Library Budget Vote

The Hicksville Public Library will present its 1979-1980 budget to the voters on April 10th in the seven election districts. The polls will be open from 12 noon to 10 p.m. Registration will be held Tuesday, April 3 in the seven districts from 3 p.m. to 8 p.m.

The philosophy of the Hicksville Public Library is to provide services needed for nearly 50,000 inhabitants and to do so economically as possible.

Statistics can be extremely tricky and dull, but occasionally they can be used to provide some perspective for Trustees that must struggle with the tides of inflation and tax resistance when preparing a library program. Of the 53 libraries in Nassau,

Hicksville ranks 6th in size with about 48,000 inhabitants. Their book collection (250,000) ranks 4th in Nassau and about 20th in New York State. They are also 4th in number of books available per capita, an important statistic.

Comparing some of their non-book holdings they have 5,000 records in the collection (7th) more than 1,000 tapes and cassettes (6th) and 130 framed prints (8th). Books are, and must be, the cornerstone of any strong library. However valuable their auxiliary materials, cassettes, art works and records, books will be given the highest priority. Relatively speaking, therefore, the book collection stands highest on the comparison scale.

Financial and administrative data reveal a conservative and economical pattern. Total full time equivalent personnel in the library (36.30) is 13th and ranks well below all libraries serving 40,000 plus, the range being from 38 to 90. The tax rate is 28th of 45 libraries.

They are not claiming miracles. Hicksville is fortunate to have a high assessed valuation compared to most of its neighbors. Nevertheless, the figures do tell us something. In a community which can be fairly described as conservative, the library is not a major element of expense. As the major cultural force in the community, they can point with pride to their accomplishments.

R.I.F. Program

Through PTA sponsorship (with matching funds from the Federal Government), Lee Ave. students will embark on an added program this year—focusing on building up reading skills. The program is called "R.I.F." (Reading is Fundamental) and the PTA is able to offer this supplementary program to the existing reading curriculum thanks to the Candy Sale and other successful fund-raising events held in the past.

It is hoped that this unique program will motivate the students to do more reading for their enjoyment throughout the following year, while at the same time strengthen the skills of those needing improvement. If the program is successful, PTA hopes to be able to continue it next year.

East St. PTA Meeting

On Thursday, April 5th, at 8 P.M. the East Street School P.T.A. will have its general monthly meeting.

In correlation with the study of music from different nationalities around the world, some of the girls from the fifth and sixth grades, under the direction of Miss Florence Bowmar, will entertain us with festive dancing and folk songs.

Afterwards, everyone is invited to view the beautiful exhibit of dolls from many countries of the world. They will be on display in the music room or the third floor.

Coffee and tea will be served. So set a date for Thursday, to see this very worthwhile program. We promise you an enjoyable evening.

"FACTS ABOUT PROPERTY TAX EXEMPTIONS" is the booklet being explained, as well as the impact of 100% revaluation by Abe Seldin, (right) Chairman of the Nassau County Board of Assessors to (left) Augie Barone, Commander. Abe Seldin's appearance at the V.F.W. Post No.

Where PTA Stands On The Issues

PROHIBIT CORPORAL PUNISHMENT IN SCHOOLS

PTA supports legislation to prohibit Corporal Punishment as a means of discipline in the public schools. School districts would be required to have rules and regulations governing the limits and the use of physical restraint necessary to protect and/or remove students. Local and state advisory committees would have parental input.

FAIR STATE AID

PTA continues to urge that an equitable and adequate formula be arrived at for State Aid to elementary and secondary education. We believe that income wealth in a school district should be a factor in the formula in addition to property wealth. Any new formula should incorporate the findings of the Task Force on Equity and Excellence in Education of which PTA is a member and which is still conducting its investigation.

FUNDING FOR HANDICAPPED

PTA continues to support measures that would fully fund the excess costs incurred for the education of the handicapped. We believe that costs should not be a factor in deciding the best placement for a student and fiscal neutrality should exist between public and private institutions.

CITY TAX LIMIT

PTA continues to urge that a permanent and equitable solution be found to the problem of the Constitutional Tax Limit placed on city school districts.

CERTIFICATION AND SENIORITY

PTA continues to pursue legislation that would consider certification as well as seniority when teaching positions need to be abolished because of declining enrollment. (A445).

CONTINGENCY BUDGETS

PTA supports legislation that would allow a school district to adopt a contingency budget that would reflect an increase no more than one-half the Consumer Price Index in operating expenses per pupil. (A3194). Using this method, it would be as if the budget had been approved and none of the current strictures on library books, sports, etc. would apply.

STOP ARMS

PTA supports legislation that would require Stop Arms to be installed on all new school buses in the state. (S941 / A3184). This added safety feature would help to safeguard students as they enter and leave the bus at stops along the route.

FINGERPRINT CHECK

PTA supports legislation to require a fingerprint check for all school bus drivers to determine if there is a criminal record, especially for crimes against children. (S / A844).

CURTAIN SMOKING

PTA supports the Clean Indoor Air Bill (S1968 / A2746) that would restrict smoking to certain areas in public places. We believe there is sufficient evidence to indicate that the rights of non-smokers need to be protected when they must share the same space with smokers.

CPR

PTA supports legislation that would provide for instruction in Cardiopulmonary Resuscitation (CPR) in the schools and which would require that one staff person in each school be certified in CPR. We do not believe, however, that only certified teachers should be eligible. (There are several bills which address this issue.)

CONTAINER RECOVERY

PTA supports legislation that would impose a refund value of five cents on all beverage containers as a means of controlling litter and solid waste in our environment. (S2153 / A2822). Resource recovery is also an important factor in the recycling effort that would be generated by this.

STUDENT PICTURES

PTA supports legislation that would permit commercial photographer to take student pictures for certain purposes (S554 / A706). We have long appreciated the value of having photos available for identification and other purposes and of making those photos available to the parents at a nominal cost.

TAYLOR LAW

PTA supports legislation that would protect students' rights to be uninterrupted education by strengthening the penalties against illegal strikes by educational personnel.

"DC AMENDMENT"

PTA urges the New York State Senate to ratify the "DC Amendment," thereby giving the citizens of the District of Columbia full voting rights and full representation in the Federal legislature. This resolution has already passed the Assembly.

Johnny Cash Youth Special

One of the bright moments of this year's drab television fare will be the four-hour special "Where Have All The Children Gone?" to be aired April 3rd, 1979 from 7 to 11 PM, on WOR TV, Channel 9.

Hosted by Johnny Cash, with the largest guest list of any television special, including Bob Hope, Carol Burnett, Michael Landon, Bill Cosby, Ron Howard, Glenn Ford, B.J. Thomas, Roger Williams, Roy Clark, Paul Harvey, Tom Landry, Craig Morton, Carol Lawrence, Debby

Boone and her dad, Pat ... these plus a great many others join together to present a refreshing evening of entertainment and drama and to share their concerns for the problems facing today's young people.

But the real stars of "Where Have All The Children Gone?" are a group of teenagers, who not only tell their struggles with the five major problems confronting American young people, but share refreshing solutions they have found to deal with their problems.

Documentary footage, guest appearances, music, and personal

interviews are interspersed with dramatizations of four major problem areas that affect young people: crime; alcohol; runaways; and suicide. Highlights of the program include the contrast between the young who are in trouble and those who have come under the influence of the Youth for Christ's Campus Life or Youth Guidance programs.

Sponsored locally by Youth for Christ, costs of production and television time already have been paid for by concerned individuals and business organizations.

Nassau Boces to Conduct County-Wide Referendum

The Nassau Board of Cooperative Educational Services (BOCES) will conduct a county-wide referendum April 5 to obtain voter approval of a \$100,000 purchase of land and buildings in Syosset.

If voters approve, the cooperative board intends to buy the property known as the Northeast Area Occupational Education Center on Cold Spring Road, a job-training facility for teenage boys and girls from nearby school districts.

According to BOCES officials, the purchase would save Nassau County taxpayers more than \$200,000 a year—the amount the cooperative board now pays to rent the facility. The purchase, the officials explained, would put an end to the annual rental payments.

Consisting of three buildings on four acres of land, the Northeast Center was built to BOCES specifications nearly a decade ago, and has been under lease to the cooperative board ever since.

A clause in the original lease provides that BOCES, in the tenth year, can purchase the facility outright for a final payment of \$100,000.

"This is an unusual bargain for the taxpayers," said BOCES Superintendent William T. Callahan. "The purchase price is less than a tenth of what the property is actually worth."

"We asked an independent, professional appraiser to look at the property—and he valued it at \$1,150,000."

The Northeast Center enrolls about 375 local high school students who take occupational education as an elective. The students are bused to the Center for half of each school day. They spend the remaining half in their home high schools taking their academic subjects.

For purposes of the April 5 referendum, BOCES officials explained, Nassau County has been divided into 17 voting districts, each consisting of two or more entire local school districts. Each

voting district will have one polling place, which on April 5 will be open from 10 a.m. to 10 p.m.

Anyone is eligible to vote who is age 18 or older, an American citizen, and a resident, for at least 30 days, of one of the 56 component school districts of the Nassau BOCES.

No pre-registration is required.

Of the seventeen election districts, those in the local area are: Election District B, for Bellmore-Merrick CHSD No. 3, Polling Place—BOCES Southeast Center, 2460 Charles Ct., North Bellmore; Election District G, for East Rockaway-Malverne, Rockville Center and West Hempstead, Polling Place—Howard T. Herber Middle School, Ocean Ave., Malverne; Election District I, for Garden City - Hempstead - Uniondale, Polling Place, Hempstead Middle School, 185 Peninsula Blvd., Hempstead; and Election District J, for East Meadow, Levittown and Island Trees; Polling Place, East Meadow H.S., Carman Ave., East Meadow.

Town Board Meeting

By Gerry Kahn

The Town Board meeting held on Tuesday, March 27, concluded at 11:40.

The 2nd hearing on the calendar was the only one of the three of any local significance. It was the petition of Zera Contracting Co., Inc., for a modification of a previously imposed covenant (1976) and for a special use permit to maintain and operate a portable asphalt plant at Hicksville (e s Engel St. and s s of Hicksville Ave.).

The petitioners were represented by Robert Tesori who stated the site has been utilized as a portable asphalt plant for the past six years.

Speaking in opposition to the granting were Mr. Bartell and Mrs. Hawhurst. Their main complaint was noise and dust pollution. They claimed the plant

started operations at 6:30 and sometimes during the summer was still in operation after 7 p.m.

A representative of Amerex spoke in opposition but would be satisfied if there could be some assurance of no further contamination from the dust.

Joe Gibbons, Chief Engineer for Zera, spoke in defense of the hours and noise and dust pollution.

The CAPA will sponsor the Rochester Philharmonic Concert at Holy Trinity H.S. in Hicksville on March 31.

The South Woods Railroad is in for a face lifting as item No. 17 approved rebidding phase of the chain link fence installation for the structure in Syosset.

The former Lollipop Farm site,

n s Jericho Tpke., e o Jackson Ave., will be the home of a "Wendy's", fast food operation. The item, No. 26 on the calendar was granted.

Gilbert Tilles was granted approval of his application for a special use permit to construct an office-type building in the Free-

lich Farms Industrial Park in Woodbury.

In the informal discussion that followed the formal meeting, Judy Jacobs discussed the flooding on Picquets Lane, the Town action and the hope that the area will be continually maintained.

Mrs. Jacobs indicated that she and members of her Civic Association wanted advance notice on the Hearing that Gilbert Tilles was to have before the Nassau County Planning Commission relative to a final map and curb cuts on Woodbury Rd. in Woodbury. She received the guarantee from Supervisor Colby that the Town Board intends to take no further action until that Hearing has been consummated.

Letters To The Editor

Dear Editor:

I should like to address myself to the long-drawn out teacher and school personnel contract negotiation between their respective unions and the school board.

By way of establishing credibility and lack of bias through any personal involvement, let me state: that I am a resident of Hicksville for 24 years; presently have no children in the school system and am an executive in private industry. In this capacity, I have negotiated at least 10 contracts over the past 30 years.

The flood of letters and ads currently arriving in my mail box clearly indicates that both sides are posturing, for what they have, to be approval of their emotional viewpoints by the local public.

Contracts do not get settled by this type of stance; they are settled by what the law requires: "Bargaining in good faith." Recognizing the faulty mechanism that surround school board - teacher negotiation, such as the lack of real economic pressure as normally apply to private industry negotiations the public none the less, has an economic stake not only in what it pays through in school taxes but also what effects a strike, a school upheaval have on real estate values.

It would obviously be unrealistic to expect to make a zero cost settlement, for to imply this would say that there is no bargaining and that certainly would be contrary to the requirements of "bargaining in good faith." Yet nowhere in all the printed matter have I been able to discern that offer.

The matter will best be served if these amounts, realistically available were worked upon in terms of distribution be they wages or fringes, that will make a total and acceptable package.

As anyone knows, large and valued number of demands are made by both sides to serve as bargaining tools. However, most often when the economic settlements have been reached, the other demands by both sides are traded off.

Union and board members take heed. Contracts are settled in private, not in public. Stop the publicity and get to work like your life depended on it. Long protracted proceedings are the road to failure. If I can help, my assistance is available at no charge.

Herbert Klein

Dear Mrs. Noeth:

The Board of Education, which

represents us, the property owners and taxpayers, does have options it might use in their struggle with new teacher demands initiated by the union.

The teachers here are being paid very excellent salaries and all benefits, for which they work a year of 181 days. In other words, they are on duty only 10 months of the year, during which time the schools are closed 37 days besides Saturdays and Sundays. Two whole months of every year, plus the last week of June and in some years the first week of September, teachers are free to go where they wish, to take other jobs to add another one-sixth of a year's salary to their already generous stipend. There is no vacation for us from these unceasing, ever-mounting payments.

Our most advanced educational writers have for generations been pointing out that our children suffer educational losses from the two whole months away from their studies, that a lot of time is required in September to restore these losses. They have also reminded us of the cost of maintaining school buildings whether occupied or not and of the increased vandalism when unoccupied.

Thus, a really advanced educational system would go on a 12-month schedule, with 2-week vacations staggered. Teachers are paid on a par with business executives and lawyers. Business starts people with 1 week vacation, then 2 weeks after 5 years' service, 3 weeks after 10, 4 weeks after 15, etc., with the maximum 5 weeks, none of this 2 months.

Another option is to return to a normal public-school class size. Certainly pupils can get more attention when in a small class. The question is, How are we, a relatively poor people, going to pay - and should we pay - for private - school type teaching? If discipline is the problem, why not hire fewer teachers and some "officers" to maintain order only? A teacher should not have to attend to the whims of pupils who come to school only for mischief. An officer could remove that problem. Now we hear that schools are seeking retired teachers to correct papers. I do not know what schools are involved; I presume it is those with teacher unions, demanding more "rights" for teachers. First, class size is reduced so students can get more attention from the teacher. Now one of the best ways for a teacher to know and understand a pupil

and his or her needs and progress is to be taken away.

Third, I see no reason why the well-paid should not pay their own dental bills, and, in the extremity that these high salaries put us, why they should not also pay their own hospitalization and life insurance. There has to be a limit when the wants of one branch of a community's services get beyond the community's ability to pay. The public is not a profit-making business.

Sincerely yours,
Lillian Margol

Dear Editor:

The one pleasing aspect of last Tuesday's Hearing on the Town Housing Authority's unfortunate plan to put a HUD Housing Project in Plainview for the hearing by Plainview residents. While various media sources had different estimates as to the size of the crowd, the most accurate count appeared to be more than a thousand. It proves that the people of Plainview are indeed concerned about their community and their homes.

The people of Plainview have spoken with one loud and clear voice. They have told the Town Board that they do not want this Project approved. The factual presentations on behalf of the community were clear and compelling - especially those by ASSEMBLYMAN LEWIS J. YEVOLI and civic leaders MIKE POLANSKY and EILEEN PORTA.

We cannot believe that our Town Board can possibly ignore the unanimous voice of the community - especially now that the Board has been advised (by Town Housing Authority attorney Jack Tilles) that there is NO LEGAL MINIMUM TOWN RESIDENCY REQUIREMENT for someone to be eligible to live in the Project. In effect, anyone who has been a Town of Oyster Bay "resident" for 24 hours would be theoretically eligible to live in the Plainview Project. This by itself should be good reason to reject the project.

Thanks once again to the people of Plainview. Your turnout last Tuesday proves that "Democracy is not a spectator sport" in Plainview. Gentlemen of the Town Board, now it's up to you.

Very truly yours,

Informal Negotiations To Resume

By Linda Strongin

Hicksville Board of Education President Tom Nagle announced at Wednesday evening's Board meeting that informal negotiations with the Hicksville Congress of Teachers would begin as soon as dates could be agreed upon by both parties.

"We have agreed to meet informally as was suggested by the HCT at their general meeting last week," Mr. Nagle stated.

HCT Recording Secretary Mike Sena asked if it would be an "employee-employer" meeting without negotiators. Mr. Nagle again stated, "The Board will meet with the HCT."

During the public speaking session, resident and parent Joyce Wagner stated she "appreciated" the Board's last letter to residents since it was not "emotional but contained facts, whether right or wrong." She questioned several items in the letter including how the stated average teacher's salary was arrived at. Superintendent Dr. Wilber Hawkins stated it was a "median average," meaning half the teaching staff have salaries above and half have salaries below.

Resident and teacher Phil Provost stated that "the figure is a misrepresentation of the facts. It makes it sound as though teachers reach this point after five to six years of teaching." He pointed out that it takes "lots of education" to reach that point.

Mr. Sena also took exception to the Board's presentation of the average teacher's salary. He loudly stated that "lots of items are playful items" and questioned why the items settled upon, the number of compromises, give-backs and take aways were not mentioned in the letter.

Another resident questioned what the Board is doing and what they would be willing to do

concerning the problem of drug and alcohol abuse by students in the district.

Dr. Hawkins stated that he "shared her concern. We need to re-educate our youth and also need a commitment from the community but it takes time." He added that he hoped to implement a program and curriculum which would re-orient and re-educate our students. He stated that society "needs to develop better role models for our older youth."

Under Board business, June 13 was announced as the school budget vote and election of school board trustees. The Public Budget Hearing is scheduled for May 31.

Following is a schedule of the public budget review meetings: April 4, General support and undistributed expenses; April 9, transportation and census; April 25, instruction; May 1, instruction; May 2, instruction, staffing and organization; May 8 and 9, budget breakdown and wrap-up April 25 and May 9 are regularly scheduled Board meeting dates.

Absent from the meeting Wednesday, which was heavily attended with some audience members seated on the floor, was Trustee Neil McCormack. Vice President Dan Arena arrived a half-hour late.

The Board approved the recommendation of Business Manager Richard Weigang to accept Harrah Transportation's offer not to extend their contract but to go out on bid for regular district transportation; and to also accept Best Bus Company's offer not to extend their contract and to go out on bid for various school contracts.

The Board approved offers from Tomfor Transportation and We Transport Inc. to accept their offers of the Consumer Price Index increase as of May 31, 1979. Voting no to this motion was

Trustee John Ayres who felt the district should also go out on bid for these contracts.

Mr. Weigang stated that both of these companies "are specialists in the transportation of handicapped students." He added that they had the least breakdowns and had training programs for both drivers and students. "They are both tops in their field."

All transportation contracts must be reviewed by the State Education Department, who must also approve any increases. Mr. Weigang stated, when asked by Secretary Bill Bennett, that an CPI increase of approximately 8 to 10 percent could be anticipated.

The Board approved eleven companies for the purpose of selling tax shelter annuities to district employees. Voting no were Trustees Pete Fujimoto and John Ayres. Both questioned the legality of the action.

The Board approved the following holidays for non-instructional employees as tentatively agreed: April 12, 13, 16, 17, and 18.

President Tom Nagle stated that the request for sabbaticals was "denied due to negotiations."

The Board approved a request for JoAnn Brunetti to conduct an Intramural Gymnastic Program at Old Country Road School. All elementary school students can participate in this program, which is limited to approximately 35 to 40 students. More information can be obtained from Health and Physical Education Director Mrs. Diana D'Avino, Administration Building.

The Board approved the authorization for Mr. Weigang and others to sign the necessary documents required to close the old checking accounts and open the new interest-bearing checking accounts at National Bank of North America, thereby increasing the district's interest earnings by approximately \$5,000.

The next regular business meeting of the Board is scheduled for April 25.

Dutch Lane Newcomb Tournament Champions: The 4th and 5th graders at Dutch Lane School were involved during the winter months in a Newcomb tournament, organized by Phyllis Rubin, Physical Education Teacher. The six teams played during their lunchtime recess. Daniel Rehman captained the winning team - The "Great-stars". Team members were Stephen Volino co-captain, Jules

Garbus, Frank Hoffman, Mike Hripscak, David Kraker, Jean-Marie Lo Gatto, Greg Markotis, Gerald Murphy, Richard Murphy, Mike Pryves, Ira Rudin, Mike Schroeck, David Weinberg, Matthew Zeray and Jeff Zuzzolo.

Ribbons, donated by the PTA, were presented to first, second and third place winners. Certificates of merit were distributed to 4th, 5th and 6th place finalists.

To Dedicate Monument

A monument to the concept of "peace with justice in a united Ireland" will be dedicated outside the Nassau County Courthouse on Easter Monday - the 53rd anniversary of the famed Easter Rising.

Two of Nassau's leading public officials of Irish ancestry - County Executive Francis T. Purcell and District Attorney Denis Dillon - are co-chairmen of a committee of seven Irish-American organizations sponsoring the event which is scheduled for 1 p.m. on April 16, the Monday after Easter.

It was on Easter Monday in 1916 that the famed Irish uprising took place as Irish citizens joined in an effort to overthrow their British oppressors and establish the Republic of Ireland.

With hostilities still dividing Ireland 5 years later, the Irish-American committee will dedicate the monument to peace and unity and for an end to bigotry and discrimination.

The monument is a three-foot high concrete foundation topped by a replica of Connemara marble. It will be surrounded by a small rose garden and sitting

benches just south of the courthouse.

Inscribed on the monument will be the message:

"This grove, located in the shadow of the courts of justice, is a living symbol of our determination to end bigotry and discrimination in Northern Ireland and to support efforts to achieve peace with justice in a united Ireland."

Irish history, and the names of the sponsoring organizations:

- The American-Irish Congress
- The Ancient Order of Hibernians

- The Irish American Society of Nassau, Suffolk and Queens

- The Irish Cultural Society of Garden City

- The Irish Northern Aid

- The Police Emerald Society, Nassau County Chapter

Hundreds of invited guests and other supporters will be on hand when the dedication ceremony begins with the singing of the national anthems of the United States and the Republic of Ireland by famed Irish balladeers Noel Kingston and Paddy Farrell.

Further information is available by calling 292-8600.

Marge Giannelli wants to protect your investment...

People buy and sell homes for many reasons.

One very important reason for buying or selling in a particular area is the school system. Districts with good schools attract home buyers. Prices may be high, but purchasers consider the money an investment, both in real estate and in their children's futures.

Hicksville has been fortunate in having a fine school system which is supported by a tax rate at or below the median for all districts in Nassau County.

Marge Giannelli wants the district to maintain its high quality education and to continue its pursuit of excellence. Everyone will benefit, most of all your children.

Marge believes that short-sighted and imprudent plans that curtail programs and demoralize staff injure everyone. Whether you have children in school or not, Marge knows that you have an investment in this community.

Urge the School Board to have meaningful negotiations with its employees so that a strike can be averted and your property values can remain stable.

Protect your investment! Ask questions. Call Marge and her colleagues for more information at 681-9710, this Tuesday from 4 P.M. to 9 P.M.

lovely. All the children acted as if they had prior show business experience.

Harriet A. Maher

Welcome home to Henry and Mary Connelly who just moved from Co-op City to Blueberry Lane, HICKSVILLE. Henry's mom, Patricia Connelly, is just delighted to have her family so close to her. Pat lives on Linden Boulevard - just a stone's throw away from her son and his wife, and, of course, her grandchildren. Terrance (5 yrs.), James (2 yrs.) and Henry Michael (7 months). Pat said she can now walk to visit her family, they're so close by.

A worthwhile and enterprising endeavor has been instituted by the Catholic Daughters of America, Court Queen of Angels No. 869, Hicksville. They have started a Juniorsette Court for young Catholic girls between the ages of 6 and 10. Some of the basic goals of the Juniorsette Catholic Daughters of America are to provide programs of self-identity, personal growth and peer group relations. Mrs. Peggy Gill has accepted the rewarding and challenging responsibility for this effort. She is enthusiastically encouraging girls in this age bracket to join. If you know of someone who would be interested in joining the Juniorsettes, call Peggy Gill at 433-8607. She would be delighted to hear from you.

Oops, we goofed. We got our ladies mixed up in the Kremler family of HICKSVILLE. Here's how. We wished a very happy birthday to a sweetheart of a daughter on February 14. Only we said it was Anne's birthday. We should have said it was Annette's birthday. Ann is Annette's mom. Please excuse our confusion. Remember, "To err is human, to forgive is divine," so here's your opportunity, Annette, to practice a little omnipotence on our behalf.

Lorraine Quinn of HICKSVILLE is back from a marvelous visit to see her

brother, Jack Kelly of Springfield, VA. Jack is recently retired from the C.I.A. after 31 years of service with this organization. Lorraine proudly showed us a picture her brother had given to her of himself with President Jimmy Carter. President Carter signed Jack's copy of the picture. One of her children brought the picture into school to show all the other children. And speaking of her children, (Maryalice, Eileen, Cathy and Ann) Lorraine said she left them "in charge of daddy" (Pat Quinn), while she was visiting her brother, Jack.

All of HICKSVILLE has reason to be proud of Andrea McHugh, who is a Hicksvillite. Andrea, who is a seventh grade student at St. Ignatius Loyola School, won the state-wide "I Love New York" composition contest. One of her prizes will be a week end in New York City. Also proud of her daughter's accomplishments are her parents, Helen and Ed McHugh, and her brothers, Mike and Eddie, and her sisters, Christine and Patricia. Congratulations, Andrea, from all of us Hicksvillites.

Meanwhile, back at the Kremler household, we learned that Anne Kremler celebrated her birthday on March 21. Now we know it was Anne's birthday, not Annette's, because Frank Kremler (husband and dad) told us so. Happy birthday, Anne, and best wishes from your loving family and many friends.

HICKSVILLITES, Cliff and Helen Henderson, are quite enthusiastic about a free course they are taking on Tuesday evenings at LILCO's Consumer Education Center, Newbridge Road in East Meadow. They said they have received a number of excellent energy saving tips and other general information aids relating to home and energy management. Upon completion

of this course, they will "graduate" and receive a "diploma," too. Sounds good, folks. If you're interested, call this LILCO number: 731-6533.

The Central Nassau Senior Citizen group is quite an active association. They had a lovely celebration on March 14 for St. Patrick's Day. Now they are busily preparing for a boutique and raffle to be held on May 9, from 10 a.m. to 3 p.m. at the Koropecky School in Levittown. The seniors in this group are composed of many Hicksville residents. They used to meet at the Hicksville Nutrition Site held in the VFW Hall on Broadway, but moved to these other quarters recently. We wish you success in all your future endeavors.

Board of Education's Policy On Use Of Fields In The District

The Policy Committee of the Hicksville Board of Education, chaired by Bill Bennett, has introduced for Board action revised and expanded policy dealing with community use of District fields.

The new policy offers eighteen requirements that must be followed by qualified applicants. Organizations applying must have a majority of members residing within District boundaries and first preference shall be given to organizations serving youth up to 18 years of age. Supervision must be provided at

all times and the permit holders are responsible for the condition of the fields and must be satisfactorily policed after use. Gambling or the use of alcoholic beverages on school grounds is prohibited. Policy also states that fields will not be made available after dark nor will they be allowed to be used before 12 noon on Sundays.

When fields are available, teams may be granted permission for practice purposes. However, as in the past, league play shall have preference in the selection of fields.

Written requests for fields are to be received by the Director of Buildings and Grounds on or before the 15th of March, and the Director is empowered to assign each category at his discretion. The Director may also cancel any event for reason of inclement weather or construction safety.

If a dispute arises by reason of priority of fields, a mechanism has been set up to work out a satisfactory solution.

Copies of the new "Use of Fields in the District" policy will be made available to interested residents at the Administration Building on Division Avenue.

Funds Needed For Olympics

Long Islanders can contribute to the success of United States athletes at next year's Olympic games and, in return, receive a colorful sports poster for their home or office.

Three 20" by 30" full color posters are available by mail from the New York State Olympic Committee, Box 1980, Garden City, N.Y. 11530. Each poster costs \$5 or any three can be purchased for \$12.50, tax deductible.

The offer is part of a statewide effort to raise funds for the Olympics. On Long Island, Morton A. Greer, general manager-Long Island for New York Telephone, and Keith W.

Berry of Valley Stream head up the fund raising committee.

Many service clubs in Nassau and Suffolk already have raised funds for the Olympic Committee and several banks on Long Island plan to display and offer the posters for sale.

The cover of New York Telephone's 12-million new directories to be issued this year is a reproduction of an oil painting from which one of the posters was made. The painting by Bernie Fuchs depicts a slalom skier racing toward the reader.

Two other paintings also available now from the Olympic Committee and which will be offered in the directories are of a figure skater by Daniel Schwartz

and an ice hockey scene by Robert M. Cunningham.

Proceeds from the sale of posters will go to the United States Olympic Committee and the Lake Placid Olympics.

Local residents and businesses will receive their new directory in Suffolk in August and in Nassau in November.

Greer called on all Long Islanders to help make the Olympics a success by purchasing the posters. He said support by individuals and businesses in purchasing and displaying the posters can assure a successful Winter Olympics at Lake Placid next February and help send the best U.S. teams to Moscow next summer.

Hicksville American Soccer Club News

GENERAL

The final results from the first week of the young spring season have been tabulated and, in league games, the Club won 12, lost 7 and tied 7. With 8 wins and 2 losses in Regional Cup Competition, the overall club record is 20 wins, 9 losses and 7 ties. This indicates a fairly good start but there is a long way to go with the 28 traveling teams scheduled to play over 300 games including League, Regional Cup and Long Island Cup competitions. Preliminary results from a second week look very good in that several of the teams that took losses or tried their first game, won their second.

ROVERS WIN TWO

The '65 Rovers (boys under 14), coached by Pat McHugh and John Mitchell and sponsored by the Plainview Burger King, had to play twice this week-end. Their first match on Saturday was against the East Meadow Flyers who only lost to Massapequa by a 3-2 margin last week. The boys did not take this game lightly, as in this 'A' Division, all teams are strong and you can't let down for any game. East Meadow won the loss and elected to take the gale force wind at their back. The Hicksville defense - Christiano, Marco, McGeough, Fitzgerald, Feldman, Pearse and Dolan - was superb and stopped every East Meadow attack. Midway through the first half, the Rovers battling the wind and the opposition, broke through and moved the ball upfield and Adrian Pepi put one home from left wing. The 1-0 score held until the half. In the second half, the Rovers had the wind with them and put in two more (Smyth and Demarco) for a final score of 3-0.

On Sunday, the boys played round two of the Regional Cup against another East Meadow team and completely dominated the match. In the first half against younger and less experienced boys, Hicksville played sloppy and received a strong talking to from coach McHugh at the halftime intermission.

The Rovers in the second half put on a demonstration of ball control and passing - moving the ball up, back, across the field, etc. (Andrus, Cullen, Mitchell, Tyranski and McCann). The final score was 5-0 and in four games, the Rovers have now scored 12 goals and given up none but the big games are yet to come against North Babylon, Huntington and Massapequa.

BIG RED

The 1968 boys under 11 years old, sponsored by the Joseph Barry Council, Hicksville Knights of Columbus, recorded their second straight win of the season by defeating Northport 1-0 on a corner kick from Keith McCann to Alex Brill. In the 1st half, Hicksville defensemen played super against a strong wind to hold Northport at bay (goalkeeper G. Tyranski, P. Christiano, M. Boecafola, R. Youngs, R. Humann, S. Hertz, D. Donsky, L. Mejia and C. Weinberg). Coaches Jack McCann and Vinny Christiano are pleased with the boys progress but they do need more work as they have some tough games ahead of them. The week before on St. Patrick's Day, the 'Big Red' boys overwhelmed Floral Park 6-1 with the scoring coming from P. Ziembicki, D. Missimo and C. Bentley with a lot of help and support from their teammates.

THE MAJORS

The under 14 girls got back to their winning ways after a tough loss to North Babylon last week by defeating Northport 1-0 at home. This was also a tough game with the wind being a big factor that both teams had to contend with. The girls are doing well and coach Kathy McCausland is happy with their

performance. Sue Mitchell is still sidelined with an injury; the rest of the team is pulling together and getting the job done. Rita Cerasi, Kathleen Conway, Maureen Collins, Laura Fennell, Denise Harkins, Patrice Kenny, Debbie Luongo, Erin O'Leary, Tanya Pfeffer, Laura Talenti and Diana Taylor.

THE MINUTEMEN

The under 19 boys, coached by Peter Collins and Bill Cresham and sponsored by Bethpage Transmission Center, played one of the toughest teams in the League this past week-end (Commack) and really put it to them. The boys really came to play and took control of the match right from the start and never let up. It was a very good win for Hicksville and if the team doesn't let up, it should have a great season.

Girls U-12

The Hicksville Hemlocks coached by Sheila O'Leary and sponsored by the Stack O'Barley played their first game of the season on March 17th. They had the luck of the Irish with them and defeated their Northport opponent 2-1. They traveled out to South Huntington this Saturday and tied 0-0. This team is made up of the following girls: Peggie Bergen, Barbara Bruden, Theresa Briganti, Tracey Fiume, Ann Kenny, Sandra Laine, Dominique Missimo, Kelly O'Leary, Carol Paccione, Laura Reinhardt, Christine Sierra, Theresa Solaski and Krista Taylor.

Hicksville Hawks 4
Farmingdale 76's 2

Less than 5 minutes into the game the 76's scored the first goal. After that the Hawk's defense went into action. Fighting the wind and the Farmingdale offense, the defensive team of Bryan Althaus, Joe Abbatello and Michael Lagnese held the 76's scoreless the rest of the first half.

Conn Kilmatis and James O'Brien started the scoring for the Hawks. Conn scoring from the left wing and Jim from the 10-yd line. Then came big Jim Kennedy. Jimmy scored the next 2 goals wrapping up the game for Hicksville. Assists were given to John O'Reilly and Jimmy Kennedy.

Robert McKenna, Scott Greenspan, Billy Cheslock and James Youngs also kept the pressure on the 76's goal. Mike Micheli had a great day in the goal. Not only did Mike make some beautiful saves but he started the attack for Hicksville's first goal.

THUNDERBIRDS

JOE NETO

The Thunderbirds sponsored by Long Island Boating Publications went on the road to West Islip for their first away game of the season. It was a worth while trip. The team played a very good game against adverse weather conditions and returned home with their second win of the young season by defeating West Islip by a score of 2-1.

Hicksville was down by one goal very early in the game as the

fierce wind was blowing on their faces and on their opponents' backs. The goal was scored by Mother Nature on a corner kick. West Islip took the corner kick from the left side, the ball was heading towards the six yard line when the wind took the ball and put it right into the upper right hand corner untouched. Goalkeeper R. Markey did not have a chance to make the stop. The Hicksville defense of M. Jaycard, M. Ayres and D. DiFlorio did well in keeping West Islip out of their area for the rest of the game. D. Kanuck, T. Kenny, C. Dolan and J. Doherty did a terrific job controlling the play at mid field. They were kept very busy throughout the game both on offense as well as defense.

The Thunderbirds had a number of opportunities to score but were unable to put the ball into the net. With five minutes left in the match and down by one goal Hicksville managed to get one by the goalkeeper on a pass from B. McKenna to A. Horne. A couple of minutes later Paul Thompson took a corner kick that wound up on M. Pryves foot who put it in the net for the winning goal. It was a very rewarding come from behind victory for Hicksville because the boys did not give up and kept playing hard until the final whistle.

CARDINALS - Boys U-8

In their first home game, the "Cardinals", sponsored by Barenstone Productions, Inc., hosted the tough Deer Park "Rascals". Coming off their previous week's victory against Cow Harbor, the boys were "up" for the game.

In the first half, the "Rascals" scored first, six minutes into the game. Two minutes later, an unassisted goal by center forward Brian Finnell tied the game. For the balance of the half, both teams defensive lines came to life, especially the "Cardinals". Willie Sneddon, Chris Shearer, John Schneider, Brian Sacks, Stephen Postullo, Charlie Maione, Brian Hoesten and John Fabrizio stopping numerous attacks.

The second half continued to be a defensive game with the "Cardinals" forward Bobby Himmel, Stephen Goulay, Robert Franzese, Brian Finnell, Scotty Duca and Eric Bentley unable to penetrate the strong fullback line of the "Rascals". However, within the last minute of the game, a pass from John Fabrizio to right wing Stephen Goulay gave the "Cardinals" a spectacular 2-1 victory. This win brings the "Cardinals" record to 2 and 0.

Boys U-9 By Jack Carson

Our Hicksville "Grenadiers" knocked off a tough Northport team, by the score of 1 to 0 at the Grumman complex last Sunday. Coach Tony Schiralli's group, with the win, evened their season record at 1 and 1.

The only tally came near the end of the first half. A steal by center halfback, Richie Chakrin, a pass to forward Jean Claude Balek who began a rush at visitors goal with center Anthony

Schiralli. With only the goal tender to beat, Schiralli blasted it home.

Hicksville's offense was highlighted by the halfback line of Craig Carson, Chakrin and Michael Conway. The activity of this trio offered the

"Grenadiers" front line some great efforts on the Northport goal. A stubborn visitor defense stifled the inside charges of James Panchookian and Chris Kanuck. Highlights of the homeowners offense were three

POB Roadrunners News

One of the earliest signs of spring is the great increase in the number of runners that can be seen out on our local streets and at the High School track. The "lonely few" who have been braving the elements all winter have been joined by an increasing number of folks who are learning that running can be a "fun" way to get exercise and keep in shape.

The April 5 meeting of the Plainview-Old Bethpage Road Runners Club should be of special interest to all runners. The meeting will be held in the Cafeteria of Plainview-Old Bethpage High

School starting promptly at 8:00 PM. Highlighting the program will be a film on podiatry / foot care, and another interesting talk by Murray Low, our resident exercise physiologist. You're sure to pick up some helpful hints on injury-free running, so make it a point to get to the April 5 meeting.

Steve Lubar, the guest speaker at our March meeting, had a busy weekend earlier this month, winning back-to-back victories in the Huntington 10 Kilometer Road race on Saturday, March 17 and the Kidney Foundation (Jones Beach) 15 Kilometer race

on Sunday, March 18. A large contingent of runners from Plainview-Old Bethpage joined with Steve as participants in the Kidney Foundation race.

Saturday, April 7 is the date for the Plainview "Mini Marathon." This 10 Kilometer (6.2 mile) road race is being jointly sponsored by the Plainview PBC and local Knights of Pythias Commuter Lodge No. 833. The Race will start promptly at 9:00 AM from Kennedy High School. Last minute applications will be available at our April 5 Club meeting, or just show up an hour early on Race Day, April 7.

Soccer Coach Honored

Ralph Dreyer, soccer coach at John F. Kennedy High School in Plainview, will be presented an Honor Award at the New York State High School Coaches Convention April 2nd at the Concord Hotel, Kiamesha Lake, N.Y.

The award, recognizing excep-

tional coaching achievement, is presented annually by The R.T. French Company of Rochester, N.Y. Dreyer will receive a personalized crest embedded in a block of clear lucite.

Dreyer has coached 13 years at

John F. Kennedy High where his teams have posted an overall record of 106 wins, 64 losses and 15 ties. He was named 1977 Nassau County Coach of the Year in high school soccer. He is a president of the Soccer Coaches Association of Section 8.

Galileo Lodge News

By Joe Lorenzo

On Thursday, March 22, the Galileo Lodge, held its installation of officers for the year 1979. It was an auspicious occasion highlighted by the attendance of many officers of the leading lodges of the Sons of Italy on Long Island. To all those who had attended, it was apparent that the destiny of the Galileo Lodge would rest in capable hands. It is often said that the officers of an organization are only as good as the membership, thus it became incumbent upon the membership to pledge its loyalty and support to help make this a successful year for the Lodge. Also enhancing the program that evening was the installation of the officers of the Ladies Auxiliary, and they too were impressively acclimated to the goals and aspirations of the Sons of Italy in America and the Galileo Lodge. Many high ranking officers of the Grand Lodge took part in the swearing

in ceremonies, namely, 2nd Asst. Venerable Nick Vighietti, Rocky Carora, of the Const. Brumidi Lodge also officiated. Also in attendance were: Past Ven. Anthony Saltamacchio of the Giuseppe Verdi Lodge; Supreme Treasurer P.V. Landi of the Grand Lodge; Anthony Cimino, Trustee of the G. Verdi Lodge; Grand Trustee Joe Giordano was also in attendance, so were Josephine Nunnenkamp, 1st Asst. Ven. of Ann Bambino Lodge and Josephine Cohen, Treasurer of the Ann Bambino Lodge. Grand Deputy Tom Verichello of the Columbus Lodge; Jack Tinker, Fin. Secretary of the Columbus Lodge, Paul Belavera, Trustee of Columbus Lodge and Sam Navarro, Master of Ceremony, Columbus Lodge. Mike Radalich, Master of Ceremony of the Columbus Lodge was also present.

New officers of the Galileo Lodge just sworn in are as

Secretary, Joe LoCasto, Treasurer, Jim Rerisi, Trustees: Sam Christiano, Armando Del Cioppo, Al Frigente, Joe Iannotti, Jules Mezaros, Joe Morace, Augie Riccardi, Constantine Russo and Mario Tucci, Master of Ceremonies are Ralph De Stefano and Andrew Guiliano. The Guards are James Ingino and Joe Piccolomono. The Ladies Auxiliary officers are as follows: Rose Riccardi, President; JoAnn Wallick, Vice President; Orator, Mary Serrano; Rec. Secretary Millie Del Cioppo, Treasurer, Ann Palermo, Fin. Secretary, Rose Giordano, Mistress of Ceremony, Rae Greco; Corr. Secretary, Dolores Ragone; Trustees, Ida De Stefano and Florence Perotti. Guard, Emma Guiliano.

Many speeches followed the ceremony, and most of them concerned the Sons of Italy in America. Some speeches delivered by officers of the other Lodges thanked the Galileo Lodge for extending them in-

vitations to attend this function. The public was invited to attend, and those who did actually saw one of the most inspiring ceremonies conducted by the Galileo Lodge. An informative and heart-warming speech was delivered by P.V. Vincent Landi touching on the subject of Italian history and heritage.

Some added notes: Ven. Tom Pasquarella and Joe Sguigna announced that the Bowling League (Mixed) of the Galileo Lodge will be held in September. Bowling will start at 8:30, and friends of the Lodge are urged to participate. Dial 931-2940 and 938-4173 for additional information concerning the bowling sessions.

And don't forget the 7th Anniversary dance to be held by the Galileo Lodge on April 21st. This affair will start at 8:00 P.M. and it will feature a cocktail hour and dinner, plus unlimited liquor and the fine dance music of Jim Marchese and his musical combo. The price of admission is \$15 per person, and where can you get all this at such a reasonable price? Needless to mention that the Galileo Lodge has had considerable success with these monthly dance and it intends to keep its record of performance. So, for a good time at reasonable prices, contact Pete Massiello WE 8-4335 and Joe (433-3921).

CLUB NEWS

Midget Division

The "Red Express" coaches by Steve Florio and Jeff Kugler played host to Massapequa "Running Deer" on Saturday March 24th.

Wind played the biggest and deciding factor in the overall game. The first half was a strongly defensive game. The halfback line, Ronny Brutschin, Fred Freyksen, John Carroll and Keith Campo, helped on defense and consistently fed the ball up front. The defense efforts of the every alert full backs, Billie McGuire, Kenny Kugler and Robert Newlands, kept the team in the game. Jeff Kunth, the goalie, played a superb game preventing Massapequa from scoring but 1 goal.

With the wind to their backs Hicksville came out the second half and immediately began to apply pressure on Massapequa. The front line, Tony McGeough, Peter Schur, Mike Masters, Larry Ziemicki, Mally Bell and Freddy Musumeci, with their excellent ball control and expert passing constantly broke through Massapequa's defense.

Tony McGeough, penetrated through their lines with terrific foot work and scored a goal for Hicksville tying the game.

With only minutes left to play Massapequa managed to score one more goal causing the final score to be 2 to 1.

CUMMINGS 'N GOINGS

By Jim Cummings

DEDICATE MONUMENT: On Easter Monday, April 16, a monument to the concept of "peace with justice in a united Ireland" will be dedicated outside the Nassau County Courthouse—the 53rd anniversary of the famed Easter Rising. Two of Nassau's leading public officials of Irish ancestry—County Executive Francis T. Purcell and District Attorney Denis Dillon—are co-chairing a committee of

seven Irish-American organizations sponsoring the event scheduled for 1 P.M. It was on Easter Monday in 1916, that the famed Irish uprising took place as Irish citizens joined in an effort to overthrow their British oppressors and establish the Republic of Ireland. With hostilities still dividing Ireland 53 years later, the united effort by the Irish American committee will dedicate the three-foot high

concrete foundation topped by a replica of Connemara marble to peace and unity for an end to bigotry and discrimination. The monument will be surrounded by a small rose garden and sitting benches, just south of the courthouse. Inscribed on the monument will be the message: "This grove, located in the shadow of the courts of justice, is a living symbol of our determination to end bigotry and discrimination in Northern Ireland and to support efforts to achieve peace with justice in a united Ireland."

Since the event occurs during the Easter vacation, we hope that those of Irish ancestry will mark

their calendars and join us in Mineola—this is the first time in the history of Nassau County that the united societies of Irish fraternal organizations on Long Island are being so honored. Ceremonies will include the Police Emerald Society Pipe Band of the Nassau County Chapter, and features famed Irish balladeers Noel Kingston and Paddy Farrell, singing the national anthems of the United States and the Republic of Ireland—Cead Mile Failte (one hundred thousand welcomes) to the sponsoring organizations: The American-Irish Congress; The Ancient Order of Hibernians; The Irish American Society of

Nassau, Suffolk & Queens; The Irish Cultural Society of Garden City; The Irish National Caucus; The Irish Northern Aide and the Police Emerald Society, Nassau County Chapter.

GREAT LOSS: Your reporter was privileged to have known Arthur Grey, a man of great wisdom and human concern. His sudden passing last Thursday, March 22, shocked the community. His wit was matched by his talent and accomplishments. Those of us who knew him well, will remember his jovial manner and his love of people. When I first met him many years ago, Arthur introduced himself to me as "A new kid on the block" and became involved in community activities including the Knights of Columbus, Ancient Order of Hibernians, to name a few. This gentleman served as Law Secretary to Supreme Court Justice Bernard F. McCaffrey since his appointment in 1972. His unique legal talents have been a great aid to "Juris Prudence." Recognized for his political astuteness, he might well have been Mayor of "any city" USA—his in-depth ability to evaluate and analyze politics was held in great respect—we extend our personal condolences to his wife, Bernadette and family.

ENGAGEMENT: Mr. & Mrs. Frank Kenney of Hicksville, announce the engagement of their daughter, Patricia Ann to Richard Flanagan, son of Jacquelin Haller of Hicksville and Richard Flanagan of Brightwaters. The bride-to-be is a Senior at the Catholic Medical Center, Queens and Richard attends Nassau Community College—they have set June 7, 1980 for their wedding.

DID YA KNOW: that Jim Kiernan and Thomas Mannion of Hicksville became members of the Hicksville AOH "Green Berets" Division at the March meeting. April 12th is the next Division meeting at the Joseph Barry Council, Knights of Columbus. You have until Tuesday, May 8th to file your tax exemptions on real property in Mineola—call Sol Newborn at the TOB Tax Office 922-5800 for additional information. Our thanks to Mr. Newborn who always there when you need him. If you had storm damage during the winter contact the SEA (Small Business Administration) in New York—deadline is April 17. That beautiful tenor voice at St. Ignatius Church belongs to John Raper—he should be in concert at Carnegie Hall. The "Gub" '88 recently starred disco Bob, Dee and Jack. Encore. John Bownes, General Chairman of 6th Annual Feis sponsored by the Nassau County Board Ancient Order of Hibernians set Sunday, September 16 (rain date September 23) at the County complex in Plainview at Feis meeting earlier this week.

On The Campus

Jeffrey R. Korneich and Alan B. Cohen, both of PLAINVIEW have been named to the Dean's Honor List of Western Reserve College.

Henry J. Henglein, Larch St., HICKSVILLE, is serving as music director this semester for WJCC-FM, Butler University student-operated radio station. He is a sophomore radio and television major.

Servo Wins \$2 Million Contract

Congressman Norman F. Lent (R-N.Y.) and Henry Blackstone, President of the Servo Corporation of America, Hicksville, N.Y., announced today that the Department of Transportation has awarded a \$2 million contract for a new Very High Frequency Direction Finder System developed by Servo. The contract provides for Servo to supply the Federal Aviation Administration with 100 of the new Direction Finder Systems. They will be used in FAA Air Traffic Control Stations that currently do not

have such equipment. The Direction Finder Systems are used primarily to identify and provide continual track of aircraft which are experiencing emergencies, or are lost.

Company officials told Lent the DOT contract means approximately two years of work which will help stabilize Servo's employment level during the next few years. Furthermore, the FAA acceptance of this new solid-state Direction Finder System opens up broad international

market opportunities for Servo which could lead to increased employment at the Hicksville plant.

Lent said, "I congratulate the Servo Corporation of America and its workers on this new achievement. It is further proof of the great reservoir of technical skills and imaginative business abilities Long Island industry has available for the entire world. This contract, and the prospects of others for Servo, provides a very real boost to the Long Island economy."

Bill To Increase Penalties For Desecration Of Religious Houses Passes Senate

The State Senate has passed legislation co-sponsored by Senator Norman J. Levy (R-C-Merrick) which would increase penalties for people convicted of vandalizing churches, synagogues or other religious property in New York State. "Stronger laws to deal with those who willfully cause destruction or defacement of Houses of Worship are necessary," Levy explained, "because those institutions have

more and more become targets, as have schools and other public property, for the malicious acts of irresponsible and disrespectful individuals, and hopefully, by increasing the penalties for these crimes, it will act as a deterrent to those committing those sick acts."

The legislator said the bill would amend the Penal law by raising the maximum penalty to four years in jail for a person convicted of damaging religious

property if the damage is less than \$250. Such a crime would be classified as a Class "E" felony.

CHINA WATCHERS

Armchair travellers can visit contemporary China and enjoy a vivid introduction to Chinese life and culture when the Plainview-Old Bethpage Library presents a three-part film series on China beginning Thursday, April 5 and continuing on April 19 and 26.

The real face of China will be revealed on April 5 in a fifty minute film tour of the land of 850 million; in a film which shows us the Chinese as people: individuals; not just as a mass of yellow robots.

On April 19 the program features four short films contrasting life in City and Town; Family and Commune; giving a strong sense of the varied life styles which exist behind the "great wall."

Chinese art will be featured on April 26: the painting; the sculpture; and the drama of one of the world's ancient civilizations will be interpreted in a series of short films.

Admission is free. The library is located at 999 Old Country Road, Plainview opposite the Morton Village Shopping Center. Telephone 938-0077 for directions and information.

Eastern's 5% Interest Checking is one of the best deals in town. Provided, of course, that this type of account makes sense for you.
