## Fire Report

Thirty-seven alarms were received by Hicksville Vamps during the period July 30 through Aug. 12. There were 2 malicious false alarms, 16 fire calls, and 19 rescue calls.

### Fire Alarm Boxes - Out of Service

Due to sewer construction the following alarm boxes had to be disconnected: Acre Lane and Atlas Lane; Rim Lane and Link Lane (north end); Levittown Parkway and Rim Lane (south end); and Cable Lane (center of the block). In event of a fire in these areas, call 931-0026. The

boxes will be put back in service in about two weeks.

The tragic fire in Brooklyn which claimed six firefighters lives, and left 18 children without fires, has prompted the setting up of two funds to help these brave families. Won't you help too? You can send your contributions to the Family Fund, FDNY, c/o First Deputy Fire Commissioner Stephen J. Murphy, 110 Church St., New York, N.Y. 10007; or The Aug. 2 Firefighters & Widows & Childrens Fund, PO Box 1800, Brooklyn, N.Y. 11202.

PLAQUE OF APPRECIATION: Oyster Bay Town Councilman Salvatore R. Mosca, center, and Town Parks Commissioner Thomas Gallahue, right, accept a plaque from Sam Masello of the Hicksville American Soccer Club. The plaque was presented by the club in appreciation of the work of the Town Department of Parks and Recreation.

## Fire Fighters Mourn Loss Of Six Comrades

On Aug. 7, firefighters from all over, New York City, Nassau and Suffolk Counties, New York State, New Jersey and many other states came to Long Island to honor the six New York City Fire Dept. firefighters who lost their lives in Brooklyn on Aug. 2 when a roof they were working on collapsed beneath them, plunging them into the inferno below. Many others were rescued.

Harold Hastings of Petal Lane, Hicksville, was buried at Pineblawn National Cemetery with honors as paid and volunteer firefighters died at attention. Three Hicksville firefighters and three Levittown firefighters carried the fallen firefighter to his final resting place. The flag of our country was folded and was given to one of Hastings' fellow members who presented it to the family, his wife, Donna, son, Brian, daughters, Dawn and Christine.

Hastings served as a chief's aide for the chief of the 42nd

Battalion. A chief's aide performs the difficult task of relaying progress reports at the heart of the fire back to the chief at the command post, thus enabling the chief to deploy men and equipment.

Over 1500 firefighters attended services at Hicksville's Holy Family Church. The Hicksville and Levittown Departments provided trucks to carry flowers (Hastings' brother, Ronald, was at one time a member of the Levittown Fire Dept. He is now a N.Y. firefighter.) Robert Hammond of Hicksville Co. No 1 played taps at the close of the ceremonies.

The Jericho Fire Dept. supplied a ladder truck and together with a Hicksville truck raised their ladders in an arch and displayed our flag. All present at the services praised the brave family of Harold Hastings. Their grief and loss was shared by all.

Fighting fires is a most dangerous job. There are operating procedures that must be done to halt the spread of fire.

Venting or opening the roof to let out the heat and smoke enables men below to attack the fire. There are risks that must be taken. Usually there are warning signs when a roof starts to weaken. The fire in Brooklyn burned away roof supports. A new roof over the old one gave no hint to the men above that it was about to collapse. The old roof went, the new roof fell too.

The job is a tough one. It is made tougher by arson, and false alarms. But the knowledge that those who he protects - support him, makes the job easier.

### Book Sale

The Hicksville Library annual book sale sponsored by the Friends of the Hicksville Library will begin Monday, August 28 at 10 a.m. and will continue as long as there are books for sale.

Hardcover books are 25 cents and paperbacks are 15 cents. Records, art prints, sets and reference books will be sold at a mere fraction of the original cost.

## Fiddler Comes To Hicksville

Once again Saint Ignatius Youth Community is proud to do a summer production. This year the musical will be Fiddler On The Roof. Auditions were held at the beginning of June, and were open to the public for people 7th grade - college age. Presently everyone at Saint Ignatius is busy getting the wheels of progress turning. The show will be directed by Mr. Noel Ruiz, who has much experience, as he has been the director of the two previous shows done at St. Ignatius, The Sound of Music and Jesus Christ Superstar, plus prior engagements.

So make a date and don't be late. Fiddler on the Roof, will be performed - August 18, 19, 20 & August 25, 26, 27, at 8:00 P.M., and September 1st.

Tickets are on sale now. Telephone 935-6873 - if interested, otherwise they can be bought outside of the Church, after each Mass - at Saint Ignatius - on Saturday eve and Sunday. Cost is \$2.00 per adult and \$1.00 per child.

Hicksville Lion past president Westley Villazon is seen here turning the Gavel over to newly elected president Eddie Blaskowsky (r) at the Installation Festivities held on June 23rd at the Villa Victor in Syosset. Other officers elected for the coming year are: 1st V.P. Jim Fyle; 2nd V.P. Frank Simone; 3rd V.P. Angelo Preite; Secretary John Andrews; Lion Tamer Sal Domino; Talltwister Archie Rosica.

As always, the Lions Club welcomes all community minded members of our area to join us in the continuing effort of helping our fellow man in any way that we can. Call us at 938-4994 or 735-9786.

# Escape To Greece

Since air travel these days is getting so expensive, and inflation is on the up and up, wouldn't it be nice to let your family sample Greek hospitality, food, and music, without leaving your own neighborhood?

The Holy Trinity Greek Orthodox Church is holding the second Grecian Festival and Dionysos Wine Festival at the town Parking Field No. 16, on Broadway, one block north of Old Country Road in Hicksville, on August 25, 26, 27, and the hours will be as follows: Friday, 5:00 P.M. - 11:00 P.M., Saturday - Sunday, 11:00 A.M. - 11:00 P.M.

This special event has a two fold purpose: To raise funds for the new church edifice, which will be located on 20 Field Avenue in Hicksville, and to share the cultural heritage of the Greek people with other members of

their community.

For this reason, there will be no admission charge. There will be the featuring Taverna with Bouzouki Music, Greek pastries, coffee shop, souvlaki, loukoumades, boutique, flea market, and games for all ages. Also very special this year is the Dionysos Wine Festival, sponsored by the Senior Goya of the community. There will be many Greek specialties such as spanakopita, pastitsio, kapama, and Greek salad.

We hope everyone will come and enjoy themselves in our little part of Greece, as Father Remoundos says.

Wine is the legacy of Dionysos from ancient times that has been left to modern Greeks, and the rest of the world.

Since then, wine has inspired composers, poets, artists, and

travelers, but most of all - The Greeks.

The aroma, the taste, the color, consistency in quality, all come from luscious grapes, that ripen under the Golden Greek Sun.

Greek Wines come in many variations: i.e., white, rosey, red, dark, semi-sweet, dry, the well

known Mavrodaphne, and the popular Retina. As a matter of fact, each one has its own taste and personality.

Today, Greek Wines - compete with all other good wines of the world. You can offer them with utmost confidence to your friends, and to your guests.

# Aid To Vietnam?

By Anthony Harrigan

Since California's voters gave overwhelming approval to a tax limitation measure—Proposition 13, the spender majority in Congress has been giving lip service to the concept of economical government.

The real test of the majority's intentions will come very soon when the House of Representatives votes on the Foreign Aid Appropriations bill.

If Congress is serious about cutting federal expenditures, it will slash billions of dollars from the foreign aid bill. It can begin by eliminating the \$1.5 billion President Carter is seeking for the International Development Agency.

U.S. Rep. Robin Beard of Tennessee recently pointed out that this \$1.5 billion is "a 93 per cent increase over last year's appropriation."

Where do IDA funds go? U.S. Rep. C. W. Bill Young of Florida stated in recent days that "the IDA of the World Bank is considering five loans for Communist Vietnam totaling \$160 million." He added that this money "will be used to develop their coal industry, energy capabilities, water control projects, etc." These loans are scheduled for repayment over a 50 year payment with nothing to be repaid during the first 10 years and during the remaining 40 years only the principal is scheduled to be repaid. No interest is to be charged.

Understand what this means. The Carter administration plans to take money from American taxpayers and send it to Communist Vietnam through the agency of the International Development Association of the World Bank.

Congressman Beard reports that last Sept. 30, in an interview with United Press International,

the director of Vietnam's Central Bank, "boasted that the U.S. would pay his country \$4.75 billion in war reparations and that it would be accomplished—not directly, but indirectly through the IDA of the World Bank." Apparently the communist official was right. The indirect funding of Communist Vietnam is in the foreign aid bill now before the Congress. President Carter is responsible for this funding proposal.

One wonders how 'this reparations plan will sit with those who fought the communists in Vietnam? And what about Americans who are paying 10 per cent for a home construction loan? Won't they object to an interest free loan to communist foes of the United States?

This isn't the only devious deal in the foreign aid bill. Congressman Young has revealed that last year the U.S. sent 122,000 tons of wheat to India. The Indians turned around and shipped 100,000 tons of this to Vietnam. Rep. Young is of the view that this is "a subterfuge and an attempt to send U.S. foreign aid to Vietnam indirectly through India in order to circumvent the expressed opposition of Congress to sending aid to Vietnam."

The indirect aid to Vietnam is only one reason for slashing the foreign aid bill. This bill is riddled with proposals hurtful to the U.S. interest. For example, Venezuela, which joined other OPEC nations in gouging America on oil prices, will receive \$164 million in foreign aid this year.

If members of Congress don't eliminate the wasteful foreign aid spending, the voters will know who ought to be eliminated at the polls in November.

## Senate Passes LIRR Improvement Bills

Senator Norman J. Levy (R-C-Merrick) announced that as a result of the serious slowdowns and interruptions of service on the LIRR, the State Senate has passed legislation mandating the railroad to make the necessary improvements so the commuter service on the line will be cleaner, more efficient and on time.

Highlights of some of this legislation includes:

Appropriating \$5.7 million for a new communication system on the railroad.

Requires the LIRR to have at least 100 motors and other spare parts on hand, so that cars do not have to be put out of service for minor repairs.

Mandating the MTA to develop and then publicize an emergency plan for transporting commuters when the railroad is not operating.

Mandates the LIRR to train its operating personnel in emergency medical services to aid stricken commuters (LAW).

Levy said that as a result of poor maintenance of the equipment, service on the LIRR was at an all time low.

"The LIRR must be forced to be accountable to its commuters, particularly since each year the State and local governments, like Nassau, give over \$26 million in operating assistance to the railroad," concluded Levy.

## Opening Night With Shirley Bassey

Treat yourself and your friends to a delightful evening, listening to the dynamic lady of song—Shirley Bassey. Through special arrangements with the Westbury Music Fair, the Long Island March of Dimes has secured 500 choice seats for the opening night performance (Monday, Sept. 11 at 8:30 p.m.) of the incomparable Ms. Bassey. Fans of the singer will surely not want to miss this, her only New York engagement, and their tax-deductible price of admission will help in the March of Dimes fight against birth defects.

Barbara Seedman of Center Island, Committee Chairman of the Benefit, assures us that all seats being offered are in excellent locations and will be assigned on a "first come, first served" basis. Sharing the Westbury Music Fair spotlight with Ms. Bassey will be another star attraction, not yet announced. For your convenience, a special parking area reserved for March of Dimes ticket holders will also be available.

Mrs. Seedman and her committee members urge those interested in reserving seats to mail a check or money order TODAY for their choice of tickets (\$50, \$35, \$20) to: March of Dimes Benefit, 2 Robbins Lane, Jericho, New York 11753.

For more information, call 433-7000.

# INTER-COUNTY BLOOD SERVICES

**BLOOD DONOR MONTH:** Nassau County Executive Francis T. Purcell (right) presents a proclamation designating August as "Blood Donor Month" throughout the county to Constance Muscarella of West Hempstead, manager of the Inter County Blood Services of the Greater New York Blood Program. Purcell, responding to the need for blood during the summer months when donors are traditionally fewer, urges all able-bodied citizens between the ages of 18-66 to donate a pint of life-saving blood. For information call (516) 536-7100 or (516) 747-3500.

## A Short Vacation Trip?

### Arts And Crafts Fair

Nearly one hundred craftsmen and artists from all over the Northeast will congregate on the lovely willow shaded green beside the Hudson River at Garrison's Landing, New York, for the Garrison Art Center's ninth annual Arts and Crafts Fair. Garrison is on the scenic eastern shores of the Hudson River, four miles north of the Bear Mountain Bridge. The two-day event will run Saturday and Sunday, August 19 and 20, from 10am to 6pm.

According to Fair chairman Laura Jones, the craftsmen have been carefully screened in order to maintain the high quality of the exhibits. Most of the participants, chosen from scores of applicants, are full time professionals. Unusual as well as traditional styles of jewelry,

pottery, cloisonne enameling, batik, graphics, needlework, weaving, wood carving and stained glass will be on display.

To highlight the exhibits several of the craftspeople will demonstrate their skills. Jay Kindsay, the Art Center's resident potter will give wheel throwing demonstrations, and Orvelo Wood will show how he forms his copper sculptures. Of particular interest is Taiwan artist Cheng Hou-Tien who will demonstrate the ancient art of Chises paper cutting.

A special feature this year in the Center's gallery is a display of crewel embroidery designs by Doris Thacher of Cold Spring. Her colorful treasure chests, bed spreads, and wall hangings have been featured in national magazines and prominent

newspapers. A backyard play gym made by Wooden Environments of Hopewell Junction, New York, will be awarded to a Fair visitor. The gym is a combination sheltered sandbox, tower platform, ladder for scrambling, a side slide, and a sturdy spar with two swings. For the convenience of visitors to the Fair, the Centennial Limousine Service of Cold Spring will provide transportation to and from the distant parking areas for a modest fee.

The Garrison Art Center is a non-profit community organization dedicated to the promotion and understanding of the fine arts and handicrafts. The annual Fair, hailed as one of the East's major arts festivals, is the group's principal fund-raising activity.

## Aloha To Long Islanders

Aloha to Long Islanders from Pacific Island entertainers who will appear at Eisenhower Park during a spectacular wind-up to the free Saturday Variety Concert Series on August 26 at 8:30 p.m.

Performing in costume is the Kanikapila (Let's Play Music) Company. Leilani, a former Miss Hawaii steeped in the culture of the Pacific Islands, will lovingly present the folk music and dance of her ancestors for the enjoyment of the Lakeside Theatre audience. The star of Kanikapila sings, and dances inwork she has choreographed. Lovely Leilani will introduce the performers and interpret every number. The show encompasses Polynesian song and dance from New Zealand to Hawaii.

Viliamu Tuisamoa and Oliva Le'Awanae hail from far-off Samoa. Viliamu (William) specializes in sensational knife, fire and spear dances once part of warrior ritual before and after battles. Oliva, who also is adept with a knife, is famous for his rendering of the Samoan slap dance.

Kanikapila costumes and musical instruments are authentic mementos of a past culture. The paku is a bass drum made by covering the hollow trunk of a coconut tree with stretched sharkskin. Hollowed logs, gourds and lava rock are also played by the music-makers. Dancers will be wearing pounded bark (tapa) and grass. (ti leaf) skirts. Flowers and bird feathers adorn the hair of exotic female dancers while muscular males with painted faces will appear in

warrior garb when appropriate.

Songs and dances of welcome, love, war and homage to the gods are on the program as is the clever Fa'ataupati, a dance mimicking two men defending their person from mosquitos. A Samoan fire dance and a Fijian spear dance add further variety to the show, sponsored by the Nassau County Department of Recreation and Parks with the cooperation of the Music Per-

formance Trust Fund.

Seating at the Lakeside Theatre, located near Parking Field No. 6, is provided by the audience. Folding chairs and blankets are suggested for comfort. Further information may be obtained by calling 292-4121 weekdays between 9 a.m. and 4:45 p.m. In the event of unsettled weather, call 292-4175 after 6 p.m. for verification of performance.

# Dear Friends .....

As you will read in Gerry Kahn's story on this week's Town Board meeting, the famous Hicksville downtown triangle has been the study of a seven-member architects' task force of the LI Chapter of the AIA. The plan was presented to the Town Board on Tuesday. It was met with derision from TOB Councilman Tom Clark of Hicksville because it suggested building 8-to-10-story apartment houses in this area, presumably to be built by private industry. The reason why the buildings would be so high, is the present value of land in this triangle area. We wonder who sets this land value? Perhaps they are too high. That would be up to the landowners. And this is why our downtown Hicksville problem cannot be solved. It is at an impasse and not one made by the Town Board, although they are presently holding the line with an impractical G-1 Zoning for offices which are not needed at present. The residents would like to have some buildings which would help reduce their tax rates ... but they are unwilling to accept this architects' proposal because they do not want high buildings even in a downtown area. This impasse will exist forever if these people do not get together. The Town fathers, the landowners and the residents together are the only ones who can come to a compromise on this problem. If not, the alternative is what we have at present ... a mess of mud puddles and cars parked all over lots that should be producing taxes. Why can't a compromise be reached?

And speaking of problems, let us not forget the two small park areas in Hicksville which are presently gathering garbage and are of no value to this town at all. We hope that when it starts meeting in October the Hicksville Community Council will address itself to this problem with the hope that we can have either modest park-type parks, or put these properties back on the tax rolls by selling them. There are always these two alternatives ... but doing nothing is no solution, friends.

Speaking of taxes, we hear from our County Executive that he has accepted a plan devised by the board of directors of the Vocational Education and Extension Board that will save the county almost \$900,000 in 1979. Under this austerity program VEEB will still continue its Fire Service Academy, but will discontinue its Adult Continuing Education Service and its payment of VEEB office lease rental payments. "This is certainly a start in the right direction and an example for other agencies on all levels of government."

We received an interesting message from the Internal Revenue Service this week. It seems that hundreds of IRS refund checks for 1976 and prior years are still in IRS hands, waiting to be claimed. Among the names on their list is that of a Muriel V. Swanson of SYOSSET, NY 11791 and George Karat, of Hicksville, NY (here the zip code is incorrect for it reads "11858" instead of 11801. So, if you know either of these two people, tell them to contact the IRS office serving their area and in order to receive their refund checks.

On Sat., Aug. 26 starting at 9 a.m., the Long Island Scottish Clans Association will hold a day of SCOTTISH GAMES at the Old Westbury Gardens. As well as games, dancing and a soccer competition the program will include the Gordon Highlanders and the Nassau Police Emerald Society Pipe Bands. Food and beverages will be sold on the grounds. The rain date is Sunday, August 27th. Admission to the Old Westbury Gardens is \$1.50 for adults, 50c for children aged 6 to 12. Additional admission to Westbury House is \$1.50 for adults, and \$1.00 for children from 6 to 12. For further information you may phone 333-0048.

PEOPLE IN THE NEWS: Jim Cummings is on vacation at present, but he did phone to ask me to let you know that the American Irish Congress meeting is set for Mon., Aug. 21st in the Irish-American Center located at 297 Willis Ave. in Mineola. The meeting starts at 8 p.m. ... Mike Polansky of PLAINVIEW has been named the Democratic Jewish Caucus liaison for the Plainview area. "This new organization is needed if we are to effectively deal with the political and economic might of the petrodollar," Mike tells me. If you are interested in joining this Caucus, call Mike at 433-0918.

THAT'S ALL FOR THIS WEEK. Stay well and remember the old question ... "What would my church be like if all members were just like me?" ... SHEILA

# Letters To The Editor

Dear Mrs. Noeth,  
As I am writing this letter to you, I am very sad, but at the same time I feel great pride.

Today I witnessed a death and that is what makes me sad. I was driving past the POB High School and noticed a man prostrate on the track. As I approached the track I noticed something wrong and a friend of mine, who was jogging on the track stopped by the man. After stopping the car, I ran back to my car and drove to Central General Hospital.

The hospital told me no ambulance was available and advised me to go across the street to the Plainview Fire Dept. I then drove across the street to the Fire Dept. and advised them of the situation.

I then got back into my car and drove back to the man in distress. When I got back to the POB High School track, there were people from the Fire Dept. working on the man in distress and more people from the Fire Dept., including an ambulance, were arriving. They continuously working on the man and took him to Central General Hospital.

This evening I called the hospital and found out that the man's name was Ben Slesinger. The hospital also told me that he expired.

What makes me proud was the reaction and feeling of the Plainview Fire Dept. They responded immediately, worked constantly, and never gave up hope, but, alas, there was no hope.

I truly never saw such dedicated men react to a grave situation with such fever.

The people of Plainview should give thanks to have such a dedicated Fire Dept.

Very truly yours,  
Marvin J. Gardian,

Dear Editor:  
I was quite pleased that the Town Board has finally adopted the ordinance that will require local shopping centers and fast food establishments to install and maintain litter receptacles in

## Around Our Town

Did you hear that HICKSVILLE'S Margaret Buchman had a birthday on August 13? Well she did, and she celebrated it with her husband, Bill and their two daughters. It was a happy occasion for a very special person. Best wishes to you, Margaret.

When Bob Rennert tried to telephone his dad, Robert, Sr., in California to wish him a happy birthday on August 7, he was a little concerned because there was no answer. When he finally got through to his parents, Robert, Sr. and Sally, he learned they had gone on a trip to celebrate the occasion. It was only Mr. Rennert's 82nd birthday, and he drove four hours to reach their vacation spot. (It was also the same four-hour drive on their return home.) This lively couple were visitors to Hicksville this past April to attend their grandson, Jimmy's wedding. They are truly "young at heart."

their parking lots. The best way to keep our shopping areas free from litter is to make sure that the public has a place to put the litter.

This ordinance will be a boon both to the shopping public and to local businessmen. No one wants to patronize a shopping center that is strewn with litter. No one likes to shop in filth. Cleaner shopping centers mean improved business - and at only a modest cost to the owners of the property.

BUT - it's up to us, the public, to do our share to make the new ordinance work. Shoppers must make a conscious effort to put their litter into the baskets, and not simply dump it on the pavement. We will now have the "tools" to keep our shopping centers clean, but all of us must make an effort to use those tools.

Let's all show that we take pride in our community - and place the litter where it belongs.

Very truly yours,  
Michael Polansky

Dear Mrs. Noeth:

The political silly season has finally arrived, and nothing could be sillier than the charge leveled against me by Councilman Mosca in last week's Herald. Unfortunately, the subject of the charge is no laughing matter for local school districts and taxpayers.

Mosca "blasts" my supposed "failure to take action" on Assembly Bill 12387, which guarantees that no school district in New York State would receive less than a 3% increase in operational aid for the 1978-79 fiscal year. I am, of course, the chief sponsor of this bill, which would be of tremendous benefit to such suburban school districts as Hicksville, Plainview-Old Bethpage, Bethpage and Syosset.

Assembly Bill 12387 represents a truly bipartisan effort in which I have been joined by most of the Long Island Assembly delegations-including Republican Assemblymen Reilly and Healy

from the two assembly districts directly north and south of our own.

Our initial attempts to gain Assembly passage of this important bill have thus far been unsuccessful, but this has not diminished our efforts to have it voted upon. In fact, the legislative record shows that Assemblyman Healy and I continued our bipartisan effort by introducing the 3% bill as an amendment to the Small Cities School Districts Bill and we moved the amendment to the floor. Unfortunately, it was defeated by a 70 to 48 vote on a procedural motion (a vote that might have been closer if there hadn't been so many absentees-including Assembly Minority Leader Duryea).

In any event, we will shortly take still another opportunity to move the 3% bill to the floor, this time as an amendment to the State's Supplementary Budget legislation. You can be sure that I will continue to be the most vigorous advocate for this important legislation, and will leave no stone unturned in my efforts to have it enacted into law.

It's bad enough that Mr. Mosca has deliberately chosen to ignore the facts and to distort my record on this bill. What's worse is that he has injected petty partisan bickering into an issue that has, up until now, been supported by both local Democrats and local Republicans on a bipartisan basis.

Long Island legislators of both parties can win this fight on behalf of suburban taxpayers-if we keep working together. Mr. Mosca's unfortunate and divisive attempt to play political games with this vital legislation does a disservice both to himself and to his Republican colleagues. Worst of all, it does a disservice to local school districts and local taxpayers, who will be the real losers if the bill becomes just another political football.

Very truly yours,  
Assemblyman Louis J. Yevoli

## At The Town Board Meeting

By Gerry Kahn

Councilman Tom Clark of Hicksville commented on a plan for downtown Hicksville proposed by a task force of seven architects belonging to the LI Chapter of the AIA. Mr. Clark stated that he was opposed to such suggested high rise building which called for from six to ten story apartments for young married and senior citizens. Actually Mr. Clark ended his statement with the suggestion

that the task force build such high rise structures in their own communities. The study, initiated and prepared without cost by this task force, called for a density of sixty apartments to the acre. The highest density in Nassau County at present is in Great Neck Plaza where it is 30 to the acre.

A 48 item calendar imposed prospects of a long Town Board meeting on Tues., Aug. 15,

however, the day's business concluded at 11:40.

John Cleary was the attorney for Items 1 and 2. The first item was a petition for a special use permit to maintain a U.S. Postal Service Vehicular Maintenance facility at Hicksville (e/s Ludy St., e/o Broadway.) Mr. Lou Siplavy spoke in objection to any night operations.

The second item was a request for a special use permit to maintain, conduct and operate a business similar to Avis Rent-A-Car Systems, Inc. s/s Ludy St., 428 e/o Broadway, Hicksville.)

The application included receiving, distribution, servicing, and repair (including body work for rental vehicles.

Mr. Siplavy spoke in objection to the granting.

Item No.3, the petition of Clip Clop Stables, Inc., was adjourned to Sept. 26.

The following item, the petition of Oscar Summers and Robert Gabor for a special use permit for a senior citizen resident was set down for continuance on Aug. 29.

The final hearing of the day was an amendment to the Code of Ordinances TOB, Building Zone Ordinance restricting the height of buildings in commercial districts to 35'

Item 8 on the agenda approved the site plan on the application of Gilbert Tilles for special use permit to construct an office building in Ind. H at Woodbury.

Item 15 approved the conversion of a residence to an office building, Frederick Pl., Hicksville.

Item 36 approved application of Gilbert Tilles (site plan) for special use permit to maintain a one-story office building (Aetna) at Woodbury.

Item No. 37 granting requests to Hicksville Fire Dept. for Labor Day festivities on Sept. 3-4 and to residents of Ohio St. and Solomon Ave., Hicksville for a Block Party on Aug. 19.

Item No. 45 granted petition of John Michael Auto Repair for special use permit at Syosset.

Also the Town Board acted on a law that would no longer allow service stations to display signs larger than 10" by 12" for anything but the price of gasoline. Councilman Joseph Saladino said that before at gas stations, there would be signs with large numerals on them with a hardly visible word "cigarettes" under the figures. He pointed out that this was a deceitful practice luring motorists into gas stations under the guise of paying a low price for gasoline per gallon.

**RETIREMENT:** Lydia Zeberlovich, retiring from the Town of Oyster Bay Building Division, receives a certificate of merit from Town Supervisor Joseph Colby as Councilmen Sal Mosca (second from right) and Tom Clark look on. Lydia, a resident of Hicksville and 30-year veteran of the Town, was honored at a party given by fellow employees at the Villa Victor in Syosset.

Summer meetings of the Board of Trustees of the Gregory Museum, Hicksville are busy sessions as plans for fall programs at the popular Earth Science Center are discussed. Among the community leaders shown who are grappling also with the museum's grave financial problems are: L-R Trustee Edward Peter, Treasurer; Elliot Lowell, Board Attorney; Trustee Elery Bean, Membership Chairman and Trustee Irwin Botto.

**Congratulations are in order for Dawn Owens, 14 years old daughter of Mr. and Mrs. James Owens of Hicksville. Dawn recently returned from the 1978 Grand National Twirling Competition held in Milwaukee, Wisconsin, with two national medals. One was for 4th place in Dance and Twirl Solo and a 7th place in "L" Strut.**

Dawn also had the distinction of being leader of the Grand National Champion Junior Twirling Corp "Crusaders." She is also a member of the Dance and Twirl Team and Twirling Team who place 3rd at nationals this year.

Dawn wishes to extend a thank you to her teachers, Denise Patterson of Hicksville and Mrs. D. Acerino of Florida and Mrs. Liz Boyd of Centereach, the director of the Crusaders Corp and Team.

### "Meet The Teach"

The Women's Association of Savings and Loan Institutions of Long Island (WASALI of L.I.) will hold its third annual "Meet the Teach" dinner-meeting on Wednesday, August 30th, at Antun's in Hicksville, it was announced by Mrs. Ann Assante, president of WASALI of L.I. Cocktails will be served from 6 P.M. to 7 P.M. followed by the

evening program and dinner. The meeting is open to all employees of the savings association industry.

One of the primary aims of WASALI of L.I. is to advance the education of its members and other savings association personnel through promotion of the industry-gearred courses offered by the Institute of Financial Education.

## DEVOTIONS

By The Rev. John H. Krahn

**REJOICE, GIVE THANKS, AND SING**

Those who absent themselves from worship play Russian Roulette with their souls. Russian Roulette has never been a very safe game, but when the stakes are eternal life, it becomes even more tragic. Regular worship of the Almighty has never been an optional activity. Nowhere in Scripture does it allow for a worship life that is based upon whether or not we feel like it. "Remember the Sabbath Day to keep it Holy," God says, period. The first three Commandments God gave to His chosen people dealt with showing love and respect to Him and worshipping Him. When Jesus was asked what was the greatest of all the Commandments, He answered that we should love the Lord our God with all our heart, mind and soul.

We have a great God worthy of

a daily worship life. That's right—daily worship. Sunday worship is essential but is not enough. Begin each day in His name and come to Him frequently with prayer and praise. Ours is the God who stretched out His arm and made beautiful flowers and gorgeous landscapes. He fashioned majestic mountains and placid lakes. The noble lion and the graceful deer came into being by His command. Whenever a newborn infant cries God's greatness is proclaimed. Our very life is a gift from Almighty God. That we are able to worship is a statement of God's goodness to us. And then to think that God would lower Himself to take the form of a man and to be spit upon, mocked, beaten up, and then impaled on a cross for us who continually disappoint Him, this is beyond reason. But He did. He died. Greater love has no man than he gives his life for another.

The Bible tells us. He loves you and continues to love you and me. And then, for so many of us to not care enough about His risen presence in the world today, not care enough for Him and to be sloppy in our worship life—this is most regrettable.

Our great and merciful God is not only one which demands our praise but is infinitely worthy of it. The psalmist is right when he encourages us to "Make a joyful noise unto the Lord. To serve the Lord with gladness. To enter His gates with thanksgiving and come into His courts with praise. To give thanks to Him, and bless His name." Why? "For the Lord is good. His steadfast love endures forever, and His faithfulness is to all generations." All generations—that means down to today. It's ours. We come to church to thank and praise God for it. To rejoice, give thanks, and sing.

## Tennis Tournament

Mid-Island Plaza will be host to two days of professional table tennis exhibitions on Thursday, August 17 and Friday, August 18, at 1pm, 3pm, and 7pm each day.

Presented by Table Tennis Enterprises of Rockville Centre, the exhibitions will convey the fast action and techniques of table tennis and its stature as a

serious competitive professional sport.

The table tennis professionals competing are Roger Sverdik of Rockville Centre, currently ranked 9th nationally, and a former National Junior Champion. Roger has represented the USA in international competition and was a member of the US Team to the 1977 Maccabiah Games in Israel. This year, Roger is the Captain of the US Team to the Canadian National Exhibition. Also playing are Scott Boggan of Merrick ranked 7th nationally, and David Philip, the US Class A Champion.

## FOOT FACTS

**Dr. Robert Wollman**

**Podiatrist Foot Specialist**

About 50% of all joggers will suffer some foot injury. The long distance jogger and women in general will have a greater chance of injury because of the greater stress on the ankle and foot. Most foot injuries will be minor and a stopping of jogging for a short period will be enough. To avoid injury the jogger should use a proper shoe, one that will relieve the stress on ankle, leg and knee joints. A plastic arch for the shoe will help stop muscle strain. Always exercise the leg and foot muscles before jogging. A cold muscle is easily torn. Jog short distances to start and gradually build to your

goal. Run on grass or a cinder track. Stay off pavement. The more severe jogging injuries, tendinitis, heel spur and muscle tears are all treatable and the jogger can usually within a few weeks return to his favorite athletic activity.

Treatment consists of physical therapy, strappings and the placing of a plastic appliance in the shoe to remove the abnormal stress on the joggers foot.

If you wish further information, write or call me at 176 Jerusalem Avenue, Hicksville. 796-3332.

# Around Our Towns

Harriet A. Maher — 433-5994

Lynda Noeth Scotti — 796-1286

(Continued from Page 7) employed this summer at a camp in PA. Her mom and dad, Pat and Chrls, visited her enroute home from their vacation, but found Kathy and others at the camp ill with a 24-hour virus. Fortunately, it was a minor illness and no one at the camp was incapacitated for too long. We understand all are well once more and it's "fun and games" at the camp from now on.

Radio station WTHe, Mineola,

had as a guest speaker Michael W. Maher, HICKSVILLE, last week. Mike was interviewed on "The Irish Folk Music Hour" regarding his knowledge of Irish art throughout history. Mike has a degree in visual arts, and he elaborated on the relationship of ancient Irish folk art to contemporary artists of modern times. Interesting subject.

A new artist in town is Mary Stenson who recently completed a course in portrait painting

Congratulations are extended to Ruth I. (Saueracker) and Adelbert M. Mentnech, both of

Hicksville, who were married July 1. We welcome them home from their honeymoon cruise to Bermuda.

under the tutورشip of Ken Van Rensselaer of Great Neck. In addition to her talent as a painter, Mary is also quite proficient at sculpturing. She is employed as a secretary at C.P.I.; and she and Brian Smith are engaged to be married May 5, 1979. Her sister, Kathy, has also been taking courses—but at C.W. Post and she received her Masters Degree in special education this past July. Kathy is a teacher at St. William the Abbott in Seaford. Enterprising young ladies they are.

Betty and Frank Jopp raved over the Bob Hope Show they recently saw at the Westbury Music Fair. The Jopps were part of a bowling league group from Our Lady of Mercy who attended the show.

Happy anniversary to Marion and Ray Zurawel of Mayfair Lane, Hicksville, who celebrated their 35th on August 14. The Zurawels are long-time residents of HICKSVILLE. Best wishes to you both.

Oh, can't forget Richard Nicholas Wallner, grandson of Marion and Ray Zurawel, who was seven years old on August 16. Richie's mom is Barbara Wallner

(nee Zurawel) who grew up in Hicksville and attended our schools. The Wallner family now resides in Colorado Springs where Richie's dad is a Captain in the Air Force. Happy Birth-

day, Richie.

Anniversary greetings go to Joan and Harold Smith of George Ave., HICKSVILLE.

# Galileo Lodge News

By Joe Lorenzo

The date of the Galileo Lodge's Blood Bank has been confirmed. It will be held on Thursday, the 21st of September, on the Lodge premises, and it will start at 4:00 P.M. It is reported that two other Lodges - Aida and Guseppi Verdi - will join us because they lack the facilities for this type of activity. It is also mentioned that Miss Bright, a highly trained and knowledgeable technician associated with blood donations, will deliver a short talk concerning this subject during the opening moments of this organization's business meeting - the 7th of September. For information concerning the Blood Bank, please call the director, Teddy Marotti at 931-9351.

Hicksville. Tee off time will be 10 A.M. at the Heatherwood Country Club. If you wish to attend this golf outing, please contact Skip Monteforte at 938-7081 or Mario Misturini at 681-5088; they are the directors of this event.

The Galileo Lodge wishes to announce here that the Grand Lodge of the Sons of Italy in America has purchased 1300 tickets for the Perry Como Benefit Show to be held at the Westbury Music Fair Brush Hollow Road, Westbury, on August 28th, which is a Monday. The show will start at 8:30 P.M. It is also a benefit performance for the St. Francis 'Give A Life' heart program, which is now a

State charity but was actually one of the pet programs of the Sons of Italy. Joe Giordano, the Grand Deputy of the Lodge is handling the distribution of tickets, which are 17.50 per person, and he can be reached at 931-9351, 333-4555 and 535-5091. This performance is expected to be a sell-out, so hurry if you would like to attend. But think of it in this manner: you will be aiding a worthy cause and you will be enjoying yourself at the same time. An added note which I failed to mention is that the 'Give A Life' program is not restricted to children only, adults can take advantage of its provisions - which are almost miraculous, to say the least.

The Golf tournament, scheduled for last Sunday but was postponed, will not be held on Sunday, the 20th of August. Attending golfers will meet at 8:00 A.M. at the Lodge quarters, 200 Levittown Parkway,

# Board Appoints New Superintendent

By Linda Strongin

Dr. Wilbur (sic) Hawkins was formally appointed as Superintendent of the Hicksville Public School System by the Board of Education at its meeting last week. Dr. Hawkins will officially begin his duties on September 1, at a salary of \$45,000. He has a 3-year contract.

President Tom Nagle thanked community representatives "for their participation on the screening committee." After the official vote, Trustee Pete Fujimoto had to leave the meeting because of personal business.

The Board approved teaching assignments and transfers for the 1978-79 school year after a discussion on several staff members returning from disability leave. Trustee Neil McCormack questioned whether these teachers were able to

return. Assistant Supt. Dr. Manus Clancy informed the Board that the staff members in question must return a doctor's note by September 5th, stating that they are able to return to their teaching duties. He also informed the Board, when questioned by Trustee John Ayres, that the total teaching staff anticipated for 1978-79 numbered 542.

During the public speaking session, Mr. Ruel Jackson asked if the Board "had discussed or reached a decision on a school budget re-vote." President Tom Nagle said the Board "had not discussed or reached any decision" on the budget or a re-vote. Trustee Iris Wolfson reminded Board members that the latest date for setting a tax rate was September 13. After that date, if a budget sum is voted on and is greater than the austerity

budget, and is approved, "the differential would have to be met by floating a loan." The tax rate cannot be raised after that date.

The Board was presented with 2,800 signatures, petitioning the Board to submit a separate proposition with a budget re-vote in the amount of \$144,764 for extra-curricular and athletic programs. Mr. Nagle accepted the petition.

The Board approved a request from Explorer Post No. 800 for use of the area outside the CMC building; and a request for use of a room in the senior high school front the Youth Employment Training Program for a life skills workshop. Mr. Bill Becker, Director of Buildings and Grounds, asked the Board for a clarification on using a fee schedule and waiver of fees under the austerity budget.

School Board attorney Greg Guercio stated that a "fee schedule can still be used" with or without austerity.

The Board awarded bids for the demolition work at Woodland Avenue School (\$6,500); for a dust collection system for the industrial arts rooms (\$8,421); and for science supplies (\$96,781).

The Board also approved the authorization to purchase various equipment for the three new transitional classes at a cost of \$1,214.79. The Board had approved the new special education classes (two in the senior high, one in the junior high) at a previous meeting.

The Board withdrew an item to approve a calendar for clerical and custodial employees, which calls for 22 holidays. Vice President Dan Arena pointed out that "since their contract has expired, we should not re-establish these days and be locked in." Secretary Bill Bennett was in agreement. The Board, however, did approve September 4 (Labor Day) as a holiday for the groups.

The Board also withdrew an item to set the tax rate for 1978-79 since it has until September 13 to take this action.

Mr. Bennett commended the Dutch Lane PTA for providing food and refreshments for over 2,500 visiting firemen who attended the funeral of Mr. Harold Hastings, a Dutch Lane parent. Trustee John Ayres also commended Dutch Lane PTA

Dr. Wilbur D. Hawkins, the newly appointed Superintendent of the Hicksville Public Schools, most recently served in that capacity in the Brighton, Colorado Public School District. Brighton is a suburb of Denver.

Dr. Hawkins is a graduate of the University of California and California State College. He received his doctorate in education administration from the University of Southern California.

His educational background includes teaching at the elementary, middle school, and high school level. He has also served as an elementary and intermediate school principal.

Dr. Hawkins has held the position of assistant superintendent for five years in California. He was also Superintendent of Schools for the Tamalpais Union High School District, also in California.

Dr. Hawkins is married and has three children.

## Pre-School Story Time

The Hicksville Public Library will offer Pre-School Story Time Programs for residents of the Library District ages 3 1/2 - 5 years.

Registrations will be taken in the Children's Room starting Sept. 11th. The children must be 3 1/2 years old by Oct. 1, 1978. This popular series features stories, films, songs and games. Groups meet on Thursdays; one at 10:30 A.M., and one at 1:30 P.M. The program lasts about 40 minutes.

President Arlene Rudin for her "organizational efforts in arranging for these refreshments" and thanked local merchants who donated food for this cause.

The next meeting of the Board of Education is scheduled for August 30 at 8:15 p.m. in the conference room of the Administration Building.

## Armed Forces

David Rupp, son of Mr. and Mrs. Robert R. Rupp, Tip Top Lane, HICKSVILLE, N.Y., recently was promoted to Army first lieutenant while serving as a field artillery officer with the 74th U.S. Army Field Artillery Detachment in Augsburg, Germany.

Rupp graduated from the U.S. Military Academy, West Point, N.Y., in 1976.

Navy Lieutenant Bruce E. Dunscombe, whose wife, Eileen, is the daughter of Andy A. and Dorothy M. Arensen of Nassau Ave., PLAINVIEW, N.Y., recently returned from an extended deployment with the Atlantic Standing Naval Force.

He is an officer of the frigate USS Pharris, homeported in Norfolk, Va.
