At HHS

As a major term project that would be useful to them and to others, Mrs. Antoinette Sanna's 4th Year Pilot Italian students at the Hicksville High School, prepared a book on Italian Regional Cooking. What started out to be a small pamphlet developed into a comprehensive, beautifully illustrated, 75 page book.

The book consists of the traditional dishes from the

various regions in Italy, both in Italian and in English. The students did a lot of research, not only in the cooking aspect, but also the historical and cultural background of the various regions of Italy. A great deal of time was spent in translation from Italian to English and English to Italian.

Not only did the students learn from this joint project but they enjoyed doing the work as well.

HFD Mourns Loss of H. "Hawxie" Hawxhurst

By Ex-Capt. Owen Magee

Once again, Hicksville's Firefighters assembled to pay tribute to one of their most popular members. Harold "Hawxie" Hawxhurst, 67, a 49 year veteran of the Hicksville Fire Dept. Just recently, you will recall, the Vamps lost their beloved Henry Gebhardt, Ex-Chief.

Hawxie, as he was known to his friends and associates, was one of the most colorful members of this department. Like Ex-Chief Gebhardt, Hawxie, too, could be counted on when the chips were down or when your back was against the wall. He would always come to your aid. Hawxie helped organize Hook and Ladder Co. 6 and became its first captain, after transferring from

Harold Hawxhurst

Ladder Co. No. 1. He gave five years of his time as Fire Commissioner, and during that time

many new innovations and ideas were put to use. He worked for many years with the Lauman Well Drilling Co. before becoming Supt. of the Hicksville Water District where his many talents were put to use. He was a member of the Drill Team Capt. Assoc.

He was a Life Active Member of the Department, an Exempt Fireman, Ex-Capt. of the Hicks Drill Team and one of the teams key men, helping in design and construction of their competitive rigs. He was well known throughout New York State for his expertise in the fire tournament field. He was honored in 1972, when his fellow vamps dedicated the 44th annual parade and drill in his honor. School Board Denies Corps Request

By Linda Strongin

The Hicksville Board of Education last night denied a request from the St. Ignatius Cadet Corps to reconsider the Corps application for the overnight use of the senior high school gym and showers by a visiting Massachusetts Corp. Mr. Ray Guckenberger, Business Manager of the St. Ignatius Corps explained to the Board that these students would be well supervised; that all costs would be paid for by the Corps; and that the members were "well-behaved students."

He also informed the Board that the St. Ignatius Corps had been invited by this group to perform and would be accommodated at their local high school for four nights.

"This is a way of life for a corps - sleeping on gym floors." He informed the Board of the various invitations received from throughout the United States and Canada to perform and to use schools for overnight accommodations. "Other schools open their doors to us."

President Iris Wolfson, however, said that it was a question of "board policy" and the Board was reluctant to set a precedent for this type of building use. She asked if other churches or schools had been contacted and suggested he contact Holy Trinity High School. Mr. Guckenberger pointed that churches in our area had opened their doors but "they do not have showers." Voting "no" on the request were Mr. Ayres, Mr.

Arena and Mrs. Wolfson. Mr. Lari was not present for the vote.

In other action, the Board voted to close and dispose of six rooms of the Woodland Avenue temporaries. The action was recommended by the administration. Mr. Cornelius McCormack pointed out that many senior citizens were "outraged" by the actions of the Board concerning the temporaries at Burns Avenue School. Dr. Manus Clancy, however, explained that at a meeting of the Long Range Planning Committee, the spokesman for the senior citizen group had withdrawn the request for the use of the temporaries and had thanked the Committee for its consideration in the matter.

"The Glorious Fourth"

At Eisenhower Park

A spirited soccer game will kick off the Twentieth Annual Independence Day Festival at Eisenhower Park at 12 noon on Monday, July 4. Lufthansa Airlines will play a team representing Germany at Field 6P near Parking Field No. 6A. Also at noon, a typically American sport will be played when baseball teams from the Long Island State Musial League take to the diamonds at Ballfield 'B' near Parking Field No. 4 and Ballfield 'A' near Parking Field No. 1.

At 1 p.m., the Nassau County Pony Association will conduct a sulky exhibition at Ballfields 4 and 5 near Parking Field No. 1. An East Meadow Little League all-star game will begin at 1:30 p.m. at Ballfield 'D' near Parking Field No. 4.

From 2 to 5 p.m., musicians of the strolling "Umpah Band" will be entertaining as will the puppeteers who will be staging "Pistol Smoke," a play for youngsters, at 2 and 3 p.m.

A cricket match and girls' soccer game are scheduled for 2 and 3 p.m. respectively and at 3:30 p.m., a skateboard exhibition will live up the Roller Rink near Parking Field No. 4 where Square Dancing with Frankie K will take over at 6 p.m.

At 9 p.m., just 15 minutes after the U.S. Marine Color Band ceremonially lowers the flag at the Veterans Memorial, fireworks will flare up high over the Nassau Veterans Memorial Coliseum in a dazzling, sky-bursting display visible from open areas in Eisenhower Park.

Commissioner Richard A.

Fitch of the Nassau County Department of Recreation and Parks advises Independence Day visitors to come early as the park will be closed for safety reasons if it fills to capacity as it has in past years.

At Old Bethpage Village

Once again, the public is invited to join in the celebration of an old-fashioned "Glorious Fourth" at the Old Bethpage Village Restoration. Music, games and special events will keep visitors entertained all day Monday, July 4, from morning till late afternoon.

The day's festivities begin with traditional music played near the Noon Inn from 10:30 a.m. till 12 noon, when the Old Bethpage Singers take over at the Manetto Hill Methodist Church.

Special this year is the recreation of a Temperance "Pic Nic" that was held in Manhasset on July 4, 1843. The festooned grove of trees behind the Noon Inn is the picnic site. For the occasion, the museum cafeteria will pack a traditional box lunch of cold fried chicken, salad, beverage and cherry pie, at \$2.50 per person. Advance reservations, by calling 752-1209, are suggested. Those who prefer to bring their food from home are asked to carry it in appropriate baskets or cardboard cartons so that the historic atmosphere may be maintained. Free lemonade will be available at the site from 12:30 to 2 p.m.

At 2 p.m., all historic buildings will close down and musket fire will signal the start of the parade at the Powell Farm. Marching to the rousing beat of the Old Beth-

page Brass Band, participants will wend their way through the crossroads and onward to the church. Village youths will decorate their historic fire engine for the occasion, just as was done in the 1800's.

Formal ceremonies begin at 2:30 p.m. with the pealing of the church bells and all present will join in the singing of "America". Following a prayer by the village minister, the reading of the Declaration of Independence and other oratory, everyone will sing "The Star-Spangled Banner". In another new touch this year, the village youths will plant a Liberty Tree to signify the intention to keep freedom "ever green" and growing in our nation. After the Benediction and the raising of the 31-star flag, a 13-shot salute will conclude the ceremonies.

Historic buildings will re-open and more music will be played throughout the afternoon. The Brass Band presents a concert from 3 to 3:30 and 3:45 to 4:15 p.m. behind the Noon Inn, while traditional music continues intermittently until 5 p.m.

Among the traditional games to entertain visitors will be a greased pole climb from 3 to 4 p.m. in the village crossroad and hoop races down the Main Street, beginning at 3:30 p.m.

The Old Bethpage village restoration is a museum facility operated by the Nassau County Department of Recreation and Parks. It is located on Round Swamp Road, off Long Island Expressway Exit No. 48. Admission is \$2.25 for adults and \$1.50 for children age 5 through 17. Nassau County residents with Leisure Passes pay \$1.75 and \$1.25 respectively.

also participate in the mammoth Long Island Fair on October 8, 9 and 10.

The Old Bethpage village restoration, a working farm community of the mid-19th century, is maintained and operated by the Museum Division of the Nassau County Department of Recreation and Parks. It is located on Round Swamp Road, south of Long Island Expressway Exit No. 48 and open daily during the summer from 10 a.m. to 5 p.m.

The garden, recently built in a serene setting adjacent to the lake at Eisenhower Park, was initiated by the Nassau County Executive following conversations with veterans groups and John R. Ray, director of the Nassau Veterans Service Agency.

Dear Friends...

When this newspaper covers various local Board meetings, it is to report objectively on what occurs at these meetings, whether they be local Board of Education meetings, Town Board meetings, or the like. Therefore we do not express opinions in these stories.

Our opinions usually occur in this column, while yours is always welcome in our "Letters To The Editor", subject, of course, to our long-time policy not to print controversial opinions in the issue before an election because they cannot be answered before said election...subject also, to space, on which we do our best in the space dictated to us by the number of advertisements in each issue. This of course is true of all newspapers...suffice to say that if we were larger, we'd have more space to bring you news of the good (and not so good) matters affecting our communities.

Next week we have much to tell you about the Hicksville Beautification Program which is going forward under the able direction of Dr. Walter Dunbar with the able assistance of Mr. Ed. Johnson and many many community groups, as you can see as you drive up Broadway. We believe they are all to be commended and helped, as much as possible.

THAT'S ALL for this week. Our best wishes for continued success to all our fine High School graduates...remember that high hopes backed with hard work always result in success, especially when they are tied to long-term purposes of which you can be proud.

The Board approved summer work for Mr. Martin Lapidus, Coordinator of Special Education for eleven days at 5 percent of his annual salary. The administration, however, had requested twenty-two days at ten percent of annual salary. Mr. Erwin Rozran, Assistant Superintendent, vehemently pointed out to the Board that the work involved "could not possibly be done in less time than we request," because of the numerous tasks involved with the Special Education program.

The Board did include in its motion a provision for Mr. Lapidus to ask for more time if it was needed. Voting "no" on the motion to an eleven-day work schedule were President Iris Wolfson, and Trustees Neil McCormack and John Lari.

The Board approved a physical education curriculum for grades K-6 after considerable discussion concerning the evaluation and supervision of the program. Mr.

Community Council officers (left to right) president Carole Wolf, treasurer Cathy Stocker and secretary Arlene Didier.

Ignatius Reizzo, Director of Physical Education and Health and Dr. Clancy explained the curriculum which would replace and bring up-to-date the existing program. Mr. Reizzo informed the Board that not all of the skills mentioned in the curriculum would be done in one year, but that it was an on-going seven-year program. Dr. Fred Hill, Superintendent, added that it was a "master guide" for teachers.

The Board approved routine expenses; awarded bids totaling \$22,079.01; and adopted a resolution to increase the tax exemption for senior citizens to \$7,200.

Also approved was a project to develop a district-wide book inventory and a short-answer testing procedure, under the supervision of Mr. Frank Brown.

The Board approved annual increments for clerical and custodial staff and established rates for part-time buildings and ground personnel.

The Board tabled several items until the next meeting on June 29, 8:15 p.m. in the conference room of the administration building.

Weo swept an almost double header from the previously league leading Iannones by winning a suspended game from last week in one inning, and taking the regularly scheduled game 7-5. Bill Strak ripped a bases loaded double to drive in

the winning runs, and Jim Trentanove struck out the side to complete the suspended game which had a final score of 13-9. Summer Fun In Oyster Bay

Sports, games, music, field trips, story telling and theatricals are just some of the activities for youngsters that will be sponsored this summer by the Town of Oyster Bay Department of Parks and Recreation, and the Cultural and Performing Arts (CAPA) Division of the Department of Community Services.

Open to residents between the ages of four and 14 in the Bethpage, Massapequa, Plainview-Old Bethpage and Syosset-Woodbury Community Park Districts, the program will be held weekdays between 9:30 AM and 3:30 PM at the community parks and Haypath Road Park, Old Bethpage.

DEVOTIONS

Trinity Lutheran Church
Dial-A-Devotion 931-2221

By The Rev. John H. Krahn

WHAT HAS EVER HAPPENED TO HONOR?

"Wilt thou have this woman to thy wedded wife... wilt thou love her, comfort her, honor and keep her in sickness and in health, and forsaking all others, keep thee only unto her, so long as ye both shall live?" And all of us who are married said, "I will." Tucked away inside this vow is a promise to honor our spouses... to respect them, stand up for them, hold them in high esteem-honor them in every way-especially by being faithful to them. Because of the high divorce rate and other statistics we read on marital fidelity, we are moved to ask, "What has ever happened to honor?"

Where is honor in the relationships of young people dating today? God has declared that our bodies are the temples of the Holy Spirit. We are told that by the age of twenty-three the majority of unmarried young adults have violated each other's virginity and thereby dishonored the dwelling place of God's Spirit. What has ever happened to honor?

In much of the business world today, doing the smart thing has replaced doing the right, honorable thing. Morality seems to be coming a thing of the past like bobbysocks and bloomers. Foolish is the person who does the honorable thing and winds up burned by it. Practical considerations have replaced principle decisions. What has ever happened to honor?

When we love and honor the Lord completely without reservation, we are also motivated by the Spirit to live lives that outdo one another in showing honor. The Christian should be the outstanding citizen of the world-like a sparkling diamond before it is separated from its rough background. Today, God is saying to us, love and honor Me. Be honorable in all that you do. Remember your marriage vows. Honor your spouses by caring for them. Don't attack them by your words or your actions, but build them up. Do you love them? Tell them. Better, show them. Your children, your parents are a gift from God to you. Your parents, I'm sure, make many mistakes, but they love you and want the best for you. Honor them, tell them you love them. Better show them. The people you'll meet today...tomorrow's companions through life, all need to be touched by your love and esteem, for through your love God wants to add wholeness to their lives. By your actions, your way of doing business, the way you move through life, may "honorable"

become a descriptor of your personality.

We can never overdo honor. Excessive honor is not possible. We can never show God superfluous respect and esteem. Once I asked a young child how much ice cream she wanted. Her answer was, "Give me too much." She obviously wanted a lot. How much honor are we to show the Lord and each other? A lot, or to put it in the words of a child, "Too much."

Our Lady Of Mercy School News

Our Lady of Mercy School, like all the other schools in the area, has been in a frenzy of end of school activities, completing projects, preparing for final tests, going on class trips, etc. This past Monday, the seventh grade held a retreat at the school in preparation for the reception of the Sacrament of Confirmation, which will be conferred in the fall. The eighth grade boys attended a special retreat at Rocky Point on the same day, and the girls attended one on the following day. A retreat is a day of rest, reflection, meditation and prayer. After such a retreat, the people involved return to their everyday activities refreshed in body and mind and recharged in spirit.

On Thursday of last week, a special liturgy was held for all the teachers, children and many parents of Our Lady of Mercy School. After the Mass, celebrated by all the Priests of

the Parish, and at which the children acted as lectors, cantors, etc, there was a procession to the front of the Church. All the children were dressed in their Sunday best, and

the second graders were bedecked in their First Communion finery. There, in front of the church, we held our annual "Crowning of Mary as Queen of Heaven and Earth" ceremony.

Outside recreation at VACATION BIBLE SCHOOL takes many forms. Here children have fun with a parachute. Stories, Songs, Crafts, Worship ... are all part of Vacation Bible School for children ages 4 to 14 at Trinity Lutheran Church, 40 W. Nicholas Street, Hicksville. Two sessions will be held this year: July 5 - July 15; and July 25 to August 5. Classes meet Monday - Friday, 9:00 a.m. to 12 noon.

TOB Adopts New Law

A local law licensing places of assembly was adopted this week by the Oyster Bay Town Board covering all places that can accommodate more than 50 people.

"This law enhances the availability of the Town to regulate and enforce our fire and safety codes by requiring an annual inspection and license renewal of all places of public assembly in the Town," Town Supervisor Joseph Colby said. The legislation was proposed by the Town's Fire Advisory Board on which the chiefs of all the Town's fire departments are represented.

The law covers a wide range of places, from auditoriums, cabarets, nightclubs and bowling alleys, to lodge halls, meeting rooms, private schools, archery ranges and funeral parlors. Exempt are family gatherings in residential buildings.

Occupancy restrictions for various types of places are defined, and stringent fire safety regulations, with particular emphasis on emergency exits, have been incorporated into the new law.

Other sections deal with sanitary facilities and environmental requirements; fences, landscaping and screening; pavement and parking areas, and maintenance of buildings.

"The key aspect of this law," Colby commented, "is that every public facility in this Town will have to undergo a rigorous safety inspection once a year so that we won't have a Beverly Hills Supper Club disaster here."

SUMMER FUN

mime and several theatrical productions.

Registration for the summer program will be continuous from the first day of operation to the end of the program. There is no fee.

Free bus transportation to the community parks will be sponsored by the Parks and Recreation Department. Buses will make periodic stops throughout the park districts for the duration of the summer program. Bus schedules are available at the community parks.

"The Town has a wide range of family activities planned for this summer," Saladino commented. "Not only will they provide constructive ways for youngsters to spend their leisure time, but it will give them exposure to a myriad of recreational and cultural experiences."

Plainview's Ron Harris WPI Bound

Ron Harris, a senior at Plainview's John F. Kennedy High School in Plainview, will be attending Worcester Polytechnic Institute in the fall.

Harris is expected to continue his wrestling career at WPI under the watchful eye of Coach Phil Grebinar (a native of Merrick), who this past winter led the Engineers to an outstanding 14-2 win-loss record and a more than respectable seventh place finish of 29 teams in the New England Intercollegiate Wrestling Association Tournament.

There are several fine freshmen entering WPI in the fall who may help the right away said Coach Grebinar. "But Harris probably has as much if not more potential than any of them."

An All Division football player at offensive and defensive end at John F. Kennedy High School, Harris will concentrate on

wrestling at WPI. Ron was the 1977 North Shore Division II Champion in the 132 pound weight class.

"Harris is mentally and physically tough" said Grebinar who coached four All-New Englanders in 1977 and sent two grapplers to the Division III Nationals in Binghamton, N.Y.

"He will probably compete at 142 pounds" added the coach, "and he very well could be the starter."

"And he's an Islander" said the coach with a smile. "I would say right now that Harris has the potential to be a great one for us."

An excellent student, Harris lives at 110 Briarwood Lane in Plainview.

Babe Ruth was left-handed.

Graduation At Trinity Lutheran

Trinity Lutheran School, 40 West Nicolai Street, Hicksville, held its graduation ceremony on Thursday, June 16, at 7:30 p.m. This year there were 39 graduates in the eighth-grade class, coming from all the various communities around the Mid-Island area. At the graduation numerous awards were given out. There were three different types. The first was the American Legion Award, given by the Charles Wagner Post, for service to fellow-students and country. The next award was the Parent-Teachers and Friends Award, for outstanding scholastic achievement. The last award the most revered was the Paul Jud Award for Christian Service. During the graduation the parents and students were addressed by Pastor John C. Hinsch of the Lutheran Church of the Good Shepherd, Plainview.

GRADUATION: In the top picture the Rev. John H. Krahn stands with Larry Fallings and Mr. and Mrs. August Jud after winning the Paul Jud Award for Christian Service.

Just below this we see Amy Ruth and James deWindt showing their American Legion Awards after Mr. Weldon Endorf, principal (in the center) presented them.

Third picture (top) shows Cathy Moyse and James Pryor who received students' awards for scholastic excellence. Mr. Endorf is in the center.

Hours Added To Pool Permit Processing

Residents of Oyster Bay's four community park districts who have received pool membership applications will be able to have their permits processed at the Community Park during week-days, in addition to the weekend dates originally scheduled.

"Our Commissioner of Parks and Recreation has arranged to keep the photo and permit processing machines at the parks all week long," according to Town Supervisor Joseph Colby. "This will allow residents a greater opportunity to obtain

their membership permits prior to the start of the season."

Colby said that beginning this week the machines will be available seven days a week from 9 AM to 9 PM at the Bethpage, Plainview-Old Bethpage, Syosset-Woodbury and Marjorie

R. Post (Massapequa) Community Parks. "In addition, our parks personnel have devised a system whereby it will not be necessary for all members of the family to have their passes processed at the same time."

At Hamburg Opening

Highlights of the free live entertainment program marking the opening of the Hamburg Savings Bank office on Saturday, June 25, on North Broadway in Hicksville will be the appearance of the national championship St. Ignatius Girls Cadet Drum and Bugle Corps from Hicksville and Mario Manzini, modern-day escape artist, whose feats are said to rival those of the legendary Harry Houdini.

The 120-girl marching band are the current V.F.W. national champions and have been Nassau County American Legion champions since 1966. They will appear at 11 a.m.

Feature attraction of Mr. Manzini's program will be an escape performed while hanging from a burning rope 90 feet above the ground. No nets or other safety devices will be used in this spectacular stunt. His performance is scheduled to begin at 11:45 a.m. in the parking lot of the bank at 249 North Broadway, next to the Sears Shopping Center.

Additional entertainment provided throughout the opening day of this eighth Hamburg Savings Bank office will be three shows by TV clowns Dokey and Perky Pinky. Children are in-

vited to visit the four-pen petting zoo, where special food will be provided for the feeding of the baby animals.

The Hamburg Savings Bank's grand opening celebration, which begins on this Friday, June 24, will continue through July 23. Special entertainment programs have been set for every Wednesday and Saturday.

During the entire period of the celebration, a choice of 87 brand-name gifts will be offered to those opening new accounts of \$500, \$1000, \$5000, \$250 or more. Everyone, whether he becomes a depositor or not, visiting the bank will be eligible to register for weekly doorprizes, 199 in all.

The full range of banking services offered at the new bank include high-rate time savings certificates, savings accounts, free checking accounts and speedy auto tellers. The Hamburg Savings Bank, incorporated in 1905, has assets of over \$620 million.

The Hicksville office of the Hamburg Savings Bank is located at 249 North Broadway (Route 107) at Nevada St., next to the Sears Shopping Center and across from the Mid Island Shopping Plaza. Banking hours during the grand opening period will be 10 a.m.-6p.m. on Saturday and 10 a.m.-9p.m., Monday through Friday.

Mourns Hauxhurst

(Continued from Page 1)

is just some of his contributions to the community and its fire department. But what many of us, looking back, fondly remember was his ability to take a young kid and make him into a man. He'd cut you down hard when you messed up. But he would pick you up and help you start all over. I will always remember Hawxie's Legendary "Halloween Raids" on chiefs, commissioners, and any current outspoken members' homes. For many of us it was our best of times.

The "Old Man" set the pace for many of us for years, helped prepare us to go on to become officers and gentlemen. His passing - answering the final alarm - is a great loss to all of us. The Hicksville Fire Department has again lost a man of greatness that will probably not be matched again. To his family - we give thanks for sharing him with us, we offer our sympathy, we mourn Harold "Hawxie" Hauxhurst, Firefighter, Commissioner & Officer - but most of all a very close friend.
