 Hicksville BPOE, 9 p.m., 80 E. Barclay St., Hicksville.

NEW AUXILIARY PRESIDENT: Rita Schlosser, past President of the Hicksville Fire Dept. Ladies Auxiliary was installed as President of the Nassau County Firemen's Association Ladies Auxiliary. The County Auxiliary is one of the largest in the state.

The installation took place Nov. 19 at the Salisbury Restaurant in Eisenhower Park, East Meadow.

As her husband, Ex-Capt. Phil Schlosser looked on, Rita was sworn in by her brother, Medard Ofenloch, an Ex-Chief of the Hicksville F.D.

A delegation of 72 from Hicksville, led by the four Chiefs attended. Chief William Ferber presented the new President a set of luggage on behalf of the Fire Dept.

Above is (left to right) Hicksville Fire Chiefs Kershaw and Ferber, Mrs. Schlosser, and Fire Chiefs Magee and Donlon. (photo by R. Coutieri H.F.D.)

Teams visit Hicksville

The Hicksville Americans Soccer Club is once again preparing for the arrival of two teams from Dublin, Ireland. The visitors are boys from the St. John Bosco Soccer Club and are right now in Reston, Va. They arrived into the United States on Saturday, 11/18 and were welcomed to this country by John Mitchell and Peter Collins who made arrangements for them to travel to Virginia for their first nine days and then return to Long Island for their weeks stay in Hicksville. Plans are for them to arrive on Monday, 11/27; the billeting point being the Knights of Columbus Joseph Barry Hall - thanks to Grand Knight Jimmy Carroll.

Billeting boys from foreign countries is nothing new for the Hicksville Club. Over the years many nations have visited the Island and have been shown a

great deal of warm hospitality by the Hicksville Club. Last year alone, over 25 out-of-country teams spent from one to three weeks on Long Island. This was for the Hicksville International Tournament last July. Again, the billeting for this affair was handled by Collins and Mitchell. Foreign teams attending last year's event came from as far away as the Republic of China as well as from Mexico, Germany, England, Sweden, Canada and Ireland.

The two teams from Dublin are 15 and 18 year olds who will be housed in Hicksville with boys their own age. Several games are planned between the visitors and the boys billeting them. The benefits that our boys gain from such an experience are tremendous. They range from learning new soccer skills on the field to the most important which

is the learning, understanding and cultural aspects of meeting and housing boys of similar age from another land. This allows our youth to widen their views and broaden their perspectives and gain a better understanding of life in Europe. The visiting boys of course, get a first hand view of the American way of life.

Nassau County Executive Francis Purcell, Town of Oyster Bay Supervisor Joe Colby along with councilman Tom Clark will present proclamations with the theme of 'Friendship' which is what we are all striving toward throughout the world.

Four friendly games are presently scheduled to be played at Cantiague Park in Hicksville on Tuesday and Wednesday at 6:30 and 8 p.m. Everyone is welcome to come to Cantiague and watch the Irish play Hicksville.

Community Council Meets

By Carole Wolf

At the Hicksville Community Council meeting on November 2nd, we heard candidates for public office, a plea from the PBC and Councilman Tom Clark present an overview of Hicksville's problems.

Seven candidates were present at the Council and stated their platform on the Thursday before election day. We heard from Dr. Worthley, Bill Reilly, Everett Rosenblum, Angelo Orazio, Salvatore Mosca, Louis Jarret, and Fred Parola and discovered some interesting ideas about local politics.

Bill Tolston from the Hicksville PBC then addressed the Council and asked for help. PBC has been active for 30 years and provide 7 or 8 different activities for youth. Right now, they are housed in a hut on the Hicksville Water District property and two years ago, invested \$2,000 into the building. This June they must get out. The PBC will lose their rifle program and an area to store their equipment. It will be an enormous loss to the children. Bill asked that if anyone knows of room for the program, please contact him.

The auditorium was covered with pictures and Ken Barnes announced that the annual Art Show was being held in the Library during the month of November and it is sponsored by the Cultural and Performing Arts of the Town of Oyster Bay and the Independent Art Society. On

Sunday, the 3th, there was a tea at the Library to launch the show. The Library will present a film on the 1972 Olympic Games on the 21st.

Then Councilman Tom Clark took the floor to answer questions about the Town. The Planning Commission had not completed a plan for the G-1 at the time of the Council meeting. As the sewers are being placed in the ground, roadwork is being done and curbscuts are planned for the handicapped. Sanitation is a priority item for a study and sanitation disposal has always been a problem. Many 'old time' Hicksville citizens called to tell Tom of the problems of private sanitation years ago. Bill MacDonald mentioned that recycling can pay for itself and give a profit but Councilman Clark mentioned that everybody wants it but not in their back yard. It would generate electricity but the roads would have to be accessible, for heavy trucks.

The sewer companies are renting the park lands, both at Lee Avenue and Old Country Road. They are using it to store their equipment, and when they are through, they will grade, level and seed it. With the rent money, the Town can create passive parks in these two areas,

if this is what the residents want!

Mr. Clark said that he will be making a presentation of the proposed extension of Duffy Avenue to the Fire Department and he has met with various people. The Chamber would like to see an overall plan. People on the west side of Newbridge are more in favor of the plan. He has asked the county to do an auto traffic count on the corner of Duffy and Newbridge. Councilman Clark would like to know if the volume and turns make it unsafe.

At the conclusion of the meeting the Chamber said that they met with the Department of Public Works and asked that the whole northern section of Hicksville not be ripped up at once. And the President of the Council said that she did receive a letter from King Kelly correcting last month's article. Concerning the Fountain, the electricians performing the work will not be volunteer.

At the next Community Council meeting which is set for Thurs., Dec. 7 we will feature the Holy Family Players and the LILCO film on last year's snow storms. All Hicksvillians are invited to attend, as there will also be discussions on various problems effecting Hicksville at this meeting.

Fire Dist. Election

The Hicksville Fire District will hold Elections for Fire Commissioner on Tues., Dec. 12 from 6 p.m. to 10 p.m. at the Main Firehouse on Gebhardt Plaza (E. Marie St.)

All Hicksville residents who are registered voters living in Hicksville 30 days prior to this election may vote.

Candidates must register 10 days before this election.

TAXING: Oyster Bay Town Receiver of Taxes Solomon Newborn (center) discusses a special Town tax exemption with Dr. Philip Rubenstein (left).

Michael Kennedy, son of Mr. and Mrs. Michael Kennedy who reside at Montana Street, HICKSVILLE, has enlisted in the United States Air Force according to Sgt. Rick Semprun the local Air Force Representative.

Airman Kennedy, a 1977 graduate of Holy Trinity High School will soon begin six weeks basic orientation at Lackland Air Force Base, San Antonio.

Bazaar

The Plainview-Bethpage Chapter of Women's American ORT will hold a Bazaar on Sunday, Dec. 3 from 11 a.m. to 5 p.m. at the American Legion Hall, E. Nicholas St., Hicksville.

DEVOTIONS

By The Rev. John H. Krahn

MY DAILY SEVEN WITH GOD

Let me suggest, beginning tomorrow, that you try a little discipline of mine called "My Daily Seven With God." Every day set your clock to go off seven minutes earlier. In these seven minutes have your morning quiet time with the Almighty. Take the first half-minute and ask God to prepare your heart. Thank him for the good night of sleep and the opportunities of this new day. Now take four minutes to read twenty or so verses of the Bible. You might begin with one of the Gospels. Listen when you read. Ask yourself the question: "What is God saying to me in these verses?" In the next two and one-half minutes pray that God will do his acts in your life today. Using the acrostic Acts begin by A, adoring God, praise his name, worship him. Next C, confess your sins, then T, thank God for his forgiveness and many blessings, finally S, supplication; ask God for others and for yourself. Seven minutes a day.

one-half minute to ask God to prepare your heart to receive him, four minutes to meditate on twenty verses of scripture, two and one-half minutes to let God do his acts in our lives as we pray with adoration, confession, thanking, and supplication.

LEGAL NOTICE

NOTICE TO NASSAU COUNTY TAXPAYERS

NOTICE IS HEREBY GIVEN that sales lists are being prepared of unpaid School District Taxes for the year 1977-1978 and State, County, Town and special district taxes for year 1978 on real property situated in the towns of Hempstead, North Hempstead and Oyster Bay and the City of Long Beach, N.Y. Sales lists are also being prepared of unpaid State and County Taxes for the year 1978 on real property situated within the territorial limits of the City of Glen Cove, N.Y. Unless such unpaid taxes, with interest and accrued penalties be paid on or before the 18th day of December 1978 the tax lien on the property against which such taxes are levied will be advertised and on the 20th day of February 1979 thereafter, sold.

Any taxpayer interested may send a brief description of his property to the County Treasurer, and a statement of the amount of unpaid tax, if any, will be forwarded to him.

The completed lists will be open for examination, and copies will be available in the County Treasurer's Office, 240 Old Country Road, Garden City, N.Y. (P.O. Address, Mineola, N.Y. 11501) on or about the 1st of February 1979.

A Sure-Fire Recipe

First, take a young person in military service, probably away from home during the Christmas season for the first time; mix them with some mail. Then add an idea conceived by concerned Americans, and you have a continuing campaign called "Military Overseas Mail" (or M.O.M., as sometimes known) - to serve our military personnel not only overseas, but Stateside as well.

In the previous Christmas programs, thousands of pieces of mail, primarily Christmas cards with friendly letters and notes written inside, have been collected from the public. This mail in turn has been distributed all across the U.S. and around the world, to let our young military people know that we as Americans, both as individuals and as the American public at large, DO care about them. (If you have a friend or relative in

military service, who would appreciate some extra mail at Christmas, send in the name and address, and M.O.M. will see that some mail is sent to them.)

This is an ideal Christmas project for individuals and families as well as members of groups (student and church groups, etc.). For information on how you or your group may participate in this very worthwhile event, please send a stamped, self-addressed envelope to:

MILITARY OVERSEAS MAIL
Box 1797
Baltimore, Maryland 21203

Also, please mention how you learned of M.O.M.
P.S. This recipe is sure-fire and never fails. It's topped with the warm feeling that you've made young American servicemen and women, many places in the States and around the world, a little happier at Christmas.

Chanukah Phonathon

On Sunday, December 10, the 34 chapters of the South Nassau Long Island Region of Women's American ORT, Organization for Rehabilitation through Training, including the Mid-Nassau Chapter, will participate in a National Chanukah Phonathon. ORT, in celebration of the Festival of Lights, will reach into

each local community, asking every woman called to join this dynamic organization, so that ORT may continue to light the way in its fight for Jewish survival and continuity.

For further information, call Membership chairwoman at 489-5542.

Volunteer Drivers Needed

The Nassau Chapter of Multiple Sclerosis Needs You. If you are a licensed driver over 21 and can devote a few hours just one day a week, volunteers are needed to drive MS patients to the weekly Hobby program every Thursday in East Williston. This program enables the patient to participate in ceramics, painting, arts and recreation, thus helping

the patient to maintain their social rapport within the group.

Please lend us your time and your car. Drivers are now needed from almost every area of Nassau County. Just call the Nassau Chapter of MS at 621-8663, or write to: Multiple Sclerosis, 4 Mineola Avenue, Roslyn Heights, N.Y. 11577.

"I don't mind the '10-4,' Hubert. But I refuse to call anyone 'Good Buddy!'"

Judging from our cartoon, nobody is immune to CB fever. Thousands of families throughout Long Island have been enjoying the protection, convenience and fun that Citizens Band Radio can provide.

CB Safety Tips

If you're planning on setting up a base station in your home, it's best to get a professional to do the job. But, if you plan to do it yourself, we have a few basic safety rules on antenna installation that we think you should follow: 1. Measure the total height of antenna, supporting mast, and structure. Double it. That's how far your antenna should be installed from overhead power lines. 2. Wear insulated gloves and rubber-soled shoes or boots when installing a base station antenna to reduce the danger of electric shock. And never work on a windy day. 3. Don't assume that an overhead cable is merely a telephone line. Whatever it is, don't go near it, even if it seems to be insulated. 4. Assemble the antenna at the installation site. That way you won't have to haul it past potential hazards. 5. If your antenna should topple onto a power line, don't touch it. Call LILCO right away.

CB safety is important to everyone. After all, we wouldn't want your first call to be a 10-38 (ambulance needed here).

Long Island people serving the people of Long Island.

Mercy Ball, Dec. 2

On July 14, 1915, a handful of community women from nearby villages held a linen shower for the benefit of Mercy Hospital; that event turned out to be the first of many large and small affairs held since to aid Mercy Hospital in its mission.

From its inception, the Sisters always could depend on individuals and local community groups to pitch in when the hospital had a need for funds or required other assistance. In 1935, however, Mother Marie Emma, C.I.J., Mercy Hospital Administrator, realized that donations informally raised and gratefully accepted would not be sufficient to meet the growing needs of Mercy Hospital. A major

building program was required if the hospital were to meet the burgeoning health needs of an over-growing area. A viable mechanism was needed to gather consistent sums of money on an on-going basis. So in November of 1935 Mother Marie Emma wrote to Thomas J. Cuff asking for his help with the future of Mercy Hospital.

Judge Cuff, a resident of Garden City, was a justice of the Supreme Court. He had first met the Sisters when he was a young reporter in Brooklyn, and he had maintained an interest in their work. Judge Cuff, in response to the Sisters' request, gathered together a group of men from the surrounding communities to

Renew Dog Licenses

Oyster Bay Town Clerk Ann R. Ocker reminded all dog owners that the license for their pets must be renewed by January 1, 1979, according to New York State law.

"The applications for 1979 licenses are being mailed out this week by the Nassau County Police Department to all dog owners of record," Mrs. Ocker stated. "Under State law, owners who fail to renew their dog's license are subject to a fine." All dogs over the age of six months must be licensed and wear the license tag at all times. New dog owners can obtain the necessary license application forms at the Town Clerk's office in Oyster Bay, or at either of the annexes: 95 Grand Avenue, Massapequa; and 50 Newbridge Road, Hicksville. The license fee is \$2.35 for a male or spayed female, and \$5.35 for an unspayed female.

Mrs. Ocker noted that if a dog has been spayed since its last license was issued, the owner should include a copy of the spaying certificate. Also, persons who receive a license application but no longer own a dog should notify the Town Clerk's office so their name will be removed from the mailing list.

"The license and tag serve to protect both the owner and the dog," Mrs. Ocker commented. "The tag serves as identification if the animal strays or is injured, and the license verifies ownership."

Fire Report

Hicksville Firefighters responded to 62 alarms during the period Nov. 7 through Nov. 18. There were 8 malicious false alarms, 35 fire calls, and 19 rescue calls.

Fire again caused considerable damage to the vacant dog kennel at 302 W. John St. The alarm came in Nov. 9 at 8:01 p.m. and was brought under control in 20 minutes. The fire was suspicious in origin and fire officials are investigating.

On Nov. 12, Hicksville Vamps are called to assist the Jericho F.D. One Engine Company and one Ladder Company responded. The fire was located in the new Woolco store in the stock room.

FIRE WARNING

Hicksville fire officials wish to advise residents that caution is advised parking over accumulations of leaves. During the past week, several fires in the County were attributed to hot exhaust systems or carelessly discarded cigarettes.

A fire such as this can go undetected and flames can impinge on the vulnerable undersides of motor vehicles. The new catalytic converters on new cars reach high temperatures and quickly set dry leaves afire in minutes.

This past week five cars were destroyed in a spectacular fire on the Hofstra University campus in Hempstead. The accumulation of dry leaves under the vehicles caught fire and set the vehicles on fire.

Dear Friends:

IT IS OUR PLEASURE, over this Thanksgiving weekend, to extend best wishes to all our readers, especially to those active in our community in their continuing effort to "make this a better town". The fact that there are so many of you is one of our reasons for being thankful.

Granted there are many problems... always were and always will be, when growth of an area is involved. Granted that we cannot always agree. However, even in disagreement, if we continue to work together to improve our little part of this globe, we will be growing in the right direction.

If you haven't been involved in some aspect of community life, why not take on some community activity? There is much to choose from... and, as the old saying goes, "Many hands make light work." We are sure that wherever your interests guides you, you will find those already active, glad to have your help.
Happy Thanksgiving.

SHEILA

Financial Counseling Service For Seniors

To help senior citizens beset by financial problems, Family Service Association is offering a new service, believed to be the first in the United States. The Senior Financial Counseling Service, opening on November 20th, will provide trained counselors to go to the homes of Nassau residents aged 60 and over, or to meet with them in agency offices in Hempstead, Bellmore, and New Hyde Park.

"The continuing inflation hits senior citizens most drastically," according to Robert Sunley, Associate Director of FSA, who is in charge of the new service and also directs the agency's Debt Counseling Service. He commented that, "in addition to the financial stresses experienced by many families, senior citizens have special problems with Social Security, Supplemental Security Income, Medicare, Medicaid, property taxes, debts, and insurance. Many women in the senior citizen group become widowed and find themselves confused by the complexities of money management, previously handled by their husbands."

"No fees are charged for this service, and there is no maximum or minimum income requirement," according to Barbara A. Dank, the newly-appointed Coordinator of the

Senior Financial Counseling Service.

An Advisory Committee has been appointed to provide consultation and advice to the staff. Committee members include Sidney Margolius, syndicated columnist and author of numerous articles and books on family money management; Vincent Mutari, attorney and member of the Board of Directors of FSA; Robert Parker, a retired bank vice-president; Gloria Barry Brewster, home economist with the Nassau County Cooperative Extension Service.

This program is made possible by funds from the Federal Older Americans Act through the New York State Office of the Aging and the Nassau County Department of Senior Citizen Affairs.

Family Service Association is a multi-service, nonprofit social agency serving Nassau County residents regardless of race, religion, or income. FSA is a member agency of the United Way of Long Island, Garden City Community Fund, the United Community Chest of Port Washington, United Fund of Manhasset, Association of Roslyn Estates, Inc., and Health and Welfare Council of Nassau County, Inc.

Food Stamp Information

Food Stamp workers from the Nassau County Dept. of Social Services will be distributing information about food stamps at Our Lady of Mercy Church Annex, lower level, 500 South Oyster Bay Rd., Hicksville, on Tues., Nov. 28 from 9 a.m. to 12 noon.

Persons eligible for food stamps can buy a specified amount of coupons for less money than they are worth in food

purchases. Eligibility is based upon family size and monthly net income.

Food Stamp applications are accepted daily from 9 a.m. to 4:45 p.m. at Nassau County Dept. of Social Services Administration Building, County Seat Dr., Mineola, first floor.

For complete information about Food Stamp eligibility telephone the Social Service Food Stamp Unit, 535-3630.

"For the good that needs assistance
For the bad that needs resistance
For the future in the distance
And the good that we can do."

Letters To The Editor

TO the Supervisor Joseph Colby and all the Councilmen of the Oyster Bay Town Board of the Oyster Bay Township, New York.

C. O. Councilman Thomas Clark:

The homeowners and taxpayers which I represent oppose the Town Board's thinking concerning

The Elimination of the present Sanitation Department and turning it over to any private carting firm.

The homeowners and taxpayers including myself experienced these conditions in 1951 with the Oyster Bay Township. After all the effects experienced, the Sanitation Department was

developed. The Township people, homeowners, and taxpayers are very pleased with the present Sanitation Department except for a few minor complaints which could be corrected if the proper authorities would do their jobs.

I request in writing to be notified and put on the Town Board Agenda, and given sufficient time to get petitions signed opposing the eliminating of the present Sanitation Department and turning it over to any private carting firm.

I notified the Oyster Bay Town Board by telephone the first day the article appeared in the Newspaper.

I also want to thank you Councilman, Thomas Clark for the telephone conversation we had Thursday evening on October 26, 1978 in which you asked me to write this letter. I also told you I am willing to offer my help to the Oyster Bay Township. I have always been active in civic duties trying to keep the taxes down and to better the community. You can look up the past records.

Please issue a Public Notice of this hearing and inform me in writing of the time and place it is being held.

Very truly yours,
s/ William E. Still
20 Edgewood Drive

Promotions At Marine Midland

Chairman Edward W. Duffy and President John R. Petty today announced five senior management promotions and elections at Marine Midland Bank.

Eugene T. Mann, 48, group executive vice president, has assumed additional senior management responsibilities. Trust, corporate relations, human resources, mortgage and real estate now report through him, in addition to his continuing responsibility for regional administration and operations.

Thomas F. Donovan, 45, executive vice president for corporate banking, is promoted to group executive vice president, responsible for both corporate and international banking.

George H. Burns, 54, is elected executive vice president and chief financial officer of Marine Midland Bank and its parent company, Marine Midland Banks, Inc., effective November 27, 1978.

Edward J. McLeod, 39, senior vice president-operations becomes executive vice president with continuing direct responsibility for operations.

Walter W. Brown, 39, vice president and general auditor, becomes senior vice president and general auditor in charge of the bank's audit and loan

examination activities.

Mr. Mann, a graduate of Holy Cross College, has been a group executive vice president since the statewide Marine Midland Bank was formed in January, 1976. He joined Marine Midland Bank - New York in 1968, was elected a vice president in 1966, promoted to senior vice president in 1970 and executive vice president in 1971. He transferred to Buffalo in 1973 as executive vice president of the parent company, Marine Midland Banks, Inc., and senior operations officer of the statewide banking system.

Mr. Donovan is a graduate of St. John's University and has a masters degree from Columbia University Graduate School of Business. He joined Marine Midland Bank - New York in 1957 as a management trainee. He was elected a vice president of the New York bank in 1968, a senior vice president in 1971, and an executive vice president in 1973. In the statewide consolidation of Marine Midland in 1976, Mr. Donovan was named executive vice president of the bank's National Banking Division. In 1977 his responsibilities were broadened to include international corporate banking. He now has added responsibility for all international banking.

Mr. Burns, a cum laude

graduate of the University of Notre Dame and a Certified Public Accountant, comes to Marine Midland Bank from Bunker Ramo Corporation in Oak Brook, Illinois, where he was vice president and treasurer. He has had extensive international and domestic accounting experience serving previously as controller of Lorillard Corporation, now a division of Loews Corporation, and also with Uniroyal, Inc. and Deloitte Haskins & Sells.

Mr. McLeod, a graduate of San Francisco State University, has been senior vice president in charge of operations for the statewide bank since 1976. He joined Marine Midland Bank - New York in 1967 as a management trainee. He was elected a vice president in 1971 and a senior vice president in 1973.

Mr. Brown, a graduate of Southern Illinois University and a certified public accountant, joined Marine Midland Bank in 1976 as vice president and general auditor. Prior to that he served as audit manager in Price Waterhouse & Co's St. Louis, Missouri office.

Marine Midland Banks, Inc. is a one-bank holding company with assets of \$13.6 billion. Its principal subsidiary, Marine Midland Bank, has 300 offices in New York State and 27 offices in foreign countries.

Around Our Towns

Lynda Noeth Scott - 796-1286

Harriet A. Maher - 433-5994

Congratulations to two popular Hicksvillians, Jim and Dolores Cummings (she's prettier), who celebrate their 32nd wedding anniversary this Thanksgiving Day. May you have many more...

Timothy R. Lynch of HICKSVILLE celebrated his birthday on Nov. 15 and his son, Timothy N. Lynch celebrated on Nov. 22. Mr. and Mrs. R. Lynch of HICKSVILLE are celebrating their 31st anniversary on Nov. 30. Happy birthday and congratulations to all.

A "Welcome Home Party" was held for Gary Lech at the home of his parents, Mr. and Mrs. Chester Lech of Division Ave., HICKSVILLE.

On hand to greet Gary were his parents, his grandmother, Mrs. Mildred Cournoy, and his brothers, Winston, Bradford and Grant.

Gary has achieved many goals in life.

He has an Associate Degree from Farmingdale University and an Engineering Degree from the University of Tucson.

He now resides in Santa Barbara, California and has a position with Santa Barbara Research Center.

Gary will be staying with his

family for the Thanksgiving Holiday and to celebrate his brother Bradford's 17th birthday.

We hope he enjoys his stay here in Hicksville.

Walter and Naomi Baldwin has just returned from two months in North Fort Myers, Florida. While there, they bought a double mobile home in Buccaneer Estates on old Route 41, North Fort Myers.

They have sold their home on Harrison Ave., in HICKSVILLE, where they have lived for 30 years. Walter and Naomi would appreciate any addresses of former Hicksvillites in the Tampa-St. Petersburg-North Fort Myers area.

Walter has retired from Grumman Aerospace Corp. after 33 years of service. He has been a fireman since 1942 and Naomi is a member of the Ladies Auxiliary.

Congratulations to Glenn Sklar, son of Marjorie and Barrett Sklar of PLAINVIEW. He received his Bar Mitzvah on Sat., Nov. 4 at the Midway Jewish Center in Syosset.

William Klein of HICKSVILLE received his Bar Mitzvah on Sat., Nov. 18 at the Midway Jewish Center, Syosset. His proud

parents are Madeline and Melvina Klein.

What a happy Thanksgiving was spent at the Kremler household. Francis Kremler, with his 6-year old son, Adrian, and 4-year old twins, Gabriel and Zachariah, drove down from British Columbia to be with the family for this holiday. Round trip they will have covered 3,500 miles when they return to their home in Canada. This branch of the family owns 55 acres of land; 15 acres are under cultivation; there are 3 waterfalls, mountains, valleys and a river on their land. Francis' parents, Ann and Frank Kremler of Hicksville, had a full house for the holiday - all told about 17 people shared the "groaning board."

We were so happy to hear that Bobby Jackson is feeling fine after his recent accident. Bobby was hit by a car on the corner of Old Country Road and Newbridge. Fortunately, he only received a glancing blow and sustained minor bruises. Bobby lives in Hicksville with his mother, Jean, and brother, Michael. They were so relieved to learn that Bobby wasn't seriously injured.

A Message From Sup. Colby

Last month the Town budget was adopted assuring that the General Town Tax rate would be held at the same level for the third consecutive year.

Last week I said that the General Tax for Nassau County must also be held down to its current level. I said that I would work with other members of the Board of Supervisors to make cuts in the County budget so that instead of a 75 cents per \$100 assessed valuation increase for 1979 there would be no increase.

The reaction of union leaders and some administrators in Nassau County government was far from productive. Instead of realizing that the statement issued by Hempstead Town Presiding Supervisor Al D'Amato and myself was a Statement of fact - "We will not approve a General County Budget that raises taxes" - they reacted as if it were meant as some sort of threat.

To put it simply, they immediately started making public statements about 2,500 workers being fired and up to 10,000 county employees being affected. They talked about chaos in government and elimination of vital services. They reacted as if our position would bring the plague to the County. They attempted to oversimplify the budget procedure and acted as if the only way I could cut \$25 million from the County budget was to take a meat axe approach by eliminating \$25 million worth of County employees whether those employees were needed or not.

Instead of attempting to scare people into thinking that the only way we can hold the line on the County General Tax is to disrupt County services, I have suggested other areas where cuts would not eliminate jobs.

Cuts are never easy. They weren't easy when I made them

in the Town Budget and they won't be easy to make in the County Budget. But, I believe County officials and the union leaders should accept, as fact, my position that the General County Tax will not be increased. I would like to see them start looking seriously at my suggestions that: 1. proposed increments and raises be eliminated thus saving almost \$5 million; 2. salaries be reduced on a graduated scale, similar to income tax where higher percentages are levied on higher salaries; 3. the possibilities of placing some employees on a four day work week at 80 percent of their current salary be explored.

There are probably many more ways of cutting back without eliminating necessary employees, but everyone must recognize that "no tax increase" is a fact and, therefore, cooperation will do more good than threats.

Raises \$40,000 For Arthritis Foundation

The Fourth Annual Margolies Dinner and Fashion Show held in the Crest Hollow Country Club in Woodbury last week raised \$40,000 for the benefit of the Long Island Arthritis Foundation. Mr. and Mrs. Neil Margolies of Huntington arranged and sponsored the event.

According to Mrs. Margolies the money represented an increase of \$22,000 over a similar event of last year also sponsored by Mr. and Mrs. Margolies.

The Empire Ballroom of the Country Club was filled to capacity with guests from all over Long Island who had come to support the work of the Arthritis Foundation at the request of the Margolies who have been working in behalf of the Foundation since their nine year old son contracted juvenile rheumatoid arthritis four years ago.

A special event of the evening was the presentation of an award plaque to Mrs. Margolies noting her exceptional devotion to work of the Arthritis Foundation.

The evening's entertainment featured fashions from the Men's Fashion Institute of America and She's Boutique of Bellmore and She's North of Woodbury. Also the music of Danny Frank's Four Guys.

The program also featured guest speakers Robert M. Marcus, M. D.; Louis H. Tiger, M. D.; Robin May, director of special services of the New York Arthritis Foundation and Ronald

J. Warfield, chairman of the Long Island Arthritis Foundation who presented the welcoming remarks.

Raffles and prizes represented the kindnesses of many Long Island merchants with special gifts made possible through the courtesy of Sun Flight Holidays Travel, Inc., Mr. and Mrs. R. Silverman of Woodbury and Stanley and Son Jewelers of New York.

Cub Scout Pack 293

Pack 293 is recruiting boys between the ages of 8 and 10 to join its ranks. Boys graduating from the Pack at age 11 can go right into Troop 293 and continue in the scouting movement with their friends. The Pack and Troop have an established history in Hicksville. The groups are sponsored by the United Methodist Church located at Nelson Ave. & Old Country Road

in Hicksville. The Pack is also looking for a Den Mother to conduct meetings for new boys coming into the group.

If you are interested and want more information, come to the Pack Meeting at the church at 7:30 p.m. on the first Thursday of each month or call Cubmaster Wes Villazon (433-3742) or Chairman Gerry Flynn (822-7734) in the evening after 8 P.M.

Tax Workshop

Two more in a series of free IRS tax workshops for small business owners in Brooklyn, Queens, Nassau and Suffolk will be held on November 28 and 29, one in Nassau and one in Suffolk.

George Alberts, IRS director for the four counties, urges all small business owners who need basic tax information to attend. "We held two well-attended workshops in September, and the comments we've received indicate that the participants generally found them very useful," Mr. Alberts said.

Each workshop, which will be divided into two segments, will cover the same topics as those previously held. The first segment covers the tax obligations of the basic types of business organizations, business tax returns, recordkeeping, and various IRS functions. The second concentrates on employment taxes and also provides those who plan to prepare their own tax returns with an opportunity to work on practical examples.

The Suffolk workshop consists of two evening sessions, each 7 to 9:30 p.m., with the first segment to be given on November 28 and the second on November 29. The sessions will be held at the Legislative Auditorium, Veterans Memorial Highway, Hauppauge. The Nassau workshop is an all-day session scheduled for 9:30 a.m. to 4:30 p.m. on November 29 at the IRS training center.

Those who wish to attend either workshop may register by calling Ray Silano at 212-330-7143, or Dolores Muscarello, 516-294-3684.

CUMMINGS 'N GOINGS

By Jim Cummings

WEDDING BELLS: Ellen Tietjen of East Carl Street, Hicksville, became the bride of Michael Thomas last Sunday at St. Ignatius Church at 5 P.M. A reception immediately followed at the Joseph Barry Council, Knights of Columbus for 200 guests ... The couple are on a honeymoon in Aruba, down in the Islands ... The bridegroom is the son of Joseph Thomas and the lovely, Ellen, is the daughter of Ellen and Wes Tietjen, two of Hicksville's active members of

the Charles Wagner Post American Legion... Ellen is employed by the Long Island Railroad and hubby, Michael owns his own business in Huntington, best wishes.
DID 'YA KNOW: When it comes to Hicksville and mention Rudy Bouse, everyone knows the time and effort put into community activities, namely the Red Cross over these many years, by this fine gentleman ... John Steele, vice-President of the Hicksville AOH has been ap-

pointed Deputy National Chairman of Catholic Action, we commend Tom Mc Nab, National President for his foresight - John has been one of our dedicated workers and State Chairman of the Right to Life movement - congrats... Father Francis Garbanzo, Associate Pastor of the University of the Philippines makes his home in Manila, at present he is assisting with the Masses at St. Ignatius Church, of which Father Harrer, is pastor ... We hear it was a happy 30th anniversary just recently for our neighbors Jack and Grace Halcott ... John Bownes, who chaired the 1st Nassau Feis of the AOH will handle the honors for 1979, after a year off-duty - John is with LILCO Maintenance operations in Mineola... Chatted with Patrick F. Caputo recently - he is the President of Nassau Reliance Utilities on West John Street, Hicksville - Pat and your reporter go back to the 50's when he served as President of the Hicksville Chamber, the Oil Heat Institute, just to name a few of his endeavors to ... Al Rogers, Jim Crimmins, Bill Kovat and Father Galloway of St. Paul the Apostle are home from the hospital, ... Here's hoping your Thanksgiving was the best

ANOTHER FIRST: George Phillips decorator accessories and floral designs will have their Grand Opening next Tuesday, Wednesday - Thursday, November 28-29-30 at 153 Broadway, adjacent to the south side of Hicksville ... People are just amazed at what a transformation has occurred to this building-life-like plants, hanging baskets, glass and pottery are just a tip of the iceberg for this floral creation center - we welcome you to Hicksville and invite our readers to stop by they are open now.

The first motion picture copyrighted in the U.S. was of a man sneezing. The year was 1894.

Members of the DRUCKER TRIO, Stanley Drucker (left), Blanche Abram (middle) and Naomi Drucker (right) discuss the music for their concert at the Plainview-Old Bethpage Public Library on 999 Old Country Road in Plainview on November 26 at 3:00 pm. Stanley Drucker is the solo clarinetist for the New York

Philharmonic Orchestra. Wife, Naomi is one of the nation's leading women clarinetists. Blanche Abram is a well known soloist and chamber music artist. The Nassau County Office of Cultural Development is sponsoring this performance. Admission is free.

A Christmas Alternative

Members and friends of the Hicksville United Methodist Church joined together to make Advent Wreaths last Sunday evening. Methodists are seeking alternative celebrations for the Christmas season. Believing there are still values in the old traditions that need to be renewed and revised for modern life. Christmas is being pillaged by commercial greed, we need more options for families to celebrate with eloquence and natural dignity the birth of our

Lord. There are other values more important that need to be remembered and celebrated. Advent wreaths have four candles. Three purple for Sundays preceding Christmas and a pink for Christmas Eve. Greens symbolize new life and the circle of the wreath signifies the eternal love of God. Booklets were supplied to provide simple liturgy and scripture so that one or more persons may participate in celebrating the lighting of each Advent Candle.

Holiday Program

The Hicksville and Plainview Garden Clubs will co-sponsor a special holiday program on Monday, Nov. 27th at 8 P.M. at the Hicksville Library on Jerusalem Avenue.

featuring Christmas decorations in the home. Guest fee \$1.50. Refreshments will be served.

Mrs. Robert Renac will present "Share Your Holiday Spirit"

News Briefs

Speaker's Bureau

A "Speaker's Bureau" has been formed to help educate the public to the facts of Multiple Sclerosis here in Nassau County.

The Bureau, comprised of an informative staff with greatly diversified backgrounds, is

equipped to discuss the multifaceted aspects of MS.

Interested parties may arrange for a program and the Bureau will provide speakers, film and literature.

Multiple Sclerosis, a progressively disabling disease of the central nervous system, affects over 800 adults between

the ages of 18 and 45 here in Nassau County. At present there is no

known cause or cure. The Nassau Chapter in Roslyn Heights provides patient services and raises funds for continued scientific research.

For further information, contact the Nassau County Chapter for Multiple Sclerosis at 621-8663.

Leora Hadassah

Plainview and Leora Hadassah will sponsor a Flea Market and Bazaar on Sat., Nov. 25, from 7:30 p.m. to 11 p.m. and Sun., Nov. 26 from 10 a.m. to 4 p.m. at the American Legion Hall, Nicholas St., Hicksville.

chandise to help you start your holiday shopping.

Leora Hadassah will hold its monthly meeting on Nov. 23 at 11:30 a.m. at Temple Beth Elohim, Round Swamp Rd., Plainview. There will be a fashion show and Chanukah Gift Shop.

There will be all new mer-

"FRIENDLY FIRE" (Continued from Page 10)

advised consumers not to cut corners in purchasing stoves, insulated stovepipe and in having the unit installed. "For peace of mind and the safety of your family, consult an expert," he said.

"Another hazard associated with wood stove operation is a chimney fire resulting from build-up of creosote in stovepipes or flues," Dr. Whalen said. "Creosote, one of the by-products of wood-burning, builds up in the stovepipe or flue and can cause serious problems. You can check this out by periodically tapping the exterior of the stovepipe with a metal object. The sound will change from a metallic ping to a dull thud if creosote has built up within the pipe."

Because of their operation, airtight stoves will create more creosote, the commissioner noted. Experts recommend burning a hot fire for 15 to 30 minutes daily in a woodstove to allow creosote to burn off in small amounts and thus eliminate build-up problems. Green or wet wood will produce more creosote, he added. Green wood also can cause corrosive deposits to form in the stove and flue which can result in metal deterioration.

Dr. Whalen said that both stove and flue should be examined periodically for signs of deterioration and any defective parts or equipment should be replaced immediately. He added that ashes cleaned from the stove should be stored in metal containers outdoors and not left in containers near the stove.

"It is important to remember that most wood stoves are designed primarily to burn wood and other substances such as coal

REHABILITATION

(Continued from Page 9)
number of alcohol-related convictions among drinking drivers in the Program decreased drastically from 10,081 in the six months immediately prior to treatment to only 213 in the six months immediately after treatment. The number during the time they were actually being treated was 12. Of a group of drinking drivers identified by the Program and referred for special help, 2,642 convictions in the prior six months were reduced to 95 in the six months subsequent to treatment; during the treatment period the number was 5.

Another area of significance is the reduced number of accidents in which drinking drivers are involved. Among groups of drivers who had completed the Drinking Driver Rehabilitation Program the number of accidents was reduced from 5,414 in the six months prior to treatment to 1,569 in the subsequent six months. And because it stresses safe driving practices, the Program has demonstrated a positive effect on all driving behavior.

Despite these statistics, no one can say how many lives have been saved as a result of the Drinking Driver Rehabilitation Program, but each life is precious. It may be enough to point out that last year alone 439 people died in automobile accidents where alcohol was a factor.

should not be added to a fire indiscriminately, unless the stove is designed for multi-fuel use," the commissioner noted.

As a final safety reminder, Dr. Whalen said: "Remember, always keep all combustibles such as clothing, curtains, boxes or firewood a safe distance from the stove. Make sure the stove is far enough away from combustible walls. It is also advisable to install a fireproof barrier between the wall and the stove."

The barrier, made of asbestos wallboard or slate, should be mounted on the wall with a one-inch air space to allow for circulation. As anyone who has a wood stove will tell you, even a small unit can generate a surprising amount of heat which can present a real hazard if proper precautions are not taken. Before installing a wood stove, check local fire ordinances and consult your insurance agent," Dr. Whalen added.

Galileo Lodge News

By Joe Lorenzo

The Fashion Show held by the Ladies Auxiliary on Thursday, the 16th of November, was very successful. The Galileo extends its sincere thanks to this group and to the committee which was responsible for the presentation of this show. The committee heads were Jo Ann Wallick, Rose Riccardi and Mary Monteforte.

As the season for merry songs and jingle bells approaches, so do the activities of the Galileo Lodge, which are certainly in harmony with this so very special time of the year. I am referring, of course, to the Christmas Dance of the Lodge which is to be held on December 2, at our quarters. The price of admission for this affair

is \$7.50 per person, featuring music, food and holiday merriment. Contact Skip Monteforte, the chairman, at 931-5351. The Christmas parties for the retarded children of Hicksville and the one for the children of the membership also are in tune with the Yuletide spirit. Although these two parties are more or less associated with the holiday mood, the human aspects of these two affairs are such that even the most conspicuous adjectives could not do them justice. The chairmen for these two Christmas events are Jim, Rerisi and Joe Ianotti.

To keep things moving, the Galileo Lodge will hold its annual New Years Dance. Price of admission for this affair will be \$22.50 per person, featuring dancing until the late hours of the morning dinner and a Continental Breakfast. This affair always draws favorable comment because it is an economy-minded package that is seldom met by another facility engaged in the field of entertainment and happytimes. For additional information, please call the the Lodge at 931-9351, or perhaps wait for additional information in this column. Considering what is offered here, How can you do better elsewhere?

Another program aimed at attracting new members to join the Galileo Lodge is being readied, and around the first week in December another openhouse will be held. Food and refreshments will be served and a few short get-acquainted sessions will be held in order that prospective new members be given the opportunity to absorb the principles, goals and aspirations of the Galileo Lodge. In last weeks column we mentioned the Galileo Lodge's

Catholic Rights League Launches Local Chapter

"Finally, Catholics are learning that they must become organized to protect their legitimate interests and basic rights as citizens." This was the core of the message delivered by Rev. Virgil C. Blum, S.J., to the officers of the four newly formed chapters of the Catholic League for Religious and Civil Rights. Installed at festive ceremonies held at St. John University, these officers head League chapters in Nassau-Suffolk, Brooklyn-Queens, Staten Island and Westchester.

Rev. Blum, who founded the Catholic Rights League, explained that the establishment of these chapters "is another milestone in the growth of the League." He said that the League started in 1973 and now has more than 25,000 members. Aim of the Catholic Rights League, an independent association of laity,

clergy and religious, is to serve as an anti-defamation and Civil Rights association.

The four chapters are the first in New York state and were organized by Bro. Thomas P. Draney, C.F.C. Representatives from other League chapters attended the establishment and installation ceremony. Also attending were high civil and religious authorities and representatives of civic and fraternal organizations.

Nassau chapter officers are Michael J. Amenta, Port Washington, President; Anton K. Dekon, Manhasset, Vice-president; Eileen Conway, of Massapequa, Secretary and Paul F. Sander, Seaford, Treasurer. As their first item of business, a general chapter meeting is planned for late Fall.

Disco-Dance

pleas to all members of the organization to get themselves interested in the various committees which are now undermanned. We wish to take this opportunity to once again voice this suggestion of the Lodge, to all members who are not part of any committee.

The Galileo Lodge and its membership takes this opportunity to extend to all its patrons, friends, leaders and members of the Hicksville community a Happy Thanksgiving, and it also hopes that every day will be a day of giving thanks to this great country that affords us the right to live and work as we choose.

On Saturday night November 25, the Young Couples Club of the Plainview Jewish Center will be holding their Third Annual Disco Dance at the Temple at 9:00 P.M.

Music from the last 25 years will be played by Murray the K's Disco On Wheels and the evening will also feature a magic act. Prices are \$16.00 a couple for members of the club and \$21.00 a couple for non-members. The price includes unlimited food and no tickets will be sold at the door. Cost of membership for the 1978-79 year is \$18 per couple.

For reservations or information about the club call Bernie and Judy, 822-6796 or Phil and Suzanne, 938-0324.

GIGANTIC CHRISTMAS BAZAAR

CLIP & SAVE

"Silver Dollar Saturday"

The Reynolds Aluminum Recycling Company will hold two "Silver Dollar" recycling contests on Saturday, December 2 - from 9 a.m. to 12 noon and immediately following, from 12 noon to 4:30 p.m. - at the Reynolds Aluminum Recycling Center at 73-A Bloomingdale Road in Hicksville.

Silver dollar cash prizes of \$25, \$15 and \$10 will be awarded at each contest to Long Island individuals and organizations which that day bring in the most pounds of recyclable aluminum in ad-

dition to the 17 cents-per-pound rate normally paid for aluminum beverage cans and other household aluminum. In addition, Reynolds T-shirt iron-on patches will be awarded to each contestant recycling 20 or more pounds of aluminum throughout the day.

Reynolds Aluminum Recycling Company pays 17 cents per pound for all-aluminum beverage cans and other clean household aluminum such as pie plates, foil, frozen food and dinner trays and dip, pudding and meat con-

tainers. Certain other items, including aluminum siding, gutters, storm door and window frames, and lawn furniture tubing are also worth 17 cents per pound. This aluminum must be free of all foreign materials, cut to lengths not exceeding three feet and should not be mixed with cans.

The Hicksville recycling center purchases aluminum from the public every Thursday and Friday from 1 to 4:30 p.m. and on Saturdays, from 9 a.m. to 4:30 p.m.

Operation VFW

By Lou Palladino

At the last meeting we had a visit from Bill Ward, for the benefit of those who don't know Bill. He is Sr. Vice Commander of the New York State, he has been a friend to our Post for many years, and we have always tried to be of some help to him, whenever it was possible. He made a small talk, the usual stuff glad to be here and all that. You just have to know he stressed the subject on membership. While on the subject of membership, dues are in order now last year we set a goal of Dec. 31st, and we didn't make it until Jan. This year we will try again. We have a good start now it is up to you fellas to make a go of it. Please help us to achieve our ambition, we are waiting for your remittal.

Two more young tigers became members of our Post, Alan Moran of the Viet Nam conflict and Joe Snopce a transfer from Maine, who was in both Korea and Vietnam. We welcome you both to our great Post, and hope you enjoy our activities. These are the young men who must take over our Post sooner or later.

Don't forget to let Mike Monteleone know as quickly as possible if you are sending your child to the Circus. At the last

hearing they still have seats available. Mike would also like to know if you are bringing your children, or grandchildren to the Christmas party on Dec. 17th. If so give him the needed information. It's the only way he can do a good job.

Frank Lotti reports our Christmas Party for Dec. 16th will be \$10.00 a head for members and their wives, or girlfriend and also our Aux. members and her escort. The New Years Eve party will be \$25.00 per person. That affair is for members and their friends. Frank also reported on the Oktoberfest which was a huge success, with plenty of food and drink. It was a great party.

Al Vitiello reported our Dinner Dance, which is our Charter Night will be held on Feb. 17th, 1979, at this time is all the information I can give.

Al Martin reports on the Honor Guard sounded like they are really getting around. Al is a modest guy and he minimizes the effort put in to get around so much.

Now more data on the External High School diploma, you got the facts on the first session. You know, the one with the paragraph on a subject you are familiar

with. The second appointment was all simple arithmetic, with some percent thrown in. None of it is hard, the third sitting was also simple. Except for a little more simple Math. All the questions had answers written, you just had to find it and that wasn't hard either. The fourth sitting was actually no sitting at all. You were told the first phase was complete, and to start on the second. So far so good nothing hard yet. Incidentally when given these tests, you are alone, nobody to disturb you. The directors are near by in case you need help at anytime. You will hear more as it comes in. It's only to prove how easy it is.

Sorry to hear about Ray Darnowski having a heart attack, they say it was mild, but something like that you have to be careful. Take it easy Ray and get well fast. Rita Aug home from the Hospital and recuperating, good girl Rita, hurry up and get well, we all love you. Sy Goldbergs Ma-in-law was hospitalized and doing well.

Lucky winner at the last meeting, Erwin Meyers. He said it was beginners luck.

Next meeting will be Nov. 27th, come on over.

N.Y.S. Drinking Driver Rehabilitation

Three years ago, the New York State Department of Motor Vehicles began a new treatment approach for drivers convicted of drinking and driving offenses. The approach is called the New York State Drinking Driver Rehabilitation Program and it was inaugurated in October of 1975.

Motor Vehicle Commissioner James P. Melton recently announced that since then more than 50,000 drivers have participated, and with encouraging results.

This Program involves professionals from the fields of medicine, law and enforcement, and traffic safety, but is paid for by those people that it helps the most - the drinking drivers. The intent of the Program is to convince drivers to separate the two activities of drinking and driving in order to prevent the often fatal consequences. Drivers who appear to need special help with their alcohol abuse problems are identified during the Program and referred to professional alcohol treatment agencies for

evaluation and care.

Many of the convicted drinking drivers are granted conditional licenses. These licenses allow a driver to operate a motor vehicle to and from work, during work if his job requires it, and also for a three-hour weekly period for necessary personal driving.

Indications are that drivers with conditional licenses cooperate and become safer drivers, especially during the required treatment in which they participate. Figures show the

A "Friendly Fire" Can Turn Into A Menace

A crackling fire in a fireplace or wood stove can take the chill off a room in late fall or winter but this "friendly fire" can turn into a menace if a few safety precautions aren't followed, Dr. Robert P. Whalen, State health commissioner, said today.

"Wood stoves and fireplaces have gained popularity in recent years as homeowners attempt to supplement their main home heating source and lower their fuel bills," Dr. Whalen said. "There are an estimated 22 million fireplaces in use in American homes, with fireplaces

being installed in at least half the new houses, condominiums and apartments. Wood stove sales also are reported to be higher than ever," he added.

The commissioner offered the following safety tips to those who have fireplaces or who may be considering having one installed:

— Always make sure damper is open before starting a fire and check periodically to see that flue is clean of creosote which accumulates over the winter and is the principal cause of chimney fires;

— Don't overload fireplace with too many logs, discarded Christmas trees or piles of paper. Also, small logs producing lower heat are preferable for small and free standing fireplaces; in other words, choose your fuel to fit your fireplace;

— Place logs at rear of fireplace, preferably on a grate;

— If you use man-made logs, read the manufacturer's instructions carefully and follow them. Some of these logs contain substances which cannot be used in certain types of fireplaces;

— Never use more than one man-made log at a time and never add man-made logs, which are specially treated, to an existing fire made from natural wood or other materials;

— Use fireproof mittens when adding wood to the fireplace or stove;

— Don't poke or break apart burning logs, especially the manufactured kind, since hot wax may stick to your poker and drop to the floor or carpet, causing a fire;

— Always use a fireplace screen. You may want to consider the purchase of heat-treated glass doors which add an extra measure of safety and keep the heat in your home from escaping up the chimney when the fire has burned low;

— Never leave small children unattended near a fire;

— To extinguish a fireplace fire in an emergency douse the flames with plenty of sand, water or a chemical fire extinguisher.

Dr. Whalen noted that wood stoves have their own unique types of hazards. Location of the wood stove is crucial — it should be a safe distance from walls, furniture or other combustibles and should not block an escape route. The stove should be firmly positioned and placed on fireproof material such as asbestos covered with metal. This should extend at least 12 inches beyond the opening to catch burning embers. Dr. Whalen said there are a number of publications which explain the do's and don't's of installing a wood stove.

The commissioner added that flues or stovepipes should be installed with non-combustible collars and preferably straight, short runs of stovepipe should be used. The stovepipe also should be positioned so that it extends far enough above the roof to draw properly. The commissioner

Many lovely gift items will be featured at the Sale, along with books, jewelry, and a white elephant table.

Holy Trinity Church Shop has moved around the corner to Jerusalem Ave. in the Church Hall. You are invited to come and browse in the new shop on Wednesdays, from 1-3 p.m.;

Fridays, 10 a.m. to 12 noon; and on Sundays, from 11 a.m. to 12:30 p.m.

School Board Meeting

The Board of Education of the Hicksville School District will hold its next regular meeting on Wednesday, November 29, at 8:15 P.M., in the Board Room of the Administration Building.

LEGAL NOTICE

AMENDMENTS TO THE CODE OF ORDINANCES OF THE TOWN OF OYSTER BAY

CHAPTER 17 ARTICLE III PUBLIC PARKING DISTRICT BE IT ORDAINED, by the Town Board of the Town of Oyster Bay, County of Nassau, State of New York, that Chapter 17, "Motor Vehicles and Traffic, Article III Stopping, Standing and Parking," Division 4, Public Parking District, of the Code of Ordinances of the Town of Oyster Bay, New York, be and the same are hereby amended to read as follows:

DELETE: Sections 17-100, 17-101 and 17-102 in their entirety, and, in their place

ADD: New Section 17-100 Permit and Sticker Required for Restricted Parking Areas; Display of Sticker, Section 17-101 Resident Permits and Stickers; Application; Fees; Section 17-102 Permits and Stickers for Residents of Incorporated Villages; Application; Fees; of Chapter 17, "Motor Vehicles and Traffic" of the Code of Ordinances of the Town of Oyster Bay, to read as follows:

Sec. 17-100 Permit and Sticker Required for Restricted Parking Areas; Display of Sticker

No vehicle shall be parked or permitted to stand in any of the restricted parking areas unless a proper permit and sticker, bearing the number of the permit and the year or years for which the same shall be issued, has been obtained for the vehicle from the Town Clerk and the sticker is affixed and conspicuously displayed on the rear of the vehicle, as directed by the Town Clerk. The Town Clerk is authorized, three (3) months prior to the commencement of a permit year for residents of an incorporated village within the town, or a two (2) year permit period for town residents who do not reside in an incorporated village, to issue a permit and sticker for

LEGAL NOTICE

said permit year or two (2) year permit period, which permit and sticker may be validly used during said three (3) month period and through the ensuing permit year or two (2) year permit period.

Sec. 17-101 Resident Permits and Stickers; Application; Fees

(a) Any person who is a resident of the town, not residing in an incorporated village, may obtain a permit for parking in any of the parking fields by making a written application to the town clerk as license commissioner, which application shall be on a form and contain such information and be accompanied by such documents as the town board may require.

(b) The fee for a permit and sticker issued pursuant to subsection (a) shall be two dollars (\$2.00) for each two (2) year permit period. The first two (2) year permit period shall commence on April 1, 1979 and terminate on March 31, 1981. Thereafter, a new two (2) year permit period shall commence on April 1 of every odd numbered year. The fee for a permit issued after April 1 of any even numbered year shall be one dollar (\$1.00) and said permit shall be valid up to and including the following March 31. All current 1978 permits due to expire on February 28, 1979 are hereby extended up to and including March 31, 1979. No. 1978 permits shall be issued after December 31, 1978. The amount of fee for the permit period, or any part thereof, may be changed from time to time by resolution of the town board, pursuant to the rules and regulations adopted pursuant to this division. The required fee shall be paid before the issuance of any permit or sticker.

(c) The fee for the replacement of any permit issued under this section shall be one dollar (\$1.00). Sec. 17-102 Permits and Stickers for Residents of Incorporated Villages; Application; Fees

(a) All persons who reside in incorporated villages within the town, may obtain a permit for parking in any of the parking fields that are specifically designated for

LEGAL NOTICE

use by such persons, by making application to the town clerk as license commissioner, which application shall be on a form and contain such information and be accompanied by such documents as the town board may require.

(b) The fee for the permit and sticker issued pursuant to subsection (a) shall be twenty dollars (\$20.00) for each permit year. Beginning in 1979, a new permit year shall commence each April 1 and terminate each March 31. The fee for any permit issued after October 1 of any year shall be ten dollars (\$10.00) and said permit shall be valid up to and including the following March 31. All current 1978 permits due to expire on February 28, 1979 are hereby extended up to and including March 31, 1979. No. 1978 permits shall be issued after December 31, 1978. The amount of the fee for the permit year, or any part thereof, may be changed from time to time by resolution of the town board pursuant to the rules and regulations adopted pursuant to this division. The fee shall be paid before the issuance of said permit and sticker.

(c) The fee for the replacement of any permit issued under this section shall be one dollar (\$1.00).

BY ORDER OF THE TOWN BOARD OF THE TOWN OF OYSTER BAY
Ann R. Ocker, Town Clerk
Joseph Colby
Supervisor
Dated: Oyster Bay, New York
November 18, 1978
STATE OF NEW YORK,
COUNTY OF NASSAU,
TOWN OF OYSTER BAY) ss :

I, ANN R. OCKER, Town Clerk of the Town of Oyster Bay, and custodian of the Records of said Town, DO HEREBY CERTIFY that I have compared the annexed with the original Amendments to the Code of Ordinances of the Town of Oyster Bay (Chapter 17, Article III, Public Parking District), filed in the Town Clerk's Office and that the same is a true transcript thereof, and of the whole of such original.

In Testimony Whereof, I have hereunto signed my name and affixed the seal of said Town the 16th day of November, 1978
Ann R. Ocker
Town Clerk

D 4399-1T 11 23 PL.

Concerned about the deteriorating condition of downtown Hicksville, members of Trinity Lutheran Church, 40 West Nicholas Street, are shown cleaning one of Hicksville's municipal parking lots. The Reverend John H. Krahn, pastor of Trinity commented,

"Recently I toured a neighborhood in the South Bronx, upon returning to Hicksville, I was appalled to see evidences of similar deterioration, something is seriously wrong when a community like ours pays no great a tax rate and receives such little service."

HALLOWEEN AT ST. IGNATIUS: The First Graders in St. Ignatius Loyola School celebrated the Eve of All Hallows by staging the traditional "Saints' Parade." Each child

dressed as his patron saint and paraded through the school to the delight of their older schoolmates. After the parade, the "saints" and their parents enjoyed a short Halloween party in the school cafeteria.

Opening Ceremonies At Master Crafters

Commissioner Adelaide Attard of the Nassau County Department of Senior Citizens Affairs will preside at a ribbon cutting ceremony to welcome Master Crafters, a new innovative

service to the Nassau Community, on Friday, Dec. 1, at 12:30 p.m. Master Crafters is located on Haskett Dr., Syosset. Through combined funding provided by the public and

private sector, a permanent not-for-profit consignment shop selling exclusively the fine quality hand made items created by Nassau County residents 60 years of age and over, has opened

its doors.

The seniors artisans now have a needed opportunity to supplement their income and renew self esteem by having their work displayed for sale. Senior volunteers are involved in sales, record keeping and all phases of shop operations. The shop transmits a

message of vitality and creativity.

Master Crafters is a project of M.C.R. in cooperation with the American Association of University Women - Mid Island Branch and the Retired Senior Volunteer Program (R.S.V.P.) Advisory Committee.

AROUND OUR TOWNS

(Continued from Page 4)

Tom Kluck, son of Bob and Jo Kluck of Suggs Lane, Hicksville, has made the "elite" division at the Great Lakes Naval Training Center. Tom, who is an accomplished musician, has been given the opportunity to utilize his musical talents at the Center. Keep up the good work, Tom. Your family and friends are proud of you.

Guess who have recently

returned from a glorious vacation in Florida? It was the Dougherty family: Mom, Mary, and children, Pat, Barbara, Donna and Joseph, of Suggs Lane, Hicksville. They had a great time and enjoyed Disney World, Sea World, Buena Vista and many other tourists sites.

We bid a sad adieu to the Strick family of Hicksville. June and Tony and their daughter, Dawn, have moved to Missouri. They had been residents of our town for many years. Dawn, who was a

student at Hicksville Jr. H.S., will miss her many friends, but was quite excited about moving out west. Her best friend, Terri Rennert, of Hicksville, is planning on visiting Dawn during the 1979 Easter school vacation. At least that is what these two friends are hoping will be possible. Good luck to the Stricks in their new home and state.

Heard that Sal and Marge Mosca's son, Ralph, who is attending Davidson College in N.C., spent the Thanksgiving holidays

with his folks. Ralph is majoring in biology and hopes to attend graduate school when he completes his studies at Davidson College.

Best wishes for a very happy birthday to Susie Dolan. Susie now works and resides in Washington, D.C., but is a former resident of Hicksville. Her parents, Rosemary and Gene Dolan, are long-time residents of our town. They spent a marvelous Thanksgiving with Susie and their other daughter, Regina, who also is living and working in Washington, D.C.

Rennert, also of Hicksville. Bob was a smash hit as the "Red Baron," and Anne was all decked out for the "hunt." No, not a scavenger hunt, but a fox hunt. She was dressed in an adorable riding outfit, complete with hat, boots, pants and riding crop (borrowed from her daughter, Terri). A happy, jolly time was enjoyed by all the guests at the party.

Lee Ave. PTA

On November 15, Lee Ave. PTA provided an unique im-provisational program for grades 3 through 6. The program—"What I Want to be When I Grow Up"—included student participation and Mr. Zvanut proved to all the students, during the performance, that they were each an artist in some way or other. The performance was greatly welcomed by the students who were quite excited and enthusiastic about what they had learned.

Bob and Maria Hoe of Mayfair Lane, Hicksville, are just a couple of pussycats—that is they were dressed as pussycats at a Halloween Party they recently attended. They were simply the "cats meow" in their costumes—which were made by Maria. Maria is quite a seamstress.

Attending the same Halloween Party that Bob and Maria Hoe attended, were Bob and Anne

LEGAL NOTICE

PUBLIC NOTICE

HOLIDAY COOKIE HOUSE

COOKIE HOUSE

Materials Needed:
 2 rolls Pillsbury Refrigerated Sugar Slice 'n Bake Cookies
 Red tinted sugar
 3 - 15.4 oz. packages vanilla frosting mix or 6 to 8 cups homemade butter cream frosting
 Pressurized cake and cookie decorators (red and green) or pastry tube and tips and tinted frosting
 Cardboard box with top flaps (9" x 12" x 9")
 Heavy cardboard for roof (14" x 15")
 Masking tape

First Bake The Cookies:

1. **For Roof Shingles.** Slice one roll of the cookie dough into 50 slices (less than 1/4-inch thick); sprinkle each with red sugar. Bake at 350° for 8 to 10 minutes until light golden brown around edges. (Do not overbake.) Cool on rack.

2. **For Wall Bricks:** Slice 28 1/4-inch slices from second roll of cookie dough. (Refrigerate rest of dough.) Cut each slice in half. Bake as for Roof Shingles.

3. **For Front of House Decorations:** Slice remaining cookie dough into 1/4-inch slices.
Santa - Use two slices. Cut narrow strip from two sides of one slice, forming a triangle. Place triangle over one edge of whole slice for Santa's hat. Use two narrow strips for moustache. Add chocolate chip eyes and candy mouth. Bake and cool on rack. Frost hat and moustache with vanilla frosting, using a decorator tip, if desired. Sprinkle hat with red sugar.
Angel - Use one and a quarter slice. Cut narrow strip from two sides of full slice to form triangular body. Place cut-off strips at sides for wings. Roll 1/4 slice into ball for head. Place at top of triangle and add candy eyes. Bake and cool on rack. Outline body and wings with decorator writing tip.

To Make the House
 Cut the two longer flaps from box (reserve one for the chimney and the other for reinforcing). Shape

shorter flaps into triangles, cutting from top center of flap to corners of box, to form peak at front and back of house. Reinforce triangles on the inside by taping cardboard over the flap fold. Fold 14" x 15" piece of cardboard in half to form roof. Tape securely to house. From reserved flap, form and tape chimney, cutting bottom at same angle as roof. Tape to roof.

To Decorate

1. Prepare frosting. (Keep it covered as you work.) Spread frosting over sides of chimney. With red decorator, pipe on lines of frosting, using small writing tip, to resemble bricks. Spoon frosting around top of chimney to resemble snow.

2. Spread thick layer of frosting over sides and back of house. Press cookie "bricks" securely into frosting.

3. Spread frosting over roof. Starting at the bottom, arrange a row of red sugared cookie "shingles." Overlap remaining shingles in rows to cover roof. (Carefully press cookies into frosting to secure.)

4. Spread frosting over front of house. With leaf tip and green decorator, make door and shrubs. With small writing tip make window. Arrange decorated cookies on front. Press into frosting to secure.

5. Spoon remaining frosting on peak and around edge of roof to resemble snow. (If frosting becomes too stiff, add a few drops of warm water.)

Conservative Outlook

ELECTIONS SHOW CLEAR CONSERVATIVE TREND

By Congressman Philip M. Crane, Chairman American Conservative Union

If one thing is clear about the November 7th election it is that conservatives of both parties have good reason to rejoice. While old-line liberal leaders were being swept out of the Senate, virtually all conservative Senators and Congressmen continued to receive the support of their constituents. And what is even more important, a bevy of young dynamic leaders will be taking seats in the new Congress.

November 7th saw a vital infusion of new blood to the conservative movement and the anemic liberal cause was further drained.

The most notable victories were in the Senate. In the higher legislative chamber, old-line liberals were replaced by such clear thinking leaders as Roger Jepsen of Iowa, Bill Armstrong of Colorado, Gordon Humphrey of New Hampshire and Dave Durenberger of Minnesota.

Minnesota, in fact, provides a startling example of conservative success. Long a hotbed of American liberalism, voters there decided that they had enough of the big spending social engineers. For the first time in decades, they ousted the liberal crowd, electing more conserva-

tive candidates to the Governorship and both U.S. Senate seats. The proliferation of more-conservative Democrats is especially interesting. In both Minnesota and Massachusetts, liberal Democrats with party backing lost to primary challengers of a distinctly conservative stripe. A

conservative trend within the party of FDR should give heart to conservatives.

For many years, conservatism was the philosophy of a distinct minority of those in government. But the growing presence of leaders with a commitment to thrift and limited government is like a fresh wind blowing through a musty room.

(The American Conservative Union is located at 316 Pennsylvania Ave., S.E., Washington, D.C. 20003).

Our Armed Forces

Navy Builder Third Class Joseph A. Ericson, son of Richard J. Ericson of Elm St. and whose wife, Anna, is the daughter of Joseph J. and Martha Scarangella of Robert St., all of HICKSVILLE, has been promoted to his present rank while serving with U.S. Naval Mobile Construction Battalion Four, currently deployed to Diego Garcia, an island in the Indian Ocean. His Battalion is homebased in Port Hueneme, Calif.

He joined the Navy in February 1976.

Marine Sergeant James M. Amarosa, son of Victor J. and Constance Amarosa of Gilbert Lane, PLAINVIEW, has reported for duty with 2d Assault Amphibian Battalion, 2d Marine

Division, Marine Corps Base, Camp Lejeune, N.C.

A 1973 graduate of J. F. Kennedy High School, he joined the Marine Corps in October 1974.

Marine Sergeant Kevin S. Quinn, son of Edward J. and Peggy J. Quinn of Acre Lane, HICKSVILLE, has been promoted to his present rank and reenlisted for three years while serving at Headquarters and Service Battalion, Marine Corps Base, Camp Lejeune, N.C.

A 1974 graduate of Hicksville High School, he joined the Marine Corps in April 1974.

Shoppers Trip

The Mid Island Multiple Sclerosis Auxiliary will sponsor a Shoppers Bus Trip to Orchard St. The trip will take place on

PEP Program Launched

Health educators are always interested in finding new and creative teaching tools which will appeal to today's youths. With this mind, the National Foundation-March of Dimes and the Bank Street College of Education in New York City designed the unique PEP (Pre-Parenthood Education Program) kit. PEP contains materials dealing with health care, preparation for childbearing, and maternal nutrition, which are easy to read and relevant to the needs and interests of today's teens. The colorful comic books and posters make it an attractive package

Wed., Dec. 6, with the bus leaving the Morton Village Shopping Center in Plainview at 9 a.m.

The donation for the trip is \$6.00.

For further information call WE 1-2878.

which has already been applauded by teachers testing it in pilot programs on Long Island.

To afford educators and health facilitators the opportunity to preview the program kit, the March of Dimes is offering a PEP workshop on Thursday, December 14th, at 3:45 PM, at the Long Island Chapter Headquarters-2 Robbins Lane in Jericho. The kit materials will be on display and an accompanying slide presentation will be shown. The cost of the kit is \$30, but the Long Island March of Dimes will provide one free kit to each school or institution represented. Coffee and cake will be served, and the March of Dimes urges anyone interested in adding "PEP" to their health curriculum to plan on joining them for the workshop on December 14th. For more information, call Mrs. Leni Scheiner at (516) 433-7000.

Open House

The Hicksville Cooperative Nursery School located at the United Methodist Church, a non-profit, non-sectarian parent co-op, will hold an open house for interested parents and their nursery school age children on Monday, Dec. 4 from 10-12 A.M. and on Tuesday, Dec. 5 from 1-3 P.M.

The Open House is an opportunity for youngsters between the ages of 3 and 5 to have a morning of nursery school activities directed by the school staff as well as a chance for the parents to meet the teachers and observe the program. Classes are now being set up for January, 1979.

For more information call Ms. Miller at 796-4183.

At Fork Lane

Fork Lane PTA is pleased to announce that Joan O'Neil is back with the How To's of Cake Decorating. Learn the do's and don'ts and some very handy tips for all your holiday cakes.

So come to Fork Lane School, Hicksville on November 30, at 8 p.m. All are welcomed, refreshments will be served immediately following Mrs. O'Neil's demonstration.

LEGAL NOTICE

He May Have Picked A Winner

Joseph Aglio of Hicksville will not soon forget his 51st birthday. As winner of the Nassau OTB half of the "Win the Purse" Sweepstakes, Mr. Aglio had good reason to celebrate in a drawing held at Roosevelt Raceway on Saturday, November 18th as part of the Silver Spoon Series (a series of races for outstanding two-year-olds sponsored by Nassau and Suffolk OTB and the track).

Aglio's name was chosen, along with the Suffolk OTB winner, Robert Swords, of Kings Park.

The two lucky winners were at the barns at Roosevelt Raceway on Monday, November 20th (Mr. Aglio's birthday) to select their horse. Both agreed that "Pay the Price," a four-year-old bay,

could live up to his name. If he does, both Mr. Aglio, a restaurant manager, and Mr. Swords will share in "Pay the Price's" purse winnings through the remainder of the Roosevelt meet. His first run will be Thursday, November 23rd in the third race from post position No. 5.

Driven by Herv Filion, "Pay the Price" has already won over \$28,000 this year. He placed fifth in his last start on November 10th in a \$27,000 claiming race. "Pay the Price" has finished in the top three in 11 of his 22 races with three wins, seven seconds and one third.

So, cheer him on, along with the two winners. Who knows, next year it might be you.

To Review Revised Policy

Hicksville Board of Education will review revised policy on Community use of school facilities. Mr. William P. Bennett, Chairman of Policy Committee, has submitted to the Board for their consideration and adoption, a ten point policy statement augmented with twenty-nine regulatory back-up provisions spelling out in detail the requirements necessary to apply for public use of school facilities.

A copy of the proposed new policy is available at the Administration Building and also at each of our schools.

If any of the Community wish to participate in the discussion of this policy and perhaps make suggestions and recommendations to the Board, please feel free to attend the public meeting on Wednesday, November 29, at 8:15 PM at the Administration Building.

East Meadow Homemakers

The East Meadow Chapter of the Nassau County Homemakers Council, which has many Hicksville residents as members, will hold its regular monthly business meeting and Christmas Party on Wednesday, December 13th at 11:00 A.M. in the United Methodist Church Hall, 470 Newbridge Ave., East Meadow.

Mrs. Harrison Boyd, President of the East Meadow Chapter for 1977-78 will preside at the last business meeting of the year. Following a short business meeting, the East Meadow Homemakers will join in the festivities of their annual Christmas Party. At this time Secret Pal names for the past year will be revealed and new Secret Pal names for 1979 will be given out. All the members will join in a sing-a-long of Christmas Carols and songs and have an opportunity to wish all their friends a Happy Holiday Season.

At Dutch Lane

A discussion on "Sex Education in the Hicksville Schools," will be presented on Tues., Nov. 28 at 8:15 p.m. in the All Purpose Room of Dutch Lane School, Stewart Ave. and Levittown Parkway.

The guest speaker will be Dr. Wilbur Hawkins, Superintendent of Hicksville Schools and Ms. Elin Massey, Director of the Nassau County Coalition of Family Planning, formerly Religious Education Director of the Unitarian Church.

Refreshments will be served.

HONORED: Oyster Bay Town Councilman Thomas L. Clark (left) presents a citation to B. Medard Ofenloch in appreciation for his 37 years of service to the Hicksville Fire Department.

Ofenloch has served in various positions in the department, including chief from 1957 to 1959, and is currently a member of the New York State Fire Chiefs Association.

In celebration of Halloween a very special Monster make-up demonstration was presented at the Hicksville Public Library. Tom McLaughlin expertly made-

up a number of the children from the audience to look like live "monsters." All who attended had a most enjoyable time.

Ms. Judy Remensnyder of Hicksville, a Fine Arts major at the New York Institute of Technology was named a recipient of the Jennie Eisenberg Alumni Association Award.

At a dinner held recently by the Alumni Association, Judy was presented with the scholarship

award by donor Albert J. Eisenberg. In attendance were NYIT President Alexander Schure and Mrs. Schure, Mr. and Mrs. Eisenberg and the Alumni board of trustees.

Judy is presently working on her thesis in sculpture. She is photographed receiving her award from Mr. Eisenberg.
