# Budget Figure Revised

by Linda Strongin

A revised \$27,995,000 budget was adopted by the Hicksville Board of Education at its meeting last week. The figure, which will be presented to voters on September 13, represents a \$482,185 decrease from the budget presented and defeated in June. Voting no to the figure was Vice President Dan Arena.

The figure represents a tax increase of approximately \$67 for a total of \$16.43 per \$100 of assessed valuation.

Although the austerity budget (\$27,631,889) tax increase was originally projected at \$21 per \$100 of assessed valuation, the tax had to be raised to \$42 due to the decrease in Hicksville's assessed valuation and also to a surplus lower than anticipated.

The revised budget figure was the result of adding-to and deleting-from the austerity budget. Included in the items taken under consideration was transportation (\$323,847) which was decreased \$20,000, the savings derived from delaying this service to October 1 (if budget is approved). Also included are Adult Education (\$76,225) and Supervision-Adult Education Program \$12,990.

Interscholastic athletics was reduced \$20,000 for a total of \$124,765. Reductions were made in several areas of the program including, among others; supervision, \$2,000; laundry and dry cleaning, \$2,500; medical inspections \$1,000; junior high archery \$460; athletic shoes \$2,500; and uniforms (baseball, boys and girls soccer, lacrosse and track) \$3,840.

Athletic Director Dick Hogan stated he will be running the program "on austerity for one year. We can get by and we will recycle as much as possible." However, he added, "replacing

will have to start after that."

Also decreased was \$5,000 in co-curricular activities for a total of \$34,377.

Voting no to the motion on decreasing these two areas by the figures above was Trustee John Ayres. Trustee Iris Wolfson was absent from the table during the discussion and abstained.

The Board voted 5 to 2 to maintain the Helping Math Program at its current level. Voting no were Secretary Bill Bennett and President Tom Nagle.

Under lengthy discussion was the recommendation that the program's consultant fill a vacancy in the junior high and that seven helping math teachers cover the elementary schools.

The current program, as outlined by Assistant Superintendent Dr. Clancy, currently has eight helping math teachers covering the elementary schools. Approximately 75% of their time is spent in the remedial area and 25% is spent with enrichment programs and working with classroom teachers.

Trustee Iris Wolfson stated that the program should continue until the new superintendent could review the program and make recommendations. Trustee John Ayres concurred.

Vice President Dan Arena, who was "torn on the issue," finally agreed "with maintaining the program, adding it would not be practical "to change the program at this late date because the program is important."

Trustee Pete Fujimoto questioned if there were "contingency plans if the program were changed tonight."

Dr. Clancy informed the Board that there were no contingency plans. "Dutch Lane would not have a Helping Math teacher if there were no coordinator. A plan

would have to be worked out with the superintendent and principals for reallocating and sharing of services."

President Tom Nagle, who made the recommendation, stated that "the first year of the program the elementary schools shared four teachers; now they have full-time teachers."

Mr. Bennett stressed that "we are not discussing the demise of the program but a positive business move." He also questioned, as did some of the other Board members, why the program had not been evaluated.

There was no figure change made in this action since the cost was already included in the austerity budget. However, in talking with this reporter, Mr. Nagle stated that had the recommendation been passed, "a decrease of approximately \$42,000 would have been realized."

Other savings were realized in reduced substitute costs of \$44,000. Substitutes will not be called for guidance, psychology, reading, elementary foreign language, helping math, resource room and speech teachers or for nurses. Also, a substitute program was to be worked out for the secondary schools.

President Tom Nagle moved to reduce classroom supplies further by \$63,455, or \$15 per pupil (does not include \$15 textbook allotment). Last year \$23.69 per student was spent. Trustee Pete Fujimoto, however, questioned the motion to a reduction of \$48,743 or approximately \$17 per child, stating "it would not affect current programs." His amendment passed 4 to 3, with Messers. McCormack, Bennett and Nagle voting no.

Resident Burt Roberts asked if

## Attendance Off From Previous Years

Hicksville Fire Department's 50th Annual Labor Day Parade and Drill is over. Preliminary reports indicate it was a success. But, it was noticeable that attendance was off from previous year. It is supposed that part of this was due to the event being stretched out over 2 days. The switch to a 2 day event (parade on Sunday, drill on Monday) was requested by the State Officials' Association.

This will be the last year that the drill will be held off Bethpage Rd. The State E.P.A. has requested that no activities be held on the Water District property—and also the Water District is going to sink new wells, on that site. The hunt is now on for a new site. There will be a 51st Labor Day event. Local Vamps also lost their training area and will have to make do on private roads.

# Galileo Lodge News

By Joe Lorenzo

On August 24th, the Galileo Lodge held an open forum. Tom Clark, Councilman from Town of Oyster Bay and Joseph Schmidt, Deputy Supervisor of Town of

Oyster Bay, were invited to attend. The forum was held with the specific intention of discussing various rules, regulations and ordinances

pertaining to the running of feasts in Nassau County. Because our permit did not allow us to have mechanical rides, wheels and various gambling devices our last feast adhered strictly to the already-existing rules and regulations covering the activities of a feast.

Because of the lack of response, attendance and interest, the Galileo Lodge did not fare too well financially. This condition undoubtedly will curtail our participation in community donations, but the Galileo Lodge will nevertheless endeavor to continue to cooperate in local community affairs and activities as much as possible. One of the main topics discussed at this forum was the use of rides in a public area which is Town property and the number of rides in a private sector which is owned by a lessor. Another topic of interest was the issuance of local complaints regarding the use of rides, volume of music and the sometimes-uncontrollable rabble-rousing perpetrated by elements of other areas.

It was noted too that any written or verbal complaint in the Town of Oyster Bay must be investigated either by the police or Town personnel. Any infractions, therefore, must be dealt with accordingly. In essence, then, the main point or

(More Pictures on Pg 11)

the actual purpose of this forum was to air out all complaints and misunderstandings and to jointly work out any and all differences that arise in cases such as the running of a feast. Messrs. Tom Clark and Joseph Schmidt were really informative as they explained the various ordinances that are part and parcel of the Town of Oyster Bay.

Despite the fact that this last feast was not as financially productive as anticipated, the Galileo Lodge still remains undaunted, because next year they will definitely strive to improve all activities and operations indigenous to an Italian feast. And, I might add, the Galileo Lodge will attempt to establish

better lines of communication with the community. Our Lodge wishes to take this opportunity to thank everyone for their support, efforts and concern. It is a sad but true fact that the Galileo Lodge was limited in scope due to pressures and restrictions, but it will maintain its goal, programs and commitments which concern themselves with the betterment of the community.

### COMING EVENTS

Don't forget the Blood Bank which is scheduled in late September and the Woman of the Year Dance, an affair sponsored by the Ladies Auxiliary of the Galileo Lodge. And please do not forget the coming membership drive going on this month.

After designating the week of September 5 as American Institute of Banking Week throughout the county, Nassau County Executive Francis T. Purcell (2nd from right) helps display the banner of the Nassau County Chapter with Institute Officials Public Affairs Chairman Arthur Toohig of Williston Park (left), representing the Roslyn Savings Bank; A.L.B. President Francis Bagli, representing the Nassau Trust Company in Glen Cove; and Vice President Shirley Chernak of East Meadow, representing the Long Island Trust Co. in Westbury. Purcell, in presenting the proclamation cited the A.I.B. for its outstanding accomplishments in educating today's bankers at a time when Banking regulations are becoming more complex.

## Duryea Tours Long Island

Starting with a train station in Hicksville at 6:30 a.m. and ending 15 hours later at a giant fund-raising cocktail party at Belmont Raceway, Perry B. Duryea and the Republican Party's candidates for State Senate and State Assembly and Congress, last week kicked-off this year's exciting campaign.

In between the Hicksville stop and the fund-raising party, Duryea and the Republican Party candidates toured the Nassau County Medical Center at East Meadow, posed for pictures to be used in campaign materials in Hempstead lunched with editors and publishers of the weekly press in Baldwin, and toured the facilities of the Association for the Help of Retarded Children in Freeport. Duryea's campaign was well-received wherever he appeared. At the railroad station in

Hicksville, commuters wished him much success, and many asked him to "fix" the Long Island Railroad.

In a tough campaign speech to weekly editors, Duryea and the Nassau County Republican candidates for State Senate Assembly pledged to do something about the railroad.

In a statement issued jointly by Duryea and the Republican candidates, both agreed that the service on the railroad "stinks."

"The LIRR is in trouble," the joint statement read. "It needs repair. It needs good management. It needs a governor that cares about its riders. Hugh Carey has not cared and does not care about the LIRR or its customers." The Republican said.

The candidates pledged to seek federal funds to improve the archaic repair shops and maintenance facilities of the line;

replace management personnel who have failed to perform with efficiency and professionalism and to improve the line's communication system."

Duryea also pointed out that for three and one-half years of the Carey administration, Carey never cared about Long Island. It is only since political polls show him doing badly in the area that he is running about promising pie-in-the-sky.

The wind-up of the day was the fund-raiser at Belmont where supporters paid \$100 each to cheer Duryea. More than 1,200 people applauded Duryea after his introduction by Nassau County Republican Chairman Joseph M. Margiotta, who hosted the affair and enriched the Duryea campaign by \$100,000.

Duryea encouraged his supporters to work hard and bring in a big victory for his team in November.

## LILCO and Con-Ed Interconnection

Long Island Lighting Company and Consolidated Edison have put into service a new major transmission interconnection that will enable LILCO to receive up to 900,000 kilowatts of power from Con Edison or from other power sources in New York State. The intertie will reinforce system reliability for LILCO by increasing the amount of outside power now available to Long Island during emergency situations. Without this emergency backup the Company would have to provide additional electric generating reserve. The line will also facilitate LILCO's purchase of economy power from other utilities.

The 17.4 mile cable, which is rated at 345,000 volts, is routed underground and underwater from a LILCO substation at Glenwood Landing in Nassau County to Con Edison's Dunwoodie substation in Yonkers. The intertie has an 8 1/2 mile, 138,000 volt underground extension that runs from Glenwood to Lake Success and then connects to an 8.2 mile line that goes to Con Ed's system in Queens. This 138,000 volt section will improve service reliability to LILCO customers in northwest Nassau County.

With the completion of this dual transmission line, LILCO now is linked to other power grids by four separate interconnections.

Long Island can receive power from New England systems through cables that connect Northport with facilities in Norwalk, Connecticut. A third transmission line links LILCO's system in Valley Stream with Con Ed's system in Jamaica. During an emergency power shortage, these interconnections can bring in power from other systems to LILCO.

Besides eliminating the need for building additional generating reserve to meet emergency situations, the interconnections are utilized to save LILCO customers money through the Company's purchase of cheaper power from other utilities. For example, last year LILCO's purchases of economy power from neighboring utilities - mostly nuclear power - saved Long Island consumers \$8.7 million in their electric bills. These savings from economy purchases are passed directly to customers through the fuel cost adjustment on the customers' electric bills. In addition to producing dollar savings, these purchases of nuclear power lessen Long Island's dependence on foreign oil.

Construction on the new intertie began in 1974. The project has cost about \$75 million; LILCO's share is about \$30.4 million

## Purcell Turns Down Grant

Nassau County Executive Francis T. Purcell looked this gift horse in the month - and turned down an \$8,043-state grant application to fund a law library at Nassau Community College.

The grant was coming from federal LEAA funds through the New York State Crime Control Board. It would have paid for law books and subscriptions to legal periodicals for six months, after which all costs would have been borne by the county.

"That meant that the taxpayers would have had to pick up the bill to continue the program after the federal money ran out,"

Purcell said. "It would have been a small amount initially but would have required an annually increasing investment of taxpayer dollars to maintain a specialized library that would have been dubious value in a two-year community college, and that would have duplicated services provided elsewhere, such as in the State Supreme Court building in Mineola."

Purcell's rejection of the grant application stemmed from a new county policy of rigorously screening federal and state grants that provide one-shot funding to launch new programs or that require matching county funds.

To qualify for some federal grants, local governments must agree to pay from five to 50 percent of a program's total costs.

"Federal grants are not free when they force us to spend local money or when they are used to create new programs for which the county's taxpayers ultimately have to shoulder the full costs," Purcell said. "Under our new policy, we will apply for and accept only those grants that meet a clear and unmistakable need in the county. The rest will send back to Washington because we cannot afford that kind of federal generosity."

"Don't bother Clarence right now, Henrietta, he's figuring out his disposable income."

There may not be a good 5-cent cigar around anymore, but as a LILCO customer you might be surprised at how much a nickel's worth of electricity gives you. For 5 cents, you can watch 5 hours of color TV, or run your vacuum cleaner for an hour and fifteen minutes, or do 3 full loads of laundry in your washing machine. In fact, if you're an average Long Islander and compared the percentage of your disposable income you spend for electricity today versus 1955, you'd find only a slight increase. This, despite the fact that you're using twice the electricity you used in 1955.

Of course, comparisons with the past aren't much consolation when it comes to paying today's electric bills. This is why it makes such good sense to use electricity as wisely as you can. By you doing this, and our doing everything we can to hold down costs, we can continue to keep electricity a good buy.

Speaking of electric bills, we received the following from a Mrs. E.R. regarding her bill. "In response to my complaint of the enclosed bill, your Mr. Taricone was so courteous and his explanation so reasonable that we felt you would like to know. Mr. Taricone is a tremendous asset to the image of LILCO."

Thank you, we'll be sure Mr. Taricone knows, too.

Long Island people serving the people of Long Island.

## "Pippin" To Open At Northstage

Northstage Theatre Restaurant is happy to announce the arrival of the razzle-dazzle musical hit PIPPIN on Friday, September 15th.

PIPPIN comes directly from its engagement at An Evening Dinner Theatre in Elmsford, N.Y. where it received accolades from critics and audiences alike.

This eye-filling musical is based on the fictitious life of the first born son of Charlemagne, the medieval king of the Holy Roman Empire. It is a master piece which combines vibrant dancing with a vibrant pop score and winsome story creating one of the most engaging and delightful musicals ever.

PIPPIN boasts a fabulous score by composer Stephen Schwartz, who created the scores for the hits GODSPELL, THE

MAGIC SHOW and the current Broadway musical WORKING. It features songs like "No Time At All," which was named as the anthem of the geriatric set when first performed, "Corner of the Sky," "Magic to Do," and "Spread a Little Sunshine."

Before experiencing PIPPIN, enjoy a full course gourmet meal skillfully prepared and presented to you at your table. Then sit back, relax and celebrate the arrival of this very special show.

Performances are every evening except Monday. Tickets for the show only are available in the loge and balcony. For reservations and information call the Northstage at 516-676-8500. Tickets are also available at all Ticketron outlets or through Chargit at (212) 239-7177 or (516) 354-2727.

# Dear Friends:

Here's a friendly suggestion to our elected representatives at Town Hall... whenever problems arise that taxpayers must report to any Town Dept. for correction, we feel that within two or three days they should receive a phone call telling them just how long it will take before their particular problem will be taken care of. This may not be possible in the hysteria of snow emergencies, but at all other times of the year is there any reason why this cannot be done? It would help the taxpayer to have a better understanding of whatever length of time he may have to wait, if he is given this small courtesy.

This Tuesday, Sept. 12th is Primary Day. If you are registered as a member of any political party, you are entitled to vote in their primary, if they have a primary race going on. In the 10th AD there is a primary race between Daniel Donovan who has received the conservative endorsement and a Conservative dissident by the name of Salvatore Collierie. In the 12th AD there is a race on the Republican line between Fred Parola who has been accepted by the Republican party and a dissident named Joan Kern of Wantagh.

On Wed., Sept. 13th Hicksville residents will have the opportunity of voting on their revised school budget. Details can be found in Mrs. Strongin's story. Those who are going to vote "no" anyway, do not want to hear that we have control over about 5 or 6 percent of our school budget. But it is the truth. The total amounts for teachers and other employee contracts and benefits which are still being negotiated, can change the amount of taxes we have to pay, no matter what happens to this budget.

You ask, "How can this be?" This is what I asked a member of our school board. They replied, "If, when all negotiations are completed more money is needed we simply go to the bank and borrow it and add it to next year's budget."

This shows just exactly how much control any district has over total expenses for the education of their children.

However, since we do have the vote on the 13th, why take it out on the children whose transportation and sports program would be eliminated, and the adult ed programs enjoyed by so many? The amount that the voter actually controls comes to about 28 cents more each week. We recommend a "Yes" vote.

Clowns, music, a bubble gum contest and thousands of handcraft items will be featured during the two family fun days at the AHRC Country Fair on Saturday and Sunday, September 9th and 10th. The event is being held on the Association for the Help of Retarded Children's Brookville campus from 11 a.m. to 6 p.m. each day. Admission is free and many of the attractions are also free. Fairgoers should park at the C.W. Post College parking field on Northern Boulevard in Greenvale. A free shuttle bus will provide transportation to the fairgrounds. There is a \$1.00 parking charge per car.

The TOB Planning Advisory Board voted "yes" on site plans for an office building complex in Jericho and a condominium plan for Woodbury, at their Sept. 5 hearing at Town Hall East. The site plans were for We're Associates Jericho Quadrangle, a complex of three office buildings, each containing about 280,000 square feet of space on a six-acre parcel located on the north side of Jericho Tpke near the LIE. This Board also voted favorably on a modification of a previously approved site plan for the second section of 149 units in the Woodland Pond Condominiums in Woodbury situated on Woodbury Road east of Piquets Lane. Now these approved plans will go to the Town Board for their approval. More on this later.

As we go to press, a highly successful Senior Citizen Health Fair was held on Wed., Sept. 6 at the Syosset-Woodbury Park. The Syosset Hospital, aided by the TOB Division of Senior Affairs and by several local organizations did a great job on this Health Fair.

Neighbors are puzzled as to how two new dogs can be brought in to the so-called "Grandeur" Kennels on West John Street in Hicksville, when no summons can be served on anyone because the will of the deceased owner is still in probate until Sept 19th? Violations at this location are too numerous to mention.

THAT ALL for this week. Stay well and remember the old Biblical saying: "Come let us reason together". Let's hope that we are all capable of doing this for there are many problems that we must solve in the coming months.

# Letters To The Editor

**MEMO TO ALL COMMUNITY SERVICE ORGANIZATIONS:**  
The Hicksville Police Boys Club has been asked by the Hicksville Water District to vacate its Clubhouse site at 85 Bethpage Road, Hicksville.

The PBC Clubhouse has been the central location of the Organization for close to 15 years, housing our meeting rooms and storage lockers for the various youth activities sponsored by the club.

The Police Boys Club provides youth activities in baseball, basketball, marching band, judo, bowling, Jr. rifle club and various field trips for community children. We service over 700 families yearly on a non-profit basis.

We are now in need of help. We need a place to locate, and a place to store our equipment. If you have any information or could help us out with storage or a meeting place, please let us know.

We are urging all the members and friends of PBC to write the Hicksville Water District in a plea to let us stay on. If you wish to do so, write to Mr. Dettloff (Supt) c/o Hicksville Water District, Dean Street, Hicksville.

Thank you for your continued support.

To the Editor:

A cry for economic salvation... Long Island's and New York State's proposition 13.

Here are some tax cutting proposals to save our homes and to enable us to continue to live in this beautiful area we chose as our home community.

(1) Push for quick elimination of local school taxes - have all school support money come directly from New York State taxes - thus equalizing the tax load and the level of education.

(2) Consolidate all school districts within each county - to one county-wide district, with the elimination of many high paid supervisors, their staffs and also centralizing and standardizing purchases of school supplies.

(3) Push for the elimination of all Town Government completely. Have the counties take over the few services that town government provides (at high cost to us) and we can get rid of one whole layer of public officials, with their staffs, offices, office equipment, cars and other motor vehicles.

I propose these measures as a start, to save us from the constant escalating costs of schools and government.

More ideas welcomed.

To the Editor:

"In the best interest of the children," Here we go again. Featherbedding for the teachers and walking for the children. The play is too obvious: "make life miserable to their children and in this second vote they cave in to all demands." That is the only reason for this second nuisance vote. The school boards could not have better shown their contempt for children, parents, and taxpayers. Have those biased teacher oriented school boards the right for further existence? The criterion of conflict of interest is exercised towards jurors in the courts and should be applied to school boards too.

Once the teacher profession was honorable, respected and dedicated. No more. But teachers are not the only ones.

Many bloodsuckers are glutting on the public trough. There is

only a small group of employees cherishing the same outlandish fringe benefits as our public servants. They are utilities, other monopolies or corporations favored with government contracts which wield their own almost unchallenged taxpayer and contribute by higher taxes and prices to inflation. But the bulk of the taxpayers, who are the life blood of the "taxconsumers," don't have this exorbitant long vacations, every imaginable holiday and on top of all the time off on taxpayers expenses, the irony of the so-called "sickdays" which are really sickening for the ones who have to pay for them.

There is absolutely nothing in the constitution that public employees should be the chosen people of an "overprivileged class."

Let's restore sanity.

The basis of every future contract should be meaningful "givebacks" (not just window dressing) of excessive fringes till they are on a par with the underprivileged too-long silent taxpayers.

There is another racket with this "binding arbitration deal" going on. The politicians can keep their face and the taxpayers are stuck by dictatorial mandate without representation.

I would not even be a bit surprised when federal judges one day decide that "democracy" is unconstitutional.

Sincerely,  
Erich Laumann

To the Editor:

Vote "NO" on the Hicksville school budget September 13th. The budget is a joke - a farce designed to perpetuate make-work teacher programs, an excess teacher staff, and an excessive administrative staff along with all the attendant fringe benefits while at the same time giving the appearance of a budget reduced to comply with voter mandates. What mockery! The board succumbed to the age-old budget padding technique of an entrenched bureaucracy increase the budget by two million dollars, then reduce it by one million dollars and tout the reduction. Unfortunately, in our case, the budget is still 28 million dollars, an increase of \$500,000 over last years despite our reduced enrollment - which carries a 67 cent per hundred increase in our tax rate.

In all fairness, Board President Tom Nagle and Trustee William Bennett made consistent, persistent, and sincere efforts to trim teacher fat from the payroll and include most goodies for kids. However, "add-backs" by the teacher-dominated board majority managed to keep the budget at a whopping 28 million dollars. The ease by which the board majority spent \$500,000 here and \$15,000 there, while force-feeding trustees and the public with boring and unnecessary lectures was a monument to Liberal free-spending - after all it is only taxpayer money.

It is obvious that the school board majority is like the proverbial mule that needs to be hit on the head with a sledgehammer before it'll wake up. They have ignored the fact that last June the bloated budget was defeated by over 1000 votes. The cosmetic reduction to 28 million is an affront to taxpayers who are faced with immediate increased taxes because of declining assessed valuation (along with all their other worries like sewer costs etc.).

The budget is undeserving of support and must be voted down. Perhaps then the board will get the message along with some heat from irate parents that will cause them to reduce the budget

in line with our reduced student enrollment. Until then, each budget presented must be voted down. VOTE on September 13th and VOTE "NO"

Sincerely,  
Frank H Willard

Dear Editor:

Am renewing my subscription because I enjoy the paper. Must make two notations-first, the park land has been secured and zoned for a park. The question is the elaborateness of parks, not their existence. Where are our town leaders and their suggestions? Housing can be saved for the west side of Broadway. Open land for parks is a necessity and not a luxury for contemporary society.

As for Frank Willard-I think he is a fairly accurate observer of Hicksville life. However, I don't feel that the Herald has to be his voice until he acknowledges that other Hicksvillians have a right to voice their opinions without his personal attack. His attitude toward others is so negative and demeaning that his opinions are virtually discounted. One wishes that Mr Willard would search for a community of his peers, which from his remarks could not possibly be Hicksville. His attitude is savage, destructive and meaningless.

B J Mantera,  
Hicksville resident.

P.S. Your editorial of a week ago suggesting return of Park land to tax rolls is very backward and negative. Our county has the highest tax rates in the whole country. Must every inch of land be a tax producer? What about the quality of life? South end of Hicksville needs a park.

Editor's Note: Good to hear from you, but you are mistaken as to what I recommended in my August 17 column. Here it is:

"And speaking of problems, let us not forget the two small park areas in Hicksville which are presently gathering garbage and are of no value to this town at all. We hope that when it starts meeting in October the Hicksville Community Council will address itself to this problem with the hope that we can have either modest park-type parks, or put these properties back on the tax rolls by selling them. There are always these two alternatives, but doing nothing is no solution, friends"

# Airport Open House

The Federal Aviation Administration facilities at Long Island-MacArthur Airport are holding an Open House during the weekend of September 9 and 10, from 9:00 a.m. to 5:00 p.m. each day.

The event will commemorate the 50th anniversary of the establishment of FAA facilities at Long Island-MacArthur Airport, Ronkonkoma, N.Y. The event will also observe the 75th Anniversary of Powered Flight and the 20th Anniversary of the Federal Aviation Administration.

Actively participating in the aviation-oriented weekend will be the Town of Islip and Long Island-MacArthur Airport. There will be a number of attractive static displays sponsored by the Long Island aviation industry and the Long Island Mid-Suffolk Businessmen's Action (LIMBA) group.

The highlight of the FAA program will be guided tours through FAA facilities and a view of special aviation exhibits from the National Aviation Facilities Experimental Center (NAFEC) at Atlantic City, N.J.

**DURYEA SAYS:**

# Long Island Shortchanged

Ferry B. Duryea, Republican-Conservative candidate for Governor, charged that Long Island was "shortchanged" by the State Commerce Department in preparing its official calendar of events for July 15-September 5.

In a letter to State Commerce Commissioner John S. Dyson, Duryea wrote: "I trust that the current 'I Love New York' calendar of events brochure is not a barometer of the State Commerce Department's commitment to promoting (tourism and travel) on Long Island."

"Of more than 160 local events listed, only five take place on Long Island."

"In fact, although Nassau and Suffolk Counties include 14 per cent of the state's population,

nowhere in the brochure is Long Island even mentioned. Not a single event was listed for Nassau County, which alone has 1,428,838 residents."

"Certainly, the Commerce Department must have some knowledge of the parades, festivals, fairs, garden shows, horse shows, cultural exhibits and performing arts that are featured during the height of the Long Island tourist season," Duryea wrote the Commissioner.

Duryea noted that Long Island has been severely battered this year by natural storms and disasters.

"Long Islanders have learned to weather these problems without the help of the Carey Administration. But neither they nor I are prepared to 'weather

the commerce Department's disinterest in Long Island's tourist industry," he said.

According to the Long Island legislative leader, "I am concerned this is another small indication of the Carey Administration's 'blind spot' where Nassau and Suffolk counties are concerned. Long Islanders are proud of their region. And we do not appreciate being excluded from this part of the 'I Love New York' campaign."

Duryea concluded his letter to Dyson:

"I trust that future Commerce Department publications will reflect a more comprehensive effort to determine the Long Island attractions which will interest New York tourists."

## A Message From Colby

About two months ago I noted in this column that the Town Board had exercised its local option by adopting a law that repealed the 50 percent tax exemption New York State had granted in 1976 on construction or improvements to business, office and industrial properties.

We had found that factors other than the exemption -- such as a highly skilled labor pool and the availability of prime office and business property -- were major reasons for commercial development in Oyster Bay, and that this tax abatement was, in effect, a windfall for new office and business enterprises that gave them an unfair competitive advantage over existing businesses which are and have been paying full taxes on their properties.

More recently, I asked

members of the State Legislature to give the Town the authority to permit an incentive for industrial properties only that many other municipalities are presently authorized to provide. While the repeal of office and business exemptions serves the best interests of the Town, the ability to consider a tax incentive for new industries will also be to our advantage.

While existing retail operations under the formerly provided exemption were particularly susceptible to an adverse financial position, they would not be under the sought authority. Additionally, the State provisions we recently repealed set certain parameters on the amount and duration of tax exemptions, while the proposed incentive for industry will permit the Town Board to establish the amount

and duration of exemption that will best serve the Town's taxpayers.

The attraction of new or expanded industry, within proper zoning, in Oyster Bay will create jobs in the first instance, can provide a "ripple" effect in the creation of additional jobs and will expand the assessment base from which local municipalities levy property taxes.

The Legislature was no doubt well-intentioned in providing for office, business and industrial exemptions. However, in Oyster Bay, our local experience and study has shown that "fine tuning" of exemption provisions is necessary to protect business and the residential taxpayer while at the same time encouraging the expansion of our tax base.

You have no doubt seen it on bumper stickers, heard it on the radio, and read it on posters, but it is worth repeating again -- school is in session; drive carefully. All of us deeply cherish our youngsters, and know that they are the future's most important assets. So, please, when you get in your car, take just a few seconds to remember our children and, then, drive with care.

# Basic Facts For The Homeowner Concerning Sewer Connection

After years of inconvenience and possibly taking special precautions because of private sanitary disposal systems - cesspools or septic tanks - many residents are now able and within two years are required, by law, to connect to a modern public sewer system. Not having experience with the mechanics of such a transition, homeowners may easily become confused as to their duties and responsibilities. The Town Division of Buildings will be available to answer any questions and offers these four answers to ease the initial concerns of many homeowners.

## 1. WHERE DOES THE HOME-

### OWNER BEGIN?

The most important step in bringing about proper connection is for the homeowner to select a licensed plumber. The plumber you choose **ABSOLUTELY MUST BE LICENSED TO DO WORK IN THE TOWN OF OYSTER BAY**. As it is the homeowner's responsibility to be sure the firm he hires is headed by a licensed plumber, it is not wise for the homeowner to merely take the word of the plumber. The homeowner is urged to confirm that the plumber is licensed by simply telephoning the Division of Buildings from Monday through Friday between 9 AM and 4:45 PM at 922-5800. In ad-

dition to being certain that the work is being legally performed, this simple phone call can help the homeowner avoid giving a deposit to a "fly-by-night" operator who will take your money with no intention of doing the work because the "plumber" actually is not a plumber. This has happened in other areas and it can happen to almost anyone.

Having successfully taken this first step, it is a wise consumer who knows:

### 2. WHAT SHOULD BE EXPECTED OF THE LICENSED PLUMBER?

Knowing what the plumber must do is more than just convenient information for the

homeowner. **WORK ILLEGALLY PERFORMED IS CONSIDERED THE HOMEOWNER'S RESPONSIBILITY** so, to avoid being fined and having to pay for corrective measures, every homeowner should know what is legally required of the plumber.

The first question is that of **PERMITS**. Don't allow the plumber to begin work until he has obtained all the necessary permits. He will need the following permits for each connection he makes:

a) The Nassau County permit to discharge sewage into the sewer facilities. He obtains this first permit from the Sewer Permit Division of the County Department of Public Works in Room 123 of the County Executive Building, West Street, Mineola.

b) The second permit to be obtained by the plumber is the Highway (road opening) Permit. Where he obtains this permit depends on the governmental level maintaining jurisdiction over the road. If it is a State road, the permit must be obtained from the State Department of Transportation, N.Y.S. Office Building, Veterans Memorial Highway, Hauppauge. If it is a County Road, the permit must be obtained at the County Department of Public Works, Executive Building, West Street, Mineola. For Town roads - most residential streets are under Town jurisdiction - this permit will cost \$3 and can be obtained at the Highway Department, Miller Road, Syosset, N.Y. On State, County and Town roads, the plumber must have the Highway (road opening) Permit prior to applying for the next permit.

c) The final permit to be obtained by the plumber is the Town Sewer Permit. It is obtained by filing an application with the Division of Buildings at Town Hall, Oyster Bay. At the time the application is filed - either in person or by mail - the plumber must submit the permits listed in A and B and a copy of the homeowner's tax bill or property survey. He must also include at the time he files the application \$15 for the Town Sewer Permit and \$2 for the Certificate of Approval. The Town Sewer Permit, when approved, will be mailed to the plumber and a copy will go to the homeowner to assure him that all necessary permits have been obtained.

Having obtained the permits, the plumber must be expected to meet the Town - required **STANDARDS ON ALL WORK**. These standards include pumping dry all existing cesspools and septic tanks and sanitizing them with hydrated lime. The cesspools and septic tanks must then be completely filled with clean fill. It is up to the homeowner to make certain that all on his property has been properly filled. The pipes used by the plumber must have an inside diameter of five (5) inches and must be approved asbestos cement sewer pipe meeting A.S.T.M. Specification No. A74.

In cases of abnormal soil conditions, other type of pipe may be used but only with prior approval of the Town Division of Buildings. The pipe must be placed in the trench on firm soil. The plumber is not allowed to connect roof gutters to the sewer system and garbage disposal units can only be connected if the plumber has so specified in the County (a) and Town (c) Permits. These standards are set to assure that the work performed will serve the homeowner with the least possible trouble for many years.

### 3. WHAT PROTECTION DOES THE TOWN OFFER TO THE HOMEOWNER?

By licensing plumbers, the Town is already providing the homeowner the assurance that the individual is qualified to practice that trade. Licensing also requires the plumber to carry liability insurance for personal injury and property damage.

But more than that, the plumber **MUST NOTIFY THE DIVISION OF BUILDINGS BEFORE ANY WORK BEGINS** so that a Plumbing Inspector can make on-site inspections of that sewer connection. The inspection is required and the homeowner should make certain that the inspection is conducted before the plumber is allowed to cover any portion of the work. According to the Town Codes, the plumber is not allowed to cover any of the work prior to inspection by the Town Plumbing Inspector. This requirement can protect the homeowner from work improperly performed, which can result in major corrective and expensive repairs in the future. The inspector will make sure that the proper pipe has been placed on a firm soil, and that all pipes are connected in accordance with manufacturers' specifications and Town building codes.

### 4. WHAT ABOUT GUARANTEES?

Most licensed plumbers will offer a guarantee on their material and workmanship. It will be up to the homeowner to obtain such written assurances from the person or firm they hire. Lawns, shrubs, trees, patios, etc. should all be discussed with the plumber, since any damage caused by the connection work will be corrected according to agreements worked out between the homeowner and his plumber.

**REMEMBER - ASK QUESTIONS OF THE PLUMBER YOU ARE CONSIDERING FOR HIRING. HE IS WORKING FOR YOU AND SHOULD BE MORE THAN WILLING TO HELP YOU UNDERSTAND ALL THAT MUST BE DONE AND WHAT POSSIBLE PROBLEMS CAN DEVELOP DURING AND AFTER THE WORK.**

**SHOULD THE HOMEOWNER HAVE ANY QUESTIONS CONCERNING HIS SEWER CONNECTION, HE IS URGED TO CALL THE TOWN DIVISION OF BUILDINGS. NO QUESTION THE HOMEOWNER HAS IS TOO SMALL.**

# Hicksville Am Soccer Club

by Ann Masters

Labor Day Weekend - the end of summer and the beginning of the fall soccer tournaments. The under 12's Red Express team sponsored by Eastern Extremators travelled to the Peter Renzulli Tournament held by the Huntington Boys Club.

Game No. 1 was at 10:30 on Saturday against Bohemia. Hicksville really overwhelmed Bohemia. Peter Schnur scored on a penalty shot for the first goal. Peter then quickly followed with another goal. Mike Master, Lloyd Sneddon, Matty Bell and Larry Ziembicki all scored in the first half. Jeffrey Knuth made several good saves allowing no goals. The second half found Peter Schnur scoring again and Larry Ziembicki heading in a final goal.

The second game was also on Saturday at 4:45 against Ridgewood. Again, Hicksville played well. Lloyd Sneddon scored the first goal. He also scored 2 more goals, both on direct kicks, one of his specialties. Mike Masters also scored 3 goals. Once again the opponents were held scoreless.

Game No. 3 was against Cold Spring Harbor on Sunday afternoon. Peter Schnur scored 2 goals. Mike Master, Matty Bell, Lloyd Sneddon and goalie Jeffrey Knuth on a header all scored. Score 6-0.

The semi-final game was

against Massapequa at 8 a.m. Monday morning. The first half of this game was scoreless - both teams trying hard with many close calls but no goals scored. The second half found Hicksville stronger than their opponent. Peter Schnur scored from a corner kick by Lloyd Sneddon. Larry Ziembicki headed the ball in on a good pass from wing Matty Bell. Mike Masters headed the ball to the goal line and R.J. Nakashian followed it right in. Final score 3-0.

The final game was at 11:45 Monday against Plainview. Mike Masters scored in the first minute of play and then Plainview scored several minutes later. The score at the end of 1 hour of hard play in the hot sun was 1-1. In the overtime Hicksville finally penetrated successfully. Lloyd Sneddon scored from about 25 yards out. Then Mike Masters scored another goal. Final score 3-1. The members of the victorious team are Jeffrey Knuth, Robert Newlands, Keeny Kegler, Freddy Nusimici, Freddy Freyersen, Ronnie Brutschin, Peter Schnur, Larry Ziembicki, Michael Master, R.J. Nakashian, Matty Bell, Lloyd Sneddon and John Carroll. The team is coached by Steve Florio and Jeff Kugler. After taking a victory lap around the field it was official: Hicksville Red Express wins another championship.

Cub Scout Pack 293 has set the date for their annual "kick off picnic." The date is Sept. 10 at the Syosset Woodbury Park from noon to 5 p.m. Each Family is to supply their own food and drink. There are grills available for your use on the picnic grounds.

Any boys who are interested in joining the pack are welcome to come with their parents. There will be plenty of recreation. "So all you boys don't forget your bats balls and gloves." The rain date is Sept. 24 at Cantiague Park.

The first Webelos meeting is set for Sept. 12 from 7 to 8:30 p.m. and the cub scout meeting on Sept. 18 from 4 to 5 p.m. The first pack meeting for the year will be on Oct. 5 at 7:30 p.m. All meetings are held at the United Methodist Church on Old Country Road.

A spokesman for the pack says "we are hoping to recruit alot of new boys this year to join in the fun of scouting."

For more information, call Pack Chairman Gerry Flynn at 822-7734 after 7:30 p.m.

## LSA Championships

The area of the Jerusalem Ave. Pool hummed with excitement and rocked with cheers of the nine participating teams of the Levittown Swimming association on August 19 and 20. It was the scene of the annual championships.

This event, which enables the 500 members of LSA to compete for team points, trophies, medals and ribbons--represents the culmination of the summer swimming season for most of the swimmers and their volunteer coaches.

The competition during the trials and the finals was fierce and some of the standing team records were broken. Mary O'Connor and Christine Issacs from Acorn Pool broke free style records. Jim O'Connor from

Acorn broke the 100 backstroke record and the Acorn Lane Senior Boys broke the Medley Relay record. Winners of the trophies for the individual Medley were Jemine Mund from Parkway, Paul Nussbaum from Carman, and Stacey Hennerly and Dennis Schlieder from Slate.

In addition to the team competitions the coaches' relay races brought cheers from the spectators. In both the free and medley events the Carman Ave. coaches were victorious.

Another highlight was the special race for 7 and under, non-LSA members. The little tots swam 12 yards the awaiting lifeguards and provided an extra measure of fun.

**OKTOBERFEST:** Oyster Bay Town Councilman Thomas L. Clark gets into the swing of things at the Holy Trinity High School Oktoberfest with a little help from dancer Marie Hugel. The gala event was held on the

grounds of the high school in Hicksville. Looking on are (left to right) Liz Hugel; Joe Schurz; Rev. John Seidenschwang, principal of Holy Trinity; Betty Czechner; Peter Schurz; and Evelyn Bartmann.

## Skating Clinic

Do you totter around an ice rink like a drunken sailor? Are you a dasher board hanger-on? If so, and you want to improve your skating, come to a free clinic Saturday, September 23, at the Cantiague Park Ice Rink.

Instruction for children 6 to 10 will be held from 9 to 10 a.m. Ages 11 through adults will be accommodated from 11 a.m. till Noon. The regular admission fee will be waived for the clinic. Skate rentals are available for 75.

By Jim Cummings

**CADET RECRUITMENT:** The St. Ignatius Girls Cadet Corps is presently conducting a recruitment drive for new members - if you have a youngster interested please contact Larry Wallace, Corps Director at 935-5991... A non sectarian unit, the Corps recently attained a most unique feat in the history of drum and bugle corps, in winning the World Championship for the sixth consecutive year... During the past 20

years the St. Ignatius Cadets have spotlighted our Hicksville community by their many wins across our great country and we are proud of their accomplishments - however, with the ever-rising cost of equipment the Corps will need community support and financial assistance during the years ahead - please join in support of their work to keep the St. Ignatius Girls Cadet Corps NUMBER ONE.

**HIBERNIAN MEETING:** The Commodore John Barry Division Eleven, Ancient Order of Hibernians will hold its first meeting of the fall season on next Thursday evening, September 14, in the Lounge of the Joseph Barry Council, Knights of Columbus, 45 Heitz Place, Hicksville at 8:30 P.M. according to John Campbell, President - The recent AOH Golf Tourney was a huge success under the Chairmanship of Patrick Cowan and James Mills as some 78 golfers participated at Spring Lake for the event - The Hibernian family picnic was a financial and social success attended by many... The Division announces that the 20th Annual Fall Dance will be held on Friday evening, November 10, featuring Pat Roper and his music under the chairmanship of Ned Bergen - early reservations are requested phone 822-2763, (especially when you mention the music of Pat Roper, fantastic.)

**KNIGHTS INSTALL:** James E. Carroll, newly-elected Grand Knight of the Joseph Barry Council No. 2520, Knights of Columbus and the officers named to serve with him will be installed in an impressive ceremony set for Tuesday evening, September 19, in the newly-fashioned chambers of the Council, at 45 Heitz Place, Hicksville at 8:30 P.M. - members and invited guests will be in impressive numbers, for this auspicious occasion.

**DID'YA KNOW THAT:** Schwartz Furniture on Broadway, Hicksville, adjacent to St. Ignatius Church will close its doors on September 18th after 40 years of business in our community... Chatted with Gene Staller of the Starlight Shop near Bway and Marie Street last week, we go back many years.

Remember next Tuesday, September 12th is Primary Day in the 10th A.D. the many friends of Daniel F. Donovan remind you to vote for him on Line "C" - 9C (thanks for the note, John - Elect Donovan, Assembly District Leader, 10th A.D., Conservative Polls open 6 A.M. to 9 P.M.

## Ground Breaking

On Sunday, Sept. 1, Bishop Silas of the Greek Orthodox Archdiocese of North and South America visited the Holy Trinity Greek Orthodox Church of Hicksville. Bishop Silas officiated at the Divine Liturgy, which began at 9 a.m. and ended at 11:30 a.m.

This is the first time the Bishop officially visited the Orthodox community of Holy Trinity, since Dec. 26, 1973, when it was officially recognized by the Greek Orthodox Archdiocese.

Immediately after the Liturgy, the Bishop officiated at the ground-breaking ceremony for the new church at the church property, 20 Field Ave., Hicksville.

Since 1973, the community utilized the facilities of Holy Trinity Episcopal Church, located at 130 Jerusalem Ave., Hicksville, for any community projects and affairs. Bishop Silas performed the Sunday morning Liturgy at this church.

The Rev. Father Vasilios Remondos, the Parish Priest of the church, also participated in the Divine Liturgy and the ground-breaking ceremony.

## Open House

The East Plains Mental Health Services cordially invites the public to an "Open House" on Thursday, September 14, at 10 a.m. in their offices at 35 Broadway, Hicksville. The guest speaker for this occasion will be Councilman Kenneth Diamond, Vice-President of the agency's Board of Directors, who will give a brief history of East Plains. East Plains is a non-profit community mental health facility licensed by the New York State Department of Mental Hygiene and under contract to the Nassau County Department of Mental Health and the Nassau County Department of Drug and Alcohol Addiction.

As the agency is dedicated to serving the mental health needs of people of all ages in the towns of Bethpage, Farmingdale, Hicksville, Jericho, Old Bethpage, Plainville and Plainview, it is endeavoring to enlist the support and participation of members of these communities to help meet the increasing needs for mental health care in these areas. Through the "Open House", East Plains would like to meet more interested members of the community and acquaint them with our services.

For those interested in attending, kindly call 822-6111 and ask for Mrs. Bartell or Mrs. Siegel.

## Special Driver Awareness

With a greater portion of the student population walking to schools in Plainview-Old Bethpage and Hicksville School Districts, Oyster Bay Town Councilman Salvatore R. Mosca is urging drivers to be especially cautious.

"The combination of a greater number of children on the road and drivers being more casual about utilizing the right turn on red signal presents a frightening picture," Mosca said. "I am hoping that drivers will be more aware of the rights of pedestrians and the importance of making that stop to check the intersection before they make use of permitted right turn on red signal."

Mosca noted that the annual appeal to drive safely due to the opening of schools is especially important in districts where more students will be walking.

# Around Our Towns

We bid a sad "adieu" to our friends and neighbors, Jim and Joan Stenson of Suggs Lane, HICKSVILLE, who recently moved to a new home in Mt. Sinai, Suffolk County. The Stensons lived in Hicksville for over 27 years, and their four children attended our local schools. We will miss this lovely family, but wish them happiness in their new home.

A birthday party was held for Wayne Topfite of Dykeman Court, HICKSVILLE, on September 1. His family and friends helped him celebrate this happy occasion. Wayne works for the Hicksville Post Office, and his co-workers had surprised him with a birthday cake earlier that same day. Congratulations, Wayne.

A recent visitor at the Kremler home in HICKSVILLE was Huntley Walker, an exchange student from Dundee, Scotland. Huntley was a participant in an exchange program and worked as a water ski instructor at the Algonquin Summer Camp where Brian Kremler was also employed. At the conclusion of their stint at the camp, Brian invited Huntley to spend some time at his home before Huntley returned to Scotland on September 6. The Kremlers were delighted to host Huntley, and they said he is a very warm and personable young man. (And so is the Kremler family.)

For two weeks the "Big Apple" was the vacation site chosen by Val Zito of HICKSVILLE. Val's daughter, Jacqueline, loaned her city apartment to mom while she was in Greece studying sociological and health-related programs. Val took advantage of this vacation site and saw six shows, took trips on the Hudson River Day Line and Circle Line ships, and visited other points of

interest. Before returning home, daughter, Jackie, will spend a week's vacation in Italy.

There was ice cream, cake, music, games and gifts at the Hoe's home on September 3. This festivity was occasioned by Stephanie Hoe's birthday. Her parents, Bob and Marie, grandparents, brother, Christopher, and her friends helped make this a happy birthday for Stephanie.

Mildred Bernert enjoyed a recent cruise on the S.S. Slatendam with her friend and co-worker, Fran White. Mildred and Fran both work in the Town of Oyster Bay Town Hall. On their return, Mildred's daughter met her at the ship dock and brought her to York, PA, for a week. During her visit with them, Mildred's grandson, Dean, graduated from high school. A lovely family party was held in Dean's honor. He will be continuing his studies at an electronics school. This summer was a very pleasant one for Mildred with her extended vacation.

Lucky Ann Jablonsky of HICKSVILLE won \$100 in a 50 50 lottery recently. (We didn't find out how she spent her winnings, though.)

Thirty-three years married and hoping for at least 33 more happy years together. Yes, we're talking about Ed and Joyce Quinn of HICKSVILLE who celebrated their anniversary on July 14. (Incidentally, it was also Ed's birthday, but he didn't tell us which one.)

Sure, 'n begorra, it was the top of the birthdays for John O'Grady of Meade Avenue, HICKSVILLE.

who celebrated his 65th birthday on September 6. For a special birthday treat, his wife, Margaret; son, Michael; and daughter, Peggy, took John to the Stack O'Barley for dinner. We saw John at the Hicksville Firemen's Parade and he looked marvelous. Congratulations, John.

And—the day after John O'Grady's birthday, his son, Michael, celebrated his 19th birthday—September 7. Michael is a graduate of HICKSVILLE H.S. and attends Nassau Community College where he is majoring in accounting. "Have a happy," Mike.

A summer of 1979 wedding is planned by Dot Lake and Bill Rogoza, Jr. who were engaged on August 13. Dot, a former resident of HICKSVILLE, is presently living and teaching in South Carolina. Bill is employed by Hazeltine Corporation on Long Island and lives in Hicksville with his parents, Dot and Bill Rogoza. Rest wishes to you both.

Leading the HICKSVILLE Firemen's Parade September 3 was Parade Marshal Patrick Scanlon. Pat was born and raised in Hicksville and is still a Hicksville resident. His wife, Eileen, just presented Pat with their first child—a beautiful boy named Patrick Edward Scanlon. Eileen and baby Pat were in the grandstand, we were told, proudly watching Pat marching and leading the parade on Sunday. Eileen is a member of the Women's Auxiliary of the Hicksville Fire Department.

Mark Ludman, son of Dr. and Mrs. Harold Ludman, of

Mr. and Mrs. Philip Schwarz of Broadway, Hicksville, are shown posing on the deck of the Home Lines luxury liner, "S.S. Doric", just before sailing from New York harbor on a week's vacation cruise to Bermuda, the mid oceans playground. Mrs. Schwarz is with Island Trees International Travel in Hicksville.

HICKSVILLE, has become engaged to Wendy Pink, of Nova Scotia. Mark, a 1972 graduate of Hicksville High School, will receive his M.D. degree from Brown University in June, 1979. Congratulations and best wishes.

Happy birthday to Patti Salkeld, of Apollo Lane, HICKSVILLE, celebrating her 15th on Sept. 12.

On Sept. 5, Gerri Geoffrey of Briggs, St., HICKSVILLE, celebrated her "sweet sixteenth"

## Big Bands Are Coming To Northstage

To kick off the Monday Night Dinner Concert Series at the Northstage Theatre Restaurant in Glen Cove, we are happy to announce the arrival of the one and only Glenn Miller Orchestra for one night only - Monday September 11th.

The band, playing under the leadership of Jimmy Henderson, will play the original authentic Glenn Miller arrangements. All of Glenn Miller's hits will be performed, including "Moonlight Serenade," "L.I. Brown Jug," "Mood Indigo," "Chattanooga Choo Choo," and "Tuxedo

Junction." You're invited to dance the night away to the music of America's favorite Big Band.

Before the show - feast on a full course gourmet dinner skillfully prepared and served at your table.

Tickets for dinner and concert for Glenn Miller are only \$17.00 plus tax. Loge and Balcony seats for the concert are \$7.00.

For reservations and information call the Northstage at 516-676-8500.

**NOTICE OF SPECIAL DISTRICT ELECTION HICKSVILLE UNION FREE SCHOOL DISTRICT**

### LEGAL NOTICE

**HICKSVILLE, NEW YORK**  
**NOTICE IS HEREBY GIVEN**  
THAT pursuant to the resolution of the Board of Education of Hicksville Union Free School District, Hicksville, New York, adopted August 24, 1978, A Special District Election of the qualified voters of this School District will be held on September 13, 1978, between the hours of 2 o'clock P.M. (D.S.T.) and 10:00 o'clock P.M. (D.S.T.) in the seven Election Districts, stated below, for the purpose of voting upon the following proposition(s):

**PROPOSITION NO. 1**  
Shall the school district budget for the school year 1978-79 proposed by the Board of Education in accordance with Section 1716 of the Education Law be approved and a tax be levied in the amount of expenditures less estimated State and Federal aid and funds legally available from other sources.

**NOTICE IS FURTHER GIVEN**  
THAT copies of the statement of estimated expenses for the school year 1978-79 may be obtained by any taxpayer in the District at each school house in the District daily except Saturday and Sunday on and after September 6, 1978, between 9:00 A.M. to 4:00 P.M. and that any other propositions to be voted upon are available for inspection by any taxpayer in the District at each school house in the District daily except Saturday and Sunday on and after September 6, 1978, between 9:00 A.M. and 4:00 P.M.

**NOTICE IS FURTHER GIVEN**  
that Personal Registration and Election Districts have been established in the School District, that no person shall be entitled to vote at the Special District Election whose name does not appear on the register of the School District, unless such person is registered under the provisions of Section 362 of the Election Law as amended by Chapter 629 of the Laws of 1975, and that those qualified to register and vote shall do so in the School Election District in which they reside.

**NOTICE IS FURTHER GIVEN**  
that the Board of Registration shall meet in the seven (7) Election Districts described below on: September 6 1978 from 3 P.M. until 8 P.M. (D.S.T.)

Any person shall be entitled to have his name placed upon such register provided that at such meeting of the Board of Registration he proves to the satisfaction of such Board of Registration to be then or thereafter entitled to vote at the school meeting or election for which such register is prepared. Said register will be filed in the office of the Clerk of the District on September 7, 1978, and will be open for inspection by any qualified voter of the District from 9:00 A.M. to 4:00 P.M., on any week day from September 7, 1978 up to and including September 13, 1978. Residents who voted at an Annual or Special Meeting of the District within two years from the date of the current Special Meeting, or who registered within that time need not register to be eligible to vote at the Special Meeting. Residents otherwise qualified to vote who are registered under the provisions of Section 362 of the Election Law as amended by Chapter 629 of the Laws of 1975 need not register to be eligible to vote at the Meeting.

**NOTICE IS FURTHER GIVEN**  
that during the voting hours on September 13, 1978, the Board of Registration will meet in the various Election Districts to receive registration for the ensuing year.

**SCHOOL ELECTION DISTRICTS**  
The boundaries of the School Election Districts, as adopted by resolution of the Board of Education and the place in each election district for registration and voting shall be as follows:-

birthday. A party was held on

Aug. 13, so her school friends from Queen of the Rosary Academy in Amityville, could celebrate with her. The party took the form of an outdoor barbeque. Her mom (Mildred) baked a panda bear cake, and a good time was had by all.  
Happy 16th Gerri.

Keri Elyse is the name of the new arrival at the home of Mr. and Mrs. Howard Ebert of Northern Parkway, PLAINVIEW. The little miss made her arrival on Aug. 22 at North Shore University Hospital. Mom is the former Ellen Kay Bergida of Plainview. Waiting at home to greet Keri was Stacey, age 4.

Happy 2nd birthday to Keith Kant, of California St., HICKSVILLE.

News from Pal Way, PLAINVIEW. Eleanor and Mike Pastier of Pal Way have tears of mixed emotions. Their first born, Diane, has left the nest for State University at Albany. Earlier in the summer, Diane was honored at a garden graduation party, attended by grandparents, family and friends. Now they will have plenty of time on their hands, they only have three other little birds in the nest, Michael, Paul, and Jimmy to keep them occupied. Good luck to all.

A belated Happy Birthday to that famous husband and wife team of Pal Way, Frank and Ella Drake who celebrated their birthdays one week apart. Remember, you are not getting older, just better.

## Benefit Jazz Concert

The Day Care Council of Nassau County will be ably assisted on Saturday, Sept. 9, by the Speakeasy Jazz Babies when this well-known band plays a jazz concert at the home of the Hon. and Mrs. Jerome J. Weinstein at Hoffstadt Lane on Sands Point. Sponsored by the Hon. and Mrs. Stephen B. Derouin, Mr. and Mrs. Robt. C. Knowles, Mr. and Mrs. Hill Moyers, and the Hon. and Mrs. Jerome J. Weinstein, the cocktail party and concert will extend from 5:00 to 8:00 p.m.

"Current economic conditions have forced an increasing number of mothers to take jobs to help their families," said Mrs. Emily Eriksen, President. "This in turn creates other problems such as child care for pre-school and after-school care until the mothers return home. With the school year about to begin and with more working mothers, the need for financial assistance is greater than ever."

The Day Care Council coor-

dinates the activities of various agencies in Nassau County in this necessary work.

The Speakeasy Jazz Babies play at Michael's Pub in New York City where they are joined regularly by Woody Allen who is an accomplished musician. The band's leader, John Bucher, an Amherst graduate, spends his days as a stockbroker and his evenings immersed in jazz. His colleagues are equally versatile. The band was featured in the sound track of the movie *Sleeper*.

## ORT Dinner

The Mid-Nassau Chapter of Women's American ORT extends an open invitation to all paid up members to join us in celebrating our chapters 20th birthday by attending the "Annual Membership Dinner". It will be on September 20, Wednesday evening at 8:00 p.m. at the Republican Club, Newbridge Road & 8th Street, East Meadow.

A terrific evening is in store with lots of fun, good food, door prizes and raffles including a beautiful hand made afghan donated by our President's mother to be raffled off at the end

of the evening. Maybe you will be the lucky one. Highlight of the night will be entertainment by our very own talented "Mighty Mid-Nassau ORT players" performing a delightful skit along with special honors going to the 10 oldest standing members of the Mid-Nassau Chapter.

Plan on joining us by paying your dues now. Don't miss this opportunity to have a delicious meal, laughs and a chance to win some lovely prizes. Please call our membership girls at 826-9316 or 489-5542 and give them your check.

## Volunteers Needed

The four Young Men's and Young Women's Hebrew Associations of Nassau County urgently need skilled volunteers for their new fall programming.

These volunteers must be skilled and experienced people who are willing to give a definite commitment of their time each week.

They will act as group leaders in any of the following areas: dance, sculpture, ceramics,

painting, poetry, discussion, drama, first aid, cooking, photography, fencing, theater, music, or guitar. We also need trip assistants and van drivers.

If you are interested in working at our new Plainview Y or at our Baldwin, Franklin Square or Long Beach facility please contact Fred Sacklow, at the United Jewish Ys of Long Island, 3521 Jerusalem Avenue, Wantagh, N.Y. 11793 785-5115.

## "Performance Audits" Suggested

As part of the continuing development of his program to ease the tax burden imposed by New York State Government, Democratic State Senate candidate John A. Worthley has called for intensified "performance audits" of all State Government operations.

According to Worthley, one of the most proven means of upgrading efficiency and effectiveness in business is periodic auditing of procedures and accomplishments by independent bodies of management experts. He is confident that such an approach would work equally well in government.

## To Hold Nutcracker

### Auditions

HELLO: Oyster Bay Town Councilman Salvatore R. Mosca greets Dorothy Keating on a recent visit to the Jones Institute in Hicksville as Franks Evans (left) and director Steve Machosky look on. A trust fund established

in 1836 by the wills of Samuel and Walter Jones supports the Jones Institute which cares for the indigent elderly. It is administered jointly by the Town's of Oyster Bay and North Hempstead.

## LEGAL NOTICE

NOTICE OF (SPECIAL) DISTRICT ELECTION  
PLAINVIEW-OLD BETHPAGE CENTRAL SCHOOL DISTRICT  
PLAINVIEW, NEW YORK  
September 5th, 1978.

NOTICE IS HEREBY GIVEN that pursuant to the resolution of the Board of Education of Plainview-Old Bethpage Central School District, Plainview, New York, adopted September 5th, 1978, the (Special) District Election of the qualified voters of this School District will be held on September 20th, 1978, between the hours of 12:00 o'clock noon (D.S.T.) and 10:00 o'clock P.M. (D.S.T.) in the three Election Districts, stated below, for the purpose of voting upon the following proposition:

PROPOSITION NO. 1  
Shall the school district budget for the school year 1978-1979 proposed by the Board of Education in accordance with Section 1716 of the Education Law be approved and a tax be levied in the amount of expenditures less estimated state and federal aid and funds legally available from other sources.

NOTICE IS FURTHER GIVEN that Personal Registration and Election Districts have been established in the School District, that no person shall be entitled to vote at the (Special) District Election whose name does not appear on the register of the School District, and that those qualified to register and vote shall do so. Notwithstanding the provisions of school registration, residents otherwise qualified to vote who are registered under Sec. 362 of the Election Law shall be entitled to vote in the School District in which they reside.

NOTICE IS FURTHER GIVEN that copies of the statement of estimated expenses for the school year 1978-1979 may be obtained by any taxpayer in the District at each school house in the District daily except Saturday and Sunday on and after September 13th, 1978, between 9:00 A.M. to 4:00 P.M.

NOTICE IS FURTHER GIVEN that the Board of Registration shall meet in the three (3) election districts described below on: September 13th, 1978, from 12:00 noon until 10:00 P.M. (D.S.T.):

Any person shall be entitled to have his name placed upon such register provided that at such meeting of the Board of Registration he proves to the satisfaction of such Board of Registration to be then or thereafter entitled to vote at the school meeting or election for which such register is prepared. Said register will be filed in the Office of the Clerk of the District on September 13th, 1978, and will be open for inspection by any qualified voter of the District from 9:00 A.M. to 4:00 P.M. on any week day from September 13th, 1978 up to and including September 20th, 1978. Residents who voted at an Annual or Special Meeting of the District within two years from the date of the current (Special) Meeting, or who registered within that time need not register to be eligible to vote

## LEGAL NOTICE

at the Special Meeting. Notwithstanding the provisions of school registration, residents otherwise qualified to vote who are registered under Section 362 of the Election Law shall be entitled to vote.

NOTICE IS FURTHER GIVEN that during the voting hours on September 13th, 1978, the Board of Registration will meet in the various election districts to receive registration for the ensuing year.

# Strings And Things

Crafts-orientated folk interested in basketry and macrame will find the Gregory Museum's "Strings And Things" workshop a stimulating and rewarding experience.

The workshop will be a series of six consecutive sessions specializing in the art of basketry and macrame. Mathilde Salomon, a gifted craftswoman, will conduct the workshop. She will lead participants in creating both contemporary and

traditional designs using all natural fibers and materials.

This workshop is open to everyone. It will begin on Sept. 12 and run through Oct. 17. The Time will be from 12:30 p.m. to 2:30 p.m., Tuesdays in the Gregory Museum's classroom. The workshop fee is \$20, with an optional charge of \$1.25 for materials.

Late registrants for the workshop should call the Gregory Museum at 822-7505 from 9 a.m. to 4:30 p.m. for latest information.

## Luncheon Set

The Nassau North Shore Christian Women's Club will meet for luncheon on Thursday, September 14, at 11:30 A.M. at Salisbury Restaurant, Eisenhower Park. For reservations at \$6.25 call Elizabeth Morgan, 742-2568.

## Budget Figure Revised (Continued from Page 1)

"a complete inventory had been taken." He stated he heard from a reliable source that supplies were plentiful and "we wouldn't have to buy supplies for years. Can we cut more?" he asked.

Also added to the austerity budget figure were \$10,000 for Cultural Arts, and \$13,000 for Community Use of Buildings.

Other decreases were realized from various personnel deletions and shifting buildings and grounds department; and reduction in fringe benefits.

Before the budget work session began, various Board members read letters and citations from members of Congress honoring Dr. Hill on his contributions to education. Included were

messages from Mrs. Muriel Humphrey, wife of the late Senator, Dr. Hill worked with the late Senator when the latter was Mayor of Minneapolis and Dr. Hill Assist. Supt. of Schools in Minneapolis. Gov. Hugh Carey also sent a message as did Vice President Mondale.

In accepting the tribute, Dr. Hill stated "it is a privilege to work with people. We never accomplish anything by ourselves; it's always with people." Sharing his last official Board meeting, was his wife, Mary.

The next Board of Education meeting is scheduled for September 13, 8:15 p.m. in the conference room of the administration building.

Thank You  
The Hicksville Labor Day Committee led by Chairman Pat Scanlon, Lt. Co. 6, wishes to thank all those who helped make Labor Day a success. Thanks go to Supt. of Highways, T.O.B., George Kunz for his assistance; to Nassau County Police; Hicksville Auxiliary Police; Hicksville Water District Tenants of various Andrews Rd. properties - Honor Co., Sears, Reynolds Co.; local residents, journal subscribers; trophy donors, local Herald and Times publications; The Hollmans, Eichlers and Ladies Auxiliary for their hard work.  
Thanks go to the championship St. Ignatius All-Girls Corp. and to the Commanche Raiders musical

troupe for their fine performance after the parade.  
There was one complaint that was heard over and over, and that was the "weed city" look of Broadway and also on Newbridge Rd. Looking at the center divider, which hasn't seen any maintenance in God knows when, brought to mind visions of a Ghost Town. It was a disgrace that rests squarely on the shoulders of the New York State Dept. of Transportation. A personal request was made to get the area cleaned, but it fell on deaf ears.  
During the intermission, during the drill, the Town of Oyster Bay, represented by Hicksville Councilman Tom Clerk, presented Town Proclamations to retired Dispatcher Elsie Callahan, Ex-Chief Henry Schnepf, and Ex-Chief Jack Leckie. Chief William Ferber presented plaques on behalf of the Hicksville Fire

**HONORED:** Oyster Bay Town Councilman Gregory W. Carman (second from right) and Thomas L. Clark (left) were on hand at the Hicksville Fire Department Labor Day Parade to present citations to the three honorary Grand Marshalls (left to right) Henry Schnepf, Elsie Callahan and John Leckie.

## Kemp Endorses Parola

Fred Parola, Republican-Conservative candidate for Assembly in the 12th Assembly District was today endorsed by Congressman Jack F. Kemp (R-Buffalo), following a press conference at Nassau County Republican Headquarters.

"I'm delighted to add my endorsement to Fred Parola's campaign for Assembly," said Congressman Kemp, who has become known as a champion of working Americans through the Kemp-Roth Tax Reduction Act now in Congress.

The legislation, which Parola endorses, calls for a thirty percent across-the-board reduction in federal income taxes over a three-year period.

Parola has proposed similar legislation for the New York State legislature, calling for a phased-in reduction of property taxes over a three year period.

"Fred Parola will fight for the

right of all Americans to keep some of their hard-earned cash through meaningful and permanent tax cuts. Fred Parola will fight to bring work incentives back to Americans, and will fight to make working for a living worthwhile," Kemp said.

In accepting the endorsement, Parola said, "I'm delighted to accept the endorsement of Jack Kemp, a great legislator and friend of the American taxpayer."

Parola, who faces a primary challenge in the September 12 primary has previously been endorsed by all local Republican elected officials, Republican-Conservative candidate for Governor Perry Duryea, and the Republican-Conservative candidate for Lt. Governor Bruce Caputo.

Parola spent Saturday, September 2, campaigning with Caputo at various Long Island beaches.

## Seaman & Eisemann Augments Staff

In the interest of continued efforts to provide complete insurance service to its insureds, Seaman & Eisemann, Inc. has made an important addition to its staff as of September 5. Kingsley Kelly, Board Chairman, has announced the appointment of Mr. Steven E. Camp as Manager of the firm's Department for Group and Individual, Life and Health Insurance and Pension Plans.

Mr. Camp joins Seaman & Eisemann, Inc. with a wide range of experience in the area for which he will assume chief responsibility. Following many

years as Manager of the Group Department for The Travelers Insurance Company, Garden City, he will be responsible for sales and service of all Group Programs, as well as individual life coverages. "Steve's more than thirty years experience, particularly in the service of Group Insurance, makes him a valuable addition to this agency's staff," stated Mr. Kelly.

Mr. Camp, also a retired Army Intelligence Officer, has resided for many years in Farmingdale with his wife, the former Virginia Blass, and his two children.

**SIGNING UP** - Fred Parola, right, the regular Nassau Republican and Conservative Party nominee for Assemblyman in the 12th A.D., enlists the support of Joseph Farrell of Hicksville in his campaign. Parola, legislative counsel to Assemblyman George A. Murphy of Seaford, is making

his first bid for elective office and has already visited most of the homes in the district. Farrell will serve as a coordinator in Hicksville for the Parola campaign. Assemblyman Murphy will be on the ballot in November as a candidate for Supreme Court.
