Gregory Museum May Close

A lack of administrative staff salary funds may bring about the closing of the Gregory Museum within three months, according to information just received. Even as the Museum Board of Trustees and the staff prepare to celebrate the Fifteenth Anniversary of the Earth Science Center with an Open House and a School Earth Science Fair, on April 21 and 22nd, the reality of a long range funding crisis absorbs the Museum leadership.

"It is ironic that, with more booked school tours than ever, and after a busy year of programs and services, we are running out of options for real sustainment" Richard Evers, the Museum President-Acting Director, commented today.

For many months, the Gregory Museum Trustees have been investigating unsuccessfully various ways to obtain municipal aid for the museum so as to more readily insure the annual funding of the Director and Curator's salaries. Overtures to the county, to Oyster Bay Township, and to the Hicksville Public Library for a "Take-over" of the museum have failed.

Until the present time, the Museum - which serves over seventy-eight school districts on Long Island and attracts more visitors each passing year - has been self-supporting to a large extent. In its early years, when located in the home of the founders, Gardiner and Anne Gregory, the Museum was funded by the Gregorlys. Since 1973, at the Heitz Place Courthouse location, Hicksville the Museum has met its annual non-salary, operating costs through visitor admissions, gift-shop sales, membership dues, the proceeds from an Annual Gem and Mineral Show and fund-raising events, while the Curator's salary has been largely funded by annual grants from the New York State Council on the Arts.

So long as Gardiner and Anne Gregory, the museum's founders, resided in Hicksville - until the spring of 1978 - the museum had no need of a salary for a Director or Secretary, the Gregorlys through committed, energetic

leadership, filling these needs. With their retirement, however, the Museum has faced the need to raise annual salaries for a Director and a Curator, because the State Council on the Arts funding for the latter position is not an assured grant.

Town of Oyster Bay leaders, while expressing a willingness to assist the Museum in accomplishing an affiliation with the County, (the Town leases the Heitz Place Courthouse to the Museum) say they have neither a staff sufficient to administer the museum nor the funds for an annual contract for Museum services to the public.

Nassau County Museum is much interested in the fine Gregory Museum mineralogical, fossil and butterfly and moth collections, but wants to house the "major" collection in one of the County's future cultural-scientific developments, possibly at Garvies Point. A County "take-over" of the Gregory Museum, therefore, would cost Hicksville the splendid collection which has been created through the efforts of so many of its volunteer workers and concerned citizens.

Regarding the possibility of a Museum Special Tax District, Town of Oyster Bay Attorney's Office has advised the Gregory Trustees that the State law on tax district creation does not empower a township to establish a museum special tax district. Also ruled out by the Town Attorney's office is any prerogative which might permit Hicksville taxpayers, themselves, to establish a tax district through "grass roots" action. As an unincorporated hamlet, the community has no such power.

The Town attorney's office did advise the Museum, however, that in its opinion, the State Education Law, does permit a library or public school district to assume the administration and funding of a museum from tax monies. With this opinion as incentive, the Museum, in December, prepared a detailed proposal for a merger of the Gregory Museum and the Hicksville Public Library, a fusion which would correlate educational and cultural services

and yet retain for the Library administrative leadership and its tax district status.

It was the Museum trustees' hope that a Library-Museum merger proposal would result in a public referendum, an opportunity for the taxpayers of Hicksville to say whether or not they would support the Gregory Museum as an integral part of the Library.

Although initially interested in the Museum's proposal, admittedly appreciative of the Museum collection and services, and sympathetic for its financial problems, the Library Board rejected the merger proposal (three votes in opposition, two trustees abstaining).

In announcing its decision by letter, the Library Board, through its President, Kenneth C. Jones, expressed the belief that the museum deserves tax support but that there are governmental agencies who are better equipped to bear the responsibility and are less precariously supported than the library: the Hicksville Public Schools, the Town which owns the building and presumably, has some concern for its historical landmarks and Nassau County, which is deeply involved in Natural History and historical museums.

Efforts to find some sort of public tax funding or a type of private endowment funds are continuing. "The Museum has too much of Hicksville's community spirit and sacrifice wrapped up in it, has been the center of too many worthwhile programs these last fifteen years, for it to end its operation until the last will meaning solution by local residents has been considered and attempted," declares Museum President Richard Evers.

"We would welcome any suggestions as to where the Museum could raise \$34,000 for the 1979-1980 operational costs and staff salaries. There must be some way, also, to poll the taxpayers of Hicksville or the Township as to whether or not they would support with their taxes the modest needs of this valuable community resource."

Calendar of Events

- Friday, April 13
Ernest F. Francke Republican Club, meeting, 8:30 p.m., VFW Hall, 320 So. Broadway Hicksville
- Sunday, April 15

Voters Approve Library Budget

The results from the Hicksville Library Budget vote, held on Tues., April 10, are as follows: Yes-303; No-177
The yes vote was an increase of 25% over last year's vote
Mrs. Aaron, who ran unop-

posed, was elected to the Library Board of Trustees by a 358 vote.
Kenneth Barnes, Director of the Hicksville Public Library, wishes to thank everyone who helped to make this a successful campaign.

"Going-Going - Gone!"

The Nassau County Chapter of the Multiple Sclerosis Society will be using these three words at their annual "Anything Under the Sun Auction" scheduled for April 21st at noon at the Mid Island Shopping Plaza in Hicksville.

The auction will feature personal items, momentos, business services, celebrities and celebrity gifts donated from all

over the country. Spa memberships, tennis lessons, weekend vacations, complimentary dinners at local restaurants ... these are but a sample of what the public will be invited to bid on that day.

Come to the West Plaza at Mid-Island Shopping Center and preview all merchandise from 11:30 A.M.

For further information call 621-8663.

Secretaries Association Signs Agreement

Representatives of the Hicksville Secretaries Association and the Hicksville Board of Education signed a Memorandum of Agreement last Thursday afternoon. The full contract was subject to approval of the general membership at a meeting held on Tuesday morning, April 10th, with approval by the Board expected at a special meeting Tuesday evening, April 10th.

The new two-year contract calls for a salary package of 4% plus increment the first year, and 5% plus increment the second year. The new contract also places a maximum on the amount that, upon retiring, one can receive of accumulated sick leave to one-half annual salary. Previously, there was no maximum.

Under long-term disability, it requires that a person disabled must apply for state retirement benefits after six months.

On promotions, it allows a person to keep the same salary step upon moving to a new position.

Under Workmen's Compensation, the expired contract

enabled an employee, injured on the job, to receive full salary for up to two years. The new contract limits the number of days to the equivalent of the number of days in the employee's work year.

The contract also guarantees 21 holidays for the 1979-80 school year.

Copies of the proposed contract was distributed among the members prior to the meeting

Hicksville Secretaries Association President Gloria Fitzpatrick stated the 4-member negotiating team will "recommend" that the contract be approved" by the secretaries association Superintendent, Dr. Wilber Hawkins and Mr. Joseph Campanella, negotiator for the school district also recommended that the Board approve the contract.

GOP Club Meeting

The Ernest F. Francke Republican Club of Hicksville will hold their regular monthly meeting at 8:30 P.M. on Friday evening, April 13. The meeting will be held at the Veterans of Foreign Wars Hall - Wm M. Gouse Jr. Post No. 3211 located at 320 South Broadway in Hicksville (The hall is situated

south of the Firestone Store and north of the H.I.P. Building).

Refreshments will be served. The program will be a U.S. Merchant Marine Academy Representative, William Orlaskey, who will speak on Long Island Merchant Marine Academy and the Maritime Industry.

School Board Meeting

The Board of Education of the Hicksville Public Schools will hold its next regular meeting on Wednesday, April 25, at 8:15 p.m. in the Board Room of the

Administration Building, Division Avenue, Hicksville.

At that time they will continue with the Budget breakdown for 1979-80.

CUMMINGS 'N GOINGS

By Jim Cummings

FOR A UNITED IRELAND: On Easter Monday, April 16, the 63rd anniversary of the famed Easter Rising, a monument to the concept of "peace with justice in a united Ireland" will be dedicated outside the Nassau County Courthouse - which faces the new Supreme Court Building at 1 P.M. under the chairmanship of two of Nassau's leading public officials of Irish ancestry - County Executive Francis T. Purcell and District

Attorney Denis Dillon. A committee of seven Irish-American organizations are sponsoring the event, the first of its kind in Nassau County. The monument is a three foot high concrete foundation topped by a replica of Connemara marble and will be surrounded by a small rose garden and sitting benches at the south courthouse in Mineola. You are cordially invited to attend-especially those of Irish ancestry who with the children will find a true sense of Irish culture in this presentation that hundreds of guests and supporters will attend. The sponsoring organizations are: The American-Irish Congress; The Ancient Order of Hibernians; The Irish American Society of Nassau, Suffolk and Queens; The Irish National Caucus; The Irish Cultural Society of Garden City; The Irish Northern Aid Committee and the Police Emerald Society, Nassau County Chapter. Come hear Irish balladeers Noel Kingston, Paddy Farrell and the pipes of the Emerald Society - come early 12 noon and enjoy the festivities on this glorious occasion.

Mahon, a former Captain of Company 4, Hicksville Fire Department will chair a special event set for Saturday, June 30, in Hicksville - the 75th Anniversary of this distinguished Fire Department Company - a parade and awards presentations are planned - activities will be held in the area of the East Marie Street Firehouse - the committee are now firming up arrangements - community organizations and floats will be invited to participate - more details are promised by Chairman Mc Mahon. Pat Roper will be in person on Friday, May 11th at St. Ignatius School Hall for the Exception Children's Dance - details phone Dan Gallagher at 935-7117. Trinity Lutheran School is celebrating 25 years of dedicated community service - it became a reality in 1954 and we recall how proud Pastor Stammel was. The Annual Bishops Appeal continues at all Catholic Churches in the Dioces of Rockville Centre - have you given yet? Town Councilman Thomas Clark will be the guest speaker for the Corporate Communion Breakfast sponsored by the Joseph Barry Council, Knights of Columbus on Sunday, April 22nd. One of Hicksville's most dedicated citizens is a grandfather again, congratulations to Rudy Bouse (walk proud Pop)...

MODORE JOHN BARRY DIVISION, ANCIENT ORDER OF HIBERNIANS scheduled for (Thursday), April 12 is cancelled due to Holy Week - John Steele, Division President advises members that the Division will meet on THURSDAY EVENING, APRIL 19 (upstairs) in the Msgr. Bittermann Hall at 8:30 P.M. Officers will meet at 8:15 P.M., please - The cooperation of the Kenny Club and Ed Kelly, House Chairman is appreciated. AOH NOTES: The annual County Communion Breakfast will be held on Sunday, April 22 at the Stewart Manor Country Club, Garden City - donation is \$6.00 per person, guest speaker is Professor Sean Cronin, of the Irish Times and a recognized authority on the history of Pdraig Pearse. The Majestic Show Band will be featured at the Irish American Center, in Mineola on Saturday, April 28th a fund-raiser for the Pearse Memorial planned to be erected in Dublin, Ireland.

of the Town of Hempstead will hold a public hearing in the Town Meeting Pavilion, Town Hall Plaza, Main Street, Hempstead, New York on May 16, 1979 at 9:30 A.M. to consider the following applications and appeals: THE FOLLOWING CASES WILL BE CALLED AT 9:30 A.M. 275-276 NR ISLAND PARK - 4160 Austin Blvd Lounge, Inc. Use premises for place of public assembly & amusement (live music & dancing). Variance in off-street parking, improper ingress & egress & permission to park in front setback areas. S. W. cor Austin Blvd. & Trafalgar Blvd. 277. ELMONT - Shields Nassau County, Inc. amusement rides (Special Event) duration 5 22 79-5 27 79, N s Hempstead Tpke. 576.96 ft. E o Makofske Ave. 278. UNIONDALE - St. Martha's R.C. Church, amusement rides (Special Event) duration 5 1 79-5 10 79, N s Jerusalem Ave 130 ft. W o Greengrove Ave. 279. SEAFORD - Eugene Goetlicher, mother-daughter res (2nd kitchen), N s Keily Dr 95.47 ft. E o Center Ct. 280. POINT LOOKOUT - John F. Tardera, variance, front yard average setback, construct 2nd story addition, encroachment, W s Glenwood Ave 53.38 ft. S o Bayside Dr. Interested parties should appear at the above time and place. By order of the Board of Zoning Appeals. Armand A. Granito, Chairman Ed Sutherland, Secretary D-4504-IT 4 12 MID

PUBLIC NOTICE
NOTICE is hereby given, pursuant to law, that a public hearing will be held by the Town Board of the Town of Oyster Bay, Nassau County, New York, on Tuesday, April 24, 1979, at 10 o'clock a.m., prevailing time, in the Hearing Room, Town Hall, East Building, Audrey Avenue, Oyster Bay, New York, for the purpose of considering an application for a special exception pursuant to the Building Zone Ordinance of the Town of Oyster Bay as follows: PROPOSED SPECIAL USE PERMIT - Petition of GRUMMAN AEROSPACE CORPORATION for a special exception to maintain and use in an "H" Industrial District (Light Industry) an existing building as an office building on the following premises: ALL that certain plot, piece or parcel of land situate at Bethpage, Town of Oyster Bay, County of Nassau, State of New York, which is described as follows: An irregular parcel situated on the westerly side of Broadway (Route 107) 1397.10 feet southerly from the intersection of the southwest corner of Broadway and Bloomingdale Avenue. Said parcel has a frontage on Broadway of 303.75 feet and a depth of 822.17 feet on the southerly side and 646.10 feet on the northerly side. Said premises being identified as Section 46 Block 629 Lot 10 on the Land and Tax Map of Nassau County. The above mentioned petition and map which accompanies it are on file and may be viewed daily (except Saturday, Sunday or Holidays) between the hours of 9 a.m. and 4:45 p.m., prevailing time, at the office of the Town Clerk. Any person interested in the subject matter of the said hearing will be given an opportunity to be heard with reference thereto at the time and place above designated. TOWN BOARD OF TOWN OF OYSTER BAY, Joseph Colby, Supervisor. Ann R. Ocker, Town Clerk. Dated: April 3, 1979. Oyster Bay, New York.

Hicksvillians Reject G-1 Modifications Council Committee To Work With Town Board

by Carole Wolf

On Tuesday night, April 10th at Town Hall, the Town Board heard the plan presented by the Department of Planning and Development, plus comments from the Committee for the Development of Hicksville, a sub-Committee of the Hicksville Community Council, as well as suggestions from the residents and landowners of Hicksville. It was a well attended public hearing.

Superintendent Anthony Morino, of the Department of Planning and Development, mentioned in his opening statement that there are 70 acres in the Hicksville triangle and how this section is developed will effect our taxes in the future. He stated, "Because of Sears and Mid Island Plaza, it is unlikely that a major retail shopping area would come to the triangle." He also mentioned that, "The roadways in the triangle have reached the maximum traffic that they can contain." His statement "The availability of office space has now shrunk to less than 7%" was later refuted by Judge Lebkuecker in his testimony.

The Nassau County Planning Commission gives statistics to his dept. Mr. Morino told the Board He said that presently G-1 allows offices, banks, theaters, Churches and Synagogues and a variety of small shops and stores. The modifications would allow stores and shops to be 33% of a building or one floor of a three story building, instead of the present 10% regulation. Bars, cabarets, and night clubs would be permitted, only on the top floors of offices, if they come before Town Board at a public hearing. Site plan recommendations would then be reviewed by the Town Planning Board and by the Town Board, he said.

The G-1 modifications proposed include reducing the minimum lot to 17,000 square feet with a maximum lot coverage of 70%. It was said that up to a 15% variance could be allowed by the Town Board upon review. Presently G-1 requires 90% underground parking. This would be eliminated under the modifications and parking would be required to be in screened off-street areas surrounding the building.

In conclusion Mr. Marino said that his dept. felt that sufficient economic impetus should come with these modifications, for "We believe that these changes will encourage development."

Community Testifies

Steve Didier, of Hicksville, Chairman of the Committee for the Development of Hicksville, a sub-Committee of the Hicksville Community Council, mentioned the work presently being performed by the Committee and introduced members for their individual comment.

Chief Owen Magee of Hicksville, a member of the Hicksville Fire Department gave the results of a poll of his department held at a meeting the previous night. Office Building would be OK to a height of 3 to 5 stories with the proper sprinkler systems. Housing would be appreciated, for many of his good firemen are leaving due to lack of apartments in the area. Members of the Fire Department are afraid of a partial extension of Duffy Avenue for the additional traffic would be an impediment to getting their cars and trucks in and out. The fire department is opposed to restaurants on the top floor for evacuation is impeded.

He concluded by saying, "We need offices, businesses stores and apartments for the residents and possibly 2-family homes.

Mr. Sieg Widder of Hicksville spoke on behalf of the religious community of Hicksville. He mentioned that, "You must agree that a high percentage of the residents of Hicksville are members of, or attend a Church, Synagogue or Temple ... and that comments, opinions and statements of the clergy can be accepted as reasonably representative of their membership. On September 29th, 1971, a letter was sent to the Town Board, signed by 10 religious of Hicksville, stating that "The Town of Oyster Bay reconsider its position so as to recognize the need for housing in the "triangle" area. That was how they felt when G-1 zone was adopted so long ago.

Mr. Widder gathered some comments on April 9, 1979 and

these are as follows: From Pastor Benson, "Emphasize that the need for housing exists ... to enable the Community to reach its potential." From Father Ciannella, "I am losing 9 out of 10 young marrieds because they can't find a place to live." Rev. Roland Perez recently conducted a survey among his fellow Churchmen asking the question, "Has your congregation declined in membership from 1970 to the present?" 10 reported yes. 3 said no ... one congregation that said no, was recently new in the area. "Among the many reasons given for losses on membership - Retirement of members who moved away ranked highest with 16.1%. The next highest group was the inability of young marrieds to find living accommodations in the area with 14.3%." This survey was conducted on March 5, 1979. Mr. Widder concluded by saying, "It seemed to me that the religious community recognize the same

need for housing in 1979 - privately funded instead of federally funded."

Mr. Dick Evers, a member of the Committee and speaking for the schools, said that "Any usage producing more tax money is desirable to the teachers; private not public development is important; and provides for some sort of housing for Senior Citizens and Young Marrieds. "There is room in our schools", said Evers in answer to Colby's question in this subject and more transportation would only be needed on the elementary level."

Mr. Vern Wagner, speaking for the Chamber of Commerce and a member of the Committee, said that, "He is appalled at what the G-1 zoning restrictions have done to the Hicksville business community. Temporary Beautification is only a camouflage, though well meant by our group."

Teddy Morretti, spokesman for the Service Groups of Hicksville, mentioned that G-1 zone restrictions has sat for 10 years and expressed the hope that the Town Board would encourage building without delay.

Tony Preville, of Hicksville Galileo Lodge spokesman for the fraternal groups, said, "Most small towns plan the central part of their area ... with G-1 zone restrictions we can't. Are tumble weeds next?" He suggested "5 story buildings with the possibility of one sub-story - 2 for stores, next 2 for office buildings and the top 2 for apartments."

Charles Lynch, of Hicksville a member of the Committee representing political groups said, "Our Railroad station serves more people than any other ... we in Hicksville provide and give up land for commuter parking and for recreation at (Continued on Page 12)

Dear Friends....

We frequently bring you official news releases from both our Federal and State governing bodies as well as over-all news releases about state and nation-wide organizations such as ORT and PTA, in order to bring you a balanced view of what these fine organizations and governing bodies stand for and are doing. It was in following this policy that we brought you the news release from the New York State PTA entitled "Where PTA Stands On The Issues" in our March 29th issue. This has always been our policy and is never based on our personal views or the views of other local residents. Those who have any questions on this particular item may direct their questions to the New York State Parent Teacher Association, whose address we are sure may be obtained from any officer of our local PTA Council.

If any of our subscribers wish to differ on anything we carry in this newspaper we're sure you know that our "Letters To The Editor" column is always available. Or if any responsible organization would like a similar news release, authorized by your membership, just send it in. As long as there are local members we are glad to see that you are all covered.

This brings up one other point, not actually connected with the above statement, but one we have mentioned several times in the past, and that is, you do not need any influence, nor do you have to "know" anyone to get news in this newspaper. All that is necessary is that we receive your news before our deadline (Wed. at noon) and we will be glad to use it. If there is not enough room for all our news in one week, we will use it as soon as there is space. At least 75% (and that is a good high percentage) of your news that is received in time will be carried, according to the space available to us. This of course is determined by the number of ads and legals. Work with us and we'll be glad to work with you, if you are working in the local areas which we cover. If you need help in getting started in covering publicity for your organization, phone me at WE 1-1400. I'll be glad to help.

ON BUSINESS MATTERS. We'd like to remind you of all the delicious meals and fine entertainment available to you this holiday weekend at our local restaurants such as the Stack O' Barley, Alibi and the Royal Diner (see their advertisements for details). Then, Magic Touch, the Men's Hair Salon is giving a free T-shirt to all people who bring a friend. That sounds just great.

THAT'S ALL for this week. We wish a Happy Passover and a Joyous Easter to all, and in that spirit we close with the old adage:

Reach out and make a friend
Reach out and touch a friend
Reach out and be a friend

SHEILA NOETH

"Showcase II"

Another weekend of special performances by Long Island-based performing arts groups will highlight the Town of Oyster Bay Arts Council's "Showcase for the Arts II" on April 27, 28 and 29, it was announced this week by Town Councilman Thomas L. Clark.

This entirely new arts sampler of performances, which will be held at H.B. Thompson Jr. High School, Ann Drive, Syosset, will begin on Friday at 8:30 PM with a performance by the Roslyn Artists String Quartet playing a selection of classical chamber music and "pops" selections, followed by "A Dance Tribute to King Tut" performed by the Allegria Dance Artists.

On Saturday night, beginning at 8:30 PM, the Knights of Racon Theatre Group will present a potpourri of sketches, song and dance. They will be followed by the Long Island Opera Company in scenes from "La Traviata," "Rigoletto" and Cavalleria Rusticana.

The Reed Company, a chamber

trio, and the new Dance Theatre Eclectic will take the stage on Sunday at 2:30 PM in a program of ballet, modern, jazz and musical theater. Then, at 7:30 PM, the Little Dance Company will perform in a variety of dance idioms and Studio Theatre will present a one-act play entitled, "Duck Variations," as the final session of the weekend.

Admission for each segment will be \$3.00 for adults and \$2.00 for students and senior citizens. Checks should be made out to Allegria Dance Artists for the Friday night performance, to the Long Island Opera for Saturday night, to Dance Theatre Eclectic for Sunday matinee and to Little Dance Company for Sunday evening. Checks should be mailed to: Tobay Arts Council, Town Hall, Audrey Ave., Oyster Bay, N.Y. 11771, along with a stamped, self-addressed envelope. Tickets will also be available at the door.

"The success of Showcase for the Arts I, held in early March, led to the production of Showcase II. Clark Commented

At The Town Board

by Gerry Kahn

It was apparent that something of significance was brewing as practically every seat in the audience was occupied at the Town Board meeting held on Tuesday, April 10.

The 22-item calendar was lead by three hearings.

The first item was a proposed amendment to the Code of Ordinances Building Zone, regarding the G 1 Zone in downtown Hicksville. An evening hearing was held which is covered in detail in this week's Mid Island Herald.

The second item was the petition of Franchise Realty Interstate Corp. a land holding company, for McDonald's Restaurant, for special use permit to alter, maintain and operate a McDonald's fast food restaurant in the Old Robert Hall Building on Route 107, Hicksville, with occupancy of more than 200 persons

and a kiddie amusement center with 108 seats. It would cater to children between the ages of 3-10. The facility would occupy 9600 square feet.

The petitioner was represented by Patrick Murphy Jr. who presented Burt Nelson, a real estate appraiser, and Ed Sharsky, a traffic consultant, as professional witnesses.

Many local residents opposed this item.

The final hearing was to consider the proposed amendments to the Code of Ordinances, Town of Oyster Bay (Motor Vehicle and Traffic Rules).

Item No. 12 was granted authorizing consulting engineers to proceed with boiler replacement at the Highway garage in Syosset.

Item No. 14 approved the transfer of engineering fees for the reconstruction of pavements on

Catiague Rd., Jericho. The formal hearing concluded at 12:50.

In the informal discussion that followed, the reason for the large attendance became known. Under the banner of "Plainview Power" housewives and children made their presence obvious as their spokesman, Michael Polansky presented the Board with a petition of 5,420 signatures opposed to the granting of the petition to construct a senior citizen housing project and an 11 home complex for low cost housing in Plainview on Country Dr.

Assemblyman Lew Yevich spoke in opposition to the granting and read a letter he had written to Alan Weiner, local H.U.D. representative.

Mrs. Eileen Porta spoke in opposition stating that the site was not conducive to easy access for shopping.

Letters To The Editor

To: Hicksville Fire Department

It is with deep feeling of gratitude that we would like to express our sincere thanks to the men of the Fire Department who answered our call for assistance on Wednesday, April 4, 1979.

Their excellent performance, concern and dedication to their duties in helping "Mother" in her time of need shall never be forgotten.

Thanking you,
Mr. and Mrs. Harry Walker
535 Lawnside Avenue
Hicksville, New York

To The Editor

Security guards with teacher salaries and fringes? Mr. Paul Petrano bemoans the danger, disruptions and vandalism of

students. How could that happen, when teachers in past and present did their job in supervision? Evidently they did not. With their enormous fringe benefits, they are too often absent from school and that is the fact the taxpayer has to cut into - not only by teachers - for self-preservation.

According to Mr. Petrano, teachers were not very efficient in protecting life and property and the School Board should look for other alternatives. One teacher salary with fringes and extras would hire half a dozen guards from security outfits.

Mr. Taxpayer, don't bury Mr. Petrano's recommendations for featherbedding teachers with lifetime job security as security

guards. Up to now, teachers are not overburdened. On the contrary, they are overpaid and underutilized.

A typical word out of the vocabulary of teacher rhetoric before every new bargaining to coax the public into new fat undeserved contracts is "Quality Education." But where is this "Quality Education" after so many years of fat contracts? The achievements of the students lapse and schools become a jungle. It is just as the rest of teacher rhetoric - hot air.

With a strike, they would only illustrate - even to the most naive of parents - what an irresponsible bunch they are.

Erich Laumann
Hicksville

A Message From Sup. Colby

As Easter approaches, I want to appeal for humanity toward animals and urge parents not to give live animals to their children as Easter gifts.

The giving of live rabbits, chickens and ducks can be an inhumane practice in which both the animals and children eventually suffer. Once the animals are no longer babies, they lose their appeal for many people whose immediate thought is to deposit them in a nearby park or pond "so they can be with their friends." Most of these animals then die of starvation, exposure or predation of other animals because they are not accustomed to feeding for themselves.

I also ask the public not to feed

ducks found on our local lakes and ponds. According to the findings of a study made by the Town's Environmental Control Commission, feeding is potentially hazardous to human health, water quality and to the very water fowl people misguidedly wish to help.

Abnormally large populations of ducks are lured into duck feeding areas where they become weakened and unhealthy as a result of the poor and unnatural diet. Their poor health makes them easy prey for disease and parasites, some of which can be transmitted to humans. Also, concentrated buildups of duck fecal matter can cause toxic algae blooms, fishkills and septic waters to develop.

I urge people to think twice before buying that cute chick or rabbit for Easter or before feeding those ducks. While we may think that we are being kind to these animals, we are actually doing more harm than good. Sometimes, not doing something for an animal is the most humane act of all.

Diets For the Heart Patient

"Diets for the Heart Patient" is the topic to be discussed by Mrs. Elizabeth Linnehan, R.D., at the next monthly meeting of Mended Hearts, L.I. Chapter 45, on Sunday, April 22, at 2 P.M., to be held at Nassau Hospital, 259 First Street, Mineola, in the Breed Conference Room. Mrs. Linnehan is Ass't. Professor at Molloy College and Chairman of the Diet Committee of the American Heart Association - Nassau Chapter.

The meeting is open to the public. After the meeting, coffee and cake will be served and newcomers will have an opportunity to get acquainted with Mended Hearts members.

A service organization, Mended Hearts, Long Island Chapter 45 is made up and open to persons residing in Nassau and Queens Counties, who have undergone heart surgery as well as members of their families.

Boating Safety

The Long Island State Park and Recreation Commission, through its Bureau of Marine and Recreational Vehicles, and in conjunction with the U.S. Coast Guard Boating Safety Detachment in East Moriches, has prepared a series of brief lessons in boating safety.

The series consists of 14 lessons in basic boating safety. These lessons will be broadcast as a public service by four local radio stations. The four stations are WGBB in Merrick, WGLI in

Babylon, WKWZ in Syosset, and WNYT in Old Westbury. Please call the radio stations for specific information about the dates and times of the broadcasts.

It has been demonstrated that educating boaters is a successful method for reducing the number of serious and fatal boating accidents. While these broadcasts cannot be regarded as a substitute for a course of formal instruction, they may provide a boater with enough information to prevent a potentially fatal situation.

Tide Tables Available

Tide tables, with localized times for the north and south shores of the Town of Oyster Bay, will be available again this year free of charge at a number of Town facilities. Town Supervisor Joseph Colby announced.

"The tide tables initially were among a number of publications that were dropped by our Public Information Office in the budget cutback this year," Colby said, "but through the generosity of two local banks the Town was able to reinstitute their publication."

As in previous years, data for the tables was prepared by the Environmental Control Division, but the printing was provided for

by Nassau Trust and Chase Manhattan Bank as a public service. Previously, the printing was done in the Town's own print shop at a cost of about \$500.

"After receiving many calls from local fishermen and boaters, we began to poll local businesses in the Town as to their interest in sponsoring this popular publication. Both Chase and Nassau Trust responded favorably," Colby said.

Copies of the tide tables are available at the Town Clerk's office, the Massapequa and Hicksville town hall annexes, and later in the season at the Town parks, beaches and marinas.

Bill Museler (left), Assistant Project Manager at LILCO's Shoreham Nuclear Power Station (background), points to a tiny disc that represents the size of all of the nuclear waste that results from a single family's use of nuclear-generated electricity for one year. Looking on are (left to right) Riverhead Town Supervisor Allen Smith and New York State AFL-CIO officials E. Howard Mohsani (Secretary-Treasurer) and Edward G. Rothstein (Associate Director, Committee on Political

Education). The officials recently toured the Shoreham plant, now 80 percent complete. About 2,700 workers, primarily from Nassau and Suffolk Counties, are employed at the huge construction site. Over its operating life, the 820,000 kilowatt Shoreham plant should save consumers about \$2.2 billion in electricity costs compared to a similar coal-fired plant. The Shoreham plant will reduce Long Island's OPEC oil imports by about eight million barrels annually.

Hicksville Chamber of Commerce

The April meeting of the Hicksville Chamber of Commerce will be a luncheon meeting to be held at the Jolly Swagman Inn, 100 W. Nicholas St., Hicksville on Tuesday, April 17 at 12 noon.

Election of officers and directors will be at this meeting. The slate of officers and directors for 1979-80 are: President, Vernon C. Wagner; Vice President, Constance C. Clarke; Secretary, James A. Fyfe; and Treasurer, David E. Plimley.

Mini-Crafts Convention

A Mini-Crafts Convention for recreation personnel on the county, town and village levels will be held at Nassau Beach Park's East Terrace, Friday, May 11 from 9 a.m. to 4 p.m.

The one-day training seminar, conducted by the Nassau County Department of Recreation and Parks, will feature workshops, demonstrations, lectures and exhibits covering new trends that will assist recreation leaders in their Summer and Fall 1979 crafts programs.

Workshop topics include Rug Braiding, Cathedral Window Patch Work, Soapstone Sculpture and Tole Painting.

There is a \$3 fee for the conference. For registration information call the Special Events Unit at 292-4121.

ACS News

The next meeting of the Syosset-Oyster Bay Branch of the American Cancer Society will be on Thursday, April 26, at 1:30 P. M., at the home of Mrs. Olivia Travis, 553 Cold Spring Road, Laurel Hollow, 692-6767. Two new members were welcomed at the March meeting: Mrs. Oscar Sandstedt and Mrs. Joseph Vale. Won't you join them?

Directors for a three year term to expire in 1982 are: Kenneth S. Barnes, Bernhard Bruns, Robert M. Schiffer, Edward J. Johnson, and Lawrence C. McCaffrey. In addition, Mr. Neil Greenfield

will replace Mrs. Clarke as Institutional Director representing Central Federal Savings and Loan Assoc. An olympic film will also be shown at this meeting.

Galileo Lodge News

By Joe Lorenzo

One of the big items talked about throughout the environs of the Galileo Lodge at the present moment is the Blood Bank program which is scheduled to get underway on Thursday, May 17th, from the hours of 4 to 10 P.M. Hot meals will be served and knowledgeable people from various blood agencies will be on hand to oversee the proceedings. The Lodge announces that it has pledged not less than 50 pints of blood. Director Tony Previte reveals that donors from the public sector are cordially in-

ited to participate in this worthwhile program and that they in turn will automatically be entitled to the full benefits associated with this humane cause, including an unlimited supply of blood for a one year period. To those who feel that they cannot give blood, why not come to the Galileo Lodge on May 17th and have your blood checked for free. Please call director Tony Previte (731-0466) for further information.

Sometimes I am asked the

question of what's new in the Galileo Lodge? The answer to that question is a new communication system, which I am sure should enhance the acoustical qualities of the Lodge itself. This new system is complete with a 100 Watt amplifier, Tuner and microphone. But that is not all, because I am informed that more equipment of this nature will be installed later on, which should make the Galileo Lodge comparable to a first-class disco-establishment. It is a nice feeling to report that the Galileo Lodge is always striving to improve itself in every area, to make things more enjoyable for its members and patrons.

Summertime is the time of the year for outdoor recreation, and what could be more appropriate for this time of the year than a good old-fashioned Italian feast with all the trappings of the Old World. And this is what the Galileo Lodge announces at this moment, that it will hold an Italian feast from May 30th to June 3rd, in the Hicksville area known as Parking Lot No. 3. Of course this pleasant activity is still in the planning stages. More about it later.

News Tidbits:
The seventh annual dance of the Galileo Lodge will be held on

OLD LEAVES, NEW HEAT
SOURCE: Greenhouse foreman Tony Principe shows Oyster Bay Town Supervisor Joseph Colby some of the seedlings grown in a greenhouse heated by composted leaves. The project, which utilized a substantial portion of the leaves collected last fall and winter by the Town's Highway crews, entailed heating the greenhouse by heat that is given off by the pollution-free bacterial

action of decaying leaves. That heat can reach up to 140 degrees F. and is transmitted into the greenhouse through a series of coiled pipes sandwiched between the leaves. State Environmental officials believe it is the first time a New York State municipality has been able to generate heat this way. The project was developed by Town Environmentalist Jeffrey Sama.

April 21st, with a fine cocktail hour, excellent dinner and unlimited liquor. And then think about the fine dance music of Jim Marchese and his in-the-groove

combo, which, when all things considered, makes for a fine night out. Golfing will be in the foreground right now and I am

LEGAL NOTICE

LEGAL NOTICE
NOTICE IS HEREBY GIVEN that on the 3rd day of April, 1979, the Town Board of the Town of Oyster Bay, at a regular meeting thereof adopted, subject to a permissive referendum, the following resolution which provides for the sale of premises known as 65 Broadway, Hicksville, New York: WHEREAS, the Town Board did heretofore acquire for Town purposes and use certain premises known as 65 Broadway Hicksville, New York, shown and designated on the Nassau County Land and Tax Map as Section 12, Block 203, Lot 17, more particularly described hereinbelow; and WHEREAS, the Town Board has found that such premises are no longer required for Town purposes and that it would be in the Town's best interest to dispose of same either by sale or lease; and WHEREAS, in accordance with such findings, the Town Board had an appraisal made of said property and, by Resolution No. 147-79, adopted on the 6th day of February, 1979, authorized and provided for the sale or lease of said premises by public advertising and soliciting bids for such sale or lease; and WHEREAS, pursuant to public notice, sealed bids for the sale or lease of the subject premises were duly received in accordance with the specifications as set forth in the bid proposals; and WHEREAS, John F. Bogut, Town Attorney, has, by memorandum dated March 16, 1979, advised this Board that the highest bid received from a responsible bidder meeting specifications was from L.I.R.R. - M.T.A. Employees' Federal Credit Union of Jamaica, New York, who offered to purchase the premises for the sum of \$85,250.00; and WHEREAS, from a review of the bids made, and the data and findings available to it, this Board deems it in the Town's best interest to sell said premises to the above-named highest bidder.

NOW, THEREFORE, BE IT RESOLVED, That upon its findings and the recommendation as hereinabove set forth, the Town Board hereby authorizes and approves the sale of the premises known as 65 Broadway, Hicksville, New York, more particularly described hereinbelow, to L.I.R.R. - M.T.A. Employees' Federal Credit Union for the sum of \$85,250.00, said sale to be in accordance with the contract of sale to be entered into by the subject parties in a form to be approved by the Town

LEGAL NOTICE

Attorney, and be it further RESOLVED, That the Town Supervisor be and he is hereby authorized to execute any and all documents after approval as to form by the Town Attorney to effectuate the sale of the subject premises: ALL that certain plot, piece or parcel of land, with the buildings and improvements thereon erected, situate, lying and being on the east side of Broadway and on the south side of the tracks of the Long Island Rail Road Company in Hicksville, Town of Oyster Bay, New York, bounded and described as follows: BEGINNING at a point on the east side of Broadway formed by the intersection of the easterly side of Broadway with the southerly line of land of the Long Island Rail Road Company, and running thence southerly along the easterly side of Broadway South 34 degrees East 75.5 feet; thence easterly along land now or formerly of Hahn, North 56 degrees East 80 feet; thence along land now or formerly of Hahn North 34 degrees West 16.75 feet to land of the Long Island Rail Road Company, thence northwesterly along the arc of a circle drawn with a radius of 1310.35 feet by land of the Long Island Rail Road Company, 99.28 feet, the chord of the said arc being 99.26 feet to the point or place of BEGINNING; the said premises being known as 65 Broadway; and be it further RESOLVED, That this resolution be and is hereby made subject to a permissive referendum. TOWN OF OYSTER BAY, JOSEPH COLBY, Supervisor, ANN R. OCKER, Town Clerk; Dated: April 3, 1979, Oyster Bay, New York.

STATE OF NEW YORK,
COUNTY OF NASSAU, ss:
TOWN OF OYSTER BAY)
I, ANNE OCKER, Town Clerk of the Town of Oyster Bay, and custodian of the Records of said Town, DO HEREBY CERTIFY that I have compared the annexed with the original Legal Notice relative to Resolution adopted by the Town Board on April 3, 1979 which provides for the sale of premises known as 65 Broadway, Hicksville, N.Y. filed in the Town Clerk's Office and that the same is a true transcript thereof, and of the whole of such original.

In Testimony Whereof, I have hereunto signed my name and affixed the seal of said Town this 3rd day of April, 1979

ANN R. OCKER
Town Clerk

Lynda Noeth Scotti

Mrs. Anne Bardenhagen was elected president of the Residents' Council at Central Island Nursing Home, PLAINVIEW. Mrs. Bardenhagen had lived in Freeport for 40 years before she moved to the Central Island facility. She was employed for over ten years at South Nassau Community Hospital as a respiratory therapist before her retirement. She is a delightful person who, we know, will do a great job in her new role as president of the Council. Her daughter and son-in-law, Ann and Bob Rennert of Mayfair Lane, Hicksville, and granddaughter, Terri, are extremely proud of Mom's accomplishment. And so, also, is John and Marge Bardenhagen, Hicksvillites, and their children. John is Mrs. Bardenhagen's son, and he thinks it's great there's a president in the family.

Congratulations to Ed and Jeanne Boyens of HICKSVILLE who just celebrated their 27th wedding anniversary. To commemorate this memorable occasion, Ed and Jeanne spent four days at the Downingtown Inn, PA. We heard they had a fabulous time.

And there was another anniversary celebration in town. This time it was HICKSVILLITES Frank and Betty Jopp who were married 29 years on April 16. They are a grand couple who are active in various civic affairs. We wish you both at least another 29 more happily married years.

Talking about years - 1945 - that was the year that was: the end of World War II; dancing the latest craze, the jitterbug; still using rationing books; fighting the golden nematode (potato bugs); and when the graduating class of St. Ignatius Loyola School, Hicksville, left the eighth grade and moved on to high school. A reunion of the Class of 1945 is planned for Saturday, May 12, 1979. We were told that former class members are coming from distant places to attend the festivities. But there are a few members of that class the committee has not been able to contact. Here are their names: JESSE MILLER, IRENE CANNON, JAMES VALITSKY, RICHARD ZEMATIS, EDMUND BARRY, JOSEPH METZGER. If anyone knows how to reach these folks, please contact either Joan D'Auria, 626-3434, or Helen

Murray Lupski, WE 5-1749. We'll let you know more details about this coming event in a later column.

Have you heard the good news? Christine and James Drost have a darling baby girl, Lauren Elizabeth, who was born on March 22, weighing 7 lbs., 10 ozs. The Drosts live in South Farmingdale, but both are intimately involved with Hicksville. Jimmy, in addition to his employment as a program manager in the data processing field, is a drum instructor with the St. Ignatius Drum and Bugle Corp. Christine is a former resident of Hicksville, and was employed as a nurse at mercy Hospital. Christine's parents, George and Frances Knight, and her sisters, Mary and Maureen, reside on Loretta Lane, Hicksville, and are thrilled with the new addition to the family.

Welcome neighbors! Although Helaine and Richard Cohen and their son, Brian, moved to HICKSVILLE from Queens last fall, we've just been able to make their acquaintance. They only live one block away from us, but the inclement weather this winter has kept us all rather close to home. But welcome to the Cohen family of Suggs Lane, Hicksville. Richard is very busy at his job as an accountant with a Manhattan firm and studying to become a C.P.A. However, we're sure we'll see him on the weekends relaxing while he mows the lawn, fertilizes the grass, weeds the garden, cuts the bushes, etcetera, etcetera. (They've always lived in an apartment; wait till they see what's in store for them in maintaining a house.)

Along with many other HICKSVILLE residents, we attended a cocktail party given by the East Norwich Kiwanis Club last weekend. The party was held at the beautiful home of Mike and Joan D'Auria and sponsored by this very active Kiwanis Club. It was a fund-raising affair to raise money to send disadvantaged children to summer camp. Some of the Hicksvillites present were: Ann and Bob Rennert, Helen and Cliff Henderson, Judge and Mrs. Lebkuecher and the Mahers. Our Town Clerk, Ann Ocker and her husband, Ed, were there, also to lend their support to this worthwhile endeavor. It was a great success financially, socially and charitably. Good luck to this "getter" Kiwanis Club.

Oh, almost forgot to tell you that Ed Coleman was at the East Norwich Kiwanis Club fund-drive cocktail party. Ed, you may recall, is a former football star of the HICKSVILLE Schools during the years 1942, '43, '44, and '45. Ed lives in Levittown now, but he told us that years ago this part of Levittown was considered Hicksville. He still looks like a football star, tall, trim and athletic.

Lena and Doug Harknett of April Lane, HICKSVILLE, are the proud grandparents of two new grandchildren. Malia Savoy, was born December 3, 1978 in Kailua, Hawaii. Her parents are Patty and Mike Savoy. Grandparents Lena and Doug have recently returned from a wonderful trip to Hawaii where a family reunion was enjoyed by all.

Their other new grandchild, Alison Harknett, daughter of Joan and Tom Harknett, made her "debut" on March 9, 1979. Her proud maternal grandparents, Helen and Bill Mullin, are also long-time residents of Hicksville. Congratulations, folks.

More about new babies! Alma and Artie Hirsch, HICKSVILLITES, drove to Yorktown Heights, NY, to be present at the Christening of their grandniece, Regina Marie. Her parents are John and Anna Marie Lovregne. A lovely family party was held in honor of the momentous occasion.

Good luck to Nick Caruso of HICKSVILLE who was re-elected 10th J.D. Director for the N.Y.S. Young Republicans. Nick is a volunteer fireman, works full time and is active in many civic affairs. Don't know where you find the time for all your activities, Nick.

The Zakrewski family of Mayfair Lane, HICKSVILLE, travelled to Bohemia to help celebrate Grandma Emma Burt's 84th birthday. Grandma Burt's birthday was April 5.

At a recent meeting, Ed Johnson, President of the Hicksville Rotary Club, congratulated Roy Dunn (left) who was just inducted into the Rotary Club.

Roy is a Past President of the Manhasset Rotary Club, but joined Hicksville's Club when he moved his employment service business to the Hicksville-Jericho area.

Levy-Kahn

Mr. and Mrs. Melvin L. Kahn of Hicksville announce the engagement of their son Edward David Kahn to Debra Ann Levy, daughter of Mr. and Mrs. Seymour Levy of Oceanside.

Ms. Levy received a B.S. Degree from Boston University and a M.A. Degree from Hofstra

University. She is now working at the Suffolk Developmental Center in Melville, Long Island as a speech pathologist.

Mr. Kahn received a B.A. Degree from Rider College and is now a sales representative for the Ideal Toy Corp. in New York. A fall wedding is planned.

Dyer-Bennet To Appear

The Hicksville Public Library proudly announces the appearance of Richard Dyer-Bennet on Tuesday evening, April 24 at 8 P.M. in the Community Room. Free tickets are available at the library.

Mr. Dyer-Bennet has been awarded a \$100,000 grant from the National Endowment for the Humanities to record Homer's "Odyssey" in the ancient fashion of reciting the story as verse. He will begin a modern "odyssey" in June, by traveling the route of Odysseus in and out of the Greek Islands.

Dyer-Bennet began his career in America in 1940 at the Village Vanguard, where he appeared with other unknown (at the time) folk singers such as Woody Guthrie, Josh White, Leadbelly, Burl Ives and Pete Seeger. This English born singer, luteist,

guitarist and songwriter spent his early years in Canada, in 1925 his family moved to the U.S. He graduated from the University of California at Berkeley, then went to Sweden to study folksongs of Europe on the lute with Sven Scholander. At a later time he switched to the Spanish guitar.

There are many recordings in the Hicksville Library music collection that may be borrowed to reacquaint the many devotees of Mr. Dyer-Bennet with his unusual renditions of folk music from the Elizabethan to our own American folk songs.

The program for April 24 will include a brief excerpt of "The Odyssey" as well as the traditional folk music we have enjoyed in the past.

Get your tickets as early as possible, as there is limited seating in the Community Room.

293 News

The boys of pack 293 saw a film of the New York Mets for their April Pack Night. They also made arrangements for the Father and Son Cub weekend of camp Wauwaupex for the weekend of May 5&6. The boys and their fathers will be camping, cooking, and sharing a fun weekend together outdoors. Also coming up in an afternoon of bowling and the bike-a-ton.

The awards presented this month went to Eugene Reilly of Den 3, advanced to Bear and received a gold and silver arrow. Michael Wozniak of Den 4, advanced to Wolf and received his Bear book. Webelos Michael Petrocelli received his craftsman, athlete and artist badge. Charles Blaha received his naturalist, craftsman and athlete badge. Paul Hammond received his athlete and traveler badge.

This is the perfect time of year for the fathers and sons to join this active pack and get in on the spring activities. Boys between the ages of 8 and 11 can join pack 293. All meetings are held at the United Methodist Church on Old Country Rd. and Nelson Ave. Hicksville. Come to our May 3rd Pack Night at 7:30 and make a commitment that will stay with you boy a lifetime. There is also a Boy Scout Troop for the boys to advance to when they are of age.

So come down to meet them and join them.

For more information call Cubmaster Wes Villazon 433-4742 or Chairman Gerry Flynn 822-7734.

At Lee Ave.

On March 23, the students of Lee Ave. school were treated to three performances of the Long Island Brass Trio. The program was designed to teach children about brass instruments and what to listen for in music.

It was co sponsored by the P.T., and the Town of Oyster Bay, Division for Cultural and Performing Arts.

Armed Forces

A U.S. Air Force husband and wife team, Senior Airman Benjamin D. Highfield Jr. and Airman First Class Karin E. Highfield, has arrived for duty at Bentwaters RAF Station, England.

Karin is the daughter of Mrs. Peggy S. Smith of Friendly Road, HICKSVILLE, and is a 1975 graduate of Hicksville High School. She serves as a weather specialist.

The airmen came to Bentwaters from Robins AFB, Ga.

Evening of Bowling

Saturday, April 20 - will it be just another dull monotonous evening? Not for anyone who has already purchased their tickets for the Evening of Fun Bowling being sponsored by the Burns Avenue PTA. How about joining them with your friends and meeting new people. Enjoy a champagne hour, followed by three games of bowling fun and craziness. You might even win a

trophy. They will end our evening with a hot buffet.

You and your partner can indulge in all this for only \$15.00 a couple.

All of this great fun will begin at 9:00 PM at Mid-Island Bowl, Hicksville.

Join them and April 28th can be a very exciting evening.

For tickets and reservations contact - Burns Avenue School.

At Fork Lane

The Fork Lane PTA Junior Bowling League finished its season with these final standings:

Third place: Team No. 9, Maryann Davidock; Claudia Sailor, and Donna Kelly.

Second place: Team No. 6, Barry Buckley, Doug Block, and Robert Cacace.

First place: Team No. 2, Mark Gold, John Lutz, and Kevin Smart.

High average trophies went to

Richard Humann (1187) and Kathy Dawson (97); High Series to Barry Buckley (264) and Jill Gaglio (257); and High Game to John Lutz (152) and Donna Kelly (149).

Twenty-eight fourth, fifth and 6th graders participated this year. All bowlers received trophies and were treated to a party at North Levittown Lanes.

The program was coordinated by Mrs. Carole Lutz and Mrs. Diana Spagnuolo.

AAUW News

The Nassau County Department of Drug and Alcohol Addiction will provide a speaker at the regular monthly meeting of the Mid-Island Branch of the American Association of University Women. The speaker will discuss the fallacies of drugs, the effects of various combinations of drugs and alcohol, and the types of

rehabilitation available.

Elaine Byrne of 36 Marlboro Road, Westbury, will host the meeting at her home on Thursday evening, April 19, at eight o'clock.

All women holding baccalaureate or higher degrees are invited to attend. Please call Dianne Wackerman at WE 8-9753 for further information.

"Baby Face" Deadline Extended

Due to popular demand, the March of Dimes "Who's Got the Cutest Little Baby Face?" Contest will continue for one additional month. To afford many more proud parents, grandparents, friends and relatives, the opportunity to enter a photo of their cute tots, the deadline date (previously Apr. 11) has been extended to Fri., May 11th.

To enter, simply mail a recent photograph of your favorite

"baby face," 5 yrs. old or younger, along with a \$3.00 tax-deductible donation to: March of Dimes BABY FACE, 2 Robbins Lane, Jericho, N.Y. 11753.

Prizes and ribbons will be awarded to 1st, 2nd and 3rd Place winners in 3 categories, with judging to take place on May 17th. So, start snapping those cameras and capture your little one in what just might prove to be a winning photo. For more information, call Lin at the March of Dimes at (516) 433-7000.

Annual Run For Life

Long Island Chairman of the world's largest running event, Augie Velton, (Garden City) announced today that the First Annual Run For Life sponsored by Connecticut Mutual Life to benefit the American Heart Association will be held May 19, 1979 in cooperation with the Long Island State Park and Recreation Commission at Jones Beach State Park. By taking part in this run, you'll be one of many thousands

of beginning and experienced runners participating nationwide.

You have the choice of two runs - 3.1 miles or 9.3 miles. The money you raise will be used locally for research and prevention of this country's number one killer ... heart disease.

It is a fun run for the whole family so call the Heart office in Nassau (516) 741-5522.

LEGAL NOTICE

NOTICE TO BIDDERS HICKSVILLE FIRE DISTRICT

Notice is hereby given that SEALED PROPOSALS for the purchase of a new emergency medical vehicle in accordance with the specifications of the Board of Fire Commissioners, will be received by the Board of Commissioners of the HICKSVILLE FIRE DISTRICT, at the Commissioner's Room of the HICKSVILLE FIRE DISTRICT, 20 Gebhardt Plaza, Hicksville, New York, until 8:00 p.m. Prevailing Time, on the First day of May, 1979, at 8:00 p.m., at which time and place they will be publicly opened and read.

LEGAL NOTICE

Instructions for Bidders, Proposal, Specifications and Contract Forms may be obtained at the Office of the Dispatcher of the HICKSVILLE FIRE DEPARTMENT, 20 Gebhardt Plaza, Hicksville, New York. A deposit of \$10.00 is required for each set of documents furnished, which will be refunded if the set is returned in good condition within thirty (30) days after the bids have been opened and acted upon by the Board of Commissioners of the HICKSVILLE FIRE DISTRICT.

Each Proposal submitted must be accompanied by a certified check of bid bond, payable to the HICKSVILLE FIRE DISTRICT.

LEGAL NOTICE

In a sum equivalent to five per cent (5%) of the total amount of the bid, and a commitment by the Bidder that, if his bid is accepted he will enter into a contract to manufacture and deliver the vehicle contracted for and will execute such further security as may be required for the faithful performance of the contract.

The Board of Commissioners of the HICKSVILLE FIRE DISTRICT reserves the right to reject any or all bids, to waive any informalities therein and to accept the bid, which, in its opinion, is in the best interests of the Fire District.

GENERAL

After three complete weeks, the Club's overall record, including League and Regional Cup games, is 58 wins, 24 losses and 15 ties. This is a winning percentage of 60% which is very good considering the six of Division I, II and III teams as well as the good competition all over the Island. Early results from the fourth week of the season show that those losses are starting to come in. After 3 weeks there are still 11 teams out of 261 undefeated. Last Fall, there only one team in the Club went undefeated for the season (Pat McHugh and John Mitchell's 1965 Rovers) and last Spring three teams went through the season without a loss: Joe Neto and his '69 under 9 boys, Al Boccafolo and his pee wee under eights and Jimmy Morrisroe and his under 10 1968 boys.

65 ROVERS

The under 14 year old Rovers met their first big test this week against the Huntington Strikers in an away game at 9 am. Obachse Pat McHugh & John Mitchell hoped that the high winds would subside but they hoped in vain. Hicksville won the toss and elected to go against the wind in the first half. Only minutes into the game, Huntington scored but Hicksville came alone and played great soccer for the rest of the half. Special credit again goes to the defensive unit for stopping repeated attacks on goal and putting the ball low and hard against a tremendous wind up to the front line. This fullback line consists of the 'Irish Rover' Jimmy McGeough on the right, Steve Dolan and Cliff Feldman in the middle and Vinny Christiano on the left. These four boys did a great job stopping Huntington and getting the ball John Mitchell or Dave Smyth on the front line. These two strikers also worked very hard all day and even against the wind were able to penetrate toward Huntington's goal a couple of times. Another hard worker who received a great deal of praise from the coaches was the 'blond bomber' Bobby Andrus who's doing a great job at halfback. Coach McHugh thought that he might give up as many as three goals in the first half but these guys held the Strikers to a single tally. In the second half, Hicksville was either over-confident with the wind or ran out of steam. The defense held and Mitchell and Smyth continued to work hard but the mid-field and front line couldn't get the job done. The coaches evaluation is that you need more than 5 or 6 boys giving 100% in a tough match and this week the team just did not have this. Huntington scored two more - both on direct kicks from the 18 yard line - before Dave Smyth pushed one in for Hicksville. Final score was 3-1 with the Rovers, sponsored by the Plainview Burger King, on the losing end.

CARDINALS Boys U-8

On a cold windy day last Sunday, John Fabrizio's,

front of No. 5) at midfield. Tony De Rosa (3) backs up the play.

"Cardinals", sponsored by Barsentone Productions, Inc., travelled to Bohemia to play St. John's C.Y.O. "Eagles", both team 3-0 on the season.

Taking advantage of the wind in the first half, the "Cardinals" attacked their opponents and scored their first goal 10 minutes into the game on a shot by left wing Scotty Duca. Later on in the period, right wing Stephen Gourlay blasted a shot past the "Eagles" goalie bringing the score to 2-0.

Then the complexion of the game changed, it became one of keeping constant pressure and out hustling the "Eagles", preventing them from scoring. This was accomplished by mid-fielders, Eric Bentley, John Fabrizio, Bobby Himmel, Brian Sacks and John Schneider. Backing up the mid-fielders were the superb fullback line of Charlie Maione, Chris Shearer and Willie Sneddon. Brian Hoesten again did an excellent job stopping the few "Eagles" attacks on goal.

Not to be forgotten were the other forwards of the "Cardinals", Brian Finnell, Robert Franzese and Stephen Postullo who kept continuous pressure on the "Eagles" defense.

The final score was 2-nil bringing the "Cardinals" record to 4-0, taking over first place. The significance of this win is the fact, that the "Eagles" had been undefeated in their last 23 games. The "Cardinals" win was accomplished by a "team" effort of passing and a lot of hustle. WELL DONE BOYS.

Boys U '9'

by Jack Carson

The Hicksville "Grenadiers" hosted the Farmingdale "Blues" at the Grumman complex last Sunday. A contest of spectacular soccer took place. A crowd of over 150 fans cheered on the teams as they played to a 1 to 1 tie.

Hicksville was shut off of a few scoring opportunities by the "Blues" goaltender in the first half. Right wing, Rich McCarthy, had the ball taken off his foot directly in front of visitors net. The Backfield of Brian Magee, Mike Conway, Tim D'Antuono and sweeper Tony DeRosa were pressed often during the game. Tim Richards, the "Grenadier" net minder, made three saves in the early going, one more acrobatic than the other.

Farmingdale scored the game's initial tally midway through the

2nd half. After that, half backs Craig Carson and Chris Kanuck contained the "Dalers" attempts to advance the ball.

With a minute remaining, forward James Panchookian fired a shot at the visitors nets from 20 yards out, only to have it blocked and sent bounding toward midfield. Center half back Rich Chakrin garnered the ball and sent it inside again to forward Jean Claude Balek. Balek spotted left winger Anthony Schiralli breaking in on goal. The pass to the speedy Schiralli resulted in the Hicksville score with only 20 seconds left.

The "soldiers" are off next Sunday. On the 22nd of April coaches Tony Schiralli and Mike Kanuck will travel west with their chargers and take on an experienced Garden City club.

Hicksville Rowdies

The Rowdies extended their winning record to 3 and 1 with a win this past Sunday over Kings Park.

Hicksville's four goals were scored by Gerrard McNamee, Cliff Heller (2), and Kevin Hamel.

Assisting the scorers at forward were Greg Topea, Tony Conigliaro, Steve Olive and Sean Smith.

The mid-fielders: Jim Reardon, William Snedden and Dan Middleman kept the ball on the opponent's half of the field enabling more shots on goal.

When the ball did come down on Hicksville's side, a strong backstop combination of Todd Roth, Joe Hanna and Greg Skupinsky thwarted their attack.

Thunderbirds

By Joe Neto

The Hicksville Thunderbirds sponsored by Long Island Boating Publications kept their undefeated record by taking Cold Spring Harbor by a score of 4-0. This was the teams second shut-out of the season. It was made possible through the combined efforts of Michael Ayres and Michael Pryves who shared the goalkeeping duties and did a tremendous job against the very strong Cold Spring Harbor attack. Joey Neto put the first goal in for Hicksville on a lead pass from David Kanuck. The second goal was put in by Paul Thompson, who set himself up perfectly on a goal kick. The ball came right to him just outside the eighteen yard line and he returned it right into the net.

In the second half Cold Spring Harbor came out very aggressive and put alot of pressure on the Hicksville defense, but full backs Michael Ayres, Darren DiFlorio and Martin Jaycard played their usual steady game and managed to turn them away. The half back line of Chris Dolan, Richard Preser, Thomas Kenny and Brian McKenna did a super job in trying to stop their opponents passing game. Halfway through the second half Joey Doherty gave David Kanuck a nice pass and he took it in for the third goal. Minutes later Joey Neto scored his second goal of the game on a pass from Brian McKenna. This was the strongest complete performance the team has put together this season, both offensively and defensively.

1967 Boys

Red Express

On Saturday April 7th the Red Express sponsored by Eastern Exterminators and coached by Steve Florio and Jeff Kugler recorded their second straight win by defeating Garden City 3 to 1.

Despite a very strong wind the game was well played by both teams. The Great defensive team of Kenny Kugler, Robert Newlands and Billy Maguire together with the help of super goalie Jeff Knuth held the Garden City team down to 1 goal in the first half.

The second half found the Red Express really coming out to play and took full control of the game right until the end. With their great skill the halfbacks John Carroll, Ronny Brutschin, Lloyd Sneddon and Freddy Musumeci kept Garden City from getting passed mid-field. The first goal was scored by Bill Maguire who shot a beautiful kick from 25 yards out. The front line continued to pressure Garden City with front linesmen Michael Masters heading the ball to Peter Schnur who scored putting Hicksville in the lead, Matty Bell.

Town-Controlled Cable T.V. Service Rate To Drop

Oyster Bay Town Supervisor Joseph Colby announced that the rate for basic antenna service through Cablevision, the only rate where a local municipality is permitted to maintain control, will be reduced in the Town of Oyster Bay by \$1.50 to \$4.50 per month.

"Unfortunately, the other ser-

vices, which most residents have and over which we have no authority, will be going up by \$2.50 per month," Colby said.

Town Councilman Kenneth S. Diamond, who has served as a "watchdog" of Cable TV for the Town Board, noted that the Federal Communications Commission pre-empted the Town

from regulation of cable TV rates except those for the basic service, even though the original franchise granted by the Town provided for such regulation.

"I fought this matter with the FCC in 1975, and we were told by the FCC that it does not believe that regulation of subscription rates is either practicable or

necessary at this time," Diamond said. "The FCC went on to say that 'We believe the marketplace will regulate the charges that are paid and that if they are excessive, the operations will not succeed.' Although this may be true in the average competitive business situation, it is not so in this case which, for all practical purposes, is a virtual mono-

poly," he added.

The FCC should either involve itself in the regulation of these rates or it should restore such rights to local municipalities, according to Diamond. "At the very least, the consumer deserves a public hearing at which the cable TV firm would have to justify its request for a rate increase," he said.

As of May 1, Cablevision subscribers will be paying an additional \$2.50 for Family Cable.

LEGAL NOTICE

PUBLIC NOTICE CHANGE OF ZONING

RESOLVED, THAT the application of JOHN MERENDA, for a change of zone from "E" Residence District to "F" Business District (Neighborhood Business) on the premises following described, be and the same hereby is GRANTED:

ALL that certain plot, piece or parcel of land situated at Hicksville, Town of Oyster Bay, County of Nassau and State of New York, and described as follows:
BEGINNING at a point on the northerly side of Old Country Road, as widened, 88.28 feet westerly from the end of a curve having a radius of 10 feet and a length of 13.36 feet and which forms the intersection of the westerly side of Underhill Avenue and the northerly side of Old Country Road, RUNNING THENCE North 0° 58' 30" East 105.85 feet to a point; THENCE South 89° 22' East a distance of 92.86 feet to a point; THENCE South 0° 38' West

along the westerly side of Underhill Avenue 75.65 feet to the northerly end of a curve, first above-mentioned; THENCE along a curve bearing to the right having a radius of 10 feet and a length of 13.36 feet to a point; THENCE South 77° 11' West 88.28 feet along the northerly side of Old Country Road to the point or place of BEGINNING

The foregoing property is designated on the Land and Tax Map of the County of Nassau as School District No. 17, Section 11, Block 337, Lots 15 and 32.

The change of zone herein granted is subject to voluntary covenants and restrictions imposed upon the subject premises by the applicant herein, as owner in fee, which are set forth in a written instrument to be duly recorded in the office of the Clerk of Nassau County; and this resolution for a change of zone shall become effective only upon such recording BY ORDER OF THE TOWN BOARD OF THE TOWN OF OYSTER BAY Joseph Colby, Supervisor, Ann R. Ocker, Town Clerk. Date: April 3, 1979

Lent Offers Information On College Financial Aid

Financial assistance for a college education, based on need and ranging up to \$1800 a year, is available from the federal government under the Basic Education Opportunity Grant program, BEOG.

As a public service to students and their parents in the Fourth Congressional District, Congressman Norman F. Lent has available in his office, "The Student Consumer's Guide" and H.E.W. pamphlet describing BEOG and five other federal student aid programs, together with the application forms for the BEOG for the 1979-80 school year.

Fourth Congressional District residents who are parents of students planning on attending college this September can obtain free copies of "Student Consumer's Guide" and application forms for the BEOG program by calling Lent's local office at (516) 223-1616.

"Helping to educate the youth of today is an investment in the future of our country," Lent said. "With the high cost of a college education, it's important for every family with students planning college study to investigate every avenue of potential financial assistance.

AMERICAN SOCCER (Continued from Page 9)

Keith Campo, Tony McGeough, Larry Ziembicki and Freddy Freyksen constantly kept the ball in front of the opposition's goal. This proved to pay off as Ronny Brutschin passed the ball to Freddy Freyksen who kicked it over the goalies head and into the net. Hicksville now refused to let Garden City score and won 3 to 1.

Great Game Guys!

Hicksville Panthers (U-16)
(by G. Stieveling)
After a scoreless first half, the

boys came back strong in the second. Paul Heller scored on a beautiful cross from Dave Horne. Their opponent, a very strong Huntington BC team, came back with a breakaway, and was able to equalize. The team had three chances to score, but a massive Huntington defense thwarted their efforts. John Salata was the outstanding player, he worked very hard as sweeper. P. Heller, D. Horne, J. Cullen and B. Bruton performed well in the frontline.

The defense around captain D. Straub did their job. Final score: 1-1
Coach: Mr. Akl

Diets For Heart Patients

"Diets for the Heart Patient" is the topic to be discussed by Mrs. Elizabeth Linnehan, R.D., at the next monthly meeting of Mended Hearts, L.I. Chapter No. 45, on Sunday, April 22, 1979, at 2 P.M., to be held at Nassau Hospital, 259 First Street, Mineola, N.Y. in the Breed Conference Room. Mrs. Linnehan is Ass't. Professor at Molloy College and Chairman of the Diet Committee of the American Heart Association Nassau Chapter.

The meeting is open to the public. After the meeting, coffee and cake will be served and newcomers will have an opportunity to get acquainted with Mended Hearts members.

A service organization, Mended Hearts, Long Island

Chapter No. 45 is made up and open to persons residing in Nassau and Queens Counties, who have undergone heart surgery as well as members of their families, friends and other interested persons. Its main purpose is to help and encourage others in need of heart surgery, and to find solutions to special problems of heart surgery patients.

Mended Hearts, Inc. is a National Organization with chapters throughout the United States.

For further information, please write to: Mended Hearts, L.I. Chapter No. 45, 610 Willis Avenue, Apt 2M, Williston Pk. N.Y. 11596 or call (516) 746-2200 or (516) 621-5207.

Bank Promotes Five

The promotion of five officers and a member of the Mortgage Department have been announced by the Board of Trustees of The Roslyn Savings Bank.

Robert Landon of Greenlawn has been named Financial Vice President. Mr. Landon a 22 year Roslyn employee, previously held the title of Vice President Investments. John Patrick of Centereach, previously an Assistant Treasurer is now Assistant Vice President and J. Robin Newbold of Sea Cliff has

been named Senior Appraiser in the Mortgage Department.

John Conway of Hicksville, Acting Manager and Assistant Vice President of the Farmingdale Office has been named Manager and Kevin Dunne of Bellmore has been named Assistant Manager of Roslyn's office in that community.

The Roslyn Savings Bank, Nassau County's oldest financial institution has offices in Roslyn, West Hempstead, Bellmore, Farmingdale and Woodbury.

Free-Homebuyers Clinic

In today's inflationary times potential buyers are seeking more detailed information from professionals in considering the purchase of a home.

As a public service the Long Island Builders Institute is conducting another of its Home Buyers Clinics, which have been both well attended and informative during the past three years - and FREE.

Experts from the residential building field, including Herman H. York, Architect, Adele Ram,

Condominium Specialist, Andrew J. Rafuse, Builder, Charles Ohlig, Mortgage Banker, will explain their role in home construction and ownership. A question and answer period will give the clinic attendees the opportunity to obtain more specific information.

Due to the success of this program in the past, it is requested that reservations (no charge) be made by calling LIBI at (516) 694-7810.

Appointed Resident Engineer

William R. Brazill of Hicksville has been appointed resident engineer of the new Air-Shuttle Terminal being built at LaGuardia Airport by The Port Authority of New York and New Jersey.

The new terminal, to be opened in the fall of 1980, will be capable of handling three million passengers a year between New York, Washington and Boston. The highly functional structure will permit passenger boarding via boarding bridges which will not require passengers to leave the building. It is also energy efficient with highly insulated walls and modern heating systems.

The Port Authority of New York and New Jersey will lease the building to Eastern Airlines after it is built. Construction costs are expected to be \$25 million.

Mr. Brazill is a graduate of New York University with a B.S. degree in Civil Engineering. He holds a Professional Engineering License in New York.

Starting with the Port Authority over twenty years ago, Mr. Brazill has contributed to

many of the bi-state agency's projects including work at the Lincoln Tunnel and the New York

airports. He and his wife Marjorie have seven children.

Hicksvillians Reject
(Continued from Page 3)

Cantiague Park," he continued, "The G-1 zoning has not worked and has contributed to the deterioration of our area. These suggested modifications are not enough. Our Committee is new and we need the Town Board's expertise. "We know you cannot zone by Consensus or Referendum but we ask you to review the plan, reject it and come up with what you believe will be the best for the area, for Hicksville, and therefore best for the Town." Mr. Lynch proposed to the Town Board. He concluded by saying "60,000 residents come from Hicksville and we are counting on

you." Much applause followed his testimony.

Councilman Gregory Carman commented that the Hicksville Community Council has been a great benefit to progress in the Hicksville area.

Mr. Bill MacDonald, representing the Senior Citizens, said, "many of us can afford to pay fair rents for privately built housing. Seniors create no trouble and they spend their monies locally."

Mrs. Carole Wolf, President of the Hicksville Community Council, concluded the Com-

mittee's report by summing up the reasons for the formation of the Committee. She said, "The Committee is young. Steps are being taken to feel the pulse of the Community." She asked, "Would the Town Board wish to submit a survey to the taxpayers of Hicksville to see how they feel... certainly it would help the Town Board and the Committee." Supervisor Colby agreed. She finalized by asking the Board to "seriously consider the needs for the young, help to the taxpayer and the needs of all by carefully thought out planning within a

reasonable period of time."

Supervisor Colby then opened the meeting up to additional comments. Judge Lubkuecker, a landowner, opposed the suggestions of the G-1 zone modifications and felt that there is too much office space now going unrented. He said, "More space for living quarters and apartments would be good in this area." But he questioned the wisdom of the Board by asking, "Why can't Hicksville develop naturally?" He declared that setbacks of 25 feet are unrealistic. Finally it was suggested that the Town Planning Board and the Community Council should hold public hearings so that all the residents could give in-pu-

meeting were: Effie Krogmann and Sheila Noeth, protesting the partial change of Duffy Avenue, and Messrs. Murry Margolis, Kingsley Kelly and Fr. Chianella who said, "If we were as slow to repent as the Town is to change the zoning, we would never get to heaven."

Mr. Kingsley Kelly of the Hicksville Chamber of Commerce reviewed the work done and plans suggested by the original TOB local Advisory Committee upon which he and many other well known Hicksville residents served for three years before the era of Raymond, Pine and Parish. He said they did recognize and recommend some private-built housing in parts of this area.

The Town pledged to work with the Community Council and their Committee. They complimented all those present on the intelligent presentation of their views and problems. The hearing concluded at eleven thirty pm.

Milton Abelson, a real estate broker, said, "These modifications are another impossible dream, as G-1 was." He suggested a tax moratorium for G-1 property owners while the G-1 restrictive zoning is in effect.

Others who spoke at the

Citibank's Blood Drive

The Greater New York Blood Program is richer by 94 pints of blood this week (thanks to customers and staff at nine Long Island Citibank branches.

The schedule for the Citibank Bloodmobile for the coming week is: April 16, Great Neck, Manhasset, Port Washington and Old Brookville; April 17, Syosset, Plainview, and Hicksville, April 18, Bay Shore, Farmingdale and Babylon, and April 19, Melville, Greenlawn and Sun Vet Mall in Holbrook.

Of the 94 pints collected, 72 pints were donated by Citibank employees and 22 pints by customers. Customers donating a pint of blood become eligible for one year's coverage of blood transfusions for themselves and their immediate families.

Further information is available at all Long Island Citibank branches

Assessment Fact: Abe Seldin (Center) chairman of the Nassau County Board of Assessors explained the method used to assess property and the impact of revaluation at 100% of full market value to, Otto Schmidtman, (Right) president of the Holy Name Society of Our

Lady of Mercy. With Mr. Seldin is Father Charles Gartner (Left) of Our Lady of Mercy.

Clubs or organizations interested in obtaining a speaker on assessment can contact the board of assessors speakers bureau at 210 Old Country Road, Mineola, N.Y. 11501.

Rev. John H. Krahn

ALLELUIA, HE LIVES.
ALLELUIA.

Silhouetted figures made their way to the tomb as the first sliver of light graced the darkened earth. Jesus was dead. They still couldn't believe it. It was like a bad dream of grand proportions. The ring of hammer upon nail still echoed in their ears; the horrendous sight of crucified bodies was burned indelibly into their eye sockets. With Him had died the hopes of eleven broken men. The sun had set on their lives plunging them into forever darkness. Men and women who loved Him, who believed in Him, had their hopes raised to heaven only to then have them dashed to the depths of hell. Yet, a day of surprises was dawning, the day of all days was commencing, caring propelled the three women forward not knowing how they would even be able to enter the grave. But God had opened the tomb. A rock, however big, would not block the Christ whose faith was great enough to move mountains. Entering the tomb, black

Friday became Good Friday, hope returns to the hopeless, death is replaced by life. "Do not be amazed, you seek Jesus of Nazareth, who was crucified. He has risen, he is not here, see the place where they laid him," the angel declared. And down through the centuries Christians have trumpeted the good news of Easter to one another and to God's world.

Each of us has had our bad Fridays when someone has crucified our hopes. When someone close to us has scorned our love. When our hearts have worn the black band of betrayal. When we have sold our integrity for thirty pieces of silver. When the shadows of life outdistance the rays of sunlight.

I do not think there is one person that doesn't want to believe in the resurrected and living Lord. There is not one person who does not need healing in some aspect of his or her life. Not one who can stand before the cross and say, "Jesus, like you, I have no sin." All of us know the

Easter story, but what God really desires is that we all encounter the living Christ. I want to say to all of you, I have seen the living Christ. I have been an eyewitness who has seen purpose enter into aimless lives. I have seen calmness overcome chaos. I have seen Him strengthen the weak, bring healing to the sick, and comfort to the bereaved. I have seen Him bestow joy and confidence to lives shattered by an angry and cruel world. I have experienced His presence in my life and in the lives of others.

I know that my Redeemer lives. I even know that your Redeemer lives. If you know it too, praise God with your lives. Without the resurrection, death and taxes are the sum of life's certainties. With Jesus Christ, the Resurrection and the Life, our lives cease being daily soap operas and become divine dramas to be lived to the fullest with the final chapter to be played before the throne of the Almighty and resurrected Lord.

Alleluia! He lives! Alleluia!

A ride in the bucket is great fun at Trinity Nursery School. The Nursery School uses the full size gymnasium of Trinity Lutheran School, 40 W. Nicholas Street, Hicksville.

For more information about Trinity's quality Nursery and Elementary School (K-8) come to their open house on Tuesday, April 24th, from 9 A.M. to Noon or call 931-2211.

Obituary

ALICE M. CARLISLE

Alice M. Carlisle of Hicksville died on April 4. She was the mother of Mrs. Elizabeth Rowe of Hicksville and Samuel F. Carlisle of California.

The funeral was under the direction of the Orlando Funeral

Home, South St., Oyster Bay.

ELLEN DANN

Ellen Dann of Hicksville died on April 5. She was the wife of the late George; mother of the late Kathleen Stockman; grandmother of Ralph J., Kathleen, Joan and George. Mother-in-law

of Ralph.

She reposed at the Vernon C. Wagner Funeral Home, Old Country Rd., Hicksville, Mass. of the Christian Burial was at Our Lady of Mercy R.C. Church and interment followed in St. Charles Cemetery.

Special Program On Asthma

There will be only one meeting this month for the Parents of Children with Asthma on Friday, April 20, at 1:00 p.m., in the East Meadow Offices of the American Lung Association of Nassau-Suffolk at 1710 Hempstead Turnpike.

The meeting will include Dr. H. Steinberg, Physician in Charge of Pulmonary Medicine and Assistant Professor of Medicine at State University of New York at Stony Brook who will discuss the topic "A Pulmonary Physician Looks at Asthma." Call 794-1160 if you plan to attend.

GALILEO LODGE NEWS (Continued from Page 6)

sure that this activity will gain momentum right after Easter. Pete Ragone and Skip Monteforte will certainly make sure that this activity gets off the ground in a hurry... Getting back to summer recreational activities, lets not forget the Hawaiian dance to be held in August. It will feature an authentic Luau and its aura of tropical wonder. There is another affair being readied for the month of May, and this dance will be a 1950's type of dance. The mood, music and atmosphere will herald the period which gave us a considerable amount of good music, good history and good memories, and the Galileo Lodge will endeavor to restore that era in good food and good times. This affair will be held on Saturday, May 19th, at the Lodge quarters. More information on this dance will appear in later columns... More information on the completion of the Bicentennial Monument will appear also in later columns.

San Marino, a country surrounded by Italy, is said to be the world's oldest and smallest republic.

Ducklings and baby chicks do not make appropriate gifts - at Easter or any other time. As an alternative Bide-A-Wee Home Association suggests a stuffed toy animal.
Dogs and cats make much better live pets. Bide-A-Wee has a wide variety of appealing dogs, cats, puppies and kittens awaiting adoption at its shelters in Manhattan, Wantagh and Westhampton.

Group Tennis

Group tennis instruction for beginners and intermediates will be available at four Nassau County parks this Spring. All classes are in the evening to afford maximum opportunity to all.

Registration for the lessons, co-sponsored by the Nassau County Department of Recreation and Parks and Tennis Hut, Inc., will begin Monday, Apr. 16 at the parks and continue until classes are filled. There is a \$15 fee for the six-session courses which begin Monday, May 14.

At Eisenhower Park, Cantiague Park in Hicksville and North Woodmere Park, beginners can choose classes on Mondays and Wednesdays from 7-8 p.m. or Tuesdays and Thursdays from 8-9 p.m. Intermediate instruction at the same parks will be held on Mondays and Wednesdays from 8-9 p.m. or Tuesdays and Thursdays from 7-8 p.m.

Christopher Morley Park in Roslyn-North Hills features classes for beginners only.

For The Handicapped

Consumer Affairs Commissioner James E. Picken announced today that a class on "Consumer Awareness for the Handicapped-Rights and Redress" will be conducted on Thursday, April 26th from 1 to 3 P.M. at the Cerebral Palsy Center in Roosevelt.

Sponsored by the Office of Consumer Affairs in cooperation with the United Cerebral Palsy Association of Nassau, the class will be open to any disabled

consumers and professionals who work with the handicapped.

The program will cover how to prevent consumer problems, how to write a good complaint letter, and where to go for help.

An interpreter for the deaf will be present. Material will be available in braille and large type.

Admission is free. Persons interested in attending should call 335-4758 to enroll.

N.Y. Brass Choir

The Nassau County Office of Cultural Development, in conjunction with the New York Institute of Technology, is proud to present the exciting New York Brass Choir. These remarkable, talented and professional artists will perform works of Scott Joplin, Le Roy Anderson, Johan Hermann Schein and Jean Joseph Mouret among others.

The date is Sunday, April 22, at 3:00 p.m. to 5:00 p.m. at Salten Hall, Room 1, New York Institute

of Technology, Northern Boulevard (entrance is one mile East of Glen Cove Road), Old Westbury.

This event is made possible with public funds from the Nassau County Office of Cultural Development, Mrs. Marcia E. O'Brien Director, and the New York State Council on the Arts. For further information please call the Office of Cultural Development at 484-9333. This program is free.

Information Data Bank

The Health and Welfare Council of Nassau County has developed a computerized information and referral data bank that is now available at the Hicksville Library on Microfiche. The Information and Referral service is designed to aid people who need assistance of a Social Service Agency in Nassau County. Over 500 organizations and 3,000 services are listed,

tripling the number of agencies on the card system now in use at the library. This is the first time that much of this information has been made available in easy to read format and it is all listed on nineteen 4 x 6 cards. The areas cover a wide range of services, family planning, fair business practices, legal aid, mental and physical health, and much more.

Warning: follow directions carefully to avoid skin and scalp irritation, hair breakage and eye injury

Vamps Stage Disaster Drill

By Carol Wolf

A mock commuter train derailment was staged by the Long Island Rail Road in concert with the Hicksville Fire Department. The alarm sounded 2:31 PM on April 8th. 85 Hicksville vamps and 9 pieces of apparatus converged on the scene on the overhead tracks just off East Barclay St. Mutual aid was requested from 6 nearby Fire Departments.

The drill was unknown to the firefighters and was planned for 2 months. 24 victims, from the Jericho, Plainview and Westbury Departments were put aboard the 8 car electric train at the Hicksville station. Injuries

ranged from heart attacks to broken limbs and head injuries. The drill was staged to show what areas the fire service needed improvement, such as manpower, equipment, and methods of operation.

Tower ladder and heavy rescue trucks were requested from Jericho, Westbury, East Meadow, Plainview. The Bethpage F.D. sent a rescue truck to stand by while Hicksville equipment was tied up. Melville F.D. also sent an ambulance. All injured victims were treated and removed from the train by ladder trucks by 3:24 PM.

Deputy Fire Chief Owen Magee of the Hicksville F.D., along with

Hicksville Rescue Lt. Gerard O'Brien and Gordon Jenkins of the Long Island Railroad and the Hicksville F.D. worked with railroad officials. Recently Hicksville vamps and other nearby communities attended a training session on rail road operations. Chief Magee praised the operation and the splendid cooperation the railroad gave. L.I. TV News covered the drill and film was shown on TV Channels 4, 7 and 11. Power on the 3rd rail was shut down on 1 track of the Port Jefferson branch till after 4 PM. A discussion was held after the drill at Hicksville fire headquarters. A few problems were uncovered

during the drill, such as a shortage of stretchers and portable radios. Efforts will be made to correct the situation. The chief also thanked all those who took part in the drill. Many Sunday dinners went uneaten, but Hicksville F.D. Ladies Aux. prepared refreshments to the hungry vamps. Special thanks go to the rail road for their help.

damage. Vamps had trouble getting store personnel and shoppers to leave the area. The fire started in the space above the ceiling. The sprinkler system failed to operate. The fire marshal's office is investigating the cause. 8 pieces apparatus under Deputy Chief Richard Kershaw responded. 1 vamp was injured, but was treated at the scene. Firefighters had to cut open the roof to extinguish the fire.

Shopping Center Blaze

A smoky blaze at the Perfect Pretzel Shop on the Mall at Hicksville's Mid Island Plaza caused moderate damage on Sunday April 8th. The alarm came in at 12:40 PM. Several nearby stores suffered smoke

Elects Members

Three area residents were recently elected to membership in the Nassau Council of the Nassau-Suffolk Health Systems Agency, Inc. (N.S.H.S.A.) They are Helena Dalessandro of Syosset, Janice Donahue of Glen Cove and Selma Notov of Hicksville.

Helena Dalessandro, a graduate student at Long Island University, serves on the Community Advisory Board of the Rehabilitation Institute.

Janice Donahue, President of the Hospital Health Protection Committee of Glen Cove and vicinity, is also a member of a Child Growth Parenting Group Project and a Red Cross volunteer.

Selma Notov, a guidance counselor at Hicksville High School, is a member of B'nai B'rith Women and Hadassah and served as faculty advisor of the Hicksville High School Volunteer Club.

The N.S.H.S.A. is a voluntary, non-profit agency created under the "National Health Planning and Resources Development Act of 1974" and services as the region's voice on health and mental health issues.

With the temporary closing of the Homeowner Disposal facility this year, due to hazardous conditions created by construction, the following information from the Department of Public Works can be helpful to homeowners who are planning their annual spring clean-ups:

THE TOWN OF OYSTER BAY SANITATION DIVISION

① WILL COLLECT ON REGULAR WEEKLY RUBBISH DAYS:

All materials that have been reduced to a size not exceeding 4 feet in any dimension and which individually does not exceed 50 pounds. Such material left at the curb on regular rubbish days will be routinely collected. To determine your regular rubbish collection day,

TELEPHONE: 921-7347

② WILL SCHEDULE APPOINTMENTS TO COLLECT BULK ITEMS

such as refrigerators, washing machines, large pieces of furniture, etc. Bulk collection services are solely that material which cannot be reduced to less than 4 feet in every dimension or weights under 50 pounds (Tree branches would NOT come under this category, since the same method used to cut them down can be used to reduce them to less than four feet in length so they can be left at the curb for regular rubbish collection.) To arrange an appointment for collection of "BULK" items,

TELEPHONE: 921-3850

Village or Private Collection?

Town residents who do not receive regular sanitation collection by the Town of Oyster Bay should contact the Village officials or private carters responsible for regular collection services for information concerning the system they use for collecting rubbish or bulk items.
