## Hicksville Community Council Hears Library Budget

By Carole Wolf

The April Community Council meeting was full of facts and figures. Ken Barnes, Director of the Hicksville Public Library, gave us the final line of the Library Budget of 1978-79, which will be voted on April 19th, and Arthur Patterino and Tom Clark showed us the models and figures for the proposed Hicksville Parks, which will have May 4th as its voting day.

As the meeting opened, everyone in the room was glancing through a copy of the Proposed Budget and the Annual Report of the Library. On page 2, the proposed net budget is \$678,359.98 with an estimated tax rate of .599 per \$100 of assessed valuation.

Ken Barnes said that the Library is one of the most versatile organizations, for it offers materials to the student, the housewife, hobbyists and teachers. The Hicksville Public Library also offers Career Counseling, Income Tax Advice, and books to the homebound. The Library will film proceedings of important meetings, including the Community Council, Library Board, School Board, and Town of Oyster Bay meetings. Already in its archives are 35 oral history tapes of Hicksville's history.

Returning to the budget, Mr. Barnes broke each category down for explanation. The amount set aside for books has been increased \$4,000 to \$84,000, for the average cost of a book went from \$6.90 to \$7.22. Hicksville has one of the largest collections on the Island. Periodicals and films were reduced \$3,000 for the majority of periodicals have already been microfilmed. Records and tapes remain the same at \$7,000. There is an astounding amount of educational material on records and tapes; there are four albums of tapes from the 30's, 40's, 50's, and 60's covering the social events of the times. In these albums are a great deal of information on the presidents and it contains the actual speeches of Presidents from Hoover on.

Under the section, Operation of the Library, supplies including office supplies rose \$500 and

insurance went up \$1,000. Utilities went up \$5,000, but we all face the rising cost of heat and electricity, even in our homes. And the codes Building and Maintenance, Furniture and Equipment, Special Programs and Public Information, Professional Activities, and Legal Fees remain the same.

The main increase is in the salaries, for as Ken Barnes says, "Salaries do go up...the cost of living goes up." The contract calls for an increase of 8 percent for the next two years. For the Library is open during the week from 10 to 9, all day Saturday, and on Sundays from 1 to 5. Ken Barnes concluded by saying that the Trustees of the Library are willing to speak on the budget, at any meeting within the community.

As the meeting opened up to questions, Mr. Barnes was asked, "What is the tax rate this year?" At present we are paying 55 cents per \$100. The State Aid is \$100, the same for this year and next year. The Nassau County Library System process all our books and they are also state supported.

"Is return of the books a great

problem? Most of the books show up eventually. No-Go has cut down enormously on theft.

"Who does the Career Counselor see?" The Career Counselor interviews students and adults on Wednesday and Thursday evenings and 5 hours on Saturday. An appointment is necessary. There was a backlog from last year and she is trying to see everyone that she can. She is a trained counselor and has worked for Manpower as a professional counselor.

"What happens to the outdated library books?" The Friends of the Library hold two annual book sales in February and September and all discarded books are given to them for sale. The cost is 15 cents or two for 25 cents and the money that is obtained goes to the Friends. Dick Evers commented that the sales give a person a chance to build a personal library.

In order to vote in the Library election on April 19th you must have voted in the last two years in a local or national election. Voting is in various schools. (Next week: Arthur Patterino and Tom Clark on the parks.)

"The Town Attorney's office was informed of this ruling only this past week," Councilman Clark explained, "and I want to urge every qualified resident to register before the deadline of April 21." In order to register, a person must be 18 years of age or older by May 4, a United States citizen, a resident of the Hicksville Park District (the same as the Hicksville School District), and a resident of Nassau County for at least 30 days preceding the special election.

## Concert At Holy Trinity

In celebration of the upcoming Consecration of Holy Trinity Episcopal Church, Hicksville, by The Right Reverend Robert C. Witcher, Mary Homer, a member of Holy Trinity Church, will be presented in a recital in the Church on Sunday, April 23 at 5:00 P.M.

Mrs. Homer's interest in singing began in her childhood. She studied voice at the Brooklyn Academy of Music and subsequently studied under Lorraine Blackman and Diana Billings. She has sung in recitals in New York City, Long Island, New Jersey, Massachusetts and most recently in Williamsburg, Virginia. Mrs. Homer has been guest soloist for many civic and professional groups including the Negro Business & Professional Women's Club of Central Nassau and for a reception honoring Foster parents sponsored by the Nassau County Department of Welfare. Her accompanist will be Dorris Nesbitt who has studied music at Brooklyn College and Manhattan School of Music and continued her organ studies under various coaches. She has for many years been organist at the Bethesda Baptist Church, Brooklyn, where she also directs five choirs and where her hus-

are available at the Town Clerk's office in Town Hall, Oyster Bay, and at the Town Hall Annex in Hicksville. Completed forms must be mailed in time to be received by the Board of Elections on or before April 21.

Clark also announced that the Hicksville High School Auditorium has been reserved for an informational meeting by the Hicksville Community Park Task Force to describe in detail its proposal, which is the subject of the May 4 referendum. The meeting is scheduled for Tuesday, April 25, at 8 P.M.

"It is important that the people have a full understanding of all aspects of this proposal so that the results of the referendum will be a true reflection of the desires of the community," Clark said.

The Councilman is continuing to meet with local community organizations on request to discuss the park proposal. Upcoming dates include the Jericho Gardens Civic Association on April 17 and the Galileo Lodge, Sons of Italy, on April 27.

band, The Rev. Dr. Charles E. Nesbitt, Sr. is Pastor.

The recital will include both sacred and secular music. The public is particularly invited to this recital and to join with the members of Holy Trinity Episcopal Church in celebrating the Consecration of their Church building.

In addition to the recital on April 23, a whole series of events is being planned by the Consecration Committee under the supervision of The Rev. Dominic K. Ciannella, Parish Priest. Since the Church serves the community these events are publicly offered and it is anticipated that many community members will participate. Of a special interest will be a Tour of the Scriptures, led by The Right Reverend Jonathan G. Sherman, most recently retired Bishop of the Diocese of Long Island. Bishop Sherman will lead an exciting adventure into St. Paul's Epistle to the Romans on the five Tuesdays in May: 2, 9, 16, 23 and 30 at Holy Trinity Church, Hicksville, from 8 to 9:30 P.M. with refreshments following. Bishop Sherman has specialized in scriptural studies and continues as Professor of New Testament Literature and Language at the George Mercer, Jr. Memorial School of Theology, Garden City.

## Soccer Club News

In the opening week of the Spring Season, the club enjoyed a tremendous start with 14 wins, 3 losses and 5 ties. It will be difficult if not impossible to keep up that kind of pace and the record will even out in future weeks but the 22 traveling teams will surely be giving it their best shot. The second week saw all teams out there again in beautiful sunny weather but with strong, blistering winds.

### BOYS U / 13 TIE

Coach Pat McHugh took his boys out east to Northport for their 2nd league game and could only pick up one point in the standings with a 1-1 tie. In the first half and with a strong wind behind them, the boys were lackadaisical & did not play anywhere near their potential. A defensive lapse mid-way through the half gave Northport a 1-0 lead at the break. The boys really came alive in the second half against the wind and kept pounding at the Northport net but to no avail. They moved the ball well, worked together and had many shots that just missed. Right fullback Vinny Christiano played a great game and led the charge by getting the ball, moving it upfield and feeding the front line. Excellent performances were also put forth by left fullback Cliff Feldman & Bobby Cullen at center full. John Mitchell with great speed at right wing and Bobby Andrus with his tricks in the middle made a lot of things happen in the 2nd half but the team couldn't produce a score. Late in the game, goalkeeper Robby Pearce sparked the team on several occasions by coming 40 yards out of the net to hit the ball back into Northport

### East Is East . . .

If you can't make a trip to the Near East, do the next best thing and take a trip to Mr. Savalas' 3rd grade class at Lee Avenue. There your eyes will be treated to a panoramic mural illustrating the bazaars, the costumes, and the great pyramids. The many class projects on display are hand-made and hand-painted jewelry and pottery of the various desert lands, the Nile River and the pyramids, a miniature desert with an oasis and settlement with real sand as a prop, dozens of colored photographs of twenty Arab countries and Israel, and dolls attired in native costumes.

Mr. Savalas has extended an invitation to all the primary grades to visit his room and see the various displays, clap along

with Israel and Arab music, and witness students dressed in Arab costumes as well as everyday dress dance the Hora and an Arabic 'Tsifti Telli'. Pictured above is one of the featured dancers, Barbara Delgado.

One of the highlights of Mr. Savalas' study of the above-mentioned areas was a walking field trip to Hicksville's own Casbah, an Iranian restaurant with all the authenticity of a Near Eastern restaurant. The owner, 'Papa' Dan, treated the third graders and their parents to an array of Iranian dishes and topped off their luncheon by inviting them to dance along with him to the hypnotic strain of Arabic music.

The project will see its culmination with an open invitation to parents and friends to visit their classroom and see the dances.

## Around Our Towns

Harriet A. Maher - 433-5994  
Lynda Noeth Scotti - 796-1286

Sylvia and Sam Zinn of Plainview proudly announced that their son, Jeffrey, was married to Kathaleen Bentz of Massapequa in the Huntington Town House on April 2. The wedding party consisted of 4 bridesmaids, the maid of honor, a flower girl, 4 ushers and the best man. All the bride's attendants were her sisters with the exception of one bridesmaid who was sister of the groom and is also a professor at Colgate University. Sam Zinn, who is owner of Damian, a clothing store in the Mid-Island Shopping Plaza, Hicksville, furnished all the tuxedos that were worn by the wedding party and the fathers of the bride and groom. Jeffrey Zinn is a graduate of Hofstra University where he majored in accounting. He is currently employed by the Coffee and Sugar Exchange in the World Trade Center. Kathaleen, who is the daughter of Carol and Steve Bentz, is employed by the New York Stock Exchange as assistant to the director of the audio visual department. The newlyweds are now residing in Hicksville.

Just learned of another very happy event. Joe and Dolores Magee of Hicksville were the recipients of a surprise 25th anniversary party given by their 4 children: Michael, Maureen, Danny and Donna. Joe and Dolores planned to have the celebration of Mass at their home on their anniversary, February 14, with just the immediate family present. What a pleasant surprise when 45 people came at the behest of their children. The kids made all the arrangements for refreshments and appropriate libations to be served to the guests. What a great family. Congratulations.

Happy anniversary to Frank and Betty Jopp, Hicksville. Frank and Betty are practically

newlyweds—28 years married on April 16.

Here's a "Believe It Or Not." Sis Wesnofske of Hicksville went on a golfing jaunt with friends to Bermuda. They travelled to the sunny climes to escape Long Island's winter wrath only to encounter hail and cold, rainy weather. Sis said they were able to golf only once during their entire stay. (Maybe they used the hail stones to golf?)

Nick Caruso, who recently recovered from injuries he suffered while fighting a fire in Hicksville, is back on the job both at this office in O.T.B. and as a volunteer fireman. Nick has been elected to serve as the representative for the Tenth Judicial District Young Republicans. On June 10 Nick will represent all the clubs in both Nassau and Suffolk Counties at the New York State Convention of Young Republicans to be held in the Catskills.

Vic Ingram, a former resident of Hicksville and student of Hicksville Jr. High and Senior High, visited this past week with his aunt and uncle, Mr. and Mrs. William Maher of Hicksville, Vic, who currently resides in Portsmouth N.H., returned to attend his sister, Harriet's, wedding to Pat Piccininni. Vic is an honor student at Portsmouth Technical College in New Hampshire. He escorted Miss Karen Bristol of Portsmouth, N.H. to the wedding. Miss Bristol, also was a guest at the Maher residence.

Best wishes to Jan Hitchen who had a birthday on April 4.

## Bishop To Visit

**Bishop Silas of Amphipolis**  
On Sunday April 16, Bishop Silas of the A'Greek Orthodox Archdiocesan District of North and South America, will visit the Holy Trinity Greek Orthodox Church of Hicksville. Bishop Silas will officiate on Sunday's Divine Liturgy and will deliver the Service Sermon. The Liturgy will start at 10:30 a.m. and will be over at 12:00 noon.

This is the first time the Bishop will officiate with the Orthodox Community of Holy Trinity, since December 26, 1973, when it was officially recognized by the Greek Orthodox Archdiocese.

Presently the community owns property in the Hicksville area which is intended for the construction of its church. Since 1973 the community utilizes the facilities of the Holy Trinity Episcopal Church, located at 130 Jerusalem Ave. Hicksville, for any community projects and affairs.

The architect however has already begun working on the church drawings and the inauguration date is anticipated very soon. Rev. Fr. Vasilios Remoundos, the newly arrived pastor of Holy Trinity Greek Orthodox Church, will also participate in the Divine Liturgy of Sunday April 16th.

The Community of Holy Trinity wishes to welcome Bishop Silas and invites the public to attend

 See you there.

**Letters To The Editor**

Dear Mr. Laumann:  
 Thank you for your response to my recent letter. Unfortunately, what you think you read and what I actually wrote are quite different.

Be that as it may, you still raise a couple of interesting points. For one, I agree that the middle income and retiree home owners need a break. However, my letter never addressed the pool/park complex or home owner sewer connections. It addressed the issue of quality education.

Further, I totally agree that the School Board Trustees are a group of hard working civic-minded volunteers doing a thankless job. That does not mean that once elected, they want to operate in a vacuum. In fact, they do everything in their power to encourage us to make them aware of our views.

Obviously, you have considerably more expertise in the areas of tax preparation and economics than I do. Perhaps you could enlighten me as to what my actual contribution (in terms of tax dollars) to my children's education really is? But somehow, since you have no knowledge of my personal economic profile, your statement concerning whose picking up the tab for my children's education is reduced to bombastic babble.

Finally, Mr. Laumann, Hicksville may not be the richest community on Long Island, but it probably has more Class and Quality than any other community around. We as a hard working middle class community have taken the time to care. We have never sat back and permitted elected officials, volunteer or paid, to let Hicksville slip. The point of my letter, Mr. Laumann, was to prod the Board of Education and more importantly, my fellow taxpayers into action. Action that will not

allow the quality of our children's education to deviate from a goal of being the best district on Long Island.

Sincerely,  
 Stephen R. Katz  
 Hicksville

Dear Mrs. Noeth:  
 It is time once again to think about that remarkable building standing at 169 Jerusalem Avenue - the Hicksville Public Library. Perhaps no other taxpayer dollar is given more concrete shape than that spent for public libraries.

Our library serves the entire community, from toddlers listening raptly during "story hour," to students probing the depths of encyclopedias and reference books, to those simply seeking to enrich their minds, to those who want to read the latest bestseller, to the 20-add organizations using the library as a meeting place.

Each library is a unique reflection of the community it serves, for it is a living, dynamic place, a place where minds are stretched. It takes many people to maintain the high standards the word "library" denotes. We can be grateful in Hicksville to Mr. Kenneth Barnes, Director and to his fine staff, as well as to the dedicated Board of Trustees, who spend countless hours and set the tone for our library.

In a free society no other community resource is more necessary, where citizens can get all the facts and not have to depend on hearsay for arriving at ideas, where there is an open-door policy for the exchange of divergent views and opinions, where no one is ridiculed or excluded for different ideas.

For these and countless others, the Friends of the Hicksville

## Galileo Lodge News

By Joe Lorenzo

One of the biggest events on the Galileo Lodge's 1978 Spring Festival program is its Sixth Anniversary Celebration Dance, to be held on April 29th at the Lodge quarters. Tickets for this affair will be \$12.50 per person, featuring such highlights as unlimited liquor, hot food, commencing with a superb cocktail hour from 8:30 to 9:30 P.M. Delightful dance music will be provided by The Townsmen - a music combo that has in its repertoire music for all tastes and moods. An added note: all past officers of the Galileo Lodge during the 1977 year will be honored by having certificates of merit bestowed upon them.

The Galileo Lodge will once

again become a participant in a community-related project as it will hold, in conjunction with the Hicksville High School, an International Banquet. This affair will also be held on the Lodge premises on April 15th, and the tickets are \$5.00 per person. From 6 to 10 P.M., students of this foreign language club, interestingly enough, will cook international delicacies associated with many of the foreign countries of the world. Moreover, since these students are in complete charge of the agenda, they will also act as waiters. For an interesting affair with an international flavor, this banquet might just provide that change of pace and food - so why

not call the Lodge at 822-7472 for further information on this function and the Sixth Celebration dance mentioned above. Added note: appearing at the banquet will be 'La Tuna', a young group of musicians from the Hicksville High School who specialize in music symbolizing new and old cultures of Spain.

As we have stated many times before in this column, the Galileo Lodge will always strive to foster and perpetuate programs that are community-related. And this became more apparent at the last executive board meeting, at which time many of the members of this board stated most emphatically that the Galileo Lodge

should always involve itself in many programs that are capable of lending aid and assistance to the Hicksville community and its people, and with this thought in mind, the executive board members earnestly and vociferously pledged 100 percent support to any community-related work that would achieve this goal.

Chairpersons Joe Lappano and Rita Mannino, of the Lodge and Ladies Auxiliary, are busy completing their search for talent needed to fill the bill of entertainment for the 1978 Follies Revue, scheduled for May 18th and to be held at the Lodge quarters.

Plans for the Sixth Anniversary Celebration have been finalized. This affair will take place on April 29th. Call Chairpersons Carl Melluso and Dom Valente if you plan to attend. Dial 822-7472 for information on any of the events mentioned here. On Monday July 31st, the Galileo Lodge will present its 'Nite At The Races' at Roosevelt Raceway. For the price of \$12, which is quite reasonable, you can expect admission to the clubhouse, reserved table seating in the Cloud Casino where a fine dinner will await you.

## Spring Is Here

With the planting season upon us, ads for lawn care services abound. How to choose? Consumer Affairs Commissioner James E. Picken suggests you go beyond the ads and dig out more information before signing up. Here are some guidelines:

If the price is per square foot, how many square feet on your lawn? What will the total cost be? Are there extra charges? Put them all into the contract.

You get only what the contract states and nothing more. What was omitted? Will your lawn need more seeding or feeding than the package includes? What will that cost? What about the quality of seed and chemicals used?

Proper watering is necessary to establish a lawn. Be sure to keep a record of each time you water and for how long. If problems arise most firms will claim lack of proper watering caused the unsatisfactory lawn.

Many consumers complain to the Office of Consumer Affairs

that the workers came but did nothing. Try to get them to come when you or a neighbor can watch.

Be aware that an advertised "money back guarantee" usually pertains to the last application only and not to the total contract. Some firms will push a free application rather than a refund.

What do they really promise—to relieve you of work or to give you a beautiful lawn? Will you see results immediately, in the fall, or only after two consecutive years with the same company?

You can't expect miracles if your lawn was not good to start with. However, according to Richard Weir, Agricultural Agent of Nassau County Cooperative Extension, a lawn should be visibly improved by September or October if the company has done what it was supposed to do.

"Ask if they are enrolled in Cooperative Extension's Commercial Program to keep up with

the newest recommendations for good lawn care," he suggests.

Commissioner Picken says shop around. Within each franchise operation some services do a better job and cooperate more readily in resolving complaints than others, he reports.

His best advice: "Get recommendations from friends or neighbors. Reputable businesses rely on these word-of-mouth referrals."

If you have a question about a contract or service, Consumer Affairs is here to help. Call 535-3100.

## Adopted State Budget Cuts Taxes, Provides Aid

Assemblyman Lewis J. Yevoli (D-10th-Old Bethpage) successfully worked for passage of the \$11.957 billion state budget containing tax cuts of more than \$755 million, the largest in the state's history, guaranteeing the current level of school aid during the coming year and insuring that state agencies concerned with human services will continue to be properly funded.

"The legislature has charted a program of sound fiscal management that has enabled it to adopt, for the second year, cuts in the income and sales tax," said Assemblyman Yevoli. "During the past four years the current administration has kept budget increases down to 3.3 percent per year contrasted to the 11 percent rise of the Rockefeller-Wilson years. The continued containment in the growth of the state budget is a major reason why our state taxes can be cut and the general economic climate is improving."

The adopted budget provides for a \$525 million cut in personal income taxes with a \$230 million reduction in business taxes. In addition, the state's sales tax on home heating fuels will be cut from 4 percent to 2 percent over the next three years, providing an additional saving of \$25-\$35 for the average family. The budget will also make it possible for a "circuit breaker" to be applied on property taxes with lowest income senior citizens obtaining a tax break of up to \$200 and lower income younger persons receiving a credit of \$20.

"Much of the earlier apprehension concerning aid to education was allayed during our negotiations with the Governor's staff. Save harmless is continued thus insuring that no school district will incur a cut in state aid. The adopted budget actually provides an additional \$230 million in state aid with Nassau County school districts due to receive an additional \$2.9 million in operating aid." School districts will continue to receive a 90 percent state transportation aid allowance, in certain instances foundation aid will increase from the current \$1,400 per pupil to \$1,500 and high school weighting of 1.25 percent

will continue. An additional weighting of .15 will also be given for high school students in need of special education.

Abolition of the Jones Beach State Parkway Authority and the discontinuance of the Southern State Parkway tolls, the Loop Parkway tolls and the elimination of off-season entrance fees to Jones Beach State Park is of special interest to Long Island residents.

Continued Assemblyman Yevoli. "The Governor is to be commended for his efforts and ability to bring fiscal stability to our state. Hopefully, local government will follow the example of Governor Carey, keep the costs of government in check and begin to cut the oppressive tax burden that has led to economic stagnation. During the past two years the residents and businesses of our state have seen their taxes cut by just under \$1 billion.

The adopted budget insures the continuation of proven services designated to meet the needs of our senior citizens, youth related services and programs such as day care centers, drug prevention and alcohol rehabilitation. It further provides an additional \$8.7 million for higher education through the T.A.P. (Tuition Assistance Program) with a maximum of \$1,800 available to all eligible college students.

Nassau taxpayers will also benefit from state assistance being given to local government in the form \$24.5 million in federal revenue funds, an increase in the state's share of Nassau's sewage operation and maintenance costs and an increase in the state's share of court costs.

"The billion dollar a year increases in the state budget are a thing of the past and as a result we have been able to cut the state tax burden. The 1978-79 State Budget offers the hardpressed taxpayers a much deserved reduction in taxes, continues those programs and aid formulas which are vital to our fiscal well-being and the state's economic climate," concluded Assemblyman Yevoli.

# Holy Family Hockey Club

By Joan Rolston

We're still chuckling over the PeeWee Father / Son game held March 31st at Skateland. The Sons, with some good coaching by Lorraine Toscano, won 4-1 despite their Fathers' perseverance. Mike Bonasia scored the only goal for the Fathers and Frank Hastie scored on a penalty shot for the Sons. The impartial refs, Gail Zaino, Joanne Bonasia and Barbara Krawchuk, wives and mothers of the players, kept the game moving. When Bernie Rolston for the Fathers came out

on the ice with his "secret weapon" (two hockey sticks taped together), Lorraine Toscano, the boys' coach went on record and demanded an official measurement of the stick, which proved to be twelve feet in length. Nunzio Martino provided the coaching for the Fathers and Neil Traenkle and George Kayaian both did good jobs in goal. Along with the horseplay, some excellent skating by Dick Brown, Gene Krawchuk, Paul Wenzel and especially Sam Toscano, Mike Zaino's grandfather, proved that a skill such as skating is never

lost.

The Squirts lost to Ramapo 7-2 on March 25th, with both our goals scored by Kevin Rich. Some hard-hitting was turned in by Todd Trawnick and Nunzio Martino, and good defense by Pat Ryan and George Bub, and the goaltending of William Kayaian kept the score down. Ricky Gross played his usual outstanding game.

The Spring/Summer Clinic has started and registrations will be accepted thru the end of April only. The Club's Spaghetti Dinner is planned for Sunday, April 23rd at Holy Family School - Don't miss it. Call GE 3-0807 for information.

## AROUND OUR TOWNS (Continued from Page 4)

There were birthday celebrations at the home of Barbara and Frank DeStefano recently. Their daughter, Renee was a year old on February 14; and their son, Frank, Jr., was 2 years old on March 27.

Christopher Hoe, 11-year-old son of Bob and Maria Hoe, is a member of The Bulls, a CYO basketball team. The Bulls of Hicksville just won the CYO Championship in Basketball. Christopher and the rest of The Bulls are jubilant.

Hicksville Water Commissioner Sam Weiss has recovered from his recent illness. Sam thanks his many friends for their cards, calls and expressions of best wishes during his stay in the hospital.

Eileen Bode, of St. Ignatius Loyala Church, Hicksville, will be awarded the Marian Medal for Cadettes and Seniors, the highest national award for Catholic girls in scouting, at the 21st Annual Girl Scout Convocation to be held at 3 p.m. Sunday, April 30, in St. Agnes Cathedral, Rockville Centre. Auxiliary Bishop Gerald J. Ryan will preside.

### SOCCER NEWS (Continued from Page 3)

territory. With less than a minute to play in the game, center half Steve Dolan carried the ball from his own 20, went around one defender & pushed the ball out to left wing Adrian Pepi. Dolan streaked past another defender and received a beautiful return pass from Pepi and slammed it in from 20 yards out. Coach McHugh is hoping that 2nd half of play is a good omen; in two games the boys have scored only three times and they've got to score some goals as in 3 weeks they have to meet Huntington and Massapequa back to back.

#### BOYS U / 11

The 1967 team, coached by Harry Habersaat, just couldn't put it together this week after their long trip out to Hauppauge & came out on the short end of a 6-1 game. Hicksville scored first with the wind but couldn't build and hold momentum against a very strong Hauppauge team. Assistant coach Walt Karlewicz noted that the team held together well under such adverse conditions and will regroup at their next practice: M. Bell, D. Berkowitz, S. Brice, F. Christiano, R. Cunningham, G. Dolan, S. Fraser, M. Habersaat,

R. Karlewicz, F. Kolovich, T. Levy, S. Masiello, F. Musumeci and D. Spadero.

#### GIRLS U / 14

Pat Harkins' under 14 girls won their first game over Northport by a 3-0 score and lost their second match to East Meadow 2-0 in a tough, physical match. In the first game, the girls played excellent soccer and worked together as a unit to produce 3 goals (two by Maureen Collins and one by Denise Harkins). Diane Taylor and Debbie Luongo provided a lot of help controlling the mid-field and feeding the ball to the front line strikers Roseann Schubert, Lisa Geveda, Kathy Conway, and Jenny Hahn. Preserving the shutout for goalkeepers Donna Berk & Terry Frattini were the fullbacks Maryann Carroll, Patrice Kenny, Judy Laurelton, Janice Lane & Donna Richards. In the second game, the girls couldn't get their game going due to the rough, physical play of their opponent and were forced into a couple of mistakes but gained some good experience. Patrice Kenny received a wrist injury which we all hope mends quickly. Next week, the girls will take on another Northport team.

Library urge you to remember your Library and vote YES on Wednesday, April 19.

For your convenience the polls will be open from noon to 10 p.m. See you at the Library.

Sincerely yours,  
s/ Joan Jones, President  
Friends of the

To the Editor:

Permit me to address the dissidents of Hicksville (you know who you are), for it is their kind of thinking that has made this

community stagnant. It would appear that, if a proposal to close the schools were put before them, they would vote, "Yes", because they are not making use of the schools. Apparently they have lost sight of the fact that there are other residents in this community besides themselves.

Hicksville needs a shot of adrenaline. The proposed Community Park Complex might help to provide it.

Sure it's an expense, but it's putting our money in the right place -- into our own community -- for the benefit of the community as a whole. We're already paying taxes for spots of greenery here

and there. Why not spend another dollar or two a month for a park which will increase our property values and be an asset to the community? Our neighbors in Bethpage have handled the expense of their community park for a number of years now. What are we, their poor cousins?

Hicksville residents should be grateful for the concern and efforts of the Park Task Force. The proposed Park Complex offers a variety of sorely needed facilities. Why shouldn't we move to meet the needs of our people and better our community? It's 1978, friends, not 1938.

Very truly yours,  
s/ William R. Thomas

There has recently been a few highly negative letters on the proposed Hicksville Park Complex and I would like to give my opinion. I believe this project is one of the truly greatest things that has ever happened to our town. For once it is something for Hicksville itself; not just the Island, the county or the Town. The Park Complex is a golden opportunity to obtain something beautiful for ALL our residents; our senior citizens as well as our young people. There will be facilities and programs for all ages, not just a few. It will be OURS, in our own community, for our own residents. We are paying taxes now for everything else all over the country, the state and Long Island; let's spend some money for ourselves, for something we can call our own, for something that will make our community more beautiful and for something that we all can use and will increase our property values.

The Island is growing and Hicksville is growing; we must act now as there isn't that much ground left and if we wait another 10 years, there will be no place left to build and most important - it will be many times more expensive. The Park will be a beautiful landmark right here in the hub of the Island, serving Hicksville residents. If anyone is interested in helping to get this tremendous project moving, please come forward.

Sincerely,  
s/ Peter C. Collins,  
Hicksville Park Task Force and  
POOL PUSHER
