School Board Meeting

The next regular meeting of the Hicksville Board of Education will be held on Wednesday, April 26, at 8:15 P.M., in the Conference Room at the Administration Building, Division Avenue, Hicksville. The public is invited to attend.

Gardiner and Anne Gregory finish the planting of a white fir tree donated in their name to the Gregory Museum by the Hicksville Garden Club. The couple was honored on Saturday,

April 15th, by an assembly of club members and friends at the Museum, prior to the Gregorys' departure for their new home in Maine. Mr. Gregory organized the Garden Club in 1974.

HERE'S THE PLAN: Oyster Bay Town Councilman Thomas L. Clark (left) and two members of the Hicksville Community Park Task Force, Bill Thomas (second from left) and Bill Henne, show off plans for the proposed community park in

preparation for two community meetings next week. The first meeting will be held on Tuesday, April 25, at the Hicksville Senior High School beginning at 8 P.M. The second will be on Thursday, April 27, at the Galileo Galilei Lodge beginning at 8:30 P.M. Councilman Clark will chair both

meetings which will explore all aspects of the park plan. These will be the last two community-wide meetings before the May 4 vote. All those living in the Hicksville School District who are registered to vote in general elections are eligible to vote in the park referendum.

Facts and Figures About The Proposed Parks Complex

By Carol Wolf

Part Two Of A Two Part Series

At the Hicksville Community Council meeting in April, we heard Arthur Petterino describe the physical aspects of the Park-Pool complex and Tom Clark give details about the costs.

Arthur Petterino began his talk by showing us a model of the proposed pool complex designed for the Lee Avenue parcel. He mentioned that the Aquatics Center for the Hicksville Parks must be dedicated to the special needs of Hicksville. To be situated on 7½ acres surrounded by residences, the Aquatic Center is relatively low - 25 to 27 feet. The Building would be designed to use the sun most efficiently. There will be solar collectors to heat the water, which will cut out at least 25% of the fuel bill. The doors around the pool will open up during the summer on the South Side. Within the building there would be an indoor pool, lockers, a gym and multi-use rooms. The second floor would house the arts, crafts and game rooms. The 75 foot pool would have six lanes and a diving well, and a deck fully surrounding the pool. A gallery would be suspended on the second floor for observation. There would be facilities to enable the handicapped to enter the second floor.

Outdoors, there would be a fully olympic size pool, an instructional pool, a splash pool, 4 tennis courts, a picnic area, horseshoes and shuffleboard.

There would be 4 pools and the indoor one could hold 250 people comfortably at one time. 500 lockers will be available - 300 for men and 200 for women. The complex is attempting to provide for the social, sports, aquatic and health needs of the community.

Mr. Petterino mentioned that it costs more to put in the solar collectors, but it will pay for itself

in 5 to 7 years. There would be parking for 100 and if there is an average of 3 per car, it would allow 420 people to use the complex without an overflow to the street. But, Mr. Petterino stressed that many mothers will be dropping car-loads off and would not remain to occupy a parking space. Someone from the audience also mentioned that parking around the Levittown pools is never crowded. At pools, also, there is a large turnover.

The meeting then was opened to questions and answers. Will the roof be strong enough to withstand snow? The question got a chuckle from the audience and the answer was yes.

Q. Wouldn't it be cheaper to build one pool with a removable cover for summer swimming?

(A) The removable cover is very expensive and would cost as much as 2 pools, and the indoor pool services everyone on a cold or rainy day, it was explained.

(Q) Isn't this pool duplicating Canteague?

(A) Canteague Park, open to

all County Residents, provides swimming 3 months of the year, while this Aquatic Center provides swimming year round, and also gives the people of Hicksville the opportunity to have a gym, multi-purpose and craft rooms, and a center for Senior Citizens.

Tom Clark then took the podium and mentioned that the Town has not asked residents to vote either for or against the pool, but just to vote. Everyone within the boundaries of the Hicksville School district is eligible to vote (as long as you are registered by April 23rd). This vote comes down to a local level and lets you decide whether you want or don't want this kind of a park.

The total assessed valuation of Hicksville is \$117,000,000 which co-incides with the school district figure. The annual bond redemption cost is \$379,365 and there are 10, 20 and 30 year bonds. Adding on the present interest rate of 5.74 (current Town Bonds) the total cost plus interest would

"The World We Know" was presented by fourth graders at Fork Lane School last week in celebration of Earth Day and the 25th Anniversary of Fork Lane. The musical, with text music and lyrics by Mrs. Mary Ann Muddanti, Fork Lane music teacher, featured Litterbug Louis, Patti

Paper and Freddie Forest. Millie Microphone introduced the six acts.

Fourth grade teachers Mrs. Irwin, Mrs. Mitchell and Mrs. Smith directed the musical and the scenery and paper costumes were done by art teacher Mrs. Grigg.

FISH Wants To Spread Network Of Help

FISH groups, dedicated to helping neighbors in their own communities, need to help each other, too.

loosely structured organization, decided they could better serve the increased needs of their neighbors through improved coordination with outside groups as well as other FISH units.

That point came out of a recent Long Island-wide meeting of FISH, an acronym for Friends in Service and Help, in Catholic Charities' Bi-County Center in Amityville. The session, attended by more than 60 representatives from 18 towns in Nassau and Suffolk, was the first held by the volunteer emergency aid group in two years.

The need for a greater degree of interdependency was pointed up by this past winter's severe weather and the resulting food shortages. One of the representatives voiced a common frustration: her group's inability to fill all the requests for food. Cooperation with other community groups was an answer. Babylon FISH worked with the Salvation Army to coordinate food pantries and distribute food baskets. In Sayville, FISH's allotment of 25 per cent of the monthly food collection at St. Lawrence Catholic Church helped. Someone suggested the scouts as a source of future food drives.

Currently, there are some 2,000 FISH members in 30 Long Island communities. Simply, their mission is to be a good neighbor in whatever way possible. They provide transportation, baby-sit, read to blind persons, visit the elderly, provide information about community resources and offer a variety of other services on a round-the-clock basis. Nondenominational, the group uses a cross and the star of David as part of the FISH symbol.

Also discussed were ways of attracting more volunteers. Recruitment improved, it was decided, when prospective volunteers were asked to respond to a particular situation rather

At the meeting, which was hosted by the Merrick group, members of FISH, traditionally a

than to serve on a general basis. Another topic at the session was fund-raising. FISH doesn't charge for the help it provides, but it does incur expenses, primarily the cost of a 24-hour telephone answering service, the contact between the person needing help and a FISH volunteer. To help meet this cost, units planned to encourage financial support from fraternal organizations, bowling leagues and other groups in the community. To offset what some members feel is their "do-gooder" image, it was suggested that units publicize the true nature of their work by sponsoring essay contests on "What FISH Can Do for Your Community".

Started in England, the FISH movement was introduced to this country in 1964 and to Long Island four years later. Its growth and ecumenism were promoted by the Rev. Robert Emmet Fagan, diocesan director of Catholic Charities of the Diocese of Rockville Centre, and an agency staff member, Sr. Loyola, C.S.J., acts as consultant to the group.

Dear Friends:

Last week we were on our semi-annual visit to Seattle, Washington, that beautiful city on Puget Sound where my older sister has spent much of her life. Except that we do not have mountains, Seattle reminds me of our own Long Island. Every other person has a boat and there is much enjoyment of out-of-doors living. The City itself, is beautiful and "unlittered." Due to whatever currents exist, this area is always at least three weeks ahead of us...so, last week we enjoyed their springtime, and their trees were in bud and their daffodils and tulips were almost finished blooming...Also, we do seem to get lucky with these visits, as each day was sunny...this in an area which is said to have much rain.

In the one week in April and one in Oct., when my visits are scheduled, sunny days have been the rule with an occasional short shower the exception. If you haven't vacationed in our Pacific Northwest...you really should...it is very beautiful.

PEOPLE IN THE NEWS: TOB Councilman Ken Diamond has asked the Town Attorney to determine whether the recent policy of Cablevision of running commercials on Channel 12 is permitted under the franchise granted to this Cablevision by our Town. Mr. Diamond said that if it is found that the commercializing of the public access channels is legal, then he would expect Cablevision to use these additional revenues to renegotiate its agreement with Madison Square Garden to provide for Knicks and Rangers games or reduce the rates charged to home-owners for their services... three Syneset residents have been named by Nassau BOCES to its Citizens Advisory Council on occupational education. Reappointed to three-year terms are Bert Jablon of Miller Blvd., director of inservice education at the County Medical Center, Milton Ellis of Jarvis Ave., business consultant with the NY State Dept of Commerce and Florence Leavitt of Doone Dr., appointed to a two-year term. Ms. Leavitt is a former personnel representative at the Publishers Clearing House... TOB Supervisor Joseph Colby vacationing in California.

On Apr. 18 The Oyster Bay Town Board commenced the restructuring of the Highway Division of the Department of Public Works with the approval of revisions to the employee manning table and the necessary budget adjustments.

The new manning table takes effect on July 1; however, it is expected that it will take from four to six months to bring the workforce up to full strength. Positions that can be filled through promotions must be posted and all job titles and qualifications must be approved by the Nassau County Civil Service Commission.

The Board's action lifts the job freeze on manpower for the Highway Division, which has been in effect since 1972, and authorizes the filling of some 61 job slots through promotions and new hirings.

"The restructuring plan was begun last year at my direction by the Commissioner of Public Works and the Superintendent of Highways to develop a more cost-effective method of providing these very important services to our people," Town Supervisor Joseph Colby told us.

Also, Floyd N. York, president and chief executive officer of the Roslyn Savings Bank has been named Chairman of the Board of the trustees of this Bank... and, TOB Councilman Gregory W. Carman has announced that he is running for Congress in the third Congressional District. This seat is presently held by Dem. Congressman Jerome Ambro... AOH's star reporter, Jim Cummings, was presented with his 25-year pin on Tues., April 18th by the Joseph Barry Council Knights of Columbus. Grand Knight Steven J. Ryan made the presentation.

Mark your calendars... for on Sunday, April 30th Paddy Noonan's Band will entertain at the ever-popular Irish Pub, the Stack 'O Barley located on South Broadway in Hicksville. This promises to be a gala event.

The Nassau County Federation of Republican Women's next meeting is set for Thurs. April 27 at 1 pm at Executive Plaza, 50 Clinton Street in Hempstead, on the 7th floor. Ms. Debra Hobbs, representing Nassau County Convention and Visitors Bureau will be the program speaker. Everyone is welcome.

We wish a Happy Passover season to all our friends of the Jewish Faith.

THAT'S ALL for this week. Stay well and remember the old adage: "Your true worth is what you are worth if you lost all your money."

Letters To The Editor

To the Editor:
In re: Pool Park Complex
In reply to Mr. Wm. R. Thomas and Mr. Wm. P. Henne, I would like to state that our community has never been stagnant since its beginnings several hundred years ago. We have one of the best school systems in the county, a fine library, excellent fire department, splendid service organizations, held one of the finest bicentennial celebrations in the township and have residents of high caliber; in short, a middle class community, (the goose that lays the golden eggs). But, Gentlemen, there will come a day when the goose will stop laying the golden eggs. It will be so indebted and burdened by repayment of bonds, as well as trying to maintain the luxurious Pool Park Complex, the sewers, the higher assessments, that it will give up its struggle. No doubt the planners worked hard at formulating plans for the Pool Park; with the best intentions. However, no inflation was in sight several years ago. It's fine for the elitists in town to say: Let's go ahead and build it. How about those families who have to scrimp, where every dollar counts to send their children through school and college: How

about the Sr citizens on fixed income?
Yes, I agree with you, we are a poor cousin to Bethpage, for no giant aircraft corporation such as Grumman's settled in Hicksville, thereby absorbing a great deal of the town taxes ordinarily paid by the Bethpage homeowner. (As far as I can ascertain Grumman's paid \$9,000,000 in town taxes several years ago.) Grumman also donated the acreage for their park. Please keep your facts straight the next time, Gentlemen, when you put down our town. Furthermore, Hicksville, before the turn of the century owned two parks, one, called Fountain Park because a fountain was located there, at what is now called Fountain Street at the intersection of Heitz place.
The other park was called Reinhard's Park, on the north east corner of E. Marie Street (Plainview Road) and Park Avenue. It boasted of a picnic area, tall trees, grass, benches and a bandstand where the residents could enjoy some of the popular tunes then in vogue. However, these delightful parks had to give way to so called progress (the kind you claim is absent in our town.)

A Hicksville Homeowner and proud of it.
To The Editor:
I have been reading with interest the many recent letters concerning the proposed Hicksville Park Complex. My family and I are relatively new residents of the area having moved here two years ago.
I feel that there are two major points in the discussion. One is that any measure which will increase taxes substantially is viewed negatively by most residents. The other is that the need to preserve and develop the limited land still available for community facilities is viewed positively by most residents. These two points are not, of themselves, mutually exclusive. An acceptably balanced proposal would develop the areas involved for the present and future residents without a substantial tax increase.
From the articles I have seen concerning the proposed complex it is based on a survey taken several years ago and involved only a small percentage of the residents at that time. But the times, costs, and residents have

School Board To Purchase Excess Unemployment Insurance

By Linda Strongin
The Hicksville Board of Education has authorized the purchase of excess unemployment insurance at a cost not to exceed \$13,700. The purchase would put a cap on the limit of liability. The Board also approved the hiring of Curator Associates as unemployment insurance consultants at an annual cost of \$1,350. The consultants will analyze policies, file claims, and attend hearings, among other services. The utilization of an unemployment insurance consultant is one of the requirements for purchasing the excess unemployment insurance. Bids were to be sent out to carriers and a final award will be granted at the next business meeting.
For the first time, unemployment insurance costs will be charged to local school districts. There is however, pending legislation that would exclude from eligibility full-time clerical and custodial employees for holidays, recess periods and summer vacations if they are assured of a position after those periods. The potential eligibility of school monitors, media aides, substitute teachers and adult education instructors would not be affected by this legislation.
Under unfinished business, the Board heard Mrs. Marge Gianelli, Adult Education Director, report on the meeting of the adult education Advisory Committee concerning lowering the age for senior citizens passes from 65 to 60. Mrs. Gianelli indicated that more control was needed on the issuance of passes and suggested that the directors of the senior citizens clubs submit members names to the district clerk.
As to the current "unwritten" policy of no fee to adult education classes for senior citizens aged 65, various ideas were discussed among the Board such as last-night registration for senior citizens; charging half-price for courses, and excluding free tuition until age 65. Mrs. Gianelli reported that there are currently 45 senior citizens registered for courses.
The Board finally moved to

lower the age for a senior citizen pass from age 65 to age 60. The pass would entitle the bearer to free admission to all first night performances of school plays and concerts and to athletic contests open to the public. The new passes will conform to this amended policy. The matter of free tuition was sent back to the Adult Education Advisory Committee for more input.
Also under unfinished business, the Board discussed the request from the Hicksville Congress of Teachers for a copy of all tapes made of public board meetings under the Freedom of Information Law. Board members Bill Bennett and Dan Arena felt that further study was needed regarding the cost of duplicating the tapes.
Trustee Iris Wolfson suggested that a copy be placed in the public library for public use. She emphasized "easy access from a financial point of view." If duplicates are made in administration, the fee charged could be high because of the involvement of certified personnel.
Superintendent Fred Hill informed the Board "it was already policy" to keep a copy of the tap at the library. He then read the district policy, dated 1965., which also stated that appointments are to be made to hear the tapes; users could not duplicate or remove them; a record of uses be kept; and only Hicksville taxpayers could have access.
President Tom Nagle asked Dr. Hill for a recommendation on the matter. Also, Trustee Bill Bennett, Policy Committee Chairman, informed the Board he would submit an up-dated policy at the next board meeting for Board approval.
The Board approved the authorization to purchase new-to-district a-v materials for 1977-78 at a cost of \$7,843.15. The materials will be used in teaching such courses as consumer education (mandated by the Board); science, sociology and theater arts at both the elementary and secondary schools.
Trustee Bill Bennett was "upset" over the cost of several

of the films listed and moved to amend the original motion by deleting several of the high-cost films from the list, submitted by Asst. Supt. Dr. Clancy. There was no second to his amended motion.
President Nagle pointed out that the board "cannot decide the names of films to delete" but can only "give a dollar amount to spend."
Dr. Hill added that this was "the first aggregate order this year. It is less than \$1.00 per pupil." The national average for a-v expenditure is \$6.13 per pupil.
Film rental versus purchasing was discussed and Dr. Clancy pointed out that "we can't always get a film from the rental agency on the date preferred." By purchasing the films, courses can be more proficient in planning and utilization.
Vice President John Ayres questioned the ordering procedure. "Why wait so long in the fiscal year?" He suggested taking a closer look at the purchasing procedures and evaluating the system.
Dr. Clancy added that many times the films are "low priority items" in a principal's budget and are ordered only after other items have been received.
Trustees Pete Fujimoto and Bill Bennett reported on the National School Board Association's Convention held in Los Angeles.
"I participated in several workshops and have lots of material to share with other Board members," said Mr. Fujimoto.
Mr. Bennett stated that "school problems are the same all over the country." He thanked the taxpayers for allowing him the opportunity to attend.
In other action, the Board granted requests for sabbatical leave; approved retirements; routine expenses; and travel orders and requests; and authorized summer transportation for handicapped students.
The next Board of Education meeting is scheduled for April 26 at 8:15 p.m. in the conference room of the administration building.

Land Back On The Tax Rolls

With the final payment of \$273,236.31 the owners of the Davis Construction Corporation of Charlotte Ave., Hicksville have acquired title to the first surplus municipal land ever sold in New York State under a "lay-away plan" authorized last year by the Nassau County Board of Supervisors and the New York State Legislature. The transaction will add an estimated \$5,000 annually to the tax rolls.

In announcing completion of the \$429,879.30 deal, County Executive Francis T. Purcell hailed it as a major step in an

affirmative action plan to return surplus and unused county-owned property to the tax rolls.

"I have established a Land Review Committee to search for additional surplus properties," said Purcell, "and we are moving ahead to sell more properties and increase our sale and rental income from publically owned land that has no legitimate public use."

The Davis property, an irregular 2.75 acre parcel situated between the North Hempstead/Oyster Bay Town

line and Charlotte Ave., in Hicksville was acquired by the county in 1939 through condemnation proceedings and tax lien foreclosures. It was used as a storm basin.

The Davis', who own property adjacent to the subject parcel were successful bidders when the county auctioned off the land in March of 1977.

Under the unique new purchasing system they made an initial cash deposit of \$81,000; paid a subsequent installment of \$50,763.69; and a final payment of \$273,236.31 for a total purchase price of \$406,000. In addition they paid the county \$20,792.46 in interest between March 18, 1977 and March 30, 1978 and a \$4,066.84 payment in lieu of taxes.

"This time payment option," declared Purcell, "allows the county to reach more potential buyers and will result in more sales being made."

On June 21, 1978 the county will

hold its next sale of surplus land. Twelve parcels are available with an estimated total value of \$390,800. In addition, 112 tax lien parcels, valued at nearly \$97,000, will be on the auction block.

At The Town Board

By Gerry Kahn

The Town Board meeting held on Tuesday, April 18th concluded at 12:20.

The first item on the calendar was withdrawn by the petitioner. (Request for a special use permit to operate a Family Amusement Center in the Midlawn Shopping Center in Massapequa).

Item No. 2 was a request for a change of zone from Residential "D" to Business "F" at Hicksville. (s.w. corner Old Country Road and East Avenue).

The petitioner was represented by Anthony DeGennaro who presented a professional witness, a real estate appraiser, as part of his case.

The request would permit the construction of an office building, professional usage, rather than allow the building of three (3) one-family homes. The petition, in addition, requested that East Avenue be made into a 2-way street. Mrs. Carol Hagrash, Grace Hanbey and Irving Weinfeld were opposed to the granting.

The 3rd item on the agenda was the petition of Hess Realty Corporation for a special permit to erect, modernize and operate and maintain a gasoline service station and to install additional storage facilities at Hicksville (Route 107 between Marvin and Gerald Avenues).

John Coffey represented the petitioner and presented Mr. William Wofram, Manager of the Northeast Region Real Estate Section of Amerada Hess as an expert witness.

The Board queried Mr. Coffey on signs, hours of operation, illumination, screening and many other pertinent points.

There was no opposition to the hearing.

On the local scene, the following resolution appeared:

Item No. 6 granted permission to a resident of Plainview to have access to TOB Parklet No. P11 in order to construct a swimming pool on his property.

Item No. 7 permitted a partial

payment of the park fee on Map of Holiday Country Woods Village at Plainview.

Item No. 9 approved the request of Holy Trinity Greek Orthodox Church to use Parking Field No. 16 for a Festival and Bazaar on August 25-27 at Hicksville.

Item No. 13 related to an increase in engineering fees by consultants for Storm Drains & Appurtenances on Prince Street, Liberty, Reiter and St. John Avenues, Hicksville.

Item No. 14 approval of final acceptance on Safety Improvements on Juneau Boulevard, Woodbury.

Item No. 21 relating to Varley Homes, Inc. and Green Hill Holding Corporation for a change of zone at Woodbury was tabled.

Item No. 22 approved the amendments to the Code of Ordinances TOB relative to traffic control in Cedar Mall Shopping Center, Broadway, Jericho.

In the informal discussion that followed, a contingent of homeowners from Woodbury led by Judy Jacobs spoke before the Board relative to the Varley Homes-Green Hill application.

They recited the various detrimental overcast that would be created by the granting of the petition.

They included Mrs. Jacobs, Nina Kandel, Marilyn Schwimer, Jane Goldstein, Blanche Freidman, Lynn Anikstein & Linda Palatsch.

Bob Schmidt, the Deputy Town Supervisor indicated that Mr. Coffey, the attorney for the applicant, had appealed for a calendar date for a determination because his clients would lose their prime tenant if a determination wasn't short-coming. The calendar date was set but the Board could not make a determination at this time because of various legal technicalities that were still unanswered.

Dear Friends:

Last week we were on our semi-annual visit to Seattle, Washington, that beautiful city on Puget Sound where my older sister has spent much of her life. Except that we do not have mountains, Seattle reminds me of our own Long Island. Every other person has a boat and there is much enjoyment of out-of-doors living. The City itself, is beautiful and "unlittered." Due to whatever currents exist, this area is always at least three weeks ahead of us...so, last week we enjoyed their springtime, all their trees were in bud and their daffodils and tulips were almost finished blooming...Also, we do seem to get lucky with these visits, as each day was sunny...this in an area which is said to have much rain.

In the one week in April and one in Oct., when my visits are scheduled, sunny days have been the rule with an occasional shower except the exception. If you haven't vacationed in our Pacific Northwest...you really should...it is very beautiful.

PEOPLE IN THE NEWS: TOB Councilman Ken Diamond has asked the Town Attorney to determine whether the recent policy of Cablevision of running commercials on Channel 12 is permitted under the franchise granted to this Cablevision by our Town. Mr. Diamond said that if it is found that the commercializing of the public access channels is legal, then he would expect Cablevision to use these additional revenues to renegotiate its agreement with Madison Square Garden to provide for Knicks and Rangers games or reduce the rates charged to home-owners for their services.... three Syosset residents have been named by Nassau BOCES to its Citizens Advisory Council on occupational education. Reappointed to three-year terms are Bert Jablon of Miller Blvd., director of inservice education at the County Medical Center, Milton Ellis of Jarvis Ave., business consultant with the NY State Dept of Commerce and Florence Leavitt of Doone Dr., appointed to a two-year term. Ms. Leavitt is a former personnel representative at the Publishers Clearing House.... TOB Supervisor Joseph Colby vacationing in California.

On Apr. 18 The Oyster Bay Town Board commenced the restructuring of the Highway Division of the Department of Public Works with the approval of revisions to the employee manning table and the necessary budget adjustments.

The new manning table takes effect on July 1; however, it is expected that it will take from four to six months to bring the workforce up to full strength. Positions that can be filled through promotions must be posted and all job titles and qualifications must be approved by the Nassau County Civil Service Commission.

The Board's action lifts the job freeze on manpower for the Highway Division, which has been in effect since 1972, and authorizes the filling of some 61 job slots through promotions and new hirings.

"The restructuring plan was begun last year at my direction by the Commissioner of Public Works and the Superintendent of Highways to develop a more cost-effective method of providing these very important services to our people," Town Supervisor Joseph Colby told us.

Also, Floyd N. York, president and chief executive officer of the Roslyn Savings Bank has been named Chairman of the Board of the trustees of this Bank.... and, TOB Councilman Gregory W. Carman has announced that he is running for Congress in the third Congressional District. This seat is presently held by Dem. Congressman Jerome Ambro.... AOH's star reporter, Jim Cummings, was presented with his 25-year pin on Tues., April 18th by the Joseph Barry Council Knights of Columbus. Grand Knight Steven J. Ryan made the presentation.

Mark your calendars... for on Sunday, April 30th Paddy Noonan's Band will entertain at the ever-popular Irish Pub, the Stack 'O Barley located on South Broadway in Hicksville. This promises to be a gala event.

The Nassau County Federation of Republican Women's next meeting is set for Thurs. April 27 at 1 pm at Executive Plaza, 50 Clinton Street in Hempstead, on the 7th floor. Ms. Debra Hobbs, representing Nassau County Convention and Visitors Bureau will be the program speaker. Everyone is welcome.

We wish a Happy Passover season to all our friends of the Jewish Faith.

THAT'S ALL for this week. Stay well and remember the old adage: "Your true worth is what you are worth if you lost all your money."

Letters To The Editor

To the Editor:
In re: Pool Park Complex
In reply to Mr. Wm. R. Thomas and Mr. Wm. P. Hennis, I would like to state that our community has never been stagnant since its beginnings several hundred years ago. We have one of the best school systems in the county, a fine library, excellent fire department, splendid service organizations, held one of the finest bicentennial celebrations in the township and have residents of high caliber; in short, a middle class community. (The goose that lays the golden eggs). But, Gentlemen, there will come a day when the goose will stop laying the golden eggs. It will be so indebted and burdened by repayment of bonds, as well as trying to maintain the luxurious Pool Park Complex, the sewers, the higher assessments, that it will give up its struggle. No doubt the planners worked hard at formulating plans for the Pool Park; with the best intentions. However, no inflation was in sight several years ago. It's fine for the elitists in town to say: Let's go ahead and build it. How about those families who have to scrimp, where every dollar counts to send their children through school and college; How

about the Sr. citizens on fixed income?

Yes, I agree with you, we are a poor cousin to Bethpage, for no giant aircraft corporation such as Grumman's settled in Hicksville, thereby absorbing a great deal of the town taxes ordinarily paid by the Bethpage homeowner. (As far as I can ascertain Grumman's paid \$9,000,000 in town taxes several years ago.) Grumman also donated the acreage for their park. Please keep your facts straight the next time, Gentlemen, when you put down our town. Furthermore, Hicksville, before the turn of the century owned two parks, one, called Fountain Park because a fountain was located there, at what is now called Fountain Street at the intersection of Heitz place.

The other park was called Reinhard's Park on the north east corner of E. Marie Street (Plainview Road) and Park Avenue. It boasted of a picnic area, tall trees, grass, benches and a bandstand where the residents could enjoy some of the popular tunes then in vogue. However, these delightful parks had to give way to so called progress (the kind you claim is absent in our town.)

A Hicksville Homeowner and proud of it.

To The Editor:
I have been reading with interest the many recent letters concerning the proposed Hicksville Park Complex. My family and I are relatively new residents of the area having moved here two years ago.

I feel that there are two major points in the discussion. One is that any measure which will increase taxes substantially is viewed negatively by most residents. The other is that the need to preserve and develop the limited land still available for community facilities is viewed positively by most residents. These two points are not, of themselves, mutually exclusive. An acceptably balanced proposal would develop the areas involved for the present and future residents without a substantial tax increase.

From the articles I have seen concerning the proposed complex it is based on a survey taken several years ago and involved only a small percentage of the residents at that time. But the times, costs, and residents have

The 3rd item on the agenda was the petition of Hess Realty Corporation for a special permit to erect, modernize and operate and maintain a gasoline service station and to install additional storage facilities at Hicksville (Route 107 between Marvin and Gerald Avenues).

John Coffey represented the petitioner and presented Mr. William Wofram, Manager of the Northeast Region Real Estate Section of Amerada Hess as an expert witness.

The Board queried Mr. Coffey on signs, hours of operation, illumination, screening and many other pertinent points.

There was no opposition to the hearing.

On the local scene, the following resolution appeared:

Item No. 6 granted permission to a resident of Plainview to have access to TOB Parklet No. P11 in order to construct a swimming pool on his property.

Item No. 7 permitted a partial

payment of the park fee on Map of Holiday Country Woods Village at Plainview.

Item No. 9 approved the request of Holy Trinity Greek Orthodox Church to use Parking Field No. 16 for a Festival and Bazaar on August 25-27 at Hicksville.

Item No. 13 related to an increase in engineering fees by consultants for Storm Drains & Appurtenances on Prince Street, Liberty, Reiter and St. John Avenues, Hicksville.

Item No. 14 approval of final acceptance on Safety Improvements on Juneau Boulevard, Woodbury.

Item No. 21 relating to Varley Homes, Inc. and Green Hill Holding Corporation for a change of zone at Woodbury was tabled.

Item No. 22 approved the amendments to the Code of Ordinances TOB relative to traffic control in Cedar Mall Shopping Center, Broadway, Jericho.

In the informal discussion that followed, a contingent of homeowners from Woodbury led by Judy Jacobs spoke before the Board relative to the Varley Homes-Green Hill application.

They recited the various detrimental overcast that would be created by the granting of the petition.

They included Mrs. Jacobs, Nina Kandel, Marilyn Schwimer, Jane Goldstein, Blanche Freidman, Lynn Anikstein & Linda Palatsch.

Bob Schmidt, the Deputy Town Supervisor indicated that Mr. Coffey, the attorney for the applicant, had appealed for a calendar date for a determination because his clients would lose their prime tenant if a determination wasn't shortcoming. The calendar date was set but the Board could not make a determination at this time because of various legal technicalities that were still unanswered.

NOTICE IS HEREBY GIVEN that pursuant to the resolution of the Board of Education of Plainview-Old Bethpage Central School District, Plainview, New York, adopted February 27th, 1978, the (Annual) District Election of the qualified voters of this School District will be held on May 31st, 1978, between the hours of 10:00 o'clock A.M. (D.S.T.) and

LEGAL NOTICE

10:00 o'clock P.M. (D.S.T.) in the three Election Districts, stated below, for this purpose of voting upon the following proposition(s):

PROPOSITION NO. 1

Shall the school district budget for the school year 1978-1979 proposed by the Board of Education in accordance with Section 1716 of the Education Law be approved and a tax be levied in the amount of expenditures less estimated state and federal aid and funds legally available from other sources.

PROPOSITION NO. 2

Shall the Library Budget, proposed by the Board of Trustees of the Public Library of the District, be approved and a tax on the taxable property of the District be levied therefor pursuant to the terms of Section 259 of the Education Law.

NOTICE IS FURTHER GIVEN that petitions, nominating candidates for the office of member of the Board of Education and member of the Board of Trustees of the Library must be filed with the Clerk of the School District between the hours of 9:00 A.M. and 5:00 P.M. no later than thirty (30) days before the Annual Meeting. A separate petition shall be required to nominate a candidate to each separate office. Each petition shall be directed to the Clerk of the School District, shall be signed by at least two hundred and fifteen (215) qualified voters of the district, (the same being five (5 percent) percent of the number of voters who voted in the previous election) shall state the residence of each signer, the name and residence of the candidate, and describe the specific vacancy for which the candidate is nominated, which description shall include at least the length of the term of the office and name of the last incumbent. Forms of petition for School Board members may be obtained from the Clerk of the School District. Forms of petition for Library Board Trustees may be obtained at the Library any weekday from 9:00 A.M. to 4 P.M.

The following vacancies are to be filled on the Board of Education:

The Junior High Students of Our Lady of Mercy School took part in the Catholic Daughters of America Contest in February. There were five different categories for the students to enter. The theme for this year's contest was "New Horizons - Hope for the Future". The students pictured (Picture No. 1) were given their awards on April 6 at St. Ignatius School. Left to right are: Debbie Harabedian, Poster Division 11-third place; Teresa Flynn, Poster Division 11-second place; Karen Broderick, Poster Division 11-First place and Patricia Harner, Song Division 11-Second place. Glen Pannell (not present for the picture) won first place in the Song Division 11. Congratulations to all.

All the winning categories will now go on to the State Contest in May.

The Eighteenth Annual Long Island Math Fair was held this year on Friday, March 17, at Commack South High School. Our Lady of Mercy School in Hicksville sent eleven Junior High representatives to the preliminary round. Each boy and girl researched and prepared both written and oral presentations. The students and their categories were (center picture) left to right: Doris David - History of Early Computers; David Masterson - Stock Market; Christine Kiely - Math and the Piano; Mary Schmidtman - Probability; Alicia Obloy - The Abacus; Kenneth Smitelli - Stock Market; Catherine Stowbridge - Topology; Kristi Haubenreich - Greek Mathematicians; Denise Bloch - Topological Geometry; Kenneth Brisnan - The Ellipse; and (not pictured) Ronald Windisch - Mathematics in Navigation.

As a result of this preliminary judging, Doris David, Mary Schmidtman, and Kenneth Bresman (l. to r., lower picture) qualified for the semi-final round, which was held at Hofstra University on Friday, April 7. At this presentation, each of these students qualified for a bronze medal, bringing honor to both Our Lady of Mercy School and themselves. Congratulations.

The Circus Comes To Town

The students of Trinity Lutheran Nursery School, 40 West Nicholas Street, Hicksville, put on their own circus for parents and friends, on Wednesday and Thursday, April 12 and 13. The circus was one that included children acting as lions, elephants, and various other animals. The Nursery children worked out on the school trampoline and reinacted high wire acts on the balance beam, climbed the cargo net, and swung from the high bar.

Throughout the circus one

could see the joy reflected by the children as each had an opportunity to present his skills to the audience.

Trinity Nursery School is part of Trinity Lutheran Church's outreach to the Mid-Island community. The school has been in existence for the past nine years, and has begun to accept applications for children who will be 3 to 5 years of age in the 1978-79 school year. If you would like information, please call the school at 931-2211.

Mini-Dollhouse Furnishings

Did you miss our winter session when we made a mini-room with furniture? This time we promise (?) no snow or sleet.

On Saturday, May 6, from 2 to 4 P.M., the Plainview-Old Bethpage Public Library will present Mrs. Arlene Levine, a Plainview resident, in a program of mini-room furnishings. See her display in the Children's Room.

Pick up a list of odds and ends to save and box sizes needed. There is a 25c registration fee and is limited to 20 students in grades 3-7.

On Campus

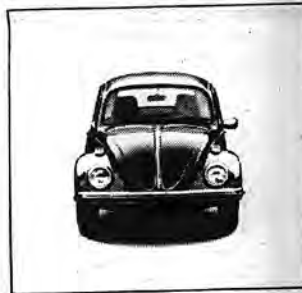

David W. Niebuhr, son of H. William and Nancy Niebuhr of Switzerland Rd., HICKSVILLE, has been selected by The Experiment in International Living to live abroad with a family in Switzerland this summer. He is currently a freshman at Johns Hopkins University, Baltimore, Md.

Members of the Hicksville High School Symphonic Wind Ensemble were proud to receive a letter from George Cavender, Conductor of the University of Michigan Marching Band. The Michigan band is among the nations finest and is seen regularly on national TV, particularly the Bowl Game. In his letter Mr. Cavender, an internationally recognized figure in music education, praised the Hicksville group for their "superb performance" at the Alfred Band Festival at Alfred State College on March 17 and 18. Mr. Cavender was an adjudicator at the Festival and went on to say "I must compliment you and every member of your fine band on the work you are doing. Please accept my sincere congratulations on a job superbly well done. I will be expecting to hear even greater things in the future about the Hicksville High School Symphonic Wind Ensemble."

INVEST IN PRECIOUS METAL

TEN DAY HOME TRAIL

One of the smartest places to invest your hard earned dollars these days is in a good used blue chip economy car such as a Volkswagen, Datsun or Toyota, and we have a good selection of all three makes.

First of all, if you so desire, we will pay your mechanic \$20 to thoroughly check the car of your choice. If he says no, there is no further obligation.

Second, if within 10 days or 500 miles, whichever sooner occurs, you're not satisfied, return it! We're so confident you will like our car, we will give you a written money back guarantee which includes state and local taxes, registration fees, and if you finance the car through us, we will absorb any finance cancellation charges.

Thirdly, if you keep the car, our no-nonsense limited 30 day warranty simply states that the Engine, Transmission, Rear Axle, Front Axle Assembly, Brake System, and Electrical Equipment shall be in good operating condition or we will make repairs or replacement at no cost to you.

You won't find a fairer deal anywhere, even on a brand new car!

On Saturday, March 4, Brownie Troop No. 3433 who meet at Trinity Lutheran Church, Hicksville, visited Radio City Music Hall. Using the money the girls made by selling cookies, they traveled by railroad into New York. The girls enjoyed the movie and especially loved the stage show with the beautiful Rockettes.

The Brownies were sad to learn that the theater would be closing and at their next meeting they wrote letters to Mr. Nelson Rockefeller asking him to help save Radio City. Although Mr. Rockefeller was unable to help, he did write the girls a lovely letter.

"A Wall In Jerusalem"

On Thursday, April 27 at 8 PM the Plainview-Old Bethpage Public Library will show the Frederic Rossif film A Wall in Jerusalem.

Narrated by Richard Burton, the film traces the history of

Israel in the 20th century ending with the Six Days War.

Archival footage from European sources never before seen in this country is included in this 91 minute filmed history.

The Catholic Daughters of St. Ignatius Loyola have been bringing joy and happiness to the residents at Hicksville's Jones Institute on West John Street. The members visit the residents and bring various homemade goodies. They also collect gifts and money to bring and distribute to the people living at the Institute. While there, they run a bingo game for the enjoyment of the residents, and they also celebrate the birthdays of the individuals. The Catholic Daughters invite anyone interested in participating or donating gifts to contact Wilma Willis, 681-7825.

Congratulations to Jon Hickey, of Parr & Hanson, HICKSVILLE. He was named 3rd Vice-President of the New York State Arborists Association, when they held their annual meeting recently at the Nevele, Ellenville, N.Y.

Mr. and Mrs. John Holst, formerly of Raymond St., Hicksville, and now residing in Largo, Florida, recently visited with friends and local relatives.

Cards have been received from

Miss Ruby Burt and Miss Nina Plantz, former school teachers in the Hicksville Public Schools, who are spending the winter months in Mt. Dora, Florida.

Airman John P. Harrison, 132-50-2477, on duty at the US Naval Air Station, Whidbey Island, Washington, was recently promoted to the rank of 3d Class Petty Officer (AE-3). P.O. Harrison enlisted in the Navy in October 1975. In March he leaves on a seven months extensive training cruise aboard the USS Forrestal, somewhere in the Atlantic. He is the son of Mr. and Mrs. William Harrison of Bethpage Road, Hicksville. Congratulations John!

Mr. John Baumgarten of Malone Street, has returned home from Nassau Hospital where he underwent successful surgery. John will be recuperating at home for about three months. This was John's second operation within the past six months. A speedy recovery John.

Congratulations to Mr. and Mrs. Douglas Brosky of HICKSVILLE, on the recent birth

of a son, Timothy Douglas, who weighed in at 8 lbs. 3 oz.

Happy 15th birthday to Renee Murch, Clarissa Dr., HICKSVILLE, who celebrates soon.

Congratulations to Mr. and Mrs. Joseph Stefanelli of Mount Joy, Pa., on the recent birth of a daughter, Joanne, on March 9. Mom is the former Laura Radazzo, daughter of Mr. and Mrs. Louis Radazzo of St. John's St., HICKSVILLE. And, also happy birthday to Joanne's brother, Michael, who celebrated his 2nd birthday on April 5.

A big surprise farewell party for Eddie Silverberg of the Old Country Road PTA came off without a hitch, when twenty of her friends descended on her home on Tuesday, April 4th. Each invited guest brought some part of the luncheon with her, and the piece de resistance was a beautiful wrought iron clock presented by the ladies to the guest of honor, for use in her new home.

We shall all miss Eddie who has become a valuable member of the Hicksville community, and especially of the Old Country Road PTA.

Congratulations to Alan Taub of Shelter Hill Road in PLAINVIEW, whose 40th Birthday last week was celebrated by a Surprise Party given by his friends and neighbors.

All her many friends are glad to see that Gloria Reynolds of Jamaica Avenue in PLAINVIEW is back on her feet after her recent illness.

Congratulations to Rose-Marie Lopez of Burbank Place in PLAINVIEW, on her well-merited appointment as the new Treasurer of the Town of Oyster Bay Democratic Committee earlier this week.

Congratulations to Irene and Tom Flanagan of Summer Lane, Hicksville, on the recent birth of their 5th son, Steven, on April 11.

Congratulations to Charles and Ellen Voorhies on the birth of their daughter, Jennifer Lyn, born March 30, weighing 7 lbs. 12 oz. The proud grandparents are Mr. & Mrs. Charles Ambron and Mr. & Mrs. Melvin Voorhies. All are residents of Hicksville.

Thomas Bergin of College Park, Maryland, will receive his doctorate, a PhD in Public Administration, from American University in May. This is a great Mother's Day present for his Mom, Leona Bergin of Park Ave., HICKSVILLE. Congratulations.

Mr. and Mrs. Sal Mistretta, formerly of Alexander Ave., HICKSVILLE, now residing in Florida are visiting Long Island. They came to see their son, Sal Mistretta Jr., who is performing in a play on Broadway, "On The Twentieth Century."

Sal Jr. is a graduate of Hicksville High School and has won thespian awards for playing in High School plays.

He has done summer stock in Yarmouth, Mass., and played at the Westbury Music Fair with Zero Mostel in "Fiddler On The Roof." He also appeared in "The Student Prince."

Happy Birthday to Laura Cohen, Bobwhite Lane, HICKSVILLE, who celebrated her 14th birthday on April 21.

Congratulations to Blanch Sokolowski, of HICKSVILLE, (Continued on Page 14)

Navy Commander Michael A. Kubishen, son of Mr. and Mrs. Michael Kubishen of Ontario Ave. in PLAINVIEW, has returned from an extended deployment in the Western Pacific.

He is serving as the commanding officer of the ammunition ship USS Haleakala, homeported in Concord, Calif.

Kubishen is a 1960 graduate of Columbia College, New York City, with a Bachelor of Arts degree, and a 1973 graduate of the U.S. Naval Postgraduate School, Monterey, Calif., with a Bachelor of Science in Electrical Engineering.

An Air Force-wide exercise, "Red Flag" provides pilots and crews with realistic training under simulated combat conditions.

The airman, a 1974 graduate of Andrew Jackson High School, Jacksonville, Fla., attended Florida Junior College, Jacksonville.

Private Tony Sica, son of Mr. and Mrs. Anthony Sica of Spindle Rd., HICKSVILLE, has completed his Basic Training at Parris Island, S.C., in the U. S. Marine Corp. and is now at the Motor Transport School, Camp LeJeune, N. C., where his training will be continued. Tony is a '77 graduate of Hicksville High School.

William D. Schwartz, son of Mr. and Mrs. Irwin J. Schwartz of 1 Hewitt St., HICKSVILLE, has received his first promotion in the U.S. Air Force.

Schwartz, promoted to airman, recently completed technical training at Chanute AFB, Ill., and is now assigned at Dover AFB, Del. He serves as an aircraft environmental systems mechanic with a unit of Military Airlift Command.

The airman is a 1977 graduate of Hicksville Senior High School.

An official at Chanute AFB, Ill., has announced the graduation of Airman Thomas J. Reilly from the U.S. Air Force's aircraft maintenance specialist course conducted by the Air Training Command.

Airman Reilly, whose parents are Mr. and Mrs. Thomas Reilly of Spindle Road, HICKSVILLE, is now trained to maintain, repair and service aircraft currently in use by the Air Force, and will serve at McGuire AFB, N.J. Completion of the course earned the individual credits towards an associate in applied science degree through the Community College of the Air Force.

The airman is a 1975 graduate of Hicksville High School. R15

U.S. Air Force Airman First Class William A. Lee, son of Mr. and Mrs. William J. Lee of Dale Court, HICKSVILLE, has arrived for duty at Baliskisir, Turkey.

Military Bridge

Military Bridge is a fun card game for men and women. Try it and enjoy a sociable evening at the Hicksville High New Girls' Gym on Thursday, April 27 at 8 p.m. There will be door prizes, table prizes and raffle. Refreshments will be served.

Tickets are to be reserved in advance by calling Irene Piscitelli at WE 1-0046. Admission is three dollars (benefit Hicksville High PTSA).

Since many people have not played before, a sample hand will be played to acquaint everyone with the game and the rules. This is not a bridge game. Get your tickets early for an enjoyable evening with old friends and new ones. Take home prizes and memories of a really good time.

Airman Lee, a security specialist with a unit of the U.S. Air Forces in Europe, previously served at Grand Forks AFB, N.D.

The airman is a 1974 graduate of Holy Trinity High School and attended Nassau (N.Y.) Community College. B12

Specialist Four William G. Kumlander, whose wife, Joyce, lives on Winter Lane, in Hicksville, recently was assigned as a clerk-typist with the Eighth U.S. Army in Seoul, Korea. *

Spec. Kumlander entered the Army in January 1977. He received a B.A. degree in 1973 from Hofstra University in Hempstead.

His parents, Mr. and Mrs. William Kumlander, live at 62 Hunter Lane.

Theatre Party Successful

The 10th Assembly District of the Democratic Party hosted a theatre party at the Arena Playhouse in Farmingdale, on April 12th. The production performed was Agatha Christie's, LOVE FROM A STRANGER.

The standing room only crowd included Nassau County Democratic Chairman, Stanley Harwood and Assemblyman Lewis J. Yevoli.

A Winner!

The Children's Department of the Hicksville Public Library takes pleasure in announcing the winner of its annual National Library Week Contest. Adrienne Pacifico of Jay Street in Hicksville was the recipient of a Realistic AM Radio for her close estimate of the number of books in the library's book bowl.

Assembly District Leader and Sally Shapiro, Co-A.D. Leader stated that the evening was not only a financial success but a warm and exciting kick-off to what promises to be a huge Democratic sweep this coming November.

Q. How do most solar water heaters work?

A. Essential to any system is the collector, a glass or plastic-covered shallow box with an absorber plate of aluminum, copper or steel. As the sun's rays heat the absorber plate, liquid is pumped through the panel, absorbs the heat and carries it to your storage tank.

INTRODUCING DIAL-A-VISIT.

For \$6 a month, you can make \$12 worth of long distance calls anywhere in the state.

Now you can visit friends and relatives in other parts of the state more often by telephone—and spend less money doing it. With Dial-A-Visit, a new long distance service available to residence customers and college students with phones in their rooms.

Here's how it works: A \$6 minimum charge is added to your monthly bill. It entitles

you to make \$12 worth of long distance calls within New York State: on weekdays from 5 p.m. to 8 a.m., and on weekends from 5 p.m. Friday to 8 a.m. Monday. You must dial these calls direct without operator assistance.

If you should make less than \$6 worth of calls in the time periods mentioned, you're still charged \$6. But if you make between \$6 and \$12

worth (say \$8 worth), the \$6 charge goes no higher. If you make over \$12 worth, you're charged only 50% of what the calls would normally cost. (So \$18 worth of calls would cost only \$9.)

Contact your local New York Telephone business office for more information. See what a great new money-saving service we've just put on the map.

We bring New York people together.

OAH MASS OF PEACE: Sponsored by the National Freedom for All Ireland Committee of the Ancient Order of Hibernians. Over 1,000 members of the Order, dignitaries and guests attended this special Mass last Sunday afternoon at St. Agnes Cathedral in Rockville Centre ... the celebrant was Reverend Terrence Lee, National Chaplain of the Hibernians and the Honorable Gearoid O.

Cleirigh, Consul General of Ireland was our honored guest-music by the St. Agnes Cathedral Choir and Noel Kingston echoed through the beautiful edifice as Martin Higgins, National Chairman of the Freedom for All Ireland Committee welcomed the multitude ... In addition to Congressmen Norman F. Lent, John W. Wydler and Lester Wolff; members of the Assembly

of the State of New York were present ... From Oyster Bay Town: Assemblyman Phil Healey, Councilman Thomas L. Clark, Councilman Joseph Saladino and Councilman Salvatore R. Mosca (plus Sal's wife, Margaret, a member of the Hicksville AOH Ladies Auxiliary) - our own Ladies were in good numbers, likewise Divisions across Nassau County were well represented - this was quite a showing for the Irish in our County and I am sure made quite an impression upon all present - this is just the beginning of events planned with the hope and prayer that Ireland, "will be a Nation once again" - if you are interested in assisting contact the writer at 935-4229 who serves as National Press Secretary of the Hibernians.

QUITE AN HONOR: Reverend James McNamara, of St. Martin of Tours, Amityville was honored at a parish function this past weekend prior to his appointment by Bishop John McGann as Spiritual Director of the Immaculate Conception Seminary in Huntington - young Father Jim is the son of my next door neighbor Joe McNamara these

FOR A UNIFIED IRELAND: Oyster Bay Town Councilmen Joseph J. Saladino (left), Thomas L. Clark (third from left) and Salvatore R. Mosca (third from right) were among the many dignitaries who attended a special Mass for Peace and Reunification in Ireland. Here, they chat with Thomas McNabb (second from left), National Vice President of the Ancient Order of Hibernians which sponsored the Mass; Martin Higgins, National Chairman of the Freedom for All Ireland Committee of the A.O.H.; and Bernard McCreesh, National Treasurer of the A.O.H. The service was held at St. Agnes Cathedral in Rockville Centre.

St. Ignatius CYO

CYO INTERMURAL BASEBALL PROGRAM

The 1978 CYO Intermural Baseball Program began last Saturday under rather chilly weather conditions. Nevertheless, the boys were ready and enthusiastic and we expect a good season for them all. The results in the 4 leagues were as follows:

K. 1st and 2nd Grade League

The Shrimps led by the heavy hitting of Sean Lynam beat the Jaybirds 6-4. Mike Conway led a comeback rally that fell a little short. Excellent all around team

played the Lobsters to a 8-1 victory over the Pigeons while the Bass, sparked by the hitting of Paul Royle, John Schaefer and Steve Smith, overwhelmed the Robins 18-4. The Whales, despite heavy hitting by Chris McCandless of the Cardinals, managed to win an extremely tough game by a 11-9 score. Key hits were delivered by Don Moore and John Keenan of the Whales. The Sharks beat the Hawks 11-8 despite the hitting of Gregg Greenberg and lastly, the Falcons, who are sponsored by M.D. Cesspool Cleaners, Inc., managed to squeak by the

Dolphins by a 5-4 score. Tim Carroll, Robert Walsh and Karl Pfeffer did the heavy hitting for the Falcons while Kevin Reynolds led the Dolphin attack.

3rd Grade League
The Giants, led by the pitching of Matthew Smith, Martin Cowan and Tom Sullivan and a well balanced hitting attack, shut out the Dodgers 5-0. The Yankees beat the Mets 7-5. Robert Sotting and Derek Missimo were the key hitters for the Yankees while the Mets got key hits from Paul Pisani and Steve Falletta.

4th Grade League
In extra innings, Sonny's Auto

Repairs nipped the Yanks 4-3. The winners were sparked by the pitching of Helmut Schleith and clutch hitting of James Kreyling. Chris Marino pitched well in a losing effort. In the other game, the Mets beat the Reds 8-5. Mark Ridge and James Lombardi excelled on the mound while Mark Shtino did the heavy hitting. Darren D'Florio pitched an

outstanding game in a losing cause.

5th and 6th Grade League
Results: Longs Chinese Restaurant 17 - Stock Funeral Home 10.
William Kroemer 7 - Rollins Rapid Repro. 3.
Harbor Distributing 11 - Perry's Liquors 4.

Hicksville American Soccer Club

In the second week of the season, the 22 traveling teams were involved in 23 games (21 league & 2 Regional Cup) and came out with 10 wins, 8 losses and 5 ties. Only Pete Baena's under 16 boys did not play outdoor as they were busy taking home the championship of the Cosmopolitan Indoor Tournament. Many of the teams are now playing on both Saturday and Sunday in order to squeeze in their League game as well as Regional Cup competitions. After 2 weeks, the club's overall record is Won 24, Lost 11 and Tied 10.

Boys U 13: The boys again put things together in the 2nd half and played beautiful soccer to defeat Cold Spring Harbor by a 5-1 score. Cold Spring scored first but Hicksville tied the game and it was 1-1 at the half. Robby Pearse came out of goal & played left wing for this game and produced two goals. The first was the tying goal on a neat left footed shot and the second was a header on a beautiful cross from Kevin Cahalan on right wing. Gene Tyranski in goal did a good job against a very tricky wind. Coach McHugh was happy with their performance, especially with the boy's ability to read the play, anticipate and control the middle. Adrian Pepi did a great job in the middle along with Bobby Andrus and Adrian also scored the 'hat trick'. Jimmy DeMarco collided with Bobby Andrus and received a bad cut but after a quick trip to the hospital, returned to play the last few minutes of the game. John Mitchell, John McCann and Philip Ridgway worked well up front and moved the ball around after taking good, crisp passes from halfbacks Glen Zakian, Cliff Feldman and Bobby Cullen and helping Tyranski on defense were fullbacks Vinny Christiano and Steve Dolan.

Girls U 19: This has to be labeled 'Game of the Week' as the girls traveled 20 miles to take on their arch-rivals from Northport. The team vividly remembered last fall when Northport scored two goals in the waning minutes of the game to steal the League Title from Hicksville. All 14 girls played excellent ball and really worked well as a total unit to defeat a strong opponent. Scoring for Hicksville was Diane Conway, Patty Decker and Sandy Bruder with an awful lot of help up front from Patty Rogers, Patty Conway and Karen Jung. Especially cited for outstanding defensive work was fullback Kathy Dolan but against powerful Northport, Kathy couldn't do it alone and received a great deal of assistance from the halfback and fullback lines; Jeanne O'Shea, Fran Panetta, Kathy Scheidel, Karen Dolan, Tricia Valle and Sue Stafford. Miriam Pepi in goal just about closed the door on Northport and had a 3-0 lead until late in the game when Northport scored on a penalty kick. The girls were on their way to their 3rd consecutive shutout but have

played tremendous ball and are ready to take on an improved Island Trees team next week. Injury report: halfback Karen Dolan with a badly bruised thigh but expected back next week.

Boys U 10: The 1968 boys, coached by Jim Morrisroe traveled to Cold Spring Harbor to take on another very strong team. This particular Division is evenly matched with several good teams and will be an interesting division this season to see who wins the championship. The young season is only in it's 3rd week and already there have been 9 tie games. This game was very well played and the teams were well matched. The Hicksville defense played strong and performed very well against many offensive thrusts by Cold Spring. Fullbacks Chris Bentley and Alex Brill in front of goalkeeper Gary Tyranski frequently stopped the opponent and started an offensive attack by passing the ball up to midfielders Martin Jaycard, David Weinberg and Rich Humann who carried the ball and / or pushed it out to the wings Mickey Boccafola or Keith McCann. Keith and Mickey would either attack the goal or cross it to the middle to the other front line strikers Doug Donsky, Phil Ziembecki, Joe Doherty and Luis Mejia. This game ended in a tie (1-1) and so far the team is still undefeated

with a win and two ties.

Boys U 11: Harry Habersaat's 1967 boys ran into some more bad luck this week - having to meet Massapequa and a strong wind. The game started well with some good defense provided by Scott Fraser, Mark Habersaat, Frank Kolovich and Rich Karlewicz at fullback getting the ball out to halfbacks Dean Spadero, Troy Levy, Frankie Christiano and Gerry Dolan. From there, the front line of Matty Bell, Bobby Cunningham, Stevie Brice, Freddie Musumeci and David Berkowicz took over but couldn't penetrate the very strong Massapequa defense. Sam Masiello was in goal and played well but Hicksville was overpowered 4-0 when the game ended.

Girls U 14: These young ladies, coached by Pat Harkins traveled out to Northport and were edged out 2-1. Roseann Schubert played some really outstanding defense and made a couple of beautiful saves on some would-be goals. The girls will have to tighten up for their home game next week against Massapequa. The game was well played and credit must be given to the whole team who worked hard but just couldn't turn the tide this week; Donna Berk, Maryann Carroll, Maureen Collins, Kathy Conway, Terry

Galileo Lodge News

By Joe Lorenzo

According to a recently-released schedule, the Galileo Lodge is deeply immersed in a host of community-action programs. For example, the March of Dimes Walkathon, a project that has received \$250 in donations from our organization, got more help on Sunday as members of the Galileo Lodge's Walkathon committee distributed soda to all participants at the Field House of Eisenhower Park (Checkpoint 7). Chairman Skip Monteforte supervised this and other activities associated with this event.

On April 27th, at the Galileo

Lodge's social meeting, Tom Clark, councilman of the Town of Oyster Bay, will deliver a short talk on the proposed construction of a new park in the Hicksville area. There is every reason to believe that this talk will be informative as well as interesting. At the conclusion of the talk, Councilman Clark will conduct a "Question and Answer" period. A vote will be held on this proposal on May 4th, which is another reason why members of the Galileo Lodge as well as other Hicksville residents should be well aware of all the ramifications. With this thought in mind,

the Lodge wishes to invite all interested Hicksville residents to attend this talk. An added note: Councilman Clark will have on display a scale model of the about-to-be constructed park during his talk.

Although the Columbus Day Parade appears to be a long way off, plans for the 1978 parade are in the works. The Galileo Lodge will again be a participant in this event, and it will have its own float, marchers and beauty queen. Additional information received reveals that the parade will take place in Deer Park, and that our Lodge will hold a dance prior to the parade in order to select a beauty queen who will represent us and who will compete with those selected from other lodges. The final Beauty Queen who will be chosen at a dance to be held at the Colonie Hill, will represent the Nassau and Suffolk areas as well. The

SCOUTS VISIT TOWN HALL: Oyster Bay Town Councilman Thomas L. Clark was on hand to greet three Hicksville Girl Scout troops during their recent visit to Town Hall. Here, he chats with (left to right) Michelle Branciforti of Junior Troop No. 3117,

Margaret Barolon of Junior Troop No. 3401 and Barbara Goulet of Cadette Troop No. 3019. The Juniors are working toward the "Active Citizen" badge while the Cadettes are fulfilling requirements for "My Government" badge.

Venetian carnival. Old-world scents of peppers and sausages, zeppoli, aroma-filled nuts and candies, pizza, multi-flavored Italian ices and the lilting Italian melodies wafting thru the night air like imaginary toy balloons. This feast will take place on July 5th to the 9th, so put these dates on your summer agenda.

LODGE HAPPENINGS

The Sixth Annual Celebration Dance will take place on April 29th, on the Lodge premises. Tickets are \$25 per couple, with unlimited liquor and hot food ... The Follies Revue entertainment is finally being filled and this affair is scheduled for May 18th. Contact chairpersons Joe Lappano and Rita Mannino at 822-7773 for this affair and Carl Melluso and Dom. Valente for the above-mentioned dance ... The annual Blood Bank will be held at the Lodge sometime in June. More information on this event in some later columns ... The Scholarship program is making headway and it should be in full-swing very soon.

A Successful Show

The Seventh Annual Gem and Mineral Show of the Gregory Museum came to a successful close on Sunday evening at 5 P.M. About two thousand people enjoyed the various exhibits and displays of gems, minerals and unusual jewelry. All the programs in the Little Theater were well attended.

Allegra and her Egyptian Dance Company gave a stunning performance on Saturday, to the delight of many of the visitors.

Mr. Charles Anello's engaging lecture and slide program of King Tut drew a large crowd of people into the auditorium on Sunday.

The show concluded with the Raffle drawing. Winner of the \$100 first prize was Cindi Lesser of Jericho. The King Tut Pendant (2nd) prize went to E. Bean of Hicksville. The third prize, a \$25 Museum gift certificate was awarded to G. Muller of Garden City. Little Nancy Mittelman of Hicksville won the special door prize, a set of Goode bookends. Congratulations to the winners.

The Museum is grateful to the Board of Education for the use of the High School. A special thanks to Mr. Bill Becker and his staff for his help with logistics of the show. Without his cooperation, the show would not have been possible. The grounds were protected by the Hicksville Auxiliary police. Thanks to the Mobile Sign Company for the donation of the Mobile sign.

To the Staff of the Museum and all the volunteers, a heartfelt thanks. A very special thank you to Arlene Lennitt, Show Chairperson, and to Janet Kempksi, Curator.

FACTS & FIGURES

(Continued from Page 1)

be \$4,111,580, which is as accurate as the Town can get. A homeowner would then pay 33.9c per \$100 of assessed valuation, so that if your house is assessed for \$5,000, the cost would be \$16.95 per year; at \$7,000 it would be \$23.74. After 10 years, the rate would drop from 33.9c per \$100 to 22.6c per hundred, and after 20 years, it would drop further to 17.57c per \$100, which is due to the fact that the bonds are of different lengths.

A question was asked about the new assessment. If your house is presently assessed at \$5,000 - you would pay 33.9c per hundred or a total of \$16.95 per year. However, if the new assessment or your house is \$50,000, you might pay 3.39c per hundred or a total of \$16.95 a year. The division should come out almost equally for all the houses are going to be raised at the same time. However, Tom Clark mentioned that a house assessed before 1938 might feel it more than the post-war houses, because its present assessment might be lower than the assessment of the majority of homes in Hicksville. But the total amount to be raised by taxes no matter how it is divided up, will remain the same.

Councilman Clark then moved on to the operating cost of the pool. It would take \$400,000 annually to maintain the structure, pool, gym and grounds. Membership would be a seasonal fee. To give us an example, Mr. Clark quoted some figures from neighboring pools: In Bethpage, for the summer, the cost is \$60 for a resident family, \$38, individual; In Syosset, the cost is \$71 for the family and \$38 individually. Echo Park has three seasons - In the winter, from January to May, a family is \$70 and individual is \$40; In the summer from May to September the cost is \$65 family and \$35 individual; from September to December, the cost is \$60 for a family and \$30 for an individual. The total year's fee is discounted so that it would cost the family \$175 for 12 months. Echo Park also allows daily tickets and the cost is \$1.00 weekday and \$1.50 on weekends.

Councilman Clark said that if 19% of the residents of Hicksville bought membership, it would surpass the \$400,000 needed to

JOSEPH A. DORENBECHER of Po Lane, Hicksville, retired from The Bowery Savings Bank on April 21.

Mr. Dorenbecher, who served over 40 years with The Bowery, advancing to the rank of Deputy Controller in charge of the Life Insurance Servicing Dept., at the Bank's main office, 110 East 42nd St., was honored at a luncheon on April 19 and retirement party given by his staff on April 21.

Mr. Dorenbecher and his wife, June, who works for the Hicksville Public Library, have lived in Hicksville for 27 years, and are planning for a retirement in California.

maintain the complex, if there is no operating deficit. The figures go like this: yearly membership of \$175 x 760 families or a summer fee of \$65 x 2,000 families. Just in case that many families do not join and there is a \$200,000 deficit, the cost per \$100 of assessed valuation would be .985 or \$8.50 for a house assessed at \$5,000. Money generated with the park will stay with the park, and if there is a surplus, it could retire the bonds faster.

If the park is voted down, the land will remain as is, Mr. Clark stated.

We then moved on to questions and answers.

(Q) What would happen if the parking was overflowed continuously.

(A) If that happens, parking would have to be expanded.

(Q) Can guests be brought?

(A) Even though the pool is only for residents, relatives and guests can be brought to the pool.

(A) Is the pool available for teams?

(A) Yes, it is, during the off-hours in the morning, possibly during the off-hours of 4:30 to 7 P.M. (supper hour) or around 10 at night. The normal fee would be charged to any team.

SOCCER CLUB

(Continued from Page 11)

The Hicksville American Soccer Club's Blues (under 8 division) began the 1978 season with an 8 to 0 victory over the Locust Valley "Spartans" on April 2nd.

Hicksville was led in scoring by right forward John Fabrizio with 3 goals. Bill Stein and Jean-Claude Balek had 2 goals apiece for the Blues.

The Spartans were limited in their attempts at the Hicksville goal by the outstanding defensive work of half-backs Willie Sneddon and Tim Van Cise.

On Sunday, April 9, the Blues took on the tough Bohemia "Eagles" in Bohemia. With over 200 fans to cheer their teams on, the battle ended in a 1 to 1 tie.

The Hicksville goal was scored

midway through the 2nd half by forward John Fabrizio. Full back Kevin Taylor consistently led the defense in halting the charging Eagles before they could get a shot on the Blues' goal.

Bohemia scored its goal on a shot from 25 feet away when Hicksville's goal tender Tim Richards was screened out of the play by a melee in front of the goal.

The Blues travelled east again on April 16 to take on the Brentwood "Mustangs". Hicksville came out on top 3 to 0 as goal tender Tim Richards recorded his second shutout of the season.

Hicksville's first goal came early as half-back Willie Sneddon hooked in a corner kick. Forward Billy Stein scored the second goal a few minutes later.

The crisp passing of half back Craig Carson helped to maintain a constant offensive on the Mustangs' defenses. This attack produced the final goal on one of the finest "give and go" plays ever created by a group of 8 year olds. Carson fired a pass to David Nisenon darting in from the left wing, he chipped the ball to center Anthony Schirrali who slid it to Michael Conway on the right wing. Conway fed it back to Nisenon, who blasted the ball home, from in front of the goal.

Coach Rich Hanna's Blues play next on Sunday, April 23 when they host the Cow Harbor "Pacesetters" on the Gruman Field at 11:00 A.M.

FIREMEN HONORED: Oyster Bay Town Councilman Thomas L. Clark (right) presents citations to four Hicksville Fire Department members for meritorious service during the department's annual installation dinner. Those honored included (left to right): Michael Krum-

changed since then. Thus I urge defeat of the proposed Hicksville Park Complex. I believe that the Hicksville Park District would be better served by a much more modest proposal which takes into account the construction costs of 1978, the desires of the residents of 1978, and the maintenance costs of the 1980's.

George A. McGinn

Dear Mrs. Noeth:
It has come to my attention that there is considerable con-

fusion regarding voting requirements for the public referendum to be held on May 4, 1978 concerning the proposed Hicksville Community Park Complex.

To clarify the matter, please advise your readers that residents of the Hicksville Park District, which is the same as the Hicksville School District, who are registered to vote in the general election, are eligible to vote on May 4th.

Thank you for your anticipated cooperation.

Very truly yours,
THOMAS L. CLARK
Councilman

(Q) How much lighting is provided around the complex?

(A) There would be lighting for walking and the pool but not for night tennis, which might be a noise problem for the neighbors.

(Q) Will there be any fencing at the triangular park?

(A) There will be a 20 foot high fence along Old Country Road to

prevent balls from going out into the street. The triangular park will be a passive park containing a soccer, football and softball field, a Senior center, playground, tennis and a comfort station. There will be no night lighting at that park and an attendant will be assigned.

(Q) If you do not pay the membership fee, what will you be able to use?

(A) You will NOT be able to

use the pools and the gym has not been decided upon, but it will probably run along the same lines.

The voting will be May 4th and the two parks will be a package. The vote will either be yes or no. The bonds will not be floated until either 81 or 82. The brochure is now in the printer and will be available to the residents soon.

The Hicksville Community Council meeting then moved on to

the report by its Nominating Committee. The Committee, consisting of its three past-presidents offered the following names for the slate of 1978-79 - For President - Carole Wolf; for First Vice-President - John Budnick; for Second Vice-President - Councilman Tom Cetrk; for Third Vice-President - Steve Didier; for Secretary - Arlene Didier; and for Treasurer, Cathy Steckler. For

the coming year, the Council decided to eliminate the position of Recording Secretary and add the position of Third Vice-President. Sieg Widder who gave the report said that elections will be held at the May meeting.

President, Carole Wolf, then announced that the Council is trying to promote the use of floats

in the Memorial Day Parade. The floats would add color and sparkle to Hicksville's Annual Affair, which, this year, will be sponsored by the VFW. If you have a group or organization, try making something special this year. 'For a Better Hicksville.'

Murray Margolis announced that the Gregory Museum held its annual Gem & Mineral show on April 8th and 9th at the Hicksville High.

Bill MacDonald mentioned that fluoridation of water is being

promoted and he urged us to write Gov. Carey. Florida is a by-product of aluminum and they will not let it be buried anywhere so they buy it and put it in water. Florida is only beneficial if a dentist treats a child before the age of 12. And Bill also mentioned that in Riverhead, Florida it corroded the waterways.

Clara Bennett said that at the February Library Trustee meeting, she heard that the Friends of the Library was having Dr. Mary Calderone as its speaker. Clara expressed her opposition to Dr. Calderone and had resigned from the Friends of

the Library on moral and religious grounds. The money that Dr. Calderone received was to go directly into her organization SIECUS and Clara wanted it known that she is violently opposed.

The next Hicksville Community Council meeting will be held on Thursday, May 4th at 8:30 P.M. We will have as our speakers Tom Nagle, President of the Hicksville School Board, who will discuss the progress of the upcoming school budget and Bill MacDonald, who will talk about nutrition and health. Bill will also demonstrate how to

make chocolate cake without chocolate.

Tickets have gone out for the Hicksville Community Council's seventh Annual Dinner which will be held at Antun's on Thursday, June 1st. The festivities will begin at 7:30 with a fruit punch in the gazebo on the second floor. Drinks will be available for purchase. At 8 P.M. we will enter the Marble Room for a complete Smorgasbord of 20 hot and cold dishes. Coffee and cake will be served after this two hour banquet. Tickets are \$8 per person and for information and reservations, please call 433-6437 or 822-3861.

We're the bank worth looking for.

Eastern's Free and Easy Checking puts cash in your hand when there's none in your pocket.

You can use it freely—because it's free. You'll be kept supplied with blank checks imprinted with your name—free of charge. And there's no per-check charge, no matter how many—or how few—you write. There's no monthly maintenance fee, either. You don't even have to maintain a minimum balance in your account.

In fact, if you qualify, you can even write checks for more than your balance. Up to \$1,000 more! We call it Cash Reserve Checking. You'll call it a godsend if you ever need extra money fast. And you also get life insurance to

cover the amount of the loan. It's easy to arrange for Free and Easy Checking. The only requirement is that you have an Eastern Savings Account. And that's easy to arrange, too. Just stop by your neighborhood Eastern branch first chance you get. We'll help you write your own ticket.

After all, that's what neighbors are for.
