Budget Defeated

The Hicksville School Budget was defeated, as expected, on Wednesday, with 1848 voting YES and 2808 voting NO.

Transportation, Proposition No. 2 was also defeated, with 1572 YES votes and 2592 NO votes.

The three men who were running unopposed for three-year terms on the Board of Education were, of course, elected as follows: John P. Ayres, 2394; Cornelius J. McCormack, 2506 and William P. Bennett, 2481.

The Board of Education has set up an emergency meeting for Mon., June 26 at 8:30 pm in the Board room, to set up an austerity budget which, by law, must be put into effect on July 1st. The public is invited to attend.

Emergency Board Meeting

The Hicksville Board of Education will hold an emergency meeting on Monday, June 26th at 8:30 pm in the Board room, to set up an austerity budget which, by law, must be

put into effect on July 1st. Areas to be discussed include transportation, extra-curricular activities, community use of buildings and student supplies. The public is invited to attend

Memorial Fountain

Plans for Hicksville's Memorial Fountain are proceeding according to schedule. The Kiwanis Club has selected its committee for the special fund raising project, the primary objective of which is the installation of the fountain. Committee members are: Kingsley Kelly (Chairman), Francis J. Anderson, Henry C. Brengel, Frank Chlumsky, Charles Montana Sr., Marion Reinhardt, Dr. Philip Rubenstein, Ronald J. Wagner, and

Vernon C. Wagner. The project committee at its first meeting discussed plans for raising the necessary funds in the name of Kiwanis Foundation of Hicksville, a tax deductible charitable organization. Shortly, full details, including artists' rendering of the fountain, will be released. Anyone wishing to volunteer assisting with this major beautification project for downtown Hicksville should contact any of the above committee members.

KNIGHTS ANNUAL AWARDS: On Tuesday evening of this week, members of the Joseph Barry Council, Knights of Columbus, their wives and guests gathered in good numbers to herald the 11th Annual Community Achievement Award and other presentations by the Council under the capable chairmanship of Arthur Schreiber, Past Grand Knight and Council Advocate. The recipient of the Community Achievement Award was Cornelius McCormack, a long-time member of the Hicksville Board of Education and one of Hicksville's most active citizens in the educational field.

Three Scholarship Awards were presented as follows: Miss Dorothy Posey of Hicksville

(\$500.00), daughter of Gertrude and the late Charles Posey - Miss Posey will attend the University of Las Vegas in Nevada; Miss Kathleen Sneed and Diane Klarman of Hicksville (\$250.00), proud parents Edward & Marge Sneed and Diane Klarman of Hicksville (\$250.00), daughter of Patricia and Past Grand Knight Frank Klarman. Past Grand Knight John Mulholland pointed out that this is the 9th year for these awards. Miss Sneed and Miss Klarman will attend Holy Trinity High School in Hicksville, this fall. Past Grand Knight Frank Dorsey presented the following awards on behalf of the Council's most active Charity and Benevolent Committee (C&B): To Mrs. Kaplan of AHRC of Brookville, \$500.00; Maryhaven Rehabilita-

tion Center at Port Jefferson, \$500.00; Sister Alphonse Louise \$350.00 for the St. Ignatius Exceptional Children's Program and Reverend Bernard McGrath, pastor of Holy Family Parish, Hicksville, accepted the \$350.00 award for their parish's Exceptional Children's unit. Two additional checks were presented earlier this year - \$200.00 of the Msgr. Bitterman purse to Kevin Way who is entering the Seminary at Huntington for the priesthood and \$300.00 to the Melville House for Troubled Teenagers. Additional awards to officers and members will be published here next week. We were proud to witness with the hundreds in attendance, the charity and community work of the Hicksville Council, Knights of Columbus - congratulations to Grand Knight Stephen Ryan and his committee, and to Steve's "bride," Kay for giving the past fraternal year of Steve's time in a job he does so

well. **DID'YA KNOW THAT:** Joseph K. Kenyon of Twinlawn Avenue, Hicksville, is a graduate of Boston University Law School - Joe is now preparing for the bar exam - good luck ... P.J. Watterson of Combes Avenue, Hicksville, graduates from Hicksville High School and has been a proud member of the "Singing Boys of Long Island" for many years - he will be performing with the group for the last time this Saturday evening, June 24th at C.W. Post College, Brookville, 8 PM at the Chapel ... Emil V. Antonucci, of Farmingdale, District Deputy of the 12th New York District, Knights of Columbus is most proud of the Joseph Barry Council's continuing community programs and looks forward to working with James Carroll, newly-elected Grand Knight commencing with the fraternal year, July 1st ...

TOPIC HOUSE TO MOVE

After an additional 30 days of study, to investigate the concerns of some Plainview-Old Bethpage residents, County Executive Francis T. Purcell announced today that he has decided to approve the re-location of Michael N. Petito-TOPIC House from its temporary quarters at Mitchel Field to Staff House at the County's 141-acre Plainview Office Complex.

"After carefully reviewing all the facts in this matter and considering all the concerns of area residents, I have concluded," declared Purcell, "that there is no better location in Nassau County for this important facility."

Purcell ordered preparations for the re-location to begin immediately and expects it to be completed in August.

According to Commissioner Harold E. Adams of the Nassau County Department of Drug and Alcohol Addiction, "Rumors and misinformation fanned fires of opposition to our TOPIC House program." His Department, Adams said, has assured the community that "our track record proves our residents are an absolutely no-risk population; we have treated more than 2,500 county residents over 11 years - without a single police incident."

Staff House, a three-story brick structure at the Plainview complex, was proposed as an ideal location for the therapeutic community by the Drug and Alcohol Department and the Department of General Services' Bureau of Facilities Planning and Space Allocation after rejection of two other sites.

They cited several reasons for their approval of Staff House: The land and building are County owned - so no purchase, lease, or legal contracts are necessary. The site is isolated on the property - it is 450 feet from the nearest private house. The building is large enough to accommodate the entire program - bedrooms for a maximum of 75 residents, plus the live-in program director and assistant director; dining and meeting

space; and counseling, classroom, medical, and administrative offices. The need for renovation is minimal - and can be done at little expense by County workers. The land around the building can be cultivated - enabling residents to continue growing their own vegetables.

Michael N. Petito-TOPIC House, opened in March, 1967, is a 24-hour, seven-day-a-week drug-free resocialization program. It is the only program offering this service in Nassau County. A staff of 21 provides around-the-clock treatment and supervision for the 61 current residents (50 male, 11 female). In a "family" environment, former drug abusers and addicts learn society's positive values and drug-free ways of coping with life and are given academic/vocational assistance so they can become productive citizens after graduation from the program.

According to Adams, three misunderstandings predominated in the information about TOPIC House Plainview-Old Bethpage residents had received. These related to security, schools, and drug therapy.

1. No Security Problem - Many people, including some residents of Plainview-Old Bethpage, think there is only one type of drug user: a heroin addict who commits violent crimes to support his habit and, therefore, must be secured behind fences by guards. That type represents a minute proportion of Nassau's drug-troubled population and describes none of the county residents in TOPIC House.

Two screenings by Department staff ensure that, of all those volunteering for admission, only appropriate, no-risk former addicts and abusers are accepted. Though approximately half of the residents have been involved with the criminal justice system, none are deemed violent, unstable, or a potential threat to House residents and staff or to the community at large.

Violent and/or unstable

criminals are treated by the Department in the County Correctional Center. Some opiate addicts are treated with a non-narcotic agent in the Antagonist Jail Work-Release Program and at the Antagonist Treatment Center; those not ready for drug-free treatment are recommended to the Department's methadone maintenance program. Adolescents capable of living at home and staying in school are offered outpatient counseling by Department staff.

2. Not In Schools - Some people had emphasized that the Plainview Complex was within one-half mile of several elementary and high schools, leading to the mistaken belief that TOPIC House residents will be enrolled in the local school district. They would add to an already acknowledged drug problem, some parents felt, and could cause a rise in the school tax. In fact, Department officials explained, TOPIC House has a certified high school teacher on staff, so residents do not use the local public schools.

3. No Drug Therapy - One rumor held that TOPIC House residents were weaned from drugs while in the program; another, that residents were maintained on methadone. Both rumors are false. A drug-free program, TOPIC House requires residents to be free of drugs BEFORE entering and to remain free of drugs during the rehabilitation process.

If anyone does require medicine - for diabetes or an abscessed tooth, for example - it is dispensed by a fulltime staff nurse upon prescription by the program's physician or dentist.

During the past month, County Executive Purcell, Commissioner Adams, and Dr. James Taylor Jones, TOPIC House director have met with area residents and organizations to answer their questions and to invite them to visit TOPIC House and learn, firsthand, from residents and staff, about the program.

CPES To Push State Tax Reduction Program

"Taxpayers have been in revolt across New York State. The vote on Proposition 13 in California has added a tremendous amount of fuel to the fire. It has brought the boil to a head," said the Citizens Public Expenditure Survey, Inc. (CPES), the statewide taxpayer organization. "Our telephones have been ringing off the wall since the California vote returns came in," said CPES.

"New York taxes are 18 per cent higher than California and 36 per cent above the U. S. Average," reported the fiscal watchdog group.

"New York State is already in a poor comparative economic condition with other states because of our excessively high tax burden. With tax reduction proposals under way, or beginning in many states, it is imperative that New York take action.

"We intend to come up with a responsible tax reduction program for New York, particularly to reduce the onerous and overburdening property tax."

"The Governor and the Legislature are to be praised for the recent \$755 million tax reduction package. But much more needs to be done to make our state once again economically competitive," said CPES.

"We are presently analyzing spending and tax limitation or reduction programs in other states and will offer a program in

the near future," the group said. In Colorado, where NY State taxes exceed theirs by \$412 per capita, they have already instituted strict spending limits.

As you all know, in California, where Proposition 13 was approved on June 6 by a large majority of voters, NY State taxes nevertheless at present exceed theirs by \$176 per capita.

In Iowa, where NY State taxes exceed theirs by \$439 per capita, they have legislation, adopted in 1976, limiting to 6% annually the growth of budgets in certain property tax areas.

In New Mexico, where NY State taxes exceed theirs by \$542 per capita, their Legislature in 1977 imposed a ceiling of 10% on the annual increase of residential property taxes.

In Utah, where NY State taxes exceed theirs by \$547 per capita, nevertheless a legislative committee is studying a proposal to limit state and local tax growth.

In the State of Washington, where NY State taxes exceed theirs by \$412 per capita, their State constitution limits taxes to 1% of the market value.

In Wisconsin, where NY State taxes exceed theirs by \$349 per capita, annual local property tax increases are limited by state law. Local school district spending also is limited by law.

As well as Colorado, the states of New Jersey, Rhode Island, and Tennessee have already voted in strict spending limits.

Republican Women

Mrs. Helen Kraus, incoming president of the Nassau County Federation of Republican Women, will be honored at the next regular meeting of the Federation.

It will be "President's Day," when the Republican Women gather for their June Meeting on Thursday, June 22, at 1:00 p.m. at the Holiday Inn, 173 Sunrise Highway, in Rockville Center.

Federal Taxes Must Be Cut!

By Congressman Norman Lent

The June 19th issue of U.S. News headlines its account of California's vote on Proposition 13, "A Nationwide Cry: 'Cut our Taxes.'" The U.S. News article then goes on to detail moves being made in nearly 20 states, including New York, to reduce state taxes.

But the small reduction in state income taxes promised in New York will mean little real tax relief so long as the federal income tax burden becomes heavier and heavier. Long Island families, especially, face a terrific new burden of federal taxes starting January 1st of next year, when a scheduled massive increase in Social Security taxes goes into effect. Some of President Carter's tax "reforms" will also add to the tax burden, if enacted.

Since the Proposition 13 bombshell burst over the nation, just about everyone seems to be calling for tax relief and cutbacks in federal spending. Even President Carter declared that the California vote reflected a "strong national dissatisfaction with the taxes that unfairly burden middle-income taxpayers and demonstrates their impatience with the steadily increasing cost of government."

Sounds impressive, doesn't it? Yet, as with most issues, Jimmy

Carter has been on both sides of the government taxing and spending questions. He campaigned on a promise to limit government spending, vowing to give us a balanced budget. Yet, once in office, Carter rammed through a series of expensive new programs, and then admitted he could not achieve his promised balanced budget by his promised 1981 deadline.

The President's ideas on tax reduction are also subject to change without notice. In 1977, Mr. Carter proposed a \$50 tax rebate, then withdrew it. This year he proposed a \$25 billion tax cut, then withdrew it, in favor of a smaller \$19 billion reduction. But this gives no real tax relief. It won't even offset the Carter-backed increase in Social Security taxes for most Long Islanders.

The best tax reduction program would be across-the-board reductions and spending limits at every level of government. At the federal level, the Roth-Kemp bill, which I am cosponsoring, would reduce taxes by cutting the federal income tax rates ten percent per year for the next 3 years. When President Kennedy initiated a similar tax cut in the early 1960's, the ensuing business expansion more than made up for the loss of

revenue caused by the tax cut.

It's a well known fact that you get less of something when you tax it more. This country is now discouraging work, savings and investment with confiscatory taxes. If we reduced the tax rates in these three areas, we would wind up with more work, more savings, and more investment, thus getting more money for necessary government programs at lower tax rates from the resulting broad tax base.

Mail and comments from my constituents cite painful personal testimony to the fact that the tax burden has become unbearable for many, many families. They have had enough of big government, big deficits and big tax bills. The Roth-Kemp bill will accomplish balanced tax reduction at the federal level. I call upon President Carter and his Democratic leaders in Congress to stop playing with their phony tax "reform" plans which provide no real help for Long Island families. Instead, I urge them to join with us - Republicans and Democrats alike who are working in Congress for passage of the Roth-Kemp tax relief bill, coupled with sensible, responsible reductions in federal spending that will produce a balanced budget within 5 years.

Dear Friends

We extend best wishes to all our new graduates, bearing in mind that the very ceremony at which they receive their diplomas is called "Commencement". This reminds us of the old saying, "One door never closes, without another door opening." So, we hope that the closed door has behind it a job well done... and the opening door is one which will bring much enlightenment and opportunities for growth to all our students. Bon voyage!

Since the recent tragedy at Old Country Road and Lee Place school crossing, many of the students at Old Country Road school felt they would like to do "something" in Patrick Clarke's memory. As a result, money was collected by the students and a beautiful Crimson King Maple tree and bronze plaque were purchased.

Two fathers generously donated their time and services to the purchase and planting of this lovely tree.

On Wednesday, June 21, at 10:00 a.m., a short dedication service was held, and Father William Karvellis said a prayer.

A most impressive group of volunteer firemen from throughout the County attended a recent meeting held at Ken Tracey's Molly Maguires Pub at 247 South Broadway - the net results will be announced next week... and, speaking of restaurants, in this area, we have quite a variety from which to choose... the new Prime Thyme Pub located at the intersection of Old Country Road and Newbridge Road in Hicksville is presenting "Dancing to Live Disco Music", every Thurs., Fri., and Sat. evenings, while at the well-known Stack O'Barley at 646 South Broadway you will have the pleasure of hearing Pat Roper and Tommy Doyle on June 23rd. The Country Flavors on the 24th and The Druids (from John Barleycorn in NYC) on the 25th, Frank Keegan's Band on the 28th and Noel Kingston and Paddy Farrell on the 29th... and, of course, Hicksville's own ALIBI, is the "spot where everyone meets to eat, etc" as it has been for yea these many years, while the ROYAL DINER at the intersection of South Oyster Bay and Old Country Roads, has excellent cuisine, both Greek and American. After this report, you'll be renaming me Barbara Whats-Her-Name.

Poor weather last Saturday, June 17 forced a postponement of the scheduled challenge of the Town's new "Political Activity" ordinance by Judy Jacobs and Mike Polansky.

However, Mike and Judy will try again this weekend. They will distribute literature condemning the ordinance at the Syosset-Woodbury Pool on Saturday, June 24 at 12 Noon. The two Democrats maintain that the ordinance, which prohibits distribution of political literature at Town pools is an unconstitutional retraction on First Amendment rights of free speech and free press.

In case of inclement weather on the 24th, the challenge will be postponed until Sunday, June 25 at 12 Noon.

On Sat., June 24 from 10 am to 4 pm and Sun., June 25th from 10 am to 5 pm the Rotary Club of Hicksville are holding a Gigantic Garage Sale at 100 West Nicholas Street. All proceeds are earmarked for beautification of downtown Hicksville and other community projects. Don't miss this one.

WE ARE SORRY that the Hicksville School budget was voted down, only because of how it will affect the education of our young people. But we do understand how hard it is for some of our residents to make both ends meet, with inflation and unemployment being what it is at present and with taxes so high. Now that California has shown us at least part of the way (to reduce taxes)... perhaps here in New York State we can devise even better ways to lower tax spending... hopefully a way that will not hurt our children.

THAT'S ALL for this week. Stay well and remember the old saying "We don't have to agree on everything to be friends"... when the entire world puts this saying into practice from the individual level right on up to international affairs, THEN AND THEN ONLY will we eliminate hatred and its offspring, war.

HHS Alumni News

The Hicksville High School Alumni Association held its Annual Alumni Awards Dinner at Antun's Restaurant on June 7.

Highlighting the affair was the presentation of the Dr. Leon Galloway Athletic Scholarship Awards in the amount of \$500.00 each to Eileen Rogers and Patrick Quinn. Dr. Galloway returned from France in time to attend the affair and make the presentation personally. In addition awards were presented to the seniors for their outstanding ability in sports.

Many parents attended to see their daughters and sons receive their much deserved recognition.

The next planned event to be held by the HHS Alumni Association will be their annual Fall Cocktail Party Dinner Dance scheduled for October 13 at Antun's in honor of Mr. Raymond Rusch, Principal of the Hicksville High School and Alumni Member.

TOB Arts Expo At Mid Island Plaza

The American Concert Band, the Gilbert and Sullivan Workshop of Long Island and the Massapequa Symphony will be just a few of the groups displaying their talents at the Tobay Arts Council First Annual Expo, June 23 through 25 at the Mid Island Shopping Plaza.

Oyster Bay Town Councilman Salvatore R. Mosca this week announced that the Expo, which is being co-sponsored by the Mid Island Merchants Association, was organized to showcase the fine visual and performing artists belonging to the Town's Council on the Arts. The Expo will also launch the Council's membership drive for 1978-79.

The Council on the Arts is an umbrella organization created to support and promote the efforts of art groups within the Town. The Council provides a number of services including a monthly calendar of events, an after-hours taped message of weekly events and seminars on vital topics in arts management.

Board Approves HAD Proposal

By Linda Strongin

The Hicksville Board of Education approved a proposal from H.A.D. Inc., (Help-Aid-Direction), a community-based organization, for a drug counselor program. The program would place a counselor/ outreach worker in the junior high and one in the senior high for the coming school year.

Voting no to the motion were Trustees Iris Wolfson and Bill Bennett. Vice President John Ayres was absent for personal business.

Mrs. Wolfson questioned "who are the people filling these positions?" and also asked who would be hiring the counselors, H.A.D. or the school district.

Assistant Superintendent Manus Clancy informed the Board that applicants would be interviewed and screened by the school administration and the Board would then approve or disapprove the recommendation. He added that "there have been a number of fine qualified applicants."

Mrs. Jean Gould, a member of the H.A.D. Board of directors added that the two counselors being considered had their Master's Degree and have been with H.A.D. for one year already.

Mr. Al Peck, Executive Director of H.A.D., explained the program to the Board and answered their questions. The counselor/ outreach program is part of H.A.D.'s CETA (Comprehensive Educational Training Act) project entitled "Community Outreach and Supportive Services."

The counselor program will provide direct contact to those students and student groups who are "not functioning and to motivate them," stated Mr. Peck. The program focuses not only on students involved in drugs, vandalism, and truancy but also on those students "who are on the fringes of authority," he added.

When asked by Trustee Pete Fujimoto how students would know these counselors, Mr. Peck replied that the program provides "on-site personal contact on a daily basis." Dr. Clancy added that a room in both schools would house the counselors and be accessible to the students.

Trustee Bill Bennett questioned the program's organization and chain of command. He also stated that there was "no means of measuring the program or how extensive the problem really is."

The counselors would be evaluated by both school district personnel and H.A.D. according to Mr. Peck.

During the discussion, Mr. Mike Ellegaard, the district's current drug counselor, explained his program, which is funded in part by Nassau County. Mr. Ellegaard, who has been in the district for four years, reported that he spends as much as "50 to 60 hours per week, with week-ends and evenings" talking with parents and students. He has given presentations to high school health classes at the requests of the teachers and has dealt with approximately 150 students this year.

Trustee Neil McCormack pointed out that Mr. Ellegaard's program was "free at first. Nassau County paid for all of it." Currently, the district has paid for fringe benefits at approximately \$4,800 per year.

Mrs. Wolfson added that there are currently 28 districts in Nassau County who have this program and a waiting list of other districts. She also felt this program should be continued. "We have the opportunity to have both programs at a moderate sum," she stated. There is no cost to the district for the H.A.D. program, as it is funded entirely by CETA, with H.A.D. administering the funds. The cost of H.A.D.'s program is approximately \$18,500.

Mr. Peck stated that "having and continuing the present program would be of good use. We are not competitive but cooperative."

Secretary Dan Arena stated that H.A.D.'s program had a "high profile," working with kids in the schools.

Mr. Bennett stated that both programs "had merit," but stressed that the "district needs to get involved in the curriculum area" of the drug program.

Mrs. Wolfson lost her motion to table the approval of the H.A.D. proposal and asking the administration to bring back a proposal for a drug program using the three counselors. An amendment to the original motion, also introduced by Mrs. Wolfson, to "except both programs, thus offering a broader base, fully encompassing program," was also lost, due to a lack of a second.

Also discussed at length during last week's meeting was the possible elimination of a ballfield at the Lee Avenue School. Mr.

William Becker, director of Building and Grounds, proposed increasing the height of the existing twelve-foot fence to eighteen feet for the total area of 200 feet at an approximately cost of \$4,974.50.

Residents, however, felt the back-stop should be removed and the field replaced with a soccer or lacrosse field. Also discussed was the possibility of re-locating the backstop. The problem of balls hitting the residents' home "exists all the time." Currently, the Hicksville American Little League and St. Ignatius are authorized to use the field.

Mr. Becker stated that "moving the field would not stop unauthorized groups from playing." He also added that he is at the "drowning point" for the number of fields available to various groups.

Mr. Richard Hogan, Director of Athletics, felt it was more of a security problem and that the "little League should not be deprived" of a field because of unauthorized group use.

Also discussed was an alternate solution to senior high softball field number one. Residents on Boulevard Drive informed the Board of the unauthorized use after school and during week-ends. The field is convenient to the administration parking lot, which enhances its extensive use.

Mr. Hogan suggested that the

Blood Drive

Inter-County Blood Services, a division of the Greater New York Blood Program, will be conducting a mobile unit blood drive at the Knights of Columbus 5723, 1139 Old Country Road, Plainview, between 4&9 PM, on Monday, June 26.

Inter-County collected more than 125,000 units of blood last year for distribution to the 43 Long Island hospitals that it serves.

Anyone between 17 and 65, in good health, and interested in helping the community can give blood. Who knows, you might end up taking a fantastic voyage... in a different vein. For more information call 536-7100.

OLM Youth Council Registration

Our Lady of Mercy Youth Council (Hicksville) will hold its annual registration and information meeting for all activities on June 28th and June 27th at 8 P.M. in the school auditorium. A registration fee of \$5.00 will include yearly insurance coverage.

At least one parent must attend. The survey sheet sent to you must be returned completed at this meeting, which will be at the school located on South Oyster Bay Rd.

Open House

Holy Family Parish is having an Open House on Sunday June 25th from 11 A.M. to 4 P.M. in the school cafeteria. All the different organizations in the parish will give verbal and photographic demonstrations on the services they perform. Bishop Daly will be present to celebrate the 12:45 Mass and will then attend the Open House.

Everyone who attends the Open House will receive a ticket for a chance on a portable television.

To Be Honored

An invitation is extended to all to attend a reception in honor of St. Alphonse Louise. Sister has been a member of the faculty of St. Ignatius School and founded the Exceptional Children's Program in the parish.

She is leaving St. Ignatius to accept another position. The reception for her is to be held on Thursday, June 22, at 8 p.m. to midnight at the Knights of Columbus Hall, Heitz Pl., Hicksville.

Fire Report

The Hicksville Volunteer Fire Dept. responded to 93 alarms during the period May 28 through June 17. There were 9 malicious false alarms, 45 fire calls and 39 rescue calls.

A smoky basement fire on June 7 at 83 Haverford Rd. caused moderate damage. Vamps had the blaze under control in 15 minutes. On June 10, a fire bomb was set off under a car in the driveway at 3 Windsor St. The alarm came in at 9:44 p.m. The car was a total loss. The Fire Marshal is investigating.

On June 13, a fire cracker in a locker set off the automatic alarm system evacuating the building. There has been reports of numerous incidents of minor fires in the Junior High School and many complaints of fireworks being set off inside.

During the past few weeks, Vamps have responded to numerous fireworks-caused fires. We wish to remind firework users and their parents, that they are open to suit and criminal charges from fires or injuries caused by fireworks. Many injuries have been reported to local hospitals caused by fireworks.

There is an increase this year in the use of M-80 fireworks. The bomb squad reports these M-80 fireworks are deadlier than a stick of dynamite, and can easily blow off a hand. The Fire and Police Departments recommends you leave the fireworks to the experts. The maiming, crippling result of fireworks, isn't worth the noise.

The Fire Department wishes you all a safe, happy 4th of July.

AMERICAN LEGION AUXILIARY SATEELITE CLINIC: On Wednesday, June 7, the Charles Wagner American Legion Auxiliary in Hicksville hosted its Annual Luncheon honoring the dignitaries from the Northport Veterans Hospital. County Auxiliary Chairman Marianne Orlando thanked the Auxiliary members of the Hicksville Unit for their dedication to the rehabilitation of the veteran.

This Satellite Clinic was started in 1972 and is manned by American Legion Auxiliary members and volunteers from the VFW Ladies Auxiliary. The clinic services out-patients from the Northport Veterans Administration Hospital where they and their families are served refreshments after treatment has been

rendered. In addition to luncheons, which are prepared every third Wednesday and holidays, gifts are also distributed to the veterans at a Christmas Party which is also sponsored by the AL Auxiliary Unit 421.

Were it not for this Satellite Clinic, out-patients would have to travel to Northport VA Hospital in Suffolk County for treatment.

Hicksville American Soccer Club

Five Hicksville teams have won their division championships and a couple of more are still in the running. Starting with the little guys, Al Boccafolo (boys under 8) came in first with an undefeated season. Their record was 8 wins and two ties. Rich Hanna, who also had an under 8 team, just missed first place by one point so also had an excellent season. Also coming in first was Jim Morrisroe & Jack McCann (boys under 10), Joe Neto (boys under 9), Angelo Lozio (boys under 17) and Paul Bedell (boys under 19).

BOYS UNDER 10

The 1968 boys, coached by Jim Morrisroe and Jack McCann, did one great job this season and also this past weekend. These guys went undefeated all season long in a very tough, evenly matched division and won the championship. Their record was 7 wins, no losses and 4 ties. In total league competition, the boys scored 23 goals and gave up 7. This kind of goal spread indicates how close the division was every game was an important one. Last weekend, the team travelled to Oceanside for an out-door tournament, and in a single weekend, won 7 games, lost none, scored 20 goals while giving up only two and brought another championship home to Hicksville. Coaches Morrisroe and McCann are really proud of these little guys; as are their parents, the Club and all of Long Island as they met and defeated every team they faced in the once-feared German-American League.

Chris Bentley, Mickey Boccafolo, Alex Brill, Doug Donsky, Joe Doherty, Scott Hertz, Rich Humans, Martin Jaycard, Keith McCann, Louis Mejia, goalkeeper Gary Tyranks, Dave Weinberg, Rich Youngs and Phil Ziembecki. In the Oceanside tournament, these

boys faced the following teams and defeated all but one of them: Blue Star (1-0), Oceanside (7-0), Eintracht (1-1), Silver Lake (1-0); in the quarter finals, Hicksville knocked out North Shore (2-0) and beat Island Trees

by the same score in the Semis. The championship game was against Cor Harbor and the "M & M" coaches (Morrisroe and McCann) really got the boys 'up' for this one and they overwhelmed their opponent 4-0.

R.A.H. Reading Program

More than 160 children at the Parkway Elementary School in Plainview, were honored for their reading achievement, at a special party held for them on June 5.

The group, ranging from Kindergarten through fifth grade, proved that "Johnny Can Read" if given a small incentive.

Since February, when Mrs. Solar, the Parkway School librarian, introduced "The R.A.H. (Read At Home) Club," children have been busily reading library books and writing reports about them at a record pace.

The incentive has been a special reading award for every ten books read proclaiming their achievement. The child's name has also been placed on the R.A.H. Club Honor Roll which is posted outside the library. The children have been in friendly

competition to see how many awards they can attain. Parents have expressed enthusiasm for the R.A.H. Club stating that the whole family has returned to reading and they are just delighted.

Here is how it works. The child signs a contract agreeing to read at home for a designated amount of time each day, promising not to watch TV or listen to the radio during that time. Of course, the contract fits the child Kindergarten children are read to at home and then draw a picture for each story. Reporting is based on age and reading level of each child. The librarian checks all reports and discusses the books with the individual child. The children have said that reading for the R.A.H. Club is so much fun that they want it to be continued in the fall.

Children have made up cheers for the R.A.H. Club. So Read On. R.A.H. Club members.

Operation VFW

By Lou Palladino

Commander Vinnie Edwards finally came to the end of his term of office. He recently conducted his last complete meeting. At the next official meeting he will still be in charge then, towards the end under the good of the order, the new top kick, Augie Barone, will approach the podium and Vinnie will hand him the gavel. Thus the new regime will have started.

We had a fine year under Vinnie's direction, as a matter of fact he was so pleased that he gave all his committee chairman a little gift of appreciation. And we the assembly gave him a great big hand and a rising ovation for a job well done. We had many fine accomplishments this past year, and hope for a continuance under the direction of Augie. This takes a lot of time, effort and cooperation from the committees, and the membership as a whole, but it can be done and will be done again. It's a tough act to follow and a big pair of shoes to fill, but the job will be done. So once again Vinnie, congratulations. At the next meeting all committee chairmen will be dismissed, and the new will take over.

Our Post looked good in the eyes of others, as far as I'm concerned we are good. Not only the best in the County, but the best in the Country.

Congratulations to Ed

Chawalsz being elected as Nassau County V.F.W. Commander, and Harry Wurth elected as Jr. Vice of District No. 1, and Joan Chwalsz now has the position of Sr. Vice of District No. 1 Aux. These fine people are all members of our Post and Aux. 3211 that's why I say we are the best in the whole Country.

You probably received notice of the ballgame at Shea for June 24th, from Mike Montelone for the benefit of the Yankee fans Mike is trying to arrange going to the Yankee Stadium for a game. He is already making plans for the Islanders Hockey games. He also reported the success of the trip to West Point.

Aside to the Widows of Veterans, when your mate passed on, it didn't mean the end of your benefits. In many cases the widow is eligible for benefits as well as the children. I can't give you details but your local V.A. should be able to help you and give you whatever information you may need.

To the Veterans without High School diplomas, the time has come for you to get one now if you so desire. If you are interested, get in touch with Joe Normady, Joe Gilligan, or Ronnie Morraldo in the employment agency downstairs in our Post, it's a great opportunity, this is a Bonafide High School diploma issued by the State of New York.

Members of the Math League from St. Ignatius school met in competition with the neighboring schools' students and once again scored high. On an individual basis, the following students, pictured here, won special achievement plaques for the high scores they attained in the competition: Billy Hundt, Tim Lupski, Mary Sarantonio, John Stoltz, Danny Friel and Charles Dineen.

Dr. Hill, Supt. Reflects On Education

By Linda Strongin

After forty-four years in the educational field, Dr. Frederick Hill will officially retire on July 1. Dr. Hill has been Hicksville's Superintendent of Schools for the past three years and was also the district's assistant superintendent for five years.

In a recent interview, Dr. Hill reflected on education in general.

"One of the most exciting things happening in education today is a re-surgence in the belief that education is an important, individual tool needed for success and for living," he stated enthusiastically.

According to Dr. Hill, there is no royal road to learning. This attitude comes from the leadership of minority groups in the education field who feel that students "must either pass or not be promoted," he added.

Concerned parents are also responsible for this "swing of the pendulum." Parents feel that basic skills have a relationship to "all areas of education and to living."

Another swing of the pendulum is the re-definition of the school's role. "This is happening at a greater intensity than ever before," stated Dr. Hill.

Education as an institution has been given responsibilities that were never meant to be. According to Dr. Hill, "the schools were assigned tasks they should never have been asked to perform."

For example, in up-state rural New York, Dr. Hill recalls when the central school district had a dentist's chair and the school district was responsible for the students' dental care. In New York City, there was a regular

lice inspection performed by the schools. And "feeding breakfast to students should never be the primary responsibility of the schools," he added.

However, initial character training in respecting the rights of others and authority, as well as a reverence for our heritage should and is becoming a team effort.

"Parents and the schools are beginning to work as a team and share in the responsibility of educating children," he said.

He cited the recent legislation passed in Albany that makes parents responsible for vandalism costs to public schools for up to \$1,000, thus shifting some of the financial responsibility to the parents and away from the school districts.

In speaking about today's students, Dr. Hill stated that "students come to school today with a different attitude toward learning. They are, of course, more sophisticated, but" he added disappointedly, "they're never naive enough to wonder about learning."

Although today's students are exposed to more media, Dr. Hill feels these are "extra teaching tools" which supplement the classroom teacher and enrich the learning experience.

"I marvel at these teaching tools we have today. In the dust bowl days out in Kansas, I taught a world history course," he reflected. "I could talk about Russia, but how much more interesting and useful to have been able to show films or filmstrips of that country to my students."

Dr. Hill's educational career began in Sharon Springs, Kansas, where he was a high school social

science and commercial teacher. He later was supervising principal of Wallace County Community Schools in Sharon Springs. He and his gracious wife Mary, will be returning to Sharon Springs later this month to attend the school's 41-year reunion.

Dr. Hill was also assistant superintendent of schools in charge of business affairs in Minneapolis, Minnesota for ten years. Later, he served as deputy superintendent of schools for business and administration in the New York city public school system.

Besides formal training and a doctorate in education, Dr. Hill has training in the fields of engineering, business, and sociology.

Although Dr. Hill has announced his "official" retirement, when asked his retirement plans, he responded with a very long itinerary of activities which included lecturing, travel and writing.

He has been asked to up-date a joint bulletin of the American Association of School Administration and the Association of School Business Officials. He'll be lecturing in Arizona and Canada. And he'll continue as contributing editor to "American School and University" as well as up-dating his textbooks on school business administration.

Dr. Hill is known to greet everyone with a cordial smile, which he inherited from his

On June 13 Sands Textile defeated Iannones Restaurant 4 to 2. Dennis Woessner pitched excellent baseball for Iannones yielding only 4 hits, while striking out 12 batters. Jimmy Williams, Ken Frers, Ron Stallone, and Bob Russo each chipped in with hits to lead Iannones limited attack. Marcello Kocpoc was outstanding in the outfield.

On June 16 Iannones clobbered Cotton Insurance Agency 19 to 3. John Autolino was outstanding pitching his second no-hitter of the season, with a dazzling assortment of "fastballs". Autolino gave up 6 walks and struck out 9. Leading an awesome hitting attack of 13 hits was Bobby Russo, John Autolino, Dennis Woessner, Ron Stallone and Jim Shoening.

On June 17, Dennis Woessner and John Autolino combined to pitch a one-hitter for Iannones to recapture first place in the Major division. They defeated Sands Textile 6 to 1. Leading the hitting assault was Dennis Woessner with 2 hits and 3 RBI's. Jimmy Williams also contributed with a key double to ignite an Iannones rally. Doug Sawyer and Bobby Russo were defensive standouts.

G.G.S. Construction came through with 2 wins this week. The first, G.G.G. bounced by Sands Textile 13 to 5. Chris Kerbs pitched a 7 hitter and struck out 7 for his 1st win of the second half. Leading the hitting attack was Jose Negro and Pete Ressa who both had HOMERUNS, and Ron Collelouri and James Arlet.

The second win, GGG whalloped Hamburg Savings 22 to 1. Ron Collelouri had a perfect game for 3 innings and finished with a 3 hitter and 9 strikeouts. The whole GGG team hit well to

chalk up 20 hits, leading hitter were Mike Hogan, Pete Ressa, Jose Negro, and Ron Collelouri. MINORS

Gilson Knitwear defeated an excellent West John St. Deli team on Wednesday night. Both teams played very well. Offense for Gilson was supplied by Taro Otaki, Joe Spinosa, Rich Markey, Frank Cannone and Vito Cassese. The final score was 15 to 10.

Gilson Knitwear lost a tough game to Marder Shell by a score of 8 to 5. Gilson's defense was supplied by Rich Markey, Scott Casper, James Grey and Vito Cassese. The offense was supplied by Frank Cannone, Joe Zeoli, Taro Otaki, and Joe Spinosa who hit 2 run HOMER.

Under the superb pitching of John Maggio and Dom Martello, Jamaica Ash brought home its third consecutive win of the 2nd half, cooling the hot bats of Northville Industry. With the confident support of a fine infield Jamaica Ash held Northville scoreless. Turning in spectacular plays were Tom Dempsey, Andy Manganello, and Tom Roman.

Bats continued to be hot for Jamaica Ash, they blasted out 14 hits off the fast right hander Kenny Ekele. Credit goes to D. Martello, J. Maggio, T. Roman, R. Richards, A. Manganello, R. Hogan, R. Kruger, M. Escobar, S. Scotto, S. Lapiano, and S. Valdez.

Jamaica Ash came home with another close encounter with Marder Shell, beating them 7-5. The fast right handers Dom Martello and John Maggio were at the controls as they struck out 12 batters. The Jamaica Ash power hitters were turning in hit after hit - credit goes to R. Richards, A. Manganello, S. Scotto, and S. Lapiano. R. Hogan came through with his second

A League

In the A League this week, Circle Texaco was victorious over V.F.W. by a score of 12-3. Excellent pitching by John Fabrizio, and Danny Paulauskas for Circle Texaco. The hitting was supplied by Justin Rivers, and Jamie Morissey kept his tremendous hitting streak going. Some sparkling play in the field by Chris Magaris, and Tommy Ryan for Circle Texaco.

Robert Chevrolet kept their winning ways by defeating Empire Diner by a score of 5-3 in another heartbreaker for Empire Diner. For Robert Chevrolet, the pitching by John Blauvelt made the difference in the late innings for Robert Chevrolet.

In the hitting department, Richard McCarthy went 2 for 2 and Knocked in 2 runs.

Good all around fielding by the entire team stopped Empire Diner.

Robert Chevrolet also defeated Barsenstone, 10-3, and edged Circle Texaco, 5-0.

In the victory over Barsenstone, good pitching by Matthew Knapp, and John Blauvelt held an improved Barsenstone team to just 3 runs. The hitting by Jim Reardon who tripled home 3 runs, and Richard McCarthy who went 2 for 2.

In the Victory over Circle Texaco, Fantastic pitching by Trevor Tormann, and John Blauvelt who combined talents and struck out 16 between them. Hitting by John Renneisen, Jim Reardon, and Matt Knapp, who went 3 for 3. Fielding by William Labrador at 2nd base, and by the rest of the team.

But Circle Texaco came back to defeat Robert Chevrolet in their next game. Good pitching by John Blauvelt again who let up only 2 runs in the first 3 innings, and kept the bats of Circle Texaco quiet. Super hitting by John Blauvelt, Jim Reardon, and John Renneisen.

Fielding by William Labrador, Matthew Knapp, and John Blauvelt was outstanding.

A.A. League
In the AA League this week, L.I.C. broke out even, defeating Agway, 11-8, then losing to Agway, 13-9. In the victory, pitching by Steve Colaio, and Tom Morgan combined for a victory. Hitting by Bob McCraw, Brian Mitkowski, Henry Schaeffer, and Paul for with 2 hits each led L.I.C. to a victory.

Sharp firm fielding by Neil McTeague, Kelly Halstead, Steve Huttner, and John Maiorino. In the loss, strong pitching by Steve Colaio and Tommy Morgan again. Hitting by Steve Colaio with 4 hits, Henry Schaeffer with a double and a triple, and Mike Rooney had a single and a triple. Fielding by Steve Huttner, John Mairino, and great catching by Henry Schaeffer.

W.E.O. wasn't as fortunate as they lost to I.H.O.P. 16-9, and lost to Goldman Bros. 9-7. In the loss to I.H.O.P., Pitching by Dennis Kenefick, and Michael Fungeld, with Matt Vescovo, and Dean Lagatutta was good but not enough.

Hitting by Timmy DaCosta, Dean Lagatutta, Dennis Kenefick, along with Mike Fungeld, Anthony Puglisi, and John Hawkins proved for 9 runs.

Fielding by Tommy Goetelmann, Mike Martello, Michael Fungeld, Dennis Kenefick, and Tommy Newby was good. In the other loss, pitching by Dean Lagatutta, and Dennis Kenefick was good despite 4 runs all on errors. Hitting by Mike Fungeld, and Dean Lagatutta was the team's only hitters. Good all-around fielding by the whole team.

Bowling Awards Luncheon

The Old Country Road PTA Bowling League held its Awards Luncheon on Tuesday, June 13th. The group enjoyed a delicious buffet at the Mid-Island Bowling Center on Broadway in Hicksville.

Trophies were presented to the winners by League President, Barbara Purtil, and by Pauline Fava, Treasurer. The first-place trophy was won in a close race by Kathy Visconti, Gloria Bredin and Cathy Reimer. Second place was taken by Karen Sneddon, Pat McMahon and Judy Kilt; third place went to Debbie Karras, Chris Befanis and Wanda Grech.

The high average trophy was awarded to Marilyn Mills, high series to Kathy Visconti, and in an interesting highlight, three trophies were awarded for high game. Eadie Silverberg, Karen Sneddon and Marge Mantello each bowled an identical high score of 187. Last, Chris Befanis was awarded her trophy as the Most Improved Bowler, having raised her average by 18.5 points.

Mrs. Purtil closed the luncheon with the introduction of new officers for the 1978-1979 bowling season. They are Kathy Visconti, President, and Pauline Fava, Treasurer.

The Old Country League, now a proud one-year-old, is looking forward to another successful season starting in September, bowling on Tuesday mornings. Anyone interested in joining this sociable group may call 433-0476 or 681-8949.

Awards Dinner

The Hicksville High School Varsity and JV Baseball Teams had their second annual awards dinner at the B. P. O. Elks No. 1931 in Hicksville.

The parents provided a splendid menu and it was truly a superb feast.

The following awards were presented by Robert Hilsky (varsity) and Neil O'Doherty (JV) coaches:

Varsity awards, Curt Banos, MVP: Mike Grippo, most im-

proved; Frank LaMarca, defense; Chris Coletta, batting; Rich Delardi, "you gotta have heart."

JV awards, Tom Kasulka and Rich Kershaw, MVP; Joe Walker and Tom Kasulka, batting; Chris Martin, most improved, and Tony D'Angelis, top pitcher.

A special award was presented to Mrs. Dorothy Reese, secretary of athletic department, who is retiring at the end of the year.

PBC Shooting Match

On Thursday, June 1, the Hicksville Police Boys Club Junior Rifle Club, held a family shooting match.

McDonald gift certificates were awarded to the following families: First Place-Ashton Family; Second Place-Patrznick Family; Third Place-Portatro Family. Also participating in this family fun match were the following families, Reiser, Hydek, Lofaro, Budzitowski, Fipfinger, Baumgart, Blazo, Littell, Latini, Referri, and Volpe families.

New President of L.I. Junior Soccer League

Peter Collins of Hicksville was elected president of the Long Island Junior Soccer League at their executive board meeting last week.

Peter had served on the Board of Directors of the League for four years and for the next year will guide and direct League activities involving almost 6000 children playing soccer in both the Spring and Fall.

Peter has been deeply involved in youth programs in Hicksville for the past 10 to 15 years; running the St. Ignatius CYO and later the Hicksville Americans Soccer Club.

This past season, the Long Island Soccer League was made up of 62 Soccer Clubs from all over the Island and fielded 340 teams in 39 age divisions.

Peter succeeds Dick Frazita (Deer Park) as president. Two

other Hicksville Club members had donated their time to running divisions in the League for the past year; Bill Cresham and Al Boccafola. Bill was also elected to the League's Board of Directors last week.

Collins is also a Hicksville Soccer Club board member and coaches the boys under 19 team for the club.

When asked why he was so deeply involved and has taken on so much, Peter replied "... it's for the kids and soccer is a good, healthy sport for young people."

ORT News

The Levittown Chapter of Women's American ORT, will hold a Flea Market on Sunday, June 25 from 11 a.m. to 5 p.m. at the King Kullen Shopping Center, Wantagh Ave., Wantagh.

Soccer Club Elections

The Hicksville Americans Soccer Club, at their last general meeting, held elections for board seats.

Eleven interested parents put their names forward which is a good indication of the involvement in Hicksville and why the club has progressed so well.

The winners of the 5 board

seats were: Peter Collins, Mike Dolan, Jeff Kugler, Gene Maguire and John Mitchell.

These men take office July 1st and, along with the four officers, will direct the club for the next year.

Club president Alex Sakk thanked all the nominees for their interest and past contributions to the club.

K, 1st and 2nd Grade
Two All Star Games were played which concluded the season for the boys with the exception of the playoff teams. The fielding was excellent, the hitting superb, but most of all the boys enjoyed themselves. In the first game, among all the "glittering" stars, one sparked the brightest and that was Sean Lynam of the Fish Division. As he has done all season, Sean sparked the team with spectacular fielding plays and a 5 for 5 performance at the plate. In the second game, Billy Dahlstedt led the Birds to victory. Billy had two key hits and also contributed in

the field with several outstanding plays.

3rd Grade

The Yankees, who won the 1st half of the championship, will play the Dodgers, who won the second half. The game is scheduled for June 28th. During the week the Giants beat the Mets 13-8, sparked by Scott Sachs with a double and Sean O'Toole with a base clearing double. Scott Sachs and Kevin Hamel also turned over double plays for the victors. In a losing cause Paul Pisani contributed a grand slam home run. The Cardinals beat the Yankees twice, 17-4 and 9-2. In

the first game, Ed McHugh and Glenn Caulfield led the attack at bat while Victor Romano fielded well. James Munson (double), and Chris Endres (single, triple) sparked for the losers. In the second game, Mike Dellolio (single, 2 RBI's), Jeff Coen (triple w bases loaded) led the victors while Tom Kenny had a big double for the Yanks. In the final game, the Dodgers beat the Mets 6-5. Matt Storms (2 RBI's), James Hume (1 RBI), and Nick Petrilli (3 RBI's) provided the batting support.

Results of the past week:

Harbor Distributing beat Rollins Rapid Repro to win the Division II championship. The final score was 4-3 with the potential tying run being thrown out at home plate. In another game, William Kroemer beat the Henry J. Stock Funeral Home because of a last inning, 2 out, grand slam homer by Nick Babyak. Rollins Rapid Repro came back on Saturday to beat the Henry J. Stock Funeral Home by a score of 5-3. George Kenny and Doug Bowen pitched the victory.

INSTRUCTIONAL LEAGUE

Manufacturers Hanover Trust, sponsor of one of the Instructional teams in H.B.A., has compiled the best winning record thanks to the efforts of Ron Alfin and Jerry Lipson.

Following in second place is the Blue Team managed by Tom Flynn and Bob Donohue. Third place team, Blue & Red, is managed by Tom Marshall and Chris Landry.

PONY LEAGUE

With the season nearing the halfway mark, the Lions Club continues to lead the league. This week, Ed Conklin had a fine game on the mound along with Billy Vollomo for the Lions Club.

Still in second place and unable to gain any ground on the leader this week is Stevens Wedding Center. Al Celantano, with his keen hitting and Julio Christie, doing a fine job behind the plate catching, are two reasons the Center is in second place this week. Paul Baines had a booming triple to help the team's efforts.

Third place this week is a tie between Harbor Distributors and Empire Storage, each with a 6-5 record. For Harbor Distributors, Dave Essex, with his fine defensive play in the outfield, and Neil Elenio, behind the bat, are keeping the team in contention. Empire Storage, with the pitching of Greg Connelly and the hitting of William Joosten, held their ground on the leaders.

Antuns of Old Country Road, although slipping in the standings a couple of games, thrilled the crowd when Raymond Cordero hit an inside-the-park Home Run. Tommy McCay, with his timely hitting, helped the team in a winning cause.

Pennysaver, although it has a 2-10 record, still plays exciting baseball. Pat Morris at third and Adam Schwartz at first had a good week in the field making good stops at their respective positions.

This week's "Golden Glove" Award again goes to Glenn Issing with his fine catches in the outfield, despite the efforts of "Old Man Sun" who has messed up many a fielder. Congratulations Glenn.

COLT LEAGUE
On Monday, the Colts moved

into the second half of their season with Murants knocking off National Bank of North America 8-2. Steve Miller went 4-for-4 at the plate for Murants.

In one of Tuesday's contests, Long Island Bank defeated the Maroon Team by a 7-0 score. In the second game, the Red Team defeated Walter Donaldson VW 8-4. Steve Dolan and Ed Johnson combined for the win while Keith McCormack and Ed Johnson led the hitting attack, each contributing a triple.

On Wednesday, Jimmy Turturo's Murants Team, who had started out slowly, won again at the expense of Walter Donaldson VW 13-6. Craig Kopetz pitched five innings of no-hit ball. The hitting attack was shared by Chuck Maggio, 4-for-4, including a home run; Steve Miller, 3-for-4; and Steve Errick, 3-for-4.

Thursday saw Long Island Bank suffer a tough loss against National Bank of North America 7-0. Also on Thursday, Jim Foster's Red Team defeated the Maroon Team 3-2.

In a Friday night make-up game, Murants continued their winning ways defeating the Red Team 12-5. In the last five games, Jimmy Turturo has really gotten his team together and is now playing .500 ball and making his move on first place.

On Saturday, Long Island Bank's Joe Stecco threw a No-Hitter at Walter Donaldson VW 4-0. Congratulations to Joe on a fine pitching performance. The second game saw the Maroon Team, behind the pitching of Mike Grippo, knock National Bank of North America out of first place 12-3. In the final game of the day, Murants and the Red Team played a back and forth game with Murants, winning 8-7. Steve Miller stole home with the winning run.

Another Christening party was held at Mary Novellano's home in Hicksville. Tricia-Ann Longo was Baptized on May 13 at St. Ignatius Loyola R.C. Church by Rev. William Karvelis. Tricia-Ann's parents are Patty (nee Novellano) and Tom; both of whom are graduates of Hicksville H.S. Tom's brother, Donald, was Godfather, and Patty's sister-in-law, Patty, sounds confusing, but it isn't, was Godmother. Among the 30 guests present at the festivities were four generations of Longo's and four generations of Novellano's. Tricia-Ann reigned like a queen all day, we were told.

On May 27, Timothy Paul Schiffmacher was Christened at St. Bernard's R.C. Church in Levittown. Timothy's parents, Kathleen and Bill graduated from Hicksville H.S. They held a barbecue party in honor of this blessed event to which they invited 35 guests. Both sets of grandparents, Kathy and Joseph Hecker and Billie and Will Schiffmacher, reside in Hicksville.

Bob Ryndfleisz, former Hicksvilleite and Merelene Spruck, were married May 28 at the First Presbyterian Church of Babylon. The wedding party was driven to the church and reception in two antique cars: a 1934 Pontiac, and a 1936 Buick. The couple had an aquatic reception following the wedding ceremony on the Captree Spray. This boat can accommodate 270 people so there was more than enough room for the band, 150 guests and the crew. The boat cruised the Great South Bay during the reception. It was a catered affair, and sounds like it was a lot of fun. Congratulations to the newlyweds.

Jimmy Rennert, former graduate of Holy Trinity H.S. performed at the Galley Gaskin Pub in Glen Cove last week. His mother, Anne, father, Bob, and sister, Terri, were in the audience to watch and listen to Jim sing and play the guitar. Jimmy has built up quite a following wherever he performs. His in-laws also wanted to see Jim entertain and were in the audience at Cheffers Pub when he was there. Of course, Jim's adoring wife, Maureen, is his most fervid fan. Good luck as an entertainer, Jim. The Rennert family are long-time residents of Hicksville.

Happy Birthday to Mrs. L. Pietruszewicz, of HICKSVILLE, who celebrated June 7, former HICKSVILLE residents, William W. Pietruszewicz of North Babylon, who celebrates June 17 and Mike Yamond, of East Northport who celebrated June 7.

Robert E. Kluck of HICKSVILLE, has been elected President of the American Lung Association of Nassau-Suffolk.

Mike and Sue Polansky of Sylvia Lane, PLAINVIEW, journeyed to Ithaca, NY last weekend, with their children, Jimmy and Irene, for Sue's 15th Reunion of Cornell University's Class of 1963. A magnificent weekend - and they can't wait to get back to Cornell in 3 years for the 20th reunion of Mike's class of 1961.

We heard that Ray and Martha Hand spent a wonderful week's vacation at Montauk Point. Although they encountered some rain, it didn't dampen their spirits; and they arrived home happy, healthy, and rested.

Best of luck to Irv and Isabel Goldstein, who are moving soon to Las Vegas, after living in PLAINVIEW for 9 years.

Congratulations to Sandra Taub of Shelter Hill Rd., PLAINVIEW, who celebrates her Bas Mitzvah this weekend. Sandra is the daughter of proud parents Alan and Marion Taub.

Welcome home to Carol and Paul Eisenstein, of Ruth Rd., PLAINVIEW, following a week's vacation in Bermuda. Carol is the President of the Greater Plainview Community Assoc.

Harriet Cucci of HICKSVILLE, has donated 1200 volunteer hours, and Marge Agresti of PLAINVIEW has donated 2000 volunteer hours at Central General Hospital. They were honored recently with a special luncheon at the Royal Lancer II, by the board of directors of Central General Hospital.

William G. Fitzgerald, operations officer and acting manager of the Hempstead Bank, OLD BETHPAGE, was promoted to manager.

The McCann family of Hicksville celebrated not only Flag Day, but Jack McCann's birthday on June 14. Helping with the festivities was Jack's wife, Gladys, and their five children.

Rose Marie Curley was really feted for her birthday on May 23. First, she celebrated with her co-workers at the Hicksville Library; then she partied with her fellow bowlers in the bowling league; and when she arrived home, her family had another celebration ready. Rose Marie said she was still eating birthday cake at 1 a.m. in the morning.

Another member of the Curley family had a celebration. Joseph Curley's birthday was May 31. A family party was held with wife, Rose Marie, and the five children: Danny, Karen, Tim, Susie and Jamie. The kids gave Dad and Mom tickets to the play "Shenandoah" at the North Stage Dinner Theatre. This was a combination present because Rose Marie and Joe's birthdays were only a week apart.

The high point of the June 10th weekend for Tom Luck was the Hicksville High School Senior Ball held at the Colonie Hill in Hauppauge. Tom, who is graduating this month, escorted Jean LaGatta, also of Hicksville. They accompanied Kevin McManus and Mona Grichenko to the festivities. This foursome looked marvelous. The fellows wore light blue tuxedos, and the girls were resplendent in long gowns. The celebrating continued over to Sunday when the group attended another party at the beach.

Robert Kluck, Sr. of Hicksville, was elected president of the American Lung Association-Nassau/Suffolk. This worthwhile organization deserves our support in their fight against emphysema, asthma, tuberculosis and other respiratory diseases. The organization conducts "no smoking" clinics and they also provide space for the emphysema clubs to meet. In addition, they hold special courses in hospitals to educate nurses in the care and treatment of respiratory illnesses.

June 9 was important to the O'Brien family of Hicksville. This was mom, Angie's, birthday.

Our local octogenarian, Ida Mae Herfurth, was recognized for her volunteer work for the Central Nassau Senior Center at the Hicksville Nutrition Site held in the V.F.W. Hall on Broadway, Hicksville. "Recognition Day" was May 31 when Ida Mae and other volunteers were recognized for their devoted service as volunteers. Ida Mae teaches arts and crafts to the other senior citizens at the Center.

Mr. and Mrs. Harry R. Nelson of Hicksville announce the marriage of their daughter, Eileen Ruth to Paul Anthony Kraeger, son of Mr. and Mrs. Bernard Kraeger of Turin, N.Y. The wedding took place on June 10, 1978, at the United Methodist Church of Hicksville. Rev. James J. Benson performed the ceremony.

Eileen is a former graduate of Hicksville High and presently a student at Cornell University, Ithaca, N.Y. Paul is also a student at Cornell, and both Eileen and Paul will graduate in May of '79.

The bride wore her mother's gown of white French Marquessite and carried a bouquet of white roses. The maid of honor, the brides sister Jean, wore a tangerine gown of crepe polyester, carrying a bouquet of daisies and carnations. The bridesmaids, Laure Kraeger, sister of the groom, and Janet Gorst and Fern Chin, friends of the bride, wore peach crepe polyester gowns carrying roses and carnations. Also in the wedding party was the flower girl, Andrea Marie Quinn, 3 yr. old niece of the bride. Susan and Clyde Quinn, sister and brother-in-law of the bride, participated at the ceremony reading scripture. Jean Nelson, Laure Kraeger, and Rev. Albert Miller were soloists at the ceremony.

Among the male attendants were Peter Kraeger as best man, brother of the groom, Jerry Repak, cousin of the groom, Gary Karl, and Joseph Terracciano, both friends of the bride and groom, were ushers. The couple will honeymoon in Florida and will then reside in Ithaca.

DEVOTIONS

By The Rev. John H. Krahn

A MIRACLE

AWAITS YOU EVERYDAY
I believe that every human being experiences many wonderful miracles every day. Unfortunately, most of us don't realize it. We might begin today's sermon by asking "What is a miracle?" A miracle is something wonderful that happens to us that we can't explain, where all odds are against it working out that way. It is also a stroke of divine providence over which we have no control.

I enjoy photography. Often as I look at books of photographs I am amazed that most of the truly renowned pictures are of commonplace things. I feel that I could have taken that picture and become famous too. I guess I could have taken the magnificent picture, but first I would have had to notice how great it was. This is the problem, the renowned

pictures, God's miracles, are there every day of our lives, but our eyes are not open to see them.

Why don't we see these miracles that are happening all the time in the most common places? Perhaps we can understand the answer to this question by remembering the last time we were in the hospital. Coming out of the hospital, suddenly the whole world looked different - cars, people, sky, trees. You noticed flowers blooming that were blooming when you went in, but you never noticed them. You had a tremendous, almost eternal dimension of awareness. The sensitivity of your human perception was heightened.

Another example is coming home from a vacation - the same old house looks different when you first walk in the door. Why? Because a blanket of daily, ac-

cumulated anxieties, fears, depressions, problems and difficulties were temporarily lifted. What blinds us to the beauty of a budding tree, the ever changing formations of interesting clouds or a spring rain making small circles in a mud puddle, is our negative emotional attitude, our fears, anxieties, and problems. God is performing miracles every day, but we are so caught up into ourselves and our problems that we can no longer see the beautiful robin perched in the tree and consider how wonderfully God informed him that warm weather was coming to Hicksville.

Two of Jesus' disciples met the Lord on the road to Emmaus. Here they were walking and talking with the living Christ, and they were so burdened with their own sense of loss that they didn't recognize him. After he vanished

out of their sight, they said to each other, "Did not our hearts burn within us while he talked to us on the road, while he opened to us the Scripture?"

"Truly a miracle awaits us every day. But it takes two to make a miracle to happen in our life. It takes God and us. God presents the miracle; we receive it through faith. What miracles will be yours today? Maybe you will walk outside in your yard and stretch your arms towards heaven sensing your insignificance compared with God's greatness, and then do something really smart - like welcoming the miracle worker's assistance in alleviating your problems and enhancing your successes. Maybe you'll take a half an hour and begin reading the first two chapters of St. Mark followed by the first two chapters of Philippians and have your heart beautifully warmed by it.

Perhaps there is someone reading this who is not sure of their salvation, who has not opened himself or herself up enough to God so that he can work his miracle of forgiveness and acceptance in their lives. Now is the day of salvation, now is the time to let the greatest miracle that ever happened happen in your life. You can ask Jesus Christ to come into your life right now . . . and He will.

Years from now you might look back on this and say, "Wow." "I hadn't planned to read that devotion." "I didn't realize that my faith could be deepened from that day on." "Wasn't it odd," you might think, "No, it wasn't odd. It was God." Receive His miracle for your life today, for everyday a miracle awaits you.

FOOT FACTS

Dr. Robert Wollman

Podiatrist, Foot Specialist

Heel Pain - Pain can be from many different conditions. Most common heel pain is from Arthritis - pain is moderate to severe and is controlled by proper medication.

Second most common heel pain is associated with a condition known as a heel Spur. This is usually treated by medication and the wearing of a mould in the shoe. In very severe cases surgery may be required.

Heel pain can also be due to a Bursitis in the center of the heel also easily treated.

Other conditions causing heel pain can be due to circulation or neurological problems and at times a tumor on the bone.

A common heel problem found in children, usually boys age 8-16 is known as Apophysitis which is an inflammation of the growing portion of the heel bone. This condition should be treated early or can lead to a life time of heel pain. The symptoms are easily seen. The child will walk on the ball of his foot and not put any pressure on his heel, treatment is proper strapping or in severe cases a short walking cast.

Galileo Lodge News

By Joe Lorenzo

Some columns ago, we reviewed the highlights of the Galileo Lodge's spring and summer recreational festivities. Now, as these two seasons fade into the past, we will preview the events for Fall and Winter.

The new bill of fare reveals a Halloween Dance, a Man Of The Year and A Woman Of The Year Dance, Christmas Dance and Christmas Parties for retarded children and children of the membership, not to mention the Gala New Year's Eve Dinner and Dance. Also featured will be Family Nights for members and their guests, at which time drinks can be purchased at our bar at very reasonable club prices. There is a great possibility that other affairs and dances will be held, and all together they paint a picture of fun, enjoyment, good music and cuisine - and this is also a picture of how and when to relieve the doldrums brought on by bleak periods.

The policies of the Lodge concerning charitable causes, community-related projects and

the beautification of Hicksville remain practical and individualistic. Scholarship awards, Blood Banks, March of Dimes, Little League activities, perhaps even senior citizen problems, etc., will be an integral part of the Galileo Lodge's activities.

Swinging bac to summer recreation, the Lodge will hold a Beauty Queen Dance on August 26th, on its premises, at which time a Beauty Queen will be chosen. This event ties in with the Columbus Day Parade, where this chosen Queen will add beauty to an event that is pretty well heralded in these parts. On July 31st, the Lodge will hold its Night At The Races. The price of \$12 entitles you to admission to the clubhouse, reserved table seating in the Cloud Casino where a fine dinner will await you. For reservations call Tony Balestrino at 931-3351. More golfing sessions are planned, and needless to mention that the last golfing session at the Heatherand Country Club was a social success. It was a beautiful day, excellent for rounds of golf, and the food and cocktail hour were well appreciated by those who attended.

CORRECTION
Because of circumstances beyond control, the Galileo Lodge wishes to announce that the dates of its Italian Feast have been changed. The Italian Feast will now take place on the 26th of July to the 30th. Other changes are that the Feast will now be held on the Lodge premises - 200 Levittown Parkway, Hicksville - and that there will be no rides. There will be games, amusements, food and music as we have previously stated. The changes, we feel, should not detract from everyone having a good time at this festivity.

The Lodge, as we have stated in past columns, has many goals, ambitions and plans for the future. And, as is obvious to anyone who has been part of an organization, it takes members to implement these proposed programs. The Lodge plans a new membership drive, in the coming months. If you are thinking about joining a new organization, why not keep us in mind. Come on down and be a guest at our Friday social nights. Observe for yourself, even ask questions about the Galileo Lodge and what it can offer you. We believe many of you will want to join us.

field could be turned into a Little League diamond by installing a fence at right angles without interfering with school athletic activities. The field would then be "unplayable" to adults.

President Tom Nagle instructed Mr. Hogan and Mr. Becker to study both problems further. He informed the residents that action would be taken on June 21.

Under unfinished business, the Board approved media aides and school monitor appointments for 1978-79 school year. They also approved routine expenses; awarded bids for art supplies at a total cost of \$7,696.15; awarded a bid for sanitation services at a cost of \$15,448.80; authorized the selling of tax anticipation notes, and authorized the expenditure to obtain an M.I.C. rating and New York Legal Opinion.

The Board will have a re-organization meeting on July 5.

Our Armed Forces

Navy Lieutenant Bruce E. Dunscombe, whose wife, Eileen, is the daughter of Mr. and Mrs. Andy A. Arensen of Nassau Ave., PLAINVIEW, recently visited Nantes, France.

He is operations officer assigned to the frigate USS Pharris, homeported in Norfolk, Va., and operating as a unit of the Atlantic Standing Naval Force.

A 1972 graduate of New York Maritime College, Bronx, with a Bachelor of Science degree, Dunscombe joined the Navy in March 1973.

Pfc. Robert J. Boyle, son of Mr. and Mrs. Raymond E. Boyle, of Cornell Ave. in HICKSVILLE, recently was assigned as a medical specialist with the 1st Infantry Division at Fort Riley, Kan.

Boyle entered the Army in October of last year.

The private received a bachelor's degree in 1972 from Hamilton College in Clinton, N.Y.

Scott N. Gaines, son of Mr. and Mrs. Norman Gaines of Dale Court in HICKSVILLE, has been promoted to airman first class in the U.S. Air Force.

Airman Gaines, an air traffic control operator, is assigned at Moody AFB, Ga., with a unit of the Air Force Communications Service.

The airman, a 1973 graduate of Bethpage (N.Y.) High School, attended the State University of New York at Farmingdale.

Navy Fireman Apprentice Christopher A. Reid, son of Mr. and Mrs. John Reid of Hames St. in HICKSVILLE, is participating in the major NATO exercise

mother. She once told him "a smile doesn't cost anything."

His love for children goes beyond his career in education. He and his lovely wife Mary are the parents of ten children, five of whom are adopted. The children live in various parts of the country, (and the world) and the Hills travel quite frequently to visit these children and their thirteen grand-children.

Dr. Hill expressed a desire for Hicksville parents to continue their awareness "of a very rich heritage. You need to preserve it," he stated solemnly. "Hicksville will then remain a lovely community with a good educational and cultural environment," he concluded.

Hicksville will miss Dr. Hill, his smile, his vitality, and his concern for our children. But Hicksville wishes Dr. Hill and his wife Mary an enjoyable retirement.

Boyan, assistant at St. Ignatius will leave at the end of June to accept an assignment at Good Shepherd parish, Holbrook, good luck Father.

GOOD LUCK BILLIE. The Mother's Auxiliary paid a special tribute last Monday evening to a "special" person, Mrs. William Schiffmacher, secretary to the Principal at St. Ignatius School - "Billie" as she was affectionately known to a host of friends has retired after at least some 25 years - the writer came to know her through our community work

an ever-present smile and assistance was given to both student and teachers - we hear that Sister Mary Venard, OP was at the meeting (former Principal) and Sister Loretta DeVoy, our new principal - plus a warm welcome back to Sister Mary Warren Cele Larkin was "master of ceremonies" and as usual was at her best - Good Luck, illie.

"Dawn Patrol '78" in the Mediterranean Sea.

He is assigned to the nuclear-powered aircraft carrier USS Nimitz, homeported in Norfolk, Va.

A 1977 graduate of Hicksville High School, Reid joined the Navy in July 1977.

Navy Seaman Apprentice Edward Geslak, son of Mr. and Mrs. Stanley Geslak of Edward Ave., in HICKSVILLE, is participating in exercise "Solid Shield '78."

He is assigned to the amphibious command ship USS Mount Whitney, homeported in Norfolk, Va.

Geslak joined the Navy in September 1977.

Navy Ensign Gerald R. Harms, son of Mr. and Mrs. Gerald V.

Harms of Bradley St in Plainview, was commissioned in his present rank upon graduation from the Naval Reserve Officers Training Corps Unit, Villanova University, Pa.

The commission was received through completion of the school's Naval Reserve Officer Training Corps (NROTC) Program.

During each undergraduate semester, NROTC midshipmen complete naval science courses in addition to the full academic schedule that lead to their degree. These courses, combined with annual summer training aboard ships and shore installations, served to prepare midshipmen for the duties and responsibilities of a commissioned officer.
