Night Session Set For Racquetball Club Hearing

A public hearing on the application of Clip Clop Stables, Inc., for a special use permit to operate an indoor racquetball club in Hicksville, recently postponed by the Oyster Bay Town Board until September 26, will also be continued at an evening session, according to Town Clerk Ann Ocker.

"The evening session will assure that all interested parties will have a chance to be heard on this application," Mrs. Ocker said.

The hearing, originally scheduled for August 15, was postponed at the request of the applicant's attorneys because of the un-

availability of an expert witness. The application is for a 10-court club on property adjoining a Town parking field between Table and Barter Lanes in Hicksville.

The evening session will commence at 8 PM in the hearing room of Town Hall East in Oyster Bay.

Chamber To Meet

The Hicksville Chamber of Commerce has scheduled a General Membership Luncheon Meeting to be held at Antun's Old Country Manor, 244 Old Country Road, Hicksville, on Tuesday, September 26, 1978 at noon.

The guest speaker at the luncheon meeting will be Councilman Tom Clark. His timely, informative talk will be on the subject, "The Extension of Duffy Avenue". After his talk, Councilman Clark will answer questions from the audience. If time permits, he may also share some of his thoughts on the suggested high-rise apartments proposed for the "Hicksville Triangle".

Since the subject matter to be discussed with the Hicksville Chamber of Commerce members at this meeting is of such vital importance to the entire community, the Executive Committee of the Chamber has asked their recently appointed Executive Director, Sieg Widder, to issue an open invitation to the residents of Hicksville to attend this luncheon (Dutch Treat) and hear first hand what the extension of Duffy Avenue will do for Hicksville.

Reservations can be made by writing to Sieg Widder at the Hicksville Chamber of Commerce, 358 B Mid Island Plaza, Hicksville, NY 11801, or by calling at 931-7170.

DAR Holds First Fall Meeting

The Oyster Bay Chapter DAR will hold its first fall meeting on Monday, September 18 at 8:30 p.m. at Raynham Hall, Oyster Bay.

Hicksville, will present the programs for the year and plans for Constitution Week to be observed September 17-23. Tours have been scheduled to several historic sites on Long Island, including one to Gardiner's Island, Rock Hall, King Mansion and Sagtikos Manor.

Donovan Wins In The 10th

One of Nassau County's most active Conservatives, Daniel (Danny) F. Donovan of Plainview won his first elective post as Executive Leader of the 10th Assembly District by soundly defeating his insurgent opponent Salvatore Colletouri Party, including campaign manager to several successful Conservative candidates presently holds the post of Chairman of the Mid-Island Conservative Club. The 10th Assembly District covers the eastern portion of Hicksville (east Side of Broadway), parts of Syosset, Woodbury, Bethpage and Farmingdale. Dan had strong support from the regular Conservation organization and

the "Friends of Danny Donovan Committee". Donovan headquarters on Primary evening were at the Joseph Barry Council, Knights of Columbus, in Hicksville, where he thanked his many supporters for their confidence and work in obtaining this big win for the Conservative organization - John J. O'Leary, Nassau County Conservative and other members of the Executive Committee joined the happy occasion with Danny, his wife, Peggy and more than 50 committee members and guests. The Donovans reside in Plainview and are members of Pius X Parish. He is an active member of the Joseph Barry Council,

Knights of Columbus; American Irish Congress, Commodore John Barry. Ancient Order of Hibernians (Green Berets) of Hicksville and the Town of Oyster Bay, CSEA Unit - Dan is active in training the youth of our community the fundamentals of boxing, a former fighter and trainer of some of the best in the east coast - good luck buddy.

NASSAU FEIS SUNDAY: September 17 is the date of the 6th annual Feis sponsored by the Nassau County Board, Ancient Order of Hibernians to be held at the Plainview Office Complex on Old Country Road - just follow the arrows. Events start at 9 AM thru dusk and will include the best of traditional song, dance and recitation in the true Irish way - two field Masses will be celebrated - Irish pipe band competition and exhibition are planned and your presence is welcomed a Cead Mille Failte (one hundred thousand welcomes) to this Irish cultural event - (rain date is Sunday,

September 24) John Irwin and Tony Jackson, co-chairmen are making every effort to make this a happy day for all-see you there.

HAPPY BIRTHDAY: To my daughter Ann Marie Schmidt of Cedar Street, Hicksville, celebrated with family on her birthday, Monday, September 11, 1978.

WE HEAR THAT: The borings on Kuhl Avenue, Georgia Street and Gardner Avenue are checkings for pavement types and ground water elevations for the work to be done on sewer interceptor 12-2 contract scheduled to commence shortly - if you have any specific questions this column advises you to contact the Nassau County Department of Public Works, 535-3915 Monday thru Friday and they will be more than happy to assist. Oyster Bay Town Board denied a Mid Island Plaza petition to add an amusement center with pinball machines to Nathan's restaurant a move opposed by many residents and the Town also turned down a permit to include belly dancing at the Casbah Restaurant on Old Country Road - The clans gathered last Saturday at John and Grace Halcott's Kuhl Avenue

abode to celebrate with an 'end of summer' party - quite a group of family and friends in attendance - a buffet supper was served and entertainment was a lively evening we understand.

DID'YA KNOW THAT: Gene and Jane Ziegler of Linden Boulevard, Hicksville were honored guests at a surprise party recently at the home of Rosemary Jones on Deer Lane - the couple were presented with a beautiful embossed plaque of friendship and best wishes on their move to Oregon State later this year - we'll surely miss them both - but the plaque will constantly remind them of their Hicksville friends... Madeline and Patrick Dowling became grandparents again - his name is Sean Patrick, 7 lbs. 8 oz., son of Cathy and Pat Dowling, Jr., born at Huntington Hospital - the Dowlings have four other grandchildren, Kelly, Colleen, Christopher and Dawn - good luck... Don't forget to support the St. Ignatius Girls Cadet Corp contact Larry Wallace, Corps Director during recruitment drive - see you at the Feis.

Town Board Sets Hearing On Street Light Takeover

Acquisition of Oyster Bay Town's public street lighting system and its modernization will be formally considered at a public hearing set by the Town Board for October 10, according to Town Supervisor Joseph Colby.

The Town Board also amended the 1978 Capital Program in the amount of \$1.8 million to cover the costs of acquisition and improvements of the system. "Presently, the Town pays an annual charge of over \$1.6 million to the Long Island Lighting Company, which supplies the lighting fixtures and maintenance as well as the electric power," Colby noted.

Under a new agreement now being finalized, the Town will

take over ownership and maintenance responsibilities for an estimated 19,000 lighting fixtures. Negotiations between the Town and LILCO for the takeover of the system have been underway for about 18 months.

Modernization of the street lighting is expected to commence shortly after takeover of the system by the Town. The project will include the replacement of existing lighting fixtures with more modern types that provide more light at about one-half of the energy consumption.

"We expect the Town to realize significant cost savings with the new system and, at the same time, provide better lighting for our streets," Colby said.

TOB Arts Council Sets Meeting

The arts are flourishing in the Town of Oyster Bay, and one of the reasons is the Town's Arts Council. Individuals and groups interested in joining the Council in promoting the arts are invited to attend the second general meeting and reception on Tuesday, September 26, at 8 PM.

Town Councilman Kenneth S. Diamond announced that the meeting, which will highlight the 1978-79 membership drive, will be held at Salton Hall, N.Y. Institute of Technology, Northern Blvd., Old Westbury.

Special events planned for the evening include guest speaker Marcia O'Brien, Director of Cultural Development for Nassau County; a performance by the Long Island Baroque Ensemble, and wine and cheese for refreshments.

The Arts Council was formed to help foster the growth of the arts in Oyster Bay. In addition to its monthly calendar and newsletter and taped after-hours telephone messages of weekly events, the Council acts as an arts information center and a forum where members can exchange ideas and information. During the previous year, the Council sponsored a seminar on funding and grants for arts organizations and its First Annual Arts Expo at the Mid-Island Shopping Plaza, Hicksville.

Persons or groups wishing more information on the Council or to make a reservation for the meeting, may contact Lois Manning, Executive Director, at 922-5800 ext. 250. Reservations will be accepted through September 26th.

Carman Endorsed By Kemp

On Tuesday, August 29 Greg Carman, Republican nominee for Congress in the Third Congressional District, was endorsed by Congressman Jack Kemp (R-N.Y., 38th C.D.) following a meeting at Nassau County Republican Committee Headquarters.

"I'm delighted to add my endorsement to Greg Carman's campaign for Congress," said Congressman Kemp, who has become known as a champion of working Americans through the Kemp-Roth Reduction Act now in Congress.

The legislation, which Carman endorses, calls for a thirty percent across-the-board reduction in federal income taxes over a three-year period.

"Greg Carman will fight for the right of all Americans to keep some of their hard-earned money through meaningful tax cuts. Greg Carman will fight to bring work incentives back to Americans, and will fight to

making working for a living worthwhile," Kemp said.

Carman said in accepting the endorsement; "I'm honored to accept the endorsement of Jack Kemp, a great legislator and friend of the average-American taxpayer."

TOB Photo Contest

Amateur photographers in the Town of Oyster Bay will have an opportunity to display their skill in the Fall Recreation '78 Photo Contest being sponsored by the Department of Parks and Recreation.

Town Councilman Salvatore R. Mosca, chairman of the Town Board Committee on Parks and Recreation, announced that applications for the contest will be available September 15 to all amateur photographers who reside in the Town. Participants will be divided into two age categories: 17 and younger, and 18 and older.

Photos must be taken at a Town recreation facility and depict a recreational activity or some aspect of the facility. Photos

A Grateful Widow Says Thank You

Where do you begin to thank so many people? Expressions of sympathy, mass cards, phone calls, letters and monetary donations have poured in from all over the country from people who care and want to make the hurt of losing Harold a little easier for me and my children to bear. I treasure these thoughts and words and I am keeping them in a scrapbook of memories.

But some of the greatest expressions of love and caring aren't on paper, yet I treasure them in my memory with the same intensity as I treasure my scrapbook. For they came from my own Dutch Lane community. Neighbors, friends, and acquaintances came forward with an outpouring of generosity that fills me with gratitude. They were there to help with everything from the cooking of meals, to the cleaning of the laundry, to the kind words and deeds for the kids, to the preparation and serving of food for the hundreds of firemen who filled the Knights of Columbus Hall to pay their respects to my husband, after his funeral.

To the Hicksville and Levittown Fire Departments, who sent their engines decked in flowers to carry Harold to his final rest, to the shopkeepers, Jay's Deli, Schult's Deli, Antonio's Pizzeria and Deli, Municipal Beef, Hickory Farms and the Pancake House who played a large part in paying tribute to my Harold, by donating untold amounts of food for the ever expanding number of firemen who arrived at the Knights of Columbus Hall. To each and every one of you the Hastings family humbly says, "Thank you."

Dear Editor:

On October 16 the Town of North Hempstead's Recreation Department will hold its first 10,000 meter (6.2 mile) road race, following the lead of the Town of

should be black and white and may be no larger than 8" by 10" nor smaller than 5" by 7". The processing of the film need not be done by the entrant. All photos will become the property of the Department of Parks and Recreation and none will be returned.

There will be two categories in the competition: still and active. Entries will be limited to two in each category. First and second prizes will be awarded in each category and age division, and the best photos will be displayed in the parks. Winners will be notified by mail shortly after December 15.

Photos should be submitted to the park managers at the Syosset-Woodbury, Plainview-Old Bethpage, Bethpage or Marjorie R. Post (Massapequa) community parks, or to the Parks and Recreation Department, 800 South Oyster Bay Road, Hicksville, no later than December 15. An application blank, which will be available at the parks and the Parks and Recreation Office, should accompany each entry.

Letters To The Editor

Hempstead, which held its annual Mini-Marathon back in April.

The Hempstead race was certainly a success. More than 400 enthusiastic runners completed the course. The race was beautifully organized and managed, and is an excellent example of what local government can do to promote and encourage physical fitness.

Closer to home, the 7.5 mile Frank Cuccu Memorial Race held in Oyster Bay hamlet every August has become a prime attraction for runners from all over the metropolitan area, and has been held this year in Massapequa and Syosset. The Plainview PBC will hold its first annual road race, a five miler, on September 16.

Why hasn't the Town of Oyster Bay sponsored such a race? Better still, why not have the Town Parks and Recreation Department organize a series of races for runners at all levels of

fitness? Last Spring, the Brookhaven Road Runners Club sponsored a one-day series of races featuring a 5 kilometer race, a 10 kilometer race, and a 20 kilometer race. Something like that could easily be put together by the Town of Oyster Bay Parks and Recreation Department as well. (An interesting and challenging 20 kilometer route through most of the communities in the central portion of the Town - Hicksville, Plainview, Bethpage, Syosset, etc. - could be worked out.)

Local government has an important role to play in promoting the physical fitness and well being of its citizens. I am hopeful that our Town government will follow the lead of the Towns of Hempstead and North Hempstead and start taking a more aggressive approach towards promoting the rapidly growing sport of running in the Town of Oyster Bay.

Very truly yours,
Michael Polansky

Dear Friends:

Right next to this column is a STATEMENT OF FUND BALANCES which the Hicksville School District has asked us to run, as a public service, so that you may all know exactly where the finances of this district stand. We are glad to do so and hope that it will be helpful to all our subscribers.

In Plainview the school budget is being brought up for a revote on Wed., Sept. 20th. The details of this budget appear on page one of our Plainview Edition and voting places are listed in their legal notice. Don't forget to vote, friends.

Dr. Dunbar, of the Hicksville Chamber of Commerce has asked us to ask you to "send thoughts and suggestions which will help to make a better community," to the Hicksville Chamber of Commerce, 358-B Mid Island Plaza, Hicksville, NY 11801.

By the time you read this, the Plainview-Old Bethpage Teachers Union (the Plainview Congress of Teachers), may have decided to go on strike. It seems that the final offer made by this Board of Education is unacceptable to the Union with wage increases and benefit levels the points of difference.

COST CALL... a talent search for performers to imitate voices of horror creatures is now underway at the Long Island March of Dimes. Auditions will be held on Mon., Sept. 25th at 7:30 pm and those considered to be of "star calibre" will be showcased at the March of Dimes Haunted House in October after an extensive publicity campaign on radio and TV (to say nothing of this newspaper). Call 433-7000 between 9 am and 5 pm for more information.

This week we can only report "progress" on what is happening to the violations which are charged to the Grandeur Kennels on West John Street in Hicksville. They are numerous, the neighbors have been putting up with unbelievable conditions in this area, and the animals are not taken care of at night. Since the estate of the late owner is being probated on Sept. 19th, it is hoped that immediate action to correct these violations and unhealthy conditions will take place.

Sports enthusiasts will be delighted to hear that on this Sat., Sept. 16th from 11 to 1, Glen Gondrezick of the Knicks and Phil Esposito of the Rangers will be appearing in person at the newly-opened Burger King Restaurant at the intersection of Old Country and South Oyster Bay Roads. So, come on down and talk to these celebrities, get their autographs and at the same time information regarding season subscriptions to their games.

THAT'S ALL for this week. Stay well and also, stay concerned about all that goes on in our communities. This is where your opinion and help can really count.

Tax Revolt Primer

Washington, D.C. - "ACT Now," a project of the 3000,000 member American Conservative Union, is assisting in the distribution of The Taxpayer's Guide to Effective Tax Revolt (Dale Books, Inc., New York, 1978) - a "how-to" primer for tax limitation at the state and local levels.

The paperback book by award-winning journalists Sheldon Englemayer and Robert Wagman provides detailed instruction on the formulation of tax reduction referenda aimed at local school boards, municipalities and state government.

ACT Now is distributing 7,500 copies of the publication to its affiliates and to local leaders sympathetic with tax limitation. Congressman Philip M. Crane

(R-III), Chairman of the tax limitation group, said that the distribution effort was compatible with the ACT Now's aim of reducing the tax demands of all levels of government.

"While much attention has rightfully focused on the exorbitant tax burdens levied by the Federal and State governments, it should be realized that virtually all government bodies have been taking an ever increasing share of the working person's dollar," Crane said.

"Moreover the tax limitation movement can only maintain its steam if it has a solid network of support at the grass roots level," he said.

A chapter of the book is devoted to an explanation of the activities of ACT Now as well as other tax limitation groups.

A Message From Supervisor Colby

It seems to me as if we celebrated the Memorial Day weekend just a few weeks ago with anticipation of the warm summer weeks ahead, and now Labor Day has come and gone and there is a distinct chill in the air. Summer is about over and fall is rapidly approaching.

This, however, does not mean the end of sports and recreational activities at our Town facilities. A full schedule of fall and winter activities has been prepared by our Department of Parks and Recreation. The programs range from the vigorous to the more sedate and are designed to appeal to a variety of interests and ages.

For the athletically inclined, there are the professional tennis instruction programs, and the annual fall golf clinics at our community parks. The latter should prepare you for the annual hole-in-one tournament at Farmingdale's Allen Park on October 14.

Other competitive events include a paddle ball tournament at Burns Park, Massapequa, a table tennis tournament at Marjorie Post Park, and the NFL punt, pass and kick contest also at Burns Park.

The Town's three ice skating rinks will again open around Thanksgiving Day for recreational skating, skating lessons and the ice hockey league programs.

A number of free clinics for Town residents are scheduled or being planned. These include a hunter's safety clinic, a ski preparation clinic, and, tentatively, free Backgammon instruction and a horticultural clinic on house plants.

Programs for the more cerebrally inclined include the annual fall photo contest and the annual Town of Oyster Bay chess tournament.

How can you get more information on these and other

upcoming programs? You have one of the best sources in your hands right now - your local weekly newspaper, which carries news of these events as they are announced. Also, you might consult the bulletin board in your local community park or call the Recreation Division at 433-8810.

Enjoy your Town facilities this fall and winter, they are there for you.

At The Town Board Meeting

By Gerry Kahn

A fifty three item calendar forecast a lengthy day at the Town Board Hearing held on Tuesday, Sept. 12th. However, the agenda concluded at 12:40.

The petition of Ted-Vac Realty Corp., William Difonti and Richard Koch for a special use permit to maintain and operate an auto body repair shop on the southwest corner of West John St., and Howman Blvd. in Hicksville, was the main hearing of the morning. Mr. Robinson, who was the owner of the property in question, represented the petitioners and presented his case for the granting which included the testimony of Fred Kriskinich, a professional R. E. appraiser.

The Board obtained, through questioning, the promise of covenants for fencing, no street storage, no heavy bodywork, no Sunday work, a well-filtered paint spraying facility and a non-lighted sign attached to the building. Edward Klumpp, Mabel McVaed, Ed Wagner, Mr. Baumgardner and Joanne Boraska

appeared in opposition to the granting of this petition.

On the local scene the following resolutions were of community interest—

Item 27 - directed the Town Clerk to advertise notice of hearing on petition of Howard Johnson for a special use permit to conduct and operate a cabaret, bar and cocktail lounge, catering and dance hall with live music near the LIE and Jericho Tpke., in Jericho. Hearing date was set for Nov. 28th.

Item 43 - resolution relative to site plan for Atrium IV Properties in Woodbury was approved.

Item 45 - the petition of Metro-house Construction for a down-zoning from 2 acres to 1 acres residential in Woodbury, was denied.

Item 46 - the petition of Mid Island Shopping Plaza for a special use permit to operate an amusement center at Nathans was denied.

Item 47 - the petition of Gilbert Tilles for a special use permit at Woodbury for office building

usage in an industrial zone was approved.

Item 48 - the petition of Hess Realty Corp. for a special use permit at Hicksville, was approved.

Item 50 - the petition of the Danson Restaurant Corp. for a special use permit at Hicksville, which included the use of belly-dancers as part of the entertainment, was denied.

Item 52 - the petition of Myron Neikin for a zoning change for his properties in Jericho was granted. (See opposition in Letter on page 3)

Item 53 - the petition of Industrial Realty for a special use permit at Hicksville was granted.

In the informal discussion that followed, Sara Middendorf of Syosset discussed spray filters and how ineffective they are in cutting down air pollution, and Judy Jacobs of Woodbury spoke relative to the preliminary filing of a map at the Tilles properties in Woodbury and suggested that the "No Parking Signs" on Woodbury Road be reinstalled.

Superior Achievement

The annual Superior Achievement Meet, in which members compete in both swimming and diving events, was sponsored by the Levittown Swimming Association on August 26 at Jerusalem Ave. Pool. In the Junior Division Bonnie Fabricant of Acorn La. and Paul Nussbaum of Carman Ave. were the first place trophy winners. Kellie Wilbert of Acorn won the Senior

Girls Trophy and Lester Sloan Jr. of Slate and Jeff Hughes of Carman Ave. tied, for the second year in the Senior Boys Competition.

The Awards for the meet, as well as the special awards for High Point and Outstanding Team Members, will be presented at the LSA Awards Program at Levittown in Hicksville on Sept. 15.

\$8 Million HUD Grant For Nassau

15 Nassau County communities will benefit from a Community Development grant of \$8,057,000, Congressman Norman P. Lent (R-N.Y.) announced on Sept. 8th. Lent said the Department of Housing and Urban Development had informed him that it had approved the application of the Nassau County consortium of communities for a wide variety of aid for community projects.

"This is a most important grant for Nassau County and its communities," Lent said. "The many, many projects provided for in the grant will benefit our citizens and improve our communities."

Lent reported that the Town of Hempstead will receive \$3,159,814, the largest single grant. The Town's Presiding Supervisor, Alfonso D'Amato, said the funds will make possible a broad variety of needed projects. "Of particular value," said D'Amato, "will be projects

to aid senior citizens and the handicapped, including \$500,000 for grants to senior citizens who own homes to be used for energy conservation improvements, \$150,000 to aid home owners who are handicapped in removing barriers in their residences, and \$250,000 to build the clam cleansing facility at Freeport needed to revitalize the half-century dormant clamming industry.

The Town of Oyster Bay receives \$1,760,944 which, Supervisor Joseph Colby reported, would be used for special projects for the elderly and handicapped, various public works projects, and housing rehabilitation loans and grants.

The Town of North Hempstead receives \$506,242 for public works projects. The City of Long Beach receives \$500,000, also for public works projects.

11 villages in the County will be allotted funds for a variety of public projects, rehabilitation

loans and grants, and special projects for the elderly. Included in the consortium are the following: Mineola, \$300,000; Rockville Centre, \$300,000; Valley Stream, \$300,000; Farmingdale, \$100,000; Island Park, \$100,000; Great Neck, \$100,000; Massapequa Park, \$100,000; Sea Cliff, \$100,000; Westbury, \$100,000; Williston Park, \$100,000; and South Floral Park, \$50,000.

Lent called the approval of the grant "a prime example of how local communities can work productively with the federal government to improve the quality of life in Nassau County. County Executive Francis Purcell and his Coordinator of Housing and Intergovernmental Affairs, Raymond H. Malone, are to be congratulated for their painstaking effort in putting together this consortium of communities for the grant application."

CETA To Lease Bethpage School

Oyster Bay Town Councilman Salvatore R. Mosca (Tuesday, September 12) announced that the Town will lease from the Bethpage School District the now vacant Bloomingdale Elementary School for administrative offices for Town and Nassau County personnel involved in the CETA (Comprehensive Employment and Training Act) program.

The one-year lease calls for a net rental of \$48,000, which is 100 percent reimbursable by the Federal government. It will provide approximately 11,000 square feet of space and include,

in addition to the rent, the costs of telephone, lighting, building maintenance, and insurance.

"This will not only free up badly needed space in Town facilities presently allocated to the CETA program," Mosca said, "but will also permit the Town to pass along the administrative costs of the leased facility to the Federal government."

In addition to the Town's administrative CETA personnel, the school will serve as a satellite office for the Nassau County Office of Employment and Training, which has countywide responsibility for the CETA program.

OPENING DAY

Last week-end marked yet another 'first' for the club - a "Grand Opening Day" for the Fall '78-'79 season. The event was held on the Home Fields, located on the Grumman Complex on South Oyster Bay Rd. Representing Grumman Aerospace was Mr. & Mrs. Harry Volz. Mr. Volz is Deputy Director of Security and Personnel Relations for Grumman. Also on hand was Mr. Dick Hogan, Athletic Director of Hicksville High School. Both gentlemen wished the Club well for the coming season and the future.

Despite some problems with the loud speaker system, the ceremony went off as planned and executed by Peter Collins and Mr. Leon Akl, Commissioner of Security and Personnel division. All teams (both traveling & intramural) which number close to 60, marched around the field and lined up in rows in front of the colors. After the National Anthem, Peter Collins presented Club President Alex Sakk who formally opened the Fall Season and introduced the visiting dignitaries. All teams then paraded off the field and Intramural Commissioner Walt Karlewicz resumed the opening day games. The Pee Wee Commissioner this season is Mr. Joe Olive, the Bantam boys is handled by Jack Schneider, the Middlets by George Rogan and the Giants by Leon Akl.

Perhaps the most impressive part of the day was to see all the teams (each of whom had made their own team banner) march by the grandstand. The originality, time and effort that went into making the banners was very evident and showed a tremendous amount of interest and enthusiasm on the part of coaches, players and parents and made for a very impressive sight.

Before the Fall Traveling Season kicks off next week, a quick look back at the Spring Season reveals that the 22 traveling teams played 240 League Games and compiled a record of 130 wins, 74 losses and 36 ties. Many, many additional games were played in various tournaments throughout the spring and summer and the results of these are still being tabulated but the League Record is an excellent one on a total club basis. Six of the teams brought in Championships and five more came in second. Congratulations to the division winners: Al Boccafolo and his under 8 boys who went undefeated with an 8-0-2 record; Joe Neto (under 9) with a 10-0-1 record; Jim Morrisroe was also undefeated winning 7 and tying 4 with his under 10 lads. Pete Baena (under 16) also came in first with 9 wins, 2 losses and 1 tie; Angelo Lozito (U 17) with an 8-1-1 record and finally, the big guys (under 19) won 10, lost 1 - coach Paul Bedell.

KICK ME: Oyster Bay Town Councilman Gregory W. Carman (right) greets winners of the regional Soccer Kick Me Concert sponsored recently by Coca Cola including (left to right) Steven

Berlin of Plainview (under 16), John Leddy of Farmingdale (under 14) and Scott Seelsa of Massapequa (under 10). John Dorsi (left) Special Events Manager for Coca Cola, and Bob

Maze of Massapequa who helped organize the event, look on. The boys were among 40 youngsters from across the nation who scored enough points in regional contests to compete in the finals.

Intercollegiate Championship

The Eastern Intercollegiate Championship for college harness drivers will be held at Roosevelt Raceway on Friday, October 13. Students from six colleges will be invited to compete for the title.

Frank Guiliano of Nassau Community College and Maria Lucarelli of C.W. Post College, winners of collegiate contests at Roosevelt last year, are expected to be among the starters. Guiliano is from New Hyde Park and Lucarelli resides in Oceanside, L.I.

Other anticipated entrants include Robert Goldstein of Old Westbury, representing Pennsylvania University and Ed Dougherty, Jr., Philadelphia, a student at Georgetown University. Collegians desiring to enter the competition can contact Lou Miller, supervisor of the Roosevelt-OTB training school at Roosevelt Raceway.

Matthew Kiernan, highly regarded basketball player at Plainview, has been enrolled at Johns Hopkins University for the fall term.

Head Basketball Coach Jim Amen of the Johns Hopkins University Blue Jays, expressed great pleasure at the matriculation of the Plainview native. Coach Amen also noted that Kiernan was trained at Plainview by himself for his sophomore and junior year and by Al Dava for his senior year.

Sailboats Needed

The Long Island Nautical Festival is looking for vintage sailboats to provide an escort for the tall ship "Unicorn" which will be visiting long Island waters during the month of September and October. The 136 foot square rigged Brig will be stopping at many local seaports and, according to Captain Sam

Gehring, "The crew of the Unicorn would be honored to be escorted by vintage craft from an area which is so rich in nautical history and tradition."

The ship, Queen of Op Sail, is an authentic, handcrafted 136 foot long sailing vessel. She has two 81-foot masts each with square sails characteristic of the esthetic rig of the pre-steamship era for vessels engaged in coastal trade and transoceanic service. She carries 17 sails with a total area of 5,000 square feet. The Unicorn has appeared in numerous movies and most recently was seen as the slave ship in the epic TV production of "Roots".

The owners of all sailing craft which were constructed prior to 1950 are invited to participate in the escort duty. Boats may join for the entire cruise or any segment of the journey.

The Unicorn's schedule for the month of September is as follows:

- DATE: Saturday, Sept. 16; PORT OF CALL: Kings Point, ETA: 1800.

Barbara Jean Rustic, daughter of Mr. and Mrs. Walter Rustic, of Goshen, N.Y., became the bride of John Kenneth Strong, son of Mr. and Mrs. John J. Strong, Jr. of Jonathan Ave., HICKSVILLE, on Sunday, Sept. 10.
 Congratulations and best wishes.

Mrs. "Cindy" Zike of Third St., HICKSVILLE, celebrated her 77th birthday at her home with a buffet supper on Friday evening, Sept. 8.

She is the oldest daughter of Mrs. Vincent Braun of Third St., HICKSVILLE.

Mr. and Mrs. Zike have three children, namely, John Vincent, Cathie Ellen, and William Paul. A lovely time was had by all. Earlier in the day, Mrs. Zike was the guest of Mrs. Braun for lunch at Flynn's in Bay Shore.
 Have a happy year, Cindy.

Mrs. Charles Saurer of Nesconset was the guest of honor at a surprise baby shower given by Rose Saurer, Kathy Gabrielson, Judy Principe, and Ruth Saurer on Sunday, Sept. 10, at the home of Mr. and Mrs. Thomas Saurer in Farmingville.
 The "mother to be" of twins received many lovely gifts. The highlight of gifts was from her mother — a large red "Santa Claus" type bag containing small bags of dollar bills in the amount of \$800. A buffet supper followed the opening of the gifts. Everyone had a good time.

Happy Anniversary to Mr. and Mrs. William Moyer of HICKSVILLE, who celebrated their 27th on Sept. 9.

Happy Birthday to Alexander Nacewicz of Duffy Ave., HICKSVILLE, on Sept. 15. Also, get well wishes go to his wife, Stella, who is presently recuperating from surgery.

Happy Birthday to Michelle and Michael Walton, children of Mr. and Mrs. Marshall Walton of Park Ave., HICKSVILLE. Michelle celebrates her 11th on Sept. 17 and Michael celebrates his 15 on Sept. 18.

Paul Michael Braun, infant son of Mr. and Mrs. Vincent Braun of

Shirley, was baptized on Sunday, Aug. 20 at 2 p.m. in the Church of St. Jude, Mastic, N.Y. The ceremony was performed by Father Corrao who said Mass. Godparents are Ms. Barbara Colt, of California, sister of Mrs. Braun and Bob Kondzielski of Hicksville, a longtime close friend of Mr. Braun.

Immediately following the Mass, a reception was held in the Knights of Columbus Hall in Mastic for friends and relatives. Among the guests were the baby's grandparents Marian Braun of HICKSVILLE, and Mr. and Mrs. Thomas Cronin of Levittown.

Baby Paul was the recipient of many lovely gifts and a good time was had by all. God Bless you, Paul.

Birthday greetings go to Mrs. Nancy Moyer of HICKSVILLE. She celebrated her 20th on Sept. 25.

Happy Anniversary to former HICKSVILLE residents, Mr. and Mrs. M. Yarnold of East Northport. They celebrated their 4th anniversary on Sept. 7.

Birthday greetings go to May Bergsohn of HICKSVILLE, who celebrated on Sept. 10.

Patricia Connelly is a grandmother for the first time via her son, Henry, and his wife, Mary. The new addition to the family is Henry Michael Connelly, III, who was born on July 16. The entire Connelly clan are delighted and proud of baby Henry, especially grandma. Patricia is one of HICKSVILLE Library's cooperative and helpful employees.

Another of HICKSVILLE Library's willing and able employees is Rosemary Curley. Rosemary and her husband, Joe, just returned from a two-week jaunt to Hawaii, San Francisco and Las Vegas. Accompanying the Curleys were their friends, Rosemary and Jack Byrne. This foursome saw Diamond Head, the Kodak Hula Show, cruised Pearl Harbor, rode on a cable car, ate at Fisherman's Wharf, and lost money at Las Vegas. They returned to Hicksville

exhausted, nearly broke, but happy.

We didn't forget Hilda Murphy's birthday on August 24, we just didn't have all the news about the lovely family party held for Hilda at her daughter, Pat, and son-in-law, Robert, Shell's home. Her husband, Bill; sons, Tommy and Michael; daughter, Barbara; and Bill, Jr. and his wife, Linda, all were present to help make it a very happy birthday for Hilda.

A family reunion was held at Ed and Joyce Quinn's HICKSVILLE home recently. Here from California was their son, Geoffrey; his wife, Joanne; and grandson, Geoffrey. Also present the Quinn's sons, Steven; his wife, Irene; Terry and his wife, Linda; and the fourth son, Edward. Other guests joined with the Quinn family to make this a joyous barbecue reunion party.

We learned of another family reunion (which lasted five days). This one was held in York, Pa. at Thomas and Debra Bernert's home. Present were Patricia and Bill Anderson and Dee and Don Wiltzie. Tom, Patricia and Dee are all former HICKSVILLITES and the children of Mildred Bernert; who, of course, was also at the reunion.

Jeffrey O'Brien, even though you moved to Suffolk County from HICKSVILLE with your lovely wife, Inez, and adorable baby, Jennifer, we know you celebrated your birthday on September 4. And we also know you had a great time at the barbecue birthday party your mom, Angie, held at her home in Hicksville. We just couldn't miss the opportunity to wish you "Happy Birthday."

We found out that Jeffrey O'Brien wasn't the only birthday celebrant at the barbecue party his mother gave. Jeff's sister, Valerie, had her birthday on September 5, so mom, Angie, held a party in honor of both her children. Valerie is married to Mike Roccoforte and they live in Yaphank. Both Jeff and Val grew up in Hicksville and attended its schools. Congratulations, folks.

And guess who was one of the Color Guards for the Joseph Barry Council, K of C during the recent Hicksville Firemen's Parade? It was Fred Fischer of West Nicholas Street. Fred looked great, and really enjoys being

active in civic affairs.

Another HICKSVILLE neighbor from West Nicholas who marched with the Color Guard in the parade, but for the Charles Wagner Post No. 421, was Frank Molinari, Past Commander. In addition, Frank and his wife, Lill, held a barbecue party at their home for all the members of Post No. 421's Color Guard. This is an annual event and each year a different member of the Guard is host to the group. The guest of honor at the affair this year was George Lang, Levittown, a Congressional Medal of Honor

recipient. George is a veteran of the action in Viet Nam. Among the 30 guest present at the barbecue was George's lovely wife, Jackie. The party was a great success, we were told.

On September 6, Dennis Sheehan, Wilfred Boulevard, HICKSVILLE, and Chris Kelly, who also of Hicksville, became engaged to be married. A wedding date has not yet been set. Both Dennis and Chris are graduates of Hicksville H.S. and are currently attending college.

DEVOTIONS

By The Rev. John H. Krahn

ARE CHRISTIANS AN ENDANGERED SPECIES?

Are Christians an endangered species? This is really not the most pleasant question to consider. But at some time or another I would imagine we have all thought about it somewhat. Perhaps not in the same words, but with the same concern.

Dissatisfaction is often the breeding ground of questions of doubt about the future. More than this we live in a world that some have referred to as the post-Christian era. Several years ago a man survived an air crash and said later, "In the hour when death was upon me, I did not think to ask, 'Am I right with God?' but, 'Is my insurance paid up?'"

Before we go any further, let us find comfort and assurance in God's Word. Speaking of Jesus, in

John 1, it says, "His life is the light that shines through the darkness - and the darkness can never extinguish it." Never, it says. The power of God's light can never be extinguished. The good news about Jesus will always be good news. Sin will have its triumphs, but it never will completely prevail. Even though atheistic communism has consumed more than half of the world, its success will always be limited. Torture is visited upon some of our Christian brothers and sisters who share their faith under the flag of the hammer and sickle. But the light has not gone out. Children are ripped from Christian families never to be returned because their parents are soldiers of the Cross. But the light has not gone out.

Unfortunately, danger to Christianity does not only come from the outside but also from

within. I would like to consider with you three of the dangers from within. We will call them Christianity's sin from within.

For the S of sin from within, there is the endangering problem of self-centeredness. Often we get so caught up with our own church or our own denomination that our world view of Christianity doesn't go much beyond our congregation's front door. In our quest to preserve our peculiar understandings of Scripture, we often fail to bask in the good news of a Christ who stands at the center of Scripture. The New Testament abounds with encouragement for us to be one with each other - to rejoice in that which unites us in the Body of Christ rather than to dwell upon our theological idiosyncrasies. It is incongruous with Christianity

for us to separate ourselves from other Christians in order to do just our own thing. We are to be in ministry with Christian brothers and sisters praising God for our own traditions in the faith while trying to understand and appreciate the rich traditions of all Lutherans and also Methodists and Roman Catholics and every other member of God's family. We are going to spend our eternity with all these people; the time to get acquainted and work together is now.

Another aspect of the problem is what I will call inhibited love. Inhibited love is the I of the sin from within. There is no virtue in loving someone who is lovable. Anyone can do that - even non-believers. There is no virtue in loving someone with whom we agree, that is almost like loving oneself. Anyone can do that - even non-believers. Jesus said, "If you love only those who love you, what good is that?" Even

scoundrels do that much. If you are friendly only to your friends, how are you different from anyone else? Even the heathens do that."

But there is virtue in uninhibited, unconditional love. We are called by Jesus to embrace with forgiving love a brother or sister who has disappointed or even offended us. Forgiveness flows in a church when the Spirit of God resides in its members. Love that knows no conditions, love that flows freely, uninhibited love is the love that Jesus spoke about when he said, "Love your enemies. Pray for those who persecute you. In that way you will be acting as true sons of your Father in heaven." Inhibited love, part of the sin from within, must be replaced with uninhibited love, love that reaches out with unconditional forgiveness.

The final sin from within. (Continued on Page 13)

AROUND TOWN

(Continued from Page 9)

We wish you both much happiness and a long, fruitful life

A Hicksville couple who have shared 30 happily married years together are Wilma and Bill Wissis. The Willis' celebrated their 30th wedding anniversary on September 11. Their children, Bill, Jr. and Celeste McKinstry took them out to dinner on Sunday, September 10, to commemorate this happy occasion. Best wishes, Wilma and Bill.

Welcome to Mayfair Lane, HICKSVILLE, Rick and Vicky Rubel. We know you will enjoy your friendly neighbors. Rick works at Bay Woodcraft, Oyster Bay; and Vicky is a bookkeeper and translator for Local 32B in N.Y.C. Now you can also do a different kind of work, folks: cutting the grass, painting, shoveling snow, etc. Best of luck in your new home.

Tom and Marie Bergin's son, Bob, was married on August 27 to

Mary Erickson. Bob and Mary both grew up in HICKSVILLE and attended our local schools. They now have an apartment in Hunton.

Back home for a visit with Rosemary and Gene Dolan is their daughter, Suzie. Suzie has been living in Washington, D.C. for the past year and works in Virginia. She said Washington, D.C. is an exciting place, and she's thoroughly enjoying herself.

Met Mitch and Gladys Eisenstat of Arch Lane, HICKSVILLE, and learned that Gladys celebrated her birthday on September 6. Also found out that Eisenstats just returned from a six-week vacation trip through France, Holland, Belgium and England. Mitch said they rented a car in England and drove on the "wrong side of the road" for two weeks. Mitch is an Administrative Law Judge, and Gladys is a teacher at two Temples in Nassau.

Stephen B. Einbinder of Pound Ridge Rd., PLAINVIEW, is a member of the freshman class at Drexel University. He plans to study electrical engineering.

The following local area residents have qualified as semifinalists in the twenty-fourth annual National Merit Scholarship Program and will have an opportunity to continue in the competition for Merit Scholarships to be awarded in 1979.

"My baby fat didn't leave home until I was 40 . . . Now I'm an instructor and group leader at LTBT"

Carolyn De Turk

As a former Learn To Be Thin student, Carolyn de Turk has not only lost and kept off 20 pounds, she's learned a whole new way of positive thinking about herself and her life.

Now a trained instructor for the nine-week behavior modification and weight-loss program, Carolyn says, "Learn To Be Thin" is a positive, problem-solving program. You feel good instead of depriving yourself.

Learn To Be Thin was started in 1974 by professional educator Shirley Simon after a dramatic personal weight loss, and is now taught in locations throughout the East. Over 5,000 students, men and women from 16 to 60 have learned how to change their eating habits and to know the joy of being permanently thin.

Unlike common "diet groups" or "clubs", the LTBT Behavior Modification Program is a 9-week course, a step-by-step growth program.

FREE NEW IMAGE WORKSHOP

Following completion of the Learn To Be Thin course, students are offered a FREE NEW IMAGE WORKSHOP, with experts in fashion, hair styling, make-up and exercise. Shirley Simon says, "Losing weight is just one part of becoming permanently thin... it is also important to become comfortable with your New Image and to integrate how you look with how you feel about yourself."

Nautical Festival

The Long Island Nautical Festival, launched over the weekend with the arrival in Long Island waters of the brig Unicorn, is seeking volunteers to aid in the progress of the 2-months long celebration.

"Since the arrival of the good ship Unicorn, our offices in Hicksville have been inundated with phone calls for information," said Luis E. Bejarano, executive director.

"The Festival is being run by the Long Island Nautical Heritage Foundation, a newly-incorporated, non-profit organization. The foundation and

the planning for the Festival have only gone on about seven weeks. We do not have the staff, or the funds to hire people. Therefore, we are asking the public to assist us in making this first Nautical Festival a success by offering a few hours of their time as volunteers," according to Captain Bejarano.

The Festival has offices at 882 Mid-Island Plaza, space donated by the Mid-Island Shopping Plaza Merchants Association.

Over the next two months, as the Unicorn moves from one Long Island port to another, it is expected that inquiry calls will

continue to mount.

"We cannot attend to the logistics of the ship's movements and the details of the shoreside events and still adequately handle the telephone inquiries and other clerical chores related to them," Bejarano said.

"In our course of running this Festival, planning next year's, and advancing the educational capabilities of the foundation, we need help. Please call (516) 822-7722, if you can lend a hand."

Soccer Club Meeting

There will be a general meeting of the Hicks Club on Friday, September 15th, at 8:00 PM. This meeting will be held at the Jos. Barry Council, Knights of Columbus, at Heitz Place in Hicksville.

This is the first meeting of the 1978-1979 season and we hope to have good attendance.

CONGRATULATIONS: Oyster Bay Town Councillman Salvatore R. Mosca offers congratulations to Rev. Vasillos Remoudos (left), pastor of Holy Trinity Greek Orthodox Church in Hicksville, following ground breaking

ceremonies for a new church building. Rt. Rev. Silas, Bishop of the First District of the Greek Orthodox Archdiocese of North and South America, adds his blessing to the Occasion.

St. Paul, in his letter to the Ephesians, encourages us to put on God's armor so that we will be able to stand safe against all the strategies and tricks of Satan. We are encouraged to use every piece of God's armor available to us.

Self-centeredness, inhibited love, and nonchalance - three sins from within that endanger Christianity.

And so we return to our question, "Are Christians an endangered species?" Some are and some are not. Although we have the promise of God that the light will never go completely out, our task together with the

Galileo Lodge News

By Joe Lorenzo

On Monday night, October 13, the Galileo Lodge started its new membership drive. For the past few weeks, postcards with an RSVP have been sent out to prospective members, for it is in this manner that Lodge personnel can determine the number of people who will attend and determine what kind of preparations are to be needed as far as food and drinks are concerned. Then, to augment this open-house type of affair, if you will, be set up and in this manner all prospectively new members will become familiar with the Galileo Lodge and its operations and how it functions in relationship to its members and the community-at-large. That this program is important to the Galileo Lodge and its existence is quite apparent, and for this reason all members of this organization should do everything within their power to bring a new applicant down to the Lodge that night.

The Galileo Lodge has recently donated \$200 to the Auxiliary Police of Hicksville. The Auxiliary Police have been very

accommodating to the Lodge, especially during our last feast when they had, at times, produced four or five-men team patrols which guaranteed the safety of those people who had visited our feast. The Galileo Lodge would have extended a greater donation had it not been for the rather poor financial aspects associated with our Italian festivity, but the Auxiliary Police realized the conditions that prevailed and graciously accepted the given donation. The Galileo Lodge wishes to make known the fact that this police organization performs remarkably well and does more than its share to augment the work of the Nassau Police.

The Galileo Lodge announces that they will hold a Halloween Dance in October. The price of admission will be \$7.50 per person and will provide excellent food and entertainment. Of course this means good dance music until the wee hours of the morning. This should be a good way to start off the Fall season of entertainment

at the Lodge. Call 931-5966 and get more information on this event. The date for this is Oct. 28.

The Galileo Lodge is in the process of holding a Las Vegas Night sometime in October. At the present time it is awaiting its license to hold this activity and there are many rules and regulations that have to be followed in order to run a Las Vegas Night. There will be more news forthcoming concerning this event, or you can call the Lodge at the above number if you are interested in this kind of activity. I am sure that many people are because Las Vegas nights have a certain thrill about them which in turn provides many exciting moments for those concerned.

Please remember the Woman of the Year Dance will be held on Saturday, the 30th of September and the Blood Bank which will be held in September. Call 931-5966 for more information on these events. And don't forget other activities for the Fall and Winter, such as the Christmas parties for the handicapped children and the New Year's Party, etc. A good time can be had at the Galileo Lodge at economy prices.

WELCOME ABOARD: Phyllis Quinn (standing in doorway) welcomes visitors to the Nassau County Dept. of Sr. Citizen Affairs' Seniorsmobile at the Syosset Hospital Senior Health Fair held last week at the Syosset-Woodbury Park. Getting ready to board the vehicle are: (l-r) Millie Green (Hicksville), Mr. and Mrs. Al Banks (Hicksville) Walter Clark (Syosset) and John Vohs (Port Jefferson). More than 250 senior citizens attended the all-day event which featured free hypertension and glaucoma screenings, informational displays and demonstrations and a buffet luncheon. The fair was the second educational forum for senior citizens which the hospital has sponsored this year.

Plainview Sewer Project Country Fair Yevoli Meets With Dems

By Susan C. Polansky, Zone Leader

Oyster Bay Town Councilman Salvatore R. Mosca has scheduled an informational meeting for residents of the Plainview area on the installation of sewers, scheduled to commence in the fall of 1979.

The meeting will be held on Wednesday, September 20, at 8 PM in the auditorium of the Plainview-Old Bethpage Senior High School, Central Park Road, Plainview.

"People have many questions concerning the construction schedule, street closings, con-

necting their homes and other matters relating to this project," Mosca said, "so I have asked representatives of the various agencies concerned to be present at the meeting to answer them."

The special panel will include Francis Merklin, Chief Engineer of the Sanitation and Water Supply Division of the County's Department of Public Works; Emil Stein, Superintendent of the Town's Building Division; a Town plumbing inspector andatives of the Plainview Water District.

It's Old Time Country Fair time again at the Hicksville Public Library. This year's Fair will be held on Friday, Saturday and Sunday September 29, 30 and October 1 library hours. Monday and Tuesday, September 25 and 26 are the dates the entries may be brought in (from 10 am to 9 pm). As usual all items will be judged by professional artists and craft people. Ribbons will be awarded to the winners.

All types of art, handwork, crafts, preserving, baking cooking, sewing, carving, what have you will be accepted to be included in the exhibition, just so long as it was done as a hobby.

Highlighting the September 7 meeting of the Democratic committeemen and committeewomen of the Plainview-Syosset Zone was a visit from Assemblyman Lewis J. Yevoli, who gave us some detailed insights into the 1978 Legislative Session and as to what we can expect from Albany in the way of tax relief and State aid for education in the immediate future. As usual, our Assemblyman was more than happy to answer the many questions that were posed.

Also on hand for the meeting were 10th Assembly District Democratic Leader Bernard

Chetkof, who outlined current plans for the fall campaign, and 10th A.D. "Carey for Governor" coordinator Larry Misita.

This is an important year for our Local Democratic Party. We have two truly outstanding local candidates in Lew Yevoli and State Senate candidate John Worthley. If you would like to lend a hand in the campaign, and to participate in the many exciting events coming up in the months ahead (including the September 24 "Roast" of our A.D. Leader), please give me a call at 433-0919.
