April 1, the Hicksville Public Library will begin an Art Exhibit by Nacy McDonald, a resident of Hicksville. The theme of the show is the "Sea", executed in oils with great talent and imagination by Mrs. McDonald. Mrs. McDonald's imagination is the only link between her and the scenes she portrays. Mrs. McDonald, a victim of multiple sclerosis, is completely immobile and is confined to a wheel chair. She paints by using her teeth to

hold the brush. The results she attains in this manner is truly remarkable.

Mrs. McDonald uses her imagination in ways other than painting. Shortly a book of Nacy's life dictated to an editor will be published. Nacy is also transcribing her thoughts on tape for another book.

The exhibit will be in the lobby and the main desk area of the library through the month of April. Nacy will be on hand April 1 from 11 a.m. to 1 p.m. to greet the guests attending the show opening. The viewing hours are 10 a.m. to 9 p.m. week days. Saturday 10 a.m. to 5 p.m., Sunday 1 to 5 p.m.

Nautical Cadet Drill Team

The Hicksville Unit of the Nassau County PBC is now accepting members for its Nautical Cadet Drill Team.

Training will be given in first aid, knot tying, rifle maneuvers, seamanship, and field trips will be taken.

Registration is held each Friday night from 7-10 P.M. at Hicksville Junior High School for ages 10 years and up.

No dues or registration fees are charged.

Alexandre Eiffel not only built the tower that bears his name, he designed the framework for the Statue of Liberty and the locks on the Panama Canal.

LEGAL NOTICE
Specifications, Information to Bidders and Proposal Forms may be obtained at the District Office, 4 Dean Street, Hicksville, New York.

Each proposal must be accompanied by a certified check or bid bond in the amount of five percent (5 percent) of the bid amount payable to the Hicksville Water District, as assurance that the bid is made in good faith.

The Board reserves the right to reject any and all bids, waive any informalities, and to accept such bid which in its opinion is in the best interest of the Water District.

Mr. and Mrs. Thomas Corley, Jr., of HICKSVILLE, are the proud parents of a son, Andrew Jason, born March 6 at Huntington Hospital. Congratulations.

Happy 15th birthday to Bonnie Doniger, Diamond Dr., PLAINVIEW, who celebrates April 2. We join in with her Mom, Dad, and brother, Larry, in sending her love and best wishes.

Glenn Wohl, Willfred Blvd., HICKSVILLE, celebrated his birthday on March 20. Happy birthday, Glenn.

In addition to stationary and vehicular citizen's band radio sets, you can also get mobile handheld units for hiking, hunting and camping. The Electronic Industries Association points out.

Mathew Cramer, W. Marie St., HICKSVILLE, celebrated his 13th birthday on March 20. Happy birthday, Mathew.

Happy 4th birthdays to twins Joan and Katy Smith, son of Joan and Harold Smith, George St., HICKSVILLE. And, happy birthday to Mom, who will be 21 plus on March 30.

Congratulations and best wishes to Mr. and Mrs. Richard Comoli, of HICKSVILLE, who are the proud parents of a daughter, Stacey Lauren, born on March 13.

Happy birthday to Ernest Collier III, of Schiller St., HICKSVILLE, who had his 8th birthday on March 20.

Birthday greetings go to Kenneth Connou, Amherst Lane, HICKSVILLE, who had his 6th on March 21.

ORT News

The North Shore Nassau Region of Women's American ORT will host the season's first Book and Author Luncheon to be held at the Pine Hollow Country Club in East Norwich on April 20. Featured authors will be: the housewife's poet laureate, Judith Viorst, whose witty "How Did I Get To Be 40 & Other Atrocities" can be a help to us to cope; business doctor, Howard Klein, whose "Other People's Business" might be just what the doctor ordered for those of us who want to start our own; and Dan Rotenberg, the Jewish Alex Haley, whose book, "Finding Our Fathers: A Guide To Jewish Genealogy" is intended to help us on our own quest for roots. A workshop will follow. All books will be on sale and the authors will gladly autograph your book. For tickets, either call 487-9155 or write to ORT, Book and Author, 50 Jericho Tpke., Jericho, N.Y. 11753. Enclose a \$25.00 check and a stamped, self-addressed envelope, please.

The Pine Hollow Country Club can be reached by car by taking

Nassau County Council of Camp Fire elects a new President for 1977-78. Cathy Steckler (left) accepts the gavel and President's Pin, symbols of her new office, from Carole Wendel, outgoing president. Camp Fire Girls is a National youth organization that is rapidly increasing its membership in this area. Girls and boys 6 years and older are welcomed. Chamber Hears Detloff (Continued from Page 1)

tained, it was indicated by the Department of Environmental Conservation representatives that Plant No. 3, 5 or 8 would not be rejected as possible sites for installation of new wells and that approval of the Water District proposal for installation of new wells at Plant No. 5 and No. 8 would be forthcoming.

On February 9, 1977 we communicated our reaction (copy attached) to Mr. George Philip's (N.Y. State Health Dept.) letter to you of January 26, 1977 and understood that he would advise of a revised recommendation.

I trust that the foregoing accurately reflects the substance of the meeting.

Very truly yours,
Michael J. Alarcon,
M.C.E.P.E. Director
Bureau of
Water Resources.

Beautification Report

Dr. Walter Dunbar, chairman of the Chamber Beautification Committee read an interesting and informative report on the plans for his committee for 1977, which will be started as soon as weather permits. Dr. Dunbar also showed those present several striking posters made by the students of the Hicksville High School art department, urging residents to send their 1977 contributions for the beautification of Hicksville to the Hicksville Chamber of Commerce, 358 Mid Island Plaza, Hicksville, NY 11801, and we urge you to join this important community project with your contribution right now.

Pool Fees

Oyster Bay Town Supervisor Joseph Colby this week announced that the 1977 schedule of fees for use of Town pools reflects no increase over the 1974 level.

"When prices on everything else keep rising, I am especially pleased that the Town has been able to keep the cost of pool passes for this summer at the same level as 1974, 1975 and 1976," Colby commented. "Much credit for keeping costs down must be given to the careful supervision and management of our pools by the Department of Parks and Recreation."

Colby noted that special rates will again be extended to senior citizens over the age of 62 and their spouses. Passes will be \$15 for seniors who are residents of a community park district, and \$20 for non-district residents.

"In order to maintain the current fee level, all community park pools in the Town of Oyster Bay will open on Saturday, June 18 instead of the traditional Memorial Day weekend," Colby explained. Daily hours will be 9 AM to 6 PM between June 18 and July 3, and 9 AM to 9 PM beginning July 4 and continuing through the end of the season, Monday, September 5.

Applications for the passes are expected to be mailed to park district residents next month.

For further information on pool passes and fees, contact the Department of Parks and Recreation at 433-8020.

The world population in the year 1800 was estimated to be 960 million. In 1950, that figure had almost tripled to reach 2.4 billion persons!

Appoint Hicksvillian To Conference

Paul Sauerland of Hicksville, a staff member of Catholic Charities, Diocese of Rockville Centre, was recently appointed an alternate delegate to the White House Conference on the Handicapped by Gov. Hugh Carey.

Mr. Sauerland, who is blind,

Zara Joins NAPA

Hourglass Sand & Gravel Corp. (Zara Contracting Company), Hicksville, New York, has been elected to Associate Membership in the National Asphalt Pavement Association, the international for the hot-mix asphalt paving industry located in Riverdale, Maryland. Mr. Samuel J. Zara, President, has been designated company representative to the Association.

With more than 900 members, NAPA represents the hot-mix asphalt producers and paving contractors in the United States, and has a steadily increasing international membership ranging from Europe to Japan and Australia.

The Association features an active research program designed to constantly improve the quality of hot-mix asphalt and paving techniques used for streets and highways, parking lots and recreational use (bikeways, tennis courts, etc.).

NAPA effectively represents its membership on the national level with Congress, government agencies and other national trade and business organizations.

will be representing the interests of the visually impaired at the conference slated for May 23-27 in Washington, D.C.

The New York State delegation of 16 delegates and 16 alternates was selected on the recommendation of a steering committee appointed last April to plan the state's part in the conference. New York will send both delegates and alternates to the Washington sessions during which ways and means of improving programs for the handicapped throughout the country will be recommended.

A member of Catholic Charities staff for 14 years, Mr. Sauerland is coordinator for legislation and special projects in the agency's Office for the Handicapped. He holds a bachelor's degree in

business administration from Rutgers University and a master's in social work from the Fordham University School of Social Service.

Mr. Sauerland is president of Voice for the Handicapped, Inc., a member of the newly created National Advisory Committee on Ministry to the Handicapped on the U.S. Catholic Conference and Secretary of the New York State Federation of Workers for the Blind.

Free Eye Testing

Lee Avenue PTA will conduct an eye-screening program for all children ages 3 to 5. The purpose of the program is to detect the possible presence of Amblyopia (a weakness of one eye, sometimes called "Lazy Eye") which can be helped only if discovered in Pre-Schoolers.

The screening will be held at the Hicksville Public Library on Friday, April 15th from 10:00 AM to 12:00 noon and also from 1:00 PM to 3:00 PM.

Volunteer mothers have received special training for this program. We urge that all youngsters ages 3 to 5 be brought in for this test.

Remember - Amblyopia can only be helped if caught early. Eleanor Abrams and Maureen Clancy - Chairwomen.

Piano Recital

Sunday, March 27, the Hicksville Public Library will present a piano recital performed by Eleanor Nelson in the library auditorium. Mrs. Nelson, a native of Detroit received her musical training and under graduate degree from Juilliard. She is a resident of Hempstead where she maintains a teaching studio. She has appeared with the Detroit and Cleveland symphonies as well as a soloist and accompanist with the National Music League on tour. Local chamber music and solo appearances in the metropolitan area are capped by a recital at the Lincoln Center Library of the Performing Arts in New York City.

This program is made possible by a grant to the Hicksville Library from the Nassau County Office of Cultural Development. Ralph G. Caso, county executive, John W. Maerhofer, director. All concerts are held Sunday afternoon at 3:00 P.M. and the public is always welcome to attend with no admission charge.

Completes Course

Army Specialist Four David A. Rockowen of HICKSVILLE, and other members of the 1st Battalion, 327th Infantry of the 101st Airborne Division at Ft. Campbell, Ky., recently completed a jungle operation training course in Panama, C.Z.

The course provided training in jungle survival, techniques of camouflage, patrolling and various aspects of jungle warfare.

Spec. Rockowen, son of Mr. and Mrs. Arthur Rockowen, 109 Blueberry Lane, Hicksville, is a medical aidman with the battalion's Headquarters Company at Ft. Campbell.

The specialist entered the Army in May 1974.

He is a 1973 graduate of Springfield Gardens High School.

Youth Council

The next Hicksville Youth Council board meeting will be held on March 29th at 8:00 PM at 181 W. Old Country Road.
