curriculum, homework procedures and other class policies, Refreshments will be served.

Vanderbilt' up nace Motorcade

By Richard Evers The main event of the American Revolution Bicen-tennial Years may have come and gone, but Oyster Bay Town's Bicentennial Commission is still in a celebrating mood. Proof of in a celebrating mood. Proof of the lively existence of the out-standing commission is to be seen in its on-going leadership and enthusiasm for things enthusiasm for things historically significant and patriotic in spirit. Currently shaping up as one of the Commission's most am-bitious and exciting com-memorations to date is the in-

memorations to date is the in-credible motorcade of 200 antique and vintage cars and the Grand Parade scheduled for Sunday, October 22 in the east Hicksville-Bethpage borderland.

Bethpage borderland. Saluting 325 years of historic Oyster Bay Township history and celebrating simultaneously the 70th Anniversary of the epic Vanderbilt Cup Race of 1906, the dual event is expected to draw many marchers and spectators. Oyster Bay Town Supervisor Joseph Colby has announced that: "200 antique cars, including the winner of the first Vanderbilt the winner of the first Vanderbilt Cup Race, will parade from Syosset to the Grumman soccer field, covering parts of the original Vanderbilt Race course. original Vanderbill Race course. At the same time, a Grand Parade of service groups, veterans, military units, fire departments, floats and mar-ching bands will parade from the vicinity of the Hicksville Junior High School to the Grumman soccer field, east of South Oyster Bay Read. The Vepderbilt, Orp Race Motorcade will be the largest car event ever held in Oyster Bay and the Town is very pleased to be hosting it. A special attraction will be the first car ever to win the Vanderbilt Cup Race, Locomobile N. 16. 'Old 16' and its present owner, Peter and its present owner, Peter Helck of Massachusetts, will be joining us for this anniversary celebration. Between the antique cars and the Grand Parade, October 22nd is a day to mark down on our calendars."

VINTAGE CARS: Oyster Bay Town Superviser Jocoph Cally site behind the wheel of a 1924 Model-T Ford, one of the many cars that behind the wheel of a 1924 Model-T Ford, one at the many cars that will be participating in the 70th Anniversary Motorcade at the 1908 Vanderbilt Cup Race, the lirst won by an American Car. The Motor-cade, scheduled for Sunday, October 22nd, is being sponsored by the American Revolution Bicentennial Commission an part of the Town's celebration of its 325th anniversary. Harold Kraft (right), owner of the 1908 Sears (background) and one of the organizers of the event, chats with Colby and other car ownerst Walter Comstock, Walter McCarthy and Barbara Comstock. Other cars signed up for the Motorcade include a 1928 Packard (center) and 1923 Star (left end).

Steve Didier of Hicksville is

PEO C 15 CE 10 11801

Steve Didier of Hicksville is Grand Marshal of the intra-township parade which will honor Oyster Bay's founding in 1653. Among the colorful bands taking part in the tribute to one of the nation's older and most notable towns will be the long-time champions of the St. Ignatius Girls Cadet Corps of Hicksville. The parade will form at 12 noon, Sunday, October 22nd on Fourth, Fifth and Sixth Streets, south of the Hicksville Junior High School and east of Jerusalem Avenue. All Oyster Bay and neighboring community organizations are cordially in-vited to participate. Notices of intention to parade would be appreciated as early as possible, and the Parade Grand Marshal appreciated as early as possible, and the Parade Grand Marshal may be reached at OV 1-5946. The parade route will be North

on Jerusalem Avenue, east on Old Country Road to South Oyster Bay Road, and south to the soccer fields beyond the junction of Steweart Avenue and South Oyster Bay Road. The old car motorcade and parade will begin promptly at 1:15, and terminate at the Grumman soccer field. Here, the soccer field. Here, the soccer field. Here, the soccer field here the spec-tacular arrival of the classic old cars. cars.

Not since the great Hicksville Bicentennial Parade of '75 and the parachute sky divers of the Bicentennial OLD Time Fair has sitering as stiring and out-standing as this perade and motorcade tribute to Oyster Bay's historic stature been scheduled to take place in Eastern Nassau.

False Alarm Injures One Vamp Hicksville Volunteer

Fireman was injured responding to an alarm that turned out to be false. The alarm came in on Oct. 7 at 12:30 a.m. from Box 417, Pollack Pl. and Jullian St., a box noted for its use for false alarms. Firefighter Richard Kishanuk of Ladder Co. 1 suffered a crushed foot when the wheel of the truck he was boarding ran over his foot. Kishanuk was wearing all his protective gear

and as we go to press, it was reported that doctors feel he will regain normal use of his foot, barring complications. They also feel that the fact that he was wearing the tough rubber boots was in his favor

He was taken to Central General Hospital in Plainview, treated and released later that False Alarm Proble

The injury suffered by the firegighter responding to what turned out to be a false alarm has ignited the feelings of local Vamps. For years, false alarms have plagued Hicksville Vamps. For example, on Sept. 30, 7 false alarms were turned in. All in the alarms were turned in. All in the early morning hours. Two youths were finally apprehended by Chiefs, but many facts must be presented before an arrest can be made.

False alarms in many com-munities has forced the removal of alarm boxes because it eventually effects the response of eventually effects the response of firefighters. It is a fact that turnout on box alarms becomes poor. A recent communication from the Insurance Rating Organization states that no longer do alarm boxes affect the fire insurance rates. The rates are the same - boxes or no boxes.

Many communities have rsorted to removing the alarm

boxes in residential areas and leaving school, industrial and main thoroughfare boxes. False alarm rates were reduced con-siderably. Each alarm response costs about \$300.00. In this era of slashing taxes, this is a good area to look at. Take a long hard look at the problem. It just might save a life. a life

"Frederick likes to think of himself as a weekend solar collector."

Of course, the sun can be used for much more than acquiring a Sunday tan? People are talking about all kinds of exciting possibilities for the sun in our energy future. At LILCO, we are involved in the development of solar energy. In fact, we've just made a fascinating film about it. It's narrated by Leonard Nimoy (Mr. Spock of "Star Trek"), and it stars the sun in a number of different roles: as the creator of all energy on earth, including man's muscle power; as an ancient deity; and as a major source of energy for a new community of five solar homes being developed by LILCO and Electric Power Research Institute on Long Island.

If you're a Long Island school, community group or civic organization and would like to see our film, we'll make it available to you free. Simply call LILCO's Community Relations Department at (516) 228-2226 and we'll arrange for a showing. . .

The audiovisual director of a local school district had some kind words about LILCO's films. He recently wrote, "The teachers and children in our school district would like to thank you for making your films available. We found them to be very informative and useful in our curriculum

We'd like to thank him for the "fan mail."

Long Island people serving the people of Long Island.

LILCO

Opposes Duffy Ave Proposed Extension

The Chamber's Official Position (1) We compliment Coun-cilman Clark for his courage in trying to find a solution to the impossible condition of downtown impossible condition of downtown Hicksville caused by G-1 Zone. However, here are the views of the Hicksville Chamber of Commerce.

(2) Proposed change at this time appears only as a stopgap and is reminiscent of the late and is remningent of the late 1960's when the west side of Broadway was torn down to provide for the widening without any apparent planning as to the future. The lack of any such planning first came to the planning lirst came to the Chamber of Commerce' attention when it was learned that the last street lighting (that on east side) was about to be taken down with no provision for replacement. Fast action at that time

Fast action at that time prevented this tragedy and after several years of negotiation, we finally obtained our current system providing adequate lighting on Broadway. Imagine the conditions and accident potential had the Chamber of Commerce not taken action on this matter this matter.

this matter. (3) Before any project of the magnitude of Duffy Avenue Extension (\$800,000 estimated) through the very heart of the most valuable part of the business community is under-taken by either "TOB", Nassau County or New York State, some overall, plan for a permanent (not stopga) revision of the (not stopgap) revision of the existing G-1 Zone must be made by the Town Board. Just to spend \$800,000 because it is available at

some Government level is repulsive. (4) As regards the specifics of

the proposed Extension of Duffy, Avenue to Marie Street at Broadway, there are several points to be considered:

(A) There has been no demonstrated need for this ex-tension of Duffy Avenue as an isolated issue.

(B) The proposed construction does not appear to approach the most critical problem - the west side of Broadway where in spite side of Broadway where in spite of Chamber beautification ef-forts, we have mud puddles, ille-gal -parking of all types of vehicles, including hot dog carts, ascumulated traah, weeds and even partial destruction of some of the Chamber's background of the Chambers' plantings. The west side of Broadway remains the most critical problem in the entire triangle. Solution may not be easy but it must be ap-proached first.

(c) The potentially most valuable block in downtown (bounded by Broadway, Marie St., Jerusalem Ave. and Herzog Place) instead of being enhanced with the doubt of being enhanced would be divided up into at least three odd-shaped, relatively small parcels. (D) The intersection Marie St

at Broadway and Marie Street would lose its present clear cut 90° angles to at least 2 odd angles.

By Carole Wolf

On Thursday, October 5th, the Hicksville Community Council held its first meeting of the 1978held its first meeting of the 1978-79 year. Eighty-One people were in attendance as Councilman Tom Clark discussed the proposed extension of Duffy Avenue and the problems of the existing G-1 zoning. Councilman Clark brought

maps with him that outlined the proposed extension of Duffy Avenue to Broadway. At present, Duffy Avenue ends at Newbridge Road, at the site of the Town Road, at the site of the Town Parking Garage. Clark informed us that \$800,000 of County money is available for the extension and that it would be treated as though it were ordinary road work. The plans call for the road to cut through the parking lot of the National Bank of North America. variable bank of North America, cross Jerusalem Avenue between Dalton's Funeral Home and the Stationers, go through the Town Parking lot and exit onto Broadway. The only stores which would have to be razed would be the 3 or 4 on the North side of W the 3 or 4 on the North side of W Marie Street. In return for taking the bank's land, the Town would cut off the street directly behind NBNA and give them that land for parking. Councilman Clark also said that there were other owners of land surrounding the owners of land surrounding the northern section of Nelson

Avenue who would be interested in purchasing the land in order to enlarge their property. For

Community Council

Hears Duffy Ave Plan

in purchasing the land in order to enlarge their property. For example, Councilman Clark mentioned that the foreign car dealer is interested in extending its property to Newbridge Road. Clark then spoke about the G-1 zoning in Hicksville which he said was very restrictive. This zoning required that 1 parking space be provided for every 200 square feet of office space, and that most be hidden from view. G-1 favors be hidden from view. G-1 favors Churches, office buildings, banks and theaters and is quite restrictive on other uses. Councilman Clark said that the Concentrate Sature and that the Town Board is considering a compromise between G-1 and F and a possible 1 to 2 year moratorium on the existing G-1, putting the compromise in its place. At present the G-1 requires 20,000 square feet to build while the F zoning would maximize at 10,000 square feet, and allow such other buildings as 1 family homes, shops, and stores as well as office structures.

King Kelly then took the floor and explained the Chamber's point of view. The Chamber feels point of view. The Chamber Teers that The proposed champe of zoning is a stop-gap and it shows a lack of planning. The Chamber also feels that to spend \$800,000 on a road is repulsive especially when there is no demonstrative

Regular

Menthol

need. Now, as the result of the widening of Broadway, we are left with mud puddles, illegal left with mud puddles, illegal parking, trash and weeds. He also pointed out that to bring Duffy Avenue to Broadway would divide that corner of W. Marie and Broadway into 3 odd shaped lots, and that is one of the most expensive pieces of property in Downtown Hicksville. The ex-tension would also increase traffice into the already over-burdened New South Road Mr. burdened New South Road. Mr. Kelly summarized by mentioning that a change in zoning for the entire present G-1 is imperative but urged that some zoning be kept to control undesirable oc-cupancies such as fast food stands.

Councilman Clark then took the Councilman Clark then took the floor and mentioned that the state would permit the closing of W. Marie Street and making it a dead-end at Broadway. If the proposed extension would swing proposed extension would swing down any sharper, it would cause the condemnation of the Funeral Home. The extension was not suggested because of a heavy traffic problem now, but with further development of down-town, it will be a problem. IF there is approval of the ex-tension, there will be a 6 to 8 month delay before construction could begin. Councilman Clark (Continued on Page 16) (Continued on Page 16)

(E) On Marie Street there would remain a small triangle piece of no practical value. OLOGIUM (F) More traffice would probably be dumped onto New (Continued on Page 8)

LEVITTOWN

There is a shame in Levittown. It rises from the actions of a few pathetic souls who see the answer to the teachers' strike in slashing tires, pouring paint over cars and shouting antisemitic phrases

and shouting antisemitic phrases at meetings. I've purposefully lumped this group together. They deserve one another. They lurk in shadows, striking at night or hurl their threats and slurs over the telephone or from a crowd. They speak eloquently of a spiritual rot which is present in our society. They are a small minority but the majority must hear the judgment for allowing such as these to function. There is a shame in Levittown.

There is a shame in Levittown Long after this strike is settled, the stench of extremists will linger. They did not learn this

LET IT SHINE. ALL THE TIME. LET IT SHINE

.

Following our Church Fair this year I became the recipient of a large bag of Bazooka bubble gum. Apparently, many mothers prevailed against wishes of their progeny and not too much Bazooka was purchased. Now, very often as kids walk past my office, they wander in and talk with me, or I call them in for a little chat. Not wanting to waste all that Bazooka bubble gum, and not being responsible for their dental bills. I have been known to ask a child or two, "Would you like a piece of gun?" Faces light up as mouths voice, "um hum." After a child has become a first-time recipient of a piece of beautiful Bazooka, I notice that our paths begin to cross more (requently. When a lighted-up face walks into my office. I know there is a mouth nearby that craves some of that sweet, pink,

chewable pleasure The prophet, Isaiah was not talking about Bazooka bubble gum in the sixtieth chapter, first gum in the sixtleth chapter, first verse of his book, although he enjoy a piece. But he did summon his audience to be joyful Beuming faces were in order for their exile was behind them, and now they had heard the an-nouncement of their salvation. Lordble message of nouncement of their saivation. Joyfully accept the message of saivation was Isaiah's en-couragement. "Arise." he says, mourners, cease to be weary. He calls to mind David's psalm, "The Lord is my light and my saivation, whom shall Hear? The Lordin threatmenthold of my life. Lord is the stronghold of my life, of whom shall] be afraid?"

of whom shall be alraid." Next he encourages his instemers to "shine" Zion is called upon to reflect the light that has been shed upon her. Even more she is encouraged to Even more she is encouraged to become that light to other people. Fox the "glory of the Lord has risen upon you," Isaiah exults. God's glory is like the dawning splendor of an Oriental morning. Zion is flooded with the radiance

of the rising sun. The Lord's "Epiphany brings with it His glory, the concentrated form of His divine presence; that glory that Moses beheld upon the holy mountain. We read in Exodus, "Now the appearance of the glory of the Lord was like a decouring the dot was like a decouring of the Lord was like a devouring fire on the top of the mountain in the sight of the people of Israel." After Moses came down from the mountain, having spoken with God, we read that "the skin of his face shone." He was visibly different having beheld the glory

DEVOTIONS

of the Lord. Isaiah calls us to a similar condition. It is interesting to note the universal quality of this verse in Isaiah. It is not addressed to in Isaiah. It is not addressed to any particular historical oc-casion. It, therefore, has a timeless nature and message. We who are followers of Christ and live anno dominum have beheld Jesus, the light of the world, in whom God has worked out his plan of salvation. Isaiah's im-perative is spoken to us this morning: "Arise and shine for your light has come, and the glory of the Lord has risen upon you."

Now few, if any, of us would come to church with a dirty face. Yet, too often, some of us wear a long, joyless face to church. In the tradition of Isaish, I say to you "Clean up your face. let it shine and reflect the presence of Christ." Our faith needs to be apparent. People visiting in our community should be able to experience the presentness of God in our midst. His glory. Our did nour midst, His glory. Our hands reach out to greet those we know as well as those we don't know. Our smiles ignite smiles on the faces of those whom we en-counter. Our joy spawns hap-piness in the hearts of others. Our forgiveness demonstrates ap-preciation that we have been forgiven. Our tithes and offerings express our thankfulness that He emptied Himself of everything for us. Our prayers show that we know the source of help and direction. Our lives, yes our entire lives, dedicated to Him, B'nai B'rith Women

The program is open to all women in the community who share this concern, and there will be ample time for open

stressed that there is no package deal between the extension and the zoning downtown. The meeting was then opened to questions and answers. Vera Between generated that if you

10 Brunning commented that if you don't believe that there is don't believe that there is congestion now, go up to the station and try to catch a train. Murry Margolis asked how the fire department, feels about the closing of W. Marie and Clark said that they approved of it. Ted Marioti mentioned that we would be building a road to get people out of Hicksville faster; it will hurt the businesses. David Blaskowski mentioned that we will nurt the businesses. David Blaskowski mentioned that we should plan for the entire area and Edna Crogman mentioned that without continuing the ex-tension to Woodbury Road, there would be additional tight. would be additional tie-ups. She said that Duffy Avenue starts no-where and ends no-where. Mr. Collesendro stated that without a

taxes on his land, and he is not taxes on his land, and he is not allowed to rent, lease or sell his property. Mr. Clark reminded him that his property was once larger, but that he rented some sections on a long term lease. Mr. Rockby, a UPS driver, said that we create our own traffic problems and we should straighten out what we now have. including posting better signs and directions. Mr. Joseph Lebkueger mentioned that only three property owners have 20,000 square feet on which to build and that on Broadway, the lots are only 60 feet deep. There are 8 Churches in the area and are 8 Churches in the area and until the parcels are mapped out to show what is and is not available land, we cannot talk zoning. He also suggested that the area be zoned block by block. Iris Widder also mentioned that one of the problems besieging the land is thus ach ourse it bolding. and is that each owner is holding out, for they want to be the last one to sell, thereby gaining the highest price. Mr. Joseph McGee said that Hicksville has enough

change in the zoning, he must pay

Offices, such as the Post Office and the Unemployment Office. He mentioned that it might not be a bad idea to think of apartment houses, so that our young people and senior citizens can remain in

In conclusion, Tom Clark mentioned that there could be an IDA-Industrial Development Agency, that would have the power to condemn and build but he stated emphatically that he does not support it. He also mentioned that the Town Planmentioned that the form right-ning Board is trying to reach a compromise between the G-1 and F zoning, for G-1 is not working. He said that a recommendation on this matter would be sent to the Town Board within a month.

the Town Board within a month. At the completion of the Hicksville Community Council Meeting, we took a vote, to see how those who were present felt about Duffy Avenue. The vote went 25 for, 18 against and 18 undecided. If you would hike to let Councilman Clark know how you feel about the extension, please

ROVERS TRIUMPH The Hicksville Rovers, coached by Pat McHugh and John Mit-chell, remained undefeated and played their finest game of the season thus far and once again showed that they are indeed good soccer players. They trasvelled out to Brentwood to meet a good team that had defeated them in the Spring by a 2.4 searce. When out to Brentwood to meet a good team that had defeated them in the Spring by a 2-0 score. When the game started, they were a little fait, except for Georged Marco who made several great defensive plays to thwart Brentwood and spark his Hcksville teammates. The boys displayed some excellent passing from fullbacks Marco, Dolan, Feldman, Christiano and Fit-zgerald up to the mid-field. For the most part, Hicksville had the center of the field in complete control with Jimmy Demarco, Bobby Cullen and Bobby Andrus. On several occasions, the team moved the ball around beautifully through the mid-field and passed it on to front liners

BRENT CITY COSMETICS **BRENTWOOD** Hicksville American Soccer Club

John McCann, John Mitchell (just back from his injury), Glen Zakian and Gene Tyranski, Mid-way through the ball the afaack started to deift toward the center of the field and coaches M & M (McHugh and Mitchell) told their pings to move act uside, abilit (McHugh and Mitchell) told their wings to move out wide, which would bring the defenders out with them and open up the middle. Minutes later, Hicksville came through that open middle and banged one in for a 1-0 score 'that carried until halftime. This was a very good Brentwood that carried until halftime. This was a very good Brentwood team, however and they per-sistently came back. Again sparked by Georgie Marco and some great saves by Robby Pearse, the defense came alive and did a great job Center full Steve Dolan played a strong game; in several instances breaking up the Brentwood at-tack in the middle and putting the ball out to John Fitzgerald on his right, up to Jim Demarco in the middle or a long one to Mitchell, McCann or Pepi on the forward

line. Late in the second half, Hicksville scored again and may have relaxed just a little as Brentwood the started to really penetrate but Nobby Pearse in goal was determined and wanted his shutout. Steve Dolan com-mitted a foul but Robby stopped the penalty shot, recovered quickly and stopped a rebound shot at close range. This really sparked the team who took the ball upfield and iced the game with a third goal. It was obvious the boys wanted this one and got it with the final score 3-0. John Andrus, sporting a new fourman-chou, made some great calls as linesman. But Brentwood will be back for another shot at Hicksville on Novesmber 11th at Grumman. After the game, the team returned to Hicksville and had a whopper at their sponsor's store - The Plainview Burger King. Late in the second half.

store - The Plainview Burger King. '68 Boys - The Knights of Columbus sponsored Hicksville Big Red went down to their second straight defeat by a 3-2 score to Massapequa. This is a good strong team playing in a strong division and the two coaches 'annies' Jack McCann and Vinny Christiano now have their work cut out for them. The boys played really good soccer and lost out by letting the 'other guys' score an extra goal. This strong little team that has to sharpen it's defense is made up of: Chris Bentley, Alex Brill, Chris Bentley, Alex Brill, key Boccafola, Peter of Mickey Mickey Boccatola, Teler Christiano, Joey Doherty, Doug Donsky, Scott Hertz, Rich Humann, Keith McCann, Luis Mejla, Gary Tyranski, David Weinberg, Rich Youngs and Phil Ziembecki. The Hicksville Big Red only had that one shot at Macroneous this scate on but their Massapequa this season but their are several very strong teams in this division.

HICKSVILLE RANGERS HICKSVILLE RANGERS The Hicksville Rangers, (boys 1969) sponsored by the Hicksville Motor Lodge, continued un-defeated in both the K.L.M. Tournament and the L.L League with 2 victories this week.

with 2 victories this week. On Tuesday, in the K.L.M., the Rangers had an easy 6-0 victory against a newly formed New Hyde Park team. The play was in the New Hyde Park half the entire game. The ball rarely crossed midfield, giving Hicksville's fullbacks Craig Freyeisen and Vincent Antaki, and gradkener Sean Smith, who Freyeisen and Vincent Antaki, and goalkeeper Sean Smith, who did not touch the ball the entire game, a well deserved rest. Halfbacks Phil Greenspan. Berto Cerasi, Peter Thompson, and David Insana controlled the midfield giving much support to the Hicksville front line. The Rangers had many scoring chances as forwards John McCov. Darren Nathan, Tominy McCoy, Darren Nathan, Tommy

DeTone, Chris Beach and Derek Missimo, with excellent passing, could shoot as will. The 6-9 score does not reflect the intensity of the Hicksville attack. Three shots hit the goal post, 2 hit the cross bar, and many shots were just wide.

wide. The Rangers were: Chris Beach from John McCoy, John McCoy from Darren Nathan, and Darren Nathan from Derek Missimo in the first half, and Tommy De Tone from Peter Thompson, Darren Nathan from Berto Cerasi, and Darren Nathan from Derek Missimo in the second half to give Hicksville the second half to give Hicksville the 6-0 win

Congratulations to Darren Nathan who joins Derek Missimo (2) as the Hicksville players who have scored the three goal "hat trick" this season.

trick" this season. In the L.I. League, Sunday, Hicksville defeated an improved Plainview team 3-0. Although the Rangers were only able to score once in the first half they had once in the first half they had many opportunities. Forwards Derek Missimo, Chris Beach, John McCoy, Tommy DeTone, Alex That, and Darren Nathan had many shots but were unable to score on, the Plainview defense. At 5:45, halfback Peter Thompson put the ball over the Plainview keepers head, from 35 ydd. out, for a Hicksville is cure and a 1-0 half time lead. Craig Freyeisen, Hicksville's fulback, had a rare opportunity to score had a rare opportunity to score when he was given the nod to take a penalty kick, but shot it just wide

wide. The second half was not much different from the first. The Rangers, a much more skillful team, was able to continually move the ball down the field. Halfbacks Phil Greenspan, Peter Thompson, Berto Cerasi, and David Insana, along with fullbacks Vincent Antaki, and Craig Freeisen gave goalkeeper Craig Freyeisen gave goalke Sean Smith (3 saves) and

easy game. Peter Thomspon scored his second unassisted goal, this time from 30 yd, out, at 4:15 of the second half, to give the Rangers a 2-0 lead. The front line got their only goal of the game, when Darren Nathan scored, assisted by David Insana, at 8:51 for a 3-0 Hicksville victory.

Hicksville Hearts

Hicksville Hearis by Pat Donohue The Hearts, sponsored by Pathmark, have had some bad breaks over the past weeks. This weekend, they suffered defeat when they played the Cardinals, also of Hicksville. The scores, however, of how much these deter mined 6 year olds have improved since the season's inception inception

Over the past few weeks, front linesmen Chris Flanagan, matt Adelstein, Tommy Bell Kévin Morrisroe and kenny Klein have made some great offensive moves, but have been unable to score. The defensive lines have been getting a much better foot on the ball with Robbie Franklin, on the ball with Robbie Franklin, Stephen Pine, and Chris Zino providing some spectacular defensive maneuvers. Also making some great defensive moves are Keith Nordio Brian Spinner, and Kevin Gonzales. Goalies Drew Donobue and Rob Schiralli have many spectacular

saves and are doing a good job getting the ball back out. This week our team banner Mordio, the banner displays our saves an "hearts" along with a soccer ball. Many hours of har abor were provided by Jackie Addetein and Pat Donohue who did the cutting and sewing. We are all hoping to make a transings with the second half of bandings with the second half of band

good luck boys. Hicksville Hawks-2--North Shore-0 by Al Greenspan When writing an article for the paper it is hard at times to mention all the boys. This game poses no such problem. From the opening whistle to the end, each and every member of this team gave 110% Jeff Mitchel, as usual, played an excellent game at goal. The linear theorem by Mike

GOLDMAN BROS. INC. THE REAL PROPERTY

We have lots of discussions about so many different subjects. Some are interesting...some are close to boredom, but necessary. Good, bad or otherwise, when the topic comes up, a solution and decision must be made. At the present time, we have a bit of a dilemma, the object on this occasion is a trophy showcase, It's great to have a beautiful Post, so the opinion is we should have a beautiful showcase. Not one which will cheapen the surroundings. They are very expensive and our Ladies Auxiliary bless them, have offered to pay for ope or to help pay, whichever they can afford. We have trophys strewn all over the lounge and to a lot of memthe jung and to a lot of mempast, because of the astronomical prices, it was shelved. So we shall

I attended the first call of our educational program. There were seven or eight applicants called. First they were asked to fill out a very simple form. After the forms were filled, we were orientated

by a young lady and gentleman. For a guy with a tiñ ear, I heard and understoad everything that was said by both parties. If it was so easy for me to understand, I'm sure the other enrollees had no problem either. Remember, there are no classes, but a one-onone interrogation. It was all strictly informal. Even coffee and cookies were served to put you at ease. You were asked the time most convenient for you on the next rap session. So far, it was very simple. We will let you know how the next meeting goes. Keep in mind, this is a bona fide diploma.

Our Ladies Auxiliary plans a Halloween dance (costume optional), on Sat. Oct. 28th. The price is \$12.50 per. This entitles you to a band playing good music for your dancing pleasure. Food to tickle your palate and a rolling bar to quench your thirst. How can anybody go wrong for the price? Those who have attended our Ladies Auxiliary affairs in the past, know they are always great. If interested call Edna Barone, she's the lovely wife of our top kick Augie, or call the Auxiliary president, Carmela Vitiella. Frank Lotti says the tickets for our Ocktoberfest are moving fast, and the cutoff date is Nov. 3rd. The price is \$15.00 per head. So if you are interested, don't be left out in the cold. This promises to be another good one. At the last meeting we had one more new member tion our Post

with the last meeting we had one more new member join our Post. Bill Knack an old war horse from WW11. Welcome. Don't forget to get in touch with

WWI1. Welcome. Don't forget to get in touch with Mike Monteleone, if your child is twelve or under, they will be able to go to the ice show, Oct. 14th. It's "first come, first serve." He's also planning on a circus for Nov.GO, MIKE; GO.

Nov. GO, MIKE, GO. The new County adjutant is Joe Normandy, and he will be assisted by our young tiger and Post adjutant Connie Steers. Ray Hand and Jean Wood both

still ailing at the last report. Come on you two, lets recuperate fast.

Lucky winner at last meeting was Lou Klein, again.

At East Street

On Thursday night, Oct. 19, the East St. PTA will hold its first general meeting. The program for this meeting will be Open School Night. Fri. Oct. 13 thru Tues. Oct. 31 House thru Tues. Oct. 31 Heating the Start of the S
