Mrs. Wolfson 10 Run For BOCES Board

By Linda Strongin

Trustee Iris Wolfson announced at last week's meeting of the Hicksville Board of Education that she would not seek re-election to the Hicksville Board but would seek nomination and election to the Nassau County BOCES (Board of Cooperative Educational Services) Board.

"Since 9% of our students are serviced by BOCES, I feel, can serve Hicksville better of the BOCES Board", she stated. She added that in Hicksville the Board should aid more vital young people with young children in the schools.

Mrs. Wolfson stated that she would finish her term on the Hicksville Board, which expires June 30. She has served on this Board for six years and served as its President for two.

Later in the meeting, the Board members adopted a resolution nominating Mrs. Wolfson for election to the BOCES Board, and also giving her a vote of confidence. Voting in the BOCES election is by school board members throughout Nassau County, with a maximum of 5 votes for each school district. The election is scheduled for April 3.

Trustee Neil McCortack stated that Mrs. Wolfson had "worked hard" on the Hicksville Board and that she has his "whole-hearted support." He suggested that her name be posted with all Nassau school boards and "the good thing" she has done on the Hicksville Board.

Absent from last week's school board meeting were Trustee Pete Fujimoto for business reasons and Supt. Dr. Wilber Hawkins who was attending a conference of the American Association of School Administrators in New Orleans. Dr. Hawkins was to make a presentation at the conference.

Trustee Iris Wolfson

The Board approved participation in two Title IV-C programs, as outlined by Assistant Superintendent Dr. Manus Clancy. "Project Measure" would help bring the metric system to the schools with in-service workshops to the staff who would in turn bring it to the students. The cost is \$14,198. The second program, "Effective Planning Through the Management Team" would provide in-service training, speakers, and the opportunity for administrators to see "how other districts handle management problems," according to Dr. Clancy. The cost is \$16,250. Both are replication projects, meaning they have been done elsewhere, and both are competitive. Costs are entirely funded under Title IV-C and, contingent upon State Education Department approval, will be effective July 1, 1979 to June 30, 1981.

The Board approved the application for a modification of award by the arbitrator. School Board attorney Joseph Campanella explained that on Feb. 1 the arbitrator made an award

based on a miscalculation of figures, resulting in a \$28,000 difference.

The Board approved the acceptance of a rock and mineral collection for the Willet Avenue School from Mr. Norton Tyson. The collection is valued at \$150. Dr. Clancy "surmized", when questioned that the collection would be on display in the media center for the students to view and appreciate.

Under financial business the Board:

• authorized the signing of documents by necessary personnel to close the old checking accounts and to open new interest-bearing checking accounts, increasing the district's interest earnings by approximately \$8,000.

• approved budgetary transfers in the amount of \$278,195.90; • awarded bids for construction fund totaling \$48,776.63; for grass seed and fertilizer, \$1,306.10; and for athletic supplies-spring sports, \$11,205.58.

Discussed at length was Board policy up-date concerning Board Minutes of Public Meetings, prepared by Secretary Bill Bennett. District Clerk Marie Egan gave information and recommendations to the Board as did other Board members. This revised section will be voted on at a future Board meeting.

During announcements, President Tom Nagle again emphasized the Board's policy regarding unsigned letters. "The Board does not recognize unsigned letters," he said.

Mr. Nagle commended the many Hicksville Regents Scholarship winners, which were listed in Newsday.

During the public speaking session, a resident asked the status of the Strand III curriculum. Dr. Clancy informed

Founder's Day Dinner Honors "Guests"

The 26th annual Founder's Day Dinner was a huge success. Nearly 450 people joined in fettering District Honored Guest Mrs. Barbara A. Smith at the Galaxie on February 15th. Senior High Principal Raymond Rusch, who has worked with Barbara for many years in PTA at the High School, was the genial toastmaster of the event which also honored guests selected from each school in Hicksville. They were chosen for their dedication to furthering PTA goals and objectives.

Dinner chairperson Mrs. Lillian Solomon and her committee did an outstanding job of arranging the festivities, which greatly added to the enjoyment of all who attended the affair sponsored by the Hicksville Council of PTA Units each year.

ANGELS - GOD'S SPECIAL AGENTS
Who has not thrilled to read the account of the three Hebrew children, Shadrach, Meshach, and Abednego? They refused to fall in tune with the music of obeisance and worship to the king of Babylon. After they had refused to bow and were thrown into a furnace, the angel preserved them from being burned alive or even having the smell of smoke on their garments. The angel came to them in the midst of the flame without harm and was seen by the king who excitedly said, "But I see four men loose walking in the midst of the fire, and they are not hurt, and the appearance of the four is like a son of the gods."

In over 300 places in the Bible we read about angels. Their presence and reality is indisputable. Their importance is uncontestable. There is rarely a significant event that occurs in scripture without an angel present.
"But just what is an angel?" some might be asking. Luther's definition is as good as any. He said in his Tischenreden, "An angel is a spiritual creature without a body, created by God for the service of Christendom and the church." To say of a child, no matter how cute he is, "He's such an angel," is always incorrect. Although angels at times assume a bodily form, more often than not they remain in their spiritual state. They are sometimes visible

but are most often invisible. They were created by God, created before He created man. They are neither male nor female nor even human. They neither marry nor reproduce. There are millions of them. They have super-human power.
God has even provided for each one of us a special angel to watch over us and protect us. We commonly refer to him as our guardian angel. It is comforting to know that as we make our way through life that God has stationed His heavenly guards to protect us. This guardianship begins at infancy, for Jesus said in Matthew 18:10, "See that you do not despise one of these little ones; for I tell you that in heaven their angels always behold the face of my Father who is in heaven."

Now angels are not God, so we are not to worship them. But we should thank God for them for the

help and protection they provide. Our awareness of their presence and ministry should be of comfort to us. Angels are yet another statement of God's love and concern for us, and for that we are most appreciative.

So this coming week as we do battle with temptation and the forces of darkness, as we travel around doing our daily routine, as we seek direction to serve the Lord, we will have company. The heavenly hosts will accompany us, leading, watching and protecting.

A Message From Rep. Lent

John Deere and Massey Ferguson caused quite a stir when they arrived in Washington last week. John and Massey are makers of farm tractors, not people, and hundreds of these lumbering behemoths, each costing many times the price of a new car, were driven at great expense to their owners to our nation's capital in demand from the Congress even greater farm price subsidies.

This caused the biggest rush-hour traffic jam to hit Washington since the same group the American Agriculture Movement did the same thing last year. It was probably the most expensive demonstration we have ever seen here—perhaps \$60 million worth of farm machinery being up traffic instead of helping to produce our food supplies.

It made some spectacular TV news stories and front-page newspaper pictures. But it also made a lot of people think about the irony of a protestor piloting his \$10 thousand machine in a demonstration for more income (one kept waiting for the call Cadillac owners unite).

Which brings up the big question—do the farmers deserve the 30 percent boost in farm price supports they demand? In considering that question, it is well to remember that you, the consumer, pay twice for such subsidies, once in higher prices at the grocery store and again in the billions in tax dollars necessary to pay the cost of the price supports which help send the grocery prices higher. Price supports are costly in another way: they hurt our export business by

forcing U.S. produce to be sold at prices above the world market price, thus actually reducing farm sales overseas, and requiring more federal funds to keep the unsold surplus off domestic markets.

There is another point to consider after last year's demonstration, the Carter Administration caved in to demands with a nine percent increase in wheat subsidies. This helped push net farm income up a total of 40 percent last year. Prices paid to farmers are up 15 to 20 percent, wholesale beef prices up 50 percent, wheat prices up 25 percent, and we all know how our grocery bills keep rising. Farmers are also complaining bitterly about their debts, but while the debts of all farmers rose by \$17 billion last year, net assets of farmers rose by \$65 billion during the same period and doubled over the last six years. Not many businesses have been accumulating wealth that fast and I know very few families which enjoyed a 40 percent increase in their net income last year, nearly six times President Carter's wage guidelines. Yet, the farmers want still more.

Secretary of Agriculture Bob Bergland hit the nail on the head when he said some members of the American Agriculture Movement are "driven by just old-fashioned greed." There is little sympathy on Capitol Hill for increased farm price supports while farmers are enjoying near-record profits and consumers are struggling to pay record prices at the checkout counter.

Irish Council To Address A 1C

The Honorable Donal Hamill, Deputy Counsel General of Ireland, will speak to the membership of the Nassau County Chapter of the American Irish Congress on Monday evening, February 26, 1979, at the Irish American Center, 297 Willis Avenue, Mineola (just north of Jericho Turnpike). The meeting starts at 8 P.M. and the public is invited.

John Sugrue, Nassau County Chapter Chairman, noted that the Counsel General will address his remarks on the "Irish question" and his government's ongoing endeavors in prompt and hopefully attain

peace and justice in Northern Ireland. Sugrue said, "This is the first time an official of the Irish Government will be in Nassau County and an opportunity for the American Irish community to attend and extend a 'Cead Mile Failte' (one hundred thousand welcomes) to this distinguished gentleman."

Mr. Hamill, the Deputy Counsel General of Ireland, arrived in New York last June with his wife, and family to assume his duties. He is a former resident of the village of Dundalk, County Louth, Ireland.

N.Y. Telephone Rate Request Hearing In Hempstead

The Public Service Commission will conduct a hearing later this month in Hempstead to receive statements from the public concerning the request of New York Telephone Company for a total increase of \$240 million annually in its rates.

The hearing will take place before Commissioner Karen S. Burstein starting at 7 P.M. Wednesday, February 28, in the Town

Hall Pavilion, Town Hall Plaza, Peninsula Boulevard, Hempstead.

A hearing scheduled last week was cancelled because of a snowstorm that made travel difficult.

The Commission is beginning hearings this week in Albany to permit cross-examination of some witnesses who have filed testimony and exhibits supporting the company's rate request. New York Telephone, which already has pending a request for \$80 million rate increases for mainly business services, is seeking at least \$180 million in the new case. The company explained that if an increase of less than \$80 million is granted in the earlier case, it would seek a proportionately larger increase in the latter one.

While the company has announced it seeks a uniform percentage increase for a wide variety of services and equipment in the second case, it also has filed detailed testimony supporting cost-based changes in most of the rates affected.

Drugs and Its Dangers

All of John Street School's 5th grade classes had a worth while experience learning more about drugs and its dangers.

Miss Ludwig's class invited Mr. John Walpole, a student's father, who presented an extremely informative lecture on the "Uses and Abuses of Drugs." By the many questions asked one could tell how much the children enjoyed the program.

Big Brothers/Sister Week Proclaimed By County Executive

County Executive Fran Purcell today proclaimed Feb. 18-24 as Big Brothers/Sisters Week and urged the people of Nassau County to answer the organization's annual call for Big Brothers and Sisters.

"We're trying to do a big job," said Jim Boyle, director of Big Brothers/Sisters. "There are thousands of single-parent children in the county who need the friendship, guidance and support of a volunteer." Boyle stressed that there are over 100 boys who are now waiting for their "special friend."

County Executive Purcell is a man who fully recognizes the need: he is an Honorary Board member of the BB/S Program. He feels that the men and women who volunteer in the

professionally supervised relationships have a most positive impact on the physical, social and mental well being of the children. In addition to simply befriending the kids, volunteers help guide them away from problems that so many fatherless children face.

"The need for Big Brothers is great," said Boyle. "The future of our waiting list boys depends

on the number of Big Brothers recruited during BB/S Week. I hope the citizens, 16 years and older, will respond as they have in the past to our call for volunteers."

Charity Marathon

On Feb. 14, at Hofstra University campus in Hempstead, a check for \$25,000 was presented to the Association for the Help of Retarded Children Long Island Division on behalf of the Ford Dealers of Nassau County. The contribution represents one of the largest gifts for the AHRC fundraising project being conducted by the Zeta Beta Tau fraternity at Hofstra.

ZBT is sponsoring a 52-hour marathon of music, dance and entertainment, starting at 8 p.m. on Thursday, February 22nd, and continuing through Saturday, February 24th at the school's Student Center.

Making the presentation this afternoon was Ted Anderson, president of Crown Ford in Lynbrook, representing the Ford dealers in Nassau. Mrs. Helen Kaplan accepted the gift on behalf of the AHRC Nassau County Division.

This marks the fourth year that ZBT has sponsored a charity marathon. Nearly \$50,000 was raised from the first three events, making it one of the most successful fund-raising projects on

Long Island.

Mrs. Kaplan pointed out that the Ford Dealers are a major sponsor of the fund-raising project.

On opening night, the ZBT marathon will begin at 8 p.m. and continue until 3 a.m. On the following days, the dancing will begin at 9 a.m. and go on until the wee hours of the morning. Prizes will be awarded during the dance competitions on Friday and Saturdays evenings.

Members of the Hofstra chapter of ZBT, under the direction of co-committee chairman Jay Sherman and David Higgin, are actively soliciting food and prizes for the project. In addition, sponsorships and insertions for the souvenir journal are being sought from local businesses and individuals. All contributions, in cash or goods and services, are tax deductible.

The Nassau Chapter of M.S. is appealing to businesses and friends alike to participate by donating a service or personal gift which will help raise monies for the over one thousand M.S. victims here in Nassau County. Just call 621-8663 or drop a note to Nassau County M.S., 4 Mineola Avenue, Roslyn Heights, N.Y. 11577.

Dear Friends

Do you read the legal? As important as this minor chore is, most of us are guilty of neglecting to do this each week. Actually they are published in your local weekly newspaper FOR YOUR PROTECTION and so that they are not lost in the large multi-page dailies that cover so wide an area. We really should try to keep abreast of what may be affecting each area of our own community.

For example, new legal is this week cover the following:
(1) The Town of Oyster Bay is attempting to sell or lease the old town annex on Broadway in Hicksville. See details in legal D-4469 on page 4.

(2) Three cases will be considered by the TUB Board of Appeals. See details in legal D-4468 on page 5.

(3) A resolution was "duly adopted" by the Hicksville Board of Fire Commissioners on Feb. 13th to purchase an ambulance costing \$45,000, subject to a possible permissive referendum. See details in legal D-4467 on page 9.

(4) The Hicksville Public Library has set its annual election and budget vote for April 10. See details in legal D-4466 on page 11.

(5) In legal D-4465 on page 8 you will find all the March 14th Town of Hempstead Board of Zoning Appeals cases listed for your information and protection.

This happens to be an important week for the local legal, which is why we thought of bringing up this point. But even on a slow week, each legal is worthy of at least a brief perusal because they affect every one of us and let us know what is being proposed in our own community.

Next Thursday is March 1st and a very important meeting of the Hicksville Community Council is scheduled for 8:30 pm downstairs in the Hicksville Library. The first report of the Committee for the Development of Downtown Hicksville under the chairmanship of Steve Didier will be made. This Committee has its first organization meeting, last Friday night (it was about 2 below) and many of the organizations contacted had held their own board meetings and had sent representatives to this meeting. Those whose board's still had to meet, will be joining in March. This Committee will be deeply involved in the development of downtown Hicksville which has been held up for the past ten years by the existing G-1 Zoning restrictions. This is important to EVERY resident taxpayer in Hicksville, to be informed on the work of this committee so that downtown Hicksville can be developed in our best interests both aesthetically and tax-wise. So, although we cannot all serve on the committee itself, if we attend the Community Council's monthly meetings on the first Thursday of each month, we will be able to hear this committee's reports. See you on March 1st.

Condolences to our former Superintendent of Schools, Dr. Fred Hill upon the passing of his beloved wife, Mary. Words are never enough.

Negotiations Up-Date

Contract negotiations between the Hicksville Congress of Teachers and the Hicksville Board of Education are continuing on the mediation level. An informal meeting was scheduled for February 20 with the HCT negotiating team and Mr. Joseph Campanella, school board negotiator, and Dr. Wilber Hawkins, Superintendent. An all-day meeting with the PEHR (Public Employee Relations Board) mediator and both parties is scheduled for February 28.

According to Hicksville Congress of Teachers President Robert Zaleski, "some tentative agreements in one area have been made, but there are still other major areas open."

Mr. Campanella also agreed that "various areas important to teachers" were still being discussed, alluding to non-mandated items.

If these differences cannot be resolved, the next step in the collective bargaining process is fact-finding.

Reading Encouragement

The Madhatters of the Junior League of the North Shore of Long Island, a reading encouragement program, will be performing at the Hicksville Public Library, in the Children's Room, on Saturday, March 10, at 11 a.m.

They will present Why the Spruce Tree Keeps Its Leaves in Winter, Winnie the Pooh, Caps

For Sale, and Herman the Loser. When reading the story, different characters in the story are assumed by use of a variety of hats, making the stories come alive.

After the performance, children can try on the hats and meet the performers.

Everyone is invited to this free program.

Nancy and Gerald Finn of HICKSVILLE are the proud parents of a son, Craig William, born Jan. 21 at Mid Island Hospital weighing in at 6 lbs. 10 oz. Equally proud grandparents are Doris and Bill Muller and Rose and Bernie Finn, also HICKSVILLE residents.

Birthday greetings to Steven Niggemeier of Jefferson Ave., HICKSVILLE, who celebrated on Feb. 7.

Brandon Collier of Schiller St., HICKSVILLE, celebrated his 7th birthday on Feb. 6. Happy birthday, Brandon.

Mr. and Mrs. Herman Barrow of East Meadow have announced the engagement of their daughter, Phonda, to Fred Goodman, son of Mr. and Mrs. Sid Goodman of PLAINVIEW on Jan. 19.

Happy 10th birthday to Glenn Mitchell of Ronald Ave., HICKSVILLE. He celebrated on Feb. 2.

Joan Ferrandino had a great time this past Sunday. She and other schoolmates and friends went on a skiing trip to Hunter Mountain! It was a one-day ski trip to a winter wonderland. The entire group travelled by bus and had a marvelous time.

Michael Wesnofske, who received his MBA this past December from Boston College, has recently obtained an ex-

cellent position with Johnson's Wax Company in Racine, Wisconsin. Michael is the product manager for GLADE. His mom, Sis Wesnofske, said "Now everybody should buy GLADE!"

On February 2, Christian Pietruszewicz was two years old. On February 10, his brother, William Pietruszewicz, IV, was five years old. Their grandfather, HICKSVILLE Bill Pietruszewicz, told us that two separate parties were held for the boys and that William, IV, had a little difficulty in accepting the fact he had to wait for his party. And we had a little trouble typing this long surname! The boys' parents are Linda and William Pietruszewicz, III, of North Babylon.

Tom Gallahue's family is helping to swell the ranks of the Republican Party. We heard that Tom and his wife, Dot, are expecting their fifth grandchild at the end of March via their daughter-in-law, Carol, and son Dennis Gallahue. Carol and Dennis have a two-year-old daughter, Kirstin, who is quite excited at the prospects of having a new baby in the family.

Alex Pankoff, chief zoning inspector for the Town of Oyster Bay, who has been observing and checking the apparently deserted house in our town, has been besieged with requests from people interested in renting or buying the residence. Alex has a message for all of us: Please,

folks, don't abandon your home around Hicksville!"

Fortitude Department Ida Mae Herfurth, one of HICKSVILLE'S octogenarians, just returned from a trip to Amherst, Wisconsin where she was born. Ida Mae made the trip all alone and on the return trip was delayed in Chicago due to the deluge of snow in that area. Ida's brother, Albert Dusel (who is 86 years old and maintains his own home) was delighted to see Ida once again. The weather was 27! below zero while she was there. In fact, Ida Mae said it never reached up to zero during her entire visit. Brrrrrr.

But spring is coming, and so is a permanent guest to Fran and Tom Pfeifer's household about May 12. The Pfeifer's first child is two-years-old Michael. They are delighted that Michael is going to have a new brother or sister. Unfortunately, Michael wasn't available to be interviewed regarding the matter.

Betty Jopp said that Valentine's Day is at hand and she's her husband, Frank's, only valentine and has been for the past 28 years. And we know you wouldn't have it any other way, Betty.

Happy anniversary to Dolores and Joe Magee, HICKSVILLITES, who were married 26 years on February 14.

Honor Two Hicksville Kiwanians

(Continued from last week)

Frank (Hlumsky)
Born in the Yorkville section of New York City in 1885 of industrious parents who came from Bohemia, his mother died while he was too young to remember her.

After his father's remarriage, they became tenement dwellers and continued their occupation as cigar makers using the living room as their workshop. This was a sort of primitive living (according to our present standards). Every tenant was required to keep their unit clean. This also applied to wooden halls and stairs.

His schooling finished before he finished elementary school. At the age of 14, he obtained his working papers and was ready to conquer the world. His first job was as a doorboy, as this required sleeping on the job. Homesickness took over and he resigned after two days.

Then followed jobs with a woodworking firm, a wallpaper manufacturer, a kindergarten and school supply house, and a roofing concern, Nicholson and Galloway, who are still in business in Glen Head. They have passed their 100 years as a going concern. His job was painting flat and peaked roofs, taking care of a bucket of hot tar for roofs. One incident of this job was to deliver material to workmen on various jobs. N & G had for a client John Jacob Astor who owned a vast number of brownstone fronts in the Chelsea district of N. Y. C. One day, he was sent to one of these houses where a pane of glass was needed after buffing a slight wind. He reached his destination, rang the bell in the servant's entrance. Upon being admitted, a sudden turn - bang, went the glass. Upon returning back to Hudson St., he was advised that his mishap would cost him about \$3.00 - about his week's wages. This occurred about 1901 or 1902. A happy ending to this episode, during an affair at which he was being honored, a representative of N & G returned his \$3.00, 70 odd years after.

Then ensued an unemployment period. In 1904, he obtained a job in a cigar factory as a cigar packer. During this period he met his wife-to-be who worked in the same area.

In 1906, he took a job with a paper company as a paper cutter advancing through various positions ending up as a salesman. This job lasted 45 years.

In the interval, after a brief courtship, he married Carolyn Safarit in 1907. This union was blessed with the birth of a son, who died in infancy, and two daughters, Frances McKillop and Ruth McIntosh.

Their early married life was marked with moving to Hicksville in the spring and back to the city in the fall. In March 1913, residence was established in

Hicksville.

Empire Moving was the prime mover at a cost of \$20.00 per trip.

Commuting to the city by train was a tedious experience. The Terminal at that time was Long Island City, then run to make the ferry to the city, then an elevator train to Harlem.

It did not take long for him to get involved in community affairs.

His first involvement was with the Boy Scouts as Scout Master.

Much time was given in taking leading parts in amateur theatricals to help raise money for various churches.

When World War I broke out, he organized the Comfort Committee which devoted its effort in sending monthly packages to local boys in the armed forces. One hundred and nineteen were served until the war's end.

He instituted a program to buy and erect a flag pole along with contributions. School children participated in the program by buying an inch of the pole for 10 cents. Obtaining a cannon was next in order. This was obtained through our congressman Robert Bacon. It was placed on railroad property adjacent to Broadway. For years, he paid the railroad \$1.00 per year.

He was secretary of the original Chamber of Commerce during the period that Robert Moses was developing Jones Beach. This Chamber obtained many concessions that speeded up this project.

He was the first President of the Robert L. Bacon Republican Club. He was also the first president of our local stamp club.

He joined the Fire Dept. and in due time became an exempt member.

He was, for years, Secretary Treasurer of the Hicksville Fire District. Our present building was erected during that time.

For close to 25 years, he served as a member of the school board. Upon his retirement to become a councilman of the Town of Oyster Bay. He was councilman during the Town's greatest physical growth. He suggested the establishment of a building code which, when enacted, provided for an orderly erection of buildings. His record on the Town Board established him as a representative of the people without fear or favor.

He was chairman of the Comfort Committee that during two wars, provided a touch of home by providing their requested needs each month. He was active in organizing the efforts to honor those who served. Two memorials are set in the Garden of Memory at the Hicksville Junior High.

For over 30 years, he was chairman of our local Salvation Army unit. His motto, like the parent organization was, "ask

and it shall be given."

He was a member of the Manette Lodge of Masonry for over 30 years.

Since 1945, he was very active in the Kiwanis Club of Hicksville, serving as its Secretary for many years, and its President and Lt. Governor of his division.

His knowledge of the fundamentals of Kiwanis made this club attain a prominent place among clubs throughout the state.

Along with two tributes from Kiwanis, he received many citations. Among them a VFW Medal and Plaque for outstanding service to the community; Plaque and bowl from the Nassau County Weeklies in 1967 as the Good Neighbor of the County; Good Neighbor of Oyster Bay citation for the Ernest Francke Republican Club; citations from three Presidents, Woodrow Wilson, Richard Nixon and Gerald Ford.

Letters of commendation and newspaper editorials attest to the high regards this public servant is held.

No wonder he is affectionately called by all who know him as "Uncle" Frank.

Dr. Masek

In his presentation to Dr. Masek, Kiwanian Joe Oliver said:

"This is the most pleasant assignment that I have been given in all my Kiwanis activities, because, Dr. Masek's record of over forty years service to this Club has been an inspiration to me and to many others who have had the privilege of knowing him."

"When the call went out for someone to get a job done, he gave his time and effort without hesitation. He not only got the job done but done in a manner that brought credit and public accolades to the Kiwanis Club of Hicksville. We will all remember his accomplishments through the years."

"To highlight some, as memory permits:

"He was a Charter Member, the date of the charter being Oct. 16, 1937. He served as club president, having also served as master of arms through all posts to president. He is Senior Past-President."

"He served ably on all the

following committees: Welfare; Boys and Girls; Sunshine; Christmas and Thanksgiving baskets; and has served on our Board of Directors for the past forty years.

He has had perfect attendance. His unflinching appearance at our meetings is unmatched. He has gathered a total of 34 years of loyal service and we now regard him as "top Banana".

"He has been the attending Oral Surgeon at the old Meadowbrook Hospital for 35

years ... all this on a voluntary basis, no salary.

"Last but not least, he has given 50 years of service to the people of this community, both adults and children. His expertise as a competent, yet very gentle dentist, will never be forgotten."

"We are all pleased to bring him the honors he so richly deserves and we wish him continued good health, enjoyment in his retirement and a bigger and longer record of achievement in his future Kiwanis life."

Galileo Lodge News

By Joe Lorenzo

With over 400 people in attendance and enjoying themselves to the fullest extent, with the congenial and friendly atmosphere wonderfully accentuated by Chairman Teddy Marotti and his committee members, with the incomparable dance rhythms offered by Jim Marchese and his combo, is it any small wonder that the St. Valentine's Day dance held by the Galileo Lodge on Feb. 10th was such a smashing success. We have previously mentioned that all dances held by our organization are predicated on the idea of giving a lot for the smallest price of admission, and this policy earns its own rewards because of these inflationary times.

On February 8th, the Galileo Lodge held its election of officers. Many of the present officers were parts of a slate that was nominated by the Lodge nominating committee, but there was a new addition to the present set of officers in the name of Skip Monteforte, who was elected 2nd Asst. Venerable. The membership of the Galileo Lodge, naturally, is fully cognizant of the abilities and talents of the personnel who will direct the destinies and activities of our organization. The new slate of officers elected are: Tom Pasquarella, Venerable; 1st Asst. Venerable,

Tony Previte, 2nd Asst. Venerable Skip Monteforte, Orator, Pete Massiello, Rec. Secretary Fred Vevante, Financial Secretary, Joe Locasto, Treasurer, Jim Rerisi, Principal Trustee, Al Fingente, Congratulations.

Another message from the Galileo Lodge on March 3rd, the Lodge will hold its next Las Vegas Night, which means that there will be many chores and duties to be taken care of. With this in mind, the Galileo Lodge is urging all members to sacrifice a little of their time and efforts in order to supply the manpower needed to handle the various activities associated with this program. All members are asked to remember that this activity helps the organization as well as those many charitable enterprises which see a good deal of the proceeds flowing in their direction. The Galileo Lodge needs you - and if you need the Galileo Lodge, please come down and help.

It now appears as though the last Valentine's Day dance was not enough. Our Lodge is scheduling a St. Joseph's Day Dance (St. Patrick's) on March 17th, at our headquarters, 200 Levittown Parkway, Hicksville. Price of admission is the usual \$7.50 per person, with hot food,

beverages, coffee and cake, etc., to be served. And, of course, add some fine dance music by a musical to be selected. As we have mentioned in the past, beat the winter doldrums by contacting the Galileo Lodge (931-5351) for ticket reservations and additional information. Remember the old Lodge slogan which says that you don't really know what a good time is until you have been a part of a good time offered by the Galileo Lodge.

The Ladies Auxiliary of the Galileo Lodge held a card party on Thursday, the 15th of February. There were prizes and refreshments, and needless to say this activity was enjoyed by all who attended. The Ladies Auxiliary is a segment of the Galileo Lodge that always works diligently. Congratulations to the committee that handled this particular event.

Added Notes: the installation of officers will take place at a social meeting in March, and it is certain that many leading dignitaries from the Grand Lodge of the Sons of Italy in America will officiate at this ceremony. All members are urged to attend. The Bingo operation of the Galileo Lodge is another activity that is always in need of manpower, so once again all members are urged to give just one hour of their leisure time in order to provide the manpower needed to run this activity within the prescribed area of success.

At Holy Trinity

Ash Wednesday services at Holy Trinity Episcopal Church are scheduled at 7:30 and 9:30 a.m., at 12:00 noon, 4:00 p.m. and 8:15 p.m. with the imposition of ashes at all services. Ashes symbolize the lenten mood of surrender to God who is maker and redeemer. Ashes is also a symbol of that spiritual death from which God brings new spiritual life. This is the death and resurrection experience suggested in the Lent and Easter seasons. Members of the community are invited to attend the Ash Wednesday services and the special Tuesday evening programs which follow on March 6th, 13th, 20th, 27th and April 3rd at 8:00 p.m.

Each Tuesday in Lent the Rt. Reverend Jonathan G. Sherman will lead in a Bible Study on the literature of Saint John. Bishop Sherman is especially equipped for this study. He is both learned and winsome, and his presentation is both scholarly and filled with humor. This tour of the Scripture is open to all members of the community.

This Sunday, the last in the Epiphany season, the guest preacher at Holy Trinity will be Miss Anne Lindall, who formally assisted at Holy Trinity while she was a student in theology at the George Mercer Seminary in Garden City. Miss Lindall is now awaiting her ordination to the Diaconate of the Episcopal Church.

Wins North Shore

On Saturday Feb. 17th, the Hicksville Thunderbirds coached by Joe Neto and sponsored by the Long Island Boating Publications won the North Shore indoor tournament.

The team did not look very impressive at the beginning of the tournament and things looked rather gloomy for Hicksville as they tied their first game against New Hyde Park 1-1, and lost their 2nd game to West Islip 3-1. The boys finally got their game together in their 3rd game and defeated Brentwood 1-0, then went on to defeat East Meadow 2-0 and North Shore 1-0.

With a 3-1 record in the preliminary rounds Hicksville placed 3rd out of 12 teams participating in the tournament. Hicksville faced 2nd place West Islip in the semi-finals, the only team that defeated Hicksville in the preliminary rounds. However, Hicksville got back at West Islip and played a tremendous game and defeated West Islip 3-0. The win put Hicksville into the finals against Rockville Centre, who defeated Auburndale in their semi-finals 2-0. Auburndale was undefeated in the preliminary rounds with a 5-0 record.

The final game was a 20 minute classic, a well played game with action on both sides of the court. In the 7th minute of the match

Joey Neto broke the scoreless game with his 6th goal of the tournament with a hard shot from the right side. The goal keeper made a good attempt but could not make the stop. Trying to protect a 1 goal margin the boys played cautiously but aggressively enough to put pressure on their opponent. Midway through the 2nd half Paul Thompson scored the insurance goal, his 3rd goal of the tournament for a final score of 2-0. Brian McKenna and David Kanuck did an excellent job in their center forward position setting up the plays, scoring and assisting in the goals. Wings Michael Pryves and Andrew Horne also played very well assisting on some of the goals and helping out on defense. The Defense was flawless. Goal keeper Richard Markey made several good saves and did an excellent job of feeding the forward line. Martin Jaycard did a superb job as left full back. Right full back Darren Di Florio was voted best defender of the tournament and received a beautiful plaque. Darren did a tremendous job on offense as well. He took every throw in and several resulted in headers into the goal. Hicksville did not give up any goals in their last five games.

WELL DONE THUNDERBIRDS.

Hicksville American Soccer Club

by Pat McHugh, coach

Hicksville Rovers

The 1965 boys, sponsored by the Plainview Burger King, traveled to Oceanside last week-end to participate in the Cosmopolitan League's Indoor Tournament. Two weeks ago, the boys just missed getting into the Hicksville Finals with a 2-1 loss to Massapequa in the semi-finals, so had to settle for 3rd place. 28 teams participated. Down in Oceanside, 24 teams played in the preliminaries and only 8 would advance to Quarter Final play. In the prelims, the Rovers played pretty good soccer, but placed eighth with a record of 3 wins (Ridgewood, Manhattan, New Hyde Park) and a loss (Eintracht). The most memorable game - and it happens so often - was the loss to Eintracht; where the Rovers were ahead 2-0, thought they had the game won and relaxed. The final score was 3-2 with the Rovers on the losing side. Five unanswered goals by Eintracht put Hicksville in last place and on Sunday, the quarter finals are a one game knockout.

Jr. Varsity Reaches 14

The Hicksville Jr. Varsity Basketball Team won three more games this past week to keep their undefeated streak alive. They are now 14 - 0 with three games left to play.

Win number twelve was over Massapequa by the score of 50 - 37. Nine players scored for the Comets, led by Chris Martin with 13 pts., John Massaro 9, Greg Jordan 10 pts., and the rest of the scoring was spread out among ten players. Chris Riley, Ed Krisel and Joe Conway played excellent ball for the Comets.

The next win was over East Meadow, 69 - 51. Again it was a fine team effort with Greg Jordan and Chris Martin leading the attack. Martin had 17 pts. plus 14 rebounds. Jordan had 16 pts. and played a fine defensive game. John Massaro chipped in with 10 pts. and Brian Ahern 8 pts. and 9 rebounds.

Steve Jankowski and Bobby Dunn played a fine floor game at guard for the Comets, filling in for Rich Kershaw, who leads the Comet offense with his fine leadership. Rich was in early foul trouble but still managed 5 pts. and 5 assists.

School Board Meeting

The Board of Education of the Hicksville School District will hold its next regular meeting on Wednesday, February 28, at 8:15 p.m., in the Board Room of the Administration Building, Division Avenue, Hicksville. The public is invited to attend.

Being in 8th place meant you had to meet one of the tougher teams and Hicksville drew Eintracht again. This time the boys had something to prove, wanted this game badly & really came to play. Eintracht scored first on a fluke goal, despite Hicksville playing good, solid soccer & this put them even deeper in the hole. The boys were determined however, overcame the deficit and defeated Eintracht 2-1 and moved on to the semis. Again a little complacency set in and after a very big win over Eintracht, Hicksville allowed Massapequa to score a goal. In this fast, indoor game it's difficult to put it all together in just a few minutes and the boys were quickly running out of time. With the pressure of that clock ticking away and being behind, it's easy to forget the basics and just start kicking the ball around. With only seconds left in the match, Hicksville got a throw in deep in Massapequa territory. Bobby Andrus took the ball, looked around and saw Steve Dolan breaking up the middle from fullback and hurled the ball. Dolan headed it past the keeper for the equalizer and the buzzer sounded for a 1-1 tie after regulation time. This gave Hicksville a tremendous lift and the Rovers ended it quickly in the sudden death overtime when Adrian Pepi slammed it in seconds into the period.

The final game against Deer Park was anti-climatic after the first two wins and also ended in a 2-2 tie. Less than 2 minutes into the overtime, the Celtics scored & the Hicksville Rovers could finally go home with 2nd place trophies after two days of grueling soccer. The team played well and again proved they can do the job when they want to. The BEST DEFENDER AWARD, selected by the tournament referees, most deservedly went to Steve Dolan of Hicksville. He did what he was asked by the coach, put out 125 % in every game and had a really great tournament. When asked about his reaction, Steve said "I had a lot of help from my teammates; I could go up on the attack knowing Cliff (Feldman at fullback) and Robby (Pearse in goal) were

behind me." In all, the boys had a good tournament and performed well and Hicksville is proud of all of them: Bobby Andrus, Jimmy Demarco (playing hurt), Steve Dolan, Cliff Feldman, George Marcho, John McCann, Robby Pearse, Adrian Pepi and Gene Tyranski. The Indoor Season is now over for the Rovers and in just a few short weeks (when the snow melts) the Spring Season starts on 3/17.

GIRLS UNDER 19

The girls under 19, coached by Jim Dolan and sponsored by the Elks Club of Hicksville, played their indoor tournament last week-end up at Lutheran High School. The outdoor team split itself in half and entered two teams in the indoor event to even off the number of teams at 10. Three teams came up from Fairfax and Vienna Virginia, had a very good time billeting but, when it was all over, the Hicksville girls had taken first and third place in the tournament. In the qualifying rounds, the schedule was structured to avoid the two Hicksville teams meeting each other. They played opponents from around L.I. & Va. and both teams qualified to return Sunday for the Quarter Finals. Sunday's schedule however, is determined by position and as things would have it, the two Hicksville teams had to meet in the first game of the day. Both played extremely good soccer and the B.P.O.E. team (coached by Jim Dolan) edged their outdoor teammates the Hicksville Red (coached by Diane Conway) by a 1-0 margin. Despite the loss, Hicksville Red came back and won third place medals. The B.P.O.E. team won the championship with some really great soccer. They had to defeat a very good Fairfax team twice to attain first place, after having lost to Fairfax on Saturday. It was a tough assignment, but the girls put it all together and certainly got the job done. In 10 games over the week-end, their record was 8 wins, one loss and one tie and they scored 16 goals while giving up only three. The tournament referees selected the Special Awards and had no choice but to present Karen Dolan of the Hicksville

Fire Report

Cold Weather - Fires

The current cold snap has kept local Vamps very busy these past few weeks. There have been numerous oil burner fires, automatic fire alarms due to frozen and broken sprinkler pipes. The Hicksville Fire Dept. wishes to remind area residents to pay close attention to your heating units. Proper maintenance in most cases will see you through this period with little trouble. Fire dispatchers reported numerous broken pipe calls in local homes. For the first time in many months, the fire calls outnumbered the rescue calls! During the period of Feb. 4 through Feb. 17, Hicksville

firefighters responded to 58 alarms. There were 7 malicious false alarms, 35 fire calls and 16 rescue calls.

A house fire at 22 Prospect St., caused moderate damage on Feb. 6. The alarm was reported at 9:32 p.m. in the unoccupied home, by a passing police unit. The fire, which is under investigation, started in the basement and spread upwards to the second floor. Fifty men under Chief Ferber, using six pieces of apparatus extinguished the fire in one hour.

Another house at 33 Winter Lane, suffered severe damage on Feb. 14. The alarm was received at 9:52 a.m. The blaze, on one of the coldest days in years, was believed to have been caused by the occupant thawing

out frozen pipes in the attic. Fire spread rapidly through the enlarged Levitt style house. Thirty-five Vamps, six pieces of apparatus, responded, under

command of Chief William Ferber. One firefighter was injured.

Three Injured in House Fire

Three people were injured in a house fire, on critical, on Feb. 20. The alarm was received at 12:09 a.m. Six pieces of apparatus, fifty firefighters, under Hicksville Deputy Chief William Donlon responded. The fire, at 329 West John St., originated in a couch. The occupant, Gertrude Johnson, 62, tried to douse the flames, and in the process suffered burns to 30% of her body

in the 2nd degree. Other tenants, J. B. Hamilton, 54, and Roger Dale removed Johnson from the building and put the victim in the snow to extinguish the flames. Hamilton suffered burns to his hands. Marie Hamilton suffered cut feet. All the injured were transported to the County Medical Center in East Meadow via Fire Dept. Rescue units. Damage was slight, and the fire was quickly extinguished. The Fire Marshals office is conducting an investigation.
