# Hicksville Fair Joins Nation Honoring "Lindy"

By Richard Evers

Hicksville shares in the national and Long Island celebrations marking the Fiftieth Anniversary of Lindbergh's epic flight this weekend—as it so often does—with a "party" and commemorative program. Once again, the on-going Bicentennial Committee has done it, put together an historical observation and the "Oldtime Fair" at the High School to which the general public is cordially invited.

The portico-area and gridiron will be the location Sunday, May 22, of a historical fete and community fair. Opening the festivities at 12:15 will be a tribute to Charles A. Lindbergh by the Bicentennial Committee, saluting the significance of his transoceanic quest and calling to the public's attention the great aviator's two-year flying experiences in the Hicksville area.

This year's Oldtime Fair will offer attractions to suit many tastes. The exhibit and selling

booths, located again in the delightful shade of the high school's west portico, will offer lovely crafted items for inspection, judging and purchase. The proceeds will augment the treasuries of Hicksville's community organizations sponsoring booths. Every purchase will help local clubs carry on their beneficial functions. There will be promotional and historical exhibits and refreshments of all kinds, we are assured by Fair Cochairlady, Millie Pino.

Entertainment during the afternoon, from 12 to 6 P.M., will be varied and colorful. Track and field races will challenge the young in body, as youngsters are invited to compete. Children may "ride the ponies." And once again, the Holy Family Players will be a feature of the opening ceremony. Their handsome forms and fine voices will thrill fairgoers with melody. The salty lads of the Nautical Cadets' Band of the Hicksville Police Boys Club, under the direction of

Robert Miller, will also be a part of the opening ceremonies at the Fair.

To provide the Fair Grounds with a touch of nostalgia and to recall, perhaps, the earlier decades of Lindbergh's era, there will be a motorcade of old cars, antique and replica autos. Among the vintage vehicles the public may see are: 1908 International harvester; 1910 Hubmobile; 1911 Ford "speedster"; 1919 Ford Coach; 1926 Ford Model T touring car; a 1928 Pontiac sedan and others. It is planned to have the ancient cars tour the track and park where the public will be able to enjoy their beauty, sturdy features and enduring appeal.

In mid-afternoon, in their inimitable marching gait, to the sound of their polished drums and the call of their bugles, the champion St. Ignatius Girls Cadet Corps will march in. The mistresses of precision and flair will demonstrate some of this

## School Board And Committe Differ

By Linda Strongin

The Hicksville Board of Education voted informally at its meeting last week to retain the same school hours for elementary students in public and non-public schools for the 1977-78 school year. The question of a school-hour change came from a report by the School Hours Committee, which submitted five recommendations.

The Board opted for recommendation No. 5 at this time, which, along with keeping the same hours for next year, also suggests that a consultant be employed to review and study the district's transportation system and suggest modifications. Requests for change could then be implemented in a new

schedule for the 1978-79 school year. Funds for the survey, estimated to cost between \$2,000 and \$3,000, have been included in the 1977-78 budget.

The School Hours Committee, however, had opted for recommendation No. 1, which would implement a school-hours change this September. The Committee felt that recommendation No. 1 would benefit more students educationally. The recommendation provides for an earlier starting hour for 4,284 students (4,029 Hicksville students) while 1,350 students (651 Hicksville students) would start at a later hour. Committee member Dr. Manus Clancy added that it was a matter of "reallocating hours in non-public schools or spending more money for transportation."

The Board passed a motion made by Board Vice-President Tom Nagle to place an ad in the two local papers expressing sentiments of thanks for the cooperation of the principals, teachers and students during the recent custodial and maintenance workers strike.

"We are happy to have the custodians and maintenance workers back. We invite parents to view their schools. They are in the same condition as before the strike," said Mr. Nagle. Also, a newsletter to be sent to all Hicksville residents will include background information and facts concerning the negotiated settlement. President Wolfson stressed that "time was of

## School Board Sets Budget And Election Vote For June 22

On April 27th the Board of Education of the Hicksville School District 17 set the Annual District Election of the qualified voters of the School District on June 22, between the hours of 10 a.m. and 10 p.m. in the seven local election districts.

Among the things to be voted on are the school budget; the transportation policy and various vacancies to be filled on the Board of Education.

The following vacancies are to be filled: 3 year term ending on June 30, 1980, last incumbent John L. Lari; 3 year term ending June 30, 1980, last incumbent Daniel E. Arena; and unexpired term ending June 30, 1978, last incumbent the late William A. Bruno, Jr. Candidates petitions must be filed thirty days before the election, or by May 22.

Copies of the statement of the estimated expenses for the school year 1977-78 may be obtained by a taxpayer in the District at

each school house in the District daily except on Saturdays and Sundays on and after June 15 from 9 a.m. to 4 p.m. Copies of the other propositions to be voted on may also be obtained at those time.

### Budget Hearing

On June 8, at the Hicksville Senior High School, there will be a public hearing for the purpose of discussion of the expenditure of the funds and the budget.

### Registration

Residents who wish to register to vote may do so in the seven Election Districts on Wednesday, June 15, from 3 p.m. to 8 p.m. Residents who voted at an Annual or Special Meeting of the District within two years from the date of the current (annual) meeting, or who registered within that time need not register to be eligible to vote at the meeting. The register will be filed in the District Clerk's office on June 16, and will be open for inspection from 9 a.m. to 4 p.m. on any week day from June

16 up to and including June 22, for anyone who wishes to know if they are registered.

### School Election Districts

The seven election districts are Burns Ave. School, East St. School, Woodland Ave. School, Lee Ave. School, Fork Lane School, Dutch Lane School and Old Country Rd. School.

Happy Birthday to Allan Strickland of Fourteenth St., HICKSVILLE. He celebrated on May 18.

Belated Birthday greetings go to Pete Ference of HICKSVILLE, who celebrated his last month.

Mr. and Mrs. Jack Murray, formerly of HICKSVILLE, and now of Florida, are back in town to visit some of their friends. Good to see you again.

Joe and Doris Gentile of HICKSVILLE and Syosset just returned from a cruise to Bermuda (April 23-30) The weather was vile, the seas were high, gales, rain, etc. Oh well, they had a good time anyway.

Birthday greetings go to Mary Ann and William Moyer of HICKSVILLE. Mary Ann celebrates her 24 on May 26, and William celebrates his 25 on May 27.

Congratulations to Joe and Dolores McGee of HICKSVILLE. Their son Michael won two trophies playing basketball and now we hear that he will go into Lacrosse.

Belated happy birthday to Ann Jablonsky of HICKSVILLE, who had hers recently.

Happy Birthday to Lorraine Lentz, 10th St., HICKSVILLE. The daughter of Mr. and Mrs. John Lentz, she celebrates her 10th on May 28.

Gregory Dawson, Winter Lane, HICKSVILLE, will celebrate his 5th birthday on May 24. Happy birthday, Gregory.

Happy birthday to Donna Crosby, Grape Lane, HICKSVILLE. She will celebrate her 15th on May 25.

### Concert At Holy Trinity High School

Holy Trinity High School, 98 Cherry Lane, Hicksville will hold its annual Spring Concert on Wednesday, May 25, at 8 P.M. Tickets are \$1.50 each and will be available at the door.

### Fire Depts. Fight Blaze

On May 12th, the Jericho Fire Department responded to a report of smoke in the lobby at 390 N. Broadway. Upon arrival, Chief L. Bachteler entered the building with the crew of the first engine and attempted to locate the seat of the fire. After determining no fire was present on the first floor the hose lines were advanced to the second floor where a heavy fire condition was discovered. Chief Bachteler radioed this information to Chief Mansberger who requested a second alarm and Hicksville F.D. to respond to assist. The fire was contained to the second floor area and damage was kept to a minimum due to the quick attack by the firemen. The fire is being investigated by the Nassau County Fire Marshal's Office. Three firemen were injured during the blaze but were treated at the scene and released.

At 6:42 on May 15th, the Jericho F.D. responded to an auto accident on Broadway and S. Marginal Rd. The police department also responded and through the cooperative efforts of both departments, all patients were transported to nearby hospitals for treatment. Hicksville F.D. also responded to transport some of the aided, as well as the police helicopter which landed on Broadway. Six people were injured in the accident. Through the many hours of training of emergency care and patient handling, A.E.M.T.'s and E.M.T.'s from the police, Hicksville and Jericho worked for nearly an hour to stabilize, extricate and transport the various injured people.

## Peterson Favors Death Penalty In Some Cases

Hempstead Town Councilman Gregory P. Peterson, Republican candidate for Nassau County District Attorney, disagrees with Governor Carey who recently opposed legislation to impose capital punishment in the state.

"In this new era of human rights, Governor Carey disregards the rights of the victims in his opposition to this attempt by the state legislature to impose a death penalty.

"I want to go on record right now that I favor a death penalty for certain heinous crimes, including murder of a police officer, murders committed during the course of robbery, burglary, kidnapping, arson and rape," Peterson stated.

"I also want to say right now that I favor the death penalty for any terrorist group that kills innocent victims in cold blood as a ransom for its terrorist demands. These terrorists hold the threat of life and death over innocent citizens, yet know themselves that they face no such threat after capture.

"It's high time in the county and state and nation to take a firm stand against ruthless and cold-blooded killers. It is high time in this county, state and nation to bring back a constitutional form of the death penalty, not only to protect the police officer in the performance of his duty, but to protect the average citizen who is set upon and brutally murdered. No amount of psychological argument can sway me from the opinion that a brutal and cold-blooded killer would not be deterred by the threat of death hanging over his head," Peterson

said. "I believe Governor Carey is wrong in opposing the death penalty, as is our own District Attorney Dillon wrong in opposing it," he continued.

"With 93 homicides in Nassau County since the District Attorney took office, we cannot afford a district attorney who is opposed to capital punishment.

"I respect the right of anyone to oppose capital punishment, but not a district attorney. Having a district attorney opposed to capital punishment is like having a surgeon opposed to blood.

"Not too long ago, the killer of a policeman, Matt Giglio, was being tried for murder. During that trial, District Attorney Dillon stated in the press that he was opposed to the death penalty.

"I ask you, what about the rights of Matt Giglio's wife and family?"

"We have the obligation as members of an ordered society to protect the rights of the people. It's high time to espouse the rights of the defenseless victims, whether they be police officers or just plain citizens.

"I'm announcing today that I'm starting a drive to gather names of those in favor of passage of a bill in the state legislature favoring capital punishment be restored in this state to protect the innocent as well as the guilty.

"I am hopeful that I shall be able to get thousands of names of people who believe some form of the death penalty should be restored this year, and I shall forward these names to the Governor in order that he shall know the sentiment of the people he represents in this area."

## Reduce Tax Rates To Airports

Long Island's largest airport passenger delivery service has agreed to slash its rates on its busiest run, Nassau County Executive Ralph G. Caso announced today.

The action, effective Thursday (May 19), came after Caso met with Walter Stuart, president of the Hauppauge-based Long Island Airport Limousine Service.

Aware that Caso was championing the cause of mass transit, Stewart asked how he could help. Caso suggested reduced rates to attract greater ridership which would result in reduced gas consumption and

less traffic congestion.

Stuart offered a proposal to lower rates as much as 33 1/3 per cent on his Long Island Expressway runs to Kennedy and LaGuardia Airports.

"Mr. Stuart informed me this will be an experimental program," Caso said. "If ridership picks up as a result of the lower rates, he plans to expand the reductions to his four other major north and south shore routes.

"I am enthusiastic because I believe all forms of improved mass transit are keys to Long Island's future growth and development," Caso said.

## International Crafts Fair

A mind-expanding tour of the crafts of many lands will be free to all who visit Eisenhower Park's International Crafts Fair on Saturday, June 18. (Rain date, June 19).

Venice is renowned for its glass-blowers, Poland for embroidery and Germany for wood-carving; Outstanding examples of these crafts and others will be displayed by artisans with studios on Long Island. Some are professionals, others hobbyists, but they all love what they're doing and are eager to share their knowledge with the public.

Visitors can pretend to be on a European tour as they explore the meadowland around parking field No. 3 and visit with craftspeople demonstrating art forms typical of Italy, France, Scandinavia, Germany, Poland and The Ukraine. Also on display will be Eastern specialties in crafts as well as African folk art.

Basketry of different weaves and materials from the Americas, Africa and the Midwest will be displayed. A blacksmith will set up his forge and anvil and demonstrate his skill. Also in the meadow, a spinner and potter will be plying their craft.

Scottish pipers, Swedish alpenhorn players and an Italian chorus will add musical spice to the fair. Folk dancers stepping to their own beat - Greek, Polish and Hispanic - will be entertaining.

All this and more ethnic music and dance will be scheduled

A NIFTY DISH from Swaziland is displayed by Tilly Salomon who will show her world-wide basketry collection at the International Crafts Fair in Eisenhower Park. Ms. Salomon, who weaves mini-baskets in

many styles, will tell Fair visitors all about her basket display and demonstrate basket weaving. She will be one of many craftspeople and entertainers appearing on Fair Day, June 18.

throughout the day near the bandstand.

Specially for children, puppet and magic shows will go on in the morning and afternoon. Families are invited to bring a picnic lunch and spend the day at the park.

The fair will run from 10 a.m. to 6 p.m. with craftspeople showing

their handwork and answering questions about their particular skill.

The Crafts Fair is conducted by the Nassau County Department of Recreation and Parks and sponsored by the Seamen's Bank for Savings.

## Urges \$7200 Senior Exemption Limit

Calling its adoption by local government vital, Abe Seldin, chairman of the Nassau County Board of Assessors, today called upon the Nassau Board of Supervisors; the Hempstead, North Hempstead and Oyster Bay Town Boards; and the county's various school boards to pass emergency resolutions implementing the recent action of the state legislature which increased the income limit qualification for senior citizens property tax exemptions.

"I have forwarded a telegram to Governor Carey urging he sign the measure immediately since time is vital," stated Seldin. "Simultaneously we must also begin moving the wheels of local government to institute this change in the exemption law."

Essentially the bill allows the income limit for senior citizens to qualify for a property tax exemption to be raised from the present \$6,500 to \$7,200 and extends the filing period from the

present assessment roll status date to the final assessment roll date subject to adoption by local municipalities. In Nassau County the deadline for filing senior citizens exemptions is May 1st. Under the new bill the date would be extended for this year only to August 1st to allow additional seniors to file.

"Due to the Assembly dragging its feet on this matter it will be extremely difficult for local government to administer the law this year," stated Seldin. "Many villages have already passed their final roll date and thereby would not be affected by the law this year at all. In addition many school districts have already established their budgets and set tax rates and would find it very difficult to help the seniors," continued Seldin.

The increase from \$6,500 to \$7,200 was prompted due to additional cost of living social security payments which forced many previously eligible seniors

to go over \$6,500 and lose the exemption. Last year some 400 seniors in Nassau lost their exemption. It is projected that some 500 more would have lost it this year.

"The problem is to reinstate the exemption for these 900 seniors," stated Seldin. "We had anticipated the passage of some reform law and have kept separate all applications filed this year by seniors with incomes between \$6,500 and \$7,200. These will be easy to process. The problem will be to publicize the program for all those whose income was over \$6,500 and never bothered to apply," continued Seldin.

The passage of the bill by the legislature was the culmination of a two year struggle. Seldin singled out a number of legislators for their help in obtaining the exemption reform including State Senator John Caemmerer and State Assemblymen Joseph Reilly, Henry Dwyer and Jerry Kremer.

## Puppet Festival Board Clears Way For New Senior Tax Exemptions

Member of the Nassau County Board of Supervisors and Hempstead Town Presiding Supervisor Francis T. Purcell took action on May 12, to make certain that Nassau's Senior Citizens can take advantage of new legislation raising the income eligibility limit on Senior Citizen property tax exemptions.

Purcell directed Howard Levitt, counsel to the Board of Supervisors, to prepare a local law for adoption by the Board as soon as the new tax bill, which cleared the Legislature in Albany on May 11th is signed into law by the Governor.

The bill increases the income limitation for Senior Citizen property tax exemptions from

\$6,500 to \$7,200. It also extends the deadline for filing for the exemptions this year from May 1st to August 1st.

According to Supervisor Purcell, at least a thousand Nassau Senior Citizens who lost exemption status because their annual incomes topped the old \$6,500 figure will recover eligibility under the new law.

Purcell said he has been assured that the County Assessor's office will be prepared to process tax exemption applications under the new regulations, as soon as the Governor signs the bill and the Board of Supervisors passes the local enabling legislation.

ROSLYN SAVINGS BANK PRESENTS LINDBERGH PAINTING TO COUNTY MUSEUM: Floyd N. York, (left) president of The Roslyn Savings Bank, is shown as he presents an original watercolor by Charles Knotek of Svooset (right) depicting Lindbergh's departure from Roosevelt Field in the Spirit of St. Louis to Richard Pritchard, Commissioner of Nassau

County Department of Parks and Recreation. The painting was commissioned by the bank to commemorate the 50th anniversary of the historic flight.

Free prints of the painting, suitable for framing, will be available at Roslyn Savings Bank offices in Roslyn, West Hempstead, Farmingdale, Bellmore and Woodbury.

# Dear Friends...

WE HEAR THAT the Reading Dept of the Hicksville elementary schools held a district-wide Parents and Teachers Reading Conference on April 22 at Burns Ave School that was most successful. Inasmuch as it is obvious that a concerted effort between parents and teachers, based on mutual understanding, will always be most effective, it is good to hear that this technique is being used in the critical area of reading. Congratulations to Ms. Ruth Jacobson, District Reading Consultant and Dr. Frank E. Burke, Principal of Burns Avenue School who planned and organized this conference.

GARBAGE DISPOSAL is rapidly becoming one of our nation's larger problems... as it is also true that right here in the Town of Oyster Bay our elected officials are working to solve this growing problem. It's good to hear that, while some matters are still under study, we have been doing other things in this area so well, that it was recently announced that the New York State Association for Solid Waste Management will visit our Town's new solid waste baler facility in Oct. "Our baler is one of four such refuse compactors in the country," TOB Councilman Joseph Saladino who is Chairman of the TOB Committee on Environmental Control, told us, "and the Association requested permission to see the unit in operation in Oct when they will be holding their annual meeting in the area."

The solid waste baler takes refuse and compacts it into bales which may then be stacked without loss of valuable space in a landfill area. The baler will be operational this summer when our Town plans to begin a shakedown period and make necessary adjustments.

THAT'S ALL for this week, see you at the Hicksville Old Time Country Fair this Sunday (remember the rain date is June 5th), but all pray that it doesn't rain, OK?

# Letters To The Editor

To the Editor:  
On behalf of the Board of Education of the Hicksville School District, we appreciate this opportunity to share our thoughts with the community in paying tribute to the memory of William A. Bruno, Jr., who shared with each of us the responsibility for representing the people of Hicksville in guiding the destiny of each young person in the community who studied, learned, and grew to maturity as a responsible citizen as the result of our school system.

Although we did not always agree with each other, Bill Bruno brought to the board and to the lives of all he touched a deep understanding and respect for what it means to stand and fight for what one believes. The ability to "stand and be counted" on any issue is a trait to be admired in a human being. It was this quality in his character which helped him to fight so courageously over such a long period of time against the illness which ultimately took him from his family and the community.

We wish to extend to his dear wife Lee and their children our sincerest condolences and to say that the legacy which Bill leaves behind is one of "principle" and

one that none of us will ever forget. He will be missed by all.

To the Editor:  
The Hicksville Bicentennial Committee cordially invites all to attend our "Old Time Fair", to be held on the High School grounds, on May 22nd.

As last year, the Fair will feature booths, exhibits, refreshments, entertainment, craft competitions, and the popular track competitions for the youngsters.

We look forward to a very successful and enjoyable Fair, as we had last year, and hope to make this an annual event for the people of Hicksville.

We sincerely hope you will join us in celebrating our historic past.

Very truly yours,

Suite From The Water Music by G. F. Handel.

## At The Town Board Meeting

By Gerry Kahn

Three Hearings led the proceedings at the Town Board Meeting held on Tuesday, May 17th.

The first item on the agenda was an application for a modification of a Special Use Permit to maintain premises for paper and/or cardboard bailing an recycling at Bethpage.

The application was made in the name of P & P Operating Co., Inc. and the petitioner was represented by counsel Mr. Rothman.

The site location is just east of the Town Incinerator.

William P. Farrell Jr. was the petitioner in the 2nd Hearing. He was represented by Richard Schure, counsel.

The application was for a special use permit to expand those existing buildings for use as racquet ball and squash courts, ancillary facilities would include a pro-shop, showers, lounge and rest rooms. The site is Sunrise Highway and Walnut St., Massapequa.

Phyllis Singer addressed the Board and made several

suggestions relative to the facility and indicated the approval of her group for the facility.

The final Hearing was relative to the proposed amendments to the Building Code, T.O.B. Basically the change dealt with an increase in fees, keeping somewhat abreast of the rise in the costs of services.

The 17 additional items (resolutions) on the calendar were passed in quick succession and the formal meeting concluded at 11:39.

During the informal meeting that followed Betty Costanza submitted a 1,000 signature petition requesting the Town to purchase Pickens School in Plainledge and to form a Community Park for the school district.

Glady's Nelson of Syosset addressed the Board relative to the construction of a mezzanine etc. at the Sanitation Building on the L.I.E. Access Rd. in Syosset and then spoke relative to the needs of bus facilities for the Senior Citizens living at the Muttontown Rd. complex in Syosset.

## JUVENILE BLUE

This young, novice team, in their division coached by P. Baena and S. Bodensiek, has completely dazzled the L.I. Jr. Soccer League, Division II with their soccer prowess and team coordination, on 5-8 they rolled over No. Babylon 7-0 with a "hat trick" by Sal Musumeci, other goals by John Morga, John Stafford, Guy Romain and Tom McCann (halfback - who excelled in taking the ball all the way - to score).

On 5-15, in a tight see-saw game, the Juvenile Blue finally defeated the Massapequa A.C. 2-1. John Morga and Jon Stafford were the goal scorers.

This team is now tied for first place not only because of goals scored but also because of so few goals against. The defensive line is responsible for that, which illustrates the complete coordination of offense and defense. The caliber of their play is that of a well-oiled machine - thanks to the coaching of Peter Baena and Steve Bodensiek.

On 5-17, in the first round of the L.I. Cup, the Juvenile Blue demolished Deer Park 7-0. Deer Park never gave up but there was no way that they could penetrate the defense. Sal Musumeci had another "hat trick," John Stafford scored 2 goals, Guy Romain 1 goal and Scott Cahalan (a fullback) scored 1 goal. Guv

Romain outdid himself in this game - not only did he score a goal but is also credited with 5 assists. The entire team is to be congratulated for their hustling, aggressive play.

## BOYS BLUE

On 5-7, the Josef Foreign Car Repairs Boys Blue hosted the No. 1 team in the league, the Huntington Thunderbolts. The first half saw Hicksville playing against the sun and a strong wind but the boys held their own and held Huntington to a 0-0 tie at half time. Ron Coiro played an outstanding game in goal and had many opportunities to prove himself. Huntington scored in the second half on a loose ball in front of the net and again on a free kick. Hicksville never gave up and can be very proud of themselves in this exciting game. Extra credits go to Ralph Stieveling in full and half back, Dave Straub, fullback, Ed Thompson, halfback and Stephen Stafford on inside left. Every boy gave his best and the spectators were not disappointed.

The following week, they were again defeated 2-0 by Glen Cove. Tom Sullivan was outstanding in this game as was D. Straub and Ron Coiro in goal. The sportmanlike conduct of this team is outstanding and Coach Ken Groves is justifiably proud of them.

## INTRAMURAL BOYS

The Florida Boys Team wishes to thank Rudy Ostermann's Meat Products for sponsoring their team. Coach G. Stieveling added "interest and backing such as this does much for the boys morale."

On Sat. 5-7, Florida met Vermont in a tough game that gave the novices on the Florida team a great debut. John Gallagher on left wing showed excellent passing as well as stamina, and Mike Culhane, inside left, scored a beautiful goal in the second half. Paul Viole did very well on right wing and the new goalie Rob Mahoney was just superb. Craig Holzhauer played his usual great defensive game. Unfortunately, in spite of the team's effort - Vermont was the winner 3-1.

On 5-12, this same team lost to Washington, again 3-1; in spite of many players not being in attendance. Florida but up a good fight and dominated the second half. R. Mahoney in goal was again superb as was P. Biolo on right wing. The defensive line executed their positions: P. Rubins - left halfback, Scott Reinhardt - gull back; C. Holzhauer - center halfback and particularly Walter Stenborg, a full back, who scored not only a beautiful goal but the only goal. Congratulations Walter!

On 5-14 Florida, playing 3 men short, again met Vermont. Rather than take a forfeit, this hustling team chose to take their chances and play the game. At halftime, it was 2-0 for Fla. on 2 goals by Mike Culhane. The team was determined to win, but bowed finally 4-2 to Vermont. A big hand to R. Mahoney in goal, C. Holzhauer, W. Stenborg, P. Sherry, E. O'Reilly, R. Stengl, L. Goldstein and P. Rubins. Coach G. Stieveling is concerned with the players attendance. All parents are urged to have their sons out for practice and the games!

## PEE WEE TEAM

On Wednesday, May 11 at Grumman field, the Pee Wee M.B.C. team played against Floral Park in their first Cup game. Hicksville's under 8's came out strong and played great defense. At the half the game was scoreless. In the second half Floral Park scored on a good

offensive play. Sean Smith played a superb game preventing the Floral Park team from scoring any more goals. Jimmy Reardon played great defense. In spite of the good play, Hicksville lost 1-0.

The following Saturday, these same Pee Wee's met the Bohemia team. Kevin Burke threatened to score for Hicksville several times. However, with great defense playing on both sides the Hicksville team played to a 0-0 tie.

## BANTAM TEAM

On Saturday, May 14 the Bantam team sponsored by Harris Aluminum met the Cow Harbor team for their first Cup game, at Grumman field. Hicksville dominated the game with Peter Schnur scoring a hat trick - 3 goals. Hicksville lead 3-0 then a penalty shot was awarded to Cow Harbor team who made a good shot. The game ended with the score 3-1 and so Hicksville advanced in their quest for the Cup.

Sunday, May 15 saw the Hicksville, Harris Bantams meeting Deer Park at Grumman field. The day was beautiful for playing and watching. Both teams came out ready for a good game. The first goal was scored with good passing. Starting with Ronnie Brutschin to Mickey Boccafolo who placed a perfect pass to Peter Schnur who then scored. The team and their coach, Ben Brutschin, are to be commended for the good team playing and passing they displayed throughout the game. The next goal was scored from the right side of the field on a beautiful executed high kick by Mike Masters. The final winning score was a well deserved 2-0.

## MIDGETS LOSE

After 12 consecutive wins this season (7 league, 3 Cup, 2 Scrimmage), the boys under 12 took their first defeat of the season at the hands of the Huntington B.C. This was the Long Island final of the Regional Cup Competition and was played on a neutral Massapequa field. As usual, there was a strong wind and Hicksville had it blowing in

their faces in the first half. Despite the wind, Hicksville struck first on a beautiful play - Bobby Andrus dribbling around a defender and carrying the ball away from the goal, toward the corner right down to the end line. This pulled the goalkeeper and the defense over to cover. Bobby turned and sent a high shot right across the front of the net. Adrean Pepl was perfectly positioned, went high in the air and put it in with a neat header. Huntington scored 3 fluke goals thanks to the wind and some Hicksville mistakes and the half

ended with our boys behind 3-1. As the 2nd half began, Hicksville, with the wind at their back, immediately began to apply a lot of pressure. Steve Dolan moved up on a loose ball and sent a bullet on net from about 22 yards. The goalkeeper got his hands on the ball but couldn't keep it out. Hicksville was within one and had a couple of more good opportunities to tie the score but just couldn't put it home. Then, as often happens, Huntington broke out, took the ball down the field and scored. That goal broke

To honor the fiftieth anniversary of Lindbergh's trans-Atlantic flight of May 20, 1927 the Hicksville Library is displaying the New York Times front page from May 21, 22, 23, 24 and 29 along with books pertaining to either Lindbergh or early aviation and a model of "The Spirit of St. Louis" in the lobby show case. In the browsing area are seven flying models of the same era that are on loan from members of the LIDS (Long Island Drone Society). Many thanks to Wally Kranz, (who helped to arrange the display) Al Holmes, John Breen, Joe Grive whose planes are hanging so proudly from the ceiling.

We also want to thank William Theis, husband of one of our staff members who built the balsa model of the "Spirit of St. Louis". Oddly enough there are no replicas available of "Lucky Lindy's" plane. We searched throughout the area for one, and

all we could come up with was a balsam model kit and Bill, remembering his boyhood days put the kit together for the library in one evening (no small feat). Thank you again Bill and all the LIDS for the lovely display.

The Nassau County Department of Parks and Recreation film "The Spirit of '76 Airshow" will be shown in the library browsing area every afternoon at 2:00 and 4:00 p.m. and in the evenings at 7:30 p.m. This film was made during the Airshow held in the Coliseum and Mitchell Field last summer and it includes original footage of Lindbergh's actual takeoff from Roosevelt Field.

We hope that all aviation buffs and history lovers will come to the library to see the film and the memorabilia we were able to amass to honor this milestone in transportation. The display will continue at the library through the entire month, the film will be shown daily until May 21.

On May 10th Roberts Chevrolet defeated Radazo Reporting 4 to 1, to end Radazo's winning streak. John McAleese pitched 6 strong innings for Roberts allowing only 1 run on 3 hits. McAleese had excellent control walking only 2 batters to lead his team to the 4-1 victory.

Roberts Chevrolet, although winning faced some tough pitching from Radazo. Roberts had 4 hits with 2 key bunts by Vinny Scabarisi. Fine fielding plays were turned in by Roberts with a key double play started by Jude Reissen in addition to a good throw by Scabarisi to Tamborello to nail a sliding Damberger at 3rd base.

Freddie Behr and Ron Colouri pitched good ball for Radazo, but costly errors cost them the game.

Radazo reporting, although losing, out hit Roberts, but always seemed to hit the ball to someone.

Poor fielding by the infield helped Roberts to 4 unearned runs.

On May 10th British International Motors won their first game of the season by defeating All Town Construction 8 to 3.

Paul Saverland was the starting pitcher for B.I.M. and pitched one good inning before he ran into control problems. Jim Decker took over the pitching chores after Saverland. He pitched 4 scoreless innings and struck out 8.

Jim Decker also showed skill with the bat. He had a triple and a single. Paul Saverland, Brian Rankel, and Jim Morgan all connected for singles.

Catcher Brian Rankel threw out two runners attempting to steal. Jim Kennedy and Jose Negron also played well in the field.

For All Town Construction, Bobby Russo pitched a strong two innings in relief and Larry Silverman also pitched 5 innings in relief and retired 5 straight hitters.

Richie Dahlstedt was the hitting star for All Town driving in 2 runs with a single.

Tony Chang made an excellent catch in left field to snuff out a late inning rally.

On May 13th Radazo Reporting defeated British International Motors 10 to 9.

Ron Colouri and Freddie Behr pitched 5 innings for Radazo, with Freddie a little wild in the first two innings. An outstanding relief job by Brent Harrison saved the game in the 6th inning. Helping to supply the hitting attack against British International Motors was Ron Colouri, who went 3 for 3, with a triple. Brent Harrison - who went 3 for 4, and Mike Knoll - who went 2 for 2.

Five fielding plays by Ron Colouri, and Joe Brown helped win this game.

The losing pitchers for British International Motors were Paul Saverland and Brian Rankel. They both pitched well, but were not supported by the infield.

Leading the hitting attack for B.I.M. was Jim Decker, who had a triple and a single and Jose Negron who had a double and a single. Jim Gargen contributed with 2 singles and Paul Saverland and Brian Rankel each had singles.

The overall fielding of the British International Motors team was poor. But, behind the plate, Brian Rankel and Jim Decker each threw out a runner attempting to steal.

On Friday May 13th Goldman Bros. nipped Roberts Chevrolet 4 to 2, to give Roberts their first loss of the season.

Brian Murphy was on the mound the entire 6 innings for Goldman Bros and allowed only 4 hits and 2 walks.

At the plate Brian Murphy went 2 for 3, and Danny Richards also went 2 for 3. Bob Martin went 1 for 2 with a double to drive in the game winning 2 runs for Goldman Bros.

In the last inning Goldman's

catcher Danny Richards threw out 2 runners attempting to steal, which were 2 important outs. Gil Negron played an excellent defensive game. He was all over the field making superb plays.

On May 14th Goldman Bros. defeated All Town Construction by a score of 16 to 14.

## Beacon Federal's Hicksville Office Slated To Open Sat., May 21

Beacon Federal Savings & Loan Association will formally open its new Hicksville Office on Old Country Road on Saturday, May 21st, with a symbolic Grand Opening ribbon cutting ceremony by town officials and community business and civic leaders. The announcement, jointly made by Mr. Frederick W. Eckhardt, Chairman of the Board; and Mr. Harold Puchalsky, President of the savings institution, noted that the Hicksville Office is the fifth in the growing chain of Beacon Federal Savings Offices on Long Island. Other offices are located in Baldwin, Baldwin Harbor, Bellmore and Bellport.

Following the ribbon cutting ceremony the doors of the new branch office will be open to all visitors who will be greeted with free souvenirs. Depositors opening new accounts during the opening celebration from May 21st through June 18th will be offered the selection of a valuable gift free from 40 displayed in four categories. The free gift offer is extended to all Beacon Federal Savings Offices and to present depositors who add to their existing account.

The new Hicksville Office at 169 Old Country Road, corner Division Avenue, just east of Newbridge Road, was designed

A Beautiful Addition to Hicksville.

by the firm of Schardt and Fullen. It is a one story, modernistic light tan brick building with a wide expanse of glass to conserve electric energy. A white plastic fascia projects three feet beyond the face of the building. A Cupola, Beacon Federal Savings symbol, at the center of the low hip roof will be spotlighted at night for clear visibility.

The site is landscaped on three sides with grass and shrubbery; the rear of the building is paved with blacktop to provide fast drive-in service. Two displays,

one on the east side of the building, the other on the west, will show the time and temperature electronically. The new facility is furnished in modernistic classic style and is equipped with the most modern conveniences including a night depository and an auto teller window. Access to the drive-in area is designed for utmost convenience with cars entering from Old Country Road and exiting on Division Avenue. Off-street parking on Old Country Road is minimized by an ample parking field for 16 cars.

## Hicksville Community Council Hears From Town, Schools, Food Stamps And Buses

By Carole Wolf

Tom Clark, the first speaker at the Hicksville Community Council meeting of May 5th, told all present that it is now illegal for anyone to walk their dog on your property. A Town Ordinance was just passed that calls for a \$25 fine to be imposed on the owner of the dog, and for each violation following, the fine will be increased. If you find droppings on your lawn, call either Town Hall or the Police with the owners name. If a dog must be walked, dog owners must carry a shovel with them.

Councilman Clark also mentioned several important events that will be happening around our Community At Hicksville High School on June 15th. In the auditorium, there will be a sewer meeting. Abe Selden, two members of the county, and plumbing inspectors will be there to answer any questions. The Laterals on Bloomingdale Road are scheduled to break ground in June.

There was a meeting to decide if the escalators at the LIRR Hicksville station should be turned over to the MTA. It is expected that the MTA will replace the existing escalator with the standard type used at other stations.

The Park vote will be delayed until the fall. On the referendum you will have an opportunity to vote yes on either plan A, B, or C, or vote No.

The men who drove the sanders are the same men who fill the potholes, and are the same men who sweep the streets. There are 800 miles of roads in TOB and it is taking awhile before everything is cleaned up. Councilman Clark would like to see if the Town Board will allow bulk pickup for large amounts of cuttings. There is a Town Ordinance in TOB that fines anyone \$250 for dumping.

Next on the May 5th agenda was our guest speaker, Dr. Frederick Hill, Superintendent of

Schools. At the time Dr. Hill spoke to us at the Council, we were in the middle of the Custodians strike. Dr. Hill feels that strikes and war are a conflict of two just causes. No one would start a war unless he had a chance to win it. Dr. Hill felt very regretful and felt that they would settle close to where it was recommended last fall. The young people became emotionally involved and threw paper and garbage over their cafeteria. Tires were slashed and fires were started. The Board of Education, after trying to reach an agreement, swept the floors in the High School, and on that Thursday night, were doing the same at the Junior High. They collected garbage and put it in the dumpsters. The PTA became officially concerned, for the students created a mess, plugged up the toilets, tore up piping, and started fires. Health inspectors made inspections, and the only cafeteria that was a problem was the 7th Grade cafeteria where meat ball heroes were splattered about.

The strike was a struggle of substantial issues besides those on the surface. Dr. Hill felt that there was a division among the custodial ranks, for many men have 30 years of reputable service. The strike was authorized on the local level, but County leaders did not approve it.

Among the most dangerous things that occurred during the strike was that the intercom system was cut in the Junior High, switches were turned in the boilers at the Senior High, and at 4 A.M., the gas cocks were turned on in the shop area of the Junior High. Burns detectives were hired to patrol the cafeterias and the school grounds until the strike ended. Parcel Post would not cross the picket lines and the mail delivery was halted.

The upcoming budget is still in its infancy stages, so Dr. Hill could not give us definite facts

and figures. However, he recommends that it is practically possible to hold down costs next year. Within the confines of the present budget, the new mandated cost of the unemployment insurance fund will increase by \$190,000. Non-Certified part-time workers (seasonal occupation) are now permitted to collect unemployment benefits. So the school district might become increasingly reluctant to hire. Fringe benefits for workers also keep going up. The dental plan was eliminated because of increased costs, and a reduced plan was taken from a neighborhood organization. We have a declining enrollment, but in the contract, it allows for the elimination of one teacher for a drop in enrollment of 30 pupils. Our teachers are older, and more prepared, so their salaries are higher. Our teachers average 3 to 7 years more experience, but our Community will suddenly be faced with a sudden turnover of teachers. And with our custodians, out of 84, 58 are on the top of the scale.

The meeting then moved to the election of the Hicksville Community Council's officers for 1977-78. The newly elected President is Carole Wolf; Vice-President, John Budnick; Second Vice-President, Tom Clark; Secretary, Arlene Didier; and Treasurer, Cathy Steckler. These officers will be installed at the annual Buffet Supper which will be held at the Galileo Galilei Lodge, 200 Levittown Parkway. We are planning a champagne punch reception, followed by a hot smorgasbord of chicken, meat balls, ravioli, and sausage and peppers, and a salad bowl at each table. After installation and awards, coffee and cake will be served. To reserve your tickets, call Cathy at GE 3-6437 or Carole at 822-3861, TODAY!

## Lutheran Day To Honor Brian

On June 4th, Trinity Lutheran Church, 40 West Nicholas Street, Hicksville, will be honoring one of its members in a very special way. Brian Sibrava will be receiving the benefits that the congregation will raise through a Lutheran Day at Shea, sponsored by

Brian Sibrava

Brian was born July 17, 1960, with Cerebral Palsy, to Rudolph and Arlene Sibrava. He has two brothers, Wayne and Keith. He was baptized August 24, 1960, and was confirmed April 28, 1974, at Trinity Lutheran Church by Reverend Edward H. Stammel. The family has been a member of Trinity Lutheran Church for 40 years.

Brian has attended the United Cerebral Palsy School in Roosevelt, and BOCES Pre-Vocational Program since he was three and one-half years old. Brian's first operation was on August 18, 1972. Since then he has received six special surgical operations.

Branch 3329 of the Aid Association of Lutherans.

### A New Look For Trinity's Gym

The month of May has been designated as Buy-A-Tile Month at Trinity Lutheran School, 40 West Nicholas Street, Hicksville.

During this period of time the school's Parents, Teachers and

Friends Association will sponsor the fund-raising project. The idea of Buy-A-Tile will help in replacing the tile and lighting, plus painting the gym at Trinity Lutheran Church and School.

## A Gift Of Life

On behalf of Venerable Anthony Monteforte and the Galileo Gallei Lodge, the Order of the Sons of Italy in America we take great pleasure in extending an invitation to everyone in the Hicksville Community to attend our Social Meeting being held on May 26th, at 8:30 p.m. at 200 Levittown Parkway in Hicksville.

A film, "The Gift of Life," depicting in human terms the story of the St. Francis Hospital heart program, was recently made for the hospital by the Adelphi University Film Company.

The 20-minute color motion picture utilizes the stories of three heart surgery patients to show the development of the famed cardiac surgery program at St. Francis since 1954, and to show emotional effect of this "Gift of Life" on those who ex-

perience it. The three patients whose stories are told are: Valerie Tate, a 20-year-old Plainview woman who underwent open heart surgery in 1958; Benjamin Bernstein, a 52-year-old Queens stationary store owner who had his surgery in June 1975; and Vincenzo Fini, a 30-year-old tailor from Rome, Italy, who also underwent surgery in June of 1975.

The three human dramas catalogue St. Francis Hospital's development from a pioneer cardiac specialty hospital which was solely treating children to its present role as a 227-bed cardiac specialty and general hospital treating both children and adults from around the world.

In the unravelling of these tales, the daily operations of the various departments that make up a busy modern hospital are also portrayed.

### Nursery School

The Nursery School of St. Stephen Lutheran Church announced its Annual Open House to be held on Wednesday, May 25 and Friday, May 27 from 10 AM till 12 noon.

The community is invited to

come and observe this year's school and meet with the teachers and Pastor Perez.

Registrations are now being accepted for children who will be four years old by December 1, 1977.

## 4-H Performs Community Service

The Hicksville Library wishes to thank the Mid Island 4-H Council Community Services for the help their girls and leaders gave to the Friends of the Library to get out the budget vote on Tuesday, May 10.

On May 4 the following girls were at the Hicksville RR Station from 5 to 6pm giving out flyers to the homecoming commuters: Beth Walsh, Ellen Walsh, Mary Ellen Schreiber, Cindy Terzian, friends of 4-H, Margaret Kilfoil and Michael Terzian and Leaders

Mrs. Jane Schreiber and Mrs. Dorothy Terzian

On May 10 the following girls were at the railroad station: Jennifer Edwin, Suzanne Edwin, Betsy Kilfoil, Janne Coogan, Beth Walsh, Ellen Walsh, Mary Ellen Schreiber, Margaret Schreiber and leader Mrs. Jane Schreiber.

Thanks girls, one and all, for your concern and need to pass a library budget.

We see that 4-H builds good citizens.

Danish, Russian and American folk dances were among the many dances performed by the special classes at Woodland Avenue School on May 10th.

The program "Learning Through Music and Dance" was performed by the children in Mrs. Sallyjean Dweir's, Mrs. Carolyn Munowitz's and Miss Joan Sedlik's classes. It showed how many learning skills can be taught through the medium of music and dance.

**Winners**

East Street School is very proud of the winners of the 1977 National French Contest. Out of over 45,000 participants from all over the United States and Canada these three students placed in the top 5%.

Joan Marie Alexander placed first with a perfect score of 100%. Tina Coady and Carole Bosman placed second with scores of 98%.

Hicksville's momentum and it was all over. Huntington scored again for a final 5-2 score.

**BANTAM WHITE**

The under 10 boys played their final road game of the season at Huntington and got back to their winning ways although it was a very close match. The boys have now won 7, tied 2 and lost only one game with 27 goals for and 6 against. With 3 home games remaining, the team has had a fine season and coach Steve Florio is proud of their accomplishments.

# "Lone Eagle" Flew Often At Hicksville Airfield

Charles Lindbergh at 25, just before his 1927 transatlantic flight

By Richard Evers

August 20, 1940 - "Took Jon to Aviation Country Club in afternoon for fifty minutes flying to keep my hand in. I have not done much flying this summer... I let Jon take the stick after we were in the air and we climbed up to a cumulous cloud at 6,000 feet. After flying through the cloud several times, I gave him some wing overs and two loose loops. He loved it."

With these happy and proud words a young father and the most famous flyer of all time unconsciously linked himself with the history of Hicksville and the central Nassau plains.

These words are typical of numerous journal entries associating the immortal Charles A. Lindbergh with this community's vast pre-World War II farmlands and prairies.

As recorded in the Wartime Journals of Charles published by Harcourt, Brace and Jovanovich, twelve entries written between April 17, 1940 and March 11, 1942 tell of Lindbergh's membership in the Long Island Aviation Country Club, a romantic and little publicized part of Hicksville history.

Built amid the potato fields on the border between today's Hicksville and Levittown, in 1929, according to Frank Strnad an authority on Long Island aviation, the private club and airfield was situated southwest of Alexander Avenue and Jerusalem Avenues, Hicksville with its clubhouse, in 1935, north of the Old Motor Parkway. Division Avenue ended at the field's northwest corner.

The club was an unusual part of the emerging air age. It was known from coast to coast in social and aviation circles as a place where private planes belonging to the Gatsby set could be parked and more serious airmen could practice or entertain friends.

Undoubtedly the Aviation Country Club's most famous member was Charles A. Lindbergh who put the little flying field to fine use for practice hops and recreational flights with his family.

The trans-Atlantic air pioneer was living in a leased home on

rural Lloyd's Neck during 1940, temporarily at loose ends, after his plans for a home on the Channel coast of France were disrupted by the outbreak of war in Europe.

It was not an easy time for Lindbergh - caught up as he was in a controversial, but gallant, effort to keep the nation from intervening in a European War spreading month by month.

Nevertheless, even as his involvement with the emerging 'America First' neutrality movement grew, through 1940 and into 1941, Lindbergh seemed to find the Aviation Country Club a place where he could forget for a few hours his absorption with man's follies. It is not too much to assume that these hours in various rented aircraft served a dual purpose: relaxation and adventurous companionship with his wife and son, Jon, and opportunities to retain his skill and affinity for aircraft control.

How much of a part Lindbergh's many recorded practice landings and take-offs at the Hicksville field played in making possible his late wartime flights in South Pacific fighter planes, teaching our young pilots to get the most mileage out of fuel systems, it is hard to say. Lindbergh's hours of practice would certainly seem to have paid off in his two incredible and unauthorized "dog-fights" with Japanese pilots. Over Ceram on July 28, 1944, Lindbergh in a head-on encounter, piloting a P-38, shot down a Japanese fighter plane, pulling up from a crash with but less than ten feet to spare. On August 1, over Palau Island he was almost shot down himself, having to use all his skill to keep out of the gun-sights of a Zero on his tail until a wingman came to his rescue.

For all of his daring and occasional rashness, The "Lone

Eagle" was essentially a civilized adventurer, more interested in our natural environment and in the rearing of wholesome children.

It speaks volumes for Lindbergh's character that his last

flights from the Aviation Country Club were with the three young daughters of his friend, Deac Lyman, taking them up one at a time for an introduction to flight and contact with conquered fear.

## FAMILY HEALTH

Tips To Help You

### KEEPING YOUR TEETH HEALTHY

Teeth were meant to last a lifetime, and if you were to buy them as you do a suit or an automobile you would undoubtedly receive and follow the instructions on how to take good care of them. Well, let's pretend you did just that and these tips are the instructions.

**BITE INTO THIS—Your teeth were meant to last a lifetime.**

- Brush properly. Do not brush your teeth in a back and forth scrubbing motion. This does not get rid of food particles and may wear down the enamel or injure the gums. Most dentists suggest that you brush down on the upper teeth and up on the lower ones.

- Make sure growing children get some sort of fluoride daily. Fluoride helps harden the enamel and the most effective way to get fluoride into the enamel is to have fluoride present in the body while the teeth are forming. Since the first permanent teeth start forming at birth—to erupt about six years later—the American Dental Association recommends children should receive adequate fluoride from infancy until at least 12 to 14 years of age.

- Have a periodic dental checkup. How often should you see your dentist? As often as necessary. Let him decide.

Remember, tooth decay is the most common disease in our country and you can help fight it by following these tips.

year's repertoire and thrill fair-goers.

There will be other attractions: judging of the craft competitions, a keg of wine raffled off, exhibits of interest, and an opportunity for Hicksvillians and their neighbors to honor a man from our nation's heroic age and to share in fun and fraternity of a village fairground. All are invited; no admission; 12 to 6 P.M., Sunday May 22, at the Hicksville High School portico and field. Rain date is June 5.

### SCHOOL BOARD

(Continued from Page 1)  
essence" in this matter.

The new contract was publicly signed by Board President Iris Wolfson; Board Vice-President Tom Nagle; union President Edward DeBello; union Vice-President Phil Schook; and CSEA Field Representative George Peek.

TOB Councilman Tom Clark asked the Board to consider changing the textbook allotment from \$10 to \$15 per student because of a recent lottery law. Dr. Frederick Hill, Superintendent, explained, however, that although original legislation permitted districts the option of receiving \$5 from lottery proceeds, "the compromise in the state aid final package had its off-sets and Hicksville is effected in two ways." He explained that, first, any rebate from health insurance programs (\$133.00 from our district) is deducted from the state aid save-harmless formula. Second, the lottery proceeds have been made part of the general fund and the additional \$5 allotment for textbooks is not aidable. (\$10 is aidable), therefore, if the textbook allotment is raised to \$15, the additional \$5 per student would be borne by Hicksville residents, at a total cost of around \$50,000. The Board has not yet discussed this issue.

The Board voted to participate in Foreign Language college level courses. The program, to begin in September 1977, offers to qualified Hicksville High School students the opportunity to earn

college credits, from Adelphi University, as well as regular high school credit. The cost of each course is \$50. Students taking the course for high school credit only are not charged. College French, Spanish and Italian are the languages to be offered.

The Board also adopted a resolution to continue participation in the county-funded drug abuse program and, contingent upon full-funding by Nassau County, to pay fringe benefits of social security and retirement for the district's drug counselor, Mike Ellegard. Trustee Dan Arena commended the drug-abuse program and pointed out that it has helped many Hicksville students and their parents.

Dr. Hill reported on the selection of candidates for Assistant Principal of the senior high school. May 23 was the date set for a joint review by the Board and superintendent of three candidates.

Mr. William Becker, Director of Buildings and Grounds, reported that vandalism costs during the week of the custodial strike were less than \$1,000, including material and labor.

The Board accepted the quarterly financial report for the period ending March 31, 1977. It also approved routine expenses; resignations and retirements; and awarded bids totaling \$23,834.03 for various classroom, office, and art supplies.

The next Board of Education Meeting is May 25, 8:15 p.m. at the Administration Building.

## OPEN LETTER TO RESIDENTS OF HICKSVILLE

The Hicksville Board of Education wishes to thank all the members of the Hicksville school staff and the community for their cooperation during the recent work stoppage by our custodial staff. That period is now behind us and all the parties concerned are determined to give the students and community the educational services that they had come to expect in the past.

We, the members of the Board of Education, sincerely believe that our schools and all our staff members are second to none and we are proud to be a part of the Hicksville school family. We cordially extend an invitation to all our residents to visit our schools, observe them in operation and we welcome any suggestions you have for their further improvement.
