"South Pacific"

The Hicksville Junior High School Dramatics Club will present Roger's and Hamerstein's "South Pacific" on March 16, 17 and 18, at 7:30 P.M. in the Junior High Auditorium, Jerusalem Avenue, Hicksville. Tickets are Adults \$1.50; children and senior citizens 75c.

The production is going to be a first for the school. Many of the students are now in the process of finishing rehearsals that began in early January. The production also is being produced almost

entirely by members of the club. They are not only acting but doing much of the directing. Thanks to a fine faculty and staff this production is made possible.

The cast included, Liz Arnold, Robert Guerra, Chris Joyce, Tania Papadakis, Jim Clancy and Maureen Delany in lead roles. The faculty advisor to the club is Mr. Jeff Rock.

Remember, the all time favorite will be here at our Junior High. So bring the family on March 16, 17 or 18.

School For Third Time

By Linda Strongin

The Hicksville Board of Education tabled for the third time a decision to authorize the advertising for a director of Pupil Personnel Services.

Superintendent Fred Hill pointed out that "summer is only three months away" and that the Board should consider advertising for this position soon.

A discussion on the title and job description took place. Vice President John Ayres suggested that action be postponed until the new superintendent was appointed. Trustees Iris Wolfson and Pete Fujimoto pointed out that no decision had been made concerning where the position would be placed; the salary had not been determined; and the designation of a bargaining unit had not been made.

Dr. Hill stated the Board "needed a direction" to proceed and a decision was made to discuss the question as a personnel matter in a special executive session. Absent from last week's meeting was Trustee Neil McCormack.

The Board voted to continue its procedure concerning the district's immunization program.

The Nassau County Health Dept. has suggested that school districts administer vaccinations to help in the campaign against an outbreak of various diseases.

Dr. Hill explained that there is liability since insurance companies point out that school districts are "not operating as health clinics."

In Hicksville, the district does not admit students without the proper state-mandated immunization, obtained through private physicians or social services. However, Dr. Hill did point out that several years ago many students were admitted without immunization against rubella since it was not needed at enrollment.

"Now there are about 800 students in our secondary schools who do not have proper vaccination against rubella," he concluded.

Mr. Marty Lapidus, Coordinator for Special Education, also pointed out to the Board that should an outbreak occur the Commissioner of Education has the power to exclude those students from school who do not have the proper vaccination is obtained.

The Board also adopted an

amended Freedom of Information Law and Regulations Resolution which was recommended by the superintendent. The amended resolution brings the regulations and procedures up to date and in accordance with the State of New York Committee on Public Access to Records.

A discussion took place between the Board and Dr. Hill concerning the waiver of tuition for children of non-resident employees. The matter had been discussed at a recent HCT Liaison Committee meeting who asked that such a policy be adopted by the district.

Dr. Hill explained that many districts do have this policy and it is a "reaffirmation of confidence in our schools." He added that he has had only one such request in eight years.

Trustee Pete Fujimoto asked the cost of tuition which is \$2,500 for secondary and \$2,000 for elementary. Trustee Dan Arena also questioned the transportation cost. The administration replied that it was the responsibility of the parent. Trustee Bill Bennett suggested that the Board "could act as the need arises."

More On Sewers And Other Community Matters

By Carole Wolf

(Part 2 of a 3-Part Series)

In continuing his discussion at the March meeting of the Hicksville Community Council, Mr. Frank Merklin, a Civil Engineer with the Nassau County Department of Public Works, mentioned that the county will have an office within the contract area. The office will be manned with a county project engineer and various other assistants and when the job is in full swing, there will be 25 county inspectors on the job - one inspector with each contractor's operations to make sure that the work is done according to specifications and to keep track of the quantities. You will receive flyers which will have the county field representative and the phone number at the trailer. If there are any problems, give the field officer a call.

After the work is completed, you are given 2 years to connect to the county's system. If your cesspool or septic tank fails and there is a sewer system available to you, you cannot put in a new

cesspool. You are assessed a tax whether you connect or not. There would be a one-time cost to you when you connect, and that would be to your plumber. The cheapest installation, with a house set back 30 or 40 feet with a cesspool in front of the house is running about \$400. That price hasn't changed much in about 4 to 5 years. It can be considerably more expensive with an older house that has the cesspool in the back of the house. That person would either have reverse the plumbing or trench around the house.

Many civic associations and church groups have contracted together with a plumber. Committees within that group can review the work of the plumbers in the area. Although sometimes the savings is minimal, the plumber knows he would have to do a good job in the beginning or incur the wrath of the people. The plumber must get three permits - a county permit and two permits from the Town.

The meeting was then opened

Fire Report

The Colony Hill, Hauppauge, Lt. Mike Krommanacker, Lt. Pat Scanlon, Ex-Capt. Jim Huttie and Asst. Chief Kershow attended the sessions, designed to keep firefighters up to date on arson, cause and prevention.

Hicksville F.D. Year End Report

The Hicksville Volunteer Fire Dept. responded to 1,521 alarms during the year 1977. Other statistics were:

- 178 fires causing estimated damage of \$420,519.00
- 194 Malicious false alarms
- 449 Sounded alarms
- 380 Silent alarms
- 48 Firefighter line of duty injuries
- 682 Rescue calls
- 13 Mutual aid calls
- 24 Working fires

up to questions.

Murray Margolia mentioned that there are no built-in safeguards in regards to the plumber hook-up. When you enter into a contract with a plumber, you are taking the same risk as if you entered into a contract with someone to put an extension on your house. The plumber has specific requirements set down by the town - pump out the cesspool, use certain kinds of material, and backfill it with clean fill. But if you are afraid of the replacement of grass or shrubbery, have it put in the contract - in writing.

How long after the sewers are installed, are the sewers operational?

The day the plumber makes the connection, you are hooked up. Internal plumbing usually doesn't have to be touched. The plumber just attaches the pipe coming out of your house and attaches it to the curb connection in the street.

Looking ahead of 1978, delivery of a new Chief's car, a new 1500

GPM Pumper to replace the apparatus of Chemical Co. No. 3, and the possibility of a new 100 fet. Tower Ladder. Bids are out for improvements to the Dispatcher's office, including installation of a computer system to aid dispatchers.

The Department plans to continue its fire prevention program, Annual Fund Drive, and this year will host the 9th Battalion Parade and Drill along with the Annual Labor Day Drill. The Parade will be held Sunday night, followed by the drill at 9 a.m. on Labor Day. Lt. Pat Scanlon is the General Chairman.

Operation VFW

By Lou Palladino

We had our Awards night for the Voice of Democracy. Each year I watch these youngsters go up to accept their Awards with shining eyes and faces. It gives a nice warm glow inside. These are the young people you don't read about, then the idea comes to you "maybe, just maybe, our Country isn't going to the dogs". Not with kids like these following behind us. There was once a very famous philosopher, who said, and I quote, "The children today are very disrespectful of their elders, and their parents." I won't go into all the things he said about them, but he lived in 3000BC.

The winners were from Hicksville High School, 1st place was Patricia McInnes, 2nd place Barbara Goldman, and 3rd place Linda Tennen. The 6th grade

winners were Carol Ann Valente, she also took 1st place in the County Counsel of Nassau V.F.W. Claudette Clark took 2nd place and 3rd place was Jemine Mund. These are our kids and we're proud of each and every participant whether they won or not.

The Veterans Service Day turned out quite well. We had two men from the V.A. They gave personal interviews to each and every man who came in. The best part about 90 percent of the Vets. that attended were not even members of the V.F.W. This was a County function held at our Post. Two young Vietnam Vets were in charge. The Chairmen were Richard Cortell from Hempstead Post 783, and Gene Theuret of Post 516 Farmingdale. They did a tremendous job. Congratulations to these fine Vets.

And our thanks to the two representatives who gave up their Sunday to try to help others.

Our Ladies Aux. is having a St. Patts Day Dance on Sat. March 18th. Corned Beef and Cabbage. What else? Good danceable music, and unlimited refreshments, the price for the whole deal is only \$12.50 per, how can anyone go wrong at such a price? If you're interested in tickets call Edna Barone at 681-9675. If she has tickets left she will be happy to accommodate you. The Ladies always have a fine party.

Max Bergsohn gave his report on the raffle to Hawaii, which was successful, then reported that the Post will have a Hawaiian Luau April 15th, the price will be \$15.00 per. More information will be given at a later date. Max also reported our Las Vegas night that was scheduled for Mar. 11th has been cancelled due to circumstances beyond our control. This really hurts, because we were all looking forward to it.

We had three new members join our Post one a transfer, John (Buddy) McInerny of the Korean conflict, Frank Ginocchio and Felix Farenia, both from WW2. Welcome comrades and enjoy.

Al Wangenheim was still so moved when he got up to thank the Post for the honor bestowed on him. He was almost as speechless as the night he was Honored. Al, you deserve everything you received and more. All I can say is thanks for being one of us.

Bad news has to be reported, a new member Larry Kenny received his membership card one day, and past away the next day. Our condolences to the Kenny family. Howard Darling lost his mother, and Mike Znack lost his father. Our sympathies to both these fine Comrades, and their families.

No raffle at the last meeting because of the Voice of Democracy Program.

BI-PARTISAN SUPPORT: Assemblyman Lewis J. Yevoli (second from left) smiles approvingly as John B. Rettalata, Vice President of Grumman Corp. (center) and assemblyman Philip Healey (second from right) read the New York State Legislative Resolution sent to President Carter asking for the F-14 Fighter Plane. Looking on are Assemblymen Paul Harenberg (left) and George Hochbrueckner (right) who introduced the Resolution with Assemblymen Yevoli and Healey.

Why don't you write a letter on this subject to President Carter too?

ORT MONTH: Oyster Bay Town Supervisor Joseph Colby presides over a sign changing and presents a proclamation in recognition of "ORT MONTH" in the Town of Oyster Bay. Joining him are representatives of several ORT chapters including (left to right) Janet Levine of Plainview, Marion Taub of Old Bethpage, Laura Epstein of Plainview and Ann Rosenthal of Hicksville.

Selected For 4 H Project

Dr. Jerome Botwinick, principal, announced that Queena Bodoian, an eleventh grade student at the Plainview-Old Bethpage High School has been selected as one of four Nassau County teens to participate in a three day Home Economics Career Exploration trip sponsored by The Eastern District 4-H Agents. Queena will meet with home economics from New York based firms and explore career and cultural opportunities with them.

Congratulations are extended to Queena and her parents on her selection.

FIRST PRIZE: Kevin O'Connor (second from left), a sophomore at Baldwin High School, displays the \$50 savings bond that he received as first prize in a recent art show sponsored by Adelphi University's Marketing and Advertising Club.

Kevin won the prize, which was donated by Dry Dock Savings Bank, for his ink drawing depicting the ruins of an ancient abbey.

Other prize-winners were Billy Porter of Hicksville High School, and Mia Donato of Garden City High School. (Both received \$25 savings bonds from Edward Leopold, President of the Leukemia Society of America, Inc.)

Pictured here with Kevin are (L. to R.) Philip Owen (of Garden City), President of Adelphi's Marketing and Advertising Club; Edward Cronin, manager of the Hicksville branch of Dry Dock Savings Bank; and Scott Guardino (of West Hempstead), vice president of the Marketing and Advertising Club.

Should you call me today?

Maybe you should this very minute. Particularly if you have some doubt that your present life insurance program can cover your present needs. I've helped many of your friends and neighbors bring their protection programs up to date. I'm sure I can help you. Of course, there's no obligation, except to those you love.

LENT HOLDS FIRST FORUM OF '78: Many people braved the snow and icy winds to attend Congressman Norman F. Lent's first Congressional Forum of 1978. Taxes, the F-14, the Panama Canal Treaties and many other topics were discussed. Several veterans thanked Lent for his efforts to make sure Pineslawn National Cemetery remains open until a new National Cemetery can be opened at Calverton later this year.

Lent said he plans to continue holding open meetings with constituents throughout the Fourth Congressional District.

From The Postal Service

New packaging regulations that are designed to increase safe handling of parcels by reducing damage due to the use of inadequate containers and faulty closure and reinforcement materials became effective March 9, the Postal Service said today.

The new requirements replace existing postal regulations on the correct way to package and wrap parcels and are the result of a year and a half of cooperation with mailers' associations and others to develop more realistic and enforceable standards for mailing. The new rules reflect established commercial standards and will apply to all mailers, both individuals and businesses, using the Postal Service.

The major areas of change for the mailing public are:

1. The use of fiberboard containers in strengths directly related to the weight and nature of the parcel contents. For example, 125 pound test fiberboard is required for lower density loads up to 20 pounds. For difficult loads of 20 pounds, 175 pound test board is required.
2. It is recommended that paper wrappers not be used on fiberboard containers. Experience shows such wrappers can be torn and lost in handling, and the address and return address of the parcel lost.
3. A clarification of closure and reinforcement requirements with

the recommendation that pressure-sensitive, filament, reinforced tape be used for closing and reinforcing containers, instead of twine or cord. Masking tape and cellophane cannot be used in closing and reinforcing packages.

4. A strengthening of the marking requirements on the outside of parcels. This would include a mandatory provision that the container with the marking "Do Not Bend" must have stiffeners protecting the contents. Also, extraneous information such as order numbers, which can be confused with ZIP Codes, will not be permitted adjacent to or immediately under the last line of the address. It is recommended also that a return address be enclosed in a parcel.

5. To minimize loss of address labels and envelopes attached to packages, the new regulations call for sealing of such labels and envelopes to the container, with no more than one-eighth inch separation between the edges of the label or envelope and the container.

The Postal Service also said a series of guidelines for packaging and materials are in the regulations for certain types of packages that have experienced relatively high damage rates, such as books, soft goods, records and tapes.

The Postal Service said more details on the new regulations will be available at post offices.

A Message From County Exec. Purcell

In the year 432 a 43 year old Monk had a vision that compelled him to leave France and return to Ireland where he had been a slave 21 years earlier from the time he was captured by pirates at the age of 16 until he escaped at the age of 22.

This middle-age monk, who has become a Christian while a teenage slave, handling the flocks for a Christian family, responded to his vision with zeal. Before he died at the age of 72 he had founded over 300 churches in various parts of his adopted country (Legend says he was born in either England or Scotland) and converted and baptized more than 120,000 Irish people.

Today the world knows this tireless missionary as Saint Patrick and on March 17th the Christian world will celebrate the day set aside for the patron saint of Ireland.

More than just a religious observance, Saint Patrick's Day has special significance for all Americans of Irish descent.

It was first observed here in colonial times to commemorate the death of Saint Patrick on March 17th. The nationwide celebration began in 1845 under the leadership of the Friendly Sons of St. Patrick which had organized chapters in Philadelphia and New York City. Today Saint Patrick's Day is

marked virtually everywhere not only by sons and daughters of the Ol' Sod, but by all Americans whatever their ethnic origins.

Saint Patrick's Day has become part of Americana, with the wearing of the green, parades and special greeting cards.

Organization of this year's Saint Patrick's Day Parade in New York City have been going on since New Year's Day. The parade committee is composed of businessmen, church and government leaders all of whom give of their time and energy to make March 17th a great day for the Irish. I hope it's a great day for you too, whether you're Irish all year long, or just on St. Paddy's Day.

At The Supervisors Meeting

Nassau County News Service
By Michael Bux

HICKSVILLE
The County Board of Supervisors on Monday passed a resolution authorizing the County Executive to execute a public works agreement between the town of Oyster Bay for the improvement of roads Miller Road and Miller Place, and for Bloomindale Road from the town line north to Broadway.

In other action before the Board nearly 200 Nassau County women filled the audience calling for the supervisors to change the eligibility income level so mothers can continue to keep their children in day care centers while they are working.

The group had appeared before the Board six weeks ago asking them for the same action but to this date there has been no change. They want the Commissioner of Social Service Joseph D'Elia to reevaluate the frozen level - \$7,759 for a family of two and \$11,411 for four.

Jill Rooney, a Sea Cliff mother and Director of the Nassau Coalition of Child Care was one of the speakers to address the board.

"The commissioner arrived is using the same income level based on 1974 statistics but salaries have risen. Mothers are

making more money and so their eligibility to have their children in day care centers has been taken away from them," she said.

Soon after she finished speaking about 150 children, chanting a need for day care centers paraded before the board calling for them to do something about their outster from centers.

Karen Guardarama, a Rockville Centre mother says her new, slightly increased income has made her child ineligible for her local day care center. "I could go on welfare," she told the Board, "but I would lose my dignity, and that's something I don't want to do."

A spokesman for the Board, Deputy County Executive James Nagourney said the county has been given less money from the federal government this year for day care centers, and so can't change the eligibility. The county is waiting for the disbursement of

\$17 million in funds that are in Governor Carey's hands.

"In the past the federal government has paid 75 percent of the tab for day care centers while the state and county have paid 12 1/2 percent each, he said "but if we have to pay 100% of the bill there will be no additional money for the centers."

Yet there are thousands of single parents throughout the county that must have low cost day care centers if they are to continue to work.

Cynthia King, a mother of two who is on welfare also appeared before the board to plead for them to take action in favor of changing the income eligibility.

Ms. King has been attending business trade school for which she said the county paid \$2,000.

"If I can't put my children in a day care center once I get a job, she said, "I will be forced to stay on welfare and the county will have wasted \$2,000 for my training."

Dear Friends ...

Last week we brought you the list of all Plainview and Old Bethpage students who had made the Dean's List at Nassau Community College. We expected to run the Hicksville students this week. Unfortunately we have not received this list. We contacted the college and they are sending us a duplicate which we will be printing in the week following its arrival.

Our ace Education Reporter Linda Strongin reports that acts of vandalism occurred at Fork Lane and Woodland Avenue Schools in Hicksville over the week-end. At Fork Lane, damage was confined to one classroom where desks were overturned, the intercom torn from the wall and an upholstered chair damaged. A microphone stand was also reported missing. Vandals reportedly entered by breaking a window. At Lee Avenue a "walk-through" was reported with no damage occurring. At press time no figures were available on the amount of the damages incurred. Board of Ed President Thomas Nagle said that police were investigating and following up leads. He said that State law makes parents liable for up to \$1,000 in property damages and that the District does attempt to recoup all damages against the party or parties involved when apprehended. This is sad news involving a very small percentage of our young people, but it has to be told in an attempt to correct such occurrences.

Congratulations and best wishes to William F. Bolger who was recently named Postmaster General of the United States Postal Service by the Governors of this Service. Mr. Bolger will become the first career postal employee in more than 30 years to hold this position.

As the date of May 4 has been set for the referendum for the proposed Hicksville Parks, in the near future we will be bringing you the specifics of these proposals. Too far in advance is not according to our usual policy. But details as much as are available we will certainly bring to you.

One point we'd like to make ... Councilman Thomas Clark and the rest of the Town Board are bringing this matter up for your decision. They are not either for or against these parks. It is up to you. Several meetings have already been held throughout the Hicksville Park District and there are several still to be held which you will find in THE HERALD.

On Thursday, April 6, the Hicksville Community Council meeting has scheduled Councilman Clark as part of their regular program. He will be bringing the details and the specifics regarding costs, etc. To all who come to this meeting which is held at the Hicksville Library starting at 8:30 pm sharp. Why not join us at this meeting? It will help you to make up your mind on these proposals and to be informed about many other important local subjects.

AS WE GO TO PRESS, it is snowing. An active member of our volunteer Fire Dept. asked us to remind you that, if at all possible, when shoveling your walks, to shovel around a fire hydrant if there is one in front of your home. There are times when every minute counts. And this is a safety measure.

THAT'S ALL for this week. Stay well and join us in wishing all our friends of Irish extraction a Happy St. Patrick's Day and a healthy year to follow...come to think of it, aren't we all Irish on March 17th?

Happy Birthday Girl Scouts

There's a new sense of excitement in the air, a new sense of involvement with tomorrow for some three million Girl Scouts celebrating their 68th anniversary this week. Girl Scouts of the U.S.A., founded in 1912, by the very nature of its program through the years has encouraged girls to be active doers rather than passive observers. But today's Girl Scouts have many more opportunities to broaden their scope of interests. They're into all kind of undertakings, from career exploration to a heightened awareness of women's roles in a changing society.

Through projects that relate to such vital issues as energy, hunger, nutrition, and conservation, Girl Scouts get a perception of the global nature of things. Other activities give them a chance to examine the potential impact of women in tomorrow's world and the importance of exercising options. Not to be overlooked, of course, is a whole world of fun and international friendships that's synonymous with Girl Scouting.

At The Town Board Meeting

By Gerry Kahn
The 27 item calendar at the Town board meeting held on Tuesday, March 14th, concluded at 11:55.

The initial hearing was the Petition of Birchwood at Jericho Associates for a Special Use Permit to use and maintain a public garage at Jericho, e s Broadway and 471 feet n o Marginal Rd. (The site of the former Great Eastern Stores).

The Great Eastern facility encompassing 120,000 square feet will be rented to Woolco, this Hearing however pertained to only 2,500 square feet for the special use permit.

The petitioner was represented by council, Mr. Herb Ballin.

Speaking relative to the petition were Dr. Sidney Freed, Michael Edwards and Richard Seifer.

Their comments were directed

at the poor conditions that existed at the present site and expressed their desires for the Town Board to accept covenants relative to improving those conditions with a new tenancy.

The 2nd item on the agenda was the petition of American Institute of Physics, Inc. for a Special Use Permit to use, maintain and operate a parcel of land for an eleemosynary institution at Woodbury, (n. line of North Service Rd. of Northern State P'kway with w. line of Sunnyside Blvd.).

The request was directed to 10 acres that the Institute has acquired.

There was no opposition to the petition.

Item No. 6 directed the Town Clerk to advertise a Hearing Date of April 18th on the Petition of William A. Marino for a change of zone from Res D to Bus F at

Hicksville, (s w c Old Country Rd. and East Ave.).

The 14th item on the agenda was a resolution relating to an extension of time on the construction of the Town Hall Annex, Hicksville.

Two resolutions, one directing the Town Clerk to advertise Notice of Hearing relative to the Code of Ordinances, TOB, Chapter 17, Motor Vehicles and Traffic, to control parking and provide fire lanes at 960 Broadway Shopping Center, Hicksville. Hearing Date, April 4th.

The second Resolution was identical with the exception that it was relative to the Cedar Mall Shopping Center, Broadway, Jericho. HEARING DATE APRIL 4TH.

The items were Nos. 24 and 25 respectively.

Park Complex Referendum Updated Schedule Of Meetings

May Connect To Sewers

On March 14 Public Works Commissioner Michael R. Pender announced that 137 homes and businesses along the route covered by contract 1002-3INT-15-2 may now connect to the County sewer system. The project runs from Alan-Crest Drive in Levittown going northerly along Bloomingdale Road and New South Road to Plainview Road, then westerly along Plainview Road to Elm Street in Hicksville.

Hook-ups in this area may be done only by plumbers licensed by the Towns of Hempstead or Oyster Bay. Permits must be obtained from the County Department of Public Works. Property owners are required by law to connect to the sewer system within two years of the availability of service.

Dept. Heads Define Needs At Hicksville Budget Session

By Linda Strongin

At the Hicksville Public Budget Study Session on Monday night, supervisors for foreign language, language arts, physical education and reading outlined their various programs and indicated their staff needs for the 1978-79 school year.

Mrs. Vera Galante, supervisor of foreign language and language arts, explained the new foreign language program for the elementary schools. Next year, third graders will receive cultural exposure to four basic languages (German, French, Italian and Spanish) for a 10-week sequence. The curriculum includes cultural songs, rhymes and expressions. At the end of the school year, parents and students will then choose a language to pursue.

Mrs. Galante pointed out that "majority rules," therefore, the language receiving the most votes will be the language taught to all fourth grades in the 1979-80 school year.

Mrs. Galante also spoke about the senior high foreign language programs such as Spanish for job opportunities and college credit courses given in cooperation with Adelphi University. Also mentioned were the English classes for the foreign born. Hicksville is currently servicing a total of 120 students in this area.

At present there are a total of

twenty-three foreign language teachers serving the district plus one teacher on sabbatical. For next year, Mrs. Galante has recommended twenty-one teachers; six and one-half for elementary eight for junior high and six and one half for senior high.

On the discussion concerning English, comments were made that there are twelfth graders who cannot write. Students are coming less prepared and more time needs to be spent with them. Students are deficient in spelling, grammar and writing. Mrs. Galante has recommended twenty-one junior high English teachers and twenty-four in the senior high.

Mrs. Diñna D'Avino, supervisor of Health and Physical Education, outlined the department's two plans under consideration for next year. Plan A-1 required thirteen teachers, gives 120 minutes of physical education per week for grades one through six and sixty minutes for kindergarten.

Plan A-2 requires eleven teachers, gives one hundred minutes per week for grades one through six and fifty minutes for kindergarten. Since the state mandates one-hundred twenty minutes per week, twenty minutes a week would have to be found. Presently there are fifteen elementary school physical education teachers.

On the secondary level, a selective program will be available in compliance with Title 9; and a modified-adapted program for special education is being proposed. The junior high will also have an adapted program. The goal of the department, Mrs. D'Avino emphasized "is to provide a physical education program for every student."

There are currently 9 3/5 teachers in the senior high and eight in the junior high. Recommendation was made for 8 3/5 in the senior high and 7 or more in the junior high, depending on the needs of the adapted program.

Reading consultant Ruth Jacobson reviewed the reading program for all grades and provided statistics for the number of children services in the elementary schools. She explained the use of Reading Centers at each school (Wilket Avenue does not have one due to lack of space) and how students who are deficient in reading skills are identified. A comprehensive inventory is given on each child. If help is indicated, a reading program is planned in cooperation with the classroom teacher, for the child. A letter is also sent to the parent. Ms. Jacobson stated that the problems seem to occur mostly in grades four, five and six.

Advanced readers are also services in the reading center. Currently there are 11.6 reading teachers at the 8 elementary schools and the recommendation for next year is 11.

At the junior high there are two reading programs, remedial and developmental. The emphasis is on comprehension as related to the student's subjects, and study skills. Seventh grades are ser-

ved the most. "Many eighth and ninth graders are turned off to school and resist being placed in a reading program," Ms. Jacobson said.

Currently there are 6 reading teachers at the junior high level and the recommendation is also for 6.

At the senior high, there are 1.4 teachers with the recommendation that two reading teachers be placed at this level. Programs are given to CORE students and 10th graders who have failed the basic competency

test in 9th grade. Ms. Jacobson said that there were no failures in the 11th & 12 grades on the basic competency test this year.

"Although the enrollment is declining, the number of students with reading problems is increasing," Ms. Jacobson concluded.

The Board will take these recommendations into consideration as it prepares the budget for 1978-79.

The next public budget study session is scheduled for March 29, 8:15 p.m. at which time the music program will be reviewed.

Galileo Lodge News

By Joe Lorenzo

As the present administration of the Galileo Lodge completes its many tasks, a new administration waits in the wings... ready to get involved in projects and challenges for the next few years.

The old administration, under the four-year reign of Venerable Tony Monteforte, covered a financially impressive period in which over \$600,000 was grossed, with 50% of this figure allocated for the renovation and main-

tenance of the Galileo Lodge. The money earned from the Bingo operations was equally impressive, with 15% of this figure distributed to community-related and charitable programs associated with the Hicksville locale. A membership Bond drive occurred during this same period, with over \$70,000 collected and used to purchase the present site of the Galileo Lodge. In the last four years of this present administration, \$60,000 was paid out in redemptions and the remaining \$10,000 to be redeemed in due time. Moreover, the programs and financial projects brought about during this reign of Venerable Tony Monteforte and his officers and assisting members, helped to

create a mood of fiscal responsibility resulting in organizational solvency. Then there is the Bicentennial Memorial with the construction of the monument - a program inspired and manifested by this past administration.

Other ideas of Venerable Tony Monteforte, such as the construction of a basement recreational area and the many other programs of community interest which were being held open for further consideration,

will not be abandoned, especially since he will not leave the Lodge but will still remain a member of the executive board with the title of Ex-Venerable and with full voting powers. The Venerable will always cherish and hold in high esteem the pleasant relationships he held with the people of Hicksville and the personnel associated with the various organizations of this area.

Auxiliary Cancer Program

Nassau County American Legion Auxiliary Chairman Marianne Orlando presided over a county-wide Cancer Program chaired by Yvonne Banks Cancer Chairman.

Distinguished speakers included: Dr. Carl Pochedly, Director, Pediatric Hematology/Oncology, Nassau County Medical Center and Mrs. Alene Triolo one of the founders of Children's Hope.

Dr. Pochedly, who works closely with Dr. Denis Miller, Chairman, Department of Pediatrics, Memorial Sloan-Kettering Cancer Center showed slides and discussed Leukemia in children.

The Nassau County Medical Center is the only hospital on Long Island which is affiliated with the Children's Cancer Study Group. Children with cancer, who are treated according to CCSG protocols are given the benefit of the best therapy known. Remarkable success in treating acute leukemia in children has given impetus to intensive research in therapy of the many other kinds of cancer.

Mrs. Triolo, who lost a daughter to leukemia, has turned her ordeal into an avocation as a counselor of other parents facing what she had already gone through. Children's Hope is a group of parents with similar difficulties who have joined together to help each other in acquiring information, in sharing experience and know-how and providing whatever support might be of use to parents of children with cancer. As the groups awareness of needs grew, they became interested in fund-raising and became an incorporated non-profit charitable organization whose funds are used to assist needy families and to support the pediatric

TEN DAY HOME TRAIL

Adopt a well-behaved 3 year old

It may have the looks that only a mother could love, but from a practical standpoint it's all you could ask for. If it's just not your cup of tea, we also have a good selection of other "blue chip" economy cars like Toyotas and Datsuns.

First of all, if you desire, we will pay your mechanic \$20 to thoroughly check the car of your choice. If he says no, there is no further obligation.

Second, if within 10 days or 500 miles, whichever sooner occurs, you're not satisfied, return it! We're so confident you will like our car, we will give you a written money back guarantee which includes state and local taxes, registration fees, and if you finance the car through us, we will absorb any finance cancellation charges.

Thirdly, if you keep the car, our no-nonsense limited 30 day warranty simply states that the Engine, Transmission, Rear Axle, Front Axle Assembly, Brake System, and Electrical Equipment shall be in good operating condition or we will make repairs or replacement at no cost to you.

You won't find a fairer deal anywhere even on a brand new car!

HHS Alumni News

The Hicksville High School Alumni Association has once again been singled out as the vehicle through which to distribute the Dr. Leon Galloway Athletic and French Scholarship Awards.

The French Scholarship is presented to the senior most proficient in French at the June Graduation.

The Athletic Awards are presented to the most outstanding girl and boy athlete.

picked by the high school coaches, at the Annual Alumni Association Varsity Awards Dinner in June. The only requirements for this award are acceptance into a recognized college and an exceptional ability in the field of sports.

Dr. Galloway, a past principal of Hicksville High School, and active member of this community for many years, has generously increased the amounts of these scholarships 100 percent. The French Scholarship will be \$200.00 and the Athletic Scholarships, \$500.00 each, double the amount from last year.

The Alumni Association thank our friend and benefactor, Dr. Leon Galloway for his continuous generosity and support of our organization.

On April 10, the Alumni Association will hold its annual election at an open meeting at Frank's Alibi Restaurant. All members of the organization are welcomed to attend.

Cross Country Skier

Kevin Mallory, a 1977 graduate of the Plainview-Old Bethpage High School was a member of the winning cross country skiing team at the National Junior College Nordic Skiing Championship at Lake Placid. The route the teams skied is the same route that will be used for the 1980 Olympics.

Kevin participated in events that saw his team capture the 3

KLM relay 1 1/2 minutes ahead of their nearest competitor and the 15 KLM Cross Country Skiing, with a team score of 104 points, 20 points more than the second place team.

Kevin is attending SUNY at Cobleskill and is a member of their Cross Country Skiing team. Congratulations to Kevin, his teammates and his parents.

Kite Flying Day

If March breezes set your spirits soaring, you might want to bring children and kites to the Old Bethpage village restoration on Saturday, March 25, for Annual Kite Flying Day.

At the restoration, where there are no overhead telephone and power lines, everyone with a ball of string and a kite to send aloft will join in an ancient salute to spring.

The Old Bethpage village restoration, operated by the Museum Division of the Nassau County Department of Recreation and Parks, is located on Round Swamp Road, south of Long Island Expressway Exit 48. It is open from 10 a.m. to 5 p.m. Admission is \$2.25 for adults and \$1.50 for children age 5 through 17. Leisure pass holders pay \$1.75 and \$1.25 respectively.

Skating At Cantiague

Spectators are invited to attend free of charge the 10th Annual Nassau County Free Style Figure Skating Championships at Cantiague Park Ice Rink March 18 and 19. The Saturday competition is from Noon till 11 p.m. and Sunday's is from 9 a.m. till 8 p.m.

The event, co-sponsored by the Nassau County Department of Recreation and Parks and the Cantiague Figure Skating Club, is sanctioned by the United States Figure Skating Association and is

for its members only. The Championships bring together the top free stylists from the Mid and North Atlantic regions in events that encompass preliminary through 8th level test competitions as established by the USFSA.

USFSA members may register with the Cantiague Figure Skating Club or at the Cantiague Park Ice Rink on West John Street in Hicksville. The phone number at the Rink is 935-3501.

GIRLS PLAY INDOOR TOO

The next indoor tournament to report on is the Girls (under 19 & under 16 divisions) who went at it in the Hicksville High School and played some very exciting soccer during the two day event. In the older group, nine teams participated & two came all the way from Virginia to renew acquaintances for the week-end. The Hicksville outdoor team was broken into two indoor teams: the 'Red' team was coached by Vinny Christiano and Jack McCann and the 'Blue' team was directed by Kevin Shannon. The girls under 16 were coached by Sam Masiello.

The Virginia teams were from Fairfax (coach Cindy Liebow) and Vienna (coach Barbara Walden) and had billeted our girls from Hicksville last October at an outdoor tournament in Virginia. The Virginians arrived Friday evening as the games were scheduled to start at 8:00 am Saturday morning. On Saturday, the under 19 girls played a round-robin so all teams had an opportunity to play each other. Of the 9 teams, six would come back on Sunday for the Quarter Finals. On Sat., 36 games were played and every one was an exciting match - the girls really put on a terrific show. The highlights of the day were when the two Hicksville teams met, the two Virginia teams and the two Northports. The Hicksville 'Blue' team really got 'up' for their game with their outdoor teammates and in an action packed game (see photo), the underdog blue team defeated the red 1-0. In the 5th round of the day, Fairfax defeated Vienna in another close match 2-1 and Northport I won out over Northport II.

After 9 rounds (each team had a bye) and eleven hours of soccer, the six teams that would return Sunday were: 1st place Northport I, 2nd Fairfax, 3rd was Vienna, 4th Hicksville Red, 5th Northport II and 6th was Hicksville Blue. The three teams, who didn't make it were: Cow Harbor, Island Trees and North Shore.

Four of the six returning teams (2 Hicksville & 2 Virginia) partied at the Conways on Saturday night but a mid-night curfew was established as a lot more soccer had to be played starting at 9 am Sunday morning. Five more rounds were played Sunday to

In the girls under 19 division, the two Hicksville teams clashed. Shown is Hicksville Blue defender Karen Dolan heading the ball away from Carol McCausland (white shirt). Also in on the

decide the four semi-finalists. Again, all 15 games were good, exciting matches. Coach Kevin Shannon of Hicksville Blue tried valiantly to rally his troops (Denise Burke, Diane Conway, the Dolans Kathy and Karen, Kathy Eichler, Miriam Pepi, Patty Rogers, Tricia Valle and Janine Vosseler) but a long, tough Saturday had taken its toll & the team kept a firm hold on last place. Red team coaches McCann & Christiano brought their team to 1st place in the Quarter Finals and defeated Fairfax in the first semi-final game 1-0. Northport defeated Vienna 3-0. In the Championship game, Hicksville bowed to Northport 3-0 but the girls did a good job and accepted their second place trophies. These girls were: Sandy Bruder, Patty Conway, Pat Decker, Carol McCausland, Jeanne O'Shea, Fran Panetta, Kathy Scheidel and Sue Stafford, who was outstanding in goal all week-end. Patty Decker played the whole week-end with a severely bruised ankle and was out there with her teammates giving it her all in memory of our beloved Ann Camara.

The special awards went to: Nancy Bounpane of Northport was MVP; Kim Alfriend of Fairfax was best goalkeeper, the best defender award was given to Ilene Newton of Fairfax and the Sportsmanship Award (donated for all age groups by Councilman Tom

Clark) went to Ann McMahon of Vienna.

In the under 16 division, 10 Long Island teams also played 5 rounds on Saturday. The top 6 would also return on Sunday & they were: 1st place Northport, second Massapequa third Hicksville, fourth North Babylon, 5th was East Meadow and 6th Our Lady of Grace (West Babylon). On Sun., all teams played each other once and the top four advanced to the semis. Massapequa took over 1st place and defeated fourth place North Babylon. The Hicksville girls, led by Sam Masiello, were in third place & played fine soccer all week-end. On Saturday, the girls were 4 wins & 3 losses. The young ladies who made it all the way to the semis were: Michelle Brill, Theresa Dolan in goal, Sharon Humphreys, Karen Kolovich, Barbara Luongo, Marci Masiello, Darlene Missino & Ginny Wayte. In the second semi-final, Hicksville was eliminated in a tough, close battle by Northport 2-1 and in the Championship game, Massapequa beat Northport 2-0.

The special awards for this division went to: Laura Beier of Massapequa was MVP; Best Goalkeeper was Liz Roth of O.L. of Grace; Best Defender was Hicksville's Karen Kolovich and the Sportsmanship award was presented to Cindy Fuhrmann of Northport.

C. Porcasi.

The Gophers were the season winner of the Tyro League. All four teams will participate in a single elimination tournament. Members of the Gophers, coached by C. Sager, are B. Bergen, M. Holt, T. Sager, B. Drier, B. Spires, W. Kelley, and M. Magner.

In the Senior League, the Blue Devils, coached by J. Tuturro, were the season winners. However, all teams will participate in a single elimination tournament. Members of the Blue Devils are: M. Sager, J. O'Brien, C. Wayne, M. Turitto, R. Hartwick, P. Harvey, T. Storms, and Tom Nolan.

St. Ignatius C.Y.O. Basketball News

Despite delays due to the inclement weather, crucial games in all leagues have been played and playoff spots have been claimed. In the Third Grade League, the Panthers were also the winners of the second half of the season, remaining as uncontested champions of their league. Congratulations go to Coach Smith and his team. The four teams qualifying for the playoffs in the Fourth Grade League are the Knicks (11-3), Lakers (6-4), Warriors (6-6), and the Celtics (6-6). These teams will engage in a tournament to determine the league winner.

The Bulls were the winners in the second half of the season in

the Fifth-Sixth Grade League in a tightly contested race. The members of the Bulls are J. Buchner, N. Babyak, J. Toner, T. Dempsey, M. Topzewski, T. Bardenhagen, C. Hoe, and the Coach is J. Buchner. The Bulls will meet the Pistons, winner of the first half of the season, to determine the League champion.

In the Seventh-Eighth Grade League, Kentucky remained undefeated to win the second half of the season. Kentucky, which was closely pursued by Michigan will meet UCLA to determine the League champion. Members of Kentucky, coached by J. Toner, are J. Toner, P. Niederauer, D. Friel, J. Johnson, B. Bishop, E. Milacek, A. Smith, D. Burke, and

travelling ambassador for the National Bowling Council.

Andy will show a film demonstrating bowling at its best.

Andy Varipapa To Speak

Andy Varipapa, famed several-time champion bowler, will address the Mid-Island Chapter of the Brave Hearts at the Lecture Hall of St. Francis Hospital in Roslyn at 2:30 p.m. on Sunday, March 19.

Now at age 84, Andy has won practically every trophy offered and he no longer is interested in bowling for the sake of scores but

rather as an adjunct of health. Legend follows Andy wherever he goes. At age 16, he ran up a string of eighteen consecutive strikes. To vary his favorite sport, he shifted, at age 64, from right to left hand with his scores showing no fall-off. He is an active member of the President's Council on Physical Fitness and Sports. CUMMINGS 'N GOINGS

By Jim Cummings

A SIGN: Oyster Bay Town Supervisor Joseph Colby places the traditional St. Patrick Boulevard sign in Hicksville signalling the coming of the Irish holiday as

members and their families of the Hicksville Chapter of the Ancient Order of Hibernians look on.

CEAD MILE FAILTE: A Hundred Welcomes to join in the Saint Patrick's Day celebrations taking place across our community during the observance of Saint Patrick's Day, March 17th ... On the great day, the Commodore John Barry Division Eleven, Ancient Order of Hibernians and the Ladies Auxiliary will board a special bus to New York with departure scheduled for 12:30 P.M. - Members are requested to wear their sashes and green berets up "Avenue of the Irish - Fifth Avenue", striped green - this is the 216th year of the parade hosted by the Ancient Order of Hibernians under the chairmanship of the Honorable James Comerford, General Chairman assisted by John Duffy, National Secretary of the AOH and one of the best organized parade committees ever assembled for this "Great Day For The Irish" - we hope you will be watching Channel Eleven WPIX - as Jack Mc Carthy commences his 30th year of broadcasting and televising this festival of Irish heritage as over 120,000 marchers and, an estimated 1,250,000 spectators will see the line of march commencing at 12 Noon at 44th Street and Fifth Avenue, up the Avenue to 86th Street then south to Third Avenue where units disband ... Congratulations to Parade Marshal, James (Barney) Ferguson, a New York City

policeman, attached as a detective to the homicide bureau - his parents hail from County Leitrim ... The Hicksville Hibernians will be up early this year, in the 15th unit of the parade led by the Nassau County Board, A.O.H. and its president Jack Irwin ... My good friend Jack Mc Carthy has his program marked to pick-up the Hicksville unit, as he has done each year since WPIX started TV coverage of the parade - there is no person so well versed in the knowledge of Ireland and its counties and the organizations that herald the day.

IRISH HISTORY: The origins of the present St. Patrick's Day parade can be traced back to the pre-revolutionary year of 1762, when a group of some 200 Irish-born American militia men on their way home from a breakfast

Palm Sunday and Holy Week

The congregations both at 8 and 10 o'clock will gather in the auditorium of Holy Trinity Episcopal Church, Hicksville, for the blessing and distribution of palms and then reenact Jesus' triumphal entry into Jerusalem with a procession from the auditorium into the Church singing the ancient hymn, "All Glory Laud and Honor." Following the palm ceremony the service follows the ancient liturgy and proceeds at once to the Mass of the Passion. The Passion Narrative, which will be read from St. Matthew's Gospel will be dramatically presented with various readers taking the parts of the "cast" in this episode of Jesus before the High Priest and Pilate. As is customary, the congregations will take the part of the crowd. Members of the community are always invited to share in the worship services at Holy Trinity Church.

Holy Week will be kept with services on Monday, Tuesday and Wednesday. On Maundy Thursday there will be the commemoration of the Upper Room with the ancient ceremony of the foot washing, the in-

stitution of the Blessed Sacrament and the procession to the Altar of Repose, which commemorates Jesus leaving the Upper Room for the Garden of Gethsamane. This service begins at 7:15 P.M. Following the service a watch throughout the night is kept at the Altar of repose. A fellowship meal, called the Love Feast, will be held in the auditorium after the service. This will be a covered dish supper and again members of the community are invited to participate.

Good Friday will follow the various stages in the Crucifixion of our Lord. Three-quarter hour services will be held at 9 A.M., 12 Noon and 3 P.M. and 8:15 P.M. The evening service will be the solemn liturgy. For those who care to remain, Stations of the Cross will follow the services at 9 A.M., 12 Noon and 3 P.M.

On Easter Day the solemn liturgy with the blessing of the new fire, the lighting of the Paschal Candle and the prophecies will begin at 8:30 A.M. Other services follow at 8 and 10 A.M.

EASTER POWER

Easter is a magnificent day. It is the most significant day of the entire year. It is a day of celebration...the finest clothes, lilies trumpeting their beautiful fragrance, Christian fellowship, joyful greetings...nothing can be too good for this day. A day to celebrate new hope and the possibility of living life to its fullest. God is saying to us that His blessings and love are ours. Good and even great days are now possible for us with the best days in heaven still yet to come.

What are your needs today? What problems lurk in your life? Are you afraid of death? Are you afraid of life? Easter proclaims that you can be victorious over any problem that you might face. Victory can be yours by believing in Easter and by appropriating Easter into your daily life.

But what is Easter? Easter is power. The power of God released which raised a dead Son after He had been in the grave for

three days. Many gravestones carry the inscription, "Here lies..." but on Christ's tomb are the words, "He is not here." In Joseph's garden is history's only empty grave. I believe Christ rose from the dead, and I believe the resurrection power of God is still being unleashed today.

God wants to resurrect us from whatever defeat is in our lives, and then give us a victorious life. He wants to resurrect us from a life of loneliness and gloom into one of meaning and joy. He wants to resurrect us from a life deadened by fear to a life enlivened by confidence. He especially wants to resurrect us from our own personal death into His very own personal paradise.

On the first Easter the angel said to the women, "Do not be afraid, for I know that you seek Jesus who was crucified. He is not here, for He is risen." Fear comes when we are weak, but we need not be weak, for we can be Easter people, powerful people. When we are the powerful people

of God, we can do all things through Christ who strengthens us. He lives, and God's power can be ours through the Holy Spirit. We appropriate this power as we believe in Him and receive His Sacraments.

Easter is the day we celebrate that power unleashed in His resurrection. So roll back the stone of any unbelief in your hearts, behold the glory of the empty tomb, and thrill to the power that can now be yours. Place your weak and trembling hand into His and say with Thomas, "My Lord and my God." Belief in Jesus and His resurrection is the key that delivers us from fear and sorrow. Jesus is the key to personal happiness, to peace and to life everlasting. You can know this peace, you can know this joy, you can have this power, if today you will commit yourself to Him and then say with your whole heart, "I know that my Redeemer lives."

Musical Program

The Hicksville Public Library Sunday Musicale Series will present Suzanne Valerio, cellist accompanied by Avraham Sternklar on the piano Sunday, March 19 at 3:00 P.M. in the library auditorium.

These programs are made possible by grants from the Nassau County Office of Cultural Development and the Music Performance Trust Fund.

The recital will consist of music by Bach, Chopin and Beethoven. All library programs are free to the community.

Set Heart Ball

James J. Duffy and Joseph Faicco, Co-Chairmen of the American Heart Association's 14th Annual Heart Ball, announce the theme of this year's Ball—"We're Fighting For Your Life."

The "black tie" affair will be held on Sat., April 15 at the Colony Hill in Hauppauge. Proceeds realized from this event will be used to further vital

research for the causes and controls of the heart and related cardiovascular diseases. Working with Mr. Duffy and Mr. Faicco to make this gala occasion a success are: Larry Austin, Abraham Azulay, M.D., Paul G. Malvese, and Samuel J. Zar, all of Hicksville; Joseph Weinstein of Plainview; and Pat Cici of Old Bethpage.

Hicksville died on March 9 at Syosset Hospital. She was the wife of James; mother of Alice Germano, Rosemary, Clinch, Veronica Horan, Roberta and James P. Donovan; daughter of Elizabeth Vargo; sister of John and Michael Vargo and Margaret

LaMaster. She reposed at the Thomas F. Dalton Funeral Home, Jerusalem Ave., Hicksville, Mass. of the Christian Burial was Sat., March 11 at St. Ignatius Loyola R. C. Church. Interment followed in St. Charles Cemetery.

GALILEO LODGE
(Continued from Page 6)

Venerable Tony Monteforte takes this opportunity to thank all the officers and members of the Lodge who helped to make his administration productive and financially rewarding. Without their help such a feat could never have been accomplished.

Speaking of Community-related projects, I would like to mention the Galileo Lodge's new scholarship program - a program which is to be called the Galileo Lodge Memorial Science Award. Deserving students from the Hicksville and Holy Trinity High schools will receive this yearly award during graduating exercises and the presentation will include a plaque and the sum of \$250. The chairman of this program is Tony Previte, an educator in his own right, who will also be assisted by a co-chairman. This scholarship also honors the memory of his deceased brothers, Nick Martinetti, Jim Morace and Dan Donisigio. These awards will be given to graduating seniors from the above-mentioned schools, with

Armed Forces

An official at Chanute AFB, Ill., has announced the graduation of Airman William D. Schwartz from the U.S. Air Force's aircraft systems repairman course conducted by the Air Training Command. Airman Schwartz, son of Mr. and Mrs. Irwin J. Schwartz of Hewitt St. in HICKSVILLE, is now trained to install and repair aircraft environmental systems, and will serve at Dover AFB, Del. Completion of the course earned the individual credits towards an associate in applied science degree through the Community College of the Air Force.

one student from each school eligible for these presentations.

LODGE HAPPENINGS

The St. Joseph's Dance is set for March 18. Food, beer, soda and set-ups are included in the price of \$7.50 per person ... Installation of new Galileo Lodge's officers will be held at a special social meeting on March 23 at 8:30 P.M. ... On April 29, the Lodge will hold its 6th Anniversary dance. This is the big event of this season. More details on this affair in later columns ... The 1978 Follies Revue is set for May 18. Contact Joe Bappano and Rita Mannino for further details. The number to call is 832-7472 for the information concerning these events ... The Ladies Auxiliary affair is scheduled for April 1st. Contact Millie Del Cioppo and Ann Lappano for details concerning this function.

Construction Reaches 1/2 Million

Oyster Bay Town Councilman Gregory W. Carman announced that the value of construction permits issued by the Town's Building Division during the month of February exceeded \$500,000.

Among the permits let in

February were 6 for commercial construction valued at \$343,571 and 20 for residential alterations and additions valued at \$150,622.

In addition, 12 permits for other than residential alterations and additions were issued at a value

of \$29,168.

Councilman Carman, Chairman of the Town Board's Standing Committee on Commerce and Industry, said that the total dollar value of all permits issued for the month of February was \$885,312.

Woodland Ave. PTA

On Monday, March 13th, the Woodland Ave. PTA presented another program for the children. This one, entitled "The Real Magic of Good Health," was both educational and entertaining. Using various magic tricks, the performer, Elaine

Allen, told the children about the benefits of eating good foods, having regular health check-ups and the like, and alerted them to the perils of smoking, junk foods and pollution of our earth. Much to their delight, several children

were chosen to help with the tricks. This was the fourth cultural arts program our PTA has provided for the students this year in our continuing effort to enrich their educational experience - and it appears to have been enjoyed by all.

LEGAL NOTICE

NOTICE OF HICKSVILLE PUBLIC LIBRARY ELECTION AND VOTE ON APPROPRIATION OF FUNDS HICKSVILLE UNION FREE SCHOOL DISTRICT

Hicksville, New York
NOTICE IS HEREBY GIVEN that pursuant to the resolution of the Board of Trustees of the Hicksville Public Library of Hicksville Union Free School District, Hicksville, New York adopted February 15, 1978 the Special District Election of the qualified voters of this School District for the Hicksville Public Library Election and Vote on appropriation of funds will be held on April 19, 1978, between the hours of 12 Noon P.M. (E.S.T.) and 10:00 o'clock P.M. (E.S.T.) in the seven election districts, stated below, for the purpose of voting upon the following proposition(s):

PROPOSITION NO. 1

Shall the Library Budget for the school year 1978-1979 adopted by the Library Board be approved and a tax be levied on the taxable property of the District in the amount of such budget less sums received in the form of State and Federal Aid and from any other sources, all pursuant to the pertinent provisions of the Education Law?

NOTICE IS FURTHER GIVEN that nominating petitions for the office of member of the Board of Trustees of the Library must be filed with the Clerk of the School District no later than thirty (30) days before the Special Meeting, said date being Monday, March 20th, 1978 between the hours of 9:00 A.M. and 5:00 P.M. Separate petition shall be required to nominate a candidate. Each petition shall be directed to the Clerk of the School District, shall be signed by at least 34 qualified voters of the District (the same being five percent (5%) of the number of voters who voted in the previous Library election), shall state the residence of each signer, the name and residence of the candidate, and include at least the length of the term of the office. Forms of petitions for Library Board Members may be obtained from the Clerk of the School District and at the Hicksville Public Library.

The following vacancy is to be filled on the Board of Library Trustees:

Office of Member of Board of Library Trustees
5 year term ending June 30th, 1983

NOTICE IS FURTHER GIVEN THAT personal registration and Election Districts have been established in the School District, that no person shall be entitled to vote at the Special Meeting whose name does not appear on the register of the School District unless such person is registered under the provisions of Section

352 of the Election Law as amended by Chapter 629 of the Laws of 1975, and that those qualified to register and vote shall do so in the School Election District in which they reside.

NOTICE IS FURTHER GIVEN that copies of the estimated expenses of the Library for the year 1978-1979 may be obtained at the Library and each school house in the District on and after April 12, 1978 on any weekday from 9:00 A.M. to 4:00 P.M. and that any other propositions to be voted upon are available for inspection by any taxpayer in the District at the Library daily except Saturday and Sunday on and after April 12, 1978, between 9:00 A.M. and 4:00 P.M.

NOTICE IS FURTHER GIVEN that the Board of Registration shall meet in the seven (7) Election Districts described below on:

April 12, 1978 from 3:00 P.M. until 8:00 P.M. (E.S.T.).

Any person shall be entitled to have his name placed upon such register provided that at such meeting of the Board of Registration he proves to the satisfaction of such Board of Registration to be then or thereafter entitled to vote at the library meeting or election for which such register is prepared. Said register will be filed in the Office of the Clerk of the District on April 12, 1978, and will be open for inspection by any qualified voter of the District from 9:00 A.M. to 4:00 P.M. on any weekday from April 12, 1978 up to and including April 19, 1978. Residents who voted at an Annual or Special meeting of the District within two years from the date of the current Special Meeting, or who registered within that time need not register to be eligible to vote at the Special Meeting. Residents otherwise qualified to vote who are registered under the provisions of Section 352 of the Election Law as amended by Chapter 629 of the Laws of 1975 need not register to be eligible to vote at the Meeting.

NOTICE IS FURTHER GIVEN that during the voting hours on April 19, 1978, the Board of Registration will meet in the various election districts to receive registration for the ensuing year.

CUMMINGS 'N GOINGS

(Continued from Page 10)
 staged an impromptu parade to honor the birthday of the patron Saint of Ireland, Saint Patrick on the colonial streets of New York. In 1838, when the Ancient Order of Hibernians, then two-

years organized took over the sponsorship of the parade - then it began an organized structure and formal line of march. The first AOH sponsored parade in 1838 started on lower Broadway and along the Bowery which was then the business section of New York City.

In the years to come the parade grew in stature due to the mass immigrations from Ireland and the threat to the Catholic Church in NYC openly voiced by the "KNEW NOTHINGS" and other anti-Catholic elements. In 1844, Archbishop John Hughes issued a call to the members of the

Ancient Order of Hibernians to protect Old St. Patrick's Cathedral against threatened attacks by anti-Catholic bigots. The Hibernians, thousands strong, answered the call to a man, and will do so today over 1.5 million strong. In the 1850's the Irish organizations in good numbers

formed with banners and costumes and in 1853, the parade came to Fifth Avenue - and today, 216 years later continues to march north on Fifth Avenue past Patrick's Cathedral as Terence Cardinal Cooke and other members of the clergy

Marino Snow Law OK'd

State Senator Ralph J. Marino, sponsor of a measure providing a mechanism to finance snow removal, announced the signing of the bill into law. Under the measure, cities, counties, towns and villages can float bond issues immediately, if they like, to pay the excessive costs of snow and ice removal or to replenish budgets sagging under the price tag.

Under the new law, the proceeds of bonds could be applied to expenses incurred throughout the calendar year as long as they are for snow and ice removal costs over and above amounts budgeted. The emergency bonding mechanism

SCHOOL BOARD

(Continued from Page 1) No action was taken on the matter at this time. The Board approved the Library budget vote and Election of Trustees for April 19, 1978 at the seven election districts from 12 noon to 10 P.M. Registration will be held April 12 from 3 p.m. to 8 p.m. The Board approved conference and travel plans. Trustee Bill Bennett questioned how people were chosen and Dr. Hill explained that the initial request could come from a building, unit or department. Rotation among staff members to

attend the various conferences is encouraged. The request is then reviewed by the Assistant Superintendent, and/or the appropriate supervisor. The Board held a twenty-minute executive session. The Board then reviewed budget code 1000, general support. Under Board of Education, the Board adopted the figure of \$27,541. This account includes Board of Education expenses (\$9,258); clerk's office (\$7,245); and district meetings (\$11,038). The next Board of Education Meeting is scheduled for Wed., March 22 8:15 p.m. in the Administration Building.

We're the neighborhood bank that helps you save for sunny days. We're the bank worth looking for.

Eastern's high-interest Passbook Savings helps you prepare and pay for life's little celebrations. At Eastern, your savings are safe and accessible.
