Two Vamps Die In Bethpage Blaze

By Asst. Chief Owen Magee

Two Bethpage Firefighters, Capt. Joseph Dunn, 28, Robert Hassett, 21, both of Engine Co. 4 died in a fire at the Brothers 3 Pool Supply store on Hempstead Turnpike, May 25th. The cause of death was listed as chlorine poisoning. A former employee, Anthony Cavagnaro, 19, has admitted setting the blaze after being fired from his job at the pool supply outlet. He is being held on murder and arson charges. No bail was set.

As scores of Bethpage firefighters fought the blaze, an explosion occurred and trapped the two men. Firefighters were called in from the surrounding communities of Hicksville, Levittown, Farmingdale, Plainview, So. Farmingdale and North Massapequa. Homes in the area were evacuated due to the chlorine gas fumes.

Hicksville volunteers sent 3 chief officers and 2 engine companies to the scene. One company remained on the scene till 2:30 p.m. the following day.

County Memorial services were held at the deceased firefighters fire station on Stewart Ave. in Bethpage. Dunn was laid to rest at St. Charles Cemetery

and Hassett at Holy Rood Cemetery. Firefighters from all over Long Island and from lower New York State attended the memorial services on Sunday, May 28.

Due to the deaths of the Bethpage Vamps, Hicksville firefighters withdrew from the community's Memorial Day parade to attend the burial services and to provide fire protection, with other local departments for Bethpage Vamps so all could attend. Hicksville Vamps also dedicated a floral piece in the Vamps' honor at fire headquarters on Gebhardt Plaza. It was with regret that the Hicksville Vamps withdrew from the parade, but the combination of the snafu with Memorial Day being celebrated on Monday and Tuesday, splitting up the manpower able to attend and the obligations to the Bethpage Vamps, they had no choice.

The members of the Volunteer Fire Service are a closeknit family and one department's loss in the line of duty is considered their loss too. As we have said many times in the past, the term Volunteer is very misleading. The dedication, time, training given by these men and their

families is the same as any full-paid department. The parades and drills held each year are part of that dedication. The sight of Vamps whooping it up can be misleading, for when the alarm sounds they are all business. The one thing all volunteers deplore is to be taken for granted. The job is a tough one, a dangerous one. They know it, as do their loved ones. For too long now the false alarms, the arson-caused fires, no matter how small, have been taken for granted. Often witnesses to these acts fail to come forward and the perpetrators get away with it until one day a man, woman or child dies. Then it is too late. It is hoped that in the future none of our residents will come to learn that their neighbors, the Volunteers, are their last line of protection and support them and help them, make the community safer by halting the malicious false alarms, the brush and rubbish fires that also risk everyone's lives. Help your firefighters help you.

During the period May 23 to May 27, Hicksville Vamps responded to 23 alarms. There were 3 false alarms, 9 rescue calls and 11 fire calls.

School Budget Figure Approved

By Linda Strongin

The Hicksville Board of Education approved a budget figure of \$28,500,000 at the public budget meeting of May 22. This figure, however, can change if items are added or deleted at the budget hearing scheduled for June 7, 8:15 p.m. in the senior high auditorium.

The figure was reached after an original motion of \$2,400,000 was withdrawn and three amendments to that motion lost. Voting no to the higher figure were Trustees William Bennett, who favored the lower figure; Iris Wolfson, who felt that two of the items (Science Chairman position at \$29,000 and teacher differential at \$28,000) should not have been included as deletions "at this time" since more "concrete information was needed"; and Pete Fujimoto, who also felt that "insufficient information" was not available in these areas to make any decisions.

The \$28,500,000 represents an increase of \$1,054,730 over last year's budget and an increase of \$.90 per \$100 of assessed valuation for a total tax rate of \$16.67 per \$100 of assessed valuation.

REDUCTIONS

School Budget Hearing

The Board of Education of the Hicksville Public Schools will hold a Public Hearing on the 1978-79 Budget on Wednesday, June 7, 8:15 p.m., at the Senior High School Auditorium, Division Avenue, Hicksville. The public is invited to attend.

The Budget Vote will be held Wednesday, June 21, 10:00 a.m. to 10:00 p.m. at local schools.

The figure reflects reductions in various areas and codes, among those being instructional equipment, \$55,000; and supplies, reduced by \$110,000. Maintenance costs for fuel and lighting were reduced by \$50,000.

The Curriculum Materials Center was reduced by \$9,000 due to the utilization of existing supplies and a cut-back on budget requests.

The figure reflects a projected transportation cost of \$110,000 as well as possible salary increases for the entire district staff. All contracts expire June 30.

Athletic Program Reductions

Co-Curricular and Interscholastic activities were reduced \$25,000. Approximately twelve programs and activities are being considered for elimination including, among others, senior high swimming; bowling (all levels); various junior high level teams of baseball, lacrosse, basketball, soccer and tennis. Reduction of elementary intramural volleyball and basketball is also being considered. A senior varsity soccer team for girls is being considered as an addition.

Other Programs

Driver education, originally es-

timated in the beginning stages of budget planning at \$90,000 was reduced to \$60,000. Beginning September, 1978, driver education will be available only to seniors.

The drug abuse program, funded in part by Nassau County, was deleted at \$18,870. Staff Positions

As stated previously, the position of science chairman was deleted at \$29,000. The position of transportation supervisor was also deleted at \$20,000.

The total number of teaching positions to be reduced has not yet been established since this item is currently being discussed in contract negotiations. Thirteen staff members will have retired by June 30, however, at a reduction of \$309,000.

Approximately \$6,200.00 is expected in state aid under the "save harmless" formula.

President Tom Nagle stated that this budget figure was reached "after a long and difficult period, with much soul searching. We hope the public will support our school budget."

Voting on the budget is scheduled for June 21 at the seven election districts. Registration is June 14, 3-8 p.m.

Hicksville American Soccer Club Meeting

There will be a general membership meeting of the Hicksville Americans Soccer Club on Friday, June 2nd, at 8:00 P.M. at the Prime Thyme Pub (downstairs room) in the shopping center at Newbridge and Old Country Roads.

At this meeting, the winning ticket from their 1978 Raffle will be drawn - for the truck-load of

cheer.

In addition, they will have elections for the five seats on the Board of Directors. The term of office for this board will run from July 1, 1978 through June 30, 1979.

"Come down to the meeting, turn in your chances, wait to see if you're the winner and don't forget to vote," urged a Soccer Club spokesman.

"Gianni Schicci"

Jim Tornatore, tenor soloist in the St. Ignatius Church choir, will be singing Gaetano, and Philip K. Badger, 89 Balpark Lane, will be singing the Notary in per-

formances of Puccini's Gianni Schicci June 9 and 10 at 7:30 pm in the Church of the Ascension, Rockville Centre. Susan Muller, of Autumn Lane, is accompanist

Take The "A" Stamp!

A new postage stamp that bears the letter "A" instead of a denomination, has been placed on sale at the Hicksville Post Office and all postal branches. Sectional Center Manager Postmaster Anthony M. Murello announced today.

The stamp's value is 15 cents and corresponds with the new 15-cent postage rate for one ounce of first-class domestic mail which goes into effect at 12:01 a.m. Monday, May 29.

The new first-class rate was approved Friday, May 19 by the Postal Service Governors.

The stamp design features an eagle with the legend "U.S. Postage" beneath it. The letter "A" appears beside the eagle. The eagle and lettering are white, on an orange background.

The Postal Service printed the stamps in 1975-76 when similar uncertainty existed regarding its last rate case. At that time, it also printed and put into use two non-denominated 1975 Christmas stamps.

The "A" stamps are available in sheets, coils and booklets. Postmaster Murello said, Embossed stamped envelopes, bearing "A" in lieu of a

denomination, also may be purchased.

The "A" stamps and envelopes, along with stamps and postal stationery items already in the Postal Service inventory, are sufficient to meet mailers' needs until deliveries begin of postal items with denominations matching the new rate. Postmaster Murello stressed.

In addition to the non-denominated stamps, he said, many mailers will find it convenient to use existing low-value stamps in combination with the 13-cent stamps to meet the new first-class rate for letter weighing an ounce or less.

The charge for each additional ounce or letter mail over one ounce is 13 cents. Therefore, mailers an affix "A" stamps in combination with as many 13-cent stamps as necessary to letters weighing more than an ounce.

"An abundant supply of stamps including a 15-cent bearing the portrait of Oliver Wendell Holmes and first issued in 1978 -- and other postal items are available at all postal locations to meet the needs of our customers," Postmaster Murello said.

The Hicksville Kiwanis Club, through its Tax Exempt Foundation, has agreed as the primary objective of a major fund raising program, to provide a general memorial, lighted, multi-color fountain for Hicksville's business area. The providing of The Memorial Fountain will be a major development in support of the continuing Downtown Beautification Program of the Chamber of Commerce.

Funds for the project will be generated from a major fund raising in behalf of the Hicksville Kiwanis Foundation whereby all contributions will be tax deductible. Details will be announced as soon as finally arranged so that installation of this outstanding improvement in LETTERS

The N.Y. City Board of Estimate awarded \$9,327 a year for life to the widow of Paul Schumacher (Newsday, May 26) the East Meadow man who gave his life for \$2.00 in a B'klyn mugging. What a wonderful gesture. Will Nassau County follow suit? If not, why not. Volunteer firemen give their lives free. I suggest that Purcell follow the action of an almost bankrupt "fun city." If they can do it why can't we?

I also suggest that each homeowner donate \$1.00 religiously every month, businesses \$5 per month and residential renters 50 cents per month. A small amount to pay to save a life, a home or a business. Hicksville has approximately 10,000 homeowners (approx. 50,000 residents). Donations would go to the Fire Dept. in their respective town. All monies would go into a central fund to be used to pay medical bills, funeral expenses and a pension for the survivors of these brave and unselfish volunteers. Let these men know that we care about them and let's hope and pray that the "man" upstairs awards Hassett and Dunn gold firechief's hats when they pass thru those gates. Let's tell Hassett and Dunn that we'll never forget, we will remember them forever.

To the Editor:

Trustees of the Hicksville School Board are facing pressures from taxpayers to hold the line on rising real property taxes and from concerned parents over the quality of their children's education if taxes are not raised or is spending is cut.

Taxpayers, including concerned parents, are frightened over the spectre of rising taxes occasioned by sewer installation, equalization of private and commercial assessments, county-wide property reassessments, and the bill for last year's snow removal and police contract - all of which can add \$600 or more per year to the normal tax bill by 1980. If those tax increases are further increased by rising school taxes, the tax burden will become unbearable to most taxpayers.

Taxpayers will be asked to

the downtown area can be commenced in time to permit dedication and operation of the fountain by early Fall 1978.

Necessary permits are being obtained for The Memorial Fountain to be installed in a most conspicuous location in the plot of ground between Broadway, Jerusalem Avenue, the parking area north of Long Island Railroad and The Kennedy Triangle. The Fountain will be visible to thousands of passersby daily via Long Island Railroad,

motor vehicles and pedestrians. Plans include an arrangement of benches where viewers can relax and enjoy its beauty both day and night.

As a general memorial, contributing individuals will be able to memorialize their own loved ones to whatever degree their personal circumstances allow.

It is felt that many residents, both present and past, will welcome the opportunity of having a specific part in this beautiful permanent im-

provement for Hicksville. Besides individual contributions, support will be solicited from all Chamber of Commerce members, Civic and Service organizations, and individual business and professional people. Support is encouraged from all Hicksville residents from school age to retirees - no contribution

will be too small. Anyone wishing to volunteer working to assist in this project should contact Mr. Kingsley Kelly at 931-0600 who is heading up this special project for Kiwanis or Mr. Ronald Wagner, Assistant Vice President, National Bank of North America, 935-1500, Fund Raising Chairman of Kiwanis.

Dear Friends...

Do you have a question on the upcoming school budget? Representatives of the Hicksville School District tell us that you may call 733-2104 and ask any questions you might have on this subject. If they do not have the answer immediately, they will get back to you within a reasonable time. This sounds like a good idea especially in times like this when, as the date of the vote gets closer, various groups with various interests sometimes make charges and quote figures that can only be refuted with the facts. Before you make up your mind as to how you are going to vote on this budget, you have this phone number to call to check out whatever information you question.

Which brings us to another point...we're reminding those of you who plan to send us 'Letters to the Editor' regarding school board candidates that (1) in the last issue before the election we never print "Letters" or any other material which contains charges, because there is no Herald issue in which they can be refuted if those so charged wish to do so, (2) we never accept "Letters" with more than one signature or unsigned "Letters" (although we will withhold your name if you request us to do so).

AT THE STACK O'BARLEY Pub on South Broadway in Hicksville much is planned for your entertainment as you will see in their advertisement on page 7. On Friday, June 2, your favorites Noel Kingston and Paddy Farrell; on Sat., June 3, the ever-popular "Trade Winds"; and on Sun., June 4, Frank Keegan will appear. Ken Byrne and Billy Hickey are set for June 7 and 8. On Sunday, June 11 you will have the pleasure of hearing Paddy Noonan's Band featuring Tommy Mulvihill and Johnny Hanley. And, on Sunday, we are told, to accommodate early dinner patrons, the Stack's entertainment will start at 7 pm. By the way, you'll be glad to hear that the Stack's famous chef, Nick Kocoris is back...check their adv. for many of his famous specials.

We offer our condolences to the bereaved families, friends and brother firemen of the two brave young volunteer firemen who gave their lives last week in Bethpage. In their memory we print the following:

A FIREMAN'S PRAYER

When I am called to duty, God, wherever flames may rage; give me strength to save some life, whatsoever be its age. Help me embrace a little child before it is too late; or save an older person from the horror of that fate. Enable me to be alert and hear the weakest shout, and quickly and efficiently, put the fire out.

A MEMORIAL DAY TRIBUTE: As the nation recalls its millions of patriot war dead this Memorial Day, 1978, survivors of the great campaigns of service and civic duty share old comradeship at veterans club get-togethers. At the Charles Wagner Post 421 American Legion, Hicksville, Commander Edward L. Leger, a veteran of World War II Army Air Force service with General "Hap" Arnold's Headquarters force and of recalled army reservist service in the Korean War, shares memories with three First World War veterans. (Left to right): Past Post Commanders, Henry C. Brengel and Arthur J. Ferro who served in the United States Navy and Emil Boerckel who was a member of New York's 77th National Guard Division. We are all proud of these octogenarian gentlemen who have over 55 years of membership in the American Legion.

Letters To The Editor

To the Editor:

The filing date has come and gone and we are off and running for a seat on the Board of Education - my two co-board members are running unopposed, just as I had last year. I welcome respect and opposition, and I have great respect and admiration for my declared opponent, Shirley Smith. For Shirley has been active in Hicksville with the PTA for many years and has distinguished herself to such an extent that she was so honored in this year's Founders Day Award.

I was extremely apprehensive over the past weeks as to whom my opponent was to be for it was common knowledge in the District that many of the HCT Union delegates wanted me OFF THE BOARD at all costs. In all sincerity I wanted to have a dialogue with the Teachers Union so as to firm up some common ground - but, they were steadfast in their demands, and it became impossible for me and some of my colleagues to discuss the important matters on staffing and budgeting with any sort of rationality - I therefore became their chief target. The following letter, written by Mr. Len Goldberg, a Social Studies teacher in our High School, and a member of the HCT, bears this out. It reads:

Fellow Teachers: As you are all aware, contract negotiations between the School Board and the HCT have been stalled by the recalcitrance of certain members of the Board. It is imperative that we replace as many Board members as possible with citizens dedicated to improving our educational system. Mr. Harold Satran will be running for the School Board against William Bennett, whose anti-teacher record has been documented in

Probe. To beat Bennett we need your help. We need funds for posters, handbills, mailings, etc. Please make tax-deductible contribution of \$5.00 to the HCT POLITICAL ACTION COMMITTEE. Naturally this contribution is voluntary but please do not concede a seat on the Board to a man who holds us in contempt and is dedicated to destroying the modest gains we have made in past years. Thank you in advance for your generosity.

Len Goldberg

Mr. Harold Satran however did not file any petitions. In the current issue of "Pennysaver" May 27th, a paid advertisement by the Hicksville Congress of Teachers - Political Action Committee, has announced Shirley Smith's candidacy.

I am confident that the teachers of our District do not hold me in contempt as the HCT letter implies, for I am sure they will not judge me on the contents of their union's newsletter Probe alone. For I respect our teachers and have even greater appreciation of their tasks and difficulties, by hearing about them at their Retirement Dinner this past Friday - God Love Them.

The President of the Hicksville Congress of Teachers, Mr. Murray Goldstein will be stepping down at the end of this year. Mr. Goldstein has accomplished much during his tenure as President and has brought to our District stability and calm during those difficult years. The difficulty and much of the misunderstanding comes from his delegation of union representatives. They are out to control this District with their power and arrogance that has been developing over the years and has implanted itself within the chambers of our

I want to fill my calling and to give the best of me; to guard my every neighbor and protect his property.

And, if according to Your Will, I have to lose my life, bless with Your protecting hand, my children and my wife. Amen.

THAT'S ALL for this week. Stay well and remember the old adage: "I don't know who my grandfather was. I am much more concerned to know what his grandson will be" (Abraham Lincoln: from Gross's "Lincoln's Own Stories").

"Parks Survey" Continues

Dear Editor/:

In reference to Ms. Helen Wallace's letter to you, printed in the May 18th newspaper about the Giese parcel of land proposed for a park. She is only thinking of herself and her neighbors who are near this complex.

I live on the other side of town and it would not be easy for my children to use this park. I would be paying for a nice park and pool, etc. for her to have in her back yard "so to speak." I also do not believe she knows that it was not only the taxes per year she would have to pay but also a yearly fee for her to use this pool.

I have an in-ground pool in my yard and also the use of the Levitt pools - and I would campaign vigorously against paying more taxes for more pools which Hicksville has enough of.

If taxes go any higher, I will be forced to sell this house and its in-ground pool to go to a lower tax area which I am sure I will not find on Long Island.

I will gladly let Ms. Wallace and her children use the Levitt pools as my guest anytime she wishes without paying more taxes, etc.

Thank you,
Michael A. Panico
43 Winter Lane,
Hicksville, N.Y.

Dear Editor:
I was delighted to read

Charles Montana's letter in your recent issue regarding the parks proposal that was so soundly defeated. I agreed completely with his position.

I think, however, that there is still another consideration. The parks proposal as offered seemed to be a very attractive one. But since we get nothing for nothing it would have to be paid for. That would mean increased taxes. The crux of the matter, therefore, is not whether the parks would be nice to have, but whether we can afford them. I was pleased that the people said "no."

When we have had difficulty for several years to pass such essentials as school and library budgets, and since they are still to be voted on, I cannot conceive how the Town could suggest raising taxes for anything so unnecessary as parks - no matter how nice.

A friend gave me this question the other day - question: "do you know how to keep within the budget?" Answer: "NO."

When times are hard, "no" is a good word for us all to learn in dealing with nice but unnecessary things.

Sincerely,
Harriet A. Spink,
Hicksville

Dear Editor:
In re: Park Survey

Central Administration. The question we must ask ourselves is: WHO IS RUNNING THIS DISTRICT - THE TEACHERS UNION (HCT) OR THE TAX-PAYERS?

We must have a check and balance system in our District. The Board of Education made up of citizens from the community Central Administration comprising of the most professional and talented educators money can buy. And the Teachers Union, that puts education of our children ahead of contract considerations.

The power of the Union is now threatening the make up of our Board - the stakes are high for my vote is a deciding one for many important decisions are on the horizon in the next three years. We have a 4-3 voting board.

The expenditures thus far by the HCT is quite evident in their full-page ads in Pennysaver. Each full paid ad runs \$151.00. Their war-chest is full and ready to roll.

I need your support, your contributions and your vote. I am but one, and I cannot achieve success at the polls alone. Please HELP ME and by doing so we can have Board of Education that is representative of the people and not that of the TEACHERS UNION (HCT). Please contact me by mail at 5 Petal Lane, Hicksville, N.Y. 11801.

Sincerely,
Bill Bennett, Trustee,
Board of Education

To the Editor:

Two more lives wasted needlessly by fire, raising the total to 6 volunteer firemen killed and Lord knows how many injured this year. What courage these men display, rushing to fires at all hours, dashing thru smoke and flames to save people, pets and property. As I sit here in the early morning, the still of night is shattered by fire horns, screeching tires and sirens telling me I'm safe while these volunteers interrupt their sleep, meals and family life responding to the cries of help. Care I? No. But how about these volunteers? Who commands them to be our

'Rescues A Piece' Of American History

Bill Maher of Mayfair Lane, Hicksville, was instrumental in saving a piece of Americana. Maher, who owns and operates a taxi and limousine business in the Hamlet of Oyster Bay, found a 46-star United States flag which had been discarded near his office about two months ago.

The flag, which measures 6' x 10' and is made of a fine, burlap-type material, was flown over the Hamlet of Oyster Bay while the 26th President of the United States, Theodore Roosevelt, was in office. The flag represents the number of states in the Union during the latter part of Teddy's Roosevelt's presidency (1901-1909) said Miss

Dorothy McGee, chairman of the Oyster Bay Historical Society. The 46th star represents Oklahoma, which was admitted to the Union on November 16, 1907. The 47th state, admitted in 1912, was New Mexico. The last states to be admitted were Arizona (48th) Alaska (49th) and Hawaii (50th). New York State is represented by the 11th star, after ratifying the U.S. Constitution in July 1788. Magee related.

A veteran of the Pacific Theatre during World War II, Maher donated the flag to the Quentin Roosevelt, Post No. 4, Oyster Bay. During Memorial Day services at the Post on May 30, Commander L. Edwin Kirk

publicly acknowledged Maher's historical gift and rededicated the flag to the Oyster Bay Historical Society. The Society's headquarters are located in the Wightman House (circa 1720) on Summit Avenue, Oyster Bay. This historical site is owned and operated by the Town of Oyster Bay. Miss McGee graciously accepted the flag on behalf of the Historical Society. Plans to display the flag to the public have not yet been finalized, she said.

When asked why he didn't retain ownership of this piece of American history, Maher said "This flag represents part of the heritage of the people in the Town of Oyster Bay. History should be shared, not coveted in isolation."

Colby Named To Committee

Oyster Bay Town Supervisor Joseph Colby has been named as a member of the committee of the Bal De Son Et Lumiere (Sound and Light Ball) to benefit the Industrial Home for the Blind.

The Ball, which will honor James J. Duffy, president of the International Union of Operating Engineers Local 138, will be held June 1st, at 7 P.M. at the Colonie Hill.

"I am pleased to lend my support to this organization which has helped tens of thousands of Long Island's blind," Colby said. Those seeking tickets to the \$100-per-person dinner are urged to contact The

Industrial Home for the Blind at 329 Hempstead Turnpike, West Hempstead.

Birthday greetings go to Cathie Clark of Dartmouth Dr., HICKSVILLE. She celebrated her 7th recently.

Ronald Proffe, Notre Dame Ave., HICKSVILLE, recently celebrated his 13th birthday. Happy birthday, Ronald.

The Rev. and Mrs. Jack K. King, Pastor of the Plainview United Methodist Church, will be leaving Plainview to take up residence in Lindenhurst. On June 10, Bishop Ward will announce their appointment to Grace United Methodist Church, there. Their last Sunday in Plainview, will be on June 18.

Best wishes to the Kings from their many friends, neighbors and parishioners.

Twelve-year old Gerard Humphreys made his Confirmation on April 24 at St. Ignatius Loyola R.C. Church. Gerard's parents, Marilyn and Ed, honored this occasion by taking Gerard out to dinner and presenting him with a gift. Gerard is a student in Hicksville Jr. H.S.

Tom and Corinne Clark's 12-year old twins, Alexander and Douglas, were confirmed in May in St. Ignatius Loyola Church. Congratulations, fellows. Their father, Tom, is a Town of Oyster Bay Councilman.

Hicksvillites Betty and Sam Mogavero's daughter, Gail, is home for the summer from St. Petersburg Jr. College in Florida. She just completed her first year in preschool education. Their son, Wayne, celebrated his

birthday on May 23 with his wife, Maryanne, and his parents.

Frank and Margaret Clancy, Suggs Lane, Hicksville, have returned home from a trip to South Bend, Indiana where they attended their son, Brian's, graduation from the University of Notre Dame on May 20. At the time of Brian's graduation from Holy Trinity High School, he was awarded a four-year Army ROTC Scholarship. He is an outstanding student and a credit to his family. Congratulations, Brian.

Three new members of the Board of Directors of the Action Council of Hicksville are: Ann Gros, Ben Kledeka and George Tappen. They were recently elected and will be officially installed on June 12. These three people are very active members of the Hicksville Nutrition Site. We know you'll do a "yeoman's job" in your new positions, folks.

On May 21, Mary Knight, Loretta Lane, Hicksville, graduated from Nassau Community College with a degree in medical technology. Mary is a member of the Phi Theta Kappa Honor Society. She is employed by Rockville Centre, as a medical technician. We wish you much success in your career, Mary.

Jeanne Lynch, who plays the clarinet, was one of the members in the Hicksville H.S. Concert Band when they had their performance on May 18. The show was a smashing success. Jeanne's parents are Charles and Pat Lynch of Hicksville.

Costa Rica had two important

visitors in May: our President's wife, Rosalyn Carter, of Washington, D.C.; and Bob Hoe's wife, Maria, of Mayfair Lane, Hicksville. Maria didn't have the opportunity to speak with Mrs. Carter, but she did see her in person at the Inauguration ceremonies of the new Costa Rican President. On her return flight, Maria had a harrowing experience. As her plane was descending for a landing, it was struck by lightning and the motors stalled. Fortunately, the landing gears were already down and the plane glided in for a safe landing. We're glad you're home safe and sound, Maria; and so is your family.

One of the graduates from State University at Geneseo on May 20 was Kathy Lynch, and her sisters, Maureen, Jeanne and Dianne, traveled upstate to attend the graduation ceremonies. Kathy received a B.S. degree in speech therapy. This summer she'll work in Camp Lee Mar, PA, as a speech therapist. Good luck, Kathy, in your future endeavors.

There has been rejoicing in Louise and Tony Correr's household. Their first grandchild, David Pollicelli, was born on March 29, at 8 lbs., 14 oz., to their daughter, Jean. Grandpa Tony is the attorney for the Hicksville Fire District, Hicksville Water District and the Nassau County Tavern Owners Assn. (Is this trio known as fire, water and firefighter?)

Sam and Kitty Weiss' grandson, George Law, has been accepted in Bryant College where he will study law.

Engaged

Mr. and Mrs. George Karman of 55 Bobwhite Lane Hicksville have the pleasure of announcing the engagement of their daughter Jeanne Marie to Mr. Thomas Aull, son of Mr. and Mrs. Warren Aull 122 Sixth Street, Hicksville.

Jeanne is employed by St. Francis Hospital, Port Washington and Thomas is employed by the Long Island Railroad. The wedding is planned for August 1979.

Galileo Lodge News

By Joe Lorenzo

In a letter addressed to Skip Monteforte, Lottie Seligman and Gail Grossman, Directors of the March Of Dimes Nassau County Chapter, thanked the Galileo Lodge for the magnificent set-up and operations of the Pop Shop area at Checkpoint 7 during last month's walkathon at Eisenhower Park. The letter also stated that Skip and his committeemen had the operation down to a science and that it was a pleasure to work with them. The March of Dimes considers

Skip and co-workers and the Galileo Lodge great friends of the March of Dimes program. A most gratifying added note here is that 14,264 walkers completed the 20 miles and raised pledges amounting to over \$400,000 to continue the work of protecting the unborn and the newborn.

A note to all golfing enthusiasts: as we mentioned in our last article, June 3rd is the date set for the Galileo Lodge's Golf Tournament which will be held at

the Heatherwood Country Club at 11:00 A.M. The fee is \$15 per person and it includes hot roast beef sandwiches and a cocktail hour. Call Mario Misturini at 681-5088 or Skip Monteforte at 938-7081 for more details on this event. Transportation will be provided if you call at 9:00 A.M. and that number is 931-9351, so if you like to spend a nice summer day in the fresh air, why not get acquainted with our Golf Session.

LODGE HAPPENINGS

Rounding out the Galileo Lodge's summer program of recreation will be a Beauty Pageant Dance, picnics, bocci tournaments, softball games, more golfing sessions, etc. There is never a dull moment and the idea of fun and good times will always prevail here. Plans for the Bicentennial Memorial construction are in effect, which means that manpower and materials have been discussed and that now it is only a matter of time before completion.

Hicksville's 11 year old "Red" team travelled to the Braddock Road Tournament in Fairfax, Virginia over the Memorial Day weekend. Their first game was Saturday morning against the Reston, Virginia Shamrocks. The first goal was scored by Hicksville's Mike Masters on a break-away. Lloyd Sneddon scored on a deflection from the opponents. Robert Newlands faked out the fullback and scored. Penalty shots were made by Peter Schnur and Mike Masters. Larry Ziembecki shot and hit the post and R.J. Nakashian followed up and scored. Hicksville beat Reston 6-1.

Saturday afternoon Hicksville met an undefeated Saddlebrook team from Virginia. Hicksville

TEN DAY HOME TRIAL

One of the smartest places to invest your hard earned dollars these days is in a good used blue chip economy car such as a Volkswagen, Datsun or Toyota, and we have a good selection of all three makes.

First of all, if you so desire, we will pay your mechanic \$20 to thoroughly check the car of your choice. If he says no, there is no further obligation.

Second, if within 10 days or 500 miles, whichever sooner occurs, you're not satisfied, return it! We're so confident you will like our car, we will give you a written money back guarantee which includes state and local taxes, registration fees, and if you finance the car through us, we will absorb any finance cancellation charges.

Thirdly, if you keep the car, our no-nonsense limited 30 day warranty simply states that the Engine, Transmission, Rear Axle, Front Axle Assembly, Brake System, and Electrical Equipment shall be in good operating condition or we will make repairs or replacement at no cost to you.

You won't find a fairer deal anywhere, even on a brand new car!

Duryea: "Small Business Should Have More Government Contracts"

Republican Leader Perry B. Duryea of the State Assembly has announced "an aggressive state program to create jobs" through the encouragement of small business in New York State. He said federal and state small business activities have been too distant and often unproductive. "State and local governments should take the lead by opening the door for small businesses to the

billions of dollars of purchases made by the state and its localities each year," he said.

As a first step, Mr. Duryea will sponsor a series of bills to provide small businesses with more opportunity to do business with the State of New York and its localities. His program would reduce the impediments to small business entry into this market, thus footing with larger businesses.

approve a "preliminary" budget of about 28.5 million dollars for the 1978-79 school year, up by about one million over last year. This will up the tax rate by about one dollar per hundred assessed valuation. HOWEVER, the budget and the tax INCREASE could go MUCH HIGHER when costs of a teacher's contract now under negotiation are added. BUT, that 28.5 million dollar proposed budget can be GREATLY REDUCED by the removal of the 45-50 teachers WHO ARE EXCESS TO THE NEEDS OF THE SCHOOL SYSTEM because of the large reduction in school enrollment the past few years! The reduction, when first proposed by Trustee William Bennett, triggered immediate teacher union response - vicious in nature - practically implying the school board was attempting to dismantle the school system, was ruining property values, and was destroying the future of Hicksville. That garbage was a blatant attempt to scare parents of school children into supporting unnecessary expenditures for unneeded teachers.

Just recently each school child carried home to his parents a list of possibilities which if carried out because of teaching staff reductions spelled the doom of Hicksville's educational system. This "doomsday list" was prepared by Mrs. Shirley Smith, a teacher and PTA activist, in conjunction with school principals and delivered, in collusion with teachers, to children attending school for them to give to parents. That "doomsday list" was rot. It would never come to pass - and anyone in the school administration who thought it would - should be looking for work elsewhere. But now TEACHER Shirley "doomsday" Smith is a candidate for the seat of the Trustee who proposed the teacher cuts, Mr. William Bennett. Teacher Smith must be defeated - Mr. William Bennett must be reelected if taxpayers want a fiscally responsive board. Putting a TEACHER on the school board is like putting a fox in the henhouse.

Taxpayers have just gone through one battle and showed with a 10 to 1 vote that unnecessary spending must stop. Therefore, Trustee William Bennett must be supported in his attempt to reduce unnecessary spending for unneeded teachers
