Austerity Budget Set

By Shirley Smith

The Hicksville Board of Education held a special meeting Monday night to set an austerity budget. President Tom Nagle explained that this is not required to be done by July 1, but each time any supplies, etc. need to be purchased, administration would have to come to the school board for approval. In addition, the board is not required to have another budget vote, nor can the New York State Commissioner of Education arbitrarily set a budget for any community with repeated budget defeats. Mr. Nagle stated that Hicksville's board had decided to establish an austerity budget in order for administration to continue district operation during the summer. This would also give board members and school officials an opportunity to review all financial aspects before deciding whether or not to have another vote and what budget figure to submit.

Mr. Nagle also explained there are still many "gray areas" in an austerity situation. Dr. Manus Clancy, Assistant Superintendent, and Mr. Richard Weigang, Business Administrator, are going to Albany this week to try and get further clarification on all legalities. Such items as adult education, senior citizens groups and evening high school are unclear.

- After lengthy deliberation, the board set an austerity budget of \$27,631,489. This represents a 21 cents increase to the current tax rate of \$15.77/\$100 assessed valuation. The new figure has eliminated or curtailed a variety of items, some of which are required by law:
1. \$333,847 decrease in transportation due to state mandates of a 2-mile limit for grades K-8 and a 3-mile limit for grades 9-12. Students living within these limits may not be transported on austerity. Students will be transported 15 miles outside the district, with a 50 mile limit for special education students.
 2. \$10,000 - elimination of cultural arts programs
 3. \$76,225 - elimination of adult education, evening high school and senior citizens programs
 4. \$349,506 decrease due to elimination of co-curricular and interscholastic activities
 5. \$4500 decrease due to non-participation in the BOCES Research and Development program.

regarding austerity. In addition to setting an austerity budget, the school board accepted, with regret, the resignation of Assistant Business Manager Richard Helfont who is leaving Hicksville to become Assistant District Principal in Valley Stream School District No. 24. Iris Wolfson explained this position is comparable to that of assistant superintendent. The board commended Mr. Helfont for the outstanding job he has performed for Hicksville and congratulated him on the promotion, wishing him well in his new job. The board also accepted the retirement of Frances Byrne, reading teacher at East Street School.

The board made other reductions and eliminations of supplies, conferences, maintenance costs and equipment. Mr. Nagle explained that the austerity budget figure can be altered and additional items added or deleted, based on information received from Albany

In further action, the board voted to extend the dropout alternative program which is entirely funded through CETA and provides summer jobs for 98 Hicksville students. They approved extra duty compensation for various teachers for preparation and participation of school bands in the Memorial Day Parade, and appointed a temporary committee for the handicapped for the duration of the summer. The reorganization meeting of the board of education will be held July 5 at 8:15 p.m. in the Board Room of the Administration Building.

Fire Report

Thirty-three alarms kept Hicksville Vamps busy during the period June 18 to 24th. There were 2 false alarms, 20 fire calls, and 11 rescue calls.

House Fire
 A house fire at 22 Schultz St., Hicksville was reported on June 23 at 8:26 p.m. A fire, possibly triggered by a faulty instant-on TV set gutted a room on the lower level of a split-level home. Heavy black smoke caused most of the damage. Quick work by Vamps confined the fire to the one room. Vamps noted the absence of a smoke detector. Had one been installed, this blaze would no doubt have been nipped in the bud. Chief William Ferber was in command.

Parade and Drill Awards
 The Hicksville Fire Dept. Ladies Auxiliary, no stranger to parade awards, copped two 2nd place trophies. So far this season, one at Greenport and the other at

Inwood. The men have blanked out so far. The Hicksville Drill Team took two 5th place awards in the Class C Hose and Ladder Events at Inwood.

The Hicksville Fire Dept. won a 2nd place award in the Daily News Monthly Award for fire or rescue efficiency. This award was for the rescue work at the school crossing accident on May 9 and the spectacular cesspool rescue on May 22.

Safety Hint
 Air Conditioners: Before installing an air conditioner examine its electrical rating to be sure it will not overload an existing circuit. More energy efficient units have become available in recent years, using less electricity for the same cooling capacity. But keep in mind an important rule of thumb: the air conditioner load should not be greater than 80 pct.

On The Campus

Edward Hansson, son of Mr. and Mrs. Gus Hansson of Garnet Lane, PLAINVIEW, has been named to the Dean's List for the 1977-78 academic year. He graduated from the State University Agricultural and Technical College at Delhi, N.Y. recently with the degree of Associate in Arts.

Gary R. Vorwald, of Briggs Rd., PLAINVIEW, is one of five Long Island residents who are students at the State University College at Cortland who have been awarded Presidential Scholarships by the College's Development Foundation. The Scholarships are based on high academic achievement and contributions to campus life. A senior, majoring in earth science, he plays the lead alto saxophone with the College Stage Band and also plays in the Symphonic Wind Ensemble.

Edward Mark Paul, son of Dr. and Mrs. Bernard Paul of Hicksville, has graduated from Harvard University. He will be attending Columbia Physicians and Surgeons College to study medicine starting in September.

Maureen Patricia Mangan of Maglie Dr., HICKSVILLE, has received a degree in Communications from Seton Hall University, South Orange, New Jersey.

Mark V. Weiss, son of Mr. and Mrs. Norman V. Weiss of Melissa Lane, OLD BETHPAGE, has received a degree in landscape development during the recent commencement exercises at Alfred State College.

Jim DeNicola, son of Mr. and Mrs. James DeNicola of Arbor Lane, HICKSVILLE, has won a letter on the 1978 Cornell University varsity lacrosse team. A junior midfielder, he is a graduate of Hicksville High School. He saw action in all 14 games, scoring five goals and having four assists. He won 55 of 125 face offs as the second leading faceoff man on the team. He is an economics major in the College of Agriculture and Life Sciences at Cornell.

David Jay Schaffer of Longridge Rd., PLAINVIEW, has received a degree during the recent annual commencement at the State University College at Potsdam.

Irene Frances Gulack, daughter of Mr. and Mrs. Bernard Gulack of South Oaks Blvd., PLAINVIEW, has earned a Bachelor of Science degree from the Austin Dunham Barney School of Business and Public Administration, University of Hartford.

Human Resources Graduation

Eleven distinguished students will graduate on Friday, June 23, at 8:30 p.m. in Commencement Exercises at the Human Resources School, Albertson, Long Island. Each member of the Class of 1978 will attend College.

Unlike the thousands of senior high school students participating in similar experiences throughout the country, these graduates are severely handicapped individuals who have

overcome the traumas of disability to achieve academic excellence, and, also outstanding skill in extracurricular activities such as wheelchair sports—track and field, basketball, hockey, etc. Among the eleven will be Katherine Ann Celenza, 17 of Plainview. Kathy likes working with children and she has been accepted at Nassau Community College, where she will study Secretarial Science.

Kevin J. McAleese of Hicksville has been elected President of the 2,800-member student body at Siena College for the upcoming school year.

McAleese, a 1975 graduate of Chaminade High School, Mineola, will serve as chief administrative officer for the Siena Student Senate, the official student governing board of the college.

McAleese was president of his sophomore and junior classes and has served as chairman of numerous major campus events. As Student Senate President he will administer a budget of more than \$27,000. McAleese, a Dean's List student majoring in sociology, is the son of Mrs. Loretta McAleese of 110 Cambridge Drive, Hicksville.

Susan Krzywiewicz, daughter of Mr. and Mrs. Henry J. Krzywiewicz, of Lent Dr., PLAINVIEW, has graduated Phi Beta Kappa and summa cum laude with high distinction in biology from Dartmouth College. A 1974 graduate of Our Lady of Mercy in Syosset, she was a biology major at Dartmouth and was cited for her academic performance in both an upper level of biology and psychology course during her college career.

Richard J. Jaguszyn, son of Mr. and Mrs. Frank Jacuszyn of Prospect St., HICKSVILLE, has received a Bachelor of Science degree in accounting from Clarkson College, Potsdam, N.Y.

Awards Winner

Kevin J. Lorentsen, son of Mr. and Mrs. Arvid Lorentsen of Hicksville, was Salutatorian of his graduating class.

Edward also received the Peter Waters Track Award for outstanding track and scholastic ability and the Michael Charles Award for outstanding achievement in Social Studies.

The 47th Annual Commencement of Chaminade High School, Mineola, was held on Sunday, June 4, 1978 in the school's Darby Auditorium. Two hundred and ninety-one seniors were graduated. Sixty-six of the seniors completed their first year of college in the FAST Program held in conjunction with C. W. Post College.

Kevin J. Lorentsen was a member of the FAST Program '78 GRADUATES

A Message From Our County Supervisor

Two weeks ago Governor Carey, in one breath, disowned his Commerce Commissioner's proposal for a constitutional restriction on the number of public employees - and, in the next breath, revealed that he is adding some 2,000 employees to the state payroll this year.

In the same campaign swing through Long Island, the governor said that he did not want to mandate state controls on local spending - but he never uttered a word about UN-MANDATING the state programs that force local government spending up year after year.

State Commerce Commissioner Dyson called for a state constitutional amendment limiting the number of state employees to one percent of the state population - and limiting the number of local government employees to two per cent of the local population. If passed, such an amendment would force the

state to lay off 22 per cent of its present employees and would make a New York City fire 58 per cent.

But, in Nassau County, we must be doing something right. The Dyson proposal, as restrictive as it would be, would allow Nassau County to boost the number of its employees by 68 per cent and still be comfortably within the limitation. They Dyson proposal aimed at cutting the costs of government by relating the number of public employees to the total population. By that criterion, Nassau County is doing very well. Still, every once in a while, someone attacks the county for having more employees than 15 of the states. On its face, that sounds pretty bad. But the fact is that Nassau County has more people than 18 of the states - and provides more services than a lot of the states do. A lot of those services are provided by the county because the state makes us provide them.

You Pay For The Pork Barrel

By Cong. Norman Lent

Press reports on the Public Works Appropriation Bill usually refer to it as a "pork barrel" bill, meaning it provides federal funds for unnecessary, or overly-costly projects to buy political support.

This year's Public Works Appropriation Bill, which passed the House earlier this month, is indeed a pork barrel bill. It is packed with projects - particularly costly water projects - that benefit few, but add to the tax burden of every taxpayer in the nation. It unfairly penalizes New York and other populous states of the Northeast in order to provide low-cost water and power resources to the southern and western states. It contributes to inflation.

For all of these reasons, I voted AGAINST the Public Works Appropriation Bill. I think it important to examine in some detail the serious problems this wasteful bill creates for taxpayers already carrying the double financial burden of rising taxes and double digit inflation.

As passed by the House, the bill requires the federal government

to spend six times more money developing water resources in the southern and western states of this country than it does in the Northeast. Only 15 percent of the \$3.3 billion earmarked for water projects in this bill would go to the 16 northeastern states where 45 percent of this nation's population lives. We who live in these 16 states also pay some of the highest water and power rates in the country, so we are doubly punished.

Nor is this all. The imbalance grows worse because the heavy emphasis on water resource development in the arid west and southwest provides those areas with cheap power and water to attract business to the "sunbelt" and thus encourages industry and jobs to leave the Northeast.

The Public Works Appropriation Bill is particularly harmful when examined from the view of its inflationary impact. Although just about every Member of the House has spoken out against unnecessary federal spending, the majority of the House voted for this bill which includes:

-Eight water projects opposed

State Mandates Force Local Spending Which brings me to the other point that the government made about local spending.

It is probably true that taxes in Nassau County all taxes, including school and state taxes - are among the highest in the nation. But taxes all over New York State are higher than anywhere else. And the reason, quite simply, is that New York State leads the nation in the number of programs that it makes local governments pay for out of local property taxes. If New York State repealed just one mandate - the costs of welfare - every Nassau County homeowner would get an immediate \$100 cut in his property taxes. But that would still leave 59 other state laws that FORCE local governments to spend your money. The national average for state mandates is only 35. California, which ranks second, has 52 - and this month California rose up in revolt.

by President Carter as unneeded or too costly for the benefits.

-41 new construction starts many of which are unnecessary or could be delayed.

-11 projects, costing more than \$26 million, added by the House. They were thrown into the bill to attract more House votes.

All this increases by some \$200 million the federal spending for water projects recommended by President Carter. What a contribution to inflationary pressures. What a heavy burden of additional taxes to lay upon the long-suffering taxpayer. It is especially ironic that this big spending bill passed the House just ten days after California's famed tax-revolt vote for Proposition 13.

Perhaps the Senate will reject the callous attitude of the big-spending Democratic leaders of the House and will strip the Public Works Appropriation Bill of its pork barrel projects. If not, President Carter should carry out his promise and veto the bill.

We've got to stop this tired old political trick of trying to buy support with federal spending.

ATTORNEYS FOR DURYEA: Assembly Minority Leader Perry B. Duryea, Jr., second from left, Republican-Conservative candidate for Governor, shakes hands with Martin Dwyer, Jr. of Mineola, chairman of Attorneys for Duryea. With them are Jon N. Santemma of Mineola, left, and Edward J. Hart of Garden City. Lawyers from throughout Nassau held a fund-raising affair for Duryea's campaign.

CPES Criticizes Budget

"Absurd and reckless," says the Citizens Public Expenditure Survey (CPES) about the proposed State Supplemental Budget of \$539 million in new state spending.

CPES said that of the proposed \$539 million authorization to spend, reportedly somewhere between \$200 million to \$250 million would actually be spent before March 31, 1979.

"However, we believe the state budget is already woefully unbalanced with approximately \$1 billion in increased spending, coupled with a \$755 million reduction in states taxes. This adds up to a budget leeway of \$1.8 billion. Now the state plans to

tack on another couple hundred million dollars to that figure in new spending. How fiscally irresponsible can it get?" CPES asked.

"Has the tax revolt uprising in California fallen on deaf ears in New York? With California and many other states cutting taxes and spending it is high time New York got on the Ball headed in the same direction...Not take off in the other direction like a bunch of disoriented jackrabbits," said CPES.

"We strongly urge that the Governor's fiscal advisors go back to the drawing boards," the taxpayer organization said.

Israeli Folk Dancing

Come, join the widening circle of fast-steppers when Israeli Folk Dancing gets going at 8 p.m. on Tuesday nights beginning July 11 at Eisenhower Park near Parking Field No. 4.

Once again, the Nassau County Department of Recreation and Parks and B'nai B'rith Hillel, in cooperation with local Jewish agencies, bring Paul Shapiro, a

professional instructor, back to the Roller Rink to direct the popular folk dance series.

Couples, family groups and singles are welcome to dance or clap hands at rink-side. Folk-dance attire is optional. The free weekly program will continue through August 22. Further information may be obtained by calling 292-4121 weekdays between 9 a.m. and 4:45 p.m.

County Receives 18 National Awards

The National Association of Counties has cited 18 Nassau County programs for national achievement awards.

NACo President William O. Beach said the awards demonstrate the county's "special sensitivity to citizens needs and its efforts to strengthen county government." He added that the achievement award case studies are distributed by NACo to other counties to serve as examples of innovative programs.

NACo is a Washington, D.C. based organization which serves as the spokesman for more than 1,700 units of county government in the United States.

Nassau County Executive Francis T. Purcell said the national recognition for the

county programs "reflects the high caliber and dedication of the personnel in the various departments which administer the programs."

Selected for NACo Achievement Awards were, (by department):

Health Department - Industrial Waste Program, Drinking Water Contamination Investigation, Subdivision Approval Program, Food Establishment Inspection, Health Information and Referral Program, School Health Reporting System;

Criminal Justice Coordinating Council - Monitoring and Evaluation Project for Criminal Justice Programs;

Mental Health Department - Day Treatment for Psychiatric

At The Town Board Meeting

By Gerry Kahn

The initial hearing at the Town Board Meeting held on Tuesday June 27th referred to a law adapted by N.Y. State in 1976 relative to tax relief for commercial and industrial construction.

The law permitted any taxing authority to exempt up to 50 percent taxes over a 10 year period, reducing the exemption 5 percent per year to a zero exemption at the completion of the 10 years, this applied to real estate taxes only.

The law provided that this exemption was at the option of the local taxing authority.

The Town Board after a careful study of the merits of the law repealed it. The law was found to be inequitable to those businesses that have been in existence prior to the law and that the law was really not any serious inducement to new industry.

The second item on the calendar was a petition by Danson Restaurant Corp. and Bee Associates for a Special Use

Permit to use in a "G" Business District. A restaurant under 200 seats for a cabaret with music and dancing, in Hicksville (275 Old Country Rd.) The petitioner was represented by attorney Alan Tifford.

The restaurant, The Casbah, maintained a mid-eastern atmosphere and catered to the 30 year old, and up clientele. It features as its main form of entertainment belly dancing, which formed the major element of opposition by the neighboring community.

It appeared that the applicant had appeared before the Board on at least two previous occasions and that some of the requirements of the Board had still not been satisfied.

Mr. Elmer Leon, Mr. Cornelius McCourt and Mr. Valentine Kerbs spoke in opposition to the granting. Mrs. Virginia Uhlinger, a professional dancer suggested that the Board members see a "belly Dancer" in action and they would be able to determine the innocence and professionalism that makes the

dancing a form of family-type entertainment.

The fourth item on the agenda was a proposed amendment by the Boards own motion to change from "F" Bus District to "E" Res District at Plainview in s o Old Country Rd e o Orchard St.) This property, in the vicinity of the Fern Place School, would now become 2-Family Res rather than business.

Galileo Lodge No. 2253 had their request for the use of Broadway and Cherry St., Hicksville, as an archway, for their celebration of the Fifth Annual Italian Festival, approved. The event will be from July 11th thru 16th.

During the informal discussion that is held at the conclusion of the regular meeting, Judy Jacobs representing the So. Woodbury Taxpayers Assoc spoke relative to the signs at 800 Bldg in the Froelich Farms Ind Park and discussed in addition the foliage at the intersection of Picquets Lane and Kristi Lane in Woodbury.

The days business concluded at 12:40.

Letters To The Editor

Dear Editor:
Re: the relocation of T.O.P.I.C. House—My husband and I are Plainview residents and are vehemently opposed to the relocation of T.O.P.I.C. House, a drug rehabilitation center, from Mitchell Field to the Plainview Office Complex. We are opposed to this move for the following reasons:

- 1.) The Plainview Office Complex is within walking distance of five (5) schools, including a nursery school, two grade schools, a junior high and a high school.
- 2.) There is no security at the Plainview location and ingress and egress at the site is readily available by car or foot.
- 3.) The proposed utilization of the Plainview site would provide living quarters for approximately 75 T.O.P.I.C. House residents who would be supervised by only two individuals on a 24 hour basis.
- 4.) Many children walk across the Plainview Complex grounds on their way to and from the various schools and we, as parents, are afraid for our children in their influential setting.
- 5.) There are private residences only 200 feet from the Plainview Complex on Beatrice Lane.
- 6.) The residents of T.O.P.I.C. House are there in lieu of jail.
- 7.) While the Plainview Office Complex is situated on 146 acres, the property is in frontage, not depth, and it is easily accessible to Old Country Rd.
- 8.) T.O.P.I.C. House residents are on the Honor System and are free to come and go with a pass.
- 9.) Several years ago, a consulting firm was retained by Nassau County to consider potential uses for the Plainview Complex. One that was not recommended as viable was a drug rehabilitation center.
- 10.) There presently is an alcohol rehabilitation center and Hope for Youth located on the Plainview Complex grounds which would be incompatible with a drug rehabilitation center.

T.O.P.I.C. House presently is located in Trailers at Mitchell Field, however, they could be state licensed for use with no more refurbishing than at the Plainview Office Complex.

We understand now that T.O.P.I.C. House is getting ready to move to the Plainview Office Complex. The District Attorney's Office, which has been located there, has suddenly found the

Complex an inconvenient place to be located and is planning to move.

While the goals of T.O.P.I.C. House are not being disputed, the Plainview Office Complex is a potentially dangerous location for a drug rehabilitation center.

Sincerely,
Frances O'Hogan,
Plainview

To the Editor:
Voters were absolutely right in rejecting the Hicksville school budget on June 21st. The district will have only 7400 students in the 1978-79 school year, a drop of some 500 students over last year. Yet the voters were asked to approve a 1.2 MILLION DOLLAR increase in the budget which would raise the cost per student for the 1978-79 school year to \$3800, a rise of about \$300 per student. What an outrage! According to "Long Island" magazine (April 1978 issue) and contrary to claims of Hicksville educators, Hicksville IS NOT recognized as being desired for its education system by potential HOME BUYERS. However, of those education systems that are desired by home buyers in Nassau County, many spend FAR LESS per student per year than Hicksville. For example, in the 1978-79 school year Bellmore is desired and is proposing to spend \$3300 per student; Wantagh is desired and is proposing to spend \$3400 per student, and Massapequa is desired and is proposing to spend only \$2740 per student.

Yes, Hicksville voters were right in rejecting the budget — and they spoke with a loud voice in rejecting the budget by a 1000 vote majority. Sixty percent of the votes cast told the school board to: realign educational priorities, reduce spending, and cut taxes.

We hope the school board will listen. But, in my opinion board actions after previous budget defeats do not hold out promise that they will. Instead, voters will be bombarded with all kinds of dire predictions of educational calamities and with accusations designed to make those who voted "NO" feel guilty for the predicted calamities.

The board, biased towards education excesses, higher spending, and increased taxes is, unfortunately, in a position to make their dire predictions come true — shifting the blame from their shoulders to those of the taxpayers and voters.

There are many ways that cuts can be made and if the board wants help there are many taxpayers who will help them. Nevertheless the school board is charged with and must realign educational priorities, REDUCE SPENDING, AND CUT TAXES.

Finally, if a revote is contemplated by the school board, such a revote should NOT be held until the teacher's new contract costs are known to the taxpayers and are included in the REDUCED budget.

Sincerely,
Frank H. Willard

Dear Editor:
If California voters are indeed oppressed by excessive state local taxes, New Yorkers should not be voting on a proposition 13, but rather should be marching in armed formations on the state capitol and local city halls.

According to United States Census Bureau data, per capita state local taxes in New York in 1975-76 were \$1,140, eighteen per cent higher than the \$964 levied in California.

Californians surely have a right to complain when in a decade (1965-66 to 1975-76) their per capita state local tax bite soared \$669 (144.1%) compared to a United States average increase of \$441 (152.1%). In New York State, however, the increase was \$730 (178.0%).

One can easily understand the fury of California voters when in the one year between 1974-75 and 1975-76 their per-capita state local tax bite skyrocketed by \$95 compared to a national average of \$67. What then should be the reaction of New Yorkers whose per capita state local tax assessment increased in that one year by \$115?

It was not always thus. New York was not always the leader in the state local tax parade. As late as fiscal 1964-65 the state local tax levy in California was \$379 compared to \$372 in New York and a national average of \$266.

In truth, New York taxpayers appear to have more patience with and tolerance of their profligate lawmakers than do Californians. But for how much longer, oh, Lord?

Very truly yours,
Joseph Trerotola,
President
Teamsters Joint
Council 15.

Tax Revolt Petition Drive Gaining Momentum

After only one week the Taxpayers Union of Long Island, Inc. announces that it has already obtained 10,000 signatures in their Tax Revolt campaign and the momentum is increasing.

"Wherever we man a petition signing spot, there's practically a stampede of irate taxpayers wanting to sign their names in protest against the tax levying legislators and bureaucrats. 99 out of 100 are signing. It's like a Holy War. It's the same type of feeling that existed at the outbreak of

World War II. These are the same types of American Citizens who all rallied to the defense of their Nation when Pearl Harbor was attacked. Instead of rallying to the recruiting booths and induction centers, the people of today are flocking to the TAX REVOLT petition spots which are cropping up all over Long Island at numerous shopping centers," said a Taxpayers Union spokesperson. Letters and phone calls are pouring in at the Taxpayers Union Headquarters at a furious clip. The Organization now has

about 50 volunteer workers, but states that they could use at least 200 more people to assist in their Drive.

Besides their regular office in Seaford which was donated by a South Shore businessman, they today opened a new store-front Headquarters at 4280 Hicksville Road in Bethpage. This was also donated by another over-taxed property owner.

"If interested in doing volunteer work, please call 785-4454," said their spokesperson.

A Dual Approach To Solid Waste Disposal Problem

By TOB Supervisor Joseph Colby

Oyster Bay has taken some significant steps recently in the further development of the Town's solid waste management system.

You may recall my having mentioned that the Town last year advertised a resource recovery Request for Qualifications, a solicitation to all interested firms to advise the Town of their availability and willingness to construct a resource and energy recovery system to serve Oyster Bay's needs, and to provide some basic information concerning their abilities in this field. That advertisement brought a strong response.

Our Department of Public Works and its consultants carefully examined these returns and evaluated a comprehensive and detailed report submitted by the citizens advisory committee I created last spring to examine solid waste management options. As a result, we are now proceeding with the development of a Re-

quest for Proposals, a formal bidding specification, for a resource recovery facility and we are also undertaking a broad study of solid waste management alternatives. The purpose of this dual approach is to assure that the plan ultimately adopted will provide the most practical and economically feasible means of disposing of Oyster Bay's solid waste in an environmentally sound manner.

The establishment of basic parameters of the Request for Proposals and the overall study has not stopped Town officials from examining new information and new concepts. To the contrary, our Public Works Department continues to review new information as it becomes available and, based on the facts, determines whether it should be considered as an option in our planning process.

A case in point involves the recently announced intention of the Port Authority of New York and

New Jersey to get into the resource recovery business and the Port's announcement that it is seeking to secure commitments on the delivery of burnable solid waste.

Shortly after learning of this, I wrote to the Port's Executive Director, Peter Goldmark. As a result, Town and Port officials met last week and have begun the process of mutual exploration of facts that will determine whether the Port's plans might be considered by the Town as a solid waste management option. While no definitive judgement can be made as a result of last week's initial meeting, our discussion with the Port clearly reflects the fact that Oyster Bay hasn't closed any doors to potential solutions and that we are serious in our careful exploration of possible solid waste management options.

Interceptors In Hicksville And Jericho

County Executive Francis T. Purcell has awarded an \$9,855,035 contract to Davis Construction Corp., Hicksville, for construction of a 25,000 foot-long interceptor in Hicksville and Jericho. Davis was the lowest of five bidders.

The contract, designated INT 122, runs from Newbridge Road and Levittown Parkway, Hicksville, northerly along Brittle Lane, Grape Lane, Levittown Parkway, Arcadia Lane, Charlotte Avenue, Kuhl

Avenue, Gardiner Avenue, Rockland Drive, Fulton Place, Richmond Avenue, Essex Place, Key Place, Schoharie Drive, and Glen Cove Road to Old Jericho Turnpike.

Only two more interceptor contracts remain to be awarded in Disposal District No. 3 - one on which bids were opened June 15 and are now being studied, the other scheduled for bidding in October. Slightly more than half of the lateral contracts have been awarded.

Ballfield Eliminated

By Linda Strongin

The Hicksville Board of Education voted last week to eliminate Lee Avenue softball field number one and use the area for soccer and lacrosse. Although it will mean less playing fields for local baseball organizations, Mr. William Becker, Director of Buildings and Grounds, felt it would be possible to reschedule games among the remaining twenty-six diamonds.

The Board tabled a motion concerning senior high ball field number one that called for erecting a 4-foot high fence approximately 175 feet at each foul line; providing additional screening at the backstop; and repairing the existing fence.

Residents on Boulevard Drive were in disagreement with the recommendation proposed by Athletic Director Richard Hogan and Mr. Becker. The residents felt the ballfield could be moved. Mr. Hogan, however, said such a move would interfere with his athletic program. Vice President John Ayres stated that "money should not be thrown away" on the proposed recommendations.

President Tom Nagle pointed out that the Board "did not want to spend money unnecessarily." He stated that "your solution may not be the same as the Board's." He also pointed out that if the Board took no action at this time, there could be no implementation of any solution for

two weeks. Mr. Nagle suggested that the residents meet with Mr. Hogan to further discuss the situation and hopefully arrive at a possible solution.

The Board approved an elementary school health curriculum project for grade 4 at Dutch Lane School. Trustee Neil McCormack questioned why the project "was not being implemented at all the schools." Assistant Superintendent Dr. Clancy stated that staff members attend a training conference on a volunteer basis at no cost to the district. These people can then train other district personnel. "We can then accelerate if we find the program to be successful," added Dr. Clancy.

Trustee Bill Bennett also added that "it was a worthwhile pilot project and if successful, it can be implemented in other schools."

The Board approved the termination of twenty-one teachers because the positions were in excess.

The Board also approved routine expenses; salary adjustments; summer administrative work for secondary schools and coordinator for special education; and renewed a window glass contract.

A re-organization meeting is scheduled for July 5.

Our Lady Of Mercy School Graduation

The month of June has been a busy one for everyone at Our Lady of Mercy School, but particularly for the eighth graders. First, there was the annual retreat, a time of physical, mental, and, particularly, spiritual renewal. This was followed by the class trip to Rye Beach Playland, where a good time was had by all.

On Wednesday, June 14, a special Pennance Service was held, followed by the eighth grade graduation party. The service was touching and very impressive. Catherine DeSalvo, Claire Walsh, and Dara Viapiano had a slide presentation. Richard Zehner and Alicia Oblaj gave the readings. Father Boesel the Pastor, spoke of Christ as the Light of the World, and reminded the graduates of their commitment to be imitators of Christ.

At the dinner party that followed in the school auditorium, Marianne Traynor and William Foulkes and Michael Hunt gave the keynote addresses. The class presented Sister Kathleen, principal, Mrs. Rae, secretary, and all the eighth grade teachers with nosegays and stick pins. Father Boesel was presented with a silver pen and

pencil set. The school received a thousand dollar donation from the graduating class. This money has been amassed from the proceeds from a fashion show, a play (Memories), and a square dance, all put on by the eighth grade this year. After dinner and the presentations, a dance followed, and, again, a good time was had by all.

On Friday, June 16, eighty-six boys and girls were graduated from Our Lady of Mercy School. As usual, it was a time of great pride and joy, mixed with sadness and apprehension -- sadness at leaving their school and apprehension about things to come. Of course, there was much happy anticipation, too, with the youngsters looking forward to being high school students.

The readers at the graduation ceremony were Denise Black, Thomas Bowler, Kenneth Bresnan, Peter Laches, Catherine Strowbridge, and Jasmina Wolny. Father Boesel, in his homily, posed the question "Where will you stand when tempted?"

We heartily congratulate all the graduates, their parents and teachers.

Hicksville American Soccer Club

Despite the fact that most of the 22 travelling teams are finished their league play for the spring season, the club still had a very busy week-end. Pete Paena and his under 16 boys brought in the league championship by defeating Massapequa 2-1 in a play-off game for the top spot. The teams had finished the regular season tied for 1st place and had met twice during the regular season - each winning one game. The rubber match was played at a neutral site (North Babylon and Hicksville

prevailed despite several injuries. Congratulations to coach Baena and his boys. This is the 6th first place finish for the club with two more yet to be decided (Steve Floria - boys under 10 and Kevin Shannon - girls under 10). Several Teams were also involved in outdoor tournaments last weekend in Willingboro, N.J. and Cow Harbor, L.I. and the under 19 girls won a big regional cup game to become State champs.

Hamburg Savings Bank Celebrates Anniversary

The Hamburg Savings Bank at 249 North Broadway (next to Sears, in Hicksville, on Route 107), will celebrate its first anniversary with an open house July 1, thru July 8th. Visitors will receive free (without obligation - while the supply lasts) a first anniversary memento, refreshments daily to 1 P. M. and goodies for the children.

The Hicksville office full service banking hours are:
Monday to Thursday 9 A. M. to 3 P. M., Fridays 9 A. M. to 8 P. M. and Saturdays 10 A. M. to 3 P. M.

Fast Auto Teller Service is available daily to 6 P. M., Fridays to 8 P. M. and Saturdays to 3 P. M.

The Hamburg Savings Bank was founded in March 1906 at 250 Bleecker St. in the Ridgewood section of Brooklyn.

The bank was the brain-child of James Moffett who recognized the need for banking services for the flux of newcomers who began to settle in Ridgewood and along the streets running north from Bushwick Avenue which had just been paved.

Moffett brought together a group of well-known business and professional men in the neighborhood to discuss the organization of a bank that would serve and grow with the promising community.

Early in 1905, an application was made to the Superintendent of Banks for a charter. Since the proposed location for the new bank was near Hamburg Avenue (now Wilson Avenue), it was decided to name it the Hamburg Savings Bank. The charter was granted in late December of 1905, and immediately upon receipt of the charter the first officers of the bank were elected. They included James Moffett as President and David Engel, First Vice President.

The Bank's first office was opened on March 10, 1906, in a small store at 250 Bleecker St. On its first day of business the new institution took in \$4,295.40 in deposits and opened 81 accounts. From such little acorns do mighty oak trees grow. And from that day, Hamburg Savings Bank has continued to offer every savings bank service to its hundreds of thousands of satisfied customers.

More expansion was on the agenda in the 1930's. In 1932, Hamburg Savings Bank opened its first branch office at Fulton and Crescent Streets. It was known as the Cypress Hills Office. At that time, the bank had 30,623 depositors and resources of eighteen million dollars. Fourteen years later, the Board of Trustees realized the need for modern savings bank services at the busy traffic junction in Ridgewood. Accordingly, a six-story office building, located at the corner of Wyckoff and Gates Avenue, was purchased and opened for business on December 14, 1946, in the first flush of the postwar boom. Bank depositors at that time numbered more than 95,000 and resources exceeded eighty million dollars.

By 1950, the bank passed a milestone of development: more than \$100 million in assets and such services as Christmas Club accounts, packaged savings plans, mortgage loans, banking by mail, savings bank life insurance and money orders, travelers' checks, foreign remittance, U. S. Savings Bonds and safe deposit facilities.

Even with this steady growth rate, not even the bank's most optimistic friends could have foreseen that within five years, in 1955, on the eve of the bank's Golden Anniversary, an enlarged

and completely modernized Cypress Hills office would be reopened to the public. A special quick deposit window for drive-in customers and a sidewalk teller window for pedestrians had been installed, and total resources were zooming past the \$150 million mark.

The Hamburg Savings Bank has assets over \$700 million.

HIX. SOCCER

(Continued from Page 6)

Kevin Shannon, played a very exciting regional cup match early Saturday morning and defeated Northport 2-1 to become New York State Champions. Two weeks ago in their last regular season game, our girls lost a match to Northport by the same 2-1 score so the girls were really 'up' for this one. These two very strong teams have still got to meet each other again in a play-off game for 1st place in the L.I. league but as of now, Hicksville has won two out of three games with Northport this season. They

now have to face a team from Massachusetts for the East Coast championship. Congratulations go to: Sandy Brunder, Patty & Diane Conway, Patty Decker, Karen & Kathy Dolan, Cathy Eichler, Karen Jung, Jeanne O'Shea, Fran Panetta, Miriam Pepi, Patty Rogers, Kathy Scheidel, Sue Stafford, Tricia Valle Janine Vassler and coach Shannon.

WILLINGBORO

Two teams travelled to New Jersey for the annual Willingboro tournament and did extremely well. The under 17 boys, coached by Angelo Lozito, breezed through and won all their games and the tournament. Two weeks ago, this very strong team travelled to Williamsburg, Virginia and also won that tournament by again defeating the Annandale Select team in the finals. They also won their league title and went all the way to the East Coast finals in the regional cup competition while playing in an older division (under 19). Coach Lozito and his boys have done a tremendous job this year: Don Anglin, Dennis Barcavage, Mike Bell, Tony Cerasi, Mike Collins, Bob Dash, Bill Gunther, Mike Humphreys, Jack

Jablonski, Tony Luongo, Alex Sakk, Jack Shannon, Steve Solaski, Norm Stafford, Rick Steinbach and Erik Van der Walden.

The under 14 girls, coached by Pat Harkins, also performed well and took second place in their age group winning two games (Willingboro 2-0 and Delran 3-2) and losing only to the tournament champion Bowie, Maryland. The girls had a great time and were given red carpet treatment by their hosts from Delran, New Jersey. Coach Harkins and his girls had a really great weekend: Danna Berk, Maryann Carroll, Maureen Collins, Kathy Conway, Jenny Hahn, Denise Harkins, Terry Frattini, Patrice Kenny, Lisa Geveda, Janice Lane, Judy Laurelton, Debbie Luongo, Donna Richards, Roseann Schubert and Diana Taylor.

BOYS UNDER 13

The 1965 boys, coached by Pat McHugh and John Mitchell, played the toughest and best game of the season against first place North Babylon who were unbeaten and untied all season - and they very nearly pulled off the upset of the year. It was an exciting, well fought match and once again, the boys proved that

they can play good soccer. What they've had trouble doing is playing good, consistent soccer. Hicksville had the lead 2-1 late in the second half when North Babylon got a breakaway and put one in the tie the score. The game ended in a 2-2 tie which is the closest anyone had come to North Babylon this season. Handling the goalkeeping duties for McHugh & Mitchell as they have all season were Robby Pearce and Gene Tyranski and the fullbacks were Bobby Cullen, Cliff Feldman, Kevin Cahalan and Vinny Christiano. The midfielders were Steve Dolan, Jimmy Demarco & Glen Zalkian and the front line was John Mitchell, Bobby Andrus, John McCann, Phil Ridgway and Adrian Pepi.

COW HARBOR

Three of the Club's teams went out east to the Cow Harbor Tournament last weekend and one came home with a championship. Joe Neto (boys under 9) took 1st place while Shielia O'Leary and Madeline Mitchell (girls under 12) and Harry Habersaat and Walt Karlewicz (boys under 11) did not fare as well; but had a good time on a beautiful weekend for soccer.

Goldman Brothers defeated Malvese 8-5. Steve Massaro and Bill Cardone each went 2 for 4 including a double and 2 RBI's. Brent Harrison was 2 for 3 with one RBI and Bob Goode was 2 for 4 with 1 RBI. Chris Fiume pitched 5 innings and struck out 7. Brian Rankel pitched 2 scoreless innings in relief. Steve Massaro made 3 good catches in center

field. The team stole 20 bases in the game.

Brian Rankel pitched a 1 hitter as Goldman Brothers defeated Long Island Bank 12-1. Rankel had 9 strikeouts and scattered 4 walks. Brent Harrison was 4 for 4 including 2 doubles and 4 RBI's. Billy Cardone went 4 for 4 including a triple and 3 RBI's. Steve Massaro was 3 for 3 including a double and 1 RBI and Bob Goode was 2 for 4 with 1 RBI. The defense was led by Brent Harrison with 3 fantastic catches in left field and Chris Fiume with some fine plays at shortstop.

Goldman Brothers beat British International Motors 20-3 in a complete team effort. The attack was led by Brian Rankel (4 for 4 win and 5 RBI's), Brent Harrison (2 for 2 and 3 RBI's), Steve Massaro (3 for 4 including a homerun to the opposite field) and Billy Cardone (3 for 4 including a double.) Mike Ferrado got on base 3 out of 4 times and Mike Lastihenos got 2 out of 4 times. Brent Harrison pitched 3 2/3 scoreless innings in relief, stopping a rally by striking out 2 with the bases loaded. Brian

Rankel and Chris Fiume each pitched 1 scoreless inning.

Long Island Bank defeated Malvese 4 to 1 on a fine pitching performance by Brian Murphy. Murphy pitched 6 shutout innings while getting 5 strikeouts and giving up only 2 hits. Don Wetzel was the hitting and defensive star. Watzel went 1 for 2 with 2 RBI's. He also turned in some outstanding fielding plays in the outfield. The team stole 10 bases.

AA League

As the season begins to wind down, W.E.O. heads for the playoffs with 2 wins against Goldman Bros., and L.I.C. In the victory over Goldman, pitching by Dennis Kenefick, and Matt Vescovo stopped Goldman for 9 runs, and 11 strikeouts between them. Hitting by Dennis Kenefick, John Hawkins, Timmy DaCosta, Mike Martello, Paul Valente, Mike Fungeld, and Tommy Goettelmann stomped Goldman pitching for 19 runs. Fielding by Matt Vescovo, Anthony Puglisi, and Timmy DaCosta stopped Goldman. In the Victory of W.E.O. over L.I.C., pitching by Dean Lagatutta and Dennis Kenefick held the opponent to 9 runs, and had 6 strikeouts between them.

Hitting by Dennis Kenefick with a grand-slam in the 5th inning. Tommy Goettelmann, Dean Lagatutta, Timmy DaCosta, Mike Fungeld, and John Hawkins provided the runs. Great team effort in fielding hard hit balls.

For L.I.C., pitching by Steve Colaio, and Tommy Morgan was not enough to hold W.E.O. bats. L.I.C.'s bats were explosive with Steve Colaio hitting his 6th homer of the season, with more runs by Tommy Morgan, Brian Mitkowski, and Kelly Halstead. Fielding by Neil McTegue, and Henry Schaeffer was brilliant.

Goldman Bros. also defeated L.I.C. by a score of 11-10 in a squeaker.

For L.I.C., strong pitching by Steve Colaio, and Tommy Morgan. Hitting by Henry Schaeffer, with a home-run, Bob McCraw, Paul Fox, Brian Mitkowski, Neil McTegue, and Kelley Halstead. A great catch by Mike Ronney, and good fielding by the entire team.

A League

Circle Texaco won the first half by defeating Robert Chevrolet in the first half playoff by a score of 14-2, and are on their way to a Little League championship. Fabulous pitching by Russ Losito, and John Fabrizio held a

tough Robert Chevrolet to just 2 runs. Tremendous hitting by Billy Sullivan, Mike Fleming, and Stephen Noone. Great Fielding by Mike Magaris, Roy Watson, Chris Kiernan.

Robert Chevrolet does not stop winning as they defeated V.F.W. by a romp of 15-3 for Robert Chevrolet, pitching by Matt Knapp, and John Blauvelth held an improved V.F.W. to just 3 runs. Matt Knapp helped his own cause by slamming a grand-slammer, and John Rennetsen went 2 for 4, and Jim Reardon also hit a grand slam in the same inning.

Jim Reardon made his catching debut and did his job fine.

By Nancy Autolino

Major League

Iannones Restaurant captured first place in the Majors Division with a 19 to 5 win over G.G.G. Construction. The team was led by the strong pitching of Dennis Woessner, who had 11 strikeouts in 5 innings, and Bobby Russo, who pitched a fine inning in relief. Iannones continued with their strong hitting collecting 13 hits. John Autolino led with 4 for 5, Pete Urso had 3 for 3 and Bobby Russo collected 2 hits. Ken Frers, Jimmy Hoosack and Marcello Kopcow were standouts on defense.

PONY LEAGUE
The Hicksville Lions Club continued to road through the H.B.A. Pony League by having another fine week. Eddie Conklin, with some fine pitching and a big triple, helped the club this week. Albert DeStefano, just back after having the chicken pox, help out defensively. Welcome back Albert.

Stevens Wedding Center had a tough week by losing two games but are still within striking distance of first place. Steve Alliger made a great defensive stop at third base to throw out a runner at first.

Harbor Distributors was led this week by Anthony Messina doing a great job pitching, hitting and playing outfield. It was good to see Ethan Linden back in uniform after a two-game absence.

Empire Storage slipped a little this week, but Anthony Sullo gave the fans a treat by hitting a long home run over the heads of the outfielders. Congratulations Anthony.

Antuns received a one-two punch this week from Arthur Angelo and Raymond Cordero to win Saturday's game and keep in the running for the playoffs.

Pennysaver, having difficulties this year, had the player of the week. Kevin Boody became the first player this year to hit a ball over the Pony field fence. Congratulations Kevin.

COLT LEAGUE
Monday started a new week of baseball with the Maroon Team defeating Walter Donaldson VW 5-1 behind the strong pitching of Don Michalak.

Tuesday's game saw Long Island Bank defeat Murants 6-3. Paul Yanopolus and Jim Botta had key hits in the win. In the second game, National Bank of North America kept pace with Long Island Bank by knocking off the Red Team 6-2, behind the pitching of Scott Morck and Joe Sarandrea. Thomas Healy drove in two runs with a clutch bases-loaded single.

On Wednesday, Long Island Bank continued in first place defeating the Red Team 7-0.

In Thursday's first game, National Bank of North America's attempt to over take the first place team was stalled by Murants. Craig Kopetz, Steve Errick and John Harran combined for a no-hitter - Murants winning 5-4. In the second contest, Rick Solosky went all the way for Walter Donaldson VW picking up a 6-3 win over the Red Team.

Saturday brought beautiful baseball weather and a full schedule. All of Saturday's games were of great importance to each team as the Colt season approaches the wire. At the conclusion of play, the fight for first place and the remaining playoff spots really tightened up. In the first game, Al Green's Maroon Team, behind the fine pitching of Mike Grippo, blanked the Red Team 5-0. Don Michalak did an excellent job of handling the team in Al's absence. The second game saw Walter Donaldson VW halt Murants' move on first place handing them a 5-4 loss. The final game of the day brought the first and second place teams together. In a real squeaker, National Bank of North America moved a game closer to Long Island Bank by defeating them 4-3. Joe Sarandrea and Thomas Healy combined for the win. Mike Malle and Scott Morck had the big hits for the winners.

Happy Birthday to Scott O'Callaghan, Abbot Lane, HICKSVILLE. He celebrated on June 22.

Things have been buzzing at the Zettler household. In addition to Chris' receiving her Master of Education Degree from Springfield College, Jo and Jerry celebrated their 35th wedding anniversary on May 8 with a trip to New Hampshire. The trip was made with their good friends, Grace and Stan Beresk, also of HICKSVILLE, who were married on the same day. They have celebrated the occasion together for 35 years. Jerry has recovered from his heart attack of a year ago and is back in circulation again. Last month he was installed as Commander of the Manhasset Bay Squadron of the United States Power Squadrons.

Juan Carlos Compres, of Old Country Rd., HICKSVILLE celebrated his birthday on June 12. Happy birthday, Juan.

Mr. and Mrs. Mark Wilkenschoff of Columbia South Carolina, are the proud parents of a son, David Mark, born on Feb. 15. Mrs. Wilkenschoff is the former Vikki Rakowski. Both parents are Hicksville High School graduates. Proud Grandparents are Mr. and Mrs. Edward Wilkenschoff, and Mr. and Mrs. Joseph Rakowski, all residents of HICKSVILLE.

Birthday greetings go to Christopher Blake, of Rim Lane, HICKSVILLE, who had a birthday on June 15.

Glenn Donlon of 6th St., HICKSVILLE, celebrated his 10th birthday on June 17. Happy birthday, Glenn.

Leonard Fuchs of Lex Ave., PLAINVIEW, has been named recently to a national Cub Scout Literature and Communications Committee.

Happy birthday to Diane Frey, daughter of Fred and Claire Frey, Deer Lane, HICKSVILLE, who celebrates this week.

Mr. and Mrs. Alfred Patlock of HICKSVILLE have announced the forth-coming marriage of their daughter, Gail, to John Wootton, on July 8 at St. Ignatius R.C. Church.

Following the ceremony, a reception for family and friends will be held at the Swan Club, Glenwood Landing in Roslyn.

The couple will honeymoon in Hawaii. Congratulations and best wishes.

Enjoying a large get-together of their kin and old friends and neighbors to celebrate their fortieth wedding anniversary are Tom and Rhea Riley of Hicksville. At the Knights of Columbus Hall, recently, for a party provided by their children are (left to right): Mr. and Mrs. Tom Gallahue; Rhea and Tom Riley and Monsignor Vincent Margiotta, their former pastor. (Photo by Dick Evers).

Six-year-old Danny Nevins recently graduated from Carousel Kindergarten in Hicksville. Danny will start First Grade at St. Ignatius Loyola School this fall. His dotting parents are Susan and Jimmy Nevins of Hicksville.

Eileen and Joe Cannon's daughter, Denise, made her Confirmation on June 11 at St. Paul's R.C. Church. Denise is 14 years old and has three sisters: Kathleen, Mary Ellen and Patricia.

Patricia Becker was inducted into the Honor Society at Hicksville Jr. H.S. Her parents, Bob and Ann Becker, are proud of her scholastic achievement. Nice work, Pat.

Helen Hendrickson was 79 years old on June 9. Mrs. Hendrickson spent the weekend at her daughter, Helen, and son-in-law, Cliff Henderson's home in Hicksville. Her grandchildren were also present for a family party which was held to honor this occasion. Mrs. Hendrickson is proud of the fact that she is Nassau "born and bred." Congratulations to you.

Dianne Lynch's fine academic efforts earned her the reward of being made a member of the Honor Society at Hicksville Jr. H.S. Pat and Charles Lynch are pleased with their daughter's accomplishment.

June 17 was a special day for our local octogenarian, Ida Mae Herfurth. Ida Mae was 81 years old that day and is still perky, peppy and popular. Her two sons, Harry and Raymond, their wives and four grandchildren, helped her celebrate. Her one grandson, Raymond, graduated Lutheran H.S. on the same day so it was a double celebration for the family to enjoy.

It was the thirty-third wedding anniversary for Kathleen and Joseph Hecker of Hicksville. The Heckers are long-time residents of Hicksville, and their children attended the local schools. Much happiness is wished your way, folks, and may you enjoy at least another thirty-three years of bliss together.

Congratulations to Millie Reichert and Harold McClure who were recently married. Harold presented Millie with a beautiful pear-shaped diamond engagement ring and matching wedding band on their wedding day. Both are long-time Hicksville residents, and they met at the Hicksville Nutrition Site.

Kathleen Anne Janca and Jeffrey Craig Felton were married on June 16 at 5:30 p.m. in St. Martha's Church, Sarasota, Florida.

The bride is the daughter of Mr. and Mrs. Joseph Janca, formerly of Hicksville. Mr. and Mrs. Edward Felton of Jacksonville, Florida are the parents of the groom.

Jan Tipton of Jacksonville was the Matron of Honor. The bridesmaids were Marianne Sebastian of Fort Lauderdale, Jill Kress of Gaithersburg, Maryland, and Christine Bleddyn of Orlando. Flower girl was Julie Felton, niece of the groom.

John Moran of Jacksonville was Best Man. The groomsmen were Randy Felton of Tallahassee, brother of the groom, James Crotty of Versailles, Kentucky and Michael Birmingham of Jacksonville.

The couple will reside in Fort Lauderdale, Florida.

The Giordanos, Joe and Grace, recently returned from two glorious weeks in Hawaii. They visited many of the local sites of interest, sugar and pineapple plantations, many of the different islands and saw Pearl Harbor and the memorials. Joe said they brought home some souvenirs; but the one he really wanted (a hula girl), Grace made him give back.

Birthdays galore in the Clark family of Hicksville. Tom (T. O. B. Councilman) and his lovely wife Corinne's daughter, Claudette, was 12 years old on June 29. Tom's brother Phil, and

Copeland-Levens

Mr. and Mrs. Hugh Montgomery Copeland III of Williamsville, N.Y. and Mrs. Leo H. Levens of Hicksville, have announced the marriage of their children, Deborah J. Copeland to Bruce Chase Levens on June 10 at the Arboretum at Wellesley College.

A reception was held following the ceremony at the Wellesley College Club in Wellesley, Mass.

Pamela R. Copeland was Maid of Honor for her sister. Paul H. Shizume was the Best Man.

The bride graduated from Wellesley and is a research immunologist at The Sidney Farber Cancer Center of the Harvard Medical School.

Her husband, who recently received a M.S. in electrical engineering from the Massachusetts Institute of Technology is with Lincoln Laboratories in Lexington, Mass.

The bride's father is a chemical engineer with Spaulding Fibre Co. in Tonawanda, N.Y.

The groom's late father was chief engineer with The American Foundation For The Blind. His maternal grandparents were Mr. and Mrs. Morris L. Dobrin. His paternal grandparents were Dr. Helen C. Levens and Dr. A. D. Levens of New York.

his sister Louise, share the Fourth of July for their birthdays. They were born the same day, but one year apart. The celebration of these three birthdays is cause for the annual family party each year. There are usually thirty members of the family who attend this festivity and we heard there's plenty of food, libations and merriment.

Hicksvillites, Marilyn and Ed Humphreys, were married 27 years on June 24. Their six children who helped them commemorate this happy occasion are: Virginia, Donna, James, Jeffrey, Greg and Gerard. Congratulations, folks.

On June 25, pretty, perky Terri Rennett was 14 years old. Terri, who attends Hicksville Jr. H.S., is a devotee of the horses—that is to say, she attends a riding school on the North Shore each week and has become an accomplished horseback rider. Terri would love to have been given a horse as a birthday present, but her parents wisely said no. Seems there's not enough room in the tool shed to hold a horse. As a consolation gift, Terri spent a week up in the country where she can ride horses every day. Happy birthday, Terri.

That huge sign hanging from the house on West Nicholas Street read, "Welcome home, Joe. Forever." Patti Fischer, Joe Cipriani's fiancée, hung the sign to welcome Joe home from Italy where he has been attending medical school. Joe will stay with his parents in Garden City until Patti and he are married this October. The happy couple will reside in Italy after their marriage until Joe finishes his medical training.

Out-of-towners, Dolores and Wally Smith, are now residing in Iran. Dolores and Wally still maintain their home in Hicksville, but Wally is on a two-year assignment in Iran for the New York Telephone Company. Dolores said the culture in Iran is very different from what she has been accustomed to, and she's had to learn patience. Both she and Wally are enjoying this opportunity to be part of a different environment and are learning from the experience.

Happy anniversary to Lil and Frank Molonari of Hicksville who celebrated their 39th wedding anniversary on June 10. Lil and Frank are the parents of John and Frank, Jr. John, his wife, Barbara, and their 14-year old daughter Donna, live in Florida. Frank, Jr. and his wife, Judy live in Ridge, Suffolk County. Best wishes to many more happy years together, Lil and Frank.

MEETING THE PRESIDENT: Oyster Bay Town Supervisor chats with newly installed President of the Old Bethpage Senior Citizen Club

Recent visitors to sunny Florida were Grace and Artie Decker of Hicksville. The Deckers flew to Florida. They then rented a car and toured Florida and other states while enroute to visit Grace's sister, Sue Tunell, who lives in Auburn, Alabama. They had a marvelous time, and thoroughly enjoyed visiting the headquarters of Ringling Brothers Circus in Ft.

Former Hicksvillite, Jennifer O'Brien, was two years old on June 19. Her parents, Jeffrey and Inez, both are graduates of Hicksville H. S. This lovely family now resides in Suffolk County.

Pauline and Joe Sweizer's daughter, Karen, graduated from Hicksville H. S. June 25. Karen plans to attend Nassau Community College this fall. We heard she is quite an artist. This is causing Karen a dichotomy in her career selection because she will be taking a secretarial course, but her real love is art. We are confident you will make the right decision, Karen.

Another recent graduate from High School is Maureen Hecker. Maureen graduated from Queen of the Rosary Academy. She lives with her parents in Hicksville. Good luck in your future endeavors, Maureen.

Congratulations, Frank Griffin. Frank just graduated from St. John's Law School and is now studying for the Bar Examinations. Incidentally, Frank is the grandfather of three lovely grandchildren, and he works at Family Court in Westbury. This Hicksville resident is a study of perseverance and ambition.

Jean Jackson (Jr.) is spending the summer with her family in Hicksville. Jean will be returning this fall to Florida Tech, where she's majoring in accounting. Her sister, Anne, will attend Albany State College this fall where she will major in sociology. Anne has completed two years at Nassau Community College. Not to be left out, their younger brother, Bobby, is a member of the Colts (a Hicksville baseball team) and is quite an athlete. Success, kids.

A June graduate of Nassau Community College with an Associates degree in secretarial science was Nora Brennan. Her parents, Helen and John, are proud of their daughter and pleased that she will use her education to become a legal secretary.

CUMMINGS 'N GOINGS

By Jim Cummings

WE HEAR THAT: the President has proposed legislation to eliminate preference for veterans for retired field-grade officers and limit it to three years for veterans retiring after 20 years of service. Mr. Carter said, however, he supports making veterans preference available for one time use for a full 15 years after discharge - these views were outlined in a letter to the Chairman of the House Civil Service Committee. . . . Meanwhile up in Albany, Governor Carey vetoed two bills last week that would have restored personal

Galileo Lodge News

By Joe Lorenzo

Mr. and Mrs. Carl Melluso of the Galileo Lodge are beaming with pride these days. Their son, Christopher, has received a \$250 Regents Scholarship Award which encompasses a period of 5 years. He is a member of the National Honor Society and also recipient of the Rotary Club Scholarship Award of \$600. Christopher is a graduate of the Hicksville High School and this Fall he will attend Wilmington College where he will pursue studies in Pre-Veterinarian Medicine. Another honor

bestowed upon him is a \$3000 grant from this institution for a period of 4 years. The Galileo Lodge extends its best wishes and congratulations to young Christopher and his fine family.

On August 6th, the Galileo Lodge will hold its annual Picnic and Bocci Tournament. This event will feature outdoor cooking and such items to be served are barbecued hot dogs and hamburgers, beer and soda, etc. The locale and admission fee for this tournament will be an-

nounced in a later column, but the fee will be a low one - which is consistent with the Lodge's policy of giving its members the most for the least amount of money.

Lodge reports reveal that more dates for future golf tournaments are being decided upon. The last golfing session, as we had mentioned, was a complete social success and this prompted the organization to hold a few more. The dates and time for these sessions will be announced in

later columns.

On July 6th, the Galileo Lodge will hold a special Feast Committee meeting. This will be a very important meeting in that all aspects associated with the mechanics of running a feast - availability of manpower, location of stands, games, amusements, etc. - will be discussed. All members, male and female, are urged to attend. To be discussed also will be the protracted period of the feast and the characteristics of its operation, which are certainly parts of its demanding and grueling nature. But, in the final analysis, one can say that it takes people with their untiring and ceaseless efforts to insure the success of such an event. An added note here is that this feast will be worked mainly by Lodge

personnel and that all help will be greatly appreciated. There will also be no outside interests, and this means that this feast will adhere as close as possible to a real old fashioned ones. There will be no rides and the dates for this feast will be from July 28 to the 30th.

The Wedding Service

The Wedding Service is a unique concept. You can plan for that "special day" by going to one place...Korvettes, Hicksville, in the Mid Island Shopping Plaza. They offer convenient shopping hours for they are open daily including Saturdays from 10 a.m. to 9:30 p.m. and on Sundays from 11 a.m. to 5 p.m.

They offer wedding gowns, designed by leading designers, featuring all the newest styles for the bride and her bridal party. They also have custom alterations.

Invitations can be ordered from an elegantly styled wedding line, and they offer custom-made bridal dolls and accessories as wedding favors.

There is a line of tuxedos in the latest style and colors, all suits from all manufacturers at low rentals.

A complete custom flower service is provided with personal attention to every detail, and flowers are by Blossom Heath Gardens.

Music is provided by the Steve Lane Music Co. and photography is by Delmar Studios.

There is a choice of limousines from late model black and white Cadillacs to Rolls Royces and Antique Cars.

The Wedding Service, "where experts make your dreams come true," can make planning for that special day an absolute joy.

In an industry where excessive costs are the rule and nothing is guaranteed, The Wedding Service has relatively low charges for their many services and a Department Store reliability. Perhaps their best recommendation is their pleased customers, who are always referring their relatives and friends to this fine service.

LEGAL NOTICE

PUBLIC NOTICE
PLEASE TAKE NOTICE, That pursuant to law, a public hearing will be held in the Hearing Room of the Town Hall, Audrey Avenue, Oyster Bay, Nassau County, New York, on the 18th day of July, 1978, at 10 o'clock a.m., prevailing time, or as soon thereafter as practicable, to consider the following amendments to the Code of Ordinances of the Town of Oyster Bay, New York, as amended:

AMEND: Appendix A, Building Zone Ordinance of the Town of Oyster Bay, by adding the following definitions to Section 1 thereof:

A **Delicatessen** is a store that sells prepared foods, such as cooked meats, relishes, preserves and similar items.

A **Fast Food Restaurant** is any restaurant where customers are provided quick service, quickly prepared food, frozen dessert and or drink, and where such food, frozen dessert and or drink may be consumed on the premises either inside or outside the building, or may be carried out and eaten entirely off the premises. The concept of delicatessen as herein defined is not included within this definition.

AMEND: Appendix A, Building Zone Ordinance of the Town of Oyster Bay, by amending Sections 462 ("F" Business District), 483 ("G" Business District), and 499 ("G-1" Business District), to allow fast food restaurants in commercial zones only with a special permit after a public hearing by the Town Board.

All persons interested shall have an opportunity to be heard upon the said proposed amendments at the time and place aforesaid.

The ordinance is on file in the office of the Town Clerk and may be examined during regular business hours by any or all interested persons.

Continental Singers - Orchestra

The 40-member "Continental Singers and Orchestra" will perform a live concert of contemporary Christian music in person on Wed. July 19, at 8:00 PM at the St. Ignatius Loyola Auditorium Hicksville. Blending contemporary gospel music, spirituals, anthems, and hymn arrangements, this year's program, "Sing It With Love," will feature many of the most popular Christian songs being heard around the country today. The 24 vocalists and 10-piece orchestra are completely self-contained, including their own sound and lighting equipment.

Beavers Win

On Sunday, June 18th, the Beavers of the Hicksville Squirts Soccer League, won their first game of the season against the Beehives, 1-0. The winning goal, their first score of the season after four shutouts, was kicked by Michael Carr.

They are coached by Mr. Fleck.

FIRE REPORT

(Continued from Page 1)
of the circuits rating. Clean or replace the filter annually. A clogged filter will result in an overload motor which eventually

may break down and ignite combustible cabinet components and adjacent draperies.

Parades

The next parade will be Sat., July 1 at Hempstead, at 7 p.m. The drill will be at 9:30 a.m. The Rockville Center parade will be July 8 at 6 p.m. The drill will be at 9 a.m.

Junior Fireman Bill Signed

New York Governor Carey signed into law a Youth Education Bill which allows fire districts to allot funds to organize and train youths for the fire service from age 14 to the entry age permitted by local dept.

**We're the neighborhood bank
that helps turn homes into castles.**

We're the bank worth looking for.

Eastern's home improvement and equipment loans can help turn your dreams into realities—right now!

If you're an apartment dweller, your Eastern loan can bring you a new color TV. First-rate stereo equipment. Air conditioning. New furniture. Carpeting. Drapes. Pool table. You name it!

If you're a homeowner, your Eastern loan can bring you not only home equipment, but major home improvements as well. An addition or extension. Another bedroom. Swimming pool. Patio. A new kitchen or bathroom. Storm windows. More insulation. If qualified, you can borrow up to \$10,000. And

take up to 10 years to repay.

Have questions on terms, interest charges, payments and the like? Just drop in and ask. Take our time. Then take yours. Mull it over at home. If you do decide to apply, we'll give you all the assistance you need.

After all, that's what neighbors are for.
