# Informational Meeting On Sewer Connections June 15

An informational meeting on impending sewer construction in the Hicksville area has been scheduled for Wednesday, June 15, by Oyster Bay Town Councilman Thomas L. Clark.

"I know that many residents have questions concerning the construction schedule, tax consequences and hook-up, among other things," Clark stated, "so I have arranged for a panel of representatives from the various agencies concerned to be at this meeting to answer questions

first hand."

The meeting will be held at the Hicksville High School Auditorium, Division Avenue, beginning at 8:30 P.M. The panel will include representatives of the Town's Department of Public Works, Receiver of Taxes Department and Plumbing Section; from the Nassau County Department of Public Works and from the Hicksville Water District.

Clark noted that the County has greatly accelerated its sewer construction program to become eligible for an unexpected

increase of \$148 million in the availability of State and Federal sewer funds. This means that the County will be reimbursed for 75 percent of the cost of sewer installation by the Federal government, including sewer lines on side streets and engineering. Previously, Federal aid was available only for main trunk-line installation. "These additional revenues will help keep sewer taxes down by substantially reducing the previously anticipated County tax rate," Clark explained.

## School Board Candidates' Platform

HCBE School Board candidates Dan Arena, Bill Bennett and Pete Fujimoto feel that the public should know their intentions, despite the fact that they are running without opposition. As a result, they present the following platform:

In the area of Education:

- We recognize that we have a qualified and experienced staff, and we pledge to use them to continue our quality programs which make our district one of the best in the state.

- We intend to provide incentives for students, to encourage learning.

In the area of Cost:

- We must continue to recognize the needs of the property owner, and the Senior Citizen on a fixed income, when we plan our budgets.

- We pledge to promote cost consciousness at all levels.

- We intend to ensure that decisions are made with consideration to both educational programs and taxpayer concern.

In the area of Human Relations:

- We intend to continue the harmonious working together of the School Board, the Administration, the teaching staff, students and community, all working towards common goals.

- We intended to be open minded and objective. We will make what we believe are the proper decisions necessary for the maintenance and betterment of quality education.

In the area of Public Involvement:

- We will continue and expand

explanation to the public of the budgetary process. We therefore recommend the continuation of the Citizens Budget Advisory Committee.

- We will continue the Long Range Planning Committee to be ready to meet the problem of continuing declining enrollment.

In the area of the Students:

- We will investigate methods of instilling in students a pride in their schools.

- We intend to look at establishing standards of behavior, so that students will know what is expected of them. We will take appropriate action to deal firmly with acts of vandalism.

- We recognize the problem of student/community interaction near school areas, and will investigate possible solutions.

## The Community Council Dinner

By Carole Wolf

With a warm, gentle breeze in the evening, June 2nd was a perfect day to hold the last meeting of the year for the Hicksville Community Council. The Galileo Galilei Lodge was warm and friendly as Hicksvillians began to come in the doors. It was the start of a good meeting.

Promptly at 8 P.M., Supervisor Colby made a few opening remarks. He apologized on his hurried presentation, but he was to have traveled to Suffolk County to appear at the \$125 a plate G.O.P. dinner. But we were happy to have him, even if it was for only a few minutes, and he promised to come and speak before the Council in November.

"It was a very good year" was the theme of the next presentation. Do you remember what happened from June 1976 to June 2nd, 1977? Thanks to Sheila Noeth and the Mid-Island Herald, we were able to recap some memories.

"What happened last June - The Hicksville Bicentennial Parade marched under beautiful skies on June 12th. Ground was broken for the Beautification Project on the Central Mall of Broadway. The School Budget passed and Iris Wolfson and Tom Nagle were elected for another 3

year term. Hicksville Soccer Club sponsored a 3 day Bicentennial Invitational Tournament on the 25th, 26th, and 27th. And Hicksville High School graduated 875.

July opened with a Red, White and Blue bang as the ships from Operation Sail paraded through New York Harbor. And then we had our own celebration, the largest Fair ever to be held in Hicksville under the direction of the three Bicentennial Co-Chairmen - Dick Evers, Sieg Widder, and Jack Landress. The spirit was so great that day, with everyone coming out in costume to celebrate our nation's Birthday. After all the festivities, the workers were invited back to the Galileo Galilei Lodge for food. And the St. Ignatius Girls Corps presented 'Pageantry in Brass' on July 24th to complete a

August blew in with Hurricane Belle. Again the Hicksville Fire Department was extremely busy, responding to 33 calls under the direction of chief Roy Schaaf. The Library presented puppet shows and had a trip for the children and Elery Bean was recovering from a trip to the Hospital. St. Ignatius Girls won their fourth World Open Championship.

To start September, the Galileo Galilei Lodge had their third

Annual Feast. The Fire Department held their Labor Day Drill and Parade and the stands had to be closed for so many people attended. The Friends of the Library held their annual Book Sale and Holy Family held its Silver Jubilee. Many organizations rolled into action.

October rolled in with the first Community Council meeting of the year. We heard Abe Selden speak about property assessments. The Library held its Old Time Country Fair under the direction of Bernice Neufeld and the Gregory Museum had its annual Fall Festival. Hicksville High School Alumni honored Miss Grace Flippinger. The Library held a beautiful Bicentennial Art Show in conjunction with the Independent Art Society and Charlie Brown waited by the Pumpkin Patch. Hicksville High School had its homecoming day and parade and the John McGovern Media Center was dedicated in East Street School.

November opened with elections and it found Tom Clark as its Councilman and Warren Doolittle as its judge. The Council had a panel discussing, "What can Hicksville do for its youth...what can the youth do for Hicksville." The Library beautifully celebrated its 50th

# Hicksville Kiwanis Celebrates 40th Anniversary

In June 1937, The Kiwanis Club of Freeport sponsored a group of Hicksville men in the establishment of what has been known since that time as The Kiwanis Club of Hicksville, Inc. This month the club is proud to celebrate its 40th anniversary as an organization whose members believe that service in and to the community is a privilege and obligation, and that this can be accomplished through a service club whose objects and objectives are to promote business, social and spiritual values. At the club's meeting on Wednesday, June 15th, at the Milleridge Inn, there will be a special meeting to commemorate this event.

The club's Charter, dated October 16, 1937, has 29 names representing businessmen, educators, doctors and lawyers who set the example of community service that was followed by the many KIWANISANS of the past 40 years. Of the 29 charter members, Henry C. Brenzel, Sr., Leon J. Galloway, Dr. Charles J. Masek, Morris Rochman, Hon. Julius Schwartz and John Starik are still members and active in the club.

The Club's activities have been numerous over the years and have helped youth groups, senior citizens and the community in general. Help comes in the form

of manpower as well as financial assistance. In the past 40 years trips for young people have been arranged to beaches, hobby shows, the two New York World Fairs, sporting events and Kamp Kiwanis, which provides weeks of happiness for groups of youngsters. Special camps were made available for two blind youngsters.

Starting with the awarding of a \$1,000.00 scholarship in 1958, the club has assisted 28 boys and girls in furthering their college careers - \$28,000.00 in all to date and still continuing. Kiwanis' aid to the less fortunate runs the gamut of every social need food, clothing, dental care, pharmaceuticals, providing wheel chairs, hospital beds, an artificial limb and other related needs.

For many years, it has been a tradition of Kiwanis to provide Thanksgiving and Christmas baskets to families found in need. Many shut-in children were made happy during the holiday season by the visit of Santa Claus bringing gifts and joy. One of Kiwanis' heart warming projects is the annual visit to Jones Institute. An evening of entertainment is enjoyed by everyone present.

The Bi-centennial was observed by providing a Bi-centennial flag which was flown

on the community flag pole and illuminated twenty four hours a day for the duration of the observance. Kiwanis joined in the village program by arranging a booth to display items of Kiwanis history. Each year two boys and two girls are selected for Academic and Physical Fitness improvement in the Jr. High School. These youngsters and their parents are guests to the Kiwanis L.I. North Division Dinner where they are presented trophies. The club banners are replete with citations, acknowledging many accomplishments in the sponsoring of Kiwanis Clubs, a Key Club in the high school and a Circle K Club at Post College. The club's name is inscribed on the Wellington Jones plaque, symbolical of noteworthy efforts in the support of churches and their spiritual aims.

The membership roster of the club, past and present, contains names that have figured in the advance of our village, they are men of distinguished service, serving our county, our town and our village in every civic endeavor. Their individual and collective participation has made the Hicksville Club one of outstanding organizations in our community.

This council again showed their interest in the youth of our community by voting to sponsor a teen-age baseball team under the auspices of the St. Ignatius CYO program. Concerning their various sponsorship of youth teams it was reported that the K of C soccer team has an undefeated record this year in Long Island soccer competition and has been invited to a tournament in Germany. Also the little league K of C team is also undefeated with a 7-0 record.

"Remember the date, June 21 at 8:30, annual awards nite at Joseph Barry Council and see this organization in action the location.

## Foreign Film

The Hicksville Library mini-foreign film festival ends with the presentation of "Nights of Cabiria" to be shown on Wed. June 15 at 8:00 p.m. This 1957 Fellini film stars Giulietta Masina who played in LA STRADA. Pauline Kael in her review says, "I think this is Fellini's finest film. The film is a series of episodes in the life of Cabiria (Masina), a shabby, aging, dreamy little Roman streetwalker—a girl whose hard, knowing air is no protection against her fundamental gullibility which, we finally see is her saving grace."

This will be the last film for the Spring season. The summer film program will begin in August

## "Roots"

The Hicksville Public Library will present episodes 3 and 4 of "Roots" on Monday, June 13 and Wednesday, June 15 at 4 and 7 pm. Both episodes are titled "The Slave" and continue with the story of Kunta Kinte, a young African taken captive by slave traders, who begins a mutiny on the ship heading for the New World with a load of blacks. The mutiny is put down and the ship arrives at Annapolis where Kunta is sold at auction to John Reynolds, and is given the name of Toby, which he refuses to acknowledge. On the way to the Reynolds' tobacco plantation in Virginia, an old slave Piddler is put in charge of the rebellious young Kunta.

AT THE SQUARE DANCE: John McGovern, Nina Plantz and William Granville help cut the 50th Anniversary cake at the Square Dance, sponsored by the East Street PTA, on May 20th. It was indeed an honor to have all East Street School's principals present at this happy occasion.

## In Marine Exercises

Marine Private First Class Scott A. Frey, son of Mr. and Mrs. Herbert H. Frey of Cherry Lane in HICKSVILLE, is participating in Exercise "Solid Shield 77."

He is serving as a member of Logistic Support Group-Four, homebased at Camp Lejeune, N.C. His unit is the support element of the 4th Marine Amphibious Brigade (4th MAB).

## News of The Knights

The Joseph Barry Council Knights of Columbus had a large attendance at their last regular meeting for this fraternal year last Tuesday, June 7. At this meeting they elected a full slate of officers to serve for the fraternal year 1977-1978. The newly elected officers are: Grand Knight-Stephen Ryan, Deputy Grand Knight-Jim Carroll, Chancellor-Olaf Costello, Warden-John Fletcher, Inside Guard-Bill Gradischer, Outside Guards-Chas. Barhold and Mike D'Antonio, Treasurer-Steve Seover, Advocate-Arthur Schreiber, 3 year Trustee-Paul Dunn. Good luck to these men as they lead this fine organization for the coming year.

It was reported at this meeting that on June 21 an open meeting will be held at the council hall and all are invited to witness the council's annual award presentation to a Hicksville resident. This award, The Community Achievement Award, is awarded annually to a resident who has shown great interest and involvement for the betterment of our community. Grand Knight Paul Dunn will also make several monetary awards to deserving charities servicing retarded children on Long Island. He is also expected to award some of the members of this outstanding council with certificates for their untiring efforts for the council during the past fraternal year.

## Cultural History Program

Following the path of the sixth grade Social Studies curriculum, the Cultural History Program at Willet Avenue School, Hicksville, has most recently focused on the Renaissance.

This phase of the program centered around an illustrated lecture by Art Teacher Marie Schneider, held in the Media Center. Mrs. Schneider compared outstanding characteristics of paintings and sculpture from the Middle Ages, familiar to the students after a recent day in the Medieval Hall of the Metropolitan Museum of Art, with changes that took place in the Renaissance, and the impact of these developments on later periods of art. Illustrations consisted of large prints from Willet Avenue's collection, slides and a replica of Michelangelo's "Moses" on loan from Hicksville High School.

As preparation for the program, students became

familiar with the great Renaissance artists through preliminary films and discussion, both in their art classes and in the course of their reference work in the Media Center.

Theresa Sgammato of the Music Department introduced Renaissance music and musical instruments, and provided information about the great composers of the period and their influence on the development of modern music.

The lectures, originally planned for sixth graders, have elicited such an enthusiastic response that some fourth and fifth graders have been added, to total a capacity audience of more than one hundred students and teachers.

The program is coordinated by Rosemary Barrow, Willet Avenue's Library-Media Specialist. Photos by Nancy Barrow.

# Dear Friends...

WE WERE SORRY to see the school budget go down to defeat in PLAINVIEW yesterday and will have more on what that Board of Education plans to do about this in the near future.

In Hicksville, a reminder that if you have not voted in the past two years, or if you are new in the school district, registration will be held in the seven Election Districts on Wed., June 15th between 3 p.m. and 8 p.m.

The Budget Brochure of Hicksville School District No. 17 is inserted in this week's issue, so if you weren't able to attend last night's budget hearing, you will have ample opportunity to study the details of this proposed budget upon which you will be asked to vote on June 22nd. Even though this year the school board candidates are running unopposed, it is VERY IMPORTANT that you all vote on the school budget and Transportation Proposition No. 2 .... we will have more on this next week. However, don't forget that Wed., June 15th between 3 pm and 8 pm is registration time, in case you are not registered to vote.

Due to a very temporary health problem I was unable to be present at the Hicksville Community Council Annual Dinner for Community Awards and Installation of Officers which was held last Thursday evening at the Galileo Galilei Lodge Sons of Italy Hall. As you will be reading about in Carole Wolf's fine articles this week and next, it was a really great affair, enjoyed by all present. Congratulations to the Hicksville Fire Dept. Paramedics Team who won this year's Community Service Award, and to my friend, Bernice Neufeld of the Hicksville Library, who won this year's President's Award. Also, best wishes for another successful year to the newly installed officers, who, with your help and interest will continue to work "FOR BETTER HICKSVILLE".

THAT'S ALL for this week. Stay well.

## Letters To The Editor

To The Editor:

I bring to your attention that Bob DeSimone and Richard Hirsch, graduates of Plainview high schools, have been key players on the Johns Hopkins University lacrosse team. They and their team-mates played for the championship of the United States at Scott Field in Charlottesville, Virginia last Saturday. The game, won by Cornell was covered in the national press and taped by ABC for later showing on Wide World of Sports.

Both DeSimone and Hirsch have annually been under close observation by All-American selectors. DeSimone was a first team All-American while playing for the Naval Academy in 1975. He was required to sit out 1976 after transferring to Hopkins. Hirsch was Honorable Mention All-American last year and third team selection the year before.

DeSimone, who prepped at Plainview High School under Coach Sussi, proved to be an aggressive midfielder who kept strong pressure on his opponents, both offensively and defensively. A powerful outside shot he has kept opposing goalies on edge whenever he had the ball. In 13 games he has fired 114 shots, denting the net 18 times, as well as making 12 assists.

Hirsch, in contrast to aggressive DeSimone, was a "finesse" player. His "stats" show 27 assists and 17 goals. He has been a firststring attack

player since his first game as a freshman. Prior to coming to Hopkins, he was well known in Long Island circles, when he played at JFK-Plainview under Coach Amen. Hirsch, whose appearance in the NCAA championship game marked his final game for Hopkins, has been selected for the South team in the annual North-South All-Star Lacrosse game in June.

Bob DeSimone resides at 28 Stauber Drive in Plainview. Richie Hirsch's home address is 224 Central Park Rd.

Sincerely,  
Lee Horowitz  
Sports Information Director

Dear Editors:

We are beginning our annual information campaign to discourage the illegal use of fireworks.

Firework pamphlets are being distributed to schools in Nassau County.

In the past year because of illegal fireworks, 36 arrests for sale were made, 161 cases of illegal possession were handled by the Juvenile Aid Bureau and 11 persons were treated for injuries. These injuries resulted in amputations, loss of eyesight, mutilations and burns. Some of these tragedies can be avoided by alerting the public to the hazards of illegal fireworks and soliciting their cooperation.

There will be approximately twenty (20) licensed firework

shows in Nassau County this year, and the dates, times and locations of these displays will be released to the press when the Department receives the schedules.

Several fireworks arrests and seizures have already been made this year and we again appeal to you for assistance in our efforts toward a safer and quieter Fourth of July Holiday.

Thank you for your cooperation

Sincerely,  
Daniel P. Guido

April came with its beauty for Passover and Easter. The Council heard Bob Schmidt, Assistant Supervisor, and Ken Barnes, with the Library budget. Frank and Caroline Chlumsky were honored on the celebration of their 70th wedding Anniversary and the Gregory Museum held its Gem and Mineral Show. Also in April, we lost a man of dedication-Henry Gebhardt. The Superwalkers walked and the Galilee Galilee Lodge served refreshments. Troop No. 291 gained an eagle and the Baseball season opened.

Georgious May came and we had a Custodial strike. The Council found out all the news when we had Dr. Frederick Hill as our guest speaker. The Community Chorus gave its Spring Concert and 4 H cleaned up Broadway under the guidance

of Dr. Walter Dunbar. The Library Budget passed and Mr. DeNinno was elected Trustee. Hicksville had another excellent Bicentennial Fair and, we as a Council can be proud to say that we were a part of it. It was also the 50th Anniversary of Lindbergh's flight across the ocean. Fork Lane had a WAC (We All Care) Day and the sun came out for the Memorial Day Parade.

Right before our dinner, each year, like clockwork, Hicksville always has a disaster. Last year we had a tornado, and this year we had our own oil spill. What a tremendous effort by the Hicksville Fire Department to keep the gas and fumes under control.

All and all, we had a very good year.

### COMMUNITY COUNCIL

(Continued from Page 1)

Anniversary and the beautiful Bicentennial Quilt was hung.

December blew in cold and chilly, but the Council meeting was warm. We had a holiday celebration featuring the Holy Family Players and slides of the Bicentennial. The Transportation vote and the vote for Federally Financed Construction Projects were rejected and August Jud was re-elected Fire Commissioner. The Messiah was sung and Hannakah and Christmas were upon us.

Was it icy in January. The snow never stopped. But the colleges were at the Council and it was a very good meeting. Joseph Colby was installed as the new Town Supervisor and the Lions held a Blood Drive. Roy Schaaf was re-installed Chief of the Hicksville Fire Department and the Mid-Island Plaza began plans to undergo a major renovation. Cathy Steckler became President of the Nassau County Campfire Girls.

February came in frozen and cold, but it was warm at Ponders Day where Norma Dagna was the guest of honor. The American Legion held its Oratorical Contest and the Community Council had an exciting meeting on the Sewer and Water Problem. The winter was almost over.

It started to warm up in March and the Council presented discussions on the Parks Referendum and the Hicksville Para-Medics. Braun's Meat Market closed its doors, ending another page in our local history. Book Boy Scout troop No. 358 had 2 eagles and troop No. 381 had one of its own. Holy Family Hockey Team won the state tournament and Paul Sauerland was appointed as an alternate delegate

## Hicksville American Soccer Club

### LEAGUE CHAMPIONS

The Joseph Barry Knights of Columbus boys red team ended a perfect season last week-end with their 12th consecutive win. As the season progressed, this team kept getting stronger with each game and their season finally culminated with a decisive win (5-0) over a Massapequa team that had been a jinx to the boys for several years. Their last seven games were all shutouts and the last team to score on them was back in April. These boys have given up only 5 goals all season, the best in the Club and have themselves scored 51.

The entire season was engineered by one of the finest soccer coaches on Long Island - Mr. Bill Cresham. Since last September, Bill has worked diligently with the boys; teaching them the game and his efforts were rewarded with the Long Island Junior Soccer League Championship. Hearty congratulations from all the parents, The

K of C sponsor and the Hicksville Soccer Club go to Bill Cresham and his "Big Red Machine."

All the boys deserve equal billing for doing an excellent job and working as a total unit; on the front line passing, scoring and giving opponents fits were: David Smyth, Adrian Pepi, John Mitchell, John McCann and Philip Ridgway. The halfbacks who controlled the all-important mid field and worked beautifully with both the front line and the fullbacks were Bobby Andrus, Steve Dolan, Billy Cresham, Jimmy DeMarco and Sean Devlin. Last but certainly not least is the Defensive Unit of goalkeeper Robby Pearse and fullbacks Glen Zakian, Frank Schnur, Kevin Cahalan, Vinny Christiano and Todd Lewis.

The boys are not quite finished as they still have the L.I. Cup Competition, the Hicksville International Tournament and their trip to Germany in July.

### FLORIO'S FLYERS FINISH

The boys under 10 white team, coached by Steve Florio, finished a great season with a 3-1 win over Glen Cove last week-end. These little guys wound up with the 3rd best record in the club (out of 19 teams) having been defeated only once in thirteen games; and that was a tough 1-0 game on a windy day in Massapequa. Their final record was 10 wins, 1 loss and 2 ties. Coach Florio and everyone associated with this team is proud of their performance and wish best of luck to: Mike Ayers, Matt Bell, Kevin Conway, Gerry Dolan, Freddie Freyeseisen, Mark Habersaat, Rich Karlewicz, Frank Kolovich, Ken Kugler, Jimmy Lauritsen, Sam Mastello, Fred Musumeci, Dean Spadero and Paul Thompson.

### HICKSVILLE HARRIS ALUMINUM

By Ann Masters

The Memorial Day weekend signals the start of out of state tournaments. Four teams travelled to Fairfax City, Virginia to participate in the Al Dougherty Memorial Soccer Tournament. The 1967 boys played their first game against the Chantilly Cosmos at 8 A.M. on Saturday, May 28. Peter Schnur scored 3 goals and Larry Ziembecki scored 1 goal. The defense kept the Chantilly team to one goal. The next game was against the Braddock Road Thunderbirds, played at 11 A.M. on this same Saturday. Lloyd Sneedon placed a high kick right in front of the goal and Frankie Cristiano was right there to score the only goal of the game.

On Sunday at 3:00 the Hicks-

ville Harris Aluminum team coached by Ben Brutschin arrived to play another Braddock Road team, the Flamings, in the final game. The Hicksville team was composed of only 11 boys - no substitutes were available. These boys battled the heat and controversial timing to finish in 2nd place. All the boys played hard and all deserve great recognition. The eleven boys who played great soccer were Mickey Boccalola, Ronnie Brutschin, Frankie Cristiano, Jeffrey Knuth, Michael Masters, R.J. Nakashian, Robert Newlands, Peter Schnur, Lloyd Sneedon, Anthony Sgaraglio and Larry Ziembecki.

By Jim Morrisroe, Coach

The Bantam Blue team sponsored by the Mid-Island Bowl won its final game of the season by a 3-1 score over Garden City. Goal scorers were Luis Mejia, Chris Bentley, and Joe Doherty. The victory enabled this young team

to finish the league season with a commendable 6 win - 6 loss record. Over the Memorial Day weekend this team traveled to Springfield, Virginia for tournament play. The competition provided by the host clubs - Annandale, Reston and Wheaton - proved a little too strong for the Hicksville lads as they dropped all three encounters but their spirited play and never-say-die attitude enabled them to take home the Team Sportsmanship Award. Coaches Jim Morrisroe and Rich Humann would like to commend the following members of the Bantam Blue team for their fine efforts throughout the past year: Forwards - David Weinberg, Chris Bentley, Luis Mejia, Keith McCann, Joe Doherty, Phil Ziembecki, Brian McKenna; Halfbacks - Rich Youngs, Doug Donsky, Scott Hertz, Darren Fisher, Joe Neto; Fullbacks - Rich Humann, Alex Brill, Martin Jaycard and Goalie Rich Markey.

# Propositions

## PROPOSITION 1.

Shall the Budget approved by the Board of Education pursuant to Section 1716, be approved, and a tax on the taxable property of the District in the amount of such Budget, less State and Federal Aid and revenues from other sources, be levied?

## PROPOSITION 2.

If Proposition No. 1 is approved, shall the Transportation Policy provided in Budget Proposition No. 1 as it pertains to the Senior and Junior High Schools only, be amended so as to provide transportation to students attending such Senior and Junior High Schools and residing the following indicated minimum distances from the school they legally attend?

Senior High (Grades 10 to 12) - 1-1/2 miles (decreased from 2 miles)

Junior High (Grades 7 to 9) - 1 mile (decreased from 1-1/2 miles)

at an added cost of \$108,000 and a tax on the taxable property of the District be levied?

### EXPLANATION FOR PROPOSITION NO. 2

When the voters approved a budget for this year, one of the ways in which expenditures were maintained at the prior year's level was through a reduction in the transportation services appropriation. This meant that pupils living less than 1 1/2 miles from the Junior High and less than 2 miles from the Senior High had to walk. Proposition No. 1 retains the present mileage policy of providing transportation to Junior High pupils living more than 1 1/2 miles from school and Senior High students living more than 2 miles from school. Proposition No. 2, if approved, would restore transportation to Junior High students living more than one mile from school, and Senior High students living more than 1 1/2 miles from school. The added cost for restoration of this mileage policy would be \$108,000, or approximately 10¢ per \$100 assessed valuation on the tax rate.

Dear Fellow Resident:

The members of your Board of Education and Administrative staff have prepared the proposed 1977-78 school budget with two primary goals in mind. First, they were determined that there would be no increase in the total budget appropriations for 1977-78 as compared with 1976-77 and 1975-76. Second, they were also determined that unavoidable increased costs of fuel, electricity, telephone, supplies, equipment and such other mandated increases as higher social security taxes, retirement contributions, fringe benefit costs would be offset by other reductions which would be least detrimental to on going educational programs.

Unlike school budgets in many districts on Long Island, our budget was held to the identical total of \$27,451,140 in both 1975-76 and 1976-77 and will be reduced slightly to a total of \$27,445,927 for 1977-78.

The proposed budget will maintain the same educational programs we have had in 1976-77 and the present transportation policies will be continued. Principal economies will be realized by staff reductions and other cuts due to declining enrollments. The proposed figures include all expenditures for the year.

We urge you to carefully study the budget brochure, to attend the Public Hearing on Wednesday, June 8 and ask any questions which you might have, and to support the education of the children by voting your approval of the budget on Wednesday, June 22nd. Over the years, the residents of Hicksville have demonstrated their willingness to support good schools for their children. We believe that this will continue to be a top priority for residents in the coming school year within the bounds of fiscal sanity and responsibility.

- The \$208,700 increase in revenues from local sources is due primarily to an increase in interest on investments \$130,000, tuition and other services \$54,650, unused capital authorizations and interest earnings on capital funds provides the balance.
- The \$375,165 loss in state aid is due to a decrease of \$285,000 in BOCES aid and a reduction of \$117,424 in general aid which is caused by a reduction in building and transportation aid and to pay for the \$27,259 increase in textbook aid. Included here as a deduction to aid is the second of three payments to the state for excess transportation aid received in prior years in the amount of \$186,000.
- The \$150,000 increase in applied surplus is due to greater than anticipated savings in the cost of temporary borrowing.

## Brave Hearts To Meet

Surgical treatment for heart disease in adults has become an accepted means of returning an afflicted patient to a normal way of life and, more often than not, such treatment has returned the patient to his former profession or employment. People often overlook the fact that an infant may suffer various heart defects which can be corrected during its infancy, allowing the child to lead a full life.

Dr. Filippo A. Balboni, director of Pediatrics at St. Francis Hospital in Roslyn, has specialized in correcting heart defects in babies. Born in Los Angeles, Dr. Balboni attended the Medical School of the University of Rome. After service in the U.S. Army, he continued his medical training throughout the United States and presently is Director of Pediatric Cardiology at St. Francis

Hospital. He will speak to the Metropolitan and Mid-Island Chapters of Brave Hearts at 2:30 p.m., Sunday, June 12, at St. Clare's Pavilion, St. Francis Hospital in Roslyn. He will discuss heart defects and their correction as well as how to live a normal life following heart surgery.

The Brave Hearts organization is composed of those patients who have undergone heart treatment at St. Francis Hospital. Its organization consists of three chapters each of which holds monthly meetings. An authority on health subjects and in particular heart problems, addresses the Chapters on the latest techniques and developments in the treatment of heart disease. Some 5,000 Brave Hearts are "alumni" of heart operations at St. Francis since the first heart operation on Long Island.

## VEGETABLES AND FLOWERS TOGETHER

You can surround your house with beauty and at the same time fill your plates with economical home-grown food when you plant flowers and vegetables together in one garden. But this double-duty garden must be well planned if it's to grow abundantly and beautifully.

**GARDEN VARIETY WISDOM**-Plant flowers around vegetables in a double-purpose garden.

As a general rule, it is a good idea to try to surround the vegetable garden with flowers. Plant low-growing flowers on the south side of your garden, medium-

growing on the east and west sides and the tall-growing varieties as a background on the north side. Tall-growing varieties should also be used along border fences in the background.

Ideal low-growing border flowers to plant around gardens would be portulaca, moss roses, tiny baby zinnias, dwarf petunias, dwarf marigolds, sweet alyssum, ageratum, little sweetheart bush-type sweet peas and pansies.

Medium height flowers for side border use would be asters, zinnias, marigolds, salvias, carnations, nicotiana, regular petunias, impatiens, dwarf dahlias and nasturtiums.

Tall varieties for background use would be snapdragons, larkspur, Canterbury bell, cosmos, bells of Ireland, scarlet skyrocket, black-eyed susans, hollyhock, dwarf sunflowers, tall growing zinnias, ornamental asparagus and sweet peas.

The response was so great, in fact, that I was almost forced to hire an additional Staff Member to temporarily answer all the additional calls. I will certainly be recommending your Publication as a great Advertising source with the amazing results I experienced.
