## LILCO News

Long Island Lighting Company crews have been working to improve service to Hicksville area customers by replacing older overhead electric lines with stronger plastic-coated "tree wire". The new wire, four times as strong as the older wire, can withstand far greater impact from falling trees or other wires.

The Hicksville work is part of a \$4 million program to improve service reliability to LILCO customers this year by replacing its tree trimming program to further reduce the damage to its distribution system from falling trees and branches.

The portions of LILCO's overhead lines system is heavily treed areas are particularly vulnerable to damage caused by ice storms, hurricanes and other severe weather conditions. Through the use of computer analysis, LILCO has targeted those areas on its system where service can be most improved by use of this wire.

In Hicksville, LILCO crews have been installing tree wire in the following areas: bounded on the south by Collector Lane, on the north by Lauman Lane, on the west by Prentice Road and on the east by Martha Blvd.

## Message From Cong. Lent

**THE TAX REDUCTION ACT OF 1978: IT'S NO REDUCTION AT ALL.**  
The Congress has developed a bad habit of trying to cover up unpleasant legislation with a pleasant sounding title. Certainly, to Long Island's heavily-taxed residents, nothing sounds more pleasant than a tax reduction. But there should be no celebration among Long Island's taxpayers over the pitiful bill passed in the closing hours of the 95th Congress bearing the pleasant-sounding label of "Tax Reduction Act."

The truth is, that so-called tax cut bill will bring absolutely no tax relief. In fact, almost all middle-income families on Long Island will be paying MORE federal taxes next year than they are this year. That bitter pill is concealed in the sweet-sounding title of "Tax Reduction Act."

Yes, H. R. 13511, the Tax Reduction Act of 1978, does provide for nearly \$19 billion worth of reductions in federal income taxes. But two other important-and seldom mentioned-factors completely cancel

out the benefits in the "Tax Reduction Act."

The first factor is a shopping increase in Social Security taxes voted by the Democratic majority in Congress in 1977, but taking effect next year. Most Long Island middle-income families will be paying \$439 MORE per year in Social Security taxes next year. That alone eats up every bit of the tax "reductions" for families earning from \$20,000 to \$40,000 per year.

The second factor is inflation, which, at its current double-digit rate of 11-and-1/2 percent, will automatically push wage earners into higher tax brackets.

Taken together, these two newly hidden tax increases mean that almost every Long Island family will be paying MORE federal taxes in 1979.

This is a fraud upon the taxpayer. This mislabeled Act of Congress makes more essential than ever the real tax relief provided in the Kemp-Roth bill which we came so close to

**MARINO "MAN OF THE YEAR"**-State Senator Ralph J. Marino receives word that he will be named "Man of the Year" by the Cystic Fibrosis Foundation from 7 year old Joseph Morda, a victim of the incurable respira-

tory disease. Foundation President Joseph Califabiano will make the presentation at a dinner in Marino's honor on Sunday, November 5, in recognition of the Senator's many years of service to handicapped children. The dinner will be held at the Crest Hol-

low Country Club, Woodbury. Proceeds will be used to further research to help children who suffer from the genetic defect. Tickets are tax deductible and may be obtained by calling Cystic Fibrosis headquarters at 516-746-0080.

passing this year. That is a real Tax Reduction Act. It gives every taxpayer an across-the-board reduction averaging 33 percent in federal income tax rates. I can assure you that I, and all other supporters of the Kemp-Roth proposal will be fighting with everything we have to get this needed relief through the 96th Congress. One of my first acts

when Congress reconvenes will be to reintroduce the Kemp-Roth Tax Reduction Act.

I am confident that our common sense, responsible plan to cut taxes, curb inflation and bring new vigor to our economy will win new support. I hope the taxpayers who realize how they have been duped and misled in this year's maneuvering on so-

called tax cut programs express their opinions at the polls on Election Day, November 7th.

We can make Proposition 13 look like a tempest in a teapot. If we do, we can make that 33 percent income tax reduction a reality next year.

It's all in the hands of the voters.

"This is Mrs. Fitzhugh. She does laundry after 10 PM, too."

Seriously, fellow Long Islanders, there's a way to keep down energy bills without giving up the good things energy brings. We need extra power equipment to meet peak power demands, and extra equipment costs extra money. Now, holding down the especially high peak demands in summer helps us avoid that expense. But shifting the use of dishwashers, clothes dryers, etc., to before or after the 10 AM-10 PM peak demand any time of the year lets us rely almost entirely on the most efficient equipment we already have. And if enough of us practiced this kind of energy management, it could keep energy bills down for all of us.

Mrs. T.T. of East Williston recently wrote us to compliment two LILCO people, John Murphy and Mary Muldoon Hassett. "Mr. Murphy has been most patient in explaining my electric heating system and advising me in the proper use of insulation. I have been speaking with Mrs. Hassett in your Customer Relations Office. She, too, has been very efficient, courteous and patient." Be assured, Mrs. T.T. Mr. Murphy and Mrs. Hassett will hear about this.

Long Island people serving the people of Long Island.

LONG ISLAND LIGHTING CO.

# Dear Friends:

We certainly agree with the man who stated in his campaign literature, "If you don't vote on Nov. 7th, don't complain on Nov. 8th." For we believe that along with each of the advantages of being a citizen of these United States, there are certain responsibilities... chief among these is the right and the duty to cast one's vote. We certainly hope that most of you agree, whatever your political beliefs.

As to ours, it has always been our contention that the Republican Party is not only the party of the working people, but the party of business, both large and small. Unfortunately nationally and state-wide, this Grand Old Party has been in the minority for many years. As a result, we have more and more state and federal bureaucracies with unlimited power to regulate business, increase our taxes and spend our ever-increasing tax monies.

We are now at a crucial point in the history of our country, where soaring inflation (brought on primarily by government deficit-spending and the devaluation of our dollar (brought on by government printing of more and more paper-money). Who pays for a large percentage of our taxes? Why do you, if you are a working person. Take a hard look at your weekly pay check and you will see this. Business pays very high taxes, too. It doesn't take a genius to see that 95% of our taxes are paid by these two segments of our economy. That's why, this year, more than ever before we urge you to cast your vote for the Republicans who are running in your area. Almost without exception they have workable proposals and legislation (which of course has been voted down on a state and federal level) to overcome inflation and bring taxes under control by cutting back government spending on all levels (not essential services). Witness the defeat of the Kemp-Roth Bill in Congress. This was originally a bill proposed years ago by President Kennedy. Now proposed by two Republicans who have seen the handwriting on the wall as far as the fiscal condition of our country and its future are concerned, it went down to defeat by a Congress and a Senate who still haven't gotten the message of California's Proposition No. 13....

We believe that the greatest antipoverty agency in this country is a business that turns a fair profit and provides jobs. Jobs in private industry, with the resultant spending of earned incomes, are the true solution of our country's fiscal woes...and these jobs do NOT create even larger bureaucracies which must be paid for by you and me.

We believe that, if they have the power, Republicans can and will change our economy. Remember the inflation rate when President Ford was in office was a modest 5%? And unemployment was on the downgrade. We urge you now, more than ever before, to vote a straight Republican ticket. Let's get our Country back on the right track...a track that made it the greatest in the world...before it is too late.

However, whatever you do believe, we hope that you do not forget to cast your vote on Tuesday, Nov. 7th. Be American. Can any one of you think of anything better to be?

## Beach Division Office Relocates To Hicksville

Oyster Bay Town Supervisor Joseph Colby this week announced that the Town's Division of Beaches has relocated its office to the Department of Parks and Recreation, 800 South Oyster Bay Road, Hicksville.

In making the announcement, Colby explained that the move from Town Hall in Hicksville was made in anticipation of the Division's transfer from the Department of Public Works to the Department of Parks and Recreation.

"In compiling the 1979 budget, the Town was particularly concerned with effecting ways to increase the efficiency of various departments and divisions," Colby stated. "Because the general function of the Beach Division is closely related to that of Parks and Recreation, we feel that transferring this division from DPW to Parks can result in improved service and possible future savings."

Colby noted that residents having business with the Beach Division may call 433-8020.

# At The Town Board

By Gerry Kahn

The first hearing of the day was the Petition of Estate of Ethel Roosevelt Derby for a change of zone "C" Res District to "E-2" general residence at Oyster Bay (n o intersection of Lexington Ave. and South St.) The request if granted would permit 34 units to be erected at a 6.2 average per acre.

The attorney, Mr. Herbert Gallagher presented his case and has as his major witness Mr. Heiko Falkert of Planistes Inc., who demonstrated with the use of several underings the layout, roadways, planting, screening and set backs.

There were no objections to the granting from the audience which included the Hon. Leonard Hall.

Item No. 3 was the petition of Bellan Assoc. Inc. for modification of restrictive covenants and rescission of special use permit at Syosset (s s Cedar Pl. and w s of 50' right of way.) The attorney Richard Siegal explained that his client was requesting the removal of the special use permit.

Item No. 4 was a hearing to consider the proposed amendments to the Code of Ordinances TOB-Public Parking District-Residency Requirements for parking. This action was being initiated as a result of various recommendations of the various Citizen Task Forces, one of which was Syosset, which added input to the surveys. The amendment will be TOB wide and will impose a fine and possible other remedies to violators.

Mrs. Sara Mittendorf spoke relative to the granting and Judy Jacobs added commentary as well as congratulations for the Board's action. Both Mrs. Mittendorf and Mrs. Jacobs serve on the Syosset Citizen Task Force.

Item No. 5 was a hearing to consider amendments to the TOB Code of Ordinances, whereby it would become mandatory for gasoline filling stations to provide the use of an air compressor for inflating automobile tires at no charge. There was no commentary on the part of the audience.

Item No. 12 was a resolution that passed relative to resur-

facing of parking field entrance, walks and miscellaneous improvements at Plainview-Old Bethpage Community Park.

Item No. 16 was the passing of the 1979 Preliminary Budget.

Mrs. Judy Jacobs requested that in the future it would be appreciated if the public could have more time to digest the budget.

Supervisor Colby explained that under the present system TOB was one of the few townships that presented their budget for adoption prior to elections. Under those circumstances it is quite difficult to prepare the datum and present it with any additional review time than they have been allocating. The Supervisor stated that input from the township citizenry was a year round occurrence and that everything is taken under advisement.

The formal meeting concluded at 1 p.m.

In the post meeting discussion, Mrs. Judy Jacobs spoke relative to the construction under way at the Van Sise site in Woodbury and the apparently stalled condition of the construction.

## To cut taxes and spending...

No one has done more to cut taxes and to prevent unnecessary and excessive federal spending and inflation than Congressman Norman Lent.

He played a major role in the development of the Republican Kemp-Roth plan to cut federal income taxes by 33% across-the-board. This plan was callously voted down in August by the same free spending majority in the Congress that voted to increase your social security taxes. Norm Lent believes the people of the 4th Congressional District pay out too much of their income in taxes already — and that the first priority of the next Congress must be to reduce this burden.

## Letter To The Editor

Dear Mrs. Noeth:  
On behalf of the Hicksville POLICE BOYS CLUB, we would like you to make an appeal in your column regarding the loss of our Clubhouse at 85 Bethpage Road, Hicksville.

For over Fifteen Years the Water District has graciously allowed us to use their building. With the coming of the sewers they have asked us to vacate the premises by January 1, 1979. This leaves us in dire need for storage space for our equipment and possibly a meeting place for our sponsors. A reminder to anyone donating space, is that all contributions are tax deductible.

Would you be kind enough to appeal on our behalf to the various organizations in our community.

Thanking you for your attention to this matter.

Very truly yours,  
HICKSVILLE POLICE BOYS CLUB

# Study Feasibility of Private Sanitation Collection

Oyster Bay Town Supervisor Joseph Colby recently announced that the Town will begin a serious examination of the feasibility of switching all or part of the Town sanitation collection services to private companies.

"The continued rising costs associated with sanitation collection is the principal reason for seeking information on contracting with private companies as a possible alternative," Colby said. "Costs for this service are essentially fixed items. We cannot find ways within the current system that would allow us to overcome the pressures of inflation on the costs of trucks, fuel and manpower."

Colby said that while rising costs have been extremely difficult to overcome in many other Town services, "in sanitation collection it is just becoming impossible. There are few, if any, options that we can employ to reduce costs and still continue with municipal collection. No service has been so completely hit by inflation and no service leaves so little room for cutting back."

Colby noted that almost three years ago, when fuel costs were beginning the steady climb that continues today, then Supervisor John W. Burke reorganized sanitation collection in the Town and reduced collection to twice a week from the previous three times per week. "This allowed for savings that covered two years of continued inflation but rising costs have now surpassed those savings," Colby said.

"Further reduction of collection is not an option and this study of private sanitation may offer an alternative to continued rising costs," Colby said.

He noted that some preliminary thought had been given to extending existing routes and thus reducing the number of routes. "This alternative will be looked at further, but the

preliminary examination shows that Town trucks collect about 15 tons per day per route, and a comparison to the amount collected by the New York City sanitation crew in one day shows that we have a far greater productivity ratio per crew. So, there is little hope that this will prove to be a viable alternative," Colby explained.

He noted that recent studies, including one conducted by a graduate school of Columbia University, have indicated that municipalities with a population greater than 50,000 can achieve savings by transferring from municipal to private sanitation collection.

"We are aware that many major cities are utilizing private sanitation to some degree. In

Kansas City a combination system has been bringing about a decline in sanitation costs," Colby said. "Through the study authorized by the Town Board today, we hope to find out if similar changes in our collection system can bring about similar results."

The analysis will be conducted by the engineering firm of Cashin Associates and is expected to be completed in six to eight weeks. The study is expected to show relative costs of various combinations of private and municipal collection, and the possibility of complete private servicing.

The Town currently collects garbage, rubbish and bulk items from approximately 60,000 homes.

## Hicksville American Soccer Club

### Joey Says "Thank You"

Joey Doherty would like to thank the Hicksville American Soccer Club for their thoughtful gift. Also, his team, Big Red (under 10) for the jacket. It is well appreciated and will be long remembered.

Joey broke his ankle in a recent scrimmage and was out for four weeks. He expects to return on Saturday.

### Hicksville Rowdies

by Ron Roth

This past Sunday the Rowdies played a strong game defeating Rockville Center 4-2. The first goal came early in the game on a pass from Jim Reardon to Gerrard McNamee who put the ball past the goalie. Shortly after, Kevin Hamel scored two consecutive goals on assists from Dan Middleman and Tony Conigliaro.

The ball was kept on the opponents side because of constant pressure by Joe Hanna, Greg Tropea, Clifford Heller, and Robert Cabrera.

When the ball did come down toward Hicksville's goal Todd Roth and Steve Falletta were waiting to break up their progress again and again. William Sneadon, the Rowdies' goalie and always a strong part of the defense, made several saves at the end of the game to prevent the victory the boys deserved.

### HICKSVILLE RANGERS

The Hicksville Rangers (boys 1969), sponsored by the Hicksville Motor Lodge, remain on top of the U 10 division, with a 2-1 victory over arch rival Brentwood. The Rangers, with a strong wind at their backs, kept the ball in the Brentwood area for most of the first half. Forwards, Derek Missimo, Chris Beach, John McCoy, Tommy De Tone, Alex That, and Darren Nathan, had many good scoring opportunities, but some fine saves by the Brentwood keeper kept the first half at a 0-0 standoff.

Brentwood, with the wind in the second half, came out very strong. Vincent Antaki, Craig Freyksen, and goalkeeper Sean Smith played strong defense to keep Brentwood off the

scoreboard. In the 8th minute Derek Missimo picked up the ball at midfield and dribbled through the Brentwood defense, to score. putting Hicksville up by one. Hicksville's midfielders, Berto Cerasi, Peter Thompson, David Insana, and Phil Greenspan did a fine job of controlling the Brentwood attack. Brentwood's goal, in the 17th minute, came on a fine shot from the left wing, which sailed over the goalkeeper's hands into the corner of the net. The Rangers took the lead for good, in the 20th minute, when Berto Cerasi crossed the ball to Alex That, who pushed it into the net. The 2-1 victory kept the Rangers undefeated and untied in their 14 games this season.

### Hicksville Tigers

Sunday afternoon Mr. Hanna's and Mr. Boccafolo's Tigers met Cow Harbor at Grumman field. At the last meeting, Cow Harbor had beat Hicksville and so this game was for sole possession of first place. Both teams fought against the wind and each other. Hicksville was awarded a penalty kick because of a hand ball. Timmy Van Cise stepped up to the ball and the first goal was scored. half ended. In the second half, Hicksville roared through the Cow Harbor defense. Howard Shragin at the half line passed the ball to the left wing, David Haut, who brought the ball down and passed to Gregg Greenberg who scored. Howard and David combined again to cross the ball in front of the goal where Jason Miller was and he headed the ball in. Cow Harbor was awarded a penalty shot which they scored on. Hicksville's 4th goal came when Kevin Burke on the 18 yd line headed the ball past all the defenders and the goalie. Tommy Boccafolo scored from 30 yds out on a direct kick which bounced off the goalie's hands. Michael Grossman was all over the field stopping many Cow Harbor drives. By winning the game the Hicksville Tigers are in 1st place.

**Hicksville Red Express**  
Fall brings the beginning of the annual KLM tournament. For the third year the Red Express sponsored by Eastern Exterminators and coached by Steve Florio and Jeff Kugler entered this competition. The last week of September signalled the first soccer games. Tuesday night at Cantiaque Park, Hicksville met a tough Massapequa team. Throughout the game Hicksville dominated and a goal was scored by Larry Ziembecki on a beautifully executed corner kick. Robert Newlands made many good defensive plays. Massapequa scored on one of the few times they got the ball in their half of the field. Final score was a tie 1-1.

East Meadow was Hicksville's next opponent two nights later. The temperature was in the 40's and cold. East Meadow scored the first goal. Hicksville struggles and just before the half R.J. Nakashian placed a good shot right in front of the goal and Larry Ziembecki followed it in for the goal. The second half found Hicksville able to withstand the cold better. Matty Bell and Peter Schnur scored goals. Ronnie Brutschin played good defense and helped keep East Meadow from scoring. 3-1 was the winning score.

Saturday night was Syosset and Hicksville's meeting. Syosset was overwhelmed from the beginning as goals kept flying past the Syosset goalie. Matty Bell, Peter Schnur, Fred Musimeci and Mike Masters all scored 1 goal apiece. R.J. Nakashian scored 2 goals to make the final score 6-0.

Coming back from a busy tournament over Columbus Day

weekend, Hicksville met a strong Plainview team and lost a tough game 3-1. However, despite this loss Hicksville met Garden City in the semi-finals. Hicksville was able to defeat Garden City 2-0.

The final Nassau game was with Massapequa. Larry Ziembecki passed the ball to Mike Masters who headed in the first Hicksville goal. In the final 2 minutes of the first half Massapequa scored on a corner kick. Half time score was 1-1. In the second half Larry again took a corner kick to Mike who scored his second goal. With only 30 seconds left in the game Hicksville felt sure of a victory. Then Massapequa was awarded a corner kick and again scored. Score at the end of regulation time was 2-2. The rules of the tournament said that 2 10 minute overtime periods would be played. The first 10 minute period was scoreless. Then in the second 10 minute overtime Massapequa scored 2 goals. So the final score was 4-2 in Massapequa's favor. Hicksville received a 2nd place trophy for their fine efforts.

**Hicksville Red Express**  
Last weekend the Hicksville Red Express travelled to Deer Park. The team, sponsored by Eastern Exterminators and coached by Steve Florio and Jeff Kugler, got a good start when Mike Masters crossed the ball to Matty Bell who scored. A few minutes later Mike brought the ball from the center line and scored. Just before the half Deer Park scored making the half time score 2-1. In the second half the score stayed at 2-1 for quite a while. Then Deer Park scored, tying the score. Billy Maguire scored on a corner kick from Larry Ziembecki. Several minutes later the Hicksville goalie was pulled out and it looked like Deer Park would surely score, again tying the game. Suddenly, Billy Maguire appeared and saved the goal. The final score was 3-2. Hicksville won.

**Boys "U"**  
By Mr. Carson  
Last Sundays Hicksville "Grenadiers" 3 to 1 victory over Valley Stream can only be described as "wow, what a game". The over 100 frantic soccer disciples witnessed coach

Tony Schiralli and his aide Mike Kanuck, direct the "soldiers" in a dynamic effort against the host "Roadrunners".

Billy Stein, moved back to the front line, started the scoring with a blast from the 18 yard line. off a fancy pass by halfback, Mike Conway. This tally was it for the first half. The fullback line of James Panchookian, Tim D'Antonio and Brian Magee was just too strong for the Valley Stream offense.

Early in the second half, left wing David Nisenon, popped a shot into the home town goal. It was set up on some neat play by halfback Chris Kanuck and Billy Stein. Nisenon also scored the "Grenadiers" last goal, as he blistered the "Roadrunners" on a sizzler from 10 feet out. This mark was arranged by forward Jean Claude Balek sweeping the ball past two defenders to get the ball in front of the nets. Hicksville right winger, Anthony Schiralli had two scoring chances go amiss. He nailed the post on one shot and suffered on a great save by the Valley Stream goal tender on the other.

Again this week, center halfback, Craig Carson, sparked the midfield play as he consistently engineered the ball to set up the "soldiers" assaults. The only Valley Stream score came late in the game as the ball squirted out of a melee in front of Hicksville goaltender Tim Richards. This coming week the "Grenadiers" will take on the veteran West Islip club at the

Grumman Soccer Complex.

**BOYS WIN TWO**

The Hicksville rovers (boys born in 1965), sponsored by the Plainview Burger King and coached by Pat McHugh and John Mitchell, raised their record to six wins and a tie with two strong victories over the weekend. On Saturday, they traveled out to Lindenhurst to play their regular league game and came back with a 3-1 win. On Sunday, they made up a 10-14 rainout against the Rocky Point Tor-

nadoes. Rocky Point is a new team in the league and were no match for the more experienced and skilled Hicksville boys. A few short years ago Hicksville experienced these same "growing pains". Final score was 6-0. The boys are now in sole possession of first place as Huntington was tied by Brentwood last week. The Rovers have three games left and two of them are big ones. This week, they have to meet Huntington again and right now, this

### DEVOTIONS

By The Rev. John H. Krahn

**THE SCANDALOUS GOSPEL**

There is much in the Bible I don't like. I don't like the commandments that I have particular difficulty keeping. I am uncomfortable with those stories in which God harshly disciplines his wayward people, especially when I am feeling wayward. I am not particularly pleased with God's demands that I worship him every Sunday, especially when I am on vacation in a strange community not knowing the location of the nearest church. I'd like not to think that tithing is the generosity encouraged by Scripture and would rather only throw a \$5 or a \$10 bill in the collection plate each week and spend the rest for myself. As a pastor, today's Gospel reading is one I'd rather not preach on because it can cause a scandal, that is an uneasiness in my life and in the lives of those who hear it. Yet, the uncomfortable parts of Scripture are no less inspired by God's Spirit than the comfortable parts. We all must permit God's total Word to inform our lives, or our concept of Christianity will be just that, our own, and not relate to God's revelation about himself.

Jesus tells us in Matthew 10:34-39 that truth is more important

than temporary harmony in the family or in the church. He says, "Do not think that I have come to bring peace on earth; I have come to set a man against his father, and a daughter against her mother, and a daughter-in-law against her mother-in-law." He continues, "He who loves father or mother more than me is not worthy of me." Whether or not this passage is to be taken literally is not the question. Rather, it states that following Christ means standing up for what is right, being principled rather than practical, serving the truth rather than the expedient even when it produces disharmony in the community, in the church, and within our family. Biblical Christianity as opposed to many popular notions of Christianity is a venture for the strong and mature. It is forever impatient with the old, stubborn, bloodstained ways of the world. When we are in touch with God's Word and the demands it produces in our lives, often conflict and pain enter as we speak out against injustice. It is true that the Gospel of God's love through Jesus Christ brings peace to troubled lives, but Jesus warns us that it is not to be peace by compromise or evasion.

Many of us enjoy wearing a finely fashioned silver or gold cross around our necks. Jesus says in our text that, "He who does not take his cross and follow me is not worthy of me." Jesus calls us to bear a cross, not simply wear one. Our life needs to be one of involvement, one that sometimes produces tension, and, on occasion, even open conflict, for the sake of Christ. We read Scripture and discover a Christ who conducted a ministry that produced much conflict, not only within His church. Jesus of Nazareth would have been excluded from most Call lists of churches who are seeking pastors. He would be termed a trouble-maker, a boat-rocker. The particular denomination to which I belong is named after a radical by the name of Luther. We celebrate our heritage when we stand up against the forces of darkness which compromise the Word of God, which dehumanize people, which encourage us to do the smart thing rather than the right thing.

Jesus was an in-put politician and they crucified Him. God does not call any one of us to be popular, but He calls all of us, to be righteous.

## Gripping True Story

**SHIOKARI PASS**, a new film from the producers of **THE HIDING PLACE**, will be shown at The United Methodist Church Old Country Road and Nelson Avenue, Hicksville on Sunday, November. The one hour color release from World Wide Pictures will be shown once beginning at 6:30 p.m.

**SHIOKARI PASS** is unique among World Wide Pictures productions. Although it has an English soundtrack, it was originally produced for showing to Japanese audiences. It was filmed entirely in Japan with a Japanese cast and crew, and depicts the delicate beauty of that country. The drama of the story unfolds against a backdrop of Japan's spring blossoms, snowcapped mountains, and whispering native music.

A true story, **SHIOKARI PASS** is based on the international best seller by Ayako Miura. Nearly two million readers have been

touched by this story of the abiding love of a young couple at the turn of the century.

Credited with creating a deeper understanding of the Christian faith among the Japanese people, the film tells of the love of Nubuo for Fujiko, and of his willingness to be guided by his personal faith, no matter how great the cost of commitment.

From its gentle opening to its gripping, unexpected conclusion, **SHIOKARI PASS** is a profound demonstration of the power of love in one life.

The Reverend James Jay Benson, pastor of the United Methodist Church, extends an invitation to each member of the community to attend this special showing and added, "SHIOKARI PASS is the kind of film that will be enjoyed and remembered by the entire family."

There will be no admission charge for the film program.

### SOCCER CLUB (Continued from Page 9)

is their most important game of the year. If they can defeat the Strikers (they tied a few weeks ago) on their home Grumman field, they will move two full points ahead. The following week, they take on Brentwood

again, who could well be labeled a 'spoiler'. This is no easy match but they must first beat or tie Huntington.

#### BOYS UNDER 11

The Hicksville Thunderbirds coached by Joe Neto played a

double header this weekend and split. Saturday the team played Brentwood and were beaten by a score of 4-0. The boys did not play a very good game, as they were beaten to the ball quite often, and several defensive lapses resulted in goals for Brentwood. Goalkeeper Richard Markey received a neck injury in the game and a call was put in to the Hicksville Fire Department. Our sincere thanks and appreciation to the Hicksville Fire Department for their help and their quickness in getting to Grumman. On Sunday it looked like a different team was playing for Hicksville as they defeated Huntington 2-0. From the starting whistle the boys moved well, controlling much of the game. Darren DiFlorio scored the first goal of the game on a strong kick from mid-field. It was a long high ball that bounced in front of the goalkeeper and over his head and into the net. The second goal was scored by David Kanuck on sheer aggressiveness and determination on a ball from Paul Thompson that was heading toward the goalkeeper. David came from his left wing position and headed the ball into the net beating the goalkeeper to the ball.

This was the team's first shutout. Michael Pryves did a fantastic job in goal substituting for injured Richard Markey. A lot of the credit for the shutout also goes to the fullback line of Michael Ayres, Darren DiFlorio and Martin Jaycard as they played the off side trap perfectly and caught Huntington offside 15 times. The halfback line of Richard Fraser, Thomas Kenny, Brian McKenna and Chris Dolan did a nice job at midfield and the forward line of David Kanuck, Andy Horne, Joe Neto and Paul Thompson kept a lot of pressure on Huntington defense.

The unprecedented CPES Questionnaire was prompted by concern over the financial condition of our New York State. It was mailed to all candidates so that voters would know how their candidates stand on major tax relief issues.

The directory lists over 250 Nassau-Suffolk agencies which utilize the services of volunteers. The two dozen areas covered include Consumer Affairs, Criminal Justice, Personal Counseling, Geriatrics and Youth Services.

"For almost every Long Island resident there is an appropriate volunteer position," said co-editor Dan Cohen. "We hope this directory will be used as a stepping stone, providing new ideas for the potential volunteer."

To make the volunteer's selection process easier, each agency listed has provided an outline of its objectives, the volunteer services requested, the skills required, the training provided and days and hours volunteers are needed.

"There are a lot of others who will find this book valuable," said Nancy Belowich. "Volunteer coordinators and agency directors who are looking for help in running a volunteer program will find the Guidelines and Resource sections useful, and they may find new sources of manpower in the sections on volunteerism in high schools and colleges and in the business community."

"Counselors of all kinds will also be able to use directory in placing their clients - from students to retirees - in volunteer positions," Belowich said.

Copies of the directory may be obtained from the Nassau-Suffolk

Volunteer Conference, PO Box 191, Mineola, N.Y. 11501. Please enclose \$3 to cover postage and handling.

# Galileo Lodge News

By Joe Lorenzo

**AT THE HALLOWE'EN DANCE:** (l to r) Armond Del Cappio, co-chairman, Gina Siracuso, Galileo Lodge Queen, Joanne Carlotta, Aide Lodge Queen of Nassau and Suffolk Counties, and Skip Monteforte, chairman, all enjoying the festivities of the evening.

The Halloween Dance held by the Galileo Lodge on October 28 provided many fun-filled moments for the 200 people who attended. The costumes were varied in style, originality and design, and there were the usual prizes for the ugliest costume, the most original and the best costume. With excellent dance music of today and yesterday, and with delightful atmosphere

and fine cuisine, how can you imagine yourself getting more for the price of \$7.50. The Lodge wishes to take this opportunity to thank the chairman of this dance and his whole committee for an excellent job.

The Membership Drive committee announced that December 8th will be the time for the next membership drive program. This event will be held

at the Lodge quarters, 200 Levittown Parkway, Hicksville, and food and refreshments will be served by the Ladies Auxiliary. Short orientation sessions will again take place in order that prospective new members can be shown exactly what the Galileo Lodge stands for. Members of the Lodge are also urged to aid this program by inviting their own friends and relatives. The success of the first membership drive session was so great that it was decided that more of these programs be initiated. Call 931-9351 for more information.

The Galileo Lodge announces that on December 2 it will hold its annual Christmas dance. Price of admission will be \$7.50 per person, featuring the usually excellent Galileo Lodge cuisine served in an atmosphere of congeniality and graciousness. There is no better way to get into the holiday mood, so why not come down to the Galileo Lodge on this date? It is the time of the year for good will and pleasant and joyous feelings, and the Galileo Lodge will make sure that these ingredients are part of this occasion. For more information on this, call 931-9351 for more details.

The Ladies Auxiliary announces that their Fashion Show and Dance is coming along quite well. Price of admission for this event is \$7.50, featuring music and a sumptuous dinner and fashions from the Korvettes organization. This affair promises to be a delightful affair, and if past performances by the Ladies Auxiliary are an indication of their talents, how could this show be anything but a success? Contact Jo Ann Wallack, chairlady of this affair's committee, by calling 931-9351 for more details.

Bingo sessions at the Galileo Lodge quarters are doing quite well. The Bingo committee men announce that mor help is needed. Proceeds from Bingo are used for many notable activities outside the Lodge, which means that the community and other charitable ventures are better taken care of financially if the Lodge comes out better money-wise at the Bingo sessions. The

Galileo Lodge acknowledges the fine work done by the Bingo personnel as well the efforts of other committee men associated with other activities of our organization.

Plans for the Christmas party for the retarded children of Hicksville have been completed. Plans for the Christmas party for the children of the members of the Galileo Lodge have also been taken care. Dates for these events to be announced shortly. Materials for the Bicentennial structure are still being awaited, and that would complete the memorial. The New Years Party is in the planning stages and the bill of fare for this festivity will be announced shortly in this column. This party is always the talk of the town, so to speak, because of the moderate price of admission and what you are offered for that price. Keep this party in your mind because it is one of the big events at the Galileo Lodge.

Lynda Noeth Scotti — 796-1286

Harriet A. Maher — 433-5994

Happy Birthday to Edward Jablonski, son of Marion and Edward Jablonski (Jabby's) of HICKSVILLE. He celebrated his 18 on Oct. 27. A graduate of LaSalle Military Academy, he now attends Villanova.

Mr. and Mrs. Peter Seitz, of Princess St., HICKSVILLE, are the proud parents of a daughter, Cheryl Anne, born Oct. 17 at North Shore University Hospital. Mom is the former Diane Rinaldi of Hicksville. Waiting at home to greet their little sister was John, 10 years old, and Tracey, 7 years old.

Congratulations to JoAnne Blind of HICKSVILLE, who won \$5000 in a recent New York State Olympic Lottery game and also congratulations to Alan Hatman of HICKSVILLE, who won \$500.

Birthday greetings go to Peter Weisgerber of 8th St., HICKSVILLE, who celebrated recently.

Bob Zakrewski, former graduate of HICKSVILLE H.S., celebrated his birthday on October 25. Bobby, who is employed at National Air Lines, was feted with a birthday party by his wife, Kathy, and two children, Barbara and Tommy. Of course, his parents, Vivian and Ben Zakrewski, attended the family gathering and helped make this occasion really special for Bob.

Patricia Fischer of W. Nicholas Street, HICKSVILLE, became the bride of Joseph Cipriani of Garden City, October 8. The couple were married at a Nuptial Mass in St. Ignatius Loyola with the Rev. John Hession officiating. The bride was radiant in white organza and lace and carried a

cascade bouquet of white roses. Her sister, Carolyn, was maid of honor. Her sister, Elaine, and two friends, Roberta Gould and Barbara Leongrande, were bridesmaids. A reception was held at Leonards in Great Neck for 153 guests. After a short honeymoon in the Poconos, the couple left for Italy on October 18, where the groom will resume his studies at Medical School.

On October 18 Danny Paulauskas, formerly of Hicksville, was awarded three trophies at the HICKSVILLE American Little League Awards Night Dinner. Danny's team, "Circle Texaco," was the "A" League Champs. Danny, who now resides in Manchester, Conn., made the trip down to attend this auspicious event.

Congratulations to Kay and Steve Ryan who celebrated their 35th wedding anniversary on October 29. Steve, who is employed by the telephone company, is past Grand Knight of the K. of C. This happy couple are long-time HICKSVILLE residents.

We were told by Phil Munson, the genial host at the Maine Maid Inn, that Ed Kranepool and his family has dined at the Inn frequently. Ed Kranepool, as you probably know, is a baseball player with the Mets. Ed and his family are new residents in this area, and we'll be seeing more of them at the Maine Maid Inn.

Two-year old Keith Harrison celebrated his birthday on October 29 with his parents Russ and Agnes Harrison of Basket Lane, HICKSVILLE, and his younger brother, Kevin. Both of Keith's parents grew up in

Hicksville and attended its local schools. His grandparents, the Harrisons and Agnes and the late Bill Minihan are also long-time Hicksvillites. Happy birthday, Keith.

October 31 was a wonderful day in the lives of Ray and Martha Hand. They celebrated their thirtieth wedding anniversary on that date. Much love and happiness, Ray and Martha, from your many friends and neighbors.

Connie Esposito, HICKSVILLE spent a delightful month in Florida with her daughter, Frances, and son-in-law, William Sammon. Connie and her husband, Jimmy, live in the Hicksville Senior Citizen Housing.

The recently renovated Empire Diner in HICKSVILLE looks lovely. The owner, Andy Dellaportas, said the renovation was completed in time for the sixth anniversary of their ownership of the Empire. Andy has been married to his gracious wife, Cathy, for ten years. They have three children: Afrodite, Maria and Petros. Good luck, Andy.

Joe and Ruth Farrell are bursting with pride for their son, Kieran, who won the most Valuable Player Award for the second time playing football for the Hicksville H.S. team. Kieran's future plans include attending college in PA next fall. We know he will be a success both scholastically and athletically at college.

Happy 3rd birthday to Jaime McLaughlin son of Jim and Loretta McLaughlin of Old

All-State Students. Pictured above are two happy members of Hicksville High School's outstanding Symphonic Wind Ensemble. Nancy McBrier (left) and Krista Smith, have just received word that the wind ensemble was one of just three bands from Long Island to receive a 6A- in competition at the annual NYSSMA Spring Festival last held at the school last June. This is the highest possible score.

In addition, Nancy and Krista have both been selected to per-

form with this year's All-State organization, Nancy with the band and Krista with the orchestra. The groups are made up of the best high school musicians in New York State and will perform at the New York State Music Association's annual Directors Conference held at the Concord Hotel on December 3-6, 1978.

Hicksville High School and the community applaud the accomplishments of these young ladies as well as the entire Symphonic Wind Ensemble.

Country Rd., HICKSVILLE. He celebrated on Oct. 30. Proud grandparents are Mr. and Mrs. James McLaughlin and Mr. and Mrs. James McMahon of HICKSVILLE.

Birthday and anniversary greetings are sent to the Majorino household, on Moeller St., HICKSVILLE. Mom, Jeanne, celebrates her birthday on Nov. 4. Dad, John, celebrates his birthday on Nov. 9; and they celebrate their 20th anniversary on Nov. 9. Best wishes to all.

Congratulations to John Wall of HICKSVILLE, who was recently honored at a banquet held by the Hazeltine Corp to honor em-

ployees who are members of the Quarter Century Club.

# ELECT A MEMBER OF THE DURYEA LONG ISLAND TEAM!

**ELECT**  
**FRED**  
**PAROLA**

**STATE ASSEMBLYMAN**  
**REPUBLICAN — CONSERVATIVE**

"Happily Paid for by "Friends for Parola"

## FRED PAROLA FOR ASSEMBLYMAN PAROLA ON TAXES:

He has pledged to work with the new administration of Pery B. Duryea to make property tax relief one of the highest priorities of the new state administration.

Together, they will move to implement all aspects of the Duryea five-year tax relief program and take steps to permanently halt the rise of property taxes in the future.

The Duryea tax cut plan, when fully implemented, would afford tax relief estimated at \$600-million annually over two years, require a two-thirds majority for passage of new taxes or tax increases; develop a permanent constitutional limit on state and local taxes and spending, and immediately freeze all local rates at their current levels between now and consideration of a new constitutional amendment.

## PAROLA ON EDUCATION:

He's committed to a policy of providing adequate state aid to education to prevent the local property tax from any further increases. He believes that adequate state funding of our schools is essential, particularly in our district, in order to keep a lid on local property taxes and prevent future school teachers strikes.

## PAROLA ON SENIOR CITIZENS:

He's concerned about our senior citizens. Two million New Yorkers are 65 and over. Twenty percent exist on incomes below the Federal and poverty level. Parola has said that "one of the major social issues our society has not resolved is the issue of the aged." He is pledged to supporting legislative programs beneficial to the elderly.

## PAROLA ON WELFARE:

As a fiscal conservative he believes that what is needed today is less talk and more action to lift the burden of welfare costs from state and local governments - and the backs of the local taxpayers. He will join with the Duryea administration to shift the burden of welfare from local and state governments to the Federal government where welfare costs rightfully belong.
