Board Approves

By Linda Strongin

Three separate programs provided through State and Federal funds were approved by the Hicksville Board of Education at its meeting last week.

The one-hour meeting held in the conference room started fifteen minutes late and was again heavily attended (approximately 110 people) by representatives of all district employee groups. At one point during the meeting, Mrs. Zaida Sedlacek, Vice President Junior High PTSA, allowed in this room. She suggested that for safety reasons the meeting be moved. Mr. Nagle, however, felt that the Board could "finish its business in less than a half-hour."

Absent from the meeting was Trustee Pete Fujimoto who was out of town for personal reasons.

The Board approved a program for special education which will provide evening counseling for parents of special education students; a physical education person; an art therapist and music therapist, all to work with adaptive programs in special education. The program will be funded by "pass-through" funds under Public Law 94-142 Title VI-B, which provides \$125 for each child with a handicapping condition.

According to Mr. Marty Lapidus, Coordinator of Special Education, "the method of counting students was changed" by the State Education Department after the district's census was filed. Under the new method, Hicksville is entitled to an additional \$64,250, bringing the total amount to \$105,750. The original amount of \$41,500 is used for teacher aides in the special education area. Mr. Lapidus further explained that these funds are committed to BOCES

who provide the personnel for these services.

The Board approved participation in the Nassau County Employment and Training program which will provide "gainful employment" for 23 Hicksville youth and provide them with professional guidance counseling. Assistant Superintendent Dr. Manus Clancy, who recommended participation in the program, explained that the program, at a cost of \$3,861, is entirely funded by the YETP (Youth Employment Training Program) and includes the guidance counselor's salary, supplies and telephone expense. Dr. Clancy further explained that the students are chosen "from families with low income under Federal guidelines and will be paid \$2.65 an hour, work two hours per day, five days per week." After January 1, the rate is \$2.90 per hour. In answer to Vice President Dan Areen's inquiry, Dr. Clancy informed the Board that "the guidance counselor would be working out of his (her) own office, after school, evening and in the home."

The Board also approved a program of career awareness for grades 4, 5, and 6 at Burns Avenue School. The project is designed to develop a "prototype career development center," providing a central location for various materials. Dr. Clancy stated that the entire cost of the program, \$1,800, is entirely funded under Title IV-C.

During the public speaking session, a petition signed by 429 staff members in support of HCT (Hicksville Congress of Teachers) President Bob Zaleski and the negotiating team was presented to Superintendent Dr. Wilber Hawkins.

The Board was also presented a petition signed by 326 parents asking the Board to reinstate the

foreign language program at the third grade level.

Mr. Nagle gave a chronological up-date on the negotiating sessions among the various employee groups. Another meeting was scheduled for October 19 with the HCT negotiating committee. Mr. Nagle stated that "a package" had been presented to the HCT negotiating committee. However, Bob Zaleski, HCT President, stated that "this is news to us. Demands were made by both sides but there was no package as such."

Mr. Nagle then stated that "a money package was put on the table. He added that he did "not expect immediate action" since the committee needed to go back for recommendations.

Both presidents did agree, however, that "the negotiating process was taking place."

In other business, the Board approved a request from Holy Family CYO and St. Ignatius CYO for use of the Lee Ave. and Junior H.S. for their basketball programs and a request from the Hicksville Hellenic Association for use of two classrooms, two nights per week for Greek language classes. Trustee Iris Wolfson, in pointing out that "of 22 students enrolled in the classes last year, only one was a Hicksville resident" amended the request to add that the Association should look for another meeting place next semester. All requests were granted with a waiver of fees.

The Board awarded bids totaling \$19,835.37 for electrical and plumbing supplies (\$18,035.37) and transportation - out of district (\$1,800).

The next Board of Education meeting is scheduled for November 8, 8:15 p.m. in the conference room of the Administration Building.

Halloween Costume Party

You too can visit the GREAT PUMPKIN. Everyone is invited to the Pumpkin Patch on Halloween Evening from 6 P.M. to 9 P.M. at the Hicksville Children's Library Community Room, 169 Jerusalem Avenue for an old fashioned Halloween Costume Party. The party is sponsored by Help-Aid-Direction, a community service and counseling center in Hicksville.

Have your children come in

costume, and expecting a good time. There will be Halloween treats, dunking for apples (remember that?), a costume contest, puppet show, games, clowns and a visit by the Great Pumpkin. Halloween has not been this much fun in years.

In recent years, Halloween has become "scary" in more ways than goblins and witches. HAD's Halloween Party will allow the children to have an enjoyable

evening, and celebrate Halloween in safety. The party is fully supervised by HAD's staff and volunteers. Parents are encouraged to stay to enjoy themselves. Coffee and donuts will be served.

Join in the Halloween Evening from 6 P.M. to 9 P.M. at the Hicksville Children's Library. The Great Pumpkin is waiting.

For further information call 935-6858.

HAD Second Annual Dinner Dance

Help-Aid-Direction's Second Annual Dinner Dance was a huge success thanks to the solid support of many Hicksville business and civic groups. The music was excellent, the company warm, and spirits high as HAD gathered on October 14 at the Hicksville Knights of Columbus Hall to honor nine years of service to the community. Special attention was paid to those organizations and individuals that have helped.

Help-Aid-Direction offers a variety of services to the community. Among them are individual, group and family counseling; community recreation and education. Since it is a community based agency, HAD relies heavily on community support and participation to continue its work. To this end, the Hicksville Lions Club and the Hicksville Congress of Teachers have been more than generous in their

CARING FOR COMMUTERS: Perry B. Duryea (right), Republican candidate for governor and State Senator Ralph J. Marino (left), recently met with commuters at the

Hicksville Long Island Railroad station. Duryea is seeking federal dollars to improve what he calls "archaic repair shops and maintenance facilities of the LIRR."

Legislative Breakfast

The Nassau County Legislative Committee held its Annual Breakfast on Sunday, October 15, at the Massapequa Post.

Cathedral Post American Legion Auxiliary Legislative Chairman Marianne Orlando stated that this is the only program which the Auxiliary takes directly from the Legion.

A 10-point legislative program outlined the aims and objectives of the American Legion for the following year. It included: bonuses for Korean and Viet Nam veterans, civil service preference for veterans, preservation of veterans' real property tax exemption on a percentage basis, if assessment changes; imposition of death penalty consistent with guidelines set down by U.S. Supreme Court, etc.

After Chairman Charles Graham set forth the Legion's objectives, the various legislators were introduced, spoke and answered questions on legislation passed and pending.

This year's summer reading game at the Hicksville Public Library featured an Egyptian theme. All those who read eight received a certificate. Susan Conti poses with her reading certificate before the "Tomb of King Tut."

Grumman Scholarship Applications Available

Bethpage, New York, October 10, 1978...Grumman Corporation will award 12 Scholarships to selected students planning careers in science and engineering.

Each scholarship will cover tuition up to a \$3,000 limit annually and is renewable each year until graduation.

County high school seniors in the upper 20% of their class are eligible. Qualified students should get applications from their guidance counselors before November 1, 1978.

The Grumman Science and Engineering Scholarship Program has awarded 366 scholarship grants since 1944.

NCEC Conference

"Close Encounters of the First Kind" will be the topic of discussion at the 23rd annual conference of the Nassau Early Childhood Education Council on Saturday, October 28, at 9 am at the Jericho High School, 107 Cedar Swamp Road.

"Recognizing that a true partnership between parents and professionals is crucial for the optimum functioning of early childhood programs, the conference committee has made a special effort this year to include workshops which would attract parents of young children as well as teachers and college students," said a group spokesperson.

Among the more than two dozen workshops, those of particular interest to parents include the following: Sex education for young children, Problems of the single parent family; Hazardous Encounters with contemporary

foods; Helping children cope with their feelings; Reading skills and how they develop; Encounter or Confrontation-parents and schools; Creating a learning environment at home; Non-sexist child rearing-Right from the Start; and Piaget's Model of development-its implications for parenting.

Delivering the keynote address will be Pat Turrini, CSW, Consultant to the Mother's Center in Hicksville, and faculty member at the Institute for the Study of Psychotherapy and the Adelphi School of Social Work.

Registration information may be obtained by contacting Angela LoCurto at 334-4423 (daytime) or PL 2-5093 (evenings). Registration will also be accepted between 8am and 9am on the day of the conference, but early pre-registration is advisable as workshops will be limited to between 15 and 20 participants.

Latin American Parents Meeting

The Latin America Parents Association is holding its semi-annual open meeting about Latin American adoption on Friday, November 3, at the Parkway Community Church, Stewart Avenue, Hicksville, New York at 8:00 P.M.

Anyone interested in Latin American adoption is invited to attend.

Program features sources and information about Central and South American adoption and an opportunity to ask questions.

DON'T FORGET TO VOTE NOV. 7th

"It's from Julia. Approved by Underwriters Laboratories."

Some of you may remember reading of James Thurber's grandmother who used to worry about the electricity leaking out all over the house from empty light sockets. Actually, the amazing thing about electricity is how darn safe it is, considering its awesome power and universal use. It comes from the power company, flows through one wire and back along the other wire back to your home electrical "ground," making a complete circuit.

But problems can occur if the insulation on your appliance wires is faulty, in which case the electricity really does leak out and tries to find an easier path to a nearby ground: you.

Electricity is much trickier to handle outside the house, and we've got a special booklet on the subject of outdoor electrical safety. Just write LILCO, Community Relations, 250 Old Country Road, Mineola, New York 11501, and we'll send it to you. In the meantime, please don't fly a kite with metal wire or with wet string, and don't watch television or use any plug-in appliances while in the bathtub. We need all the loyal customers we can get.

Speaking of dangerous situations, one of our customers, Mrs. M.H. of Mineola, got some emergency help from LILCO's Richard Gardner when her car broke down. "Mr. Gardner literally came to my rescue. He pushed my station wagon off the busy main street... he then checked my car, adjusted it so that I could at least get as far as home." This is not the first complimentary letter we have had about Mr. Gardner.

Long Island people serving the people of Long Island.

Dear Friends

Although we really did have a wonderful vacation in the Seattle area of the Pacific Northwest section of our country, it is good to be home again on beautiful Long Island. Especially now that the trees are turning to the familiar fall colors, October's "bright blue weather" is with us most of the time, and, last but not least, all our elected officials are running hard during this, the last two-weeks before election day!

This reminds me to remind you to mark Nov. 7th on your calendar. We hope that you all agree with our selections which will be in this column next week, but whether or not you agree with us and the reasons we have for our election day selections, DON'T FORGET TO VOTE.

We happen to believe that the next few years will be an exciting, crucial period of our history. It's outcome will depend more on you and me than it has in the past. But in our opinion, that is good, for, as we have said before many times: "In a true democracy, the buck NEVER passes from the individual."

HALLOWEEN can be a pleasant, fun time for our young children, as they go Trick or Treating (hopefully with a parent or older person in the background), and a fun time even for our older young people, but Nassau County Police Commissioner Samuel Rossi tells us that he is increasing patrols for this holiday. "We want to discourage reckless acts of vandalism at this time," he said, "while most youngsters try to enjoy the holiday without getting into trouble, there are always a handful who don't." Here's some advice that may be helpful:

For trick or treaters:

- Don't trick-or-treat alone.
- Don't go inside a stranger's home.
- Wear light colored clothing after sundown.
- Don't wear masks that block vision.
- Walk on sidewalks or paths, not on streets.
- Don't eat candies or other treats until your parents check them.

For teenagers:

Halloween is a time for fun and not an excuse for vandalism; damaging or defacing someone's property is Criminal Mischief - a misdemeanor.

Ringling Bros. and Barnum & Bailey Circus is offering specially priced discount tickets for school groups at the Wednesday, November 29, and Thursday, November 30, 10:30 AM performances at the Nassau Coliseum.

All seats are reserved at \$4.00, \$3.00 and \$2.00, and a pair of complimentary chaperone tickets will be given with each order of 30 tickets.

Tickets for classroom groups may be ordered by writing School Show, Ringling Bros. and Barnum & Bailey Circus, Nassau Coliseum, Uniondale, NY, 11553. For information, call Group Sales, 516-794-9300.

THAT'S ALL for this week. Stay well, "enjoy but don't destroy" on Hallowe'en, and, remember to turn your clocks back one hour when you retire this Saturday evening, or you'll be going to church at the wrong time.

Ethnic Groups Back Lent

Declaring that the decision was so overwhelmingly in his favor that it was "No Contest", the Nassau County Chapter of the American Irish Congress voted to endorse and work actively for Congressman Norman F. Lent as he seeks his fifth term in the U.S. House of Representatives.

John Sugrue, Chairman of the Nassau Chapter of the Irish organization told Lent, "Your sympathetic responses to the concerns of your Irish-American constituents in the past has earned you our high esteem. Your humanitarian character must stand out as a model for other elected officials to emulate."

Other ethnic organizations are also lining up behind Lent's bid for reelection. He's one of only two Representatives backed by the American Irish Congress, Fire Department, City of New York, representing New York's German-American firefighters. Lent has also earned support from the Spanish Americans for Better Political Representation Inc., and from the Croatian National Congress. Lent has also been honored recently by the Sons of Italy in Hicksville, for his record on veterans affairs and by St. Demetrios Greek Orthodox Church in Freeport, for his stand on human rights in Cyprus.

At The Town Board

By Gerry Kahn

The Town Board meeting held on Tues., Oct. 24, concluded at 1:10.

The Hearing on the Preliminary Budget dominated the morning and was the only hearing of the day.

Mike Polansky spoke relative to the budget and suggested possible tax savings by reducing the Zoning Board of Appeals to 5 rather than 7 men. He advocated a reduction in the allowance for outside counseling by the Town Attorneys office.

Judy Jacobs addressed the budget question by questioning the fees paid photographers and the informational town bulletin.

In addition, questions were asked pertaining to the civil engineer whose position was mandatory in order to be covered by Workmens Compensation.

Supervisor Colby spoke at great length and stated that the

general town tax will be held for the third straight year. The 82 1/2 cents per hundred will remain constant.

It is the special district taxes that will go up 50 cents per hundred depending upon what area in TOB you reside. However those services would go up regardless of whether there was a town government or not.

Only through tightening up of spending by reducing manpower, eliminating jobs and thorough review of classifications and promotions has the town government been able to hold the line despite the increase in costs of over 12%.

The tremendous departure from tradition in eliminating personnel and so-called open item budgets was a crucial but necessary step towards less spending, more efficiency and better government.

Supervisor Colby spoke at

The budget hearing had an evening meeting at which Assemblyman Yevoli appeared. Item No. 4 was a resolution directing the Town Clerk to advertise notice of hearing on petition of Gilbert Tilles for a special use permit to construct a 1-story office building at Woodbury, N.Y. e s Froelich Farm Blvd., n o Sunnyside Blvd. Hearing date 12 5 78.

Item No. 5 directed the Town Clerk to advertise notice of hearing on petition of John Merenda for a change of zone from Res. E to Bus F at Hicksville n w c Old Country Rd. and Underhill Ave. Hearing date 12 5 78.

Item No. 10 authorized Supervisor Colby to execute a license agreement with Nassau County for land to be used for soccer field purposes at Plainview.

Purcell To Carey: "Pay Up"

County Executive Francis T. Purcell recently accused Gov. Carey of "dragging his feet" on the payment of more than \$1.3 million due Nassau taxpayers.

Purcell was referring to a county claim filed with the State Health Department in August, 1977, for 50 per cent reimbursement on the cost of fringe benefits for Nassau Health Department employees in the years 1975 and 1976.

"The governor and his health commissioner have been sitting on the claim for 14 months, even though a State Court of Appeals decision this past May reaf-

firmed our position," the county executive stated. "We would like the money now so we can pass it along to county taxpayers in our own 1979 budget."

The Court of Appeals decision (Eric County v. Robert P. Whalen, State Commissioner of Health) was that the commissioner was without authority to deny reimbursement to the county for employee fringe benefits such as health insurance and retirement. The state reimburse county health departments for 50 per cent of their costs and Eric County had

sought the same reimbursement for fringe benefits going back to 1975.

Purcell said the Nassau Health Department will be filing a fringe benefit reimbursement claim for 1977 within two weeks.

"This is an issue where a county government has forced a mandate on the state," Purcell said. "We have to live with costly mandates from the Carey administration all the time without the luxury of waiting 14 months to comply. It's interesting to see the foot-dragging by the governor now that the shoe is on the other foot."

Letters To The Editor

To The Editor:

I am incensed over the recent vastly improved maintenance work on state highways. Over the past several months, as beautification chairman of the Chamber, I had pressed representatives of the state from Austin Emery, Regional Director of the N.Y.S. Department of Transportation to supervisors in the field to improve the conditions of state highways 106 and 107: to mow the grass in the medians, to destroy the grass in the joints, and to clean up the litter. The answer was always the same: "We can't. We don't have the manpower. The equipment is broken down. We can't do any more."

And so, the residents of Hicksville had had to put up with the shame of Broadway, filth and weeds. They are aware that passing motorists thought the conditions they saw were typical of our pleasant community.

Then, a few weeks before election all the state highways on Long Island are dressed up, including Routes 106 and 107. Beautiful.

But this sudden burst of activity is only an election gimmick by Gov. Carey. The clean-up was accomplished by hiring the existing manpower overtime. The maintenance department is still grossly undermanned, the equipment is still broken down. After the election the state highways will be allowed to return to their former squalor.

This type of political chicanery is an insult to the intelligence of the voters.

Dr. Walter Dunbar
President
Hicksville
Chamber of Commerce

Letter to the Editor:

This year the hearing and speech impaired citizens and the community of Long Island, once again, owe a debt of profound and sincere gratitude to Assemblyman Angelo Orazio and Senator Norman J. Levy for providing the leadership in the Assembly in obtaining a \$75,000 appropriation in the recently passed state supplemental budget for the Long Island Hearing and Speech Center. Our

facility is located in the Long Island Jewish-Hillside Medical Center complex and is the largest center of its kind in Long Island. It serves over 3,000 patients a year providing all age brackets from infant to geriatric with auditory training, speech therapy, hearing aid evaluations and other related services.

On October 15th on the "Prime of your Life" program shown at 10:30 A.M. on NBC, some of the many ways our Center provides services were shown and explained by the Director, of the Center, Dr. Steve Rosenbaum.

With demands for our services ever growing, 15% over last year, the critical needs we had for state funding assistance was understood by most of all our Long Island legislators. However, without the strong role Assemblyman Orazio and Senator Norman Levy assumed it's quite possible our request for aid would not have been granted.

As President of the Board of Directors of the Long Island Hearing & Speech Center, "Thank you", Angelo and Norman.

Congratulations to Eadie Silverberg, formerly of HICKSVILLE, now of Neosconset, on her birthday, Oct. 15.

I da Mae Herfuth and her friend, Margaret Welling, took a foliage trip to Hillsdale, NY, recently. They enjoyed the scenery, had a delightful lunch enroute, and covered 400 miles round trip on the same day. (And I da is one of HICKSVILLE's octogenarians) I da said they had good driving weather, but we think the trip was indicative of her

endurance, perseverance, and sparkling outlook on life. Love ya, I da.

Get well wishes to Helen Henderson who is in Nassau Hospital. Helen extends her thanks to all her friends that called and sent her get well cards. Helen and her husband, Cliff, are long-time residents of Hicksville. Speedy recovery, Helen.

Rich Kremler reached his majority - so his dad, Frank, told

us. Rich was 20 years old on October 2. The Kremler family of HICKSVILLE held a family party for Rich. Happy birthday. Rich, and best wishes for many more.

The Zakrewskies of Mayfair Lane, HICKSVILLE, had lots of celebrating in October. Their daughter, Linda Calhoun, had a birthday on October 4; daughter, Mary, was 12 years old on October 7; daughter, Joyce, celebrated her birthday on

Duryea Endorsed By AIC Named Officer Colby and Candidates To Speak

By Jim Cummings

Mineola Perry Duryea, Republican-Conservative candidate for Governor of the State of New York, received the endorsement of the Nassau and Suffolk Chapters of the American Irish Congress at a meeting held at the Irish American Center, 297 Willis Avenue, Mineola, New York on Tuesday evening, October 24th. The membership voting by ballot on Long Island, in New York City, Westchester and Rockland Counties gave Duryea about 68 per cent of the vote across these nine (9) counties. Results of the New York and upstate counties were phoned into John Sigure, Nassau Chairman and Henry O'Brien of Suffolk County at the Irish Center as ballots were counted late in the evening.

Buoyed by the expression of concern of the American-Irish communities across our State, Mr. Duryea was delighted to hear of these endorsements, from such a large representative group, according to John Sigure, Nassau Chairman. Additional endorsements came from the Grand Council of United Emerald Societies which represents 30

member organizations with a combined membership of 45,000 in New York City, according to J. Barney Ferguson, the Council's president.

Other results announced by the Nassau and Suffolk Chairmen were: Gregory Carman, unanimous endorsement by the Bi'County Chapters with candidates in the 4th Senatorial District acceptable to both areas and additional endorsement results giving Howard Blankeman (Republican) the nod in the 16th Assembly District. No preference in the 15th Assembly District according to the Executive Committee. Support of the Ad Hoc Congressional Committee on Irish Affairs chaired by Rep. Mario Biaggi (D-NY) on Human Rights in Northern Ireland was a basic requirement Carey declined to endorse the Biaggi hearings. A Carey spokesman said concerning the ad hoc Committee that "Carey knows what is a valuable hearing and what is not."

Frances Jacobs has been named a banking officer of National Bank of North America, Chairman John Vogel has announced.

Jacobs joined the bank in 1969 and held several positions of increasing responsibility. In 1976 she was named an administrative assistant in the bank's Hicksville office. Her office remains at the bank's Plainview office, 565 South Oyster Bay Road.

A native New Yorker, Jacobs lives in HICKSVILLE with her husband, Albert, and their two children.

Holiday Boutique

The Hicksville Auxiliary of United Cerebral Palsy will be holding a Holiday Boutique on November 4, at Mid Island Plaza (near Korvette's) from 10:00 A.M. until 5:00 P.M. The majority of the items offered for sale are hand made by the members of the Auxiliary and their friends.

There are Colonial Dolls, hobby horses, slippers, aprons, hats and scarves, plant holders, ceramic pieces, etc. All proceeds from this sale will go to the Cerebral Palsy Center in Roosevelt.

Come and do your holiday shopping early for useful and unusual gifts.

United Methodist Women

The United Methodist Women will hold its regular monthly meeting on Wednesday, November 1, at 8 P.M., at the United Methodist Church, Old Country Road, Hicksville.

The guest speaker for the evening is Derek De Cambra. Mr. De Cambra is a concert singer and has sung with Hines Opera Production of the Life of Christ. He was raised in South America. His program, entitled "Women's Role from a Biblical Perspective" and "Biblical History in Glass Mosaics", will be an interesting and exciting one.

All are invited - come and bring a friend. Refreshments will be served.

Election '78 Rally

Nassau County Republicans, who have a reputation for campaign enthusiasm and organizational ability, plan to pull out all the stops this year at their Election '78 Rally on November 1st at the Nassau Coliseum in Uniondale.

"If you've never seen a real, old-fashioned political rally with all the excitement and trimmings, this is your chance," said GOP County Chairman Joseph M. Margiotta. "We're going all-out for this one, and that means motorcades, horns and marching bands, colored balloons, fancy decorations and, of course, our candidates and the people. Get there early, because it's going to be a night to remember."

Among the candidates scheduled to address the rally are the Republican choices for Governor, Perry B. Duryea of Montauk, and his runningmates on the statewide ticket - Bruce Caputo for Lt. Governor, Edward V. Regan, candidate for State Controller, and Michael Roth, candidate for Attorney General. All local Republican candidates for Congress, the State Legislature and the judiciary will be there, too, Margiotta declared.

The Republican leader said "everyone's invited" to the rally, regardless of political affiliation, and he expressed confidence that the 15,000-seat arena would be filled when the evening's events got underway around 7 p.m.

Motorcades carrying the candidates and their supporters from all parts of the county will head for the Coliseum around 6 p.m. However, the big decorating job for the rally, which is performed annually by Republican volunteers, will start hours earlier at 8 a.m., according to Sandy Berkowitz of B & C Advertising, Inc.

Among the marching bands scheduled are the award-winning Long Island Surrisers from Hempstead, the St. Ignatius Girls Cadet Corps. from Hicksville, and the Mummies, whose colorful costumes with large feather headdresses usually awe the crowds at parades and other special events. Additional music will be provided by Greg Raffa's Orchestra.

More than 100 local Republican clubs will be sending contingents to the rally, but Margiotta said several thousand seats have been set aside for the general public.

Mr. Thomas Nagle, et. al.
Board of Education
Hicksville Public Schools
Division Avenue
Hicksville, N.Y. 11802

Dear Mr. Nagle, et. al.:

At Wednesday's Board of Education meeting several inaccuracies were reported to the public concerning the status of contract talks in the District between the HCT and the School Board. I'd like to take this opportunity to clear up these inaccuracies.

FIRST, no package was placed on the table by the Board. A "package" is by definition, a complete unit - an offer made by one side to the other. To date, we have exchanged and discussed demands, not packages. In fact, the Board negotiator has said that until an entire package is agreed to, none of the individual items settled upon are final.

SECOND, remarks were made indicating that the Board was interested in and concerned with education, intimating that the HCT was not. If the HCT was not interested in education, we could have settled our contract difficulties a long time ago. I am proud to publicly reaffirm the principles that the HCT was founded on:

- To promote the welfare of the children of Hicksville by providing progressively better educational opportunities for all.
- To raise the standards of the teaching profession by securing the conditions essential to the best professional service.
- To actively cooperate with other teachers' groups on regional, state and national levels in working for the common good in education.

We were FOUNDED on these principles, we BELIEVE in these principles, and we NEGOTIATE from these principles!

THIRD, the statement was made by the Board President that the HCT Open House demonstrations and newspaper articles were interfering with the negotiations process. Needless to say, the HCT believes that the demonstrations BROUGHT ABOUT THE RESUMPTION OF TALKS.

However, as the Board President has expressed the opinion that the demonstrations are hampering our contract talks, THE HCT IS, AS A GESTURE OF GOOD FAITH, SUSPENDING THE DEMONSTRATIONS PLANNED FOR THE PTA OPEN HOUSES AT DUTCH LANE (OCT 24), FORK LANE (OCT. 25), WILLET AVENUE (NOV. 6).

Therefore, in light of Mr. Nagle's statement concerning the demonstrations and our affirmative response, the HCT fully expects to see a new atmosphere of "MEANINGFULNESS" in our upcoming talks.

Let us hope that the upcoming contract talks will make future demonstrations unnecessary.

Sincerely,
Bob Zahradil
President

Parola Wants Tax Amendment

Fred Parola, the Republican-Conservative candidate for State Assembly in the 12th District, has called for a state constitutional amendment which would limit the growth of state expenditures. Parola said that the amendment, a Tax Expenditure

Limitation (TEL) on combined state and local spending, would place a ceiling on tax financed expenditures in the form of a state constitutional amendment requiring that the rate of expenditures not exceed the average growth rate of New

Yorker's personal income. "We need a positive program to limit expenditures in order that we may limit taxes," Parola said. "We cannot do one without the other, and this constitutional amendment will place a limit on the amount government may

spend." "Government cannot give anything it hasn't first taken," Parola noted. "A constitutional amendment on the amount government can spend will force the re-examination of programs and the elimination of waste." "I have more trust in the average citizen's ability to spend his own money than I have in the

government's ability to spend the citizen's money," Parola declared. "And I think we could use more of that trust when it comes to our tax policies."

Named Scout District Chairman

Anthony J. Bellacera, Vice President, Secretary of Beacon Federal Savings, a former Nassau County Council, Boy Scouts of America Scouter, has been named District Chairman of the newly formed Boy Scout District created by merging Telewana District with Skodak District. The appointment was announced this week by Nassau County Council President Harold D. Shapiro. The name of the new district, to be announced shortly, will be selected from a list of names submitted by all Boy Scout Troops and Cub Packs within the district.

Bellacera was born in the Ridgewood section of Brooklyn and was graduated from Alexander Hamilton High School and from Nassau Community College with an A.S. degree in Business Administration. He also attended evening classes at the American Institute of Banking while employed at a local savings bank. He is an accomplished musician on drums and, during his high school and college years, conducted his own group, The Bellaires. Bellacera joined Beacon Federal Savings as teller in 1953 and was periodically promoted to his present position.

A U.S. Army veteran, Bellacera returned to his first love, music, when he was assigned to Special Services during World War II. He helped entertain troops under Supreme Commander Eisenhower in the

European Theatre. During a tour of England he met and fell in love with Doris Webster, a member of the English Women's Auxiliary Air Force. They subsequently married and have three sons, Anthony, Jr., Peter and Paul.

The Bellaceras are a scout oriented family and have given much of their time to Boy Scout programs over the past 19 years. Mr. Bellacera was a Nassau County Council Scouter in Hicksville, where he lives; his wife was for many years a Den Mother of Cub Pack No. 491. Anthony, Jr., now 30 and the father of a six month old daughter, Devin Marie, residents in California where he is Supervisor, City of Sacramento Data Processing Division; Peter,

26, holds a M.S. degree in Marine Biology from Southern Massachusetts University and is a Research Assistant in the Marine Biology Department of Stony Brook University. Both began scouting in Cub Pack No. 293 and went on to Troop No. 93. Paul, 20, an Inspector with Magnasonic Devices in Hicksville, an electronic firm, was with Cub Pack No. 491 and later with Troop No. 91.

The appointment of Bellacera as District Chairman ascribes to the general rule that a busy executive given an additional task does it well. He is an active member of several civic, service and professional organizations including Rotary Club of Baldwin, Charles Wagner Post No. 421, American Legion, Treasurer of the Legion Hall, Inc., Secretary-treasurer of Long Island Group of Savings & Loan Associations and a Past President of the Baldwin

Chamber of Commerce. He is also a Charter Member of Long Island Musicians Society (LIMS.)

By Mr. Carson

This past Sunday's victory gave coach Tony Schiralli's Hicksville "Grenadiers" a 2 win and 3 loss season mark. They scored a 3 to 1 win over the Dix Hills "Mustangs" at the Hicksville High School field.

Left winger Dave Nisenon tallied first for the "soldiers" midway through the first half on passes from Anthony Schiralli and Gabe Perry. The "Mustangs" attack was corralled for most of the half by half backs

Mike Conway, Craig Carson and James Panchookian. This half back trio was bolstered by the tough full back tandem of Brian Magee, Tim D'Antonio, Chris Kanuck and Billy Stein.

The Dix Hills club scored with a minute to go in the first half on a shot over the head of goal tender Tim Richards.

In the second stanza the "Grenadiers" took complete charge. Their second goal was also notched by Dave Nisenon on a pretty feed by center half back

Craig Carson. The third score came on a booming shot from 30 yards out by Bill Stein, again off a nifty pass by Carson. The "Mustangs" were unable to contain the fiery play of center forward Richard McCathy. His spirited drive in the visitors end destroyed their tries to create a rush on Hicksville's second half goalie, Jean Claude Balek.

This coming Sunday, the "Grenadiers" travel west to take on an experienced Valley Stream squad.

Boys Under 11

The Hicksville Thunderbirds coached by Joe Neto won their first game of the season defeating Plainview by a score of 2-1. This was the best game the team has played all season, not because they won the game, but because the team showed a lot of hustle, determination and team play. The game moved rather fast up and down the field with both teams having equal play. Plainview is not a pushover team and they played just as hard as Hicksville. Hicksville scored first on a well placed penalty kick by Brian Mc Kenna. The penalty kick was awarded to Hicksville when the Plainview fullback grabbed the ball that was going into the goal. Plainview came back a few minutes later and tied the game on a hard shot from the right side. Goalkeeper Richard Markey made a good attempt to stop the ball from going through, but the ball deflected off his hands' and into the net.

In the second half Hicksville scored the decisive goal on a pass from David Kanuck to Michael Pryves. Plainview kept pressing but could not penetrate the defense of fullbacks Michael Ayres, Darren Di Florio and Paul Thompson. Halfbacks Richard Fraser, Thomas Kenny and Brian Mc Kenna's aggressiveness and hustle controlled the midfield play as they broke up their opponents passes and fed the forward line of Chris Dolan, Andrew Horne, David Kanuck and Michael Pryves. The team had to play this game without the services of Martin Jaycard and Joey Neto. Next weekend the team has two games and hopefully all the boys will be healthy enough to play.

The Pee Wees

This past Sunday, Joe Perry's Pee Wee "travelers" were to Island Trees, to play a team that had beaten on four separate occasions. The Island Trees team proved to be a stronger opponent in this encounter. They won by a score of 2-0.

The 71 "Cardinals", sponsored by Barsentone, were "at the goal" many times but were never able to score.

Eric Bentley, whose Mom gave birth to a baby girl on Saturday night. —Congratulations— and his teammates, Scott Duca, Brian Finnell, Charles Malone and Eric Rabasca tried unsuccessfully to "change the tide."

Our defense line included, John Fabrizio, Robert Himmel, Ryan Mc Cann, Sal Perry, also John Schneider, Michael Segal and William Sneddon. Brian Finnell and William Sneddon's teammates attempted to score on their corner kicks but were held back. Brian Hoesten "Our Goalie", was "on guard" as usual.

Blue Lightning - Boys U-12

This past Saturday the Blue Lightning team, sponsored by Northville Industries, exhibited the kind of soccer skills that made the game a pleasure to watch. Their playing was superb, as they took on and defeated a strong Levittown team 4-0.

Team play with continuous passing was the order of the day, and it served them well. The first goal was started by right wing Richard Karlewicz on a beautiful cross to left wing Tom Sumner who headed the ball to Bobby Cunningham, who shot it past the goalie. The second score was started as Bobby Cunningham made a perfect lead pass to Keith Campo, who broke free until he was one on one with the goalie. The goalie never saw the ball as

Keith fired a bullet into the corner of the net. The score at halftime was 2-0. After a brief rest and some refreshments, the boys were ready to continue their attack. Early in the second half, Bobby Cunningham scored his second goal of the day with a beautiful header into the corner, on a play started by Ian Zaretsky to Nick LaVacca who passed it up to Bobby for the score. The fourth goal resulted from a penalty kick taken by Richard Karlewicz. The Levittown goalie never had a chance as Richard drilled a perfect shot right into the corner of the net.

Not to be overlooked was the constant pressure and assistance from the other front liners John Moehringer, Terence Reed and Tom Sumner. Half-backs Richard Duffley, Bobby Kissell, Ian Zaretsky and Keith Campo deserve much credit for exceptional plays, as they con-

sistently fed the ball to the front line. Fullbacks Joe Baggett, Scott Fraser, Mark Habersaat and Frank Kolovich exhibited tremendous speed and aggressiveness as they broke up plays and cut down the Levittown attackers. Goalie Sam Masiello was right on top of the action, as he came out repeatedly to cut down the angle of the attack, and block out any possible score.

This game was the fourth shut-out of the season for these fine young players, whose record now stands at 4-1-1.

Hicksville Rowdies

Hicksville's Rowdies encountered a strong East Meadow team this past Sunday, losing 5-1. The Rowdies started slow, their opponents jumping out to a four nothing lead by halftime. The second half was a different story. The two teams played even, each

BPOE Soccer Team In Virginia

On Friday October 6th the under 19 girls, sponsored by the Hicksville Elks Club, piled aboard their coaches van and traveled to Virginia for the 4th annual Washington Area Girls Soccer Tournament. Upon their arrival they were whisked away to the homes of their host team Vienna, Virginia. Our girls had hosted the Vienna team during our tournament in July so it was like old home week for most of the girls.

Early Saturday morning Hicksville took the field against the Vienna team and during the first half it appeared both teams had stayed up most of the night. With Vienna leading by 1-0 in the closing minutes of the game, Hicksville scored on a breakaway to salvage a tie.

Saturday afternoon Hicksville faced perhaps it's greatest

challenge. Their opponent was Rotterdam, Holland the Netherlands Champions. Rotterdam's average age was 24, but this didn't phase our girls. Hicksville played extremely close and missed numerous scoring chances early in the game. Although Hicksville lost 4-1, the score was not indicative of the overall play. The girls received a great deal of praise from spectators on the sidelines.

The girls final opponent on Sunday morning was Richmond Hill, Canada. In perhaps one of the finest displays of ball control and passing by any girls team, Hicksville completely dominated the game and went away with a 5-1 victory. Richmond Hill's lone goal came on a penalty kick which resulted from someone getting caught in Gumby's legs.

The girls hosts took them on a picnic Sunday afternoon to the

Shenandoah Valley and the girls had a wonderful time. The team arrived home Monday evening safe and sound with the only injury being their coaches eardrums. It was a weekend the girls will long remember not only for the knowledge gained in soccer, but for the wonderful friends they left behind.

Galileo Lodge

News

By Joe Lorenzo

The Pasta Night held by the Ladies Auxiliary last Friday night, the 20th of October, was so successful that many more of these affairs are being planned. Although it was called 'Pasta Night,' which, in this case, might be called a misnomer, because what was actually served that night might be aptly called a fine dinner. And I am referring to meatballs, baked ziti, coffee and cake, beer and much more. The price was only \$2.50 a person. The Galileo Lodge extends its sincere thanks to this fine group for another job well done. The date of the next Pasta Night will be announced in this column shortly.

Another item concerning the Ladies Auxiliary is their Fashion Show which will be held at our headquarters sometime in November. Price of admission will be \$7.00 per person, with a fine dinner to be served and some spectacular fashion from the Korvette chains. This promises to be an exciting and entertaining affair to anyone who is interested in a night out and with the world of fashions. Call 931-9351 and obtain more information on this affair.

The Halloween Dance to be held by the Galileo Lodge on the 28th of October captures the spotlight for the last dance of the Lodge's Oktoberfest program. Price of admission will be \$7.50 per person, with excellent food and pleasurable dance music. Costumes are optional. So why not get into the Halloween mood by attending this affair? Call 931-9351 and contact Skip Monteforte for more information concerning this dance.

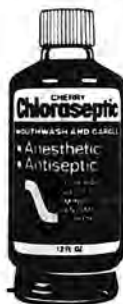

Last Sunday the Town of Oyster Bay celebrated its 325th Anniversary. Thus, with this in mind, the Galileo Lodge takes this fine opportunity to extend to the Town of Oyster Bay its sincere congratulations in its growth and progressive actions. Many dignitaries attended the ceremony held in Hicksville and the parade which followed. The Galileo Lodge was proud to be a participant in this most memorable activity.

As we previously reported, the membership drive held by the Galileo Lodge a week ago was quite successful. The new members who had joined up that night will now be installed at the first regular meeting of the Lodge during the month of November. More of these membership drive programs will be featured, probably until the end of this year, at which time an evaluation will be made to ascertain whether or not they should be continued.

In any organization, I would assume, there are certain members who work diligently, giving up their time, in order that their organization might prosper and attain its goals. Many members of the Galileo Lodge fit into this category. They work without fanfare, without publicity and far too often, without praise. With this in mind, the Lodge wishes to extend its thanks to these loyal members. The members of the Bingo, Dance, House and Kitchen and all the other committees which comprise the Galileo Lodge are really the members who 'keep the ball rolling' for which we are truly grateful.

Lee Ave PTA

The Lee Ave students are assisting their PTA in its first fund-raising campaign of the season. The children, although requested not to go door-to-door, will be happy to receive calls from family, friends, and neighbors for an order during the week of October 20-30. The wide selection of goodies will include cookies, hard candies, caramel nut clusters, chocolate covered cherries, peanut crunch and mint patties.

Anticipated proceeds will be directed towards educational programs, cultural arts and many other "extras" for the Lee Ave. students during the school year. Past candy sale campaigns have enabled the PTA to purchase new school band uniforms. Last year, many extras for the children-in celebration of the 25th Anniversary of the school-included a visit and entertainment program from Mr. Jiggs (the world-famous chimpanzee), planting of a tree and plaque in commemoration of the school's 25th year, ice cream for all the students and a special 25th remembrance school album.

PTSA To Meet

The PTSA of the Hicksville Junior High will be exploring the topic of, "Drugs in Hicksville - Fact or Fantasy?" on Monday evening, October 30th at 8:00 in cafeteria C of the Junior High School.

The evening will highlight a panel discussion, and an open question and answer session. The panel will consist of Mr. Joe Sweig, of the East Plains Mental Health Center who will discuss the effects that drugs and alcohol have on the mind and body; a representative of the Nassau County Police Department who will discuss the criminal aspects of drugs; and a representative of HAD, Help-Aid-Direction, who will discuss the effects of drugs and alcohol on the community, and where parents and students can go for help.

We urge all Hicksville parents to join us, and to bring your teenagers to this informative meeting.

Garden Club News

The Hicksville Garden Club monthly meeting will be held on Monday, Oct. 30th at 8 P.M. at the Hicksville Public Library on Jerusalem Ave.

The Program: "Indoor Light Gardening." Guest speaker, Mrs. Rita Cohen, will discuss this fascinating way to grow lovely plants and flowers indoors without a window or sunlight. Everyone is welcome. Free.

AUTUMN LEAVES. Fashions by "Country Boutique" of East Norwich, N.Y. were presented last Friday evening, by the Ladies Auxiliary of the Commodore John Barry Division Eleven, Ancient Order of Hibernians, under the capable chairmanship of Mrs. Maureen Lewis, of Syosset...Modeling the fashions of the evening were: (members) Barbara Tuchy, Nora Bergen, Lyda Campbell, Cathy Stengl, Patsy Cowan, Ann Marie Schmidt (my lovely daughter), Mary Roemer (who we hear just became engaged?) and Ann Marie Sweeney. . . Reservations were handled by Ann Brosnan and Ruth Rafferty; Raffles by Bridget Sweeney, Lyda Campbell, Dot Kenney, Maureen Lewis and Nora Bergen...Commentator - Cele Larkin; Sweepstakes, Rosemary Jones - 50 50, Jean Clark; Posters by Christine Sweeney and printing by Mary Roemer - The evening was most successful and President Katherine Roemer extends thanks to all for handling so well!

WE HEAR THAT: Denise Dolan is engaged to Michael Spartonos, son of Mr. & Mrs. Michael Spartonos, of Southwood Circle, Syosset congratulations! ...and now Michael Dolan, son of Mrs.

Charles Chertiza, of Hicksville, will wed Jennifer Lynn Cook on November 18, at Sacred Heart Church in NY City - Jen is the daughter of Mrs. Harold Zahler, of Hempstead...Enjoying a New Orleans vacation recently were Julie and Bill Gradischer of Bay Avenue, Hicksville - they visited with relatives at Lake Charles and (what's this) were in the French Quarter - hope Julie has some new tunes to play from the south on her piano, welcome home! Jim Crimmins of 91 Myers Avenue, is home recuperating for several weeks following a recent heart attack and clot - this is one gentleman who has worked closely over the years with the Boy Scouts, Knights of Columbus and the AOH, some of you guys may stop by - visitors permitted - and I'm sure Jim won't ask you to bag his leaves - get well soon, buddy! Jack & Rita Walsh of 18 Hicks Circle recently celebrated an anniversary - congrats...Speaking of birth-

days, Warren Healey just celebrated one this past Sunday with a party dinner with family, daughter Helene down from Delaware and friends, many happy returns!

DID'YA KNOW THAT: construction of sewers is proceeding on schedule in North West Hicksville - crews are doing their

utmost to keep roads clear and level - if there are any questions, please contact Davis Construction Co. - on Cantiague Road, near Duffy Ave. trailer site, now being moved closer to site as installations commence...when it comes to real good service, Eisemann Buick on Old Country

Road, Hicksville, provides same, we thank Manager, Bob for his recent assist to the writer! The former Schwartz Furniture location opposite St. Ignatius on Broadway, Hicksville, will take on a most decorative appearance in the weeks to come keep watching!

To cut taxes and spending...

No one has done more to cut taxes and to prevent unnecessary and excessive federal spending and inflation than Congressman Norman Lent.

He played a major role in the development of the Republican Kemp-Roth plan to cut federal income taxes by 33% across-the-board. This plan was callously voted down in August by the same free spending majority in the Congress that voted to increase your social security taxes. Norm Lent believes the people of the 4th Congressional District pay out too much of their income in taxes already - and that the first priority of the next Congress must be to reduce this burden.

HE'S THERE WHEN YOU NEED HIM

AROUND TOWN

(Continued from Page 4)

October 13. (Next week we'll tell you about the other October birthday celebrations in this family.) Anyway, Linda is married to William Calhoun and they live in Farmingdale; Mary is a student at Hicksville Jr. H.S.; Joyce is employed as secretary at Hamilton Label Co.; and their parents are Vivian and Ben Zakrewski. Congratulations to all.

Back home from a glorious fall vacation trip to Williamsburg, VA, and George and Frances Knight of HICKSVILLE. The Knights also toured Busch Gardens and visited a pottery factory. They spent a delightful week on this trip.

Hi, Dot Rogoza. You thought we forgot your birthday, but we didn't. Heard you had a happy and loving celebration on October 19 with your family and received beautiful gifts and well wishes from your family and friends. Wish you many, many more.

The "In Spot" in our area is the Maine Maid Inn. Phil Munson, the genial host of this fine restaurant, told us that Harry Chapin, one of Americas top vocal artists and holder to two Gold Records for hit songs he has written, dined at the Inn last week. We understand Harry Chapin intends to dine at the Inn frequently in the future. And no

wonder, the cuisine, atmosphere and hospitality at the Maine Maid is superb.

Ray and Helen Frohnhoefer visited their son, Raymond, who works at General Electric in Laurel, MD. Ray brought his parents to meet his girl friend, Jeannette Kadala, and her parents, Ninfa and Eddie Kadala. The Kadalas held a dinner party in honor of the Frohnhoefer's visit which was attended by many family members. Raymond is a graduate of the HICKSVILLE School system. Jeannette is currently attending Catholic U. in D. C. where she will obtain a Masters Degree in Music May 1979.

October 8 was a special day for Bob Hoe of Mayfair Lane, HICKSVILLE. He not only celebrated his birthday, but his wife, Maria, and other family members treated Bob to a night in the Big Apple at a Mexican Night Club. We were told the band played "Happy Birthday" to Bob using maracas and other musical instruments native to Mexico. Even though the sound was different, the meaning and warm wishes are the same in any language.

Had to hear that Mrs. Anna Uhlemann is home from a short stay at Syosset Hospital. Anna is one of HICKSVILLE'S octogenarians. She was born April 12, 1895 and has lived in

Hicksville for 52 years. And she's still at the same address on Ernest Avenue with her daughter, Helen, and son-in-law, Ray Frohnhoefer.

Barbara DeStefano of Mayfair Lane, HICKSVILLE, shared with us the news that Frank DeStefano was taken to John's Ice Cream Parlor for his birthday on September 25. Now ordinarily this wouldn't be original news, but we're talking about Barbara's husband, Frank, SR., not two-year old Frank, JR. (We must confess that Frank, Sr. had an adult at Brando's Restaurant, the ice cream party at John's was for the benefit of Frank's children.)

HAD Dinner Dance

(Continued from Page 1)

HAD serve the community.

What dinner Dance would be complete without entertainment? HAD was again fortunate to have Teddy Savalas and Joe Teixeira to provide the evening's entertainment. Teddy has been a teacher in the Hicksville School System for over twenty years. His interest in Hicksville extends in many directions. His musical talents are well known, and HAD was indeed fortunate to have him sing.

Joe Teixeira sang his rendition of Al Jolson favorites, once again sharing his musical talents and support for HAD.

HAD presented both Teddy and Joe with the 'Friends of HAD' Award for their contribution of time and talent.

HAD presented its "Man of the Year" Award to Jan Mendelsohn. Jan is a member of HAD's Board of Directors. He has donated much time, money and effort to HAD. Jan has been instrumental in the agency charter revision, fund raising and future planning for HAD.

Dorothy Mele received the Lenny Kershaw Award for dedicated service to HAD over an extended period of time. Dot, formerly of Ball Park Lane, Hicksville, was on the Steering Committee that established the agency. She was a founding board member, and served on the board from 1969 to 1972. She worked both as a volunteer and as a paid counselor. During her time with the agency, she obtained her Masters Degree in Social Work, was a Senior Counselor and Supervisor. Dot recently left HAD to pursue other areas of her career.

Help-Aid-Direction would also like to thank the Hicksville VFW, the Hicksville Fire Department, Hicksville Knights of Columbus, for their support throughout the year. Also Julene; Valen Petite Coiffures; Bagel Boss, Citibank of Hicksville; Peter John Natural Hair; Mayfair French Cleaners; Ruby's Delicatessen of Plainview, International Haircutters; H.S. Mark and Co.; European American Bank of Levittown and Pathmark of Hicksville-Jericho for their door prizes. Floral arrangements were donated by Ace Florists; Purcells; Gary's Florist; Abbot's Florist; Newbridge Florist; Giese Florist; Bethpage Florist; Centerville Florist; Olympic Florist; Flower Cottage of Syosset; Flowers by Phil; Jen's Florist; Baust Florist; and Proschels of Westbury. A special thanks for the financial support of John Ken-Ro Inc.; M. Solomon & Co.; Insurance; Central Federal Savings; Long Island Typographical Union 915; Witeraft Electric Services; Wallace & O'Haire Attorneys at Law; Pastora Ravioli; Long Island Trust; Goldman Brothers; Maddy's Deli; Pamper Garment Care Center; Heads Up; Nassau Farmers Market; Peter's Cleaners and Tailors; Debs at Jericho Cleaners, Tennis Emporium; Postal Instant Press; and Vernon C. Wagner Funeral Home.
