## County Republican Women's Activities

The Jones Institute is nestled in a quiet setting of lawn and trees located on West John Street in Hicksville. The residents are a cross section of lives throughout Long Island. Many residents are without families. The Community Service Committee of the Nassau County Federation of Republican Women endeavors to bring some sunshine into their lives by making regular visits. Donations of clothing and other articles of necessity are brought there and given out as bingo prizes.

The residents were entertained by vocalists Mrs. Jeannine Margiotta and her daughter Mary Martha of Bethpage. Mrs. Rosalie Branca accompanied them at the piano. Mrs. Branca is the president of the Federation and often takes part in committee activities. The chairmen, Mrs. Adele Scharr and Mrs. Mary Artale had the able assistance of Mrs. Mary Ricca, Mrs. Marion Gingell, Mrs. Eleanor Andruzzi,

The Kiwanis Club of Hicksville congratulated their golf team for winning first place in the Middle Island Kiwanis Tournament on June 14. Left to right are Charles I. Montana, Sr., Sam Pace, Stu

Andrews, and Dick Warburton. The golf trophy will be held by Hicksville Kiwanis Club until 1979. The ceremony took place at a meeting of July 5.

## Blaze At Newmark and Lewis

A fire at the Newmark & Lewis store on South Broadway, Hicksville, on July 2, caused an estimated \$25,000 damage. The fire started outside the rear of the store in rubbish and spread to wooden skids. The fire extended inside through windows to stock. The sprinkler system was set off. A smoldering fire on the roof was found and extinguished before any damage was done there. An electric transformer was destroyed in the blaze and accounted for half of the damage total.

Another fire also on July 2, was spotted at 5:31 a.m. by an alert 8th Pct. patrolman. P.O. Shanahan reported a fire in the rear cellar stairway of the Aquacade Swimming Pool Store at 252 South Broadway. His prompt actions saved Hicksville Vamps a tough battle, as quantities of chlorine were stored inside. Deputy Chief Kershow was in command.

Three propane tank fires on July 8 and 9 kept Vamps busy. A mutual aid call to Bethpage

on June 30 at 3:12 a.m. required one Engine Co. to respond from Hicksville. That fire destroyed a factory. A police officer on the Seaford-Oyster Bay Expressway reported the blaze which was a 1 1/2 mile away.

**Fire Report**  
 During the period June 25 through July 9, Hicksville firefighters responded to 64 alarms. There were 8 malicious false alarms, 27 fire calls, and 29 rescue calls.

First arriving Vamps used deck guns to bring the blaze under control. Sixty-five Vamps, using 6 pieces of apparatus under Chief Ferber, responded to the 3 p.m. alarm. Two alarms were transmitted, two additional calls were received at the same time, and other units were sent to extinguish the minor fires. The Jericho Fire Dept. assisted with one Engine Co. as did the Bethpage Fire Dept. Two Vamps received minor injuries.

## Theatre Trip For TOBAY Seniors

A special discount trip to the Jones Beach Theatre production of "Annie Get Your Gun" on Monday, July 24, is being offered to Town of Oyster Bay senior citizens (over 60), it was announced this week by Town Councilman Gregory W. Carman.

Tickets for the trip, sponsored by the Senior Citizen Services Division of the Department of Community Services, cost \$7.50, which includes bus transportation from one of the Town's eight senior citizen housing

complexes. Reservations must be made not later than Friday, July 14. For applications and further information, contact the Senior Citizen Division at 922-5800, ext. 246.

"A trip to the theatre is always an enjoyable experience, especially when it's something special like a Jones Beach production," Carman commented. "I hope many seniors will take advantage of this opportunity to join their friends for an evening of fun."

## Help MDA

The Reynolds Aluminum Recycling Company facility serving Long Island is located at 73-A Bloomingdale Road in Hicksville and operates every Thursday and Friday, from 1 to 4:30 p.m. and on Saturdays, from 9 a.m. to 4:30 p.m. Mobile recycling vans circulate throughout Nassau and Suffolk counties on a regular schedule from the Hicksville Center.

Reynolds and MDA are inviting Long Islanders to join in the 1978 Telethon effort by saving all-aluminum beverage cans and household aluminum products and donating them to MDA at Reynolds collection points during the month of August.

A toll free number -- 800 243-6000 -- has been issued by the recycling company for information on local stop schedules.

**BANK NOTES:** As the two top officials of Long Island Bank Charles R. Carroll, right, Board Chairman, and James C. Dinkelacker, center, president, look on, Dr. Paul S. Nadler, widely-known author, lecturer, and educator on economics finance acknowledges the applause of some 150 leading Long Island businessmen at a luncheon last week. Dr. Nadler, who is professor of Business Administration at Rutgers University, told the business leaders that "interest yields on bonds are

near their height right now" and that "purchases of stock should be based on yield rather than their appreciation potentials." He also advised: "Right now look for stocks with good yields, whose dividends are secure, and their earnings are strong." He added: "And if the price of the stock goes up, that will be a little something thrown in as an extra." He concluded that: "We will not get a good stock market till we have solved our nation's inflation and energy problems." (Graphic News Photos).

## Little Miss Cantiguague

Little Miss Cantiguague 1978 will be crowned Wednesday, August 2 (rain date August 9), in a contest for young bathing beauties at the Cantiguague Park Pool beginning at 1 p.m.

Age categories in the event conducted by the Nassau County Department of Recreation and Parks are 2 years of age and under and 3 to 5. Contestants must be able to walk and swimsuits are required. Entrants will be judged for beauty, poise and attire.

Parents may register children now at the Cantiguague Park Administration Office any day from 9 a.m. to 11 p.m. Cantiguague is on West John Street in Hicksville. Call 292-4210 for further information.

## Pool Days

Come join the excitement in Hicksville at Cantiguague Park's "Pool Day" on Wednesdays, July 19 and August 16. The fun, beginning at 1 P.M., will consist of games in the water for all ages. Watermelon races and a watermelon feast will top the day off.

Cantiguague Park, operated by Nassau County's Department of Recreation and Parks, is located on West John Street. For further information, call 935-3500.

**Pageantry In Brass**

The St. Ignatius Girl Cadet Corps is presenting its 14th Annual "Pageantry in Brass", a Marching and Maneuvering Contest to be held at the Hicksville High School, Division Ave. Hicksville, on the evening of July 22nd, at 8:00 p.m. The contest will feature some of the finest Jr. Drum and Bugle Corps in the East, coming from New Jersey, Connecticut, Pennsylvania and up-state New York. It will probably be the only chance to see a show of this type in this area this summer.

The proceeds of this show will be used to purchase instruments and uniforms for the St. Ignatius Girl Cadet Corps, which is comprised of 120 local girls of all faiths who proudly work together to make this the finest All-Girl Drum and Bugle Corps in the United States. The girls will be traveling to Lynn, Massachusetts to defend the World Open title which they have won for the past five years. They will be going to Ontario, Canada to try to regain the Canadian Open Title and to Green Bay, Wisconsin to defend the All-Girl Mid-West Championship. The girls will be putting on an exhibition for the hometown folks following the competition.

## Polish Night

Polish Night 1978-Lakeside Theater-Eisenhower Park, East Meadow, New York on Monday evening July 17, 8:30 P.M. to 10:30 P.M. Parking areas No. 6

A program is planned by the American Polish Council of Long Island, Inc. for the enjoyment of all Americans on Long Island.

Distinguished guests are invited. County Executive will welcome all.

Taking part in the program for the evening are: Gen. Pulaski Post No. 24 American Polish Veterans and Ladies Auxiliary.

Bernie Witkowski Orchestra, Oginski Male Choir-Lidia Gubrynowicz Pianist of Poland-Polonaise Dance Group-with folk dances and customs of Poland. Jutrzenka female Choir, Harvest Moon Champions of 1977 and many others for your pleasure.

Everyone is invited to bring lawn chairs and blankets and enjoy a cultural evening under the stars.

International Series of Ethnic Groups are featured during the summer with the co-operation of Nassau County Dept. of Recreation and Parks-and the European American Bank-and coordinated by the American Polish Council of L.I. Inc.

**FLAG DAY PROJECT:** "It has been our feeling that the flag of our country, of our state, and of our county should be seen at the entrance of our county's largest

park", said Harold Peltz, President of the East Meadow Kiwanis Club. "On this perfect day of dedication, Flag Day, the members of the East Meadow Kiwanis feel honored to participate in this patriotic and fulfilling day. We are proud to make this presentation to the people of Nassau County", continued Mr. Peltz.

The flagpoles and accompanying plaque were presented to the county with over thirty members taking time from their busy schedules to attend the ceremony at Eisenhower Park.

The United States flag was presented by Robert Gregory, President of the Franklin Square Kiwanis Club representing Congressman John Wylder. The Nassau County Flag was presented by a representative of County Executive Francis Purcell, and the New York State Flag was presented by New York State Assemblyman Thomas S. Giolotta. Accepting on behalf of the County was Commissioner of Recreation and Parks, Abram C. Williams. Also participating in the ceremonies was Richard Hamber, Lt. Governor of the Long Island South Central Division. The dedication and ceremony were co-chaired by Immediate Past Lt. Governor Marvin I. Bernstein and Immediate Past President John G. Gaglione.

Assembly Minority Leader Perry B. Duryea was the guest speaker at the Annual Installation Dinner Dance of the Oil Institute of Long Island. In his remarks, Mr. Duryea com-

mended the oil companies for their tremendous effort in delivering fuel during this severe winter.

## Oil Import Fees: A Carter Blow To New York

By Cong. Norman Lent

Once again President Carter is threatening to slap a \$5.00 a barrel fee on imported oil if the Congress doesn't approve his energy tax program. The United States Senate has wisely moved to block this Carter plan, which would place a heavy burden on hard-pressed New Yorkers.

Studies made by the Library of Congress and the New York State Energy Office demonstrate clearly that the Carter program of import fees would add new fuel to the raging fires of inflation, and would have little or no effect on our nation's oil imports. The studies also show that, as with many Carter programs, New York State would be among the hardest hit, because the state is so heavily dependent on imported oil. And, of course, Long Island is more dependent than most other parts of the state.

The State Energy Office estimates that the \$5.00 per barrel fee on imported oil would cost New York State oil purchasers \$1.2 billion per year. The Library of Congress study shows that the import fee would increase our already disastrously high rate of inflation. Instead of running at a rate of 11 per cent as it is now, the rate would go up another 2.6 percent to nearly 14 per cent. This would likely cause

the oil-exporting nations to boost their prices again, adding still more to the rate of inflation.

To get an idea of what this would mean to your family budget, it is estimated your home heating bill would go up by \$100 per year; the added fuel costs to LILCO would add \$120 per year to your electric bill, and the price of gasoline would go up at least seven cents a gallon. And that is just the beginning of the financial burden for your family, because these added fuel and power costs will have to be paid by every business—with the cost passed on to you—and by local, county and state governments with the added cost resulting in higher tax assessments for you.

As I noted earlier, the Senate has approved a provision in an appropriations bill which would forbid the President from imposing the import fee. However, in order to be effective, the House of Representatives must also vote for the ban. The White House is pressuring the House to reject the Senate action. It is difficult to determine at this point whether the House will follow the Senate action. But I will be doing everything I can to head off this new Carter blow to New York's economy and to your family budget.

## Nassau Brings Back A "Governor"

The various units of the American Legion Auxiliary throughout the local communities of New York State sponsor High School Juniors to attend an intensive Political Science course at the New York State University at Caselnovia.

These Juniors spend one week creating a Mock "51st" State. They form political parties, initiate platforms, etc., from the ward level up. Leaders are chosen and candidates run for the various state offices. The highest office being that of governor.

This year, Nassau County was privileged to have Norma Lana

elected "Governor of Girls State". The competition is keen since there are representatives of the highest calibre competing from more than 60 counties throughout New York State.

Norma has been invited to spend five days at Lieut. Gov. Mary Ann Krupak's office to see the actual workings of our State Government.

Nassau County American Legion Auxiliary Chairman Marianne Orlando and Girl State Chairman Marie Walchek attended the Inaugural Ceremonies at Caselnovia.

## Understanding Your County Taxes

By County Exec. Frank Purcell

In the five years since 1973, the price for a New York City theater ticket has risen 41 per cent; the cost of laundering a shirt or dry-cleaning a suit has gone up 50 per cent; the bill for a restaurant meal has shot up 54 per cent; the

price for a home has soared 65 per cent; and the cost of a new car has zoomed 72 per cent. In that same period, Nassau County property taxes have risen 23 per cent — and actually went down in each of the past three years, from \$512 in 1976 to \$499 in 1977 to \$490 this year.

That may not be much consolation, but it does put things in perspective, especially since property taxes across the nation have risen an average 65 per cent since 1973.

Every time that I have written in this column that the average Nassau County homeowner is paying \$490 in county property taxes this year, I have gotten letters and phone calls saying that I must be crazy. People have sent or read me their tax bills, angrily protesting that they are paying more than \$2,000 in property taxes. Of course, they are right. But only 23 per cent of that amount is levied and collected by the county to pay for county services. If the homeowner lives in an area that has its own police department, the county's share of the total shrinks to 14 per cent. Fifty per cent of the total — or \$1,049 — is going to the homeowner's school district, which levies its own taxes. The rest goes to the town government and to the cities and villages or special districts in which the home is located. Each town, city, village and special district also levies its own taxes. The typical taxpayer's home is assessed at \$6,800 — the county

average. If your assessment is lower or higher, then of course you are paying a lower or higher total tax bill, but the proportion going to each jurisdiction is the same.

None of this is to say that taxes are not high in Nassau County. When you add them all up, they are. But I keep emphasizing what I think is the relatively modest level of county taxes, and what they pay for, because democracy is not really working if people do not understand to whom they are paying their taxes and why. Nor is it working if people do not understand that decisions made in Washington and Albany have more of an impact on their property tax bills than decisions made in Mineola. Under our federal system, that was not the way things were supposed to work. Local property taxes were originally intended to pay for essential local services. Federal and state taxes — with their much broader and annually expanding revenue bases — were intended to pay for national and state programs. But federal and state mandates have heaped the costs of too many of these programs on the property tax. And the property tax cannot pay for them much longer.

# Dear Friends

THIS YEAR it seems as if "the long hot summer" has moved to the suburbs...what with the downtown problems of Syosset, the development and planning in Jericho, the pinball parlor and Topic House in Plainview and the downtown development in Hicksville, plus sewer construction all over...we are well aware of what all our concerned citizens and our town fathers, are working on this summer. Then, nationally, of course we have taxes, unemployment and inflation (not necessarily in that order), to add to matters that need decisions in the not-too-distant future. This all goes to prove that there is no rest for the concerned. But if we look at all these problems as our chance to improve our community and Long Island, and our country they certainly are worth working on. So let's all determine to keep on trying and doing our share. This way hopefully we'll be a part of the solution, not of the problem, as they say. In other words, to be specific, if something is bothering you, DO SOMETHING about it.

THE NORTHSTAGE DINNER THEATRE, located at 96 School St. in Glen Cove is currently showing "Anything Goes", starring Mary Ellen Ashley, Patrick Quinn and an excellent supporting cast. You'll enjoy the food and the Cole Porter tunes never go out of style. It makes a most pleasant evening...we recommend it.

CHANNEL 21 will be exploring the historical, business and cultural aspects of Hicksville for five minutes twice on Wed., July 19, at 7:55 pm and 10:55 pm, on Thurs., July 20 at the same times and on Fri., July 21, at the same times. THEN on Sat., July 22 the three, five-minute, segments will be shown once, from 7:30 pm to 7:45 pm. These vignettes of Hicksville will be interesting to many of us. I'm sure.

Kudos to the Nassau County Dept of Senior Citizen Affairs, which has a program (funded under Title 111) called Project Share which receives national recognition this week at the 43rd annual convention of the National Association of Counties being held in Atlanta, Ga. Project SHARE matches elderly homeowners with other compatible senior citizens to provide companionship and share expenses. Since its inception in 1977 it has processed 1,104 applications and placed 151 persons successfully, under continuing guidance, of course. We think it's a great idea.

THAT'S ALL for this week. Small item... by the time you read this I will have celebrated my 65th birthday. All but seven years has been spent as a resident of Nassau County. I am grateful for the many blessings I have received first as a Christian, then as a citizen of this great country, and finally as a resident of beautiful Long Island. Final note... no, I'm not going to retire, but, along with a small but dedicated staff, will keep on bringing to you, the important news of your own communities, your township and your county. Also, as I have said many times, we are always pleased to hear from our subscribers with their "Letters To The Editor". The Herald is your newspapers on a grass roots level, as they have been for ya these many years. Stay well.

# Letters To The Editor

Dear Mrs. Noeth,  
 I was surprised the other day (not to say "shocked") to have a friend suggest to me that she did not see why she should pay a school tax since she had no children in school. Didn't I feel the same way?

The answer was an emphatic "NO." I don't feel that way. This is not the first time I have heard this point of view, which I feel is very wrong for several reasons:

To begin with, the people who felt this way have forgotten that their own children were educated with the help of taxes from other people who may or may not have had children in school. If it were not so there would be no public education and children would have to be sent to private schools.

Now that my friends children are grown it is her turn to help educated other children of the community.

As for myself, being single, I have never had children in school. But I have never resented paying my share. This is not all altruism, for I want to live in a town where education is valued. Children who are not educated are disadvantaged and may be on welfare because they do not have the education to hold good jobs.

This not only costs more taxes for welfare, but lowers real estate values and the life-style of the town in general.

I do not want to pay for waste and extravagance, but no, do not resent paying for education. It is what makes our town worth living in.

Sincerely,  
 Harriet A. Spink

Dear Mrs. Noeth:  
 Over the past weeks, there have been letters printed condemning the School Board, the budget and the H.C.T. I think it's about time someone got a word in edgewise. I would like to respond to Mr. Willard's past three letters. In these letters he made some rash presumptions and I was very disturbed.

I'm sorry Mr. Willard feels that there are ineffective programs. Not all programs serve a useful purpose for EVERYONE. The example he used was beginning foreign language in the third grade. Maybe that isn't the right class for everyone, but many students have become very successful in the area of foreign language. As a matter of fact, a Hicksville high school student recently won a National

scholarship to spend five weeks in France. She started French in first grade.

Mediocre teaching is a problem every school district must face. There are senior staff members who have seen better days and were more effective in earlier years. I don't see why it is considered the fault of the H.C.T. Surely, they could suggest that these people retire, but it is a ruling that a teacher may teach until the age of 70.

The budget was battered severely, and it is unfortunate that the students must suffer. I can fully understand why some people voted it down. There are many senior citizens who exist on a pension and Social Security and can't afford an increase. What irritates me are those taxpayers who vote to pass the budget while their children are in school and as soon as their children graduate, they vote the budget down. After all, they won't be affected by it.

I don't think anyone wants to spend more money, but in order to maintain the quality of education we have established, I think it's necessary. I agree with Mr. Willard that some of the areas that were cut since the budget was defeated may have

## Gregory Museum Rockhound Trips

Rockhounds and would-be geologists are currently signing up for two field trips planned by the staff of the Gregory Museum this summer. Curator Janet Kempksi advises that there are still openings on the bus for a tour of Long Island geological areas on Saturday, July 29th and for August 19 (trip to the site of the well-known Franklin, New Jersey ore body, where the field trip groupers may gather fluorescent minerals. Parents and children, couples and single enthusiasts are invited to inspect the natural outcroppings and glacial stratas of Long Island and sample the renowned "digs" at Franklin, only two hours distant.

Fees for either trip are \$15.00 per person with a ten percent discount for museum members. Fees will include the cost of bus transportation, admission fees and handouts and written materials.

Departure time from the Gregory Museum on July 29, for the tour of Long Island glacial areas will be at 8 A.M. Departure time, on August 19 for Franklin, New Jersey will be 7 A.M. from the Museum.

Recommended equipment for participants includes: rock

hammers, chisels, canteen, sample bags, newspapers, knapsack, safety goggles, hand lens or magnifier and protective footwear, such as hiking boots. Clothing should be durable. Each

person will provide his or her own lunch.

Please direct any questions to Janet Kempski or Ida Cooper at the Museum at 822-7505 or after 5 P.M. to Wells 1-0667

A recent addition to Dot and Tom Gallahue's lovely home in Hicksville was built for strictly utilitarian purposes, we were told. Baron Munschhausen, who resides with the Gallahues, wore out their beautiful green carpet (also known as their lawn). Consequently, the Baron (a standard poodle) is now restricted to his new quarters, a 7' x 20' x 6' fenced enclosure. Does the Baron get time off for good behavior, Tom?

Former Hicksville residents, Larry and Barbara Stenson, celebrated their seventh wedding anniversary on June 24. Larry, a graduate of Siena College, is employed by the Allstate Insurance Company. The Stensons have two sons, Gregg and Jamie, and are expecting a new addition to their family this November. Larry's parents, Joan and Jim, still reside in Hicksville.

Charles and Pat Cunningham's daughter, Peggy, graduated from Hicksville H.S. on June 25. This fall Peggy will enter Plattsburgh State College where she will major in art. Good luck, Peggy.

Perfect weather, scintillating company, delicious cuisine, ample recreation ties and fabulous entertainment (sounds like a commercial, doesn't it?) helped make the Rennert's recent vacation at Sunny Hill, N.Y., a marvelous event. Anne and Bob were accompanied by their daughter, Terri, and her friend, Dawn Strick, also of Hicksville.

Another ambitious Hicksville student is Eileen Brennan who has completed a BAMA program in John Jay College, NYC. Eileen will continue her studies at law school this fall. We wish you much success in your future endeavors, Eileen.

Congratulations to Mary Ann and Robert Klein of E. Setauket, on the birth of a daughter, Lauren Leigh, born July 2 at Syosset Hospital. Extremely proud grandparents and Dottie and Lou Klein, (VFW) of Willets Ave., HICKSVILLE.

Happy Birthday to Jim Cummings of HICKSVILLE, who celebrated last week, with a group of friends at a party at his home.

Paul Michael Braun made his appearance into this world on Thurs., June 29th at Syosset Hospital. He is the son of Mr. and Mrs. Vincent (Linda Cronin) Braun of Shirley, N.Y., and also the grandson of Mrs. Marian Braun of Third St., HICKSVILLE, making him her eighth grandchild. He is also the first grandchild of Mr. and Mrs. Thomas Cronin of Levittown.

A surprise baby shower was given by Mrs. Grace Knudsen of Kuhl Ave., HICKSVILLE, for Mrs. Betty Germain of Old Westbury. A lovely day, the party was held outside. Many guests were Hicksville friends and out-of-towners. She received many lovely gifts. Mrs. Germain has two other sons. She is the wife of Mike Germain, formerly of Hicksville, and is expecting in July.

Susan E. Herr and Marite Ellen Hennessey of HICKSVILLE recently enjoyed a springtime tour of beautiful Hodges Gardens, west central Louisiana's famous "Garden in the Forest", while visiting Port Polk, La.

Ellen Coakley, daughter of Mr. and Mrs. Edward Coakley, Hope Lane, HICKSVILLE, has been

chosen as a participant in the Assemblies of God International youth witnessing program Ambassadors In Mission (AIM). She has been assigned to a team that will visit Piura, Peru, South America. The group will be in Piura for approximately three weeks.

Happy Birthday to HICKSVILLE Rotarians celebrating during the month of July: Bill Bellmar, Joe DePaoli, Mike Steinberg, Ed Flynn, Win Piechutski and Rich Rigoli.

Happy Birthday to former HICKSVILLE resident, Mrs. Carol Yamond, of East Northport, who will be celebrating her 25th birthday soon.

The Jablonskys, Ann and Joe, hosted Ann's cousin, Henrietta Konapacki for one month in their home in Hicksville. Ms. Konapacki resides in Whittier, California, and hasn't been in the East for 20 years. She enjoyed her visit immensely, particularly since Ann and Joe brought her to see the Jones Beach Show, shows in New York City, and various other points of interest in the area. We heard that when the visit was concluded, all concerned were exhausted but happy from their sightseeing excursions.

Kudos to the B.P.O.E. No. 1931 of Hicksville Levittown on their very successful picnic which was held July 8. Over 500 people attended this affair at the Theodore Roosevelt Park in Oyster Bay and enjoyed a repast of clams, corn, franks, hamburgers, soda, beer, ice cream, etc. Special mention should be made of Chairman Ed Nolan's success in organizing and coordinating this festivity, and the happiness and delight "Benny the Bum" brought to all the children who were present.

A recent guest at The White House in Washington, D.C. was Hicksville's Nick Prokos. Nick is very active in a Greek organization and he was one of three people from the New York Metropolitan area who was invited by President Carter to attend a briefing session on June 21 to discuss the arms embargo on Greece. The briefing took a good part of the day, and President Carter attended part of it and gave the invitees an opportunity to ask questions of him

regarding this situation. After this, they retired to another area of The White House and were served refreshments consisting of iced tea and pastries. It was a very thrilling and informative experience for Nick and the other members of his party.

From one island to another island, across thousands of miles of land and water, flew Fred Magee and his beautiful daughter, Lehani. Fred and Lehani are residents of Hawaii and visited Fred's brother, Joe Magee, of Hicksville. They spent some time with Joe and his wife, Dolores, and their children, and then visited other members of the Magee family around Long Island. Fred and Lehani then flew to the West Coast where they joined up with the rest of their family and continued their trek homeward. A marvelous time was enjoyed by all members of this family reunion.

Our sincere good wishes to Marilyn Humphreys of Hicksville who, we understand, is recuperating from recent surgery at Central General Hospital. We hope you will soon be up and home again, Marilyn.

Hicksville has many talented and gifted residents; and one of the best is Barbara Bardenhagen who won the grand prize poster award for the Senior High School Division. Barbara graduated from Hicksville H.S. this June, and will attend SUNY at Farmingdale this fall where she will major in graphics and advertising. With her talent, we know she will do well in this field. Her parents, Marge and John Bardenhagen, think so, too.

Another bright Hicksvilleite is Edward Gaffney who is on the Dean's List at Nassau Community College. Ed is employed by MacArthur Airport where he works in the air traffic control section. Ed is the son of Catherine, and the late John Gaffney.

A belated happy birthday to Catherine Gaffney who celebrated her special day on June 19. Her four sons, two girls, and three grandchildren helped make this an unforgettable occasion for Catherine by bringing her to dinner at the Moonraker. Catherine said, "...it was really something great."

Delphine Stilger is for the summer from Villanova U. in PA. She's working in her dad's office in Hicksville (Dr. Walter Stilger) this summer. When Delphine returns to college this fall, she will be a sophomore.

Dr. Walter Stilger has another lovely college student working in his Hicksville office for the summer - it's his daughter, Christine. Christine is home from Georgetown U. where she's majoring in sociology and psychology. In addition to helping out in her dad's office, she's also a "mothers' helper" and is taking a photography course. When Christine returns to the university this fall, she will be the photo editor for the "Georgetown

Voice," the college newspaper.

Congratulations to Kathy Lynch of Hicksville, a recent graduate of the State University at Geneseo, who has just been employed by the Appomattox School District in Appomattox, VA. Kathy will be working in their special speech program. She's thrilled about her appointment - and so are her parents, Pat and Charles Lynch.

Lil Molinari is not getting older - she's getting better. And to get better than ever, she celebrated a birthday on July 9 with her husband, Frank. Happy birthday, Lil; and much love and happiness is wished to you from your family and friends.

## Midget Football Registration

The Holy Family-Hicksville Football Association will be holding its 19th Annual Football registration for boys ages 8 thru 14.

The program, which participates in the Long Island Catholic Grammar School and the Long Island Midget Football Leagues, has been the only Junior Football program in our area that has provided countless numbers of boys who have gone on to excel in Hicksville High School, Holy Trinity High School,

Chaminade, Clarke and other surrounding schools.

Registration will take place on Sunday, July 16 from 9 a.m. thru 2 p.m. at Holy Family Church, Fordham Road Hicksville and on Saturday, July 22 and July 29 from 10 a.m. thru 12 Noon at Levittown Hall on Monday July 31 at 6 p.m. thru 8 p.m. at Levittown Hall.

All parents are invited to attend and participate in the many functions which have made the program the success it has been.

### STANDINGS AS OF JULY 9, FARM LEAGUE

Meenan Oil, managed by Bob Rothchild, and the Black Team, managed by Jim Pagett, finished in a tie for first place. A play-off game was played to decide the winner. The Black Team was victorious due to shut-out pitching supplied by Mark Joosten in the first three innings and Scott Schuler for the last three. The defense was locked solid with the play of Eddie Greaney, who made a number of sparking catches on short stop.

The big blow was delivered by Peter Hartman who smashed a double up the middle with runners on first and second, scoring Eddie Greaney from first base.

Both teams played exceptionally good defense which tells why the score was only 1-0, in favor of the Black Team.

I would like to express a sincere thank you to the managers and coaches who again made this Farm season an easy trip. Congratulations to all the boys who participated in the Farm and the Instructional Leagues.

### TOURNAMENT PLAY

After the first weekend of play in the Hicksville American six-town tournament for 8-11 year olds, the teams in the Hicksville Baseball Association are sitting now with one win and one loss in

each of the age categories.

The next scheduled home game for H.B.A. is Sunday, July 16th on the Major Field of the Abe Levitt complex on Stewart Avenue and Levittown Parkway. We're looking forward to seeing you there. We could use your support.

### MINOR LEAGUE

The play-off game on Wednesday, July 5th, between Seaman-Eisemann and Old Country Deli was the climax to the 1978 H.B.A. season for the Minor League teams. A large crowd was in attendance to give their support.

With Dean Spadaro and Jimmy Patwell on the mound for Seaman-Eisemann, Old Country Deli was kept to only two runs.

Timely hitting by Ken Mizzi, Brian Torlincast, Joseph Vasquez, Robert Scibelli, Eddie Hartman and Lesly Toth made the final score a staggering 14-2.

Congratulations to all the boys who did a fine job all season. In addition to the boys already mentioned, the winning team includes Anthony Fiorello, Andy Horne, Ira Rudin and Michael Ragone. A special thanks to their manager, Tom Hartman, whose guidance throughout the season made them the champions that they are; and to Seaman-Eisemann who sponsored a winning team.

### COLT LEAGUE

The Colt play-offs didn't get started until Wednesday due to two days of rain. In the first round, Tom Hartman's Long Island Bank team met Al Green's Maroon team. Behind the strong arm and timely hitting of Mike Grippo, the Maroon Team surprised Long Island Bank 9-4 to move onto the next play-off level.

It was a rough loss for Long Island Bank who had played so well all season.

Thursday's round saw Jimmy Torturo's Murants team knock Walter Donaldson VW out of the play-offs behind the shut-out pitching of Chuck Maggio.

Friday night's semi-final game brought the Maroon Team and Murants together in a crucial game to see who would play National Bank of North America in the finals. Once again, the Maroon Team, behind the outstanding coaching of Anita Michalak and Louise Corrado, came out on top 8-3. I would like to congratulate the entire team for their fine play and especially the ladies who have coached the team over the past few weeks.

Saturday morning's first championship game was a real pitching duel between National Bank of North America's Joe Sarandrea and the Maroon Team's Jim Lohsen. After 5 1/2 innings, the Maroon Team held a 2-1 edge. In the home 6th, Thomas Healy tied the score with a run-scoring double into right field. National Bank of North America broke the game open after that scoring five more runs, while holding the Maroon Team scoreless the rest of the way. Final score was National Bank of North America's 7 to Maroon's 2.

Sunday brought the end of the Colt season with National Bank of North America defeating the Maroon Team 7-0 for the championship.

Coach Pete Sarandrea, Jr. did an excellent job with his team all season. Mr. Sarandrea will manage the All-Star Team in the Colt League, assisted by Coaches Tom Hartman and Jimmy Torturo.

## Fire Chiefs Cite Dangers Of Propane Gas

By Third Deputy Chief Owen Magee

Hicksville Fire Officials, following a rash of recent propane barbecue fires this past weekend, warn residents that improper use and/or storage can spell disaster.

The recent fires, the fire on the

North Shore, which leveled a large home in minutes, seriously injuring the occupants, numerous fires with propane in Nassau, has prompted fire officials here to give warning.

It is evident that many people using propane grills really don't know too much about the dangers. This past weekend, a man suspecting a leak lit a match to find it he found it in a hurry-the whole thing went up in flames. These units are so dangerous that one County official was quoted as saying "get a charcoal grill. I can't believe that people are so rushed that they have to use gas and have a steak in 5 or 6 minutes."

If you have one of these units, the following advisor may be of help to you:

Never store propane inside-regardless of season.

Keep tank out of direct sunlight.

Do not transport propane in the trunk of a car, instead place it

upright on the floor of the vehicle, with the windows open. NEVER leave in a parked car.

Don't let grease from cooking drip on tank or hose.

When connecting tanks to a grill, remember, the fittings are left-hand threaded requiring the installation to be made in a counter-clockwise direction. All connections should be tested with a soapy water solution-not a match, to detect leaks. If bubbles appear, the connections should be tightened.

Don't attempt to transport a leaking tank. Notify the Fire Dept.-a leaking tank is a time bomb. The ice cream truck explosion in New York City was a good example of what a little gas or gasoline can do.

Don't cook on the grill too close to any structure or in car ports or garages.

As with many things, if used properly, following all rules, almost anything is safe. Forget the rules and you invite disaster.

\*Note: Even charcoal grills used wrong can be dangerous.

Never use charcoal lighter fluid on an already ignited grill. The electric starter is safest-if you remember to unplug it when finished.

Never use gasoline to start a barbecue.

If a fire should envelope the tank-keep the tank cool with water. Call the Fire Dept. immediately.

# Hicksville's Memorial Fountain

The Kiwanis Committee for Hicksville's Memorial Fountain is meeting regularly and announces that plans are being formulated on schedule. The artist's rendering shown here reveals the beauty that will be added in the heart of the downtown area.

It is anticipated that all necessary details will be completed within the next two weeks so that the fund raising program can be initiated. The Committee plans to use a mailing solicitation as well as personal contacts to generate contributions. In addition, color posters and contribution forms will be on display in key locations such as banks and other business and professional establishments, as well as the Hicksville Public Library. It is anticipated that volunteer help, in addition to those who have already offered, will be available to assist in this major effort. The necessary funds must be raised quickly if the fountain is to be completed for dedication early this fall.

The Committee Chairman, Kingsley Kelly, has been interviewed by Channel 21 for appearance on the program "Close Up: Hicksville." This program is scheduled to appear

in three separate aspects the evenings of Wednesday, Thursday, and Friday July 19th, 20th and 21st at 7:55 p.m. with a repeat at 10:55 p.m. On Saturday, July 22nd from 7:30 p.m. to 7:45 p.m. all three aspects will be combined into one showing. The interview with Mr. Kelly regarding the Memorial Fountain is scheduled for Friday

evening July 21st. The Committee in addition to Mr. Kelly consists of, Francis J. Anderson, Henry C. Brengel, Frank Chlumsky, Charles Montana, Sr., Marion Reinhardt, Dr. Philip Rubenstein, Ronald J. Wagner and Vernon C. Wagner. Inquiries about the fountain would be welcomed by any of the Committee.

## American Little League Hicksville

By John Ferrato

### A League

At the end of the season in the A League, Robert Chevrolet and Circle Texaco ended up in a tie for the second half, and in a championship playoff, Circle Texaco defeated Robert Chevrolet 4-3 in a real championship rivalry.

For the first half champs, Circle Texaco, fabulous all-star pitching by Billy Sullivan and Russo Losito held a determined Robert Chevrolet to three runs.

Magnificent hitting by Jamie Morrisey and Tommy Ryan and superb fielding by Michael Kiernan, Mike Fleming, Billy Sullivan, and John Fabrizio provided a championship trophy for Circle Texaco.

For the always tough Robert Chevrolet, spectacular pitching and tough hitting by Matt Knapp, Jim Reardon, and John Renssen, who drove in all three runs.

The most spectacular play of the game was made by John Renssen of Robert Chevrolet, when he made an unassisted triple play. With a man on first and second he caught alive drive at shortstop stepped on second base, and tagged out the other runner on first base who had gone half-way to second.

### Senior Major League

The Dodgers edged the Phillies 3 to 2 to win the Senior Major League championship. Both the Dodger's Walter Holtz and the Philie's Steve Jankowski turned in excellent pitching performances. Holtz gave up only 4 hits and 1 earned run while striking out 7. Jankowski pitched 5 shutout innings and struck out 10.

The Dodgers were down 2-0 in the bottom of the 5th inning. Kevin Brown started a rally with a single and a stolen base. John Massaro singled to drive in the first Dodger run, and went to second on the throw. Lee Mehan then singled to drive in the tying run and then stole second. Walter Holtz then singles Mehan home with what proved to be the winning run.

It was difficult to tell who was happier, the team or manager Hank Kneisel.

### Minor League

After a hectic first three innings Jamaica Ash came from behind to defeat Marder Shell by a score of 7 to 5. The win decided the second half champs with Jamaica Ash coming out on top. On the mound pitching a superb game were Dom Martello and John Maggio combining to strikeout 11 Shell batters. Setting the offensive pace were A. Manganello with 2 sensational triples, & T. Dempsey and D. Martello each with a triple. Also contributing were J. Maggio, S. School, and R. Kruger. A fine

fielding performance was turned in by Tom Roman, Robert Wolf and Richard Hogan.

At this time managers Dom Martello and Andy Manganello would like to congratulate the entire team on their fine all around performance. Special thanks goes to Tom Roman Sr. and Steve Wolf for their great coaching on the baselines.

Jamaica Ash will meet 1st half champs, West John St, Deli on July 18 at Schwab Field to determine the Minor league champions.

### Major League

John Autolino pitched lannores Restaurant to the Majors Championship with a brilliant 3 hit, 13 strikeout performance, for a 5 to 3 win over Cotton Insurance Agency. Leading lannone's hitting attack was again John Autolino with two triples, two R.B.I.'s and two runs scored. Also contributing to the offense was Jim Williams 2 for 2, Bobby Russo 1 for 2, Ron Stallone 1 for 3 and driving in the winning run was Marcello Koppow with a line drive single in the 4th inning. The defense was led by Bobby Russo with several outstanding plays at 2nd base and Jimmy Williams with a sensational throw from right field to cut off a potential game winning rally by Cotton.

Congratulations to managers Sal Autolino and Ralph Russo and to the entire lannones team. It was an outstanding team effort as they steam rolled the opposition in the 2nd half with 7 straight victories.

## Sister Kathleen Honored

Sister Kathleen Hennessey has been principal of Our Lady of Mercy School, Hicksville, for the past eight years. She is leaving us to take a position as teacher of History and Theology at Our Lady of Mercy Academy, Syosset, next fall.

A testimonial luncheon was held to honor Sister, to thank her for all she has done for our children, and to wish her well on her future endeavors. The luncheon was held in the school auditorium on Tuesday, June 29. A capacity crowd of well-wishers, mostly mothers of children who

are attending, or who have attended, our school was on hand to pay tribute to this fine and dedicated lady. Reverend James Boesel, Pastor, spoke for all of us when he thanked Sister for her dedication to the children of the school, and to the achievement of excellence as a standard for all.

Kathy Pawlowski, president of the School Aid Society, presented Sister with a plaque made by Ken Purdy, his daughter Ellen, and by Marie Saitta. Sister Kathleen has been with us just eight years, and so the children who graduated this June entered with

her and left with her. As a memento, the class presented Sister with a diploma and a gold tassel. The gold tassel denotes excellence in all subject areas.

Pat Quinn was the moving force behind this luncheon, and worked very hard to make it the great success it was. Pat presented Sister with a guest list of the people present at the luncheon and with a cash gift of \$600.00 donated by the mothers.

Sister thanked everyone and assured everyone that she has enjoyed her stay at Our Lady of

## Legion Scholarship

Hicksville High School graduate, Rose Hittmeyer, has been named the 1978 recipient of the Charles Wagner Memorial Scholarship. The scholarship of \$300 is awarded to a very deserving member of the graduating class by the American Legion's Charles Wagner Post 421 of Hicksville in honor of the post's namesake, a World War I soldier who lost his

life in France in the service of the nation. Rose is the daughter of Mr. and Mrs. Henry A. Hittmeyer of Narcissus Avenue. She will be attending the Fashion Institute of Technology in New York City, studying fashion designing. The members of the Charles Wagner Post are inviting Rose and her parents to be their guests at a post meeting in the near future.

**ITS VERY HARD TO SELL A USED CAR TO WALTERS-DONALDSON THAT'S WHY IT'S THE BEST PLACE TO BUY ONE WE GUARANTEE IT!**

- Before we accept a car as eligible for our used car lot, we give it a real going over.
- We don't put just anything out there. A car has to be something special.
- First we test drive it. And it's a tough test. We know just how that particular car should drive. And if it doesn't, we don't put it on our lot. If it does, that's just the beginning. Next our factory-trained mechanics give it a thorough check. If it's inflexible to our standards, we just don't accept the car at all.
- We figure, that if we're a little bit of a pain when it comes to having a used car live up to our standards, our customers have to benefit.
- And that's why we can give you a written, MONEY BACK GUARANTEE. If within ten days or 500 miles, (whichever comes first), following purchase, you're not completely satisfied, return the car and we'll give you your money back. All of it. Including taxes, registration fees, and any finance charges if you have financed the car through us.

# Galileo Lodge News

By Joe Lorenzo

The Galileo Lodge's Blood Donation Day is scheduled for Thursday, the 21st of September. Teddy Marotti, the director of this program, reports that food, wine, coffee and tea will be served to the donors; and that it will take place at the Lodge quarters at 200 Levittown Parkway, Hicksville.

Community interest is growing in the Galileo Lodge Beauty Queen Dance. This event is set for the latter part of August and for those who wish to enter this competition - daughters, cousins, nieces and other relations - there is plenty of time to make inquiries. During the past six years, the Galileo Lodge has had two runner-ups but never a winner. This could be the year for a winner, so come on you members, expedite those entries and help make this Beauty Pageant an unforgettable and memorable one. The finalist (winner), who

## Italian Night

Buddy Greco, a singer already credited with three gold records, will star during Italian Night on Monday, July 24, at Eisenhower Park's Lakeside Theatre.

One of the most popular programs in the free outdoor International Ethnic Entertainment Series, presented once again by the Nassau County Department of Recreation and Parks and sponsored by European-American Bank, Italian Night will begin at 8:30 p.m.

Greco started as a pianist in his home town and was marked for jazz fame when he was discovered by Benny is fame when he was discovered by benny Goodman and hired away from Club 13 in Philadelphia. Today, Buddy is famous in America for his recordings of "The Lasy Is A Tramp" and "Around the World," but he is proudest of his appearance as guest pianist with the London Symphony Orchestra. Violinist Maria Neglia, a Trieste-born virtuoso who intersperses comedy with classic fiddling, will share the spotlight. Dubbed "a superb entertainer" by Burt Bacharach, Neglia plays a rare Amati instrument dating back to the 1790s.

Joining the stars are the Oro d'Italia Dancers, the Dun Mar-tone Orchestra and singers Paula Barone, Beniamino Ocasio and Sal Ferrara.

Seating at the Lakeside Theatre, located near Parking Field No. 6, is provided by the audience. Folding chairs and blankets are suggested for comfort. Further information may be obtained by calling 292-4121 weekdays between 9 a.m. and 4:45 p.m.

## LEGAL NOTICE

### NOTICE OF PUBLICATION OF CHANGE OF NAME

NOTICE is hereby given that an Order entered by the Supreme Court, Nassau County, on the 29th day of June, 1978, bearing Index No. 9308 1978, a copy of which may be examined at the office of the Clerk of the Court, located at Old Country Road, Mineola, New York, Grants JOAN MARIE O'CAMPO, effective on the 14th day of August, 1978, the authority to assume the name of JOAN MARIE DENICOLA.

The present address, the date of birth, and the place of birth of JOAN MARIE O'CAMPO, is respectively:

Address: 4 Violet Avenue, Hicksville, New York

Date of Birth: September 26, 1967

Place of Birth: Bronx, New York

will be chosen at the Colonie Hill during the Final Competition Dance scheduled for August, will be one of the main attractions of the Columbus Day Parade which is to be held in Deer Park in October.

The Galileo Lodge which is associated with the 1978 Membership Drive is almost near completion. It is an important program because the membership is the backbone of the organization. And, then again, there is the truism that new members give new spirit, new hope and new blood - the ingredients needed to nurture and sustain its existence. The Galileo Lodge will like to meet you, to introduce you to many things that might be of interest to you. And, as we have mentioned before, why not use a

Friday night to come down to the Lodge quarters and engage yourself in conversation or discussion about the many programs and facilities the Lodge might be able to offer you. Seeing is believing, so come on down and visit with us. You'll be welcome.

The Picnic and Bocce tournament will take place on August 6th, with food and beverages in the offering. This event starts at 11 A.M.

The Golf Outing is scheduled for July 16th at the Heatherwood Country Club, with Tee Off time set for 10 A.M.

The meeting of the Italian Feast committees was quite successful. All duties and functions were allocated to the members of these committees. Don't forget the dates - July 26th

Mercy and that she will always hold a place in her heart for us and our children. The feeling is certainly mutual. We shall miss Sister very much and wish her only the best in the future. Sister Kathleen introduced her mother, Mrs. Hennessey, and her successor, Sister Mary Joanne

Deegan. Our sorrow at losing Sister Kathleen is greatly lessened by the acquisition of Sister Joanne, who comes to us with very impressive credentials and with great dedication and determination.

The whole parish family of Our Lady of Mercy Church says a very fond "farewell" to Sister Kathleen Hennessey and a very warm "welcome" to Sister Mary Joanne Deegan.

## Hicksville H.S. PTSA News

The Hicksville High School PTSA was able to present scholarships to three of our graduates this year, thanks to community-minded individuals.

On June 3, Pam Durkin School of Dance held a dance recital and donated the proceeds to the Scholarship Fund. This is the second year. "Miss Pam" and her talented young performers donated their talent and energies to our students. "Miss Pam" is also a Hicksville High School Alumn.

Two weeks later, Peggy O'Connor held her dance recital on two consecutive days. Miss O'Connor has been donating talents along with her students, to further our students' educational goals. We appreciate the time, talent, and energies put forth to assure continuation of our Scholarship Fund and thank everyone who took part.

This year's winners were: Barbara Goldman, going to Cornell University, her goal is to become a lawyer; Jane Harmon, going to the State University of Albany, and will be studying psychology; and Phillippe Vaney, enrolled in Rensselaer Polytechnic Institute, and hopes to become an engineer.

(Continued from Page 4)  
been in poor taste. It's very unfortunate that the interscholastic sports program was eliminated, and I don't think transportation should have been cut. I'm sure parents say that the exercise won't adversely affect their children; but wait for the first rainy day when there is a major traffic jam in front of all the schools. Not only that, but students will have to leave quite a bit earlier for school, and believe me, one who knows, if you have a load of books and have to walk two miles, I don't think one would be as attentive in school as one should be.

Mr. Willard condemned the H.C.T. again by saying the members were "overpaid, overprivileged and underworked." Why shouldn't teachers have an increased salary? They have to fight against today's economy also. Above all, I don't think the H.C.T. is trying to manipulate the Board. I sincerely think that the H.C.T. is a closeknit group of people trying to get what they can for themselves, but more IMPORTANTLY, they are dedicated to enhancing the education of those they are really working for. THE STUDENTS.

Maybe I'm being very naive to think all this, but I feel I'm right, and I hope Mr. Willard will re-evaluate his accusations and assumptions.

Very truly yours,  
Carrie L. Clark

Editor's Note: Carrie will be a senior at HHS in Sept. For the past two years she has been student council representative attending school board meetings.

### REPUBLICAN WOMEN (Continued from Page 1)

Mrs. Helen Vevas all of Plainview, Mrs. Carolyn Lindley, immediate past president of the Federation and Mrs. Ann Aronowicz of East Meadow also helped.

The chairmen visited the A. Holly Patterson Home in Uniondale and brought birthday presents for the six celebrants of the month. Assisting the chairmen were Mrs. Janet Bennet and Mrs. Mary Ricca. At both Homes refreshments are served, consisting of home baked goodies which the committee provides.
