Board Holds Brief Business Meeting

By Linda Strongin

The Hicksville Board of Education held a very brief business meeting last week in order to provide more time for a special meeting with members of PTA; community and labor groups; and members of central administration, to discuss the upcoming school budget.

The Ad-Hoc Committee meeting was called at the personal request of Trustee Iris Wolfson after the public budget meeting of May 8. The various groups were asked to give "input" on the school budget to the Board.

During the less-than-two-hour business meeting, the Board adopted a resolution approving the allocation of ESEA (Elementary and Secondary Education Act) Title IVB funds for the purchase of books, instructional materials, equipment and the cost of acquisition. The total cost of the program is \$31,020 (\$21,759 public schools; \$9,261 non-public schools) and is completely funded by Title IVB. Voting no to the resolution was Trustee Neil McCormack.

Mr. Lou Penque, acting principal of Old Country Road School, gave an up-to-date report to the Board on the condition of the six students involved in a crossing accident on Old Country Road near the school.

Superintendent Fred Hill also reported that he had visited the scene and witnessed an "outrageously short light" of seven seconds. He urged the Board to

communicate with the highway department.

Trustee Iris Wolfson, however, suggested that the PTA's check the timing of the lights near "all our district's schools" and then make requests to the Town of Oyster Bay for traffic light modifications.

Trustee Neil McCormack added that there was "no sign indicating a school in the area." He also emphasized the need for supervision of the children during dismissal.

During the public speaking session, Mrs. Fran Loicano, Co-Chairman Cultural Arts, Hicksville Council of PTA's, read a letter from Co-Chairman Mary Cordier, asking the Board to participate in BOCES funding for cultural arts programs and to maintain a \$10,000 budget figure. BOCES programs, she read, are "educational, reach all grade levels; are screened and can be obtained at low cost." The Board was asked to "consider these positive features" before making a decision.

President Tom Nagle informed a local resident that the Board would "reconsider and take under advisement" a request to remove a backstop at the Lee Avenue School field, which is quite close to the resident's property. This request had been made several years ago; however, the Board at that time voted to add six feet to an existing fence.

The resident claims, however, that "it did not solve the problem." He cited numerous incidents which have resulted in

excessive damage to his house and property. Vice President John Ayres added he had visited the resident's home on several occasions and had originally recommended the field be closed.

The Board heard Trustee Bill Bennett's adult education policy proposal concerning the hours and time worked by the directors of the various senior citizen clubs in the district. The questions centered on payment for these directors at an hourly rate equal to that received by adult education instructors and that such rate also be paid for hours worked during the summer months of July and August.

Trustee Neil McCormack informed the Board that the numbers of senior citizens serviced "doesn't drop in the summer."

Mr. Bennett was asked to put the policy in working form, including the specific times and number of hours to be worked.

The Board awarded bids for learning supplies (\$1,862.33) and general classroom supplies (\$9,302.02); approved routine expenses; formally rejected all transportation bids due to high bid prices; approved retirements, sick leaves and an extended maternity leave. (Messrs. Nagle and McCormack voted no on that extension.)

The next business meeting is scheduled for May 31 at 8:15 p.m. in the conference room of the administration building. Public Budget meetings are tentatively scheduled for May 22 and May 24.

Community Council News

By Carole Wolf

Following Tom Nagle's discussion about the school budget, Sheila Noeth, Chairman of the Hicksville Community Council's Nominating Committee presented the slate of officers for 1978-79. Since there were no other nominations, the slate of Carole Wolf, President; John Budnick, First Vice-President; Tom Clark, Second Vice-President; Steve Didier, Third Vice-President; Arlene Didier, Secretary; and Cathy Steckler, Treasurer, were duly elected.

These officers will be installed on June 1 at the Hicksville Community Council's Annual Dinner which will be held this year at Antun's on Old Country Rd. The festivities will begin at 7:30 with a fruit punch in the gazebo on the second floor. Drinks will be available for purchase. At 8 p.m., we will be entering the marble room to be seated at comfortable tables for 10. The feast will consist of a complete smorgasbord of 20 hot and cold dishes. There will be coffee and cake served following this two-hour banquet. The Hicksville Community Council plans to honor three prominent members of our Community this year. Deadline for tickets is Monday, May 22. So if you are interested, please call Cathy at 433-6437 or Carole at 822-3861. Come join us on June 1st for a good time.

Bill MacDonald then took the floor to demonstrate the nutritional value in certain foods. Bill showed us how to sprout alfalfa

seeds, which, if left to grow, have a root system 18 to 24 feet deep. Bill says that it tastes like lettuce and is used in combination with salads, soups, and soups.

Mr. MacDonald says that he believes in eating organic foods raised without chemicals. He feels that white sugar and white flour are the cause of colon cancer and makes his 'chocolate' cake out of whole wheat, oats, barley, flax seed, and dried dates which are very hard and ground up and used for icing. He also had another cake made from karo powder, dried pods, powdered rye flour, milk, cream, butter, and honey. Bill mentioned that some of the best foods are red clover, which is a cancer fighter, bananas, which are loaded in potassium and wildflower honey. He used puffed corn in his cakes to help them rise. He gave a most interesting talk on nutrition, followed by a question and answer period.

HICKSVILLE TOWN MEETING: The Library is going to the Metropolitan Museum to see the King Tut Exhibit. The cost is \$10 for admission and \$5 for a bus. They will be visiting the King Tut Exhibit on a Monday while it is in New York, which will be sometime between January through April 79.

On the 23rd of May, the Hicksville Community Chorus will be making its annual spring visit to our Library. On the 29th, there will be poetry readers and a pianist sponsored by Nassau County. Finally, the Library has a Career Counseling Service, which they

The Hicksville Community Chorus, under the direction of William Gofeeke, will give its Spring Concert this Tuesday evening, May 23rd, at 8:00 p.m. in the Hicksville Public Library.

The program will feature songs from varied backgrounds and times. There will be a group of Noel Coward show tunes, plus traditional American songs and Madrigal selections from the times of the Renaissance.

Received through a grant. The counselor is there 3 days a week to test and give advice. Call for an appointment.

Before we left the meeting, we received a final tally on the Park vote. The total was 598 for and 669 against.

Dr. Walter Dunbar, is chairman of the Hicksville Chamber of Commerce Beautification Committee. Those who wish to contribute to this fine local project, may send their check either to Dr. W. Dunbar, 200 Jerusalem Ave., Hicksville, or to the Hicksville Chamber of Commerce Beautification Committee, 358B Mid Island Shopping Plaza, Hicksville.

Downtown Hicksville has certainly been made more attractive by those working on this annual project.

The Hicksville Community Chorus is a part of the Continuing Education program of the Hicksville school district. It has been active for more than fifteen years, and its members are residents of all ages who enjoy singing

together. The Chorus presents two major concerts per year and smaller community service offerings.

Mr. Herbert Bradensten Jr. is accompanist and assistant conductor. Admission is free.

Kathy and Joseph Hecker became grandparents for the eighth time via Timothy Paul Schiffmacher, born March 22. Mom and dad, Kathleen and Bill, are former graduates of Hicksville High School. They presently reside in Levittown with Timothy's brothers, Bill and John, and sister, Kate. The other set of proud grandparents are Billie and Will Schiffmacher, also of Hicksville.

Back-to-back birthday celebrations occurred in the Echezuria household recently. Danielle became 3 years old on May 7; and her brother, John, was 6 years old on May 8. Their mom and dad are Eileen and

John Echezuria. The pleased grandparents who furnished us this information are Loretta and John McNierney, Hicksville. Grandma Loretta is one of the willing and pleasant employees at the Hicksville Library.

Our sincerest condolences to the Schmeelk family on the loss of their mother, Lucy Schmeelk. Mrs. Schmeelk resided with her son, Bob, in Hicksville for many years. She will be sorely missed by all who knew and loved her.

Sharon and George Pelletier, Jr. welcomed their new son, George John, on February 9. George John, born prematurely, weighed in at 4 lbs., 13 ozs.; but

he has been steadily gaining weight ever since his birth. His grandparents, Rosemary and Al Dzhenius, said he's a beautiful and healthy baby boy. His proud paternal grandparents are George and Dorothy Pelletier, Sr.

Congratulations to Mr. and Mrs. William R. Moyer of Arpad St., HICKSVILLE, celebrating their 5th wedding anniversary on May 12.

Ann McCauley, a senior at HICKSVILLE High School, recently won 1st place award in the medical assistant contest. She developed her skills through the BOCES program. The Skills Olympic Test was held at the Concord Hotel from April 12-14. She will be going to Alabama from June 26-30 for the National Contest. Good luck and congratulations, Ann.

Happy birthday to one of our favorite people, Peter Schubert, of 7 East Ave., HICKSVILLE. He will be 81 years young on May 13.

Happy "sweet sixteen" to Ann Shizume, of Kingston Ave., HICKSVILLE. She celebrated on May 11.

Jennifer Niggemeier, Jefferson Ave., HICKSVILLE, will be celebrating her 15th on May 13. Happy birthday Jennifer.

The Board of Advisors for the Outstanding Young Men of American Awards Program, have announced that Edward G. Saueracker of Jay St., HICKSVILLE, has been selected for inclusion in the 1978 edition of Outstanding Young Men Of America.

Congratulations to Mr. and Mrs. George Ludwig, of Dean St., HICKSVILLE, on the recent birth of their 1st child, a daughter, Nicola, born at North Shore University Hospital. Mom is the former Liboria Ferrara of Hicksville.

Birthday greetings go to a special friend of ours, Peter Schubert, of 7 East Ave., HICKS-

VILLE, who celebrated being 81 years young on May 13.

Edward Ugarte, Autumn Lane, HICKSVILLE, participated in the first annual North American Invitational Scrabble Players Tournament, when it was held recently in the Penthouse of the Summit Hotel, New York City.

Happy 5th birthday to Debra Lohmeier, Preston Lane, HICKSVILLE. She celebrated recently.

The Falcons, who are sponsored by Dennis Keneficks' M.D. Cesspool Cleaners Corporation, remained undefeated with an impressive 22-5 victory over the Bass. The leading hitter for the Falcons was Brian Finnell with 5 hits in 5 trips to the plate. Steve Pine played well defensively in a good all-around effort. The Sharks split two games over the course of the week, beating the Jaybirds 14-5 after losing to the Robins 5-3. The Robins were led by Danny Malloy with two timely hits and received excellent fielding support from James Ort

and Craig Freyresen.

Named NCC Valedictorian

A 20-year old computer science student from Hicksville has been announced as the valedictorian of the 1978 class of Nassau Community College which will celebrate its commencement on Sunday, May 21, at 3 p.m. in the Nassau Veterans Memorial Coliseum.

The honor graduate and valedictory spokesman for his class is Matthew Charles Barry, son of Mr. and Mrs. Charles Barry, and, not surprisingly, an honor graduate of two years ago of the Hicksville High School.

Besides maintaining what has been - thus far - a straight A average, Mr. Barry works from 20 to 30 hours a week in a men's clothing store in "financially independent."

At Nassau Community College, he has found that the time required for study and work has limited his out-of-class activities, although he has played in a local rock band. In high school, he was active in musical groups and played soccer.

The honor graduate's future plans include continuing computer studies at New York Institute of Technology, where he has been awarded a scholarship, and an eventual career in some computer-related area.

Asked if he was surprised at his grade average and being named valedictorian, he replied "yes" to both questions.

"I was really surprised-and pleased-to learn at the end of the first semester here that I had an 'A' average. I figured that if I could do it for one semester, I could keep it up-and I apparently have."

To Mr. Barry, the highlight of his experience at Nassau is the

selection as valedictorian. In his valedictory message to classmates and guests, he plans to comment on how his experiences at Nassau Community College have helped him to find and plan a career and to understand people and how they interact.

More than 3300 are expected to be candidates for associate degrees at the May 21 commencement exercises, which will be the 18th in the history of Nassau Community College. Guest speaker for the occasion will be William C. Sexton, associate editor of Newsday. Also scheduled is a special presentation to retiring Board of Trustees member and chairman and former Nassau County Executive A. Holly Patterson, who has been a key figure in the creation and development of the College.

The commencement ceremonies will begin at 3 p.m. in the Nassau Veterans Memorial Coliseum in Uniondale.

Mike Patwell sparked a come-back for the Yankees with a homer but the rally fell short. On Saturday, the Yankees bounced back with a 2-1 victory over the Giants. The Giants lost this tough game despite a long triple by Tommy Sullivan and some excellent pitching by Robert Sotung. In another close game, the Mets nipped the Cardinals 7-6.

Dear Friends ...

THERE IS A GRAND OPENING celebration at the Prime Thyme Pub located at 206 Old Country Road (corner of Newbridge Road) in Hicksville, to which you are all invited, on Sunday and Monday, May 21st and 22nd. This restaurant, which has undergone extensive modernization recently, is offering a free buffet during their grand opening celebrations. They are also offering a free carafe of wine with "dinner for two." Why not stop in and pay a visit to this new addition to our business community. We're sure you will be pleased. By the way, if any of our local clubs are looking for a place to hold their meetings, you might want to look in to the Prime Thyme Pub's large private room which is available for club meetings.

PEOPLE IN THE NEWS: Suburbia Federal Savings and Loan Association has added Mr. Robert Pratt to their staff in the capacity of Vice President-Loan Administration ... congratulations, to Adelaide Torre, a sixth grade student at St. Ignatius who was recently selected to join a young people's group in New York City that records songs to teach Math Skills to young children. She joins a former St. Ignatius student, Paul Cardinal, now a freshman at Chamainade, who has been recording with this group for some time ... and while we are on the subject of congratulating people, we extend congratulations to all the people who had the courtesy to stay and hear both sides of the story at last Monday's County Board of Supervisors meeting, when the subject of the removal of TOPIC HOUSE from Mitchel Field to the 146 acre county-owned property in Plainview was discussed. This is not a subject that will be easily resolved ... but it certainly deserves to receive intelligent consideration of the entire problem. We would have liked this proposed move to be spelled out in detail to local residents with all safety measures provided for in advance of the County's decision. Unfortunately this did not happen ... but, with the time extended, it is still possible. We have to know all the facts and that is why we are pleased that some, at least, stayed on at the Board of Supervisor's meeting, to do just that.

SHEILA NOETH

A Message From Sup. Colby

Last week County executive Fran Purcell called on the State Legislature to pass a so-called "price tag" bill that would require that any new state mandates enacted by the Legislature contain a fiscal note estimating their financial impact on local governments.

I fully support Purcell's position on this bill, which is once again bottled up in the State Senate Finance Committee and the Assembly Governmental Operations Committee. All too often our State legislators, dazzled by the prospect of solving all of the State's social ills, approve massive idealistic programs that pass the buck onto the local governments for financing and implementation.

Actually, they pass everything but the bucks to the municipalities. The State Environmental Quality Review Act requires an environmental determination be made on every project, whether government or private, before final approval is given. This alerts the legislator, the municipi-

pality, the developer, the contractor and the taxpayer to consider the potential impact of the project on the environment.

The "price tag" bill would call similar attention to the fiscal impact of any state mandates on the local government and local taxpayers. This might make the Legislature and the governor take a closer look before adopting new programs when the impact on local property taxes is spelled out.

Purcell has noted that New York State's Medicaid law is the most expensive in the nation and its mandates have pushed county medical assistance costs from 3 percent of the general fund budget in 1965 to 16 percent. If the state had been required to pay all the costs instead of passing a large part of them down to local governments, Purcell said, New York might not have the most lavish welfare and Medicaid system in the nation, the most expensive pension plans, nor the highest state and local taxes in the nation.

"Parks Survey" Continues

To The Editor:

The "Park" proposal which was soundly defeated by a 10 to 1 vote brings back to my mind the background of the Giese-Lee Ave. parcel.

In 1969, the Giese family decided to put the seven (7) acre parcel on the market and subsequently my office sold this to builder Jerry Spiegel for a garden apartment project. It would have been an attractive two-story arrangement with adequate landscaping, parking, etc. and would have provided living area for many of our area residents who go from homes to an apartment as well as business couples, etc. It would have been productive of substantial school-town taxes to help lessen the tax burden on homeowners at the same time being very low on a school pupil count as compared to one-family dwellings.

However, all this went down the drain as some property owners complained. The Town Board said "NO" and then to placate a proportionate handful of people, the Town turned around and bought the parcel without any real concrete prior plan of utilization.

Now we see the inevitable -- the citizens of Hicksville won't go for a multi-million dollar dream park and pool complex and I don't blame them. Living expenses in Hicksville are high enough without making conditions worse and are driving our

young marrieds and older citizens away. Eisenhower Park, Cantiaque Park, Bethpage State Park and all of our town beaches, etc., would seem to provide recreation areas that are more equitable in cost to all.

So we come to the situation where the Town has removed from the Tax Rolls two sizable parcels of desirable land, spent large amounts of money for them and spent quite a bit more for consultants, planners, architects, a referendum, etc. and winds up back where they started from.

I see in the 'Herald' some suggestions for a minimum park area with low cost improvements and low cost maintenance. I could possibly see this for the Old Country Rd. parcel but the Giese parcel should either go back to private ownership and development or go into Senior Citizens housing. The need for this far surpasses a recreational need. Please remember that our school pupil population has dwindled considerably and we have to consider that we will have a much smaller youth count in the coming years if the present birth trend continues.

Let the Town Board have the courage to turn unproductive properties into productive areas without burdening the people further. The Board knows what the people don't want so let's go from there.

Sincerely,
Charles I. Montana, Sr.

Dear Editor:

This letter is in reference to the proposed park areas. Lee Ave. is the block behind Cottage, on which I live, and the Giese property is about three blocks away. I have a 16' x 31' above ground pool which uses a lot of water and time, not counting the filter which must run 8 to 10 hours a day. This is a lot of electricity. I would gladly sell my pool, lock, stock, and barrel for a park with a pool on Lee Ave. The taxes we would have to pay would be a lot cheaper in the long run. Also, there would only be Hicksville residents there and not every Tom, Dick, and Harry, like Cantiaque Park.

There are a lot of families right in my area alone that I'm positive would love to have a place for the kids to go and be close to home where we don't have to worry about them. Why not take a poll or have people sign petitions to have the park built. Our young people have no place to go, so let's keep them out of trouble and given them a place to burn up their energy.

I for one will be willing to be a counselor or help in any way I can. I always get involved with my children's activities. I don't just drag them off for someone else to worry about.

I am not a registered voter, but I am a taxpayer and I feel I have a right to vote on this park. However, I wasn't able to vote.

Galileo Lodge News

By Joe Lorenzo

The Galileo Lodge is on the verge of some bold and important changes. The weeks and months ahead are going to be exciting, and, more than ever before, the Galileo Lodge will be the place where you can function more effectively in today's world. We also recognize that you, the modern American man and woman, have undergone important changes. So have we.

The Galileo Lodge is growing... not only in size but also in the scope of its programs. With this in mind, it is announcing that it will initiate a new membership drive in September, 1978. The

Galileo Lodge extends an invitation to one and all come and visit with us, acquaint yourself with an organization that is progressive and flexible. We believe that we offer something for everybody.

On May 27th, on the Lodge premises, our Memorial Day Dance will be held. Tickets are priced at \$7.50 per person and the entertainment will consist of live music, hot food, coffee and cake, set-ups, etc. For an enjoyable evening with fine hospitality and pleasant surroundings, contact the Lodge by calling 931-5966 and

make reservations. The Galileo Lodge welcomes you Carl Melluso and Dom Valente will host this event.

The date set for the Galileo Lodge's Blood Bank is Thursday, the 21st of September. All donors, of course, will be fed and facilities are set up to take care of everyone's well being. This program is one of this organization's efforts to aid and assist its members in times of adversity. The Lodge has also received extended coverage on its blood donations.

At The Town Board Meeting

By Gerry Kahn

The Town Board Meeting held on Tuesday, May 16th concluded its formal calendar at 12:20.

The opening item, a petition by R. Sameroff and J. Radlock for a change of zone from Res B to Res E-2 District at Woodbury was withdrawn. The property, a 13+ acre parcel, fronts the S of Woodbury Rd. and lies to the west of Birchwood at Woodbury and just east of the intersection of Piquets Lane. The Nassau County Planning Commission rejected the proposed plans necessitating a change of intent on the part of the applicants. In addition to Item No. 1, a \$24,200 Serial Bond Issue will be made on behalf of Syosset Park District which will include replacement of mechanical equipment etc. for the swimming pool and ice rink.

A \$94,400 Serial Bond Issue was authorized to pay certain improvements for and on behalf of Plainview-Old Bethpage Park District which will include Replacement of Mechanical equipment for swimming pool and ice skating rink and repaving of parking fields and walkways.

In the informal discussion that followed the regular meeting Judy Jacobs of Woodbury spoke relative to the Woodland Pond

that lies on the E of Piquets Lane, Woodbury and noted that an abundance of water has been obvious along the road and requested that some form of ad-

dditional drainage be instituted. The Supervisor indicated that he would make certain that someone would survey the situation immediately.

Urges Action On Solar Energy Program

"Congress this month proclaimed a National Sun Day, but it is still operating in the dark on legislation that would take advantage of solar energy sources."

So charged Gregory W. Carman, a 41-year old Farmingdale attorney who is seeking to become the Congressman for the 3rd Congressional District, a district which takes in Huntington and Oyster Bay Towns, as well as the City of Glen Cove and a part of the Town of Babylon.

Carman said the solar energy package, already approved by

the House and Senate to aid solar development, is going nowhere because "the Democrats in both houses are arguing amongst themselves about the terms for deregulating natural gas while the solar assistance program gathers dust."

The legislation Carman wants to see moved calls for \$100 million for solar heating and cooling systems in federal buildings and \$98 million for purchases of solar electric cells, but, most of all, for reasonable loans for solar heating and cooling equipment in homes.

"The availability of these

monies to Long Island contractors and homeowners would spur the local construction economy which is still the most seriously-hit of all the Island's industries," Carman said.

Carman, a councilman on the Oyster Bay Town Board, said he was supportive of another nine-bill package of legislation on solar energy, as well as Congressman Lent's Solar Power Satellite Bill to expand research and development to determine the feasibility of satellites to collect solar energy in space and beam it back to earth.

March-April Construction Figures

Oyster Bay Town Councilman Gregory W. Carman has announced that the value of construction permits issued by the Town's Building Division during the months of March and April exceeded \$5 million.

Among the permits let during the two months were 30 for commercial construction valued

at \$2,307,907; 17 for one-family homes valued at \$1,029,310; and 68 for residential alterations and additions valued at \$463,559.

In addition, 18 permits for other than residential alterations and additions were issued at a value of \$62,650 and 3 for industrial construction valued at \$379,013. In April, one permit for com-

mmercial alteration was issued at a value of \$437,198.

According to Councilman Carman, Chairman of the Town Board's Standing Committee on Commerce and Industry, the total value of construction permits issued during the months of March (\$2,867,773) and April (\$2,350,399.94) was \$5,238,172.94.

Drop In Traffic Deaths

Albany - New York State reported a 16 percent drop in traffic deaths for the first quarter of this year over the same period in 1977, according to figures released by the State Department of Motor Vehicles. The 393 highway fatalities for January, February and March of this year include 160 fatal accidents to pedestrians. During the same period last year, 170 were listed in the overall fatality total of 470.

In releasing the figures, DMV Commissioner James P. Melton declared, "Even as we deplore a single traffic fatality as an unnecessary waste of life, we are encouraged by the fact that the highway deaths in this state continue on a downward trend. The three basic driving rules still apply: 1. Observe the 55-mph speed limit because there is a proven relationship between speed and serious accidents; 2. Motorists who drink should not

drive, and; 3. Use seat belts, no matter how short the trip."

Three bicyclists were killed during March, the first such deaths reported in 1978. Five bicyclist fatalities occurred in March of 1977.

There were no motorcycle-related deaths in March and only one reported in 1978's first quarter. Seven motorcyclists died last March and ten in the first quarter of 1977.

The third grade of Trinity Lutheran School, 40 West Nichol Street, Hicksville, performed an adaptation of the musical FREE TO BE... YOU AND ME recently. Everyone in the class participated in the songs and skits that help children see who they are and what they can be. Over 100 parents, teachers, and friends were on hand to cheer the children on a job well done.

Immediately following the program, all enjoyed fellowship at a pot-luck supper planned by the class mothers.

Holy Trinity Church Consecration

The consecration of Holy Trinity Episcopal Church, Hicksville, this coming Sunday at 10 A.M. by the Right Reverend Robert C. Witcher, Bishop of the Episcopal Diocese of Long Island, reflects the growing spirit of ecumenism. Neighboring Churches of varying Christian persuasions have responded to the invitation to send delegates to this momentous occasion in the history of Hicksville's Episcopal Church. The Reverend Domenick K. Ciannella, Rector, remarked how pleased he was to have this historical event supported by the good will and prayers of the larger Christian community. He also indicated the hope that the members of Holy Trinity Church will see their mission in the community with renewed inspiration and vigor. Parishioners are joining their energies in the final preparations for the service and the reception following in the Auditorium.

Once more an open invitation is extended to all those in the community who can attend the

service and join in the fellowship at the reception.

Holy Trinity Episcopal Church was established as a Mission in 1899 and gained Parochial status in 1954. The first Church building was erected at the present location in 1900. This building served until 1942 when the second structure, remembered by many residents, was constructed. The present building was built in 1962 with the first services held February 16, 1963.

Fifteen years of mortgage payments terminated in December, 1977 and Bishop Witcher took order for the consecration on the parish's name day, Trinity Sunday. The Rector, Wardens and Vestrymembers express appreciation to all who have contributed to the life and work of the parish up to this present time, including all those businesses which have served the parish.

Regular Sunday services are held at 8 and 10 A.M. with nursery care and Church School provided at 10 A.M.

Please insert this in the Park Survey:

My family would like to see an outdoor pool and small kiddie pool with a small dressing room and bathrooms. We could have outdoor lockers. Benches could be used around the pool area with residents bringing own chairs and blankets. A picnic area, basketball and shuffleboard courts would be nice with a bandstand for ceremonies, dancing and concerts.

Hicksville American Soccer Club

The Club is now past the half way mark of the busy Spring Season and the 22 traveling teams have now played a total of 138 soccer games in six weeks. Of this total, they have won 75, lost 44 and tied 20, so that the Club is certainly proud of their record but more proud that we've got over 1000 children including Intramurals and Tony Camara's Squirt Division (4 & 5 year olds) out there practicing and playing a good healthy sport. This is

really where it's all at and those little fellows and girls will be our stars in just a few short years. Before the wind and rains came and washed out most of Sunday's games, the club managed to squeeze in a few matches:

Boys U13
Coaches John McFadden and Frank Cunningham are really proud of the performance of their 1967 boys. This hastily put together team has compiled a most respectable 3-3-1 record

including wins over Kings Park, Valley Stream and Baldwin and a tie with a very strong Douglaston team. The boys are really starting to jell as a team and promise to come on strong in the second half of the season. Manning the front line, for this squad is Steve Thompson, Dennis Ench, Mike Morga and Dave Galloway. Backing up the strikers and handling the always tough midfield are halfbacks Frank Cunningham, Dean

Missimo, Ronnie Brill, John Sweikata and James Mize. The defensive unit is comprised of fullbacks Wayne Burke, John Fitzgerald, George Marco and Danny Burke and, minding the nets is goalkeeper M. J. Shannon.

Girls U 19
The girls, coached by K. Shannon, continued to roll right along with a convincing win over North Shore 6-1 which now raises their record to 7 wins without a loss or tie. The girls have now scored 36 goals and have only given up two. This game was originally scheduled for Memorial Day but was played last week as our girls will be in Brick Town, N.J. at an outdoor tournament. Their Sunday game with Cow Harbor was washed out.

Boys U 11
In their 7th game of an 11 game schedule, the 1967 boys entertained Valley Stream at home last week. The boys played pretty good soccer but only managed a tie to pick up one point in the standings. Coaches Harry Habersaat and Walt Karlewicz told the boys after the game that their next couple of matches will establish their final positioning. Sam Masiello and Steven Schecter again shared the goalkeeping duties with Mark Habersaat, Scott Fraser and Frank Kolovch performing the fullback function. The mid-field was handled by Rich Karlewicz, Troy Levy and Freddie Musumeci and the front line by Matty Bell, David Berkowicz, Stephen Brice, Frank Christiano, Robert Cunningham and Gerry Dolan.

Boys U 13
The 67 boys were beaten on their home field by Deer Park last week before the rains came and have slipped in the standings because of the loss. The score was 3-2 and the boys did not play well.

Under 8
Sunday, May 7, at 11:00, Hicksville travelled to Northport. Hicksville Red coached by Al Boccafolo and Stan Greenberg, met Northport and played a beautiful team game. The first goal was scored by Gregg Greenberg from a corner kick by Tommy Boccafolo. The half ended with score 1-0. In the second half, Hicksville dominated the game and scored 4 more times. Michael Grossman scored 2 goals, David Haut scored and so did Tommy Boccafolo. The final score, 5-0 was truly an indication of Hicksville's good team play and cooperation.

Under 11
May 13 was the date-Grumman the place- and Hicksville was the winner. The under 11's Red team met Lindenhurst and during the game it became apparent how well the Hicksville team is playing. Lloyd Sneddon scored on a direct kick from 22 yards out after a hand ball penalty was awarded to Hicksville. Mike Masters saved the ball from going over the end line, dribbled through 2 players and shot a goal from the right side of the penalty area. John Carroll and Peter Schnur were very aggressive on

defense and helped contribute to many good plays. R.J. Nakashian scored on a header after a corner kick to the center. In the second half, again from a corner kick, Kenny Kugler passed perfectly to R.J. who scored his second goal of the game. Lindenhurst scored on a penalty shot after a hand ball foul. John Carroll scored the final goal of the game on a good pass from Lloyd Sneddon. The final score, 5-1 in favor of Hicksville.

Hicksville Blue (2)
North Shore 12
Boys Under 12
One of the biggest problems a coach has when picking a new team is getting them to play together. It's very rewarding when they finally accomplish this feat.

Saturday the Hicksville Blue tied the first place North Shore team. The 1st goal was scored unassisted by James Magner. The second one was scored by James Hughes and was assisted by John O'Reilly and James Magner.

The defense backfield of William Cheslock, Stephen Wayne and John Fratini had a shaky start but the first half ended in a scoreless tie. North Shore scored on a corner kick and a breakaway in the second half. Goalie John Henderson came out perfectly but the North Shore forward chipped a shot over his head.

Fee Wee Division
Last Sunday's miserable weather, starting with high winds followed by a deluge of rain failed to daunt about 200 soccer fans. The followers of the Hicksville American Soccer Club "Blues" (Fee Wee Division) and the Bohemia "Eagles" withstood the elements to see the league leading "Eagles" come out on top 5 to 3.

Bohemia, with the wind at their backs, scored 4 quick goals on "Blues" goal tender Tim Richards. The Blues center Anthony Schiralli battled the winds and the tough Bohemia defense to tally a goal just before half time.

Hicksville came back strong in the second half as left winger David Nisenson scored 2 goals. On the first he was assisted by right wing John Fabrizio and half back Willie Sneddon. His second goal was started by full backs Chris Kanuck and Joe Schindler. They started a fast breakaway to half back Tim Van Cise who fed the ball to forward James Panchookian whose shot on goal was blocked. The alert Nisenson darted in to score on the rebound.

As the game wound down in the mud and mire, half backs Craig Carson and Kevin Taylor along with forward Mick Conway had a good start of a play on goal only to be denied by the final gun.

Coach Rich Hanna and his aide Tony Schiralli hope to have the injured strong forward Billy Stein back by this Sunday's game against the Brentwood "Mustangs" at the Grumman complex. The Blues are now in 2nd place. They still have a chance at the league title which they would like to take to Toronto, Canada

On Wednesday, May 10, Sands Textile shutout Hamburg Savings 7 to 0. The Sands pitchers Joe Casese and John McAleese pitched an excellent game allowing only one hit, to John Diehl. The hitting attack for Sands Textile was led by Joe Casese, John McAleese, Kevin Martin, Craig Schelin, Rich DePalma and Jim Kennedy. In the field for Sands Lisa Torregrossa made a fine play at first base. Defensively for Hamburg Savings Mike Noll, John Donlon, Jim Gargen, John Diehl, Greg Christoforou and Mike Kuomo made big outs to keep the game respectable.

On May 12, Sands Textile again won shutting out G.G.G. Construction 6 to 0. Pitchers John McAleese and Joe Casese allowed only 4 hits and struckout 8. The hitting stab of the game were John McAleese, Paul Calligrone, Joe Casese, Richie Meiers, Kevin Martin and Craig Schelin. In the outfield Kevin Martin and Larry Edelstein made nice plays, and infielders Craig Schelin, John McAleese and Paul Calligrone played well.

In a tight pitchers duel Iannones topped Cotton Insurance Agency 2 to 1. John Autolino of Iannones and Paul Sauerland of Cotton Insurance each pitched two hitters. Sauerland chalked up 11 strikeouts. Offensively for Iannones Ron Stallone and Bobby Russo contributed with key hits.

Defensively Dennis Woessner and Ron Stallone were outstanding for Iannones.

Hamburg Savings lost their second game of the season to a well coordinated defensive and offensive Iannones team, 8 to 0. Bobby Russo went the length for Iannones allowing only 3 hits. Ken Frers, Jim Hoosack, Jim Shoening, and John Autolino were the hitting stars for Iannones, and defensively the whole team was outstanding. For Hamburg Savings, Kevin Landers and John Diehl pitched well in relief, and Greg Christoforou played a good 3rd base.

Minor League

On May 10, the West John Street Deli's bats finally came alive and exploded for 15 runs and 7 hits, to defeat Northville Industries 15 to 1. Leading the way were John Parsons, Greg Skupinsky, and John La Grasta. Mische Budisicnewsky stymied the opponents on a sparkling 3 hit pitching performance. Fielding gems were turned in by Rich Drab and Pat Demanaco.

Jamaica Ash came through with its second win of the season over Marler Shell by a score of 9 to 0. Pitcher John Maggio and Dom Martello allowed only 6 hits. Good hitting was provided by Robert Richards, Dom Martello, Andy Manganello and Tom Dempsey. Exciting fielding plays were turned in by Andy Manganello, Tom Dempsey and Tom Roman.

Jamaica Ash again won, its third straight victory, defeating

Northville Industries 10 to 6. The combined pitching efforts of John Maggio and Dom Martello helped to secure the win. Excellent hitting was shown by Tom Roman, Robert Richards, Andy Manganello, R. Hogan and S. Scotto, who won the game with his double and three RBI's.

Budget Meeting

On Thursday, May 25th at 8:15 p.m., the Hicksville Senior High PTSA will present a program on the School Budget for 1978-79. Speakers representing the Board of Education and Central Administration will present the budget. The presentation will be followed by a period of discussion with questions and answers. This meeting offers an excellent opportunity for the residents of Hicksville to gain the information necessary to prepare them for the budget vote.

This year your vote is especially vital. Plan to attend.

Outdoor Marble

Shoot-Out

Let's play marbles. Join us in the back parking lot of the Plainview - Old Bethpage Public Library on Saturday, May 27, from 2 to 3:30 P.M.

The Shoot-Out is open to all youngsters in grades 2 through 5, registration fee is 25 cents and limited to the first 50. Marbles will be provided.

Rain date: June 24.

Craft Of The Week

Craft books can give you hours of fun. Join Mrs. Ness "Craft of the Week" club and sample this pleasure, on June 5, 12 and 19 from 3:30 to 5 p.m.

Grades 3-7 25 cents for each session and the limit is 20. Register in Children's Room Plainview - Old Bethpage Public Library.

Career Counseling

The Hicksville Public Library is pleased to announce the resumption of the professional

career counseling program at this time. Mrs. Evelyn Sohne, a trained counselor will be at the library every Wednesday afternoon from 1 to 4:30 pm; Thursday evening 6 to 9 pm and Saturday from 10 to 3:30 pm.

This free library service, begun last year with a grant from the national government was so successful that the Library Board decided to continue offering this program to the community.

Call any time for an appointment and Mrs. Sohne will be in touch with you as soon as possible.

Concert

On Wednesday evening, May 24th, at 8:00 P.M. in the Hicksville High School Auditorium, five choral groups of the Music Department will present their annual spring concert.

The program will have a wide variety of text ranging from the Bible to the children's story, "Green Eggs and Ham", by Dr. Zeuss.

The public is invited to this concert - tickets are not required.

To rejuvenate watercress (or to store for awhile), snip off the ends under running water and place in water in your refrigerator.

TEN DAY HOME TRIAL

Adopt a well-behaved 3 year old

It may have the looks that only a mother could love, but from a practical standpoint it's all you could ask for. If it's just not your cup of tea, we also have a good selection of other "blue chip" economy cars like Toyotas and Datsuns.

First of all, if you desire, we will pay your mechanic \$20 to thoroughly check the car of your choice. If he says no, there is no further obligation.

Second, if within 10 days or 500 miles, whichever sooner occurs, you're not satisfied, return it! We're so confident you will like our car, we will give you a written money back guarantee which includes state and local taxes, registration fees, and if you finance the car through us, we will absorb any finance cancellation charges.

Thirdly, if you keep the car, our no-nonsense limited 30 day warranty simply states that the Engine, Transmission, Rear Axle, Front Axle Assembly, Brake System, and Electrical Equipment shall be in good operating condition or we will make repairs or replacement at no cost to you.

You won't find a fairer deal anywhere even on a brand new car!

Lee Ave. School-25 Years Old

A 25th Anniversary and Arbor Day Celebration was held at Lee Ave. School on Friday, April 28 in a special outdoor assembly program. Sunny skies added that "extra touch" to an already delightful program. The festivities included the entire student body signing a salute to their school and tunes by the Band. Lisa Braja led the sixth graders in a choral recitation and Mr. Mateer, principal of Lee Ave. School, spoke of the events that were in the news 25 years ago. Mrs. Laskoe, art teacher at Lee Ave. presented a huge scroll that will be signed by each student.

A portion of the program included an Arbor Day ceremony, at which time a honey locust tree, donated by PTA in commemoration of the 25th Anniversary of the school, was planted by Kindergarten students Michelle Eger and Timothy Cleary. Rochelle Elburn recited an arbor day poem and was later joined by her other Kindergarten classmates in a lovely tribute to plants and trees. Former principal, Richard Jennett was the honored guest. Mrs. Carol Skupeen, president of the Lee Ave. PTA, presented him with a plaque in appreciation for his work with PTA during his years at Lee.

"Belles And Beaus"

The Holy Family Players of Hicksville are presenting their 12th Annual production called "Belles and Beaus" at Holy Trinity High School, Newbridge Road and Stewart Avenue, Hicksville on May 27th, and June 3rd, at 8:30 PM. Tickets will be sold at the door for \$2.50, Senior Citizens and children under 12 \$1.25.

Songs, dances and comedy are all a part of this original musical variety show which also contains several large production numbers of the whole ensemble of over fifty people.

(Team 1) to a 9 to 4 win over Beacon Savings (Team 5). John Massaro and Lee Mehan each blasted 2 run homers. Bob Strack drove in 3 runs with a key single. Larry Gray handled 7 chances at second base flawlessly.

The Yankees (Team 4) out slugged Team 8 17 to 13 with an 11 run seventh inning. Joe Filazola blasted two triples and also singled. Don Desroaches hit a 3 run Home Run to Knock in the winning runs.

The Tigers (Team 2) narrowly defeated Team 7 by a score of 6 to 4. Mike Stankowitz had 2 hits and 2 RBIs. Karl Schweitzer had a Key hit to knock in the two go ahead runs. The Tigers had good pitching from Phil Chester, Steve Errick and George Barber. Ken Allarone played outstanding defense at first base.

At a happy reunion, television personality Ed Herlihy of Sands Point presents Waterford crystal heart to Valerie Tate, whom he crowned Queen of Hearts following her successful open heart surgery at the age of three twenty years ago. On May 20 Valerie will be married to Douglas Quinn in Hicksville.

"Queen Of Hearts" To Be Married

"Queen of Hearts" Valerie Tate, who at age three received national media attention twenty years ago after successfully undergoing one of the Metropolitan Area's first open heart operations, will be married Saturday May 20, living proof of the long term benefits of this now relatively common medical procedure.

Valerie, a Plainview resident, will marry Douglas Quinn at Our Lady of Mercy Church in Hicksville at three p.m.

In 1958, the surgery at Long Island's St. Francis Hospital which repaired a hole in her heart received wide attention because the newspaper and radio blood

appeals for the surgery had drawn hundreds of responses. Valerie became the subject of dozens of human interest stories because open heart surgery was also in its infancy at the time. A year later, she was crowned Queen of Hearts by television personality Ed Herlihy at the first reunion for the little Brave Hearts, as the "veterans" of the delicate surgery were called. Mr. Herlihy, himself a pioneer in radio and television broadcasting, was host of the then popular "Children's Hour"

At a recent reunion of the current "Brave Hearts" organization made up of the 5,000 children and adults who have

The Church of Our Lady of Lourdes, Utica, N.Y., was the setting recently for the nuptials uniting Miss Deborah E. Evans, daughter of Mr. and Mrs. Robert H. Evans of Utica, N.Y., to Mr. Thomas C. McGee, son of Mr. and Mrs. Thomas F. McGee of Hicksville. Reverend Robert Conrad officiated at the double-ring ceremony.

Miss Deborah Gillmer was maid-of-honor. Bridesmaids were: Mrs. Robert W. Evans, sister-in-law of the bride, Mrs. Patrick Shirey and Miss Patricia Armstrong, cousins of the bride,

and Miss Sharon Garwel.

Best Man was Mr. Kenneth Sommer. Mr. Michael McGee, brother of the groom, and Mr. Robert W. Evans, brother of the bride, were ushers as were Mr. Michael Hoffmann and Mr. Philip Rinaldi. Ring Bearer was Robert T. Evans, nephew of the bride.

A reception was held at Hart's Hill Inn, Whitesboro, N.Y., after which the couple left for a trip to the Virgin Islands.

The newlyweds graduated from the State University of New York at Alfred where the bride,

an RN, received an associate degree in nursing. The groom holds an associate degree in chemical technology and is presently employed at the Brookhaven National Laboratory on Long Island.

Summerfield Scholar

Richard J. Christ has been selected by his brothers in Phi Kappa Psi Fraternity at the University of Arizona as the Summerfield Scholar of the Year. This is an award that is available annually in each of the 85 chapters of this Fraternity for presentation to a member who, in the opinion of his fellows, has achieved an excellent record of good scholarship in combination

with demonstrated leadership qualities and worthwhile contributions to the University and to his Fraternity.

Along with this certificate goes a cash award of \$100.00.

He is the son of the late John Christ, and Ingrid Christ Middleton of Shelburne Falls, Mass. He's a 1974 graduate of H. H. S. - Rich has accepted a position in Colorado Springs.

sincer undergone heart surgery at St. Francis, Valerie announced her wedding plans. Now an attractive young lady of twenty-three, Valerie water skis, plays tennis and works as a medical assistant at the county hospital. Her story gave inspiration to those who had undergone surgery in recent years, and reached the ears of Mr. Herlihy, who subsequently arranged for a reunion of his own with Valerie

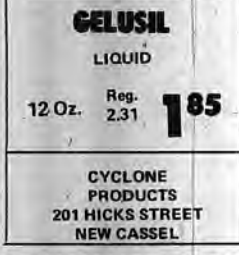

and her family at the hospital guild's annual flower show in Roslyn. Mr. Herlihy presented Valerie with a Waterford Crystal heart as a memento of the occasion.

Since pioneering heart surgery on Long Island in 1964 and open heart surgery in 1958, St. Francis has extended its services to adults as well as children and has treated patients from around the world for cardiac defects.

STATE OF NEW YORK DEPARTMENT OF ENVIRONMENTAL CONSERVATION

NOTICE FOR APPLICATION FOR PERMIT TO DISCHARGE UNDER PROVISIONS OF NEW YORK STATE POLLUTANT DISCHARGE ELIMINATION SYSTEM APPLICATION NO. NY-0106038 (GWI) MERGENTHALER LINOTYPE CO.

DIVISION OF ELTRA CORP.
 Oyster Bay (T), Nassau Co.
 The New York State Department of Environmental Conservation has received an application pursuant to Titles 7 and 8 of Article 17 of the Environmental Conservation Law from Mergenthaler Linotype Company, Division of Eltra Corp., Mergenthaler Drive, Plainview, New York 11803, Attn: Mr. William Garbers, Manufacturing Engineer.
 The Department has made a tentative determination to approve this application for a permit for the existing discharge of 3,000 gallons per day of sanitary waste and 2,000 gallons per day of photo process waste into groundwaters from the applicant's facility located at Mergenthaler Drive, Plainview, New York, Oyster Bay (T), Nassau Co., where the applicant operates a film process facility. CUMMINGS 'N GOINGS

By Jim Cummings

IRISH CONGRESS MEETS: At recently held meetings at Gaelic Park, in New York, a group of leaders of various Irish-American organizations discussed the diminishing role of the American-Irish today - thus was born the American Irish Congress. Since most groups are basically social organizations, prohibited by their constitutions and or tax-exempt status from speaking out on vital issues (political or otherwise) will serve as do other ethnic groups serve their constituencies ... The Congress will concern itself with any issue and any facet of life which affects the American-Irish community ... Individuals must be of Irish birth or descent; if you are interested the AIC meets next Tuesday evening, May 23rd at 8 PM in Gaelic Park - we will leave

from the Joseph Barry Council, Knights of Columbus by car pool at 7 P.M.

WE HEAR THAT: Kevin and Maureen Quinn are visitors to our fair community for the next three weeks on a vacation from their lovely home in Dublin, Ireland - the Quinns were most active in Irish circles with the writer prior to their move 10 years ago to Ireland ... Elsie Callahan celebrates 27 years of service as dispatcher at the Hicksville Fire Department on East Marie Street ... chatted with Medard Ofenloch by phone this week - good news he is feeling in best of health following a recent serious hospital stay - Medard is a former Chief and Fire Commissioner of the Hicksville Fire Department and is looking forward to returning to his post at Police Headquarters in Mineola ... Pat Cowan and Jim Mills are to be congratulated for their excellent work on the AOH Golf Classic on Saturday, July 22nd - steak dinner follows at the Lounge of the Joseph Barry Council, Knights of Columbus.

soon to be released at selected theatres, be sure and listen to the title song and introducing Jim Brooks of "You Light Up My Life" fame and featuring Jimmy Breslin - we chanced to hear an advance tape of the song, beautiful, like the story ... Patricia Larkin becomes Mrs. John Kenny this Saturday at St. Ignatius Church - Pat teaches at Our Lady of Mercy School, in Hicksville ... Congressman Norman F. Lent will face off against Congressman Mario Biaggi this Sunday on Channel 2 news program "Public Hearing" 12:30 PM ... Sincerest sympathy to Mary Anne Caldwell on the sudden passing of her husband, William, employed at the Town's Public Works complex in Syosset ... Membership in the Commodore John Barry Division, Ancient Order of Hibernians continues to soar due to the leadership and expertise of its President, John Campbell - our Ladies Auxiliary is a most representative group at all Irish functions and charitable endeavors under the guidance of Kay Roemer, President - The Ladies meet next Thursday evening, May 25 in the Lounge at the Knights of Columbus 8:30 P.M. - Have a Happy Day - give some Happiness away.

Attends Convention

Charlotte R. Langmack, Assistant State Director of Hicksville was among more than 2,500 delegates and guests who attended the biennial national convention of the American Association of Retired Persons at the Hyatt Regency Hotel here.

Highlight of the convention was the presentation by the 11-million-member association of the prestigious Andrus Award to noted anthropologist, author and lecturer Dr. Margaret Mead.

The Andrus Award, named for the founder of AARP, Dr. Ethel Percy Andrus, honors an individual whose outstanding achievements in later years exemplify the participation of older Americans in national life and prove that age is no valid measure of creativity and contribution.

DID 'YA KNOW: that the Molly Maguires Pub (just south of Old Country Road, Hicksville) continues its live music every weekend - catch Dennis McCoy and his quartet - the sound is fabulous and the talent great - what's all this jazz about Wednesday nites at the Molly Maguires, Ken? - we're impressed with the new talent, including many top performers in the music biz who are making this the "in" spot on Long Island ... Marie (formerly at Mid Island Bowl) will dispense the good spirits evenings commencing next week at the Molly's - it's a pleasure to enjoy luncheon with the atmosphere and cordial manner of their staff - good luck to Ken and Elsie.

ROUND OUR TOWN: Happy Birthday to a good friend, John Hill of Hicksville ... Plan on seeing "If Ever I See You Again"
