Self-Service Postal Center

The Post Office doesn't have to be open to take care of your mailing needs. You can, literally, help yourself.

That's because there is a Do-It-Yourself Post Office, officially known as a Self-Service Postal Center, in Hicksville that provides convenient services 24-hours a day, 365 days a year.

Sectional center manager Anthony M. Murello said such a unit sells stamps, envelopes, postal cards, changes bills into coins, provides zip code directory information and accepts letters and packages. Customer information signs tell patrons how to use the center. A direct-line telephone to the post office is

available for customers who might need help or questions answered.

Postmaster Murello said a recent postal service survey of customers using the self-service centers in other cities found the overwhelming majority of users preferred them for "fast, time-saving service without long lines that sometimes occur at regular post offices." Since the first experimental unit was installed in 1964, the postal service has expanded the program to include more than 1,200 self-service postal centers in 500 communities.

In Hicksville, a self service postal unit is located at 185 West John Street.

In their continuing recognition of community activities and of our youth efforts, the Hicksville Lions Club, through Lion Clifford Freitag, awarded the Eagle Scout Ring to Troop 293's newest Eagle Scout, Eugene Gray.

The event took place on the 14th of March, at the United Methodist Church of Hicksville on Old Country Road.

Mr. Penque Appointed Old Country Rd. Principal

by Linda Strongin

Mr. Lou Penque was unanimously appointed principal of the Old Country Road School by the Hicksville Board of Education at its meeting last week. Mr. Penque's appointment is a three-year probationary term.

President Tom Nagle stated that Mr. Penque was fully qualified and had served in all the elementary schools. "Mr. Penque has been outstanding in performance," Mr. Nagle added.

Mr. Penque has been in the Hicksville School District for twenty-seven years beginning as a teacher at the Nicoli Street School. He then taught at the Burns Avenue School for approximately eleven years and became assistant principal at Lee Avenue. He was also assistant principal at Fork Lane School for three years and then returned to Lee Avenue where he has served as assistant principal for the last five years.

Mr. Penque has been acting principal for each of the elementary schools for brief periods of time.

While a teacher at Burns Avenue, Mr. Penque was also President of the Burns Avenue PTA for one year. He has been an active member on the Hicksville Council of PTAs, and is currently Parent Education Chairman for the organization. Mr. Penque was Council's District Honored guest at its 1974 Founders Day Dinner.

Commenting on his appointment, Mr. Penque said, "I am experiencing the exhilaration of self-renewal. I enjoy children and I like working with them."

In other business, the Board approved the extension of the contract with Curator Associates as Consultant to the district on unemployment insurance matters. The extended contract will be effective April 19, 1979 to April 18, 1980 at a cost not to

exceed \$1,407.

Mr. Richard Weigang, Business Manager, reported that the expenditure for unemployment insurance for the period July 1 to December 31, 1978 was a little over \$20,000. Curator had represented the district in 23 cases and obtained credits totaling \$1,000. Trustee Neil McCormack was absent from the meeting as he was on vacation.

Also discussed at the Board meeting was the contact negotiations with the Hicksville Congress of teachers, as reported here last week.

The subject of the Regents Competency Test was discussed when questioned by this reporter.

Assistant Superintendent Dr. Manus Clancy stated that a remediation program is already in existence at the elementary and secondary levels and "is one of the best reading programs on Long Island."

The Regents Competency Test covers the areas of reading comprehension, writing and mathematics. Dr. Clancy explained that the district is required to give this test, starting with the class of 1981. If the student fails, the parent is informed, the type of help needed is recommended, and a timely plan is provided.

He later explained to this reporter that a preliminary basic competency test would be given to present ninth graders this June. Also, it will be given to all eligible ninth graders in the future. Students in the 1981 graduating class who have passed the basic competency test prior to February, 1979 and students who pass the Regents examinations do not need to take the Regents Competency Test. 1979 and 1980 graduates must pass the basic competency test before a diploma is granted.

"If parents are confused and want more information, they can

contact me," Dr. Clancy suggested.

Trustee Iris Wolfson urged the public to write to "our legislators," who give school districts mandated programs, to put "the money where the mandates are." A school district, to meet the requirements of the law, has to dilute funds from other educational programs for these mandated programs.

Superintendent Dr. Wilber Hawkins announced that an additional \$7,424 under Title I would be received by the district which will provide an in-service training course for paraprofessionals at the non-public schools to upgrade the reading program and also provide supplies and instructional materials for Title I public and non-public schools (Burns, Old Country Road, and Senior High; Trinity Lutheran, Our Lady of Mercy, St. Ignatius and Holy Family).

Dr. Clancy reported, when asked by this reporter, that the in-district immunization program held two days in December, reached approximately 580 students. "The actual total number of students immunized to date is not available," he stated. All new students entering school must be fully immunized and transfer students must also provide immunization records.

The Board approved personnel for continuing education and Career Awareness Program, Title IVC; approved a maternity leave of absence; various appointments and accepted a resignation and retirement.

The Board also awarded the following bids: roofing repairs, \$41,432; window replacement, \$17,585.64; masonry repairs, \$17,500; and concrete curbing and walks, \$3,205.

The next meeting of the Board is scheduled for March 28, 8:15 p.m. in the conference room of the administration building.

Hicksville Chamber of Commerce News

eliminate this type of destructive activity.

Mr. Anthony Murello, our Postmaster, was the guest speaker. In his address, Mr. Murello spoke of the Hicksville Post Office's responsibility of processing mail from all areas between here and Riverhead. Statistics have shown that of the nation's 96 billion pieces of first class mail, the Hicksville P.O. handled 960 million in one particular year. The fact that the Postal Service deficit is being reduced was encouraging news. Some of the questions asked of Mr. Murello, included concern about parking at the Post Office, the problem of waiting in line for "window service" during peak periods, the need for certified checks when postage meters are refilled, why the glue on the stamps isn't as effective as it used to be, and, will the new smaller stamps be the stamps of the future?

The next meeting of the Hicksville Chamber of Commerce is scheduled for April 17.

Donations towards the Chamber's Beautification Fund may be mailed to Sieg Widder, Exec. Dir., Hicksville Chamber of Commerce, 338-B Mid Island Plaza, Hicksville, NY 11801.

The Hicksville Chamber of Commerce meeting at the Milleridge Inn on March 20 was well attended.

President Dr. Walter Dunbar received reports from several of the Chamber's active committees.

Mr. Kenneth Barnes, chairman of the Membership Committee reported that the recent membership drive had already produced results. The applications of several new members were approved.

Mr. Ed Johnson, chairman of the Beautification Committee, reported that planting of flowers around town will be the order of the day soon. Donations toward the Chamber's Beautification Fund will be accepted. Mr. Johnson also said that attempts would be made to have the roads in Hicksville cleaned up. A suggestion was made that the Town should also be requested to clean up the Town parking lots. Also, the fact that the former Hedges Restaurant is developing into a problem site, and calls for special attention, was brought out.

Mr. Vernon Wagner, Delegate to the Hicksville Community Council's Ad Hoc Committee on the Development of Hicksville,

reported on the activity of this committee to date. He encouraged all in attendance to submit suggestions to him which could be shared with other delegates. Mr. Wagner also encouraged attendance at the Town Board meeting on the evening of April 10, at which time the proposed revisions of the G-1 Zoning will be presented at a public meeting.

Mr. Lawrence McCaffrey, chairman of the Chamber's Flag Committee, reported that numerous flags and flagpoles were either worn out, broken, or have disappeared. Also, several of the stanchions on which the flags are installed on holidays, have broken. Funds will be raised to replace the missing, worn, or damaged equipment.

Mr. Bernhard Bruns, chairman of the Traffic Safety Committee, reported a new phone number, 921-7733, to be used to report street light outages, or any other problems in conjunction with street lights. This number is available 24 hours a day.

President Dunbar mentioned the incidents of graffiti-type vandalism at the Junior High School and asked for help to

Local Youth In Drive For AHRC

Two local women are leading an effort by area teenagers to raise funds for the Nassau Association for the Help of Retarded Children.

Myra Giansante and Phyllis Downe of the Hicksville-Levittown-Wantagh Auxiliary have announced that AHRC's local YOUTH (Youth Organized United To Help) will be conducting a month-long drive in April. The local drive is part of an annual county-wide effort in

which several thousand teenagers will be participating. The young people as part of their year-round activities, in addition to their fund raising, help to develop community understanding and better acceptance of the retarded. YOUTH also participates in a recreation program which includes community-based events such as dances, picnics and outings.

Lenore Beesley of Garden City, who is the AHRC county chair-

man of YOUTH activity, explained that the funds which will be raised from YOUTH's current teen drive will go to the training and educational programs which are sponsored by AHRC. These include an educational training center in Plainview, residential facilities in the mid-island area and a residential camp at Hunter Mountain. AHRC also has a summer day camp and a greenhouse-horticultural program on Brookville campus.

Paul Vetrano wants job security....

to do his job teaching in an environment reasonably free of danger, disruption and vandalism.

Paul has been a dedicated teacher in Hicksville for almost twenty years. He has earned the respect of all the students, parents and educators who have come to know him. His approach to the school he works in is "I want it to be a place to which I would gladly send my child."

In recent years he has witnessed a steady build up in our schools of drug trafficking and use, drinking on school grounds and violence to both persons and property. He has seen colleagues assaulted and at times sent to the hospital for preventing antisocial acts, including criminal acts. His duty assignment has radically changed from supervising to "policing" the school building and grounds.

Yet now, he finds, he is not receiving full and unwavering support from the Board of Education. Instead, they want to significantly reduce his "on the job" disability protection. What's more, they want to decrease the number of teachers needed to maintain proper control.

How can Paul guarantee full protection to our students when the Board of Education seems determined to reduce the number of already overburdened teachers who patrol halls, cafeterias and school grounds?

What about Paul's family if he is disabled on the job and unable to pursue a livelihood any longer? Knowing him, we are sure he will continue to do his job. But will our School Board members live up to their responsibilities to our students, to you, and to Paul?

Call Paul and his colleagues at 681-9710 to discuss these and other problems relating to our schools.

Hicksville Congress of Teachers • Helping the Citizens of Tomorrow

Dear Friends . . .

The Nassau County Department of Social Services is looking for foster homes for adults.

Many of the people who need care are senior citizens who can no longer maintain their own home, but who do not need nursing home or other kinds of group care. Some are physically or mentally limited people who are able to live in the community with supervision. Many of the people are enrolled in planned outside programs, which allows foster families the freedom to continue their normal routines.

The interest and attitude of the foster family are very important. They should be warm, outgoing, and have a true desire to have a non-related adult living with them. They must want to provide a homelike atmosphere, where the newcomer will receive nutritious meals and a chance to feel wanted.

Foster families are paid approximately \$245 a month for room and board. An additional monthly allowance is provided for the person who is receiving the home care.

If you are interested in being a sponsor-family for an adult who needs a home, call the Foster Homes for Adults section, Nassau County Department of Social Services, 832-2400.

We hear that Plainview residents are organizing the third annual Walk-a-Thon in support of the United Jewish Appeal Federation of Jewish Philanthropies Joint Campaign which is set for Sun., May 6. Rabbi Julius Goldberg of Plainview is serving as Chairman of the Plainview delegation. For further information call Mr. Milton Goldman, Coordinator at 785-5115.

A REMINDER: there will be a meeting of the Friends of the Hicksville Library on Tues. evening, March 27th, at 8 pm at the Library. Among the items to be discussed will be the support of the coming library budget. All "Friends" are urged to attend.

THAT'S ALL for this week. There is much work being done presently on a committee level, on the possible solutions to the downtown Hicksville triangle. We will have more for you on this during the next two weeks, but mark your calendars for on April 10th there is an evening hearing in Town Hall, Oyster Bay, to consider changes in the disastrous G-1 zoning which presently holds back the development of our downtown area.

Hearing On Community Development Funds

The Oyster Bay Town Board has set a public hearing for the Department of Planning and Development to elicit the views of Town residents regarding projects and programs to be carried out under the Community De-

velopment Program for the 1979-80 program year.

The hearing will be held on Monday, March 26 at 8 PM in the hearing room of the Town Hall East Building, Oyster Bay.

ORATORICALLY SPEAKING
... Oyster Bay Town Councilman Kenneth S. Diamond (center) looks over the program for the 42nd Annual New York State American Legion Oratorical Contest along with Richard Hochbrueckner. Zone 2

(Hicksville) Oratorical Chairman, and John Kyle of Syosset's Eugene S. Smith Post 175. The contest was held at Syosset High School, marking the first time the Town has hosted the event. The Councilman was on hand to deliver the opening remarks and presents awards to winners.

At The Town Board Meeting By Gerry Kahn

The calendar at the Town Board meeting held on Tuesday March 20, was made up of 40 items.

The hearing relative to the petition of the T.O.B. Housing Authority was the lead-off item. It proposed a change of zone from "D" Residence to S-1 (Senior Citizen) at Plainview (w s o Central Park Rd. e o Ruby Lane).

Jack Tillem represented the Housing Authority and stated that the granting would facilitate the construction of 127 housing units on the 5.1 acres which would consist of 7 buildings with the addition of a community-type recreation hall. The cost of construction is estimated at \$47 million.

Michael Polansky spoke relative to the hearing only to indicate that the Board recognize the scheduled speakers that the Greater Plainview Civic Association was planning to present and to question why the request for a three week postponement hadn't received a reply.

Don Henry of Plainview, President of the Church of the Good Shepherd spoke in favor of the granting stating that the petition was consistent with the goals of

the church.

The 2nd item on the agenda was an amendment to Local Law No. 5-1977, licensing of Places of Assembly. The amendment would exempt those fire district buildings used as places of Public Assembly.

Jean Watson of Bethpage spoke in favor of the granting as well as Jim McGinnis, Commissioner of the Syosset Fire Dept.

Item No. 13 related to the revision of the design phase of contract No. 77-4615, construction of storm drains and appurtenances on Sterling Pl., Freetown Pl., First and Second Streets in Hicksville.

The release of Maintenance Bond, Contract No. H68-3445 Bituminous resurfacing of Collector Streets in Birchwood Park at Jericho, made up the 13th item on the calendar.

A cash payment in lieu of land for the park district, relative to Map of Property at Woodbury, filed by Wooded Acres Corp. was the 22nd item.

Item No. 23 is of concern to a great many local sports enthusiasts as it directed the Town Clerk to advertise notice of hearing relative to the application of ABC Racquet Ball Courts of Plainview for a special use per-

mit to construct, maintain and use in an Ind. H. District, 11 racquet ball courts, restrooms, showers, sauna, etc. The hearing date is set for April 3.

The Town Clerk was directed to advertise Notice of Hearing relative to an application of Sun Oil Co. for special permission to install, alter, maintain and operate in an "H" industrial district a gas station at Jericho, s s o L.I.E., 400 feet w o Chenango Dr. Hearing Date May 22.

The last item of local interest directed the Town Clerk to advertise Notice of Hearing relative to the petition of Franchise Realty Interstate Corporation for a change of zone from Res. D to Bus. G for a special use permit to alter, maintain, and operate a McDonald Fast Food Restaurant and a kiddie amusement center at Hicksville w s o Broadway, 150 feet o o Princess Ave. Hearing date April 10.

The formal meeting concluded at 11:30. Judy Jacobs of the South Woodbury Taxpayers Assoc. spoke relative to the flooding condition of Picquetts Lane and the fact that the road, a main route to Jericho Tpke., has been closed for over a week. Mrs. Jacobs requested that the builder be forced to drain the pond.

Hicksville Escalators Move Closer To Becoming Property of the MTA

More than two years since he began the fight for it, it appears that Oyster Bay Town Supervisor Joseph Colby's proposal, that the State take over the escalators at the Hicksville Railroad Station, is on the verge of becoming reality.

In a letter from Metropolitan Transportation Authority Chairman Harold Fisher, Colby was informed that the funds for the railroad's purchase and replacement of the escalators have been confirmed and the necessary agreements and bidding procedures are expected to begin shortly.

"According to Mr. Fisher, it will take approximately two months before the bids will be approved and the installation of new escalators will take about 42 weeks after the bid is awarded," Colby said. "But, finally, the responsibility of the escalators to this train station will be placed in the hands of the railroad, where it should always have been."

Colby first proposed that the troublesome escalators should be an MTA responsibility prior to

taking office in January 1977. "It just seemed logical that escalators for a railroad station 'should be operated by the railroad,'" Colby said. "It is also more efficient to have the escalators maintained by an organization that is responsible for maintaining escalators at other stations. The Town of Oyster Bay has only this escalator and, therefore, had to contract with someone to provide maintenance."

Colby noted that in other track elevation projects recently undertaken or completed by the railroad, installation of escalators was part of the project. "But, twenty years ago, the Town had to form a Hicksville Escalator District to pay for the installation of the escalators at that elevated station because the Railroad had no intention of providing one," according to Colby.

Since that time the use of the Hicksville station has increased to the point where it is one of the busiest commuter stations on

Long Island. "It is used by commuters from far beyond the boundaries of the Hicksville Escalator District," Colby pointed out, "and that was even more evidence in support of my position, that the people of the area shouldn't be paying to maintain a service that all along should have been provided by the railroad for its commuters."

The Hicksville Escalator District roughly encompasses all or parts of the communities of Hicksville, Plainview and Jericho with a population estimated at 88,700 according to the Nassau County Planning Commission. "The Escalator District Tax for this year was less than 2-cents per \$100 assessed valuation, but it wasn't this small amount of tax that led me to propose the takeover," Colby said. "It was the fact that this was not a service to the community but a service to the commuter and, therefore, the agency providing commuter service should be providing for a railroad station escalator."

A Message From Sup. Colby

After discussing Governor Carey's financial plan for the destruction of Long Island's proposed school "aid" formula and formula to "aid" local government—his latest step against Long Island would seem insignificant, if it wasn't for the fact that it is a totally unnecessary action that would deny Long Island of a very unique facility.

On Long Island, in the most north eastern section of the Town of Oyster Bay, is a State fish hatchery. It has been there at Cold Spring Harbor in Laurel Hollow since 1881, and is the second oldest hatchery in the nation. For almost a century this facility has provided residents and visitors with a truly unique, educational and even entertaining experience. It attracts visitors by the hundreds of thousands each year. I remember bringing my children there years ago and I remember their enjoyment as they watched and fed the hundreds of fish. In recent years, when I drove by it along Route

25A I would see many more families enjoying this outing, just as mine had years ago.

Now the Governor has decided that out of a budget of almost \$13 million, he cannot afford to provide \$30,000 to keep this facility open. Last week we learned that at the end of this month, the facility would be closed and this attraction would be forever lost to Long Island. The shortsightedness of such an action would be totally amazing if not for the past actions of this Governor, when it comes to "providing for" Long Island.

Two State Senators, Ralph J. Marino of Syosset and Jim Lack of East Northport are currently attempting to prevent the closing of this attraction. They have asked for support in their fight to delay the deadline and to develop a funding method that might allow the facility to be self-sustaining.

There is no doubt that such a possibility should have been explored by the Governor before

taking such drastic action. Now the two Senators are forced to work under an unrealistic deadline to find a method to continue financing this facility.

I would like to urge Town of Oyster Bay residents to join me in supporting the action of these two legislators by writing to the Governor to ask that he delay the closing until he has at least explored other possible funding sources to keep this Long Island facility open.

Letters To The Editor

To The Editor:
Re: Senior Citizen and Low-Income Housing in Plainview

I want to express my opposition to the proposed Senior Citizen and Low Income Housing slated for the property between Good Shepard Lutheran Church and Plainview-Old Bethpage High School on Central Park Road in Plainview.

The location is incompatible with senior citizens' needs. The property is at the top of a steep hill with only one road leading into and out of the property. Last winter the snow removal was insufficient, to say the least. How will these people manage on a snowy, icy hill? This property is NOT within walking distance to a shopping area nor within walking distance of transportation.

The property is adjacent to the Plainview-Old Bethpage High School. A camp is conducted there in the summer, football games and cheerleading in the fall. The noise and confusion will hardly be advantageous to our Senior Citizens.

How can Supervisor Colby and the Oyster Bay Town Board possibly think that this property is a good location for Seniors?

In my opinion this particular location is an insult to the intelligence of all thinking people and completely unsuitable for our Senior Citizens - our mothers and fathers.

Mrs. John O'Hagan
Plainview

To The Editor
The Town of Oyster Bay Board

will soon receive a request for a "Special Use" permit to erect a Racquetball Club on the West Village Green in Hicksville. Since this property is adjacent to the Joint Town (Oyster Bay Hempstead) public pool area, we are concerned about the detrimental environmental impact it will have.

The building plans call for a thirty foot high building to be built behind our pool and facing our homes. The sunshine and welcome breezes we have enjoyed for almost thirty years will be blocked from our swimming area. Our school children will face additional traffic hazards all year. When they opt to use the pool for recreation, swim lessons, or swim team practices they will face danger and further air pollution from the increase in traffic.

Shocked residents, who believe the property on the Green to be Town owned, since it has been town maintained for all these years, are outraged, particularly since the nebulous owner (owners) have enjoyed free upkeep at taxpayers expense. We vehemently oppose further abuse of our rights to enjoy our only recreational area in health and safety.

Sincerely yours,
Virginia Flood, Publicity
West Green Civic Association

TO THE EDITOR:
We, the secretaries of the Hicksville Public Schools, would

like to express to the residents of Hicksville our concern with the current contract negotiations in the district.

Most of us (90 percent) are Hicksville residents and taxpayers and are familiar with the costs of living in Hicksville. We also have had children or do have children in the public schools and are concerned with the education of all children.

The budget you approved last year included increments and increases which none of the employee groups have received. We feel that we, as conscientious workers, and the lowest paid group of district employees, are entitled to a fair salary.

The office staff has been cut substantially in the past few years. You know that now we have only one secretary in each elementary school except Lee Avenue. This puts a great burden on that one person. The Administration Building staff has been cut as well, with secretaries taking on extra responsibilities.

The secretaries have now joined the teachers and custodians by declaring impasse. We do not want to see another Levittown in Hicksville. We who own houses and have families here do not want to see everything we worked for destroyed. We are asking that the Board of Education be urged to settle all contracts without further delay.

CONGRATULATIONS: As Oyster Bay Town Supervisor Joseph Colby, (third from left) adds his congratulations, Getrude Carden (third from right) outgoing president of the Hicksville Senior Citizens Club, pins a corsage on newly-elected president Agnes Hervan. Colby was guest of honor at the club's installation luncheon and installed the officers, who also include (left to right) vice-president Connie Esposito, treasurer Francis Schultz and secretary Mildred Nofer.

School Board Meeting

The Hicksville Board of Education will hold its next regular meeting on Wednesday, March 28, at 8:15 p.m., in the Conference Room at the Administration Building, Division Avenue, Hicksville. The public is invited to attend.

CAPA Assumes Sponsorship of Rochester Philharmonic Concert

"Hold on to those tickets to the Rochester Philharmonic Concert" was the word from Oyster Bay Town Councilman Thomas L. Clark this week as he announced that the Department of Community Services' Cultural and Performing Arts (CAPA) Division had come to the rescue and assumed sponsorship of the group's March 31st performance in Hicksville.

The orchestra will perform at Holy Trinity High School, Cherry Lane, on Saturday, March 31, beginning at 8:40 PM. All tickets purchased for the performance through the now-defunct Island Concert Hall will be honored. In addition, CAPA is offering a

limited number of tickets for sale at \$5 for adults and \$2 for students and senior citizens. Checks should be made out to Rochester Philharmonic and mailed along with a stamped, self-addressed envelope to: CAPA, Oyster Bay Town Hall, Audrey Avenue, Oyster Bay, N.Y. 11771.

"The Rochester Philharmonic concert date has been set for more than a year and there were a lot of disappointed music lovers when the Island Concert Hall closed," Clark commented. "The Town is pleased that it was able to step in and provide sponsorship for this important musical event. It will be a memorable evening for all those

who attend." Clark noted that the Hicksville appearance is part of a week-long tour of New York and Connecticut by the orchestra, which was founded 53 years ago by George Eastman and is one of only 33 major orchestras in the country. Conducted by David Zinman, the tour will also include the group's debut at Carnegie Hall.

OPENING DAY

The official Spring Season opened last week-end and the Club sent all 26 traveling teams out to play in the blustery March Winds and preliminary results indicate a fairly good start. Besides the 26 teams playing in the Long Island League, three more will play in the Mid-Island League (later start) so that the Club has a total of 29 teams of boys and girls scheduled to play approximately 300 games this spring.

In the first round of the New York State Regional Cup Competition, 8 out of the 10 teams entered won their games and move on to the second round. In the Regional Cup, a team keeps advancing with each win until a State Championship is declared. Some age groups advance further to the national level.

'65 Girls

The Hicksville Majors, who came in 2nd in the Fall and 3rd in the Hicksville Indoor Tournament, started their season with a really great game but unfortunately came out on the short end of a 2-1 match with North Babylon. Diana Taylor was outstanding in goal and Debbie Luongo had an excellent game and kept her team in contention with her overall superior play. The team has been depleted with injury and illness (Lisa Geveda & Sue Mitchell) but still gave their all and played very good soccer. Rita Cerasi, Kathleen Conway, Maureen Collins, Laura Pennell, Denise Harkins, Patrice Kenny, Erin O'Leary, Tanya Pfeffer and Laura Talenti.

'65 BOYS

The 13 year old boys, sponsored by the Plainview Burger King, had their first League game against Brentwood at the Grumman fields last week and came out of the match with a scoreless tie. Despite a very strong wind, the game was well played by both teams. This season, the '65 Division is a very strong one with a great deal of competition and Brentwood was hungry to get at the Fall

Champs - remembering their two losses to Hicksville (2-0, 3-0) last season. The Hicksville boys had several opportunities to score but just couldn't connect all the way. They have their work cut out for them now as their are at least four or five very strong teams up the Keague this season: Bobby Andrus, Vinny Christiano, Bobby Cullen, Jimmy DeMarco, Steve Colan, John Fitzgerald (just back from a leg injury), Cliff Feldman, George Marco, John McCann, John Mitchell, Bobby Pearce, Andrian Pepi, Gene Tyranski, David Smyth and Jim McGeough.

THE ROVERS

In the first round of the State Regional Cup competition, the Hicksville Rovers, coached by Pat McHugh and John Mitchell, drew their next door neighbors Plainview. The game was played at Plainview on a rainy, muddy afternoon and Hicksville came out on top with a strong 4-0 decision. Their next opponent in this one-loss-and-you're-out competition will be the East Meadow Flyers. Coaches McHugh and Mitchell are working hard with the boys to get them at peak efficiency for their heavy schedule in the League, the Regional and L.I. Cups and their scheduled trip to Hamilton for a tournament in Easter.

MINUTEMEN

After capturing the coveted 'Ernie Green Cup in January (indoor), a St. Patrick's Day win for the Hicksville Minutemen (boys under 19) marked their first outdoor victory in the '79 season. Hicksville coaches Peter Collins and Bill Cresham were pleased with the 2-0 victory over the N.Y. Astros. The tense and competitive first half was scoreless but just into the second half, Pat LaManna assisted

MINUTEMEN

After capturing the coveted 'Ernie Green Cup in January (indoor), a St. Patrick's Day win for the Hicksville Minutemen (boys under 19) marked their first outdoor victory in the '79 season. Hicksville coaches Peter Collins and Bill Cresham were pleased with the 2-0 victory over the N.Y. Astros. The tense and competitive first half was scoreless but just into the second half, Pat LaManna assisted Michael Collins in scoring the first goal for the Minutemen. Shortly after the excitement of the first score, again LaManna gave the ball to John Shannon, another outstanding player in the game. With Mike Humphreys and Erik Vanderwilden playing exceptionally well, Hicksville's defense withstood the Astro's driving offense with great stamina. This first very tough win in the Regional Cup took its toll, however, with injuries to Steve Solaski and Mike Humphreys and the team had to play with a reduced roster the very next day in a League game against North Babylon. The Minutemen held together and came out with a strong 4-1 win. We all wish the boys a very successful season & hope you all come out on Saturdays to cheer on the team.

HICKSVILLE "CARDINALS"

A beautiful sunny day saw the Hicksville "Cardinals" (Under 8), coached by John Fabrizio and Bob Finnell, sponsored by Barsentone Productions, Inc.,

travel to Northport, for the opening game of the spring season, to play the Tow Harbor "Tigers".

The first half score was "nil", but was dominated by the "Cardinals". The strong defensive plays by John Fabrizio, Brian Hoesten, Charlie Maione, Stephen Postullo, Brian Sacks, John Schneider, Chris Shearer and Willy Sneddon permitted the "Tigers" only ten offensive drives into the "Cardinals" territory compared to more than twenty offensive drives by the "Cardinals".

Fifteen minutes into the second half, the foot of John Fabrizio found its mark. The forward line of Eric Bentley, Scotty Duca, Brian Finnell, Robert Franzese, Stephen Gourlay and Bobby Himmel continued their strong attack. Within the next five minutes of the half, Robert Franzese and Eric Bentley combined to score another two goals. The last goal of the day was made by Stephen Gourlay.

With the boys playing as a "team" permitting forty four shots on goal the entire game, they shut-out the "Tigers" 4-0.

1986 Boys

Hicksville Hawks

Rockville Centre Spartans 0 The Hicksville Hawks opened their season against the Rockville Centre Chargers this past Saturday. Goalie Mike Micheli started his season in the net with a shutout. With 3 minutes to go in the second half James Youngs scored the game's lone goal from his right wing position. Jimmy Kennedy and John O'Reilly both played an outstanding game.

The defense were at their peak. Mike Lagnese, Bryan Althaus and Joe Abbatiello kept the ball away from the net while the Spartans very few shots on goal. The midfielders controlled the game. Scott Greenspan, Robert McKenna, Billy Cheslock and John O'Reilly did a superb job on a rough turf. The front line of Jim Kennedy, James Youngs, Derick Nordin, James O'Brien and Conn Kilmietis kept the pressure on the Rockville Centre defense. Derick, James and Conn, playing their first game with the Hawks, were just added to the roster 1 week ago.

BOYS UNDER 11

The Hicksville Thunderbirds sponsored by Long Island Publications coached by Joe Neto opened the Spring season with a 4-0 win over West Babylon.

The shut-out was made possible through the hard work of the full back line of M. Jaycard, M. Ayres and D. DiFlorio. Goalkeeper R. Markey had a rather quiet day. The few times the opponent managed to penetrate the defense Richard stopped them.

All four goals were scored in the first half. The first and third goals were scored by J. Coherly on crosses from the right side by P. Thompson and C. E. Man. The second goal was put in by D. Kanuck, again on a pretty cross from P. Thompson. B. McKenna put in the last goal of the game on a high long shot from outside the 18 yard line on a ball that could not be fully cleared by the defense.

Half backs R. Fraser and T. Kenny showed a lot of hustle as they beat their opponent to the

ball and would not let them penetrate Wings J. Neto and M. Prywes also did a good job feeding the ball to the middle of the field and setting up plays.

The team played a very good game, the passing was excellent and the coverage was great. It was a good start. Keep it up boys.

Hicksville Rowdies

by

Ron Roth (626-2748) The "Rowdies", a 1989 traveling team, opened its season this past Sunday with a 2-1 victory over Bohemia. Coaches Jim Reardon and Russ Tropea were very pleased with their team's strong first outing.

Ray and Martha Hand's daughter, Veronica, was sealed in marriage to Joseph Turner, Jr. on March 15. Both Veronica and Joseph grew up in Hicksville and attended the local schools. The marriage took place in the Mormon Temple, Washington, D.C. A reception was held in Gigi's of Westbury on March 17. Veronica's sister, Dorothy, was the Maid of Honor, and three of her friends were bridesmaids. Veronica is employed as a salesperson for Telex Co., and Joseph is self-employed as an advertising marketing executive. Congratulations, folks.

Geronimo rides (or is it runs?) again. You might recall that Geronimo is a Doberman owned by Christine Gilmore (Louise and Alex Pankoff's daughter), who has won many awards at various dog shows. He recently received the coveted "Best of Winners" award and that earned him two points towards being a sure champion. Go get 'em, Geronimo.

Open Letter to Ray Hand. (Charlie Lynch is picking up the gauntlet thrown by Ray in this column a few weeks ago.) "Your challenge on the golf course is accepted. Suggest you make it in the early part of the season for if my game has any weak points, they will be gone by mid-season. (Signed Charlie)" To clarify some of the mystique of this message for our readers, Charlie Lynch, Esq., received a set of golf clubs and bag from the Hicksville Republican Club in appreciation for his term of office as president of the Club. Ray has been anxiously awaiting golfing weather so he can "whop" Charlie out on the greens. May the best man win.

Town of Oyster Bay Councilman, Tom Clark and his wife, Corinne, have two daughters who are back on their feet - literally. Both girls had mishaps which required them to be on crutches. It turned out to be a learning experience for the seven other Clark children. Each one practiced on the crutches "just in case" they have to use them. Mom, Corinne, handled the entire situation with her usual aplomb. She sure is a tower of strength.

Jo Kluck, Suggs Lane, HICKSVILLE, celebrated her birthday on March 11. Jo's husband, Bob, and three sons, Bob, Steve and Tom all wished Jo much love and happiness and so does her friends and long-time neighbors. Congratulations, Jo.

Just learned the great news - Linda and Bill Murphy, Jr. are the proud parents of Laura Jean who was born on December 20, 1978. Laura Jean was recently Baptized and members of both sides of the family were present to help celebrate this joyous occasion. Bill's parents, Hilda and Bill Murphy, Sr., are long-time residents of Hicksville. Linda's parents, Vickie and Vinnie Cataldo are residents of Plainview. Baby Laura Jean and her new mom and dad have their own home in Hicksville. Guess Laura Jean will attend the Hicksville schools just like her dad did before her. This is the first grandchild for both sets of grandparents and they are thrilled with the new addition to their families.

And in PLAINVIEW there's another set of excited grandparents - Sylvia and Sam Zinn. Their first grandchild was born February 20, 1979, weighing 7 lbs. 3 ozs. The new baby's name is Jaclyn Ann Zinn. Her mom and dad are Kathy and Jeff Zinn of Queens who are as thrilled and excited with their new baby as are her grandparents. Blessings on you all, friends.

Bill and Steve Kaufman, owners of the Long Island Yellow Cab Company that operates out of HICKSVILLE and other areas, were the recipients of an award from the East Norwich Kiwanis Club for their generosity in providing a bus, at a very nominal sale price, to the Club. The bus was then donated by the Kiwanis Club to the senior citizens of the Oyster Bay area for their use in shopping, medical and recreation trips. The Kaufman brothers were presented with a plaque from the Kiwanis Club at their March 20 meeting held at the Maine Maid Inn.

We learned the East Norwich Kiwanis Club gave a generous donation of \$100 to HICKSVILLE'S Holy Family Falcons, a 7th Grade CYO Basketball Team. The Falcons had been invited to play several teams in Tampa and Orlando, Florida, during the week of February 17, 1979. Each boy had to raise \$100.00 to cover his expenses on the trip. The East Norwich Kiwanis Club's donation enabled one boy to attend, and

Oh, and we had a fine time St. Patrick's night with Ann and Bob Rennett of HICKSVILLE and Maureen and Joe Kubasky, former neighbors of the Rennetts and the Mahers. We all attended a dinner dance at the South Huntington Knights of Columbus. We were served a delicious corned beef and cabbage dinner, complete with home made Irish soda bread and shamrock cake. The music was good, the food and libations were great, and the company of all present just grand. It was, all in all, a very jolly affair.

Congratulations to Robby Smith of HICKSVILLE, who received a trophy for being the Most Valuable Player on the Town of Oyster Bay Hockey League, 1978.

Congratulations to William Atchison Jr. of HICKSVILLE and Werner Lederman of PLAINVIEW. They both recently celebrated 25 years of service with Grumman Aerospace Corp. Mr. Atchison works in the Special Tool Design department and Mr. Lederman works in the Machine Shop Dept.

Showman Mark Kreditor of HICKSVILLE, a cooperative student at Northeastern University, recently entertained patients at Jewish Memorial Hospital of Boston with a variety of Yiddish and English show tunes.

Birthday greetings go to Robert Laine, son of Cathy and Herb Laine of Robert St., HICKSVILLE. He will be 9 years old on March 28. A party was held at the Ground Round.

CUMMINGS 'N GOINGS

By Jim Cummings

QUITE A DAY And St Patrick's Day was just that last Saturday as the members of the Division and Ladies Auxiliary boarded their chartered bus to the New York parade-up the "Queen of Avenues" so called by our good friend Jack McCarthy who hosted the parade coverage for the 31st year. Your reporter then met the three Hicksville School Buses at the Joseph Barry Council, Knights of Columbus (where Grand Knight Jim Carroll wished all a good day), we chatted with the members of the band and "The 40 Quettes" and chaperones who would be with them at the assembly point 46th Street & Madison Avenue in NY. TV coverage started at 1 P.M. an hour later than previous years, due primarily to the fact the many thousands of marchers and viewers would be present since the "great day" was on a Saturday. The Hicksville contingent led by the "40 Quettes", the Hicksville High

School Color Guard and the Senior High School Marching Band with John Steele, Division President and approximately 100 members of the Hicksville AOH crossed Channel Eleven at 4:05 P.M. (45 minutes later than in previous years) however, they were right on camera and looked great is the reports. However, the return bus trip to Hicksville was delayed due to a bus breakdown and several of the members ended up home by LIRR from Jamaica.

DINNER PARTY: Your reporter and wife, Dolores, viewed the parade from home as we prepared for a St. Patrick's Day dinner party with good friends following the parade. Joining the clan were Frank and Cele Larkin; Jack and Grace Halcott; Bill and Katherine Roemer - we enjoyed delicious home cooked corned beef 'n

cabbage (prepared by my bride) traditional Irish Coffee and soda bread - lifting Irish melodies by our own piper, Bill Roemer; jigs 'n reels danced by all to wind up the most pleasant St. Patrick's Day we've enjoyed over the years - we plan to make this a annual event.

A NATION ONCE AGAIN: This is the fervent wish for Ireland by Irishmen and Irishwomen everywhere on St. Patrick's Day 15 leading Irish-American political figures condemned Britain for "violating its pledge to end brutality and even torture of prisoners in Northern Ireland." - this is the first time they jointly called for a UNITED IRELAND. They said that the United States would "stand ready" to provide all appropriate assistance to achieve this important goal of "linking Northern Ireland with the Republic of Ireland." Langaoit was said in recitation and I remember as a young boy on East 96th Street, my late father, James, born in the County Mayo (and mom near the lakes of

Sligo) would play me a record by their Prime Minister Eamon Develera "Dawn on the Coast of Ireland" a most inspiring rendition, especially the last line -- "Ireland, I bid ye, the Top of the Morning." We are proud of our heritage as are all people and hope that we may soon see "Human Rights in Northern Ireland" for all.

IRISH CULTURE: The Irish Cultural Society of Garden City, New York plans a dinner-theatre party at the City Center in Manhattan on Sunday afternoon, April 8, for the premier American appearance of the Irish Ballet Company's presentation of J.M. Synge's classic comedy, "The

Playboy of the Western World."

This international repertory company has adapted traditional Irish music played by the famed Celtic instrumentalists, "The Chieftains", to its two-act full length dance version of the play - a dinner party will follow at Rosie O'Grady's restaurant - Bus transportation will leave Garden City at 1 P.M. - for additional information and reservations please phone Jack McGowan at (516) 741-8420 or Rita O'Connell at (516) 826-7929, between 6 and 8 P.M., good luck, Jack.

Galileo Lodge News

By Joe Lorenzo

It was Saturday night, March 17th, at the Galileo Lodge, 200 Levittown Parkway, Hicksville. Around 8:30 P.M. or so, people started to enter the Lodge, and before you know it over 380 devotees jam-packed the area. The St. Joseph's Dance was off to a rousing start. As soon as "The Directions," one of Long Island's popular dance groups started playing the dance floor of the Galileo Lodge was overflowing with dance enthusiasts from all age groups. The Galileo Lodge had done it again. This dance, which was a combination St. Joseph's and St. Patrick's Dance, became a smashing success. The Galileo Lodge thanks Joe Suignna, Pete Masiello, Joe Lo Casto and the many others who were a part of this committee.

The March of Dimes program will soon take the limelight. On March 29th, it is estimated that over 15,000 children and teenagers will lend their energies in making the Superwalk even better than it was last year. The Galileo Lodge is planning to use Eisenhower Park as its headquarters during this march. This also means that refreshments will be served by the Galileo Lodge personnel to the marchers. Skip Monteforte, it's Chairman, announces that much help is needed to take care of the duties associated with this walkathon, so he urges all members to lend a hand and pitch in to handle these duties. This is a worthy cause and needless to say the Galileo Lodge puts a great deal of emphasis on this program.

Fun and good times are always in abundance at the Galileo Lodge. Now it announces that on

April 21st, a 7th Anniversary Dance will be held at its quarters. This affair will start at 8:00 P.M. and will also feature a cocktail hour, dinner and unlimited liquor, and the price of admission will be \$15 per person. The dance music, which certainly is an important feature of any dance, will be provided by Jim Marchese and his very well-known group. Tickets and table reservations will be handled by Pete Masiello, Chairman, and Joe LoCasto, Asst. Chairman. Dial numbers We 8-4335 and 433-3921 respectively. This is another affair on which the Lodge places a great deal of emphasis and this also means that those who will attend will find themselves involved in an affair which takes meticulous planning. Why not treat yourself to another good time session held by the Lodge? You'll be glad you did.

The Bicentennial monument program is in readiness, and with a slight break in the weather, we will see the completion of this worthy monument which commemorates our grand American history. I am told that the unveiling ceremony should be an auspicious one as many of the leading dignitaries, as well as the whole Galileo Lodge organization, will be present. This program was delayed because of a shortage of the various materials used in this structure, and not to mention the foul weather we have encountered this winter. But soon the community will be adorned with another fine monument, and this time it will come out of the civic-mindedness of the Galileo Lodge organization and which is also an integral part of the Sons of Italy in America.

SOCCER CLUB (Continued from Page 7)

The first goal was scored early in the half by Tony Conigliaro from his wing position. The other forwards Kevin Hamel, Greg Tropea, Sean Smith, and Steven Olive helped keep the pressure on the opponent's goalie.

Despite the extreme wind conditions, the midfield line of Jim Reardon, Dan Middleman, Joe Hanna, and William Sneed kept the ball down on Bohemia's side of the field.

The final goal was again scored by Tony Conigliaro towards the end of the game. Tough defensive play by the fullbacks Greg Skupinsky, Cliff Heller, Todd Roth, and goalie Gerrard McNamee kept Bohemia's scoring down to one. We are very proud of Gerrard, who recently

won "most valuable goalie" in an indoor tournament at North Shore High School.

A special thanks to the Heller family for sponsoring the team this year. The new uniforms were inspiring. Our team looks forward to a great season.

Hicksville Tigers

Sunday, the Hicksville Tigers met West Islip at Grumman field. The March winds were powerful and both teams played against this factor admirably. Coaches Richie Hanna and Al Boccalfo encouraged the kids to play hard and they did. West Islip scored first on a shot that was way over Sean Beach's head. Then both teams struggled and finally just before the half time whistle Hicksville's Mike Grossman scored a tying goal.

In the second half the defense was good, preventing several goals. Gregg Greenberg, David Haut and Kevin Taylor played the fullback position very well. Mike Grossman and Joe Masters played inside positions travelling the length of the field many times. Halfbacks Marc Diamond and Kevin Burke handled defense and offense admirably. Forwards John Dellaratta, Jason Miller, David Nisenon and Timmy Van Cise challenged the West Islip defense many times. It looked like the game would end in a tie when with 5 seconds left, a West Islip player nudged the ball towards the goal where it managed to just roll in. Final score West Islip 2 Hicksville 1.

The proposed amendments would change the regulations and restrictions on the development of property in a "G-1" Business District (Central Business) by increasing the total floor area of a structure which may be devoted to incidental uses, but requiring that such structures be of at least two stories in height; by allowing bars, cabarets and night clubs on the highest floor of a structure when approved as a special exception by the Town Board after a public hearing; by decreasing the minimum lot size required in order to build thereon and increasing the total percentage of a lot which may be developed but requiring that a minimum of ten (10) percent of the total area of each lot be set aside as greenery, primarily in the front yard; by deleting the regulations establishing floor area ratios, and by removing the "underground or within a structure" parking requirements and establishing instead that all off-street parking areas be directly accessible to a public highway and also be architecturally screened from adjacent properties and public highways. At Lee Ave.

On March 15, the Lee Ave. PTA sponsored the John Peel musical production "The Life of Stephen Foster" for the students. The show was performed by professional actors and is scheduled to tour the country. The set, lighting technique, and costumes were superb. It was an enjoyable learning experience for the children as well as an excellent introduction to live stage entertainment.

On March 14, third-grade students were treated to a

Nutritional luncheon by PTA. Through the efforts of Nutrition Chairman, Mrs. Salomone, School-Nurse Teacher, Mrs. DiLorenzo, and many helping mothers, they learned how delicious and economical nutritional foods are, and the nutritional values of the different types of foods. The children feasted on a variety of sandwiches, hard-boiled eggs, cheeses, apples, bananas, nuts, popcorn, milk and apple juice. They loved every bit of it and a great time was enjoyed by all.

Kennedy Choir Sings On!

by Harriet Siegel and Kenneth Falcher

This year, the John F. Kennedy H.S. Choir, Plainview, is very busy. Under the able direction of Mr. Ronald Cohen, the Choir is going on a five-day tour to Toronto, Canada.

The tour will consist of four stops. First, the Choir will give a concert at the State University of New York at Binghamton. They will then travel to Niagara Falls, where they will see the Falls and participate in a joint concert with the Niagara-Wheatley High

School Choir. The next day, it's off to Toronto, stopping to see the ancient Spanish Castle, Casa Loma. They will also visit the world-famous Ontario Science Museum, and eat dinner at an unusual restaurant called The Olde Spaghetti Factory. Last, the Choir will do another joint concert with the high school choir in Williamsville, N.Y.

To help defray the cost of this tour, the Choir held a citrus fruit sale. Thanks to this wonderful community, the sale was a great success.

The Kennedy Choir has always been known for their hard work and diligence in creating beautiful music for all to enjoy. If you would like to hear them sing, they will be having a concert on May 12 at J.F. Kennedy H.S.

Please feel free to come and enjoy some beautiful music.
