Town Seeks In Community Park Plan

HICKSVILLE PUBLIC LIBRARY
169 JERUSALEM AVE
HICKSVILLE NY 11801

On Mar. 21, the Oyster Bay Town Board scheduled a public hearing to consider the development of a community park complex involving two sites in the Hicksville Park District, according to Town Councilman Thomas L. Clark. The hearing will be held on Tuesday, April 11, at 10 AM in the hearing room, Town Hall East Building.

The complex being proposed was developed by a task force of Hicksville residents based on the recreational needs of Hicksville as determined by its survey of the residents. A professional consulting firm prepared several concepts in order to estimate development costs. These costs

were recently updated and total about \$4.1 million for the full project.

The 7-acre site at Lee Avenue and Ninth Street would feature an indoor-outdoor swimming pool complex with a gymnasium and community center, plus outdoor playing courts and fields.

A multi-use athletic field, tennis courts, playground and passive areas would be developed at the 6-acre triangular parcel at the intersections of Old Country, Plainview, and South Oyster Bay Roads.

Under State law sought by the Town, major projects of this nature for a special district can be put before the voters at a special referendum. "If, after the

public hearing, the Board authorized the bond," Councilman Clark explained, "the entire proposal will then be left for the voters of Hicksville to decide. It is expected that a referendum will be scheduled for the early part of May.

"In order to assist the residents in their decision on the referendum, the Town is preparing an informational pamphlet describing the task force's proposal and the estimated cost to Hicksville residents if it is approved," Clark said. "The brochures will be given wide distribution throughout Hicksville before the referendum takes place."

More On Sewers And Other Community Matters

By Carole Wolf

(Continued from last week)

Sheila Noeth asked, "What procedure can be substitute for the dumping of sludge in the ocean as it will be prohibited in 1981?"

Mr. Merkin replied that they are exploring a number of different alternatives, all of which are expensive - tying in with the Black Clawson Plant in the Town of Hempstead which will not be feasible, making compost out of it, but there are a lot of problems associated with that; fertilizer, or landfill which is not acceptable; incineration, which requires a lot of energy and is very expensive; and dumping it further out to sea.

Do sewers disturb the water table?

The water table is affected by installing sewers because the sewage will no longer recharge the ground water, but that isn't a desirable thing anyway. There are methods available to take sewage and make drinking water out of it. There is a Fresh Water Reclamation Project which will take 5,000,000 gallons a day and make drinking water out of it. When the plant is completed in about a year, about 4,000,000 gal. will be recharged and pumped into the East Meadow area and injected into the ground. If this is feasible, decisions will have to be made to go into larger plants, with capacities of 50,000,000 gallons a day. The plant that is being built right now is a 45,000,000 gallon plant, which could expand to 120,000,000 gallons a day. It generates its own electrical power.

How far apart are house connections placed?

A house connection is put by every building and every parcel. If there is a parcel with 100 feet of frontage, 2 connections will be placed there. Forms were sent to every house, asking where you would like the connection. Don't forget to fill them out.

Are storm sewers and sanitary sewers one and the same?

No. Storm sewers handle drain water and sanitary sewers handle domestic waste.

How many laterals are to be constructed in one street?

In special cases, a very wide street might have one on each side in order to avoid large cross

connections. But in most cases, there is generally one down the center of the road.

There were other questions asked of Mr. Marklin, but since this article was typed from a cassette, either the questions or answers were inaudible.

Tom Clark, Councilman for the Town of Oyster Bay, mentioned that the Council had tried to get a contractor to speak at the public meeting, but the contractor is a gun shy.

Mr. Clark reported that May 4th is the date proposed for the Park Vote. Since 1966 people are asking for a park in Hicksville. The Town had wanted to build apartments on the Lee Avenue site, but the residents in the surrounding area went to Town Hall and said that they didn't want any part of apartments. So a Task Force was formed and a questionnaire sent to Hicksville residents asking what type of park was desired. The results were tabulated and a decision formed to present to Hicksville residents for their consideration.

As it looks now, the Park Tax might run \$22 to \$23 a year. BUT THE SPECIFICS WILL BE TAKEN UP AT THE APRIL 6TH COMMUNITY COUNCIL MEETING. Reactions are running 50-50 on it. Both the Triangular Park and the Lee Avenue Park will be developed at the same time, if voted in.

Snow Removal: During the large snow, the Town had called private contractors and had hired 36 payloaders. That week, from Tuesday on, they didn't have less than 20 payloaders on the road. Besides the high cost, another problem that faced the Town were the drivers, for during the first few days, many drivers worked 24 hour shifts. On residential streets, sometimes a payloador would go back and forth on a street because it was a main street in a development. Streets were missed, for with the high drifts, and with the unfamiliarity of the area, some drivers didn't know that the streets were there. Residents got excited and some even issued a few threats.

What is a turnkey operation?

This is where houses are built by the Federal Government with the control they turned over to

the Town. Now, the Federal Government builds Senior Citizen Housing and wants to retain control.

If you have any ideas about downtown Hicksville, please let Mr. Clark know.

The Town has just received 100 CETA workers and they have been assigned to the Highway Department. If you have branches in your area, bring them out to the site and the Highway Department will pick it up.

During the "Town Meeting" part of the program, Murray Margolis said that before you contract with a plumber, call the Nassau County Consumer Affairs and find out what types of complaints have already been received.

Murray's three Commandments are:

- 1) If a contractor comes to your house, find out where he has worked before. Speak to the people - if they were satisfied, they will be very happy to say so.
- 2) Give as small a deposit as possible.
- 3) Sign the contract as if you are a lawyer - get everything in writing, including sod and soil, and have a date from start to finish.

Bernice Neufeld from the Library mentioned that AARP is at the library to help you fill out your income tax from Monday to Thursday from 2 P.M. to 4 P.M. in the Fiction Room. They will help anyone - you don't have to be a Senior Citizen.

Before he closed the meeting, V.P. John Budnick mentioned that the Committee of the Board of Education is considering a Health Education curriculum in the area of sex education and also in the area of Drugs and Alcohol. The next meeting is scheduled for the end of March. Mr. Fujimoto a School Board member is conducting this committee. They are asking for as much community participation as possible.

The next meeting of the Hicksville Community Council will be held on Thursday, April 6th at 8:30 in the large auditorium of the Library. Mr. Ken Barnes, Director of the Library, will present the upcoming Library Vote and Mr. Arthur Petteino, a Hicksville Architect-Teacher will bring his models of the planned parks for Hicksville.

Hope to see you there - For A Better Hicksville.

LYNDA NOETH SCOTTI 796-1286

Birthday greetings go to Lisa Whitlinger, Hunter Pl., HICKSVILLE, who will be "sweet sixteen" on March 28.

Josephine Heinemann of Princess St., HICKSVILLE, was honored at a party, given by her daughter and son-in-law, Olga and Joe Arnold, recently, in celebration of her 85th birthday on Feb. 1. The party was held in a private room at the Milleridge Inn, Jericho.

Among family and friends that attended were: Beverly Jo Arnold, granddaughter, of Tulsa, Oklahoma; Mr. and Mrs. Edward Kcamek of Shelter Island Heights, N.Y.; Dr. and Mrs. Wil-

liam McManus of East Hampton; Mr. and Mrs. Robert Morrison, Mr. and Mrs. Wilbur Gai, both of East Meadow; Mr. and Mrs. Phillip Arnold of Massachusettes; Mr. and Mrs. Richard Burnell and Mrs. Florence Allison, both of North Babylon; Mr. and Mrs. Howard Graves of Hicksville; and Mrs. Amanda Fuhrmann of Franklin Square.

Those who could not attend from Oklahoma, Maryland, Smithtown, Florida and Astoria sent flowers, gifts, with congratulations and love to a most wonderful mother and friend.

Everyone that attended said they had a very enjoyable time.

Birthday greetings go to Lauren Miller, daughter of Pastor and Mrs. Miller (United Methodist Church, Hicksville) of W. Cherry St., HICKSVILLE. She will celebrate her 15th soon.

Anthony Scotti, son of Lynda and Tony Scotti of Levittown was inducted into the Junior National Honor Society last week. A 7th grader at Levittown Memorial Junior High School, he is the grandson of Sheila Noeth and nephew of Dot Bogart of Jericho.

Mr. and Mrs. Elwood Kaestner of HICKSVILLE announce the birth of a granddaughter, Elizabeth Clifford Kaestner on Feb. 25. Proud parents are Donald and Jeanette Kaestner of Bellmore. Donald is a 1965 graduate of Hicksville High School.

Happy 7th birthday to Kenneth Coumou of Amherst Lane, HICKSVILLE.

Little Kelly Ann Doris Magee, daughter of Renee and Owen Magee, of HICKSVILLE, celebrated her 1st birthday on March 9. Her friends, Suzanne and Jacquie Bolly, Steve and Joey Florio and her big brother, Brian, helped her celebrate.

NEWS BRIEFS

An Invitation

The Hicksville public library invites the children of Hicksville to celebrate National Library week with us.

On April 1, "Jolly Jazbo, the magic clown," will be here to entertain and delight us. 2 P.M.

Also that day we will begin our annual book bowl contest. Contestants may guess how many "Books" we have in our book bowl. The person coming closest to the correct number (without going over) will win a prize. The prize will be awarded on April 8, at the showing of film: "Pippi Longstocking at 2 P.M."

All events are free and will be held in the children's room.

Budget Study Session

The Hicksville Board of Education will hold a Public Budget Study Session on Wednesday evening, March 29, at 8:15 P.M. in the Board Room of the Administration Building, Division Avenue, Hicksville.

The public is invited to attend.

Awarded Contract

Woodie G. Williams, New York District Director of the U.S. Small Business Administration (SBA) has announced that the Servo corporation of America of HICKSVILLE, has been awarded a Government contract.

Under a Federal Program which sets aside a portion of U.S. Government procurement for small businesses, the United States Air Force has awarded a \$205,797 contract to the Servo Corporation, to manufacture radioisotope test sets that will be used in the support of the Air Force weather service.

A spokesman for the company said, the compact package consists of meteorological equipment and a radio transmitter, that measure and transmit, temperature, pressure, and humidity data by means of radio signals.

Smokers Workshop

St. Francis Hospital and Heart Center will conduct a Smokers' Withdrawal Workshop at the Plainview Public Library, Old Country Road, Plainview, for five consecutive evenings March 27 through 31 at 8:30 p.m.

The program will be conducted by Rhoda Nichter, author of the book, "Yes, I Mind if You Smoke."

For further information, please call 627-6200, extension 1922, or 938-0880.

Trinity Lutheran

The Mid-Island community is invited to join the members of Trinity Lutheran Church, 40 West Nicholas Street, Hicksville, for Holy Week and Easter Sunday worship.

On Maundy Thursday we will have a Holy Communion service at 8:30 p.m. From Noon-3 p.m. on Good Friday we will hold our Tre Ore Service and at 7:45 p.m. David Williams' "On The Passion of Christ" will be sung during the evening Memorial Service.

Our Easter Dawn Service will be at 6 a.m. followed by services at 7:15, 8:30, 9:45 and 11:15 a.m.

A light breakfast will be served after the first two worship services.

Worship the Christ with us.

The Church At Hicksville

"The Signs of Love Singers" will be presented in concert at the Church at Hicksville, 17 Herzog Place, on Monday, March 27th at 8:00 P.M. under the direction of Rev. Terry Thompson.

This unique group of young gospel singers demonstrates with contemporary music and ideas, God's love to the deaf while showing the hearing how to communicate.

The Singers have traveled extensively in the United States, Canada, Mexico, Haiti and

Jamaica singing and singing to people of various religious, educational and ethnic backgrounds. Their goal is to help support deaf projects around the world and inspire potential teachers. They have ministered in various denominational churches, grade schools, colleges, camps, rehabilitation centers and wherever they are allowed to share their concern.

We invite all to come and share this unique spiritual experience with us.

To Honor Retiring Teachers

The East Street School P.T.A. is planning a Pot-Luck Supper and Roast in honor of three retiring teachers of our school faculty. The teachers to be honored are Miss Miller, Mrs. Pearce and Mrs. Craner.

All members of the faculty, former students, relatives and friends of the above mentioned retirees are cordially invited to attend this affair to be held at East Street School on Thursday evening, April 13th at 8:00 P.M.

in the All Purpose Room.

We would appreciate all who are interested to please send a note to the East Street School P.T.A., East St., Hicksville, N.Y. 11801 by March 31st. Please include your address, telephone number, number of people attending and the name of the dish to be contributed. The information requested above will greatly assist the committee in the planning of this festive occasion.

At The Library

Peter Rabbit, the Old Woman Who Lived in a Shoe, Cinderella, Snow White and the Seven Dwarfs and many other nursery tale friends are visiting at the Hicksville Public Library this Easter season. You may see them in eggs that are displayed in the fiction room show case.

These marvelous little creatures in their eggshell homes are all creations of Lucille Kaye, who very graciously is sharing her

handiwork with all the community.

The exhibit will be at the library for four weeks more. Be sure that you come and see these charming miniatures and by all means bring all the little children with you. You will be enthralled by the imagination and the workmanship and the man hours that went into producing this exhibit.

We thank you, Mrs. Kaye.

Building and Grounds Meeting

The next meeting of the Advisory Committee for Buildings and Grounds Use, of the Hicksville Board of Education, will be held on Thursday, March 30, at 8 p.m., in the

Board Room of the Administration Building, Division Avenue, Hicksville.

The public is invited to attend.

Hicksville Garden Club

The Hicksville Garden Club will hold its regular meeting on Monday, March 27th at 8 P.M. at the Hicksville Public Library on Jerusalem Ave.

"Growing Glamorous Gesneriads" (African Violets) will be this month's programs presented by guest speaker, Elaine Gresso. Everyone is welcome.

A Common Heritage

On Wednesday evening, April 5, at 8 p.m., the United Methodist Women of the Hicksville United Methodist Church will present a timely and interesting program on sharing our resources - "A Common Heritage".

We are caretakers of God's gift of the sea. Featured are guest speaker Shirley Joyce Hall,

President of the Long Island East District; a filmstrip on use of the ocean from the beginning of time; and an enjoyable puppet show done by our women.

Come and see "Shelly Pearl", Sparkle the Sea Serpent", Maggie the Manganese Nodule" and "Fantazia the Octopus."

Dear Friends ...

WE ARE PRINTING several "Letters To The Editor" this week about which we are unhappy. Not because we may differ with the opinions expressed in them, but the manner in which several of them are written is deliberately sarcastic and derogatory. We know some of these writers and we know them to be intelligent, concerned people. We do NOT agree that a difference of opinion makes those differing with you morons ... on the contrary. Most truly honest people can always look back and see where, on occasion, in reviewing certain matters, they have changed their opinion. So why can't we listen courteously and differ without inciting to riot? We can. And less than that is deliberate. Also, deliberate distortions of facts are unnecessary and here we are referring to repeated attempts to put the blame on those who are merely bringing up a proposition for a community vote ... such as the proposed park complex in Hicksville. This newspaper will be covering the details on this park complex and its costs, a brochure will be sent to all interested by the Town of Oyster Bay, and questions may be asked at any one of the numerous meetings which Town officials are attending throughout Hicksville. It is clear to everyone that the Town officials themselves are neither for or against this proposition but are bringing it up for our consideration and our vote in May. We'd suggest that you avail yourselves of all the facts ... ask all the questions that come to your mind, attend at least one meeting or the public hearing ... then, don't forget to go out and vote when the time comes. But, ladies and gentlemen, don't talk down to your fellow Hicksvillians. They can think, too.

We are fortunate in the Hicksville area, to have so many fine restaurants, both the Alibi on Old Country Road and the Royal Diner on Old Country Road near South Oyster Bay Road, come to mind as consistently good, both in service and food ... then, the ever-popular Stack O'Barley Pub located at 646 South Broadway on Route 107 has not only delicious food but also fine Irish entertainment, as many already know. On Easter Sunday Noel Kingston and Paddy Farrell are scheduled to entertain, while Ken Byrne and Billy Hickey are set for March 24 and 15. Also, check Jim Cummings column and their advertisement, for the Molly Maguire Pub which now has a new owner, Mr. Ken Tracy. Welcome to Hicksville.

A LECTURE TO MYSELF: "One of the often unrecognized killers of our time is lack of exercise. Americans more often die of heart attacks than citizens of any other country. Many of us do not get regular exercise. Experts advise males and females to devote some time every day to exercise. One should not, of course, begin strenuous exercise at middle or advanced age without working up to it. It's best to exercise regularly throughout life." Someone gave us this mini-lecture and we share it with you. Now that the snow is gone, perhaps we should all get out and do more walking, gardening, and whatever ... especially those of us who spend a good deal of time behind a desk or typewriter ...

Carol Eisenstein phoned and wrote us to correct the paragraph in Gerry's Kahn's story covering the March 7th evening session of the Town Board which read "Carol Eisenstein of Greater Plainview Civic Assoc. spoke in opposition to the application for a special use permit to erect a Roy Rogers facility by the Marriott(Corp.) by stating the air pollution, debris and filthy conditions as well as traffic situation was presently unbearable and the TOB should do something about improving existing conditions before entertaining any further facilities." Mrs. Eisenstein states that ... "The Greater Plainview Community Association is in favor of the application but is strongly aware of the existing traffic problem on South Oyster Bay and Bentley Roads. We feel that if the Town Board approves the application they are assuming major responsibility for correcting or at least improving the traffic flow as it exists now." We stand corrected.

CONGRATULATIONS to both Jean Gould and Stanley Meltzer, HAD volunteers who have been nominated to receive the "Volunteer of the Year" awarded by the State Office of Drug Abuse Services.

Walking 20 miles will be "no problem" for the 15,000 Long Island residents who have already registered to walk in SUPER WALK '78 on Sunday, April 16th for the March of Dimes. Total enrollment is expected to be over 25,000 people. To register for the SUPER WALK call today - 741-4045.

THAT'S ALL for this week. We wish you all a happy and Holy Easter Day. God bless you all.

Letters To The Editor

Dear Editor:

In reading the newspapers in recent weeks, I see that there is a great deal of speculation that our Assemblyman, George Murphy, will be moving up to become a candidate for State Supreme Court Judge.

I hope that is true, because he has a great deal of legal and human experience which would serve us well.

The rumored Republican candidate for Assembly is Fred Parola, the Republican Leader from Wantagh. I've known Fred Parola for several years now, and I just want to say that I've never known a more honest or personable guy.

Fred would bring a great deal of experience with him, having been legal counsel both to Assemblyman Murphy and State Senator Ralph Marino. In addition, he has always showed a great deal of concern for people. As legal counsel to Mr. Murphy, Fred handled several problems I brought to him and in each case he got the job done quickly.

I know that rumors run rampant in politics, but this is one time when I hope they're true. Hicksville could find no better Assemblyman than Parola, and our community would profit by his election.

Sincerely,
Nick Caruso

To The Editor:

The specter keeps rising over Hicksville -- a grandiose pool-park complex that haunts Hicksvillians in a Pavlovian manner. Now ask yourself and then ask Councilman Tom Clark these questions: (1) What will be the TOTAL cost of construction to the Hicksville taxpayer? (2) Does Hicksville need that pool-park complex? (3) Why has so little information been furnished to the newspapers? (4) Why is there only an "all or nothing" vote contemplated? (5) What will be the effect on the neighborhood in which the grandiose pool-park will be located? (6) What are the motivations behind the pool-pushers push for such a grandiose pool-park complex?

Take question one. Pool-pushers would have you believe the total cost of construction will be 4.1 million dollars. DON'T YOU BELIEVE IT. When bond interest is added, the total cost WILL BE 9 to 11 million dollars BEFORE cost overruns. No one -- but no one will buy a bond unless interest is paid. If the interest rate is six percent an additional 4.8 million dollars in interest costs would be added over the 20 year life of the bonds will raise the total cost to NINE MILLION DOLLARS. If the interest rate is eight percent,

an additional 6.6 million dollars in interest costs will bring the total cost to about 11 MILLION DOLLARS. Of course the tax figures they furnished for publication will have to be revised UPWARD.

It is apparent that pool-pushers have conveniently ignored the interest factor in the cost data furnished which you printed in your edition of 2 March 1978. If we cannot trust their official cost figures -- is there any compelling reason we should believe anything else told us by the pool-pushers? Nuff said. God and this paper willing I will discuss question two next week.

Sincerely yours,
Frank H. Willard

To The Editor:

Now that we taxpayers have been given some figures on the cost of the Hicksville Pool Park Complex, let us not take the figures at "face value" - it is time to ask questions. When any Governmental/school agency supplies cost figures on a project, they want the taxpayer to support, one must use great caution, in the acceptance of these figures.

I would like to know the following -- when did the Designer-contractor, etc., arrive at the figure of \$4,111,580.00? Is that today's cost, last year's cost, or the projected cost of a pool park complex, that will not be completed and in operation for at least two years after voter approval?????

Inflation could make the cost rise an additional 12 percent to 16 percent of "today's cost." However, if we accept the \$4,111,580.00 figure it will mean an increase of our present tax rate of 33.9 per \$100.00 AV.

There is another item to consider - Annual Operating Cost - 11.9 additional was reported in the press recently, for operations. Although, at a recent Task Force meeting, when a question was asked regarding the Annual Cost of Operations -- the reply was "that is a most difficult question to answer", however the thinking at the present time is that it will be \$400,000, per year. This will result in an additional tax increase of 11.9, depending upon membership. Regarding membership -- did you know, that after your tax rate increases 45.8 per \$100 - you will then have to pay a membership fee of \$175 - per year to use the pool complex.

At an annual operating cost of \$400,000 - it will take 2,284 - full memberships to cover the estimated figure ... with only 131 parking space and 2,000 members??????

The Pool Park complex will

be a spiraling tax with or without full membership. An example of such a tax is our local school tax. The school tax keeps spiraling upwards, even though student enrollment is on the decline. Thought should be given to the sewer tax, soon to be imposed upon the Hicksville taxpayer.

Taxpayers Opposed to Parks (T.O.P.) - find out the true cost, before it is too late. Vote on May 4th - let your Ballot be Counted.

Very truly yours,
Mary E. Carton

Dear Editor:

AH, what a joy. The constituency of the 10th Assembly District was again blessed with the arrogance of Lew Yevoli in the form of another taxpayer-financed mailing. Mr Yevoli's correspondence savagely assaulted everyone and everything concerned with snow removal in the Town of Oyster Bay. After stating that he, his wife and some Boy Scouts helped just about every town resident, he proceeded to state that the Town of Oyster Bay was listed worst for snow removal. What list is he speaking about?? I have never even heard of its existence.

Perhaps this correspondence is simply a manifestation of Yevoli's dream of higher office. What are you running for now, Lew?? Governor??

Well, I, for one, am getting angry at Yevoli's grandstand election year plays and I'm even angrier over his using us as his political stepping stones.

Let's face it Lew, the two feet or so of precipitation we received doesn't even come close to the snow that accumulates in my mailbox, everytime you waste my tax money to further your political aspirations. Those free mailings are not meant for campaigning, and I demand that you stop using them as such.

Sincerely,
Philip Cincotta

Dear Mrs. Noeth:

With all due respect to the Board of Education, I am in a quandry over what should be their role regarding budget vs. education. Apparently, the Board has set an arbitrary goal of a zero growth school budget. Unfortunately, what started as a goal is now being accepted as a mandate and a diminution of educational service is being touted as the only way to offset the cost of sewers, etc.

As a taxpayer sitting in on the recent budget hearings, I'm left with a sinking feeling that the

Fine Arts had appeared before the panel earlier in the morning to suggest an alternative method for the running of the Fine Arts Center in Roslyn.

The organization was formed on Feb. 14 in the wake of the move by County Executive Francis Purcell that closed the neglected facility.

"We suggested to the board that the center be run like the Metropolitan Museum in Manhattan, that is the government continue to own the facility and supply security for it while a private organization runs the center's art programs."

Mr. Zimmerman's group said the board will take his proposal under advisement.

According to, Alphonse

D'Amato, the board's vice chairman, the museum is expected to open sometime this year but not before over \$400,000 in repairs is made to the museum.

The museum portion of the Fine Arts Center opened in October, 1975. In its brief history it has had 24 exhibitions of Nassau artists, six historical exhibits, and five sculpture shows.

The committee says that the establishment of a private organization to run the museum could save the county up to \$200,000 a year if run by a Board of Trustees which would oversee its entire operation.

Emerging Woman Conference

Susan Sherer, a Plainview resident, has been selected to lead a workshop at The Emerging Woman Conference to be held from 9:00 to 4:30 Saturday, April 8 at Hofstra.

The all-day conference, which is open to the public, is sponsored by L.I. NOW, Nassau Chapter, in association with the Women's Faculty Association of Nassau Community College.

Keynote speaker for the day will be representative Elizabeth Holtzman, the youngest woman ever elected to Congress, who rose to national prominence as a member of the House Judiciary Committee during the Watergate hearings. A special award will be presented to retiring State Senator Karen Burstein.

Listed among the 28 varied workshops scheduled for the day are such diverse topics as: Self

Assertion; Present Yourself Positively; Depression: What's, Why's and When's; Marriage and Divorce; Your Rights; Older Women: Achieving and Maintaining Independence; Your Money and You; Successful Financial Planning; Images of Women: 19th and 20th Century Literature; Second Careers: A Practical Approach for Reentering the Job Market; Household Violence: Women and Music; Title IX: We Did It: You Can Too; "The Emerging Woman" film, Women's Contribution to History.

Fees for registration have been set at \$10.00, NOW members \$9.00. Child care will be available for those who pre-register. For registration and further information on the entire list of 28 workshops, call 694-7793.

Receives County Contract

A \$1,985,141 contract has been awarded by County Executive Francis T. Purcell to Davis Construction Corp. at Hicksville, for completion of the Santini Roadway on the Mitchell Field property. Davis was the lowest of eight bidders.

The project involves demolition of the former County Rifle Range building on the east side of Meadowbrook Parkway and construction of a six lane divided highway from the bridge over the Parkway to Merrick Avenue near Parkway Gate, a distance of 1,640

feet. Also included are drainage facilities, a traffic signal at Merrick Avenue, an eight-foot wide bicycle path and lighting.

When completed, motorists will be able to bypass the congested Hempstead Turnpike-Merrick Avenue intersection by taking the Santini Roadway from a point just opposite the Nassau Veterans Memorial Coliseum entrance.

Work is expected to begin in April and take 10 months to complete.

WELCOME BACK: Mr. Max Batista and Mr. Anthony Niceforo, Spanish teachers at Hicksville High School, flank their former Spanish student, Joan Fuedenberg - Figueroa. Mrs. Figueroa is studying for her Ph.D. in Spanish at University of Illinois. Mrs. Figueroa stated, "My experience in FLES, and encouragement by Mr. Batista, were paramount in my career decision making."

Gem And Mineral Show

The Seventh Annual GEM and MINERAL SHOW is set for April 8th and 9th at Hicksville High School, Division Ave. in Hicksville. It will be hosted by the Gregory Museum, Long Island Earth Science Center.

Mr. Charles Anello will show slides of King Tut from the Metropolitan Museum of Art. Exhibits: Demonstrations of every facet of the Lapidary Arts; Gem and Mineral Dealers; Educational Films; Touch

Table; Door Prizes; Raffle Drawing; Gem Identification & Appraisal; Mineral Identification; Jewelry Designing; Setting; and Treasure Hunt. Admission: Adults, \$1.00, Children 50 cents. For further information phone 822-7505.

Galileo Lodge News

By Joe Lorenzo

Although we have written about the Gift of Life program on numerous occasions, this program never ceases to provide us with a profound sense of admiration. For it provides hope, warmth and a new outlook for these children in Italy who hail from under-developed, less-affluent areas.

Recently another Italian youngster - 14 months-old Cosimo Bontempo, son of Mr. and Mrs. Domenico Bontempo, arrived in America from Calabria, Italy for open-heart surgery at St. Francis

hospital in Roslyn. This operation, incidentally, is not available in southern Italy, and although it is obtainable in the northern sections, it is very expensive and there is a waiting list that covers a period of two to three years. The airplane fare for the Bontempo family to and from America will be donated by various Lodges of the Sons of Italy in America.

But it takes people to make this program work...people who are dedicated to human causes. With this in mind, we wish to extend to

the lodges of the Sons of Italy in America who are involved, to the St. Francis Hospital Guild and to all the doctors of the St. Francis Hospital Cardiac unit, our thanks for their roles in this fine program.

Another touching note is the fact that young Cosimo has captured the love and attention of the nuns of St. Francis, and the hospital's personnel who display their affection for this delightful Italian boy who speaks no English at all.

On Saturday night, the 18th of March, the Galileo Lodge held its St. Joseph Dance, and since this affair pays respect to St. Patrick, many of our Irish friends attended. There was an abundance of food, good music and the proper spirit and atmosphere, the kind of ingredients needed to provide top-notch entertainment. A special note of thanks to chairmen Joe Lappano and Armand Del Cioppo and to their committee who did a remarkable job.

The March of Dimes walk-a-thon program is about to get underway. The Galileo Lodge, ever mindful of its commitments to community-related projects, has donated 200 dollars to this cause and it will also serve

RESIDENT PROGRAM: The fifth grade students of Mrs. Wrubel's class at Fork Lane School recently spent a two-day, one night resident program at Caumeset State Park. The program included weather studies, animal tracking, nocturnal awareness, field succession, seashore ecology, forest ecology, glacial ecology and microscopic study.

The students earned the money in part for the trip by selling ice cream during lunch, with the guidance of the PTA, during lunch periods.

The goal of the project was to enable the students to develop sensitivities to the environment. The students are now making illustrated scrapbooks of their trip.

Students and parents found this educational experience to be "fantastic."

refreshments at Eisenhower Park. Skip Monteforte is the chairman of this program.

LODGE HAPPENINGS

Fairly-hot weather will get the construction of the Bicentennial Memorial underway. Everyone is eager to see this project take shape and form....The Ladies Auxiliary are hard at work finalizing plans for their Woman Of The Year Dance

which is set for April 1st at the Lodge quarters. Contact Ann Lappano and Millie Del Gioppo by calling 822-7472. The Follies Revue is also in it's planning states. This affair also promises some fine entertainment. Call the above number and ask for Joe Lappano and Rita Mannino for more information....New officers will be installed March 23rd at the Lodge quarters, at 8:30 P.M. Refreshment and food will follow....The sixth anniversary dance of the Galileo Lodge will be held on April 29th. This is the big event of the year. More details concerning this event will appear in later articles.

Lucky Winners

Salvatore R. Mosca, Councilman for the town of Oyster Bay, drew 120 lucky winners on Wednesday February 22, 1978, for the Eastern Savings Bank Washington's Birthday Gift Sweepstakes in the branch office at 525 Old Country Road in Plainview. The lucky winners received a gift and along with sweepstakes' participants, also received a free checking account with personalized checks. Pictured with Councilman Mosca is Branch Manager Clarence (Bud) Ryder.

1978 Hicksville Swimming Team

The Hicksville Comets completed a highly successful season last Tuesday March 7 with a record shattering time of 3:45.6 in the 400 Freestyle relay at the State Qualifying meet held at Farmingdale High School.

The team of senior Kevin Drummond, All-County juniors Steve Alvarez and Mike McGuirk plus sophomore sensation Ken Koneck lowered the existing Hicksville standard by 10 seconds. This was but a part of the best season in the swim team's short history. A combined season record of 7-11 was by far the best in Comet history.

Individual records were broken by Steve Alvarez in the 100 Backstroke event and Mike McGuirk in the 500 yard freestyle. In addition to being on

the record breaking freestyle relay at the Farmingdale meet Steve Alvarez and Mike McGuirk were chosen as 1st team All-County swimmers in the butterfly event. Their 3rd and 5th place finish at the County meet more than certifies this selection since the lack of pool time and practice facility surely cut down on their preparedness. Both Steve and Mike erased the one season scoring record for points set in 1977 by Mike Bradley. Steve totaled 212½ and Mike came in with 198¼. The old standard was 144¼ points. Sophomore Ken Koneck also broke the 100 point barrier with 129¼ and provided Hicksville with key wins in the freestyle.

Freshmen Tom McGuirk came on strong at the end and will prove an important swimmer next year.

Mrs. Sones' and Mr. Monfredo's fifth grade classes at Willett Ave. School, Hicksville, are conducting a series of curriculum-oriented cultural programs on the countries of South America. They are utilizing resource personnel and visual aids from the school and community.

The first program featured Ecuador. Since Mario Cabrera from Mrs. Sones's class was born in Ecuador, his parents graciously agreed to tell the classes about their country. Mrs. Cabrera is from Guayaquil, her husband from Cuenca. To illustrate their lecture, they brought with them a beautiful hand-made and embroidered poncho, jewelry, a musical instrument, various denominations of currency, and sufficient samples of home-made Platanos, Tortillas for the ninety students who attended. Mr. Cabrera also taught a few words in quechua, the language spoken by segments of the Indian population, to illustrate its similarity in sound to English.

Since Willett Ave. School has an original slide program on

Raquel Alvarez, only a 9th grader, made Nassau County swimming history at the County event when she competed in the individual 100 yard Butterfly and thus became the first girl competitor in an individual swimming event to qualify for the county meet. Raquel was also the leading girl scorer on the team.

Junior diver Claire Dziukiewicz provided much needed support and contributed key wins at Long Beach and at Bethpage.

Next year bears signs of great things for Hicksville swimming with all the key swimmers being underclassmen this year and a strong group of 8th and 9th graders waiting their turns.

A full time pool facility would go a long way towards improving Comet chances.

Burns Ave. 25th Anniversary

The Burns Avenue School will hold its 25th Anniversary Dance at the Knights of Columbus Hall, Heitz Place, Hicksville, Saturday April 1, starting at 9:00 P.M.

Tickets are now

available by calling Mrs. Zaida Sedlacek or by calling the Burns Avenue School.

"Please come and join us for a delightful evening," urged a PTA spokesperson.

Cultural Program At Willett School

Mr. and Mrs. Mario Cabrera with son, Mario Jr., introduce fifth grade teacher Rosalie Sones to Platanos Tortillas during their lecture on Ecuador at Willett Ave. School.

Ecuador, copied from teachers' travel slides, this had been used as a preliminary lesson. The students had many questions and participated actively in the discussion.

As an outgrowth of this lecture, interest has developed in the

Galapagos Islands, off the coast of Ecuador. A mini slide program on this area is now being planned, using films taken by language teacher Helen DeCora.

The programs are coordinated through the Willett Ave. Media Center.

overriding goal of the Board is to minimize the impact of reduced educational service to our children. The rationale being that we can reduce educational services and still remain average (mediocre?).

From my point of view, this position is unacceptable. The Board of Education must propose a school budget that will provide the best education possible to the students of our district. They should not be in the business of developing an expedient marginal budget for the sake of easy victory at the polls.

Our priorities should be changed. The goal of a zero growth budget must be replaced with the goal of obtaining improved quality education. The attitude of accepting Hicksville as an average school district has to be replaced with an attitude of unsurpassed excellence in education. Since I cannot and will not accept mediocrity from the five children I have in our school system, then I cannot sit back and permit the school system or the Board of Education to provide them with an average / mediocre education.

We as the taxpayers, must recognize that any increase in our school district budget as the result of increases in fuel, sewers, etc., cannot be paid for by a cut back in our children's education.

I urge anyone interested in our community, to stand up and challenge our Board. Dare them to make us the best district on Long Island.

Sincerely,
STEPHEN R. KATZ

CUMMINGS 'N GOINGS

By Jim Cummings

NEW MANAGEMENT: The popular Molly Maguires Pub at 247 South Broadway, in Hicksville, is now under the new management of Ken Tracy, one of Long Island's best known

entertainers who will be entertaining his customers at his special Gulbrandsen Rialto Theatre Organ during grand opening celebration this Friday and Saturday evenings...Ken invited your reporter last weekend, St. Patrick's Day, as a host of friends welcomed the new owners to our community. It was an SRO crowd enjoying the festivities. Ken will be featuring one of the newest and most talented groups on Friday and Saturday evening, the Pat Conway Trio for your dancing and listening pleasure from 9:30 till 2 AM - a free buffet starts at 8 PM we hear - come early for a wonderful weekend at the Molly Maguires on the eve of Easter Sunday.

IRISH VARIETY SHOW: Next Friday evening, March 31, the Irish Celtic Society will present Paddy Noonan's Band and Michael O'Dea from Jury's of Dublin, in music, song and comedy at the Bethpage Junior High School, on Broadway commencing at 8 P.M. Donation is \$5.00 per - please phone John Lundy at 433-5781 for tickets - thanks to Tom and Peggy McGearry of Brenner Avenue, Bethpage for the info.

DI'YA KNOW THAT: The Banjo Society entertained at the annual "Old Timers Nite" this past Tuesday evening at the Joseph Barry Council, No. 2520, Knights of Columbus...Stephen Ryan, Grand Knight reports that attendance was an all-time high as members received 25 and 50 year pins - the writer scheduled to receive my 25 year pin could not attend due to a touch of the bug, (which one I don't know, but feeling much better, thank you)...That in the County Mayo, Ireland, (home of my late father), the Castlebar International Song Contest is scheduled this year in October and open to composers throughout the world - last year 1100 entries were received from 35 countries - closing date is June 15th - just about gives me time to complete one of the better melodies I have written - yes, I find time to relax

PROCLAMATION: Nassau County Executive Francis T. Purcell presents a proclamation designating April 1-2 as "spotlight on 4-H Teens Days" throughout the county to 4-H club members Lori Fleckenstein of Hicksville and Joh Chen of Westbury.

Presentation was made in honor of the first annual 4-H "Cloverama" being held on those days at the Nassau Veterans Memorial Coliseum.

The "Cloverama" has been undertaken to show the public how 4-H works, what it offers and it's accomplishments.

ACCOMPLISHMENTS: Nassau County Office of Women's Services Instructor, Betty Dunlap, (left) presents "Certificates of Completion" (left to right) to Margaret Denlen, Rose Riatz, and Mildred Todd, all of Hicksville, upon their graduation from the Secretarial Refresher Course.

In addition to the Secretarial Refresher Courses, the Office of Women's Services also provides career counseling for women wishing to reenter the job market or change career direction. Both the Secretarial Refresher Course and career counseling are offered free of charge. For further information on these and other services provided by the agency call 516-420-5101.

by composing music these past years - mostly popular ballads and several Irish songs - come down some Sunday afternoon to the Molly Maguires and Ken Tracy will "Light Up Your Life" with these enchanting melodies, - plus his own selections.

WE HEAR: Hollywood star Al Pacino will be in Massapequa

making a film - I'm sure my good friend Ira Cahn, publisher of the Massapequa Post will find and interview him...that was Nassau County Executive Fran Purcell marching with the Nassau County Board in the NYC St. Patrick's Day Parade last week - Fran is a new member of Division Fourteen, Rockville Centre, Ancient Order of Hibernians...Joseph Halligan of Hicksville was the pipe major for the Inis Fada Pipe Band leading the Clarendon's Association - his pic is in the Irish Echo this week - Bill Roemer, now retired member of the Federal Bureau of Investigation (FBI) will have more time to devote to his piping lessons - right, Joe?...the indoor-outdoor pool complex in Hicksville is the "talk of the town" - certainly enough information being gathered - vote date is early May and numerous meetings have been scheduled throughout Hicksville to keep all alert - next meeting with Town Councilman Thomas Clark providing the program will be at the Hicksville Community Council set for Thurs., April 6.

ROUND OUR TOWN: Work on the proposed sewers in our community will move ahead now that good weather is at hand...Fred Vevante chaired the recent fashion show sponsored by the Hicksville Republican Committeemen's Council at Antun's, quite a nite. The all-new "Red Flannel Hash Band" be featured at the Neptune Pub on Merrick Rd., East Meadow starting Friday evening, March 31 - my sons Michael and Patrick put the unit together and rehearsals have been sounding "real smooth" - catch the sound next Friday.

Students Attend Math Conference

On a snowy January 17th, ninety students from six Hicksville elementary schools traveled to Nassau Community College to participate in the first Nassau County Conference in Mathematics for Students. The conference, sponsored by the Nassau County Mathematics Teachers Association, brought together 2,000 Nassau County students and speakers to explore the many facets of mathematics. Each student attended three workshops of one hour duration during which time they explored such topics as Logic, Puzzles and Paradoxes in Mathematics, Matrices, Euler Circuits, shortcuts in computation, Gambling, Fibonacci Sequences and their relation to nature and others. Forty six different workshops were offered with most of them being offered at least twice.

The following day, January 18th, forty students from the Hicksville Junior and Senior High Schools had their turn to explore such topics as Diaphantine Equations, History of Calculus, Boolean Algebra, Probability, Game Theory, etc. On this day 49 different workshops were offered.

Lee Avenue School students left to right: Michael Marino, Ken Soszka, Geri Gerhardt, Susan Carroll, Larry Sullivan, teacher - Mrs. Schwartz, Wendy Manthey.

Two Hicksville faculty members, Mrs. Shirley Karish and Mr. Max Joseph, were speakers at this conference with Mrs. Karish offering a workshop entitled "Francimals? Frictions"? which dealt with strange numeration systems and Mr. Joseph, who offered a workshop entitled "Star Patterns" which

was a blend of geometry and number theory.

Students returned home enthusiastic and eager to show their friends what they had learned. Perhaps the best comment offered was from a sixth grader at Fork Lane Elementary School who said, "The workshops were too short and lunch was too long."

CAPA To Sponsor Concert

Coloratura soprano Nancy Fox-Hoover and tenor Michael Tarawhiti McGifford will appear in concert on Sunday, April 9, at the Plainview-Old Bethpage Public Library, it was announced this week by Oyster Bay Town Councilman Salvatore R. Mosca. Sponsored by the Cultural and Performing Arts (CAPA) Division of the Department of Community Services, the concert will begin at 2:30 PM. Admission is free, and tickets may be obtained by calling 938-0077.

Included in the afternoon

program will be selections from Franz Lehár's "Merry Widow" and "Count of Luxembourg," Sigmund Romberg's "New Moon," Jerome Kern's "Showboat" and a medley of Gilbert and Sullivan tunes. Kelly Wyatt will provide piano accompaniment.

A native of New Zealand, McGifford has toured extensively, and his many concert performances include recitals at London's Wigmore Hall and Alice Tully Hall in New York. He has won a number of major New

Zealand vocal competitions in addition to copying this country's William M. Sullivan Foundation Award. Last season, McGifford toured Europe, singing in Edinburgh, Berlin, London, Vienna and Holland.

Fox-Hoover has performed major roles in opera and operettas with the Michigan Opera Theatre and the Pittsburgh Civic Light Opera Company. She has also appeared as soloist in many oratorio presentations with the Pittsburgh Symphony, Detroit Symphony and the Ocean City Summer Orchestra. She has also instructed voice at several universities and colleges.

For further information on the concert, contact CAPA at 922-5800 ext. 245.

Meet The Author

Silvia Tennebaum, author of RACHEL, THE RABBI'S WIFE will visit the Plainview library on Thursday, March 30 at 8 PM to discuss the writing of her first novel. RACHEL is the story of an atypical Rabbi's wife who is generally critical of life in suburban Long Island. Advanced sales for RACHEL were so brisk that it became a best seller on the Island before it's official publication date in January.

Free tickets will be available to local school district residents only one week in advance of the program. Others will be seated just before the program as space allows.

DISCUSSION: Gerald P. Rooney (Middle) of Muttontown and Harold P. Donohue (Left) meet with Dr. Henry Viscardi, Jr. (right) president and founder of human resources center to discuss plans for the center's upcoming 1978 celebrity sports

night dinner. This year's sports night will be held on May 17th and all proceeds help to support programs in education and rehabilitation for severely handicapped children and adults.

Seven year old Sean Tuohy and Michael Capobianco, four, both of Hicksville, greet spring at the Nassau Association for the Help of Retarded Children's green-

house in Brookville. Sean and Michael are among the several hundred boys and girls who daily attend the AHRC school.

Easter 1978

Easter 1978 envelops the universe and binds it with something even greater than Spring. The Spring equinox does bring changes that lift up the human spirit and new sights and sounds exciting the senses, yet Easter 1978 changes the atmosphere with an even greater excitement. For the faithful it is certainly a reminder that "the earth is the Lord's and all that is in it." For the believer Easter 1978 is a reminder that God is forever in communion with His world and all His creatures whom he loved and loves still "For God so loved the world..." For the believer realities beyond the grasp of our senses but within the grasp of our insight assert themselves: life is sacramental; every human being is a sign of the reality of God; human companionship in continuing human relations that transcend conditions both good and bad give evidence of the fellowship we have with God and the community we enjoy in His presence... "hereby shall all men know that you are my disciples, that you have love for one

another." For the believer Easter 1978 is the reality that everyone by the power of God is larger than the conditions of life which surround him... the lame walk, the blind see, the hungry eat. The Good News is broadcast and directly confronts bad news. Lazarus is raised up and every man confronts an empty tomb.

To the believer Easter 1978 is the reaffirmation that death, that final condition, is swallowed up in victory and God clothes each person in the mantle of eternal life.

Easter 1978 is the evidence that God, in Jesus Christ, has transformed and transfigured death. Not merely resurrection, certainly not immortality, but a reality we will enjoy eternal life.

God calls us to love reality which He proclaims in the Resurrection. Alleluia. Christ is risen. He is risen indeed. Alleluia.

Easter Eve Concert

The Salvation Army Freeport Corps invites you to join for an evening Easter Concert, featuring the renowned Gospel group, "The Channels". The Concert will be held at the Salvation Army, 66 Church Street, Freeport, N.Y. on Sunday March 26th at 7:00 P.M.

Dave Fincher, a public school teacher heads up this professional nine member country and Gospel music group, ranging in age from eighteen to thirty-eight years of age. Intermingling the brass, strings, percussion, and vocal they

generate an explosive and inspirational sound.

During the past three years, they have appeared on television, performed with top recording stars and have sung at churches, schools, prisons and out-door concerts. Their recording albums enjoy constant upward sales.

Musician, Ted Elderd says of this group that, "The Channels are the greatest young gospel musical and singing group in the Country". A freewill offering will be taken.

The Salvation Army is a participating member of the United Way of Nassau-Suffolk.

Hicksville, NY 11801

has filed an application for a permit for an existing discharge of photographic waste and sanitary wastes into groundwaters from the applicant's facility located at 5-01 Burns Ave., Hicksville, NY, Oyster Bay (T), Nassau Co., where the applicant operates a photographic facility. The permit will require additional treatment to meet current state and federal standards. It has been determined pursuant to the State Environmental Quality Review Act that this action does not require preparation of an environmental impact statement.

The New York State Department of Environmental Conservation tentatively intends to issue a State Pollutant Discharge Elimination System (SPDES) permit for the subject discharge(s). A final issuance will follow: (1) review of the application to assure compliance with all applicable provisions of

LEGAL NOTICE

Article 17 of the Environmental Conservation Law of New York State and all applicable provisions of the Federal Water Pollution Control Act Amendments of 1972 (P.L. 92-500); (2) development of special conditions setting forth specific effluent limitations and other controls applicable to the discharge(s) described above including schedules of compliance; (3) development of monitoring and reporting requirements for the applicants performance; (4) consideration of all written comments from persons who qualify, as described below, as interested parties on this notice of application.

Any person interested in this application who wishes to comment thereon or become an interested party in any proceeding regarding this application must notify the undersigned in writing stating specific areas of interest on or before April 24, 1978.

All such written comments will be retained by the Department and considered in the formulation of the final determination. FINAL INDOOR REPORT

The last two tournaments to report on are the Girls Under 14 coached by Mr. Pat Harkins, and the Girls Under 12 coached by Sheila O'Leary & Madeline Mitchell. Harkins took his troops up to Jericho H.S. to play & O'Leary & Mitchell journeyed with their girls to Lutheran H.S. to finish off the indoor events for the '77-'78 winter season.

In the under 14 group, 12 teams participated in 5 rounds & the top eight would then go into a one-game elimination (Quarter-Finals) and the four successful teams would then advance to the semis. "Harkins Heroines" (No relation to Hogan's Heroes) outdoor team was split into two teams for indoor and both teams were equally matched and played excellent soccer, and both qualified for the Quarter-finals and even the Semis.

The Red team was made up of Maureen Collins, Lisa Geveda, Jenny Hahn, Janice Lane, Debbie Luongo, Joanne Mullings, Kathy Panetta and Diana Taylor and their record in the preliminary rounds was 2 wins, two ties and a loss. This placed them 5th & in the Quarter-finals they had to meet 4th place Northport. In an exciting match, Hicksville Red was victorious by a 2-1 margin. This team was unlucky in that in the Semi-Finals, they drew the eventual tournament champion Massapequa who had not lost a game all day. The girls played great soccer but came out on the short end of a 2-1 match.

The Blue team, also coached by Pat Harkins, placed 6th in the preliminary rounds with a 2-2 record so had to play the second place team in the Quarter Finals. They really came on against East Meadow & battled them to a scoreless tie after regulation time. Since a winner had to be decided, the match went into overtime & Donna Berk put one in with only 4 seconds left to give Hicksville a 1-0 victory and a berth in the Semi-Finals. In the Semis, the girls met 3rd place North Babylon and the spectators were treated to another great game in which Hicksville had to again go into overtime to come out with a 2-1 victory. This time it was Kathleen Conway who put in the winning tally. The rest of the young ladies who played so well & earned the right to participate in the championship game were: Mariann Carroll, Terry Frattini, Denise Harkins, Patrice Kenny, Donna Richards and Roseann Schubert. These girls played brilliantly in the final game against an extremely strong Massapequa team and held our south shore neighbors to a single goal until the very last minute of the game when Massapequa put in two quick ones for a 3-0 victory.

The special awards in this division went to: Most Valuable Player, donated by Herb Zaretsky of Sportsline, was won by Lisa Gozley of Massapequa; the Best Defender went to Janet Roefs of North Babylon; the Best Goalkeeper was Massapequa's Janet Rode and the all-important Sportsmanship Award donated by Councilman Tom Clark) was presented to Denise Harkins of Hicksville.

In the final tournament of the season, Sheila O'Leary and Maddy Mitchell took their little ladies to Lutheran to play 5 rounds of soccer against 13 other Long Island Clubs in order to get to the 8 quarter finalists. After 5 preliminary rounds, the girls placed 4th in a field of 14 with a record of 4 wins and one loss. In the Quarter Finals, Hicksville defeated Cow Harbor by a 3-1 margin and moved on to the semis. Like the older girls, they had an unlucky draw and pulled a very strong Massapequa team in the first Semi-final. The match was a real thriller and the girls really showed their competitiveness and never gave up, but lost the game 2-0. All of Hicksville is very proud of this team which did an outstanding job: Lisa Burke, Tina Detone, Joanne Lazarides, Carolyn McQuade, Susan Mitchell, Dominique Missimo, Kelly O'Leary, Tanya Pfeffer and Erin O'Leary who made many, many great saves as the Hicksville goalkeeper for the week-end.

Massapequa defeated Northport in the Final game 3-1 and the special awards went to: MVP was Jean Varas of Massapequa; Best Defender was Lynette Wahl of Massapequa; Best Goalkeeper was Maureen Casey of Northport and the Sportsmanship Award went to Shannon Dougherty of West Islip.

No Increase In TOB Pool Fees Since '74

Oyster Bay Town Supervisor Joseph Colby recently announced that the schedule of pool fees for summer 1978 reflects no increase over the 1974 level.

Resulting primarily from the careful supervision and management of our pools by the Department of Parks and Recreation, the Town has found it possible to offer pool memberships at the same rate for the fifth consecutive year," Colby stated. "With the cost of just about everything else steadily increasing, we are particularly pleased that we have been able to hold-the-line on these fees."

Colby explained that one of the factors in keeping the pool fees down was that for the 4th year the pools will open about three weeks after the traditional opening date

of Memorial Day weekend. "All community park pools in the Town of Oyster Bay will open on Saturday, June 17," he stated. "Daily hours will be 9 AM to 6 PM between opening day and June 30, and 9 AM to 9 PM beginning July 1 and continuing through the end of the season, Monday, September 4."

He noted that special rates will again be extended to senior citizens over the age of 62 and their spouses. Membership will be \$15 for seniors living within the community park district and \$20 for non-district residents.

Applications for passes are expected to be mailed to park district residents early in April. Applications for Town residents not residing in the park district

may be obtained at the community parks after May 15.

For further information on pool passes and fees, contact the Department of Parks and Recreation at 433-8020.

Tennis Instructions

Love is great except when it's your score in tennis. If that's the kind of love you can do without, register for free tennis instruction being offered to Oyster Bay Town residents.

Town Councilman Salvatore R. Mosca announced that registration will begin Monday, March 27, for an eight-week course sponsored by the Department of Parks and Recreation. Classes will be held at the Bethpage, Plainview-Old Bethpage and Syosset-Woodbury community parks for residents of the park districts.

Instructions will be given on beginner and intermediate levels. Four 1-hour classes will be held at each park beginning at 9 AM, 10 AM, 11 AM and noon on assigned days. Students must supply their own racquets, sneakers and balls.

Starting dates for the classes will be as follows:
 Syosset-Woodbury - Monday, April 24.
 Plainview-Old Bethpage - Tuesday, April 25.
 Bethpage - Wednesday, April 26.

Classes will be formed as applications are received so students are urged to register early. Applications may be obtained at the manager's office of the participating parks and at the Parks and Recreation Department Office, 800 South Oyster Bay Road, Hicksville. They should be returned no later than Friday, April 4.

For further information, call 433-8810.

THEY STICK WITH TOB ICE HOCKEY: Oyster Bay Town Councilmen Thomas L. Clark (left) and Gregory W. Carman (right) were on hand at the Tobay Ice Hockey Awards night to present trophies. Receiving

trophies for contributions in their respective divisions were Soh Kumagai, age 9 (Squirt Division), of Old Bethpage, and 7-year old David Penna (Mite Division) of Hicksville.

Operation VFW

By Lou Palladino

You already know about our employment agency, what you probably don't know is the agency must be voted on every year to keep it in existence. Between Joe Normandy, Joe Gilligan, Ronnie Maraldo, plus the others working it have been doing a fabulous job. To the credit of our Commander Vinnie

Edwards, he dug into it, so when Joe or Ron explained something to him, he knew what they were talking about. You must realize we are the only Post in New York State that has a deal of this kind. I think there are only three Posts in the entire Country. Our program which has received a roaring approval from the Nat.

V.F.W., our Congressman, and even our Nassau County Executive, has been side-tracked. For what ever reason?

It still amazes me what a tremendous project this is in the hamlet of Hicksville. Any Veteran in Hicksville or the vicinity, looking for employment, come and see us. We think we can be of assistance to you.

Enough about that, we will be having a Hawaiian Luau, it will be held on April 15th. Ticket chairman is Max Bergsohn, co-chaired by Frank Lotti. Price of a ticket is \$15.00 per person. This includes food, band, refreshments, plus Hula Dancers thrown in for good measure. We had a Luau two years ago, and it was fantastic, if it's half as good this

AMENDMENTS TO THE CODE OF ORDINANCES OF THE TOWN OF OYSTER BAY (MOTOR VEHICLES AND TRAFFIC)

BE IT ORDAINED, by the Town Board of the Town of Oyster Bay, County of Nassau, State of New York, that the Code of Ordinances of the Town of Oyster Bay, New York, adopted October 5, 1971, as amended, be and the same is amended, as follows:

That the following locations be added to SECTION 17-25 of the said Code establishing thereunder the following intersections as STOP intersections and stop signs shall be erected at appropriate places facing traffic on the stop street. All traffic on a stop street approaching a through street from either direction, unless otherwise designated, shall come to a full stop before entering the through street.

GLEN HEAD THROUGH STREET STOP STREET
 GLEN HEAD ROAD HILLSIDE AVE., southbound

That the following location be DELETED from SECTION 17-25 of the said Code:

GLEN HEAD THROUGH STREET STOP STREET
 GLEN HEAD ROAD HILLSIDE AVE., eastbound

That the following locations be added to SECTION 17-152 of the said Code establishing NO STOPPING ZONES, which shall be applicable:

time, it will be great. So if you're interested in tickets see Max or Frank, get your tickets while you can.

This is a morbid subject, but a very important one. Our

Congressman Norman Lent started action on the cemeteries, and suddenly they found enough room in Pinelawn to hold out until Calverton is opened. What a little pressure will do.

Warning To Local Residents

During the past week, a report that a man in his 50's, with a uniform hat and blue coat, and a stocky build, was seen soliciting funds. He identified himself as a fireman collecting for the Annual Fund Drive.

Local Fire Dept. caution their residents there is no door to door collection by any Fire Department going on now.

All firefighters in the local area

have identification cards with their picture on it. If anyone approaches you, ask to see identification.

Please report any unauthorized persons representing the Fire Dept. to the Police or the Fire Dept. If you have given anyone money during the past few weeks, please contact your local Fire Dept.

Easter Lily Exhibit

The annual Easter Lily exhibit at Planting Fields Arboretum, Oyster Bay, beginning Palm Sunday, March 19, will be a colorful prelude to spring. The Long Island State Park and Recreation Commission feels certain the lilies will be at peak of perfection for Easter Sunday, March 26, and will continue in fine bloom well past that day.

Along with the Easter Lily arrangement in the Main greenhouse, there will be masses of pink, white and blue Hydrangeas, Delphinium, Foxglove, Ciner-

arias, Calceolarias and Schizanthus. In other sections of the Main greenhouse, the orchid collection is blooming profusely with great numbers of different species of unique and beautiful orchids in flower.

Visiting hours in the greenhouses are from 10:00 a.m. to 4:30 p.m. daily. Weekends and holidays there is an admission charge of \$1.50 per person. Children under 12 are admitted free. Ample parking is available near the conservatory.

**We're the neighborhood bank
that lets you be a big spender.**

We're the bank worth looking for.

Eastern's Free and Easy Checking puts cash in your hand when there's none in your pocket.

You can use it freely—because it's free. You'll be kept supplied with blank checks imprinted with your name—free of charge. And there's no per-check charge, no matter how many—or how few—you write. There's no monthly maintenance fee, either. You don't even have to maintain a minimum balance in your account.

In fact, if you qualify, you can even write checks for more than your balance. Up to \$1,000 more! We call it Cash Reserve Checking. You'll call it a godsend if you ever need extra money fast. And you also get life insurance to

cover the amount of the loan.

It's easy to arrange for Free and Easy Checking. The only requirement is that you have an Eastern Savings Account. And that's easy to arrange, too. Just stop by your neighborhood Eastern branch first chance you get. We'll help you write your own ticket.

After all, that's what neighbors are for.

**Free and Easy Checking...
another reason why it's great to be an Easterner.**
