Frank And Caroline Chlumsky Celebrate Their 70th Wedding Anniversary

On April 20th, Hicksville residents, Frank and Caroline Chlumsky were guests of honor at a luncheon sponsored by The Kiwanis Club of Hicksville at the Milleridge Inn in celebration of their 70th wedding anniversary.

Frank and Caroline have been living in Hicksville since 1913 and have devoted a good part of their lives to active membership in many organizations and charitable causes.

The many friendships that they have made were manifested at the luncheon, with 106 people in attendance.

Their daughter Mrs. Francine McKillop, and Mr. & Mrs. George MacIntosh (nee Ruth Chlumsky), all formerly of Hicksville, came from their residences in California for their parents' anniversary celebration.

The Rev. Charles Froehlich of Trinity Lutheran Church opened the Kiwanis festivity with a prayer of Thanksgiving and Grace.

Supervisor Joseph Colby, of the Town of Oyster Bay, presented Frank, a former Town Councilman, and Caroline with a Proclamation by the Town Board. Letters of congratulations from Gov. Carey and Assemblyman Yevoli were read by Dr. Phil Rubenstein. The Rev. Douglas McDonald, Pastor of The Parkway Community Church, of

Cutting The Cake

which the Chlumsky's are members, was present and on behalf of his congregation wished the Chlumskys God's blessings and many more happy anniversaries.

On Sunday afternoon, April 24th the Chlumskys' daughters, Ruth and Francine, hosted a special champagne reception, held at the Masonic Temple.

There are few people who, in the course of their lifetime, have added so much to the quality of community life, as have Frank and Caroline Chlumsky. Along the way, they have made count-

less friends and have attained their own very unique identity. Frank Chlumsky's attitude toward life is typified in a remark he recently made to a friend. He was complimented on his many charitable endeavors, and the friend said - "Frank, there has to be a place ready for you in heaven." In his usual affable way, he retorted, "Well, if there isn't, I've got lots of friends at the other place, too."

And that is the typical Frank Chlumsky. And all Hicksville is grateful to call him their own.

Library Budget Vote, May 10

All homeowners should have received a copy of the Public Library Annual Report for 1976 by mail. If you have not received your copy call the library or come in for your copy. In this report we present some highlights of an exciting and productive year.

Has the library produced for you? Are the books and periodicals you need for recreation, research or general use generally available? Is the staff helpful in locating the needed material or recommending alternative sources? Are your children responsive to the library's program for youngsters? Is the library performing its function of serving as a community center of cultural activities, and a location for organizational meetings and discussions? Did you approve of our activities in 1976?

If in your judgment the library has served you well, and if you find the tax rate (.056 per \$100.00) and the budget (\$633,469.89) reasonable, then we hope you will take a few minutes to approve the library budget. A small positive step of voting May 10 in your local school district is all that is needed to continue the work of the Hicksville Public Library. If you have not voted in a local or general election since 1975 or if you have just turned voting age you may register at your local school on May 4 from 3:00 p.m. to 8:00 p.m.

The State then reimburses the districts, through BOCES, under a special formula.

Spectators are welcome to the barrier-free location near parking field No. 4 in Eisenhower Park to cheer on their favorite competitors who are among the

one in eleven Americans with a handicap.

On Saturday, archery and field events will begin at 9 a.m. and continue through 6 p.m. On Sunday, track events will run from 9 a.m. to 2 p.m. The games will be held rain or shine.

On Friday, May 13, weight lifting and swimming events begin 5:30 p.m. at the Uniondale Union High School and on Saturday evening, table tennis matches will be held at the Human Resources School in Albertson.

The Wheelchair Games are conducted by the Nassau County Department of Recreation and Parks in cooperation with the Tri-State Wheelchair Association representing New York, New Jersey and Connecticut. Marriott-in-Flite Services will supply lunches for the participants.

REDCOATS ARE COMING: If you thought the Revolutionary War was over a long time ago, guess again. It's due for a re-run at Eisenhower Park, East Meadow, Saturday and Sunday, May 7 and 8.

The red-coated Grenadier Company of the 23rd Regiment of Foot, Royal Welch Fusiliers in America, will do "battle" with the New York Colony Company of Artillery, Hamilton's Artillery, among other demonstrations of 18th century army camp life, from 10 a.m. to 4 p.m. on both days.

Enthusiastic participants will gather for the occasion from all over Long Island, New York State, New Jersey, Massachusetts, and Connecticut. While the men engage in field maneuvers, marching and drills, women will accompany them to handle the cooking and other domestic chores, just as they did in bygone days and all will share in having a good time in general.

Spectators are invited to watch the two companies in action, and recruits to the organizations are welcome.

The camping will take place in the vicinity of Bicentennial House, a museum facility of the Nassau County Department of Recreation and Parks, near Parking Field No. 6.

Taxpayer Grievance Period

Grievance Period, an opportunity for county taxpayers to protest the assessment of their residential or business property, will be held from May 2 through May 17 as prescribed by the County Charter according to Abe Seldin, chairman of the Nassau County Board of Assessors.

"We are encouraging property owners to come to our office and examine their assessment, and the method used to determine that assessment," stated Seldin. "The property assessment is important to each taxpayer since it is the basis upon which all property taxes are computed."

During the Grievance Period May 2-17, representatives of the

Board of Assessors will be located at 5 locations throughout the county with copies of the tentative 1978 assessment rolls open for inspection. Property owners will be given an opportunity to examine their property record cards at the Mineola office or the cards will be explained to them over the phone if the taxpayer is at one of the satellite locations. Staff personnel will detail the contents of the property record card and the method used in arriving at the assessment figure.

Taxpayers may file a protest form with the Board of Assessors, either at its Mineola office or through its representatives located in other parts of the county during the Grievance Period. These protests are then forwarded to an independent body, the Board of Assessment Review, where they are examined and analyzed. Taxpayers can request a personal hearing before the Board of Review to present the basis for their protest. After weighing the facts, the Board of Review is empowered to order the Board of Assessors to reduce assessments when warranted.

"We have embarked on an extensive information campaign to encourage taxpayers to visit our offices to examine their

assessment," stated Seldin. "We have distributed over 225 posters countywide; 70,000 brochures explaining the grievance process and over 15,000 letters will be mailed to the owners of property where the assessments have been increased since last year."

The 1978 tentative assessment rolls will be open for inspection from May 2-17 from 9:00 a.m. - 4:30 p.m. weekdays and 7:00 p.m. - 10:00 p.m. Wednesday evenings May 4 and 11 at the following locations:

Hempstead Town Properties - Nassau County Board of Assessors, 240 Old Country Road, Mineola, New York.

North Hempstead Properties - North Hempstead Town Hall, Plandome Road, Manhasset, New York.

Oyster Bay Properties - Town Hall Annex, Broadway, Hicksville, New York.

Long Beach Properties - Long Beach City Hall, West Chester Street, Long Beach, New York.

Glen Cove Properties - Glen Cove City Hall, Bridge Street, Glen Cove, New York.

All protest forms must be filed on or before May 17. Additional information explaining grievance procedure can be obtained by calling the Board of Assessors Taxpayer Information Bureau at 535-2790.

Summer Volunteers Needed

Oyster Bay Town Councilman Joseph J. Saldino issued a special call for volunteers for the summer day camp operated by the Town's Group Activities Program (GAP) for the handicapped.

"Summer is rapidly approaching and our summer camp will be in need of volunteers 16 years of age and older to work in both group and one-to-one situations with the handicapped," Saldino explained. "A special training session will be given by the GAP's professional staff for all new volunteers as well as ongoing training sessions throughout the summer. A certificate of completion will be given to each volunteer at the end of the program."

Persons interested in becoming volunteers should contact the Handicapped Services Division at 922-5800 ext. 248 for further information and applications. Now entering its tenth year, the

summer day camp is a therapeutic social and recreational program for people ages six to 21 who are mentally, physically or emotionally handicapped. Activities, which include swimming, arts and crafts, field trips, sports and music, are geared to positive reinforcement of each participant's strengths and efforts to achieve personal growth and greater social effectiveness.

The summer day camp will run weekdays beginning Monday, June 27, through Friday, August 12, from 10 A.M. to 3 P.M. It will be held at the Bethpage, Marjorie R. Post (Massapequa) and Syosset-Woodbury Community Parks and at the Theodore Roosevelt Memorial Park, Oyster Bay.

Saldino reminded parents of handicapped youngsters that registration for the day camp is open through Friday, June 3. It is open only to Town residents. To register, contact the Handicapped Services Division.

A Warning!

Oyster Bay Town Councilman Joseph J. Saldino warned residents to beware of persons claiming to be Town electrical inspectors.

"Our Town Clerk's Office has received several reports from residents in Massapequa that their homes were burglarized within a couple of days after someone claiming to be an electrical inspector for the Town visited the premises," Saldino explained. "After checking with the Building Division, I was told

that the Town dispatches electrical inspectors only at the request of a homeowner, and that none of the victims had requested an inspection." The Councilman noted.

The Councilman noted that the bulk of inspections on new electrical work is done by inspectors from the New York State Board of Fire Underwriters under an agreement with the Town. The inspectors carry a Town identification card which they will show upon request.

Letters To The Editor

To the Editor:
Responding to Evelyn Hack's letter in the Mid-Island Herald, I would like to point out that she has her priorities mixed up. The recreational pool park she writes about should be at the bottom of the list.

In my opinion it is more important that we have protection against vandalism and youthful marauders, that we give financial assistance to H.A.D., our local drug rehabilitation center, solve our waste disposal problem and that Sr. Citizen Housing (there is now a three year waiting period on housing for Sr. Citizens) be built without BLANK CHECKS for H.U.D. as Mr. Colby, our supervisor, so aptly put in a recent column in the Mid-Island Herald.

If Mrs. Hack doesn't like living conditions in Hicksville, why doesn't she and her family move on to greener pastures.

Earl Laumann

Dear Editor:

I was quite surprised to learn that Massapequa Republican Club President Peter J. Schmitt thinks my role as an active and involved Democrat is in some way inconsistent with activities as a concerned citizen and civic leader in the Plainview-Old Bethpage community. Needless to say, nothing could be further from the truth. Readers of the Herald have long been aware of both my role as an active and involved Democrat and as a concerned citizen. Indeed, the one was an almost inevitable outgrowth of the other - as one

who cares deeply about his community, I became increasingly concerned at the arrogance of our Republican Town leaders and their indifference to the real needs and problems of the citizens and taxpayers of Oyster Bay. As a candidate for the Oyster Bay Town Board, I hope to turn this situation around, and to see that the average Town taxpayer at long last gets his money's worth out of Town Government. Good politics and good citizenship can and should go hand in hand.

Mr. Schmitt also feels that my employment by Grumman is some sort of a sin. This is an outrageous and uncalled for slap in the face for those thousands of Oyster Bay citizens who are dependent on Grumman for their livelihood. Working for Grumman certainly should not disqualify me from serving on the Town Board. Mr. Schmitt can be assured that I will scrupulously avoid any potential conflict of interest. But his suggestion that the interests of the Town and those of its largest employer are necessarily at odds is definitely uncalled for.

The people of our Town would be far better served if political leaders stuck to the issues (and there are many) and left personalities alone. Pete, this personal attack on me does little credit either to you or to your Party.

Very truly yours,
Michale Polansky

To the Editor:
Next Sunday, the first two of a

series of four-hour classes in lifesaving techniques effective in aiding those who suffer cardiac or respiratory arrest will take place in the Plainview-Old Bethpage Public Library. Two sessions will also be held later in May in both the Hicksville Public Library and the Bar Harbour branch of the Massapequa Library. These classes are of vital importance in that proper knowledge, derived through such instruction, can literally mean the difference between the life and death of a loved one, neighbor or other individual who experiences a heart attack or respiratory obstruction. In either case, cardiopulmonary resuscitation (CPR) can save the life of the victim - but only if an adequately trained person is available to apply the technique.

CPR instruction is being made possible through the coordination of the Cultural and Performing Arts Division of Oyster Bay's Department of Community Services, the Nassau County Police Emergency Services Bureau, the libraries noted above and Mrs. Bobbie Ozer, a Woodbury Civic Association President who is serving as Honorary Chairman of the program. I and other members of the Town Board are most pleased that Oyster Bay's government has an instrumental role in providing this program for Town residents, and are gratified by the cooperative efforts of other organizations and individuals who are making this important instruction available.

Y.R. Leader Urges Tax Cut

The President of the Nassau County Council of Young Republicans believes that President Carter should reconsider his decision to oppose a permanent tax reduction for all American taxpayers, and that Rep. Jerome Ambro should support the measure.

Speaking to members of the East Norwich-Muttontown Young Republican Club Chris Braunlich, 24, noted that while Carter had decided not to continue his support of a \$50 rebate, the proposals for a permanent tax cut should not be allowed to die for partisan reasons.

"The tax reform alternatives offered by the House Republicans would stimulate a more permanent improvement in the economic health of our nation," Braunlich said. "What has been proposed is a permanent across-the-board reduction in individual income tax rates, amounting to 22 per cent. In other words, a worker making the median income of \$13,000 a year would receive a permanent \$300 reduction in taxes."

"While this might appear to

cost the government more money, the government actually gains revenue as the economic activity of the nation improves. Yet, the House of Representatives defeated this proposal by an almost straight party-line vote. Among those voting against tax cuts for the American taxpayer was Rep. Jerome Ambro."

"I believe we've learned our lesson from history. The idea of permanent tax cuts was most

recently proposed by President Kennedy. Back then, the U.S. Treasury Department thought that the six-year revenue loss from the cuts would total \$89 billion. In fact, there were gains of \$54 billion to the U.S. Treasury.

The Young Republican leader urged voters to write their congressmen, and let him know that they favored the tax reductions.

Thursday evening, April 21st, was "Charity Nite" at the meeting of the Joseph F. Lamb Council No. 5723 Knights of Columbus in Plainview, as \$1500 was presented to representatives of five different organizations that help and aid the retarded children of the community. The money presented by Lamb Council was realized from the sale of "C & B" (Charity and Ben Benevolence) K. of C. chance books during the 1976 drive. One of the primary purposes of the sale of C & B chances is to help the retarded children and it is all part of a K. of C. statewide effort.

The following organizations received donations from Lamb Council: Association for Children with Learning Disabilities (Nassau Chapter) - \$300; Dept. of Religious Education for Handicapped Children - Diocese of Rockville Centre - \$100; Association for the Help of Retarded Children (A.H.R.C.), Plainview - \$500; Our Lady of Mercy Exceptional Children's Program - \$200; and The Rehabilitation Institute for Helping Handicapped Children, Mineola - \$300.

Shown in photo (left to right) are: Grand Knight of Lamb Council - Leonard J. Galati who is presenting a check for \$500 to Harriet Barres and Helen Douman from the Association for the Help of Retarded Children, Plainview. Pre-Kindergarten Meetings

Burns Avenue School will again conduct a Pre-Kindergarten Screening Program for children eligible to enter Burns Avenue Kindergarten this Fall.

Dr. Frank E. Burke, Principal, announced that the Parent Orientation Meeting will be held Tuesday, May 3rd at 9:45 A.M. at the school auditorium. The purposes of this meeting are to explain the screening program to parents and, most important, to establish a screening appointment for children who are registered to enter kindergarten in September, 1977.

This optional screening, conducted by the school specialists, has proven to be most valuable in identifying specific strengths and/or potential problem areas. "Aided by this procedure," Dr. Burke stated, "we can better plan our school programs."

The following staff members are on the Screening Committee: Mrs. Ruth Levandov, Reading Consultant; Mrs. Felice Unger, Resource Room Teacher; Mrs. Martha Riegelsperger, School Nurse-Teacher; Miss Betty Seidle, Physical Education Instructor; and Mr. Gary Feldman, School Psychologist.

Tribute To Richard Tucker

The Colden Center of the Performing Arts, Queens College, proudly announces its participation in the "TRIBUTE TO THE MEMORY OF RICHARD TUCKER" by the Concert Orchestra and Choir of Long Island with a fully staged and costumed performance of Puccini's TOSCA on May 6, 1977 at 8:15 at the Colden Center.

Those who attended last year's LA BOHEME at the Golden Center by the same organization will remember the high orchestral, vocal, and scenic quality of that performance.

In this TOSCA the same standards will be maintained by presenting the title role MARCELLA REALE, famous verismo soprano singer of Italy.

Willets Ave. PTA

On May 2, at 8 p.m., the Willet Ave. School PTA will hold its final meeting of the year. At this meeting, the new officers will be installed.

After a short general meeting, the PTA will present retired N.Y.C. Fireman Richard

Hamilton, author of the book "20,000 Alarms." Although retired three years ago, his bravery and heroism are still earning him national recognition. All are invited so please come and bring a friend. Refreshments will be served after the meeting.

Tickets are available at the Colden Center Box Office, 212-793-8080 (located at the corner of Kissena Blvd. and the L.I. Expressway), or all Ticketron outlets, 212-541-7920, or COCLI Office, 516-367-4585, or write COCLI, 10 Bramble Lane, Melville, New York 11746.

Chamber Music

On Friday April 29 at 8:15 p.m. the Hicksville Public Library will present a program of Chamber Music by young performers from the Training Orchestra. Included in the program will be works of Vivaldi, Mozart and David Erlanger performed on strings, reeds, piano and brass instruments.

This program is made possible by funds supplied by the Recording Companies of America through the Music Performance Trust Funds, a public service organization created under agreements with the American Federation of Musicians.

The Hicksville Republican Committeemen sponsored a fashion show on Thursday evening, April 21st, for the ladies of the community. The capacity crowd in attendance enjoyed the many gowns which were modeled and also the tasty dinner which was provided for them. It all took place at the Holiday Manor in Hicksville. The affair proved to be a huge success with the fair sex.

Chinese Church Forms In Hicksville

Redeemer Lutheran Church, also known as the Church of the Open Door because its doors are never locked, will become the home of a Chinese Christian Church.

On Sunday, April 17 at 2 pm the Long Island Abundant Life Chinese Christian Church started its first service in Hicksville. The Rev. Watson Soong, Pastor of the church will conduct the Services each week at Redeemer Lutheran Church on the corner of New South and Old Country Roads.

Rev. Soong began holding services in Chinese in Babylon in 1974. It is his feeling that a Chinese Church is needed in the Hicksville area to meet the needs of the many Chinese families in the mid-island area. Many of these Chinese families have dif-

ficulty in understanding English, therefore they feel uncomfortable in the existing churches. A Chinese Church will enable them to worship as well as have fellowship with people of their own heritage.

In addition to the Worship Services which will be held every Sunday at 2 pm Rev. Soong hopes to establish Bible Classes and groups for the young people.

The Church Council and members of Redeemer are pleased to have these Chinese brethren share their church. Pastor Grant, Pastor of Redeemer, expressed the hope that they could develop programs that each congregation could share. He also stated that the Abundant Life Church is welcome to share all that God has blessed us with.

CDA "Discovery"

The Catholic Daughters of America have conducted a contest with the theme of "Discovery". Entry was offered to the Parochial schools in Hicksville. All the winners and their parents have been invited to attend the CDA meeting on May 5 at 9 p.m. at which time all awards will be presented.

The following winners from St. Ignatius School have been announced:

ART - Division I - First Prize: Catherine Lennox; **Second Prize:** Katarina Doan; **Third Prize:** Rimbert Rivera. **Division II - First Prize:** Maryjo Sweizer; **Third Prize:** Virginia Wayte.

POSTERS - Division I - First Prize: Christine McCoy; **Second Prize:** Lorraine Wendi; **Third Prize:** Karen Kraus. **Division II - Second Prize:** Kirk Robinson; **Third Prize:** Anne McEvoy.

ESSAYS - Division I - First Prize: Marie Colevay; **Division II - First Prize:** Paul Cardinal; **Second Prize:** Maureen Smith.

POEMS - Division I - First Prize: Coleen Murphy; **Second Prize:** Maryellen O'Connell; **Third Prize:** John Rogers. **Division II - First Prize:** Marie Ryan; **Second Prize:** Eileen Coleman; **Third Prize:** Clare Szegthy.

THE "LOSERS" are the winners at Fork Lane School's obesity clinic: twenty-five students lost a combined total of 107 pounds. The pilot program was conceived by school nurse-teacher Betty Steffans and physical education teacher Carol Weber. Each student charted his own weight loss (or gain). Discussions were held on snacking; ordering food in a restaurant; and the importance of good nutrition. Also, an exercise class was held each morning for those interested. Congratulations, losers...

Dr. Hill and Iris Wolkson To Speak at Hicksville Community Council

On May 5th at 8:30 P.M. at the Hicksville Public Library, the Hicksville Community Council will present a discussion about the schools and the upcoming budget. Although the budget will not yet be in its final form, Dr. Hill will discuss the progress made so far, and he and Mrs. Wolkson will be available to answer any questions concerning the schools.

Also on the agenda, is Sieg Widder's short presentation of the food stamp program of Nassau County. Sieg went to a meeting sponsored by the Nassau County Department of Social Services and he will tell the people of Hicksville what is available in terms of aid.

Public Transportation, now an important topic of conversation since President Carter's recent Nationwide Address, will be the last item on the agenda. At a meeting with the Director of Public Transportation, Martin Gach, many ideas were discussed. There is a need for new bus routes in the vicinity of

Hicksville, and at the May 5th meeting, we will be looking for suggestions. So come prepared with suggestions and we will make sure that Nassau County will hear about them.

Tickets are also available for the 6th Annual Community Council Dinner to be held on Thursday, June 2nd. A champagne punch reception beginning at 7:30, followed by a hot smorgasbord at 8 P.M. is on the

menu. Installation of officers by our friend Frank Chlunsky, followed by a short talk by Supervisor Colby is on the agenda. So make your reservations at the May meeting or by calling GE 3-6437.

So come to the Library next Thursday, May 5th at 8:30 P.M. to hear the sandwich - with the schools as the meat, and food stamps and bus transportation as the slices of bread.

Pro Softball Comes To Long Island

By Terry Lyons

After 25 months of in-depth planning by a group of gentlemen out of Columbus, Ohio, professional softball will begin its season on Memorial Day.

Long Island, an area in which softball is a major recreational function, will be represented in this 12 city league by the New York Clippers, Chicago, Detroit, Cincinnati, Cleveland and a host of other cities round out the 56 game schedule. The league also plans to expand to the west coast for the 1978 season.

Tony Zuaro, who has his roots in the Hicksville area, is general manager of the franchise. Tony, a graduate of Notre Dame University, is the owner of the Tumblyn Inn. "I spent all my

life in this area," says the Plainview resident, "and I'm really excited about the pro team taking root on Long Island. Softball is one of the most action packed sports around, excitement on every pitch. There are over 40 million people across the United States who participate in softball and New York expects to be a leader."

Managed by Strats Scarlotta, of Westbury, the New York club has the necessary talent to stay more than competitive in the newly formed league. Aside from the championship winnings the league champion will represent the United States in an international tournament in Japan.

The Clippers will open the season Memorial Day in Trenton, New Jersey. The first home

games will be played the weekend of June 4th and 5th against the Kentucky Bourbons. Anyone interested in picking up tickets can contact the Tumblyn Inn, 476 South Broadway, Hicksville, Tel: 931-9198 or at the New York Clipper Office, 555 Route 110, Melville, Tel: 694-7720.

Home games will be played on Merrick Ave in East Meadow, where one of the local fields is being transformed in to a stadium, which will seat an excess of 3,000 and accommodate press coverage.

"I'd love for all the Hicksville-Levittown-Plainview people to come out and see the talent the Long Island area has produced," said Tony Zuaro, "and I'll keep in touch with the HERALD to let everyone know of our progress."

K of C MIDGETS
COACH: BILL CRESHAM
 Last Saturday before the rains came, the under 12 boys had to play their most difficult match ever against an all star team from Huntington. Huntington had been beating everyone by eight to ten goals & Jimmy the Greek set the "line" with Hicksville a 3 to 4 goal underdog. From the moment the boys arrived at the home Grumman field, you could feel the emotion & anxiety. Every member of this team - the 11 starters as well as the five backup starters, was up for this game and eager to take on the strongest team on the Island. Huntington scored minutes into the game on a soft, rolling shot from outside the 18 yard line that hit a rock & took a Huntington bounce into the Hicksville net. This could have destroyed Hicksville's enthusiasm & spirit but no, it only added fuel to the fire and the boys came roaring back. They penetrated & dominated and, minutes later forced Huntington into giving up a corner kick. Jimmy DeMarco calmly placed the ball on the ground & sent a perfect shot across the Huntington goal-mouth. A defender went up & headed the ball out in front. Center halfback Steve Dolan came in and slammed the ball into the upper corner of the net. **TIE SCORE.** Hicksville continued to apply pressure and midway through the first half John Minnell at right wing streaked down the right side, cut behind

the defender, took a perfect cross from Adrian Pepi and shot it by the goalkeeper. Hicksville led at the half 2-1. Coach Cresham had a serious talk with the boys during the intermission and the 2nd half was a continuation of the first with every boy giving 110 percent of himself in this total team effort. Adrian Pepi put the icing on the cake with a direct kick from 22 yards late in the game. Huntington set their defense for the kick but completely in vain as Adrian sent a bullet high into the net. The goalkeeper had no chance at all. For one 10 minute stretch late in the game, Huntington came on strong and tried desperately to score but the Hicksville defense wouldn't budge. Final score 3-1.
 There were indeed 17 stars on the Grumman field last Saturday (16 players and the coach) who gave the Club, their Sponsor, the parents and spectators and every club on Long Island a real thrill with a convincing win over a very strong opponent. The cast (in alphabetical order) was: Bobby Andrus, Kevin Cahalan, Vinny Christiano, Billy Cresham, Jimmy DeMarco, Sean Devlin, Steve Dolan, Todd Lewis, John McCann, John Mitchell, Robby Pearse, Adrian Pepi, Philip Ridgway, Frank Schnur, David Smyth, Glen Zakian and coach Bill Cresham.
BANTAM WHITE
STEVE FLORIO
 The under 10 white team travelled to Floral Park early Sunday morning to play their 7th

league game. They were concerned as Floral Park had tied Massapequa early in the season & our boys lost a close one to Massapequa. After the game, the boys wondered why they were so concerned as they soundly defeated F.P. 5-1. The score might have been closer but for some great defense by fullbacks Mark Habersaat and Michael Ayers & some excellent saves by goalkeeper Sam Masiello in the second half. Gerry Dolan minded the nets in the first half while Hicksville began to build the lead. The front line (Matty Bell, Kevin Conway, Freddie Musemeci, Jimmy Lauritsen, Dean Spedero & Paul Thompson) have now poured in 23 goals in 7 games and the mid-fielders (Freddie Freyisen, Rich Karlewicz, Frank Kolovich and Kenny Kugler) are also greatly responsible for the team's 7-1 record.
PEE WEE RED
 Coaches J. Neto & J. Harris
 It was windy and wet Sunday at the Grumman's field, but the weather did not seem to effect the play of the Pee Wee Wagner team as they defeated Brentwood by a score of 8-0. C. Beach, T. Boccafolo and P. Thompson played their usual aggressive game in their halfback positions controlling most of the mid-field play. Fullbacks G. Skupinsky and T. De Tone did a good job clearing the ball making it an easy day for goalkeepers G. McNamee and D. Nathan. The scoring was done by C. Heller, P. Thompson, B. Cerasi, and D. Missimo who had a great day scoring 5 goals. This was the 5th consecutive shut out for the team.
U-12 Girls
 It has been a long and hard season for the U-12 girls, as far as a win. Harkins' Heros played Northport on Saturday and they came out on the top. Coach Pat Harkins' entire team played excellent soccer. Special recognition goes to Erin O'Leary fullback, Risa Bershod half-back, Laura Talente striker. Goalie Diana Taylor had some excellent saves.

SURPRISE SHOWER: Peggy Margaret Halcott, daughter of Jack and Grace Halcott of Kuhl Avenue, Hicksville, was the guest of honor at a surprise bridal shower tendered by her family and friends last Sunday afternoon, at the Joseph Barry Council, Knights of Columbus, Hicksville. Miss Halcott will become the bride of Owen Purcell, of the Bronx, New York, on Saturday morning, May 28, 1977 at 11 A.M. in the church of Saint Ignatius Loyola at 129 Broadway, Hicksville. A reception will be held at the Salisbury Restaurant, in East Meadow, immediately following the Mass. Our families have been good friends these past twenty years, and then some - we can recall this beautiful young lady was a vibrant member of the original St. Ignatius All-Girl Cadet Corps following graduation, she then continued onto success in the business world - Peggy, on behalf of my family and your host of friends round the Island we wish you and Owen the very best of days to come.

HICKSVILLE RESIDENT NAMED: Jack Coffey, a long-time resident of Haverford Road in our community has been named Director of ABC-TV'S "All My Children" show seen now from 1pm on Channel 7, Monday through Friday. By the way, the appointment is most appropriate, as Jack and Alice Coffey, are the proud parents of five boys and five girls-plus four grand-

children - Jack's first two shows commence this Thursday and Friday over ABC - my very best to you Jack - every success to you buddy a good friend these many years.

WE HEAR THAT: The Hamburg Savings Bank will open this June at No. B'way & Nevada Street - Town of Oyster Bay will present proclamation to Hicksville's newest champs - the Holy Family Hockey Club at Howard Johnson's Restaurant, in Hicksville this week - the "Squirt Team" ages 9 and 10 - copped the New York State 1977 Championship - our congratulations to the boys; especially to the coaches and managers of these youngsters who devote their time and energy week after week to these youngsters - we salute all of you gentlemen, especially now that the baseball season is open - good luck - good competition - may the best teams win.

WALK-A-TON PLANNED: A County-wide effort will be sponsored by the Committee for a Total Commitment To Life and the Catholic Charities of the Diocese of Rockville Centre on Saturday, May 14, 1977, for a walk-a-ton from six different communities winding-up at Holy Trinity High School grounds, on Newbridge Road, Hicksville at 3 P.M. A short program and concert will entertain the thousands if anticipated participants for this worthy cause under the chairmanship of John Short of Farmingdale. The purpose is to fund

group residences for the mentally retarded, through "One-To-One" drive spearheaded by Geraldo Rivera, of Channel Seven (7) - ample entertainment will be provided and we hear that the Master of Ceremonies will be Channel 7's weatherman Storm Field - plus who else - come see - contact the Chairman at 249-3207 (evenings).

ROUND OUR TOWN: Congrats to Karen and Frank Jones, of Hicksville, who were married last Sunday, at St. Paul the Apostle, Jericho, followed by a reception at Antun's in our community - we noted that the Wright man caught the garter - Jim, could this be a sign? Happy Birthday (4 28) to T.O.B. Councilman Joseph Saladino... Frank Keegan's band filled the Molly Maguires with traditional Irish music and

standing room only last Sunday, evening (despite the rain) - they will be back again this weekend.

Sunday evening, May 1st, by popular request - quite a talent these fine lads - excellent to listen or dance to - popular host Pat Cowan and Mike Neville are busy arranging for the grand opening week celebration next month at the Molly Maguires - delicious luncheons - planning a group celebration phone 931-8901 for reservations...

May we close with this quote from the Herald of Holiness: "Real happiness is more of a habit than a goal, more of an attitude than an attainment. It is the companion of cheerfulness, not the creature of circumstance. Happiness is what overtakes us when we forget ourselves, when we learn to open our eyes in optimism and close the door in the face of defeat. We win happiness when we lose ourselves in service to others." - keep well and happy til next time.

At The Hicksville Community Council

By Carole Wolf

The subjects of the April Community Council meeting were the Library Budget and the first 100 days in Town Office. Ken Barnes, Director of the Hicksville Public Library, gave a blow by blow description of the 1977-78 Library Budget, while Bob Schmidt, Assistant Superintendent of the Town of Oyster Bay, gave a thorough assessment of the work that passes his desk.

Ken Barnes was proud to announce that beginning on May 15th, Hicksville Public Library will have a full time counseling service. We were one of three Libraries chosen for such a project from the Department of Social Services. In the information and referral services, there will be on file the Family Food Stamp Program, Jobs both in private and public sectors, and help available through County agencies. The grant will be available to us from May to November.

The Library and its Friends are especially concerned with the problems of the handicapped, especially the unavailability of the lower floor of the Library. They are trying to get money from government sources - in the TOB Community Development Act or in the Public Works Act.

Voting for the library budget will be on Tuesday, May 10th. Come out and vote, at your various local districts. Registration is on May 4th from 3 to 6.

In discussing the exact figures of the budget, Ken Barnes said that the collection is up \$1,500 because of inflation. Another 10,000 to 12,000 books will be added to the shelves. The Library is intending to microfilm periodicals because they are running out of space. Only the last 5 years will be bound - the rest will be on microfilm. Legal fees are up \$4,000 due to the fact that we pay for our own vote. Salaries are up from \$430,202.32 to \$457,969.87 because the Library is in the second year of a contract that calls for a 7% increase for non-professionals. The TOTAL unofficial tax rate is 56c per hundred. Other libraries, even though their buildings are quite new, have the same problems as Hicksville - they are bursting at

the seams. Our collection is the 3th largest in Nassau. Mr. Barnes also mentioned that the library would like to have input from the people of Hicksville concerning the Library and its services, for the Library is the place it all comes together.

Bob Schmidt began his portion of the meeting by mentioning that since the new administration took office on January 4th, numerous things have happened. A new CSEA Contract placed summer help into the retirement system, thus forcing the Town to place more funds into the system. TOB will not be eligible for funds from the Public Works Act because of the PWA's priority basis is the cities, the so called disadvantaged areas. On January 7th a man was appointed to begin preparation on the 1978 budget, for with the large inflationary rate, it is difficult to project future costs. TOB has reduced the size of its personnel by 200, due to attrition. The Town is trying to fill vacant positions with SETA employees - those paid for by the Federal Government. The Budget Office consists of 2 people who speak directly to department heads, questioning the necessity of certain expenditures. As a final step, all purchasing orders cross Bob Schmidt's desk. The Town is trying to make a 10% cut in the budget and the Town hopes that the 1978 budget will be the same, or less. When the new administration came into office, they were faced with the most severe of winters in several years. The trucks put but 40,000 tons of sand to prevent skidding and it will now take 6 to 8 passes with a sweeper to clean it up. The sand will now be used as landfill cover, so nothing will be wasted.

The new CSEA contract is a 2 year agreement which gives a \$400 across the Board increases to Town employees. The graded salary plan has been removed for any new people who might be hired by the Town. The new salary rates will be more equivalent with the times, for there are few jobs with many people applying. Therefore, starting salary for new employees will sometimes be up to \$2000 less than the present rate.

The Town is trying to gain

revenue by selling its surplus property. The Town owns 350 separate parcels and it was recommended that 20 of those parcels be sold and it is estimated that \$500,000 can be raised by selling the land.

The Town also reviewed its street lighting program. At the present time, TOB is paying LILCO \$1,500,000 for the lights and their maintenance. It is estimated that the town can save \$200,000 by giving the maintenance program to a private contractor, and by replacing the 100 watt bulbs with mercury vapor lighting, for its gives twice the light for half the price.

TOB is establishing a solid waste management program, the landfill in Plainview. In the Town of Hempstead, they are beginning a solid waste recovery program. The Black Clawson Plant, which is costing \$75,000,000. It would cost us \$15 a ton to dispose of our garbage to this privately funded plant, but there is only one catch - we would have to bury Hempstead's as well as our own residue. TOB has set up a citizens Advisory Committee to look at all the available plants and facilities and then to report their findings to the Board. The hearing on the proposed landfill will be held on May 31, June 1, 2, & 3 at Kennedy High School in Plainview. This landfill was designed by a top notch engineering firm and is what they consider to be the most economical and practical method at this time.

The Town is looking into the feasibility of placing all the streets of the Town onto a computer. Information, such as when the street was built, what material was used, and when it was swept, will provide the most efficient service and drivable streets.

During the question and answer period, Mr. Schmidt was asked why the sanitation tax rose 5c in 1977 when services decreased. He answered that even though the men work 4 days, they will put in a full weeks work. Gasoline and parts have increased - even new trucks must have vertical stacks, which are more expensive. 40 people were cut from the sanitation budget. The incinerator is only working 4 days a week now, and the remaining as could be used as a roadbed, but very few roads are being built now.

The Town promised that it will look into overlapping services, and they will try to save as much as they can in next year's budget.

The Nominations Committee of the Hicksville Community Council, consisting of the three Past Presidents and Chaired by Sieg Widder, placed the following slate of officers in Nomination: for President, Carole Wolf; for First Vice-President, John Budnick; for Second Vice-President, Tom Clark; for Secretary, Ariene Didier; and for Treasurer, Cathy Steckler. Elections will take place at the May meeting.

Councilman, Tom Clark, then took the podium. He announced that all three plans will have to be presented to the public when the Parks Referendum vote will be held. According to the lawyers, the papers will not be ready for quite some time, so there is a stalemate for a voting date. Mr. Clark also said that the G-1 concept is a comprehensive plan, and that small businesses, such as McDonalds and a Pizza Parlor will not be allowed. There is also a proposal to build a Courthouse on Long Island, and Councilman Clark wrote to Congressman Lent

Fair To Salute Lindbergh And East St. School

By Richard Evers

This year's Hicksville Country Fair being sponsored by the Bicentennial Committee could not take place on a more historic and exciting occasion. The weekend of May 20-22 is going to be a three way anniversary, and Hicksville can look forward to being a center of festivity.

On Friday evening, May 20th, the community will celebrate East Street School's Fifty Years as a center of education with a Square Dance and buffet. East Street School's celebration will take place on the same day the nation, and particularly, Long Island will salute the memory of Charles A. Lindbergh's epic flight from Roosevelt Field to Paris.

This same Friday, May 20th, by happy coincidence, is Hicksville's most historic anniversary, Robert Williams Day. It will be the 329th Anniversary of the purchase of the areas encompassing Hicksville, Jericho, Plainview and part of northwest Bethpage from the Matinecock Indians.

Saturday, May 21st, Paris and the French nation will mark

Lindbergh's evening landing at Le Bourget Air Field with ceremonies recalling the American aviator's electrifying feat and its significance in the history of transoceanic air flight.

The Hicksville Bicentennial Committee's Old Time Fair on Sunday, May 22, at the Hicksville High School grounds will honor East Street School's fifty years of contribution to education, the epochal flight of the "Lone Eagle" and the amity of two Colonial Era figures who collaborated to bring settlers to this area, Robert Williams and Sachem Pugnapan.

The Fair Steering Committee has announced that booth and exhibit applications are still being received, but community groups planning to participate are urged to hurry and notify Co-chairpersons Mille Pino (822-7060 evenings) or Dr. Richard Smith (We 1-0938 days) if taking part in the Fair. All sorts of craftsmen are invited to enter exhibits of their handiwork in competition for Show Ribbons. Mrs. Eileen Szabo is chairing Fair competitions and welcomes inquiries.

Old Country Road News

This spring has been an exciting one for the Kindergarten Classes at Old Country Road School, Hicksville. During the month of March, they spent their time learning about their community services. Several of the children had their fathers come in, to tell the class about their professions. Some of the jobs they learned about were a police officer, a fireman, and a mailman.

Then, on March 21st, they visited the Main Hicksville Firehouse. A big welcome was given them by Fireman Jack, and Fireman Kelly, who showed them all there was to see, starting with the "Cardiac Bus", their Light Duty Rescue Vehicle, and the equipment used by the ParaMedics on their rescue calls.

The tool that was the favorite of the children was the big Hurst Tool - called "The Jaws of Life" - which could pry open a car door in seconds, (with its four ton

suggesting that it be situated in Hicksville.

The next Council meeting will be held on Thursday, May 5th, and the topic of discussion will be the schools, food stamps, and bus transportation.

SEPTA

Hicksville SEPTA will meet on Tuesday, May 3, at 8:00 P.M. at the Hicksville Jr. High Faculty Cafeteria, 2nd Street Entrance.

There will also be election and installation of officers.

pressure) in an emergency. The highlight of this trip was when Fireman Kelly came down the fire pole from the floor above. The thing that impressed one of the Class Mothers the most was their closet for hanging up the hose to dry! It looked like a regular, small closet, until you looked up...and found that it extended right up to the roof! A pulley system hoists the wet hose up, and a man at the top hangs the hose on a hook, just like a piece of laundry, fifty feet in the air!!

On March 30th, the class went to the Hicksville Public Library, where the children's librarian read them a story and showed them a film. They were then given a guided tour of the Children's Library. They learned how to use the card catalog, and how to use the number system to find the book they wanted. Each child was given his own library card, and was allowed to borrow two library books, to read at home.

The day before the Easter Vacation, was special - they had a "Bunny Part" where all the children got to taste the food bunnies eat. Each child got to taste such "green goodies" as celery, stringbeans, lettuce and carrots. Then the children dyed Easter Eggs brought from home. The children were introduced to Matzoh and were given some jelly beans, combining the customs of Easter and Passover.
