## East Marie St. Renamed

Oyster Bay Town Supervisor Joseph Colby this week announced that the Town Board has formally adopted the necessary resolution to allow for the renaming of East Marie Street, Hicksville, to Gebhardt Plaza.

Town Councilman Thomas L. Clark, who has worked with Supervisor Colby on the renaming, announced that the portion of East Marie Street from Broadway, east to the Long Island Railroad overpass, will be renamed Gebhardt Plaza in honor of the late Henry A. Gebhardt, ex-chief and former

captain of the Hicksville Fire Department. Colby said that the formal dedication will be held on Saturday, October 22.

"Councilman Clark and I felt that it was very fitting to name a street in this community for a person who gave so much of himself to Hicksville," Colby said. Gebhardt was a 66-year veteran of the department and, at his death in April, 1977, at the age of 86, the oldest active member. In addition to his participation in the Hicksville Fire Department, he was active in many fire service organizations throughout Nassau County.

**HONORS WELL-DESERVED:** Oyster Bay Town Supervisor Joseph Colby was on hand last week to present a Citation to past Commander of the William M. Gouse, Jr. VFW Post, Bob Obermeyer, following a roasting ceremony held in honor of the Hicksville resident. Sharing in Mr. Obermeyer's proud moment are (from left) Mrs. Obermeyer, Town Councilman Kenneth Diamond and Councilman Thomas Clark.

## At School Board Meeting

By Linda Srongin

A motion to rescind previous action to send two guidance counselors to a seminar sponsored by the Nassau County Coalition for Family Planning was defeated 4 to 3 by the Hicksville Board of Education at its meeting last week. A no vote meant that the original motion would remain unchanged. Voting to rescind this action were Trustees Bill Bennett, who introduced the motion to rescind, and Neil McCormack; and Secretary Dan Arena. During a lengthy discussion on the question, board members restated their views on the issue.

Later in the meeting, a motion passed to amend the original motion to read one guidance counselor and one nurse.

On the closed-campus issue, Student Government President Barbara Goldman reported that a meeting had been held to discuss possible programs to eliminate the litter problem near the senior high school, particularly on Halsey Street. A suggestion was made at that meeting that detention students be placed on clean-up duty. Another meeting was scheduled for Thursday and Miss Goldman was asked to return to the next Board meeting to discuss possible anti-litter programs.

Meanwhile, President Tom Nagle reported that he had contacted the second and eighth precincts who informed him that no formal complaints have been received. He was also informed that persons under sixteen caught littering could receive a warning and those over sixteen issued a summons.

Superintendent Fred Hill gave a "report of the district" in which he stated that enrollment was down by 500 students; the testing program would be re-evaluated; and a study of state-aid would be made since Hicksville "has over one million dollars riding." He also corrected a Newsday report that the Hicksville school tax rate had risen; Newsday had combined the school and library tax rates.

Mr. William Becker, Director of Buildings and Grounds, gave a status report on state-aided projects. Fourteen contracts totaling \$232,000 have been awarded for maintenance projects including roofing, windows and boilers and various construction jobs.

President Tom Nagle invited the PTA to work with the Board and to discuss the concerns of parents, and the goals of PTA. He

hoped a PTA representative would speak to the Board at one of its future meetings.

Board members paid tribute to Iris Wolfson for her dedicated service as Board President and to John Lari who served three years as Trustee. Both were presented with plaques by President Tom Nagle.

During the public speaking session, a Burns Avenue School parent expressed concern over the class size of a particular grade. The matter was referred to the administration and Dr. Hill assured the parent that the problem would be worked out.

Arlene Rudin, President of Dutch Lane PTA, referred to a

letter she had written to Dr. Hill regarding the status of PTA in the use of school facilities and board policy. Dr. Hill stated that there was "no clarification of who gets priority in the use of buildings," President Tom Nagle instructed Dr. Hill to form a committee with representatives of the PTA, administration, school board, and other community groups to work on recommendations for policy clarification.

In relation to building use, the Board granted requests from the Holy Family CYO and St. Ignace CYO for Saturday use of Lee Avenue and Junior High (Continued on Page 11)

## Named Curator

Kevin E. Consey, of Hicksville, formerly with the Toledo (Ohio) Museum of Art, has been appointed Curator of the Emily Lowe Art Gallery at Hofstra University, President James M. Shuart has announced.

Mr. Consey is a magna cum laude Fine Arts and Art History graduate of Hofstra University. He holds a Master of Arts degree in Museum Practice from the University of Michigan and is completing a Master of Arts degree in Art History at the University of Virginia.

Hofstra's newly appointed art curator has been the recipient of research fellowships and internships for work at the Guggenheim Museum, the National Gallery of Art, and the University of Michigan Museum of Art. He has also received grants from the National Endowment for the Arts and under the National Museum Act.

During the two years he served as a Museum Educator at the Toledo Museum of Art, Mr. Consey developed a studio art program for high school students utilizing the museum collection. He also taught art history and architecture at the Universities of Toledo and Virginia.

Mr. Consey sees his position as Curator of the Emily Lowe Gallery as a personal challenge to "continue to develop the Gallery into a leading exhibition hall. There are no other galleries like it in either Nassau or Suffolk

counties." He added that the Gallery has the potential to be a tremendous teaching aid as well as an exhibition hall.

"We have to encourage the faculty to come in, see what is available, and what can be used in their courses. In the future, we also hope to schedule children's programs, so classes can actually come in and work with the objects they are studying, rather than simply looking at slides or reproductions."

Mr. Consey, who will also be serving as an Adjunct Professor in the Art History department, hopes to bring the best of the shows he has seen around the country at Hofstra's non-profit art gallery, as well as developing original shows based on the permanent collection of paintings, sculptures, prints, drawings and photos the Gallery has in its possession. His first show, beginning October 13, will be a collection of 37 drawings by artist Abraham Rattner and writings by Henry Miller, entitled "Our America."

Mr. Consey's publication include "A Guide to French Art, 1550-1800," "Pompeii as Source and Inspiration in the 18th and 19th Century Art," "A Catalogue Raisonné of the African Collection at the University of Michigan Museum of Art," and two works in progress, "The Widener Collection of Medals and Plaquettes," and an article for "African Arts."

Hicksville Kiwanis honors four students at annual Awards Dinner. (seated left to right) Alan Cooperman and Ann Buccinna received an award for most improved in Academics. Denise Mizz and Fred Cave received an

award for most improved in physical fitness. (standing left to right) Mr. William Feigin, Principal of Hicksville Junior High School, Kiwanian John Budnick and Hicksville Kiwanis President Harvey Kolin.

## Operation VFW

By Lou Palladino

And still we are getting new members. Another has become part of our Post, an old W.W. II man, Anthony Basile, and again we say welcome Tony, get active and enjoy the fruits of your effort, the best way to enjoy any Club or Post is to put time and effort into it, then and only then do you really feel a part of it and enjoy a certain satisfaction if things turn out well.

By the way it's dues time again. This is one year we would like to have our 100% membership paid before the year is

out. Our Commander Vinnie Edwards has put in so much time and is trying very hard to make our Post a little bit better, so you can help him, and us, by paying your dues now, or at least before the year is out.

Our new Life Membership Plaque is up, it's so much larger than the old one. George Walden went through the trouble of getting all the name plates, and putting them on, if you think it was a snap you should see it and realize how tedious a job it is. The price of life membership has skyrocketed, and George is trying to devise a plan to make it easy and painless as possible to obtain one, for those who are interested, we will let you know of the plan as soon as he comes up with the idea.

Our employment Agency is doing real well as reported by Joe Normandy, we now have permission to notify all Posts on employment. In other words, if a job comes through, and we don't have someone with the qualifications, we can go to another Post and get a Vet to fill the position. It's the old saying charity begins at home. First us, then outsiders, just so long as it is a Veteran.

We were presented with the flag that flew over the White House on the fourth of July commemorating our nation's birthday. It was turned over to our Americanism chairman Tom DeMarco to have framed.

At the Post's Past Commanders Roasting, Bob Obermeyer got up and gave his thanks for an unforgettable night.

We had quite a nice turnout from the Post and Aux. attending Joan Chwalisz testimonial dinner at the New Hyde Park Inn. She is the outgoing president of the Nassau County V.F.W. Ladies Aux. We understand she did a great job, which is no surprise. She is now Jr. Vice Pres. in District. It looks like this gal is going all the way up, and won't stop till she is Dept. Pres. We were very proud of our Joan while listening to all the brass of the Aux, from all over the State lauding her efforts.

The Ladies Aux. is having a Barn Dance on Sat. Oct. 29th. Tickets will be \$12.50 per person. Just bear in mind our girls always do a fine job. Lucky winner of the last raffle was Ed Chwalisz. Our next meeting is Oct. 10th.

### Fall Series

The Hicksville Public Library film series for the Fall will begin on Friday evening October 14 with the presentation of a 1930 Hitchcock production "Murder". Starting in this film about a young actress accused of murder, is Herbert Marshall who plays a juror who is convinced of her innocence.

All library film programs are free to the public and are held in the auditorium starting at 8:00 p.m.

### Square Dance

The Mr. and Mrs. Club of the Hicksville Methodist Church will sponsor a Square Dance on Sat., Oct. 15, at 8:30 p.m. at the Church, located on the corners of Old Country Rd. and Nelson Ave., Hicksville. The cost is \$3.50 per couple. All couples are welcome and refreshments will be served. John Bruno will act as caller.

Studded tires on four wheels give a driver added control under icy conditions.

## Long Island Fair To Open At Old Bethpage Village

When the Long Island Fair opens to the public Friday, Oct. 7 through Monday, Oct. 10, at the Old Bethpage village restoration, there will be something to appeal to the expected thousands of visitors of all ages going on during all four days. Hours are from 10 a.m. to 6 p.m.

Five thousand entries of choice Long Island produce and livestock, as well as unusual hobbies, submitted by 1500 residents of Nassau, Suffolk, Queens and Brooklyn, will be on display in the old-fashioned agricultural exhibit. Of these, 600 will be judged winners of the prized blue, red and white ribbons and awarded small cash prizes.

New this year is a chance to ride "Bolivar," a 5,000 pound, 14-year-old Indian elephant, at 50¢ per person. Children and the young-at-heart are all welcome to mount the gentle pachyderm.

Foot, sack and wheelbarrow races will keep the children busy

every day except Friday, from 10 a.m. to 2 p.m. A puppet show, "Pistol Smoke" will go on every day at 12, 1 and 3 p.m. The western whodunit concerns the vital question of "who's got the gold?"

Open to fair-goers of all ages is Saturday's Kite Flying Contest at 1:30 p.m. Only natural materials may be used in the kites and competition is within age groups.

Also sure to please the crowd is the Great Wizard of the North. He'll perform his feats of magic each day at 11 a.m., 12:30, 1:30 and 4 p.m.

Agricultural skills will be tested every day except Friday at 2 p.m. Competition on Saturday is in spading, on Sunday in ploughing, and on Monday, in cross-cut sawing. The contests are open to the first 12 people who

have either registered in advance or who sign up at the village office. In the cross-cut sawing event, the first nine teams of two are eligible.

## High Speed Comedy At Arena

This October 6 The Arena Players open the new Fall-Winter Season with a fast paced farce entitled "SEE HOW THEY RUN," ... and do they ever.

The scene is a quiet English vicarage house where an attractive American actress is recently installed as the Vicar's wife. This is much to the chagrin of the very proper populace of the village who, among other things, look down on the young woman's brazen wearing of slacks... in public. Already suspected of gross impropriety the vicar's new wife is found in the intimate company of her former acting partner by the town's leading prude.

What follows is a circus of mistaken identities, misjudged

intentions, misplaced clothing and the sort of high speed madness one associates with the Marx Brothers in their prime.

Variety called SEE HOW THEY RUN "A breathless show (with) fast tempo and plenty of laughs." We're sure you'll agree so take a deep breath and jump on the merry-go-round.

SEE HOW THEY RUN will be at The Arena Players Theatre, 296 Route 109 in East Farmingdale, October 6th through the 30th with performances at 8:30 Thursday, Friday and Saturday evenings; 3:00 and 7:30 on Sunday. Tickets are \$4.00 on Thursdays, \$5.00 on Friday and Sunday and \$6.00 on Saturdays. For information and reservations call (516) 293-0674.

Oyster Bay Town Board

Dear Editor:

In this atomic age of swifter transport, noise and changes, The Old Country Fair, held at the Hicksville Public Library this past weekend, was indeed a quiet spot of beauty to visit.

God's love shown through in all the exhibits of His talented people from the largest wall hanging down to the crystal clear jar of grape jelly.

Those involved in setting up and judging The Old Country Fair exhibits are to be commended on a wonderful job well done. Thanks.

Sincerely,  
Ruth Walker

## Concrete Caper Charged

Judy Jacobs, Democratic Independent candidate for Oyster Bay Town Council, has blasted the town board for what she termed a "concrete caper" - the unnecessary replacement of concrete curbs and driveway entrances in many areas of the town.

"I've spoken with people in Massapequa, Jericho, in East Norwich and in the hamlet of Oyster Bay," Mrs. Jacobs said, "who told me that their driveway entrances were replaced, at town expense, even though the old curb cuts were in perfect condition."

Mrs. Jacobs said that the apparent wastage of tax dollars in the concrete work is made worse by the fact that many curbs and driveways will have to be replaced again in the near future, to accommodate connections to sewer lines.

"How many taxpayer dollars have been spent in the concrete caper," Mrs. Jacobs asked, "and how much of the same work will have to be repeated when sewers are installed?"

Mrs. Jacobs said that the concrete work is carried out on a community-wide basis, regardless of the condition of individual properties. "What's even more of a pity," she said, "is the fact that many people in the Syosset area, near South Woods Junior High School, have complained to Town Hall about the poor condition of their curb cuts, only to be given a runaround by the Department of Public Works. It's just another example of our town government moving in its own direction, with no regard for the actual needs of the people of the Town of Oyster Bay."

## At The Town Board

By Gerry Kahn

Prior to the start of the Town Board Meeting, held on Tuesday, October 4th, the Board held a ceremony commemorating the 300th Anniversary of the official recognition of the Town of Oyster Bay.

Supervisor Colby gave a brief review of the historic data and then turned the balance of the proceedings over to Miss Dorothy McGee, Chairlady of the Town's Bicentennial Commission.

Miss McGee read the Andros Patent, the document that deeded official status to the Town of Oyster Bay in colonial days. The Andros Patent was on display in the Hearing Hall and is utilized today as the legal base from which Oyster Bay derives its right to "Home Rule and Self autonomy."

The first item was a Hearing on the petition of 5983 Corporation

for a special use permit for a Knights of Columbus Council for a Club and Meeting Hall in Bus. F Zone, Bethpage. The petitioner was represented by George Kehm. There was no opposition to the Hearing.

George DiGeorgio was attorney for the second item, a request for Special Use permit to maintain an auto shop in an Ind. H District in Greenvale.

Two residents in close proximity to the location were opposed to the granting, as well as Mr. Anthony and Ms. Fordyce who represented Greenvale and Old Brookville.

Supervisor Colby reminded all present that the area is Ind. H and that if the applicant gives covenants and restrictions that insures a facility that would not disturb them with noise and air pollution and would present a

decent appearance, the residents should give strong consideration to this petition rather than other future ones.

The final Hearing was to consider proposed amendments to the Code of Ordinances T.O.B. relative to parking, stopping, crossing and other traffic regulations in Hicksville, Massapequa and Plainview.

The formal meeting concluded at 12:25.

In the informal discussion that followed the sale speaker was Phyllis Singer, who requested consideration be given restricting certain type of Real Estate signs on lawns and banner hangings.

The supervisor stated that the new sign ordinance is still in the formative stage and that her suggestion is very timely, and will be considered.

## Day-Nite Budget Hearings Set

The Town Board this week scheduled a day and evening hearing for October 25, on the Preliminary Budget for 1978 which reflects a reduction in spending and no increase in the General Town Tax rate.

"Since taking office, the Town budget has had my highest priority," Town Supervisor Joseph Colby said. "I initiated daily, line-by-line budget reviews in an effort to trim government spending and this end has been achieved despite inflation which mandated higher costs for electricity, telephones, fuels, wages, equipment and supplies." In addition to rising costs of basic budget items, a State mandate required the new expense of unemployment insurance for the first time beginning in 1978.

The total spending proposed by the General Town budget for 1978 is \$17,917,520 which is below the current spending level of \$18,103,424 set in the 1977 General Fund as amended to incorporate terms of the first year of a two-year employee contract. The proposed reduction of spending represents the first reversal in 13 years of the upward trend of the total General Fund figure.

We have managed to produce a budget below the current spending level by clamping down on proposals for new, additional spending, reducing spending levels where possible and a decrease in debt service costs due to more favorable interest rates. We have managed to trim costs without reducing any services to the residents of the

Town," Colby explained. "Cutting spending in the face of increased costs in materials and supplies, in addition to this budget having to cover the second year costs of the CSEA contract, was difficult," Colby noted. "But it became almost impossible when we had to include a new expenditure - unemployment insurance."

During the first months of the line-by-line review, Colby said that he met weekly with his budget officer. "He kept telling me that expenditures were being trimmed, but even more had to be done if we were going to meet inflated costs. We met almost daily upon initiating formal budget preparation, but, until the

# A HAMBURG SAVINGS BANK DAY OF DEPOSIT TO DAY OF WITHDRAWAL ACCOUNT MEANS CONVENIENCE.

Think hard. Do you really want to tie up your savings for one to seven years? Long-term savings plans, despite their guaranteed rates, create difficulties when you need cash today. Like reduction of interest rates and other penalties that must be imposed for premature withdrawals.

To help you cope, we at Hamburg Savings Bank suggest you visit our Hicksville office and open a 5 1/4% Day of Deposit to Day of Withdrawal Account.

This account lets you withdraw your money anytime without dividend loss, provided a minimum deposit of \$25 is maintained to the end of the quarter. Keep your dividends on deposit a full year and with daily compounding, your savings will have an annual yield of 5.47%.

One must be completely involved in an endeavor for it to be a success. Our philosophy is to give our youth a strong background in order to prevent delinquency. In order for one's philosophy to work, it takes workers to help uphold our principles.

All too often, we have people in our society in the spotlight working for a twofold purpose, and that is mainly to receive open compliments to satisfy one's ego or self-gratification. In our club that is not the case. We have many many people working in the background just for our

youth. One cannot set back another moment and not give credit publicly to them for the fantastic jobs they have done to help our youth develop into decent citizens.

The writer can type a page of names but, space won't allow. I must take a few at this writing and mention some of the accomplishments in our club as a result of hard long hours they spend perfecting our youth program. First, I will mention Mr. & Mrs. Maguire for their work with our intramurals. Both were responsible for organizing the intramural program. Gene was one of our first coaches when

our club began way back when. On to being a commissioner in one of the divisions, and lastly commissioner in charge of the entire boys program. Gene has given many hours freely in helping to establish our program to the high standard it is today. Barbara was instrumental in starting the girls program completely. Her many efforts and finally the reward of watching the girls program grow deserves a hearty applause. Both Mr. & Mrs. Maguire deserve a sincere thank you from all.

Next, the writer would like to mention a man of many talents. A

## Soccer Club News

Ollie Bell's Red Ringers were victorious once again last weekend as they beat Brentwood 4-0. Two lightning foot goals came off the sure foot of David Smyth and Sean Devlin scored a "beauty" from a corner kick with the final goal going to Billy (the crusher) Creshom.

The defense was handled expertly by Kevin Jung, Frank Schnur and Chris (the boomer) Bartkus. Outstanding, as usual, in Goal was John Rubins who stood like a stone wall in front of his goal area keeping everything out.

## Hix American Soccer Club

Last Saturday, Oct. 1, at 10 A.M., the Hicksville 1967 "Reds" coached by Ben Brutschin met Garden City at Hicksville's home field at Cantiague Park. The weather was great for soccer playing. Garden City scored first on a penalty shot. Then Hicksville started their assault. Peter

Schnur scored 3 goals, Lloyd Sneddon scored 2 goals, Michael Masters scored 2 goals, one on a good pass from Billy Maguire, and Jimmy Lauritsen and Ron Nakashian each scored one goal. From a slow start Hicksville pulled ahead and easily won by a score of 9-3.

One hundred of these alarms are being installed in the Hicksville and Levittown area under a federally funded pilot program. For more information, call the Action Council of Central Nassau at 735-6400.

## Recruitment Drive On

Syosset Hospital is continuing to expand its volunteer program with an intensive recruitment drive among local high school students. Mrs. Babette Kolack, Director of Volunteer Services for the hospital, recently addressed a meeting of the Future Nurses' Club at Syosset High School. She is scheduled to visit other high schools in the neighboring communities of Jericho, Plainview and Huntington in the near future to acquaint students with the volunteer program at Syosset Hospital.

"Although the volunteers do not perform tasks which are reserved for trained professionals on the staff" explained Mrs. Kolack, "they do get on-the-spot insights into what a career in nursing or health-related fields offers."

In her visits to the schools Mrs. Kolack describes the duties and responsibilities of volunteers, which may range from serving meals to patients, assisting nurses with bed-making, wheeling patients to therapy or performing clerical tasks. "They have prescribed duties to perform" said Mrs. Kolack, "and the staff depends on each of them to carry out that responsibility."

Mrs. Kolack will also be participating in the upcoming Volunteer Workshops at Molloy College in Rockville Centre and Nassau Community College in Garden City.

The hospital is also in need of adult volunteers. Anyone who can donate a few hours per week is requested to call the Volunteer Office at the hospital, 921-7000.

## Chessmaster At Dry Dock

Most people have difficulty doing more than one thing at a time. Shelby Lyman not only can fend off the onslaught of many opponents simultaneously, but does so with undoubted expertise. Chess champion, Lyman, will be appearing on October 7 from 5:00 to 9:00 P.M. to help celebrate the opening of the new Dry Dock Savings Bank in Hicksville. He'll be giving out free chess sets to anyone of his challengers that is able to beat him or tie him. Lyman is a widely acclaimed chess columnist. He has appeared on many TV shows including The Dick Cavett Show.

The Today Show, CBS Morning News, etc. He is probably best known for being the WNET 13 commentator on the Spassky-Fischer match. Lyman, a Harvard graduate is currently an Associate Professor at Adelphi University and also directs Hofstra University's chess program.

On October 7, during his four hour exhibition extraordinaire, Lyman will play from one to thirty people at the same time. So, if you wish to challenge the master, or perhaps just to view at a safe distance, don't miss Lyman at work.

## Humorist At Y

The Mid-Island YM & YWHA Adult Saturday Evening Series will present Sy Kleinman, raconteur extraordinaire, on Saturday, October 8 at 8:45 PM at the Y building, 3833 Jerusalem Avenue, Seaford.

Mr. Kleinman is a New York attorney and a member of the Columbia University Law School faculty. His style is unique - the only humorist who can tell a Yiddish story using seven distinctly Jewish accents. He is unrivaled as a storyteller and his keen insight will keep the audience enthralled. More a commentator than a storyteller, he draws on actual experience. His humor is highlighted by a fresh look at "tribal rituals" of the past and present.

The Y's Adult Series has a nominal donation of \$1.00 per person, payable at the door. Refreshments are served. The program is open to the general public.

## Addis And Bill And Puppets

CBS T.V. Stars, Addis and Bill - The Puppet People will present three free shows at the new Hicksville office of Dry Dock Savings Bank on Columbus Day. This tantalizing team has perplexed many an audience and will be doing so at 11:00 A.M., 1:00 P.M., and 3:00 P.M. on October 10. In between acts they will give out free hand puppets and mingle with the audience.

Vice President of Marketing, Theodore C. Krismann comments, "We are very excited about opening an office in Hicksville. We want to make it clear to the community that we are anxious to get to know them and serve them."

Under the magical manipulation of Addis and Bill, the beautifully crafted life-size puppets will juggle balls, swing on trapezes and cry real tears. When you see the puppets laying eggs and blowing up balloons, you may begin to wonder who is really in control.

Addis and Bill will cast their spell of enchantment as they spring their puppets to life

performing moving dramas, comedies and musicals. They will mix with the children before and after each performance, to cuddle and amuse with hand puppets. "We want the children to be a part of our show," states Addis. Every child will get to take a hand puppet home.

From Madrid to Athens to Paris to New York's Lincoln Center, this Emmy Award-nominee puppet troupe have delighted thousands of children with their life-size puppets and marionettes.

In addition to appearing at the Hicksville office of Dry Dock on October 10, Addis and Bill are currently touring a special puppet show, "Dollar Billy Learns To Grow", in Nassau County elementary schools. Theodore C. Krismann states, "We believe strongly in the benefits of education and want to assist the school systems in this community. We feel that 'Dollar Billy Learns To Grow' is an excellent show informing the children of the importance of money and finance."

## Police Union Backs Purcell

The 18,000-member New York City Patrolmen's Benevolent Association has endorsed Hempstead Town Presiding Supervisor Francis T. Purcell, the Republican-Conservative candidate for Nassau County Executive.

A large segment of the municipal union's membership lives and votes in Nassau. In announcing the endorsement vote taken by the PBA's executive board, PBA President Samuel DeMilia said:

"Fran Purcell's record indicates that he is a man of dedication and integrity. His years of excellent public service should be extended in the office he now seeks. He has our support and best wishes for success in the campaign."

## ACS Bike-a-thon

"You can help conquer cancer, have a good time and maybe win a new ten-speed bike by participating in the American Cancer Society's Bike-a-thon," announced Pat Miller.

She urged all riders to sign up now so that they can line up as many sponsors as possible before the event, set for Sunday, October 16th at the Lilco facility on Old Country Road.

To ride, sponsor a rider or donate prizes or refreshments for the riders, contact Pat Miller at 681-6113, or the American Cancer Society at 420-1111.

Key of Engine Co 7 was injured and taken to Central General Hospital suffering smoke inhalation and was treated and released.

The fire was caused by faulty electrical wiring in the basement ceiling. It burned un-noticed for a considerable time and burned through the 1st floor. The fire was extinguished quickly, but damage was high due to expensive photographic equipment in the fire area.

In another blaze, at 68 East Ave. on October 3 at 2:44 PM (one of five alarms received in rapid succession) a faulty TV set triggered a blaze which caused considerable damage to 2 rooms. A family pet died in the blaze. Efforts by vamps to revive it were in vain. 1 vamp, Nick Ragone of Engine Co. 2 suffered a back injury.

On Sept. 28 at 10:10 p.m. Hicksville Firemen responded on a mutual aid request to Jericho with 2 engine companies and 1 ladder company and a utility unit. The Fire completely

## The Race Is On At Old Bethpage Village

If present-day politics seems exciting, you will want to catch old time vote-seekers in action at the Old Bethpage village

restoration when the 1848 three-party presidential election is recreated on three consecutive Saturdays, October 22, 29 and

November 5.

Democrats, Whigs, and Barnburners will be looking for your vote as you stroll the village. Your preference will probably depend on the position you might have taken on the issue of slavery.

The two national parties played it safe. The Whigs nominated "Old Rough and Ready" Zachary Taylor, a Mexican War hero, and the Democrats countered with General Lewis Cass of Michigan. Neither candidate suited anti-slavery advocates, who held a rump convention in August and chose New Yorker Martin Van Buren to run on the Free Soil Ticket.

The Free Soilers were supported by the Barnburners, a splinter wing of the Democrat party. Called Barnburners by the

opposition to indicate their willingness to undertake desperate measures, the minority group gave clout to the Free Soil ticket. The Barnburner label alluded to the legendary unthinking farmer who would burn his barn in order to rid it of rats.

The Campaign begins on Saturday, October 22, at 2:30 p.m. with a mass meeting of the Whig Party at the Luyster Store near the village crossroads. The Old Bethpage Brass Band will play, costumed orators sporting stove pipe hats will expound with typical 19th century flourishes and the glorious banner of Taylor and Fillmore will be raised on high.

The Saturday, October 29 at 2 p.m., Democrats will hold their rally at the Noon Inn as the Free Soil faithful counter with a demonstration across the street. From noon until 4 p.m., the voices of the Whigs will be heard

as they are led in song by Jeff Warner and Jeff Davis.

The replay of Election Day, 1848, will continue for three days. On November 3 and 4, school group visitors will vote and on Saturday, November 5, from 10 a.m. to 2:30 p.m., all male visitors will cast their ballots at the Noon Inn ballroom as speeches and politicking go on out-doors.

After the votes are counted, the traditional victory celebration will be held - complete with pig roast, election cake and, hopefully, not too many sour grapes. Voters, as well as women and children, are entitled to tasty samples.

Old Bethpage village restoration, operated by the Museum Division of the Nassau County Department of Recreation and Parks, is located on Round Swamp Road, south of Long Island Expressway exit 48.

## Country Fair Winners

The sixth annual Hicksville Library Old Time Country Fair held last weekend, was the usual fun event. The entries this year were more varied than previously, and the people who made these articles were somewhat changed. Approximately one fourth of the submitted items were crafted by men. In previous years some of the entrants were men, but not many. We are pleased that the men of this community are proud to share the results of their talent and labors with the entire community.

The judges were Mrs. Barbara Leno, Miss Carolyn Letteri and Mr. Joseph Savage from Cooperative Extension Association of Nassau County. These Cornell University trained experts in Home Economics and Agriculture, spent hours evaluating and re-evaluating their choices for the awards, then called for assistance from their associates for the final decisions on each and every ribbon.

## Credible Crafts At Dry Dock

On October 12 from 7:30 a.m. to 4:00 p.m., mini-courses will be given in such crafts as glass-blowing, pottery, batik, weaving and jewelry making at the new office of Dry Dock Savings Bank in Hicksville.

Why crafts? Because, although all of the artisans appearing display expertise, they will demonstrate that you too are capable of creating pieces that you will treasure.

So if you want to throw clay, weld silver or blow glass, don't miss this exciting event. You'll learn how with a minimum of equipment, a basic knowledge of technique and a creative flare, you can create beautiful, durable pieces in your home.

Whether you are interested in learning a craft, already experienced with one or would just like to view the exhibition you

will surely be entranced by the mini-demonstrations and exhibition on October 12. Glass blower Scott Brickley will take a plain tube of glass and transform it into an object of beauty right before your eyes. Jon Craig will show you how to throw clay and make beautiful earthenware pieces.

Joelyn Goodman will teach you how to interlace fine fibers to create unique pieces. Bebe Dushey will teach you how you can make jewelry to suit your individual needs. She will show you how to accessorize your wardrobe with these ornaments. Lilly DiMartino, a master craftswoman, will demonstrate her batik techniques. She'll show you how to blend beautiful colors on cloth to make decorative wall hangings, placemats, bedspreads, etc.

Some prize winners will be in next week's paper.

## Day-Nite Budget Hearings Set

(Continued from Page 4)

last figures were down on paper, we were not sure that we would be able to achieve a budget that would produce no increase in the General Town Tax," according to Colby. "I'm very pleased to offer a budget that holds the current tax rate of 82.5 cents per \$100 assessed valuation."

The proposed Part Town (Building, Zoning and Planning and Development) tax rate for 1978 will increase eight-tenths of a penny from 9.6 cents per \$100 assessed valuation to 10.4 cents. "In part, this slight increase was needed to make up for the \$17,400

planning grant denied to the Town by the U.S. Department of Housing and Urban Development (HUD) because of the Town's refusal to go along with HUD demands for low-income housing projects," Colby explained. "Had we gotten the grant, which we still believe we have a legal right to, we would have met next year's Part Town expenditures with an increase of about half a penny." The Part Town budget total for 1978 is proposed at \$1,453,671. It is currently budgeted at \$1,400,977.

Colby noted that while the Town is going ahead with plans for a legal battle over HUD's denial of the funds, "we expect

that it will be some time before the courts ultimately reach a decision."

The Preliminary Budget for the Highway Funds reflects actual cost increases, especially in fuel, equipment, materials and the unemployment insurance that the State now requires. The proposed 1978 total is \$7,918,577. This fund is currently budgeted at \$7,739,861. The proposed Highway-Fund will increase the Highway Tax by 3.6 cents per \$100 assessed valuation to 78.8 cents. For the average home assessed at \$7,300, this increase amounts to less than 22 cents a month in actual taxes.

"As we got into budgets that cover specific types of service such as the Highway and Part-Town Funds, which apply only to residents in the unincorporated areas, there was limited opportunity for even minimal trimming," Colby explained.

The Budget hearing is scheduled for 10 AM and 8 PM

## One option that costs less this year.

**Chase loan prices down.** This year new car prices are up. But Chase Car Loan prices are down. Down as much as  $\frac{1}{2}\%$ . So, the '78 Chase Car Loan is one option new car buyers can't afford to ignore.

**$\frac{1}{4}\%$  less to start.** From now till December 1, 1977,  $\frac{1}{4}\%$  off the normal interest rate is standard equipment on every Chase Car Loan.

**Up to  $\frac{1}{2}\%$  off.** If you agree to have your car payments deducted automatically from a Chase Checking Account, Chase will reduce the interest rate another  $\frac{1}{4}\%$ . In all, you can save  $\frac{1}{2}\%$  on the interest rate for your new car loan. That lowers the annual percentage rate on a 4-year Chase loan to a very comfortable 10.90%.

**Low payments.** For example, if you borrow \$4,000, a Chase 4-year loan and the  $\frac{1}{2}\%$  you save can lower your monthly payment to only \$103.18. And over the 4 years the total payments amount to just \$4,952.64.

**Take your time. Pick your deal.** Once your Chase Car Loan is approved you have the built-in advantage of 100 days to shop around. So, you have the bargaining power.

**Drive a bargain.** Make sure your new car comes with a '78 Chase Car Loan. It may be the only option that costs less this year. And saving you money is what The Chase Advantage is all about.
