MILDRED CASSELLA RETIRES: For over 20 years Mildred Cassella, Secretary for the Hicksville Public Schools, has given loyal and dedicated service to the pupils, staff and community of Hicksville. On hand to wish her well are Dr. Wilbur Hawkins, Superintendent of Schools and Herbert Cavanagh, Principal of Woodland Avenue School.

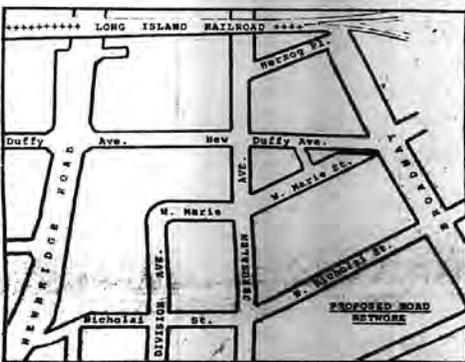

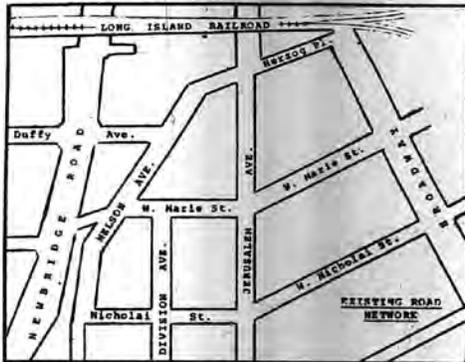

Clark's Proposed Traffic Revision For Downtown Hicksville

Oyster Bay Town Councilman Thomas Clark unveiled a proposal to eliminate and extend various roads in the downtown Hicksville area as part of a plan to improve traffic flow and spur construction.

"As can be seen on the maps, the idea would be to open Duffy Avenue through to Broadway so that it would form an intersection where West Marie Street currently meets Broadway," Clark explained. "West Marie Street would dead-end just before Broadway, thus making Duffy Avenue the main east-west route at that point."

Clark also noted that through the elimination of Nelson Avenue and the closing of the western end of West Marie Street, the Town will be able to sell off that property to adjoining property owners who will then have sufficient property to begin development under the G-1 Zone. "I don't know that this is the answer to bringing about proper development of the downtown area, but I think it represents part of the ultimate answer and it certainly is a plan that can start the community thinking and making some suggestions," Clark said.

"I'm sure there will be some who are automatically opposed," he acknowledged. "But I'm hoping there will be many more who will be inquisitive, if not supportive. By getting questions and comments from the community, I will have a much better idea as to what else must be done."

Chamber Opposed To Sewer Schedule

The Hicksville Chamber of Commerce has learned that future sewer installations may seriously cripple the northwest quadrant of Hicksville, if the present plans for that area go into effect.

The section of Hicksville in question is bounded by Northern State Parkway on the north, Cantiague Lane on the west, the Long Island Railroad on the south and east.

Thirty two miles of roads are scheduled to be included in one contract bid. One fifth of Hicksville could be crippled for a two year period while one contractor installs sewer pipes in this large residential, business, and industrial area.

North Broadway, East and West John St., Cantiague Road,

Bethpage Road, Bay Ave., could all be dug up at the same time. Access to the residences and businesses on these streets, as well as the Mid-Island Plaza and Sears shopping areas could be severely handicapped.

Members of the Chamber made an inspection of this entire area, and were appalled at the thought of all of these streets and roadways being cut up at the same time. They also visited the business district of Bethpage to see what can happen as a result of improper planning.

The Hicksville Chamber of Commerce is positively opposed to the present schedule of installing sewers in this large area of Hicksville by one contractor at one time.

The Chamber plans to meet with the Commissioner of Public

Works to express its concern about the proposed schedule. The Chamber will request that the large area in question be divided into several smaller sections, and that each smaller section will be completed before digging is started in the next section.

The Chamber invites constructive suggestions from interested residents or businesses. Write to the Chamber President, Dr. Walter Dunbar, 200 Jerusalem Ave., Hicksville, or to the Chamber Executive Director, Sieg Widder at the Chamber office, 358 B Mid Island Plaza, Hicksville. Your ideas and suggestions will be appreciated.

The Chamber is very much concerned about potential problems such as this one, and wants to do what is best for Hicksville.

Chorus Membership Drive

The Hicksville Community Chorus is making plans for the coming season. Director William Goleeke has announced that the Chorus will again take part in the annual "Messiah" sing-in with the Hicksville Community Orchestra which will be held in mid-December. Several smaller concerts will follow, and the season will close with a major Spring Concert.

The Community Chorus invites residents of Hicksville and surrounding areas who enjoy

singing in a congenial group, to come out to rehearsals on Tuesday evenings at 8:00 p.m. in the chorus room at Hicksville Senior High School. All ages and voice parts are welcome. There is no audition or music fee.

The Community Orchestra (directed by Dr. Charles Gouse) and Chorus are sponsored by the Continuing Education Department of the Hicksville School District. Mr. Herbert Bradensten, Jr. is Assistant Chorus conductor.

For more information please call either Pat Reiser (WE 1-2603) or Honey Singer (WE 5-0440).

At Fork Lane

FORK LANE SCHOOL OF HICKSVILLE will hold its Open House for all grades on Wednesday Oct. 25, at 8:00 P.M.

This is a good opportunity for all parents to meet their child's teacher, learn their course of study for the school year.

Hicksville American Soccer Club

GENERAL.
The Club had a rough couple of weeks (number 3 & 4 of the season) compiling 10 wins, 15 losses and 8 ties for a total cumulative record of 32 wins, 28 losses and 9 ties. The rains finally came in the 5th week of the season and washed out many of

Saturday's games but a couple of teams with late afternoon games managed to play and Sunday was a beautiful fall day and the kids were back at it.

60 Girls - The game of the week had to be the under 19 girls, coached by Jim Dolan and sponsored by the B.P.O.E. Elks

Club of Hicksville. Their arch-rivals from Northport paid us a visit last week-end and wished they'd stayed home and watched the Yankees & Dodgers. These two very strong teams have met at least a dozen times in the last couple of years including regular season play, regional cups, indoor and outdoor tournaments with Northport holding a slight edge at least recently. In the Spring, our girls went undefeated all season until their last game when Northport edged them 2-1 forcing a playoff, and beat Hicksville in the playoff to take the championship.

This week-end, Hicksville was not to be denied and played really great soccer. From the opening whistle, the big crowd could sense that our girls came to play and were certainly fire up. The key was passing; the girls moved the ball extremely well from side to side, up the field, penetrated deep and put the ball in three times in the first half. The front line for Hicksville was: Theresa Dolan, Sandy Bruder, Patty Conway, Patty Decker, Cathy Eichler and Patty Rogers. These girls received passes from their halfbacks & fullbacks, moved to open space, came back to help and overall, did a fantastic job. Taking excellent care of the middle field were the halfbacks Karen Dolan, Karen Kolovich, Darlene Missimo and Tricia Valle. These ladies worked hard at both ends of the field and their efforts were richly rewarded. Providing the defense at fullback were: Sue Stafford, Jeanne O'Shea, Michelle Brill, Kathy Scheidel and Fran Panetta.

As the second half started, coach Jim Dolan told the girls to

think of the match as a scoreless tie and to keep their passes on the ground as they were against the wind. Northport did not give up and kept pressing so that goalkeeper Donna DeStefano also had her work cut out for her & rose to meet the challenge on numerous occasions. Every girl played a super game but it's not over yet and Northport will be back for the last game of the season on November 19th - this time on their field.

65 Girls - The Hicksville Majors traveled out to Deer Park this weekend to make up a game that was postponed due to their trip to Virginia and notched their second shutout of the season with a 2-0 win. The girls are now 3 wins and a loss and have a firm grip on second place behind Massapequa. The girls are playing very good soccer and coach Kathy McCausland is very happy with their progress. Up front doing the striking this year is Kathleen Conway, Denise Harkins, Lisa Geveda and Laura Talenti and right behind, lending their support are the halfbacks: Debbie Luongo, Patrice Kenny, Maureen Collins and Diana Taylor. Protecting the goalkeeper Annette Schroeder and supplying much of the defense are the fullbacks Sue Mitchell, Tanya Pfeffer, Erin O'Leary, Laura Fennell and Rita Cerasi. The girls take on West Babylon in a home game next week.

83 boys - Coach Leon Aki took his under 16 boys out to Brentwood to play a road game this week and could only manage a tie. The Panthers spent most of the day in Brentwood territory and were knocking at the door all afternoon but couldn't manage a score. They also had two goals nullified by questionable offsides

and a missed penalty kick. The boys are now 1 win, 1 loss and a tie in three games and have a make-up game with Levittown next week: front line: S. Jaklitch, P. Viole, W. Eichler, P. Aki and B. Bruton; mid-fielders: D. Horne, L. Goldstein, B. Knuth and K. Smith and fullbacks B. Drier, W. Bischofberger, T. Maag, J. Anglin and J. Salata; goalkeeper is D. Lopardo.

The Hicksville Rangers (boys 1989) sponsored by the Hicksville Motor Lodge, had another successful week with 2 wins in the K.L.M. Tournament, and one in the L.I. League.

On Thursday, in the final preliminary round in the K.L.M. Hicksville defeated a less experienced Massapequa team 6-1. The Rangers opened the scoring in the first minute of play, when right wing John McCoy threw the ball in to Derek Missimo, who turned and drilled it passed the keeper. Two minutes later, Derek tapped the ball back to right halfback David Insana, who scored from 30 yd. out for a Hicksville 2-0 lead. Derek Missimo scored the next two Hicksville goals, the first on a pass from David Insana and the second, unassisted with some fine ball handling. Darren Nathan rounded out the scoring in the first half, with a goal assisted by David Insana giving Hicksville a 5-0 half time lead.

In the second half Hicksville coach John Harris, in order to keep the score down, changed the players to different positions, and instructed them to put on a passing demonstration. In these unfamiliar positions, and without the incentive to score, the Rangers played very sloppy. Massapequa scored their lone goal in the second half.

To cut taxes and spending...

No one has done more to cut taxes and to prevent unnecessary and excessive federal spending and inflation than Congressman Norman Lent. He played a major role in the development of the Republican Kemp-Roth plan to cut federal income taxes by 33% across-the-board. This plan was callously voted down in August by the same free spending majority in the Congress that voted to increase your social security taxes. Norm Lent believes the people of the 4th Congressional District pay out too much of their income in taxes already — and that the first priority of the next Congress must be to reduce this burden.

HE'S THERE WHEN YOU NEED HIM

At The Town Board

By Gerry Kahn

The Town Board Meeting concluded its business at 1:35 p.m. on Tues., Oct. 17.

The 1st item on the agenda was the petition of Amoco Oil Company for special permission to modernize its existing facility and to operate a gasoline station on the e s Jackson Ave., between East Woods Rd. and Syosset-Cold Spring Rd., Syosset. The present facility is a service station that includes repairs and maintenance and the petition, if granted will offer a self-service gasoline only form of business.

Mr. Jack Coffey represented Amoco and presented Mr. Bert Nelson as an expert witness who testified that the proposal will enhance the location and not appreciably affect vehicular traffic.

The entire Board, led by Supervisor Colby, carefully reviewed the item in response to the community concern. The townspeople were disturbed that they would lose a highly respected mechanic (for his work and prices) and were willing to forego modernization in order to retain his services.

The Board maintained assurances of covenants from Mr. Coffey of no outdoor storage, adequate landscaping and screening and no signs for cigarettes or other unrelated items. The station would employ 2 1/2 help, the present tenant will stay, there will be no curb cut on Jackson Ave. and no parking of cars on East Woods Rd.

Speaking relative to the Hearing were Sara Mittendorf, Judy Jacobs, Joseph Nash and Louise Gerst.

Pinball Machines, Article III, a proposed new article to the Code of Ordinances, T.O.B. made up the 2nd order of business.

The hearing attracted several speakers including Dan Frank, Mr. Blatt, Irving Holzman and Judy Jacobs.

Opinions among the speakers varied as to the maximum number of machines to be permitted in an establishment from 2 to 4 before it became an arcade and required additional licensing.

An amendment to the Code of Ordinances, T.O.B. Article II, "Personnel" was the 3rd item on the calendar.

Supervisor Colby explained that the amendment would require all employees of T.O.B. to be residents of the Town ship. The legislation will not be retroactive to affect current employees.

The final hearing of the day was proposed amendment to the Code of Ordinances, T.O.B. "Distribution of Commercial Handbills." This proposal, as explained by the Supervisor, would require and principal form of publication to advise the recipient of the distributor in the event the homeowner desired to cancel further deliveries.

Item No. 7 was a resolution appointing a real estate appraiser to appraise property known as "Briarwood Parcels;" at Plainville.

Item No. 9 this resolution amended resolution No. 709-78, deleting in its entirety the maintenance of a U.S. Postal Service vehicular facility at Hicksville.

In the informal discussion that followed Judy Jacobs suggested possible abuse of the "Signs" ordinance in the Froehlich Farms Industrial Park at Woodbury, by Connecticut General and then discussed traffic signs and lights at the Manetto Hills Rd., Woodbury Rd. intersection. The Supervisor agreed with Mrs. Jacobs on the need for added safety at that intersection and assured her that his office has been involved in plans to improve the situation.

Charity Diet AIC To Endorse Candidate

Weight A Thon

At a dance to be held October 21, at the Midway Jewish Center, Syosset, Roy Entin a member of the Board of Trustees of the Congregation, will complete his "Weight - A - Thon" as he makes an official weigh in on Weight Watchers scales.

Adopting, with a new twist, the concept of the popular walk-a-thon used for charity fund raising, Roy started a diet on February 5, 1978. His friends made pledges ranging from 5 cents to \$2 a pound for each pound he would lose by the deadline which would be marked by the dance. The proceeds will be split between the Midway Temple and the Hatzilu Rescue Organization.

Hatzilu, which means rescue in Hebrew, is an organization actively helping the elderly poor living in the hovels of the inner cities of the South Bronx and Brownsville. Hatzilu supplies them with food and clothing, helps them to relocate the better areas, and brings these forgotten people the warmth of a caring human being. Under the auspices of Hatzilu, Midway Jewish Center will host approximately 120 of the elderly poor at a festive luncheon, complete with entertainment, on November 12, 1978.

When asked how much weight he lost, Roy stated "a boxful." He won't state the amount as there is a prize for the person guessing closest to the exact weight loss. He does expect that his effort (in addition to an 8 inch reduction in his waist) will raise between \$3,000 - \$5,000 when all the pledges are in and he steps on the scale. The weight loss will be authenticated by Weight Watchers, which has been keeping track of his weight since

The American Irish Congress will meet on Tues., Oct. 24, at the Irish American Center, 294 Willis Ave., Mineola for the purpose of endorsing a candidate for Governor of the State of New York. The meeting, chaired by Chairman, John Sugrue will commence at 8 p.m.

A recent political forum was conducted by the American Irish Congress at the Irish American Center with the membership voting by ballot. The official results as released by the Executive committee are as follows:

CONGRESSIONAL DISTRICT ENDORSEMENTS: Norman Lent (Rep) 4th C.D.; John Wydler, (Rep) 5th C.D.; and

February, Roy noted "I don't know who had benefited most from the Weight - A - Thon; Midway, Hatzilu, or me."

For further information contact: Roy Entin-21 Market Drive, Syosset, New York 11791-Home (516) 822-2930; Bus. (212) 526-0900, ext. 116.

Lester Wolf (Dem) 6th C.D. SENATORIAL DISTRICT ENDORSEMENTS: John Worthley (Dem), 5th S.D.; Anthony Piacentini (Dem) 6th S.D.; John Cammerer (Rep) 7th S.D.; Norman Levy (Rep) 8th S.D.; and Bruce Bergman (Rep) 9th S.D.

ASSEMBLY DISTRICT ENDORSEMENTS: Philip Healey (Rep) 11th A.D.; William Reilly (Dem) 12 A.D.; Thomas Gulotta (Rep) 13th A.D.; Joseph Reilly (Rep) 14 A.D. (No preference - 16th A.D.); Kemp Hannon (Rep) 17th A.D.; Armand D'Amato (Rep) 18th A.D.; Ray McGrath (Rep) 19th A.D.; John F. Zimmerman (Rep-C) 20th A.D.; and George H. Madison (Rep) 21st.

The official results of the 3rd Congressional District, 4th Senatorial District, 10th Assembly District and 15th Assembly District will be announced at Oct. 24 meeting due to the fact that several areas are in Suffolk County and must be voted on by the Suffolk Chapter.

Members are asked to be prompt in their attendance, 8 p.m. sharp.

"After you get Buffinns down, could you take a look at my toaster?"

It's true, and we don't encourage it, but there are some folks out there to whom a visit by a LILCO emergency service person is a major social event. Seriously, gas and electricity problems don't keep 9 to 5 hours, and neither does the gentleman you see pictured above. So whether you smell gas or there's a power cable down on your front lawn, call the emergency phone number on the back of your bill anytime.

What if there's a hurricane or some other bit of unpredictable Long Island weather? During the ice storm of 1978, for example, all of our 5,400 employees were mobilized, while the emergency crews worked around the clock despite impassable streets, icy fingers, fallen trees, and frozen switches. In fact, we even called in extra repair crews from as far away as Pennsylvania and Virginia.

"A small black cat climbed to the top of a 60-foot tree on my property," writes one of our customers, Mrs. M.H. of Hewlett. "It was too frightened to come down. I called your Hewlett office and spoke to Mr. Dom DeNapoli. He sent Dick Douglas and one of your fine 'cherry picker' trucks to my home. Mr. Douglas rescued the frightened animal. I'm sorry I did not take pictures of the event. It was a beautiful sight and all the neighbors cheered."

As we said, we don't encourage this kind of thing. Nor do we invent these letters.

Long Island people serving the people of Long Island.

LILCO
 LONG ISLAND LIGHTING CO.

Hicksville School District Public Announcement

Hicksville Union Free School District today announced a free and reduced price meal and / or free special milk policy for Junior and Senior High School children unable to pay the full price. Local school officials have adopted the following family eligibility criteria to assist them in determining eligibility.

NEW YORK STATE 1978-79 FAMILY ELIGIBILITY CRITERIA FOR FREE AND REDUCED PRICE MEALS AND FREE MILK

Number in Family Unit	GROSS INCOME					
	Free Lunch and/or Breakfast and/or Special Milk			Free Lunch and/or Breakfast and/or Breakfast		
	Annual	Monthly	Weekly	Annual	Monthly	Weekly
1	\$4,190	\$ 349	\$ 81	\$6,530	\$ 544	\$126
2	5,500	458	106	8,580	715	165
3	6,810	568	131	10,630	886	204
4	8,110	676	156	12,660	1,055	243
5	9,310	776	179	14,530	1,211	279
6	10,510	876	202	16,400	1,367	315
7	11,600	967	223	18,100	1,508	348
8	12,690	1,058	244	19,790	1,649	381
9	13,680	1,140	263	21,330	1,778	410
10	14,660	1,222	282	22,870	1,906	440
11	15,640	1,303	301	24,390	2,033	469
12	16,610	1,384	319	25,910	2,159	498
Each Additional Member	970	81	17	1,520	127	29

Families falling within these eligibility criteria, which provides for adjustment for uncontrollable financial hardships, are urged to apply for free or reduced price meals and / or free special milk for their children. They may do so by filling in the application forms sent home in a letter to parents. Additional copies are available at the principal's office in each school. Applications may be submitted any time during the school year to the Building Principal. If a family member becomes unemployed or if the family size changes, the family should contact the school to file a new application. The form itself is simple to complete and requests information needed to determine economic need based on the income and number of persons in the family and any uncontrollable financial hardships including unusually high medical costs, shelter costs in excess of 30 percent of income, special education expenses due to the mental or physical condition of a child and disaster or casualty losses which affect the family's ability to pay for school meals and / or special milk. The information provided on the application will be confidential and will be used only for the purpose of determining eligibility.

In certain cases foster children are also eligible for these benefits. A family may wish to apply for meals and milk for them and should contact the school.

Under the provisions of the policy the designated official will review applications and determine eligibility. If a parent is dissatisfied with the ruling of the designated official, he / she may make a request either orally or in writing for a hearing to appeal the decision. The Assistant Superintendent for Personnel and Pupil Personnel, whose address is Administration Building, Division Avenue, Hicksville, New York 11801, has been designated as the Hearing Official. Hearing procedures are outlined in the policy. However, prior to initiating the hearing procedure, the parent or School Food Authority may request a conference to provide an opportunity for the parent and official to discuss the situation, present information, and obtain an explanation of the data submitted in the application or the decisions rendered. The request for a conference shall not in any way prejudice or diminish the right to a fair hearing.

The policy also provides that there will be no identification of or discrimination against any student unable to pay the full cost of a lunch.

To discourage the possibility of misrepresentation, the application forms contain a statement above the space for signature certifying that all information furnished in the application is true and correct. An additional statement is added to warn that the application is being made in connection with the receipt of Federal funds, that school officials may, for cause, verify the information in the application, and that deliberate misrepresentation of information may subject the applicant to prosecution under applicable State and criminal statutes.

In the operation of child feeding programs, no child shall be discriminated against because of his race, sex, color, or national origin.

A complete copy of the policy is on file in each school principal's office and in the office of School Food Authority District Administrator where it may be reviewed by an interested persons.

At Eisenhower Park

Members of the Long Island Woodcarvers Association will be working on the replica of a cigar store statue, Captain Jinx, during

a public demonstration of sculpting at the Museum-in-the-Park near Parking Field No. 6 in Eisenhower Park, East Meadow, on Sunday, October 29 at 1 p.m.

Professional carvers will be chiseling out details on the figure of handsome Captain Jinx, a cigar store figure almost as popular as the wooden Indian in American towns during the late 19th century. Also on display will be an original carving of Captain Anah and a 5-foot replica of an Indian complete with feathered headdress and peace pipe. The origin of our present-day expression, "Hangin' Out A Shingle," will be demonstrated with wooden signs vital to outdoor advertising during the era prior to neon and plastic letters.

More Americana awaits visitors to the museum where the current Carousel Exhibit features animals from a fine vintage carousel restored to "mini" condition by the Museum Division of the Nassau County Department of Recreation and Parks. Poised for a merry-go-round as in days of old are a camel, giraffe, crouching frog and other unlikely mounts. Youngsters will be hard-pressed to choose their favorite fantasy beast after viewing the dragon and unicorn. Admission to the museum, operated by the Nassau County Department of Recreation and Parks, is 25c.

KIWANIS CLUB OF HICKSVILLE installed their new officers for the year 1978 - 1979 at their weekly lunch meeting at the Milleridge Inn. Front row, left to right, Vice President Mr.

Siegried Widder; President, Dr. Philip Rubenstein; Back row, left to right: Mr. James Clavell, Corresponding Secretary; Mr. Yale Auerbach, Treasurer; Mr. Charles Montana Jr. Recording Secretary.

Hicksville Town Meeting

By Carol Wolf

During the Hicksville Community Council Town Meeting, several ideas and programs were discussed. King Kelly spoke about the coming Hicksville Memorial Fountain which is to be constructed at Kennedy Park. This beautiful multi-lighted fountain is to stand north of the Long Island RR, between Jerusalem Avenue and Broadway. As King explained, "It will give Hicksville a new life." He asked that if each family could contribute a modest amount, the fountain would be a reality. There will be very strict electrical codes to be followed and all the labor is volunteer. He also mentioned that after construction is completed, the maintenance will be turned over to the Town. If you wish to contribute to the Fountain please contact King Kelly, c/o Seaman & Eisemann or Dr. Walter Dunbar.

David Blaszkowsky announced that the Hicksville H.S. homecoming will be held on Saturday, October 28th, and it is a good opportunity to show Community & Team Spirit. Hicksville H.S. would also like to participate in the Newsday High School of the Year contest and he asked that if anyone has ideas concerning a community project that could be accomplished by the High School students, please write to the Hicksville H.S. Student Government.

Ken Barnes, Director of the

Library, mentioned that the Nassau Library System is losing \$299,000 from the County and will be getting no more aid from the state. He asked everyone to leave \$1 and your name at the Library desk to help support the Nassau Library System. There is also a new program from the system, a Learning Connection, where people of different interests or hobbies or talents can get together. You can join as a teacher, a learner or a sharer. Interested? Call the Library. On Thursday, October 26th, the Library is presenting "Reconstructive Surgery" given by the Nassau County Department of Health, Department of Women's Services. On November 5th, the Annual Art Show reception and tea will be held in the afternoon. This Art Show is sponsored by the Independent Art Society. On November 11th there will be a bus trip to Lincoln Center to see the Magic Flute.

Bill MacDonald mentioned that Cancer Victims and Friends will be meeting on Friday, October 27th at 8:30 P.M. and the topic will be cancer prevention.

The next Hicksville Community Council Meeting will be held on Thursday, November 2nd. The meeting will open with candidates running for public office in the coming November elections and the main speaker will be Supervisor Joe Colby. Come and join us "For a Better Hicksville."

Fire Report

50G Blaze Hits Lumber Yard

A fire at the Argo-Schildknecht Lumber yard on Friday, Oct. 13, caused an estimated \$50,000 damage. A witness saw several youths running from the yard at 465 S. Broadway shortly before the 9:24 p.m. alarm was received.

Eighty-five Hicksville Vamps responded with 8 pieces of apparatus. The fire destroyed a large shed and numerous piles of plywood. Fire officials requested that anyone with information on who set this blaze call the Hicksville F.D. All information will be kept confidential. Just over five years ago, another fire at the same yard caused considerable damage.

Vamps using fork lifts separated the burning lumber

from other nearby piles, thus damage was kept down. The Jericho F.D. provided a stand by crew at station 1 until 2 companies on training assignments at the Old Bethpage Training Academy could pick up and return. No injuries were reported but several camps were lucky, when the area they had just left was struck by a 45' pile of lumber.

The Fire Marshals Office is investigating.

From the period of Oct. 10 to Oct. 14, there was a total of 20 alarms, 3 malicious false alarms, 9 fire calls, and 8 rescue calls.

Winners and photos of the Fire Prevention Poster Contest will be published as soon as the photos are received.

Elected AARP President

Mrs. Otilia Weiler was elected President of the American Association of Retired Persons, Central Nassau Chapter No. 1592 for 1978-1979.

Mrs. Weiler recently retired from a position as Systems Analyst in the Data Processing Department of Nassau County. During her business career she held many varied positions including Supervisor of typists in the Stock Transfer Division of the American Telephone & Telegraph Co., Cost Account Clerk, Supervisor of Vicilian Payroll and Computer Programmer at Mitchell Air Force Base, Payroll Clerk in the East Meadow School District and finally Computer Programmer and Systems Analyst with Nassau County.

While pursuing her business career she also was interested in club work. She was first president of the Pope XII Columbiettes of East Meadow and served as Financial Secretary, treasurer and Recording Secretary with the Nassau-Suffolk Chapter Columbiettes. She is still active in that organization.

Since her retirement, Mrs. Weiler spends her time mostly enjoying herself. She loves to travel and her major hobby is playing bridge. She also likes to read, paint, knit for her grandchildren, socialize with friends and keep up with her club work.

The AARP hold their meetings every first Tuesday of the month at the Parkway Community Church, Stewart Avenue, Hicksville, L.I., at 1 P.M.

Ice Skating Instruction

Ice skating is one of the most popular winter sports. To help Oyster Bay Town residents get the most out of the ice this year, the Town's Department of Parks and Recreation is offering a complete instructional ice skating program at the Town's rinks.

Oyster Bay Town Councilman Salvatore R. Mosca this week announced that registration for all classes will be held on the following dates:

BETHPAGE COMMUNITY PARK (skatehouse) - Thursday, October 26, 4 to 6 PM and 7 to 9 PM

SYOSSET - WOODBURY COMMUNITY PARK (skatehouse) - Saturday, October 28, 10 AM to noon and 2 to 4 PM

Late registration (for all parks) - Bethpage Community Park skatehouse, Thursday, November 9, 4 to 6 PM

Private and group lessons will be available on the beginner, intermediate and advanced levels for tiny tots (ages 3-5), children (ages 6-11 and 12-16) and adults (17 and older). All classes will be taught by professional ice skating instructors.

The fee for group instruction is \$25 for eight half-hour lessons

during public skating time and \$27.50 for eight half-hour lessons during skating school time. These lessons are open only to beginners and intermediates. Group lessons for advanced students will be \$30 for eight half-hour lessons during public skating time.

The fees for private skating lessons will be \$8 for one half-hour, \$24 for three half-hour, and \$40 for 5 half-hour sessions. These classes will all be held during public skating time. In addition, there will be a series of 20-minute lessons at \$5 for one, \$15 for three and \$25 for five.

Admission to the rink is not included in skating school fees for skaters receiving instruction during public skating time.

A list of class times and starting dates will be available at registration. For further information, contact the Department of Parks and Recreation at 433-8310.

Intently listening to Fred Parola, Esquire, are left to right, Joe Magee, treasurer, and Charles Lynch, Esquire, president, of the Ernest F. Francke Republican Club of Hicksville, Inc. Mr. Parola is the Republican candidate for the 12th A.D. seat and he spoke to the members of the Hicksville Republican Club at their meeting on October 13. He discussed various issues of pertinent interest to Hicksville residents. (Photo by Bob Schmeek.)

Grumman's Skurla Joins Lilco Board

LITCO Corporation of New York, parent company for Long Island Trust Company and Long Island Bank, announced today the election of George M. Skurla to its Board of Directors. Mr. Skurla, who was also elected to the board of Long Island Trust Company, is Chairman, President and Chief Executive Officer of Grumman Aerospace Corporation, Bethpage, N.Y.

Arthur Hug, Jr., Chairman, President and Chief Executive Officer of LITCO and Long Island Trust Company, also announced the election of William J. Casey as Chairman of the Executive Committee of Long Island Trust Company. Mr. Casey, former Chairman of EximBank and former Chairman of the Securities and Exchange Commission, is counsel to the firm of Rogers & Wells, New York City. He has been a member of the Boards of LITCO and Long Island Trust since 1977. Mr. Casey will succeed Willard G. Hampton, former Chairman of the Board of the Brooklyn Savings Bank, who retires from the LITCO and Long Island Trust boards on September 30th. Mr. Hampton has served as a board member since 1967 and as Chairman of the Executive Committee of Long Island Trust Company since 1975.

In announcing Mr. Skurla's

election to the two boards, Mr. Hug said, "we are particularly delighted to add a man of George Skurla's proven competence and stature. He will be of immeasurable help in LITCO's efforts to assist in the development of Long Island as a high technology center."

Mr. Skurla joined Grumman Aircraft Engineering Company in 1944 as an apprentice engineer and has held many posts with the firm since that time. He was involved in the design and testing of Grumman's Bearcat, Cougar, Tiger, Hawkeye, Intruder, Mohawk and Gulfstream aircraft.

In 1965, he was appointed Director of Operations for Grumman at the National Aeronautics and Space Administration's (NASA) Kennedy Space Center in Florida where he held overall responsibility for the 1,600-man team which performed final assembly, test and pre-launch checkout for the Apollo Lunar Module (LEM). The LEM was the craft American astronauts used to land on and lift off the surface of the moon.

Mr. Skurla returned to Long Island in 1970 and served in a variety of capacities before election to his present post on January 1, 1976.

Halloween Dance

It is almost time again for lighting jack-o-lanterns and scanning skies for the witch's ride. Members of the Charles Wagner Post, Hicksville American Legion will celebrate Halloween with their annual dance, on Oct. 28.

The Post Program Committee is inviting members, their families and friends to an evening of dancing, free beer and liquor at each table and a tasty hot and cold buffet. A prize will be awarded for the best costume. Fun will begin at 9 P.M. and the donation is \$22. per couple. Tickets and table reservations may be obtained by calling Dance Chairman, Kevin Evers at Wells 5-3380.

Square Dance

Sharpen up that "allemande right" and join other Nassau residents, age 60 and over, in a pre-Thanksgiving Square Dance on Sunday, Nov. 19.

The do-si-dos are set to ring out in the East Terrace of Nassau Beach Park in Lido from 1 to 4 p.m., courtesy of the County's Department of Recreation and Parks.

For reservations or for further details, call the Department's Senior Citizens Unit at 292-4247. Nassau Beach Park is located on Lido Blvd.

At The Library

The Hicksville Public Library is pleased to announce that on Thursday, October 26 a program of tremendous interest to women will be presented. With the Nassau County Office of Women's Services sponsorship "Reconstructive Surgery After Mastectomy" will be discussed. Pat Hochfelder, author of an article in Woman's Day magazine in June 1978, on her surgery, will be one of the participants, also Dr. Randolph Guthrie Jr. plastic surgeon of Sloan Kettering and New York Memorial Hospitals will describe the procedures involved in this revolutionary operation. Other women who have had the surgery will be on hand to tell the audience their experiences, as well as other doctors (pro and con on this procedure) who will present their opinions.

This program will be held in the Community Room at 8:00 P.M. All are welcome to attend.

This important topical subject is co-sponsored by Nassau County Task Force on the Status of Women, Nassau County Department of Health, Nassau County Medical Center and Nassau County Department of Mental Health.

Galileo Lodge News

By Joe Lorenzo

Last Thursday, the 12th of October, the Galileo Lodge held its first open-house membership drive program at 200 Levittown Parkway, Hicksville. Food and refreshments were served and the attendance was quite good. 1st Assistant Grand Venerable Joe Montmarano of the Grand Lodge of the Sons of Italy in America added interest to this occasion as he outlined the goals, aspirations and various programs contemplated by the parent organization. Short orientation Sessions were put into effect, a method which made it possible for all the attending prospective members to see and hear for themselves exactly what the Galileo Lodge stood for and which direction it would be headed in the future. Thus, as the Asst. Venerable pointed out in his summation, it takes interested members to make an interesting Lodge. The fact that this membership drive was so successful means that more of them will be held in the future. These scheduled sessions will be posted in this column soon. The Galileo Lodge extends its sincerest thanks to the committee and its chairman for the splendid job they had done.

For the purpose of information, we would like to mention that the Galileo Lodge held its first Las Vegas Night last Friday, the 13th of October. Attendance was very good and this alone was encouraging because it must be noted that a good portion of the proceeds emanating from this activity is used for scholarship program, charitable ventures and community related ac-

tivities. And needless to mention that the Galileo Lodge feels that there is no better way to use the revenue that is obtained from the Las Vegas Nights. There will be more Las Vegas Nights in the future. Joe Giordano, Grand Trustee of the Galileo Lodge, is the legal advisor for these activities.

The next scheduled Fall dance at the Galileo Lodge quarters will be the Halloween Dance which will be held on October 28th. The price of admission is the usual and reasonable 7.50 per person, and featuring nice, pleasant dance music and the usual and excellent Galileo Lodge cuisine. Costumes are optional. Please put this dance on your calendar of events for the October month, so give yourself an excellent Halloween treat by attending this affair. Those wishing to attend can contact Chairman Skip Monteforte by calling 931-9351. This affair always draws pleasant comments when it is held.

Plaques shipments for the Bicentennial Memorial are eagerly awaited, and they will complete the structure and finally make it possible to also await the unveiling of the Galileo Lodge's contribution to the history of America and to the beautification of the Hicksville area, or, to be more specific, the site known as Kennedy Mall. The unveiling ceremony will undoubtedly attract many notables from the Town of Oyster Bay and they will also add to the interest of this highly-touted venture. Tony Previte, the Chairman of

Appointed To Town Housing Authority

The Oyster Bay Town Board appointed Joseph F. Sweizer of Hicksville as a Commissioner of the Town of Oyster Bay Housing Authority. The appointment which runs through August 31, 1981, fills the unexpired term of Ernest Dieterich who resigned.

The housing authority is an autonomous body appointed by the Town Board for the planning, development and administration of public housing needs in the Town.

Sweizer, a long-time resident of Hicksville, is an executive with the A & P Food Stores. He attended Fordham University School of Business from which he earned a B.S. degree, and served with the U.S. Army in the European Theatre during World War II.

Long active in community affairs, Sweizer has served on a number of fund raising drives for various charitable organizations and has coached local CYO basketball teams.

Mr. and Mrs. Joseph Haggerty of Nevada St., HICKSVILLE, are proud to announce the birth of a second grandchild, Joseph Frank Di Bernardo. Joseph Frank, who made his arrival on Sept. 29, is the first child of Mr. and Mrs. Frank DiBernardo of Setauket. The baby's paternal grandparents are Mr. and Mrs. Joseph Di Bernardo of JERICHO. He will be christened at a private ceremony to be held at St. James Church in Setauket. Mr. and Mrs. Haggerty's nephew, the Rev. Thomas Haggerty will officiate.

Mr. and Mrs. Edwin J. Roche of Acre Lane, HICKSVILLE, had the pleasure of a visit of their daughter, son-in-law and grandson, Christopher John.

Dr. and Mrs. Raymond J. Sheridan reside in Conte Madera, California. Mrs. Sheridan is the former Judith M. Roche and is a graduate of Hicksville, H.S. 1966 and also a graduate of S.U.N.Y., Plattsburg with a BS degree in Nursing.

Happy Birthday to Terri Cucci of Arpad St., HICKSVILLE. She celebrates her 14th on Oct. 23.

Frank and Barbara DeStefano were delighted to have Frank's parents, George and Millie DeStefano from Pompano Beach, FL, spend a week at their home on Mayfair Lane, HICKSVILLE. Mr. and Mrs. DeStefano celebrated their 40th wedding anniversary while here in Hicksville. They were surprised with having a Mass celebrated in their honor at St. Paul's R.C. Church, Jericho. After the Mass, ten family members took them out to a luncheon at the Milleridge Inn. A happy and loving visit was enjoyed by all the family.

Well, Judge Donovan and family passed our test - they are definitely reading this column. Know how we found out? Joe told us we called his dad Joseph instead of FRANCIS, and Joe said he is not a Jr. (and we know Joe's not a Sr., but he's definitely an Esq.). Thanks, folks, for being so good-natured about our goofs; you're good sports.

Now for some accurate news about the Donovans. Judge Donovan and his wife, Arca, have a talented son, Paul. Paul is an accomplished singer and folk guitar player. He has played before different groups and most recently at a wedding. Paul's music is his avocation, but his vocation is his employment as a court reporter in Nassau County. Good luck, Paul, in your musical inclinations.

Eileen Clancy, daughter of Frank and Margaret Clancy of Suggs Lane, enjoyed her first flight and trip away from her family when she joined the graduating class from Holy Trinity H.S. on the senior class

trip to Orlando, FL. Eileen and the rest of the group had a marvelous time. They visited Disney World, Sea World and other places of interest.

Jim Rennert, formerly of HICKSVILLE, is an entertainer at the Sail and Ale in Northport. Jim sings and accompanies himself on the guitar. This is a part-time job for Jim, since he is employed full time at the Manhasset Office of the National Bank of North America. Jim grew up in Hicksville and attended its schools. His parents, Ann and Bob, and sister Terri, live on Mayfair Lane in Hicksville. (As fans of Jim, they are only exceeded by Jim's sweet wife, Maureen.)

Councilman Tom Clark celebrated his birthday on October 19. His children made him his birthday cards and gifts. Tom said they did a great job, but depleted his supply of Scotch tape, paper, staples, scissors, etc. in completion of their projects. "Have a Happy," Tom.

Another Tom, another birthday - this time for Tom Gallahue, who celebrated his birthday on October 15. Tom was feted with a family birthday gathering sponsored, of course, by his gracious and beautiful wife, Dot. Tom received gifts, love and good wishes from his family. Congratulations, Tom.

Gloria and Mike Barone of Acre Lane, HICKSVILLE, recently became grandparents for the first time. The new baby, Jason Barone, is the fifth living generation on Gloria's side of the family. They include great, great

grandmother Margaret Kerrigan, 87 yrs.; Florence DiLorenzo, great grandmother; Gloria Barone, grandmother; George Barone, dad; and baby Jason. We mustn't neglect one of the most important persons in this event: Jason's mother, Patricia. Best of luck to you all.

Pete Ference of HICKSVILLE, mentioned that his mother, Josephine, and his sister, Pat, have spent a marvelous two weeks in Ireland. They visited many of their relatives, and even saw the "ole homestead" of Josephine's mother.

Met some of HICKSVILLE Water District Commissioners at a recent cocktail party. Joe Gowell and his lovely wife, Eleanor, and Sam Weiss and his wife, Kitty. This foursome were enjoying themselves at Antun's Old Country Manor with many other Hicksvillites.

Val Zito of HICKSVILLE happily told us that her daughter, Jacqueline, finally arrived home from a visit to Spain. Jackie's original plans were for a short vacation abroad, but extended into a two-month sojourn. You must have been having a great time, Jackie.

Gary Nelson Anderson, grandson of two sets of HICKSVILLE grandparents, Mildren Bernert and Lil and Francis Anderson, celebrated his fourth birthday on October 4. His parents Pat and Bill, had a party for Gary at their home in Com-mack. Happy birthday, Gary.

Happy Anniversary to Mr. and Mrs. K. Masterson, of Berlin, N.Y. (formerly of HICKSVILLE). They celebrate their 4th on Oct. 20.

TOB's 325th Anniversary Parade

By Richard Evers

What a host of historical personages, what a flood of storied places crowds the imagination as the Township of Oyster Bay marks its 325th Anniversary this weekend with an all-town parade and commemoration of the 1908 Vanderbilt Cup Race.

As preparations for the parade reach their peak and 200 antique car owners polish and oil their prized vehicles for a grand procession, Sunday afternoon, Oct. 22, one cannot but pause and recall highlights of a great American town's history. This is what the gala is all about, and Oyster Bay American Revolution Bicentennial Commission is keenly interested in focusing public attention on our town's memorable past and on-going achievements.

"The moving finger of history recorded much of the early history of America right here in Oyster Bay," wrote Jesse Merritt, the late Nassau County Historian.

We do, indeed, honor the memory of the native peoples of our town, whose dusky visages and stately forms step again from the shadows to greet us, as they did the Dutch and English explorers and settlers long ago: Mohanes of Oyster Bay hamlet; Pugnispn of the Matinecocks, who generously gave use of the central plains to Robert Williams at Cantiague Woods in 1648; Tackapousha the powerful, sometimes bellicose, sachem of the formidable Massapeguas. We see again the throngs of Indians in harvest pilgrimage to the "hill of the Manitou" (Manetto Hill in today's Plainview.)

DeVries, the Dutch navigator, who marveled at Oyster Bay's natural bounty, and named the area, sails once more into the harbor of our mind. The pioneer settlers come: the Welshman Williams; Peter Wright, the Father of Oyster Bay in 1653; the

Powells of Old Bethpage, and the Thomas Jones of Massapequa. Quaker refugees from a cruel New England theocracy came to the sanctuary of the town founders' homes. The Matinecock Meeting House and the later Jericho Friends Meeting House, designed by the noble Elias Hicks, still stands to remind us of the Quakers' quest for "the inner light" to God's guidance. We may yet see Council Rock where George Fox, founder of the Friends Society preached Stark Indian fighter John Underhill and paradoxically, friend of the Redmen in his later years, is remembered by the marker on Mill Neck. Major Tom Jones and his Freeloze, sleep in the quiet of the Old Grace Church cemetery at Massapequa.

The Ghosts in Raynham Hall, in Oyster Bay hamlet, could tell us of the Samuel Townsend family's dauntless patriotism in the American Revolution. The house once occupied by Colonel John Simcoe of the Queens Rangers and his friend, the Tragic British officer spy, Major Andre, gives visitors a contact with Robert and Sally Townsend who saved West Point and spied for George Washington. The town fairly reeks with history. Race horse Messenger is immortalized with a marker at Locust Valley; railroad promoter Valentine Hicks home is today's Maine Maid Inn; the Milleridge Inn is very old near Robert Williams house at the Jericho spring pond, a water source so vital to the life and economy of generations of folk on the dry central plains region. The old houses at the Bethpage Restoration each have their story, as do the Wightman House in Oyster Bay and the Church of Christ and Heitz Place Courthouse in Hicksville.

The town's favorite son, the incredible Theodore Roosevelt, rests in Youngs Memorial Cemetery, Oyster Bay hamlet, while his home at Sagamore Hill, delights thousands of visitors each year. One could go on and one, evoking memories, vistas of Oyster Bay township history; the building of the north shore estates by the nouveau riche, the wake of the nation's Civil War industrial expansion; the Vanderbilt Cup races which did no much to make the public aware of the automobile's potential and the need for better roads; the daring airmen, such as Charles A. Lindberg, soaring above Hicksville's Aviation Country Club; the dynamic industrial production of our people at Grumman's during World War II which broke the Japanese Fleet in the Pacific; the glorious park-way of Bob Moses; the passing of the farm era, and the opening of the broad potato lands to home builders and future development.

The grand parade is forming under Grand Marshall Steve Didier, and is due to form south of the Hicksville Junior I.S., east of Jerusalem Ave., at 12 noon, Sunday, Oct. 22. All organizations are welcome. Call the parade marshal at OV 1-5946 for your position in the line of march out to the Grumman Soccer Field. Individuals and families are invited to be in the procession and to honor their town.

The procession of antique cars, unique on Long Island history, will take place almost simultaneously with the parade from the Woodbury-Plainview-Bethpage area, arriving west on Stewart Ave. by 2 p.m. Marchers will be given an opportunity to disband at the soccer field off South Oyster Bay Rd. before the spectacular entrance of the Old Cars, including the car which won the 1908 Vanderbilt Cup Race.

To add charm to an entry, walk or deck, place wood planters or tubs, and fill them with brilliant summer annuals.

Postmaster Announces Exams

MCS Manager Postmaster Anthony M. Murello of the Hicksville Sectional Center of the U.S. Postal Service has announced an examination for Medical Officer position and future Garagemen positions.

Applications will be issued and accepted from Monday, Oct. 23 to Friday, Oct. 27.

Applications will not be mailed.

They must be obtained in person and returned to the Hicksville Post Office between the dates mentioned above.

To find out if an applicant is qualified, check with the Post Office.

Candidates Night

The Galileo Galilei Lodge, Order Sons of Italy in America opens its doors to the community

once again. Everyone is invited to attend a candidates night forum. There will be a question and answer period. If you have anything on your mind, now is the time to say it. The place is the

Galileo Lodge, 200 Levittown Parkway, Hicksville, on Oct. 31 at 8:30 p.m.

Coffee and cake will be served after the meeting.

GALILEO LODGE (Continued from Page 7)

will be announced shortly in this column. These are once-a-year events it is true, but the impressions remain for ever.

The Ladies Auxiliary wish to announce that they will hold a Pasta Night in the very near future. The price of admission will be very small but the pasta will be plentiful. The culinary attributes of the Ladies Auxiliary is by now very well known. If you are interested in this delightful eating venture, why not contact the Ladies Auxiliary by calling 931-9351 for additional information about the Pasta Night. You can't go wrong with the servings and you can not go wrong with the price.

CYCLE TIPS

MID ISLAND
KAWASAKI

Use The Right Tire For Your Favorite Riding Condition

When you climb on your motorcycle and head out toward the horizon, think about what keeps you rolling and just how much contact you have with the road at any given moment. Without the tires to absorb shocks, provide traction and to help keep the bike balanced, motorcycling wouldn't have developed into the fun sport that it is today.

Kawasaki Motors Corp., U.S.A., from its Santa Ana, Calif., headquarters, recommends that especially the novice rider learn about the different types of tires and how to take care of them for safe, comfortable riding.

When you travel along at freeway speeds remember — only a few square inches of rubber actually touch the road. Turns and adverse weather conditions can make those few inches even more important in keeping you upright and moving forward.

Two primary factors will affect your choice of the best type of tire for your typical riding situation. The type of rubber determines how well your tire handles internal heat build-up, a major contributor to tire wear. Tread design determines how well the tire deals with different road surfaces and foreign matter in your travel route.

Early tires were made from natural rubber. It had great wear characteristics but unfortunately didn't grip the road well. Synthetic rubber, on the other hand, has incredible road grip capabilities but builds up heat quickly causing fast tire wear and making it very impractical for street use.

From one extreme to the

other... a dirt bike needs natural rubber's wear characteristics while the drag bike needs synthetic rubber's great grip. Most general purpose tires have some combination of the two rubber types.

When choosing a tire keep in mind the main purpose for which you will use it and make decisions accordingly.

The right tire design is also a function of different riding situations. Dirt bikes, for instance, will have a "knobby" design to dig through the dirt for proper traction. Road bikes usually come with some sort of zig-zag pattern to channel water and other foreign matter off the road so the tire surface can get the maximum amount of traction.

Some general maintenance tips. Check your tire pressure periodically. Always check the tire before you

ride as the heat causes pressure changes and will fool your gauge. An under inflated tire causes more flex in the sidewall which increases heat and wear.

While you're checking tire pressure examine the tire for tread depth and damage. If a tire has less than 1/16-inch of tread depth get yourself some new rubber; it might save your life.

Good riding habits will also increase tire life — and possibly yours, remind the experts at Kawasaki. Avoid hitting curbs, chuck holes and other road hazards. Check your tires regularly and be sure you have the right tire for your riding situation.

(Editors Note: This is the third in a series presented by Kawasaki dealing with the fact that safe, smooth motorcycle operation is more than just turning the key).

Tires and tire pressure play an important role in motorcycle riding comfort. Always check tire pressure and tread depth before departing for the unknown. If there are any problems that you can't handle, be sure to consult your local Kawasaki dealer. MID ISLAND KAWASAKI

RE:DECORATING

by Ann Rossell

Be prepared or repaired

For an initial outlay of less than \$50, a motorist can assemble an auto emergency kit containing most of the tools and parts needed if car trouble arises. Small and easily stored, it serves as a "turmpike survival kit," according to an article in a recent issue of *Adventure Road*, a magazine for members of the Amoco Motor Club.

Basic tools in the emergency kit include: a crescent wrench, hook-nose pliers, vise-grips, screwdrivers, a small file, and two emergency flares. Tape, wire, and clothespins might come in handy to pinch a sparkplug wire to a plug until proper repairs can be made. Other essential items are lubricating oil, airplane glue, aluminum wire, insulated wire, a knife, and a set of wrenches.

According to the article, the biggest trouble spots for travelers are tires, batteries, thermostats, and water hoses. Extra hose clamps, and a good motor manual can often help correct these problems.

A standard .30 caliber ammo box is a good container for most of the items in an emergency kit. Spare fan belts, radiator hoses, and other over-sized items can be sandwiched into the spare tire compartment or placed under seats.

"Getting my husband to do any work inside of the house takes months of coaxing." "The house will be disrupted. I dread the thoughts of redecorating." "I've never put up wallcovering and to be perfectly honest I'm frightened at the prospect." If any of these comments sounds familiar, here are some tried and true suggestions gathered from homemakers that will give you courage.

Many women prefer to work with their women friends on a redecorating project. They say the teamwork is more harmonious because there's a social atmosphere. In most cases, one helper is quite necessary (especially covering a ceiling), several even better.

A young woman told me about her neighborhood group of four. Specific jobs were assigned to three of them, measuring, cutting and pasting, application. The fourth did the babysitting in another home! This reciprocal agreement was eagerly anticipated and even considered a holiday.

True, there will be a day or two of disruption when you get involved with a wallcovering project. But when you think of the satisfaction and enjoyment you and your family will receive, surely it's worth the few days of concentrated effort on your part. Those everyday chores will soon be caught up.

Being "frightened" at the prospect of hanging wallcovering for the first time is certainly understandable. So several days before your planned undertaking sit down and quietly read over your wallcovering manufacturer's instructions. Staffer encloses step-by-step detailed directions with each double roll of its fabric-backed vinyl. Hanging instructions will vary with the vinyl you use... pre-pasted requiring a dip per strip in water, the regular fabric-backed vinyl needing a paste brushed onto it.

Once you've developed the expertise, after a few strips are up, you'll wonder why you waited so long. You can do it! On to the next room!

Outlook

A STRONG NEW VOICE JOINS THE DE-REGULATION CHORUS

By Congressman Philip M. Crane, Chairman American Conservative Union

group such as this ABA commission should forward proposals that conservatives have been long advocating.

That this new support for a less fettered economy should come from an attorney's group is particularly notable and bene-

The momentum toward de-regulation of our economy and restoration of free market competition is growing by leaps and bounds. Seemingly every day, new voices join the de-regulation chorus, and this was made abundantly evident a few weeks back as a blue ribbon commission of the American Bar Association issued an eloquent report calling for a fundamental overhaul of the federal regulatory process.

The 26 member ABA Commission on Law and Economy urged the outright de-regulation of competitive industries such as the airlines and the phasing out of price controls on oil and natural gas.

Moreover in the ABA report entitled, "Federal Regulations: Roads to Reform," the Commission urged increased use of tax incentives, whereby businesses would be given a tax break if and only if they complied with desired environmental and job safety guidelines.

Such a system is vastly preferable to the present coercive system with its rigid regulations and penalties.

The report also asserted that government regulatory rules had mushroomed to the point where agencies can effectively elude control by elected officials. Consequently the ABA group called for new levels of presidential authority over the government bureaucracy.

It is truly encouraging that a

Philip M. Crane

fielial to that profession, for the public has begun to view lawyers as the chief architects of greater government regulation, due to an apparent personal self interest.

A powerful and steady voice has taken the side of reason in the de-regulation debate.

In the coming weeks, Congress will consider measures designed to restore free competition to several important regulated industries. Let us hope that the Congress heeds the common sense call for de-regulation and restoration of the free market, which in the final analysis can only be of benefit to hard-pressed consumers.

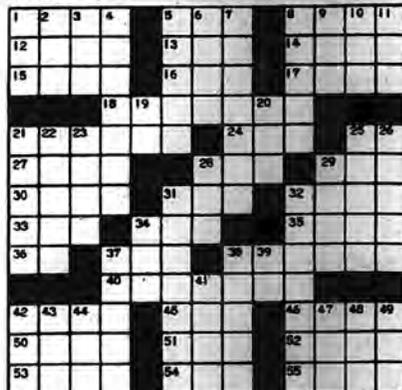

(The American Conservative Union is located at 316 Penn. Ave., S.E., in Washington, D.C. 20003.)

FREDERICK J. HABENICHT
 Frederick J. Habenicht, a former long-time Hicksville resident died on Oct. 16. He was the husband of Ethel, father of Hugh and Fred; brother of Matilda Bosch, Rose Williams, Freda Boudreau, Anna, Herman, Joseph, Carl, Henry and Frank Habenicht. He is also survived by four grandchildren and two great-grandchildren.

Mrs. Habenicht who was 79 years old, was an 18 year member of the Greenville, N.Y. Fire Company. He died suddenly of a heart attack while on a fire truck answering an alarm. Fire Chief Richard Schreiber of the Greenville Fire Co. said, "He was like a 60 year old - blessed with a young heart and mind and always ready to help."

Funeral services were held by the Manetto Lodge F & AM 1025, the BPOE of Hicksville, and the Charles Wagner American Legion Post were held at the Vernon C. Wagner Funeral Home, Old Country Rd., Hicksville. Rev. John Krahn officiated at the religious services. Interment was held in St. John of Jerusalem Cemetery, Wantagh.

EILEEN F. JACKSON
 Eileen F. Jackson of Hicksville, died on October 15th. She was the wife of Ruel James Jackson; mother of Ruel James Jackson Jr., Deborah Kuffner, William, Timothy, Bonnie and Paul Jackson; grandmother of two; sister of Cynthia Vano and the daughter of Edna and William Suchorski.

She reposed at the Thomas F. Dalton Funeral Home, Mass. of the Christian Burial at Holy Family R.C. Church and interment at Holy Rood Cemetery.

GIROLAMA SIMONETTI
 Girolama Simonetti of Plainview, died on October 14th. She was the mother of Lawrence, Emilio and Richard Simonetti and Mildred Czapkowski, Margaret Boucher, Teresa Tallarico and Violet Ferraro. She was also survived by 35 grandchildren and 10 great-grandchildren.

She reposed at the Thomas F. Dalton Funeral Home in Hicksville, Mass. of the Christian Burial at St. Pius X.R.C. Church, interment at St. John's cemetery.

THOMAS R. SIDOTI
 Thomas R. Sidoti of Plainview, died on October 13th. He was the husband of Fay; father of Linda Lavery, Tom Wirthenson and Steven Sidoti, and brother of Elena Moss. He is also survived by four grandchildren.

He was an Ex-chief of the **Special Activities**

Nassau's Senior Citizens who like to get together for a friendly game of cards or other social activity are welcome at the Special Activities Center near parking Field No. 8 in Eisenhower Park on Saturdays from 10 a.m. to 4 p.m.

County residents age 60 and over are urged to come on down and meet a chess partner, get into a billiards game, or enjoy stimulating conversation. The indoor program is conducted by the Senior Citizens Unit of the Nassau County Department of Recreation and Parks.

MARY DWYER
 Mary Dwyer of Hicksville, died on October 14th. She was the wife of the late Michael; mother of John, Edward, Robert, Gerald, Harold Dwyer, Mildred Costello, the late William and Wallace Dwyer and Helen Terlikosy. She is survived also by 31 grandchildren and 23 great grandchildren.

She reposed at the Henry J. Stock Funeral Home, Mass. of the Christian Burial at St. Ignatius R.C. Church and interment at Holy Rood Cemetery.

MARCELLA STOLZ
 Marcella Stolz of Hicksville died on October 15th. She was the daughter of Anna Stolz Bradley and the niece of James and Arloa Neumann.

She reposed at the Henry J. Stock Funeral Home, interment at Holy Rood Cemetery.

President Ford To Campaign For Carmen

Greg Carman, Republican nominee for Congress in the Third Congressional District, has announced that former President Gerald R. Ford will make a campaign stop on Long Island in behalf of Carman's campaign for Congress on Friday, October 20th.

The Carman for Congress campaign will host a reception and luncheon at the Crest Hollow Country club, Woodbury, at which Mr. Ford will be the guest of honor.

President Ford's appearance for Greg Carman is one of a few selected campaign stops planned by the former chief executive to promote Republican candidates, Carman said.

"I'm honored that President Ford has selected my campaign for this great distinction," Carman said.

"Our campaign has been going extremely well, and has been described as one of the leading congressional campaigns in the nation and the state. I believe Mr. Ford's support will put us over the top," Carman stated.

"I believe my campaign is going well for a basic, perhaps unexpected reason. I feel there is a great underlying national malaise about the direction the United States Congress has been pushing our economy. I have become even more intensely aware of this malaise as I have campaigned throughout the Third Congressional District and discussed national issues with thousands of its resident," Carman said.

"People have lost faith in the federal government's ability to help them work for a better life. Men and women who work feel disenfranchised by the inflation spurred by high federal spending, and they are disenfranchised by the higher and higher taxes they pay as they struggle to make a living," Carman stated.

"The trend to every higher federal spending, ever growing government, and an ever-increasing tax burden must be reversed," Carman said.

"This vote of confidence in my campaign by President Ford lends a new source of strength to

our efforts to bring fiscal responsibility back to the federal government," Carman, concluded. Carman, of Farmingdale, is an Oyster Bay Town Councilman and an attorney.

The Third Congressional District includes most of the Town of Huntington and Oyster Bay, the City of Glen Cove, and parts of the Town of Babylon.

Country Fair

The Lutheran Women's Missionary League of Trinity Lutheran Church, Nicholai St., Hicksville, will hold a Country Fair on Sat., Oct. 28 from 9 a.m. to 5 p.m. and on Sunday, Oct. 29, from 10 a.m. to 1 p.m.

SOCCER CLUB
(Continued from Page 2)

goal in the 18th minute of the second half, on a defensive lapse by the Hicksville secondary. After the Massapequa goal the Rangers again began to put on the pressure. They had many shots on goal in the final five minutes and in the last minute of play Berto Cerasi scored assisted by Vincent Antanki to put the final score at Hicksville 6 Massapequa 1.

Friday the Rangers faced Island trees in the semi finals of the K.L.M. and came home with a 6-0 victory. The two teams played a hard fought first half which ended in a 0-0 standoff. John McCoy, Chris Beach, Tommy De Tone and Derek Missimo had many good scoring opportunities, but could not put the ball in the net.

The Rangers got their game together in the second half. Two quick unassisted goals by Derek Missimo gave Hicksville a 2-0 lead. The Rangers dominated the entire second half. Fullbacks Craig Freyzeisen and Vincent Antanki had a strong game protecting the goal. Goalkeeper Sean Smith (6 saves) did not have to make a save in the second half. Halfbacks Berto Cerasi, Peter Thompson, and David Insana controlled midfield giving the Hicksville forwards many scoring chances. Phil Greenspan, who spelled both the forwards and halfbacks had a fine game. The Rangers continued to put on the pressure. Derek Missimo passed the ball to Peter Thompson who split the defense to score Hicksville 3rd goal. John McCoy and Darren Nathan combined to score the next two Hicksville goals. Darren to John for the 4th goal, and John to Darren for the 5th Hicksville score. The final goal was scored in the last minute of the game when Darren Nathan passed to Alex that who put it past the Island Trees Keeper for

a 6-0 Hicksville win.

In the L.I. League game Sunday, Hicksville was challenged by a strong Rockville Centre squad. Hicksville opened the scoring, in the 5th minute of play, on a goal by Chris Beach assisted by Derek Missimo. Although Hicksville was going against a strong wind, they were able to control the play. Halfbacks Phil Greenspan, Berto Cerasi, David Insana, and Peter Thompson were able to control midfield and break-up many Rockville Centre threats. In the 10th minute, center halfback Peter Thompson passed the ball up the left wing to Darren Nathan, who beat the Rockville Centre keeper for a 2-0 Hicksville lead. Rockville Centre closed to within one goal, in the 14th minute when they put a direct kick in the top corner of the net. Hicksville came right back. Derek Missimo, against a strong wind, put the ball past the Rockville Centre goalkeeper, from 25yd out, to put Hicksville up again by two. Rockville Centre scored their second goal 3 minutes later on a nice shot in the top corner of the Hicksville net. The Rangers scored the final goal of the half, when Phil Greenspan passed to Derek Missimo who beat the goalkeeper for a 4-2 Ranger halftime lead.

Hicksville did not take advantage of the strong wind in the second half. The Ranger defense of goalkeeper Sean Smith (8 saves) and fullbacks Vincent Antanki and Craig Freyzeisen kept Rockville Centre in check until the 19th minute when, in a scramble in front of the net, Rockville Centre scored. Hicksville regained control of the game as forwards John McCoy, Tommy De Tone, Chris Beach, Darren Nathan, and Derek Missimo put the pressure on Derek Missimo scored the last two goals of the game, both unassisted, to make the final score 6-3 in favor

of Hicksville.

Cardinals
After a continuous winning streak, the '71 Cardinals experienced a loss of 1-0 to Deer Park.

Joe Perry's "Cardinals" played a "close" game against a strong team.

Our "front line", Eric Bentley, Brian Fimmel and John Schneider were continuously in Deer Park's 18th.

Our defenses were "manned" by an able group. The hard line of John Fabrizio, Robert Himmel and "Speedy" Charles Maione, along with Ryan McCann, Sal Perry and Michael Segal kept Deer Park to one goal Scott Duca and Eric Rabasca were "in there" passing where they could. Four corner kicks and one penalty kick by Willie Sneddon "came very close". Brian Hoesten, "ready as always" made four saves.

This PeeWee team, sponsored by Barsentone, looks ahead to next Sunday's game with Island Trees.

Blue Lightning
This past Saturday was ideal weather for Blue Lightning, sponsored by Northville Industries, as they won easily over Rocky Point with a final score of 7-0.

The boys played very well despite a two week lay-off between games. The scores were evenly spread, as our defensive players got their chance to play offense, and vice versa.

Scott Fraser, Frank Kolovich, Mark Habersaat, Mario Cabrera, and Joe Baggett who have been playing great defense all season, demonstrated fine offensive skills as they took command of the front line. Scoring were Frank Kolovich (1) and Joe Baggett (1). Scott Fraser made some beautiful moves as he attacked consistently, setting up three goals.
