## At Board Of Ed meeting

by Linda Strongin

The Hicksville Board of Education and visitors to its meeting last week were greeted at the Administration Building with a demonstration by the custodial members of the CSEA. The demonstrators were voicing their frustration at not yet having a contract.

At the meeting, the Board voted to renew the bus contracts with the existing carriers: Harran, Tomfor and We Transport. Each company has asked for a 4 percent increase. Voting no were Mr. John Ayres and Mr. Cornelius McCormack. Mr. William Bruno was absent due to illness. Mr. McCormack advised that the bus contracts not be rushed into and recommended that the administration look at each company's records to see if an increase is warranted. Dr. Frederick Hill, Superintendent, pointed out that all bus rate increases must be approved by the State Board of Education before a district is granted transportation aid.

The Board also approved a recommendation from Dr. Manus Clancy, Director of Curriculum and Instruction, to participate in the BOCES Outdoor and Environmental

Education Program for the remainder of the school year, at a cost of \$1,200, transferred from the district field trip account. Dr. Clancy explained the program which would reimburse a district up to 50 percent of the cost of a field trip after one year's participation in the program. After much discussion concerning the 18 percent administration fee charged by BOCES, it was suggested that more information be obtained as to what trips qualified as outdoor education.

The Board also adopted a resolution which announced that there will be no summer school for secondary pupils and no summer remedial or screening program for elementary school pupils. In addition, there will be no summer recreation program. Voting no to the resolution was Mr. John Ayres.

The Board approved a request for an Elementary Intramural Wrestling Program. Mr. Steven Tomain, Varsity Wrestling Coach and teacher at the East Street School, will supervise the program voluntarily with no cost to the district. Mr. Ayres informed the Board that he had witnessed last year's play-off match and found the program to be very worthwhile for the children.

A request from Mr. Alfio Vecchio, asking a waiver of Board policy so that his son could be enrolled in kindergarten this September, was denied by the

Board. The policy of the Board has been that a child must be 5 years old on or before December 1 to be eligible for kindergarten. Mr. Erwin Rozran, Assistant Superintendent, explained that the State Board of Education does allow school boards to rule on extenuating circumstances up to 30 days of the cut-off date. However, since our Board has never used this option, it was recommended that this petition be denied. Mr. Vecchio thanked the Board and Mr. Rozran for their time, but still felt that his son was being penalized a year because of his late December birthdate.

The Board approved routine expenses, retirements and requests for sabbatical leaves of absence for study purposes. Also approved were various building and grounds requests. The Board tabled the appointment of an insurance broker-of-record and various purchases until further study could be made.

A very brief budget report was given, due to the late hour, by Mr. Daniel Arena, Chairman of the Budget Committee. After a few adjustments, the Board approved the Committee's recommendations under the 1000 General Support Code covering Board of Education and Central Administration (Superintendent's Office and Finance).

The next Hicksville Board of Education meeting is scheduled for April 13 at 8:15 p.m.

## Chamber To Meet

S. Barnes, Morlon Goldstein and Joseph Tribiz is submitting a slate of officers and directors at this meeting, at which time, along with any nominations from the floor, they will be voted upon.

The guest speaker at the April 1st meeting of the Ernest F. Francke Republican Club of Hicksville was Hempstead Town Presiding Supervisor Francis T. Purcell.

A capacity crowd was on hand at the V. F. W. Hall in Hicksville to listen to a very interesting talk by Mr. Purcell.

## Dear Friends...

The Hicksville Chamber of Commerce is expanding its 1977 Beautification Program this year. Besides the flower beds on the west side of Broadway and at several locations in the traffic divider the plans call for more permanent plantings. This includes 15 ornamental trees backed up by a semicircle of 4 yews in various locations. These will greatly improve the appearance of the community. This program is made possible by public contribution. We urge you to participate. Send your tax deductible donation to Beautification Committee, Hicksville Chamber of Commerce, 358B Mid Island Plaza, N.Y., 11801 and help make "a better Hicksville".

Congratulations to James Pelletier of South Ct. in Hicksville who recently won the Western Electric Fund Merit Scholarship. James who is a senior at HHS has foreign languages as his field of study. He is a member of the National Honor Society, plays the clarinet in the All-County Band, is a recipient of a NY State Regents Scholarship, is president of the Spanish Honor Society, is faculty editor of the HHS Yearbook, among many other activities.

Congratulations also go to Paul Strauss of Keswick Lane in Plainview who recently received the American Cyanamid Merit Scholarship. Paul who attends Bethpage High School has Math Science as his field of study. He is Valedictorian of his Class and is a recipient of the Renaissance Math and Science Award, of a Regents Scholarship and a Paragon Oil Award. He is the treasurer of the Honor Society and president of the Mathletes, among his many activities.

In the Spirit of Easter we share with you this week the beautiful thoughts of St. Francis in his prayer to Christ our Divine Master: "Grant that I may not so much seek to be consoled, as to console; to be understood, as to understand; to be loved, as to love; For it is in giving that we receive: It is in pardoning that we are pardoned; And it is in dying that we are born to eternal life."

May you have all the blessings of a joyous Easter in His Name and Spirit. Love,

## A Closed Campus For Hicksville High?

In September of 1976, the Board of Education was presented with petitions signed by 325 residents for a closed campus in the school district because of increasing irresponsible and destructive action of some members of the student population.

After a number of meetings of representatives of residents, administrators and students, it was decided to try to correct the problem in an easier way.

The situation was given front page coverage in the student newspaper, "The Comet," and was explained verbally by administrators, and students leaders. A short time later litter baskets were placed at several locations for the convenience of litter carriers.

These efforts were successful but not enough so. As of April 1977, streets, gutters, sidewalks and private properties were still covered with litter.

As a final effort to have a tidy area without a closed campus, Halsey Street and the adjoining streets are being policed during the East recess. Come Tuesday, April 12th when school opens again the area will be clean. In the ensuing days and weeks it will be observed. If litter starts to accumulate again, the residents will demand a closed campus.

Eventually the area around the high school is going to be neat and clean. There are two ways that this can be accomplished. It is hoped the student population exerts enough self discipline so that it can be achieved the pleasant way.

## Letters To The Editor

Dear Sirs,

Not being very experienced in politics, although fairly active in beneficial community functions,

I admit to being totally bewildered by what the Town Board of Oyster Bay considers a problem and seems to be viewing with an eye towards refusal.

Last year Plainview-Old Bethpage voted by what was considered a mandate, 3,578 to 196, to sell the closed Fern Place School to the Mid Island Y. It was seen as a chance to eliminate the eyesore and dangers of a closed, vandalized school and help reduce the increases in our already sky-high taxes. ALL the

families on the block directly affected by the Y signed a letter welcoming the Y to the community.

It did state that they would like to see another access road or an expansion of the existing one, which had been sufficient to service the school of several hundred children and its accompanying daily and nightly activities. The Y then made arrangements to open a road onto Old Country Rd-a main street, and requested a permit from the Town Board.

The Y will benefit almost everybody in the community and the Town, by providing construction jobs, positions for

maintenance, secretaries, teachers, superior health, recreation, cultural facilities for every group, not to mention inspiring increased patronage of local shops.

However, the Town Board does not seem in favor. Am I missing something or is the Town Board? What can be a problem with an agency, with branches functioning successfully in thousands of residential communities across the country, benefitting so many people? The Town Board cannot seem to give me an answer-perhaps someone else can explain.

Marsha Elowsky

## 'No Blank Checks' Colby

Refusal of the Oyster Bay Town Board to give the Federal Department of Housing and Urban Development a "blank zoning check" and a commitment to construct a 25-unit low-income family housing project has led to HUD's recommending disapproval of funds for low cost home improvement loans.

"The low cost home improvement loan program is being recommended for rejection by HUD's New York City office not because there is something faulty with that program," Town Supervisor Joseph Colby charged, "but rather because this Town Board refused to abdicate its responsibility to the residents of this Town HUD said the program should be rejected when we refused its demand that the Town Board pass a resolution stating that we would grant 'any required change of zone' to achieve a housing program that includes 25 units of low income family housing with five of these designed for large families."

According to Colby, the demand "for a blank zoning check" in payment for a favorable recommendation on a low cost home improvement loan program is a very real indication that the responsible and reasonable cooperation this Town enjoyed with the former administrators of HUD is being brought to quick and arbitrary end by the new administration policies in Washington.

"In the past," Colby recalled, "HUD officials have demonstrated a willingness to assist this Town as we demonstrated a willingness to meet the needs of our residents. The disapproval recommendation indicates a shift in attitude. HUD is no longer concerned with helping a community solve problems that exist within the community. HUD apparently is more interested in insisting a community meet some goals that HUD decides it wants met to solve problems existing in its region."

The recommendation for disapproval was on a Town application for \$200,000 in federal funds for the initiation of a program that would permit residents in the Oyster Bay hamlet area to obtain low-cost home improvement loans. It also sought some funding for public works programs and Town administrative costs. HUD, last year, approved an almost identical program for residents in the eastern section of

Massapequa. The negative recommendation is being made by HUD's area office to the new acting administrator sent by Washington to take over the HUD region that covers New York, New Jersey, Puerto Rico and the Virgin Islands.

HUD disapproval obviously is not based on the effectiveness of the program for which the funding was being sought, according to Colby. "They are recommending rejection of this grant not because they don't believe rehabilitation programs of this type are effective ways of dealing with community development problems that exist in a Town that is almost entirely developed. They don't see anything wrong with this program. They notified us of their recommendation for disapproval only after they did not like our response to their demand for a resolution stating the Town Board would grant 'any required change of zone' for the family housing project HUD decided was necessary."

In response to that demand, Colby had notified HUD that the Town Board stood willing to meet its real needs through the development of new Senior Citizen housing under the Turnkey program and by including programs for rehabilitation of existing, privately-owned, family housing.

Colby noted the HUD attitude now being expressed to Oyster Bay Town seems to be the initiation of an attitude other Long Island towns have already been victims of. "I think they are taking a position that will eventually say that Oyster Bay either helps solve the problems of the HUD region or federal dollars will not come back to help Oyster Bay meet the needs of Oyster Bay residents and communities."

"Throwing road blocks in front of Towns on Long Island and other areas of this State seems to be a pattern in Washington when it comes to federal aid. First Congress prevents Towns such as ours from individually applying for Community Development Funds under the well-funded Block Grant section and now we are being cut off from the rather limited amount of Discretionary Funds of the Community Development Fund unless we relinquish our responsibility," Colby said.

"It is fortunate that we are not dependent of these funds to continue ongoing programs."

## BOYS BLUE

This week, the Boys Blue Team traveled to Brentwood, accompanied by many "die hard" parents, who weathered the cold and pouring rain. Brentwood scored in the first half leading 1-0 at half time. Hicksville tied it up early in the second half with a well placed goal by Ed Thompson (goal keeper, who played right half back in the second half). In spite of the efforts of the defense, Brentwood scored again - final score 2-1. Commendations to defensive players B. Stenborg, J. Tomlinson and D. Straub. The midfield and offensive units never gave up but somehow the ball did not want to go into the net. Coach Ken Groves is justifiably proud of this up and coming team. Later in the day, a meeting for parents and players was held at the home of Mr. and Mrs. Groves. It was a very productive meeting with great rapport and interest. "There are better days ahead."

## JUVENILE BLUE

This team, youngest in the Juvenile Division, is a power to be reckoned with. To date, they have rolled over Huntington Harbor, Patchogue, East Meadow, Valley Stream and tied Northport 1-1 in a real thriller. The roster of this hustling team is: Scott Cahalan, Dennis Chow, Don Cusack, Bob Dash, Peter Fletcher, Don Galloway, Brian Jennings, Mike Wagner, Tom McCann, Martin Mize, John Morga, Joe Mullings, Sal Musumeci, Steve Playne, Guy Roman and John Stafford. Coaches Peter Baena & Steve Bedensiek are expecting great things during the rest of the season.

**WANTED: SPONSORS FOR THE ABOVE TWO TEAMS.** Anyone interested, please contact Peter Collins, President R.A.S.C.

## HARRIS ALUMINUM BANTAM TEAM

Coach Ben Brutschin and his Bantam team played Garden City on Sunday at Grumman field. It was a great pleasure to watch the good passing and cooperative playing that this team displays. The Hicksville team got its first goal scored by Peter Schnur after a great kick from Lloyd Sneddon. The next goal was a beautiful effort by three players - a corner kick by L. Sneddon, a header by M. Masters it Mickey Boccafola who headed the ball past the goalie. So at the half, Hicksville led 2-0. The second half saw 3 more goals by Hicksville's L. Sneddon, L.

Ziembicki and M. Masters. Garden City was unable to score at all, so the final score was 5-0.

## PEE WEE TEAM

On Sunday morning, the Pee Wee team sponsored by Municipal Beef travelled to Floral Park. The team, composed of 6 and 7 year olds, played great soccer. Goalie Sean Smith made several good saves. The defense team, J. Reardon, R. Smith, T. Losco, T. Van Cise, J. Masters, W. Sneddon and J. Han played aggressively. The offense line, K. Burke, E. Fabian, M. Storms and B. Magee all battled very hard. The final score however was 2-0 in favor of Floral Park. This team has been hampered by the absence of their coach, Al Boccafola, who is in the hospital. We all wish him a speedy recovery. Ann Masters and Karen Sneddon have taken over the coaching and with very few practices the team is working hard and the future looks bright for these youngsters.

## PEE WEE BLUES

Sunday Municipal Beef's Pee Wee Blue Team traveled to Floral Park for their third game on the road. After a hard fought first half Floral Park just managed to score a goal in the final minutes before the whistle to take a 1-0 lead. The second half

saw Floral Park pressing their attack aided by a stiff wind at their back blowing into Hicksville's goal. Hoping for an easy victory the opposition never counted on the fierce determination of Hicksville's defense led by S. SMITH playing only his second game at goalie. By the end of the game Floral Park had added only one more point to their tally for a 2-0 win over Hicksville.

## PEE WEE RED

Coaches J. Neto & J. Harris. The Pee Wee Wagner sponsored team played a magnificent game defeating Garden City 5-0 on a very windy Grumman's field. In the first half, the team had to go against the wind but that did not bother them as they scored quickly on a pretty pass from D. Missimo to D. Nathan who put the ball in the net. A few minutes later on a quick breakaway D. Missimo sent a shot high out of the reach of the goalkeepers outstretched hands.

In the second half with the wind to their backs, fullbacks G. Skupinsky and B. Cerasi were moved to the forward line and each scored a goal. Halfback P. Thompson aggressiveness paid off as he too scored a goal. C. Beach and T. Boccafola were outstanding in their halfback position.

## Frisbee Contest

Frisbees will be flying over Eisenhower Park, East Meadow, when a contest sponsored by Nassau's Department of Recreation and Parks for County residents of all ages, is held on Saturday, Apr. 30 (raindate, May 8), from 1 to 4 p.m.

permitted.

These are just a few of the questions we discuss in the Pastor's 10-Week Course. The Reverend John H. ## Masons To Aid Diabetics

Eisenhower Park will be the scene of "Hoofathon 77," on Sunday, May 1st. Paul R. Penndorf, head of the 15 Masonic Lodges in the area announced today.

"Brotherhood has always been the keynote of our Fraternity," he said, "and what better way can we exemplify this, than by working to alleviate human suffering." Penndorf quoted statistics from the National Insti-

tutes of Health to show that diabetes is the 3rd largest killer disease in our country, and the single leading cause of new blindness cases. He pointed out that Juvenile Diabetes Foundation was listed by the National Information Bureau as the group with the highest percentage of all voluntary organizations in the nation, in terms of the percentage of its budget, 81 per cent, spent directly on medical research grants.

## Episcopal Church Extends Greetings

The Holy Trinity Episcopal Church, its Parish Priest, Wardens, Vestrymen and members of the congregation pray God's blessing upon the community as Christians and Jews respectively celebrate the Passover. In the liturgical intercessions on Palm Sunday prayers were offered for all Jewish brethren keeping the Passover and keeping faith with their tradition, remembering the mighty deliverance at the Red Sea, the promise of God and the Covenant into which they were drawn. Prayers were offered that Christians and Jews throughout the world and particularly in our immediate community may live and work in harmony, peace and Godliness.

Intercessions were also offered for all Christians keeping Holy Week, remembering the mighty acts of God worked in the life of Jesus Christ bringing redemption to all peoples. Prayers were offered for a recommitment of all Christians to their Covenant relation with God through Jesus Christ, Lord and Savior. Prayers of the Holy Spirit were offered for the quickening of conscience and the deepening of Christian commitment and for a con-

version of hearts and minds to be servants of Jesus Christ. Since all Christian service begins with Christian worship, members of the community are welcomed to the services at Holy Trinity Church during the rest of Holy Week and Easter Day:

Good Friday - 9:00 A.M., 12 Noon, 3:00 P.M., 8:15 P.M.  
Holy Saturday - 9:30 A.M.  
Easter Day - The Great Vigil of

Easter and First Easter  
Eucharist 5:00 A.M., Festival
