Board Adopts Budget

By Linda Strongin

A \$28,477,185 budget figure was adopted by the Hicksville Board of Education at the annual budget hearing last week. The figure represents a tax increase of \$.88 per \$100 of assessed valuation for a total of \$16.65 per \$100 of assessed valuation. The vote was 6-0, with Trustee Neil McCormack absent for personal business.

The budget figure includes a reinstatement of \$13,685 for co-curricular and inter-scholastic activities. Reinstated in the athletic programs and activities were, among others, swimming; senior high bowling (boys and girls); winter track; 7th and 8th grade soccer; 7th and 8th grade baseball; and elementary intramurals.

President Tom Nagle stated that when the vote to delete \$25,000 from co-curricular activities was taken and passed on May 22 "the Board had not intended to have all cuts taken from the athletic area."

"The administration should have looked at the entire co-curricular area, not just sports," he stated emphatically. He commended Mr. Richard Hogan, Director of Athletics, who did "an outstanding job" of re-evaluating the reductions and deletions and presenting a final proposal.

The vote on this motion was 6-0. The total budgeted for co-curricular and interscholastic activities is \$184,142, a decrease of approximately \$12,000 from last year's budget.

The budget also includes a reinstatement of \$10.00 for

classroom supplies in various codes, which would bring the total spent per pupil to approximately \$31.50. The expenditure does not include contractual expenses, film rental, or textbooks.

Trustee Iris Wolfson, had originally moved to reinstate \$30.00 to this area (the original reduction was \$110.00), but lost the motion as well as three others of lesser amounts until reaching the \$10,000 figure. Voting not to those motions were Messers. Arena, Nagle and Bennett.

"There is less money in supplies for children than ever before," stated Mrs. Wolfson, adding that a \$30,000 reinstatement would have brought the expenditure per pupil back to where it had been in previous years without taking into account "the inflationary factor." That expenditure was approximately \$35 per elementary school pupil and \$50 per secondary pupil. Voting no to the motion for \$10,000 were President Tom Nagle and Trustee Bill Bennett.

Also reinstated was \$2,500 for public information and services. Trustee Pete Fujimoto had originally proposed \$5,000 in this area "in order to improve communication with the public."

Vice President John Ayres questioned where the money would be spent. "Are we hiring a consultant or is this an in-house program?" Trustee Bill Bennett suggested the sum be used as "seed money" until such programs are developed.

A Message From Dr. Frederick Hill

On Wednesday, June 21st, the citizens of Hicksville are invited to the polls to express their will concerning the education of the children of our community. Relatively few people in the world have the right of genuine self governance, such as we do, and it is important that every citizen should exercise that right.

I think the forthcoming school budget vote is a critical one. As your superintendent in Hicksville, I have worked closely with your elected Board of Education in bringing you three consecutive years of no growth in taxes, with one year of actual decrease, while at the same time working with a fine teaching, administrative, clerical and operations staff to give strengthened educational opportunities and service to your children. We have added increased emphasis on Reading, "Riting 'n' Rithmetic, or basic skills for all children, while at the same time providing more opportunities for the handicapped, and advanced studies and enrichment for those who can be benefited by them. The Hicksville

Schools have been doing a good job, and our community has been a better place to live in, with enhanced property values, simply because people like to live where their families can be better served.

During the past six months, your Board and staff have wrestled with the spectre of increased costs such as fuel, light, power, bus service, supplies, etc., plus other additional costs such as unemployment insurance, higher social security taxes, and similar other charges which have been "dumped" upon us, and which cannot be avoided. To try to offset these increases, the Board had some difficult decisions to face. If no cuts in staff or program were made, an increase of about \$2.5 million would have been necessary. As it now is, there will be a reduction in supplies, equipment, and service and proposed elimination of 42 jobs among the teaching, administrative and service staffs in order to reduce the tax increase to the 88 cent level. While reductions in enrollment help make such cuts possible, the plain truth is that a higher in-

crease would be extremely difficult for citizens on a fixed income, and yet a lower figure would mean severe cuts in services and programs which would be harmful to our children.

I will be retired when school starts next fall, and perhaps I should not express an opinion. Nevertheless, I do believe this proposed budget is about as high as increase as may be supported, and about as low as it can be cut without lasting undesirable impact upon the children, the schools, and our community.

I also believe that the handicapped children in the non-public schools should have access to the remedial and therapeutic services which may only be provided in a "neutral" public school site. Therefore, I strongly support Proposition 2.

It is my sincere hope that those who think the budget is too low, do not join forces with those who think it is too high in defeating this budget and forcing an austerity or contingency budget upon this community. When that happens, it is the children who suffer most. Hicksville deserves better.

Community Council's 1978 Awards

By Carole Wolf Part Two

This year, the Hicksville Community Council presented two awards to outstanding members of the Community who have given many years to make Hicksville a better place. Both of these awards went to Hicksvillians who are retiring but we know that these people will never retire from an active life. Two have founded a Museum and one has been Superintendent of Schools. Through their efforts they have brought a wealth of knowledge and experience to the people of our Community. And so the first award went like this:

He was a Maine boy, she was a New Jersey girl. He loved his cameras and she loved her books. He became a teacher and principal and after he served in World War II, he was called by destiny to teach in New Jersey. And they met. And they fell in love.

Hicksville was looking for an audio-visual director and he heard the call. He came, full of ideas and visions with a wife at his side to support all his efforts. Anything he wanted to do was fine with her. Together, they joined the Butterfly and Moth Society of Long Island. Together, they took their caravan and hunted for minerals in the ground. Together, they went to their other home in New Hampshire, where he would study and photograph his wildflowers. Everything was together.

They lived on Cottage Boulevard. Surrounding their pretty cottage were roses, prize winning roses, of all sizes, shapes, colors, and scents. And there were flowers too numerous to mention in a perfect landscape setting.

Inside, they began their collection. He built the cabinets and cases for his nature study collection and it grew and grew and grew. After about 10 years, it expanded so much that they were wondering where they were going to live. So then they made inquiries and found that the old courthouse was vacant and vandalized and empty. When the Town of Oyster Bay offered the property to them, they gladly accepted. The museum was chartered and with the help of a

tremendous number of volunteers; unions, housewives, and with the support of the School Board, they moved their collection and opened in January of 1973.

Photography and nature were his hobbies and he used his considerable talents to make nature study slides for science classes. He is known for his micro-photography and capturing the beauty of nature was his forte. He began to photograph local historical places in the 70's and together with Dick Evers, collaborates in producing 7 historical slide sets with hundreds of pictures about local history.

While he held down the job as Curriculum Director of the Hicksville School District, she was the office manager for a very large firm. When the tours grew so frequent in number at the Museum, she left her job and became a tour guide. She had the natural ability to interest people and had a wealth of information at her fingertips. She has a gift for polishing gems and placing them in jewelry settings. She brought her talent, her personal charm, and her ability to the museum and spent many hours cultivating friends. She was also

very active in Community Affairs and spent several years as Secretary to the Council.

And so the plaque read, "For outstanding community service, the Hicksville Community Council presents the 1978 Community Award to Anne and Gardner Gregory."

The next award was a complete surprise. As he sat in his chair facing the podium, he eagerly awaited the biography of the next Community Award recipient. Then all at once, after the first paragraph, his face looked down. He never expected it. And so his biography sounded like this:

You never pass this person without seeing a smile on his face. He always has a cheery "good morning" for anyone he sees. He gives sparkle to life.

He was born in Brooklyn several years ago, was educated in local schools and then traveled out to the Midwest to go to college. Just as Gardner Gregory traveled to New Jersey by destiny, so did this special guest of honor travel to Kansas. There he met his Mary and was married. He continued his studies and received his BS and MA from Kansas State University.

BOARD ADOPTS

(Continued from Page 1)
 Voting no to the amended motion for \$2,500 was Mr. Ayres. The total budgeted for public information, which includes the

school calendar, Bulletin Board issues, and other printed matter, is \$14,850.
 The Board voted to decrease transportation costs by \$49,000 due to the low transportation bids

that had been received. The total transportation cost is \$1,031,198, which also includes a tentative 60% increase in BOCES transportation costs.

Trustee Bill Bennett had suggested that a greater credit be taken since the BOCES 60% increase was "not an official act." However, the administration explained that "a greater expenditure than last year was anticipated." Also, it was pointed out that if the money is in the budget, it need not be spent.

Trustee Iris Wolfson also pointed out that "BOCES transportation for our kids is a mandated cost. We need to act on the best information received." The vote to decrease the transportation expenditure by \$49,000 was 6-0.

During the two-hour public speaking session, several areas of concern were brought to the Board's attention by Hicksville residents. Among these were the drug program; athletic ac-

tivities; tax increases vs. senior citizens on fixed income; and the "uncertainty" of the budget brochure.

The current drug and alcohol abuse program expenditure of \$18,870, which is partially funded by Nassau County, was deleted. However, when asked about alternative programs, Asst. Superintendent Manus Clancy informed the public that "alternatives are being looked at and proposed," including one by HAD (Help-Aid-Direction), a community-based program.

Several speakers suggested to the Board that "parents could supervise sports without pay" in order to cut costs. "President Tom Nagle stated he would 'take the suggestion under advisement'.

Most residents commenting on the athletic activities felt they should be reinstated. One speaker stated that "a reduction in the athletic program would be a grievous error."

Several residents on fixed

incomes spoke against an increase in the budget. One senior citizen vehemently stated "you cannot squeeze blood out of stone."

"Quality education" and "Maintaining the level of education" were phrases stated several times, but one resident commented, "We seem to have different definitions of quality education."

Mr. Ruel Jackson, a resident and employee of the district, commented on the "apathy" in the district in relation to attendance at regular board meetings. He also stated that "the Board is guilty of being too inefficient," referring to the no-growth budget obtained during the last two years.

Resident Jim Mango stated "public confidence is lacking" and held up the budget brochure stating it was difficult to understand the codes and that the percent increases were not clear for the general public to understand.

Secretary Dan Arena and Trustee Pete Fujimoto agreed that the budget brochure "needs more improvement."

Asst. Supt. Dr. Clancy, however, defended the people who put out the brochure, stating they "worked under a short time frame."

Also discussed between the Board and administration was staffing. Dr. Clancy indicated that, although it was difficult to answer questions on staff cuts, since the item was "under discussion in the negotiation process," the year would start "with enough teachers. There is no intent to add unless people leave or more students move in over the summer."

Mr. Bennett stated that he wanted to vote for the adopted budget figure "in good conscience" but saw "an open end" in regard to the number of staff.

"President Nagle stated that the 'Modified budget included the total of all cuts, including staff.' He also added that staffing problems 'had been solved' in the elementary and junior high schools.

Mr. Ayres motion to add \$17,500 for an assistant superintendent failed, with Messers. Arena, Bennett and Nagle voting no. Mr. Ayres felt the superintendent should have the funds available if a re-organization pattern is proposed.

The budget vote is June 21.

A Tribute To The Fifties

Roy Radin's Vaudeville '78, a Tribute to the 50's, the unique, all-star family entertainment show opens at CALDERONE THEATRE, HEMP ON FRI, JUNE 30 at 8:30 PM under the auspices of HEMPSTEAD POLICE BENEVOLENT ASSOCIATION. Featuring Eddie Fisher, The Drifters, Frank Fontaine, Danny & The Juniors, Eddie Mekka, Rick Presley, The Shirelles, Tiny Tim and Jackie Vernon, this is the famous, modern-day version of a variety package show. Constantly updated to reflect contemporary taste in a vaudeville setting, an estimated four million people in every one of the fifty states have enjoyed these touring revues since they were first launched in 1967. Over the past decade, producer Roy Radin has formed what amounts to a latter-day national vaudeville circuit that bears out his contention that "live, clean family entertainment will outdraw porn and profanity every time."

Headliner Eddie Fisher brings with him the same warm vocal style that helped skyrocket him to fame in the early 50's with his

smash recording of "Oh My Pa-Pa." Discovered by the late Eddie Cantor, Fisher began singing in synagogue and, encouraged to pursue a career in show business, later entered and won the Arthur Godfrey Talent Scout Contest. After a highly successful tour with Cantor, in which he gained national prominence as a major performer, Fisher soared to even greater heights as a recording artist with his memorable hit recordings of "Wish You Were Here" and "I Need You Now." One of the forerunners in bridging the gap between the Big Band sound and Rock, Eddie Fisher returns to his musical "roots" with Roy Radin's Vaudeville '78, a tribute to the 50's.

Frank Fontaine, the versatile comedian who tickled the nation's funny-bone so successfully on Jackie Gleason's "American Scene Magazine" TV show, brings to his performance a family tradition of three generations of entertainment. An international favorite, Tiny Tim is one of the phenomenal talents of our era. Whether singing his

own smash recording of "Tiptoe Through The Tulips" or authentically recreating the music of a youthful Crosby or Bob Dylan, Tiny has thrilled audiences on television's "Laugh-In" and "The Tonight Show." With his uncanny sound alike voice and look alike style, Rick Presley pays special tribute to the "King," in a tasteful salute that began 18 months before Elvis' death.

Comedian Jackie Vernon with his unique brand of deadpan humor and Eddie Mekka, known to most as "Carmine" on the "Laverne and Shirley Show," have brought laughs to millions via their TV and in-person appearances. Adding their definitive touch to the "sound of the 50's," hit recording artists The Shirelles, Danny & The Juniors and The Drifters, recreate the sounds that have sustained them in the world of pop music.

Roy Radin's Vaudeville '78, a Tribute to the 50's, is one of the most entertaining shows to play THE CALDERONE THEATRE, HEMPSTEAD in a very long time.

Republicans Name Slate

A slate of Republican candidates for Election Day, November 7, was named on June 10, at the Nassau GOP's 1978 County Designating Convention, it was announced by County Chairman Joseph M. Margiotta.

The committeemen and committeewomen attending the convention at Carl Hoppl's at Malibu, Lido Boulevard, Lido Beach, followed the recommendation of the Nassau County Republican Executive Committee in voting that all incumbent Congressmen, State Senators and State Assemblymen be designated, except Assemblyman George A. Murphy of Seaford, who was recommended for a State Supreme Court candidacy.

The incumbent Republicans are: Congressman Norman F. Lent of East Rockaway, 4th Congressional District, and John W. Wylder of Garden City, 5th C. D.

State Senators Owen H. Johnson of West Babylon, 4th Senatorial District, which includes sections of Suffolk and Nassau, Ralph J. Marino of

Muttontown, 5th S.D.; John R. Dunne of Garden City, 6th S.D.; John D. Caemmerer of East Williston, 7th S.D., and Norman J. Levy of Merrick, 8th S.D.

Assemblymen Philip B. Healey of Massapequa, 11th Assembly District; Thomas S. Gulotta of North Merrick 13th A.D.; Joseph M. Reilly of Glen Cove, 14th A.D.; Raymond J. McGrath of Valley Stream, 19th A.D., and George H. Madison of Franklin Square, 21st A.D.

The convention designated Frederick E. Parola, Jr. of Wantagh to run for Murphy's seat in the 12th Assembly District. Parola, 31, an attorney and counsel to Murphy in Albany is the Wantagh Republican leader.

Bruce J. Bergman, 34, of Long Beach, an attorney, was named to run for the State Senate in the 9th S.D., which is vacant, and which straddles the Nassau-Queens line.

North Hempstead Town Clerk John S. DaVanzo of Mineola will oppose the Democratic incumbent in the 15th Assembly District.

Oyster Bay Town Councilman

Salvatore R. Mosca of Bethpage will oppose the Democrat in the 10th Assembly District.

Oyster Bay Town Councilman Gregory W. Carman of Farmingdale will run against the Democrat in the 3rd Congressional District, which straddles the Nassau-Suffolk line.

In the judiciary, the convention designated District Court Judges Anthony Barbiero and Charles G. Heine in Hempstead Town and District Court Judges James Brucia, Robert Roberto and Jules Orenstein in North Hempstead Town. They were recommended by the Nassau County Republican Executive Committee.

Besides Murphy, the Executive Committee has recommended Judge Alfred S. Robbins, Administrative Judge of the Nassau District Court, for a State Supreme Court candidacy. The 10th Judicial District Convention, comprised of Nassau and Suffolk, will be held at another time. Another vacancy occurred with the death of State Supreme Court Justice Bernard Tomson of Great Neck, and a recommendation for that seat will be made.

Crafts Fair and Festival

The Americana Crafts Fair and Festival at Eisenhower Park will be bigger than ever this year with live entertainment and crafts demonstrations going simultaneously from 10 a.m. to 6 p.m. on Saturday June 17 near parking field No. 3. (Rain date June 18)

During Crafts Fair Day, blacksmith Dennis Sucielski is the expert-in-residence at the iron forge and Scott Brickel will work close to the intense flame necessary for blowing glass. Wilbur Gould of Freeport, adept at string magic, will finger through the intricacies of a macrame design. Pipe carver Sandor Herskovitz of Merrick has promised to answer questions as he sculpts a bowl or stem. The Thomases, a husband and wife broom-making team, and other accomplished artisans will also be on the scene sharing their knowledge with the public.

At the Bandstand and in the nearby Commons, a steady flow of entertainment is scheduled. A must for youngsters is the live puppet show at 11:15 a.m. and 4:15 p.m. The Bond Street Players, a pantomime group, is back

after impressing last year's fairgoers. Fresh faces at the Festival belong to actors of the New Conservatory Theatre who will perform broad medieval farce in appropriate costume.

Add to this, blue grass country music, square dancing, an appearance by the famous St. Ignatius Girls Cadet Corps and performances of ethnic music and dance by local Irish, Swiss, Polish, German and Ukrainian groups, for a diverse day's entertainment. Space does not permit a full listing of featured acts and crafts exhibitors.

Families are urged to bring a picnic lunch and spend the day. A quiet, shady area will be set aside for workshops where youngsters age 6 and over will be guided through creation of a crafted item to take home as a souvenir of their day. Materials will be provided.

The Third Annual Americana Crafts Fair and Festival is conducted by the Nassau County Department of Recreation and Parks and co-sponsored by the Seamen's Bank for Savings, Dr. Pepper and the Ogdon Food Service Corp.

Lent Forum

Congressman Norman F. Lent's Community Congressional Forum comes to Levittown Hall on Saturday, June 17th, at 1:00p.m.

This forum is one of many such meetings being held throughout the Fourth Congressional District for the convenience of constituents who wish to speak directly to Lent about issues concerning and affecting their lives. All residents of the Fourth Congressional District are invited to come and share their views with Rep. Lent.

"These forums are an important way to keep in tune with the attitudes and concerns of the people I represent," Lent declared. "I always find them very helpful and informative."

Members of the Congressman's staff will also be available at the forum to assist Lent's constituents with their individual problems with federal agencies such as the Veterans Administration, or Social Security.

The American Legion of Nassau County under Commander Ernest Viegelmann held its 60th Annual Convention from June 7-10, at the Williston Post No. 144 in Williston Park.

On Wednesday, a committee meeting was held and on Thursday awards were presented.

Friday marked the Convention Parade with Commander Viegelmann and Auxiliary Chairman Marianne Orlando reviewing the various Post and Auxiliary Units of Nassau County. Adding excitement and color to the parade were many outstanding drum and bugle corps such as the Surrisers.

Distinguished guests graced the tables at the Saturday morning session of the Convention and speeches extolling the fine work of the American Legion were made by various government officials, legislators, the Director of the Northport Veterans Administration Hospital and Helen Kaplan, Executive Director of the AHRC who was presented with a substantial donation. Mrs. Orlando rendered a report of the Auxiliary's achievements for the year and was presented with a lovely necklace by Commander Viegelmann.

Saturday evening marked the Convention Ball and the Installation of the new County Commander Peter Holowicki and his staff by Department Commander John P. Tipping.

Dear Friends

IN PLAINVIEW, Assemblyman Yevoli writes to say that 3,000 residents of this area have given him petitions asking County Executive Purcell to withdraw his plan to relocate TOPIC HOUSE in the Nassau County Complex in Plainview. He has turned these petitions, which were gathered by Plainview residents in the short period of 3 weeks, over to Mr. Purcell. We hear, however, that Mr. Purcell has decided to go ahead with the TOPIC HOUSE plans as originally scheduled. He had postponed these plans for 30 days in order to go into the matter further, but his final decision, which doesn't need any approval or change of zoning because this 146 acre property already belongs to the County, has now been made.

In our articles by Linda Strongin school budget facts are presented, in "a message from Dr. Hill" on page one further facts are brought to your attention, and in our "Letters To The Editor", views of those residents of Hicksville, including School Board Trustee William Bennett, indicate to us that this is a realistic school budget, so, we are in favor of a "YES" vote on the 21st. Our three incumbent School Board Members are running without opposition. We favor a "YES" vote for them too, as we do for Proposition No. 2 for transportation, as this covers rules already instituted by the State of New York that this type of instruction must be done "on neutral grounds" ... which more or less necessitates this transportation. We think that the State is wrong, but so be it.

THAT'S ALL for this week. A happy Fathers Day to all our Dads. You deserve it.

Sacred Music

A unique program of sacred music will be presented by the Bob Jones University ensemble at The First Baptist Church of Hicksville on Wednesday, June 21st at 7:30 PM. The public is invited to attend this special presentation.

Rick Phillips, who is director of the male vocal group, will bring a brief Gospel message. A resident of Virginia, Mr. Phillips is a graduate student pursuing the master of divinity degree. He was graduated from Bob Jones University in 1976. Other members of The Ensemble will be Jeff Musgrave of Ohio, Jim Roschi of Indiana, Karl Silva of Massachusetts, and Tim Stanley of Illinois. Ty Thornton of Pennsylvania is pianist.

These young people are typical of the Greenville, S.C. University

which draws its student body of more than 5,600 from every state in the Union and about 30 foreign countries and territories.

Typical, too, of Bob Jones University is the spiritual and musical quality of their program. These musicians offer a combination of vocal selections including quartets, trios, duets, and solos. Well-known and seldom heard selections will be presented - all of them especially adapted for this ensemble.

Pastor Alan D. Swaim and the members and friends of First Baptist Church of Hicksville extend a cordial invitation to all to hear this fine group. First Baptist Church is located just off Woodbury Road near South Oyster Bay Road, on the corner of Liszt Street and Pollok Place.

Letters To The Editor

Editor's Note: This is a reminder that all "Letters To The Editor" are the opinions of the writers, not necessarily of this newspaper.

Two weeks ago we reminded our readers of our policy of many years, not to bring "letters" containing charges or accusations of any type in our last issue before an election or a vote, because they cannot be answered in our newspaper before the election.

Because of this policy, we have had to omit two "letters" this week.

Dear Voters:
May I suggest that you vote in favor of our proposed budget of \$28,477,185.00 for it includes teachers raises and increments. What is more important our budget now sets the level of staffing for the coming year, including the greatest number of teacher cuts in the history of Hicksville.

What makes this year so much more difficult than other budget voting years is the expiration of all contracts this coming June 30th. We are NOW negotiating with the teachers union (HOT) and the final result of our talks may not be made known until after the voting of June 21st. Staffing and teachers raises are part of those negotiations and are currently in the existing contract. Therefore the budget level as voted by the Board is the lowest possible that could have been attained with the number of votes required for passage. Only a few weeks ago the increase amounted to \$1.17 per \$100.00 of Assessed Valuation. We were able to reduce the TAX-RATE DOWN TO .88c.

I will like to urge you to VOTE FOR PROPOSITION NO. 2., thus providing transportation for non-

public school children that require remedial or therapeutic speech services. The expenditure for this service is for \$20,000.00 (transportation costs) and may also include Psychological services. We must think of the child not the issue of Public vs Private Schools, for there is a need here - with charity in our hearts and the intelligence to know what is right and just we must support this Proposition No. 2.

Please remember to vote this Wednesday, June 21st. It is the one opportunity you have to let those whom you elect and those that have the authority to spend your tax dollars know if they are doing a satisfactory job.

Sincerely,
Bill Bennett, Board of Education

To The Hicksville Taxpayers:

The Executive Committee of the Hicksville Council of PTA's having voted to support the proposed school budget of \$28,477,185., adopted on June 7, 1978 by the Hicksville Board of Education, urges the taxpayers of Hicksville to vote "YES" on the budget on June 21st.

Although we feel the budget lacks coverage in some areas and it affords little in classroom supplies, we will in the interest of unity, support it as it now stands.

If, however, this budget is defeated and re-submitted at a lower figure with any additional cuts we will not under any circumstances accept or support such a budget on the grounds that it would be, in our opinion, educationally unsound.

Ver truly yours,
for the Executive Committee
Lorraine V. Losche,
President Hicksville Council of PTA's

Dear Parents,

The sincere thanks of the students and the coaches is due you and the Board of Education. In their wisdom, after sufficient reflection and, no doubt, responsive to the request of many parents, the Board reinstated many of the athletic programs originally scheduled for deletion.

As parents interested in quality education and adamant against economic reduction which, in the long run, cheat your children of the education they deserve and you demand, we the coaches, call upon your aid once again: **Support the Budget.**

The district budget will be voted on Wednesday, June 21. Please attend and vote "yes", and, again, "thanks" to you and the Board.

Sincerely,
The Coaches

Parks Survey Continues ...

Dear Editor:

I voted on the Park proposal. I think the vote shows how most people feel. The first reason I voted no was taxes would go up and we have pools for all age groups in Cantiague Park on W. John St.

Second, the High School and Junior High and Lee Ave. Park are all in the same area, tennis courts, etc. This park is convenient for people in this area only. Why not build condominiums. That way it would be for any age group, not only for senior citizens. They don't like being put together.

This way, the people would take care of the property because they would own the apartments and the tax money would be coming in.

Very truly yours,
Joan Kelly
Moeller St.,
Hicksville,
a 25 year resident.

Dear Editor:

As a new resident and homeowner in Hicksville, I voted

against the complex, because the cost and size were so large.

Since the homes in Hicksville are not cheap, the taxes were the deciding figure to us. We felt we had to give ourselves room for increase. Many of our friends would like to live in Nassau County (Hicksville) but the taxes scare them away.

We purchased a home surrounding the Giese land and as a young mother would like to see a pool for the children but not 4 pools.

Lee Avenue isn't wide enough for the proposed traffic. Plus I wouldn't want people behind my backyard at 9 p.m.

I propose a playground and pool for the young people. I really can't understand why I must drive to a park so my children can use swings, etc.

I can sympathize with the elderly but also very few young families will be able to keep their homes or buy new ones if taxes keep skyrocketing. Something must be done.

Thank you for your time.

Hicksville Library

The memory of the long, cold winter is far behind us, and the Hicksville Public Library is planning a wide range of special summer programs for all the children of Hicksville.

Our annual Summer Reading Club will feature an Egyptian theme. The club offers a chance to enjoy pleasure reading, paper mache, mummy craft, and a special final program. The Club is open to all children grades 1 and up.

School-age children will find films to cool a summer afternoon. Beginning July 10 through August 28, feature films will be shown at 2 o'clock.

Our annual outdoor Puppet shows will feature "Punch and Judy" and "Vaudeville For You", on July 11 and August 1 at 9:30 A.M. Presto the Magician is again returning on July 25 at 10:30 A.M. to delight us with his magic feats. His magic show, and the puppet shows are sponsored by the Nassau County Department of Recreation and Parks.

Learning is sure to be a pleasure when the subject is cartooning. Mr. Ericson will teach interested amateurs in Grades 1-6 on Tuesday afternoons. Class size is limited and registration is required.

Mrs. Anetta Williams will teach ceramics to children in Grades 3-7, using pre-cast figures. There will be 2 classes, July 13 and July 27. Participants may register for only one class.

Wednesday morning at 10:30 is Storytime. Children 5-8 years old are invited to come for stories, films, songs and activities. The series runs from July 5 through August 23. Registration is required.

For all those who love music, the Nassau County Music Mobile will be here on July 21 at 2 P.M. Children may listen and play instruments. Nassau County is also sending us its Craft Mobile on July 28 and August 11. There will be programs for younger children (5-7 years old) and older children (8-12 years old). All materials will be provided but registration is required.

Registration will be held in the Children's Room on June 26-30. Complete information on all of these programs is available in the Children's Room of the library.

Letter From A Lady

MY FATHER

My father is one of a kind,
He takes bad things off of my mind.

He fixes everything that's broken,
He is like a good luck token.

This will show him that I care,
He really deserves it, cause he's always fair.

He always seems to understand,
He's never mean, he's always grand.

---Mary Anne Purtil
9 years old

Enclosed is a copy of a poem that my daughter wrote for her father. It was not written specifically for Father's Day, nor did she write it as a school project. She just wanted her Daddy to know how she felt about him; so she wrote it all down and left it on his dinner plate.

I think you'll agree that as much as she thinks her father is a special person, she is special too. Mary Anne is 9 years old and in the 3rd grade.

I'm sending her poem to you with the thought that it is very timely with Father's Day this Sunday. Your printing it could be a special gift to lots of other fathers.

MEET ONE OF OUR BEST

JUERGEN WEFERING, FIC
5 Forest Drive
Plainview

Once a year we at Aid Association for Lutherans take a moment to recognize some of our best people. You've just met one of them.

Juergen, a Qualifying Member of the Million Dollar Round Table, was the leading representative in 1977 in the Hans Schrader Agency, Commack. We're proud of him. And we want to tell you about it.

What's it take to be one of the best at AAL? Well, it takes training and experience so Lutheran families get the best coverage possible. It takes genuine interest in the fraternal and benevolent activities of AAL local branches. And it takes a special kind of dedication to AAL's concern for others.

We think that describes Juergen pretty well.

Thirty-three years ago, on June 9, 1945, Frank and Anne Krenler were married (and the honeymoon isn't over yet, we were told). Frank and Anne are the proud parents of eight boys and one girl. They are also very proud grandparents. Congratulations to you both.

Patricia Henderson, Hicksville, spent a week in Bermuda this month. Pat, who is employed at Nassau Hospital as a medical surgical nurse, accompanied a group of her fellow employees on this jaunt to the sunny climes. Her parents are Helen and Cliff; and her brother, John, is a student at Hicksville High School.

June, the month of roses, is also the month of Cathy Stengl's birthday on June 4. Cathy has been a resident of Hicksville for the past 11 years. She was a former resident of Queens, but is a happy Hicksvilleite now. Best wishes from your family and friends.

At the Holy Trinity High School Award Dinner held on May 15th, John Allen son of Mrs. and the late Daniel F. Allen was awarded the Titan Club Scholar-Athletic Award.

The Class of 1991 graduated on June 5 from the Lee Avenue Pre-school Sessions. There were ten graduates - all Hicksvillites: Damian Cirillo, Deborah Cuccia, Maureen Gill, Matthew Green-span, Aileen Hawhurst, Nikola Kilmatis, Donna Laferty, Lisa Pacifico, Kim Stephan and Debra Tirado. Eleanor Abrams, director, coordinated the program for all preschoolers. A party was held and the children sang songs that they had learned during the year.

The graduates are planning to pursue their education by enrolling in the Lee Avenue Kindergarten class this coming fall.

Memorial Day, May 30, was indeed a "special day" for Emily Sarne who was three years old. Emily's parents, Eileen and Andy Sarne, held two parties for her. On May 27 they gave a party which was attended by Emily's cousins and friends. On May 30 Emily had another party which was well attended by aunts, uncles and her grandparents, Catherine and Joseph Gill of

Hicksville. Emily's Aunt Peggy (Gill) helped her celebrate - and also gave us all this information.

Polly McClean of HICKSVILLE will be a hostess at the Military Bridge Benefit sponsored by the Oyster Bay Chapter DAR on Sat., June 24 at 8 p.m. at the Parish Hall, Christ Church in Oyster Bay.

Birthday greetings go to Robert Aldag, Brittle Lane, HICKSVILLE, celebrating this week.

Richard P. Bankosky, son of Andrew and Helen Bankosky, of Malone St., HICKSVILLE, who for the past three years has managed NCR Corporation's Investor Relations program, has been named to direct the company's Corporate Development activities. Bankosky, prior to joining NCR in 1975, was a vice-president-senior financial analyst for the investment firm, Shields Model Roland, Inc.

COUNCILS AWARD

(Continued from Page 1)

Our guest of honor has been a Social Studies teacher, an assistant principal, a H.S. Principal and Supervising Principal of a County Community School District in western Kansas. Following the cry, "Go East Young Man," he traveled to

Columbia and was a Graduate Assistant and Instructor while getting his doctorate from Columbia. After his Doctorate, he served as Assistant Superintendent and Deputy Superintendent in Yonkers and then spent 10 years as Deputy Superintendent for Business and Administration in New York City before coming to Hicksville.

In between his studies and active career, he enjoys fishing (just loafing in the sun so he calls it), reading, and his cars. He loves to travel and recently has taken trips to Puerto Rico, San Antonio and California. But his secret love is Minnesota where he can relax among the trees and go fishing and camping at Moon Lake. And a little birdie told me that for his retirement, he has purchased a cabin on the lake just to run away to, for a little peace and quiet.

And who was behind him in all his studying and all through his educational positions but his Mary. Mary stood by him through thick and thin, in good times and in bad, and kept the light in the big, bay window for over 40 years. They raised five children together, and because they had so much love to share, they adopted 5 more. Now they have 13 grandchildren, give or take a few, all over the world - in Minnesota, California, Japan, Massachusetts, Copenhagen, and, of course, Long Island.

The old yellow house in Fort Salonga is always full, either with people or with Mary's projects. The old piano sits in its place of honor in the living room watching everyone come and go, but soon it must get used to a familiar face. For our guest of honor will be leaving our community, where we have grown so fond of him, and will be spending more time with Mary. You can't keep a busy man down too long, though, for he will be writing and lecturing, and he will be able to travel more and enjoy the riches of his country, our country.

He is a tremendous man, full of natural resources and great ability. Success has never spoiled him. Even though he has served on over 50 Committees in four states, he is still the same "Fred." We all love him and will miss him deeply. Even though he is concluding his last paying position, we in Hicksville will always hold him first in our hearts. And so the plaque reads: "For outstanding Community Service, the Hicksville Community Council presents the 1978 Community Award to Dr. Frederick Hill."

Galileo Lodge News

By Joe Lorenzo

On June 7th, at the Salisbury Center, Westbury, the Board of Cooperative Educational Services of Nassau County, also known as BOCES, held its Recognition Ceremony for those students who have been honored during the 1977-78 school year for excellence in their field. Nancy Gatto, daughter of Pat and Terry Gatto, was awarded a Certificate of Recognition for her winning design in the Hicksville Bicentennial Theme Contest. Peter Massiello, son of Peter and Louise Massiello, was awarded a Certificate of Recognition for his first place win in the New York State Competition for Computer Programming. Peter was also awarded a Certificate of Recognition as the winner of the 1978 Scholarship Award of \$250 as the outstanding senior in the Nassau BOCES Data Processing Program. The award was presented by the Date Processing

Management Association, Long Island Chapter. Congratulations and best wishes to these two fine people are extended by the Galileo Lodge.

More good news from the Galileo Lodge reveals that groundbreaking for the construction of the Bicentennial Memorial, which is to be located on the site known as the Kennedy Mall, will begin this weekend. Problems such as the availability of materials and manpower have been resolved. The Lodge is devoted to this Memorial project not only because it takes a great deal of pride in the beautification of the Hicksville area, but also because it holds in high esteem the glorious 200-year history of our country. Tony Preville, the director of this project, states that the manpower used for this construction will emanate from the Galileo Lodge. In fact, two

names already on hand are Mario Tucci and Al Frigente, and there will be more who will also be named in later columns.

The site for the Lodge's Italian Feast, which is to be held on July 11th to the 16th, has been decided. It will be located on Parking Field No. 16, off Broadway and 1/2 block north of Old Country Road in Hicksville. On weekdays the hours will be 7 to 11 and on Saturday and Sunday the hours will range from 3 to 11. As we have mentioned before, preparations indicate that this will be a delightful feast, with something for everyone, ranging from food, amusements, rides, and music. So do remember the dates and come on out to this location and enjoy nights under

the stars. The Lodge welcomes you.

The Galileo Lodge also announces that the Sons Of Italy in America will hold its Grand Convention at the Concord during the weekend of the 24th of June. This is a time when all the Lodge brothers meet to discuss policies concerning scholarship awards, charitable contributions, elections of some officers and fiscal programs. It is also a time where business is mixed with some pleasure and a time when comradery reigns supreme.

LODGE HAPPENINGS

On Monday the 31st of July, the Galileo Lodge will hold its 'NIGHT AT THE RACES' at Roosevelt Raceway. For the price of \$12 per person there is admission to the Clubhouse, reserved table seating arrangements in the Cloud Casino where a fine dinner will await you. If this is your kind of action, please call Tony Balestrino (785-1462). On September 30th, the Ladies Auxiliary will present its Woman

Of The Year Dance for the Honorable Marie Santagata, Nassau County Judge. Contact chairpersons Ann Lapano and Millie DelCioppo for additional information by calling 931-5351. A large attendance from the Lodge is expected for this affair... Also in the offering are the Beauty Queen Dance, Halloween Dance and others to be announced. Beg Pardon: last week I mentioned that the proceeds from the 'Belles & Beaus' musical revue would pay operational expenses for the Holy Trinity church and school - it should have been the Holy Family church and school.

CUMMING'S 'N GOINGS

(Continued from Page 8)
HAPPY BIRTHDAYS Charles Ruppert, Margaret (Marge) Murphy and Jim (Buddy) Twobie - all members of the Twobie clan - like your reporter, I married one by the name of Dolores, 32 years ago - the clans will gather July 4th is the word from the "green hornet".

ROUND OUR TOWN: The former Great Eastern center in Jericho will be the site of a major variety chain wileo and out. Congressman Mario Biaggi of the Bronx, has been selected to be honored this fall at the 6th Annual Fens, sponsored by the Nassau County Board, Ancient Order of Hibernians, according to Jack Irwin, County Board President - the date: September 17 - the place: Nassau County Office complex, Old Country Road, in Plainview... another major quik-order chain will locate opposite Grandma's Donut Shoppe, at West John Street & Newbridge Road... the 5th Annual Italian Festival will be held on July 11-16 on Levittown Parkway, in Hicksville - it was many years ago in the Herald that the Sons of Erin (AOH) welcomed the Sons of Italy to our community - continued good wishes... That School Bus stop at Nevada Street & Cecil Place could be moved closer to the curb as not only to block traffic, but keep the safety of our children in mind... The American Irish Congress were among eleven (11) Irish-American fraternal organizations recently snubbed by Governor Hugh Carey who was scheduled to meet with them, but walked across to the Waldorf-Astoria for dinner instead - you've a great deal to learn about the Irish, Mr. Carey and maybe some of current headlines are an indication of same - more next week we are promised by the "Green Hornet" who will sting-by from time to time... That was Billy Joel, popular Hicksville singer - the "Strangers" album and of "I'll Love You Just The Way You Are" fame listening to the Cummings Brothers recently at a Huntington nite spot-Billy, a top musician in his own right certainly enjoys good music and that's what it's all about... The Ladies Auxiliary of the Commodore John Barry Division Eleven, Ancient Order of Hibernians will meet next Thursday evening, June 22nd at the Knights of Columbus, in the Lounge at 8:30 PM according to Kay Roemer, President - have a happy.

Hicksville 'Blues' Soccer News

The Hicksville "Blues" soccer team finished its spring season with a 4 to 0 victory over the Cow Harbor "Pacesetters". Coach Rich Hanna, assisted by Tony Schiralli, steered the club to a 6-2-2 record and second place in the league standings.

Scoring started underway in the 1st half as half back Craig

Carson made a steal at his own yard line, his pass to midfielder Jean Claude Balek was sent to forward Anthony Schiralli, who dashed in from midfield on a solo effort to notch the goal. The "Blues" second tally came shortly after as forward Billy Stein and James Panchookian had shots butted away by the Cow

Harbor goalie, only to have the last rebound get to David Nisenson, who tucked it into the corner of the net.

Hicksville goal tender Kevin Taylor had his shot out threatened only twice. On one occasion he made a spectacular dive and save when the Pacesetters made a two on one charge. Blues fullbacks Joe Schindra and Chris Kanuck along with half back Tim Van Cise joined to stifle Cow Harbor's only other breakthrough.

Hicksville's last goal came as half back Tim Richards super Mike Conway created some fancy foot work at mid field to get the ball to team-scoring leader right winger John Fabrizio. On a bullet like shot from near the baseline, Fabrizio closed out the day.

The team will continue to prepare for its venture to Toronto on July 1st to compete in the international "Robbie" tournament.

The "Blues" would like to give a "special thanks" to Jack Carson for his masterful job in writing the articles for our team.
