Knights of Pythias, 8:30 p.m., VFW Hall, 320 South Broadway, Hicksville.

Rotary News

Dr. Norman O. Stahl, who has been invited by the Rotary Club of Poona, India to perform intra-ocular lens implants on a number of cataract patients in the area, will be talking at the Great Neck Rotary Club on Wednesday, May 3 to give the membership and guests an update on his forthcoming trip.

Dr. Stahl, a noted ophthalmologist and one of the founders of the American Lens Implant Society, hopes that this medical mission to India will serve as a successful example of how American physicians can help bring technology and education to less developed countries.

ART SHOW AT DUTCH LANE SCHOOL - Miss Goldis and one of her sixth grade art classes are busily preparing for the Art Show at Dutch Lane School. It will be held on May 2 at 7:30 P.M. All are invited to view the art work of the students.

On May 4th

Residents Urged To Vote On Community Parks

Oyster Bay Town Councilman Thomas L. Clark reminded all residents of the Hicksville Park District (which has the same boundaries as the Hicksville school district) and who are registered to vote in general elections, are eligible to vote in the special referendum on the proposed community park on Thursday, May 4.

"Voting machines will be set up at the seven elementary schools used as polling places in school board elections," Clark said, "and will be open from noon until 9 P.M." A map showing these

locations and a brochure describing the proposed facilities was sent out through the mail this week to all residences in the district.

The proposed park concept was developed by Planning Associates, a professional consultant, for the Hicksville Park Task Force and is based on responses to a questionnaire on the type of facilities desired by park district residents. Construction cost estimates made by the consultant were updated by Town engineers and are included in the brochure.

"Our mail lists may not be up-to-date," Clark commented, "so if you have not received your brochure in the mail this week, please call my office (922-5800) and a copy will be sent to you."

"All residents of the Hicksville Park District (the same as Hicksville School District 17) who are registered for general elections, are eligible to vote in this referendum and should do so," Clark urged, adding: "Don't let only a handful of people make this important decision for you and the entire community."

A Community Service

On Thursday, May 4, the voters of Hicksville will decide on the Community Park proposal submitted by the Oyster Bay Town Board.

In order to aid you in coming to a decision the library has videotaped several public meetings on the proposal which will be publicly shown each week day beginning Thursday, April 27 from 3 to 5 p.m. at the library.

"Come in and get the facts. The taped public hearings plus diagrams and brochures also available at the library will answer many of your questions concerning the details of the proposal, costs and benefits," explained a spokesman from the Library.

HHS Alumni News

At the open meeting held on April 10, at Frank's Aibi Restaurant, the Hicksville High School Alumni Association voted in its new officers and board members.

Elected into office for the coming year were President; Lester Iehle, Vice President; William Geyer, Recording Secretary; Helen Hanlon, Corresponding Secretary; Karen Weyer, Treasurer; James Fyfe, Membership Secretary; Gladys Schwartz. Re-elected to three year terms on the Board of Directors were Richard Hogan, Dolores Crawford, Harold Holden, and Marge McGuirk. Replacing present board members for three year term were Marylou Dunbar for Etta Kramer, Hillary Sperber for Charles McAuley, and Gwen Schaaf for William Geyer. Also appointed as Committee Heads were Raffle; Marge McGuirk, Publicity; Dolores Crawford, Athletic Dinner; Schwartz.

Inducted Into Honor Societies

The following HICKSVILLE residents have been inducted into Honor Societies during the recent Convocation Ceremonies held at Molloy College: Virginia Peragallo, Arete; Mary Alice Quinn, Arete; and Barbara Hughes, Omicron Alpha Zeta, and Delta Epsilon Sigma.

Hicksville GOP News

The Ernest F. Francke Republican Club of Hicksville will hold their regular monthly meeting at 8:30 P.M. on Friday evening, May 12. The meeting will be held at the Veterans of Foreign Wars Hall - Wm M. Gouse Jr. Post No. 3211, located at 320 South Broadway in Hicksville. (The hall is situated south of the Firestone Store and north of the H. I. P. Building). Refreshments will be served.

This evening's program is important for all property owners. Mr. Abe Seldin, chairman of the Nassau County Board of Assessors, will be our guest speaker. Mr. Seldin will speak on property tax assessment procedures and the court ordered revaluation of all property in Nassau County to 100 percent of its full market value. There will be a question and answer period provided at the conclusion of Mr. Seldin's presentation.

Mr. Seldin, who was elected in 1973 and will complete his first six year term next year, is a

lifelong public servant who has served as a member of the North Hempstead Board of Zoning and Appeals, a delegate to the 1968 New York State Constitutional Convention and a member of the New York State Assembly.

As the county's chief assessment officer, he has lobbied effectively in Albany and Washington for tax relief legislation. He is one of the original proponents of the circuit breaker concept and the homestead exemption which would reduce the property tax impact on hard-pressed county homeowners. He has also spoken before hundreds of organizations throughout the county in an effort to keep taxpayers informed about tax developments that affect them.

Since taxes constitute such a large portion of our expenses, plan on being present at this meeting to avail yourself of this opportunity to become more cognizant of the impact on our income this revaluation of our property will cause.

Community Council To Hear Nagle On School Budget

The Hicksville Community Council is having Tom Nagle as its feature speaker at the May meeting. On Thursday, May 4th, at 8:30 P.M., Mr. Nagle, President of the Hicksville Board of Education, will give us the latest progress of the upcoming school budget.

Also at the Community Council, a very knowledgeable man will come and speak to us about

"Nutrition and How to Protect Your Health." Mr. Bill MacDonald, who is a local resident of Hicksville raises his own eggs and also bakes a mean chocolate cake without chocolate.

Come and hear the latest about the schools and your health on Thursday, May 4th. But first don't forget to vote on the proposed Hicksville Parks Complex.

Ron Wagner, Asst. Vice President and Manager of the Hicksville office of the National Bank of North America spoke to the Hicksville Kiwanis Club on March 29 on the role of Commercial Banks.

Mr. Wagner, a member of the Hicksville Kiwanis, is chairman of the Club's fund raising committee.

Around Our Towns

Lynda Noeth Scotti - 796-1286

Harriet A. Maher - 433-5994

Leanne Anderson, 7-year old granddaughter of long time Hicksville residents, Mildred Bernert and Andy and Lil Anderson, made her First Holy Communion on April 15. Leanne's parents, Bill and Patricia Anderson, held a party to celebrate this happy occasion at their home in Commack. Thirty guests joined Leanne in the festivities.

An April 1979 wedding is planned for Mary Stenson, Hicksville, and Brian Smith who were recently engaged. Mary is a graduate of the Berkeley-Clearmont Secretarial School and works for a local sporting goods firm. Brian, who graduated from Fordham U. where he majored in accounting, is employed by the Ford Motor Company in Danbury, Conn. Congratulations to you both.

Kathy Stenson, Hicksville, is working towards her Masters Degree at C.W. Post College. Kathy said she will have completed her degree requirements by July and will receive her Masters Degree in learning disabilities at that time.

Another Hicksvillite, Donna Doherty, completed her internship as a social worker with Brooklyn Legal Aid. Next year, when Donna finishes at Oneonta State College, she will continue her studies at law school to become a legal aid lawyer.

Hicksville has many bright students. One of them, Carolyn Fischer, made the Dean's List at SUNY at Farmingdale. Carolyn is majoring in accounting. Helen and Fred Fischer are proud of their daughter's accomplishments.

Spoke with Frank Antun of Antun's Restaurant last week. Frank's recent skiing accident doesn't seem to be incapacitating him too much - he's moving right along, crutches and all. In fact, he told us he's busy with his preparations to open another restaurant in Mineola. The official opening is planned for June 1 in a building that was originally built in 1896.

Congratulations to new parents, Elaine and Kevin Hughes of Hicksville. Their new son, Ryan, born April 12, joins 3 brothers: Eric, Michael and Scott. Although Ryan's brother,

Eric, likes his new brother, he was a little disappointed because he said, "I really wanted a puppy."

Welcome to Matthew John Russ. Matthew, son of Dot and Dick Russ, was born January 30 and weighed 7 lbs., 4 ozs. Dot is the daughter of Dot and Bill Rogoza, and Dick is the son of Eleanor and Hank Russ, all Hicksvillites. We were told by a reliable source that Matthew "looks just like his father."

Nine-year old Kim Fico has only been playing the flute for three months, but has been selected to play in the Old Country Road School Band. Looks like we have the makings of a child prodigy here. Keep up the good work, Kim.

Belated birthday greetings to Maureen Burch of Hicksville from sister, Mary, and friend, Joanie. Maureen, who was 20 years old on March 6, is employed by Manufacturers Hanover Trust in Syosset. Maureen has been a member of the St. Ignatius Cadet Corps, Hicksville's champion drum and bugle corps for the past ten years and has toured all over the country with the Corps.

Ann Jablonsky celebrated her birthday on April 20. Much love and happiness is wished for you from your family, Ann. Best wishes on your special day.

Hawaii hosted some of Hicksville's younger crowd recently. Bill Rogoza, Jr.; Dot Lake, Jerry Schreiber and some other friends spent two wonderful weeks at this island paradise. The visitors returned tanned and rested.

Bill Rogoza, Jr., who was a student in the Hicksville Schools, and a graduate of Clemson University, SC, is currently residing in Dallas, TX. Bill is an electrical engineer employed by Hazeltine Corp. and that company sent Bill on a temporary assignment to Texas. He has been there since September 1977 and hopes to be back home in Hicksville before 1978 is over.

Happy anniversary to Edward and Jeanne Boyens of Hicksville who celebrated their 28th wedding anniversary on April 19. Ed and Jeanne travelled upstate for the week on an anniversary trip.

They have four children: Patricia Clark; Ann Meddaugh; Edward, Jr.; and Christopher. Their three grandchildren are Maureen, Michael and Kelly Ann. May you both enjoy many more happy and fruitful years together.

On April 8, former Hicksvillites, Maureen and Joe Kubasky, narrowly averted a tragedy when they awoke to find their 18-foot cabin cruiser engulfed in flames. The flames from the boat which was on its trailer in their driveway, could easily have spread to the Kubasky's home. Quick action by the Huntington Fire Department saved the house, but the boat was damaged beyond repair. Maureen and Joe's many Hicksville friends were relieved to learn that the family wasn't hurt.

Maureen Brennan, daughter of Helen and John Brennan of Hicksville, has a B.S. in psychology from St. Thomas Aquinas, Sparkhill, Rockland County. Maureen plans on entering Fordham University where she will study for her M.A. in special education. She then hopes to do remedial reading research. Good luck, Maureen. You're an ambitious woman.

Sean Quinn, son of Ed and Joyce Quinn of Hicksville, has almost completed his four-year stint with the U. S. Navy. Sean is currently a Second Class Petty Officer on the U.S.S. Forrestal, an aircraft carrier. He is married to the former Margaret Game, also a Hicksvillite. Their future plans after Sean leaves the Navy have not been finalized as yet.

Mid Island Council 4-H recently held a Rock & Mineral Workshop at the Hicksville Public Library, conducted by Teen 4-H'er, Eric Ohland of Bellmore. Eric is shown breaking a geode in front of (clockwise) Peg O'Grady, Malt Ohland, Richard Stasche, Cathy Bennet and Laura Greaney.

Dear Friends...

On Thursday, May 4th you will have the opportunity to vote on the proposed Hicksville Parks Complex. Every home in the area has by now received a brochure describing this complex and giving its costs. Councilman Thomas Clark has made many presentations on this subject before many organizations, plus a public hearing of which you are all aware. Even as we go to press you will note that the Hicksville Library has made tapes of some of these meetings available for your further enlightenment.

As you can see in our article on page one of our Hicksville edition, the costs are something that we all have to consider seriously. In our opinion, although the proposition has some merit, at present costs, and combined with the fact that all of our taxes, including our school tax will be going up, it is just too much for the average Hicksville resident to approve. In our opinion we should consider less expensive alternatives. Echo Park in West Hempstead is just great, but it was paid for by the entire population of the Town of Hempstead. Our proposition must be paid for only by residents of our Park (school) district and that is another story. The hardship on those of lower and middle income would be just too great, in our opinion and therefore, although we'd love to have such a complex in Hicksville, we must urge a "no" vote at this time. Let's reconsider... and come up with something we can afford. The Task Force has done a good job, and we KNOW that the Town officials have only addressed themselves to the parks proposals because on these two pieces of property, the residents of Hicksville themselves, publically look stands against using them for private development and made it known that they wished the Town to buy them for "park purposes" we now have to let our elected officials know, just how much we want to spend in developing these parks. We will bring this up at a later date for at this time it is only necessary that you do not forget to vote on Thursday, May 4th.

AS WE GO TO PRESS: The Hicksville School District has set June 21st for its annual budget vote, with June 7th as the date of its public hearing. Much more on this later.

We have heard from several people regarding the confusion of the actual date on which Memorial Day will be celebrated this year. On the calendar, it is May 29th... on the State Legislative calendar it is May 30th... and to those who open their business establishments to do business, it isn't even a day set aside to honor our War Dead, at all! We think it should be. We know that times are changing rapidly and not always for the better. We think that at least one day should be sacred to the memory of those who have given their lives so that our way of life may continue. Can't we do our shopping on other days? There is a bill, Senate Bill No. 7453 and Assembly Bill No. 9876, which proposes Memorial Day Closing of most businesses. So why not write TODAY to your Assemblyman or State Senator at the Assembly or Senate Chamber, State Capital, Albany, NY 10007, if you agree. Let them know how you feel on this important matter.

THAT'S ALL for this week. Stay well and don't forget to vote in the coming school elections. What could be more important than the education of our children?

SHEILA NOETH

The Lutheran Women's Missionary League of Trinity Lutheran Church, 40 West Nicholas Street, Hicksville, had as a guest speaker, Pastor Phillip Kelly of the Belmont Race Track community. This group of people represents the track workers, their families, and many others that are involved in the industry. Pastor Kelly ministers to the 4500 people who work and live in the Belmont complex.

Mrs. Irene Gropp, Mrs. Joan Johneas, present Pastor Phillip Kelly with the check for \$200 as Pastor John Krahn of Trinity Lutheran Church looks on.

Letters To The Editor

To the Editor:

I am not a "Turkey", nor a "Fool Pusher", or a "Dissident", but several remarks in Messrs. Thomas and Henne's letter printed last week spurred me into voicing a few feelings.

First, yes this is 1978 - but being a native Hicksvillian I wish it were 1938 again. Then there was a community here to beautify. What have our Town Fathers done to Hicksville? Well, vacant lots, debris-strewn streets, bottle littered parking fields, to name a few things. What guarantee do we have that this proposed park-complex wonder will turn out any different?

Second, is this not the same William Henne who is very actively involved on the Task Force Committee? If so, he should so identify himself. I can understand his approval of the idea, he probably helped formulate the plans, but in all fairness it would be beneficial to weigh his remarks with all the information.

And third, and this is the most serious concern, I get the feeling that somebody is trying to put one over on me. The Task Force has changed, original members moving away, etc. Information regarding the plans was skimpy until too late to do anything constructive if opposed, voting dates were assumed to be in early May and then all of a sudden on April 11th a May 4th voting date was arrived at (Final Registration being April 21). In addition, no special registration places were assigned and a very misleading press release sent to local papers. Finally a public hearing is set for April 25 in the High School - What For? I may be naive, but I should think this general meeting should have been the first step, not the last.

There are too many things to investigate and unfortunately this vote is being forced on us with speed and there is not enough time to look into the situation carefully.

Just remember folks, when and if the pool is built, if the temperature hits 90° unless you've paid X amount of dollars for membership, your "dollar or two more" in taxes won't buy you anything to cool your body or your temper. And, if enough people purchase membership to make the cost reasonable, there just might be enough room for your big toe to cool off.

Sincerely,

Valerie (Zaleski) Pakaluk P.S. By the way, we're not poor relations to Bethpage yet, but keep piling on the taxes and we soon will be.

To the Editor:

So many of the letters that you

have received have protected the proposed Park and Pool Complex. I am not advocating that you vote for or against the pool, but there are a few things voters should consider before a judgment is made.

If a person went out to buy a pool for his family, he might have a choice in today's market. An average size pool from one of the leading manufacturers might run \$599 and up. But when the buyer walks into the store, he might be shocked. In order to properly maintain a pool, you must have a filter, a skimmer and a vacuum. In order to climb into this tank of relaxing water, one must have a ladder and possibly a deck. And when the final cost is totaled and the tax added on, the buyer might find that installation and delivery is extra. So your bill could easily run upwards of \$900.

You have great expectations from this backyard bathtub and you estimate that it will last 15 years. Pro-Rated, the cost would be \$90 a year - that is, if nothing needs repair.

And what do you get for your \$90. You have the pleasure of worrying whether a neighbor's child should wander into your yard and climb up to take a peek. So for your own protection as well as to follow the law, you build a fence.

The new pool owner would now have the privilege of filtering the pool every day, with the added cost to the electric bill, and of vacuuming the bottom when needed. Don't forget, the top must be skimmed to prevent dried leaves and grass from becoming your swimming companion.

Finally, if you have a family, you can become the lifeguard of the block. That is the thrill of the year.

If you wonder why I speak this way, I have had a pool.

So people say that I could go to Cantiague Park. Yes, I could, but swimming is limited from Memorial Day to Labor Day when it isn't nasty and doesn't rain.

I could go to the lovely town beaches - especially the ones on Oyster Bay, whose waters have become brown from the gas and oil of motor boats.

I could not go to the Levittown Pools, because, I, like so many other residents of Hicksville, do not own a Levitt house.

But a pool costs money. It would cost the average homeowner approximately \$23 a year to build one park and a park and pool complex with a gym.

For those who would want to swim - whether it be for competition, relaxation, or therapy -

it would cost approximately \$60 for a four month season, everyday, rain or shine. And \$60, plus \$23 - \$83. For \$83, you could get 4 months of enjoyment instead of \$90 for 2 months of aggravation.

Sincerely,
Carole Wolf
Hicksville

Dear Sheila:

I have learned while attending the local school PTA functions on budget discussions, as well as listening to those comments at our public board meetings, that the community is deeply concerned about Board of Education studies relating to staff reductions, classroom size and review of our proposed budget for 1978-79. It is now obvious to me that the general public is not fully acquainted with the facts, resulting in confusion and misinformation, especially in the area of proposed staff reductions.

Our proposed staff reductions are not necessarily due to the 2.5 million dollar increase of costs over last years budget figures - the most important consideration in my view is the declining enrollment in relation to our current staff size. We lost 2,889 students over the past five years. That is greater than the current population of our High School. Our projected enrollment for 1978-79 is 7400 students, whereas in 1973 our enrollment figure was 10,289, a drop of 28%. Our staff, however has remained pretty constant. In 1973 we had 393 teachers, our current staff is 576, however, we did add 23 new teachers during that period in the special education department, as well as in the remedial math and reading programs.

The Board of Education instructed Central Administration to give us a number of staff reductions without affecting current programs or services. The figure given by our professional staff was 48 teachers to be exceeded. May I add that if we were to follow the soon to expire teachers contract the figure would be 73 not 48. Even greater if we were to enforce the contractual formula 1-teacher less for every 30-student decline in enrollment. For obvious reasons we cannot enforce the HCT contract terms, for it would surely affect the programs and services as presently in place in our District.

Another concern is class size - or "district averaging". The Contractual class size for Kindergarten is 22, next year, by additional k-teachers, the average class size will be 16.4.

(Continued on Page 17)

Whatever Happened To Zero-Based Budgeting?

Gregory W. Carman, the candidate for Congress in the 3rd Congressional District, which represents Oyster Bay, Huntington and part of Babylon Towns, has praised 65 Democrats in Congress for joining 123 Republicans in defeating a bill which would have allowed President Carter to increase his staff allowance by \$8.6 million so he could nearly double the number of high-paid White House staffers.

"I just wish my opponent, Jerome Ambro, had been one of those 65 Democrats who crossed party lines to vote against the bill," Carman said. Ambro followed the back-room dictates of his party and voted for the measure.

Carman said the legislation would have allowed the President to appoint 25 people at annual salaries of \$97,500, 25 staff mem-

bers at \$52,500 and 50 at \$42,423. "The Democrat Leadership, expecting easy passage brought the bill up under a quick procedure which required a two-thirds approval," he said "but it failed, 207-188, thanks to the 65 Democrats who wouldn't swallow the orders of their political party."

Carman, a 41-year old Farmingdale attorney who serves on the Oyster Bay Town Board, said that President Carter, despite his campaign pledge to cut the White House staff, strongly supported the legislation. Had it passed, the White House staff allowance from \$29.5 million to \$38.1 million. "What ever happened to zero-based budget?" Carman asked.

"Instead of cutting the White House staff by nearly one-third as promised, they sought an increase of 30 per cent in one year." Carman also said that the re-

sponse of Hugh Carter Jr., a cousin to the President and his special assistance for administration, provided a ludicrous answer to the logic behind the bill. Carter, was quoted in the Washington Star, as stating the White House wanted "to have plenty of flexibility for the future, in the event of an emergency like World War III or something and they needed to suddenly increase staff."

Backers of the bill argued that it contained essential accounting procedures for the White House staff which have never before been applied, but Carman said that opponents of the measure pointed out that there were also poor provisions which should have been amended.

Under the Democrat Leadership rules, however, no amendments were allowed.

A Message From Supervisor Colby

With the acceleration of Nassau County's sewer installation program, many of the communities in Oyster Bay will be getting sewers long before they were originally scheduled to do so. A number of homeowners have been calling Town Hall with questions about their responsibilities in connecting their homes to the system.

To allay these concerns, a number of our Town Councilmen have been sponsoring public seminars in these communities at which knowledgeable County and Town officials explain these matters and answer any questions raised.

In addition, the Town's Building Division is in the process of updating an information sheet for the

homeowner which tells how to go about getting your home connected once the main sewer pipes are installed on your street. It provides answers to the four most asked questions on this subject:

Where does the homeowner begin? What should be expected of the licensed plumber? What protection does the Town offer to the homeowner? What about guarantees?

The most important step, according to the sheet, is to be certain that the plumber chosen for the job is licensed to do work in the Town of Oyster Bay. This can be confirmed by a phone call to the Building Division during business hours.

An owner should then make sure that the plumber has obtained the necessary permits

from the County as well as the Town. Work illegally performed is considered the homeowner's responsibility.

In addition to certifying to the plumber's professional competency, the Town also requires that each and every job be inspected by its Plumbing Inspector. Guarantees, landscape restoration and the like are matters the homeowner must agree upon with the plumber he hires and should be made a part of the written agreement.

The new fact sheet should be available within the next few weeks, and copies can be obtained by contacting the Public Information Office, Town Hall, Oyster Bay, 11771, or calling 922-3800.

TESTIMONIAL: Oyster Bay Town Councilman Kenneth S. Diamond (right) presents a citation to Martin Dennis during a testimonial in his honor. Dennis, a resident of Hicksville, was cited for his work as president of the East Nassau Hebrew Congregation in Syosset and on behalf of Yeshiva University.

Solar Energy

The key will be turned to open solar energy doors in the county on Tuesday, May 2, by Nassau Energy Administrator Francis E. O'Connor.

His symbolic action will signal the start of an open house at the Solar Applications Center of Local 55 of the Sheetmetal Workers International Association at 195 Mineola Blvd., Mineola, which will lead to the county's observance of Sun Day on Saturday, May 6, at Nassau Community College.

The ceremony at the center will begin at 11 a.m. and continue through Friday, May 5. Others present for the key-turning will be Sheetmetal Associated General President Edward J.

Carlough and representatives of the U.S. Department of Energy.

Solar collector systems and monitoring instruments will be on display for public view and questions on solar energy will be answered. The film "Under the Sun" will be shown on a regular basis for public information. Consultations on private application of solar energy will be given without charge if prior appointments are made.

The open house will lead to solar festivities at the college off Stewart Avenue in Garden City, starting at 10 a.m. on Saturday and continuing to 5 p.m.

Included are educational displays, speakers on energy system alternatives to fossil fuel, audio

visual presentations, solar hardware demonstrations, music and a puppet show.

The free program is open to the public and is co-sponsored by the Ecology Group, the Long Island Safe Energy Coalition, the Malverne Environmental Council of L.I. and the Nassau County Department of General Services, Division of Energy Resources.

For all information, call 538-3838.

The unrivaled singer Jenny Lind, the "Swedish Nightingale," (1820-97) was so loved nationwide that in 1850 up to \$653 was paid for a single seat at concerts given in the United States.

Fire Report

Three Homes Damaged
By Fires

The month of April has been a costly one to several Hicksville residents whose homes were damaged by fires during the past two weeks. An electrical fire inside the wall caused moderate damage to two rooms in a Levitt home at 67 Lantern Rd. The alarm came in on April 17 at 11:36 a.m. A fire at 41 Laura Dr. on April 19 at 1:13 a.m. caused heavy smoke damage and moderate fire damage to one room. The fire reportedly was set by burglars. Second Pct. Police and fire marshalls are investigating.

A fire in a house at 26 Linden Blvd., on April 21 at 10:12 a.m. caused heavy damage to the attic and roof areas. The blaze was believed to have been caused by a plumbers torch. Fireman

Edward Gallagher of Co. No. 2 suffered a broken ankle at this alarm while working. On civilian was also slightly injured (burns.)

During the period April 3 through April 22, there were 106 alarms for Hicksville firefighters, 13 false alarms, 51 fire calls and 42 rescue calls. There have been several calls

recently that were kept minor in nature due to the fact that smoke detectors alerted occupants to the fire and damage was kept to a minimum. Please, if you don't have a smoke detector, get one today. If you have one, encourage your friends and neighbors to get one too.

Lee Ave. PTA

On Thursday evening, April 20, the Lee Ave. PTA held its April PTA General Meeting.

Revisions to the bylaws were presented to membership and their acceptance will be voted on at the May General Meeting. Election of Officers for the 1978-79 school year took place.

After the business meeting, an extremely informative program was presented by the Hicksville Fire Department Volunteer Paramedics.

Need Help?

The Hicksville High School Dropout Alternatives Program is currently attempting to secure spring and summer employment for Hicksville youths.

"We have a growing list of Kids who are anxious to mow lawns, paint or do a variety of chores for a very reasonable fee. If you would like to support the program by contributing a job, please call 733-2086," urged a spokesperson for this program.

CYO Intramural Baseball

K, 1st and 2nd Grade
 The Dolphins beat the Hawks 9-2. The Dolphins heavy hitting was led by Kevin Burke with two long homers and Kevin Reynolds with 3 solid hits. The Falcons overwhelmed the Shrimps by a 21-3 score. Pete Coen of the Falcon had 4 hits while Kevin Coen executed an unassisted double play. The Lobster clawed the Jaybirds by a 13-8 score. Overall teamwork was the key to the Lobster victory. The Bass nipped the Pigeons 11-10. The "gamer" was a three run homer by Anthony DeRosa. Chris Lizza saved the game with several outstanding fielding plays. In another game, the Whales

swallowed the Robins 8-3. A late rally, ignited by a double by Wayne Bolen, quickly followed by hits by Joseph Toner, John Keenan, Don Moore and Tom Fallarino sealed the victory for the Whales. The Sharks closed out the day's action by squeezing out a 24-23 victory over the Cardinals in a mammoth slugfest that included a Grand Slam home run by Jack Blazgewicz of the Cardinals.

The current standings are:
Bird Division

Falcons	2-0
Jaybirds	0-2
Pigeons	0-2
Robins	0-2
Cardinals	0-2

Hawks	0-2
Fish Division	
Lobsters	2-0
Bass	2-0
Whales	2-0
Sharks	2-0
Shrimp	1-1
Dolphins	1-1

3rd Grade
 The Yankees bested the Dodgers 7-3 for their second straight victory. The Yankees again received strong pitching from Mike Patwell and Tom Kenny. Nick Petrilli pitched well in a losing cause and William Moran hit well for the Dodgers. A strong, well balanced Giant Team also won their second straight victory by beating the Cardinals 6-5, despite strong pitching by Jared Wendt who struck out 12 batters. Allen Bento also made a strong hitting and fielding contribution but the Cardinals came up a little short.

The current standings are:

Giants	2-0
Yankees	2-0
Cardinals	0-1
Mets	0-1
Dodgers	0-2

Harbor Distributing by a 4-2 score. Perry's Liquors showed a strong hitting attack in defeating Stock Funeral Home by a 10-9 score. In the final game, William Kroemer bested Long's Chinese Restaurant 7-6. Ray Stiehle was the winning pitcher for the Kroemer Team with 4 strong inn-

ings and Phil Brady had a homer for the losers.

The current standings are:

William Kroemer	2-0
Harbor Distributing	1-1
Longs Chinese Restrn	1-1
Rollins Rapid Repro	1-1
Perry's Liquors	1-1
Stocks Funeral Home	0-2

Senior League Baseball

By Jeff Toner

The Hicksville Senior League Baseball program opened last Saturday. This year the Senior Major Division shall be comprised of teams administered by the Hicksville American League as well as teams administered by the St. Ignatius CYO.

SENIOR-MINORS

There are four teams in the league this year. Zara Construction started their season with a hard fought 1-0 squeaker over a tough Kiwanis Team. The winning run was scored in the 10th inning when John Costello, with a daring dash for the plate, stole home on an extremely close, exciting play. Mike Berrios and Tim Milligan were the pitchers who combined to pitch the 10th inning shutout. A game saving play by Brian Bishop at second base allowed the game to progress into extra innings. In the other game, Maltese overwhelmed Worlds Fair Liquors by

a 10-7 score. Alex Clark with 2 for 2, and Charles Porcasi with two hits and 4 RBI's led the Maltese attack. Strong relief pitching by Len Carlson preserved the victory.

SENIOR-MAJORS

The league partially got started this week with a full schedule planned for next week. Citibank nipped Dry Dock by a 4-3 score, with the winning run crossing the plate in the last of the 7th inning. John Solatta and Mike Tarnell provided the strong pitching for Citibank while Joe Kosikowski ramed home the winning run when he lashed a single to center field. Hamburg Savings, behind strong hitting by John Hickey and Art Zagorski, outstanding fielding plays by John Toner and John Gahan, and superb pitching by Mike Holt defeated a good Beacon Savings Team by a score of 7-1. Ed Milacek led the Beacon team with two hits while Herb Johnson pitched well.

Named To Team

Ed DeDomenico, a senior at The Johns Hopkins University in Baltimore, is a member of the 1978 varsity lacrosse team.

The son of Mr. and Mrs. Edward DeDomenico of April Lane in Hicksville, DeDomenico is a 1974 graduate of Hicksville High School. He is majoring in environmental engineering at Johns Hopkins, where he is a member of the Phi Gamma Delta

fraternity and a volunteer in the chaplain's tutorial program.

He is an important asset in the Johns Hopkins quest for the national championship. The Blue Jay team reached the Division I finals last year and finished runner-up to Cornell. This year the team has gotten off to a fast start with victories over Yale, Harvard, Princeton, and Virginia; and hopes to end the season number one.

French Honor Society Induction

The members of the Hicksville Senior High School French Honor Society, and their advisor, Mr. Richard Gentile, cordially invite the Hicksville community to their induction ceremony to be held on Wed., May 3, at 8 p.m., in the Little Theatre of Hicksville's Senior High School.

Mr. Emil Bovay, Swiss Consul, will be the guest speaker. The Society will also honor Miss Denise DeSimone, 1st place national winner in the French Honor Society's

Scholarship Competition. She will spend the month in July in Paris at the Ecole Internationale De L'Alliance Francaise.

AROUND TOWN

Twelve-year old Gerard Humphreys made his Confirmation on April 24 at St. Ignatius Loyola R. C. Church. Gerard's parents, Marilyn and Ed Humphreys, honored this occasion by taking the family out to a local restaurant for dinner. Gerard is a student at the Hicksville Jr. H.S.

STRIKE: As Oyster Bay Town Councilman Thomas L. Clark (right) watches intently, nine year old Edward Rothschild demonstrates his pitching form during opening day ceremonies of the Hicksville Baseball Association. Also on hand for the event were Thomas Gallahue (left), Commissioner of the Town's Department of Parks and Recreation, and association President Jim Healy.

Hicksville American Soccer Club

Last week end, the traveling teams were involved in another 24 games & after 3 weeks of play, the total club record is 38 wins, 18 losses and 13 ties. Out of the 22 teams, there are still 12 that remain undefeated. Congratulations to these players & coaches: Al Boccafolo (boys U 8, Rich Hanna (boys U 8, Joe Neto (boys U 9), Jim Morrisroe (boys U 10), Steve Florio (boys U 10), Ben Brutschin (boys U 11), Pat McHugh (boys U 13), Pete Baena (boys U 16), Mike Sini (boys U 16), Angelo Lozio (boys U 17), Paul Bedell (boys U 19), and Kevin Shannon (girls U 19).

Boys U 13 - The 1965 boys, coached by Pat McHugh & John Mitchell were on the road again for their final "warm-up" before they have to meet the two toughest teams in their division (Huntington & Massapequa) in back-to-back matches in the next two weeks. Their opponent this week was last place Cow Harbor with an 0 and 3 record and 17 goals given up. The boys might have taken this game too lightly & came away with only a tie which doesn't help them very much in the over-all standings. Hicksville had a 2-0 lead in the 2nd half and blew it by allowing Cow Harbor to score twice & tie the game. Next week will be their toughest game of the season against Huntington and in order to do well, they will have to pull together and work hard as a unit.

Girls U 19 - On a beautiful Sunday afternoon over at the Grumman fields, the girls were in a battle for first place and came out of it with sole possession of the top spot. There was some concern before the match as Island Trees was the only other undefeated team and had scored 17 goals in three games while giving up only one. As the match began, it appeared that it might indeed be a difficult afternoon but gradually Hicksville began to dominate. The front line (Patty Decker, Patty & Diane Conway, Patty Rogers, Janine Vassler, Karen Jung & Sandy Bruder) on several occasions broke through the I.T.'s defense and penetrated deep & had several good shots on goal and forced a few corner

kicks. The halfback line moved up and supported the strikers and kept the ball in Island Trees half of the field. These girls, Tricia Valle, Karen Dolan- and Fran Panetta did a good job at mid-field control which usually decided the outcome of the game. Only a few times did the ball get through but fullbacks Kathy Dolan, Kathy Scheidel, Jeanne O'Shea and Sue Stafford were there to stop the attack. Miriam Pepi in goal recorded her third shutout in four games. Final Score was Hicksville 6 and Island Trees 0.

Boys U 11 - The 1967 boys bounced back with their 2nd win of the season over Patchogue last week-end. After the long trip out east, the boys limbered up and went out & played a good, strong game. The front line of Matty Bell, Robert Cunningham, Stephen Brice and Frankie Christiano kept pounding at the Patchogue net & with a lot of help from halfbacks Rich Karlewicz, Troy Levy, Fred Musumeci & Gerry Dolan, produced 6 scores for Hicksville. Christiano got the hat trick, Cunningham 2 and Musumeci one. Fullbacks Mark Habersaat and Frank Kolovich helped goalkeepers Sam Masiello and Steven Schecter produce the team's second shutout of the season & coaches Harry Habersaat and Walt Karlewicz were pleased with their performance.

The fullbacks played an outstanding game - Billy Cheslock, Bryan Althaus and John Frattini, backed up by Stephen Wayne in the goal, kept Cow Harbor scoreless for the rest of the game.

The Hicksville American Soccer Club "Blues" (Pee Wee Division) topped the Cow Neck "Pacesetters" on Sunday for their 3rd victory of the season. At the sun splashed Grumman Soccer Complex, the Blues overwhelmed the Cow Neck Club 4 to 1.

Hicksville's scoring was started on a fancy move and goal by left wing David Nisenon. Willie Sneddon tallied the second score on a free kick from 30 yards out.

Just before the end of the 1st half, James Panchookian popped a shot over the Cow Neck goalie to make it 3 to 0.

High scoring right wing John Fabrizio netted the Blues' last goal midway through the second half.

Again this week it was the mighty half back trio of Tim Van Cise, Willie Sneddon and Craig Carson who maintained the attack. Also, the Blues got a strong game from power forward Billy Stein and the versatile Jean-Claude Balek and full back Joseph Schindler. forward Anthony Schiralli had 2 assists.

Coach Rich Hann's post-game quote of "TERRIFIC" best sums up how the Blues performed.

Next Saturday the Hicksville "Blues" play indoor at the Nassau Veteran's Coliseum. On Sunday they resume regular league play at the Huntington "Hornets" home nest.

Boys Under 12
Hicksville Blue (2)
Cow Harbor (1)

Cow Harbor scored early in the first half, but the Hicksville boys scored right back with Mark Agad putting in his second goal of the season. The assists on the goal went to Scott Greenspan and John O'Reilly. Hicksville's second goal came in the second half with a nice shot from an indirect kick by John Frattini, which was passed across the goal mouth by Jimmy Hughes and tapped in by Robert McKenna. James Youngs played a beautiful right wing and Jimmy Magner played his usual tough game at center half back. Matthew Grice, playing his first game at left wing, also had a good day.

There were 150,000 mopeds sold in the U.S. last year, reports the February Reader's Digest, and in three years the sales figures are expected to be in the millions. The cross between motorcycle and a bike will go a long way on very little gas, and you can buy one for about a tenth of what you'd pay for an automobile. But most moped enthusiasts say they ride the two-wheelers mostly for the fun of it. A group of 30 women in Walnut Creek, Cal., call themselves "The Moped Mamas" and meet once a week

A Message From The Hicksville American Soccer Club

Hicksville American Soccer Club. These cards refer to a summer soccer clinic. Registration dates for our 1978-1979 season will be published in a few weeks. Regarding the cards you may have received in the mail about registration for the Home Town Soccer Program, we wish to

stress that this is NOT a registration for our 1978-1979 season. San Marcos University in Lima is one of the oldest universities in the western hemisphere. It was founded in 1551, 85 years before Harvard University.

CUMMINGS 'N GOINGS

By Jim Cummings

OVERRIDE CAREY'S VETO: The recent action by Governor Carey to veto the death penalty in New York State (Senate Bill Number 7250-A) puts each of us in danger here in Nassau County. It is quite evident that the Governor has closed his ears to cries of help in the streets and to the anguish of families of slain Police Officers and the public alike. We hope you will join and support the Patrolmen's Benevolent Associations' of Nassau & Suffolk

by writing Assemblyman Angelo Orazio, Irwin J. Landes and Arthur J. Kremer and demand that they fulfill their obligations to make our streets safe for all citizens by overriding Governor Carey's veto of the death penalty - the address is New York State Assembly, Albany, New York 12224 please do it today.

MEET COUNSUL GENERAL: Members of the Freedom For All Ireland National Board Committee of the Ancient Order of

Hibernians attended a Luncheon this week at Neary's Pub on East 57th Street in New York City hosted by Martin Higgins, National Chairman. The business-luncheon session was attended by Honorable Gearoid O Cleirigh (Dublin) Counsul General of Ireland; Eugene Hutchinson, (Derry-Kerry) Vice-Consul of Ireland; Padric Collins, (Claire), Deputy Counsul of Ireland; Nassau County District Attorney Denis Dillon (Kerry-Cork), Deputy National Coordinator; John Bownes (Sligo), National Publicity Chairman, National Board; Jack Irwin (Limerick-Kerry), National Coordinator; Martin Gannon (Roscommon) Deputy National Coordinator; Michael Moran (Carlow), Committee Treasurer and Jim Cummings (Mayo-Sligo), National Press Secretary.

WE HEAR THAT: The St. Ignatius Cadet Corps Parents Association will hold its Dinner-dance on April 29th at the Michael Hartigan Council, Knights of Columbus, Bethpage - please support the Corps - let's keep them No. 1 again this year in the competition... Saturday, June 10th is the date of the Cocktail Party sponsored by the Ladies Auxiliary of the Commodore John Barry Division Eleven, Ancient Order of Hibernians of Hicksville ac-

CITED: Audiologists, speech pathologists, educators and other professionals make up the more than 650 members of the Long Island Speech and Hearing Association.

Nassau County Executive Francis T. Purcell (right) presents a proclamation designating May as "Speech and

Hearing Month" throughout the county to David Jaffe, (center) a counselor in the Hicksville schools, and Dr. George Moskowitz of Glen Head, president of the Association, for the 25 years of service to the communicatively impaired the educational organization has given.

according to Dolores Cummings, Chair Person - please mark your calendar! Jim Gildersleeve and Jim McLaughlin are home from the hospital - speedy recovery! Free Childrens Shows At Nathans

The Nathan's Famous Children's Theatre, 1401 Mid-Island Shopping Center, Hicksville, will continue to present free children's shows every Sunday afternoon at 1 P.M.

The free one-hour shows, which include puppets, marionettes, magicians and clowns, are presented weekly by Nathan's as a public service. Families are invited to attend and further program information can be obtained by calling 822-2177.

CHILDREN'S ENTERTAINMENT LIST

Sunday, May 7 - "Magic with Marion," a show of children's comedy magic by a famous female prestidigitator.

Sunday, May 14 - The Elfin Puppets will present "Puppets Come Alive."

Sunday, May 21 - "Laws, the Magician" with comedy, magic, fun, games and audience participation.

Sunday, May 28 - The Baldwin Puppets will present "Puppets at the Zoo."

Sunday, June 4 - Doug Anderson as "The Amazing Mr. Karkoon," with a show of magic, ventriloquism, puppets and cartooning.

Sunday, June 11 - The Bergerfolk Family will sing "Favorite and Familiar Folk Songs for the Family."

To Correct Filing Errors: IRS

If you discover that the income tax return you just filed had an error in it, you can correct the mistake by filing a Form 1040X. Internal Revenue advises.

George Alberts, IRS district director for Brooklyn, Queens, Nassau and Suffolk, says that Form 1040X can be used to correct such common errors as failure to report income, forgetting to claim deductions, or claiming the wrong amount of a tax credit. But it shouldn't be used to correct arithmetic errors.

IRS will correct those during processing. Mr. Alberts points out that use of the 1040X is not limited to this year's filing or to errors that are caught immediately. "Generally, a taxpayer has three years to file the 1040X from the due date of the original return, or two years from the date of the tax payment, whichever is later."

The 1040X forms are available at local IRS offices, or they can be obtained by calling the IRS forms phone number: Brooklyn and Queens, 330-7267; Nassau, 294-3700; and Suffolk, 724-8836.

Registration Open For GAP Summer Camp

Oyster Bay Town Councilman Salvatore R. Mosca this week announced that registration is open for the free Group Activities Program (GAP) summer day camp.

Registration, which will be conducted through May 31, is open to Town residents ages six to 21 who are mentally, physically or emotionally handicapped, according to Mosca, chairman of the Town Board Committee on Community Services. Information and registration forms can be obtained by contacting the Handicapped Services Division at 922-5800 ext. 248.

The day camp will operate weekdays from Wednesday, July 5, through Friday, August 18, between 10 AM and 3 PM. It will be held at the Bethpage, Marjorie

R. Post (Massapequa) and Syosset-Woodbury community parks and the Theodore Roosevelt Memorial Park, Oyster Bay.

Now entering its 11th year, the day camp is a therapeutic social and recreational program for the handicapped. Activities, which include arts and crafts, field trips, sports, music and special events, are geared to positive reinforcement of each participant's strengths and efforts to achieve personal growth and greater social effectiveness.

A special feature of the summer day camp is the learn-to-swim program. Pool fees at the participating community parks are waived for youngsters participating in the GAP program so the handicapped who might otherwise never learn to swim can be afforded the opportunity.

COLLAGES BY ELOISE MUNTER - Prudential Savings Bank, 200 Birch Hill Road, Locust Valley. For information call 671-9300.

To See King Tut Exhibit

The Hicksville Public Library will arrange a trip to the Metropolitan Museum to see the King Tut exhibit some time early in 1979. Due to the tremendous interest in the exhibit elsewhere in the country the Metropolitan has made arrangements for special groups to view this show by making reservations in advance. The library comes under the General Group classification for Monday viewing January, February, March through April 9. General groups will be admitted from a maximum of 40 to 700 people. Each member of the group must pay a \$10.00 admission fee, in advance. The total number in the group has to be a multiple of 10. The money for admission must be at the library by May 12 in order to be assured consideration for entry. If we are not accepted the money will be refunded.

The bus trip will cost about \$5.00 a person, but this money does not have to be paid until the week of the trip. The library is requesting these dates; first choice, April 2; second, January 22; third, February 19 and fourth, March 26. The museum asks for four dates, but they also state that if they are unable to fill the requested dates they will issue another dates. Sorry that we can't be more definite, but that is due to the extraordinary interest in this once in a lifetime exhibition. If you have any questions call Mrs. Neufeld at

P.O. Adds Express Service

Sectional Center Manager-Postmaster Anthony M. Murello of Hicksville is pleased to announce that nine additional post offices are being added to the postal service's express mail network of cities. They are: Babylon, Bay Shore, Commack, East Northport, Massapequa, Pt. Jefferson Sta., Smithtown, Syosset and Woodbury.

Post Offices that are presently in the express mail program and network of cities include: Bethpage, Brentwood, Farmingdale, Hicksville, Holtsville, Huntington Station, Levittown and Patchogue.

Postmaster Murello states that express mail service is an overnight delivery service program, where any mailable article weighing up to 70 pounds and going to another city in the network (most major cities in the U.S. are listed) is guaranteed to be delivered next day or your money is refunded. No other delivery service can offer this guarantee and area of service availability.

There are two options a postal customer may select:

- (1) - Post Office to Post Office - or -
- (2) - Post Office to Addressee.

Post Office to Post Office, commonly called "a label", means that your shipment can be picked up at the addressee's main Post Office by 10:00 A.M. the NEXT DAY. In most cases the article is delivered before noon.

Postmaster Murello says that when he stated earlier that overnight delivery was guaranteed, he meant it because, if they fail in either of the above options, the postal service will give you your money back and still deliver the shipment.

With the addition of these nine offices, the postal service now have 17 centrally located post offices within the vicinity of any of their customers where express mail service is available.

Any person or firm desiring any information on express mail service can call 433-7300 Ext. 89. Postal customer service staff is also available on Ext. 24 or 25 to discuss with any firm other options of express mail service, such as their custom designed program, where pick up service is available when shipments are sent on a scheduled frequency basis.

Camp Fire Girls

Ko-da he (gathering of friends) was held at Levittown Hall, Sunday March 12th. Camp Fire Girls from Hicksville & Levittown participated providing everyone with various forms of entertainment. Some Groups performed an Indian ritual with lemmisticks while others sang, danced and entertained everyone with puppetry and magical tricks.

Cathy Steckler was reelected President of the Council.

During Easter recess week Blue Birds from Hicksville, Group 096, went ice skating at Cantiague Park. A grand time was had by all. Also during Easter recess week two Blue Bird Groups, 009 & 096 went on a tour to the Nassau County Police Headquarters in Mineola. Girls were shown the various equipment used in our emergency vehicles. They were then treated to a tour of the communications room where the operators answer the "911" phones. Camp Fire Girls just finished selling their boosters.

CANDLE LIGHTING CEREMONY PERFORMED BY Ellen Della Ratta, Geraldine Shanta and Tracey Martin, ADVENTURERS 134. Ceremony was performed in honor of Ko-da pa he (Gathering of Friends) held at Levittown Hall, Sunday, March 12th.

"Mayfest"

An Outdoor "Mayfest" Arts and Crafts Fair will be held at The Episcopal Church of St. Margaret, 1000 Washington Avenue, Plainview. (1 mile north of the L.I.E. overpass). On

Saturday, May 13th (rain date May 20th), from 10am to 5pm. Parking and admission is free.

Handmade, art plants, cut flowers, and food will be for sale. There will, also, be pony rides for

the children. Come enjoy a day of fun in the sun.

Vending space is still available. Call Evelyn at 367-4486 or Marianne at 935-1280.

PRACTICING THE PRESENCE OF GOD

Death was very near. Perhaps the greatest figure ever to grace Jewish history was speaking some last words to God's chosen. As he had done on numerous occasions, Moses once again encouraged the Israelites to love the Lord their God, walk in His ways, and keep His commandments. He said that they would receive the promised land if they did this. Near the conclusion of his message we reach the point of God's Word for us today. Moses says, "I call heaven and earth to witness against you this day, that I have set before you life and death, blessing and curse; therefore choose life, that you and your descendants may live, loving the Lord your God, obeying His voice, and cleaving to Him, for that means life to you..."

If I were to ask you what was the opposite of death, what would you answer, "Life." If I were to ask the question of Moses, he would probably answer, "God." For God was synonymous with life

for him. But not only with Moses but also for other Old Testament and New Testament writers as well. For all of them, the fullness of a life worth living, was only possible when it was lived with God.

Unfortunately, for some of us, God is not much more than a sacred vagueness. We have not taken the time to discover how God describes Himself fully in His Holy Word. Our God is just that, our God - one we have fashioned after our likeness. Our God is not tolerant of the foibles of others, only ours. We are like the little girl who was busy painting a portrait of what she claimed was God. When the mother pointed out that nobody knew what God looks like, the girl said, "They will when I'm finished." That's cute with children, but can be tragic with us.

Moses knew what life with God was all about. It was a life with meaning, one full of excitement - seas opening the way to salvation, miraculous manna from heaven, divine and patient

guidance for a consistently difficult people. Therefore, Moses commanded the children of Israel to live "loving the Lord your God, obeying His voice, and cleaving to Him."

Almighty God desires nothing less from us, God is to be our life. He desires to dwell in us. He wants to be in our consciousness - not one or two hours a week but every moment. God is always present - we all affirm that, but we must be conscious of that presence. Even more, we should seek to intermingle our presence with His presence. In other words, we need to practice the presence of God in our lives, showing by our lives that He dwells in us. When we are feeling far from God, guess who's moved. God certainly didn't.

"Have It Your Way," is the popular slogan of the Burger King jingle. This might be fine with hamburgers, but not with our lives. God wants us to have life. Not our way, our way alone leads to hell, but His way. Our lives in His control. He wants to be synonymous with life, our life.

Obituaries

MARTIN HORAN

A former long-time Hicksville resident, Martin Horan of Hornell, N.Y. died on April 22. He was the husband of Catherine (nee Buchardt); father of John Patrick, James, Edward, and Bernard Horan; brother of Esther Muller of Delaware, Helen Wulforst of Hornell, N.Y., Anne Greener of Commack, Sara Hatfield of Greenlawn, Elizabeth Froehlich of Woodbury and Virginia Buchardt of Hicksville, and the late Madeline McGunngle, Samuel Horan, John and Dorothy Rowehl. He is also survived by five grandchildren.

A Mass of the Resurrection was held at St. Anne's Church on April 25 and interment followed in St. Anne's Cemetery, Hornell.

EDGAR W. TAPPEN Sr.
Edgar W. Tappen Sr. of Plainview died suddenly on April 22. He was the husband of the late Dorothy; father of Edgar Jr., brother of Heln Furnold; father-in-law of Joyce; grandfather of Diane Stammel and Janine.

He reposed at the Vernon C. Wagner Funeral Home, Old Country Rd., Hicksville. Religious services were held on Wed., April 26 at the Church of

the Good Shepherd, Lutheran, Plainview. Interment was held in Cypress Hills Cemetery.

SALVATORE DILLUVIO
Salvatore Dilluvio of Hicksville, a former resident of Astoria, died on April 22. He was the husband of Filomena; father of Elizabeth Prainito, Rose Oswald, Madeline Gigante, Salvatore and Joseph Dilluvio; brother of Vincent Dilluvio. He is also survived by 13 grandchildren and one great-grandchild.

He reposed at the Vernon C. Wagner Funeral Home, Old Country Rd., Hicksville. Mass of the Christian Burial was Tues., April 25 at St. Ignatius Loyola R. C. Church. Interment followed in St. Charles Cemetery.

JOHN T. SPIELMAN
John T. Spielman of Hicksville died on April 19. He was the husband of Viola; father of Susan Hickaby, Jane, Ann, Thomas and Robert Spielman; brother of Ruth Spielman. He is also survived by two grandchildren.

He reposed at the Vernon C. Wagner Funeral Home, Old Country Rd., Hicksville. Mass of the Christian Burial was April 25 at St. Paul the Apostle R. C. Church. Interment followed in L.I. National Cemetery.

ROSE DECKER
Rose Decker of Hicksville died on April 19. She was the wife of the late James W., mother of Rose Ridings, Lorraine, Daniel, Joseph, Edward, Richard and Harold Decker. She is also survived by 22 grandchildren and 12 great-grandchildren.

She reposed at the Vernon C. Wagner Funeral Home, Old Country Rd., Hicksville. Prayer services were held on Monday, April 24. Interment was held in L.I. National Cemetery.

ADA AUSTIN
Ada Austin of Brooklyn died on April 25. She is survived by her son, Larry of the Austin Travel, Hicksville, and a daughter, Betty Primosch of Hauppauge and five grandchildren.

The funeral was Thurs., April 27 from the Midwood Chapel, Brooklyn.

The word "fata" comes from the Latin "fatum" meaning "that which is spoken."

Celebrations At Holy Trinity

In a recital which included operatic arias, favorite classics and negro spirituals, Mary Homer sang with an eloquence and ease to the utter delight of an appreciative audience. Her accompanist, Dorris Nesbitt, showed her accomplishments on the organ with selections by Guilmont, Purcell and Bach. With unrestrained enthusiasm they received a standing ovation, which only ended when the Rector called the audience to order and invited everyone to a reception in the auditorium. Last Sunday's recital was one in a series of thanksgivings for the consecration of the new Church edifice by Bishop Robert C. Witcher on Sunday, May 21, 1978.

The Consecration Committee has guided the parish in a program of renewal in the spirit of the consecration, which includes building and grounds beautification, social and recreational activities, spiritual growth and missionary outreach. In line with this the community is invited to join in a five week study of the Epistle to the Romans, which will be presented by the retired Bishop of Long Island, The Right Reverend Jonathan G. Sherman, five Tuesday evenings in May (May 2, 9, 16, 23 and 30), at Holy Trinity Episcopal Church, Hicksville, beginning at 8:00 P.M. with refreshments following in the auditorium. Bishop Sherman is a Biblical Scholar of note and persons of all persuasions who are interested in scripture will

find this an interesting series of study.

Thursday, May 4, Ascension Day, the community is also invited to the 8:00 P.M. Evening Service which will include a hymn sing. This service of prayer and praise is offered in thanksgiving for the Ascension and for God's blessing upon christian witness.

Next week the Rector of Holy Trinity Episcopal Church, The Rev. Dominic K. Ciannella, will fly down to the Somers Studios in Virginia to oversee the fabrication of the final three windows to be installed in Holy Trinity Church within the next two months. These memorial windows are faceted glass set in epoxy, similar to the ones already installed in the Church.

In the spirit of ecumenism and christian fraternity the members of Holy Trinity Episcopal Church swap places with the members of Holy Trinity Greek Orthodox Church, which meet in the same building. Last Sunday the Greek Orthodox community began its Holy Week according to their calendar. Realizing the numbers of worshippers attending Palm Sunday, Holy Week and Easter services, the Vestry and members of the parish considered it only right that the Greek Orthodox community use the larger sanctuary for their services. Episcopalians at the 8:00 and 10:00 A.M. services last Sunday worshipped in an atmosphere filled with Eastern tradition.

STUDENTS LEARN TO SAVE LIVES. Students at Trinity Lutheran School, 40 West Nicholas Street, are practicing mouth-to-mouth resuscitation and coronary pulmonary resuscitation as part of the ongoing Health Education program. Officer Paul Holmes from the Nassau County Sheriff's Office gave the demonstration.

Orthodox Christians To Mark Holy Week And Easter

Over six million Eastern Orthodox Christians in the United States and Canada will celebrate Easter on Sunday, April 30, following Holy Week, which began with Palm Sunday, April 23.

Archbishop Iakovos, Greek Orthodox spiritual leader in the Americas, will officiate at Holy Week and Resurrection rites in the greater New York metropolitan area.

The Eastern Orthodox Churches in the United States and Canada, including the Albanian, Antiochian (Syrian and Lebanese), Bulgarian, Carpatho-Russian, Greek Romanian, Russian, Serbian and Ukrainian jurisdictions, celebrate Easter in accordance with ancient practice, following the Hebrew Passover, in order to maintain the biblical sequence of events according to which Jesus celebrate the Passover. The Passover this year, began on April 22.

On Good Friday afternoon at 2:30, Fr. Vasilios will conduct the "Service of the Descent from the Cross" at the Holy Trinity Greek Orthodox Church, 130 Jerusalem Ave. in Hicksville.

On Good Friday evening at 7:00-10:00, Fr. Vasilios will officiate at the "Epitaphios" or Burial Service. This is also known as the Service of Lamentation. The "Epitaphios" or bier, is decorated with white flowers.

The Resurrection (Easter) Service, the most mystical and

glorious rite of the Eastern Orthodox Church, will begin at 11:00 p.m. Precisely at midnight, in a completely darkened Church, the Priest will come forth from the Sanctuary carrying a white lighted candle, inviting the people to "Come Receive the Unwaning Light," the "light" of the new life in Christ resurrected. The "light" is passed from person to person until the Church is ablaze with candlelight. A Procession then moves outdoors, led by altar boys carrying lighted candles, and the Banner of the Resurrection, followed by the Choir, the Chanters, the Priest and the people. The Gospel of the Resurrection (Mark 16, 1-8) is solemnly proclaimed by the Priest. Then the Priest will lead the Christians, all carrying lighted candles, in singing "Christos Aneste - Christ is Risen", the triumphal hymn and theme of Christendom. The procession then returns to the Church to attend the Resurrection Service, which is concluded with St. John Chrysostom's inimitable sermon on the meaning of the Resurrection. As the faithful receive Holy Communion a beautiful hymn is chanted "Soma Christou" (Receive the Body of the Lord). As the faithful depart the Priest gives them a red Easter egg, which symbolizes the rolling of the tomb stone and the joy of the "new creation".

The Easter Sunday Agape Service - the Service of Love - will be at 5:00 Easter Sunday afternoon. The "good news" of the Resurrection and of the first meeting of the Risen Lord with His Disciples will be proclaimed in several languages to proclaim the great commission of the Lord: "Go Ye and teach all nations."

For forty days after Easter, at every service, at every gathering, at every social, cultural and special events, Orthodox Christians greet each other with the triumphal and joyous greeting "Christos Aneste - Christ is Risen", and the response is "Truly He is Risen".

Our Country Is A-1

Nassau County has retained its valuable A-1 rating from the respected Moody's Investors Service, County Executive Francis T. Purcell told us today.

"This should mean a significant savings on the interest the county pays for the money we must borrow," Mr. Purcell said. He commended the hard work of Treasurer Scaduto, Budget Director Richard Camp and Comptroller M. Hallsted Christ and their staffs.

"Holding onto our A-1 rating was not automatic," Purcell declared. "Our people worked closely with Moody's to prove to them that Nassau has the resources and the ability to keep its financial house in order."

Plainview Student Wins Merit Scholarship

Elliot J. Lerner, a resident of Plainview and a senior at John F. Kennedy High School in Plainview has won a National Merit Scholarship.

Lerner, 18, is the son of Mr. & Mrs. Seymour D. Lerner. Lerner's father is a Research Section Head for the Sperry Division of Sperry Rand Corporation, Great Neck, Long Island.

Lerner plans to attend Brown University and major in medicine.

He is valedictorian of his class, editor of the school newspaper, and active in varsity cross-country track, the mathematics team, and the pre-medical society. Lerner is the recipient of the Paragon Oil Student Incentive Award, presented annually to the top student in each high school in Nassau and Suffolk counties.

Lerner is one of five Merit winners whose parents are employed by the Sperry Division. Three of the students live on Long Island, one lives in Keswick, Virginia, and one in Pass Christian, Mississippi.

Merit scholarship stipends range from \$500 to \$1,500 a year, with each winner guaranteed an annual stipend of at least \$500. The scholarships are sponsored by the Sperry Rand Corporation and administered by the National Merit Scholarship Corporation, an independent organization. Only children of active, full-time employees are eligible. Finalists are chosen from students who score highest in a qualifying test of verbal and mathematical ability. Academic performance, leadership qualities and extra-curricular achievements also enter into the final selection.

TEN DAY HOME TRAIL

Adopt a well-behaved 3 year old

It may have the looks that only a mother could love, but from a practical standpoint it's all you could ask for. If it's just not your cup of tea, we also have a good selection of other "blue chip" economy cars like Toyotas and Datsuns.

First of all, if you desire, we will pay your mechanic \$20 to thoroughly check the car of your choice. If he says no, there is no further obligation.

Second, if within 10 days or 500 miles, whichever sooner occurs, you're not satisfied, return it! We're so confident you will like our car, we will give you a written money back guarantee which includes state and local taxes, registration fees, and if you finance the car through us, we will absorb any finance cancellation charges.

Thirdly, if you keep the car, our no-nonsense limited 30 day warranty simply states that the Engine, Transmission, Rear Axle, Front Axle Assembly, Brake System, and Electrical Equipment shall be in good operating condition or we will make repairs or replacement at no cost to you.

You won't find a fairer deal anywhere even on a brand new car!

NOTICE OF ADOPTION OF RESOLUTION

NOTICE IS HEREBY GIVEN that the Town Board of the Town of Oyster Bay, Nassau County, New York, at a meeting held on the 18th day of April, 1978, duly adopted the resolution published herewith subject to a permissive referendum.

Dated: Oyster Bay, New York, April 18, 1978.

ANN R. OCKER
Town Clerk

RESOLUTION NO. 324B-1978.

BOND RESOLUTION DATED APRIL 18, 1978.

LEGAL NOTICE

A RESOLUTION AUTHORIZING THE ISSUANCE OF \$507,350 SERIAL BONDS AND \$26,700 CAPITAL NOTES OF THE TOWN OF OYSTER BAY, NASSAU COUNTY, NEW YORK, TO PAY THE COST OF THE CONSTRUCTION OF ADDITIONS TO CERTAIN TOWN BUILDINGS.

BE IT RESOLVED, by the Town Board of the Town of Oyster Bay, Nassau County, New York, as follows:

Section 1. The specific object or purpose to be financed pursuant to this resolution for the Town of Oyster Bay, Nassau County, New York, is the construction of additions to the following described buildings of said Town, including original furnishings, equipment, machinery and apparatus required for the purposes for which such additions will be used:

- Highway Department Building, at a maximum estimated cost of \$479,000; and
- Sign Bureau Building, at a maximum estimated cost of \$55,000.

Section 2. The total estimated cost of such specific object or purpose is \$534,000, and the plan for the financing thereof is as follows:

- By the issuance of \$507,300 serial bonds of said Town, hereby authorized to be issued therefor pursuant to the Local Finance Law, of which \$455,050 shall be allocated to the item set forth in paragraph a of Section 1 of this resolution, and \$52,250 shall be allocated to the item set forth in paragraph b of such Section; and
- By the issuance of \$26,700 capital notes of said Town, hereby authorized to be issued pursuant to the Local Finance Law, of which \$23,950 shall be allocated for the item set forth in paragraph a of Section 1 of this resolution, and \$2,750 shall be allocated for the item set forth in paragraph b of such Section. Such capital notes shall be sold at private sale, and all further powers in connection with the details and sale thereof are hereby delegated to the Supervisor, in accordance with the Local Finance Law Pursuant to Section 107.00 of the Local Finance Law, the proceeds from the sale of such capital notes will be provided prior to the issuance of the bonds herein authorized or bond anticipation notes.

Section 3. It is hereby determined that the period of probable usefulness of the aforesaid specific object or purpose is twenty years, pursuant to subdivision 12(a)(1) of paragraph a of Section 11.00 of the Local Finance Law. It is hereby further determined that the maximum maturity of the serial bonds herein authorized will exceed five years.

Section 4. The faith and credit of said Town of Oyster Bay, Nassau County, New York, are hereby irrevocably pledged for the payment of the principal and interest on such obligations as the same respectively become due and payable. An annual appropriation shall be made in each year sufficient to pay the principal and interest on such obligations becoming due and payable in such year. There shall annually be levied on all the taxable real property of said Town, a tax sufficient to pay the principal of and interest on such obligations as the same become due and payable.

Section 5. Subject to the provisions of the Local Finance Law, the power to authorize the issuance of and to sell bond anti-

LEGAL NOTICE

icipation notes in anticipation of the issuance and sale of the serial bonds herein authorized, including renewals of such notes, is hereby delegated to the Supervisor, the chief fiscal officer. Such notes shall be of such terms, form and contents, and shall be sold in such manner, as may be prescribed by said Supervisor, consistent with the provisions of the Local Finance Law.

Section 6. The validity of such bonds, capital notes and bond anticipation notes may be contested only if:

- Such obligations are authorized for an object or purpose for which said Town is not authorized to expend money, or
- The provisions of law which should be complied with at the date of publication of this resolution are not substantially complied with,

and an action, suit or proceeding contesting such validity is commenced within twenty days after the date of such publication, or

- Such obligations are authorized in violation of the provisions of the Constitution.

Section 7. Upon this resolution taking effect, the same shall be published in full in Mid Island Herald and Syosset Tribune, together with a notice of the Town Clerk in substantially the form provided in Section 81.00 of the Local Finance Law.

Section 8. This resolution is adopted subject to permissive referendum.

COUNTY CLERK AND TOWN CLERK MEET: Nassau County Clerk Harold McConnell of Bellmore (left) and North Hempstead Town Clerk John S. DaVanzo of Mineola (right) discuss mutual events at a

Cocktail Party honoring the popular County Clerk. Both men have spent a life time in government service and both have been active volunteer firemen in Nassau County.

Dr. K. Kim Of Hicksville

Dr. Kyung Ok Kim began her practice of internal medicine at the office of the late Dr. J.W. Wycoff at 95 Old Country Road, Hicksville since March 1976. Early this year Mrs. Wycoff sold the house and moved down to Florida. And then Dr. Kim did not want to stay in the office and recently moved into the office in her residence at 29 Tudor Road, Hicksville. The new office is cozy and located in a beautiful residential area where it is easy to park.

Dr. Kim graduated in 1956 from Ewha Women's university School of Medicine, a Methodist mission school, Seoul, Korea. She worked for the Methodist Mission Hospital in Inchon, Korea, until she came to the United States in 1959. In America she had training

at Booth Memorial Hospital in Flushing, St. Anthony's Hospital, St. John's Hospital, both in Queens, and Kingsbrook Jewish Medical Center in Brooklyn. She feels it is rewarding experience to serve patients in the community, mostly her patients are women. Her husband, Dr. Sone holds a Ph. D. from New York University School of Education and works as a reference librarian.

They have five children, Paul, Vivian, Julia, Grace and David, all attend Hicksville Public Schools except Paul who is now a freshman at SUNY at Stony Brook.

She keeps her office hours by appointment. Her office phone number is 931-0424.

Membership Drive

The Membership Committee of Old Westbury Gardens, under the co-chairmanship of Mrs. Albert C. Nolte, Jr. and Mrs. Colton P. Wagner, is busy these days mailing application for membership for the 1978 season in Old Westbury Gardens, the former estate of the late Mr. John S. Phipps, noted financier and sportsman.

The committee is especially pleased to announce the many extra privileges members receive besides unlimited visits to the house and gardens throughout the season, such as a Graden Newsletter; invitations to special exhibits; member's children admitted free when accompanied by a parent; a horticultural gift.

The Picnic Pops Concerts are free to members. This season there will be seven Picnic Pops performances, featuring, among others, Peter Duchin and his Orchestra and Lionel Hampton. These concerts are held on Wednesday evenings and will begin June 14 and run through August 2. There will be two shows by the

Antique Auto Club of America; a display of Jaguar cars; lecture tours; the ever-popular spring ceremonies which will honor India this year; and, of course, the regular Member's Day celebration.

Old Westbury Gardens is located at 71 Old Westbury Road in Old Westbury, between Jericho Turnpike and the L.I. Expressway.

Admission to the gardens is \$1.50 for adults, 50c for children 6-12. Separate admission to Westbury House, \$1.50 for adults; \$1.00 for children 6-12.

For further information, call 333-0048.

JAMES PATTERSON has been named to manage James Bliss Marine's new Carle Place store that opened April 15th. Mr. Patterson has been employed the last two years by Bliss at their Huntington store. He is married and lives in Deer Park, L.I. The Carle Place store is located on Voice Road, off Glen Cove Road behind Macy's Furniture and is the seventh retail store location for Bliss.

Established in Boston in 1832, James Bliss Marine is New England's largest supplier of accessories and supplies.

Quiet, please.

High-interest zone for savers.

When you step into Queens County Savings Bank, you've entered a high-interest zone for savings.

There's our day-of-deposit to day-of-withdrawal account; we call it the "Day In, Day Out" account. You'll earn a high 5 1/4% annual dividend day in and day out since it's compounded daily and credited quarterly. And if you make a withdrawal, your money still earns interest every day it's been on deposit. (A \$25 minimum must be maintained until the end of the calendar quarter.) There are also time savings accounts available at higher rates.

And we've got totally free checking for you, too, provided you maintain a \$300 balance in your savings account.

So take your Q from the Quiet Bank. Enter the high-interest zone by opening a Queens County savings account today.

Established 1859

Oppose Compulsory Unionism

Officials of the National Right to Work Committee said that those opposing the so-called labor law "reform" bill are now within two votes of having the 41 necessary to sustain a filibuster. Committee staffers are said to be working closely with several additional senators who are highly critical of the legislation, but have not yet decided to join the filibuster effort.

The "reform" bill, which would give union officials new legal weapons to use in forcing workers into unwanted unions, was once thought sure to pass the Senate, after having passed the House by a 257-163 vote in late October, 1977.

Since that time, however, a massive outpouring of public protest, spearheaded by the Right to Work Committee, has made the labor law revisions the most controversial bill in Capitol Hill. Now, even the bill's authors and backers are acknowledging that the prospects for passage

appear dim.

The AFL-CIO's Vic Kamber, who in November had termed chances of Senate passage "100%," conceded last month that organized labor had been unable to garner the 60 votes necessary to cut off an impending filibuster. Kamber told a February meeting of the Public Relations Society of America, that the bill's backers had only 57 votes lines up to support cloture, a figure most observers described as padded.

"It's obvious," Reed Larson, president of the Right to Work Committee said, "that the Senate battle over the phony "reform" bill is boiling down to a contest between the public will and political pay-offs."

"Despite overwhelming public opposition to the union power grab, there are still enough senators undecided on the filibuster to swing the crucial cloture votes either way."

Larson designated Senators Sasser (R-TN), Chiles (R-FL), Biden (D-DE), and Packwood (R-OR), as key senators still undecided despite overwhelming pressure from their constituents. Packwood's indecision, Larson said, is particularly lamentable because of his position of leadership within the Republican Party, the part which has implied opposition to S. 1883 as a device to

raise hundreds of thousands of dollars.

Larson concluded, "We intend to keep working with undecided senators on until we're absolutely certain of this vicious bill's defeat. The risk to the individual freedom of the working person is too high to do otherwise."

The National Right to Work Committee is a 1.25 million-member citizens' lobby which opposes compulsory unionism. The Committee has engendered nearly 3 million cards and letters to senators from concerned citizens opposed to the compulsory unionism provisions of the labor law revision.

Finance Law. Such capital notes shall be sold at private sale, and all further powers in connection with the details and sale thereof are hereby delegated to the Supervisor, in accordance with the Local Finance Law. Pursuant to Section 107.00 of the Local Finance Law, the proceeds from the sale of such capital notes will be provided, prior to the issuance of the bonds herein authorized or bond anticipation notes.

Section 3. It is hereby determined that the period of probable usefulness of the aforesaid class of objects or purposes is twenty years, pursuant to subdivision 6-a of paragraph a of Section 11.00 of the Local Finance Law. It is hereby further determined that the maximum maturity of the serial bonds herein authorized will exceed five years.

Section 4. The faith and credit of said Town of Oyster Bay, Nassau County, New York, are hereby irrevocably pledged for the payment of the principal of and interest on such obligations as the same respectively become due and payable. An annual appropriation shall be made in each year sufficient to pay the principal of and interest on such obligations becoming due and payable in such year. There shall annually be levied on all the taxable real property of said Town, a tax sufficient to pay the principal of and interest on such obligations as the same become due and payable.

Section 5. Subject to the provisions of the Local Finance Law, the power to authorize the issuance of and to sell bond anticipation notes in anticipation of the issuance and sale of the serial bonds herein authorized, including renewals of such notes, is hereby delegated to the Supervisor, the chief fiscal officer. Such notes shall be of such terms, form and contents, and shall be sold in such manner, as may be prescribed by said Supervisor, consistent with the provisions of the Local Finance Law.

Section 6. The validity of such bonds, capital notes and bond anticipation notes may be contested only if:

- 1) Such obligations are authorized for an object or purpose for which said Town is not authorized to expend money, or
2) The provisions of law which should be complied with at the date of publication of this resolution are not substantially complied with, and an action, suit or proceeding contesting such validity is commenced within twenty days after the date of such publication, or
3) Such obligations are authorized in violation of the provisions of the Constitution.

Section 7. Upon this resolution taking effect, the same shall be published in full in Bethpage Tribune and Plainview Herald, together with a notice of the Town Clerk in substantially the form provided in Section 81.00 of the Local Finance Law.

Section 8. This resolution is adopted subject to permissive referendum. (D-4226-1T-4/27) PL

NOTICE OF ADOPTION OF RESOLUTION

NOTICE IS HEREBY GIVEN that the Town Board of the Town of Oyster Bay, Nassau County, New York, at a meeting held on the 18th day of April, 1978, duly adopted the resolution published herewith subject to a permissive referendum. Dated: Oyster Bay, New York April 18, 1978

LEGAL NOTICE

ANN R. OCKER Town Clerk RESOLUTION NO. 324-1978 BOND RESOLUTION DATED APRIL 18, 1978. A RESOLUTION AUTHORIZING THE ISSUANCE OF \$334,400 SERIAL BONDS AND \$17,600 CAPITAL NOTES OF THE TOWN OF OYSTER BAY, NASSAU COUNTY, NEW YORK, TO PAY THE COST OF THE RECONSTRUCTION AND IMPROVEMENT OF TOWN INCINERATOR PLANTS.

BE IT RESOLVED, by the Town Board of the Town of Oyster Bay, Nassau County, New York, as follows:

Section 1. The class of objects of purposes to be financed pursuant to this resolution is the reconstruction and improvement by the Town of Oyster Bay, Nassau County, New York, of Town Incinerator Plants, including equipment, machinery and apparatus, in order to meet Federal Environmental Protection Agency and New York State Department of Environmental Conservation emission control standards.

Section 2. The maximum estimated cost of such class of objects or purposes is \$352,000, and the plan for the financing thereof is as follows:

- a) By the issuance of \$334,400 serial bonds of said Town, hereby authorized to be issued therefor pursuant to the Local Finance Law; and
b) By the issuance of \$17,600 capital notes of said Town, hereby authorized to be issued pursuant to the Local Finance Law. Such capital notes shall be sold at private sale, and all further powers in connection with the details and sale thereof are hereby delegated to the Supervisor, in accordance with the Local Finance Law. Pursuant to Section 107.00 of the Local Finance Law, the proceeds from the sale of such capital notes will be provided prior to the issuance of the bonds herein authorized or bond anticipation notes.

Section 3. Galileo Lodge News

By Joe Lorenzo

On Sunday, April 16th, at the Field House in Eisenhower Park, from 8 to 8:30 P.M., the March of Dimes Walkathon took place. Within two hours, it was reported, the first runner completed 20 miles. Chairman Skip Monteforte remarked that it was quite a

spectacle as 18,000 boys and girls converged on Checkpoint 7, where soda was distributed to the Walkathon participants by Skip and his committee.

On hand to help control what seemed like an impossible situation were quite a few

members and officers of the Galileo Lodge, not to mention a few friends too. They were: Venerable Tom Pasquarella, Joe Giordano, Joe Suigna, Joe Piccolomino, Armand Del Cioppo, Sam Christiano, Ralph Vestuti, Dom. Russo, Dante Perotti and Pete Ragone's son, John. Also on the scene were Mary Monteforte, Skip Monteforte's wife and President of the Ladies Auxiliary, Jo Ann Wallick of the Auxiliary, Mr. and Mrs. Carl Milillo, Mr. and Mrs. Augie Ricciardi Sr. and Felicia Monteforte, who is Skip's mother.

Another pleasant note concerning the Walkathon is the assistance and cooperation received from members of the Ann Bombino Lodge of Massapequa and the Giovanni Caboto Lodge of Bellmore. Without their generous intervention, the point where the refreshment were served might have been turned into a small disaster, and no small wonder when you consider the large turnout. Chairman Skip Monteforte and the Galileo Lodge wish to take this fine opportunity to extend their thanks to all participating personnel of our organization and to the members of the other Lodges mentioned above.

The Scholarship Program is in full swing. This week letters will be sent out to Dr. Frederick Hill of the Hicksville School District (its Director) and Reverend John Seidenschwang of the Holy

Our Armed Forces

2nd Lt. Alan C. Dingfelder, son of Mr. and Mrs. Arthur J. Dingfelder, of Kilmer St. in Bethpage, recently participated in Operation Caber Warrior V at Fort Bragg, N.C.

The operation was an XVIII Airborne Corps Command Post exercise which simulated a combat environment.

Trinity Diocesan High School of Hicksville, informing them of the "mechanics" of the scholarship awards program. To state it briefly, the award consist of a \$250 prize and a descriptive plaque, and it will be presented during the graduating exercises held in June. The Director of this program is 1st Asst. Venerable Tony Previte of the Galileo Lodge.

LODGE HAPPENINGS

This Saturday night, the 29th. The Galileo Lodge will hold its Sixth Annual Celebration dance on its premises. Tickets are \$12.50 per person, featuring live music, hot food (Hors d'oeuvres) wine and cheese. Cocktail hour will start at 8:30 and end at 9:30 P.M. Call 822-7472 for further information concerning this dance. Carl Melluso and Dom Valente are the chairpersons... Follies Revue will be in the offering real soon. Chairpersons for this affair are Joe Lappano of the Lodge and Rita Mannino of the Ladies Auxiliary. Call the above number for information on this event... Plans for the Italian feast are taking shape and form, and it promises to be real, good old-fashioned affair... BINGO is still popular at the Lodge. Come every Wednesday and have a fun-filled night out at the Lodge.

Dingfelder is an assistant intelligence officer with the 101st Airborne Division at Fort Campbell, Ky.

He graduated from the U.S. Military Academy, West Point, N.Y., in 1976.

Nurse (Capt.) Barbara L. Bratton, daughter of Mr. and Mrs. Joseph J. Cassidy, of Colgate Drive in PLAINVIEW, recently was presented the Army Commendation Medal at Fort Benning, Ga.

The medal was awarded for meritorious service. Such service can be over an extended period of time or for outstanding achievement in a single situation. In either case, the recipient must have demonstrated skills and dedication far above the average.

Capt. Bratton received the award while assigned at Martin Army Hospital, Fort Benning.

The captain entered the Army in September 1971 and was commissioned by a direct appointment.

She received her bachelor's degree in 1972 from Misericordia College, Dallas, Pa.

Capt. Bratton's husband, Edwin, is with her in Georgia.

Airman Karen R. Ulbricht daughter of Mr. and Mrs. Harold R. Ulbricht of Genesee St. in HICKSVILLE, has graduated at Chanute AFB, Ill., from the U.S. Air Force technical training course for jet engine mechanics. The airman is a 1977 graduate of Hicksville High School.

Letters To The Editor

(Continued from Page 4)
 With this age group it is not wise to have a large class size. In the first grade the contractual class size is 23, after the proposed cuts it will remain at 23.
 Second grade contractual class size is 24, after cuts class size will be 20.5. Third grade contractual class is again 24, after cuts class size will be 24.2. Fourth grade through sixth grade, contractual class size is 26, after cuts class size will be 23. Therefore K to 6 will have class sizes below that presently called for under the teachers contract.

In the Junior High we are again below contractual acceptable levels. Teacher-student load for English is 125 per day, current load is 109, with cuts 110. Social Studies contractual 145 students per day, current load is 104, with cuts 123. Math student load is 145, current load 115, with cuts 123. Science contractual student load 145, current load 109, with cuts 115.

High School enrollment: English contractual student load is again 125, current load 113, with cuts 114. Social Studies contractual 145, current load 115, with cuts 121. Math contractual 145, current load 124, with cuts 130. Science contractual 145, current load 91, with cuts 100.

The process for equalizing staff enrollment levels is extremely difficult and complex, due to the Tenure laws of the State Education Department, as it relates to seniority rights of teachers in a tenured area. As an example - if we wanted to eliminate a social studies teacher, that teacher will have seniority rights over say a math teacher. Thus the math teacher is excessed and the social studies teacher is placed in the slot of the math teacher. However, the social studies teacher will be declared incompetent to teach math, since it is not a certified area of teaching, and is therefore bumped again, and it goes on until the grid falls into place. The tenure law may have served a purpose years ago, but it is obviously educationally unsound and permits unjustified burdens on both management and labor. We lose the young energetic teacher who is on the end of the seniority line, and keep on staff those that are eligible to retire.

Fortunately for us the State Education law is very clear about teachers who do not teach in their certification area - IT JUST IS NOT ALLOWED. Thus a Social Studies teacher cannot teach math.

To give you a capsule run-down of the staff reductions as proposed: Class-room teachers-30, Art-1, Foreign Language-2, Remedial reading-2, Special Education-2, Physical Education-3, Librarians-1, Music-2, Nurse Teachers-1, Psychologists-1, & Guidance-2. Staff cuts will not necessitate major reorganization of programs as is feared - in fact all programs will remain in fact.

It is not the aim of the Board to present a NO-GROWTH budget in light of the Administrations new figure of a 2.5 million dollar increase over last year, brought on in some part by inflation and new mandatory cost increases. Our biggest budget item is teacher salaries, some 13-million dollars. Obviously if we are to make effective cuts as enumerated above, it would have to be in Code 2000 "Instruction". By reducing our staff by the number recommended by Administration, namely 48 teachers, we can apply the amount of \$1,145,000.00 against the 2.5 million estimated budgetary increase. Without affecting the educational level which we are committed to achieve.

Our average teacher salary in the Hicksville Districts \$22,000.00, when you add fringe

benefits and retirement, the total outlay is \$29,000.00. On Long Island teachers salaries run about the same as Hicksville. But we have 80% of our teachers with over 15-years experience, earning a salary in the area of \$26,000.00, at a total cost to the district of \$34,000.00.

There are those that say "the tax-payers of Hicksville will be willing to pay 1.25 or perhaps 2.50 per \$100.00 assessment, in light of the no-growth budgets of the past three years?". In my mind that is not the issue. The issue is do we have the right and the duty to keep un-needed staff in the face of declining enrollment? Must we in Hicksville be asked to do what other districts around us ARE

NOT doing?

What I as a board member propose is to recommend that our teaching staff reassert themselves and apply the basics of education, especially in the elementary level, and make our children clear thinkers, and proficient in reading, writing and mathematics, with sound working habits - and further enrich our children with the special needs and programs that are currently being provided.

There is NO substitute for a good teacher in the Classroom - even taking into account the behavior habits of todays youth - for our teachers have the experience of many years and have displayed the required

13-Cent Surcharge To Be Asked For Non-Standard Mail

A surcharge proposal of 13 cents per piece for non-standard size letter mail was approved today by the Postal Service Board of Governors for submission to the Postal Rate Commission.

The surcharge is designed to encourage standard sizes, thereby reducing postal handling costs, or to compensate the Postal Service for the extraordinary costs of manually handling over-sized and odd-shaped pieces of mail bearing the minimum amounts of postage.

The extra charge for hard-to-handle pieces would apply only to first-class letters and cards weighing one ounce or less and single-piece third class weighing two ounces or less.

It is estimated that only one per cent of all envelopes and cards would be subject to the extra charge.

Oversized mail is defined as that which is more than 6 1/8 inches high or 11 1/2 inches long, or 1/4 inch thick.

Also subject to the surcharge would be odd-sized pieces. These are pieces with a length which is less than 1.3 times the height or more than 2.5 times the height.

Today's action by the Board of Governors gives the Postal Service permission to file its surcharge request to the independent Postal Rate Commission. The Commission will consider the Postal Service's justification for the amount of the surcharge and hear comments

from interested parties before issuing a recommended decision.

While the date the extra charge could become effective is not known, it could be adopted as early as this summer. As suggested in the past, customers are advised to use this time to exhaust supplies not meeting size standards.

In addition to the surcharge, minimum size requirements will become effective sometime after Nov. 30. After this date pieces measuring less than 3 1/2 inches high or 5 inches long will be nonmailable. Flimsy mailing pieces with a thickness of less than seven-thousandths of an inch (.007) would not be acceptable under the current standards.

There are some exceptions to the minimum-size standards. If a piece is more than one-fourth of an inch thick it does not have to measure at least 3 1/2 inches high or 5 inches long. Thicker pieces, such as film mailers, can be mechanically culled from the "river" of letter mail moving through a post office's facing and cancelling equipment. Also exempted are keys, identification cards and tags. However, a light-weight mailing piece, measuring more than 1/4 inch thick, may be subject to the surcharge.

Letter-mail standards were established in July, 1976. At that time the Postal Service announced its intention to put a surcharge into effect after April 15, 1978.

Judith Clurman, Soprano, will be singing a recital at The Hicksville Public Library, 169 Jerusalem Avenue, Hicksville, New York on Sunday afternoon May 7, at 3:00. Admission is free. The assisting artists will be Eugene Gaub, Piano and Mark Rudoff, Cello.

The first half of the program will include Bach's Cantata 209, Non sa che sia dolore, a group of Schubert Lieder and folk song settings by Benjamin Britten and John Jacob Niles. The second half will include Darius Milhaud's Cantate Nuptiale and songs by Julius Chajes.

Judith Clurman is an active performer in recital, oratorio, chamber music and opera. Born in Brooklyn and raised in

Hicksville, she has studied at Oberlin College and is a graduate of The Juilliard School, where she is studying with Oren Brown, completing her Masters Degree and holding a teaching fellowship in music history. She has performed with The Ambler Festival Opera, The Juilliard Singers, The Camerata Singers, and The Lincoln Center Student Program, and has given New York premieres of music by Roger Sessions, Julius Chajes, and other eminent composers. Ms. Clurman was recently selected by Lincoln Center to serve as a performing arts specialist. She is also a conducting student of Richard Westenberg and was chosen by The Juilliard School to serve as music director for The Lincoln Arts Vocal Ensemble.

First US Built Volkswagen

HICKSVILLE - Volkswagen's first car assembled in the United States, THE RABBIT, is a peppy hatchback sedan that offers excellent economy, efficient use of interior space and advanced engineering.

According to Philip Walters, head of Walters Donaldson, the local Volkswagen dealer, located on the corner of S. Oyster Bay and Old Country Roads, since 1975, when the Rabbit was introduced, more than 200,000 have been sold in the U.S.

Powered by an overhead cam engine, the Rabbit has front wheel drive and is available in two and four-door models. A diesel engine, the most economical passenger car engine on the market today, according to Federal Environmental Protection Agency figures, is available as an option.

Mr. Walters says that the car will be offered in three versions,

the basic Rabbit, the "C" for custom and "L" for deluxe. All Rabbits have such standard features as four wheel independent suspension, front disc brakes, rack and pinion steering and a unique T-bar rear suspension that permits installation of the fuel tank in a protected location ahead of the axle and at the same time provides for an extremely large trunk. "C" models are the first to be built at Volkswagen Westmoreland.

All Rabbits have back seats that fold down to increase cargo capacity and "L" models have a hinged lid over the trunk to keep valuables out of sight. The lid opens when the hatch door is opened. An electric rear window defogger is also standard on the "L," as are two-speed electric windshield wipers.

"C" models with the optional automatic transmission and all

"L" models are equipped with power-assisted brakes. Other standard features of these models are more bright trim and reclining front bucket seats.

The top-of-the-line "L" model has VW's passive restraint system as standard equipment, says the local VW executive. VW pioneered the use of passive seat belts when the Rabbit was introduced. The system consists of a torso belt that is attached to the door at one end and an inertia reel retractor at the other, plus a padded knee bolster on the lower edge of the dashboard.

Among the options available, depending on the model, are air conditioning, automatic transmission and a sliding steel sunroof.

The Rabbit that is sold and serviced at Walters Donaldson is backed by a limited 12-month, 20,000-mile warranty.

Winners All!

The St. Pius X Annual Science Fair was held Tuesday, April 18th. Many projects that extended and enriched the concepts learned in the classroom were exhibited. Projects were judged on creative ability, scientific thought, ability to explain, neatness, technical skill and dramatic appeal. Each participant was presented with an award certificate. The winners were:

Grade 2: 1st Place - Nancy Hardwick 2nd Place - Jennifer Karquist

Grade 3: 1st Place - Christopher Ingram 2nd Place - Linda Rowland, 3rd Place - Robert Hardwick, Honorable Mention: Mary Cox & Philip Piazza

Grade 4: 1st Place - Thomas

Lawlor, 2nd Place - Toni Garcia, 3rd Pl. - Nancy Mulroy

Grade 5: 1st Pl. - Christopher Hardwick, 2nd Pl. - Andrew Ingram, 3rd Pl. - (Tie) Elizabeth Tortorici, Donna Tortorici, Honorable Mention: Donna Komrowski, Annette Rowland

Grade 6: 1st Pl. - Jessica Smith, 2nd Pl. - Patricia Kennedy, 3rd Pl. - Thomas Rooney, Honorable Mention: Victor Garcia, Angela Morgillo

Grade 7: 1st Pl. - Cindy Ciccarelli, 2nd Pl. - Brian Rose, 3rd Pl. - Michael Panciroli, Honorable Mention: Robert Masterson, Andrew Hardwick, William Martin & Edward Peterson.

Grade 8: 1st Pl. - Herbert Hagemann, 2nd Pl. - Stephen Perepeluk, 3rd Pl. - Wayne Bruno, Honorable Mention: Lora Tortorici, Frank Rooney

Our Auto-Tellers are Time-Savers.

Do you have more things to do these days and less time to do them in? Then you need Hamburg Savings Bank Auto-Teller service. You don't have to park the car, get out in bad weather, or stand in line. And, thanks to Hamburg Savings Bank electronic efficiency, transactions take only a few moments.

Earn High Dividends, Too.

Speedy Auto-Teller banking is available at all Nassau County offices of Hamburg Savings Bank, making it easier for you to make regular deposits in Hamburg Savings Bank's 5 1/4% Day of Deposit to Day of Withdrawal Account. On this type of account...it lets you withdraw money at any time without loss of dividends provided a minimum of \$25 is left on deposit to the end of the quarter.

Regular Savings Accounts earn 5 1/4% and, with daily compounding of interest, yield 5.47% a year on balances of \$25 or more. This account also provides special grace days—3 business days at the end of a quarter and 10 calendar days at the beginning of each quarter. Now you can see why we want to make it easier for you to save with us.

There's a lot going for you at Hamburg Savings Bank and fast Auto-Teller service makes the going even better.

While you're there, ask for one of our services booklets and learn about other important-to-you savings bank services such as high-rate term savings certificates, tax-deferred retirement plans, home improvement, furnishings and equipment loans, low-cost Savings Bank Life Insurance and much more.
