

## A Message From Our Water District

The Board of Commissioners, Hicksville Water District, in a follow-up of their prior commitment to keep our customers appraised and informed of the water quality condition in the Hicksville Water District, have additional information for your interest.

All of the Hicksville Water District's sixteen deep wells with a capacity in excess of thirty two million gallons per day meet the present State Health Department Guidelines for organic constituents.

One shallow well as recently shown one sample with levels greater than allowed. This well is now off the line has been used only sparingly in the past few years. For example it has supplied only 2 percent of the total pumpage to date in 1977 and has been blended and run as a lag well when used. However, as stated, it has been secured and placed in a "Restricted" category, which means that it will no longer be used except in an emergency.

If subsequent testing were to find satisfactory improvement the well may be upgraded. We will constantly monitor our supply to be certain of its continued excellence.

## Museum Expansion Plans

The Gregory Museum, Long Island Earth Science Center, is raising money to move the Braun Ice House, built in 1870, to Museum property. The Braun Ice House will be used to house the Museum's store and classrooms to teach the lapidary arts.

Money is also being raised to excavate the ground under the Museum and reinforce the foundation. The basement will be used for classrooms; much needed storage area; and a workshop.

Grants-In-Aid have been submitted to the U.S. Department of Interior for funds to help do the above. These grants are matching grants - the Museum

has to raise 50% of the costs.

Any organization or individual interested in donating funds to assist with the two projects should contact The Gregory Museum at 516-822-7505. Proper recognition will be given to all donors. Donations are deductible from income taxes.

Reminder, Saturday, August 27 - Film "The Great Barner Reef," underwater photography shot in Australia. Sunday, August 28th - Lecture by William Schmachtenberg, Paleontology Major at Cornell, on "Fossil Collecting Areas in New York State. Programs begin at 2:00 PM at The Gregory Museum, Heitz Place, Hicksville.

## "THANK YOU" FAIRHAVEN GARDEN CENTER

for planting and maintaining the flower bed  
at Broadway and Bethpage Road

## HICKSVILLE BEAUTIFICATION COMMITTEE

## Statement From Library

The purpose of the Hicksville Library Architectural Barriers project is to insure proper access to the library for the handicapped who are denied the full utilization of a public facility that they support as any other taxpayer. The plans that include construction of an elevator, ramps and modification of public bathrooms, will also insure that no person will be excluded from library employment because of lack of facilities to handicapped applicants. The survey, funded by a New York State Grant, has been prepared by the architectural firm of Scheiner and Swit. Numerous organizations have endorsed the study including the United Cerebral Palsy Association, the Muscular Dystrophy Association and other handicapped groups. At the present time our entire children's department, auditorium and periodical room is in effect off limit to most of our physically handicapped citizens.

A few things should be said about this project in order to give the taxpayer, who is voting on the referendum on September 15, some pertinent information. It is not our intention to play a numbers game with our handicapped citizens, since simple justice should dictate equal access to public facilities regardless of numbers. However, do not be misled about the extent of the problem in the United States. Most estimates place the number of handicapped at 12 percent of our citizens, many who seldom venture forth unless absolutely necessary partly because of the difficulties encountered in many stores, theatres and public buildings. We expect, should the project eventually be completed, that many of our citizens will benefit from access to our 250,000 volumes, and our many musical, art and theatre programs presented each year. The initial cost of installing the elevator, ramps and rest room facilities will be the cost forever except for a yearly service contract for the elevator.

The library will receive no funding for the project at this time (even if approved) since the public schools and the Town of Oyster Bay projects will receive the available funds from the Economic Development Administration that administers the recently passed Public Works Act. However, we urgently hope that the community will express its concern for the physically-handicapped by expressing approval of Proposition Two. Our attorney advises us that we will be eligible for future funding without the necessity of another vote should the project be resubmitted. Since we hope and expect future funding the people that most need the help may eventually benefit. It seems hardly possible that a project as obviously useful and humane can be denied public funding forever.

## Labor Day Parade and Drill

By Bill Nacewicz

The 1977 Labor Day Committee is making the final arrangements for the 49th Annual Parade and Drill. The committee has been working since January on all the details involved in making the day a success. An affair of this size is not organized overnight!

The men of the Hicksville Fire Dept. will begin to set up the stands and equipment on Sun., Aug. 28. The men will be working all week to have everything ready for Labor Day, Monday, Sept. 5.

This year we will be honoring Ex-Chief and Ex-Commissioner Medard Offenlo, Jr. Medard will be Honorary Chairman of the day. He was chosen for this honor to thank him for his many

years of service to Hicksville.

The General Chairman is Lt. William Thunell of Hose Co. No. 4. It takes many years of service on the Labor Day Committee before a man is asked to serve as General Chairman. So to Spike Thunell, we also say, "Thanks."

This year each of the parade's six divisions will be led by an Ex-Chief of the Hicksville Fire Dept. and a Hot Rod car from the Long Island Street Rod Association.

The Parade will feature Fire Departments from Nassau and Suffolk as well as upstate areas. There will also be Departments from out of state. There will be many hands for your entertainment.

Be sure to come and support

the Hicksville Fire Dept.

The Parade will start at 9 a.m. sharp. The route is as follows: start will be from the Headquarters on East Marie St.; the parade will proceed to Jerusalem Ave., then southbound to Old Country Rd.; eastbound to Broadway; north on Broadway to East Barclay St. and Woodbury Rd.; eastbound the Bethpage Rd., then west to where the parade will end under the arch on the Hicksville Water District property.

The trophies for both the Parade and Drill are on display at Mid Island Plaza.

Mark your calendar now, be sure to join us on Labor Day, Sept. 5.

## Working On The Railroad

The Long Island Rail Road will begin the renewal work on one of its two Main Line tracks between Mineola and Hicksville on Monday, August 29.

The work will be performed on the 6.3 mile stretch of track on weekdays only between the hours of 9:15 AM and 3:30 PM and will continue through Friday, October 7. There will be no work performed on Labor Day, Monday, September 5.

During those hours, 34 east and westbound trains will operate on the westbound track only, with no anticipated interruption of service.

Passengers at Carle Place and Westbury stations will board trains on the westbound platform while the work is going on.

AWARD: Frederick W. "Ted" Eckhardt (right) Chairman of the Board of Directors accepts Boy Scout Sponsor Award on behalf of Beacon Federal Savings & Loan Association. Making the presentation is Harold W. Johnson, Skodak District Chairman, Nassau County Council, Boy Scouts of America.

Mr. Eckhardt is the 1977 recipient of the annual Boy Scout Recognition Award presented to him at a Dinner and Dance Reception in his honor this past June.

## Donovan Chairs Diamond Conservative Campaign

Oyster Bay Town Councilman Kenneth S. Diamond today announced that Daniel F. Donovan of Plainview, President of the Mid-Island Conservative Club, will serve as Town Chairman of Diamond's campaign for election in the Conservative Primary.

Councilman Diamond proudly stated that, "Donovan has for more than ten years been an active worker for the Conservative Party, and is well known for his civic, charitable, labor and youth activities."

Donovan, a former U.S. Marine, is Vice-President of the Town of Oyster Bay Civil Service Employees Association, and is active in the Police Boys Club; Knights of Columbus and the Ancient Order of Hibernians. He is the Vice-President and co-owner of Donovan's Armed Guard Service, Inc.

Donovan, in accepting the chairmanship said, "In my

Daniel F. Donovan

constant dealings with the Town, I have sought, consulted and received the aid of Councilman Diamond. His voting record has clearly demonstrated his successful efforts to keep our taxes down, to prevent HUD

controlled low-cost housing from our Town, and he has fought forced bussing of our children." "Diamond" has been nominated by the Executive Committee of the Conservative Party. It is essential that we return him to office, and therefore I urge all enrolled Conservatives to vote for Diamond and the Regular Conservative Slate on Thursday, September 8th, on Row G."

## Rotary Scholarships

The Rotary Club of Hicksville sponsors a Scholarship Program, which was started by Aaron Rochman, Esq. approximately fifteen years ago.

At their luncheon meeting last week, Chris Mazur Chairman of the Rotary Scholarship Fund, introduced each of the young recipients.

These students included: Betty Mater of Trinity High, 1974; Mary Flaig, HHS, 1974; Joy D'Aversa, Jericho High, 1974;

Karen Dwyer, Trinity High, 1975; Joann Weber, Jericho High, 1975; Eileen Nelson, HHS, 1975; Carolyn Reed, Trinity High, 1976; Lori Lee Tendler, Jericho High, 1976; Edward Bosson, HHS, 1976; Cathy Scheredos, Jericho High, 1977; Ilene Levy, HHS, 1977; James Powers, Trinity High, 1977; Keith B. Hayes, HHS, 1977; and two recipients of "The William A. Payoski Scholarship", Phyllis Koling, HHS, 1974, and Russell Hoffman, HHS, 1975.

## WHY... We Owe It To Hicksville And To Ourselves To Re-elect HARRY BORLEY WATER COMMISSIONER

Tuesday, Aug 30, 1977, 7 pm to 10 pm at Main Firehouse, East Marie St., St., Hicksville

Harry Borley

### Q. WHAT IS HARRY BORLEY'S PUBLIC SERVICE RECORD?

A. He now serves as Chairman of the Hicksville Board of Water Commissioners. His dedicated service to his neighbors in the Hicksville Fire Department; on the Board of Water Commissioners; as a Chairman of the Long Island Water Conference; and on the Conference's Comprehensive Planning Committee, has yielded him incomparable and extensive experience which is reflected in the success of all civic agencies he has served or is now serving.

### Q. WHAT HAS MADE HARRY BORLEY AN AUTHORITY ON COMMUNITY WATER NEEDS?

A. Harry's 50 years of experience in the Hicksville Fire Department (some of it as Chief); his exemplary career in the planning and implementation of our Water District's ongoing and future programs; and his leadership in safeguarding the future water supply for our area through com-

prehensive planning, has earned him an enviable reputation among public servants throughout Long Island.

### Q. WHAT "SUCCESS" DID HARRY BORLEY HELP ATTAIN FOR HICKSVILLE AND ITS TAXPAYERS?

1. All bonded indebtedness has been completely paid off by our Water District. This includes the 1962 Capital Improvement Bond which was liquidated this year.
2. Extensive but necessary improvements to the existing plants have been paid for without incurring debts. These included the installation, at the Alecia Street plant, of two new wells; a 2-million-gallon storage tank; a booster station; piping; and apurtenances for water treatment.
3. In 1976, the Board of Commissioners installed a 12" main in Bloomingdale Road, without financing.
4. Currently, our Water District of which Harry

Borley is a mainstay, is having additional wells constructed at the Dean Street Plant and the Stewart Avenue Plant along with extensive improvements without resorting to financing.

5. While serving on the Board of Water Commissioners, Harry was the prime mover in developing the Fireman's Training Course and Drill Site at the Water District Property on Bethpage Rd.

### Q. HOW DOES OUR WATER DISTRICT, WHICH HARRY BORLEY HAS HELPED BUILD, MATCH UP WITH THOSE OF COMPARABLE COMMUNITIES?

A. Our Water District has been in the forefront of all of the County's Water Districts in Chemical analysis of its potable water supply as it relates to the recent studies of the Federal Government's 208 Program; and, while Hicksville now has one of the finest, quality controlled Water Districts in the nation, it maintains a tax rate among the lowest in the Town of Oyster Bay.

THE ANSWERS to the foregoing questions indicate why Harry Borley (like all faithfully, conscientious and eminently qualified public officials) deserves to be retained in office through an overwhelming vote of confidence and gratitude. Numerous civic, fraternal business and professional leaders have unequivocally endorsed Harry Borley -

**YES.....**

**We Owe It To Hicksville and To Ourselves , to Re-Elect Harry Borley Water Commissioner**

Paid For By the Committee To Re-elect Harry Borley.

## New Approach To Ice Hockey

The Board of Directors of the recently formed Twin Shores Youth Hockey Association has announced a new youth ice hockey program for children ages five through seventeen, designed to be the most complete youth hockey program on Long Island.

The concept is unique in that every boy enrolling in the program is guaranteed a place on a team with other boys of similar experience and ability.

This is made possible by the establishment of three different programs - each tailored to different levels of experience and offering participants the greatest number of playing and teaching hours available on Long Island. Programs are the highly competitive Long Island League All Star B level an Independent Team program and a special Aile program for children aged five to eight.

In addition to game playing, the programs feature a very heavy schedule of professionally run "on" and "off" ice training sessions and on-going videotape reviews, plus what amounts to rink membership for participants to practice skating and other skills during the season without additional charge at Twin Rinks - the organization's home rink. The same system of play is used at all levels to permit participants to easily move from one part of the program to another.

TSYHA's All-Star B teams play in the Long Island League, in association with the famous Greater New York City hockey association. Greater New York is a pioneer in United States youth hockey and presently offers All-Star "A" level and house league programs in New York City.

All TSYHA programs are under the direction of Lou DeLuca and Joe Werfel. A full program of special sports and family events will be held during the year for participants who are from all areas of Nassau and Suffolk Counties and eastern Queens.

The TSYHA is an independent, parent governed, non-profit organization dedicated to teaching all around personal development, as well as sports skills to participants. The organization represents a combining of two experienced Long Island youth hockey organizations - South Shore Youth Hockey Association and Twin Rinks Youth Hockey Association and plans to offer programs throughout the year.

Anyone interested should contact Lou DeLuca at Twin Rinks, telephone 484-1017. Twin Rinks is located within 5 minutes of the Long Island Expressway at the southernmost part of Port Washington.

Tryouts start September 8th and enrollment is now taking place on a first come, first serve basis.

## AHRC Horse Show

Nearly 500 horses - many of them champions - from all over the United States and several foreign countries are competing in Long Island's top money horse show, for prizes totaling over \$40 thousand in the Nassau AHRC Horse Show being held from August 24th to August 28th at Roosevelt Raceway in Westbury, for the benefit of retarded children.

On Sunday, August 28th, the \$10 thousand Grand Prix sponsored by the Nassau Downs OTB is scheduled to begin at 2:30 p.m. preceded at 2 p.m. by a colorful ceremony of bands and marching contingents.

Local units which will be participating in the Grand Prix ceremonies include the Nassau County Mounted Police, St. Ignace Girls' Cadet Corps and the United States Merchant Marine Academy Color Guard.

Olympic medalists, U.S. Equestrian Team members and national champions are participating for the Grand Prix as well as other days of the show which is open to the public from August 26th through August 28th from 9 a.m. to 6 p.m. Admission, which includes free parking, is \$2.00 for adults and \$1.00 for children.

## Bicycle Deaths Up

Both traffic deaths and fatal accidents in New York State declined during the first six months of 1977, continuing the downward trend begun in 1974, despite an increase in fatalities in rural areas.

According to figures released by Commissioner James P. Melton, 1,050 persons were killed between January 1 and June 30, 1977 - 13 fewer than died during the first six months of 1976. Rural traffic deaths were up by 18 to 635, while urban deaths decreased by 27 to 115 and deaths in New York City dropped by four to 299.

There were 319 pedestrians killed, 15 fewer than last year. However, 15 more motorcyclists were killed, than in the first six

months of 1976, a total of 79, and 26 bicyclists died, seven more than died last year.

"Although we are still reducing the number of fatalities," Melton noted, "fatal accidents in rural areas are on the increase. Bicycle deaths have gone up by an appalling 36.8 percent this year, motorcycle deaths by 23.4 percent. This calls for greater caution on country roads, especially on the part of motorcyclists and bicyclists."

The four counties with the highest death toll for a six-month period this year, were Suffolk (78), Nassau (65), Erie (57), and Westchester (44). These four counties of the 62 in the State accounted for 23 percent of the fatalities during the period.

## Multihull Cup Race

It'll be "Sails, Ho!" when Nassau's hardy boatmen take to the briny from Nassau Beach Park in Lido on Saturday, Sept. 17 in the 1st Seamen's In-The-Surf Multihull Cup Race. The action starts at 12 noon and spectators are welcome.

The race for Hobie 14 and 16-foot catamarans, co-sponsored by the County's Department of Recreation and Parks and the Seamen's Bank for Savings, will feature a dramatic Le Mans start from the beach and run a 20-mile triangular course through East

Rockaway and Jones Inlets. Banners to fly from the sails of competing craft, T-shirts for crew members, and trophies to be awarded to the first five contenders to finish will be donated by Seamen's. The bank will also sponsor a party for the crews at the end of the event.

While there are no entry fees, pre-registration is required by Wednesday, Sept. 7 at the latest. For details, call 292-4288.

Nassau Beach is located on Lido Blvd.

## Guest Editorial The Protection Of Home Rule

By FRANCIS T. PURCELL  
TOH Pres. Supervisor

If the power to govern our lives and our fortunes doesn't belong to us as individual citizens, who does it belong to? I pose this question to State Senator John Dunne and anyone else who questions the soundness of the local home rule concept that makes our suburban way of life different and better than anywhere else in this country.

What is home rule? It's the governmental concept that says that the people most affected by any change or proposal have the ultimate voice in determining whether that proposal is accepted or rejected.

In your own home, you have the right to decide whether you are going to paint your living room or put up wallpaper. Your neighbor has no right to tell you what to do as long as your decision doesn't affect him.

In your village or your town, you and your neighbors have the right to say which land will be zoned for one-family homes, which for industrial, which for business and which for multi-family residences, and no bureaucrat in Mineola, Washington or Albany has the right to overrule you.

It frightens me to see this concept questioned, either by political demagogues or the well-meaning media.

A Newsday editorial, printed not too long ago, hailed Sen. Dunne for his criticism of home rule in the Village of North Hills, where plans have been made to rezone this low density population village to high density.

While I disagree with the concept of so drastically altering the character of this community and feel that the residents of North Hills should have more concern for their neighbors in Manhasset, I must defend their right to do what they feel is best for them.

The principle of home rule is more important than the negative effects of this particular case. If we throw out home rule because of the inappropriate actions of one community, we establish

a precedent that will permit any outside planning group to overrule zoning practices in any other community.

The residents of Manhasset should remember that recently the county administration tried to force sewer construction in their community, a move that would have cleared the way for multiple residence construction in Manhasset. The principle of home rule was invoked and the Board of Supervisors overruled the County Executive.

So you see, if we deny the people of North Hills the right to alter their zoning, we can also deny the right of residents of other communities to limit their population.

Sen. Dunne's criticism of local home rule in North Hills is not an isolated incident, but part of a pattern the senator is following. He would also deny to the people of the Town of Hempstead the right to control the zoning in the largest tract of undeveloped land in our midst - Mitchell Field. He wants the control of that land turned over to the people who do not even live there now. He has suggested the creation of a special zoning district that would silence the voice of Garden City, Uniondale, East Meadow and Hempstead in land use decisions concerning Mitchell Field.

If we are to maintain our rights as citizens of this great country, we must be constantly vigilant when we are confronted with sweet sounding proposals that on closer examination erode our hard-won rights.

Local home rule is one of those key concepts that we have fought hard to win for our communities. We should not easily give it up because one of our neighbors is using it for a proposal with which we disagree. We can still use the power of reason to convince the residents of North Hills that their plans are folly, but we should not strip from them their right to control their own futures, just as we would not want them to take this right from us.

## Mopeds To Be Licensed

Under new legislation recently signed by Governor Carey, the Department of Motor Vehicles will begin to register all styles of Limited "MOPEDS" on October 1, 1977.

"The enactment of this Law," DMV Commissioner James P. Melton stated, "will enable us to keep a better record of the influx of this type of vehicle into the State's current traffic patterns and will help us to see where special efforts may be needed in our traffic safety education programs."

Limited Use Vehicles will be registered with the DMV in three (3) different classes according to their certified top speed for a standard yearly fee of \$5.00. Each class will have to meet certain regulations for highway use and all operators will have to be licensed.

The three classes and their requirements are:

Class A: Has a manufacturer's certified top speed of over 30 to 40 m.p.h.; operator must have a Class 7 or 8 license or a standard Operator's license with a motorcycle or MCA endorsement; helmet and goggles must be worn; headlight must be

on at all times; mandatory insurance must be obtained; the vehicle must be inspected each year; the vehicle may be operated in the left lane; and a distinctive registration plate will be issued for each vehicle.

Class B: Has a manufacturer's certified top speed of over 20 to 30 m.p.h.; operator must hold a valid driver's license; helmet and goggles must be worn; headlight must be on at all times; mandatory insurance must be obtained; the vehicle does not have to be inspected; the vehicle may only be operated on the right side of the pavement; excepts when preparing for a left turn; and a distinctive registration plate will be issued for each vehicle.

Class C: Has a manufacturer's certified top speed of 20 m.p.h. or less; operator must hold a valid driver's license; helmet and goggles are not required; headlight must be on at all times; mandatory insurance is not required unless the vehicle is used in a rental business or as a taxi but Safety Responsibility is the requirement that an operator must be able to meet the financial liability if an accident occurs; the vehicle does not have to be

inspected; the vehicle may only be operated on the right side of the pavement except when preparing for a left turn; and a distinctive registration plate will be issued for each vehicle.

The new Law contains a provision for the creation of two new categories of driver's licenses: Class 7 and 8. These are for the operation of motorcycles only. These can be obtained for just one class of Limited Use Vehicle or for all motorcycles without having to first obtain a license to operate a passenger car.

"We hope that this legislation will enable a greater use of this energy conserving vehicle but we caution all operators of the Limited Use Vehicles to exercise prudence in their use," Commissioner Melton noted. "This type of vehicle does not offer the protection of an automobile so blending with traffic must be done with constant observance of the rules of the road."

## Rally Round The Bend

Drivers and navigators are urged to call 741-4045 today, as the March of Dimes / MG Car Club's first Annual Auto Rally is fast approaching. There is still enough time for you to join the Sunday, September 11, fun day.

Remember, it's not a race, but a test of your driving and navigating skills, as you follow the Rally Route directions, passing hidden checkpoints along the way.

The Rally starts at 9:00 a.m. at the Bald Hill ski Bowl, exit 63 on the L.I.E. in Farmingville, and ends there with a gala "Apre-

Rally" supper for all. Trophies and prizes will be awarded to the cars that have accumulated the least number of penalty points. There are no restrictions on the type of cars entered.

Entry fee for each driver and navigator is \$50.00 of sponsor donations, (\$100.00 per car) which are tax-deductible and will help the March of Dimes in its continuing fight against birth defects. Registration deadline is August 29.

Call 741-4045 or write March of Dimes, 366 Jericho Turnpike, Mineola, N.Y. 11501.

# Dear Friends ...

OPPORTUNITIES UNLIMITED...

Anyone who has done it knows the truth of the old adage. "It is more blessed to give than to receive." So, this week we bring two excellent opportunities for you to share just a little of what you have worked hard to receive, and at the same time to become even more involved in the many-faceted life of our community.

(1) The Hicksville Beautification Committee which has improved Broadway, more and more each year, is still a few hundred dollars short of their most modest budget, which is usually in the neighborhood of \$1,700. They started three years ago, with the corner of Old Country Road and Broadway... it is still a joy to behold. Then, for the past two years, increasingly as volunteer help and the necessary funds were available, you can see the gardens and the special plantings, which are helping to take away the barren look from our business area. Most merchants have already donated generously, and many residents have done the same. But there is still an opportunity for you to be a part of this community project. The amount you send is up to you... but we'd like you to be a participating Hicksvillian, if you possibly can... it's our town... let's all help to make it better. Years from now when this area is built up, the beautification of our town can take different projects. But right now, this is it. Please send your donation to the:

The Hicksville Chamber of Commerce  
Beautification Committee  
3588 Mid Island Plaza  
Hicksville, NY 11801

(2) Opportunity No. 2 is our local chapter of FISH. FISH stands for "Fish Is Serving Humanity." It is a group of concerned people from our community who stand ready to extend emergency or short-term help to their neighbors when needed. Services are rendered without charge, obligation or lecture and without regard to race, color, or creed. FISH provides any neighbor-helping-neighbor service, including: Emergency Transportation, Providing an Emergency Meal, Reading to the Blind, Shopping Service, Special Errands, Child Care, as well as maintaining a 24-hour Answering Service that will respond and put those in need of help in touch with a volunteer. FISH needs volunteers. If you can give one day a month, or if you can help with the telephone answering service, call 938-6333. What an opportunity.

We enjoyed chatting with an old-time Hicksvillian over the phone last week... Mrs. Brady of Eighth Street. Among the matters we discussed was the fact that there is no soccer club and Little League news in lately and there is a lot of political news. This is true, but for two reasons... first of all, the Little League and soccer season is over at least for the present... and, this year a primary election is coming up on Sept 8th (registered voters, please mark your calendar). So, this summer the news does seem a little different. But let us assure all of you that first and foremost YOUR LOCAL NEWS comes first on our list... so, please be encouraged to send it in to us. Our deadline each week is Wednesdays at noon at One Jonathan Avenue in Hicksville. Of course, we do feel that news of our elected officials is important all year long. Also, Letters To The Editor, is yours, so let us hear from you, too. We do try to encourage all clubs and organizations to send in their news during their seasons. If you know of any who do not know how to do this we'd appreciate it if you would suggest that they phone us at WE 1-1400. We'll be glad to show them how to keep their community organization in THE HERALD each week. We were certainly glad to hear from Mrs. Brady.

THIS WEEK we welcome a new column to THE HERALD. It is News of the Galileo Lodge Sons of Italy, which will be coming our way once or twice a month and will be written by Mr. Joseph Lorenzo. This organization, which is new but growing rapidly, as you will know when you read this first introductory column, has already involved itself in many of our community endeavors and we welcome it to our pages.

THAT'S ALL for this week. Stay well and don't forget that Aug. 30th is the Hicksville Water District Election, with voting from 7 pm to 10 pm at the Hicksville Fire Headquarters on East Marie Street. Details in "Letters To The Editor" and in the body of this week's HERALD.

# Letters To The Editor

To The Editor:

This Committee believes that the voters of the Hicksville Water District owe it to themselves and to Hicksville, to reelect Harry Borley Water Commissioner at the election to be held on Tuesday, August 30, from 7 to 10 pm at the Hicksville Main Firehouse on East Marie Street in Hicksville.

Mr. Borley's record of public service speaks for itself. He now serves as Chairman of the Hicksville Board of Water Commissioners; as a Chairman of the Long Island Water Conference; and on the Conference's Comprehensive Planning Committee, has yielded him extensive experience which is reflected in the success of the civic agencies he has served or is now serving.

Mr. Borley's fifty years of experience both in the Fire and Water Districts, his exemplary career in the planning and implementation of our Water District's ongoing and future programs, and his leadership in safeguarding the future water supply for our area through comprehensive planning, has earned him an enviable reputation among public servants throughout Long Island.

All bonded indebtedness has been completely paid off by our Water District. This includes the 1962 Capital Improvement Bond which was liquidated this year.

Extensive but necessary improvements to the existing plants have been paid for WITHOUT INCURRING DEBTS. These included the installation, at the Alecia Street plant, of two new wells; a 2-million-gallon storage tank; a booster station; piping, and appurtenances for water treatment.

In 1976, the Board of Commissioners installed a 12" main in Bloomingdale Road WITHOUT FINANCING.

Currently Our Water District of which Harry Borley is a mainstay, is having additional wells constructed at the Dean Street Plant and the Stewart Avenue Plant along with extensive improvements WITHOUT RESORTING TO FINANCING.

While serving on the Board of Water Commissioners, Harry was the prime mover in developing the Fireman's Training Course and Drill Site at the Water District Property on Bethpage Rd.

Our Water District has been in the forefront of all the County's Water Districts in Chemical analysis of its potable water supply as it relates to the recent studies of the Federal Government's 208 Program; and, while Hicksville now has one of the finest, quality controlled Water

Districts in the nation, it maintains a tax rate AMONG THE LOWEST in the Town of Oyster Bay.

We believe that for these reasons Harry Borley deserves to be re-elected to the office of Water Commissioner and we ask that you cast your vote for him on Tuesday, Aug. 30th, from 7 to 10 pm at the Hicksville Fire Headquarters on East Marie St.

The Committee To Re-elect Harry Borley

To The Editor:

B. Medard Ofenloch, lifelong resident of Hicksville and Ex-Commissioner of the Hicksville Fire District, declared his candidacy for election to the Board of Water Commissioners of the Hicksville Water District.

Mr. Ofenloch has been active in both the service of his community and with the Hicksville Fire Department for over 35 years. Candidate Ofenloch maintains that "the elected position of Water Commissioner has become increasingly important especially in these times of pending County sewer construction, the federal government's 208 program and threatening near-by water well contamination regarding our potable water supply." According to Mr. Ofenloch, these three problems, among the many others he would be faced with as Water Commissioner, are going to prove critically important to the resident taxpayers of Hicksville in the near years ahead.

In a comment, Mr. Ofenloch stated: "I can both appreciate the gravity of responsibility behind the position of Water Commissioner as well as the taxpayers' desire for an ongoing job well done while at the same time effectively holding the line on local taxes." This too, he mentioned, is most important in these times of economic restraint and nationwide inflation.

As an Ex-Chief of the Hicksville Fire Department and as Ex-Commissioner of the Hicksville Fire District, Mr. Ofenloch is well familiar and administratively capable of dealing with Hicksville's water supply system, its common problems and the attendant fundamentals of the future sewer system. Mr. Ofenloch stated that "effective and responsible Fire Department service in the near future will in many cases, hinge greatly upon the on-site construction quality, the careful and accurate workmanship and placement of components that is, of Hicksville's sewer system." Close liaison with construction contractors and County Public Works Department personnel as

well as vigilant surveillance of the ongoing construction itself will be imperative in an effort to avoid problematic and critical lapses in both water service and fire service to the Hicksville area. As Mr. Ofenloch states: "It is well known that such lapses can and have occurred in areas previously experiencing sewer construction." Though this is only one of the problems he foresees as a responsibility, it rests among the foremost.

While anticipating retirement as an E.M.T. of the Nassau County Police Department in one year's time, Mr. Ofenloch intends to devote both his abilities and full time to the duties and increasing responsibilities of Water Commissioner.

Elections will be held at the Hicksville Fire Department Tuesday evening, August 30th from 7 P.M. to 10 P.M. Any registered voter residing in the water district may vote.

Committee to Elect M. Ofenloch

To The Editor:

On August 30, 1977 between 7 p.m. and 10 p.m. voting will take place at the Fire Headquarters on East Marie St., Hicksville, for Water Commissioner Steve Sulzinski is a candidate for that office. We feel it is time for a change, time for a fresh input of new ideas.

Steve is married and the father of six children. The Sulzinskis have been Hicksville residents for 16 years. As a taxpayer he knows that holding the line on taxes is a must. The main function of the Water Commissioners (3 in all) is to oversee the allocation of funds wisely and efficiently in the operation of our Water District.

Steve has 30 years experience in the production and supervision in the Food Industry. He is a 10-year veteran of the Hicksville Fire Dept. and at present is Captain of Ladder Co. 5. He is a leader. As sewer work Maintenance Personnel will be at its greatest. In the Fire Service, the Chief and his men fight the fires. The Commissioners back them up with equipment bought by your tax dollars. So it is in the Water District too. Steve believes that work in the field should be left to the experts in Water Distribution, Pipe Line and Well Construction - Professionals - The Commissioners will stand ready to help with any equipment needed. Now, more than ever it will be important to have a skilled work force, free from interference maintaining our many miles of pipe lines and our

## Improvements In Bus Service

The Metropolitan Suburban Bus Authority, whose buses are currently carrying record numbers of passengers, has announced three major service improvements and a number of minor improvements and adjustments in its fall schedules which go into effect on Sunday, September 4. MSBA provides virtually all the bus service in Nassau County, with routes extending into Western Suffolk County and to the subways in eastern Queens.

The three major improvements includes the extension of the N72B Hempstead Levittown Farmingdale route through South Farmingdale to the Sunrise Mall in Massapequa and its redesignation as the N71, the extension of the N82 Bellmore Levittown route north through Hicksville and the Mid-Island Plaza to North Broadway and Jericho Turnpike, and increasing the service on the N79 route between Mineola, Hicksville and PLAINVIEW from one hour to a bus every thirty minutes.

The extension of the N71 route south from Farmingdale will, for the first time, give direct access to the Sunrise Mall to residents of Plainville, Levittown, East Meadow, and parts of Uniondale and HEMPSTEAD. It will also provide residents of South Farmingdale and Massapequa Park with direct bus service to major points along Hempstead Turnpike such as the Nassau County Medical Center, Hofstra University, the Nassau Coliseum, and Mid-Island Hospital.

The new N71 service to the Sunrise Mall will run once an hour, Monday through Saturday, from 8:00 AM until 10:00 PM.

As part of the N71 improvement, all buses on the new route will run via Hempstead

Turnpike between Hempstead and Farmingdale. Formerly the N72B ran via North Levittown and Bethpage on its way to Farmingdale. This restructuring along the length of Hempstead Turnpike will provide a uniform half-hour headway between Hempstead and Farmingdale from early morning until late evening. The N71 schedule will also be ten minutes faster between the two villages than the former N72B schedule.

The North Levittown area, formerly served by the N72B, will be served by the extension of the N82 from Levittown to Hicksville and North Broadway and Jericho Turnpike. According to MSBA, this new north-south route will benefit present and potential riders who must travel across the Island. It may also be used by commuters traveling to the LIRR stations in Hicksville or Bellmore, those who work in the many new office buildings recently constructed in the Hicksville area, and by those who shop at Mid-Island Plaza or the Levittown shopping area.

For the convenience of Levittown residents, the N71 and N82 routes will have a scheduled connection in both directions at Division Avenue and Hempstead Turnpike, Levittown. Passengers who formerly used the N72B in the Bethpage area, may now use the N80A and transfer to the N71 or N72 at Stewart Avenue and Hempstead Turnpike, Plainville.

Increasingly heavy ridership on the N79 Mineola-Walt Whitman Shopping Center route led to the improvement in service in the Mineola-Hicksville-Plainview corridor. Major destinations on this route which runs via Old Country Road and Plainview Road include the Mineola County Complex, Carle Place, Roosevelt

Field, the Westbury Motor Vehicle Bureau, the Hicksville Railroad Station, and Mid-Island Plaza.

Concurrent with the increase in frequency on the N79 route, bus service will be extended to the Plainview County Complex throughout the day.

Regarding the three major improvements in bus service, MSBA Executive Officer Andrew G. Schiavone stated that they were in keeping with MSBA policy of providing the maximum amount of bus service possible to the residents of and visitors to Nassau County.

"With the N71 extension through South Farmingdale and North of Hicksville respectively, we are bringing our buses to people who formerly had no access to public transit," said Mr. Schiavone. "The increase in service on the N79 is in response to the route's growing ridership, and of course, the N82 extension creates another alternative for people who wish to travel across the Island."

"We have been able to make these improvements," he continued, "with very little increase in operating costs through our continuing program of better utilization of men and resources."

Since MSBA was organized by the MTA in 1973 to operate the routes of ten nearly bankrupt bus companies, weekday ridership has grown from 55,000 per day to

more than 70,000 per day. In June 1977, MSBA recorded the highest passenger totals in its four-year history.

"We have attracted these new riders," said MSBA's Executive Officer, "by creating a true

transit system out of an uncoordinated collection of bus routes, and at the same time, making Nassau County residents aware, through our Public Information Program and our Bus Information Center.

## Award County Contracts

The County has awarded contracts for parking facilities at the Coliseum, a sewage pumping station and the resurfacing of tennis courts at two County parks.

**Parking Facilities, Coliseum**  
A \$284,000 contract to replace the 400 Coliseum parking spaces taken for construction of the Mitchell Field interior roadway and add 520 more was awarded to Hendrickson Bros., Inc., Valley Stream lowest of four bidders. The parking field, which is expected to be completed this fall, will be located on the west side of the Coliseum. Asphalt pavement, drainage and lighting are included in the contract.

**Sewage Pumping Station, Carle Place**

Four contracts totalling \$643,611 were awarded for construction of a sewage pumping station at Mallard Road in Carle Place to serve residents in the

area covered by lateral sewer contract LI-4.

The contracts went to: Parks-Seidman, Floral Park, General Construction, \$523,200, lowest of seven bidders; Gordon L. Seaman, Inc., Bay Shore, Electrical, \$97,596, lowest of 13 bidders; James McCullagh Co., Inc., Plainville, Plumbing, \$15,900, lowest of six bidders and Perry Mechanical Contractors Corp., Garden City, Ventilation, \$11,850, lowest of three bidders.

Work is expected to begin in September and be completed in late 1978.

**Tennis Court Resurfacing**  
United Pavement Marking, Inc., Northport, lowest of four bidders, was awarded a \$14,443 contract to resurface five tennis courts at Cantiague Park, Hicksville, built in 1965 and four courts at Grant Park, Hewlett, built in 1964.

Work will begin after September 15.

## Debt Highest In Nation

New York State and local government debt amounts to a staggering \$40 billion, says Citizens Public Expenditure Survey, Inc. (CPES), the statewide taxpayer research organization.

In a report issued this week, CPES revealed that state and local debt in New York is double that in California—a state with 1.7 million more citizens—and is greater than the combined debt of California, Illinois, and Texas. The taxpayer organization reported that of the \$40 billion, state government owes \$15 billion, and local governments \$25 billion.

CPES commented that "credit

has become the lifeblood of the public sector," and warned that any additional borrowing must be carefully examined in light of anticipated revenue.

The report covered fiscal year 1974-75, the latest year for which national figures are available. "Riddled with debt, New York faced a recession and reduced revenues—the classic syndrome of a poor credit risk," CPES said.

Copies of the "Survey Facts" report are available at 25 cents each or \$6 per hundred from Citizens Public Expenditure Survey, Inc., 100 State Street, Albany, New York 12207.

## Cut your current Federal income tax...

and have more money for your retirement, too.

If you're working and not covered by a pension program, there may be a tax-deferred way for you to build your own retirement fund.

With a Metropolitan Individual Retirement Annuity, you can defer Federal income taxes each year on up to 15% of your earned income or \$1,500, whichever is less, by putting this income to work to set up your own retirement plan.

Think about that! If you qualify, you can purchase your own retirement annuity with money you deduct on your income tax return. You won't be subject to tax on this money and the earnings on it until years from now after retirement, when your tax bracket probably will be lower. And if you qualify, Metropolitan can even make contributions to the plan for you if you should become totally disabled.

So if you're not scheduled to get a pension, call me and we'll arrange one.

## CUMMINGS 'N GOINGS

By Jim Cummings

**CONSERVATIVELY SPEAKING:** Danny Donovan was the unanimous choice as Chairman of Mid-Island Conservative Club in Hicksville, following recent reorganization meeting at the Veterans of Foreign Wars Hall here - John Campbell was named Recording Secretary and Ned Bergen, Sgt.-at-Arms ... According to the "Green Hornet" the membership will support in the forthcoming primary, Francis T. Purcell, Nassau County Executive; Joseph Colby, Town Supervisor; Ken Diamond and Joseph Saladino for Town Councilmen; Dennis Dillon for Nassau District Attorney and William Pines of Farmingdale - in addition to Town Clerk Ann Ocker and Thomas E. Ryan, Jr., for District Court Judge (both unopposed) - the new Chairman Donovan (a respected union leader) - was joined by John O'Leary, Nassau County Conservative Chairman at the meeting with full endorsement of its outlined purposes to encourage participation in local government by community action - and that's what Donovan promises ACTION.

**WE HEAR THAT:** Mike Squillante of Myers Avenue, Hicksville is home recuperating following heart surgery ... Jim McLaughlin, also of Myers Avenue, home from hospital and his neighbor Joseph Mc Namara back from a two week visit to sunny California ... Kevin Finnegan of Kuhl Avenue is recovering at Syosset Hospital following a recent serious accident at Mid Island Plaza ... James Mahoney of Indiana Street, is serving 6 weeks of basic training at Lackland Air Force Base, Texas - he is the son of our good neighbors Jim & Marge Mahoney these past 20 years ... The Tim Healey's (formerly of Hicksville) made Peter & Madge Mc Mahon of Picture Land great-grandparents for the 1st time - a baby girl born August 12, 6 lbs. 4 oz. - Tim and his wife, Antoinette now reside in Queens

John and Helen Hannon of Kuhl Avenue are back home following a month's vacation up at Lake George - two wonderful friends...

**CONGRATULATIONS:** to John and Denise Tait, upon the birth of their lovely daughter, Colleen Moreley Tait, born August 9th at Nassau County Medical Center, at 8:02 P.M., (5 lbs even) - mother and daughter are doing well - as for the grandparents, this addition makes Frank and Cele Larkin of Wishing Lane, grandparents for the 6th occasion - warmest wishes from your host of friends and neighbors for health and success to John, Denise and Colleen.

**DID 'YA KNOW:** that Citibank of Hicksville, at Bway & Nevada Street will be open 7 days 24 hours throughout the year ... Mid Island Plaza carpeting its malls as expansion continues - fast and efficient service was personally observed this week at Green Shield in the Plaza as your reporter's specs needed adjustment - mainstream Hicksville talking about plans for the so-called downtown section - next month should see more

(Continued on Page 12)

**AUSTIN DRUG** 349 NEW YORK AVE HUNTINGTON

## GALILEO GALILEI LODGE (Continued from Page 7)

Corporation is Galileo Galilei Lodge, Inc.

The names of the application for charter were: Joseph Giordano, Anthony Previte, Joseph Farandino, Teddy Marotti, Dante Perotti, Ralph Russamano and Anthony Maurino. They were the nucleus, they had the dream and the vision, and they had the willingness and the determination to see this dream materialize into a reality.

### Galileo Lodge Happenings

On September 1st, 2nd, 3rd, 4th and 5th, the Galileo Lodge will hold its fourth annual Italian Festival which will be held in Municipal Parking Lot 20, located adjacent to its premises at 200 Levittown Parkway, Hicksville. Music, games, entertainment, food and drinks will be in the offering; many local officials and dignitaries are expected to attend, so, come one and come all, and enjoy a bona fide Fiesta Italian under the stars. Joseph Colby, Supervisor of Town of Oyster Bay, recently thanked the Galileo Lodge for its graciousness in inviting him to attend the Lodge's last social meeting, which featured a live Spanish ensemble group playing the music of the early Spanish troubadours. The Hicksville Community Council also thanked the Lodge by letter for the expert and efficient manner in which their annual dance was catered by the Galileo Lodge. On September 15, on a Thursday

night, the Ladies Auxiliary of the Galileo Lodge will sponsor an amateur night show which will be held in the Lodge auditorium. Congratulations to Joe Giordano, a Hicksville attorney and a member of the Order for ten years, has recently been elected to the post of Grand Trustee at a convention held at the Concord resort located in upstate New York. The St. Ignatius Girls' Cadet Corps held its annual Spring dance at the Lodge facilities on April 30th. The Galileo Lodge recently donated the sum of \$1500 to the St. Francis Hospital Cardiac division. The Ladies Auxiliary of the Lodge will supplement this sum with a donation of their own. On Saturday night, August 24th, Friends of Caso will hold a cocktail party in his honor. All are invited. Joseph Giordano, of the Galileo Lodge, is handling this affair. A big round of applause for Tony Previte, 2nd Assistant Venerable of the Galileo Lodge, who is about to receive his Doctorate in Philosophy from Sussex College shortly. Tony has an awe-inspiring list of scholastic achievements on his record.

Galileo was the first astronomer to use the telescope.

## LETTERS

(Continued from Page 4)

pump stations.

On August 30, bring a neighbor - get involved - come out and vote. Steve is involved as a Firefighter. Your interests are his concern. He wants to serve you even more. Vote for Steve Sulzinski for Water Commissioner. He will get the job done.

Committee of Friends to Elect Steve Sulzinski

Letter To The Editor:

Somebody at The Gregory Museum goofed on the article that accompanied the picture of one of the two new signs recently installed at the Museum. The article should have stated that the two new signs were donated by the Hicksville Lion's Club. The sign in front of the Museum was also donated by the Lion's Club in 1974. These signs have done much to call attention to the Museum.

The Gregory Museum greatly appreciates the Lion's Club donation of these signs. This organization has been a strong supporter of Hicksville's only Museum.

The Board of Trustees would greatly appreciate it if your paper would print the above in your newspaper to rectify the omission in the write-up submitted to your paper.

Your interest in the Museum and your support of its activities and programs is greatly appreciated by the Museum's family.

Sincerely,  
THE GREGORY MUSEUM  
Gardiner E. Gregory,  
Director

Oats will thrive in poorer soil and in colder climates than other grains.

## LEGAL NOTICE

### PUBLIC NOTICE

NOTICE IS HEREBY GIVEN to the qualified electors of the HICKSVILLE WATER DISTRICT in the Towns of Oyster Bay and Hempstead, Nassau County, New York, that an annual election will be held within the said Water District, in the Fire House, East Main Street, Hicksville, N.Y. on Tuesday, August 30, 1977 between the hours of seven (7:00) and ten (10:00) o'clock P.M. (EDST) for the purpose of the election of a Water Commissioner for a term of three (3) years for the position held by Harry Borley, whose term of office expires.

Said annual election is called pursuant to Section 324.3 of Article 2 of the Nassau County Civil Divisions Act, as amended and Section 212 of the Town Law. NOTICE IS HEREBY GIVEN that the designating petition for the Office of the Commissioner must be filed in the Office of the Water District, 4 Dean Street, Hicksville, New York at least ten (10) days prior to the Election. All qualified electors in the Towns of Oyster Bay and the Town of Hempstead which is within the geographical confines of the Hicksville Water District and are qualified to vote under permanent personal registration shall be eligible to vote at such elections.

BY ORDER OF BOARD OF WATER COMMISSIONERS  
HICKSVILLE WATER DISTRICT

Dated: Hicksville, New York

## Around Town

Lynda Noeth Scotti

796-1286

Happy "sweet sixteen" to Jean Nelson, Ninth St., HICKSVILLE. She celebrated on Aug. 1.

Birthday greetings go to Chipper Clark, Dartmouth Dr., HICKSVILLE. He became 8 on Aug. 4.

Happy Birthday to William W. Pietruszewicz, of HICKSVILLE. He celebrated on Wed., Aug. 24.

Congratulations and best wishes to Mr. and Mrs. John Maniec (Ann), of Bay Ave., HICKSVILLE, on the birth of their first child, a daughter,

Elena Nicole, born Aug. 23 at Syosset Hospital. She weighed in at 6 lbs., 2½ oz., and was 20" long.

Happy birthday to Jerry Lam, Monroe Ave., HICKSVILLE. He celebrated his 11 on Aug. 11.

Dawn Boylan, Woodbury Rd., HICKSVILLE, celebrated her birthday on Aug. 11. Happy Birthday, Dawn!

Happy Birthday to John Harris, Cornwall Lane, HICKSVILLE. He celebrates Aug. 29.

Birthday greetings go to Mark Bolen, Bridle Lane, HICKSVILLE. He celebrates Sept. 3.

Babe Ruth was left-handed.

## Anniversary

Mr. and Mrs. Gus Cotsonas of Hicksville were guests of honor at a surprise 40th anniversary party given on Aug. 13. The party was given by Philip and Vaughan Cotsonas of Northport and Michael and Gail Cotsonas of Madison, N.J. The party was held at Philip's home in Northport.

Guests at the party, which came as a total surprise to Mr. and Mrs. Cotsonas, were Mrs. Daniel Reagan of Hicksville; Miss O. and Miss H. Fogel of Manhasset; Mr. and Mrs. George Fogel; Mr. Robbie Fogel; Mrs. J. Webster and Miss

Gerj Pape, all of Port Washington; Mrs. T. Kiernan of Garden City Park; Mrs. H. Dehn, Susan Dehn and Robert Rodgers, all of Syosset; Miss Barbara Jessor and Mr. John Imperiale of Brooklyn.

Also in attendance were the grandchildren, Brian, Courtney, and Christopher Cotsonas. A fourth grandchild, Dawn, was in California and could not attend.

Mr. and Mrs. Cotsonas are long time Hicksville residents. Mr. Cotsonas is an ex-Chief of the Hicksville Fire Dept. and Mrs. Cotsonas worked for 21 years in the Hicksville schools.

"Fastest server in the kitchen."

## Friends Announce Subscription Series

Friends Of The Arts has announced that their new exciting music program is now available for subscription.

The Chamber Music series will be presented in the music room at Coe Hall, Planting Fields Arboretum, Oyster Bay and is called "Speaking of Music" as each series will also have a renowned musicologist who will

lecture as well as perform.

Series A will consist of the Jubal Trio, Sans Souci Quintet, Ani Kavafian and Karl Haas of WQXR. Series B will contain the Aeolian Chamber Players, Elmar Oliveira, The American Chamber Ensemble with Robert Sherman of WQXR and The L.I. Chamber Ensemble with Martin

Bookspan.

The cost of a series will be \$16.00 for members and \$20.00 for non-members and each concert will be on a Sunday at 2:30 p.m. Seating is limited. For further information please call 759-1399 or write Friends of the Arts, P.O. Box 198, Locust Valley, N.Y. 11560.

The Friends are also presenting in association with the Island Concert Hall at the Calderone Theatre in Hempstead a series of six concerts presenting Yehudi Menuhin, Robert Merrill, Thomas Schippers conducting the Cincinnati Symphony, Sergiu Commissiona conducting the Baltimore Symphony Orchestra.

Seiji Ozawa conducting the Boston Symphony, and Max Rudolf conducting the N.J. Symphony. There will be a tremendous savings in buying this entire series over a single ticket price.

These events are made possible with the support of the N.Y.S. Council on the Arts.

## News From The Dems

Mr. Richard Mannheimer of Hicksville announced that he will be attending a breakfast honoring David Peirez on Sunday, Aug. 28th at 10 A.M. at the Holiday Inn, Clinton Avenue, Hempstead. The sponsors, the Democratic Organizing Committee are a group of prominent Nassau Democrats who were

instrumental in the victory in Nassau County of Sen. Moynihan and Gov. Carey, and are now coordinating the field campaign for David Peirez' candidacy in the Democratic Primary for Nassau County Executive.

David Peirez has been a Nassau County resident for the past 26 yrs. A successful

businessman involved in political, civic, and community organizations. He acted as Pres. Carter's N.Y. ally, and is a member of the Executive Board of the L.I. Chapter of the National Conference of Christians and Jews, the American Jewish Committee, a Director of the Anti-Defamation League, and the L.I. Tri-City Labor-Management Institute. David Peirez is strongly committed to bringing professionalism to Nassau County.

Sunday's Breakfast for David Peirez will be attended by many prominent officials. Tickets at \$10, each can be purchased by calling Lois Minkoff of the D.O.C. at 486-1050.

### CUMMINGS 'N GOINGS

(Continued from Page 6)

action as Chamber resumes meetings ... more stores changing in that area ... Thomas Gallahue and his wife, Dorothy home following well-earned vacation in Poconos - Tom is the Town's popular Deputy Commissioner of Community Services - Hicksville Water District elections are next Tuesday, August 30th, incumbent Harry Borley is opposed by former Fire Commissioner Medard Ofenloch, and Fire Dept. Captain Steve Sulzinski - all residents are urged to exercise their vote 7 PM to 10 PM - at the East Marie Street Firehouse - (if you are a resident for more than 30 days you may vote)

EXPANSION PLANNED: The recently opened success of 'Long Ireland's' mecca of traditional Irish entertainment, the Molly Maguires Pub at 247 South Broadway, Hicksville has its management securing additional space to expand present facilities - the popular pub is the talk of the town, with good food, refreshments and the tops in Irish entertainment ... their happy hour is 5-7 PM daily and Ladies Nite is every Thursday evening with most popular drinks at 1/2 price -

## "Jesus Christ, Superstar"

"Jesus Christ, Superstar" will be presented at St. Ignatius R.C. Church in Hicksville, on Friday, Aug. 26, and run for two weeks.

The youth of Long Island have gathered to work together on a production, guaranteed to bring joy & happiness to the hearts of many. On Friday, August 26 "JESUS CHRIST SUPERSTAR" will open for a 2 weekend run at St. Ignatius Parish in Hicksville. The performances are at 8 p.m. and admissions are \$2 - adults & \$1 - children under 12. In June kids from all parts of

Long Island-- Plainview, Mineola, Syosset, North Bellmore, began an unselfish effort that has since brought them all to a loving relationship with one another. "The last three months have been filled with both rain and sunshine, we feel the end result is something more beautiful than a RAINBOW," said a spokesperson for the project.

### Garden Club

The Hicksville Garden Club will hold its monthly meeting on Monday, August 29th at 8 P.M. in the garden of a club member. The Program "Vegetable

Harvest Time" There will be a Harvest Basket Raffle Everyone is welcome. For further information please call 935-7874.

### Garage and Crafts Sale

The Hicksville Youth Council is sponsoring a Crafts and Garage Sale on September 10th in the Beacon Federal savings

Bank parking lot. This bank is located between Newbridge Road and Jerusalem Avenue on Old Country Road.
