Congressman Honored

VETS HONOR LENT: Congressman Norman F. Lent was honored Sunday, September 17, by Nassau County Veteran Organizations, for his dedication to all Veterans in the opening of Calverton National Cemetery. His untiring efforts in combating all Governmental Agencies that tried to block the opening of Calverton, has made it possible that over 2½ million Vets in the Metropolitan Area will at last be sure of a final resting place.

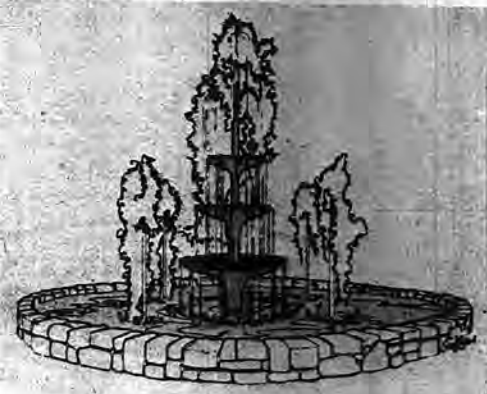

The Hicksville V.F.W. Post 3211 acted as the Host Post for this gala affair which was well represented by the J.W.V., AmVets, Natior J Guard Vets, D.A.V., V.F.W., U.V.O. Presentations were made to Congressman Lent by various Posts.

Pictured above from left to right is P.P.C. Joe Normandy, Congressman Norman F. Lent, Commander August Barone and P.P.C. Frank J. Lotti, Dinner Chairman.

Memorial Fountain

The Hicksville Memorial Fountain Committee of Kiwanis has been meeting on a regular basis in preparing to raise the needed funds. Plans have now been finalized and the fund raising program has commenced. Initial results are very encouraging for a successful conclusion, with every promise that Hicksville's Downtown will be materially improved with the construction of the Memorial Fountain.

The Committee is contacting all organizations of the community for support. In addition to monetary contributions, assistance in reaching as great a number of the businesses and residents as is possible, is being requested. To date, several such organizations have volunteered to help. The Hicksville Public Library, several of the banks and other business establishments have a supply of brochures with subscription forms for distribution to patrons. Brochures will also be distributed at the information booth at the Mid Island Plaza Mall. Boy Scout Troop 64 is assisting in distributing brochures and in addition will conduct a scrap paper drive in behalf of the Fountain. Also, each member of the Hicksville Kiwanis Club has a complete supply of all the necessary materials for accepting contributions.

While substantial support is anticipated from the several business and professional offices of Hicksville, it is hoped that each household will want to make some contribution to this project. Information and subscription forms can be obtained by phoning either Ronald Wagner at National Bank of North America, 935-1500 or Marion Reinhardt at the Long Island Bank, 931-0100. The Committee is anxious that a

large number of Hicksville families participate and emphasizes **YOUR CONTRIBUTION IS THE MOST IMPORTANT ONE — SMALL OR LARGE.**

When you are in the downtown area, look for the signs "Site of Hicksville Memorial Fountain" between Broadway and Jerusalem Avenue just north of the L.I.R.R. With everyone's help, the next sight will be Your Memorial Fountain in operation.

Community Council Begins New Year

By Carol Wolf

On Thursday night, October 5th, the Hicksville Community Council will open the 1978-79 year with a topic that is important to every resident of our hamlet, the G-1 zoning of Hicksville. Councilman Tom Clark will discuss the Town's position concerning the G-1 zoning and King Kelly will represent the Chamber's views. But the meeting will not be successful unless Hicksville's residents tell the Community Council their viewpoints and ideas on how to make the heart of our hamlet thrive and prosper.

After discussing what ideas are feasible, Councilman Clark will

then take the consensus of the meeting back to Supervisor Colby for digestion and planning. The Supervisor wishes to extend his regrets that he could not be at the Council, for he is scheduled for surgery next week, but he is anxiously awaiting the feedback.

Two other items are also on the agenda on the 5th at 8:30 P.M. Thoughts on the extension of Duffy Avenue to West Marie Street to provide a smooth

transition of east-west traffic will be discussed as well as the progress being made on the Hicksville Memorial Fountain.

The Hicksville Community Council extends an open invitation to all the residents of Hicksville to come to the October 5th opening meeting in the large auditorium of the Library to have a say in the future of our town. For we are here to disseminate information. We are here for you.

their district. The guest speaker for the evening was Assemblyman Lewis J. Yevoli who is presently running for re-election to the Assembly from the 10th Assembly District.

DaVanzo Endorsed By PBA

The 3,000-member Nassau County Patrolman's Benevolent Association has endorsed John DaVanzo, the Republican-Conservative candidate for the Assembly in the 15th A.D.

The announcement came from Daniel Greenwald, President of the organization, which represents police officers on the Nassau County force.

"John DaVanzo's level headed approach to the problems of government and his tough stance on crime-favoring the rights of crime victims and policemen over the rights of the

lawbreakers—make him a logical choice for our endorsement," Greenwald said.

"We are particularly pleased to see that he has been an outspoken advocate for restoration of the death penalty."

Reacting to the highly sought endorsement, DaVanzo said: "It is gratifying to earn the support of an organization that represents the men and women who comprise the finest police force in America."

"I intend to work diligently to see to it that the Nassau PBA's vote of confidence is merited."

Willet Ave. Students Preview Temple

The theme for this semester's "Special Events" program in the Willet Avenue School Media Center will focus on preparation for class trips to the King Tut exhibit in January and February.

As an introduction, on Saturday September 23rd, a committee of teachers and sixth grade students attended the members' preview of the Temple of Dendur. This exquisite little building, constructed on the banks of the Nile around 15BC, commemorated the death by drowning of two sons of a local official. The outside of the temple is beautifully decorated with picture stories carved in relief. It also bears the inscriptions of a series of Egyptologists whose graffiti record their historical study of the temple.

The building was presented to the United States by the Egyptian government in return for assistance in saving other ancient treasures threatened by the Aswan High Dam project. Many museums vied for the prize exhibit, but the Metropolitan offered the best exposition plan with a climate controlled glass enclosure — the new Sackler wing, which will open to the public on September 27th. The Temple was disassembled, block by block, packed in 640 crates, and shipped to New York for meticulous reconstruction.

The Metropolitan's visitors from Willet Avenue, who enjoyed both the temple and dinner in the famous fountain restaurant, were

Dear Friends:

AS YOU WILL READ on page one of our Hicksville Edition, Thursday, Oct. 5 is the date of the Hicksville Community Council meeting... set for 8:30 pm downstairs at the Hicksville Library. I can hardly think of a more important topic than the one that is scheduled for this month's program... "the residents' viewpoints on what should be done with downtown Hicksville." It is one of several meetings which will be devoted to the topic of the downtown area of our town, which has been kept as stagnant as its tremendous mud puddles, by the existing G-1 zoning by our Town Board. This was done to protect us from small buildings which would eventually have to be ripped up again... and to encourage larger business building in this valuable area. Now it is just as valuable to you and I (the resident taxpayers) as it is to those entrepreneurs, who might be encouraged to build something down there. So, come on down on Thursday evening. If you have specific suggestions, you will have the opportunity to make them. If not, by listening to all sides of the problem your thinking may be clarified or at least helpful to those who eventually must make these all-important decisions. With intelligent planning in downtown Hicksville we can not only have a downtown which will be used by many, but also one that will help to bring down our taxes by absorbing some of them. It's important to ALL of us... so, come on down.

At the Slack O'Barley located at 646 South Broadway on Route 107 in Hicksville on Sept. 29 patrons will have the pleasure of listening to Pat Roper and Tommy Doyle while on Sept. 30 Jim McPhail and The Regals will be entertaining. On Oct. 1st the well-known Noel Kingston and Paddy Farrell will hold forth at this ever-popular Irish Pub... NOTE: the Hicksville Motor Vehicle will be closed on Oct. 2 and 3 and 11 due to the Jewish Holidays... twice this week it was reported that Hicksville teachers demonstrated... once in front of the JHS and another time in front of the Administration building when the school board met. This was to point up the fact that they want negotiations on their contracts to begin.

THAT'S ALL for this week. We close with best wishes for a happy holiday and holiday season to our friends of the Jewish Faith.

Homemakers Meeting

The East Meadow Chapter of the Nassau County Homemakers Council will hold its regular monthly business meeting on Wednesday, October 4th at 11:00 A.M. in the United Methodist Church Hall, 470 Newbridge Ave., East Meadow.

Mrs. Harrison Boyd, President of the East Meadow Chapter will include on the agenda the report of the Nominating Committee. Mrs. William Mulligan, Nominating Chairman, will

present the slate of officers for the 1979-1980 season.

Following the business meeting, Det. Berni of the Nassau County Police Department will present a program entitled "Warning to Women". Det. Berni will show a film and will then lead a discussion with the membership.

All members and guests are cordially invited to attend this meeting.

Letters To The Editor

Dear Mrs. Noeth:

Enclosed is a copy of a letter sent by Mr. Kenneth C. Jones, President of the Hicksville Public Library Board of Trustees to the County Executive Francis Purcell: Town of Oyster Bay Supervisor Joseph Colby and Councilman Thomas Clark.

Sincerely,
Kenneth C. Jones,
Library Director

Dear Mr. Purcell:

I hope that Nassau County will maintain its contribution to the Nassau Library System. The \$299,000.00 of County aid (unchanged since 1970) represents a very small part of the County budget while helping to support a library program that saves every local taxpayer citizen money by performing many of the time consuming tasks that are necessary for the operation of any library.

Nassau County has one of the best library networks in the United States. The 54 public libraries serving more than 1,300,000 people circulated over 11,000,000 books last year from a book stock of five million volumes. These statistics, impressive as they are, reflect only

reasonably adequate service to a sophisticated clientele that includes many students, businessmen and professional people. The cost is estimated at under \$20.00 per capita for staff, books, periodicals, childrens services, audio-visual materials and the many, many requests for reference assistance. New York State Library Systems, largely state financed, are considered by many to be models of co-operative planning and resource sharing. The System undoubtedly saves Hicksville taxpayers, alone, a minimum of \$25,000.00 annually by centralized operations. Greater discounts on book ordering, faster and less costly book deliveries, central cataloging and processing, and talking book service to the blind are a few of the ways the Nassau Library System saves local tax dollars and provides service to those who need it most. There are no "frills" here. If local libraries were forced to perform some of these functions on their own the taxpayer would be paying a higher tax than he does now - for a less efficient operation.

We hope that in the general effort to fight high taxes that the

County Executive and the Board of Supervisors do not damage a program that has already saved many thousands of dollars by judicious planning, resource sharing and careful management. Remember library service is for everyone - men, women and children.

Sincerely,
Kenneth C. Jones, President
Board of Trustees
Hicksville Public Library

Dear Supervisor Colby:

In regard to the property that is privately owned in the West Village Green (Table Lane, Gull Lane), Hicksville, we recommend that this parcel be condemned by the Town Board and be taken over by the Town of Oyster Bay.

It would be most beneficial to the residents to keep this parcel in continuity with the adjacent pool and park area.

Thank you for your consideration in this matter.
Sincerely,
Marge Kelly,
Chairman
West Village Green
Civic Association.

Town Board To Consider Pinball Ban

Oyster Bay Town Supervisor Joseph Colby announced that the Town Board will consider banning pinball machines in all public places except where a special use permit has been obtained. A public hearing on the proposed ban is scheduled for Tuesday, October 17, 1978, at the Town Board meeting beginning at 10 AM at Town Hall.

"At present, the Town controls

establishing game rooms or amusement centers devoted solely to these devices, but not the individual machines that are turning up more and more in local candy stores and restaurants," Colby said. He noted that the latter, under certain circumstances, could be considered detrimental to the welfare of children, but the Town had no authority to do anything about it.

"Game rooms, on the other hand, require the obtaining of a special use permit after a public hearing before the Town Board," Colby said. "This gives the Town Board the opportunity to examine the suitability of the proposed facility's location, its hours of operation, supervision, etc., and even impose its own restrictions and covenants conditional to the granting of the permit."

COLUMBUS DAY PARADE PLANNING: Carmine Montefiore (center) of the Galileo Lodge, Order Sons of Italy in America, Hicksville, meets with (left) Venerable Joe Errico and Parade Chairman Ray Searge.

both of the Constantino Brumidi Lodge, Deer Park, to go over details of the Columbus Day Parade. Event will be held on Sunday, October 8 (rain date - October 15), in Deer Park, starting at 2:00 P.M.

October is the month for Octoberfeasts, and the Galileo Lodge will display its own version of this festivity in the form of dances and other affairs. Next Saturday, for example, the 30th of September, the Ladies Auxiliary of the Galileo Lodge will hold their annual Woman of the Year Dance. This affair will honor Judge Maria Santagata of Nassau, and there will be live music and excellent cuisine to round out an evening of anticipated enjoyment and pleasure. Price of admission is \$12.50 per person with a notice of unlimited liquor. Call 938-7081, 935-6065 and 938-5052 for additional information concerning this event.

On Friday, October 13th, the Galileo Lodge will begin its membership drive program by holding an open house type of affair at our quarters, 200 Levittown Parkway, Hicksville. Anyone interested in the Galileo Lodge and what it has to offer can attend. Food and refreshments will be served and a short orientation and get-acquainted period will be instituted in order that all those in attendance see and hear for themselves what the Galileo Lodge stands for and what it means to the community. Contact Ralph Vestuti and Tony Previte at 935-9351 for additional information.

The Galileo Lodge will hold a Halloween Dance on Saturday, the 30th of September. Admission will be \$7.50 per person and the affair will include hot food, coffee, cake and beverages; not forgetting, of course, live music and happy times. Contact Chairman Skip Montefiore at 931-9351 for more information on this affair. Get with the action at the Galileo Lodge and come down in your Halloween costume (if you wish) and be a part of the Fall entertainment season sponsored by the Galileo Lodge.

Needless to mention that the big event of the Fall season is the Man of the Year Dance sponsored by the Galileo Lodge. This affair will honor ex-Venerable Tony Montefiore, a leader of this organization for quite a few years. It is an auspicious occasion and the Lodge urges all members to make an effort to attend along with friends and relatives. Do not be oblivious to the fact that we are honoring one of our own members, one who certainly deserves this recognition. There will be ex-

Hicksville American Soccer Club News

GENERAL

The Fall Season is now in full swing and the Club has 19 teams playing fall soccer; from Tony Camara's Hicksville Hearts (boys 7 years old) to Jim Dolan's under 19 girls. Eighteen of the teams are in the Long Island League and one in the Mid-Island League - boys under 16 coached by Mr. Leon Aki. In the first week of the season, the Club posted a modest record of 9 wins, 7 losses and one tie (two teams had byes).

'65 Boys: The Hicksville Rovers, coached by Pat McHugh & John Mitchell and sponsored by the Plainview Burger King, notched their second win & first shutout of the season with a convincing 4-0 defeat of the Lindenhurst Squires last weekend. The team was happy to have Robby Pearce back after a two week illness but is still not at full strength as John Mitchell is still watching from the sidelines with a cast on his left foot. Glen Zakian and John Fitzgerald have moved up from the backfield to fill in for John at right wing. The defense was handled by George Marco, Cliff Feldman and Steve Dolan; the offense by Adrian Peppi, Robbie Andrus, John McCann and Gene Tyranski; and the all-important mid-field by Robert Quillen, Vinny Christiano & Jimmy Demarco. The boys face their first real test next week in an away game vs. a tough Huntington Boys Club.

'65 Girls: The under 14 girls travelled to Rockville Centre for their first road game of the year and did very well, defeating our neighbors to the west by a 4-0 score. The Hicksville Majors, coached by Kathy McCausland, are now 2 wins and no losses and have only given up one goal while scoring 6. They meet a perennial strong Massapequa team next week. Kathleen Conway, Denise Harkins, Debbie Luongo, Diana Taylor, Lisa Geveda, Patrice Kenny, Maureen Collins, Annette Schroeder, Laura Fennell, Susan Mitchell, Tanya Pfeifer, Erin O'Leary, Laura Talenti and Rita Cerasi.

'60 Girls: The under 19 girls, coached by Jimmy Dolan and sponsored by the H.P.O.E. Elks Club of Hicksville, also recorded their second win of the young season with a strong 4-0 performance against Massapequa on the Grumman Fields last weekend. This team was undefeated in the Spring until it's very last game and was Southern New York State Champions. The girls under 19 are: Michelle Brill, Sandy Bruder, Patty Conway, Patty Decker, Donna DeStefano, Karen Dolan, Theresa Dolan, Cathy Eichler, Karen Kolovich, Carol McCausland, Darlene Missimo, Jeanne O'Shea, Fran Pannella, Patsy Rogers, Kathy Scheidel, Sue Stafford & Tricia Valle. The girls have the next two weeks off due to byes but will play a couple of scrimmage games to stay sharp for their trip to Virginia for a tournament on Columbus Day.

'63 Boys: Coach Leon Aki is very proud this week of his Hicksville Panthers and the job they did last week. This newly formed team played a great game and completely overwhelmed Bethpage 6-1. This team

plays in the Mid-Island League and got off to a fine start this season. Manning the nets for coach Aki is Dean Lopardo and giving Dean lots of help at the fullback positions are John Salata, John Anglin, Bill Bischofberger, Brian Drier with Lenny Smith as Sweeper. The Mid-Field was controlled excellently by the halfbacks David Horne, Lee Goldstein, and captain Brian Knuth and the strikers were Peter Aki and Brendan Bruton on the left, Steven Jakkitch in the center and Willie Eichler and Paul Viole on the right. The team's newest member, Tom Maag, was on hand to support the team and will see action next week.

Blue Lightning Strikes Again

In their second game, the Blue Lightning boys U-12 team coached by Walt Karlewicz, met and defeated soundly an experienced team from Baldwin by a score of 5-0.

Scoring the goals were Tom Sumner (1), Nicholas LaVacca (1), Keith Campo (2) and Bobby Kissell (1). John Moehring, Terence Reed and Bobby Cunningham who also played the front line deserve credit for fine ball control, as plays were set up and executed with speed.

Special praise for outstanding play belongs to midfielders Bobby Kissell, Ian Zaretsky and Richard Diffley, who showed tremendous speed and aggressiveness in breaking up the Baldwin offense.

Fullback Scott Fraser played a skilled game, showing speed and good soccer sense. Other fullbacks Mark Habersaat, Mario Cabrera and Joseph Baggett, as well as goalie Sam Masiello, were in total control as they took on these Baldwin wingers who did manage to break through.

HICKSVILLE RANGERS

The Hicksville Rangers (boys 1969), sponsored by the Hicksville Motor Lodge, continued on its winning ways with a 4-1 victory over an aggressive Cold Spring Harbor team. The Rangers scored in the first minute of play. A perfect corner kick from John McCoy to Derek Missimo who placed it passed the goalkeeper for an early 1-0 lead. Cold Spring Harbor came right back. They took advantage of some sloppy play by Hicksville, and at the 6 minute mark scored on a rebound off the hands of Sean Smith the Hicksville keeper. Tied at 1-1 the play continued back and forth with neither team having an advantage. In the 17th minute Hicksville's left halfback Berto Cerasi took a weak clearing attempt by the Cold Spring Harbor defense, and put the ball into the net, from the 18 yd line, for a 2-1 Hicksville lead. Peter Thompson, 4 minutes later, scored from 18 yards out giving Hicksville a 3-1 halftime lead.

Play in the second half started slowly. At the 6 minute mark Phil Greenspan, on a breakaway, was pulled down from behind in the penalty area. Phil put a strong shot just wide of the upper right hand corner. The miss of the penalty shot brought the Cold Spring Harbor team to life.

Strong defensive play by Craig Freyelsen and Chris Beach kept the Cold Spring Harbor team from scoring. Darren Nathan scored the final goal, in the 18 minute, on a pass from David Insana giving the Hicksville Rangers a 4-1 victory.

Cardinals

Last weekend the Hicksville Pee-Wee "Cardinals", sponsored by Barsentone Productions, Inc., played their first "away" game of the season against Brentwood.

This team of under eight year old boys, coached by Joe Perry, succeeded in winning their second game of the season.

There were three saves by goalie Brian Hoesten in what proved to be a game totally dominated by the Hicksville offense. The first half ended scoreless but within the second half Eric Bentley scored the only goal of the game. "Willie" Sneddon took a corner kick which Scott Duca then passed on the Bentley for a goal. Others on the strong offense were Brian Finnell, Eric Rabasca and John Schneider.

Our ready, willing and able defense included, John Fabrizio, Robert Himmel, Charles Maione, Ryan McCann, Sal Perry and Michael Segal.

A happy and victorious team left the field looking forward to next weekend's home game with Cow Harbor.

Hicksville Hawks 3-2 Rockville Center 2

This team coached by Duke Youngs, and Al Greenspan registered its first victory of the new season. Playing against a good Rockville Centre team, the Hawks took a 1-0 lead on a nice corner kick by James Youngs, which eluded the goalie, and went in for the score. Rockville Centre came back to tie at 1-1. But, a few

minutes later on a nice feed from Kike Lagnese, Bob McKenna drilled a shot into the net.

The 2-1 advantage was held to the half by very good defensive work from Mike Michelli, Scott Greenspan, Bryan Althaus, and Joe Abbiello. The second half saw the score tied at 2-2 all and only outstanding goal tending by Jeff Michelli kept the score tied. With about 10 min. to go in the half, pressure was applied to the Rockville Center defense by the

front line of James Youngs, John Demarco, Mark Adrio and Scott Greenspan. Also, the half back line of Jim Kennedy, Billy Chesslock and Steve Hiesenhuber. This pressure produced a nice goal from James Youngs to John Demarco, who pushed the ball past the goalie for a 3-2 edge. The exceptional goal keeping by Jeff Michelli aided by the fine play of the entire team should keep the Hawks winning many games to come.

Mildred Bernert's two daughters, Dee Wiltzie of York, PA, and Pat Anderson, Conmac, celebrated their birthdays on September 6. No, they're not twins; they were born on the same day eight years apart. Unfortunately, this year they weren't able to get together to have a joint celebration. Both daughters are former Hicksvillites, but their mom still resides in HICKSVILLE.

So sorry to hear that HICKSVILLE Ray Hand is in North Shore Hospital. We wish you a speedy recovery, Ray, and hope you will soon be home with your lovely wife, Martha.

On the other hand, we're happy to learn that Mrs. Connie DeVito is back home after a stay in Central General Hospital. We wish you continued good health, Connie.

The Farleys, Lucy and Tom, and their daughter, Kathy, had a marvelous vacation in the Amish area recently. Kathy's cousin, Liz Pembroke, accompanied the Farleys on their trip. The group also visited Hershey, PA, and other tourist sites. They said the trip was over much too soon.

Spoke with Win Piechutski, owner of The Jolly Swagman, this week. Win, who is a very active member of the Hicksville Rotary Club, told us this group is planning a "cleanup" campaign

along the east and west sides of Broadway. Letters will go out from the Club shortly encouraging the local storeowners in this section to clean up their storefront area. This is an ambitious and commendable undertaking which we know will help improve the appearance of downtown Hicksville.

Congratulations to Hal Mayer, Esquire, HICKSVILLE, whose birthday was September 16. Hal and his wife, Carol, recently celebrated their first wedding anniversary. Hal is employed in the Town of Oyster Bay County Attorney's office as Assistant Town Attorney.

Just returned from a pleasant visit to Washington, D.C. are Margaret Clancy and Rosemary Dolan, two sisters who live in HICKSVILLE. Margaret and Rosemary visited with Regina Dolan, Rosemary's daughter, who lives and works in Washington, D.C. They also visited Suzie Dolan, Rosemary's other daughter, and this foursome enjoyed a few shows and made the "grand tour" of Washington together.

The Kremler clan of Nevada Street, HICKSVILLE, held their annual reunion at Fred Waring's resort, Shawnee, PA, recently. There were 17 members of this family gathering who enjoyed themselves for one week. The matriarch of the group is Anne Kremler's mother, Mrs. Frances

Martin. Although Mrs. Martin is over 80 years young, she is peppy, perky and popular and enjoys travelling with the family.

We heard of a very special gift that Santa Claus is bringing to Linda and Bill Murphy, Jr., of HICKSVILLE on or about December 22. This gift will also be special to Hilda and Bill Murphy, Bill, Jr.'s parents, and Vickie and Vinnie Cataldo, Linda's parents—it will be the first grandchild in the family. The Murphy family are long-time residents of HICKSVILLE, and the Cataldos are long-time PLAINVIEW residents. Make sure folks you let us know when the baby arrives and all the details.

Betty and Vince Yanuchi "roughed it" in Maine, and "lived it up" in Vermont this past summer. Vince's brother, Arthur, owns one-third of St. Edwards Island in Casco Bay, ME. The Yanuchis vacationed on the island in a rustic cabin that Arthur has. The cabin has no modern conveniences such as electricity, running water or plumbing. After about a week of this primitive living, the Yanuchis travelled to Fairhaven, VT, where they visited with Vince's other brother, Joe, who has a beautiful home located on 100 acres in VT. They spent a delightful two weeks together with both of Vince's brothers.

We hope Dot Rogoza's stay in

Syosset Hospital will be short and that she'll be home soon with her husband, Bill, in their home in Hicksville. Get well soon, Dot, your family and friends miss you.

And speaking about the Rogozas, happy birthday to Bill Rogoza, Jr. who celebrated his 26th birthday on September 17.

September 17 was also a birthday for Maryjoan (nee Maher) Perez. Joanie's family held a party for her and she received many lovely gifts. Her son, Jimmy's, birthday was on September 20, so a double celebration was held. Needless to say, Jimmy, too, was the recipient of many presents.

Candice Tripp of PLAINVIEW won \$1,000 in the Instant "I Love NY" NY State Lottery game.

Patti DiBernardo (Mrs. Frank) of East Setauket, was guest of honor at a surprise baby shower held Aug. 27 at Knights of Columbus Hall, Heitz Pl., Hicksville. It was given by her sister, Cathy Stursberg. Patti and Cathy are the daughters of Mr. and Mrs. Joseph Haggerty of Nevada St., HICKSVILLE.

Thirty-five people attended the shower and many lovely gifts were received.

Belated Happy Birthday wishes go to Peggy Doyle-Becker of Brittle Lane, HICKSVILLE, who celebrated on Sept. 22 and Happy 10th Birthday to Patrick Michael Doyle of Ash Lane, HICKSVILLE, who will blow out the candles on his birthday cake on Sept. 30.

To both Peggy and Patrick, have a good year.

Birthday wishes go to Peter Weisgerber of 8th St., HICKSVILLE. He celebrated on Sept. 24.

Singing Boys of Long Island

DESIRE to sing (and the ability to carry a tune!) are the prerequisites for joining the professional boys choir, The Singing Boys of Long Island.

YOUNG MEN, if you are between the ages of 9 and 18, love to sing and would like the opportunity to perform—YOU ARE ELIGIBLE.

The Singing Boys of Long Island is a professional boys choir. They have performed throughout Europe and on Television. This year they are proud to add among their accomplishments their first record album of Christmas music and

concert favorites. Their choral program frequently blends selections from the Renaissance, the Romantic as well as the traditional songs of America.

Their success is attributed to their apt director, Mr. Gerald Barker, who has done advanced work in the Opera School at the Vienna Academy of Music and completed extensive work in perfecting his vocal technique under the guidance of Professor Ferdinand Grossmann, the director of the Vienna Choir Boys. He has a Bachelor and Master Degree in Music Education.

Vocal training, sight reading of music, understanding and appreciation of all phases of music are only a few of the benefits to be reaped under the study of Mr. Barker. You will find yourself growing not only musically but aesthetically, socially, mentally and physically.

Auto Rally

Cars, trucks, vans, and vehicles of all shapes and sizes will be taking to the road on Sunday, November 5th, when the 2nd Annual MG Car Club Long Island March of Dimes AUTO RALLY gets underway. The "auto action" will start at 9:00 A.M. at the Bald Hill Ski Bowl (Exit 63, L.I.E.) in Farmingville. Not a race, the exciting event features drivers' and navigators testing their road skills as they follow directions along a pre-planned Rally route and compete for trophies. Sponsored by the Long Island March of Dimes and the MG Car Club - Long Island Center, the AUTO RALLY is open to all.

Another big event of the October month is the Columbus Day parade which will be held on Sunday, the 8th of October. The parade will start at 2:00 P.M. in Deer Park and there will be food and refreshments served later during the evening for all the tired marchers. We all realize that we are honoring one of the great men of history, a navigator unparalleled. Christopher Columbus. It is a time of unity and strength.

The Blood Bank held by the Galileo Lodge last Thursday was a complete success. It is a fact that many people realized the life-giving values of this program by giving their blood and helping to establish a blood bank that will be of immeasurable help and assistance

to all those who will someday be in need of this precious commodity. The Galileo Lodge thanks Chairman Ted Marotti and all those members of the Galileo Lodge who so willingly gave their time and efforts in order that this activity could have become the success it was. And a sincere thanks to the Ladies Auxiliary who also provided their assistance and help in the kitchen and in other places where it was needed.

LODGE NEWS

The Beauty Queen Dance was another rousing success. A 15-piece orchestra provided some beautiful dance music of today and yesterday. All who attended had raves for this affair.

VFW Program Lets Vets Earn High School Equivalency Diploma

Veterans who have missed out on jobs because they lacked a high school education are now being helped through a special program. They are given a chance to demonstrate their competency in dealing with various life experiences. They draw upon basic skills they have developed to solve assigned problems. They must show effectiveness in reading, math and writing. If deficient in any area, they are referred to available community resources for assistance. When finally qualified, they are awarded a New York State External High School Diploma, the equal of a regular diploma. There is no fee and veterans, as well as their spouses and children are eligible.

The program is supervised by the Veterans of Foreign Wars, Post 3211 in Hicksville. Full-funding is provided by a grant from CETA (Comprehensive

County Executive Francis T. Purcell signing contract for veterans CETA Special Project. (l. to r.) Ronnie Marolda, educational chairman, Nassau County Council for V.F.W., Augie Barone, Commander, V.F.W. Post 3211, Purcell, Joe Nor-

While this system is not new, it is the first such program in this country exclusively designed for veterans and their families.

There are some 1700 unem-

ployed veterans in the County who are registered with the New York State Employment Service who lack a high school education. While this program can only serve 60 veterans, it is designed as a pilot program whose results will be used as a model for future operations of a similar nature.

For more information veterans may call 516-931-5657 or stop by the Veteran Center, 320 South Broadway in Hicksville.
