The First Grade at Trinity Lutheran School, 40 West Nicholai Street, Hicksville, shared the story of the First Thanksgiving with their parents and schoolmates by giving a puppet-play program. The pilgrim children met the Indian children and all shared a very happy time.

In this picture we see Jennifer Gross talking with Indian maiden Kerry Friedmann and their teacher, Mrs. Christine Rae.

Vandals desecrated the Hicksville Memorial Mall at the Junior High School on Jerusalem Avenue over Veterans Day weekend. Since restored to normal condition, the World War II Servicemen's Monument is

shown with an engraved tablet torn loose and the memorial wreaths of veterans groups ripped to shreds. The large bronze tablet with its hundreds of honored names was too heavy to cart away and was left piled

loose against the base of the stone monument.

Alcohol and drug consumption among teenagers are suggested as strong contributing factors in such acts of mindless vandalism and infamy.

## International Soccer

By Jim Cummings

**CEAD MILE FAITE:** This traditional Irish greeting was extended this week to the St. John Bosco Soccer Team of Swords, County Dublin, Ireland, upon their visit to Hicksville. John Mitchell and Peter Collins of the Hicksville American Soccer Club, who are hosting the Hicksville visit, made all the arrangements, weeks in advance, for travel and lodging of the 41 team members, coaches and officials who arrived in this community last Monday evening (November 27 - during our first snowfall) at the Joseph Barry Council, Knights of Columbus and were officially welcomed by Grand Knight James Carroll and officers and members of the Council. Immediately following this, Peter Collins, long involved with the CYO and the Hicksville American Soccer Club, coordinated the lodgings of the youngsters, between 15-18 years

of age, at various homes in the Hicksville and surrounding communities.

Supervisor Joseph Colby issued a proclamation, last Tuesday morning, which was presented by Town Councilman Thomas L. Clark at the Town Conference Room and an exchange of information was discussed between the Irish representatives and the members of our Town government.

On Wednesday morning John Mitchell, Pete McGovern of the Irish team and others traveled to the Office of County Executive Francis Purcell, where a proclamation was issued heralding the week of November 27th through December 3rd as a "Welcome to the St. John Bosco Soccer Team of Dublin Ireland." Presentations were then made by the Irish team to the Nassau

County Executive and to Supervisor Colby, of Oyster Bay Town in the form of a plaque thanking each for their "friendship" and "cultural exchange of ideas between the youngsters" for a better understanding between our countries.

The youngsters from Ireland had one goal in mind, (and John Mitchell made that wish come true) to visit the Statue of Liberty, and that they did - despite all that exercise of climbing the stairs of the Great Lady of Freedom, they were scheduled to play two soccer games at Cantiague Park soccer field on Wednesday evening to the delight of several hundred soccer fans.

A 5 minute taping session is scheduled for Cablevision Studios in Jericho and will be shown on Channel 10 later this week (check with Cablevision 822-4775 for exact program time).

## GOP Meeting

The Ernest F. Francke Republican Club of Hicksville will hold their regular monthly meeting at 8:30 P.M. on Friday evening, December 8. The meeting will be held at the Veterans of Foreign Wars Hall - Wm M. Gouse Jr. Post No. 3211, located at 320 South Broadway in Hicksville. (The hall is situated south of the Firestone Store and north of the H.I.P. Building). Refreshments will be served. The program for the evening will feature the annual Club Christmas party.

## Homemakers Council

Hicksville-Nassau Homemakers Council will hold on Dec. 7, a Business Meeting, 10 A.M. to 2 P.M. at the Parkway Community Church, Stewart Avenue.

Guest Speaker on "Create A Frame", following which will be a Holiday Cookie and Homemade Christmas Ornament Exchange.

## Recycling Contests To Begin Dec. 2

The Reynolds Aluminum Recycling Company will hold two "Silver Dollar" recycling contests on Saturday, December 2 - from 9 a.m. to 12 noon and immediately following, from 12 noon to 4:30 p.m. - at the Reynolds Aluminum Recycling Center at 73-A Bloomingdale Road in Hicksville.

Silver dollar cash prizes of \$25, \$15 and \$10 will be awarded at each contest to Long Island individuals and organizations which that day bring in the most pounds of recyclable aluminum in addition to the 17 cents-per-pound rate normally paid for aluminum beverage cans and other household aluminum. In addition, Reynolds T-shirt iron-on patches will be awarded to each contestant recycling 20 or more pounds of aluminum

throughout the day.

Reynolds Aluminum Recycling Company pays 17 cents per pound for all-aluminum beverage cans and other clean household aluminum such as pie plates, foil, frozen food and dinner trays and dip, pudding and meat containers. Certain other items, including aluminum siding, gutters, storm door and window frames, and lawn furniture tubing are also worth 17 cents per pound. This aluminum must be free of all foreign materials, cut to lengths not exceeding three feet and should not be mixed with cans.

The Hicksville recycling center purchases aluminum from the public every Thursday and Friday from 1 to 4:30 p.m. and on Saturdays, from 9 a.m. to 4:30 p.m.

## CUMMINGS 'N GOINGS

By Jim Cummings

by Jim Cummings  
WE HEAR THAT: Walter Thomas, of Hicksville, is recuperating at Nassau Medical Center, East Meadow, following a heart attack last Thursday - we chatted with Walter at press time and he is in good spirits - this very active member of our community and the Joseph Barry Council, Knights of Columbus will be home for Christmas. If you wish to say a "quick get well" phone 542-5891 or drop a card to the Center c. o Room 1246...With the holiday season upon us, watch for the "Keep Christ in Christmas" outdoor display sign to be placed at Hicksville RR overpass shortly...Walter Schreiber's son, Paul, graduated 6th in his class of 100 at the Suffolk County Police Academy - congratulations...Motorists are backed-up every morning at West John Street area near Cantigue Park as sewer construction practically slows traffic to a halt - we ask the contractor to move that sign designating construction 1,000 ft. ahead to a one lane area (closer to Kuhl & W. John Street) - sure would help clear the area - this

also slows down many school buses using this route and safety of our children is prime importance...recent FALSE ALARMS is of concern to the Hicksville Volunteer Fire Department - we're proud of the work these men do in answering ALL CALLS - if you reside near a CALL BOX watch for any persons of a suspicious character and notify the Police Department, 2nd Precinct - they will reply quickly.

DID YA KNOW: that despite a heavy schedule of work, schooling in paramedics, Robert (Bob) Dwyer, a member of Emergency Company No. 5 and an A.M.T. (Advanced Medical Technician) with the Hicksville Rescue Squad is actively campaigning for Commissioner of the Hicksville Fire District, the vote is on Tuesday, December 12th, at the main Firehouse on East Marie Street, (opposite the Hicksville Theatre) between 6 PM and 10 PM...Father Harter, pastor of St. Ignatius devoted his main message this past Sunday to our environment, we appreciate your cooperation...Be

reminded that as winter weather continues, WHLI and WGBB will give you up-to-date weather reports - tune in these vital community links during bad weather (the Knights of Columbus Hall and the Hicksville Fire House will again be utilized in cases of emergencies)...THE RIGHT TO LIFE MARCH in Washington, D.C. will be held on January 22, 1979, we remind all to mark their calendars.

### At Temple Beth Elohim

Professor Keith Keating of Nassau Community College, will be guest speaker at Temple Beth Elohim, 926 Round Swamp Rd., Old Bethpage on Dec. 1 from 9:15 p.m. to 10:15 p.m. His topic will be "Which is the Christian Here And Which is the Jew?"

Professor Keating just returned from a very successful lecture tour in Europe, where he spoke at universities in Sweden, Denmark and Austria.

# "We Need To Keep Our SMSA Designation", Lent

By Cong. Norman Lent

The U.S. Department of Commerce is still reluctant to permit Nassau-Suffolk to retain the Standard Metropolitan Statistical Area (SMSA) designation which it received back in 1972. Strongly rebuffed in its original proposal to merge our Long Island SMSA with New York City's, the Commerce Department is now thinking of a "two-tier" system. This cloudy concept seems to effect the merger while promising some sort of individuality for the Long Island area by re-classifying it as a "component metropolitan statistical area." This would be bad for Long Island and we should not let it happen.

Long Island needs not only the vitally important statistics which are provided to SMSAs, but the "identity" that goes along with SMSA status as well. We need our SMSA identity to let others know that Long Island is a bigger market than 25 of our states—a fact which would be easily overlooked if we were stripped of our SMSA status. Our separate identity was recognized in an official manner

when Long Island became an SMSA in 1972, and again this year when Nassau-Suffolk was designated as a separate A-95 Clearinghouse for federal funding. Not only does that designation implicitly acknowledge that the residents of Long Island are cognizant of their own needs, but it also recognizes that those needs may not be part and parcel—or even consistent with—those of a larger area. Certainly any move to now eliminate our SMSA status runs counter to OMB's action designating Nassau-Suffolk an A-95 Clearinghouse, and it would be totally inconsistent with the assumptions underlying that action.

A recent New York Times poll of 3,496 residents of areas surrounding the city clearly demonstrates that those living in areas such as Long Island no longer feel themselves an integral part of New York City life. The fact is that Long Island is an "urban area" in its own right. We in Nassau and Suffolk have our own problems to deal with—problems which can best be met on our own

terms and with our own resources, if we are permitted to use them. We need every bit of help we can get to promote the stability and identity of our own area so that we can maintain a viable growth pattern to assure a secure future for Long Islanders.

Many organizations and businesses are working to assure a sound economy for Long Island. To accomplish this, we need not only the statistical information that goes along with SMSA status, but that all-important sense of identity we have successfully nurtured during our years of booming growth. SMSA status helps to enhance that identity.

We must do more to carry to the Department of Commerce Long Island's critical need for the preservation of the valuable identity of an SMSA classification.

I have sent a letter to Commerce Secretary Juanita Kreps outlining the facts in support of that argument and urge Long Island county, town and village officials, and civic leaders who share our concern to do the same.

## A Modern Santa

When the whirlybird flies over Nassau on Saturday, December 16, Santa will be on board waiting to touch down at seven county parks for a heart-to-heart talk with youngsters before the holiday.

Jolly Santa, who used to come by sled and reindeer will pop out of a helicopter accompanied by one assistant, an aviator and a bag full of candy canes for waiting children. The visit is made possible through the cooperation of the Nassau County

Police Department and the Department of Recreation and Parks. Suburbia Federal Savings and Loan Association contributed candy canes to Saint Nick's store of goodies.

First stop is 10 a.m. at Cantuague Park in Hicksville, then Santa will fly west to Christopher Morley Park in Roslyn-North Hills for an 11 a.m. meeting with eager youngsters. At high noon the helicopter will land at the roller rink near parking field No. 4 in Eisenhower Park, East

Meadow.

Grant Park in Hewlett is scheduled for a 1:30 p.m. visit and Bay Park in East Rockaway for 2:30 p.m. At Nassau Beach Park in Lido, Santa will land near the East Terrace to meet youngsters at 3:30 p.m., after a Christmas-Round-The-World Show.

Last stop is Wantagh Park at 4:30 p.m. If bad weather grounds the helicopter, Santa will try again on Sunday, December 17.

**NASSAU "HAMS" TO BE NEW "EYES AND EARS":** Amateur radio operators within Nassau County now have access to the "911" Police Emergency Number through touchtone dial pads within their automobiles.

According to Police Commissioner Samuel J. Rozzi, "The county's Civil Preparedness Office, in cooperation with the police department and some 200 amateur radio operators, has established the system to enable the HAMS to report situations warranting police response through new equipment installed in the Communications Bureau in Police Headquarters in Mineola."

In addition to the daily telephone-patch with "911," the amateur radio members in Nassau County have been enlisted by Civil Preparedness to aid in times of disaster when normal telephone lines may be inoperable due to storm damage and the like.

# The Magic Of Christmas

The magic of Christmas will be celebrated in a very special way when Nassau County's official tree-lighting ceremony takes place at Eisenhower Park, East Meadow, on Thursday, Dec. 14 from 4 to 5 p.m.

The sound of familiar carols, spiced with old European Yuletide melodies, by the "Singing Boys of Long Island", highlights the annual event, which is co-sponsored by the County's Department of Recreation and Parks and European American Bank.

The Concert Choir, a non-denominational group of 30 boys and young men whose ages range from nine to 18, has appeared throughout the United States and abroad. They have distinguished themselves during six European

tours and have captivated audiences wherever they've performed.

All Nassau residents are invited to enjoy the boys' chorus and watch local girl scouts trim the tree. Santa Claus and County Executive Francis T. Purcell are due to arrive by horse and wagon at 4:30 p.m. to officially dedicate the tree and participate in the lighting ceremony. On hand to welcome them will be Abram C. Williams, Commissioner of Nassau's Recreation and Parks Department, as well as Deputy Commissioners Francis A. Cosgrove and Edmund A. Ocker.

The ceremony will take place near Parking Field No. 7. For further information, call 292-4121.

*I was supposed to pull the plug?  
No, Franklin, you were supposed to pull the plug!*

Electric cars do have to be unplugged before they are driven. But once they are unplugged, they are quiet and clean to operate. At present, LILCO has twelve electric vehicles in service, and in months to come you will see many more on the road as a result of our participation in a nationwide U.S. Department of Energy demonstration program.

LILCO is helping the Government demonstrate and evaluate electric vehicles by using them on the job. Some of the vehicles are being used by meter readers and others will be used by field representatives and service people. LILCO is participating in the Government program in order to help provide an alternative energy source for transportation as the world supply of oil diminishes.

If you'd like to know more about electric vehicles and answers to some commonly asked questions about them, write LILCO Energy Services Dept., Attn: Electric Vehicle, 250 Old Country Road, Mineola, NY 11501.

• • •

Recently, we received a nice letter from the Assistant Principal of a nearby Junior High School complimenting us on our Electric Vehicle Demonstration Program. "The students were very impressed with the electric vehicle demonstration and discussed the possibility of eventual wide-scale use of these vehicles on Long Island."

We think that may be an A+ idea.

# Dear Friends:

For many years now, the Hicksville Chamber of Commerce, along with other community organizations and merchants, have supplied flags and poles for display on holidays (except Christmas and New Years), on either side of the main business section of Hicksville. This has always been an attractive part of our town. We believe that all the services clubs, also participate in putting these flags up and later removing them. It certainly is a worthwhile community project.

Now twenty four flags and fifteen complete flag and pole sets are needed to replace those who are no longer in condition to use. If any of you would like to participate in this project, flags are \$8.00 each and flag and pole sets are \$20 - each, and you may send your check to The Hicksville Chamber of Commerce, Mid Island Plaza, Hicksville, NY 11801.

Speaking of the Chamber, their luncheon on Tuesday at Antuns, was most informative. Further information was brought to light as to the reason behind the proposed extension of Duffy Avenue, which plan at this time the Chamber opposes. It was originally a part of a plan to bring about a better flow of east-west traffic in this area. The Chamber decided to look into the entire plan (as opposed to a partial plan for just a small section of Duffy Ave) and a committee headed by Mrs. Effie Krugman of Montana Agency will check out this plan and report back to the Chamber.

We hear from a reliable source that changes in the unworkable G-1 Zoning which applies to the Hicksville downtown area at present, may be expected in January or February.

Camp fire Girls will once again display their talents by decorating the Hicksville RR Station for the holiday season. Girls will meet this Friday at 7 pm at the Fork Lane school to prepare the holiday decorations. Then, on Sunday, Dec. 10th they will bring all their decorations to the Hicksville Station and, as in years past, will live up this area with decorations appropriate for the holiday season.

We hear that a wonderful time is being had not only by our visitors from Ireland who are members of the Irish Soccer Club also by their host families in this area. Everyone in the Hicksville American Soccer Club who worked on this ambitious project, plus these host families, deserve a great deal of credit.

IN THE MEANTIME, we join Supervisor Colby in the suggestion which he makes in his "Message" this week ... SHOP LOCALLY. You will be dealing with reputable merchants. We know you will be pleased not only with the results but also with the time and money you will save.

From time to time, critics of the county budget, when pressed to substantiate their proposals for drastic tax cuts, urge that the county fire the "patronage appointees."

The number of so-called "patronage appointees" is usually pegged at about 800 to 900.

Herewith some facts:  
There are 1,029 appointive positions in the county budget. Of these, 433 are physicians, 109 are assistant district attorneys, 49 are deputy county attorneys and 117 are employees of the Board of Elections.

Liek the Board of Elections, the County Executive's Office is, by law, staffed entirely by appointees. There are currently 31 appointees on the County Executive's immediate staff (code 140) and a total of 108 in all of the executive codes (Budget Office, Personnel Office, Office of Cultural Development, Office of Public Transportation etc.).

Needless to say, commissioners or department heads in some 50 county departments and agencies are, likewise, appointees.

All of the appointees are in ungraded civil service positions - and that includes the 11 elected officials who are appointed by the voters.

By simple arithmetic, this means that 121 positions might be considered "patronage appointees" and even these would have to be carefully examined to determine such a charge.

THAT'S ALL for this week. Stay well and remember the old adage: "He who loves good and he who hates evil are doing the same thing, except for the verb. One transforms and the other destroys."

# A Message From Sup. Colby

The holiday season is upon us and although it should be a happy time of the year, it sometimes gets awfully hectic.

Shopping for gifts can become more aggravating than joyous as we all attempt to get the most for our dollar and end up traveling more miles than we intended in more traffic jams than we expected, just to find more crowded parking lots than we had hoped. Our intentions of bringing good cheer to others seem to be forgotten as tempers flare and blood pressures rise.

How many of us last year promised ourselves that we would shop early and do it close to home?

Well, it's already getting too late to be shopping early, but shopping close to home is some-

thing the residents of the Town of Oyster Bay can still do. The Town's attempt to plan balanced communities has resulted in every community having shopping areas close to home - whether they be shopping malls, department stores or neighborhood shops with their personal touch.

While advertisements sometimes lead us all into thinking there is a conflict between shopping close to home and getting the most for our dollar, we should stop and remember last year. Without doubt, there will once again be stores some distance away whose advertising seems to offer attractive prices. But what about the trip? Do you remember how long it took to go those few miles? Do you know how many extra gallons of gas

you used to get there? Do you have to be reminded about the continued increase of gas prices?

Taking all of that into consideration and recognizing that local stores also have sales prices on various items, I think you may find it just as economical to shop locally.

When you're looking to share holiday cheer, don't lose the spirit in a traffic jam. The stores close to your home will probably meet your needs with their variety, prices and courteous service. By shopping close to home, you'll feel better and you'll be helping the economy of your own home town.

Shop in your community. It will help you to enjoy some of the holiday cheer you wish to bring to others.

## Letters To The Editor

Dear Sheila Noeth,  
I am not normally a letter writer, however I have just received my mortgage analysis and it prompted me to write this letter.

When I bought my home in 1960 I paid \$29.00 a month for taxes (school and town combined) I now pay \$172.00 a month. My home mortgage will be paid in a few years, but by then I should be chased out of Nassau County due to the fact that I will not be able to afford to live here. It has become absolutely ridiculous.

I do not believe that Nassau County will survive as I have a moderate income and have a typical American family with only 2 children and I am about to go under and must leave the

County to survive.  
Very truly yours,  
A Drowning Taxpayer  
Michael A. Panico  
P.S. You can only chip so much off a stone before the stone becomes a chip.

To the Editor:  
Our Hicksville merchants contributed greatly in making our PTA Card and Dessert Party of Nov. 15 a huge success.  
Their raffle door prize contributions enabled all to have a share in the joy of receiving.  
The children of Willet Ave. School will reap the financial rewards of the evening through Choral Art Programs presented to them during this school term.  
Thanks again Hicksville

merchants. Your generosity in giving will long be appreciated and remembered.

### At The Town Board Meeting

The 1st hearing of the day concluded at 12:20 p.m. at the Town Board meeting held on Tues., Nov. 20.

It was a petition by Cities Service Oil Company for a special use permit to erect a self-service gasoline station with a drive-in retail food shop.

The item faced disapproval from several members in the audience and its located on Broadway in Massapequa.

A proposed amendment to the Code of Ordinances TOB, Motor Vehicle and Traffic, was the 2nd item under consideration. The amendment is based on the recently completed Snow Control Plan which indicates those streets designated as snow emergency streets and utilized by school buses.

#### Local Items

Resolution No. 10 granted permission to the Dept. of Parks and Recreation to rent ice time at Racquet and Rink for TOB All Star Hockey Teams.

Item No. 11--Resolution relative to retaining architect for D.P.W. for proposed facility at Miller Place, Syosset.

Item No. 19--Reinstated restrictions previously suspended in certain areas of Syosset in connection with work being performed on Parking Field No. 7.

Item No. 31--Approval of site plan for Hostway Motor Inn, Jericho Tpke., Woodbury.

Item No. 34--Granted the petition of Amoco Oil Co. to modernize existing facility and operate a gasoline self-service station. Jackson Ave., Berry Hill Rd., Syosset.

The audience contained a contingent of students from the Wall Whitman Elementary School, Woodbury.

John J. Yenick of Hicksville died on Nov. 27. He was the husband of the late Anna; father of Julius Yenick and Marcella Croan; son of Mary Blanc; brother of William Blanc, Marianne Burns, Michael Yenick and Ann Karash. He is also survived by five grandchildren.

He reposed at the Henry J. Stock Funeral Home, Newbridge Rd., Hicksville, Mass. of the Christian Burial will be on Friday, Dec. 1 at 10:30 a.m. at St. Ignatius Loyola R.C. Church and interment will be held in Holy Rood Cemetery, Westbury.

#### HAROLD T. JAEGER SR.

Harold T. Jaeger Sr. of Hicksville died on Nov. 22. He was the husband of the late Antoinette; father of Kathleen, Harold T. Jr.; brother of Joseph J.

Mr. Jaeger was a member of the Plumbers Local No. 457. A Prayer Service was held at the Vernon C. Wagner Funeral Home, Old Country Rd., Hicksville.

Interment was held in L.I. National Cemetery, Pinelawn.

Gerry Kahn didn't impede Mr. Summers, who after a strained commentary on the plan to have outside rubbish removal, attacked Supervisor Colby and the Board on the tax increase. His comment "the stupidest statement" belittled through the "halls of democracy in action."

Undoubtedly, Mr. Summers might still be recovering from the denial of his petition for the construction of a senior citizen hotel in Oyster Bay, which he did make mention of.

Sara Mitendorf and Judy Jacobs spoke on the private bidding for sanitation pick-up and gave the views of their respective civic associations.

**General News**  
 After 10 full week-ends of the Fall season and with only a few games left this week, the 19 traveling teams have played 178 games and have a record of 82 wins, 77 losses and 19 ties. This is the closest that wins and losses have been in several years and is an indication that the other clubs around the Island are catching up and that equality of talent is setting in. There are only about a dozen or so games yet to be played or reported so that the final tally will still be extremely close. There was only one undefeated team in the entire club and congratulations are extended to Pat McHugh and John Mitchell and the 1965 Rovers on winning their division with a 9-0-1 record. Richie Hanna and his under 9 Tigers also won their division with 9 wins and a loss. At this writing, Hicksville also won three

2nd place finishes (John Harris and his under 10 Rangers, Frank Schuur and his under 13 Throstles and Kathy McCausland and her '65 girls, the Hicksville Majors. The under 19 girls are tied for 1st place and must play a playoff game with Northport so Jimmy Dolan and his B.P.O.E. (Hicksville Elks) team still has a shot. The club will add 7 additional traveling teams in the Spring for a new high on 26 traveling teams of boys and girls from 7 to 18 years of age.

**BOYS WIN TITLE**  
 The Hicksville Rovers, coached by Pat McHugh and John Mitchell and sponsored by the Plainview Burger King won their division championship with three shutouts and three very strong games to finish the season undefeated with nine wins and a tie. Their last three wins were over second place Huntington (4-0),

third place Brentwood (2-0), and last place Rocky Point (8-0). The boys had a very good season and congratulations go to Bobby Andrus, Vinny Cristiano, Bob Cullen, Jim Demarco, Steve Dolan, Cliff Felman, John Fitzgerald, George Marco, John McCann, John Mitchell, Robby Pearse, Adrain Pepi, Gene Tyranski, Glen Zaktion and, of course coaches McHugh and Mitchell. The boys scored 41 goals while giving up only 7 in 10 League games and now head for the gym to sharpen themselves for the indoor tournaments.

**GIRLS SECOND BEST**  
 The Hicksville Majors, coached by Kathy McCausland, narrowly missed a shot at the championship with a 2-2 tie in their final game against first place Massapequa and had to settle for a second place finish. The girls had a great season however, and everyone is quite proud of their record of 8 wins, one loss and one tie. This strong little team that put 40 goals in while allowing only 6 all season is made up of Rita Cerasi, Maureen Collins, K. Conway, F. Fennell, L. Geveda, D. Harkins, P. Kenny, D. Luongo, Sue Mitchell, Erin O'Leary, Tanya Pfeffer, A. Schroder, L. Talenti and D. Taylor. Congratulations girls, and good luck indoor and for the Spring.

**BPOE OUTSTANDING IN VIRGINIA**  
 Friday morning November 24th, with their stomachs full of Turkey, the under 19 girls, sponsored by the Hicksville Elks Club, traveled to Virginia for the Arlington Thanksgiving Tournament. Once again the girls gracious hosts were the girls from the Vienna soccer team.

Upon arriving in Vienna the girls had two hours to change clothes, get to the field and get the kinks out of their legs after the six hour trip in the van.

Hicksville's first game of the tournament was at 3 P.M. against the Annandale select team. They are called a select team because our girls since they're all chosen from Hicksville. The game was played very closely with Hicksville jumping out to a 1-0 lead. Annandale came back to tie it late in the first half. Midway through the second half Hicksville scored two goals on sheer determination, hustle and a beautiful header to give them a 3-1 victory.

At 8:30 Saturday morning the girls were to play Springfield, Mass. Springfield was late arriving at the field and the referee said Hicksville could have the forfeit but the girls and their coach agreed that both teams had come too far and decided to win it on the playing field. At the end of the first half, Hicksville led 3-0. During the second half, the girls continued to dominate and built a 5-0 lead. The defense was upset when Springfield scored late in the game on an obvious off side making the final score 5-1.

Saturday afternoon at 1 P.M. Hicksville's opponent was their host, Vienna. (Vienna had tied the girls 1-1 in the Washington tournament in October.) Before the game the coach took the girls aside and told them that they needed the victory to win their section and advance to the semi-finals. The game started slowly but eventually things started to click and Hicksville held a 2-0 half time lead. The girls built

# Hicksville American Soccer

their lead to 3-0 before Vienna scored on a high shot. Hicksville came right back with another score to make the final 4-1.

On a cold Sunday morning at 8:30 the girls faced McLean, Virginia in the first semi-final game. Within the first minute of play, McLean broke down the right side and put the ball in the right corner of the net just past a diving Hicksville goalie. Something like this can really deflate a team, but not our girls. To their credit they bought back and put pressure on McLean's defense and had some great chances to score but narrowly missed them all. Hicksville's defense led by their goalie held off McLean for the remainder of the game with the final score being McLean 1 - Hicksville 0. It should be noted that McLean went on to win the championship against Chicopee, Mass. in a game which lasted through 2 thirty five minute halves, 2 five minute overtimes and 42 minutes of sudden death with seven players per side. The score was 1-0.

It must be said that for these four games the girls really played as a well oiled machine. Though one girl may have scored more than another, it was only accomplished through great passing and overall teamwork on the part of each and every player. The Elks Club can be proud of these girls since this was the first time a Hicksville girls team has reached the semi-finals of any Virginia tournament.

**BOYSU 8**  
**Hicksville Hearts**  
by Pat Donohue  
The Hicksville Hearts, sponsored by Pathmark, ended their season this past Sunday with their most exciting game to date. With only minutes remaining in the second half, the first goal of the season was scored by Chris Flanagan. The ball was in front of the Deer Park goal for seconds, and the boys won out over the Deer Park defense with excellent offensive play by Flanagan, Matt Adelstein, Robbie Franklin, Tommy Bell, Brian Spinner and Kenny Klein. The whole team had a part in setting up the goal. Our boys played a fantastic second half, with even the teams waiting to play next cheering them on.  
Defencemen Stephen Pine and Kevin Morrisroe played a great

game, making many impressive moves and stopping the ball frequently. Keith Nordio, Troy Pieper and Rob Schiralli provided additional strength in the defensive area. Goalie Drew Donahue made some fantastic saves and key punts.

Missing from the lineup were Chris Zino who had a very good season, and Kevin Gonzales.  
We would like to thank Tony Camara, Barry Adelstein, and John Flanagan for devoting so much of their time to our boys. Thanks to all the parents who helped out during the season. Special thanks go to Pathmark for sponsoring the team this year. Although the season does not indicate a winning record, the boys learned a lot and improved tremendously. Congratulations team.

**Hicksville Rangers**  
The Hicksville Rangers finished their fall season with a 5-3 loss to Dix Hills. Dix Hills got on the scoreboard first, with a goal in the 4th minute of play. The Rangers came back to tie the score, in the 15th minute, on a goal by John Mc Coy assisted by

Derek Missimo. Seven minutes later Derek Missimo passed the ball to Tommy De Tone, who scored, to put Hicksville up by one at the half.

The Hicksville play was very sluggish in the second half. Dix Hills scored three goals to take a 4-2 lead. At 15:21 The Rangers right wing John Mc Coy took a pass from Darren Nathan, and scored his second goal of the game, to close the score to 4-3. Dix Hills closed out the scoring in the 20th minute for the 5-3 victory. The Rangers finish the season in second place, in the under 10 division I, with 7 wins 3 lost and 7 tie record.

Many thanks to the sponsor, The Hicksville Motor Lodge, and coach John Harris, who put in much time and effort in helping the boys.

P.S. Congratulations to Sean and Barbara Beach on the birth of their daughter Kerry Lynn.

**Hicksville Hawks**  
The Hawks played at Port Washington in a 70 minute game unfortunately the game was 70 minutes and the Hawks only

played in the last 15. The Port Washington field was in poor condition and the 1st half saw Scott Greenspan on left wing continually beating the Port Washington defense, and crossing the ball or take a shot. The forward line could not get their footing, and James Youngs who also beat the Port Washington defense could not get a good shot off. Port Washington applied pressures to our defense and while this Team in the last 8 games only gave up 7 goals, found itself losing 3-0 with 15 minutes to go. At this point the boys woke up realizing that Port Washington in last place should not handle Hawks fighting for 2nd place so easily.

The defense of Bryan Althaus, Mike Lagnese, Joe Abbetiello,

and Goalie Mike Micheli held Port Washington. The halfback line of Steve Heissenhuber, Billy Cheslock, Bob McKenna, and Steven Wayte kept the ball in Port Washington end. Pressure was applied by forwards Jimmy Kennedy, John DeMarco, Scott Greenspan, and James Youngs. In a span of 10 minutes the Hawks tied the score.

Scott Greenspan scored on a pass from John DeMarco. John DeMarco scored on a pass from Steve Heissenhuber, and the tying goal was put in when Mike Lagnese's corner was punched out by the Port Washington goalie, and Bryan Althaus playing in from right fullback put a bullet past the goalie. The Hawks playing good at this point could not put in the winner

## Girl Scout News

Scouts have been taking advantage of training sessions in order to better serve today's girls. Recently an ACA Camp Crafters course was given by Doris and Kathy Mill at Trinity Lutheran Church, with an outdoor day at Cantigue Park. Seven women took the course and earned the Camp Craft Patch. At least 40 Girl Scouts participated.

December is Hicksville Girl Scouts month to devote to the Westbury Day Care Center and the troops are now in process of collecting toys, games, soap and canned food to be used at the Day Center.  
And so begins the 68th year of Girl Scouts of America as it pertains to the Girl Scouts of our Hicksville Community.

## Rent-A-Kid

The Hicksville Youth Council is a community, tax exempt, non-profit organization supported by the Town of Oyster Bay Division for youth, Nassau County Youth Board and the New York State Division for youth.  
Rent-A-Kid is a community service project geared to provide the residents with a much needed service, as well as assuring that

the youth will be gainfully employed. They offer their services in the following areas: House cleaning, yard work, grandma and or grandpa sitting, snow removal and party helpers to name but a few of their many talents.  
You can help yourself and help our youth by calling Amy at 822-7594 for details about Rent-a-kid.

# Hicksville Indoor Tournament

For the 9th consecutive year, The Hicksville Americans Soccer Club will run their indoor soccer tournaments over 10 week-ends this winter, the first being for boys born in 1970 (under 9) on Dec 2nd and 3rd at Long Island Lutheran High School followed by the little guys (under 8) the next week-end at the same facility. In all, the Club will run tournaments for 12 age groups of children and expects to field a new high of almost 2500 children playing the indoor game. The twelve age groups are 8 for boys (under 8 through the newly added under 15) and four age groups of

girls (under 12, 14, 16 and 19). From it's meager beginnings back in '71 with two age groups and 12 teams, the sport has grown tremendously all over the country and particularly on Long Island so that this winter, 260 teams will take to the gym floor to play this fast, exciting game. Besides the traveling teams that participate from all over the island and the out-of-town visitors (Connecticut, New Jersey, Maryland, Virginia and Massachusetts); the Hicksville Club reserves a week-end for it's own intramural program.

In each of the nine years, the tournament has added one or more new & different features such as: additional age groups, a or new special awards such as (every participant receives one) different memento each year

last year's Best Defender Award. This year is no different and Hicksville has again come up with a new twist - an Olympic Theme. The top three teams will receive gold, silver and bronze medals respectively. The tournament memento will be an attractive patch which signifies the indoor event.

After these first two tournaments in December, Hicksville will take a break for the Holidays and come back in January for tournaments every week-end from 1 13 through March 3rd and 4th. So if you want to see some good, exciting soccer played by the little guys, plus a demonstration by the new professional indoor team - The New York Arrows - take a ride up to Lutheran this week-end.

St. Ignatius Loyola Church's beloved Father John Hessian, was honored recently for over thirty years of service as a visiting priest from the Diocese of Brooklyn. Enjoying their memories at a large turnout of parishioners wishing the priest - educator God's blessings in his new ap-

pointment as pastor of St. Genevieve's Church in Queens are Father John and Mr. and Mrs. Charles Lang. The latter's mother, Mary Lang, 93 years of age, remembers serving many a lunch to the new pastor in her years as housekeeper at St. Ignatius Loyola rectory. (photo by Richard Evers.)

## Bethview O.R.T

A Bazaar sponsored by Bethview Chapter of Women's American O.R.T. will be held on Sunday, December 3, from 11 A.M. to 5 P.M. at the American Legion Hall, East Nicholas Street, Hicksville.

The BETHVIEW CHAPTER OF O.R.T. will spend Wed., December 6, at A. Holly Patterson Home for senior citizens. Bingo will be played and gifts will be given out.

They have done this in the past and are looking forward to it again.

## Financial Aid Night At HHS

The Guidance department of Hicksville High School is sponsoring a Financial Aid program, Monday evening, December 11 at 8 p.m. Parents and seniors are urged to attend this meeting at which Mrs. Amy Botsaris Nychis, Director of Financial Aid at Wellesley College will be the guest speaker. She will present all the information needed in order to process the Financial Aid Form which is the basis of

most financial aid to college students.

Financing a college education is no longer a simple matter. The commuting student has real expenses involved in travelling and this particular item should not be overlooked. At the meeting, every aspect of college expenses will be examined along with the means to meet them. The High School Guidance staff will be available after the meeting.

# Around Our Towns

Lynda Noeth Scotti - 796-1286

Anne Jackson spent a wonderful vacation with her mom, Jean; sister, Jean; and her brothers, Michael and Bobby. Anne attends the State University in Albany. She was home for Thanksgiving and came home in early November so she could be sure to vote in the elections. She's quite a civic minded young lady.

Also home for the Thanksgiving holidays was Betty and Frank Meyer's son, Mickey, and his friend from Boston, Jim Campbell. Both fellows live and work for a picture framing company in Boston. Knowing the young men would arrive in HICKSVILLE quite late, Betty and Frank retired for the night, but not without making sure the travelers would feel at home on their arrival. Betty made a large sign (that the fellows couldn't miss seeing when they opened the door) that read: WELCOME HOME PILGRIMS.

The Humphreys of HICKSVILLE had a great Thanksgiving. Marilyn and Ed Humphreys and their six children shared their 25 lb. turkey and all the trimmings with Marilyn's

sister, Helen, and brother-in-law, Archie Strigaro, and their son and his girlfriend. There wasn't much turkey left over when this group finished dinner. But that's also a sign everyone enjoyed the food and the company.

Home from out of town for Thanksgiving were Kathy and Maureen Lynch of HICKSVILLE. They spent the holiday with their parents, Charles and Pat Lynch, and their two sisters Dianne and Jeanne. Kathy is employed in Virginia, and Maureen is a student at Oswego College. It was a warm and loving family reunion, especially since Charles' brother, Bernie and his wife, Nora, and their six children were able to join them in the Thanksgiving celebration.

Get well wishes to Clara Melluso of Alpine Lane, Hicksville. Clara is home recuperating from some recent surgery she had at Central General Hospital. We wish you the best of health, Clara.

Not only is Santa Claus planning an arrival in December, but so is the stork. We have it on good authority that the stork's arrival

Harriet A. Maher - 433-5994

in December will make Charles and Jean Cunningham brand new grandparents via their son, Kevin and daughter-in-law, Debbie, of Port Jervis, N.Y. Make sure you let us know as soon as the blessed event arrives, folks.

We can't decide whether Lillian Anderson is lucky or unlucky. She recently won \$35.00 -- which we think is lucky. But you had to be present to collect the money. Lillian wasn't present -- which we think was unlucky. Oh, well, Lillian, there's always another time.

At a recent cocktail party, Mrs. Evelyn Caruso and her son, Nick, surprised Evelyn's sister, Marie Saccitiano from Florida, with a birthday cake. To complete the

festivities, the band played "Happy Birthday" to the accompaniment of a chorus of voices singing the words. This was indeed a very happy birthday for Marie.

Happy birthday to a venerable HICKSVILLE gentlemen -- Henry Schnepf. Henry was 85 years old on November 15. Henry and his father were both born and raised in Hicksville. He has 4 children, 11 grandchildren, and 16 great grandchildren. Congratulations.

Mrs. Geraldine Trapasso of Peachtree Lane HICKSVILLE was honored with a surprise baby shower the other evening, given by Mrs. Zaida Sedlacek and Mrs. Linda Strongin. Guests included many members from the PTA Council family, Mrs. Trapasso, who is immediate past president of Willet Avenue PTA and currently corresponding secretary of the Hicksville

Council of PTAs, expects her new addition sometime in January. Other family members include husband Artie; and children Barbara Ann, Roy, Mara and Jarrett.

Edward Mangels, 8th St., HICKSVILLE, celebrated his 14th birthday on Nov. 7. Happy Birthday, Edward. His sister, Karen, celebrated her 15th on Nov. 15. Happy Birthday, Karen.

# Focus L. I. Attention On Reform In State Education Funding

With the homeowners' interest in property taxes at a peak, Oyster Bay Town Supervisor Joseph Colby intends to make this the year that Long Island will force the State to reform educational financing to bring real property tax relief.

As a first step Colby has invited all of Oyster Bay Town's School Board presidents and the Long Island members of the Governor's Task Force on Equalizing Educational Opportunity to a meeting on December 13, 1978, to plan a campaign to force reform that will be favorable to Long Island.

"There is no doubt that some reform in educational financing will become a reality," Colby stated. "But the answers as to what type of reform and when will it come are too indefinite and somewhat frightening."

Colby noted that, since the ruling of Supreme Court Justice L. Kingsley Smith struck down as unconstitutional the current use of local property taxes, there have been indications that reform will be years away and that it may only seek to overcome the technicalities of the court ruling.

"Rather than recognizing that the Levittown decision was the natural result of an unfair and unworkable system of financing education, the indications are that the State administration

intends to handle this as any other court ruling by pressing on with a time consuming appeals route," Colby said. "This merely attempts to postpone for two or three years the necessity of taking action. I believe the legislature can move more quickly than the administration appears willing to. I think that, if the effort is well organized and fully supported, Long Island can bring about reform through the Legislature in the very next session."

To provide united support for such a push, Colby has invited presidents of school boards from Oyster Bay Town and the four Long Island representatives of the Governor's Task Force on Equalizing Educational Opportunity to meet with him to explore the possibilities for such a drive.

"One of the most important reasons for this meeting will be to determine if there is currently a reform program that all of Long Island can fully support and urge the Legislature to adopt," Colby said.

"Reform can take many forms and any of them can overcome the court ruling. But, many would do nothing to assist Long Island homeowners and some will actually work against the educational system on Long Island."

"We have already seen an indication that the State Education Department is seriously

considering a State-wide property tax, the "Robin Hood" method of financing education that was rejected by the voters in Maine last year, after they lived with it for four years," Colby explained.

He noted that if there is sufficient support for an alternative plan to finance education, "it must be pinpointed right now and adopted throughout Nassau and Suffolk as the Long Island position. Once the Long Island position is determined, then all of us on Long Island will be able to zero in on supporting Legislative enactment of a particular program. This approach is the best method to bring about results."

Colby said that depending on what is learned at the Dec. 13 meeting, further meetings with school board and local government officials across Long Island may become the next step in bringing about the type of support that may force the Long Island position to become the center of attention for the State Legislature at its next session.

"I realize that Long Island school boards have been calling for change for years and have only managed to achieve a maintenance of the status quo," Colby said. "But now the time is perfect to involve the entire population of Long Island in support of a real solution to the question of

financing education.

"In the past, other local governmental levels have been reluctant to step into matters being handled by locally elected school boards," Colby noted. "But property taxes cross all governmental lines as a prime consideration and educational costs represent the bulk of the homeowner's property tax bill."

"My holding the line on Oyster Bay's General Town Tax and my efforts to hold the General County Tax will prove meaningless to the homeowner if a failure to reform educational financing results in a

higher property tax," Colby said. "I think most governmental and business leaders are recognizing this and, therefore, will involve themselves in a campaign to bring about State adoption of a Long Island position on educational financing."

"The Long Island position must be determined and be transformed into the focal point of all organizations on Long Island if we are to give our legislators the type of support they will need to make it the focal point of the 1979 session," Colby concluded.

## TOBAY Seeks Proposals For Refuse Recycle System

Oyster Bay Town Supervisor Joseph Colby announced that the Town Board recently authorized the advertisement of a Request for Proposals for a resource recovery facility to meet the needs of the Town.

The Request for Proposals (RFP) is another stage in Oyster Bay's exploration of the resource recovery field. Based on a previous Request for Qualifications of prospective proposers and a report developed by a citizens group created in the spring of last year to study solid waste management, the RFP invites qualified firms to submit proposals detailing the means they would use to recycle waste

by converting waste products to energy and by selling non-energy producing materials. Emphasis is placed in the RFP on reduction of landfill requirements.

Colby said the RFP will be formally advertised when authorized by the New York State Department of Environmental Conservation, which has funded one-half the cost of preparing the document. Proposers will have approximately four months to submit their plans, and will have the option of describing how they would handle more waste than is generated in the Town. Submissions under this option would indicate the financial benefits of managing waste on a regional basis.

## Engaged

At a family dinner party on November 25th, Mr. and Mrs. Edward E. Kadala of Silver Spring, Maryland, announced the engagement of their daughter, Jeannette Marie, to Mr. Raymond W. Frohnhoefer of Laurel, Maryland, son of Mr. and Mrs. Raymond J. Frohnhoefer of Hicksville, and Cresco, Pennsylvania. Miss Kadala is a graduate of

the University of Maryland where she received a B.A. in Music, and is currently attending Catholic University in Washington, D.C., where she is working for her Master's Degree in Music. She also gives private piano lessons.

Mr. Frohnhoefer is a graduate of Clarkson College of Technology where he received his B.S. in Mathematics and is

working for his Master's Degree at George Washington University in Washington, D.C. At the present time, Mr. Frohnhoefer is employed as a Systems Analyst at General Electric Information Services in Rockville, Maryland.

The couple plan to be married on May 26, 1979, in Wheaton, Maryland, and will reside in Gaithersburg, Maryland.

Among the attendees at this happy occasion were Mr. and Mrs. Raymond J. Frohnhoefer and Mrs. Anna Uhlemann, the parents and grandmother of Raymond. Mr. Mark Sihlanick of Potsdam, New York, a former college classmate of Mr. Frohnhoefer and who will be the best man at the wedding, flew to Maryland to be present.

## Galileo Lodge News

By Joe Lorenzo

On Sunday, the 17th of December, from the hours of 11:00 to 1:30 P.M., the Galileo Lodge will hold its 5th annual Christmas party for the retarded children of Hicksville at our quarters, 200 Levittown Parkway. From the hours of 2:00 P.M. to 4:30 P.M., the Galileo will also hold its annual Christmas party for the children of the membership, Spaghetti and meatballs will be served for the retarded children, and rounding out the menu will be such 'goodies' as ice cream, cake, cookies, milk and soft drinks. The party for the Hicksville children holds a special interest for the Galileo Lodge, and there is a special significance and meaning for all the personnel of the Lodge who give their time and efforts in order to cater to the needs of these very special children.

The Galileo Lodge, so desirous of making this particular event so much bigger and better than last year, is sending out pleas to all the merchants and businessmen in the Hicksville area to assist us in our cause by donating food, clothing, toys, sundries or anything else that would help bring so much holiday cheer and spirit to these youngsters. Please contact Jim Rerisi, the chairman of this party, at 931-6100. This is the time of the year for the spreading of good will and good

wishes, so Jim Rerisi will gladly pick up any donations that are offered. Please help to make this Christmas holiday one that the children will never forget.

Ably assisting in the spreading of the Yuletide warmth will be the well-known Peggy O'Connor Dance Ensemble. They are certainly a very talented group of performers. For further information call Joe Iannotti by calling 931-9351.

### Lodge News

On Saturday, December 2nd, the Galileo Lodge will hold its Christmas dance. Price of admission will be \$7.50 per person, featuring food, music, good times. Contact Skip Montefiore, chairman, at 938-7081. News Party to be held on December 30th, at Lodge quarters, \$22.50 per person, featuring dinner, continental breakfast, dancing until the wee hours of the morning and the proper atmosphere in which to welcome the New Year. Contact the Galileo Lodge at 931-9351 for further information concerning the membership drive program.

### LEGAL NOTICE

#### LEGAL NOTICE

TO THE TAX PAYERS OF THE HICKSVILLE FIRE DISTRICT:

NOTICE is hereby given that a resolution was duly adopted by the Board of Fire Commissioners of the Hicksville Fire District, Town of Oyster Bay, County of Nassau, State of New York, on the 21st day of November 1978, subject to a permissive referendum as provided for by Sec. 6-G of the General Municipal Law.

An extract of the resolution is as follows:

The Hicksville Fire District maintains a Capital Reserve Fund under Sec. 6-G of the General Municipal Law in which account there is sufficient funds to accomplish the purposes hereinafter set forth, namely, the purchase of a specific type of equipment, to wit, a 1500 Gal. Class A pumper so called with appropriate chassis motor and equipment, and it is proposed to purchase the said specific type of equipment in order to maintain the high standards of performance of the Hicksville Fire Department in the discharge of their duties in preserving the lives and property of the residents of the community and the said purchase is deemed in the best interests of the residents of the Hicksville Fire District. The resolution further provides that there be transferred from the present Capital Reserve 6-G Fund of the Hicksville Fire District a sum not to exceed One Hundred Twenty Thousand Dollars (\$120,000.00) and the District Treasurer is authorized to effect such transfer from time to time to effect such purchase.

This resolution shall not take effect until December 21, 1978 unless in the meanwhile a permissive referendum as provided for in Sec. 6-G of the General Municipal Law is required to be held.

## "Pay The Price" Pulls Through

Joseph Aglio of Hicksville, winner of the OTB "Win the Purse" Sweepstakes, is already ahead \$510.00 as "Pay the Price," the horse chosen by Aglio and Suffolk-OTB winner Robert Swords, placed third in last Thursday's Third Race at Roosevelt Raceway.

Drive Wayne Filion takes the credit for holding "Pay the Price" up front on a sloppy track. Mr. Aglio and Mr. Swords shared 12 percent of the \$8,500 purse and are looking forward to Wednesday night (November 29th) when "Pay the Price" leaves from Post Position 5 in the Tenth Race.

So join the winners and follow the action.
