Memorial Day Parade And Services

By Richard Evers

Hicksville's Annual Memorial Day Parade will assemble at Sears' north parking field at 8:30 A.M., Monday, May 30th. The parade will move out promptly at 9 A.M. Parade Grand Marshall, Past Commander Frank Molinari of the American Legion Charles Wagner Post has announced that the parade route will continue to be: south on Broadway to Old Country Road; west on Old Country Road to Newbridge Road; south on Newbridge, past the reviewing stand near the School District Curriculum Materials Center to the south rear entrance to the High School playing field where memorial services will be held.

The Hicksville Amvets Post is the host veterans unit this year, and through Past Commander

Dan Holstein, on behalf of the Hicksville Combined Veterans Memorial Day Parade Committee, cordially invites all community organizations to have contingents in the parade and at solemn memorial services afterwards honoring the heroic dead of the nation's wars.

Memorial Day guests of honor at the services following the parade will be six of the community's Gold Star Mothers. Delivering addresses at the services will be a representative of the United States armed forces and student speaker Joseph Caruso of the Hicksville High School.

Music for the parade, in a large part, will be provided by marching bands from nine Hicksville public schools. The student

bandsmen in their colorful uniforms are an annual strong point of the Memorial Day Parade and reflect great credit upon the school district's peerless music program.

Hicksville's annual Memorial Day services pay tribute to the heroism, sense of duty and honor to the nation which led many of the village's sons to lay down their lives in this century's conflicts. Among the honored dead are three men from World War I, twenty from World War II, three from the Korean War and twelve from the Vietnam War.

The parade participants and spectators are urged to attend the services at the high school field honoring these men and the ideals for which they made the supreme sacrifice.

Gasoline Tank Truck Overturns

By Ex-Capt. Owen Magee

Hicksville firemen spent over 11½ hours on the job Monday, May 23, when a tractor trailer tank truck loaded with over 8,000 gal. of gasoline was in collision with a car at Newbridge and Old Country Roads.

The truck turned over and started leaking gas. Hicksville vamps arrived on the scene minutes after the 10:38 a.m. alarm and started to cover the area with foam. Mutual aid assistance was called for Jericho, Westbury, Plainview, Carle Place, Levittown, East Meadow, Farmingdale, So. Farmingdale and Bethpage Fire Departments. 20 pieces of apparatus were used in the operation. The Grumman Company sent a crash truck, and the Republic Airport sent in foam supplies.

Speedy action by vamps prevented a fire which would have been difficult to fight in that the area was wide open, surrounded by 4 gas stations and over head power lines. Power was shut down in the immediate area. The Newbridge shopping center was closed as a precaution. Traffic was closed off ½ mile in each direction.

Over 200 vamps took part in the operation which lasted until 10 p.m. Special mention goes to the County police emergency services bureau and Midway Towing Co. for the risks they took righting the tanker several attempts were made to right the truck but it was too heavy.

The Meenan Oil Co., Island Transporters, and Agway of Hicksville supplied tankers and the gas was pumped out and carried away. The tanker was righted at 5 P.M. The Westbury fire dept. covered Hicksville for additional alarms during the operation.

Hicksville fire officials wish to thank all the local fire departments, Grumman, MTA Republic, County police 8th and 2nd Pct. for their valuable assistance. Thanks go also to the county and town highway depts. for the manpower equipment and sand used to form a dike around the spill. About 1500 gal. of foam was used to cover the approx. 2000 gal. of gas that leaked out. The Hicksville Water Dist. LILCO, Exxon Co. volunteers, marine pollution control Co.,

County Fire Marshals also earned the thanks of Hicksville firemen for their assistance.

Special mention goes to Hicksville Fire dispatchers Elsie Callahan and Walter Telender for their efficient work in dispensing equipment and men to the scene.

Operations were under fire Capt. William Donlon and Richard Kershow. Later on upon their arrival operations were under Hicksville Chiefs Huttie, Ferber and Scharf respectively. Storm drains were receiving deposits of gas and the storm drain system was covered with foam, and were rested

periodically for gas fumes. (one spark could have set it off.)

This type of accident has long been expected, what with the amount of tanker traffic that goes through Hicksville. Hicksville vamps train every year at the County Fire Academy on flammable liquid fires. The training paid off, with an assist of very good luck, that in the initial collision the tanker didn't ignite, which is usually the case in this type accident.

The drivers of both vehicles involved received minor injuries. Six vamps were injured all were treated and released.

AT THE GALA: In the upper picture we see Hicksville Republican Leader Tom Gallahue, TOB Supervisor Joseph Colby and Republican Club Vice-President Charles Lynch. Supervisor Colby was on hand to say "hello" to those hundreds in attendance at the Annual Spring Dance and Cocktail Party held by the Ernest F. Francke Republican Club of Hicksville on Friday evening, May 20 at the Old Country Manor in Hicksville.

In the lower picture we see Dorothy Gallahue, the wife of Hicksville Republican Executive Leader, Tom Gallahue, as she picked one of the winning raffle tickets at this gala event. Helping Dorothy at the "draw" is John Hill from the Dance Committee of the Club. (Photos by Bob Schmeek.)

Norma Dagna Receives Highest PTA Award

At a meeting on Thursday, May 26th, Mrs. Norma Dagna, 11 Hicksville, was awarded an Honorary Life Membership in the New York State Congress of Parents and Teachers.

The Hicksville Senior High PTSA presented the award in recognition of Norma's dedicated service to children and youth in the school and community.

This distinguished award was made possible through a contribution by the Hicksville Senior High PTSA to the New York State PTA Jenkins Memorial Scholarship Fund, and to the Teacher Fellowship Fund.

Contributions to these funds enable the New York State PTA to provide scholarships to students entering college with an education major. And Fellowship to teachers enrolled in summer study programs.

This award, an honorary one, is given in recognition of the recipient's involvement in: the Woodland Ave. PTA, Senior High PTSA, and the Hicksville Council of PTA Units. In addition to serving on many district committees that affect all our students.

"We, of the Senior High PTSA are proud to have had Norma as one of our members," said a PTA spokesperson.

In Internship Program

"Instead of just sitting in a classroom, I'm actually doing something," says Brian Baldwin, a resident of Plainville, who is currently attending Bates College, Lewiston, Maine. Brian

is one of 34 Bates students who are participating in the College's Hospital Internship Program, a six week course which gives the students a first-hand look at the day-to-day operation of hospitals.

The Bates program began three years ago in conjunction with Central Maine Medical Center and Saint Mary's General Hospital, both located in Lewiston, as a chance for pre-med students to get an idea of the practical aspects of the career which they had chosen. This year the program has expanded to include such unlikely candidates as history majors, economics majors, sociology majors and psychology majors.

Karin Dorsey, an assistant in Bates Biology Department, began last November by getting students interested in the program which started the last week of April. Students filled out questionnaires expressing their particular interests in the program and underwent interviews with their prospective supervisors before being placed in a job which suited them.

"They are essentially hospital employees," says Karin of the students who put in 40 hours a week at their respective jobs. This year's students are involved in all levels of hospital operation and are finding out that there's a lot more to hospitals than doctors, nurses, and patients.

HCBE Endorses

On Thursday, May 19, HCBE, Hicksville Citizens for Better Education met at the Hicksville Public Library to consider the candidacies of prospective school board trustees. Two three year seats are up for election, those of Dan Arena and John Lari. In addition, the unexpired one year term of William A. Bruno Jr., who passed away recently, is to be filled.

HCBE re-endorsed the candidacy of Dan Arena, who will run for his own 3 year seat.

Pierre Fujimoto was endorsed for the other three year seat and William Bennett for the one year seat.

"All three candidates, through past activities have shown a keen interest in educational matters. Their willingness to undertake the difficult responsibilities of a school board trustee are a reflection of their well developed sense of civic duty," a spokesman noted.

Biographies and platforms will be released shortly.

Dear Friends...

In the May 18th Nassau County public land auction, a 2.75 acre parcel of land in Hicksville sold for \$405,000...now it is back on the tax rolls, and that's good, especially now that it has been announced that all Nassau County land is to be reassessed at its total value. Not only will this cost our county millions of dollars to do, but it may result in many moving away...but this would only be if total taxes went up again so that home and business owners would prefer other areas where taxes are based not only on total assessed value but also on total monies needed, which then establishes the tax rate.

What we must continually ask ourselves is, just what do we want our government to do for us and how much are we willing to pay for these needed services? We all want a great deal but we today cannot afford all that we would like.

Then we should say so, not only by phone and letter to our elected representatives, but also when we vote.

I know this explanation is oversimplified. I know that taxes are never going to go down. But if we plan to turn inflation around, we must live with fewer "luxuries" especially in the public sector.

There are many praiseworthy activities going on every day of the year in our towns...we'd like to thank those dedicated volunteers in our service clubs who raise and lower the flags on Broadway throughout the year. This Memorial Day the Hicksville Rotary Club will be performing this community service.

Memorial Day has been set aside to honor Americans who have died serving our Country...died so that you and I can breathe God's pure air and walk on God's earth, hopefully extending our hands in kindness and love to all around us. For this they have given their right ever to do these wonderful things again.

Somebody has said that people, not days, need to be remembered. I agree and I believe that this is what Memorial Day is all about...people, who would have

By The Rev. John H. Krahn

TRY A TRUST WALK

Several years ago while conducting a Senior Youth Retreat I led the group in an activity called a "Trust Walk." Participants paired up and each took a turn leading the other blindfolded throughout the retreat facility. I also had a partner and took my turn. For approximately twenty minutes I was led by the hand around tables and chairs, up and down steps, throughout the building. Something remarkable happened to me when I trusted my life, so to speak, into the hands of my young partner. In those short twenty minutes I developed a beautiful feeling towards that person, a closeness, a need for him. Even when the blindfold came off I felt that I wanted to get better acquainted with my partner. I continued to feel the need for my partner and the feeling of trust that developed between us.

Throughout the Book of Psalms God encourages us to take a trust walk with Him. Every day Jesus is saying to all of us, "trust in Me, I love you so much. I want to help you. Wherever you are hurting, let me bring healing."

Some of you are not sure and continue to believe that you must handle your own problems. In some cases you may have some success, but there is a better way. Doing it your way is not the better

way. And don't be afraid of leaving.

"Lean on Me, Jesus says, with your cares. There is no concern too insignificant for My attention. And when you pray remember that My Father is there listening. Pray boldly, yes, asking the Father to meet your needs. But also pray trusting that His wisdom surpasses yours. He's not going to lead you into any walls or crashing down any steps."

When Sir Walter Raleigh, the famed explorer, was on the scaffold awaiting imminent death, he is said to have had a short talk with the axeman. The executioner told his prisoner that the block would be more comfortable if he turned his head the other way. "My friend," said Sir Walter Raleigh, "It matters little how the head lies so long as the heart is right."

To accept the Lord Jesus as our personal Savior and to trust in Him puts the heart right once and for all, for time and eternity. Problems, even imminent death, are handled more gracefully when we walk through life trusting in the Lord.

If you are not currently on the trust walk with the Lord, let me suggest that you begin one right now. Your partner is ready and waiting - His hand is reaching out for yours. There's but one simple thing to do. Take it.

Amen

Hicksville Banker Elected Baldwin Chamber Pres

Anthony J. Bellacera, vice president-secretary of Beacon Federal Savings & Loan Association, will be installed president of the Baldwin Chamber of Commerce at the annual Installation Dinner-Dance. The ceremony, scheduled for the evening of Saturday, June 18, will be held at the Coral House on Milburn Avenue.

Born in the Ridgewood section of Brooklyn, Bellacera was graduated from Alexander Hamilton High School and Nassau Community College with an A.S. degree in Business Administration. He attended evening classes at the American Institute of Banking, paying his way by conducting his own band, The Bellaires.

His first employment in the banking field was with a local savings bank, a position he held from 1945 until 1953 when the family moved to Long Island. In 1953 he became associated with Beacon Federal Savings, then known as Baldwin Savings & Loan. Periodic promotions brought him to his present position, second in command of the five-branch savings institution.

World War II gave Bellacera a brief respite from his chosen career returning him to his first love, music. Inducted into the U.S. Army, he was assigned to Special Services, playing the drums to entertain the troops under Supreme Commander Eisenhower. He recalls that Eisenhower tapped his foot to the music in tempo with the drums. "I was often tempted," he says, "to purposely miss a beat just to see him double time to catch up." Bellacera has another fond memory of the war. During a tour

Anthony J. Bellacera

of England he met a member of the English Women's Auxiliary Air Force and convinced her to be a War Bride. They were married in England and, after his separation from the service, he brought her home to America.

The Bellaceras have three children. Anthony Jr., 28, is married and lives in California where he is a computer programmer. Peter, 24, will graduate in June from Southern Massachusetts University with a M.S. degree in Marine Biology. Paul, an expediter for National Premium Company, is 19. They make their home on Cornwall Lane, Hicksville.

A Good Day At The Fair!

Beautiful weather favored the hundreds of people who visited or took part in the Hicksville Fair and Bicentennial Commemorative Program at the High School, Sunday, honoring the Fiftieth Anniversaries of the epic flight of Charles A. Lindbergh and the half century of East Street School's service to Hicksville. While attendance did not approach the turnout for the great 1976 Bicentennial Fair, the Fair visitors and workers enjoyed the fine array of booths and the day's various entertainments.

A brief commemorative program by the Hicksville Bicentennial Committee saluting Lindbergh opened the day at the Fair Grounds. A treat for the audience was the introduction of Nina Plantz, Principal at East

Street School for over thirty-five years and still a resident of community she graced with long and devoted service.

Sigfried Widder, Bicentennial Committee Chairman, was Master of Ceremonies for the program at which Reverend Dominick Cianelle, pastor of Holy Trinity Episcopal Church delivered the Invocational Prayer. Principal speaker for the commemoration was Richard Evers whose address linked Lindbergh with the well known Long Aviation Country Club at Hicksville and who stressed the inspiration the "Lone Eagle" provided for the hedonistic, materialistic society of the "Twenties".

Theme music for the speaker's remarks was provided by the well known Hicksville musical entertainers, the Holy Family Players, under their Director Tom O'Connor. The melodic mixed chorus of the Players provided a sampling of their 1977 show to be presented at Holy Trinity High School on the evenings of June 4th and June 11th. On hand, as always, to provide ceremonial music and parade rhythms were the well

known Nautical Cadets Band of the Hicksville Police Boys Club under the Direction of Robert Miller.

Entertainment for the Fair goers during the afternoon included a motorcade of eight prime examples of Autos from the Long Island Old Car Club, covering a span of years from 1910-1926, which circled the High School track twice and then parked for the public's inspection. Marching in from a busy afternoon's practice preparing for their exacting season were the crack drum and bugle corps of the St. Ignatius Girls Cadets Corps. The girls presented a portion of the routine they will bring to their regional competitions this coming year. The Fair crowd were visibly pleased by the precision and spirit of Messrs. Guckenberger and Wallaces' charges.

Dolores and family at our table at "My Father's Place" in Roslyn last week to listen to the music of "Dakota" featuring my son, Michael and "Red Flannel Hash" featuring son, Patrick - the disco spot, one of the L.I.'s tops was SRO - the groups are scheduled to return on Tuesday June 14 and June 28th, according to Brian Linehan, popular proprietor of this most unique, entertainment center - Mr. Jaworski enjoyed the music of the evening and was quite impressed with Patrick, who will graduate from Hicksville High in June. Jack Irwin, was re-elected President of the Nassau County Board, AOH and Mary Barrett, of Westbury was the Ladies choice for Auxiliary President, for another term - Hicksville was well represented and carried the weight line due to its large enrolled, active membership. Stephen Ryan of Buckner Blvd. in our community has been nominated for Grand Knight and James Carroll for Deputy Grand Knight, of the Joseph Barry Council, Knights of Columbus, elections will be conducted in June - quite a team.

SCHOOL DAZE: At the conclusion of the school year at Saint Ignatius, Sister Kathleen Patricia Murphy, O.P., will be leaving our community to assume duties elsewhere in the Diocese. As Principal, Sister Murphy has been a spiritual lift to the students, teachers and parents at St. Ignatius - we wish her god speed in her next assignment. When the school opens in September, the new Principal will be Sister Loretta Marie Devoy, O.P., formerly an instructor at Molloy College. The community wishes Sister Kathleen every success ahead and welcomes Sister Loretta to the Hicksville community. We learned this week that Mrs. William Schiffmacher, office secretary at St. Ignatius just completed her 22nd year and has a warm welcome for the many students in a most cordial and courteous manner - (can't believe that it was 22 years ago that our first, Valerie, entered St. Ignatius, followed by Jimmy, Michael, Patrick, Ann and Keven, who graduates on June 17) - we're proud of St. Ignatius, its principals, wonderful, patient nuns and teachers.

Hicksville American Soccer

BOYS VFW RED

The VFW Boys Red team have had a very successful season in the Long Island Junior Soccer League. In the Regional Cup competition, the Boys won their first two games, defeating Deer Park 6-1 and N. Babylon 1-0. Unfortunately, the team lost to Massapequa 3-2 in the semi-finals.

In the Long Island Cup Competition, the Boys played a very exciting game in Massapequa. Although it was a tie game at the end of regulation play (2-2), the VFW Boys team scored twice in the overtime periods to win the game 4-2. Further details on L.I. Cup Competition will follow.

In the L.I. Junior Soccer League season, the Boys have played 9 games with 5 wins, 2 ties and 2 losses. This past weekend, they hosted Northport in an exciting see-saw game that ended in a 2-2 tie. The Boys will travel to Braddock, Virginia over the Memorial Day weekend to compete in their tournament. We wish the Boys and their coach John Kerti much success. This year the VFW Team Representatives are: Timmy Bell, Martin Conway, Tom Solaski, John Kerti, Bob Kamman, Dick Bodony, Mike Finkelman, Pat Hawkins, John Cusack, Tom Fletcher, Mike Jung, Peter Jannette, Jon Borwick, Mike Andrus, and coaches Pat McHugh and John Kerti.

TRIPLEHEADER

The boys under 12 (sponsored by the Joseph Barry Council-Hicksville Knights of Columbus) played and won three games in 4 days last week-end, raising their league leading record to 9 wins and no losses. This is the only undefeated team in the club (league games). With 3 games remaining, all at home, the "Big Red Machine" has an excellent shot at the league championship if they continue the kind of soccer they've been playing. All 3 games this week-end were routs and the boys poured in 16 goals while allowing none. In the first game (Garden City "B" - 5-0), the boys played sloppy but after coach Bill

Cresham explained the basics of how the game was to be played, the team put it all together and played beautiful soccer against East Meadow (6-0) and Cow Harbor (5-0). They kept the ball on the ground and on their feet, they kept control of the ball with short, accurate passes. Almost every one of the 11 goals in their last two games was a thing of beauty. You could see each player developing, as all players were moving to an open space, taking a teammate's pass and moving the ball upfield. As the opponents defense moved toward the ball carrier creating an open space in front of the goal, a Hicksville player would move to the open space, take the pass and put the ball in the net. The boys are starting to learn how to play the game unselfishly and that the assist is as important (and often more important) as the score. The reason for all the games is that these boys are traveling to Brick Town, N.J. for the big Memorial Day Tournament. In all, the club is sending 13 teams to four tournaments in New Jersey and Virginia on Memorial Day.

BANTAM WHITE

The boys under 10, coached by Steve Florio, continued their winning ways with a solid defeat (3-1) of East Meadow in their next to last game of the season. The front line (Kevin Conway, Matt Bell, Fred Musumeci, Dean Spadero and Paul Thompson) put in 3 goals raising their production for the year to 35 goals. The halfback line again took control of the mid-field, helped on defense and consistently fed the ball up front. This area of the field was handled by Fred Freyksen, Rich Karlewicz, Frank Kolovich and Kenny Kugler and these boys are a

major factor in the team's 9-1-2 record. The defense of Mike Ayers and Mark Habersaat at fullback and Gerry Dolan & Sam Masello in goal have given up only 8 goals all season (12 games) and boast of the third best goals against average in the club. These little guys are making the long trip to Springfield, Virginia for the Memorial Day Tournament.

BANTAM TEAM

Friday, May 20 saw the Harris Aluminum Bantam team traveling to Massapequa to play their 2nd Cup game. The Hicksville team began their good team passing and cooperative playing. The first goal was scored by Peter Schnur on a good pass from Lloyd Sneddon. Peter Schnur scored again on a well placed center kick. John Carroll played terrific defense. The final goal was scored from the right side by Robert Newlands. The final winning score was 3-0.

On Sunday, May 22 Hicksville met the Garden City team in an away game. In the first few minutes Hicksville began their assault on the Garden City goal with a cross from Peter Schnur to Robert Newlands who scored the first goal. Garden City came back with their first and only goal. Then Hicksville really broke through the Garden City defense with goals by Michael Master, Lloyd Sneddon, Frankie Cristiano, Peter Schnur, Jeffrey Knuth and 2 goals by Mickey Boccaola. Two of these goals were scored after good corner kicks by Ronnie Brutschin. The final score was 8-1.

This team is travelling to Virginia this coming weekend to play in a tournament.

Plainview Teens Help

An army of local teenagers went to work for the Cerebral Palsy Association last weekend to raise funds for the agency's Center for Living in Roosevelt.

Money raised during the annual student run campaign -- called Tag Day -- is used locally to enable the facility to carry on its comprehensive programs of service to Nassau County's cerebral palsied youngsters and adults. In conjunction with the fund drive, the Cerebral Palsy Association also carries on a major public education campaign in schools throughout the County to inform students about the causes and effects of the handicap.

Lori Fishman, of Old Bethpage,

served as area teen chairperson. In addition, she was assisted by a group of students from the Plainview School District.

According to Tag Day Chairman S. Alan Hirschorn, the hard work of the students of Plainview is deeply appreciated. "The time, energy, and effort put in by so many teens speaks well for the community," he said.

The Center for Living offers specialized medical information and care for the County's cerebral palsied; vocational guidance, training, and employment; and educational and recreational programs designed to meet the unique needs of those handicapped by C.P.

Dr. Lowell D. Glatt, of Salem Road in Hicksville, presented an invitation paper on "Aspects of Continuous Wear Contact Lenses" at the International Optometric Conference on Sunday, May 15. The conference, held in Dusseldorf, Germany, was acclaimed by those attending as presenting fresh new concepts in vision care.

Dr. Glatt, described new procedures wherein contact lenses may be worn continuously by patients for up to three months at a time. Development of new plastic materials permits such extended wearing schedules. Investigational work is being done on these new techniques by selected practitioners in the United States.

First International "Island" Underway At Mid Island Plaza

The first of ten international "Islands of the World", a scenic Japanese garden area, is now underway on the mall at Mid-Island Plaza in Hicksville, New York, where the first phase of an ambitious multi-million dollar renovation and expansion program is taking shape.

According to Franklin L. Frank, executive partner of Mid-Island Shopping Plaza, Co., the new international theme for the mall has never been attempted in a major suburban regional shopping center of Mid-Island's size (1.5 million square feet of building area) — one of the nation's largest.

Eventually, the ten "Islands", all of them authentic replicas of their native environments, will be set in separate courtyards created by the new undulating storefronts, similar to a series of international pavilions. Completely new mall flooring of wood parquet and carpeting, plus new sculptured acoustical ceilings and dramatic lighting effects are planned both for attractiveness and maximum energy conservation.

Long in planning stages to insure authenticity, the semi-finished components for the Japanese "Island" were constructed in small sections at

another site and test-assembled to check their overall appearance. They were then dismantled, trucked to Mid-Island Plaza, and carried piece by piece through the doors into the mall.

Some components, comprised of eight-foot sections of shaven polished logs, which form the main corner supports for the high peaked pagoda roofs, weigh more than 300 pounds each. Other logs, much larger sections supporting the free standing "torii" (traditionally shaped Japanese arch), weigh considerably more. Double-roofed sections, complete with hand hewn shakes interlaced with bamboo struts, cap the shoji-screened pagodas which eventually will be used as boutique shops to offer authentic native wares from the Orient. The completed 1,100 square foot "Island" will rise some 20 feet above the mall floor. Work will start shortly to construct the rock gardens, a pool complete with an arched bridge spanning it, real foliage, seating and other details.

Bert Johnson, Mid-Island's manager, coordinating the construction, said the "Islands" major elements should be virtually complete by late June. Thereafter, dedication ceremonies will be held with

related events indigenous to the Far East. Other "Islands" no in planning stages include Nantucket (the next "Island" to be installed), the Caribbean and others.

The massive renovation program at Mid-Island Plaza includes a major revamping to develop a new fashion oriented tenant mix, some of it already accomplished, plus continuing negotiations toward the addition of several new fashion department stores. Most existing tenants have or will be renovating their stores, and spaces are nearing completion for new incoming stores and restaurants who have been attracted by Mid-Island's building

program. Entertainment and other major facilities are planned.

New entrance facades, pylons, canopies and landscaping, part of the overall project, will give the shopping center a new look both

inside and outside.

Meanwhile, it is business as usual at Mid-Island Plaza with no interference to normal retail operations. Most of the renovation work is being done in the evening hours.

missioners. Looking on are Vice Chairman Raymond Johnson (second from right) of North Merrick and outgoing Chairman Leonard Motchkavitz of Great Neck.

The Holy Family Players of Hicksville will be presenting their 11th annual production called "In Tune With The Elements" at Holy Trinity High School, Newbridge Road and Hempstead Avenue in Hicksville, on June 4th and 11th at 8:30 P.M. under the direction of Tom and Peggie O'Connor.

As in the past, the musical variety show will consist of songs, dances and comedy skits and will deal with the elements of

nature; e.g. sun, moon, river, rain, etc.

The Holy Family Players put on their performance once a year to help raise money for the Holy Family Church. They are a dedicated and hard working group of men and women who rehearse every Wednesday evening for 10 months of the year and as show time draws near, as much as three times a week. The end result is a musical variety show that is solid entertainment.

Hicksville Community Council Hears From Town, Schools, Food Stamps And Buses

By Carole Wolf

Continued From Last Week

Seg Widder then changed his hat from Election Committee Chairman to Community Council representative of the Food Stamp program of the N.C. Dept. of Social Services. Food Stamps are a form of paper money used to purchase food and to supplement limited finances. 1.4 million people use Food Stamps. In Nassau County, 14,000 are authorized to purchase the stamps and the authorization must be renewed every three

months. For Confidential information call Hotline 800 842-3710.

The Food Stamp Program is a follow-up to the surplus food distribution and is administered by the U.S. Department of Agriculture. For Federal Funds provide the bonus portion - the difference between the face value and the purchase price. State and Federal agencies check local areas and process the Food Stamps through Social Services. There is a need to inform people that Food Stamps is a temporary thing - it stalls off the need to

obtain welfare.

I represented the Hicksville Community Council at a meeting with Martin Gach, Director of Public Transportation for Nassau County. We discussed the existing bus service as well as ideas for new routes. If you have any ideas for better bus service, please let me know, for I will collect all suggestions and forward it to the Department of Public Transportation. Mrs. Noeth, our Editor, has so kindly allowed us to run the time schedule of existing routes in a weekly column. Look for my next week.

NEW MEMBER: President Harvey Kolin (right) welcomes Sig Widder (center) as a new member in the Hicksville Kiwanis Club at their meeting on May 11th at right is Peter Ford, the club's membership chairman.

all about baby

Don't Ever Underestimate The Power Of A Grandmother
By Mary Hilton
Diaper Service Consumer Information Council

Starting with infancy, grandmothers are important in a child's life. It's been found, in fact, that baby's personality is usually inherited from his mother or maternal grandmother.

Often grandmother helps out with the newborn because she is good at it, and because she understands a young mother's fears and remembers how to calm them. She may have to be shown how to snap a "newfangled" sleeper or pin a modern diaper. But when it comes to bathing that tiny slippery mite, her sure touch comes right back.

Grandmothers are rich in knowledge, but recognize when to give advice and when to keep silent. They know how to perform a disappearing act too, when the new mother and father have a chance to be alone. And grandmothers are worth their weight in gold when it comes to comforting an older child who feels suddenly replaced by an "ugly baby".

All this is to tell you about "Grandmothers Inc.," which may be in your area soon. It is a bonded babysitting service, made up of grandmothers who need a child to love and a way to earn money. If you don't have a grandmother handy, soon you'll be able to "rent" one!
