# International Soccer Tournament

The Hicksville Americans Soccer Club ran it's largest event thus far and once again, thanks to a lot of hard work by a dedicated handful of people, it was a huge success. The Third International Tournament ran for three days (7-14-16) between rain showers and at it's conclusion, 168 soccer games were played by 94 teams to finally decide champions in each of nine age groups. Over the three days, thousands of parents, friends, officials, spectators and the press were treated to some great soccer but much more important than this - approximately 1700 children had the opportunity not only to play against, but also to meet and live with children from other countries and other states. The cultural and good will benefits obtained from this type of exposure far outweighs the line scores of the games.

Perhaps the biggest drawing card of the tournament were the four teams from Taiwan, the Republic of China - headed up by Mr. George S. C. Huang, Chief of the R.O.C. Junior Soccer Delegation. Assisting the Chinese boys during their stay in the U.S. of A. was George Chan, Consul R.O.C., city of New York. The four Chinese teams played excellent soccer and their precision and discipline on and off the field was a thing of beauty and it

showed in their performance; all four teams made it to the semi-finals and their 1963 team won the 15 year old championship. The other out-of-country representatives were Germany (3 teams); England (6 teams); Canada (6 teams); and a team of 64 boys from Sweden, led by Mr. Lars Croysty who also won their age group.

Besides the 20 foreign teams, Hicksville was treated to a visit by 21 teams from eight home states. These teams, from as far away as Texas and California, were also billeted by Hicksville and the other Long Island teams participating in the tournament. The enormous job of arranging the billeting of all visiting teams fell to John Mitchell & Peter Collins and a really great job was done in that a tremendous amount of coordination and planning had to be done in this effort.

After the 168 games, the champions and runners-up (in order) were: 17 year olds, Hicksville, Gloucester, Canada; 16 year olds, Massapequa, McLean, Virginia; 15 yrs. - Republic of China, Throestles, England; 14 yrs. - Sweden and Montgomery, United of Maryland; 13 yrs. - Huntington and Throestles England; 12 yrs. - Hamilton, N.J. and Beaconsfield,

Canada. In the 11 year old group, it was Hicksville and Massapequa; 10 yrs. - Deer Park and Springfield, Virginia and in the youngest (9 yrs.) group, it was Hicksville and Cow Harbor.

The entire event was quite impressive with 9 games going on at one time all over the Grumman complex of fields on South Oyster Bay Road and each day, Ken Cottrell and his troupe of scouts opened the day by marching on to the field with the colors flying while the national anthem was played. These boys also arranged for the flags of all nations represented to fly during the tournament and did a great job for head referee Larry Cerasi and head scorekeeper Jeff Kugler by coordinating the scores, and starting and ending of games on all nine fields. This enabled prompt, accurate information to be posted to the scoreboards for the teams and spectators to see where they stood. A special thanks again this year goes to the Grumman Radio club who donated their services to communicate scores, obtain medical help, etc. during the affair. This group contributed greatly to the success of the tournament (president Ray Schubnel, Skip Courtney, Jack Cottrell and Jim Kearney).

## Tapes On Hicksville

"Hicksville Close up" recently televised by Channel 21 can not be seen at the Hicksville Library every day. Monday through Friday at 10 am., 2:30 pm and 7:30 pm until August 18. Afterwards call the library for an appointment convenient to you or your group. This tape will be included in the growing collection of tapes we have been making of the important recent happenings

in Hicksville. We also have been interviewing local residents who are involved in the history of Hicksville, yesterday, today and tomorrow. We will continue to tape current topics of interest to the entire community so that we can leave a permanent record of life at the end of the twentieth century for our children's children.

Cablevision made the copy for the library of the original tape from Channel 21. (The library

has a different system and 21 was unable to reproduce their tape to our equipment's specification.) The library appreciates Cablevision's help in providing their services so that the people of Hicksville are able to see their town's story.

Soon a list of tapes will be available for any group or person to view at the library. Mrs. Neufeld can be contacted for setting up viewing times. The telephone number is WE 1-1417.

## Book Sale

The annual Friends of the Hicksville Library book sale will begin August 28 at 10 am in the library auditorium until the supply of books is gone. Included in the sale will be the usual adult and children's books at 15 cents each, paperbacks at 10 cents each, as well as records, art prints and reference sets sold at a small fraction of their original cost. The books on sale are from the library's shelves as well as books donated by members of the community. If there are books that are no longer needed by your family bring them to the library as soon as possible to be included in this years sale.

The money made by this sale is used by the Friends of the Library to present library programs; to provide refreshments at teas for the annual Holiday Concert, the November Art Show and other special events; for prizes for winners of the Art Show and to purchase library equipment not in the budget.

Come early (with your own bags or boxes) for the best selection.

Among those keenly interested in Town efforts to obtain Federal funds for the strengthening of the foundation structures of the Heltz Place Courthouse, Hicksville are (left to right) Richard Evers, President of the Gregory Museum, Long Island Earth Science Center now housed in the building and Arthur J. Pettorino, architect and strong advocate of historical preservation. The duo are examining the main support beam of the landmark, a structure listed in the National Register of Historic Places.

## Buy A Bargain, Fix A Feast

Does every item you pick up in the supermarket have a higher price? There is one item that hasn't kept pace with spiraling inflation — the egg. You get highest quality protein, vitamins and minerals at bargain prices. When Large eggs are selling for 75 cents a dozen that's only 50 cents a pound! (A dozen Large eggs weigh 1 1/2 pounds.) Try Cheesy Egg Noodle Bake for a surprisingly hearty and easy dinner main dish tonight. Your pocketbook, and your family, will be pleased.

### Cheesy Egg Noodle Bake

- 6 servings
- 5 hard-cooked eggs, sliced
- 1 1/2 teaspoons instant minced onion
- 1 teaspoon salt
- 3/4 teaspoon Italian seasoning
- 1 package (7 to 8 oz.) spinach or egg noodles, cooked and drained
- 1 cup ricotta or drained cottage cheese
- 2 cups (8 oz.) shredded Mozzarella cheese
- 1 1/2 cups milk, heated until very warm
- 3 eggs, beaten

Reserve 8 center egg slices for top layer. Combine onion, salt and Italian seasoning. Set aside. Layer ingredients in buttered 2-quart casserole as follows: 1/3 of the noodles (about 1 1/4 cups), 1/2 of remaining egg slices, 1/3 cup ricotta (dropped by spoonfuls), 2/3 cup shredded cheese and 1/3 of the reserved seasonings (about 1 teaspoon). Repeat with remaining ingredients.

Gradually add hot milk to beaten eggs. Pour over layered casserole. Bake in preheated 350°F. oven 1 hour. Let stand 10 minutes before serving.

**\*Hard-Cooked Eggs**  
Pierce eggs with an egg piercer or punch, if desired. Put eggs in one layer in saucepan and add enough tap water to come at least 1 inch above eggs. Cover; bring rapidly just to boiling. Turn off heat, if necessary, remove pan from burner to prevent further boiling. Let stand covered in the hot water 15

minutes for Large eggs — adjust time up or down by about 3 minutes for each size larger or smaller. Cool immediately and thoroughly in cold water — shells are easier to remove and it is less likely you will have a dark surface on yolks. To remove shell, crackle it by tapping gently all over. Roll egg between hands to loosen shell, then peel, starting at large end. Hold egg under running cold water or dip in bowl of water to help ease off shell.

## WELFARE SYSTEM FAILING THOSE WHO NEED IT... AND THOSE WHO PAY FOR IT

By Congressman Philip M. Crane, Chairman, American Conservative Union

If there is one issue that concerns all working Americans, it is the soaring costs of welfare. A larger and larger chunk of the federal budget is expended on welfare each year. Currently there are some 44 million people in the United States who receive some form of welfare payments from programs such as Aid to Families with Dependent Children, Supplemental Security Income, state general assistance and food stamps. And unless something is done soon, close to one-third of our nation's citizens could be on the welfare rolls.

Unfortunately, most of the legislation dealing with the problem is expanding the system rather than cutting back. President Carter's controversial Welfare Reform Plan, which is dead for the rest of this session, would have cost us \$20 billion dollars and added nearly 22 million people to the government dole. But those who would have been added were not the poor, but people from the middle-income group and even a few from the upper-income group. According to author Martin Anderson, (WELFARE: THE POLITICAL ECONOMY OF WELFARE REFORM, The Hoover Press, 1978), Carter's proposal would have increased the welfare payments for families with incomes under \$5,000 per year by only 5%. However, the number of people in families earning between \$5,000 and \$10,000 a year would have increased by 36%. The greatest impact, though, would have been in the income brackets between \$10,000 and \$25,000. In this bracket, there was to be an increase of 32%, including welfare benefits and earned income tax credits. Additionally, 4 million Americans who now receive no welfare and have incomes of between \$15,000 and \$25,000 a year would have been eligible for payments. This last figure represents a 154% increase.

Obviously the plan offered by Carter is not a reform at all, but a massive expansion of the welfare system. In a perceptive analysis of this situation by Charles Hobbs (entitled THE WELFARE INDUSTRY (The

Heritage Foundation, 1978), he describes the President's plan as "the latest in a series of attempts to achieve a long-stated goal of the Administration — a guaranteed income policy. Hobbs, the former Chief Deputy Director of Social Welfare for California, suggests the restructuring and redirection of the welfare industry. To reverse the welfare industry's goals, we must: 1) reduce the number of welfare administrators, 2) simplify the welfare system, 3) decentralize the control of the welfare system; and 4) reduce welfare expenditure growth, so that welfare does not grow faster than the national economy.

As Hobbs concludes, "welfare reform is a worthy goal, not just politically, but

Philip M. Crane

socially and economically as well. The (present) welfare system is failing those who need it and those who pay for it. Only the welfare industry benefits. And it is the industry which must have reform if welfare is ever to refocus on its true purpose — to help those who can't help themselves."

Abundant evidence exists that a majority of Americans oppose the transfer of income from productive citizens to fund those who are unwilling to work. Welfare spending continues to outrage the taxpayer citizen. It is my hope that the Congress will enact legitimate reform to get this burgeoning system under control.

## BANKING IS EVERYBODY'S BUSINESS

### Fighting Inflation?—Invest in New CD's

By Willis W. Alexander  
Executive Vice President  
American Bankers Association

With the inflation rate going up and buying power dropping, Americans are looking for investments paying higher interest to help bridge the gap.

Two new possibilities hit the market this summer. Both offer high rates and complete security.

The first is a nonnegotiable six-month certificate of deposit that pays a return tied to the "auction-average" rate on the latest issue of six-month bills that the U.S. Treasury offers for sale each week. Banks can match that rate on a minimum investment of \$10,000.

Remember that the advertised rate applies only for certificates issued during a specified week, and normally will change each Thursday, the issuance date of new Treasury bills. Each certificate pays its issue rate for six months. It's been running just over 7 per cent, as compared with the maximum 5 per cent allowed on passbook and statement savings.

The second investment opportunity is a new eight-year certificate of deposit requiring a minimum deposit of only \$1,000. Banks are allowed to pay a maximum 7 3/4 per cent interest on this one — a near-record for this type of investment.

These CD's, like all others, are simply formal receipts

for large deposits left with a bank for a specified time period. They are an important means banks use for gathering funds for lending and investing. As with other certificates, the two new types are subject to existing penalties for early withdrawal.

The reason is simple: successful bank management — and the safety of your deposited funds — depends on investment for a profit. If the bank knows your funds will be available for a specified time period, it can plan its investments to the best possible advantage and therefore can afford to pay you more for the use of your money. If that certainty is taken away the bank's profits fall, and so do yours, accordingly.

If an emergency comes up, rather than early withdrawal with penalties, you might consider a loan. Both of the new CD's may be used as collateral, if the loan's interest rate is at least 1 per cent over the CD's rate.

Older forms, or denominations, of CD's are also available at many banks across the country. The maximum interest rate allowed on each minimum time period is as follows: 90 days — 1 year, 5 1/2 per cent interest; 1 - 2 1/2 years, 6 per cent; 2 1/2 - 4 years, 6 1/2 per cent; 4-6 years, 7 1/4 per cent; and 6-8 years, 7 1/2 per cent. A minimum deposit of \$1,000 is required.

### GREEK SPINACH PIE

Here's a Greek dish that's taken America by storm. Serve with sliced tomatoes vinaigrette and plenty of hot French bread for a lovely summer supper. Serves 4 to 6.

- You'll need:
- 1/2 cup chopped onion
  - 1 1/2 cups melted butter
  - 2 10-oz. pkgs. frozen chopped spinach, thawed and drained
  - 3 eggs
  - 3/4 lb. feta cheese, crumbled/
  - 1/2 cup chopped parsley
  - 3 tablespoons chopped fresh dill
  - 3/4 teaspoon salt
  - 1/4 tsp. white pepper
  - 1/2 lb. prepared pastry leaves

Saute onion in 1/2 cup butter until golden. Add spinach and cook for 3 minutes, stirring frequently. Remove from heat. Beat eggs in large bowl. Stir in cheese, parsley, dill, salt, pepper and spinach-onion mixture. Mix well. Brush a 13x9x2" baking pan lightly with melted butter. Line pan with 8 pastry leaves. Spread mixture evenly. Cover with 8 more leaves, brushing each with butter. Make a few slits through top pastry layer. Bake 25 minutes in a 350 degrees F. oven until top crust is puffy and golden. Serve warm.

## Flag Football

The Nassau County Department of Recreation and Parks invites all adult males, age 18 and over, to don those jerseys and get into the action with other members of the 1978 Flag Football League.

The Sports Unit is now accepting team entries for the football games that are scheduled for Sunday afternoons at Eisenhower Park, and Tuesday and Wednesday evenings at Cantiague Park.

## "Madama Butterfly"

Scoring yet another "first", Nassau County will present Giacomo Puccini's famous opera, "Madama Butterfly", fully staged, costumed, and produced by the New York City Opera Company, on Saturday, Aug. 19 (raindate Aug. 20) at the Lakeside Theatre in Eisenhower Park, East Meadow. Curtain time is 8 p.m.

County Executive Francis T. Purcell heralded the occasion as a "landmark cultural event for the people of Nassau County, and, he continued, "I would like to express my sincere appreciation to the staff members of our Department of Recreation and Parks and our Office of Cultural Development, who have pooled their efforts to bring the widely-acclaimed New York City Opera Company to Eisenhower Park for a very special evening of free professional entertainment, and the New York State Council on

the Arts for the financial assistance that helped make it possible."

In deference to the amount of equipment required for the full-scale professional production, "Bicentennial Belle", the Recreation Department's mini-paddleboat that circles the lake in Eisenhower Park, will not be in operation on the day the opera is presented.

The Lakeside Theatre is located near Parking Field No. 6. Since there is no formal seating in the area, folding-chairs and/or blankets are suggested for comfortable viewing.

In the event of uncertain weather, call 292-4175 after 11 a.m. regarding rehearsal cancellation, or after 6 p.m. to verify the evening performance. For further details, call the Recreation Department's Special Events Unit at 292-4121.

After finalizing arrangements for the International Summer Ball to be held Sunday, Aug. 13 in the Cloud Casino of Roosevelt Raceway, Westbury, County Executive Francis T. Purcell of Malverne, general chairman, L. Stephen C. Ferraro of Huntington, dinner chairman, center, and William B. Hopkins of Dix Hills, president of Roosevelt Raceway, enjoy some refreshments. The gala will benefit Boys' Towns of Italy, which was founded 33 years ago. Mr. Hopkins will receive the "Man of the Year" award in recognition of his devotion to Boys Towns by the Rt. Rev. Monsignor J. Patrick Carroll Abbing, founder, who will come from Rome for the affair. The Nassau-Suffolk Committee is the sponsor. The meeting was held in Melville.

## Square Dance

The Nassau County Department of Recreation and Parks will be holding its Square Dance Finale at Eisenhower Park on Sunday, August 20, at 8 p.m.

Dancers who responded to

Frankie K's calls at various county parks will get another chance to do-si-do on cue at the Roller Rink near Parking Field No. 4. Ladies are urged to wear full skirts and their "podners"

western shirts to make the free event as lovely to view as it is fun to dance.

Everyone is welcome to come along and join the square dancers or spectators.

PATRONS of the UA Syosset Theatre met with some of the stars of Universal Pictures' "National Lampoon's Animal House" this past Friday. On hand for an autograph-signing session were producer Matty Simmons and Bruce McGill and James Widdoes, who star in the college-campus comedy with veteran film star Donald Sutherland and John Belushi of NBC TV's "Saturday Night Live". "Animal House" is a fast moving comedy dealing with the carefree college fraternity life of the early sixties. It is directed by John Landis, who also directed "Kentucky Fried Movie." It's exclusive Long Island Engagement continues at the UA Syosset on Jericho Turnpike.

P B A ENDORSES DURYEA: The Patrolmen's Benevolent Association of Nassau County endorsed The Governorial Candidacy of Perry Duryea. In their endorsement the P B A stressed the strong position Mr. Duryea has taken in the war against crime and his support of the death penalty.

Pictured are Assemblyman Duryea (left) accepting the P B A's endorsement from Daniel Greenwald (right), President of the Association.

## L.I. Humane Society Starts Membership Drive

The Long Island Humane Society has embarked on a major membership drive. The Society is hoping to expand its membership by inviting concerned residents of Long Island to join.

President of the Long Island Humane Society, David Macknee said, "We're interested in people who agree with the purposes of our association, and that is to provide, promote and

advance humane protection care and treatment of animals."

The Long Island Humane Society is a non profit organization serving Long Island since 1939. The Society operates a shelter in the Village of Freeport at 2 Rider Place, and cares for lost, strayed and unwanted animals while trying to place them with a loving family.

At the Long Island Humane Society the definition of "Humane"

excludes the use of animals for research and vivisection. Therefore the Society receives no public funds, federal, state or county. The Society depends on the help from the public in helping homeless animals.

If you agree with the goals of the Long Island Humane Society and would like to join, please mail in the coupon below, or call either 378-4340 or 623-5964.

## Dear Friends .....

Next Wednesday, August 16 is the date set for the second school budget vote for the Plainview-Old Bethpage School District. Details on this revised budget can be found on page one of our Plainview Edition. Also, the District has mailed out a full explanation to every school district residence. We believe that it is a fair budget and one that is raised mostly because of mandated costs over which the District has no control, as explained on page one. We hope that you will vote "Yes" on this expenditure. However, whether you agree with us or not, don't forget to vote.

The old Oyster Bay Town Hall Annex on Broadway, is no more. This annex is now located in the Town parking garage at Newbridge Road and Duffy Avenue and is presently in full operation. Councilman Tom Clark tells us that the old building will be sold to private business which will put it back on the tax rolls. Good. The new Annex is open from Mondays through Fridays from 8 am to 4:45 pm Their telephone number is 921-7630.

We attended the TOB meeting on Hicksville sewers held at HHS last week, as announced in this newspaper. The meeting was well attended with all those who had questions regarding the coming installations of their sewers. The community is broken up into different areas. Those present were given a rough timetable for when sewer construction would start for their area, by giving their address. Once the sewers are in your street you will be able to hook up, although if you don't want to immediately, you have up to two years to tie-in. Undoubtedly plumbers get in touch with all residences when a tie-in become possible. The price for this varies, we were told, according to how far back the connection is on each property. Roughly though, they said it would cost in the neighborhood of \$450 to \$500 for each tie-in. On the podium, answering questions were Mr. Merkin from the County, Mr. Emil Stein from the TOB Building Dept, the Town Plumbing Inspector, Mr. Lou Detlof Supt. of the Hicksville Water District, Mr. Sam Weiss, Chairman of the Hicksville Water District Board of Commission, Mr. Gil Cusick and Mr. Harry Borley, Water Commissioners. If you were unable to attend and want to know when sewer construction will be starting in your area, a call to the County to Mr. Merkin, would be in order.

A \$10,346,991 contract has been awarded by Nassau County Executive Francis T. Purcell to J.D. Posilloco of Farmingdale for the construction of 23 miles of LATERAL SEWERS in the Hicksville-Levittown area. Posilloco was the lowest of four bidders.

The project area, designated as L-5, is bounded on the north by Old Country Road, on the west by Jerusalem Avenue, on the east by South Oyster Bay Road to the Long Island Railroad, and on the south by Harrison Avenue and other local streets. Work will begin in July and is expected to take fourteen months to complete.

A public hearing on our County's proposed use of \$16.5 million in Federal Revenue Sharing Funds has been scheduled for Friday, August 18 at 1:30 pm in Room 246 of the County Executive Building, One West Street in Mineola. The hearing is designed to give every resident of the County an opportunity to present written or oral comments and suggestions on how this money should be spent. We wonder if anyone will attend and suggest that these funds be used to reduce the County taxes? Some people say that by absorbing some of our County expenses, it automatically does this. Do you see it that way? More on this next week.

Condolences to all our friends of the Catholic Faith on the demise of their Pope...who not only served them well spiritually, but also was recognized by all faiths, as a great humanitarian and world leader.

THAT'S ALL for this week. Stay well.

## Galileo Lodge News

By Joe Lorenzo

The Galileo Lodge has just published its annual report as of June 30, 1978. This list, as you can well imagine, is studded with many facts and figures which attest to this organization's dedication and interest in the Hicksville community and its internal affairs. Some of the facts and figures are as follows: \$175 - Little League and Soccer; \$500 - Food Baskets to needy families; \$600 - Xmas party for retarded children; \$500 - March of Dimes; \$1000 - Grand Lodge charities; \$500 - Scholarship awards; \$500 - Patriotic parades; \$500 - Community affairs; \$1200 - Donation to St. Francis Heart Fund; \$1000 - Bicentennial Monument construction; \$5000 - Other charitable ventures.

Contributions mentioned above are made from Bingo operations and General Fund of the Galileo Lodge.

Included in the above-mentioned donations but not specifically mentioned are: Cooley's Anemia Fund; Earthquake victims of Italy; Flood victims of Florence, Italy; Police Boys Club; St. Ignatius Bugle and Drum Corps; Cancer Research Fund; Hicksville Boys Club.

Recently the Galileo Lodge has also donated the sum of \$125 to the Association of Retarded Children. As one would say, the records speak for themselves, and if actions are louder than words, here is proof of the actions.

The Italian Feast of the Galileo Lodge has been concluded. It was quite successful. Next year, with some additions, it will be even better. The Lodge wishes to extend its thanks to all those members who helped, to the Ladies Auxiliary who are always there to lend a hand, and to all those youngsters who so willingly aided and abetted our cause. And a real sincere thanks to the chairpersons of this feast, Tony Previte and Ralph Vestuti. And a special thanks to our neighbors who have cooperated so fully.

Despite threatening weather, the Picnic and Bocce tournament was also quite successful. It just goes to prove that smiling faces, friendly atmosphere and the aromas of outdoor cooking will frequently drive away the gloom brought on by threatening weather. Thanks to Chairman Sam Christiano and all those diligent members who helped to

keep everything cheerful and pleasant.

Don't forget the coming attractions of The Galileo Lodge: the Beauty Queen Dance on August 26th, the Blood Bank, the Woman of the Year Dance held by the Ladies Auxiliary. And don't forget our membership drive which will start in September. Perhaps there will be one or two more golf outings. Please keep this in mind, all you have to do is dial 931-9351 for more information concerning these events.

## GOP Cocktail Party

Republican candidate for Governor, Perry B. Duryea, and his running mates on the State ticket will be hosted at a special fund raising cocktail party sponsored by the Nassau Republican Party Committee on August 30th at Belmont Race Track, according to Joseph M. Margiotta, Party Chairman.

The affair will be held from 7 to 9p.m. on Wednesday, evening in the Terrace Room of the famed race track, and Margiotta predicted a huge turnout for the fund-raising event. Tickets will cost \$100 each.

## Letters To The Editor

Dear Mrs. Noeth:

I was hoping it wouldn't be necessary for me to write again on the same issue, but I just can't sit still and passively take in what's going on.

First of all, I would like to respond to Mr. Erich Laumann's letter of August 3, 1978. Since I am one of the two students who have written, I feel obligated to make a comment. I would suggest that Mr. Laumann makes sure his facts are straight before he accuses teachers of "coaching" students. Neither James Black nor I had any contact with any member of the HCT. What I said in my letter was based on information gathered by observation and from being involved. Although I am quite familiar with many teachers in the union, there is NO WAY I

would let anyone put words in my mouth.

I am very hesitant about what I'm going to say because I feel that one should respect one's elders. I respect anyone who states an opinion, no matter what the opinion or viewpoint is. What I find exceedingly annoying and immature are insults and un-called-for remarks made by someone. Of course, I am referring to Mr. Frank H. Willard and his letters of the past months. Obviously, it's all right for Mr. Willard to use the words "bludgeoned", "blackjacked", "punished", and "Devil's Exorcism" and have them be "facts", but it's "scare talk" if someone else uses "crucified". He also feels personal insults always help, such as my poor

writing ability and a "school boy's prattlings" when referring to the contents of James Black's letter.

I think I'm correct in assuming Hicksville residents would pay more attention to anyone's statements and suggestions if they were presented in an orderly, inoffensive and sincere manner, instead of having to turn to "Willard's Comedy Corner" every week. Some of his statements are very valid, but his insults make them less plausible.

I hope I've made myself clear, and as a last comment, I'd like to say that even though I may have poor writing techniques, at least I have manners.

Very truly yours,  
Carrie L. Clark

## Hearing Set

A public hearing on Nassau County's proposed use of 1979 Federal Revenue Sharing Funds of some \$16.5 million has been scheduled for Friday, August 18, at 1:30 p.m., according to Nassau County Executive Francis T. Purcell.

The public hearing, which is required by federal regulations, will be held in Room 246 of the

County Executive Building, One West St., Mineola.

The hearing is designed to give every resident of the county an opportunity to present written or oral comments and suggestions on how the funds should be used.

Purcell urged all residents to attend the public hearing or to submit their suggestions in writing to his office.

Front Row (l to r): Mary Kahl, Maureen Cassidy, Rose Cristallo. Second Row (l to r): Sue Peters, Alys Kwarta, Kathy Noonan, Lori O'Rourke. Third Row (l to r): Coach Lois Kahl, Katie Guthlein, Debbie McKenna, Patty Priestley, Winnie Heilig, Eileen McKenna.

The Girls' TYRO Catholic Youth Organization (CYO) Softball Team from St. Pius won the Diocesan Championship for Long Island with an 8-0 record. The team also won the Sportsmanship Award for their Division. This is the first time for a St. Pius CYO girls' team to receive all of the Awards, with an undefeated record, in one season.

For their outstanding achievement, Debbie McKenna received the trophy for her pitching (8-0 for the season); Rose Cristallo (shortstop) won Most Valuable

Player; Patty Priestley (outfield) won Best Sportsmanship; and Katie Guthlein (3rd base) won Most Improved. Other players were: Maureen Cassidy (catcher), Winnie Heilig (1st base), Mary Kahl (outfield), Alys Kwarta (outfield), Eileen McKenna (2nd base), Kathy Noonan (outfield), Lori O'Rourke (outfield), Sue Peters (outfield) and Coach Lois Kahl.

CYO tryouts for next season will be held at St. Pius Gym in February for girls ages 12 thru 16.

## CPR SAVES LIVES

(Continued from Page 1)

Knights of Columbus Hall in Seaford. A donation of \$2200 used to purchase six electronic "Annie" resuscitator training units for the group was provided by the Nassau branch of the Paumanok Pioneers, a Long Island-based New York Telephone community service group.

In addition to Luby, who works as a computer programmer in Garden City, the telephone CPR team consists of Charles Caro of Mineola, Richard Ward of Massapequa, Bruce Gotschalk of North Bellmore and AnnaMarie Fleming of Port Washington. Fleming works as a supervising plant assignor in Manhasset, while Caro, Ward and Gotschalk work as switching equipment technicians in Garden City.

Ann Vitori of New Hyde Park, a registered nurse at Queens Children's Hospital, also takes part in the training classes.

Luby met the training group members while attending a CPR instructor's program at Nassau Hospital in Mineola. "Since many installers, repairmen and other phone people are working constantly in public places, we thought it would be a good idea to offer CPR training after work, at phone company locations," Luby recalls. "From the looks of things, it was a good idea."

Noting that some 1.2 Americans suffer heart attacks each year, Luby says that the primary purpose of CPR training is administering aid during the first critical moments after an attack.

"We're not trying to make medical experts out of our students," the seven-year telephone veteran notes. "All we want to do is teach them the simple techniques that can keep a

person from dying unnecessarily."

There are many incidents, Luby adds, where a person suffers a heart attack on the street and "dies"—ceases to have a pulse or heartbeat. "In many cases these people are still alive but they die a few minutes later because no one at the scene knew what to do. That's where we come in," Luby notes. "By administering CPR, a clinically 'dead' person can be kept alive through a combination of mouth-to-mouth resuscitation and chest-pumping techniques."

As well as keeping the victim alive, Luby also notes that administering CPR can help avert brain damage which can often result from a serious heart attack.

"So far, we've taught sizeable groups wherever the courses have been offered, and we'd like to keep it that way," he says. "The classes are open to anyone who would like to learn CPR—not just New York Telephone people." Information about the dates and locations of future courses can be obtained by calling the Nassau Chapter of the American Heart Association at (516) 741-5522.

Lynda Noeth Scotti — 796-1286

Harriet A. Maher — 433-5994

Just learned that HICKSVILITES Dick and Jackie Hattenback's son, Richard, was engaged to Kathy Walker, Bay Shore, on July 10, 1978. The happy couple plan to be married on May 6, 1979. Richard, who now resides in Islip, is a former graduate of Hicksville High School. Congratulations, folks.

The Donigers of PLAINVIEW had a birthday celebration on August 8. Larry was 19 years old on that day; and his parents, Jerry and Janet, and his sister, Bonnie, all helped Larry "have a happy" Larry was a graduate from the Magma Institute of Dental Technology this past May 12. He is also a member of a musical group in which he plays the drums. Best wishes, Larry.

Yes, Helen Henderson of HICKSVILLE; this is your birthday... August 11. Your Husband, Cliff, and the kids couldn't forget you on YOUR day. They send you much love and good wishes on your birthday. (We do, too, Helen.)

Some good news. We were happy to hear that John Bardenhagen, who was in the hospital recently, is home, feeling fine and ready to go back to work again. Stay well, John.

Guess who left sunny Florida for a rainy vacation on Long Island? It was Mrs. Mary Filoso who flew to our area to attend her granddaughter, Debra Filoso's wedding on July 16. Mrs. Filoso spent some time at her son, Al's, home in Oakdale and divided the rest of her visit between her two daughters' homes; Angie O'Brien and Louise of HICKSVILLE. Mrs. Filoso and her family enjoyed their happy reunion, particularly the wedding festivities.

HICKSVILLE'S on the move this summer. Betty and Frank Jopp have just returned from a week's tour of Williamsburg and Busch Gardens, VA. They enjoyed every minute of their trip, we were told. They said Busch Gardens is like a mecca for tourists. The gardens are divided

into areas that represent four countries: England, Germany, France and New France. A small railroad located on the grounds takes visitors from "country" to "country." The Jopps particularly enjoyed the Octoberfest in which they participated. You sound like a walking advertisement for the area, folks.

Welcome home to Charles and Pat Lynch and their daughters, Jeanne and Dianne. The Lynchs drove 3500 miles round trip to Minnesota. Pat's aunt and uncle, John and Lois Fannon of Minneapolis, MN, joined the Lynch family at Whitefish Lakes, MN, where they rented cabins and enjoyed fishing, water skiing and other recreational sports. Along their route they visited Notre Dame, Indiana; the Sears Tower, Chicago (which is the tallest building in the world); and Hershey, PA. All in all, they had a great time and have many happy memories to look back upon.

Nina Frech, daughter of Bill and Anita Frech of HICKSVILLE, has been on the move this summer. She just completed a "camper-in-training" program at Word of Life Camp, Schroon Lake, NY, which involved a five-day canoe trip, mountain climbing, and other very rigorous activities. At present, she's working in a Connecticut Bible school called

Mountain Lake Bible Camp. Although her parents miss Nina at home, they are very proud she's had the opportunity this summer to participate in these endeavors.

Just returned from a month's visit to her family is Evelyn Fico of HICKSVILLE. Unfortunately, Tom, her husband, could not take leave of his work to accompany Evelyn, but their children, Kim, Laurie and Tom, Jr., journeyed with their mother. They stayed with Evelyn's sister, Cecile, in Cypress Hills, California. While there, they visited with grandparents, aunts, uncles, cousins, brothers and sisters, to name a few. They also toured Disneyland, KnottsBerry Farms (and we received an enthusiastic account of seeing Dick Clark in person at the Farms), and many, many other areas of interest. Hopefully, Cecile and her family will be able to return the visit next month and stay at the Fico's residence.

Proud grandparents for the third time are Jean and Jerry Hitchen of Mayfair Lane, HICKSVILLE. Their daughter, Linda Adams, gave birth to Sean, Philip Adams on June 15. Sean weighed in at 8 lbs. 1 oz. and is healthy, hearty and happy. He joins his dad, Lee; and Brother Scott, 16½ yrs.; and sister Kim (Continued on Page 7)

Mr. and Mrs. James Ownes of Hicksville have announced the wedding of their daughter, Darlene Ann, to Thomas Gerard Coffey, son of Mr. and Mrs. Robert Coffey of Patchogue on July 16. The ceremony took place at St. Paul's Church in Patchogue and the reception was held at the VFW Hall in Hicksville.

## Hicksville Archers To Be In Empire State Games

Mr. and Mrs. Arthur B. Calvert of Hicksville have won the opportunity to compete in the Empire State Games.

Shown in the photo are the Long Island Archery Women who will be competing at the event to be held at Syracuse University during August 16th through the 20th. Left to right they are: Lillian Clark of Mineola, Reba M. Calvert of Hicksville, and Geraldine Zarrillo of East Patchogue.

Over 20 of the sports of the Summer Olympic Games will be represented in the Empire State Games which is sponsored by New York State in order to help in the development of Olympic caliber amateur athletes from residents of the state as well as to provide incentive for participation sports among the citizens, especially for the youth.

The state was divided into six areas so that each could have its own Regional Trials for the

selection of the Finalists for the Games at Syracuse. Long Island is known as Region 3 to the organizers of the Games. For archery, the Regional Trials resulted in the selection of three men and three women, which included the Calverts.

Recently, at the New York

State Archery Championships held near Binghamton, Mr. and Mrs. Calvert won the Husband and Wife Championship Teapot Trophy. In addition, Mr. Calvert won the Clout Championship, a round in which the men aim at a target on the ground 165 meters away.

## Soccer Club Says "Thank You"

The Hicksville Americans S.C., having just finished another successful year, would like to acknowledge and thank a few people and organizations without whose help and support, the Club would not have been able to grow and prosper and certainly would not have been able to run the events it has and primarily, would not have been able to service the youth of Hicksville and all of Long Island, which is its primary objective.

### AROUND OUR TOWNS

(Continued from Page 6)

First, the Grumman Corporation and the Grumman Aerospace Corp. (Messrs. Jack Rettaliatea, Tom Rozzi, Harry Volz and Mike Cherry) for their help, cooperation and support with fields and facilities. Without ground to play on, it would be impossible to play the game of (4 1/2 yrs.); to round out this delightful family. Although Linda attended school in Hicksville; the Adams family is now residing in New Jersey. Congratulations, everybody, on the new addition to your family.

Birthday greetings go to Chipper Clark of Dartmouth Dr., HICKSVILLE, who celebrated on Aug. 4.

Mr. Ralph Lopez of Burbank Pl., PLAINVIEW, has been appointed District Commissioner of the BSA Thunderbird District. Congratulations.

Congratulations to Joanne Blind of HICKSVILLE, who won \$5,000 in the New York State Olympic Lottery Game recently. The Vendor was Woodside House in Long Island City.

Congratulations are due to Norma and Charlie Laver of Lee Ave., HICKSVILLE, who just became very proud grandparents for the second time. Their daughter, Linda (Laver) Cubow and her husband, Joe, presented them with a bouncing baby boy, Joe III, 9 lbs. 13 1/2 oz.

Baby Joe was born July 23, just two days before his Dad's birthday July 25, and four days before his Grandpa Laver's birthday July 27.

Congratulations to George Law, son of Mr. and Mrs. George Law of Huntington and grandson of Mr. and Mrs. Sam Weiss of Hicksville who won the yearly scholarship awarded by Manetto Lodge No. 1025, F & A.M. George will study law at Bryant College in Rhode Island.

hours of good, healthy leisure activity for the youth. Without this, the children would turn to other, perhaps harmful, outlets. Special appreciation also goes to the Town of Oyster Bay, specifically: Supervisor Joseph Colby, Parks Commissioner Tom Gallahue, Councilman Tom Clark and Larry Fitzgerald for their continued interest and support of our Club activities and to Mr. Abram C. Williams of the Nassau County Department of Parks and Recreation.

Heartfelt thanks also goes to Sheila Noeth and the staff of the 'HERALD' for the fantastic coverage all year and for the thrill given to the children when they see their names in print.

Thanks again this year to the Grumman Radio Club for their

help in communications at our indoor as well as outdoor events and to the 50 or 60 men and women who coach our youngsters. This is one of the most difficult and time-consuming jobs and these often unheralded and criticized people spent untold hours on and off the field planning, worrying, solving problems and working with Hicksville kids. Thank you also to the administrators, commissioners, parents and especially to the youth referees who also donate their time and contribute greatly to the success of the Hicksville Americans.

In closing, the Club extends an invitation and a request: if you have some spare time or some time to donate, a lot more help is needed. After it's for a very good purpose - the kids.

## Letter Postage Is Less For Additional Ounces

Many customers mailing heavy envelopes are not aware that postage is only 13 cents for each additional over one ounce, Sectional Center Manager / Postmaster Anthony M. Murello said today.

Spot checks of large envelopes deposited in the associate offices of Hicksville Sectional Center indicate that families are often using two or more 15-cent stamps in mailing items weighing over one ounce.

Postal rates effective May 29 call for 15 cents for one ounce or less and 13 cents for each additional ounce through 12 ounces.

Because many families have a surplus of 13 cent stamps on hand, Postmaster Murello suggests that in addition to matching them with two cent stamps, they may be used for mailing large envelopes or small packages weighing more than one ounce.

## Completes Training

Navy Seaman Apprentice Jacqueline G. Emrys-Deeb, daughter of Albert J. and Frances J. Deeb of Round Swamp Road, OLD BETHPAGE, has completed recruit training at the Naval Training Center, Orlando, Fla.

During the eight-week training cycle, trainees studied general military subjects designed to prepare them for further academic and on-the-job training in one of the Navy's 65 basic occupational fields.

Included in their studies were seamanship, close order drill, Naval history and first aid. Personnel who complete this course of instruction are eligible for three hours of college credit in Physical Education and Hygiene.

# DEVOTIONS

By The Rev. John H. Krahn

## THE DEADLIEST WEAPON

In today's world of sophisticated armaments, I am sure there is much conjecture as to which weapon is the deadliest. Having been an army chaplain for five years, I remember how impressed I was with the fire power of the weaponry of one company of about a hundred men. This is nothing compared to the scope of the deadlier weapons.

Even in the face of fantastic modern weaponry, the Bible is still correct when it suggests that the deadliest weapon in the world is a rather small muscle, pinkish in color, that is housed in the mouth of every human being.

What is so amazing about the tongue is its dual capacity - it can both build up and tear down; it can praise God, it can curse Him; it can encourage a brother, it can stab Him in the back; it can lead you to heaven, it can land you in hell.

We would all do well to consider the health of our tongues. When you get a checkup, one of the first things a doctor will examine is your tongue. If its color is not pinkish-white, he knows something is wrong. In a physiological sense, the health of the tongue often reflects the health of the body. Likewise, in a spiritual sense, the health of the tongue often reflects the spiritual health

of the person.

God, in His Word, encourages us to check into the spiritual condition of our tongues. There are many kinds of spiritually sick conditions reflected by the tongue that cause me to refer to it as the deadliest weapon known to mankind. One of the worst conditions is a tongue that is out of control. Loss of temper brings on this problem. It is caused by several things: irritation, impatience, resentment and bitterness. A wise person has said that if you are in the right, you need not lose your temper; if you are in the wrong, you can't afford to. Jesus said, "Everyone who is angry with his brother shall be

liable to judgment; whoever insults his brother shall be liable to the council, and whoever says, 'You fool,' shall be liable to the hell of fire."

Another sickness of the tongue is profanity. "Thou shalt not take the name of the Lord thy God in vain, for the Lord will not hold him guiltless who takes his name in vain." When we use the Lord's name in vain, we show we do not respect and love him enough to control our tongues.

Lying is another sickness of the tongue. The apostle Paul writes, "Do not lie to each other." A lie is any kind of designed deception. If the deception is not designed, it is not lying, but if we design to make an impression contrary to the naked truth, we lie. This is a tough definition, but I believe it speaks the truth. How often don't we all (in business or social relationships) perpetrate falsehoods. By words, actions, and looks, we design to make an impression that is contrary to the truth.

We all must exercise care to not tear down a brother or sister. We would do well to remember that Jesus loved that person enough to die for him. There is plenty to criticize in everyone, for

everyone radiates imperfection. We all have faults in abundance. In one sense, criticism can be positive. We do need to speak the truth in love to each other. It is a Christian brother or sister to be treasured who comes to you in love and with kindness and points out to you an imperfection that is currently making you or your ministry less effective. Each of us must ask ourselves when we are criticizing someone, "Are we using criticism in trying to help a brother or sister or are we destroying them?"

As we have considered the spiritual condition of our tongues, we have also considered the overall condition of our Christian lives. Through Jesus Christ we know that all shortcomings can be forgiven. We welcome the healing of the Lord through his word and sacrament. And we invite the indwelling of the Holy Spirit to both give us control over our tongue's destructiveness and to enable us to harness it for the greatest good.

We can do no better at the beginning of each new day than to pray the words of the Psalmist, "O Lord, open thou my lips and let my mouth show forth Thy praise."

Most of the Committees that our new Commander Augie Barone appointed are getting themselves organized, so they didn't have anything to report, except for the Employment Agency, Education Program, and the Bingo.

We did get another new member to enter our folds, an old War Horse from W.W. No. 2 Arthur King. We of our Post welcome you Artie.

Artie Fueling made his Bingo report, HELP. Truly we need your help any member who can give an hour or two once a week, or even two a month, you would be doing our Post a fine service. It would also relieve the pressure on the workers that go every week. We are always short handed, and Bingo is our biggest source of income. Without it we would really be hurting.

Joe Gilligan gave his report on the Employment Agency and it sounds good.

We made a mistake on the date for the Oktoberfest. It will be Nov. 11th. Still no price set on the affair. Frank Lotti is trying to keep it as reasonable as possible. More on this later.

The notice you received thru the mail on the Past Commanders Roasting was also wrong, the date will be Sept. 9th.

## Concert At Eisenhower Park

Singer-Comedienne Mimi Hines will share the spotlight with the Long Island Concert Orchestra and Choir along with Earl Wrightson, Lois Hunt and the Dance Theatre of Puerto Rico at the Lakeside Theatre in Eisenhower Park on Saturday, August 12 beginning at 8:30 p.m.

Sponsored by the Nassau County Office of Cultural Development and the County's Department of Recreation and Parks, the program, "American Musical Theatre from Jerome Kern to Leonard Bernstein," is partially financed by a grant from the New York State Council on the Arts.

After "Overture Fantasie from Show Boat" conducted by Maestro Laszlo Halasz, popular songs from Lerner and Lowe, Rodgers and Hart and Jerome Kern will be sung by Wrightson and Hunt. The ballet, "Slaughter on Tenth Avenue" will star the Dance Theatre of Puerto Rico.

Mimi Hines, who has toured the country in many hit musicals, will present selections favored by her audiences across the nation. She has been the feature performer in "Funny Girl," "The Bells Are Ringing," "Gypsy" and "Pajama Game."

Seating at the Lakeside Theatre, located near Parking Field No. 6, is provided by the audience. Folding chairs and blankets are suggested for comfort. Further information may be obtained by calling 292-4121 weekdays between 9 a.m. and 4:45 p.m. In the event of unsettled weather, call 292-4175 after 6 p.m. for verification of performance.

not the 10th. The recipient this year will be Lou Klein. We should have a ball boiling, frying and roasting him. Starting time is 9:00 P.M. till 1:00 A.M. price \$15.00 per, on Sept. 9.

The Norman Lent dinner will be County sponsored, set for Sun. Afternoon same deal as the Roasting except the hours are from 4 to 8 P.M. on Sept. 17th.

There is a battle going on in the Congress of the U.S.A. A faction is trying to take away Veterans preference. Every so often they try to take something away from us. It's becoming more frequent, these are the things that should be promised us and they shouldn't be taken away. I don't want to do any flag waving, the Veterans didn't ask for these privileges they were offered. Now is the time to take them away. We must

be ever vigilant.

Our Cmdr. Augie Barone asked Vinnie Edwards to start a Community Service book. We do keep a record of it, but for our own benefit. This will be in album form.

Chapl. Carmine Soma reported the next Northport visit will be Aug. 8th. It's another way of bringing joy to more unfortunates, our monthly ward parties give them a big boost.

Our deepest sympathy to Mike Snack and his family for the loss of his mother. Heard Al Kreigle is improving and Ron. Moraldo's mother-in-law improved enough to leave the hospital.

Lucky winner for the raffle was Abe Feldman. What again. I'm getting tired of reading his name. Just kidding Abe.

Next meeting will be Aug. 14th. See you then.

**COUNTRY FAIR:** Mary Anne Murphy (left) who is chairman of the Nassau Association for the Help of Retarded Children's Country Fair, lines up activities for the September 9th and 10th event with local chairman Millie Farrell of Hicksville.

The Country Fair, which attracts over five thousand people to the AHRC Brookville campus, features arts and crafts, music, special events, refreshments and games. All proceeds from the Country Fair, which is manned by AHRC volunteers, go to the programs which are daily provided to over one thousand Nassau children and adults.

## ITS VERY HARD TO SELL A USED CAR TO WALTERS-DONALDSON THAT'S WHY IT'S THE BEST PLACE TO BUY ONE WE GUARANTEE IT!

- Before we accept a car as eligible for our used car lot, we give it a real going over.
- We don't put just anything out there. A car has to be something special.
- First we test drive it. And it's a tough test. We know just how that particular car should drive. And if it doesn't, we don't put it on our lot. If it does, that's just the beginning. Next our factory-trained mechanics give it a thorough check. It it's unfixable to our standards, we just don't accept the car at all.
- We figure, that if we're a little bit of a pain when it comes to having a used car live up to our standards, our customers have to benefit.
- And that's why we can give you a written, MONEY BACK GUARANTEE. If within ten days or 500 miles, (whichever comes first), following purchase, you're not completely satisfied, return the car and we'll give you your money back. All of it. Including taxes, registration fees, and any finance charges if you have financed the car through us.

## "School Districts Are Short Changed" Mosca

Oyster Bay Town Councilman Sal Mosca, the Republican nominee to unseat Lew Yevoli in the 10th Assembly District, blasted his opponent recently for failure to take action on Assembly Bill 12387 which would provide needed relief for suburban school districts.

"The Senate, under Republican leadership, adopted a similar measure which provides to school districts no less than 103 percent of the amount that school district received during the 1977-78 school year," Mosca said.

"My opponent is the chief sponsor of a similar bill in the Assembly, but he failed to take any action to move it to the floor because the Democrats he serves, under Steingut and Carey, asked him not to.

"Yet during the upcoming campaign he'll run around waving copies of the bill with his name on it as the chief sponsor. He sponsored this in name only in my opinion; his true colors are shown by his failure to act upon it."

Mosca said that under the Carey regime 229 school districts will receive little or no increases in operating aid in the 1978-79 school year and that 151 of those districts have received no additional allocations in State operating aid for the past three years in spite of the fact that during this period the cost of living has increased approximately 18 percent.

COUNCILMAN SAL MOSCA (right), Republican candidate for the Assembly from the 10th A.D., discusses need for additional State aid to schools with Plainview resident Parker Monroe, Jr., and his son, Shawn. Mosca blasted the incumbent Assemblyman for his failure to get action on a bill that would have given additional relief to suburban school districts.

"Yevoli and his cohorts are following the Carey pattern," Mosca said. "Of the total of \$140 million in school aid increases for the 1978-79 state fiscal year only 2 percent will go to Long Island communities despite the fact that we pay one of the largest shares of revenue to the State education fund."

"His inaction is shortchanging 54 Nassau and Suffolk School Districts, and the taxpayers who support them," Mosca charged.
