INSTALLATION OF OFFICERS OF G.O.P. PRESIDENTS COUNCIL: The installation of officers of the Presidents Council of the Town of Oyster Bay Republican Clubs took place at the March 22nd meeting of the Council at the Jolly Swagman Inn in Hicksville. The Ernest F. Francke Republican Club of Hicksville was the host for the evening.

Oyster Bay Supervisor Joseph Colby was on hand to perform the "Swearing in" of the officers. Photo shows Supervisor Colby at extreme right performing that pleasant duty. Newly installed officers (left to right) are: 1st Vice Chairman - Bob Jackson, from the Ernest F. Francke Club in Hicksville; Chairman - Al Young, from the North Massapequa Club; 2nd Vice

Chairman - Barbara Rusch, from the Bethpage Club; and Secretary - Eleanor Shea from the Locust Valley Club.

In background (at left) is newly installed Treasurer Tom Earey, also from the North Massapequa Club and at right background is Tom Gallahue the Hicksville Executive leader, who was on hand to view the proceedings. (Photo by Bob Schmeek).

Community Council To Hear Colby and Library Budget

Joseph Colby, new supervisor of the Town of Oyster Bay, will speak at the Hicksville Community Council meeting on Thursday, April 7, at 8:30 P.M.

Supervisor Colby's

speech will be followed by a question and answer period.

There will also be a presentation of the Hicksville Library budget.

The Council meets on the first Thursday evening of

every month, with the exceptions of July, August, and September, at the Hicksville Public Library, at 8:30 P.M. All citizens and businessmen of Hicksville are invited to attend.

Fire Report

By Ex-Capt. Owen Magee

VAMPS BUSY with PROPANE LEAK, HOUSE FIRES
During the past 2 weeks, 2 houses were seriously damaged by fire, but had the propane that had been allowed to leak out, ignited, Hicksville Firemen really would have had a battle royal on their hands.

On March 24 a passerby reported a propane gas leak near No 12 Midland Ave. A general alarm brought Hicksville Vamps on the run at 12:39 P.M. Located on Midland Ave in the middle of light industrial buildings and several homes is the Atlantic Bottle Gas Co. Vamps soon discovered the leaking gas was coming from several tanks being "DRAINED". When questioned the owner stated the brisk wind would carry it away safely, but the gas was trapped low to the ground at various places near the company's property.

Residents on the street have long complained about allowing such a business as this one to exist with houses so close, but a check with the Town Building Dept. showed the area is zoned "H" for light industry and is allowed. Fire Inspectors have made inspections there and everything was in order. The Propane Industry also police their own industry and in some cases are stricter than local inspectors. County police and fire inspectors were called to the scene. No report was available at this time as to what action was or

will be taken. Chief Roy Schaaf was in charge. Firemen had hoses ready, but none were needed. A truck from this firm was recently involved in an accident in Baldwin when it overturned on busy Sunrise Highway. No fire resulted - another close call.

FIRE REPORT
During the 2 week period March 15 thru 29th Hicksville Vamps responded to 52 alarms. There were 20 rescue calls, 26 fire calls and 6 false alarms. The false alarms came from 270 Duffy Ave, a factory, Jr High School, Woodbury Rd & Miller Rd, Wishing La & Tiptop La, Pollack Place - rear of Woodland Ave School and No 2 Boxwood La called in via "CB" radio.

On March 16 a kitchen fire caused by a stove left on and unattended did an estimated \$9,000.00 damage. Another fire, this one starting in the kitchen also at 198 Brittle La Hicksville did an estimated \$4,700.00 damage to 2 rooms. Cause: a toaster oven.

Needless to say - our safety tip this week is fire safety in the kitchen. Leaving food cooking unattended is the cause of many fires, and many injuries, many of these resulting from burning grease. - Never extinguish a grease fire with water - it will explode in your face. If its on top cover & smother with a pot cover, if its in the oven - keep the door closed - call the Fire Dept. If you have a dry chemical or carbon Dioxide fire extinguisher use it - chances are you yourself will snuff it out quickly.

SICK LIST
Best wishes to Ex Capt John Pease 31 who is hospitalized in Sloan-Kettering Institute in New York City. Our thoughts & prayers are with you John.

Mini-Film Festival

Beginning on April 6 at 8:00 P.M. the Hicksville Library will have a mini-foreign film festival for the Spring months.

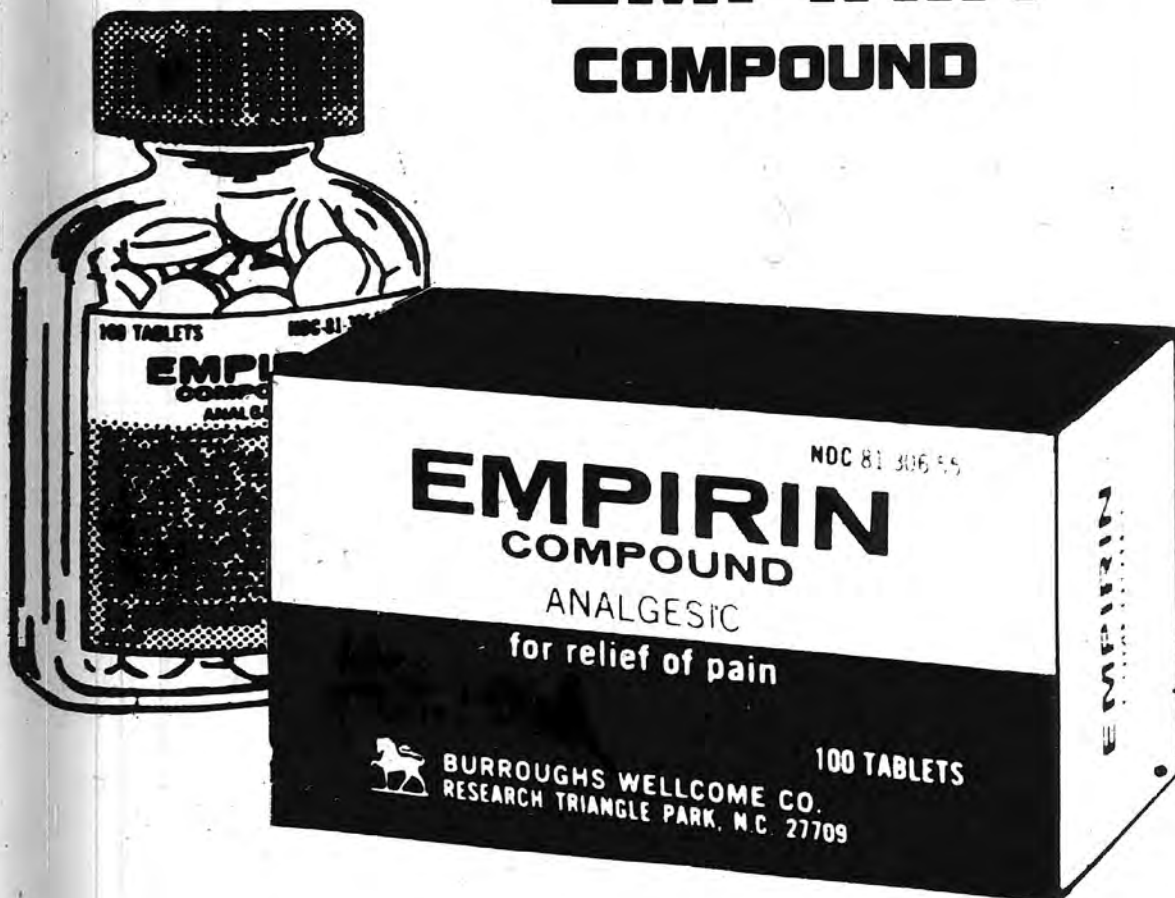

The first feature will be Jean Renoir's "LaChienne" (The Bitch) made in 1931 and "is one of the greatest film comedies ever made" said Vincent Canby of the New York Times.

The May 18 presentation will be the Russian classic, made in 1957

"The-Cranes are Flying". The final film will be shown June 15 and it will be the Italian "Nights of Cabiria" directed by Federico Fellini.

This series is made possible with the cooperation of the Nassau Library System and a grant from the New York State Council on the Arts. The public is welcome to attend these free programs held in the library auditorium.

Dear Friends...

A THING OF THE PAST: for all its "ups and downs", both in the extremes of the weather, and the doldrums in the stock market, the first quarter of 1977 is now a thing of the past, and we all face the next few months with great expectations...because at this time of the year many community leaders are planning special events for their members, the staff of THE HERALD plans a new feature entitled, "Mark Your Calendars..." which will start next week. This is not to take the place of the weekly Calendar of Events, but to help you do just what its title states...so, send us your special events for the next few months, and we will be glad to add them to this new column.

THIS WEEK we extend best wishes for a happy Passover season to our friends of the Jewish Faith. Stay well, and enjoy the spring weather.

SHEILA NOETH

J. WILLIAM JOHNSON, of Huntington, former Senior Vice President of the Long Island Trust Company has been named Senior V.P. and First Administrative Officer of Long Island Bank, it was announced by James C. Dinkelacker, president of the 60-year-old bank.

Long Island Bank last November became a subsidiary of LITCO Corporation of New York of which Long Island Trust is the other subsidiary. The corporation now operates 45 banking offices in Nassau, Suffolk and Queens Counties with total assets of \$774,794,000.

A 1962 graduate of the Wharton School of Commerce and a 1965 cum laude graduate of the University of Pennsylvania's Law School, Mr. Johnson began his banking career with First National City Bank. Six years later, in 1971, Mr. Johnson became a member of the staff of Long Island Trust where he

served as Vice President for Business Development in Nassau County. From 1973-76 he was the bank's Regional Administrator for Nassau, and last year he was promoted to Senior Vice President.

Extremely active in civic and philanthropic organizations, Mr. Johnson, who is married to the former Gail Grant, has served as a trustee of the Village of Huntington Bay and as a director of the Huntington Red Cross. He now serves as a director of the Huntington Country Club, and is a member of the N.Y. Bar Association and several other professional organizations.

He is currently taking courses conducted by Rutgers University's Stonier Graduate School of Banking, having participated in numerous banking conferences, seminars, and related forums on finance since entering the banking profession 12 years ago.

Letters To The Editor

Gentlemen:

In the 12 years since I have been a member of the Library Board of Trustees, I and my colleagues have fashioned for the residents of Hicksville, a fine cultural institution which is the intellectual and artistic center of our hamlet. Our book and reference collection is one of the finest on the Island, our concerts present well-known as well as aspiring artists for the enjoyment of the community; our art shows feature the works of local artists and introduce them to a wider audience; our programs for children and senior citizens are extremely well attended; our building is a hub of activity for all the worthy organizations in our area.

For all of this, praise is due to our staff and its director, Mr. Barnes. But mention must also be made of the Board of Trustees, fine men and women who serve without recompense, as a labor of love.

All of this by way of prelude to announcing my candidacy to re-election to the Board. My five year term is up, and I am pleased to submit myself once more to the voters. For my friends, a resume is not necessary; but others may want to know my qualifications. Accordingly, let me list them briefly - by education and vocation an attorney; by avocation Adjunct Professor of Business Law at New York University Graduate School of Business; a resident of Hicksville since 1955; a taxpayer sensitive to the need to keep down tax rates; a bibliophile since I learned to read, and above all, a life-time of experience with budgets, contracts, administration and business, which I am happy to devote for the next five years to the service of the Library - provided you let me.

Sincerely,
s. Abraham Fishman

To the Editor:

While I can relate to the letter from "Concerned Taxpayer" (March 24th), I must also take exception.

Yes, we all have felt the higher taxes, fuel bills, etc., and it has forced many women to get employment, along with husbands holding second jobs. They are no longer working for the luxuries in life, they are trying to make ends meet. However, we all know there will be no end to the taxes and other bills.

What I find even more difficult to tolerate is the fact that a community with the population of Hicksville (60,000) cannot have a recreational facility of its own. Look around you - tennis courts available at the Jr. & Sr. High only. No community swimming pool. Have you ever driven by our High School and seen the numbers of people waiting to use the handball and tennis courts? Recreation is a way of life and Hicksville affords TOO LITTLE in the way of facilities. The majority of residents have back yards with trees and bushes where they can sit. They certainly do not need money wasted on that type of park.

To think that a "green oasis among a jumble of housing" will be vandal free is naive. Ask any policeman what kind of park will attract undesirables and your answer will be the "green oasis". This type of park will be taken over by those who want to "hang around" and you will not want Sr. Citizens or children going there, let alone yourself.

A recreational area will be

used to the fullest extent, particularly one with a pool. Parks in Syosset, Plainview, and Bethpage are well used by their communities and vandalism is no more rampant than at any other public facility.

Frankly, for my tax dollar, I want my moneys worth. I see friends in neighboring communities making use of their parks. I pay just as much in taxes as they do and even more. Yet I am not afforded the pleasure of being able to use a Hicksville Community Park for my recreation.

It is not always best to "go back to the ways of our forefathers". With today's way of life we need recreational facilities. We have learned that a healthy way of life includes recreation and certainly swimming is an exercise for all young and old.

Give me a recreational park.
Evelyn Hack,
Hicksville

To the Editor:

Oyster Bay's government is actively engaged in the development of a solid waste management program that will permit the environmentally sound disposal of wastes generated throughout the Town on a daily basis.

We have approached this matter with a commitment of incorporating resource recovery capabilities into this program, and continue to examine various systems and proposals with a view of instituting the benefit of energy generation derived through waste processing, and which also fulfills our commitment that no raw garbage will be landfilled in Plainview.

I believe that the Town is approaching a point where it must make some determination regarding the system or systems that it will incorporate into its solid waste management program, and I further believe that citizen involvement should play an integral role in this decision-making process.

For this reason I recently asked Oyster Bay's Environmental Control Commission to establish a study committee composed of some of its own members and other citizens of the Town who have displayed a genuine interest in solid waste management technology. Civic leaders throughout Oyster Bay have been invited to submit the name and resume of a representative of their

organizations for possible selection by the Commission to this committee, and I have asked them to base their choice for possible selection on a true interest in the waste management field that is unfettered by political or other extraneous considerations.

The committee will develop broad knowledge regarding waste management in our Town. It will study a number of the technologies that Town officials have been examining, and will be asked to address itself to a myriad of considerations which must be fully explored in making decisions with respect to the development of a total waste management program for Oyster Bay.

I believe that the active, genuine involvement of truly concerned citizens can be of great assistance to myself and other members of the Town Board, and I look forward to the establishment of a citizens' group that will seriously explore the complex and most important issue of solid waste management.

TOWN NOTE: The more Town officials study the proposed rate hike sought by the Long Island Lighting Company, the more we become concerned about its potential economic impact and the particular affect that provisions of the increase would have on local governments. For that reason we postponed our initially intended appearance before the PSC, and are now developing further information to be incorporated in Oyster Bay's planned testimony before the Commission when it conducts an additional public hearing on this matter in Mineola.

At The Town Board Meeting

By Gerry Kahn

The thirty item calendar at the Town Board Meeting held on Tuesday, March 29th concluded at 1:05.

Four Hearings led off the days proceedings and at their conclusion a short recess was held before continuing.

The Petition of Arch Dell Motel Corp. & Borel Restaurant Corp. for a change of zone and a Special Use Permit was the first item on the agenda.

The Borel Corp. is a California based restaurant chain that specialized in steak and seafood. The site of their proposed construction is west of the Villa Victor on the S. of Jericho Turnpike in Syosset. (the motel area adjacent to V.V.) Their request is to change the present Bus F to Bus G with a special use permit to construct and operate a restaurant.

The petitioner was represented by Counsel, Gilbert Roseman, who presented the testimony of several professionals in his petition. They included Richard Manillo, V. Pres of Borel, George Barley, Traffic Consultant; Mrs. Albert Capasso, R.E. Appraiser and Edward Stevens, the architect.

The proposed structure would be a full-fledged dining house that would employ from 80 to 100 in help with approximately no more than 25 at any one time. Intentions to utilize the existing pond to create an aesthetic appeal as well as beautifying the exterior appearance and installing proper screening from rear neighbors was thoroughly discussed.

Councilman Diamond led the questioning by the Board that included signs, exits, parking convenient restricting access onto Nelson Ave and several other questions pertinent to outside appearances. Councilman Saldino requested thought be given to breaking up the barren look of the parking field by some form of planting.

Judy Gilligan, a neighbor, asked several questions relative to the petition and submitted a 74 signature petition to the Board reflecting the concern of the

neighbors that the proposal be carefully surveyed as far as proper screening, lights, hours of operation and traffic onto Nelson Ave.

The second item on the agenda was the Petition of Jerry L. Gordon for a Special Use Permit to construct and operate a 6-court tennis club at Westbury on the N. S. of Jericho Turnpike.

The petitioner was represented by Counsel, James Parris. The clubhouse would be a 2-story 20 x 90 structure that would contain showers, steamroom, dispenser type refreshments. In the event that the petition be granted the petitioner would still be required to obtain variances on parking requirements, height of the building and rear year set backs.

The following Hearing number 3, related to the proposed amendments to the Code of Ordinances - Dogs (The Pooper Scooper)

Dr. Martin Cohen, a member of the T.O.B. Environmental Control, made his presentation before the Board which was in the form of suggestions to the proposed amendments.

Dr. Cohen was followed by his fellow T.O.B.E.C. member, Dr. Robert Johnson. Both gentlemen expounded on the hazards to our

environment if the present laws were not amended. Examples of pollution to our clam and oyster beds the threat to our drinking water and the ever present disease carrying flies that breed on dog manure.

The purpose of the Hearing explained Supervisor Colby was not to make an immediate change but to educate the people that a change is a necessity and to create an awareness on the hazards to society from disease and pollution.

Comments relative to the dangers related to pets from their waste, stray dogs running in small packs and unleashed pets who indiscriminately stray through neighborhoods depositing their manure were made by Edward Remski, Judy Jacobs, Dr. Edward Saul and Allison Berman.

Phyllis Singer spoke on behalf of the canine citizenry and voiced her thoughts relative to curbing the cat population in a similar fashion.

The final Hearing was related to the proposed amendments to the Code of Ordinances - Motor Vehicle Traffic.

The balance of the agenda, 26 Resolutions were passed in quick succession.

NEW MEMBERS of the Board of Trustees of the Gregory Museum admire mineral specimen held by new President of the Board Carl Nold, second from the left; Elizabeth Pearce, Chairman of Special Committee on Membership, on the left; Edward Peter Jr., of Gary Isolation, center; Kenneth Barnes, Director of Hicksville

News From Sterling Optical

The Sterling Optical Division of IPCO Hospital Supply Corporation (NYSE), one of the nation's leading eye-care chains, has opened its 76th center with a branch in the new Washington-Square Mall in Indianapolis, Indiana. It was announced by Gerard Cevasco, president of Sterling Optical.

The eye care center is located at Washington Square, 10202 E. Washington St. Indianapolis, Indiana. Sterling has a center in the Mid Island Plaza in Hicksville.

Sterling Optical provides a wide array of eyeglasses, and the latest in eyeframe fashions for regular glasses and sunglasses. Some of the designers whose high fashion eye-frames are attracting strong customer interest include Oscar de la Renta, Emilio Pucci, Christian Dior and Gloria Vanderbilt.

Sterling Optical is one of the nation's oldest and leading eye-care retail chains, with origins extending back to 1914. The firm opened its first branch out of New York in 1950, in Washington, D.C., where today five Sterling Optical branches are responsible for approximately 25 per cent of all the eyeglasses sold in the nation's capital. Today, Sterling Optical has 75 other branches in many states along the East Coast, and in the Midwest.

Pets For Adoption

Is there room in your home and heart for a friendless pet? If so, the Bide-A-Wee Home Association invites you to visit one of its three shelters and adopt a lovable dog, cat, puppy or kitten.

Since 1903 Bide-A-Wee has been finding loving, responsible homes for unwanted pets. Rather than destroy these unfortunate

animals, Bide-A-Wee provides care and shelter until a new owner appears. You could be the right master for some homeless animal now awaiting at Bide-A-Wee.

Bide-A-Wee is located at 410 East 38th Street in Manhattan (212-532-4455), 3300 Beltagh Avenue in Wantagh (516-785-4079).

Hicksville Soccer Club News

HARRIS ALUMINUM BANTAM TEAM

On Saturday, March 26, the Bantam team coached by Ben Brutschin, travelled to Northport to play a make-up game against a tough Northport team. The defense was outstanding. Jeffrey Knuth made many outstanding saves as goalie. John Carroll seemed to be wherever needed. Lloyd Sneddon played a great game scoring Hicksville's only goal - to tie the game at a 1-1 final score.

The next day the scene of the game switched to Deer Park. The team came out ready for a good game. Lloyd Sneddon played great defense and the rest of the defensive team, Ronnie Brutschin, John Carroll, Billy McGuire and Anthony Sparaglio, kept the opponents from scoring. Then the goals started. Peter Schnur, Mike Masters, Larry Ziembecki and Robert Newlands with an assist from R.J. Nakasian all scored to make the final score 4-0.

MIDGETS WIN

The K of C Midget Red team coached by Bill Cresham travelled to Cow Harbor this week-end to play the first of three successive road games. After the

20 mile trip, the boys were stiff and took a while to get started and; against a strong, young Cow Harbor team, could only find the net once in the first half on a pretty cross from David Smyth on the left wing to offensive captain Adrian Pepi streaking down on the inside. Hicksville dominated the play but on several occasions, Cow Harbor broke through to try to penetrate the defense. Defensive captain Glen Zakian at Center full, along with Todd Lewis, Kevin Cahalan, Vinny Christiano & Frank Schnur turned them away each time & gave goalkeeper Robert Pearce lots of protection.

The 2nd half found the stronger Hicksville team wear down its opponent and completely dominate the match. David Smyth scored twice with assists by Bobby Andrus, John Mitchell & Glen Zakian and the final two goals were out in by Andrus & Mitchell. Aiding Hicksville offensive thrust on the front line was John McCann & Philip Ridgway. Cow Harbor hung on valiantly but rarely entered Hicksville's 1/2 of the field as Mid-Field captain Steve Dolan with Billy Cresham, Jimmy DeMarco & Sean Devlin at the other halfback positions kept the ball in Cow Harbor

territory. Final score was 5-0 with a tough Deer Park next wk.

PEE WEE RED

The Pee Wee Wagner sponsored team under the direction of Joe Neto and John Harris had a good week-end scoring 12 goals and not giving up any as they defeated Northport 7-0 on Saturday and Cow Harbor 5-0 Sunday. On Saturday the boys traveled to Northport to play a make-up game and play they did. Mid-fielders P. Thompson, C. Beach and T. Boccalola controlled the game completely as they turned back their opponents and passed the ball to the forward line resulting in scoring threats everytime. Scoring threats everytime. Scoring was done by D. Missimo (4), P. Thompson, B. Cerasi and D. Nathan, who also played goalkeeper in the first half. Fullbacks G. Skupinsky & T. De Tone were moved up to the forward line in the second half and they both assisted on goals. On Sunday the team returned home to play Cow Harbor and again the team played super soccer. D. Missimo scored a hat trick and N. Mc Kenna and V. Antaki each scored a goal. G. Mc Namee, A. Conigliaro and C. Heller assisted in the scoring.

On The Campus

The Johns Hopkins University lacrosse team began its quest for the 1977 national title. The opening Blue Jay lineup included Rich Hirsch and Bob DeSimone of PLAINVIEW and Ed DeDomenico from HICKSVILLE. DeSimone who played at JFK High School under Coach Sussi, has already been named All-American. Hirsch, who also played at JFK High School under Coach Amen, received Honorable Mention in each of the last two years.

Darius Minoo-Hamedani of Walnut Ct. PLAINVIEW, has been awarded a Bachelor of Science degree in Electrical Engineering from the University of Texas at Austin.

Congratulations to Rima E. Armogida, a former PLAINVIEW resident now living in Wernersville, Pennsylvania, who was recently named to the Dean's

Honor List for academic achievement at Albright College in Reading, Pennsylvania.

In a recent news release we read that "Off to a flying start with a one-sided 15-4 victory over Yale, the Johns Hopkins lacrosse team served notice that it must be strongly considered in any discussion about the potential 1977 national champion." Active on this team are Rich Hirsch and Bob DeSimone, both of PLAINVIEW.

Congratulations to Lenore Krinsky of North Parkway West, in PLAINVIEW, who received her degree at the winter commencement ceremonies held on March 12th at the University of Northern Colorado in Greeley, Colorado.

Best wishes to Donald Ziegler of Linden Blvd. in HICKSVILLE who has been accepted for ad-

mission in Sept. to the State University Agricultural and Technical College at Delhi, New York. He will study in the Liberal Arts program.

Recently elected to the Epsilon Sigma Chapter of Kappa Delta Pi, national honor society in professional education, at the State University College, Oneonta, was Patricia DeGennaro. She is the daughter of Mr. and Mrs. Arthur DeGennaro of Maplewood Drive in Plainview.

Nature is beginning its spring show.

DECA - Outstanding Chapter

The Plainview-Old Bethpage High School DECA Chapter displaying their trophies from the State Leadership Conference of DECA. (Photo by Steve Siegelwaks).

On March 9 - 11, 1977 the Plainview-Old Bethpage DECA chapter attended the New York State Leadership Development Conference at the Concord Hotel. Over 1800 students from the State participated in the many educational, social and recreational activities.

The Plainview DECA Chapter had 26 representatives attending the three day conference. They were all involved in the competitive events program in which the students demonstrate their ability in a chosen field of marketing and distribution.

The entire Plainview Chapter won a first place for Outstanding Chapter of New York State, and a first place trophy for Sales Promotion Campaign Contest. The members of the team were: Wendy Kugelmann, Karen Roth and Diane Sandler. They presented the promotional activities connected with the District Bicentennial Exposition that was held at Plainview High School last year.

The Chapter is extremely proud of its second place winners: Laura Spinella and Scott Miller for their outstanding Scrapbook. The following students were third place winners who had prepared a 60-page manual in the Studies in Marketing Area: Wendy Kugelmann, Variety Stote; Patti Sanford, Footwear Industry. The Chapter was also honored with trophies for the following students in the State competition: Mary Hansen-- Honorable Mention for her Recreation Tourism Manual; Pat Burke for her Automotive Manual also received an Honorable Mention award; Amy Whitelaw and Jill Feldman for their manual for Outstanding Chapter. Finalists awards were presented to Elisa Himmel and Larry Spitzer for their participation in the Advertising and Job-Interview contests.

The most exciting award went to Karen Roth for her Studies in Marketing Manual on the Jewelry Industry. Karen also received a \$250 travel grant to attend the National Career Development Conference in Anaheim, California. The Plainview DECA Chapter is extremely proud of its accomplishments not only in this State Conference, but over the entire year. The Chapter does a tremendous job in preparing students for future careers in marketing and distribution.

Hearings

While noting that the State has yet to provide any indication to the Town as to the setting of a date for Public Hearings on Oyster Bay's sanitary landfill proposal, Town Supervisor Joseph Colby is calling on all Oyster Bay Town residents and all water and sanitation experts across Long Island to plan to participate in hearings that will probably be held in early May.

"These are the hearings that will finally determine whether the State was correct in selecting this site for a proposed sanitary landfill and anyone who has any information on this should attempt to present it at the public hearing," Colby advised.

"We haven't had so much as a hint as to when the State Department of Environmental Conservation plans to schedule the hearing," Colby said, "but I have seen an indication in a newspaper that the date will be sometime in early May, and I would like to see as much participation from the people and the environmental experts as possible."

Holy Trinity Celebrates Easter

After 15 years of mortgage payments, Holy Trinity Episcopal Church, Hicksville, looks forward to the end of the year when all payments will have been made and the Church can proceed to its consecration. Father Ciannella, the Rector of Holy Trinity Church, was able to make this announcement recently to an applauding congregation. The Bishop of the Diocese of Long Island has been notified and a special committee of the Vestry has been charged to prepare plans for a gala celebration beginning with the Christmas season and terminating at Trinity Sunday, 1978, with the consecration of the Church edifice.

Next Sunday, for the first time on Palm Sunday, the Church will use the liturgy as provided by the newly adopted Prayer Book. Members of the community are invited to attend the services at 8:00 A.M. and 10:00 A.M. Palm will be distributed at both times.

Father Ciannella also extends an invitation to the great liturgical services on Maundy Thursday and Good Friday, April 7 and 8. The commemoration of the Upper Room, with the washing of the feet and the Last Supper, will be celebrated at 7:00 P.M. on Thursday, followed by a covered dish supper, which is called an Agape. The members of the congregation are happy to play host to all visitors and extend a ready welcome to the Agape meal. Throughout the night of Maundy Thursday into the day of Good Friday a Watch is kept at the night of Maundy Thursday into the day of Good Friday a Watch is kept at the Altar of Repose which will be fixed in the Chapel of Holy Trinity Church. Members of the community will find great comfort in quiet meditation in this setting, which recalls Jesus praying in the Garden of Gethsemane. On Good Friday services will be held at 9:00 A.M., 12 Noon and 3:00 P.M.,

marking the hours of Jesus being nailed to the cross, the moment when he first began to speak, and the moment of his death. Then at 8:15 P.M., the Great Good Friday Liturgy with communions from the pre-sanctified will be celebrated. This Good Friday liturgy is very stirring and its ancient roots bind the worshipper to a historical succession of worshippers from the first century onward.

The Great Vigil of Easter, with the lighting of the new fire, the prophecies, renewal of Baptism, and the first Mass of Easter, will begin at 5:00 A.M. This reflects the Resurrection as scripture recalls it, "early in the morning while it was still dark." Brave members of the Hicksville community and others will find in this worship event the excitement of that first Easter Day. Additional Easter services will be celebrated at 8:00 A.M. and 10:00 A.M.

Luncheon

Nassau North Shore Christian Women's Club invites friends to lunch at the very old Nassau Country Club, St. Andrews Lane, Glen Cove, N.Y., Tuesday, April 5, at 10:45 A.M.

"In His Steps"

Spend an evening in the Holy Land. The United Methodist Women of the United Methodist Church of Hicksville invite all to a catered supper and great program on April 6. Pastor and Mrs. Benson will present the program for the evening "In His Steps" - an inspiring account of their recent trip to Israel featuring slides and tapes. Debbie Houseworth will be the soloist.

Tickets for the supper may be obtained from the church office. Call 731-2626 - get your ticket by Sunday, April 3rd. Donation \$5.00 (Senior Citizens \$4.00) Supper starts at 7 p.m. in the Social Hall of the church, Old Country Road. If you cannot make the supper, join us for the program which starts at 8 p.m. - seats will be available. Remember - April 6th.

Good Friday Service

The Lutheran Church of St. Stephen, Broadway and Fourth Street, Hicksville, announces that once again they would hold a GOOD FRIDAY MID-DAY WORKERS' SERVICE. This service, designed to afford workers in the Mid-Island area an opportunity to worship just after the noon hour, has been offered by St. Stephen's for the past several years. The service begins at 12:30.

Consumer Affairs Activities

The Nassau County Office of Consumer Affairs took action during on 22 cases involving violations of county and state consumer protection laws, Commissioner James E. Picken announced today.

In each case, hearings were held, the company agreed to discontinue the practice without admitting guilt, and was penalized for the costs of investigation as specified.

A swimming pool company, Island Recreational, of Massapequa, which was the subject of a lengthy investigation and a number of hearings on its 1976 advertising, finally signed an assurance of discontinuance and paid the county \$350 in investigative costs, Picken said. The charges concerned ads for pools, filters, liners, and pool-maintenance items in which was on sale, savings were exaggerated, and wording was deceptive and misleading.

Picken urged consumers planning to purchase pools or pool equipment this year to "bring the ads with you when you shop, question discrepancies carefully, and report any deceptions to the Office of Consumer Affairs."

Seven fuel oil companies were issued violations for various infractions of the laws regulating delivery of fuel oil to consumers'

homes. One, Bayview Fuel Co., of Massapequa, was charged with operating with a malfunctioning mechanism called an air eliminator. The company repaired the mechanism and paid the county \$150 in investigative costs.

Another, Vulcan Fuel Corp., of Floral Park, was charged with using prohibited piping, which it removed and paid \$50 in investigative costs.

Picken noted that "we check out every oil truck in Nassau County to make sure the equipment is working properly and consumers are getting exactly what the delivery ticket states. At today's record-breaking prices, this service is more vital than ever."

Nine other firms were accused of misleading advertising, one of unfair trade practices, and four food markets were accused of improper meat labeling and unavailability of advertised merchandise.

The complete list follows:

School Taxes Due

Oyster Bay Town Receiver of Taxes Solomon Newborn is reminding residents, who pay their property taxes directly, that between April 1 and May 10, payment must be made on 1976-77 second-half school district taxes.

"Most residents of our Town pay these taxes through their monthly mortgage payments," Newborn said, "but those who make the payments directly should be aware that they will not be receiving any further notice of the due dates for the second-half school tax payments." In the past a reminder was mailed to the property owner but these notices had to be discontinued due to increasing postage costs, according to Newborn.

Whitepine Workshop

The Whitepine Workbench is announcing its spring workshop for parents of learning disabled youngsters who are between the ages of 5 to 8. The workshop will now be offered at two locations: Hicksville and Medford. This series will contain 8 sessions: 6-3 hour meetings; 5 will be held in the daytime starting at 10:00 A.M. and 1 will be held in the evening for the convenience of both parents. The evening session will have speakers. 2 private video taping sessions will be arranged by appointment. The parents will be trained to implement a carefully sequenced program which is designed to help the learning disabled child succeed at school related tasks. Parents will develop specific guidelines for adding their personal goals and interest to the program.

The fee is \$80.00 and it will include the cost of the kit and each of the eight sessions, as well

as a hot line service. The kit contains a parent manual text, cassettes, children's manipulatives, games and materials for both fine motor and gross motor activities.

Each of the video taping session will be private and opportunities will be available to discuss problems with the workshop leaders. The parents manual is written by the workshop leaders, Sheila Rosenberg, Learning Disabilities Specialist and Judy Brodsky, Parent School Liaison. The manual will be convenient guide for parents. It contains specific suggestions of how to tailor the manipulative games and the materials for the individual child. In addition, it is chock full of activities as well as background information on the rapidly changing field of learning disabilities.

...This year the students were dressed up as lions, elephants,
strongmen, high-wire acrobats.
...The 250 parents, friends and guests enjoyed the opportunity to see
these young children perform their many acts and tricks.
...Trinity's Nursery still has openings for the 1977-78 year and would
like you to consider this excellent Christ-centered Nursery School.

CUMMINGS 'N GOINGS

By Jim Cummings

WE HEAR THAT: Hicksville's newest traditional Irish pub, "The Molly Maguires" has opened, according to popular proprietor, Tipperary's own, Patrick Cowan - live music and entertainment is set for the weekend, with ballad singing and

specials planned during the next few weeks prior to the grand opening event...The Molly Maguires is located at 247 South Broadway, Hicksville, opposite Robert Chevrolet, ample free rear parking - stop in this weekend, you're sure to meet

your friends and neighbors - God Speed to Pat and Mike on this new entertainment venture. A new florist shop is about to sprout on Jerusalem Avenue in our community - note that Island Hockey & Sport shop is readying for opening...LILCO is busy up in northwest Hicksville, this week on Gardner Avenue...Hamburg Savings Bank is under construction at east side of Bway & Nevada Street intersection (opposite Pamper Cleaners) adjacent to Mid Island Bowl...Merit Gas Station under way adjacent to the Jerry Spiegel building at 270 North Broadway - chanced to meet Jerry on St. Patrick's Day dressed in his green finery - a good friend these past 26 years.

DID'YA KNOW: that Martin Higgins, Chairman of the Freedom for all Ireland Committee has set a national drive to

match to \$100,000 given to the needy families in Northern Ireland in 1970 - checks may be forwarded to John W. Duffy, National Secretary, c/o Patrick Cowan, 94 Benjamin Avenue, Hicksville...Brendon O'Connor and Barney Mc Nelis will be featured Friday nite, April 1st, at the new Molly Maguires, with Irish and Country Music the way you like it...Ray Heatherston and "Breakfast Club" has started at the Twin South Theatre, Mid Island Plaza - also word has it that a new expanded stage for productions has been completed at this site...Certainly enjoyed that outdoor country and blue grass competition at the Plaza last Saturday, good listening while you shop my son, Michael's group "Dakota", has been booked back for four appearances at My Father's Place in Roslyn-watch your papers for dates.

ROUND THE TOWN: Evelyn Seville, who handles the Northstage Dinner & Theatre at 96 School Street, in Glen Cove, gave us a nice tour over the weekend -

it's gourmet dining with top entertainment-presently showing "South Pacific" to follow "West Side Story"...Son, Kevin made the recent School Fair at St. Ignatius with his rendition of "Logan's Run", he graduates this June and will enter Holy Trinity High School in the fall - congrats to Jerry Donovan, brother of Danny Donovan, who was recently wed - likewise to Barney and Irma Devlin, we note their son Jim is now a happily married man. In Mineola recently we chatted with our Brother Hibernian, the Honorable Bernard F. Mc Caffrey, Justice of the Supreme Court...Remember that progress is made by people with their eyes in the sky, but with their feet on the ground and in closing may we say that "While wise men listen, Fools wonder what to say next". Have a Good Weekend -

At Suburbia

At a recent meeting, the Board of Directors of Suburbia Federal Savings and Loan Assoc. announced the promotion to executive position of four of its employees - all women.

Mrs. Kathleen Moore, currently Director of the Training and Research Dept., has been promoted to Vice President in charge of Personnel and Training.

Mrs. Gloria Jaccarino, Branch Manager of Suburbia Federal's East Rockaway facility, has been named Assistant Vice President of the newly formed Savings Special Services Dept. which will be located in the Lynbrook office.

Ms. Barbara Bekkevold, Assistant Branch Manager of East Rockaway, steps into the Branch Manager vacancy left by Mrs. Jaccarino.

Ms. Renate Tiedmann has been promoted to Administrative Assistant in its East Rockaway branch.

Mrs. Moore began working for Suburbia federal in 1969; Mrs. Jaccarino began in 1959; Ms. Bekkevold started in 1971; and Ms. Tiedmann joined in 1973.

Accident Report

March 27-A car, driven by Alan Fresko, 1 Crestwood Dr., Plainview, and a bicyclist, William Kapasalis, 13, of 144 Manor St., Plainview, collided on Old Country Rd. at Orchard St. Plainview. William Kapasalis was injured and taken to Central General Hospital.

Just moved in? I can help you out.

Don't worry and wonder about learning your way around town. Or what to see and do. Or whom to ask. As your WELCOME WAGON Hostess, I can simplify the business of getting settled. Help you begin to enjoy your new town... good shopping, local attractions, community opportunities. And my basket is full of useful gifts to please your family. Take a break from unpacking and call me.

Congratulations to Linda and Leonard Essex, children of Robert B. Essex, Vassar Lane, HICKSVILLE.

Linda who will graduate from Hicksville High School in June of this year, has been accepted to attend Cornell University School of Human Ecology. Leonard, a graduate of Hicksville High School and recipient of merit scholarships, is attending the Wharton School at the University of Pennsylvania. He has been named to the Dean's List and initiated into the accounting Honor Society in recognition of outstanding scholastic achievement.

And, we might add a hearty congratulations to the proud father!

One moment of a man's life is a fact so stupendous as to take the lustre out of all fiction. -R.W. Emerson.

Birthday greetings go to Lisa Whitlinger, Hunter Pl., HICKSVILLE, on the occasion of her 15th birthday on March 28.

Happy Birthday to Mark Cady, Old Country Rd., HICKSVILLE, who celebrated his 16th on March 30.

Vegetable Gardening Clinic

If you're an Oyster Bay Town resident, you can learn how to plant a successful vegetable garden by attending one of the two free Vegetable Garden Clinics being offered by the Department of Parks and Recreation in cooperation with the Nassau County Cooperative Extension Service.

The first clinic will be held on Thursday, April 7, from 2 to 3 PM at the Syosset-Woodbury Community Park Center, 7800 Jericho Turnpike, Woodbury. The second clinic will be held on Thursday, April 14, from 2 to 3 PM at the Marjorie R. Post Community

Park Center, Unquas and Merrick Roads, Massapequa. There is no preregistration.

The clinics will cover when and how to plant, how to care for various vegetables and how to safeguard your garden against insects and disease. William Titus, Agricultural Division Leader from the Extension Service, will conduct the clinics along with John Malloy, Horticulturist for the Town of Oyster Bay. A question-and-answer period will conclude each clinic.

For further information, call 433-8810.

Dental Meeting

The largest meeting of health professionals will be brought to the Nassau Veterans Memorial Coliseum when the Greater Long Island Dental Meeting opens its doors April 13, 14, 15, 1977.

Dr. Seymour Weinstein of Hicksville - states that this is the 5th largest scientific and

educational meeting of dentists in the United States. It is sponsored jointly by the Tenth and Eleventh District Dental Societies comprised of 3,200 dentists practicing in Queens, Nassau and Suffolk Counties.

The theme of the three day (Continued on Page 16)

Super Walk '77

Fall into step with the thousands of enthusiastic people throughout Nassau County who will be walking in the Nassau March of Dimes Super Walk '77 on Sunday, April 24th.

Last year, despite cold and rain, some 13,000 Nassau residents turned out to demonstrate their concern for the

200,000 children born with serious birth defects each year. Even bad weather couldn't discourage them (and many of us) from fulfilling our commitment to all those children. That's the kind of Super Walk Spirit we hope to generate again this year (pray for a sunny day).

So, put aside fixing the car,

doing your hair, going to the movies, etc., for just one day, and do your share in helping to save a child's life...

Let's get everyone in Hicksville walking together. Register today and spread the word to all your friends. Contact March of Dimes Headquarters 741-4045 for Super Walk '77 registration forms. Remember it's not for Charity—it's for Children.

Accepted In Medical Prep Program

Michael Steinberg, a resident of PLAINVIEW, has been accepted to participate this summer in a four-month language and cultural orientation program in Perugia, Italy. The program is in preparation for entrance into an Italian medical school and is conducted under the auspices of the Institute of International Medical Education, in New York.

Mr. Steinberg, who was graduated from Stony Brook, will

leave in July for the intensive orientation program in Perugia, joined by approximately 250 aspiring medical and veterinary doctors from all parts of the United States who will participate in the Institute's program.

The Institute of International Medical Education is a not-for-profit organization with full-time offices in Rome and at 3 East 54th St.

Engaged

Mr. and Mrs. Robert Anthony Burggraf of Syosset announce the engagement of her daughter Peggy Ann Altman to Mr. Robert Michael Cassens of Plainview, son of Mrs. Thomas Joseph Cassens and the late Mr. Cassens.

Miss Altman, daughter also of the late George Steven Altman, is a graduate of St. Dominic's High

School, Oyster Bay and C. W. Post College. She is a candidate for her master's degree at C. W. Post and is currently teaching at St. Brigid's School, Westbury.

Mr. Cassens graduated from St. Dominic's and received his B.A. from Hofstra University. He is in retail management and is associated with Edison Brothers, Inc.

Nature's own coming-out party, the spectacle of spring, can be enjoyed in a strikingly beautiful setting when the Bailey Arboretum opens for the season on Saturday, April 16.

Before the trees and shrubs unfurl their cover of greenery, photographers, bird watchers and students of nature are treated to an open view of the estate landscape. Formal gardens grace the 42 acre Arboretum where, during April, bright yellow and white daffodils are reflected in the waters of the pond frequented by wild waterfowl.

More than 600 trees and shrubs, many transplanted to Long Island soil, now thrive at the Bailey Arboretum. A fine specimen of the rare black walnut tree, with a trunk five feet round, stands over 100 feet tall in

the arboretum. Though prized as a source for fine panelling, the black walnut grows old for all to admire at Bailey, safe from the lumberman's saw.

During early spring, the spectacular triple trunk tulip tree is outlined in bold relief, its huge limbs colorfully tipped with a hint of countless leaves to come. The tulip tree is located, along with other native trees, in the northeast corner of the estate.

A miniature Bavarian castle is a pleasant surprise for youngsters who discover the rock garden. The four-foot stone model is a detailed hand-chiselled replica of the 19th century home of King Ludwig II.

Three rustic bridges are just part of an interpretive nature trail that winds its way along the stream, through bog and dense wild shrubs so different from the formal sections of the estate. The trail was constructed in 1973 by BOCES conservation students.

Fourteen varieties of tulips are represented among the 700 bulbs planted with a horticulturist's careful attention to design and color. The tulips should be up by mid-May. Early in the month, dogwood, flowering crabapple and viburnum add to the attractiveness of the grounds. Around May 15, a succession of carefully tended vernal flower beds bloom until early fall. Outstanding at different times of the season are the lilac, peony and fruit tree areas.

gardeners, is the perennial border boasting 200 different varieties planned for blooming in sequence from spring through summer.

The Arboretum, operated by the Nassau County Department of Recreation and Parks, is open from 9 a.m. to 4 p.m. on weekends only through Sunday, May 15. The former summer estate of Mr. & Mrs. Frank Bailey will then remain open daily except Mondays through Labor Day, September 5.

Between April 16 and May 15, school groups and clubs may make reservations to tour the grounds during weekdays when the estate is closed to the general public. A half-hour guided tour is available upon advance request to school groups consisting of children who are in the sixth grade or above and for adult groups. Call 292-4116.

Admission fee to the Arboretum is 50 cents per adult. Children under age 18 are welcome only when accompanied by an adult. The fee for groups arriving in buses or vans is \$3 per vehicle. Pets and picnicking are not permitted.

The Bailey Arboretum is located west of Mill Neck Bay on Feeks Lane and Bayview Road in Locust Valley.

Obituary

PATRICK J. NASO

A former long-time Hicksville resident, Patrick J. Naso, of Garden City, died on March 23, as a result of injuries sustained at a construction site at Mercy Hospital, Rockville Centre. He was a former chief of the Garden City Park Fire Dept.

Mr. Naso is survived by his wife, Theresa (nee Kishanuk) also formerly of Hicksville; his sons, Robert and Michael; and his mother, Carmella Naso.

A Mass of the Christian Burial was at Holy Spirit R.C. Church, New Hyde Park. Interment followed in Holy Rood Cemetery.
