Sewer

HICKSVILLE PUBLIC
-LIBRARY
169 JERUSALEM AVE
HICKSVILLE NY 11801

By Carol Worn

The March meeting of the Hicksville Community Council flowed with information about the upcoming sewers. And the interesting speaker who told the Council about the procedures to be done was Frank Merlin, a Civil Engineer with the Department of Public Works, Division of Sanitation and Sewers for Nassau County. Mr. Merlin is in charge of all sewer construction.

Mr. Merlin described how the county discharges their responsibility of designing, constructing and operating a sewer system in Nassau County. The county is divided into three geographical areas known as disposal districts - (I) Inwood, (II) most of the western part of the county, (III) our area, and (IV) the northern part of the county, north of the LIE.

District III, where we are located, encompasses the area between the Meadowbrook Parkway to the Suffolk County Line, and from the South Shore to the LIE and Syosset.

There are three basic elements that make up a sewage disposal district - the Treatment Plant, Interceptors, and Lateral Lines. Our sewage treatment plant is located south of Merrick Road on the border between Wantagh and Seaford. It has been in operation for 4 years and the cost was \$47,000,000. 87% of the cost was paid for in a combination of state and Federal aid. At the treatment plant, raw sewage is treated and two by-products are the result - effluent (fresh water) and sludge (solid material). The effluent is disposed of by pipe from the Cedar Creek Water Pollution Control plant across the bay, to a 1/2 mile T, a distance of 2 1/2 miles out into the ocean. At the present time, the sludge is pumped to the East Rockaway Plant and then carted 12 miles out to sea in an area designated by the Federal Environment Protection Agency. Ocean Disposal will be phased out by 1981.

Interceptor Lines are large diameter sewer pipes that fan out from the plant to various parts of

the sewer district for collection. The size of the pipes range from 108 inches nearest the plant to 24 to 36 inches in Syosset. All lines flow by gravity. The interceptors are also 87% financed by State and Federal funds. There are approximately 18 separate contracts and all but 4 have been completed. The remaining 4 will have begun before the end of the year.

Lateral Lines are small diameter lines with an 8 inch minimum. They are placed in every street.

Disposal Districts are subdivided into collection districts. There are approximately 14 collection districts in each disposal district. For tax purposes, we are in the Hicksville disposal district. The taxes that you pay are divided into two parts - the disposal district tax and the collection district tax. Right now, the disposal district tax is approximately 75 cents per \$100 of assessed valuation, which covers the costs of the treatment plant, outfall, sludge handling facilities and the interceptors. The tax is approximately the same this year as it was last year, and it should not go up appreciably because we have completed most of our disposal district facilities.

Last year, Federal Funds were made available to us for lateral sewer construction. In order to receive the funds, the county had to prepare 42 contracts by last September and have construction on those plans begin by 1980. The Grants were received for all the contracts, including the 7 contracts in Hicksville. We will receive approximately 75% Federal Aid for all eligible fees. After all the construction has been completed, the tax will rise between \$1.50 and \$2 per \$100 of assessed valuation. Without Federal Aid, the cost might well have gone over \$4. The 50 cent range in price is due to some variables - increased cost of construction due to inflation and the interest on the bonds. The Hicksville Collection District

Procedures

won't be completed in its entirety until some time in 1981. This will be the first year that we will be paying a collection district tax - 6 cents per \$100, because the first contract has begun. The tax will continue to go up until 1981, level off and then will decline slowly.

There were two contracts of interceptor lines completed last year - the Bloomingdale - New South Road to Plainview Road, and the Plainview Road to the LIE. The large pipes were laid quite deep, and those two jobs were done exceptionally well. They utilized a new construction method, using steel sheeting boxes, sheeting the trenches, and actually building two walls in the ground. Using the boxes, it only takes a couple of days to lay the pipe.

Most of Hicksville will experience the lateral sewer construction and the trenches are usually an average of 12 feet deep. Using the sheeting boxes, the construction company can lay from 50 to 400 linear foot of pipe per day per crew. The average property will be passed in two to three days. The crew lays an 8 inch diameter pipe and then backfills the trench flush with the existing pavement. From a week to a few weeks later, a connection crew comes back to build house connections - 6 inch diameter lines which run from the center line pipe to the curb line, which enables the property owner at a later date to connect their system with the county system. With one crew, 6 or 7 house connections can be done in one day. After 4:30 in the afternoon, operations are wound down and most of the trenches are backfilled. During the day, a whole street might be blocked off. In compounding the problem, there might be 7 to 10 crews working simultaneously in one area.

The average lateral sewer contract has over 20 to 25 miles of street giving the contractor 12 to 14 months of work. They generally get the pipe in the ground in about 9 months, (Continued on Page 16)

Calendar of Events

Friday, March 10

1943 film, "Sherlock Holmes and the Secret Weapon," 8 p.m., Hicksville Public Library, admission free.
Ernest F. Francke Republican Club, 8:30 p.m., VFW Hall, 320 So. Broadway, Hicksville.

Saturday, March 11

Hicksville High School annual "String of Pearls" dance, 8:30 p.m., Boys gym, \$6 per couple.
Baseball Registration, Hicksville Police Boys Club, 10 a.m. to 2 p.m., 85 Bethpage Rd., Hicksville.

South Nassau Long Island Region ORT, annual Service Auction, 7 p.m., Nassau Mall, 3601 Hempstead Tpke., Levittown.

Sunday, March 12

Hicksville Ancient Order of the Hibernians, special ceremony to change name of Heitz Pl. and Bay Ave. to St. Patrick's Blvd., 11:30 a.m., K of C Hall, Heitz Pl., Hicksville.

Poetry Reading and Concert, 2 p.m., Hicksville Public Library.
Lutheran Church of St. Stephen, 270 Broadway, Hicksville, Organ Recital, featuring Herbert Bradenstein Jr., 4 p.m.

Monday, March 13

AARP, income tax assistance, Hicksville Public Library, 2 p.m. to 4 p.m.
Dutch Lane School Book Fair (through March 17) 11:30 a.m. to 1:30 p.m.

Our Lady of Mercy Youth Council, registration for girls' and boys' track, girls' softball, 7 p.m. to 9 p.m., school lobby, South Oyster Bay Rd.

William M. Gouse Post VFW, 8:30 p.m., VFW Hall, 320 S. Broadway, Hicksville.

Poetry Reading and Concert

The Hicksville Library is pleased to announce a Poetry Reading and Concert to be held in the library on Sunday, March 12.

This event is part of the Nassau County Office of Cultural Development Sunday Afternoon Series for Spring 1978 usually held at the Center for Fine Arts in Roslyn. Due to the closing of the center because of structural hazards the Library was chosen

to present these programs.

The programs will be held in the auditorium beginning at 2:00 PM. There is no admission charge. All the community are welcome to attend.

The poetry reading by Anne-Ruth Baehr and Stuart Radowitz is set for 2 p.m. A complete program of music will be supplied by the Sea Cliff Chamber Players starting at 3 p.m.

Old Country Road PTA

The Old Country Road PTA is presenting a program of interest to everyone on Tuesday, March 14, at 8:00 PM.

We are very pleased to announce that we have been able to obtain the services of Mrs. Schneider of the Weight Loss Center, who will give a very

interesting talk on "How to Lose Weight Effectively and Healthfully." She emphasizes the emotional and physical problems in adults and children leading to overeating.

This is a meeting very few of us can afford to miss.

Refreshments will be served. You-all come on down.

Woodland PTA

meeting since all will be affected by this tax change.

The time will be 8:15 P.M. at the Woodland Ave. School in Hicksville.

Refreshments will be served. There is no admission charge for this meeting.

At Fork Lane School

Find out what you are really like - according to your handwriting. Rachel Frankel, a handwriting expert, will be present at Fork Lane School, Hicksville, N.Y. on Tuesday evening, March 21st, at 8:00 PM.

Come prepared with pencil and paper, and have your writing analyzed. All are invited, refreshments will be served. A brief general meeting will precede the program.

Tom Gallahue Appointed Parks Commissioner

Tom Gallahue

On Mar. 7, the Oyster Bay Town Board appointed Thomas Gallahue of Hicksville as Commissioner of Parks and Recreation. He replaces William H. Brown whose resignation was accepted earlier this year. Gallahue is the former Deputy Commissioner of Community Services.

Gallahue, who at one time had his own real estate business, joined the Town in 1962 as an auditor in the Office of the Comptroller. He transferred to the Parks Department in 1964 as Administrative Assistant to the Superintendent of Parks. In this capacity, he was responsible for the

preparation of the department's budget and payroll as well as assisting in the department's administration.

He was appointed Deputy Commissioner of the Department of Community Services in 1974.

Gallahue received a

B.A. degree from Fordham University and his J.D. degree from Fordham Law School. A resident of Hicksville for 25 years, he is very active in local fraternal and service organizations including the Knights of Columbus, Elks, Kiwanis, Ancient Order of Hibernians, the Fordham Alumni Association, and the Holy Name Society of St. Ignatius Loyola Church. He served in the U.S. Army during World War II.

Gallahue and his wife, Dorothy, reside at 96 Underhill Avenue, have two children, Denis and Dorothy, and four grandchildren.

LETTERS

(Continued from Page 4)

had many "false alarms" about expected storms hitting the metropolitan area, and in 5 out of 6 cases, we had actually not gotten the storm. The same thing happened as of this Friday, when we were told to expect a storm Saturday. This was later pushed up to Sunday, and then later till Monday, (today) and there is as yet no storm.

I wish to assure you that the attendance or non-attendance of the children has no impact upon our state aid, and was not a factor

in my decision. It so happens that Hicksville has been on "save harmless" for several years and therefore state aid payments are not effected by attendance at this time. They probably should be, but, as a matter of fact, they are not. Nevertheless, when I made that decision, I was then under the impression that the schools in Levittown, Plainview and Farmingdale were going to open as well. The superintendents in those districts subsequently changed their minds. On Friday, however, they and we did open, but without bus service, even though most of the surrounding districts remained closed.

without bus service, even though most of the surrounding districts remained closed.

It is a matter of individual determination, depending upon the circumstances in each district, and therefore I must take full responsibility irrespective of what happens elsewhere. I am sorry you were inconvenienced, but I assure you that it is a fact of law and of practice that whenever a parent deems an individual child's safety to be in jeopardy, the parent has the right and duty to exercise individual judgment in such matters. It is, of course, impossible for anyone sitting on a central office to know the conditions in each individual street and neighborhood. I do make it a point to drive around and visit the schools on snow days, and I do ask "spotters" in particular neighborhoods and parts of the district to give me their views before I make decisions of this nature, but obviously no one can be certain of the actual safety hazards which prevail on every particular street at any given moment.

Nevertheless, I do appreciate your comments, and rest assured that we do try to think of the

Irish Program

The Island Celtic Association will present a joyful evening of Irish melody, song and comedy on Friday, March 31, at 8 p.m. at the Junior High School, Broadway, Bethpage.

Performers will be Paddy Noonan and Band with Tommy Mulvihill and Johnny Hanley; Michael O'Dea, the distinguished

singer and entertainer from Jury's Cabaret, Dublin; and Joe Hayes, well-known raconteur.

Advance tickets, all on an unreserved basis, at \$5 each, may be ordered from John Lundy, 31 Boone Street, Bethpage, NY 11714; or phone (516) 433-5781 or (516) 935-8507. Limited tickets sold at door.

Educational Goals

The EDUCATIONAL GOALS AND OBJECTIVES COMMITTEE of the Hicksville Board of Education will meet on Tuesday, March 14, at 7:30 p.m.

safety of all the children, and the educational well being of all the children, when such decisions are made. This kind of decision is one which I wish no one had to make, but unfortunately someone has to; and being human, when such decisions are made we can sometimes be very, very wrong indeed.

Very sincerely yours,
Frederick W. Hill,
Superintendent

in the Board Room of the Administration Building, Division Avenue, Hicksville.

The committee will continue with the report on Guidance in the Secondary School.

The public is invited to attend.

The EDUCATIONAL GOALS AND OBJECTIVES COMMITTEE of the Hicksville Board of Education will meet on Thursday, March 16, at 8:00 p.m. in the Board Room of the Administration Building, Division Avenue, Hicksville.

The committee is reviewing the Health Education Curriculum.

The public is invited to join this committee.

RENEW YOUR MOEN FAUCETS.

Patented cartridge fits all Moen faucets, makes faucet perform like new. No washers to cause drips or leaks. Unmatched in reliability.

Quilts, (lectures and slides), Reception Center, Saturday, Mar. 11, starts 9:30 a.m. All-Day Seminar on L.I. Needlework, Reception Center, Saturday, Mar. 18, starts 9:30 a.m. Fee for seminars, pre-registration required. For information, call 420-5280.

New State Facility

The Montauk Golf and Racquet Club in the Village of Montauk is being added to the State Park facilities on eastern Long Island, Commissioner Orin Lehman said today. The announcement comes after several years of negotiation between the state and the Montauk Improvement Corporation, owner of the property.

Included in the purchase of 171 acres is 20 acres of a former planned apartment development, the 18 hole golf course, the large club house containing restaurant, locker rooms, offices and pro-shop, the swimming pool complex and six tennis courts.

The acquisition of these facilities, Commissioner Lehman

noted, will cancel plans for construction of a golf course at nearby Hither Hills State Park while making an excellent course available to the public this season.

The opening date will be determined after the state takes title to the property in April and pre-season maintenance work is completed.

The purchase price is \$1,325,000, which is \$325,000 less than the appraised value of the property and a considerable saving over the cost of construction and development of comparable facilities at Hither Hills.

Gospel Concert

Gospel singing, an art form unique to America, will move the audience to clapping during the Third Gospel Concert at the Black History Museum in Hempstead on Sunday, March 12 at 2 p.m.

During the museum concert, the Hempstead Community Choir, the North Shore Community Choir, the Freeport High School Choir, the S. L. Hines Chorus, the Hollywood Baptist Choir and the Little Mecca Youth

Choir will sing out.

The public is welcome to attend the free concert. Refreshments will be served.

The Black History Museum, operated by the Nassau County Department of Recreation and Parks, is located in the Bus Terminal Building, at 106 Main Street, north of Fulton Avenue. Further information may be obtained by calling the museum at 538-2274.

"STRAIGHT TIME," starring Dustin Hoffman opens an exclusive Long Island engagement at the UA Cinema 150 Theatre in Syosset on Friday, March 17th.

"STRAIGHT TIME" is the story of an ex-convict endeavoring to straighten out his life, and the many pitfalls he encounters due to his past record.

Officials Hear Israel's Consul General

For the first time on Long Island, elected officials of Nassau and Suffolk County, and Jewish organization leadership were invited to an up-to-the minute briefing given by Uri Ben-Ari, Consul General of Israel. Held at Hofstra University, on February 12th, the gathering was called together by Mrs. Tobie Newman of Freeport, under the aegis of the Jewish Leadership Conference of Long Island. Mrs. Newman coordinated the event, in cooperation with Mrs. Carmela Kalmanson of West Hempstead, President of American Zionist Federation, Mrs. Lynn Singer of East Meadow, President of the Long Island Committee for Soviet Jewry, and Mrs. Nancy Boyman of Merrick, President of the Merrick-Bellmore Jewish Community Council.

With between 300-400 people in attendance, government and county officials and leaders of the Jewish community, Mrs. Tobie Newman stated: "This effort demonstrates the value of cooperative action between different Jewish groups. The Mid-East briefing is the forerunner of a Jewish Community Relations Council for Long Island."

The purpose of the Sunday briefing was to give Long Island legislators, members of the Congress, the State Assembly, State Senators, and County elected officials an opportunity to hear first hand of the status of peace negotiations in the Middle East. Consul Uri Ben-Ari spoke on the pertinent issues: the sale of arms to Egypt and Saudi Arabia, the new settlements, Israel's need for safe and secure borders and the willingness of Israel to negotiate.

Consul General Ben-Ari, who also holds the rank of Brigadier General in the Israeli Army and who led his army through 4 wars, told the audience, which included Congressman Lester Wolff, County Executive Francis T. Purcell, Mr. Joseph Margiotta, Chairman of the Republican Party, Mr. Arthur Jaspan, representing Congressman Norman F. Lent, Commissioner Garfinkel, representing the office of Presiding Supervisor of the Town of No. Hempstead Michael J. Tully, State Senators John R. Dunne, Norman J. Levy, Karen S. Burstein, Assemblyman

AT BRIEFING: left to right: Mr. Marvin P. Middlemark, Old Westbury, Joseph M. Margiotta, Chm Nassau Cty, Republican Party, Commissioner Garfinkel, Town of No. Hempstead, Consul General of Israel, Uri Ben-Ari, Tobie Newman, Coordinator of Jewish Leadership Conf., Francis T. Purcell, Nassau City Executive, Lynn Singer, Pres. of the Long Island Committee for Soviet Jewry.

Armand D'Amato, Angelo Orazio, George Murphy, and Kemp Hannon, Dr. Jack Sabie, former Commissioner of Nassau County, why Israel cannot accept a peace that does not provide for "safe borders." "I have four sons," said Mr. Ben-Ari, "all serving in the Israeli Army at the present time. I can remember when my youngest son was 4 years old, we lived in Tel Aviv, a shell fell close to our apartment. I never want to think about little children living in Tel Aviv being terrorized by shells again, and children under siege from the Golan Heights again. My government cannot consider a peace that could mean Israeli children again sleeping under the earth in bunkers, learning, studying, doing their lessons, playing, eating, washing, dressing, crying, laughing ... underground, because in haste for peace, the government of Israel did not provide secure borders."

"Mr. Sadat has no time. Egypt is rapidly becoming another India, with population going from 19 million to 40 million today, and 50 million in another 20 years. The term President which Mr. Sadat uses in no way represents the same democratically elected 'president' as in Israel or the

USA. Mr. Sadat appointed his parliament, and has even appointed his own 'opposition.' Each concession Mr. Sadat demands before negotiations is something he has in his pocket before negotiations start. Israel is ready to negotiate territory, but Resolution 2452 does not demand return of all territory. Negotiation means compromise by both sides.

"In 1973 only 3 tanks remained to stand between his son in Tel Aviv and the Egyptian army. For five years children slept with gas filters in the underground air systems in the Golan. I don't ever want to have to think about that again."

County Executive Francis T. Purcell remarked "In 15 minutes of listening to Mr. Ben-Ari, I have a better understanding of the Israelis than everything I have heard to date."

Leadership from the following Jewish organizations were present: American Jewish Congress, B'nai B'rith, L.I. Board of Rabbis, Jewish War Veterans, Nat'l Council of Jewish Women, CHAI, L.I. Committee for Soviet Jewry, Hadassah, B'nai Zion, ZOA, Synagogue leaders, and the Jewish Community Councils of Baldwin, Freeport, Oceanside, Elmont, So. Bay Area, Mid Island Council, No. Shore, East Meadow, and the Five Towns and Great Neck.

Your Tax Dollars

would be risky in the event of urban guerrilla warfare; that if people missed having children there might be a population surge; and that people will move to the South and Southwest if a new Ice Age develops.

When the national debt is growing at the rate of \$1 billion every week and interest on that debt is the third largest item in the federal budget, Proxmire feels such studies are frivolous, to say the very least.

In addition to wasteful projects, which exist in every department at almost every level, Proxmire contends that "Billions of dollars are squandered each year simply because existing programs are inadequately monitored." He cites a Veterans Administration benefit program for Filipinos who served with the U.S. Armed Forces. In one case, a Filipino veteran who had been shot when he was AWOL received a 100-percent disability. He has nonetheless fathered 26 children and garnered more than \$89,000 in benefits from the U.S. Treasury. This is not an isolated

incident, according to the senator, who charges: "The VA has done nothing to curb massive fraud and abuse in the program."

There is a way to stem this unnecessary flow of government money, Proxmire believes, and he suggests four moves:

Research projects should be evaluated within the originating agency - BUT by a different group than the ones that propose them, and a government-wide listing of all research projects should be established to avoid duplication.

Agencies should be required to air their budgets PUBLICLY before the Office of Management and Budget (they are now held secret) so that critics can register objections to expenditures.

Special-interest groups should NO LONGER be served by governmental studies.

"Finally," Proxmire writes, "Congress itself must begin exercising a real oversight capacity. All too often, we on Capitol Hill toss millions or billions of dollars at a problem, THEN make no effort to see how the money is spent."

4-H News

4 H Teens are busy preparing for Cloverama '78 at the Nassau Coliseum April 1 and 2. Cloverama '78 is a new fashioned 4H Fair. All teens in Nassau County will participate in the event which will feature presentations and displays. Admission is free.

Coming Events
March 17-Public presentation Workshop for all Clubs. Corpus Christi School, 3:30 p.m.

March 18-Jr. Leaders Spaghetti Supper, all invited, First Presbyterian Church, Main St., Mineola. Admission \$2.00, \$7.50 per family, 5:30 p.m.

March 19-Harlem Globetrotters, Nassau Coliseum, 6:30 p.m.

Dear Friends ...

THE BUDGET VOTE and election of school board members in the Plainview-Old Bethpage School District has been set for Wed., May 31. Mark your calendars, voters and THE HERALD will be bringing you detailed information on these important events, as the date approaches.

Hicksville School Board Trustees Messers Ayres and Bennett who are co-chairmen of the Advisory Committee for Use of Buildings and Grounds, urge everyone who uses the school facilities to attend a meeting of this committee on Tues., March 14 at 8 p.m. in Cafeteria A of HHS. All organization presidents please note.

Congratulations go to two Plainview-Old Bethpage High School students... Russell Livingston has been selected as an honors award winner in the Westinghouse Science Talent Search. This distinction has been conferred only upon 300 students from throughout the Nation; and to Christopher Vassiliades who has written a musical composition that has been selected for the Sixth Annual Exhibition of the NY State High School Arts sponsored by the State Education Dept. This honor has been bestowed upon Christopher for two consecutive years.

They are probably back by now, but we received an enthusiastic postcard from Jo Zettler of HICKSVILLE, who is among a group touring Israel for one week, sponsored by the Hicksville Methodist Church and headed by the Rev. Albert Miller. "It is a tremendously moving experience," writes Jo.

We're sure you are all aware of the fact that the Grumman Corp. is the fifth largest manufacturer in the State and Long Island's largest employer. It is encouraging, therefore, to report that the fight to save the Grumman Corp.'s F-14 program is continuing and that as of today, even looks encouraging, according to State Sen. Ralph Marino of Syosset. "The F-14 program currently employs 7,000 Long Island men and women, Senator Marino tells us. "Considering the inferiority of the F-18 we feel it is urgent to continue this program for the sake of the nation's defense and Long Island's economy."

All the pressure that can be brought to bear on President Carter and Defense Secretary Brown, has been done by our elected representatives on all levels. As this program is threatened by the federal administration's proposal to purchase instead F-18's manufactured in Massachusetts, it would be a blow indeed to our economy if such a fine program is not saved.

Specialists in this field say that... "the F-14 fighter interceptor is the best among all other tactical fighters in production... its development cost is paid for and it is operationally proven."

Perhaps some of you will want to send a letter to President Carter and to Defense Secretary Brown also, if you agree with these facts. It will be an important decision. Every letter helps.

The New York State Association of Young Republican Clubs has announced that they will hold their quarterly meeting on March 10-12 at the Rockville Centre Holiday Inn.

County GOP Chairman Joseph Margiotta has agreed to conduct a seminar for convention delegates entitled "The Republican Party Structure: A Case Study of the Nassau County Republican Committee."

Mid-Nassau ORT, under the leadership of Mrs. Kay Freeman, announced her organization would launch the most intensive drive for membership in its history, in order for Women's American ORT to achieve their world wide goals of expansion throughout the world and to promote quality education in the United States. Mrs. Freeman said that ORT has recently opened a New Bramson Training School in New York City, based on individualized learning, job oriented and tailored to individual needs.

ORT currently operates over 700 vocational schools in 22 countries. If you are interested in learning more about what ORT does and what it can do for you call 481-3088 for further information.

THAT'S ALL for this week. Stay well and remember the old saying "When winter comes can Spring be far behind?"

Letters To The Editor

Dear Mrs. Noeth:

In view of the fact that the signers sent copy of their letter regarding the school openings and snow closings for publication, I thought perhaps you might be interested in publishing the reply which I had sent to the lead signer of such letter.

Unfortunately, decisions to open or close schools on particular days have to be made by the superintendent on the basis of the information available to him at the time the decision is required. It is a "no win" situation, but nevertheless the decision has to be made. If it be any comfort to concerned parents, I can only say thank the Lord that in 43 years of such decision making I have never known of a child who was injured in any way in consequence of decisions to open or close schools in stormy weather. On the other hand, I must say that I have known hundreds of children who were injured during such period by accidents in the home or while playing in their own back yard or home neighborhood. Hence, one might argue that children are always safer at school than they are at home, since the accident frequencies are much less in school than they are at home. That would be small comfort, however, if a child were injured; and I must simply indicate that we are concerned about the safety of the children and we try to do the best we can to make the right decisions. Undoubtedly, sometimes we can make some wrong ones. I hope though that it will be some comfort that here in Hicksville we have only three snow days to make up, whereas some parents and children will be asked to give up as many as eleven to fifteen days of planned vacation time because they have had an inordinate number of

school closings.

Very sincerely yours,
Frederick W. Hill,
Superintendent

February 13, 1978

Mr. & Mrs. James McMahon and
Neighbors
27 Bridle Lane
Hicksville, New York 11801

Mr. & Mrs. McMahon:
I wish to acknowledge and thank you for the joint letter submitted by you and your neighbors under date of February 8th, regarding the fact that you were all very upset with the way the school closings are being handled.

I regret very much that you do have difficulty in getting the news with respect to the school closings. However, all I can say to you is that we have a procedure which requires that we shall make decisions regarding closings prior to 6 A.M. on any given day, and that as soon as this decision is made, it is immediately passed down a chain and we do call ten regular radio stations who have agreed to place this news on the air at their convenience. In general, they have been very cooperative in making this information available to the public, and it seems best that each resident should find that particular station or stations which are capable of being received in a particular part of the district. Unfortunately, it seems that no one station can be received in every part of our district and therefore we have established the ten different ones in hopes that at least one or two would be available to residents in particular parts of the district.

I assure you that in each instance, the decisions have been made prior to 6 A.M. in every case, and in the four most recent days, the decision was actually

made by 5 P.M. of the preceding evening. I know of no instance where we have not sent the information to the radio stations within a period of a few minutes after the decision has been made. Nevertheless, when or if the stations decide to broadcast the information is a matter of their own choosing.

I assure you that the decision to open or close the schools on particular days is an extremely difficult one, and that on most occasions when we decide to open, we receive criticism for having done so, and on days when we decide to close, we receive criticism for having closed. It is always a "no win" situation, and unfortunately all a superintendent can do is to make a decision on the basis of the facts known to him at the time he makes the decision.

In our particular case, our contract procedure requires that a decision be made no later than 6 A.M. because of the fact that it takes time for a number of our staff who live in Westchester, New York City, New Jersey, Rockland County, etc., to come to their jobs. Hence, I as Superintendent usually must make this decision some time between 4 and 5 A.M. I usually check very carefully with the weather bureau, the superintendents of adjoining districts, and with our own transportation representatives to determine what is best for Hicksville. At the time the decision was made, the bus contractors reported that their drivers had had no difficulty in reporting for work, that the streets were dry and clear, and that they would have no problem in delivering the children on time. As a matter of fact, that's exactly the way it turned out. Please remember that we had

At The Town Board Meeting

by Garry Kahn

Supervisor Colby asked for a short recess at the conclusion of the 1st hearing during the Town Board meeting held on Tues., March 7.

The hearing of D & R Rechler and E. Blumfeld for a special use permit to maintain offices and accessory business uses at Syosset (s Jericho Tpke., e o Michael Drive) ended at 11:40.

Mr. Glasse represented the petitioners who plan to convert the former Davega (Grumman) building into office space.

His presentation included traffic expert, real estate appraiser, architect and business consultant. The new facility will employ over 1300 people and encompass 180 thousand square feet.

The applicant presented a detailed plan on how to relieve the anticipated additional traffic impact.

There was no opposition to the application.

The 2nd and 3rd items on the agenda were discussed jointly. They were the applications of Gilbert Tilles for a special use permit to construct, maintain, and use a one-story office building in an Ind. H. District at Woodbury. The first of the applications was on the w/s Froehlich Farm Blvd. n o Sunnyside Blvd., which represented a building of approximately 15,000 square feet and the second is on e/s Froehlich Farm Blvd. n o Sunnyside Blvd. for a building of approximately 32,000 square feet.

The Board made inquiries into parking, landscaping, signs, lighting and discussions on items

most important to the neighboring communities.

Judy Jacobs, Mrs. Partelli, Linda Pollack and Lois Hass spoke in opposition to the granting, all representing the So. Woodbury Taxpayers Assoc.

Bobby Ozar representing the Gates Civic Assoc. concurred with all that had been said by Mrs. Jacobs and members of her organization and added that perhaps Mr. Tilles had made a covenant with his present tenants that the industrial park would be limited to office buildings.

The So. Woodbury Taxpayers Assoc. requested that the Board turn down the applications and any future ones; that they prefer industrial type buildings be constructed if no interior roadways leading either to Froehlich Farms Blvd. and Sunnyside Blvd. ext. are to be constructed.

Their theory is that curb cuts on Woodbury Rd. are almost a certainty and they prefer the lesser traffic impact from industrial rather than office construction.

In an interview with Mr. Gilbert Tilles, he stated that the property is zoned industrial but he met such tremendous opposition to the construction of GEICO that he changed his modus operandum to single story office buildings to satisfy the desires and in the best interests of the community.

Now he has reached a point in the development of the park where he feels he is being intimidated and he doesn't want to be unreasonable but...

The fourth item on the calendar was the petition of Arthur Moss d b a Thrift Auto Body for a special use permit to use, maintain and conduct an auto

body and fender works within Ind. H. District at Hicksville (e s Burns Ave., n s Keats Pl.)

Thomas Watson, a neighbor, was in opposition to the granting, he claimed that they were in operation now and created noise and air pollution as well as parking the cars in the street.

The seventh item was a day night hearing of the Marriott Corporation and the Greater Midway Shopping Inc. for a special use permit to erect, use, maintain, and operate a Roy Rogers type fast food facility.

Carol Eisenstein of Greater Plainview Civic Assoc. spoke in opposition by stating the air pollution, debris and filthy conditions as well as traffic situation was presently unbearable and TOB should do something about improving existing conditions before entertaining any further facilities.

Michael Cantwell, representing a neighborhood group from Bentley Rd., the Street to the south of the shopping center was in opposition to the granting and claimed that the G.P.C.A. wasn't a true representation of the community's feelings.

Item 15 on the calendar was a resolution for a hearing date of April 11 for the petition of Daniel Gottlieb for a change of zone from Res. D to Bus. F at Plainview (a w/c Old Country Rd. and Rex Place.)

Item 16 was a resolution for a hearing date of April 18 for the application of Hess Realty Corp. for a special use permit to erect, modernize, operate, and maintain a gasoline service station e s Broadway and n s Marvin Ave., and s s Gerald Ave.

A Message From Sup. Colby

As the Tri-State Regional Planning Commission gears up to implement a housing plan which many local officials have objected to, it would be well for the Commission and its alter-ego, the Department of Housing and Urban Development, to rethink one of their basic philosophies.

I and others fought hard to get Tri-State to amend its Housing Element - which calls for construction of thousands of low-income housing units in Nassau and other suburban communities - and one of my most vocal arguments was that the right of local governments to address the housing needs of their own residents before considering housing for non-residents must be recognized. Tri-State and HUD remained adamant in their rejection of this concept, and have continued to promote the relocation of city dwellers into suburban areas.

Their mistake in judgment is evident to local governments. Now, as a result of a White House conference of state representatives concerning our country's growth and economic development, this mistake should become evident to Tri-State HUD master planners and social experimenters.

The White House conferees believe that job opportunities should be increased where people presently reside. The conferees concluded that federal incentives should assist the goal of creating jobs where the people are, but that the procedures for increasing job opportunities should not be defined and administered in Washington. Instead, they said, local governments should be permitted to develop their own plans, and the federal government should assist the locally-developed goals.

If the conclusions of the White House conference are not sufficient for Tri-State and HUD, perhaps the view of the American public is. President Carter's pollster has reportedly found that 63% of the public believe the federal government should spend funds to bring jobs to places where people are unemployed; only 20% believe that the government should encourage the jobless to move.

The White House conference and the views of the public are compelling arguments against the Tri-State HUD policy of "spatial deconcentration" - moving people from the cities to the suburbs. Tri-State and HUD should start listening.

Forum Scheduled

Public Works Commissioner Michael R. Pender today announced that the Department of Public Works will conduct an informal forum on March 16 for the purpose of discussing alternatives to ocean disposal of sewage sludge. The forum, scheduled for 7:30 PM in the Board of Supervisors meeting room in the County Executive Building, will be primarily an opportunity for environmental groups to hear and comment upon a presentation by the County's consultants, Consoer-Townsend.

Nassau County is under Federal order to cease ocean dumping by 1981. It retained Consoer-Townsend in 1977 to study and evaluate alternative methods of disposal. Both the forum and the public hearing are required by the U.S. Environmental Protection Agency as a condition for receiving reimbursement for the cost of the study.

A formal public hearing on the subject will be held on Wednesday, April 5, at 7:30 PM in the same room.

On Deans List

Six Plainview area residents have been named to the Dean's List of State University College at Oneonta for the first semester of the 1977-78 school year, according to Dr. Carey Brush, vice president of the college.

Included are: Betti Aber, 34 Julliard Drive, Plainview; Debra

Deitchmeister, 20 Manchester Blvd., Wyandanch; Bruce Gordon, 32 Debora Drive, Plainview; Harry Kalogerakos, 43 Jamaica Avenue, Plainview; Elliott Marsden, 1 Abbey Court, Plainview; and Jane Tanenbaum, 20 Jeremy Avenue, Plainview.

RED CROSS BALL PLANNED: Congressman Norman F. Lent (2nd r.) reviewed plans for the Third Annual Red Cross International Ball with (l. to r.): Judge William Seiffert of Ocean-side, a member of the Red Cross Board of Directors; Richard Wirth a Red Cross water safety instructor; Mrs. Rita Boyd, a blood program volunteer; and

Thomas Purcell a member of the Red Cross Board of Directors. Lent is an honorary co-chairman of the event.

The U.N. Ambassadors from five countries will be on hand for the gala ball to be held Friday, April 7th, at the Charter Oaks Country Club in East Norwich. Tickets, at \$75 per person, are available through the Red Cross.

Quiet, please.

High-interest zone for savers.

When you step into Queens County Savings Bank, you've entered a high-interest zone for savings.

There's our day-of-deposit to day-of-withdrawal account; we call it the "Day In, Day Out" account. You'll earn a high 5 1/4% annual dividend day in and day out since it's compounded daily and credited quarterly. And if you make a withdrawal, your money still earns interest every day it's been on deposit. (A \$25 minimum must be maintained until the end of the calendar quarter.) There are also time savings accounts available at higher rates.

And we've got totally free checking for you, too, provided you maintain a \$300 balance in your savings account.

So take your Q from the Quiet Bank. Enter the high-interest zone by opening a Queens County savings account today.

JFK High Announces Top Students

On March, Dr. Arthur C. Colver, Principal of John F. Kennedy High School, Plainview, announced the selection of the Valedictorian and Salutatorian of the Class of '78, at John F. Kennedy High School.

The Valedictorian is Elliot Lerner, of Ridge Drive, in Plainview, Elliot has a 3 1/2 year academic average of 98.27, ranking No. 1, in a class of 460 seniors. He is a National Merit Finalist and has won many awards in French, English, Science, Math and Social Studies. He is News Editor of the Fountainhead, a member of the Cross Country Varsity Team, Mathletes, Math Olympiad, Medical Explorers, among other activities. He has worked as a volunteer in the emergency room of a local hospital. He has done all this, and more, while maintaining a gruelling academic schedule, including an unbelievable five Advanced Placement courses in his senior year. Elliot plans to attend Brown University's 7 year Medical Program.

The Salutatorian is David Scheinerman, of Round Swamp Road, in Old Bethpage. David has a 3 1/2 year academic average of 97.13, ranking No. 2, in a class of 460. He is a member of the National Honor Society and a National Merit Lettr of Commendation Winner. He has won awards in Chemistry, Biology, Physics and Social Studies. He is Coordinating Editor of the School Newspaper, Captain of the Mathletes, Oboe and Saxophone player in the School Band as well as Oboe and English Horn player in the School Orchestra, Vice-President and Treasurer of the National Honor Society, member of the UN Club and METMUNC and participant in Intramural Hockey and Basketball. His community activities include Medical Explorers and volunteer in children's reading program at the local library. David will probably major in Math and Science at a college yet to be selected.

The Hicksville Junior High School Drama Club will present "South Pacific" in the school auditorium on March 16, 17, 18, 1978. The show will start at 7:45 P.M. Tickets are available at the school and will also be sold at the door.

In this picture we see Liz Arnold as Nellie Forbush, in one of the funny scenes from the show.

This show is bound to be a huge success due to the hard work of student director Jim Townsend, assistant directors Mimi Diamond, and Christine Ciastko, and student chore director Maryanne Esposito. All the kids have worked really hard so don't miss all the fun by not seeing this production.

Happenings At Dutch

The week of March 13th Dutch Lane School will hold it's Annual Book Fair in the schools' Library, during lunch hours 11:30-1:30.

On Tuesday, March 14, at 8:00 P.M. the Dutch Lane School P.T.A. will hold it's Annual Penny Auction in the schools' All Purpose Room on Stewart Avenue & Levittown Pky. Many valuable gifts will be auctioned off for just pennies. There will be door prizes, raffles, and refreshments too. Donation \$1.00. Come and join us. Bring your friends. Remember...Tuesday, March 14...8:00...Dutch Lane School.

Organ Recital

The Lutheran Church of St. Stephen is pleased to present Herbert Bradensten, Jr. in an Organ Recital, this Sunday, March 12 at 4:00 p.m.

Mr. Bradensten was appointed Organist-Chairmaster of St. Stephen's in September 1977. Prior to this he held similar positions at St. Andrew's Church, Williston Park, and St. Jude's Church, Wantagh. He is also associate conductor and manager for the Hicksville Community Orchestra and Chorus, and is the instructor of the Adult Education Piano Class.

Mr. Bradensten's program will include works by Gabrieli, Bach, Walther, Hindemith, and Gigout. St. Stephen's Church is located at the corner of Broadway and Fourth Street in Hicksville. We look forward to seeing you this Sunday, March 12 at 4:00 p.m.

Shakespeare Festival

While tradition is certainly king as far as Hofstra University's Shakespeare Festival is concerned, this season's 29th annual Festival will feature something different — the very first Hofstra production of one of William Shakespeare's earliest plays, "Two Gentlemen of Verona."

The Festival, running from March 9 to March 19, will feature seven performances of Shakespeare's play, as well as selections from Shakespeare's works which explore the effect of time on the human condition; concerts by the Hofstra Collegium Musicum, and tours of the Globe Stage, a replica of the detailed model on display in the Folger Library in Washington, D.C.

Throughout the history of the Festival, which began in 1950 and is thought to be the oldest annual Shakespeare Festival in the United States, there have been three productions of "Romeo and Juliet," and several productions of other Shakespeare favorites, such as "Hamlet," "Much Ado About Nothing," "A Midsummer Night's Dream" and "Richard III."

This year will mark the premier production by the Drama Department of "Two Gentlemen of Verona," which, as Drama Department Chairman James Van Wart explains, defines easy

synopsis. "You could say that the play is about friendship, love, honor and decency, but that would be burdening it with seriousness," said Mr. Van Wart, who is also directing the presentation. "It is really a very lighthearted theatrical 'confection'."

But while the production itself will be new to the 2-week Festival, other traditional aspects remain. Work is currently underway assembling the 5/6 life-size scale reproduction of the Globe Theater, on which many of Shakespeare's plays were originally presented in England, and on which most of Hofstra's Shakespearian productions have appeared since 1951. The stage was researched and designed by former Hofstra President John Cranford Adams, based on his original model for the stage, which is now in the Folger Library.

Past Shakespeare Festivals have been showcases for such talents as Madeline Kahn (1962), the late Godfrey Cambridge (1963) and radio disc jockey Dan Ingram (1963). Noted producer-writer-director Francis Ford Coppola (who recently returned to Hofstra to accept an honorary Doctor of Fine Arts degree) joined with producer Ronald Colby on the lighting crew of

"Hamlet" in 1958.

"Two Gentlemen of Verona" will present over 20 drama department students, all with the talent to be future stars. Featured in leading roles will be Jean Tafler of Schenectady (performing the role of Julia); Tom Savage of Hempstead (Duke of Milan); Michael Bertolini of Seaford (Valentine); Celia Berk of Rockville Centre (Silvia); Stephen Bailey of East Meadow (Proteus); George Gale of Hamilton, New Jersey (Speed); and Robert Weiner of Trevese, Pennsylvania (Launce).

The Hofstra production of "Two Gentlemen of Verona" will be presented on March 9, 10, 11, 17 and 18 at 8:30 p.m., and on March 12 and 19 at 3 p.m. It will be performed in the John Cranford Adams Playhouse, South Campus, Hempstead and ticket prices are \$4, \$3.50 and \$3. Senior Citizens may purchase tickets for \$3 for the Thursday and Sunday matinee performances only.

The Shakespearian readings, entitled "Tapestry of Time" will be presented along with the Collegium Musicum concert and Globe Theater Tours on March 11 and 18 at 3 p.m. Tickets for these performances are \$1.50.

Further information about the Festival and ticket information may be obtained from the Box Office, 360-3283.

91-58-91???...remarks County Executive Francis T. Parcels, as he checks the metric measurements of Miss New York State Darlene Javits of PLAINVIEW. The metric measurement was done in honor of Weights and Measures Week in Nassau County, a time set aside

to recognize the Consumer Affairs Inspectors who check out over 100,000 measuring devices and packaged commodities each year to make sure consumers get full value for their dollar. Miss Javits, a Hofstra law student, will compete for the Miss USA title in April.

Income Tax Assistance

The AARP (American Association of Retired Persons) Volunteer Income Tax Assistance program at the Hicksville Public Library has begun and will continue until April 13 every Monday through Thursday from 2 to 4 pm in the library fiction room.

AARP member Mr. Fred Rochmis will be available on Monday and Wednesday, Mr. Yuen Chen, on Tuesday and Thursdays. This VITA program is a service of the Department of the Treasury, Internal Revenue Bureau to instruct volunteers to help teach the members of the community how to prepare their own tax returns.

Most of the required tax forms are available to those who may need them. We advise you to come as soon as possible. The closer to April 15 the longer the lines are at the library.

Fliers Club News

Evolution of the U.S. Coast Guard Sea Air Rescue techniques and equipment over the past 40 years, sea power, and early civil aviation, will be topics of a Sunday, March 12 afternoon meeting at the C.W. Post College, Greenvale, N.Y. The 3PM open meeting is sponsored by the Long Island Early Fliers Club and the Post College Hutton Lecture Series. There is no admission charge and the public is invited.

Capt. Bruce Solomon, Commandant of the Coast Guard Air Station at Floyd Bennett Field, Brooklyn, will be featured speaker. The station is celebrating its 40th year of providing fishing, boating, anti-pollution, and other patrol services in the area. An historical motion picture on Coast Guard men, machines, and SAR, will be shown, and Capt. Solomon will discuss many SAR "Firsts" accomplished at Floyd Bennett.

This Sunday meeting will be a regular open meeting of the L.I. Early Fliers Club, a non-profit organization

Meeting is in the Hillwood Commons Lecture Hall Auditorium on the campus of C.W. Post College, Greenvale, L.I. Campus entrance is on Northern Boulevard, approximately 3 miles east of Guinea Woods Road (Glen Cove Road) in Nassau County. Additional information is available at 516-781-6230.

BOYS UNDER EIGHT

While the Intramural Indoor Tournament was in full swing in Hicksville, Al Boccafola and Rich Hanna took their Pee Wees up to Lutheran to play with 14 other Long Island teams. The little guys were broken into two conferences and played 5 rounds in order to come up with the ten quarter finalists.

Rich Hanna's Blue team did a good job in the preliminary rounds on Sat., compiling a record of 3 wins and two losses and qualified to come back on Sunday for four more games. This was the first time for this age group - that the boys played indoor and they more than held their own. The team was made up of: Jean-Claude Balek, Michael Conway, Chris Kanuck, Robert Karlewicz, Paul Levy, Brian Magee, David Nisenon, Anthony Schiralli and Howard Shragin and coach Rich Hanna was proud of their performance. On Sunday, against much stronger competition, the boys did not fare as well and did not make it to the semis but they did get their 9 games of soccer in this week-end and gained a great deal of experience.

The Hicksville Red 'A' team, coached by Al Boccafola & Stan Greenberg, roared through the preliminary rounds on Saturday to take 1st place with a 4-1 record. They scored the most goals (10) and gave up the least (2) in their conference and were a strong favorite to go 'all the way'. This strong little team, who won their outdoor division in the fall, was made up of: Tom Boccafola, Kevin Burke, Tim D'Antuono, Marc Diamant, Gregg Greenberg, Michael Grossman, David Haut, Neal McKenna and Jason Miller. On Sunday, also against tougher competition, the boys were undefeated with a record of 2 wins and two ties to slip into the semi-finals in fourth place. While the final standings were being calculated, coaches Boccafola and Greenberg kept the guys together and talked over their strategy as their next opponent

BILL BROOKS of the Indoor Tournament Committee presents Tommy Boccafola of Hicksville with the Best Defender Award at the Under 8 Indoor Tournament recently held at Lutheran High. The Hicksville team, coached by Tommy's dad Al, was declared co-champions along with Oceanside after 3 overtime periods could not settle the match. (Herald Photo by Linda Dates)

was a strong Deer Park team who was undefeated in its last 8 games and had a strong hold on first place. In a very exciting semi-final, Hicksville prevailed 3-2. In the other semi, Oceanside defeated Island Trees 1-0. Oceanside was indeed a 'dark horse' as they just qualified on Saturday with a fifth place finish. Their coach, Jerry O'Sullivan, really brought them on and in four games on Sunday, they were

also undefeated with a 3-1 record. The championship game looked as though it would be a beauty and it certainly was. The boys had a brief rest and went at it again. They really put on a show and, after regulation time the teams were deadlocked at two. After two overtime periods, the score remained the same so the tournament committee decided that if a champion was not

(Continued on Page 9)

Hicksville American Soccer Club News

(Continued from Last Week)

The spectators were treated to some extra thrills that weren't in the program as the championship game ended in a scoreless tie. A brief rest followed and then back on the court for, not one but two overtime periods with still no score. The next step to declare a champion in this defensive struggle was penalty kicks. The game and the first place trophies were awarded to Maine 1-0 as they put in 3 penalty kicks to Connecticut's 2.

BOYS UNDER 14 - The commissioner of this four team division was Herb Zaretsky. These older boys competed on Sunday and Tony Camara's New York team took first place and went undefeated during the entire tournament. Second was New Jersey, coached by Leon Akl, third was Herb Zaretsky's Washington and fourth was Florida, coached by John McFadden.

PEE WEE GIRLS - Girls commissioner Sandy Kugler handled all the girls teams and in this age group, four teams of young ladies kicked the ball around and coming in on top in first place was the Carnations, coached by Eileen Lavacca with a 2-1 win in the Championship game over Tom Mananski's Mistletoes. The Carnations were also undefeated and gave up only one goal in the whole tournament. In third place were the Magnolias coached by Ann Kissell and Lenore Perry and 4th were the Bluebonnets coached by Louise Bates.

MIDGET GIRLS - In this very close division, Maryann Gaetani and her Orangeblossoms edged out the Wild Roses (coach Pat Frattini) with a 2-1 win in the final. Third place was secured by Patty Decker and her Irises and

fourth was the Appleblossoms coached by Bernie Sierra.

GIRLS UNDER 14 - There were four older girls teams also and the champion in this division was the Camelias (coach Charles Fratini). In the final game, the Camelias defeated the Poppies coached by Carol McCausland 3-1. In third place was the Violets coached by Margo Lipiec. The Violets were another team that went undefeated during the tournament but missed the finals due to their record of three ties. In fourth place was the Goldenrods, coached by Sal Musumeci.

A special feature of the Tournament was a visit by Long Island's own professional soccer team The New York Apollo. The pros put on a demonstration, signed autographs and scrimmaged and lost (conveniently) to some of our Hicksville players. The Apollo also donated a complete set of first and second place trophies and Mr. Ed Capobianco presented all first place teams with a complimentary ticket to the opening game of the season.

Mr. Al Greenspan, who coached the Oklahoma team, did a great deal of work on the attractive program that was available and was also responsible for procuring another complete set of 1st & 2nd place trophies, donated by the Singer Company. Herb Zaretsky of Sportline donated a set of 1st place trophies as well as the MVP trophies for all traveling tournaments.

The tournament was a huge success, thanks again to the efforts of those already mentioned as well as board member Gene Maguire (Admissions) & Randy Smith, Steve Florio and Walt Karlewicz (Scoring, Standings & Announcing).

Hicksville's "Orange Crush"

Recently, in the sporting news, there was the much talked about "Orange Crush", referring to the Football Champion, Denver Broncos; but did you know that Hicksville has its own "Orange Crush"? That's right—it's the Hicksville Girls' Varsity Volleyball team. In comparison, both teams had a very rewarding season—first place in their league and runner up in the big game. Here is a list of the girls' accomplishments:

1st Place—Uniondale Invitational Tournament (4 years in succession)
1st Place—Division A, League III (3 years in succession)
1st Place—League III (Champions) (3 years in succession)
2nd Place—in County (3 years in succession)
League Record—12-0 ('77-'78)
Overall Record—20-2 ('77-'78)
Four Year Record—69-5 ('74-'78)

The girls work very hard all season from the beginning of November to the end of January, six days per week. Each girl develops a specific skill that when put together makes the team work. This was exemplified when the entire Hicksville team was voted, by the coaches, as the Most Valuable Player at the Uniondale Invitational Tournament. Teamwork is the key to success in volleyball without each other the team will not work.

Members of the '77-'78 Varsity Volleyball team are as follows:
Lee Cirincione-Senior (capt.); Sue Dircks-Senior (co-capt.); Ellen Dickert-Senior; Tina Suppa-Senior; Donna Biancato-Junior; Donna DeStefano-Junior; Maria Hartnett-Junior; Carol McCausland-Junior; Fran Panetta-Junior; Joanne Pedranghelu-Junior.

Manager—Kim Brennan.
Thanks go to Mrs. Mary Sue Carr, who has done another fantastic job of coaching this year. Not only do the girls admire and respect Mrs. Carr, but the State (New York State Physical Education and Athletic Association) has also acknowledged her ability this year by honoring her.

American Soccer Club (Continued from Page 8)

established after one more overtime period, they would be declared co-champions. These little guys were pretty tired after 10 games of playing in this final game but it didn't affect their play. They thrilled the entire gymnasium with another 5 minutes of great soccer; both teams had opportunities to score but both teams had great defense as well. The score remained the same, 2-2 so the boys were declared co-champs. It was indeed a happy ending as the boys shook hands and congratulated one another and the coaches (Jerry O'Sullivan of Oceanside and Al Boccafola and Stan Greenberg of Hicksville).

The referees again picked the special awards; Most Valuable player was Chris Donovan of Oceanside. The MVP trophy for all the Hicksville Tournaments was donated by Herb Zaretsky of Sportsline. The best goalkeeper of the Tournament was Bayshore's Alex Ortiz and the best defender was Tommy Boccafola of Hicksville. The Sportsmanship Award, which was donated for all tournaments by Councilman Tom Clark, was presented to Robert Gehrhardt from Cow Harbor.

**FEED THE
BIRDS**

with an honor award for her outstanding record and excellence as a coach.

The junior varsity team coached by Miss Barbara Feuerstein also had an outstanding record of 9-1 this year. This is the fourth year in succession that the girls have been in first place on the junior varsity level. The four year record of the junior varsity team is 41 wins-1 loss.

Members of the '77-'78 Junior

Varsity Volleyball team are as follows: Nancy Autolino-Junior; Gayle Brady-Sophomore; Lynn DaSilva-Junior; Karen Dowd-Sophomore; Marie Dunn-Sophomore; Maryanne Fagan-Junior; Jeanne Lynch-Sophomore; Melissa Mayer-Sophomore; Denise Mizzi-Sophomore; Ann Smith-Sophomore; Eileen Smith-Sophomore; Krista Smith-Sophomore; Elizabeth Sullo-Sophomore.

The coaches and team members would like to take this opportunity to thank all the family, friends, alumni, and faculty that

fought the snow and ice to be our loyal fans and who were with us all the way during the season and playoffs.

Isabel Dodd To Speak

Nassau County Elections Commissioner Isabel Dodd will address a meeting of the New York State Young Republican Women's Caucus at the YR State Convention scheduled for March 10-12 at the Rockville Centre Holiday Inn.

Women's Caucus Vice Chairman Nicholas A. Caruso of Hicksville, made the announcement and indicated that the general public was invited to attend.

"As evidenced by my own position, the YR Women's Caucus

meetings are not just for women, nor are they exclusively for Republicans," Caruso said. "The meetings examine the expanding role of women in politics, although the focus is generally on Republican politics."

Caruso, a Hicksville fireman and Republican committeeman, is also the candidate for District Director to the State YRs from the 10th Judicial District (Nassau-Suffolk).

Chairwoman of the Women's Caucus is Marie Belmonte, of Brooklyn.

General Manager

Alfred T. Prince, CLU, of Plainview has been named one of the outstanding General Managers of New York Life Insurance Company for 1977, according to R. Manning Brown, Jr., Chairman of the Board. Mr. Prince is General Manager of the

Park Avenue general office in New York City.

He has been invited to attend a company-sponsored management conference in Hilton Head Island, South Carolina.

Mr. Prince is a graduate of New York University.

Safe Drivers Given Award

Awards for completing a year or more of driving without a preventable accident were presented to 24 Agway Drivers from this area at a dinner held Feb. 21 at the Polish Hall, in Riverhead.

Drivers from Hicksville that were honored and their years of accident-free driving are: Joseph T. Carr, 2; Samuel Hardy, 21; Richard Kirby, 3; Douglas A. Lamberson, 3; Robert W. Cheshire, 4; James J. Shanley, 4; Carl F. Hoschel, Jr., 5; Alex J. Kiesel, 6; Harry Jeffords, 19; Robert A. Titus, 14; and Earl Miller, 2.

Agway is a farm supply and food marketing cooperative owned by 121,000 member-stockholders that serves agriculture in 12 northeastern states. Its headquarters are in Syracuse.

Bishops Dinner

A testimonial dinner for Bishop John R. McGann will be sponsored by Catholic Charities of the Diocese of Rockville Centre Saturday, May 13, in the Colonie Hill, Hauppauge. The black-tie affair will begin with a reception at 7:30 P.M.

Reservations for the dinner-dance, being chaired by Eugene Gibbons of Cedarhurst, will be limited to 1,500 and will be made on a first come, first served basis. They may be made through parish chairpersons of the Bishop's Annual Appeal or by writing Leo Laughlin, diocesan director of development, 50 North Park Ave., Box X, Rockville Centre, N.Y. 11571 or by calling him at (516) 678-5800, ex. 369.

Contributions, at \$150 per plate, will benefit the work of Catholic Charities, the non-governmental agency of social concern serving the most long Islanders. The agency's non-sectarian programs and the mentally ill, the aged, the infirm, children from single-parent homes, the foreign-born, unwed mothers, youth, mentally retarded adults, alcoholics, the unemployed, blind and deaf persons and those in need of family counseling.

Studies Legislature

Karen Wackerman, the daughter of Mr. and Mrs. Lawrence J. Wackerman of 53 Boxwood Lane, Hicksville was one of fourteen students from Trinity College's Legislative Internship Program who spent three days in Vermont studying the Vermont State Legislature. Taking advantage of "open period" (February 13-17) when there were no scheduled classes, the interns met with Governor Richard Snelling, Lt. Governor T. Gary Buckley, key legislators and heads of various administrative agencies during their stay in Vermont. Particular attention was devoted to the function and nature of Vermont's political parties.

The students were the guests of Johnson State College. The program is coordinated by Senator William P. Doyle, Professor of Political Science at Johnson College, who along with Professor Clyde McKee, Director of the Trinity College Legislative Internship Program, feels that there is a need for comparative analysis of state legislative systems.

There are plans for Johnson College students to spend a week at Trinity in the spring, while they study the Connecticut State Legislature.

Family Hockey Club will accept registrations for their spring and summer clinics - contact Bernard Ralston, at home 433-0807. That's all for now - thank God for your health and remember, take one day at a time.

Members of a group known as FRIENDS OF CHILDREN EVERYWHERE met with Congressman Norman F. Lent to discuss legislation they favor which would make it easier for American citizens to adopt foreign orphans and bring them to the United States. Shown with Lent are Barbara Graffeo, president of the organization, Cathy Gulford of Hicksville, and the children of several of the members at the meeting (l to r): Cathy Marie Gulford of Hicksville; Thomas Graffeo; Patricia Ann Musilli; Rebecca Winterbottom; Kimberly Graffeo; and Lisa Galvin.

String Of Pearls

On Saturday evening, March 11, the Hicksville High School Stage Band will present its annual "String of Pearls" dance.

The band will perform favorites from the Swing Band Era. Some of the selections will include: "I'm Getting Sentimental Over You" by Tommy Dorsey, "A Tribute to the Big Bands" a medley of popular Swing Band Tunes, "Pennies From Heaven" and "Speak Low" featuring Lauren Burwasser as vocalist, "Birth of the Blues" by Count Basie and featuring John Hughes as vocal soloist, "In the Mood" and, of course, "A String of Pearls" by Glenn Miller.

The Stage Band is a quality group which has worked very

hard to maintain its high standards and fine reputation. They have just recently attended a Jazz Festival in Glassboro, N.J., in which they gave a fine performance.

The Band, under the outstanding leadership of J. David Abt, includes: Tom Kluck, Peter Weinberg, Keith Blake, Jeff Renow, and Mark Clements on Saxophone; Pete Sholl, Rich Briody, Ken Lewis, and Dan Notov on Trombone; Al Pitrelli, Dennis Foy, Rich Ebler, Frank Connolly, Steve Finkelstein, Lauren Burwasser, Laura Brand and Chris Caruso in the Rhythm section; Sylvia Alimena and Krista Smith on Horn; Martin Schneider, Laura Brand, Ed Malle, and Al Pitrelli on Trumpet, with John Hughes on lead

Trumpet (Pictured here).

The Band will be assisted by the "Pearl Drops," a vocal group who perform hits of the Swing Era. They were prepared by William Goleek. The girls can really bring back those 'good old days'. They include: Gina Siracusa, Jane Batterman, Doreen Salera, Lauren Burwasser, Cindy Albach, Carrie Clark, Diane Stursberg, Sue Halley. (Pictured here)

If you would like to relive those 'good old days,' tickets are still available for the dance, which will be held in the Boys' Gym at 8:30 p.m. on Saturday, March 11. For ticket information and table reservations, contact Mr. Abt in the Hicksville High School Music Office at 733-2146 during school hours.

Plainview Sports

PLAINVIEW MIDDLE SCHOOL SWIMMING

Plainview Middle finished its season undefeated... They defeated Great Neck North 105-42.

In its victory over Great Neck South... Plainview Middle set a new school record in the 200 medley relay with a time of 2:07. The swimmers were Nick Rubertone, Shawn Kessler, Mitch Stern, and Peter Cloonan.

Many of the undefeated team will be moving up to varsity status when they become 9th graders at Plainview High next term. Coach Charley Schlegel is waiting for them.

Galileo Lodge News

By Joe Lorenzo

At some point this spring, plans for the construction of the Galileo Lodge's Bicentennial Memorial Monument will begin. Tony Previte, director of this program for the Lodge, stated that the completion of this monument will coincide with the first flowers that bloom in Kennedy Mall. Moreover, the unveiling of this monument, will be an inspiring event for all.

The monument will be located on the north end of the Kennedy

Mall in Hicksville. It will stand 5 feet by 12 feet long. It will be made of marble and brick, with the logos of the Town of Oyster Bay and the Bicentennial of 1976 on each side of the two columns. The center will bear the inscription "Hicksville Salutes U.S.A. 1976" and it will feature a marble exterior with bronze letters. Bronze plaques, one for the Galileo Lodge and the other for the Hicksville Bicentennial Committee, whose continued

efforts made this monument possible, will be located near the bottom of the structure.

The Galileo Lodge and its director of the program, Tony Previte, who is also a member of the Hicksville Bicentennial Committee, wish to acknowledge and thank all the members of the Hicksville Bicentennial Committee and Town of Oyster Bay Supervisor Joseph Colby and his staff for their personal involvement in obtaining permits and approvals to erect this monument. In addition, it is highly likely that without their assistance and perseverance, the undertaking of this project

might have been impossible.

LODGE HAPPENINGS

A St. Joseph's Dance will be held at the Lodge quarters on March 18, and the tickets for this affair will be \$7.50 per person. The Ladies Auxiliary will hold their annual Woman of the Year Dance, and this affair will honor Marie Santagata, Judge of

Nassau County. They will also hold a card party very soon.

The Lodge will use its facilities as a headquarters for the coming March Of Dimes Walk-a-thon. Bingo operations are still in force at the Lodge, all are invited, of course. Call 822-7472 for further information concerning these affairs.

Health Club Closes Doors Others Honor Contracts

When a Hicksville health club closed its doors last week, leaving more than 600 women out in the cold, with prepaid contracts and no place to go, the Nassau County Office of Consumer Affairs began exercising its persuasive powers to save the victims.

As a result, Consumer Affairs Commissioner James E. Picken announced that two other health clubs have agreed to honor the contracts of the Olympic Health Club for Women, 960 South

Broadway, Hicksville.

Elaine Powers will offer all female Olympic members the use of its facilities at the Mid-Island Shopping Plaza in Hicksville for the balance of their contracts.

Lucille Roberts will offer the balance of the Olympic time at no cost to those who join its Plainview or Massapequa clubs. The Plainview club is located at 359 South Oyster Bay Road. The Massapequa club is located at 1000 Sunrise Highway.

Commissioner Picken said,

"However," he commented, "it is clear that FTC regulation is needed. In the past ten years, 16 Nassau County health clubs have closed up in just this way leaving consumers out-of-pocket on prepaid memberships."

Note: the Olympic Men's Health Club is still operating.

"We certainly appreciate the cooperation of these two health clubs. This is an indication that the industry is trying to improve its reputation."

Cancer Therapy Program

Cancer Victims and Friends will present as their next speaker Michael Schachter, M.D., whose topic will be: "REVOLUTION IN CANCER THERAPY." This will be a very enlightening program. Be sure to come.

The meeting is set for Sunday, April 2, at 1:30 P.M. at the Plainview Library, 999 Old Country Road in Plainview.

Collage Ensemble In Concert

On Sunday, March 12 at 3 PM the COLLAGE ENSEMBLE will hold forth in a performance of the African - American Experience through instrumental song. Led by percussionist Andrei Strobert, the rest of the quartet includes Richie Harper on trombone and piano, Ricardo Strobert on alto sax and flute and Dieder Murray, cellist. They will bring it all together for you here, as they have done at the Village Gate and Carnegie Hall recently.

An African - American percussionist, composer, teacher and lecturer, Andrei Strobert is known as "Doc," for he operates like a scientist to bring forth an unadulterated musical quality from his drums.

The COLLAGE ENSEMBLE is an extension of this same technical and yet spiritual awareness that he has developed over the years, in dealing with the roots of African - American music by adding new concepts to create something different. Mr. Strobert has performed with such greats as: Montego Joe, Jaki Byard, Ken McIntyre, The Collective Black Artist 18 piece Orchestra, Carlos Garnett's "Universal Black Force."

Admission is free but tickets are required. They will be available to residents of the local school district, one week in advance of the program. Others will be seated just before the program as space allows.

Life Style Loans

Suburbia Federal Savings and Loan Association, through its Consumer Lending Department, has recently introduced a unique offering of loans for home related improvements.

Kicking off a customer-awareness campaign this week, Daniel J. Ahlfeld, Vice President-Consumer Lending, announced Suburbia is offering a wide array of "Life Style Loans." Mr. Ahlfeld explained, "Residents of Long Island have a unique life style. We, after extensive research, have developed various Life Style Loan packages tailored to every aspect of indoor or

outdoor home improvement."

Mr. Ahlfeld stated that the 10 Suburbia branches throughout Nassau and Suffolk are staffed to handle all loan inquiries. Additionally, Suburbia has assured that most loan applications will be processed in one business day.

Suburbia has been serving Long Island exclusively for 56 years. Its branch network includes its Executive Office in Garden City and offices in Lynbrook, East Meadow, West Hempstead, Plainview, East Rockaway, South Huntington, Kings Park, Patchogue and Port Jefferson Station.

Dinner Meeting

The Long Island Bates Club will hold its annual dinner meeting on Wednesday, Mar. 15, at the Maine Maid Inn, Jericho. A social hour is scheduled for 6:30 p.m., followed by dinner at 7 p.m.

Lewis A. Turlish, associate professor of English at the

Lewiston, Maine, college, will be the guest speaker. Randall Webber, alumni secretary, will report for the alumni office.

Bates alumni, parents and friends of the college are invited to attend the dinner meeting, said John S. Amols, club president.

Olm School Lobby is on S. Oyster Bay Road, Hicksville.

New Referees

Congratulations are certainly in order for the group of hard-working members of the Hicksville Americans Soccer Club who attended the 6 week referees course run by Mr. Keith Bantz, the president of the Long Island Referees Association.

The ten people who took and passed the course were Rich Hanna, Randy Smith, Steve Florio, Tony Schiralli, Walt Karlewicz, Allan Greenspan, Herb Zaretsky, Howard Mertz and Martin and Patty Conway. These are now 10 more members

of the club who are qualified to referee L.I.J.S.L. games after a one year probation. They are now qualified to referee games in intramural programs, etc. The test consisted of a written exam covering knowledge of the rules, running the game, etc. as well as a physical fitness test. Congratulations.

The New York Apollo will appear at the Nassau Mall on April 9 at 1 pm to give a soccer demonstration, free souvenirs, etc.

All are welcome.

Food Stamp Applications To Be Taken

Applications for food stamps will be accepted at twelve community locations during the month of March, according to Joseph A. D'Elia, Commissioner of the Nassau County Dept. of Social Services.

Workers will be at Our Lady of Mercy Church, Annex, lower level, 500 S. Oyster Bay Rd., Hicksville, on Wednesday, March 29 from 9 a.m. to 12 noon to accept

food stamp applications and answer questions about eligibility for the food stamp program.

Applications are also accepted daily from 9:45 a.m. to 4:45 p.m. at Nassau County Dept. of Social Services Administration Building, County Seat Drive, Mineola - first floor.

For complete information, telephone the Social Services Food Stamp Unit, 535-3630.

THE CROSS

The cross best proclaims the indisputable fact that we worship a caring God. It is the most popular of all Christian symbols. There is no Christianity without the cross.

The cross shouts God's words of love to each of us. It is His proclamation of possibility beyond the present. In it is hope for the hopeless, love for the loveless, encouragement for the depressed, and the pronouncement of life beyond death for those who grieve the loss of a friend or contemplate their own demise. Its importance to our faith cannot be over-emphasized; its proclamation must never be subdued. It "trumpets," "God Cares." That's music to our ears - the best news we could ever hear.

As I look at the cross, I cannot help but think of a movie I saw years ago. Few movies in my life have had the impact of Ben Hur. Many scenes made an indelible impression - the great sea battle, the exciting chariot race, the repugnant leprosy colony. Yet, none hit harder than the crucifixion of our Lord. The sound of hammer on nail rings through the air, the cross rises until it suddenly thumps into place. Slowly Jesus' blood begins to flow - one drop, then another - a puddle forms beneath the cross. It begins to rain. Water mixes with more blood, and together they begin to trickle down the hillside. The trickle becomes a stream as the blood washes over God's creation. We are reminded that the blood of Jesus cleanses us from all sin.

At Calvary God was in Christ reconciling the world unto Himself. The blood of Christ pouring down the cross restored our relationship with the Father.

Obituaries

JOHN W. GEAGAN

John W. Geagan of Plainview died on March 7. He was the husband of Eunice; father of Eunice Marchi, Margaret Anne Chertiza and John W. Geagan Jr.; brother of Joseph and James. He is also survived by two grandchildren.

He reposed at the Vernon C. Wagner Funeral Home, Old Country Rd., Hicksville. Mass of the Christian Burial Friday, March 10 at St. Pius X R.C. Church. Interment in Calvary Cemetery.

ROSE C. PIROZZI

Rose C. Pirozzi of Plainview died on March 4. She was the mother of Claudia Sanzeri, Eleanor Palmero and Jack Pirozzi. She is also survived by eight grandchildren and two great-grandchildren.

She reposed at the Vernon C. Wagner Funeral Home, Old Country Rd., Hicksville. Mass of the Christian Burial was at St. Pius X R.C. Church. Interment followed in Holy Cross Cemetery.

SANTINA M. MICHELI

Santina M. Micheli of Plainview died on March 5. She was the wife of John; mother of Albert; sister of Al Nusca, Ida Cance, Anna Squillante and Jennie Ventola. She is also survived by six grandchildren.

She reposed at the Thomas F. Dalton Funeral Home, Jerusalem Ave., Hicksville. Mass of the Christian Burial was at St. Pius X R.C. Church.

DEVOTIONS

By The Rev. John H. Krahn

We cannot fully understand the mystery of God's plan to recapture a creation gone astray. We only know that all who come to the cross in simple, trusting faith are cleansed by His blood and find peace with the Father.

By His death Jesus has unchained us. Unchained, there is no better word for it. He has set us free from the wages of our sins that only pay dividends in Hell and has set us on the positive pathway of a life with God. Our

eyes need no longer be downcast; our head has no reason to be between our knees. We are no longer oppressed with our weighty sins, for we have been touched by none other than God. He has cared not just a little but powerfully. His power encountered our sin, and it was no more. His incredible desire to rescue us in spite of everything dispels even the worst sin. But we must be wise enough to permit ourselves and our sins to be encountered by that desire.

Thomas F.

State PTA Honorary Life Membership Awarded

At a meeting on Tuesday, February 14, Don Skupinsky, a teacher at Woodland Ave. School was awarded an Honorary Life Membership in the New York State Congress of Parents and Teachers.

The Woodland Ave. PTA presented the award in recognition of Mr. Skupinsky's dedicated service to children and youth in the school and community.

This distinguished award was made possible through a con-

tribution by the Woodland Ave. PTA to the New York State PTA Jenkins Memorial Scholarship Fund, and/or the Teacher Fellowship Fund. Contributions to these funds enable the New York State PTA to provide scholarships to students entering college with an education major. And Fellowship to teachers enrolled in summer programs.

This award, an honorary one, is given in recognition of the recipient's involvement in school activities. He has for the past

three years coached two teams in PBC basketball, and has been very active in the Soccer League. For the past ten years Mr. Skupinsky has worked for the South Oyster Bay Group activities Program for Handicapped Children. He is at present coaching the Woodland Ave. intramural basketball team. With all the time that Mr. Skupinsky devotes to our children he also finds time to belong to the Knights of Columbus and the Elks.

Plainview Work Study Sessions

The Board of Education will hold Work Study Sessions to which the public is invited as follows:

March 15 - Jamaica Ave. School - 8:00 P.M.

LEGAL NOTICE

AMENDMENTS TO THE CODE OF ORDINANCES OF THE TOWN OF OYSTER BAY

BE IT ORDAINED, by the Town Board of the Town of Oyster Bay, County of Nassau, State of New York, that Chapter 19 "Parks and Recreation" of the Code of Ordinances of the Town of Oyster Bay, New York, be and the same is hereby amended to read as follows:

ADD: Section 19-28 to Chapter 19 "Parks and Recreation" of the Code of Ordinances of the Town of Oyster Bay to read as follows:

Section 19-28. Political Activity Permitted.

(a) Political activities shall be permitted at Town-owned and/or operated beaches and parks, subject to the following:

(1) That access to Town beaches, parks and community parks is attained by and is consistent with existing ordinances, rules and regulations which govern admittance to such areas.

(2) That with respect to the distribution of political material, each person shall conduct himself in an orderly manner and shall endeavor to cause no discomfort or inconvenience to any other person or patron and shall endeavor to avoid conduct overly conducive to littering.

(b) Political activities shall be permitted at Town-owned and/or operated swimming pool facilities, subject to the following:

(1) That access to Town and community swimming pool facilities is attained by and is consistent with existing ordinances, rules and regulations which govern admittance to such areas.

(2) That persons not dressed for bathing shall not be allowed on walks immediately adjacent to artificial swimming pools.

(3) That the dissemination or distribution of any political materials, flyers or bulletins, shall be strictly prohibited in pool areas.

(c) Except as herein provided by this section, all conduct shall be governed by the other provisions of this Chapter.

INVEST IN PRECIOUS METAL

TEN DAY HOME TRAIL

One of the smartest places to invest your hard earned dollars these days is in a good used blue chip economy car such as a Volkswagen, Datsun or Toyota, and we have a good selection of all three makes.

First of all, if you so desire, we will pay your mechanic \$20 to thoroughly check the car of your choice. If he says no, there is no further obligation.

Second, if within 10 days or 500 miles, whichever sooner occurs, you're not satisfied, return it! We're so confident you will like our car, we will give you a written money back guarantee which includes state and local taxes, registration fees, and if you finance the car through us, we will absorb any finance cancellation charges.

Thirdly, if you keep the car, our no-nonsense limited 30 day warranty simply states that the Engine, Transmission, Rear Axle, Front Axle Assembly, Brake System, and Electrical Equipment shall be in good operating condition or we will make repairs or replacement at no cost to you.

You won't find a fairer deal anywhere, even on a brand new car!

Hicksville Park Complex Explained

Voting on the Hicksville park complex to be located on the Giese property at Lee Avenue and Farm Lane, and the triangle park site at South Oyster Bay Road where Plainview and Old Country Roads meet, is expected to take place in early May.

Councilman Thomas L. Clark and the Park Task Force have been invited by the LEE AVE. PTA to present the public with a model of the complex, tax information, and any other details of

interest to the residents of Hicksville.

This presentation will take place directly following the PTA General Meeting at Lee Avenue School on MARCH 16, at 8 P.M. in the All-Purpose Room at which time the nominating committee will present the slate of officers for next year and a short business meeting will take place.

Make a note on your calendars now - it's an important meeting to attend for PTA, parents, and all residents of Hicksville.

Winners

Alan Hochman of Colgate Drive, Plainview, received a first place and second place award and Mitchell DoBrowner of Shelly Lane, Bethpage received an honorable mention award for their entries in the photo exhibit sponsored February 2-5 at Bethpage State Park by the Long Island State Park and Recreation Commission and the National Alliance of Businessmen, Long Island Metro.

The photo exhibit was the sixth in a series of seven events planned at Bethpage State Park as part of the 1977-78 Winters Arts Festival. A second photography exhibit is planned for March 16-19. Additional information may be obtained by calling Bethpage State Park 249-0701.

Suit Settled

On Mar. 3 the LITCO Corporation of New York announced the settlement of its action against Morris A. Schapiro and M.A. Schapiro & Co., Inc. brought by LITCO in November 1977.

An order to such effect has been entered by U.S. District Court Judge, Edward R. Neaher

On The Campus

Ellen T. Behan of April Lane, HICKSVILLE, has been named to the Honor Roll at Niagara University.

Virginia Peragallo of HICKSVILLE, has been named to the Dean's List at Molloy College, Rockville Centre.

SEWER CONSTRUCTION

(Continued from Page 1)

allowing the rest of the time for restoration and repairing all of the damage. By law, bond money may only be used for sewer construction and restoration. They have a responsibility to put a new base pavement onto the road and resurface the road curb to curb with 1/2 inch thick asphalt, so that the road is completely repaved. Any curb or sidewalk that has been damaged during construction is replaced. All torn up grass is replaced with sod.

Next week: hook-up, questions and Councilman Tom Clark
