## A Message From Your School Board

The Board of Education of Hicksville Union Free School District has adopted a resolution to hold a special district election

on Wednesday, September 13, for the purpose of voting on the proposed school district budget (Continued on Page 15)

## SJK Mobile Audio Library Cart Rolling

The Stephanie Joyce Kahn Foundation, Inc. has recently placed an SJK Mobile Audio Library Cart in Central General Hospital in Plainview. A joint donation from the Hicksville Lions and the Plainview Bethpage Lions Clubs has been made to the Foundation to help defray the initial cost of this unique library cart. Central General Hospital donated the maintenance fee for the first year's Talking Book service.

Talking Books are cassette tape recordings of best sellers, novels, biographies, mysteries, children's books, foreign language works, non-fiction, etc. Many patients who, for reasons related to their hospitalization, are too ill or unable to read a book in the conventional manner can now enjoy listening to their favorite titles. This new service is free to all eligible patients and provides a diversional therapy which helps them to get well sooner. The hospital's volunteers, who are in charge of this program, are encouraged by the enthusiastic response they have already received from patients.

Mr. Robert Bornstein, Administrator of Central General

Hospital, said "It has been my great pleasure to meet this remarkable young woman. Recovering from her own personal tragedy, Stephanie Kahn is

now dedicated to helping others. We are extremely proud to be able to provide this valuable service to our patients at Central General Hospital."

Left to Right: Miss Stephanie Joyce Kahn, President of the Stephanie Joyce Kahn Foundation; Mr. Bud Ryder, President of the Plainview Bethpage Lions Club and manager of Plainview-Eastern Savings Bank; Mr. Westley Villazon, President of the Hicksville Lions Club; and Mr. Robert Bornstein, Administrator of Central General Hospital at the recent SJK Mobile Audio Library Cart dedication ceremony.

## Galileo Lodge News

By Joe Lorenzo

On Saturday, the 25th of August, the Galileo Lodge held its Beauty Queen dance. About 200 people attended this affair, and they enjoyed a delicious roast beef dinner with all the trimmings, lively dance music that lasted until 1:30 A.M. and a beauty contest that certainly added its own delights to an already fun-filled evening. The Beauty Queen selected was Gina Siracusa of Hicksville. Gina Siracusa has enough feminine attractions to qualify her for top honors for the final Beauty Queen dance which will be held at the Colonie Hill in mid-September. A warm round of applause to the chairmen and all committee members who labored so dili-

gently to make this affair an enjoyable as well as a successful one.

The last social meeting held by the Galileo Lodge on the 23rd of August was replete with many interesting events. At this particular meeting, the Lodge donated \$500 to the St. Francis Hospital 'Give A Life' fund. Sister Yvonne, director of the program at St. Francis, graciously accepted the donation. As we have mentioned before, this program is a pet enterprise with the Galileo Lodge because the work done by this Guild is fantastic and their results are even more remarkable. At that same meeting, Gina Siracusa and Mary Kaleda, both from the Hicksville area,

received their scholarship awards. Gina received her scholarship for excellence in Italian studies and Mary got hers for excellence in science. Both of these recipients received a \$250 award and plaques. The parents of Gina and Mary, in attendance also that night, beamed with pride as these presentations were made.

Proceedings for the Blood Bank are being readied and the Galileo Lodge invites all members as well as the general public to sign up for this cause. Members of the general public who become donors are covered automatically by the provision of this Blood Bank. This is really an important program because blood is precious and its life-saving properties are matchless. In emergencies, the very fact that you have a source for human blood should be a very relief. So, everyone please sign up. Contact Ted Marotti at 931-9351. He is the director of the program. The Ladies Auxiliary will serve food and beverages.

Speaking of the Ladies Auxiliary, they maintain that although tickets for their Women of

Airman Stephen V. Jambrone, son of Mr. and Mrs. Vincent F. Jambrone of Winding Road, HICKSVILLE, has been selected for technical training at Lowry AFB, Colo., in the Air Force avionics systems field.

The airman recently completed basic training at Lackland AFB, Tex., and studied the Air Force mission, organization and customs and received special instruction in human relations. Completion of this training earned the individual credits

towards an associate in applied science degree through the Community College of the Air Force. Airman Jambrone, a 1976 graduate of Hicksville High School, attended the State University of New York at Farmingdale. The Year dance are being sold at a better than normal rate, they still would appreciate a greater response. So, come all you members, start the Fall season by attending this affair and have yourself a good time. The date for this affair is September 30th, and it will be held at the Lodge quarters. Contact these numbers for details and I am sure you will be: 938-7081, 935-6065 and 938-5052. Music will be featured by the Royal Guards and the price of admission is \$12.50 per person. Dinner and unlimited liquor will be served.

The Galileo Lodge's membership is also about to begin. All members should try to bring a friend and to get him interested in our activities. Social gatherings and social activities will be held from time to time in order to encourage new memberships.

towards an associate in applied science degree through the Community College of the Air Force.

Pfc. John C. Spandola, son of Mrs. Mary Spandola, of Willford Blvd. in HICKSVILLE, participated in the International Four-Day Marches, recently at Nijmegen, Netherlands.

The marches, sponsored by the Royal Netherlands League for Physical Culture, were to develop endurance and encourage friendship and goodwill among the participating nations.

Spandola, a truck driver with the 53rd Transportation battalion in Kaiserslautern, Germany, entered the Army in December 1976.

He is a 1973 graduate of Hicksville High School.

Airman Richard M. Poolt, son of Mr. and Mrs. George C. Poolt of Derby Road, HICKSVILLE, has been selected for technical training at Sheppard AFB, Tex., in the Air Force aircraft maintenance field.

The airman recently completed basic training at Lackland AFB, Tex., and studied the Air Force mission, organization and customs and received special instruction in human relations. Completion of this training earned the individual credits towards an associate in applied science degree through the Community College of the Air Force.

## Schools Open On Austerity Budget

Hicksville Schools will open on Wed., Sept. 6, on an austerity budget at present.

Transportation is available for children in K through 6th grade, only after two miles and after three miles for the remaining grades.

"There will be very few buses—only those serving the handicapped. BOCES will be operating on the same schedule as last year," said a district spokesman. "If you are in doubt as to your child's transportation, you may

contact your school or the District Transportation office at 733-2128," he concluded.

Under austerity no athletic or adult education programs are available. However, district voters will have the opportunity to vote on another proposed budget on Sept. 13. The Board of Education will be meeting in study sessions and will establish a revised budget prior to Sept. 6. Details of this budget will be available after that date at all district schools.

## Hicksville Fire Report

During the period Aug. 13 through Aug. 26, Hicksville firefighters responded to 54 alarms. There were 6 malicious false alarms, 27 fire calls.

**Twin Theaters Evacuated**  
On Aug. 22, an odor, reported as gas fumes, filled the Plaza Theaters at Mid Island Plaza. The alarm came into fire headquarters at 9:14 p.m. Nine pieces of apparatus responded under Asst. Chief R. Kershaw. The theater was evacuated without incident before arrival of the Fire Dept. The entire complex was checked and the cause or location was pin-pointed in a smoldering seat in the Twin South Theater. The air conditioning system spread the smell and smoke throughout the complex. There were no injuries. Fire units went out for about 1 hour.

Another blaze caused considerable damage to a converted Florida home at 300 Old Country Rd. The home had just been readied for use as offices. A fire which originated in the ceiling, due to an electrical short, caused damage to the dining and roof.

The fire went undetected until it was spotted sometime later at 3:49 a.m. (on Aug. 26). There were no injuries. 85 men, with 8 pieces of equipment responded under Chief William Ferber.

The champion Hicksville Fire Dept. Ladies Auxiliary took second place award at the State Firemen's Parade held in Hempstead on Aug. 27. Over 40 men and 4 pieces of equipment also took part in the 5 hour parade.

### Labor Day Update

Don't forget the Labor Day Parade is on Sept. 3, at 5 p.m. sharp.

The Labor Day Drill is on Monday, Sept. 4 and starts at 9 a.m.

The 9th Batt. Drill will be held on Sunday, Sept. 3 at 12 noon.

After the Labor Day Parade, the world champion All Girl St. Ignatius Drum and Bugle Corp., the popular Comanche Raiders Band and "Bills Boys" Band will perform for your entertainment at the Block Party at the Tournament Course off Bethpage Rd. Don't miss the fun and excitement.

## Distinguished Students

Trinity Lutheran Church, 40 West Nicholas Street, Hicksville, is proud to announce that thirteen of the young people of their parish have been inducted into THE SOCIETY OF DISTINGUISHED AMERICAN HIGH SCHOOL STUDENTS. Students who were inducted are: Eric Sauer, Jeffrey Supper, Richard Kath, Gail Zakian, Janet Innes, Helen Mascha, Douglas Endorf, Denise Eskil, Karen Broadawchuk, Carol Filangieri, James Lohsen, Karen Ruff, and Scott Strough.

The Society, which is one of the nation's foremost high school honoraries, inducted these students because of their demonstrated excellence in scholastic leadership and civic achievement.

according to the Reverend Charles W. Froehlich, Associate Pastor of Trinity. The National Awards Program is sponsored by fifty-eight colleges across the nation, and scholarship funds from these institutions are made available to Society members each year. Pastor Froehlich received a National Appreciation Award from the Society on behalf of the students and stated, "I am extremely proud of these exceptional students and the honor that they have received. It is a reward and should also be accepted as a challenge to them to continue their course of excellence." We are also pleased to announce that seven of these students are recent graduates of Long Island Lutheran High School in Brookville, New York.

### "My Town"

On display in the childrens room of the Hicksville Library is a copy of a poem written by a Hicksville sixth grade student, Caroline McIntyre.

The poem, titled "My Town" was awarded second prize in the elementary division of the Town

of Oyster Bay's recent Bicentennial Commission's essay and poetry contest. Caroline shares her love of her home town in this charming ode of growing up in the suburbs.

Congratulations Caroline, may you be the winner of many more contests in the future.

### Car Wash

The Hicksville Youth Council is having a car wash at the VFW William Gouse Jr. Post 3211 on Saturday, September 9th

between the hours of 10 AM and 5 PM.

All proceeds will go toward Youth Council programming.

## Budget Re-Vote Set For September 13

By Linda Strongin

A resolution to schedule a school budget revote on September 13, 1978, from 2 to 10 p.m. was adopted by the Hicksville Board of Education at a special public meeting last week. Absent from the meeting was Trustee John Ayres, who was on vacation.

The machine rental, according to President Tom Nagle, is approximately \$1,800. The district is unable to use the regular machines from the Board of Election and is renting them from a private firm. To offset this expense, the number of machines, personnel and hours has been cut. (See legal notice for polling locations.)

The Board however did not adopt a school budget figure, although several were tossed about.

Leading off was Secretary Bill Bennet who proposed a figure of \$28,050,000. "We need to gain back our credibility and this is a figure people can buy." He stressed "getting back credibility" throughout the meeting.

Trustee Iris Wolfson, however, contended that his figure "changes educational programs and the amount of coverage. It could not encompass all programs." As an example, Mrs. Wolfson pointed out that the figure for instructional materials and classroom supplies would decrease from \$23.68 per student to \$15.00. "This is one type of cut Mr. Bennet means in his figure."

Mr. Bennet, however, stated that his figure "has minute changes and will not affect any areas." There was no second to his proposal.

Trustee Pete Fujimoto suggested that a figure "not be set tonight. There has been insufficient time to look at the budget and tell where the ins and outs have been put."

President Tom Nagle stated that he "agrees in a reduction but disagrees on how and where." He went on to explain that the administration had provided figures to the Board when asked

"what would happen if" to various questions, including, among others, the status of school-nurse teachers; tuition fee for evening high school; raising fees for adult education; and an alternate substitute program for the junior and senior high schools.

Mr. Nagle emphasized, however, that "these figures are not administration recommendations."

Mrs. Wolfson moved to adopt a budget figure of \$28,200,000, that, according to Mrs. Wolfson, "would assure a total educational program." Although the figure represents a \$27,185 decrease from the figure submitted in June, it would include adult ed; evening high school; senior citizen programs; transportation; and co-curricular and interscholastic activities.

After the motion was seconded by Vice President Dan Arena for the purposes of discussion, Trustee Neil McCormack moved to amend the figure to \$28,100,000. Mr. Bennet seconded the motion, stating "the figure is in the middle and a budget taxpayers will buy."

Mrs. Wolfson stated, however, that she could not vote on the figure "because I do not know what his figure does not encompass."

Voting no to the amendment were Messrs. Arena, Fujimoto, Nagle and Mrs. Wolfson. Voting no to the original motion of \$28,200,000 were Messrs. Bennet, Fujimoto, McCormack and Nagle.

During the public speaking session, which, at one point became quite verbal, resident Frank Willard took exception to a statement made by Mr. Fujimoto that the law put the district on austerity, not the school board. "The Board did put us on austerity because it adopted a figure that the people couldn't live with," stated Mr. Willard. He also stated that "the students are getting everything" and that frills and staff need to be cut more. "You neglected to make the cuts needed and have taken

out the wrong things."

In rebuttal, Mrs. Wolfson stated that "your definition of frills" differed from hers. Also, Mr. Fujimoto stated "what would we gain as parents on an austerity budget?"

Resident Rober Sklar, also a teacher at the senior high school, told the Board, "don't make a few words scare you." It was at this time that a brief, but heated, exchange took place between Mr. Willard and Mr. Sklar.

Also speaking were several senior high school students who touched on areas such as clarity in the budget brochure; monetary differences between an austerity and a budget figure; and distribution of budget information, using the senior high students.

One resident asked why the austerity budget (\$27,631,489) was higher than the 1977-78 school budget (\$27,445,927). Superintendent Dr. Hill pointed out that the surplus was less than anticipated and that mandated increases (social security, unemployment insurance, fuel costs) amounted to 2.4 million dollars.

In other business, the Board approved the appointment of Mr. Lou Penque as Acting Principal of Old Country Road School, as recommended by Dr. Hill. The Board also approved the expenditure for moving expenses for Dr. Wilber Hawkins, newly appointed superintendent, the cost not to exceed \$5,000.

Mr. Nagle announced that a certified check had been received from the parents of students involved in the athletic program to cover the cost of physical examinations. "The gesture was made with hopes the budget would pass," Mr. Nagle stated.

A proposed budget figure will be discussed further and possibly adopted by the Board at its regularly scheduled meeting Aug. 30.

Copies of the proposed budget will be placed on exhibition, according to education law, on Sept. 6, seven days before the vote.

## St. Pius X Plainview -- Alive And Growing

### ENROLLMENT

In the summer of 1976 as the new administration and new School Board of St. Pius X School was taking office, they realized it had to be the turning point for St. Pius X or by June 1979, the School would be closed. The student enrollment at this high quality educational institution was 191 students. However, 114 of these students were in the top three grades (6, 7 and 8) and there were only 30 students in the lower three grades (1, 2 and 3). By just projecting the trend of these figures, they could see that by June 1979 the student enrollment could be down to about 100 and at that level St. Pius X would not be a feasible School financially.

There had to be a plan devised that would keep the enrollment at around the 1976 level and at the same time maintain the high quality educational standards along with the fundamental religious training and discipline of a Catholic School.

A two pronged publicity and enrollment program was established. First, over the course of each school year the activities of the school, scholastic achievements, speech contests, science fairs, stage productions and community involvement

activities, all had to be publicized in the Parish and the Plainview Old Bethpage community. Through this publicity we would draw additional students in the existing grades throughout the School and at the same time keep St. Pius X School in the minds of the parents of preschoolers. Second, we needed a feeding ground for the future first grades. Therefore, the natural thing to do was to open a Kindergarten. However, at the same time we decided to take the next step, which was to be sure we had a feeding ground for our Kindergarten, and that was to also open a Nursery School. Therefore, during the 1976-1977 school year, committees were established to perform the necessary tasks needed to be able to open a Kindergarten and Nursery School in September 1977. During this period of time the parents of preschoolers in the Parish were contacted and St. Pius School was discussed with them. The result of these activities was that in the 1977-1978 School year we had 55 children enrolled in our new Kindergarten Nursery School program and instead of possibly going to 150 students in the school, based on the prior trend,

we achieved an enrollment of 210 students.

### FINANCES

During this 1976-1979 reorganization stage, as we call it, there was a need to inject some immediate financial assistance to the school. Through the efforts of the School Board, PTC and many of the active St. Pius parents, around \$20,000 per year was raised. Our ongoing program is to achieve \$25,000 per year. During the 1978-1979 school year a long term plan for the 1980's will be derived for St. Pius X School.

### PROGRAM FOR 1978-1979

Now that the ground work (the building blocks) for growth of the school has been laid, the 1979 program must concentrate on total exposure of St. Pius X to the community of Plainview Old Bethpage. During this school year the community will be invited to attend St. Pius activities, such as the two stage productions, science fairs, speech contests and gym show. We will plan interschool activities such as speech contests and science fairs. The preschool parents will be invited personally to "get familiar with St. Pius."

(Continued on Page 13)

## Dear Friends .....

You know we have enough real problems to solve without creating imaginary villains in our own minds. We have in mind the AIA Plans for downtown Hicksville, which were made at no cost to us and are only suggestions from which we can come to a realistic solution to our downtown problems. We suggest that we all "keep our cool," and do three things:

(1) at all local meetings on this subject, COME DOWN AND LISTEN to the suggestions being considered.

(2) make our own suggestions and, if there are reasons why they cannot be used, LISTEN to what these reasons are.

(3) Work together in good faith with all concerned so that a compromise, a realistic plan, can be made for downtown Hicksville. This should be a plan that reflects the realistic aims and ideas of our resident taxpayers, our landowners in this area, and our elected public servants.

It can be done, if we all work together.

So, don't forget to mark your calendars for Thursday, Oct. 5th, when the Hicksville Community Council (which as you know is made up of delegates of our organizations PLUS any interested Hicksville residents) addresses itself to this problem by listening to those residents who take the time to be present. There will also be representatives of the Town of Oyster Bay present but it is primarily one in which you the resident taxpayer is asked to come out and express your constructive suggestions about this problem. It is a good beginning and will probably be the first of many local meetings on this important subject. You all come on down. Please.

We'd like to compliment our TOB Councilman Tom Clark for the help he is giving to those embattled neighbors in the area of the Grandeur Kennels. It isn't easy because the probating of a will seems to have the power to hold up immediate solutions. A temporary solution was effected this week by Councilman Clark when the neglected dogs had been barking and crying all day and into the night. He found someone who could enter these premises, brought them over in his car, and the dogs were all put into the house. Then the neighbors, who at this point were understandably distraught could get some sleep. Tom didn't expect to see me there, but thanks to a neighbors' phone call, I was.

We can't understand how so many violations not only concerning the proper care of these poor animals, but the peace of the neighborhood, can go on and on and on, just because of a probate proceedings. Sept. 19th is the date for this. Let us hope that then it will all be settled. This is a terrible situation and one that must be corrected.

We don't want this column to be filled only with problems. But problems must be solved whenever they occur. In the meantime, we hope you are all enjoying the remainder of our summer of '78 on beautiful Long Island. Until next week. Stay well.

SHEILA NOETH

## G.O.P. News

The Ernest F. Francke Republican Club of Hicksville will hold their regular monthly meeting at 8:30 p.m. on Friday evening, September 8. The meeting will be held at the Veterans of Foreign Wars Hall-William M. Gouse Jr. Post No. 3211, located at 320 South Broadway in Hicksville. (The hall is situated south of the Firestone Store and north of the H.I.P. Building.) Refreshments will be served.

Congressman Norman F. Lent will speak on current issues and bring the audience up-to-date on Congressional matters. There will be an opportunity for a question-and-answer period at the conclusion of Congressman Lent's discussion. This is the first meeting of the Ernest F. Francke Republican Club of Hicksville since the beginning of the summer hiatus. Mark your calendar now with this date so you don't

miss meeting and greeting Congressman Lent and your friends at the Club. You'll have an interesting and informative evening and enjoy the camaraderie of the other Club members. Look forward to seeing you all on September 8.

## At The Stack O'Barley

Those who enjoy entertainment and good food won't want to miss the following at the ever-popular Stack O'Barley Pub located at 646 South Broadway in Hicksville:

On Sept. 1 and 2 Frank Keegans "Celtic Connection" will be appearing, while on Sept. 3, "The Druids" are scheduled.

Then, on Sept. 6 and 7, Martin Flynn's Band (returned from Cape Cod) will be heard.

On Friday, Sept. 8, fans will be glad to hear that Noel Kingston and Paddy Farrell will be entertaining.

Dear Editor:

We owe thanks to Councilman Thomas Clark for clarifying a strange situation. I would like to know, as a Hicksville property owner of long standing, who appointed the National Institute of Architects to submit a plan for Hicksville downtown? Whose absurd idea was it, to suggest low income housing for Sr. Citizens in ten story high rise apartments with their attendant crime rate. Who concocted the idea that Hicksville should be the hub for the mid island area? We have a suburban area and let's keep it that way. The empty lots on Broadway should be used for Garden Apartments and stores, colonial in style. That would be an asset to Hicksville, not an eyesore, like the high risers. There is a five year wait for Sr. Citizen housing. You cannot sign up for it, unless you sell your home first. Where do Sr. Citizens go in the meantime? These are questions that should be raised at the next Community Council meeting. Our representatives in government should manage our TAX DOLLAR for the benefit of the TAX PAYER rather than the TAX CONSUMER.

Dear Mrs. Noeth:

I wish to applaud Mr. Michael Polansky's letter to the Editor regarding litter in shopping centers.

Mid-Island Fashion Plaza annually spends in excess of \$600,000.00 in the maintenance of

its malls, parking fields and other public areas.

Care on the part of the shopper is of paramount concern to us, as we have recently installed carpet and wood parquet flooring, covering our 3 acres of mall floors. Although the majority of shoppers are very respectful, it is the careless and unconcerned few who drop cigarettes, gum, and other litter on the carpeted malls and in the parking fields. We have 50 acres of parking fields and 35 acres of floors in our buildings to clean every day, which equal to cleaning the floors in one thousand homes each day.

Our maintenance crews work 24 hours a day, seven days a week, cleaning litter. At 11:00 p.m. each night our maintenance crew commences shampooing the carpet and works through the night. At daybreak, our crews clean the parking fields.

We are proud of Hicksville and are investing millions of dollars to make Hicksville's Mid-Island Plaza one of the finest malls in America.

We earnestly hope that the community we serve gives support to Mr. Polansky's view - show pride in your community ... and place the litter where it belongs.

Very truly yours,

DONALD MUNDELL

A former long-time Plainview resident, Donald Mundell, 58 of Miami Beach, Florida, died on Aug. 29. Mr. Mundell founded and managed a Little League team in Plainview.

Town Board has finally adopted the ordinance that will require local shopping centers and fast food establishments to install and maintain litter receptacles in their parking lots. The best way to keep our shopping areas free from litter is to make sure that the public has a place to put the litter.

This ordinance will be a boon both to the shopping public and to local businessmen. No one likes to shop in filth. Cleaner shopping centers mean improved business - at only a modest cost to the owners of the property.

BUT - it's up to us, the public, to do our share to make the new ordinance work. Shoppers must make a conscious effort to put their litter into the baskets, and not simply dump it on the pavement. We will now have the "tools" to keep our shopping centers clean, but all of us must make an effort to use those tools.

Let's all show that we take pride in our community - and place the litter where it belongs.

Very truly yours,  
Michael Polansky

To the Editor:

I would like to reply to Councilman Tom Clark's letter of last week and to also make a few statements.

# At The Town Board Meeting

By Gerry Kahn

The Town Board meeting held on Tues., Aug. 29, concluded at 11:40 with no informal discussion following it.

Four hearings led the agenda with the 2nd one having local concern.

It was the petition of Reese Motors Corp., Employee Profit Sharing Trust, represented by Council Frank Georgio, for a change of zone from "F" business to "G" Business, Jericho Tpke. and Greenfield Rd., Syosset. In addition to the zone change the petition requested a Special Use permit to erect, use and maintain a muffler and shock absorber repair shop and public garage.

The Board thoroughly questioned and discussed

the application led by Supervisor Colby and Councilman Diamond.

It was learned the anticipated venture would be a 6-day operation, with three employees, all installation work to be performed indoors, a 3-Bay operation, daily dumpster pick-up, acetylene torch, dismantling and pneumatic tool installations. The operation will be a discount one franchised by Meineke and almost identical to its neighbor Midas Muffler.

Ernest Nissen, Rose Theinert, Georgine Sailine and Gladys Nelson spoke in opposition to the granting. A petition of 80 signatures opposing the application was sub-

mitted.

Item No. 8 on the calendar directed the Town Clerk to advertise notice of hearing on the application of Amoco Oil Company for special use permit to modernize present facilities and to operate a gasoline service station at Jackson Ave. and East Woods Rd., Syosset. The hearing date is Oct. 17.

Item No 26 directed the Town Clerk to advertise Notice of Rescheduled Hearing on application of Clip Clop Stables, Inc. for a special use permit to erect, maintain and operate an indoor racquet ball club with 10 courts and a pro-shop at Hicksville. The hearing date is Sept. 26.

## Holiday Sanitation Schedules

Oyster Bay Town Councilman Joseph J. Saladino announced that because Town offices will close in observance of Labor Day on Monday, September 4th there will be a change in Town sanitation pickups.

Homeowners who normally would receive sanitation collection on Monday will receive a special pickup on Tuesday, September 5th, instead. Those

who would normally receive a sanitation pickup on Tuesday, will be serviced on Wednesday. Following these holiday pickup changes, collection will revert back to the regular schedule.

Saladino noted that the next Town Board meeting will be held on Tuesday, September 12, and that the Town's Labor Day closings will not affect its park and beach facilities.

For You... In His 17th TV Season...

## Marlin Perkins Dives Into Shark-Filled Waters

Most of us are content to view man-eating sharks from the comfort and security of a movie theater, but not Marlin Perkins of "Mutual of Omaha's Wild Kingdom".

In an upcoming episode recently filmed for the new 1978-79 television season, Marlin Perkins dives into shark-infested waters of the South Pacific to get a closer look at these ominous creatures. "How else can you learn about sharks but by being where they are?" quips Dr. Perkins.

In "Shark Pack of Eniwetok", Marlin Perkins joins one of the world's experts on shark behavior, Dr. Donald Nelson, to determine what causes sharks to attack. Using two

one-man plastic submarines built to look like sharks, Dr. Perkins and Dr. Nelson invade a pack of 50 sharks, deliberately provoking an attack. In perhaps the most spectacular wildlife action ever captured on film, a shark goes after one of the submarines and bites off the metal propeller, totally disabling the machine.

### Other Future Episodes

Another new "Mutual of Omaha's Wild Kingdom" program scheduled to air on over 220 television stations coast-to-coast is "Lemurs of Madagascar". Another film—Marlin Perkins and "Mutual of Omaha's Wild Kingdom" photographers go to Madagascar, the island country off eastern

Africa in the Indian Ocean. There they document important studies under way on one of the most fascinating members of the primate family—the lemur.

"Mutual of Omaha's Wild Kingdom's" new episode entitled "Women in the Wild Kingdom" is a special report focusing on outstanding conservation research being done by three women. Their projects include studies on mountain lions of British Columbia in South America, crocodiles of Georgia's Okefenokee swamp, and prairie dogs of Colorado.

Check your local television listing for the correct time, day and channel for "Mutual of Omaha's Wild Kingdom".

## PROTECTING YOUR HEART

Casserole Cooking—Make Two, Freeze One

Today's smart shopper knows how important a freezer can be in getting the most for your food dollar. It allows you to buy meat and other items on special, helps you preserve produce from your own garden and aids in avoiding leftovers by packaging foods to fit your family's needs.

The freezer can also be a big timesaver. Instead of cooking one meal at a time, cook two and put one in your freezer. Most casseroles freeze very well if they are wrapped properly. Also, preparing less expensive casseroles (as opposed to quick, but more expensive entrees) at your leisure lets you save money in the long run.

When freezing casseroles, line the pan with aluminum foil, fill with food and wrap well. Freeze until solid, then remove from the pan. Freeze prepared food as soon as possible and store at a temperature of 0°F. or lower. Be sure to label and date all packages in your freezer to facilitate later use. Casseroles can be stored in the freezer for up to 3 months.

Our Tuna Lasagne is a unique variation of an old favorite that's perfect for freezing. Packed with nutritious foods (tuna, cheese, milk, spinach) this wholesome and delicious dish will soon be a household favorite. As an added bonus Tuna Lasagne is low in cholesterol and saturated fat since it is prepared with Fleischmann's Corn Oil Margarine, skim milk and low fat cheese. And isn't it nice knowing you have another delicious casserole waiting for you in the freezer?

### TUNA LASAGNE

- 6 tablespoons Fleischmann's Corn Oil Margarine
- 1 cup chopped onion
- 8 ounces shredded partially skimmed Mozzarella cheese
- 1 container (12-ounce) pot cheese
- 2 packages (9-ounces each) frozen chop-

- ped spinach, cooked and drained
- 2 cans (7-ounces each) tuna, drained and flaked
- 1/4 cup unsifted flour
- 1-1/2 teaspoons salt
- 1/8 teaspoon white pepper
- 3 cups skim milk
- 2 jars (15-1/2 ounces each) Marinara Sauce
- 1 pound lasagne noodles cooked and drained

Melt 2 tablespoons corn oil margarine in saucepan. Add onion and saute until lightly browned. Measure out 1 cup shredded Mozzarella cheese and set aside. Combine remaining Mozzarella with pot cheese, spinach, tuna, and sauteed onion.

Melt remaining 4 tablespoons margarine in same saucepan. Blend in flour, salt and pepper. Gradually stir in skim milk. Cook over medium heat, stirring, until mixture comes to a boil. Remove from heat.

Spread a small amount of Marinara Sauce in the bottom of each of two 13 x 9 x 2-inch baking pans. Place a layer of lasagne noodles over sauce. Top with 1/6 of the tuna mixture, 1/6 of the white sauce and about 1/8 of the remaining Marinara Sauce.

Beginning with lasagne noodles repeat layers two more times. Top with remaining lasagne noodles and Marinara Sauce. Sprinkle reserved Mozzarella cheese over casseroles. Bake at 375°F. 25 to 30 minutes, until hot and bubbling. Makes 2 casseroles, 6 servings each.

**Freezing Instructions:** To freeze one casserole, line pan with foil leaving ends extended over sides. Fill pan and wrap well. Freeze until solid. Remove lasagne from pan. Return to freezer for up to 3 months.

To serve, peel off foil and place lasagne in baking pan. Thaw in refrigerator overnight. Bake covered at 375°F. 30 minutes; remove cover and bake 30 minutes longer, or until hot and bubbling.

# Conservative Outlook

## ICC REGULATIONS STRANGLE TRUCKERS

By Congressman  
Philip M. Crane, Chairman  
American Conservative Union

Nearly forty percent of the trucks on our nation's highways are strictly regulated by the Interstate Commerce Commission (ICC). This government agency has far-reaching authority. The ICC determines the rates that a company can charge. It authorizes which goods a company may carry. And it specifies the routes that a motor carrier company may use.

The unfortunate result of these regulations has been a welter of red tape that has not only entangled the trucking industry but has also hiked prices on the numerous commodities transported by trucks. Some economists have estimated that trucking regulation costs the taxpayer at least \$1.4 billion dollars each year. The cumbersome rules that pertain to the trucking industry also stifle competition and harshly discriminate against small trucking companies and newcomers to the business.

Entry into the trucking industry, under current laws, is so complicated and expensive that it discourages many potential competitors. An applicant must verify, among other things, that the market needs his service and that there will be no adverse financial impact on existing carriers if he is certified. This all-encompassing burden of proof discriminates against small carriers that are unable to afford the extensive court costs.

Since the trucking industry operates in a non-competitive atmosphere, there is very little incentive to hold costs down. Thus, most of the rates on file with the ICC are higher than necessary. These costs are passed on to the consumer—the very person who the ICC is supposed to be helping by these regulations.

Another major problem of the ICC regulations of the trucking industry is the empty backhaul. Due to severe limitations on trans-

porting certain commodities such as unprocessed agricultural products and newspapers, carriers are often forced to deliver the commodity and travel with an empty truck on the return trip. In fact, one-third of the trucks on the road today face this dilemma because they are unable to carry different types of goods on the backhaul. This contradicts the government's efforts to conserve energy and cut costs.

The solutions to these problems lie in substantial regulatory reform legislation of the motor

carrier industry. Deregulation of this industry would provide a competitive atmosphere that could only result in lower costs to the consumer. Proof of this came in 1974 when the ICC began to allow some of the trucking companies to select their own routes. According to the ICC's own Bureau of Economics, this one reform resulted in an annual savings of 41 million gallons of fuel, 2.7 million man hours and \$58 million in carrier costs.

The Civil Aeronautics Board, which governs the airline industry, recently began to move toward regulatory reform of that industry. The result—lower air fares and real competition among the airlines. The time is ripe for deregulation of another sector of the transportation industry—trucking.

## Driver Education

Hicksville High School will be offering one-half year courses in Driver Education this coming school year, during the Fall and Spring semesters. The course is open to all high school seniors who are residents of the Hicksville School District, whether they attend Hicksville High School or another high school. There is no charge for this course.

Driver Education is offered as a fully credited course, giving one-half credit toward graduation, and, through the "Blue Card", allows the student to get a senior license at age 17.

Hicksville's course in Driver Education is given before and after regular school hours - from 7:10 to 8:00 a.m., and two sessions in the afternoon - 2:55 to 3:40 and 3:45 to 4:35. Assignments to classes are made on the basis of age.

Registration for Hicksville High School students will be held on Friday, September 8, at 3 p.m., and Monday, September 11, at 7:30 a.m. in the High School auditorium. Parochial school students will register on Tuesday, September 12, at 8 p.m., in the Little Theatre. Call 733-2161 for further information.

### Weiss Reelected

Stanford Weiss was reelected to a three-year term as Water Commissioner of the Hicksville Water District on Wednesday, July 30th.

Mr. Weiss received 160 votes. In addition there were 24 various write-in votes and 6 blank votes, making a total of 190 votes cast.

## Hicksville "Rowdies" Future Bright

Under the coaching of Jim Reardon and Russ Tropea, this 1969 traveling team opened its season at the East Meadow Soccer Festival. Despite the land 3 record over the weekend, against teams from New Jersey, Canada, Massachusetts, and Rockville Center, the quality of play was high and the boys look forward to a strong season.

Up front, Gerrard McNamee, Glifford Heller, Tony Conigliaro

and Joe Hanna provided the scoring threats; while Jim Reardon, Kevin Hamil, Greg Tropea and Dan Middleman controlled Todd Roth, Steve Falletta and Robert Cabrera supported William Sneedeen, our goalie, on defense.

This pre-season tournament gave the "Rowdies" the opportunity to assess its strengths and weaknesses. The 1978-79 season will surely prove the team to be one Hicksville can be proud of.

## CUMMINGS 'N GOINGS

By Jim Cummings

LABOR DAY WEEKEND: The Hicksville Fire Department cordially invites you and your family to enjoy a two-day old fashioned and motorized event at

the Bethpage Road site hosting the 50th annual Labor Day Tourney according to Patrick Scanlon, Tournament Chairman... From what Pat told us this

week, residents will enjoy a fabulous parade and entertainment commencing at 5 P.M. on Sunday, September 3 immediately following the parade. The St. Ignatius World Champion Cadet Corps and the Commanche Raider Marching Band will provide a showerful of music... On Monday September 4 (Labor Day) the Tournament activities will get underway - this is a "must" two-days of leisure and family entertainment - let's show our Hicksville volunteer Fire Department by your support and attendance.

HICKSVILLE WELCOME: Perry B. Duryea, Jr., Republican gubernatorial candidate was an early visitor to our community greeting and shaking hands with several thousand commuters at the Hicksville LIRR station this past Wednesday at 6 A.M. He received a most cordial and welcome greeting from our "Dashing Dads" as we observed throughout the 3 hours he chatted with the crowds answering questions and accepting the many "good luck, Governor" and "wish you the best" comments from a great number of the commuters who were surprised and delighted at his stop - surprised that he was there so early and delighted to meet him. Joining the welcome to Nassau

County were: the Honorable Joseph M. Margiotta, of Uniondale, Nassau GOP Chairman; Senator Ralph J. Marino, Oyster Bay Town Republican Leader; Senator John Caemmerer; Assemblyman Joseph Reilly (who covers the Hicksville area) and Town Councilman Greg Carman, candidate for Congress in the 3rd CD, plus a host of Hicksville volunteers who outdid themselves to make this a most successful event.

WE HEAR THAT: Our neighbor Joe Mc Namara celebrated his 73rd birthday on August 25 (we were upstate in Scotia, N.Y.) - our very best the best neighbor and friend... "Dusty and his Mean Machine" will be featured this Friday and Monday (Labor Day) at the Proud Duck, 247 South Broadway, Hicksville - Ken at the Rialto Organ on Saturday and Sunday evenings during dinners - Dusty was featured at the "Beginnings" in Hicksville, TV and a host of LI spots - reserve today 931-8901.

A gala weekend is planned at the "Proud Duck" and hosts Ken and Elsie welcome Firemen and their guests - we hear that a 3 leg trophy to be awarded in the Motor Pump Event on Labor Day was donated by Ken.

DID'YA KNOW THAT: while many were enjoying vacations and trips members of the Joseph Barry Council, Knights of Columbus were helping to paint

St. Ignatius' auditorium and renovating the main Council Hall - work is still in progress - good luck to Bill Thomas and William Henne, Sr., editors for the Joseph Barry Council bulletin - we'll be there if you need assistance with many events to report... Pat Roper and Tommy Doyle will be back at the Hicksville Knights of Columbus on Sunday afternoon, September 24 between 3 and 7 P.M. - if you want a spot to sit, call today to Dan Gallagher (935-7117) or Peter O'Reilly, Sr. (938-2792 evenings please) - originally scheduled for October 8 please note your calendar dear Gals and friends... Dennis Schack of the Hicksville Council was named Knight of the Month in a series now in effect - well deserved... the Council will honor PGK Steve Ryan on Saturday evening, September 30th tickets are \$16.00 per person contact Paul Dunn at 938-8323 - Ed Kelly, House Chairman at the Council is planning many activities - social and "disco" we hear - we've got the best around and salute Grand Knight James E. Carroll for the "new look". Hope all enjoyed the summer months - here is a wish for health and happiness in the months ahead - Have a happy weekend.

### Happy Birthday

Birthday greetings go to Eric Alexander, W. Marie St. HICKSVILLE, who celebrated his 8th on Aug. 21.

## AROUND OUR TOWNS

HARRIET A. MAHER  
433-5994

Happy Birthday to Mr. William W. Pietruszewicz of HICKSVILLE. He celebrated his on Aug. 24.

Mr. and Mrs. Edwin J. Roche of Acre Lane, HICKSVILLE, have just returned from a two-week vacation in West Germany with their daughter and son-in-law Capt. John W. Vollbrecht.

Mrs. Vollbrecht is the former Kathleen H. Roche, graduate of Hicksville High School. She teaches the first grade elementary school for the Dept. of Defense, U.S. Elementary School, Weienhof, West Germany.

Their son, L. Cpl William M. Roche is at present with the U.S. Marine Corp in the Mediterranean.

It's that time of year again - time to wish Mary Novellano of HICKSVILLE happy birthday. Mary had her birthday on August 29 and celebrated it with lots of love and good wishes from her family, friends and neighbors.

"Go West, young man," said Horace Greeley, and that's just what Bill Buchman and his lovely wife, Margaret did. The Buch-

mans spent almost three weeks in California visiting with their two college daughters, Lydia and Carol. The girls are students at San Diego U., working part-time, and still found time to enjoy their parents' visit and share with them the various sites of interest in the area. The Buchmans also visited Las Vegas, Mexico, Los Angeles and Hollywood. They had a marvelous time; and all too soon returned to HICKSVILLE.

Joe and Dolores Magee and their son, Michael, spent a pleasant week at Frank Davies Resort in Moodus, Connecticut. They enjoyed swimming, tennis, boating and many other activities the resort had available for their guests. Best of all (well, almost best of all) the weather was perfect the Magee's said.

"California here I come," was the theme song sung by Eleanor Francis and her daughter, Doreen, who enjoyed a vacation in that sunny state. After touring Disneyland, Sea World, Paramount Studios, Universal Studios, Malibu and other tourist attractions, the Francis duo flew to Florida. They visited with

Eleanor's twin sister, and then flew back to Hicksville with Mrs. Ella Berteloot, Eleanor's mother. All-in-all, they were travelling about three weeks and enjoyed every minute of it.

Welcome back to HICKSVILLE, Alex and Louise Pankoff. The Pankoffs vacationed in Missouri with their daughter, Barbara, and son-in-law, Michael Thiry, and the Pankoff's grandchildren. Out of the two weeks vacation time, the families spent about four days in an Apache Camper out in the woods. Appropriate with the name of the camper, they "roughed it" in former Indian lands - the Shawnee Territory. Alex told us the temperatures reached 102° in the shade, but they had camped near a small lake and were able to cool off in its waters.

Great Gorge, George. Did you know that Jean and Jerry Hitchen and Olga and John Glinka (all HICKSVILLITES) met Betty and Artie Wicks (formerly of Hicksville and now residing in New Hampshire) at the playboy Club at Great Gorge, NJ? The place was jumping with Playboy bunnies - one lovelier than the other, we learned. We also learned Jerry, John and Artie are more than willing to take their wives back there for another vacation - the sooner the better.

Happy anniversary to Fran and Graham McNamee who celebrated their 29th wedding anniversary on July 25. The McNamees enjoyed dinner out at a local restaurant in honor of the occasion. They are the proprietors of McNamee Printing, Inc. in HICKSVILLE. Congratulations, folks.

Barbara DeStefano, Mayfair Lane, HICKSVILLE, was extra "special" on August 26 - it was her birthday. Of course, to her husband, Frank, and their two children, Barbara is always special. We think so, too, Barbara. Enjoy.

Back from three weeks vacation in Puerto Rico are Maryjoan (nee Maher) and Andy Perez and their baby, Jimmy. The Perez's, who are former Hicksvillites, visited with Andy's parents in Aguada, PR. It was a happy family reunion for Andy, Maryjoan and Jimmy with brothers, sisters, aunts, uncles and cousins all participating in the family gathering.

A speedy recovery is wished to Jeanne Lynch who is in Nassau Medical Center, East Meadow. Jeanne's parents are Charles and Pat Lynch of HICKSVILLE. Get well soon, Jeanne.

### At The Library

Learn to construct your own dollhouse with numerous furnishings at the Hicksville Public Library. On Saturday, September 16, Mrs. Arline Lavine will lead a workshop on dollhouses for Hicksville youth in grades 4-8. A small fee will be charged for supplies.

Sign up in the Children's Room starting September 1. Class size is limited.

Happy birthday to Janet Stengl of HICKSVILLE who was 17 years old on August 19. Janet is the daughter of Cathy and Bob Stengl. This vivacious girl teaches preschool and first grade confraternity classes at St. Ignatius R.C. Church; is a member of the Liturgical Dance at St. Ignatius; is a member of the Folk Singing Group and is involved in many other activities. Love to you from your family and friends, Janet, on your special day.

Birthday greetings go to Linda Maiorino, daughter of John and Jean Maiorino, of Moeller St., HICKSVILLE, celebrating her 19th on Sept. 1. We join in with her Mom and Dad with love and best wishes for the coming year.

Happy Birthday to Joesph Lowry, Jonathan Ave., HICKSVILLE, celebrating Aug. 29.

Daniel Adam is the name of the new arrival at the home of Paul and Sherri Silver, Milford Dr., PLAINVIEW. He made his arrival on Aug. 22 at North Shore University Hospital. Waiting at home to greet Daniel was Courtney Brooke, 18 months old.

Steve Guttenberg, son of Stanley and Ann of PLAINVIEW, an actor who is now making a movie in Mexico called "Playing Hard," paid a visit back to Long Island. He is now involved in college and acting in Hollywood, California. We all wish him luck!

Birthday greetings go to Mark Bolen, Bridle Lane, HICKSVILLE, celebrating on Sept. 3.

Welcome home to Fred and Claire Frey and son Geoffrey of Deer Lane, HICKSVILLE. They returned recently from a vacation to Florida.

## Senior Health

Final plans are being completed for the Syosset Hospital Senior Health Fair to be held at the Syosset-Woodbury Park on Wednesday, September 6 from 10 a.m. to 3 p.m.

In cooperation with the Town of Oyster Bay Division of Senior Affairs, the hospital has planned a series of health-related activities at the gracious mansion which is the park's Community Center. These include free blood pressure screening by members of the hospital nursing staff, free glaucoma testing from 10 a.m. to noon by Dr. Joseph LoPresti, Chief of Ophthalmology at the hospital, an exercise session at 11:30 a.m. with Mr. Joseph Gibbons, the hospital's Director of Physical Therapy, health films in the afternoon and a cooking demonstration with emphasis on cooking for one or for two.

The Nassau County Dept. of Senior Citizen Affairs' Seniormobile will be on the premises all day with a staff of professionally trained personnel to provide a full range of person-to-person information, referral and consultation services. A completely equipped Nassau County Police ambulance will also be at the Fair, manned by an officer who will explain the emergency facilities on the vehicle.

Representatives from the Social Security Administration, the Nassau-Suffolk Health System Agency, Senior Health and Counseling and the Syosset Senior Day Care Center will be at tables to answer questions about their services to seniors.

"The cooperation at every level has been marvelous", commented hospital Administrator Mark S. Colman. "The Syosset Chamber of Commerce sent us a generous donation to help defray costs; McDonald's is sending over orange drink. The Town and County departments have been most helpful in planning this fair."

A special luncheon will be served at noon to all senior residents in attendance.

"We hope all senior citizens in this area will join us on the 6th for a pleasant and informative day", concluded Colman.

## Named Exec VP

Long Island Bank, a subsidiary of LITCO Corporation of New York, has named Mr. J. William Johnson as Executive Vice President. Mr. Johnson has been with the bank since 1976 as Senior Vice President and Chief Administrative Officer. The appointment was announced by James C. Dinkelacker, President of Long Island Bank.

Prior to joining Long Island Bank, Mr. Johnson was Senior Vice President of Long Island Trust Company, also a subsidiary of LITCO Corporation of New York. The corporation currently operates 45 banking offices in Nassau, Suffolk and Queens Counties with total assets in excess of 900 million.

A graduate of the Wharton School of Finance and Commerce and a cum laude graduate of the University of Pennsylvania School of Law, Mr. Johnson holds a Baccalaureate in economics and a Juris Doctor degree. He is currently attending the Stonier Graduate School of Banking.

A resident of Huntington, where he lives with his wife, and daughter, Mr. Johnson is an active participant in civic, philanthropic and professional affairs. He has recently served as director of the Huntington Red Cross and as a trustee of the Village of Huntington Bay. He is a member of the New York State Bar Association.

## Immunizations Available

During September immunizations will be available free of charge at special walk-in evening clinics in Plainview, announced Dr. John J. Dowling, Commissioner, Nassau County Department of Health.

The clinics will be held

Thursday evenings, Sept. 7, 14, 21 and 28 from 6:00 P.M. to 8:00 P.M. at the Plainview Health Center, 1535 Old Country Road.

Individuals from two months of age to those in high school can receive these free vaccines. A parent or guardian must accompany the child to provide the required written parental

consent. Records of previous immunizations and notification about needed immunizations received from schools should be brought to the clinic if available.

For further information call 335-1410.

## Fund Raising Project Available

This fall, students can join with faculty and PTA members in fund raising activities to supplement district school budgets by saving all-aluminum beverage cans and other household aluminum for recycling. The Reynolds Aluminum Recycling Company pays 17 cents per pound - cash on the spot - to individuals and organizations recycling aluminum at Reynolds collection points throughout Long Island.

Reynolds Aluminum Recycling Company pays 17 cents per pound for all-aluminum beverage cans and other clean household aluminum such as pie plates, foil, frozen food and dinner trays and dip, pudding and meat containers. Certain other items, including aluminum siding, gutters, storm door and window frames, and lawn furniture tubing are also worth 17 cents per pound. This aluminum must be free of all foreign materials, cut to lengths not exceeding three feet and should not be mixed with cans.

Additional information is available by calling toll-free 1-800-243-6000.

last 20 years the people of Hicksville would have loved to have a village they could call their own, but the "powers that be" saw to it that we couldn't have it. I still can't understand how a councilman can know what the people of Hicksville want when he has never asked them. In all the 54 years I've been living in Hicksville, not one councilman has ever contacted me and asked what I'd like done for the town. Someone who has lived in Hicksville for 10 or 12 years has no idea what Hicksville was - or should be. All the politicians have done with Hicksville is made it into "weed alley." The town put up that ugly 3 story parking garage without any permission from the people of Hicksville.

I say that we should utilize all the vacant land in the G-1 zone. Bend backwards with the old timers of Hicksville who own all that property in the village. Let them be able to rent or sell their property so they can pay their taxes and not worry, in their old age. Improve the looks of the village with nice boutique shops, two story senior citizen apartments, etc. Give us back a nice town. I think the Arthur Treacher's fast food and the new

Crown gas station have improved Hicksville. Let the big companies come in - they have the money to keep their places nice.

What we need in Hicksville is a Judy Jacobs - How about ....

## ST. PIUS X

(Continued from Page 3)

### STAFF

The St. Pius teaching staff is made up of a lay Principal, Mrs. Joan Kawecki, two Sisters of St. Joseph and 9 lay teachers. All of the staff is fully certified under New York State and 60 percent have advanced degree studies.

### PROGRAM CURRICULUM

St. Pius X class size is small, the average class has slightly less than 20 students with the largest class 27. The school has a Library program, music and art program, a speech therapist, gym program, science lab and learning centers. Through these programs, and the small classes, individual attention can be given to slow students, average students, and the gifted students. There are programs for the advanced students in math (High School Algebra), reading and Italian. During the course of the school year all classes participate in class and school

speech contests, a science fair, two stage productions, and field trips of historical, scientific and cultural nature. Recognizing the prime reason for the existence of St. Pius X School, the entire curriculum along with the formal religious program is presented in the spirit of the Catholic faith. Discipline is an important factor too; the students must realize their place in the family, school, Parish and community.

### CONCLUSION

This is St. Pius X, the School with that special spirit, that spirit we hope to pass on!

## Operation VFW

By Lou Palladino

We may have made mention of this before, but in case we haven't our Post received a ninth place award in the State V.F.W. for Community service. That's not bad when you consider how many Posts there are in our State, just in Nassau County alone we have 44 V.F.W. Posts, so with hundreds of Posts in New York State 9th place is pretty good. We still haven't gotten over winning the National Gold Award, and even received recognition in the National V.F.W. Magazine. We weren't looking for, or expecting it, but we got it. This Gold place Award was given to us for Community Service because of our Employment Agency.

We have now accepted two more old war horses of W.W. 2, Edward Funk and Henry Kikel. We of our Post welcome you and hope you enjoy being a part of us. If you get active and participate in the committees, you will appreciate the rewards of a job well done. Our Commander Augie Barone seems to be right on schedule on the expansion of our Post.

Vinnie Edwards was cited as past Commander of our Post and Spike Froehner for Quartermaster. This is a good one Artie Fueling received his past Commanders citation at the last meeting, what makes this odd is that Artie became P.C. in 1966. Oh well it only took him 12 years to get it, better late than never, isn't that what they say? While on the subject of Artie, being chairman of the Bingo he begs his usual report HELP... We can always use help. So, make him happy, offer him some. We will all be happy.

If anyone was watching Cable a short time back and had Channel 21 on you would have caught Joe Normandy being interviewed. Joe is still busy trying to get the High School Diploma for the Vets. It is in the final stages.

Just a reminder, our Lou Klein Roasting set for Sept. 9th, see Frank Lotti for tickets. Our Norman Lent Dinner Sept. 17th, also see Frank Lotti.

We still can't get over the tragic shock of losing one of our favorite Aux. members. If you didn't know Kathleen Kane she was quite a gal. She sometimes spoke impulsively, but we loved to tease her, she was a great gal and a fine person. Our entire Post give our deepest sympathy to her son Glen and his family. We also send condolences to Rita Aug, for she lost a good friend who was like a sister to her since childhood. Kathleen is gone and she will be missed, but not forgotten.

We have good news Al Kreigle is out of the hospital. We hope you keep improving, Al. Also received a card from Clyde Stephenson and his family who now lives in Florida.

The lucky winner this time was Henry Kikel.

Anyone wishing to pay his 1979 dues and don't wish to mail it in can drop it off at our Employment Agency. They will be happy to take care of it for you.

## The Magic Flute

The Hicksville Public Library will sponsor a bus trip on Saturday, November 11 to Lincoln Center for a matinee performance of Mozart's "The Magic Flute" by the New York City Opera Company.

Orchestra seats, Rows A-R at \$15.00 and third ring center seats at \$12.50 have been reserved for the library.
