# Board of Ed Sets Budget

The Hicksville Board of Education has established its proposed 1977-78 budget at \$27,445,927. This action means that for the third year in a row, local school costs have been held to their 1975 peak, and will actually show a slight budget decline and a one-cent decrease in the school tax rate for the coming school year.

While giving top priority to the economic aspects of the budget, the Board requested that administration try to offset unavoidable increases in items such as fuel, lighting, telephone, supplies, equipment and repair costs and other mandated cost increases for social security, unemployment insurance and other fringe benefits, by staff reductions which would be least detrimental to ongoing education programs.

In commenting on the Board's action, Superintendent Hill stated that the administrative staff will make offsetting budget cuts by staff reductions which are

possible because of continually declining enrollments. We anticipate close to 400 fewer children in the schools next fall, and, as a result of this, the primary emphasis upon economy will not jeopardize the educational programs now in operation. Indeed, the schools plan to "beef up" instruction with helping math teachers, with a new introductory course in foreign languages offered to all third graders, with additional special education courses for handicapped children, and with some additional electives and enrichment courses at the secondary schools. The proposed budget will continue the present transportation policy at the Junior and Senior High Schools which has been twice approved by the voters. However, in response to petitions and requests from interested parents, there will also be a separate Proposition 2 which would shorten the mandated walking distance by one-half mile in the Junior and Senior High Schools to

that which prevailed before this past year. Board and administration did not recommend or include such a change in present transportation policy in the proposed budget, but agreed that the public should have the option to vote for such increased transportation if they wished to provide it.

Citizens are urged to carefully study the budget brochures which have been mailed to their homes, or to examine the detailed budgets which are available in the schools, and to support the education of their children by voting approval of the budget on Wednesday, June 22nd. Over the years, the residents of Hicksville have demonstrated their willingness to support good schools for their children. The proposed budget pays careful attention to the economic problems of many of our citizens and represents both fiscal sanity and educational responsibility. We believe it merits your support.

## School Budget Vote June 22

By Linda Strongin

The Hicksville Board of Education adopted a total budget of \$27,445,927 after the public budget hearing last week. The figure, which is a decrease of \$5,213 from last year's figure, will be presented to the voters on Wednesday, June 22. Voting will take place from 10 a.m. to 10 p.m. at local schools.

Before the budget hearing began, Mr. William Bennett was formally sworn in as Trustee by Board President Iris Wolfson to fill the unexpired one-year term of the late William Bruno.

During the budget hearing, before an audience of approximately sixty-five people, Superintendent Fred Hill explained mandated costs; define save-harmless ("a complicated state-aid formula"); and emphasized, that the budget represents "no reduction in educational instruction."

Also discussed were transportation; attendance teachers; personal services (on payroll) versus contractual services (hired from outside); and sports equipment.

At the regular business meeting, the Hicksville Board of Education formally voted on the school hours for 1977-78 school year. Except for a few minor changes in special classes, the hours will remain the same as this year for each grade and school voting no on the motion to retain the same hours were Trustee Cornelius McCormack and Secretary John Ayres.

During the general public speaking session the Hicksville Council of PTA's presented the Board with the results of a survey taken by each of the elementary school PTA units. The survey, which included the Council's letter to the Board of Education supporting a school-hours change in the elementary schools for 1977-78, and a schedule of the hours for each school, revealed that 73.8% of the 1,954 responses favored the

implementation of a school-hours change while 25.4% favored no change and 1% had no opinion.

Sister Kathleen Murphy, Principal of St. Ignatius School spoke in opposition to a school-hours change for the parochial schools. "We have no objection to a public school-hour change. However, we will not change ours." Several parents questioned the Board's legal right to change the parochial school hours.

The Board also approved a Foreign Language Program for the elementary schools. The new program was recommended by the administration after receiving recommendations from the Foreign Language Study Committee. Mrs. Vera Galante, Foreign Language Supervisor, explained the program which would be offered to all children at the third grade level for the 1978-79 school year. It would offer ten weeks each of "cultural exposure" to France, Italy, Hispanic and Germany. At the completion of this segment, the students' parents and the student will be asked to select a language for formal study in fourth grade, stressing the audilingual elements of the languages. Those currently in a Foreign Language program would not be affected.

The Board denied a request

from St. Ignatius Girl's Cadet Corps for the overnight use of the Hicksville High School gym and showers by a visiting drum corps. Vice President Tom Nagle questioned the legality of the request in terms of insurance and the setting of a precedence for other groups. Voting yes for the request were Trustees Cornelius McCormack and William Bennett.

Mr. McCormack brought to the attention of the Board that the county assessor's office was not accepting applications from Hicksville senior citizens for a tax exemption because the Board had not yet passed a resolution to that affect. After a discussion concerning the deadline for filing for the exemption, the Board voted that this item be put on the June 22 agenda.

The Board unanimously approved the authorization of the sale of six million dollars of tax anticipation notes for the 1977-78 school year. The request have been recommended by the business office at this time because of the favorable market conditions.

Also approved by the Board were routine expenses; personnel transfers and appointments; the authorization to purchase an audiometer for Our Lady of (Continued on Page 6)

## Sewers Field Office

Public Works Commissioner H. John Plock, Jr. announced that a County field office has been set up at Karin Lane and Tudor Road off New South Road, Hicksville to receive complaints and resolve problems concerning sewer construction under contract INT-15-2. Peter Muttee, resident engineer, will be in charge of the office. The telephone number is 938-5911.

The contract, by Alan-Crest Drive in Levittown running northerly along Bloomingdale

Road and New South Road to Plainview Road, then westerly along Plainview Road to Elm Street in Hicksville.

Plock assured residents that all pavements would be restored with surfaces of comparable quality to those presently existing following an interim period of temporary pavements. The temporary pavements are necessary to allow compaction and stabilization of back-filling material.

# At The Town Board Meeting

by Gerry Kahn

Coincidental to the Town Board Meeting held on Tuesday, June 14th, was national recognition of Flag Day. Supervisor Colby, prior to officially opening the meeting, spoke briefly on the various flags in American History and thanked Miss Dorothy Horton McGee, Chairlady of the Bicentennial Committee, for having displayed the flags about the dais.

Upon the formal opening it was learned that as a result of improper Notice to the Residents, Item no. 1 and no. 2 were to be dropped from the calendar and would require new application in the future. An appeal was made by representatives of Civic Groups, relative to both Hearings, to waive the regulations. The Board retired to consider the legality of the situation. Upon returning, after only a five minute recess, a vote was taken in favor of a waiver of the regulations and it was passed 5 to 2. The meeting then proceeded as scheduled.

Item no. 1, a Hearing on the Application of Varley Homes and Green Hill Holding Corp was to be continued in an evening Hearing and the attorney for the petitioner, John Coffey, deferred his comments for the evening session.

The property in question lies on the S. S. of Jericho Turnpike in

Woodbury. It borders Kristi La. on the south and extends north to Jericho Turnpike, its western boundary is the Syosset-Woodbury Community Park and its most eastern line is the property of the Royal Vikings and Picquets Lane.

It is the intent of the petitioner to construct 8 homes on 1/2 acre parcels on the north side of Kristi Lane. Behind the homes, according to plan will be a condominium complex of approximately 39 units built on an 8 to an acre inc. Entry and exit will be through Deepdale Ct. a Filed and Dedicated Rd. The balance of the property which the petitioner is requesting to be rezoned from Res B-1 to F Bus will be for a shopping center complex involving approximately 100,000 Sq. Ft.

The S. Woodbury Taxpayers Assoc. led by Mrs. Judy Jacobs is violently opposed to the granting. The application is contrary to the Master Plan, the influx of the additional vehicles from the condominiums would place an unbelievable burden on Deepdale Ct. and all roads that are part of the internal traffic lanes in the Talltrees Development as well as Colgate Lane all the way down to Woodbury Rd. Picquets Lane as the main route to Jericho Turnpike is presently an obstacle course and couldn't survive any additional traffic without risking

being renamed a disaster area. Mrs. Jacobs cited the health, noise and safety factors that would become critical elements in the community.

Item no. 2 dealt with the application of Amerada Hess Corporation for a change of zone from Bus F to G Bus and a special use permit to construct, operate and maintain a gasoline service station at So Farmingdale.

Mr. Coffey represented the petitioner and called upon several expert witnesses that included Burt Nelson, R.E. Appraiser, Mr. Gerber, traffic consultant, Anthony Santanico, Project Mgr. and William Wilfran, Pro. Engineer, Amerada Hess.

The biggest problem to arise out of the application was the inability to deliver fuel without the large tractor trailers backing into a well-used sidewalk. The neighbors were in favor of the proposal of the modern installation as opposed to the abandoned eyesore that presently adorns the sight.

The applicant intends to submit a revised site plan to the Board with details relieving whatever possible hazards may exist. In addition he will impose covenants that would satisfy the neighborhood relative to times of delivery, lighting, shrubbery and proper sound and light screening.

# Local Dems Elect New Leader

Local civic activist Susan Polansky has been elected as the new Democratic Party leader of the Plainview-Syosset Zone by a unanimous vote of local committee members at the Zone's June 6 meeting. Susan was chosen to succeed her husband Mike, who resigned the post to run as a Democratic candidate for the Oyster Bay Town Board.

Susan has long been an active figure in local civic affairs and Democratic Party politics. Formerly the President of the Plainview Chapter of Women's American ORT, she has just completed a two-year stint as Expansion Chairwoman of ORT's

South Nassau Region. She has served as a member of the Nassau BOCES Citizens Advisory Committee on Vocational Advisory Committee and on the Plainview-Old Bethpage School District's Citizens Advisory Committee on Vocational Education. Most recently, Susan has been active as a member of the Plainview-Old Bethpage Auxiliary Police Unit and as a coach in the Plainview-Old Bethpage Soccer League.

The Plainview-Syosset zone includes the western half of Plainview and the southeastern corner of Syosset.

# AJC Program On Nazis Criminals

# Presents Historic Play

"Colonies vs. The Crown," an historic play depicting actual events that took place in Oyster Bay just prior to and during the American Revolution, will be presented by the Town of Oyster Bay Bicentennial Commission at the Parish Hall of Christ Church on East Main Street in Oyster Bay at 8 PM on Friday, June 17. Admission free.

This will be the third presentation of the series which originally was a joint production of the Bicentennial Commissions of the Towns of Oyster Bay, Hempstead and North Hempstead. The original version, presented in 1975 at St. George's Church, Hempstead, was written by Dr. Milton Hopkins, an historian and educator; Dr. Myron Luke, Historian of the Town of Hempstead and Miss Dorothy Horton McGee, Chairman of the Town of Oyster Bay Bicentennial Commission.

This revised version depicts an actual Town Meeting in Oyster Bay in 1775 at which the Whigs, or Patriots, were overwhelmingly outvoted by the Loyalist majority.

# Dear Friends...

We are told, by a distinguished member of one of our fine Fire Depts. that... "in recognition of the 50th Anniversary of the Plainview Volunteer Fire Dept., the firemen of West Plainview will be joining the firemen of East Hicksville, for a toast."

The 40th Anniversary Luncheon of the Hicksville Kiwanis Club this week was interesting and impressive and enjoyable. May you have many more productive years ahead, gentlemen, for you are surely a great plus for Hicksville... we are all proud of your fine efforts in our hamlet.

Again... "have patience", during the hectic month of June. We have so much important news and many fine pictures they just won't fit in each week's issue. However, we'll catch up with your local news and carry it each week as space permits. Thank you for sending it to us, and keep it coming. You won't be disappointed.

We have a police that when there are elections on any level, we do not print criticism on the week before the election, because it does not give those criticised an opportunity to answer. So we cannot print a letter from Edward Saueracker regarding the possibility of his running for the Board of Education in Hicksville at this time. Suffice to say, we are glad to see that he is maintaining his interest in the affairs of the Hicksville School District and hope that he will plan to run in the future.

DON'T FORGET that Wed., June 22nd is the School Budget and Board Candidates vote in Hicksville at your usual voting place.

HOPE YOU ALL HAVE a Happy Father's Day... which reminds me that the Magic Touch Hair Salon of 644 South Broadway is offering a Gift Certificate for Dad on His Day... that's a great suggestion.

## PTA Life Membership Awarded

At a meeting on Thursday, May 26, Lillian Solomon of Hicksville and Henry Gribb of the Dutch Lane School were awarded an Honorary Life Membership in the New York State Congress of Parents and Teachers.

The Dutch Lane PTA presented the award to them in recognition of their dedicated service to the children and youth in the school and community.

This distinguished award was made possible through a contribution by the Dutch Lane PTA

to the New York State PTA Jenkins Memorial Scholarship Fund, and the Teacher Fellowship Fund.

At the same meeting, PTA Congress Emblem Pins were awarded to the following people for their constant help and service to the children of the Dutch Lane School: Lynn Ayers, parent; Sheila Scolnick, parent; Rose Eckstein, teacher; Sylvia Waldman, teacher; and Jeanette Wade, teacher.

## Picnic For Seniors

Senior Citizens from all parts of Nassau County are invited to Eisenhower Park for a picnic on the first day of summer, Wednesday, June 22.

Live music by the Senior Citizens Orchestra will fill the morning air and the German Oompah Band will tootle in the afternoon. Picnickers interested in predictions and insights can consult the handwriting analyst or palmist on hand for the occasion. The dubious can check out both seers.

The park train will be brought out for its first run of the summer

season with free rides for all seniors.

Thousands of Nassau residents age 60 and over are expected to pack a lunch and come to the park to welcome the summer season during the annual picnic, conducted by the Nassau County Department of Recreation and Parks near parking field No. 5, Chase Manhattan Bank is sponsoring the event, which will run from 10 a.m. to 4 p.m.

Groups planning to attend must call the Recreation Department's Senior Citizens Unit at 292-4247 weekdays between 9 a.m. and 4:45 p.m.

## At Woodland Ave.

As a culminating activity after the study of Mexico, the 5th grade class of Mrs. Geraldine Rubinstein held a "Mexican Fiesta" luncheon, at Woodland Avenue School.

The children came dressed in colorful costumes. The boys wore serapes and sombreros while the girls wore pretty blouses and placed flowers behind their ears. Mexican music played as the

children lined up for the meal which consisted of chili, tortillas, tacos, tamales, Mexican corn, Spanish rice, Mexican salad, avocado salad and a delicious Mexican casserole. For dessert there was Flan (a caramel custard).

Mothers, dressed also in costumes, helped serve the food. In place of traditional tequila, fruit drinks were served.

A good time was had by all.

## Students Honored At Awards Program

Three Hicksville Senior High School students were honored at the Fifth Annual Albert Hirst Readings in American History Awards Program June 7th in a reception at the High School Library.

Senior Jeanne Dagna, juniors Ellen O'Regan and Eileen Maraldo received a fifty-dollar check for reading twenty-five books about the U.S.A.

In presenting the checks, Principal Raymond Rusch praised the students for their accomplishment. Noting that over fifty other students who had enrolled in the program did not complete their readings, Mr. Rusch said, "It sounds like an easy way to earn some money, but, as a former history teacher, I can appreciate the time required to read this number of books during the school term."

Guests included Miss Dagna's mother, PTA Past - President Mrs. Norma Dagna, Miss Maraldo's father, Mr. Enzo Maraldo and several other students and faculty members. Refreshments were served by the Library Staff, including Mrs. Jean Bassett, secretary, who also baked cookies and brownies.

Albert Hirst, the benefactor of the award, was an octogenarian who believed that through such readings America's youth could appreciate their country's heritage, acknowledge its contributions to mankind, and become an enlightened citizenry.

To that end, he set aside

Hicksville High School students Jeanne Dagna, Ellen O'Regan and Eileen Maraldo (l. to r.) are smiling for good reason: they just received fifty dollars apiece for successfully completing the Fifth Annual Albert Hirst Readings in American History Awards Program June 7th. (Photo by Marc Malamud).

\$10,000, and the program began in 1972 under the trusteeship of his son, Dr. Eric Hirst, a language teacher, and Mr. Carl Danna, a librarian, both in the Hicksville Senior High School.

Mr. Albert Hirst died in 1974. The trustees continue to administer and expand the program. To date, nearly \$5,000 has been awarded to teens at seven Nassau County public and

school libraries. Hicksville residents have received half the awards.

In congratulating the students and their parents, Trustee Dr. Hirst said, "Other individuals and organizations can encourage young people to read about the U. S. A. by establishing similar programs in schools and public libraries." He and Mr. Danna said they would help such efforts.

## MEET ONE OF OUR BEST

JUERGEN WEFERLING, FIC  
5 Forest Drive  
Plainview,

Once a year we at Aid Association for Lutherans take a moment to recognize some of our best people. You've just met one of them.

Juergen was the leading representative in 1976 in the Hans Schrader Agency, Commack. We're proud of him. And we want to tell you about it.

What's it take to be one of the best at AAL? Well, it takes training and experience so Lutheran families get the best coverage possible. It takes genuine interest in the fraternal and benevolent activities of AAL local branches. And it takes a special kind of dedication to AAL's concern for others.

We think that describes Juergen pretty well.

## Hicksville American Little League

### "A" LEAGUE

By Gary Madine

Lannones pulled a surprise upset over Northville Ind. and they did it convincingly by a score of 18-4. Tom Morgan, and Neil McTeigue shared the victory. Morgan also was hot with the bat collecting a double and a single with 3 rbi's. Matt Lloyd belted 2 solo home runs, Louis Gurrier got a single and a triple which he just missed stretching into a home run, and all told he collected 3 rbi's, Mike von Eschan hit a double, and scored a run, Mike Rooney had 2 singles, and 2 rbi's and Tony Rosina added a single, and 3 doubles and drove in 5 runs to lead the team. For Northville Rich Diffley homered, Diane Gargano went 2 for 4, and Matt Smith, Bruce Katz, and Russ Losito all added singles to an otherwise weak attack.

### "MINOR" LEAGUE

By Gary Madine

International House of Pancakes stomped on Long Island Collision by a score of 14-5. For L.I.C. Kevin Pejril went 2 for 4 with a home run, and 2 rbi's, Greg Christoforou, and Carolyn Sharkey also went 2 for 4 with Greg getting an rbi. Tony Rappa, and Curt Letal accounted for the rest of the scoring. Greg

Christoforou, Bob Delhave, and Carolyn Sharkey shared the loss.

Malvese ran away from Cotton Lillien by a score of 18-8. Vic Porcasi pitched for 4 innings and only gave up 1 run, and he also went 2 for 3 at the plate. The big hit was a home run by George Knight.

Cotton Lillien bounced back to defeat Domroe's Demons 11-5. George Dellamura gained credit for a complete game and he was only charged with 3 earned runs. Jeff Braunstein, Adam Greenberg, Joe Cotton, Craig Schellin, and Dave Pietramala all had 2 hits with Braunstein, Cotton, and Greenberg all knocking in key runs. Adam Greenberg also had a fine day at second base handling 5 assists, and getting 2 putouts.

### MAJORS

By Nancy Autolino

Goldman Bros. defeated Radazo reporting 4 to 2 to capture the title of 1st half champions.

Brian Murphy was spectacular, pitching the full 6 innings for Goldmans. He allowed only 2 runs on 5 hits. He allowed only 1 ball out of the infield, a double.

John Diehl was the hitting star, bunting home the 1st run and doubling home the 2nd and 3rd runs game winning runs. Brian Murphy knocked in the 4th run by sending Pete Ressa, who doubled, home.

Flawless fielding by shortstop John Diehl, with 5 putouts was the key to the victory. Bob Martin at 3rd, Gil Negron, Brian Murphy and Pete Ressa also contributed with key putouts.

Fred Behr pitched 6 strong innings for Radazo reporting allowing only 2 earned runs on 6 hits and struckout 7 batters.

Strong pitching held Radazo to only 5 hits, Fred Behr went 2 for 2, Mike Knoll went 1 for 3, and 1 RBI, John Pizzo went 1 for 1, and Ron Collouri went 1 for 3.

Fine fielding plays were made by Renee Radazo at 2nd base, Mike Knoll, at 1st base, catcher Joe Bergen who cut down 2 runners stealing and Joe Pizzo in the outfield.

The second game of the week Goldman Bros. bombed British International Motor 8 to 3.

On the mound for Goldman Bros was Bob Martin, who pitched the 1st 3 innings and Danny Richards pitched the last 3. Richards allowed only 3 hits and no runs.

At the plate Dan Richards went 2 for 3, John Diehl had 2 RBIs including a perfect sacrifice bunt, and Gil Negron had 3 RBIs.

John Diehl, Gil Negron, Brian Murphy pulled off the game ending double play. Gil Negron played spectacular at 2nd base, and Pete Ressa made a key catch in deep center.

## Hicksville American Soccer Club

### THEY'RE NUMBER ONE

The Juvenile Blue team, coached by Pete Baena and Steve Bodensiek, rolled over all opposition to take first place in their Division in the L.I. Jr. Soccer League. Last Wednesday, they met Massapequa in a play-off game for first place. Their only loss all season had been to this same Massapequa team. The game was played in Mass. and was exciting soccer from start to finish. Hicksville scored first on a beautiful goal by Bob Dash and tied 1-0 for most of the first half. Mass. tied it up just before half time. Hicksville started the second half determined to win and it was obvious from the caliber of their play. Within minutes Guy Romain scored the second goal with a perfect shot into the corner of the Mass. net. The defense was outstanding in keeping Massapequa from scoring in spite of their many attempts. Don Anglin scored the third goal and minutes later Guy Romain scored the fourth goal with a head ball right over the goalie's head. Mass. finally scored again and the game ended 4-2 for Hicksville making them the Division Champs. Guy was outstanding this game. In the North Shore game, prior to this play-off Hicksville defeated N. Shore 2-1. This was also a very exciting game as at that time N. Shore was also tied for first place. John Morga and Sal Musumeci were the scorers and again the defense more than did their job. In the game against the Mass. Athletic Club Steven Playne and Guy Romain did the scoring while the defense maintained a shut out Pete Baena and Steve Bodensiek can

be truly proud of their team. Roster: Scott Cahalan, Dennis Chow, Donald Cusack, Bob Dash, Peter Fletcher, (goalie), Don Galloway, Brian Jennings, Mike Magner, Tom M. McCann, Martin Mire, John Morga, Joe Mullings, Sal Musumeci, Steven Playne, Guy Romain & Jon Stafford

### BOYS BLUE

The Boys Blue team, sponsored by Josef's Foreign Car Repair traveled to Springfield, Va. to participate in their Memorial Day Tournament. Not only did the team demonstrate excellent soccer, but also left a good impression in sportsmanlike conduct. The Boys opening game was against their host team - SPSpringfield, Va. (Rifles). Altho' the Springfield team held the lead thruout the entire game, Hicksville never gave up in spite of a 3-0 lead and finally near the end of the game, T. Sullivan scored with a tremendous shot. Outstanding in this game were Eddie Thompson and Jeff Tomlinson. Final score 3-1 Springfield over Hicksville.

In the second game of the Tournament, Hicksville met another strong opponent, Arlington, Va. Early in the first half, Arlington went into the lead 1-0 but Ed Thompson equalized with a beautiful goal to make the score 1-1. Again Arlington went

into the lead but Jim Harkins scored a beauty to tie it up 2-2 at halftime. The game ended 4-2 for Arlington, but Hicksville's stamina and playing ability was recognized and acknowledged by all Virginia teams, particularly their host team - Springfield. Outstanding players in this game were Steve Stafford, Ralph Stieveling, J. Jim Harkins and Ron Coiro in the first half - K. Smith, J. Mejia and P. Bedell did a good job relieving the front line.

The third game was against Vienna, Va. and would have been a great game except for the poor officiating. Everybody gave 100 per cent. David Straub scored the first goal on a free kick giving Hicksville the lead 1-0. The Hicksville defense was like a brick wall, doing an almost professional job. In the second half, a hand penalty is awarded to Vienna and another questionable penalty followed soon after. Vienna won 2-1 but it was the best Hicksville game of the weekend in spite of the officiating. Coach Ken Groves is proud of his boys and their tremendous effort.

Fifth Grade - First Place: Mr. R. Baker, Second Place: Mrs. Blumenthal and Third Place: Mrs. Harnett.

Sixth Grade - First Place: Miss Wells, Second Place: Mrs. Michaels and Third Place: Mr. Atkinson.

### SCHOOL BUDGET

(Continued from Page 1)

Mercy School at a cost of \$370; and the awarding of bids totaling \$8,772.11.

The Board took no action on the Council Contract, saying it was awaiting additional figures. Also, no action was taken on the closing of temporaries at Woodland Avenue and Burns Avenue Schools because background material had not yet been received.

## SOCCER CLUB

(Continued from Page 6)

Tournament. Headed by chairman Sam Massiello with a lot of help from small nucleus of hard-working, dedicated soccer parents, twenty-two girls teams in 3 Age Groups participated in 53 full length soccer games last Friday, Saturday & Sunday at the Grumman Fields on South Oyster Bay Road.

The event was a huge success despite a wet, soggy start on Friday. The out-of-town teams who billeted with our Hicksville girls included teams from Bowie, Maryland; Fairfax, Virginia and Hamilton, New Jersey.

Two of the three Hicksville teams made it to the semi-finals; the under 12 ladies coached by Mr. Pat Harkins & sponsored by Ernie's Auto Body of Hicksville played extremely well and confirmed their well-deserved nickname "Harkin's Heroines". They defeated North Babylon in the semis (4-1) but lost a squeaker to Northport 1-0 in the championship game. The under 16 girls sponsored by the B.P.O.E. Elks Club of Hicksville and coached by Jim Dolan were eliminated by Massapequa in the semi-final. The tournament Champions were: Northport in the under 12 Division; Massapequa in the under 14 Hamilton, New Jersey in the under 16. Although all 3 Championship games were very exciting, the spectators were treated to a real thriller in the under 16 Final between Massapequa & Hamilton. The game was tied 1-1 after regulation time & after the overtime periods, a winner still wasn't decided - so "bring on the penalty kicks". Each team placed 5 kickers on the field; each took their turn one-on-one with the goalkeeper and after 5 shots by each team the score was still tied. The next step to declare a winner was penalty kicks one at

a time until one teams missed & it took 6 more before Hamilton emerged the champion.

## MIDGETS ADVANCE

The boys under 12 moved into the finals of The Long Island Cup competition last week-end with a close win over Garden City. It was a tough job for coach Bill Cresham to keep the boys "up" after they just won the League Championship, but they again went out and played a great game. The L.I. Cup is an elimination play-off (one loss & you're out) of all participating teams on the Island. It is in addition to & separate from the League games which run from March through May.

In order to get to the Finals, which will be played next week, the boys had to beat Cow Harbor (3-0), Huntington (3-2), and Garden City this past week-end by a 2-1 margin. Hicksville scored twice in the 1st half and it looked as though they might break the game open but the highly competitive G.C. team would not allow it. The 1st score came from a lot of hard work up front by John Mitchell and Adrian Pepi on the right side drawing the defense over and then pushing it over to perfectly positioned David Smyth who slapped it home. The 2nd was similar with the front line scrapping for the ball in front of the Garden City, net after obtaining the ball from the mid-fielders. This time, it was John McCann banging it in with help from Bobby Andrus & Philip Ridgway.

Garden City scored on a corner kick due to a temporary defensive lapse but did not propose another serious scoring threat during the entire match as the defensive unit excelled again as they have all season - Robert Pearce in goal and the fullbacks Glen Zakian, Frank Schnur, Todd Lewis and Vinny Christiano.

No game analysis would be complete without mention of the men who "man the trenches" - the Mid-Fielders. This is the important link between the defense and offense which enables the ball to travel 100 yards from the defensive end into the opponents net. This area completely belongs to: Jimmy DeMarco, Steve Dolan, Billy 'Cricket' Cresham and Sean Devlin.

The K of C sponsored team's overall record including League, Regional and Long Island Cup Competitions is now 18 Wins, 1 Loss, no ties with 66 goals for the 14 against.

## HARKIN'S HEROINES

On Friday June 10th the rains came but it didn't stop our U-12 girls from two tremendous games. At noon the girls faced an all-star team from Deer Park. All of our girls played well. Final Hicksville 5-1. Second match against our out of town team from Bowleyland. Our opponents were division champs in their home town. Excellent goal tending along with total team effort, ended in Bowie 3 Hicksville 1. Friday night our team along with their guests Bowie enjoyed themselves Bowling. Late to bed but early to rise to meet one of their neighbors Island Trees. One watching from the sides could see that Harkin's gang tired. Island Trees immediately picked it up and scored on them. Hicksville came back and scored. Shortly into the second half Hicksville put another into the net. We needed another goal for security but luck wasn't with us. Island Trees did it this time. Final 2-2. The second game our great girls met with one of their division rivals Northport. It was an exciting game. Northport needed the win and Hicksville refused to give it to them. The game ended in a tie 2-2. Saturday evening Hicksville &

Bowie were the guests of one of the big fans Howie Bershad for a picnic that the parents provided as a treat. Hoarse coach Pat Harkins gave his girls a curfew of 10 p.m., as they faced North Babylon in the semi-finals at 10:20 a.m. Mr. Harkins had eleven jockeys on the field. The team wanted this win badly. Final Hicksville 4 North Babylon 1. Finals 1 p.m. Harkin's Heroines vs Northport. Both

teams played super. Our defense could play against the Cosmos for they had super feet. Strikers had many shots on Northport but luck again showed itself for the Northport goalie. The pressure mounted as each team wanted it place. It all happened approximately eight minutes before the final whistle when the ball was put in Hicksville goal by a super road-runner. Final 1-0 Northport the champs.

### KINDERGARTEN 1st AND 2nd GRADE STANDINGS

#### BIRD DIVISION

Robins 8-2  
Jaybirds 7-3  
Seagulls 6-4  
Falcons 5-5  
Cardinals 4-5  
Hawks 3-7  
Pigeons 1-8

#### FISH DIVISION

Grunions 9-1  
Bass 7-3  
Shrimp 5-4  
Whales 4-6  
Dolphins 3-6  
Flounders 3-7  
Sharks 3-7

The Jaybirds moved closer to first place with a 9-6 win over the Sharks. For the Jaybirds, Gus Kilmetis was 3 for 3 including a 2 run double. The Dolphins beat the Pigeons 13-1 behind the heavy hitting of Charles Califano, Brian

Doyle, Paul Forfia, and John Keenan.

Behind a massive hitting attack the Robins beat the Flounders 27-10 to remain in first place in the Bird Division. The Robin's Derik Missimo hit for the Cycle (single, double, triple, home run). Tommy Sullivan celebrated his birthday with a home run for the Flounders. The Falcons evened up their record with a 15-12 victory over the Hawks. Steve Falletta and Tom Kenny were the hitting stars.

The Grunions nipped the Cardinals 9-8 in a hard fought battle. The Grunions dedicated this game to their teammate Brian Finnell who is in the hospital. Jim Hume played a sparkling game at 3rd base. This win clinched 1st place for the Grunions in the Fish Division.

The Bass clinched a playoff spot with a 9-7 win over the

Shrimps. The game was highlighted by a double play from Danny Gahan to Brendan Broderick.

### 3rd GRADE LEAGUE - SECOND HALF STANDINGS

Dodgers 4-1  
Yankees 3-1  
Mets 3-2  
Cardinals 2-3  
Giants 0-4

The Dodgers lost their first game 15-7 at the hands of the Yankees. Rick Hazelton, Chris Bentley, and Herb Nowak all slugged extra base hits for the Yankees. Bobby Moone had 3 hits for the Dodgers.

The Dodgers nipped the Cardinals 1-0 in a fine pitching duel featuring Darren DiFlorio for the Dodgers and Mark Ridge for the Cardinals.

### 4th GRADE LEAGUE

The Expos beat the Reds twice this week to move into first place. Behind the excellent pitching of John Murphy they won the 1st game 11-9. Fielding stars were Kevin Clancy and catcher Chris Tiernan who threw out two men attempting to steal. Don Lynam hit a 3 run homer for the losers. The Expos won the second game 13-5. This time John Murphy was devastating, striking out the side in 3 innings. Hitting stars were Kevin Cleary and Brian Althaus.

## Fire Report

By Ex-Capt. Owen Magee

Hicksville Fire Dept. Rescue Squad Paramedics saved the lives of two Hicksville residents this past week. The paramedics, recipients of this year's Hicksville Community Council's Community Award, responded to an 8:25 AM rescue call on Saturday June 11 at 34 Ash Lane. 61 yr. old Robert Wilson suffered cardiac arrest. Vamps on the scene in minutes, began the life or death battle. Wilson had to be defibrillated twice before his heart began beating on its own. He was then rushed to the County Medical Center where at last report he was holding up fine. Vamps also cited first aid given by the patient's wife.

On Monday, June 13, firemen and paramedics responded to aid 62 yr. old John Ryan of 63 Winding Road, Hicksville. In this case, the patient's heart was beating, but not in a normal rhythm and he stopped breathing. He had to be defibrillated (shocked) 5 times before his heart began beating normal. Paramedics on this call teamed up with Dr. Walker of Hicksville and this patient was also taken to the County Medical Center where at last report the patient was responding to treatment.

In talking with rescue squad members, they of course were quite proud of their work, but did point out that there are many

cases such as this that don't turn out as well. The point out that people die in hospitals surrounded by professionals and the latest in life saving equipment. Time is a key factor. The quicker the call for help goes out combined with first aid until the better chance the patient has, but even then, if the damage is severe enough, nothing can help.

But the training and purchase of the sophisticated equipment is saving lives. If it saves just one life - the equipment is paid for. The taxpayers can thank the Fire Commissioners for getting the paramedics started with the best in education and equipment. Credit is due, of course, to the men - young and old, who take the time to volunteer to keep Hicksville a safe place to live.

The Rescue Squad, and the Fire Department in general under chief Ray Schaaf, thank the community for their acknowledgement of the hard work that goes into this program. At the least, when we go to sleep at night or go off to work we know that, be fire or police paramedics, we are getting the best.

## Cut your current Federal income tax...

...and have more money for your retirement, too.

If you're working and not covered by a pension program, there may be a tax-deferred way for you to build your own retirement fund.

With a Metropolitan Individual Retirement Annuity, you can defer Federal income taxes each year on up to 15% of your earned income or \$1,500, whichever is less, by putting this income to work to set up your own retirement plan.

Think about that! If you qualify, you can purchase your own retirement annuity with money you deduct on your income tax return. You won't be subject to tax on this money and the earnings on it until years from now after retirement, when your tax bracket probably will be lower. And if you qualify, Metropolitan can even make contributions to the plan for you if you should become totally disabled.

So if you're not scheduled to get a pension, call me and we'll arrange one.

Radio Alert that a tanker truck was involved in an accident. The scene, again, was Old Country Rd., this time at Gables Dr. at the LILCO entrance. A car had driven under an oil tanker truck and sheared off some valves. Firemen again put down a foam blanket. This time though, the spill and the fuel was not as dangerous.

During the period May 30 thru June 14, there were 56 calls for Hicksville's Firefighters. There were 30 fire calls, 20 rescue calls and 6 malicious false alarms. To date, in 1977, there have been 81 false alarms, not to mention the numerous accidental false alarms that force vamps out at all hours. The totals for May - 145 alarms, 30 of those were false, 49 rescue. 39 were general alarms along with 44 silent alarms.

On the sick list is R. Kishanuk of Co. No. 1 who is resting at home after a stay in the hospital. A get well wish for you, Rich.

The Parade and Drill Season is upon us again and Hicksville Vamps won a 3rd place in appearance at the Woodmere Parade. The Hicks Drill Team also took a 3rd Place Award in the hose event. Coming up next is a Parade celebrating the 50th anniversary of the Plainview Fire Dept. Parade starts 6:30 PM. There is no drill. On June 25, Westbury hosts a parade (7 PM) and drill 9:30 AM.

### SALUTE TO

#### PLAINVIEW VAMPS

The officers and men of the Hicksville Fire Department salute their good neighbors to the East on their 50th Anniversary of Service to the community. The Plainview Dept. along with Jericho and Westbury are often the first in Departments to help when a major fire or emergency occurs in Hicksville. Best wishes for the next 50.

#### MEMORIAL DAY REPORT

Hicksville Firefighters paused Monday, May 30th to pay tribute to its own who answered their last alarm during 1976-77. Those members honored were John F. Briganti, Thaddeus Pius, William Stahley Sr., and our oldest active member ex-chief Henry A. Gebhardt. Following the services the Department and Ladies Aux. participated in the community parade and memorial services. At the annual Bocci Tournament the men from Co. No. 8 won the top honors and the Ladies of Co. No. 6 won their contest.

## Community Cooperation

Eleven members of the Church of Christ Youth Group spent hours Tuesday, June 14th, cleaning up the area of the JFK Memorial Park.

Those participating were sponsors Bill Ciechanowski and Debbie Kuffner, and members Linda and Danny Freeze, Susan Palmer, Danny Kelly, Craig Ciechanowski, Jonn, Katie and Ray Killfoi, and Carol Anne Schriever.

## Daily Bible School

Music and singing are some of the fun activities of Trinity's VACATION BIBLE SCHOOL.

Two sessions of Vacation Bible School will be held this year: July 5 - July 15 and July 25 - August 5. Classes will meet Monday - Friday, 9:00 a.m. to 12 noon at Trinity Lutheran Church, 40 W. Nicholas Street, Hicksville. All children aged 4 to 14 are invited to attend.

Call the office, 931-2225 for more information and registration forms.

# Community Council Dinner

By Carole Wolf  
(Continued From Last Week)

Father McGrath, pastor of Holy Family Parish, then said a blessing. And the buffet-line quickly formed. As the large trays were uncovered, there waiting for us were sausage and peppers, meat balls, ravioli, chicken, potatoes and string beans. With heaping plates, we returned to the tables, where delicious large rolls and salad complimented the meal. Many went back for seconds. The food was good.

After dinner, there was a half hour for everyone to mill around and talk to old friends. Then we entered the formal portion of our meeting.

Our formality is informality. Trying not to promote, demote, or omit anyone, we introduced everyone in the room and what they do. Some people have seven credits to their name. That is quite an accomplishment to volunteer so many hours in several worthy organizations. Some faces were so familiar, but couldn't be placed. As we announced Jeannette Martire, everyone was surprised to know that she is head of the Adult Circulation desk at the Hicksville Public Library. So that, by the end of the night, everyone knew one another.

Then we moved on to the installation. Frank Chlumsky, did a terrific job in making the new officers feel comfortable. This "Man For All Seasons", at 94, has served the Community in so many ways, including Town Councilman, and the Hicksville School Board, and he is currently Secretary of Kiwanis. In his usual jovial way, Frank installed the new officers for 1977-78. They are: President, Carole Wolf, First Vice-President, John Budnick, Second Vice-President, Tom Clark (who couldn't be there, but Judge Doolittle proxied for him), Secretary Arlene Didier, and Treasurer, Cathy Stecker.

The awards came next. The Hicksville Community Council's Award is given to an organization which has done outstanding work during the year. And so the introduction read:

The Community Service Award of the Hicksville Community Council is given to special people - people who work hard to make Hicksville such a special place. Here in Hicksville, we work together and strive together to build a better Community. There are certain organizations and certain people who do more than their share to make Hicksville work. And tonight we are here to honor some of them.

Three years ago a program was started - a program that would take concerned citizens and train them. People had to have a desire to join this group and then they trained for many months. Then they went to work.

These men are in the business of saving lives. Each night and day, they take their equipment to people in distress. They work with drugs such as xyloraine, atropine, adrenalin, and sodium bicarbonate. They are the right hand of the doctor.

The 20 to 25 men are well qualified. They have taken advanced first aid, emergency medical technology, and advanced medical technology. They have taken IV courses and have studied with the hospitals. And they have to keep up the training, for they must be re-certified every three years.

Because of these men, people are leading normal lives. We are grateful that we have these dedicated people in this town.

For outstanding Community

service, the Hicksville Community Council award for 1977 went to the Hicksville Paramedics. And accepting the award for the Paramedics, was Lieutenant Krummacker from the Hicksville Fire Department Paramedic Squad.

The President's award came as a complete surprise to it's recipient. She was rushed from another dinner in Suffolk County to be with us. And so the introduction read:

"It is better to give than to receive" is the motto of the recipient of the President's award this year. Many people just work in Hicksville, but this person spends all of her spare time in Hicksville. Not only is this person very popular, but is known by most people in this town.

It began a number of years back when this person was born in Brooklyn. The move out to the suburbs was a big occasion and an opportunity to raise children. With a family of 3, she became active in all organizations, including being a Cub Scout Mother and helping in Girl Scouts. With her family growing, she went to work, but PTA and Little League still grabbed at her spare time. She could never say no.

For 24 years she has been a Hicksville resident. She is the original "I'd rather do it myself" girl. She does everything well and is the jack of all trades, including quilting, sewing, crafts, gardens and plants.

In her job in Public Relations, she has to meet people. But she is always staying after hours, making sure that "her" people are always satisfied. She loved children and worked with them for years. And now she brings the same kind of affection to her daily life. She sets up exhibits, organized and originated the Country Fair, sets up reports, and also has time to work with the blind.

For she is my friend. She is everyone's friend. She is a dedicated person for the Library as well as the Community. She is the original picture straightener. She is Bernice Neufeld.

After the awards and coffee and cake, the Town portion of the meeting was opened. John Maniec, from HAD, announced a fund drive. Ed Johnson said the beautification Project is under way and funds are needed. And a special announcement was made concerning the Bicentennial. The leaders of the Bicentennial were planning a permanent memorial to those who worked on that special year. After Venerable Monteforte from the Galileo Galilei Lodge was called to the podium, he announced that the Lodge will donate a granite monument to be erected in Hicksville for the purpose of memorializing all the work that this community has done to celebrate the nation's 200th Birthday.

## Receives Award

Eight Nassau residents were honored for their service to Jewish education at ceremonies co-sponsored by the Board of Jewish Education of Greater New York and the New York Federation of Reform Synagogues.

Those teachers and principals who have served in Reform religious schools for ten years or more were honored with an engraved silver pin. Phyllis Cohen of Plainview received a ten year award for service from Suburban Temple in Wantagh.

## Final Budget Review

The next meeting of the Budget Committee of the Hicksville Board of Education will be held on Monday, June 20, at 8:15 p.m. in the Conference Room in the Administration Building, Division Avenue.

The public is invited to join this committee for a final review of the 1977-78 budget and, also, tentative plans for next year.

## School Board To Meet

The Hicksville Board of Education will hold its regular meeting on Wednesday, June 22, at 8:15 P.M. in the Board Room of the Administration Building.

The public is invited to attend.

## Travel Tips

This is the year for Ireland. Our seventeen charters are practically sold out. We have seats only in late August and September. Our flights start at \$249 round trip per person.

Ireland can be explored by foot, car, boat, and from Pub to Pub. Walk down O'Connell Street, you come to Trinity College, founded in 1591, housing the Eighth Century Book of Kells.

How about cruising down the River Shannon on a luxury cabin cruiser. Sleeps from two to eight people. This cruiser comes equipped with refrigerator, gas cooker, dinghy and various essential equipment to give you a wonderful opportunity to explore the Irish countryside by boat. You can visit dozens of river towns like Carrick-on-Shannon, Rosky-Athlone, and Killadac.

While visiting Ireland you will

be discovering history, such as a megalithic tomb dating from 2500 B.C. in County Heath, replica of a "Crannog," a bronze age lake dwelling in County Clare.

You can stay over night in a castle, inn, farm house, thatched cottages, hotels which vary right up to deluxe luxury hotels.

A great way to see Ireland is by escorted motor-coach tours. Nine day tours including air fare, hotels, sightseeing, and meals starts as low as \$499 per person. You can fly over and drive all over Ireland if you feel a little adventurous in your heart.

Den charters start at \$249 per person. We still have Christmas seats available.

## CAR CARE

To make warm weather "Sunday drives" more enjoyable and comfortable, remember that the interior of your automobile needs regular maintenance to keep it safe and looking attractive.

Follow these car-care hints when preparing your auto for your next pleasure drive.

\* Remove all loose papers that may get blown around and obstruct a driver's vision. Keeping a litter bag handy may provide the cure for miscellaneous "flying objects."

\* Loose items rolling around on the floor can get lodged under a brake or gas pedal. They should be removed and stored in the trunk for safety.

\* The glare of headlights or strong sunlight reflecting on a dirty windshield can obscure a driver's vision. Clean the windows, rear view mirrors, vinyl dashboard and seat, and chrome work with a versatile cleaner like Glass\*Plus\* glass, appliance and cabinet cleaner. Just spray it on washable surfaces and wipe with a clean cloth or paper towels.

\* Shake out rubber mats to get rid of sand, pebbles, and leaves. Keep the carpeting free from leaves and dust by vacuuming or brushing.

Dear Mrs. Noeth,  
I would like you to know how extremely pleased I was with regard to the tremendous response to our recent Help-Wanted Ad for Home Typist in your Mid-Island Herald. The response was so great, in fact, that I was almost forced to hire an additional Staff Member to temporarily answer all the additional calls. I will certainly be recommending your Publication as a great Advertising source with the amazing results I experienced.

# The Plainview Fire Dept.....It's Beginning Years

Page 11 - MID ISLAND PLAINVIEW HERALD - Thursday, June 16, 1977

The Plainview Fire Department was organized in 1927. It was fifty years ago that the Home Owners of Plainview realized the need for their own fire protection. The Plainview Civic Association received information from the Hicksville Fire Department that their travel distance was limited to three miles as prescribed by the Board of Underwriters, and they no longer could give full protection to Plainview.

At this time, Mr. Robert Schwarzenbach, the owner of a large estate, realized the need for fire protection and immediately contacted Hicksville Fire Department to buy one of their fire trucks. He was able to buy a 1918, 40 gallon, Model T, chain drive chemical truck for \$250.00.

Mr. Max Aubertel, Superintendent of the Schwarzenbach estate, formed a fire brigade

consisting of the employees of the estate. Every Sunday morning this brigade practiced with chemical and with water supplied by the estates three hydrants. Mr. Schwarzenbach also mounted a large iron bell on top of a 60 foot observation tower, to be rung in case of a forest fire. In fact one could see the tall buildings in New York City on a clear day. The tower collapsed in the hurricane of 1938. The old bell is still in existence.

On June 2, 1927 a special meeting of the Plainview Civic Association was called for the purpose of forming fire protection. The meeting was held in the old Manno Hill two room school. 26 residents were present. Mr. William Jaegle was elected Temporary Chairman to represent the people of Plainview.

Mr. Charles Fleischer acted as Secretary of this meeting.

Mr. Anthony Ocker Jr. moved that Plainview form it's own fire Company and shall be named Plainview Fire Co. No. 1.

Mr. Max Aubertel was nominated and elected Chief of the newly organized Fire Company.

Mr. Aubertel then appointed Mr. Anthony Ocker Jr. as assistant Chief, Mr. Charles Fleischer as Foreman, Mr. John Jantzen as Treasurer and Mr. Alvin Schmitt as Secretary.

When Mr. Robert Schwarzenbach was informed of the Organization, he donated the Model T Ford to the Plainview Fire Co. No. 1.

The truck was temporarily housed in one of Mr. Santi Pancioli sheds, until his new barn and potato cellar (below) was built. Mr. Pancioli then granted the use of his new building for housing the truck and equipment. It also served as a meeting place. Heating at meetings was provided by a wood and coal pot belly stove. Refreshments after meetings usually consisted of coffee and buns, and was paid for by passing the hat among the members.

Two old 8ft. benches donated by Plainview School, was the only seating we had until the Chief obtained chairs. Actually these chairs were sawed off from school desks obtained from Hicksville School.

At the time of organization, most of Plainview had no electric light and no water service. However we were fortunate to have telephone, party lines.

The system used to report a fire was to call the Pancioli home. Then one of the Pancioli family sounded their large dinner bell, which was mounted on a pole. Later we tested different types of sirens and a lot of difficulty was experienced before we found one to our satisfaction.

Money for the siren and other equipment was raised by running affairs as dances, card parties and bazaars. These affairs were held in the barn above the potato cellar. Also we held Tag Days for a few years.

Under the capable leadership of Chief Aubertel, we participated in full uniform at the Labor Day parade in Hicksville, 1927, with all 30 members.

The cost of the uniform was \$23.00, half of which was paid by the members and half by the Fire

Company. Permanent possession of the uniform was granted after 5 year membership.

In 1928 the Plainview Water District was established, with water supplied by the Jericho Water District.

At that time we had need for an extra truck to carry fire hose. A committee was appointed to buy a second-hand truck. The committee consisting of Tony Ocker, Ben Sattig and Al Stauber traveled as far as Hamburg, Pennsylvania to inspect a truck for sale. This truck was very old, painted blue and had two benches for seating on top. They didn't dare bring this home. Finally they bought an old Packard from Central Park (now Bethpage) for \$150.00.

Firehose was needed and was purchased from Sam Kantor in Hicksville. We bought 393 ft. of 2 1/2 in. hose at 60 cents per foot. All hose was in odd lengths.

About this time the Ladies Auxiliary was organized to support the Firemen in their efforts.

In July 1933 we bought an International Chassis from Benkert in Central Park for \$1483.00. The body was designed by members of our Fire Co. The body was built with a windshield and this was a sensation at the Labor Day parade in Hicksville.

In 1934 (January), Plainview Fire Co. No. 1 was incorporated.

Also in the winter of 1934, Chief William Schwarz's house was lost due to fire. The men were unable to control the fire because of the deep snow and freezing cold weather.

Previous to that time, two houses were destroyed by fire, also a few illegal stills in the prohibition era.

May 10, 1934 Nassau County Firemen's training school was held in Plainview.

In September 1935 the Racing Team donated their excess money to the company, also a drive was started to raise money to buy another 500 ft. hose.

In November 1935 an offer was made to the Nassau County Sanatorium for fire protection, as the Sanatorium was in an unprotected area. In January 1936 the Board of Directors was organized. Elected members were William Schwarz, Anthony Ocker, Bernhard Sattig, Charles Gordon and Richard Bergman.

In February 1936 the Fire Co. received first payment from foreign fire insurance Co. This

amount was 2 percent of all the Home Owners fire insurance premiums. Later this money was automatically collected by the Benevolent Assoc.

In December 1937, the 9th Battalion District was organized. Delegates were Conrad Stiehr, Alfred Stauber and Bernhard Sattig.

**TIME MARCHES ON:** In the upper picture we see Plainview's First Chief Max Aubertel at the head of the first parade in 1928, while in the lower picture we see Charter Member Anthony Ocker viewing the sign telling the community of Plainview of the Parade and Party set for 6:30 pm by this Fire Dept. to celebrate its 50th anniversary.

**WHAT A DIFFERENCE.** In the upper picture we see one of the first fire trucks of the Plainview Fire Dept., a 1918 Model T, which cost \$250.00..... while in the lower picture we see from an aerial view, the up-to-date equipment of this Department which is now celebrating its 50th anniversary.

The story of how the Dept. purchased its latest sophisticated piece of equipment, the "apple picker", for \$125,000 (which they had already contracted and collected for) when it was on the market at that same time for \$224,000, and, then saved almost \$5,000 in interest charges, is a lesson in honorable, shrewd economics, plus good management and planning.

**THE OLD BARN FIRE HOUSE** of the Plainview Fire Dept. In 1927 is seen in the upper picture, while, in the lower picture we see the fine Plainview Fire Department Headquarters of today.

## K of C Track Meet

Many of the officials of the Town of Oyster Bay were on hand at the sixth annual CYO Track Meet which was held by the Joseph F. Lamb Council No. 5723, Knights of Columbus, Plainview, on Saturday morning, June 11 at the Plainview High School field. Town Supervisor Joseph Colby and Councilmen Tom Hogan and Ken Diamond were present to cheer the 600 contestants from six schools who took part.

The following schools took part in the competition: Our Lady of Mercy, Holy Family, St. Agnes, Cure of Ars, St. Raymond's, and St. James. The winning boys team, which scored the most points, and the first place winner, was St. James, coached by Robert Coyne.

Second place went to Holy Family and there was a third place tie between Cure of Ars and St. Raymond's.

The girls first place winner was St. Raymond's, which is coached

In the second row (left to right) are TOB Councilman Tom Hogan; TOB Supervisor Joseph Colby; and TOB Councilman Ken Diamond. The track meet is only one of the many events which is held by the Joseph F. Lamb Council for the youth of the community. As in other events, the track meet was officiated by many of the brother Knights of the Lamb Council. This year the track meet was held in memory of N.Y.C. Fire Captain Raymond C. Koehler, a deceased member of the Lamb Council who was killed in the line of duty. Photo by Frank W. Jopp.

by Ellen Nelson.

Second place winner was St. James and third place was won by Cure of Ars.

Shown in the photo above (in the front row left to right) are Arthur J. Granata, the Chan-

cellor of the Lamb Council and the Chairman of the meet; Deputy Grand Knight of the Lamb Council, Edward J. Boyle; and Grand Knight of the Council, Leonard J. Galati; on the end is Frank White, co-chairman.

Three of the Town Councilmen from the Town of Oyster Bay were the guest speakers at the monthly meeting of the Ernest F. Francke Republican Club of Hicksville, which was held at the VFW Hall in Hicksville.

Shown in the photo conversing after the meeting are (left to right) Club First Vice-President Charles Lynch who conducted the meeting; Councilman Tom Hogan; Councilman Ken Diamond; Hicksville G.O.P. Executive Leader Tom Gallahue; and Councilman Joe Saladino. Councilman Tom Clark (not shown in photo) was also present at the meeting. (Photo by Bob Schmechel)

Happy Birthday to Keith and Christopher Blake, Rm. Ln. HICKSVILLE. Keith celebrated on June 14, and Christopher on June 15.

Thomas E. Nealon of HICKSVILLE, Professor of Reading and Chairperson of the Reading Dept. at Nassau Community College, has been honored by the Chancellor of the State University of New York with an "Excellence in Teaching" award. Congratulations.

We're pleased to report that Jerry Greenberg of Devonshire Ct., PLAINVIEW, is on the mend

after his recent heart bypass operation. Friends of Jerry and his wife, Sandy, wish him the speediest of recoveries.

Congratulations to Janet Innes, daughter of Mr. and Mrs. Alexander J. Innes, Autumn Lane, HICKSVILLE. A Junior at Long Island Lutheran High School, she has been named to the National Honor Society.

Birthday greetings go to John Huttie, Harrison Ave., HICKSVILLE. He celebrates on June 18.

Congratulations to Howard R.

Thorp, formerly of Singer, who has been named Vice President, transportation division, Servo Corp. of America, HICKSVILLE.

Birthday greetings go to Roger Mola, Hewitt St., HICKSVILLE, who celebrates on June 18.

Congratulations to Mike and Sue Polansky of Sylvia Lane, PLAINVIEW, who celebrate their 14th wedding anniversary on June 22. They plan to take a "time out" from Mike's campaign for a seat on the Town of Oyster Bay Town Board in order to celebrate the occasion.

Birthday greetings go to Harold Smith, George St., HICKSVILLE, who celebrated on June 12. Wife, Joan, daughters Katy and Joanie, and son, Steven, helped him celebrate.

Former Hicksville resident, Harold Zeltmann, now of Head of the Harbor, will celebrate his birthday on June 17. He and his wife, Alice, will celebrate their 40th wedding anniversary on June 20. Congratulations and happy birthday.

Gene Briggs of HICKSVILLE was guest of honor at a surprise birthday party held on Sun., June 12. Over 35 friends and relatives helped him blow out the candles, but there was one surprise guest, and that was his mother, Mrs. Ethel Briggs of Miami, Fla., who flew in for the happy occasion.

Enjoying themselves while making a selection of historical photos depicting Hicksville's past are Richard Evers, local historian, and Vice President Anthony Bellacera of the Beacon Hill Savings and Loan Association. The newly established bank branch will feature the pictures as an integral part of its decorative scheme.

## Hamilton -- Isaacs

The marriage of Kim Hamilton, daughter of Mrs. Marjorie Hamilton, and the late Walter Hamilton, of Stony Brook, and Steven A. Isaacs, son of Mr. and Mrs. Jack D. Isaacs, of Dean St., Hicksville, took place on Sat., June 11, at the bride's home in Stony Brook. A reception followed.

Both bride and groom are honor graduates of the State University at Stony Brook.

Mr. Isaacs teaches at Commack South High School, and Mrs. Isaacs has a fellowship at Stony Brook.

The couple will reside in Selden.
