## Around - The - Clock Negotiations Urged

by Linda Strongin

It was standing room only at last night's Hicksville Board of Education meeting with over 400 parents and teachers crowded into the Hicksville Senior High School Cafeteria.

Prior to the meeting, the Hicksville Parents for Education picketed the administration building to demand a contract settlement between the Board and the Hicksville Congress of Teachers.

Later during the public speaking session, Mrs. Janet Staub, spokeswoman for the group, presented the Board and the Hicksville Congress of Teachers (HCT) a petition with nearly 2,000 signatures from Hicksville parents, residents and taxpayers.

The petition urges that both parties "come to a fair contract settlement as soon as possible so that our schools will remain open." The petition also states that "a strike would seriously disrupt our children's education and in its aftermath, as demonstrated in a neighboring community, lower property values and leave long-lasting disunity."

Board President Tom Nagle announced at the beginning of the meeting that the first meeting with the factfinder had been held that morning with both parties again meeting on Tuesday, May 1, after restudying the issues.

Absent from the meeting were Trustees Iris Wolfson and Neil McCormack.

Mr. Robert Zaleski, President, Hicksville Congress of Teachers, pleaded with the Board to set a date for around-the-clock negotiations before May 11.

"I urge you, I ask you to pick a date tonight. Tell us now and we will be available for the around-the-clock negotiations."

"We can sit down and hammer out an agreement and make compromises," he stated.

Mr. Zaleski also acknowledged that there were "real budget

problems and economic problems. We recognize that there is declining enrollment and that we must lose teachers."

"But we cannot allow declining enrollment to be used as a screen to lessen education programs."

Mr. Zaleski added that the HCT realized that the contract would be "less than what we have now."

"However, we are willing to work with you to make the necessary accommodations," he stated sincerely.

In response to Mr. Zaleski, Mr. Nagle stated "I will not be blackmailed or badgered." He added that the Board would be "available for around the clock negotiations. We will not answer tonight but by Friday. The Board has serious obligations to consider such as the dollar cost and educational cost."

Also appearing during the public speaking session was Joanne Crown, a teacher at Willet Ave. School, who articulately spoke about the Board's accomplishment in successfully creating an atmosphere of "tension and unrest" on all levels. She concluded "Every strike ends, but why put Hicksville through the agony?"

Shirley Smith, Hicksville parent, asked "Where are our priorities?" She stated that both sides are under pressure and have made mistakes, but "we need to think what we're doing. The kids are forgotten." She urged that the contract "be settled now."

Hicksville Senior Frank Grimmer expressed concern over receiving his diploma in June. "After 13 years of school, I'm worried about getting my diploma. Am I going to graduate? Is the contract going to be settled?" He also stated that he and 900 other students would be angry if they didn't get their diplomas.

Elayne Kabakoff, a teacher at Woodland Avenue School, implored the Board to "give us a date tonight for around-the-clock negotiations. We will not leave

tonight until a date is set," she declared.

After the business portion of the meeting, Mr. Zaleski again stated that he was "prepared to sit here all night to set a date for around-the-clock negotiations."

Mr. Nagle again stated emphatically that "you are not going to get a date tonight. I will be in touch with you tomorrow."

The meeting was then adjourned and the audience chanted and waved signs reading "No Strike," "Negotiate."

Mr. Nagle again stated that no response would be given tonight.

An audience member spoke out, saying she was a taxpayer asking for a date. "What is the problem? Why not a date tonight?"

Mr. Nagle began to explain but was shouted down before he could finish.

Another audience member stated that "parents have sat back too long. I urge you to set a date by 12:01 which is tomorrow morning."

The Board went into executive session and the audience, still high in number, remained. Later, Mrs. Ginny Germer, another spokeswoman for Hicksville Parents for Education, and her husband, spoke to the audience.

"We just spent 20 minutes with Mr. Nagle, talking to him as residents. He will not budge. He said he would give you (referring to Mr. Zaleski), a date by 12 noon tomorrow."

The HCT Crisis Committee then held a very brief meeting and Mr. Zaleski announced, "We have no contract. Back in October, Tom indicated that we were holding up negotiations because of our informational picketing at the Open Houses. We suspended that and shortly thereafter, we went to impasse."

"Several of us feel we have to remain here. Those that came prepared to stay, will stay until school opens tomorrow. If others

(Continued on Page 20)

## Eleven Vamps Felled By Acrid Smoke

A general alarm blaze at the Pax Surface Chemical Co. injured 11 Hicksville firefighters. The alarm came in on April 23rd at 7:26 p.m. The firm, located at 24 Max Ave., off Woodbury Road, had several types of chemicals stored. The building was unoccupied upon arrival and Vamps unaware of the dangerous chemicals inside entered to fight the blaze. Chief Richard Kershaw in charge of the operation had 85 men, 9 pieces of apparatus respond. A second alarm was transmitted at 7:33 p.m.

The building bore no posted warning signs. Vamps used self contained air masks but the men were still affected. It was estimated most of those injured were the first ones to enter the building. Vamps could not get at the fire because it was blocked by drums of chemicals and a small truck. The overhead door could not be opened so Vamps drove the truck through the wooden door. Shortly after, Vamps had the blaze under control.

Then, many Vamps started to get sick. The Jericho F.D. supplied an additional ambulance to transport the sick Vamps to the County Medical Center. Ex-Capt. Walter Brady of Co. No. 3 was the only Vamp held at the hospital for observation. The chemicals involved were caustic soda, chromic acid, succinic acid,

sodium cyanide, sodium sulfide, phosphoric acid and copper cyanide. The fire was not termed suspicious but the Fire Marshal conducted an immediate investigation. Damage to the building was moderate. Damage was estimated at \$10,000.00, but that estimate was expected to rise.

Chief Kershaw commended Vamps for their swift attack in spite of the acrid smoke. Almost all the chemicals were of a toxic nature rather than explosive.

In relation to hazardous

materials, a hearing has been scheduled May 8 at 10 a.m. at Oyster Bay Town Hall (East Bldg.) on the newly proposed "Hazardous Chemical Ordinance." It is a law that is vital to the safety of firefighters.

101 Alarms for Vamps

During the period April 1 thru April 24 Hicksville Volunteer firefighters responded to 401 alarms. There were 9 malicious (false alarms), 51 fire calls and 41 rescue calls.

Mr. Frank Chlumsky (left) and Mr. Kingsley Kelly (right) install Mr. Macos Ramirez (center)

as a new member of the Hicksville Kiwanis Club luncheon meeting held every Wednesday at the Millerside Inn.

## CUMMINGS 'N GOINGS

By Jim Cummings

**IRISH HERITAGE DISCUSSED:** More than 100 Irishmen, women and young people gathered at the Plainview American Legion Hall, on Jamaica Avenue, last Friday evening, April 20, 1979, at 8:30 P.M. to discuss and understand their Irish culture and heritage and its relevancy to modern times. The guest speaker, the Honorable Bernard F. McCafrey, Supreme Court Justice eloquently addressed his remarks to the cultural aspects of the great heritage of the Irish. The program was chaired by Robert Reynolds (931-6953) and Jack Brush (931-7030) - the group will meet again on Friday evening, May 11th at the Plainview American Legion Hall - you will learn so many great things about Ireland's heritage.

**WE HEAR THAT PGK** George Maguire is home following a short hospital stay - keep well buddy - the new broadcast format at WHLI - AM blends the music of yesteryear with the bright sounds of today - to Vice-President Jerry Carr of that fine station and staff keep up the good work done these past 28

years we've been listening - especially those great "school reports" instituted as a public service by WHLI.

**POLICE EXAM:** The New York City Police Department has scheduled a written exam for the position of police officer on Saturday, June 30, 1979 - young men or women interested please inquire today at (212) 227-0900 good luck.

**THE STATE DIVISION OF VETERANS** Affairs indicates that Vietnam-era veterans will lose their GI Bill eligibility this year and strongly suggests that such former servicemen and women seek counseling as quickly on all aspects of the program at 222 Willis Avenue, Mineola...By law, your veterans benefits expire on the 10th anniversary of your separation from military service - give that call today.

**DID'YA KNOW THAT:** WFUV-FM - 90.7 on your dial features an Irish program every Sunday (Continued on Page 19)

**VETERANS PLEASE NOTE:**

## Stream Flow Augmentation Study Underway

Public Works Commissioner Michael R. Pender recently announced that field work in connection with a Stream Flow Augmentation Study is under way. The study is being conducted to determine the impact, if any, of the sewerage of Districts 2 and 3 on surface streams, and to recommend ameliorative measures if necessary.

"For the next several months our consultants will have people in the field measuring the water quality of the areas lakes and streams; sampling and cataloging the type and capacity of the area's recreational facilities; noting and photographing the aesthetic qualities of the stream corridors; and conducting drive-through reconnaissance surveys," Pender said.

"We ask all residents to

cooperate with these field workers, all of whom will carry identification cards issued by the Department of Public Works," he added.

Sewage Disposal District No. 2, in which sewerage was completed 15 years ago, runs from the Queens border to Meadowbrook Parkway and from Reynolds Channel north to the Long Island Expressway. Disposal District No. 3 runs from Meadowbrook Parkway to the Suffolk border and from the bays on the south shore to Syosset. Approximately half of District No. 3 has received sewers in the past 10 years, and the entire area is expected to be completed by the end of 1982.

The principal consultants conducting the survey are Lawler, Matusky & Skelly Engineers, Pearl River, New York.

NBC-TV Science and Health Editor, Dr. Frank Field (resident of Massapequa), is the first recipient of the David Wagner Humanitarian Award, presented by the Nassau Suffolk Council of B'nai B'rith and the Long Island March of Dimes. Dr. Field was selected in recognition of his many outstanding contributions in the area of community health.

Making the presentation at the recent Health Awareness Fair-Health Expo '79-co-sponsored by the two organizations, is Evelyn Wagner, Expo '79 Chairperson and widow of Mr. Wagner, in whose memory the award was named.

Pictured above at the award ceremony are (left to right):

Harry Fischer (E. Northport resident), L.I. March of Dimes Field Representative, Mrs. Wagner, Honoree Dr. Field, Lottie Seligman (Syosset resident), L.I. March of Dimes Executive Director, and Ed R. Yamin (Freeport resident), L.I. March of Dimes Chapter Chairman.

## Encore Of "Peter And The Wolf"

An encore performance of "Peter and the Wolf" featuring the Long Island Symphony "Pops" Orchestra will be presented at Jericho High School on Sunday, May 6, at 3 P.M. It was announced this week by Oyster Bay Town Councilman Thomas L. Clark.

Sponsored by the Town's Cultural and Performing Arts (CAPA) Division of the Department of Community Services, and supported by grants from the New York State Council on the Arts and the Nassau County Office of Cultural Development, admission to the concerts will be \$2 for advance tickets and \$2.50 at the door. Checks should be made payable to the Island Orchestra Society and mailed to P.O. Box 315, Huntington, N.Y. 11743. For information, call the Long Island Symphony office at 421-4555.

Both the libretto and music to "Peter and the Wolf" were written by Russian composer Sergei Prokofiev. Each character in the story is identified by a different instrument at the beginning of the concert so the audience can follow them musically as the story progresses.

The Long Island Symphony is celebrating thirty years of providing concerts for Long Island audiences. For the performance of "Peter and the Wolf," the orchestra will be under the direction of assistant conductor Peter Leonard, who joined the group in 1978. A Juilliard graduate with a Master Degree in orchestral conducting, his credits include serving as assistant conductor of the Juilliard Orchestra and conductor of the Greenwich Philharmonic.

## "Evening In Artistry"

The Suburban Art League in cooperation with the Long Island Parks Commission and BOCES Cultural Arts Center are planning their second annual Evening in Artistry, Saturday, May 19, 8 p.m., Bethpage State Park Clubhouse, Bethpage. The purpose of this event is to give aspiring local artists a forum for their talents.

Planning for the Evening in Artistry is almost as exciting as the event. The visual artist's work is reproduced on slides, screened for students and faculty, selected for reinterpretation through dance, drama, music and poetry and presented to an enraptured audience. Approximately 100 works of original art are photographed and only about a dozen or so of the resulting slides will be chosen for the performance.

While students and faculty at BOCES Cultural Arts Center

create and rehearse their program, Suburban Art League and the Long Island Parks Commission finalize plans to transform Bethpage State Park Clubhouse into a cultural arts center for a night. The Inn becomes a performing salon, a cafeteria is transformed into a subdued setting for dining and dancing and an empty lounge is prepared for an impressive art exhibit.

Adults and youth mingle happily as they stroll from esthetic performance, through dinner dance gaiety, to the romance of contemporary art waiting to be admired and criticized. It takes a lot of talent, cooperation, plus mutual appreciation to make this an outstanding event.

For additional information, please contact the Suburban Art League's President Helen Kappel at 541-1047, Jo Costa 931-1325 or Hazel Wood HA 1-3255.

## Grievance Period On Property Assessments

Town of Oyster Bay property owners who wish to protest their 1980 property assessments during the Grievance Period, May 1 through May 15, should go this year to the skating rink lobby at Cantiague Park in Hicksville, Board of Assessors Chairman Abe Seldin announced today.

In previous years, town property owners filed their protests at the Town Hall Annex on Broad way in Hicksville.

Representatives of the Board of Assessors will be on hand in the

skating rink lobby from 9 A.M. to 4:30 P.M. daily during the grievance period to receive property owners' protests. They will also be there from 7 P.M. to 10 P.M. on both Wednesdays during the period, May 2 and May 9, and on Tuesday, May 15, from 7 P.M. to 9 P.M.

The property assessment is important to each taxpayer because it is the basis on which all his property taxes are computed," Seldin said. "I hope that as many taxpayers as possible will take advantage of this opportunity to examine their assessments and the method used to determine them."

Copies of the tentative 1980 assessment rolls will be open for inspection at the lobby. Staff personnel will explain the method used to arrive at a property's assessment.

A property owner who dis-

agrees with the assessment may file a protest form with the Board of Assessors, either in Mineola or through the board representatives in Cantiague Park. The protest is then forwarded to the Board of Assessment Review, an independent body, where it is analyzed. The property owner may also request a personal hearing before the Board of Assessment Review to present the facts on which he bases his protest. The board is empowered to order the Board of Assessors to reduce assessments when warranted.

All protest forms must be filed on or before May 15, the deadline.

Additional information explaining the grievance procedure may be obtained by calling the Board of Assessors Taxpayer Information Bureau at 535-2790 or the board's Field Division at 535-2311.

## Nassau Center Week

Nassau County Executive, Francis Purcell, has proclaimed May 14th to 20th, "Nassau Center Week," in honor of the work done by this agency to help severely mentally handicapped children and adults. This voluntary, non-profit organization which is located at 72 South Woods Road in Woodbury, offers day and residential treatment programs to upward of 140 persons and their families.

As a kick-off to this special week, the center is sponsoring a ten km. run in the Syosset-Woodbury area, on Sunday, May 13th. Individual runners, both sponsored and unsponsored, are invited.

Call (516) 921-7650

## Smokers Clinic

Syosset Hospital, in cooperation with the American Cancer Society, will sponsor a Help Smokers Quit Clinic on May 3, 10, 17 and 24 at 8 p.m. in the hospital.

The H.S.Q. Clinic will include talks by local physicians, films, group sessions, withdrawal procedures, personal assistance and evaluation.

Registration for the clinic is \$10.00. To register call the Cancer Information Service at 222-1127.

Coordinator for the clinic is Gus Yamond of the hospital's Respiratory Therapy Dept. According to Yamond, "The response to our last clinic was so wonderful, we are holding another one. This small investment of time and money could actually add years to your life."

## Empire Moving And Storage Is 75!

By Carole Wolf

It was a beautiful Sunday night on April 22nd as 175 friends and business associates of "the Brengels" joined with them in celebrating the oldest business begun and still operating in Hicksville: Empire Moving and Storage.

Henry and Dorothy Brengel planned the celebration at LeBaron's to the last detail. There was a giant sheet cake, a replicas of their first moving van, striking red carnation centerpieces set in wooden Empire Storage trucks and an exhibit in the hall featuring business diaries. The Chlumsky family was moved from the city for \$20 in March of 1913, listing of original crews, and many pieces of memorabilia from the beginning of the century.

Instead of giving each guest who attended the dinner a gift, Mrs. Brengel decided to fly 75 flags around the warehouse in honor of their 75th Anniversary. When the flags come down, they will be given to the Chamber of Commerce, the Boy Scouts and other charitable organizations with the only stipulation that they come from Hicksville.

Chris L. Brengel, Henry Jr.'s grandfather, began the Empire Moving and Storage Company in 1904 in a huge barn in the back of his house on Mary Street. He began with a team of 30 horses and the original van which quickly grew to a second and third van, No. 505 and No. 535 in order to move a family from New

York, it would take 2 teams of 3 horses and a change of drivers. The trucks would start in the middle of the night, change drivers in Jamaica and be at the house to pick up furniture in the morning. After loading the canvas-covered van, they would head out to the Island, only to arrive in Hicksville late that night.

The story of the Brengel family is the story of the development of Hicksville. Chris Brengel's mother and father came from Germany and when they came to Hicksville, they settled around 16th Street. There his father opened a small brewery and delivered beer to the local "watering holes." Chris went into the construction business and built the homes along Harrison and East Main Streets, one of which he claimed for his own. And there, in 1897, Henry Brengel Sr. was born. Several years passed and the War came. While Henry Sr. was 21 and served guard duty in New York, his Father Chris was contracted to deliver top soil to Long Beach and his mother ran the moving and storage business from their home. Henry Sr. was given the business just before the war, but at that time, not many people were relocating.

Hicksville in the 20's was farms, and on a heavy night, Henry Sr. remarked, "You could smell the cabbage a mile away." Old Country Road and Jerusalem Avenue were dirt roads and the Hicksville-Jericho Road was stones. Old Country seemed to stop in town, because east of it, where the Long Island Lighting Company is today, was Puvogel's Farm. The old vans needed carbide and water to create the gas that lit the lights. Topsoil was deposited in Hicksville in the Spring by streams of flood waters from the north. And the business continued.

In the 1920's the Brengel family grew. On April 4, 1920 Henry married Anna Jones and in '22 Henry Jr. was born. Frederick L. Brengel followed in 1923.

The 30's brought the depression, and Henry cut hay and worked for the Post Office between moving jobs, while Anna did the books and answered the telephone at home. Henry Jr. was in the first Confirmation class at St. Stephen's Lutheran Church. And when moving was slow, Henry carted topsoil to places like Jericho, Huntington, Glen Cove, and to High Hill Beach (which is now called Jones Beach). The 30's also brought Henry Sr. to the School Board, where he served for 21 years,

many in the capacity of President.

The 40's brought the Second World War. During the War, Henry Jr. worked for Grumman Aircraft. Fred was in the Submarine Service in the Pacific, and the family purchased the land on Duffy Avenue. The warehouse opened in 1945 and Henry Jr. married Dorothy French on Nov. 9, 1946. With the coming of the new builders, Levitt and Duffy and others, business began to move. In the early 50's they built an extension to the warehouse and 80 Duffy Avenue stood as it does today.

After his graduation Henry and Anna's other son, Fred, worked for the Bermuda Company in N.Y. Shortly after that, he joined Johnson Service, which is now Johnson Controls, and he is now President of the Company. Fred married a girl from Yonkers, Joan Files 32 years ago and they have 3 children - Doug who is 29, Edith Ann is 25 and Kenneth, the traveler, is 24.

After the war, with the business growing, and Anna still manning the phones, Henry Sr. was still on the School Board, buying land for schools. He also became partners with Henry Bertolotti and formed B & B Moving & Storage on 123rd Street and Jamaica Avenue which lasted for over 15 years. Henry Sr. was a charter member of the Long Island Moving and Storage Association, served many, many years with the Fire Department and is a 60 year member of the American Legion.

On December 1, 1966 Henry Jr. bought the business from his mother and father and became president. His wife, Doty, became the vice-president and she co-ordinates all office activities and the logistics of the company. When I asked her what the longest move was, she responded, "Oyster Bay Cove to Hong Kong." Empire now moves 2nd and 3rd generations and the Brengels are extremely proud of their reputation. They have a tremendous mix of customers - "from Social Services to the Social Register". Their work force ranges from 12 to 14 in the slow months to 30 to 35 in the summer.

Doty said that the company's most unusual move was the Greek Revival Building of the Shelbourne Museum in Vermont. The inside of the Building is a townhouse from New York which Henry Jr. moved from New York City "plank by plank, floorboard by floorboard." Empire Storage has moved people to Germany, France, England, Ireland,

## Dear Friends ...

A REMINDER to all Plainview residents to vote on May 9th from 10 am to 10 pm on the School and library budgets and for school and library board candidates of their choice. Also, an invitation to all candidates to send us their background, qualifications and aims for inclusion in next week's HERALD, so that our readers may be informed and able to cast their vote on May 9th with as much factual information as is available. Our news copy deadline is, as usual, Wednesday at noon at One Jonathan Ave., Hicksville. If you need any further information, call us at WE 1-1400.

THE 1979 HICKSVILLE MEMORIAL DAY PARADE AND SERVICES are being planned by an official Committee. This year's parade is scheduled for Wed., May 30. Any interested organization is invited to attend a committee meeting set for Wed., May 2nd at 8:30 pm in the VFW Clubhouse on South Broadway in Hicksville. For further information call Lou Klein at WE 5-1976.

On Sat., May 5th starting at 10:30 am, Empire Storage Warehouse located at 80 Duffy Avenue in Hicksville has scheduled a remarkable auction. It will include furniture, linens, antiques, appliances, books, office furnishings and bric-a-brac, which may be viewed on Fri., May 4 from 9 am to 5 pm. The auction is set "rain or shine" and there is free parking available. This is something you won't want to miss.

Then, on Sunday, May 6th the HHS Alumni Association has scheduled a gala cocktail party at Frank's Alibi on Old Country Road, from 2 pm to 5 pm. Tickets are \$10.00 and include a variety of delicious canapés and cocktails. More information and tickets may be obtained at Holden's Stationery Store, at Frank's Alibi or from Jim Eyle at the Long Island Bank.

Every Thursday evening there is a special, delicious buffet available at the ever popular Stack O'Barley Irish Restaurant at 646 South Broadway in Hicksville.

THAT'S ALL for this week. Stay well and enjoy the soft Spring weather here on beautiful Long Island.

SHEILA NOETH

## Tobay Hiring Temporary Sanitation Workers

Town residents between the ages of 18 and 30 seeking temporary work are being offered \$4 per hour to work as temporary sanitation workers.

Oyster Bay Town Councilman Joseph J. Saladino, Chairman of the Town Board Committee on Sanitation, announced that positions as temporary sanitation workers are available now and temporary workers will be put on immediately upon approval of the Civil Service Commission.

"It is not easy work," Saladino explained, "and that makes it very important that anyone seeking this position be in good health. The temporary employees will serve to fill in on Town sanitation crews when regular employees are on vacation or have a prolonged illness."

Sanitation crews work on Mondays, Tuesdays, Thursdays and Fridays, Saladino said. "For many people looking for a temporary job and only available on certain days, these positions may be ideal."

Town residents interested in such a position must contact Superintendent of Sanitation Collection, James Gildersleeve, from Monday to Friday between 9 AM and 3 PM at the Town Department of Public Works, 921-7347.

"Even those young people who may not be available for the position until school closes should contact Mr. Gildersleeve at this time, so that necessary paperwork can be completed by the time the individual is available," Saladino noted.

## Open Meeting On Nuclear Issue

On Tuesday May 1, the Seawanhaka Safe Energy Group, will hold a free open meeting for all people interested in the issue of Nuclear power. The event will be held at Glen Cove Boys Club, Glen Cove Avenue, Glen Cove, at 8 PM.

A presentation by the Seawanhaka Group will be followed by the showing of the video film, "Down To The Wire", which is about nuclear power on Long Island.

"For the good that needs assistance  
For the bad that needs resistance  
For the future in the distance  
And the good that we can do."

## At The Town Board

by Gerry Kahn

It was standing room only at the Town Board meeting held on Tuesday, April 24.

The Town Board presented a Proclamation to Ann Reich, Superintendent of Senior Services, who represented the Senior Citizen facilities of T.O.B., proclaiming May 1979 as Senior Citizen Recognition month.

The presentation led the morning proceedings of awards to numerous senior citizens. The awards were made by each member of the Town Board and among the numbers that received awards were: Edna Tyrell, Syosset Senior Citizen; Helen Mizner, Woodbury Senior Citizen.

Madeline Kristna, Plainview Senior Citizen; Lorraine Lucore, Friendly Citizens of Woodbury; Jean Davis, Woodbury Senior Citizens; Dorothy Gallagher, Woodbury Senior Citizens.

The Ceremony ended with the award to and announcement of the Senior Citizen Woman and Man of the Year were respectively Vera Jacaruso and Michael Tinger.

On the local scene, the Town Clerk was directed to advertise notice of hearing to consider the petition of Island Leather and Tweed for a special use permit to operate and maintain the retail

and wholesale manufacture and sale of clothing at Plainview Hearing June 12.

A waiver of guarantee and maintenance bond on the construction of the new wading pool at Syosset Community Park was the subject of item No. 41.

The acceptance of the HUAC Renovation, at the Highway garage in Syosset, as completed, made up item No. 15.

An extension of time on the special use permit for the American Institute of Physics at Woodbury was granted, item No. 17.

The formal hearing ended at 12:30 p.m.

## A Message From Sup. Colby

In an effort to secure residents' right of relief from high-powered solicitation tactics a number of Long Island municipalities including Oyster Bay have worked out agreements with the Reverend Sun Myung Moon's Unification Church that set forth the requirements under which the church's representatives can solicit funds and proselytize or seek converts. These stipulations followed the church's efforts in the United States District Court to have the Town's Hawkers and Peddlers Ordinance and similar laws of other municipalities declared unconstitutional.

The Town had sought to control the solicitation activities of such organizations by requiring li-

censes under the Hawkers, Peddlers and Solicitors Ordinance. However, because New York State has exempted the Unification Church from having to register with the Department of State, the organization is exempt from the licensing requirements of the ordinances of local municipalities.

Under Oyster Bay's stipulation agreement, the Unification Church will provide the Town Clerk's Office with the names and addresses of all those who will solicit funds or proselytize in the Town. Such activities will be restricted to between the hours of 9:30 AM and 8:30 PM or sunset, whichever is later.

All members will be required to

carry with them and display identification cards with their own photos while soliciting, and they must state their identification and intentions to each person they solicit.

Although the agreement entered into, in light of indications that a court decision could strip local municipalities of any controls, does modify to some extent the Town's authority over this group's activities, we feel that the Townspeople are still protected from tactics and practices that could be considered as harassment. If any such incidents do occur, they should be reported immediately to the Office of the Town Clerk.

## Letters To The Editor

Dear Mrs. Noeth:

In the type of marriage where there is love and trust both husband and wife will do anything for each other. In the second type, based on distrust, we get into contract marriages. People feel they have to assign their "rights" to paper. In the first type people do MORE than they have to do. In the second people do ONLY WHAT THEY HAVE TO DO. Teaching in Hicksville for me has been like the first type — cupid's arrow from the people has been into my heart. This year's school board, lawyer, and superintendent has redirected it into my rear end. Why has this attitude of trust been changed into one of distrust, and what can be done about it?

Negotiations must get back into private. When the School Board made the decision to open negotiations to the public, with a letter to district residents, it was like a husband and wife asking their friends to take sides in an argument.

The letters to the citizens and public statements by the Superintendent contained many "half truths", which attacked the integrity of the teachers. Lt. Terrence McGuire, the policeman who was severely injured when a terrorist bomb went off, said he wouldn't want to become a policeman again. Why? Not money, not the danger, not that he didn't enjoy his job. Why? Because when a judge decided to release the Croatian bombers with a "slap on the wrist" Lt. McGuire said why bother if I'm not going to be backed up. The School Board and the Superintendent should start "Accentuating the Positive," and back up good teachers.

Briefly some things they could praise as teachers:

- (a) giving up lunch hours for clubs and tutoring
- (b) taking trips, picnics, public groups on afterschool time
- (c) paying for parties
- (d) attending P.T.A. functions to raise scholarships for students
- (e) filling in when no substitutes were present
- (f) taking college courses out of pocket

(g) making field day and jungle gym preparations after school.

In the past the teachers and school board have talked things over "man to man". This year somebody (a lawyer?) taught the school board a few big words, "Management Perogative". Anytime the teachers in negotiation wanted to discuss something the school board said they wouldn't discuss it — It's "Management Perogative". If I had the nerve to pull that baloney on my wife she'd hit me on the head with a frying pan. We have to have honest two way talk and compromise.

For the skeptical who might say, "All the teachers want is more money". I want to let them know that the average Levittown teacher lost over \$7,000. There's no way in the world that moneywise I'd come out ahead with a strike. I don't understand how the custodians were forced out to strike when all they were asking was a 5.2% increase. Somebody told me the school board probably forced the custodians out so the district could collect the two for one penalties of the Taylor Law and pay the 5.2% increase out of it. I don't feel the school board would do something like this, and I'm hoping a contract is signed so I can tell this person the custodian's strike was a misunderstanding, and the Board doesn't want to do the same thing to the teachers.

This Hicksville School Board doesn't have a good track record as a jockey riding its stable of excellent horses (custodians, secretaries, teachers, etc.). Maybe if they stopped "going to the whip" of public negotiations and "Management Perogative", and started whispering nice things in the horses' ears they might find that like Mr. Ed, the horse might start talking to the school board, and we could all sit down at the finish line and eat our oats together in friendship.

Sincerely,

Harry Mandel  
6th Grade Teacher  
Woodland Ave. School

Dear Mrs. Noeth:

As most residents know, there is a teacher strike date set for May 11th. Like many people, I am very upset with the present situation. There are several aspects I find hard to fathom. One thing I cannot understand is the fact that several School Board members, plus our Superintendent, went to Florida for the Easter break. If they keep insisting that the children's education is top priority, then what were they doing attending a conference (using taxpayers' money) instead of negotiating with the teachers? As far as I know, every teacher on the negotiating team was available throughout the recess. I think it's a bit strange that absolutely nothing was accomplished during this crucial period.

The subject of teachers educating students out of their certified area leaves me wondering exactly how important quality education is to the Board. What it wants is to be able to have a teacher teach two periods out of his area. For example, a math teacher would be asked to teach two periods of world history. I think that is unfair to both students and teachers.

Recently, the Board put wants in the newspapers for two new Assistant Superintendents at \$40,000 apiece. The Board has just hired a new Superintendent at \$40,000 and has paid its attorney \$60,000. If the district can afford all of this, why can't it give the teachers a cost-of-living increase? I am told that these new additions will be an asset to the district and will upgrade our educational system. How can this be true if there will be no math or foreign language consultants? No one can expect two new people to be able to have expertise in so many different areas (elementary and secondary education, math, science, foreign language) or to be as effective as the present consultants. Furthermore, how can this be true if there will be NO education after May 11th without a contract?

I would just like to leave this thought for pondering, and I hope (Continued on Page 19)

## Museum Fete A Success

A large number of patrons, volunteer workers and friends of the Gregory Museum, the Hicksville Earth Science Center, turned out this past balmy spring weekend to enjoy the Fifteenth Anniversary "Open House" of the museum.

The many guests of the Museum Board of Trustees and staff saw much which would be memorable. They received copies of the Museum's handsome Fifteenth Anniversary Journal and viewed mineralogical exhibits related to ancient Pompeii and Roman art materials. They toured a lovely historical display of artifacts in the Heitz Courthouse Jail, created to depict "Hicksville in 1900."

A satisfying and enlightening feature of the day was the display and judging of the Gregory Museum School Earth Science Fair, open to the public and parochial schools of Hicksville. The judges' choice for "Best in Show" and winner of First Prize in the 6th grade Division was the "underwater life" project of Joseph Cassano of Trinity Lutheran School. The Second Prize medal was awarded to Drew Kramer for his striking "glacier" model and the Third Place Medal was awarded to Kyle Mathews, also of Miss Wenner's class at Trinity Lutheran School. Honorable mention was accorded to Scott Sonnenberg of Trinity Lutheran School and to James Toner and Mark Busiewicz of Mr. Messina's 6th grade class at St. Ignatius Loyola School.

In the 4th and 5th grade judging, First Prize medal was

Mr. Richard Evers, President of the Gregory Museum, offers congratulations to Joseph Cassano of Trinity Lutheran School and his family. Joseph

won first prize in the sixth grade division and "Best in Show" for his outstanding project on underwater life. (Photo by Rosemary Barrow)

awarded to Linda Cusumano of Miss Hopkins' 4th grade class at Holy Family School, while Second Place went to Adam Mahoney of Holy Family. Third Place went to Matthew Lloyd of the 4th grade at Willet Ave. School. The judges awarded First Prize in the 3rd grade division to a large mural depicting "desert life" and "formations" which was the joint effort of Mrs. Barbara Koenig and Mrs. JoAnn Crown's classes at Willet Ave. School. Each class will receive a framed medal and certificate of excellence from the Gregory Museum.

Tracey Putman of Mrs.

Waldman's third grade class at Dutch Lane School won second prize in her division. Honorable mention was also given to the large rock and shell collections of separate entrants Michael and Raymond Redman of Dutch Lane Schools 4th grade; to Donna Esposito of Mrs. Calabrese's 4th grade at Holy Family School; and to Nancy Reilly, 5th grader of Sister Patricia's class at Holy Family School.

Judging the contest were: Curator-Geologist Janet Kempinski; Museum Program Coordinator, Ida Cropper; and Museum Director, Richard Evers.

## Senior Citizen Recognition Day

Senior citizens participating in the Town of Oyster Bay Volunteer Services Program were honored in ceremonies at Town Hall today (Tuesday, April 24) which included presentation of a "Senior Man of the Year" and "Senior Woman of the Year" award by Town Supervisor Joseph Colby.

The Town conducts a Senior Citizen Recognition Day each year to mark the nationwide celebration of "Senior Citizen Month" in May. Merit awards are presented to various seniors in recognition of the time and effort contributed within the Town's volunteer services, and a senior man and woman are cited for their outstanding contributions.

The recipient of the "Senior Woman of the Year" was Mrs. Vera Jacaruso, 80, of Massapequa Park, and Michael Tinger, 72, of Hicksville, was named "Senior Man of the Year."

Mrs. Jacaruso has been a dedicated volunteer at the Suffolk Developmental Center for the past 10 years teaching speech to the hearing impaired children using special equipment. She is an active member of the original Over-50 Senior Citizen Club and is also active in senior activities sponsored at the American Legion Post in Amityville.

Mr. Tinger is also a volunteer at the Suffolk Developmental

Center where he has set up a ceramics program for the residents. A "Green Thumb", he cultivates flowers and vegetables in his spare time and won a blue ribbon at a Grumman-sponsored flower show. He is also an avid bowler and is active with the Senior Citizen Action Council that meets in Island Trees School.

The Town of Oyster Bay operates 11 senior citizen clubs under the auspices of the Senior Citizen Services Division of the Department of Community Services. They are open to all Town residents 55 years of age and older. Further information may be obtained by calling 922-5800, ext. 294.

## CYO Intramural

Under long awaited sunny skies and coatless temperatures, our C.Y.O. Intramural Season got under way. The boys, with sparkling uniforms and smiles of expectation, entered the competition with the enthusiasm of only the youth.

In our 1st and 2nd Grade League, sponsored by the KINIGHTS OF COMUMBUS, and dubbed the "LITTLE KNIGHTS" the following games were played:

In the Fish Division, the Bass defeated the Lobsters 12-7. Rich Hutchinson led the Bass with two home runs while John Schneider excelled with sharp fielding. The losers were sparked by Steven Pine and Lloyd Teitelbaum with three hits each. Joseph Garry,

racings hard, just beat a throw home to score the winning run in the Pigeons hard fought victory over the Blue Jays 11-10. Joe Hufnagel helped the winners while Pete Coen and Chris Moors led the Blue Jays attack with three hits each. The Dolphins shutout the Hawks 21-0. Mike Janicki and Chuck Montana led the hitting attack with a homer and triple respectively. The Whales bested the Sharks 11-3 because of excellent hitting support by Steve Posiullo (three hits) and supportive fielding by Chris Horvath and James Curley. Joe Romano led the Sharks with good fielding and timely hitting. The Cardinals nipped the Robins 9-8. Joseph Toner hit a 3-run homer and Ken Mazur and Kevin

Morrisroe sparkled with three hits each.

3rd Grade - The Marlins sponsored by Ron Kenefick of M.D. Cesspool bested Montiana Agency by a score of 12-4. Dennis Kenefick sparkled for the visitors while Vince D'Angelis and James Ori pitched well for the losers. The Yankees beat the Mets 6-5. Billy Leaky and James Schuender were the hitting stars for the Yanks and Alvin DellaRatta, Bobby Stewart and Ken Hamel stood out for the losing Mets. Don Moore's Cardinals with heavy hitting right through the lineup, and cohesive fielding, beat the Pirates 19-5. Don Moore, John Sommers and Kevin Reynolds led the hitting attack.

4th Grade - The Brewers beat the Phillies 2-1 in a tightly contested game. The Padres, under the leadership of Ron Ferro, turned on the extra base power, and bested the Orioles 22-8.

5th & 6th Grade - The Ladies Auxiliary of the Ancient Order of Hibernians jumped into a leadership position in the league with a 12-3 victory over the Henry J. Stock Funeral Home. John Fioretti with 4 strong innings pitched excellent baseball. Carson Roofing & Siding beat Rollins Rapid Repro 4-2. Mike Topczewski pitched well and Darren DiFlorio excelled in relief. Longs Chinese Restaurant bested the Yankees 10-4.

## Career Counseling Is Not Only For The Young

Are you in a job that has no advancement opportunity? Thinking of re-entering work force after a long absence? Starting to feel old for the job? Do other job fields look more interesting than yours?

These are just a few of the situations people in their 30's, 40's and 50's face today.

On Monday, April 30 at 8:15 p.m. at the Hicksville Junior High, Martin Solomon will present "Career Counseling - Not Only For The Young." Mr. Solomon of Solomon Insurance in Hicksville, teaches career counseling at Nassau Community College.

If you're caught in the tangle of "where do I go from here?" This is an opportunity for you to participate with Mr. Solomon in a stimulating program that could have great impact on your life.

Do something for yourself on April 30. Come to the Hicksville Junior High School cafeteria A at 8:15 p.m.

Coffee will be served by the PTSA.

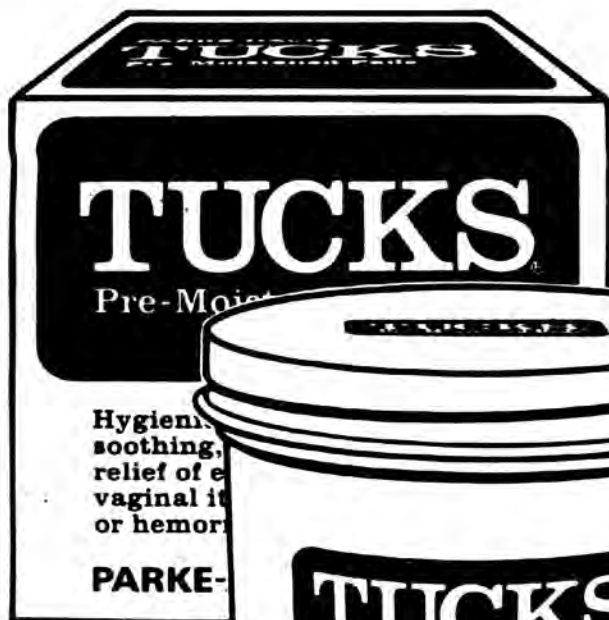

## Homemakers Council

A Business Meeting of the Hicksville Chapter of the Nassau County Homemakers Council will be held on Thursday, May 3rd, at 10:00 a.m. to 2:00 p.m. at the Parkway Community Church on Stewart Avenue in Hicksville.

At this meeting they have their annual Plant Exchange Program.

Editor's Note: Articles to be included in this column should be delivered to:

Mrs. Jane Schiralli,  
25 Grape Lane,  
Hicksville

by Tuesday night. If you have any questions on this, call Mrs. Schiralli at 822-7527.

## General Meeting

The May General Meeting of the Hicksville Americans Soccer Club will be held on Friday, May 4, at 8:00 PM at the Jos Barry Council No. 2520 K of C on Heitz Place - in the upstairs room. Voting on the proposed Constitution and Bylaws will take place at this meeting.

Members of the Bylaws Committee will be at the Hicksville Library on Monday, April 30 and Wednesday, May 2, at 8:00 PM to answer any questions you may have regarding the changes proposed.

## ROVERS WIN

The Hicksville Rovers came home last Sunday evening with their championship trophies in the under 14 Division of the Hamilton Township Recreation Easter Invitational Soccer Tournament. Coaches Pat McHugh and John Mitchell were pleased and proud to present the Plainview Burger King sponsor with one of the individual player trophies. Despite a great deal of partying, drinking and being treated royally by their Hamilton hosts, the boys came in play soccer and did a great job winning 6 games in three days and scoring 15 goals while giving up only 3. Three of their games were shutouts and not more than one goal was scored against them in any game. Facing to Hicksville were: Bordentown (5-0), West End (3-1), East Brunswick (2-1) and host Hamilton (2-1) in the preliminary rounds; Chatham, N.J. (1-0) in the semi-final and Willingboro (2-0) in the Championship game. Congratulations to the coaches and all the boys: Bobby Andrus, Vinny Christiano, Bobby Cullen, Jimmy Demarco, Steve Dolan, Cliff Feldman, John Fitzgerald, George Maroon, John McCann, Jim McGeough, John Mitchell, Robby Pearce, Adrian Pepi, David Smyth & Gene Tyranski.

## MAJORS

The under 14 Hicksville Majors notched their third victory of the season with a win over the Massapequa Classics this past week-end in an away game at Massapequa. The girls played good, solid soccer and coach Kathy McCausland was quite happy with the win. The teams record is now 3 wins, 2 losses and a tie with a long way to go as they have the most games (14) of any team in the Club this season. The Hicksville girls who make up this team are: Rita Cerast, Kathy Conway, Maureen Collins, Laura Fennell, Lisa Geveda, Denise Harkins, Patricia Kenny, Debbie Luongo, Susan "Sluggo" Mulchell, Erin O'Leary, Tanya Pfeffer, Laura Talenti and Diana Taylor.

## BOYS

The under 14 boys suffered their second defeat of the Spring season and were eliminated from Regional Cup Competition by Clarkstown last week at the Grumman complex. A more exciting game however, could not be seen. Hicksville had the better part of the play for most of the game, dominated the action and had more shots on goal but just could not apply the Finish to many, many attacks. After 70 minutes (two 35 minute halves) of good, exciting soccer, the teams were deadlocked in a scoreless tie. In regional cup play, a winner has to be decided so the next step was two 10 minute sudden death overtime

periods - the first team to score, wins. After 90 minutes of grueling soccer, the score was still zero for each team. Now it was time for the dreaded penalty kick situation - 5 shots for each team and the team that scores the most, wins the match. This procedure is extremely tense and exciting with tremendous pressure on both the goalkeeper and shooters. Both teams scored three goals so the match was still tied. Scoring for the players was Jimmy Demarco, Steve Dolan and Bobby Cullen. The final tiebreaker was sudden death penalty kicks - one kick at a time for each team until one scores and one misses. On the next kick, Clarkstown scored and Hicksville missed so the game was recorded as a 1-0 win for Clarkstown. Hicksville had great defense but just couldn't execute on the attack and actually should have won the match by two or three goals.

## Boys U-9's

By Jack Carson

Last Sunday the Hicksville "Grenadiers" ventured to Garden City to take on the talent laden "Cougers". The home team claved our "soldiers" by the count of 5 to 0.

Hicksville got off to a tough beginning, Garden City's first tally came when fullback Brian Magee broke up a charge at the goal and his deflection caromed off Tony DeRosa into the nets passed goalie, Tim Richards. After that, things only got tougher. The mid-field line of Richie Chakrin, Chris Kanuck and Craig Carson suffered through one of their roughest efforts. They caused numerous turnovers in the first half only to have the strong "Couger" defense destroy any attack started by forwards Jean Claude Balek and Mike Conway.

Late in the game, coach Tony Schiralli, put fullback Tim D'Antuono in the goal and moved Tim Richards to the front line. The change caused immediate excitement. Richards on a crossfield pass from Carson, fired the ball to wingman Anthony Schiralli on another crossfield boot. Schiralli whipped the ball to his opposite wing Rich McCarthy who sent a rocket by the home town goal tender, only to have it nullified by a close off side call.

This coming Sunday, coaches Tony Schiralli and Mike Kanuck, "Grenadiers" will take on a much improved Brentwood club on the Grumman complex at 12:30 in the afternoon. Stop by if you're in the area - maybe catch a glimpse of a future "world class" player or an autograph after the game.

## Hicksville Panthers, (U-16)

The team, coached by Leon Aki and sponsored by the Hicksville VFW, provided a soccer thriller in North Babylon. In a very physical, yet fair game, they came home with a 2-2 tie. Paul Heller scored on a beautiful pass by fullback David Straub, who carried the ball into the N.B. half. N.B. equalized late in the first half after a misunderstanding in the Hicksville defense. In the second half, Hicksville dominated the game. The offense gave the excellent N.B. goalie a workout. David Horne brings the ball up on the right, crosses to Paul Heller, and it is 2-1. Being sure to have won the game, the boys wait for the final whistle. A scramble in front of the Hicksville goal, and N.B. is able to push the ball past a defender. A well played game, by both sides. Outstanding players were Paul Heller in offense, and Ralph Stieveling in fullback. His sliding tackles reminded one of an almost pro. John Bradley in goal, Dave Straub, Dave Horne, Lee

Goldstein, John Salata, and Bill McCulloch performed very well.

## Girls U-12

The Hicksville Hemlocks coached by Sheila O'Leary and sponsored by the Stack O'Barley traveled out to Brentwood last week. They outplayed their opponent but just couldn't get the ball in the net. The wind was blowing fierce and Brentwood scored near the end of the game for a 1-0 victory.

The girls played Cow Harbor at home this Saturday. Theresa Brigandi, Amy Flannery, Debbie Kenefick, Sandra Laine, Peggie Bergen on the forward line all played excellent. Sandra Laine scored 5 goals, Debbie Kenefick scored 1 and Peggie Bergen scored 1. Feeding the ball up consistently and defending their own goal, the halfbacks and fullbacks, which consist of Barbara Bruder, Kelly O'Leary, Ann Kenny, Theresa Solaski, Christine Sierra, and Traceyme, and our goalie Dominique Missimo held Cow Harbor scoreless and contributed to the win.

## "CARDINALS" (Boys U-8)

The Hicksville "Cardinals" sponsored by Barsentone Prod., Inc., continued on its winning ways with a 7-1 victory over the Brentwood "Mustangs".

The game was totally dominated by the "Cardinals" offensive line. Within the first ten minutes of the game, right wing, Stephen Goulay, started the attack with a super blast from beyond the 18 yard line. A few minutes later, Robert Franzese scored two consecutive goals. The ball was just about over when the fourth goal of the day was scored by Scotty Duca on a pass from Brian Finelli.

The second half saw Robert Franzese make a "hat trick". Additional goals were made in the half by Stephen Postullo and Willy Sneddon.

Excellent support as always by the "Cardinals" defense of Eric Bentley, John Fabrizio, Robert Himmel, Brian Hoesten, Charlie Maione, Brian Sacks, John Schneider and Chris Shearer made for a team victory.

## Thunderbirds

By Joe Neto

The Hicksville Thunderbirds sponsored by Long Island Boating Publications extended their winning record to 5-0 by defeating Garden City 3-2. It was not an easy win for the Thunderbirds. The week off for the Easter holidays made them lazy and sluggish and were beaten to the ball throughout the first half and a good part of the second half.

Garden City scored in the opening minutes of the match on a ball that squirted out of the goalkeepers hands and onto an unmarked Garden City forward who put the ball into the open net. Being down 1-0 shook the boys up and it made them play a little more aggressive. The Thunderbirds tied the game a few minutes later on a nice pass from Andrew Horne to Joey Doherty. With the game tied at 1-1 the boys decided to ease up again and let their opponent control the game. Fortunately for Hicksville, a lot of the shots went over or wide of the goal and the half ended tied at 1-1.

In the second half Hicksville put a nice drive together from their own goal area and took the lead for the first time in the game. Andrew Horne put a low shot into the left corner on a pass from David Kanuck. The lead did not last too long as a very observant referee called a penalty on a very obvious foul and Garden City tied the game once

## Armed Forces

Nurse Debra A. Prew, center daughter of Mr. and Mrs. Henry E. Prew, Abbey Court, PLAINVIEW, recently was promoted to Army captain while serving as an emergency room nurse with the U.S. Army Medical Department Activity at Fort Stewart, Ga.

Staff Sergeant Christopher C. Braun, whose brother is Lawrence Braun of Duffy Ave., HICKSVILLE, is now wearing a distinctive service ribbon as a member of an organization which recently received the U.S. Air Force Outstanding Unit Award.

Sergeant Braun is an electronic communications and cryptographic equipment systems technician at Tempelhof Central Airport, Germany, with the 1946th Communications Squadron that earned the award for meritorious service from Jan. 1, 1976 to Dec. 31, 1977.

The sergeant is a 1967 graduate of St. Dominic High School, Oyster Bay, N.Y., and received an AAS degree through the Community College of the Air Force headquartered at Lackland AFB, Tex.

William E. Robinson, son of Mr. and Mrs. Eugene H. Robinson of Edison Dr., PLAINVIEW, has been commissioned a second lieutenant in the U.S. Air Force upon graduation from Officer Training School at Lackland AFB, Tex.

The lieutenant, selected through competitive examination for attendance at the school, now goes to Mather AFB, Calif., for navigator training.

Lieutenant Robinson, a 1972 graduate of John F. Kennedy High School, received his BS degree in physical education in 1975 from Adelphi University, Garden City, N.Y.

## Hicksville Visits Hamilton

staff on a tremendous job.

The Hicksville boys left town Thursday evening and Friday morning and made the two hour trip to meet their hosts and be belted by the New Jersey teams. This is one of the most important and beneficial reasons that the Club sends teams to out-of-town tournaments; for our children to gain the exposure and experience of meeting new friends, renewing friendships from previous tournaments, living in the homes of opposing players and spending their leisure hours with these boys and of course, playing the game of soccer. The educational and cultural value of out-of-town tournaments far outweighs the scores of the games and it is hoped that the new friendships and learning experiences for our boys and girls will be remembered long after the scores fade from memory.

U.S. Air Force Captain Thomas W. Schubert, son of Mr. and Mrs. Walter Schubert of Cottage Blvd., HICKSVILLE, has arrived for duty at Yokota AB, Japan.

The captain, a 1970 graduate of Hicksville Senior High School, received a BA degree in 1974 from East Carolina University at Greenville, where he was commissioned through the Air Force

If the Club and the teams perform well, this is indeed an additional benefit and everyone should be proud when this occurs. The children are in a different environment, with new and different surroundings, staying with their week-end foster parents, etc. They are treated extremely well in a friendly and festive atmosphere with parties, dances, picnics, outings, etc. This mini-vacation can, and often does affect their performance on the field so when they play good soccer, the Club is even more pleased.

In this first "away" tournament of the Spring '79 Season, the four Hicksville teams did extremely well, playing against teams from New Jersey, Maryland, Virginia and even a couple from Long Island. In the qualifying rounds each team played 4 games - total of 16. The Club compiled a record of 14 wins and 2 losses and scored

# Galileo Lodge News

By Joe Lorenzo

In this photo are shown two and one half year old John Warren, the official poster boy for the March of Dimes campaign for the year 1979. Shown holding little

Big program coming up this week for the Galileo Lodge is the March of Dimes and the much-heralded 'superwalk' which is scheduled to take place on April 29th at the Field House in Eisenhower Park. Over 18,000 marchers will enhance the scene and the Galileo Lodge will undertake the duties of dispensing soft beverages at this site. Skip Monteforte, the Chairman (WEB-7081), announces that because of the magnitude of this program, much help will be needed to carry out the various assignments and duties connected with this walkathon. I would like to add here that all those who volunteer to help and cooperate with our Lodge will be served coffee, cake and sandwiches. But the main point here is that you are assisting for no other reason than to pay tribute and respect to little John Warren (the 1979 March of Dimes Poster Boy) and his little friends, all victims of childbirth disorders. Who could think of a nobler cause or reason to lend a hand? The March of Dimes activity will be officially underway at 8:00 A.M. and the help can start around 10 A.M. Armand Del Cioppo will assist the Chairman Skip Monteforte and the always-reliable and the always-steady Ladies Auxiliary will also be on

John is Skip Monteforte, the Galileo Lodge chairman for the 1979 Superwalk. The superwalk will take place on April 29th, at the Field House in Eisenhower Park.

Nothing succeeds like success, so says the old axiom, and the Galileo Lodge has once again shown this to be true last Saturday, the 21st of April, at which time this organization held its 7th Anniversary Dance. Close to 250 people attended this affair, and with a minimum of talk but with a maximum of good food and dazzling dance music, the Galileo Lodge provided its patrons with another pleasure-filled and exciting evening. Needless to mention that the Galileo Lodge has been meeting considerable success with affairs of this nature, and this is all due to the maintenance of high standards of entertainment, meticulous planning and how to provide the most pleasure for the least amount of money. And this the Lodge does very well so with this in mind the Galileo Lodge wishes to extend its thanks to Pete Massiello, Joe Locasto and the committee for another job well done.

Another bit of important news that must not escape attention is the Galileo Lodge blood bank which is scheduled to be held on May 17th, from the hours of 4 to 10

P.M. Knowledgeable personnel will supervise the activities and let it be known that the public is also invited to donate blood, which also means that those of you from the public sector who participate in this program will automatically be entitled to all benefits of this blood bank. Hot beverages will be served, and not to mention a delicious roast beef dinner which should provide a little sustenance. Anthony Previte, the director of this activity, tells us that more volunteers are needed to make up the 50 pints of blood pledged by the Galileo Lodge. This is a program that is so vital, so important because who can predict when illness strikes and emergencies arise. Just the thought of knowing that you are covered with the provisions of our blood bank should make you feel comfortable and reassured. Call the Galileo Lodge at 931-9351.

## LODGE TIDBITS:

Another function that is drawing considerable interest is the forthcoming Dance of the Nostalgic 1950's. The recent innovation that we mentioned in our last column is that a disc jockey will replace live music, and this jockey will feature four hours of steady big orchestra music of that unforgettable era. Contact Joe Piccolino, Joe Pino and Pat Gatto at 931-9351. We are happy to announce that many notables attended our 7th Anniversary Dance and they were: Sam Rozzi, Police Commissioner of Nassau County, Bob Schmitt, Deputy Supervisor to James Colby, P.V. Landi, Grand Trustee of Sons of Italy in America, Matthew Nizza, Grand Trustee of Grand Lodge, and James Rerisi, Jr., Assistant to Sam Rozzi. Joe Lappano, Armand Del Cioppo, Mary Monteforte of the Ladies Auxiliary also received certificates of merit at the anniversary dance. Beautiful awards for such dedicated people of the Galileo Lodge. On May 6th, at the Heatherwood Country Club, the 1st golf outing will be held, and Skip Monteforte, the director, states that the golfers who will attend this outing will meet and leave the Galileo Lodge at 9:00 P.M. More on this outing in our next column. Call Skip at 938-7081. Rose Riccardi, president of the Ladies Auxiliary of the Galileo Lodge, also received a plaque for outstanding loyalty, devotion and cooperation to this organization covering a

considerable period of years. Congratulations to all. Tony Parvis of the Marco Polo Lodge graciously gave up his time to lend a hand at the bar during the long hours of the 7th anniversary dance. Joe Lappano, Armand Del Cioppo and Skip Monteforte donated some of their time at this affair also. Also worthwhile mentioning here is that the sophisticated electronic equipment recently installed in our Lodge was financed from the proceeds coming out of Bingo, and this was reported by Jules Mezaros, the Bingo Chairman.

## At Fork Lane

The film "Naturally a Girl" will be shown to all fifth and sixth grade girls accompanied with their mothers or guardians on Monday, April 30th, at 7:30 p.m. in the all-purpose room at Fork Lane School.

Mrs. Linda Fuchs, Fork Lane's school-nurse teacher, will present the program and answer questions.

The program is sponsored by Fork Lane PTA.

## VISITS HAMILTON

(Continued from Page 10)

62 goals while giving up only 16, an average goals against of one per game. All four teams advanced to the semi-finals which was quite an accomplishment. Jack McCann and his 10 year old Big Red, Steve Florio and his 12 year old Red Express, Frank Schnur and his 13 year old Throstles and the 14 year old Hicksville Rovers, coached by Pat McHugh and John Mitchell. The Club appreciates the dedication and effort of these men for their donation of time and money to assume the responsibility for the children on this type of excursion. The expense to the child is minimal as they are housed and fed and entertained by their hosts but the coach assumes all expenses involved (gas, tolls, motel, etc.) himself. This then, is certainly dedication to the youth of Hicksville.

Three out of four teams won their semi-final games and two out of three won their division championship. Congratulations certainly go to all four teams and particularly Jack McCann's Big Red sponsored by the K of C, Joseph Barry Council and Pat McHugh's Rovers- sponsored by the Plainview Burger King. The total record of the four teams for

the week-end in 25 games was 21 wins and 4 losses with seventy three goals scored and 22 against.

The number of Hicksville parents who made the trip must also be mentioned and is a tribute to the enthusiasm and support of these teams. As one drove up to the playing fields approximately 125 miles from Hicksville, it looked like a home game on the Grumman fields with all the familiar faces and red Hicksville jackets all over the fields. It was also heartwarming to see the adults move from field to field to watch not only their own child but all the Club's teams. Over 100 parents and spectators from Hicksville made the trip and this

is what Hicksville Soccer and Tournament Time is all about. The Club is very happy to be able to provide as many children as possible with an opportunity to go to tournaments.

This was the first; the next big outing is only a month away when many teams will journey to Virginia, New Jersey and Massachusetts on Memorial Day. The Hicksville Club takes in out-of-town visitors during the winter at the indoor tournaments, the outdoor International tournament for boys, the outdoor girls tournament (both in July) and when out-of-town or out-of-country teams are here on special trips.

Enjoy the friendly atmosphere at

## H.H.S. Alumni Annual Meeting

The Hicksville High School Alumni Association held its annual meeting on April 9, for the main purpose of electing Officers and Directors for the fiscal year of 1979-80.

The following slate was presented and accepted.

For (3) three year terms expiring 1982 on the Board of Directors: Ellen Bruwer, Marge

McGuirk, Theodore Swedall, Howard Finnegan and Julius Schwartz.

Officers: Pres., Lester Iehle; Vice Pres., William Geyer; Rec. Sec., Helen Hanlon; Treasurer, James Fyfe; Corr. Sec., Karin Weyer; and Membership Sec., Gwen Schaaf.

Present Board Members also

include Dolores Crawford, Marylou Dunbar, Richard Hogan, Harold Holden, Hillary Sperber, Joan Switala, Conrad Weyer and George Zulkofsky.

The Alumni Association meets every second Monday of the month at Frank's Alibi, Old Country Road, Hicksville.

## Computer Design For Tax Receiver

Oyster Bay Town Supervisor Joseph Colby has announced completion of the first two phases of the design of a computer system for the Office of the Receiver of Taxes, and the Town Board has approved commencement of the third and fourth phase.

The system design is being carried out by the firm of Peat, Marwick, Mitchell & Co., of New York City, specialists in computer system design.

In the recently completed phases, the requirements of the system and general system design were developed. The next two phases encompass the preparation of a detailed systems design and programming specifications, including implementation planning and training requirements. Subsequent phases will cover the development of computer programs, test processes, con-

version procedures and implementation.

"It is expected that the computer system for the Receiver of Taxes will be installed by mid-November of this year and will be tested in handling preparation of the 1980 General Tax bills," Colby said. Testing will be contingent upon the availability of the tax roll data from the Nassau County Department of Assessment in a compatible computer tape format, he added.

"The new system should produce significant economies in the preparation and mailing of tax bills and in the collection and distribution of these revenues," Colby said.

The Town Board authorized \$85,500 to carry out the third and fourth phases. The total cost of the development and implementation of the system is expected to be about \$330,500.

The Montana Agency, Inc. of 115 North Broadway, Hicksville has announced that a sale of the Kroemer Seed Company property on West John Street, Hicksville has been negotiated. The buyer is Jerry Spiegel, a well-known local builder and developer. Mrs. Effie Krogmann, a broker in the Montana office was instrumental in the negotiations.

The Kroemer concern has been a landmark in Hicksville and has for many years been a family operated farm and garden equipment and supply business. Its present building was constructed in 1962.

Mr. Spiegel has not announced his plans for the property as yet. Sales price was not disclosed and title is scheduled to pass on or about June 1, 1979.

**LIGHT MOMENT:** Oyster Bay Town Councilman Thomas L. Clark and Father William B. Braitmayer, C.M. of St. John's University share a lighter moment with Jim Carroll, Grand Knight of the Joseph Barry Council, Knights of Columbus, and Bill Mahoney, Chairman of Special Events for the Council, during a recent communion breakfast. Both the Councilman and Fr. Braitmayer were guest speakers at the breakfast, which followed a special mass celebrated at St. Ignatius.

and Bill Mahoney, Chairman of Special Events for the Council, during a recent communion breakfast. Both the Councilman and Fr. Braitmayer were guest speakers at the breakfast, which followed a special mass celebrated at St. Ignatius.

**LET THERE BE PEACE:** Oyster Bay Town Supervisor Joseph Colby (second from right) presents a proclamation to John Sugrue of the Nassau County Chapter, American Irish Congress, during dedication ceremonies for a monument and small park to the cause of a

united Ireland. The ceremony, held on April 16 in Mineola, was the 63rd anniversary of the Easter Monday Rebellion. Looking on are William Barnett (left), National Chairman of the American Irish Congress, and Jack Irwin, Nassau County President of the Ancient Order of Hibernians.

The Matterhorn—Zermatt, Switzerland—was not scaled until July 14, 1865, when Edward Whymper climbed the 14,782 foot peak.

## LEGAL NOTICE

### PUBLIC NOTICE

NOTICE is hereby given, pursuant to law, that a public hearing will be held by the Town Board of the Town of Oyster Bay, Nassau County, New York, on Tuesday, May 8, 1979 at 10 o'clock a.m., prevailing time, in the Hearing Room, Town Hall, East Building, Audrey Avenue, Oyster Bay, New York, at which hearing all persons interested will have an opportunity to be heard upon a proposal to amend the Code of Ordinances of the Town of Oyster Bay, New York by adding a new "Chapter 25, Hazardous Materials" so as to define toxic and highly toxic materials, corrosive materials, irritant materials, oxidizing materials, flammable materials, radioactive materials and potentially explosive materials; and to require a permit for the storage and handling of Hazardous materials; and to require safeguards in the storage, handling and use of hazardous materials; and to provide for the establishment of rules and regulations for the storage, handling, use and control of hazardous materials by the Commissioner of Planning and Development subject to Town Board approval; and to provide for a fine not exceeding \$250.00, or imprisonment not exceeding fifteen (15) days, or both, for a violation thereof. Please take further notice that a copy of said proposed amendment is on file and may be viewed daily (except Saturday, Sunday or Holidays) between the hours of 9 a.m. and 4:45 p.m., prevailing time at the

## Named Associate Chief Appraiser

The appointment of John J. Caesar as associate chief appraiser of The Bowers Savings Bank was announced by Bowers Chairman Morris D. Crawford, Jr.

Mr. Caesar was previously a vice president of Sackman Gilliland Corporation as well as Executive Director of James E. Gibbons Associates, Sackman's national appraisal and consulting division.

Mr. Caesar is a graduate of Hofstra University and a member of the American

Institute of Real Estate Appraisers, the Society of Real Estate Appraisers, and the Columbia Society of Real Estate Appraisers.

Mr. Caesar and his family reside in Hicksville.

Electricity prices may not be as high as they otherwise might, thanks to new technologies being developed by the Electric Power Research Institute. One of its projects will generate gas from coal at the largest low-BTU gasifier test facility in the nation near Windsor, Conn. Pulverized coal will be consumed at the rate of five tons per hour to produce approximately 890,000 standard cubic feet of clean gas per hour.

Michael Pryes took the ball up field, crossed it to Brian McKenna who passed it to Joey Neto who put it out of the reach of the outstretched hands of the goalkeeper and into the right corner of the net for the winning goal.

office of the Town Clerk. Any person interested in the subject matter of the said hearing will be given an opportunity to be heard with reference thereto at the time and place above designated. BY

ORDER OF THE TOWN BOARD OF THE TOWN OF OYSTER BAY, Joseph Colby, Supervisor, Ann R. Ocker, Town Clerk, dated March 27, 1979, Oyster Bay, New York. D-4513-IT-4 26 MID

## LEGAL NOTICE

**NOTICE OF (ANNUAL) DISTRICT ELECTION**  
**HICKSVILLE UNION FREE SCHOOL DISTRICT**  
**HICKSVILLE, NEW YORK**  
**NOTICE IS HEREBY GIVEN** that pursuant to the resolution of the Board of Education of Hicksville Union Free School District, Hicksville, New York, adopted March 28, 1979, the (Annual) District Election of the qualified voters of this School District will be held on June 13, 1979, between the hours of 10:00 o'clock A.M. (D.S.T.) and 10:00 o'clock P.M. (D.S.T.) in the seven Election Districts, stated below, for the purpose of voting upon the following propositions:

## PROPOSITION NO. 1

Shall the Budget approved by the Board of Education pursuant to Section 1716, be approved, and a tax on the taxable property of the District in the amount of such Budget, less State and Federal Aid and revenue from other sources, be levied?

**NOTICE IS FURTHER GIVEN** that nominating petitions for the office of member of the Board of Education must be filed with the Clerk of the School District no later than thirty (30) days before the (annual) Meeting, said date being, Monday, May 14, 1979 between the hours of 9:00 A.M. and 5:00 P.M. A separate petition shall be required to nominate a candidate to each separate office. Each petition shall be directed to the Clerk of the School District, shall be signed by at least 91 qualified voters of the District (the same being two percent (2%) of the number of voters who voted in the previous Annual Meeting, shall state the residence of each signer, the name and residence of the candidate, and describe the specific vacancy for which the candidate is nominated, which description shall include at least the length of the term of the office and name of the last incumbent. Forms of petitions for School Board Members may be obtained from the Clerk of the School District.

The following vacancies are to be filled on the Board of Education:

3 year term ending June 30th, 1982.  
 Last Incumbent: Iris Wolfson  
 3 year term ending June 30th, 1982.  
 Last Incumbent: Thomas F. Nagle

**NOTICE IS FURTHER GIVEN** that Personal Registration and Election Districts have been established in the School District, that no person shall be entitled to vote at the (Annual) District Election whose name does not appear on the register of the School District, unless such person is registered under the provisions of Section 362 of the Election Law as amended by Chapter 629 of the Laws of 1975, and that those qualified to register and vote shall do so in the School Election District in which they reside.

**NOTICE IS FURTHER GIVEN** that copies of the statement of estimated expenses for the school year 1979 - 1980 may be obtained by any taxpayer in the District at each school house in the District daily except Saturday and Sunday on and after June 6, 1979, between 9:00 A.M. to 4:00 P.M. and that any other propositions to be voted upon are available for inspection by any taxpayer in the District at each school house in the District daily except Saturday and Sunday on and after June 6, 1979, between 9:00 A.M. and 4:00 P.M.

**NOTICE IS FURTHER GIVEN** that a public hearing shall be held on Thursday, May 31, 1979, at the Senior High School for the purpose of discussion of the expenditure of funds and the budgeting thereof.

## LEGAL NOTICE

**NOTICE IF FURTHER GIVEN** that the Board of Registration shall meet in the seven (7) Election Districts described below on: Wednesday, June 6, 1979 from 3 P.M. until 8 P.M. (D.S.T.)

Any person shall be entitled to have his name placed upon such register provided that at such meeting of the Board of Registration he proves to the satisfaction of such Board of Registration to be then or thereafter entitled to vote at the school meeting or election for which such register is prepared. Said register will be filed in the office of the Clerk of the District on June 7, 1979, and will be open for inspection by any qualified voter of the District from 9:00 A.M. to 4:00 P.M. on any week day from June 7, 1979 up to and including June 13, 1979. Residents who voted at an Annual or Special Meeting of the District within two years from the date of the current (Annual) Meeting, or who registered within that time need not register to be eligible to vote at the (Annual) Meeting. Residents otherwise qualified to vote who are registered under the provisions of Section 363 of the Election Law as amended by Chapter 629 of the Laws of 1975 need not register to be eligible to vote at the Meeting.

**NOTICE IS FURTHER GIVEN** that during the voting hours on June 13, 1979, The Board of Registration will meet in the various election districts to receive registration for the ensuing year.

## SCHOOL ELECTION DISTRICTS

The boundaries of the school election districts, as adopted by resolution of the Board of Education and the place in each election district for registration and voting shall be as follows:

Rev. John H. Krahn

## THE GOOD NEIGHBOR

A man, presumably a Jew, takes the road from Jerusalem to Jericho, a desolate and rocky seventeen-mile stretch. Travelers were sitting ducks for robbers who valued the lives of people about as much as a housewife values roaches. This poor chap comes walking by, is pounced upon and stripped of everything valuable. He was left half dead. A bit later this bloody mess of a man is encountered by a priest who walks by. A few minutes later a Levite comes upon him. Both Orthodox Jews of whom one would expect a proper response of caring and helping. But neither could be bothered. Their hearts might have been vested with a tinge of sorrow, but they hardly broke stride, and sorrow alone was of little use to this dying man. If this man's luck were not bad enough already, his next chance for rescue is in the hands of a Samaritan. There was no love lost between the Jews and the Samaritans, and one or the other might be inclined to feel that one less Jew or Samaritan, depending upon your vantage point, could be seen as a blessing. Something strange happens: the Samaritan stops, walks over to him, and feels compassion for the poor fellow. Now, compassion worthy of the name is not only an inner feeling of sympathy but also expresses itself outwardly in a helping action. So the fellow bandages the Jew's wounds, puts him on his donkey, takes him to an inn and stays up all night taking care of him. He leaves the next day, giving the innkeeper money to care for him. Remarkable, nearly amazing.

There are any number of lessons in this parable. We are reminded that our love for our neighbor is not to be some kind of vague or emotional love but on the other hand to be very practical and definite. Our neighbor's misery needs our company. Even more than that it needs anything that it takes to help solve the problem.

Next, we must love our neighbor as we love ourselves. Now I think I'm kind of special... decent looks, better than average brain, a pretty good husband and father, a hard-working pastor. And if you are emotionally healthy, you also have a pretty positive self-concept. I care about what happens to me, and in this sense I love myself. Jesus is saying that my response, my love, my caring must be the same for you and you and you, all of you, my neighbors.

## EMPIRE MOVING

(Continued from Page 4)

Jamaica BWI, and Japan, and they are now contracting for a move to Chile.

During his life, Henry Jr. has been just as active as his busy Father. He has served as President and Vice-President of the Hicksville Chamber of Commerce, President of the Nassau-Suffolk Traffic Club, President of the N.Y.S. Movers and Warehousemen Association, President of the L.I. Movers and Storage Association, President of the Church Council at St. Stephens, Master and Chevalier of the Hempstead Chapter of the Order of De Molay, member of the National Furniture Warehousemen's Association and is a Certified Moving Counselor.

The business has nowhere to go but up. Dotty and Henry have a beautiful family-business relationship and they intend to keep on working forever. Empire Storage is truly part of Hicksville's History - for it was started in this town, has grown with it and will be around a long time to be a part of Hicksville's future.

as it is for myself. Even those of you with whom I disagree, I must love completely. I must be as loving and forgiving with you as I am with myself. I must be willing to bind up your wounds with the same interest as I care for my own. Even more, our love for each other is not to be calculating or restrained, as if we were merely doing our duty. Instead, according to human standards, it need be foolishly extravagant and lavish. "He should have let the bum die," would have undoubtedly been the response of the Samaritan's friends. "Why did the fool put his nose into something that wasn't called

for?" "Did the Jew pay him back?" All worldly questions. Yes, in our relationship to each other our love must be ex-

travagant. Who has been the object of your extravagant love lately? Some might be thinking about now. "That's all well and good, but you don't know some of my neighbors." Nowhere did Jesus say it was going to be easy.

It wasn't easy for Him either. He was impaled upon the tree because of the kind of neighbors you and I are. We needed someone to pay the price for our sinfulness. A perfect sacrifice only Jesus qualified for...and He willingly died for us.

# Dutch Festival To Celebrate Long Island's Heritage

Wooden shoes and windmills may seem out of place on Long Island, but this region's strong ties to a Dutch ancestry are evident in many ways. To celebrate this heritage, a Dutch Festival is being held at Old Westbury Gardens the weekends of May 5-6 and May 12-13. The four-day festival of flowers, films and lectures relating to the Netherlands and Long Island's Dutch roots is being sponsored by Old Westbury Gardens, Hofstra University and Nassau County, and honored guests will represent the Dutch government.

At the time of the festival over 7,500 tulip bulbs will be blooming at Old Westbury Gardens, a sight that will add the appropriate atmosphere to the festivities. Tulip seeds are said to have been introduced into Europe in 1554 from Turkey, where they were possibly first cultivated. In Holland in the 17th century, the wild speculation on tulip bulbs became known as Tulipomania. Single bulbs sometimes brought several thousand dollars, until the government was forced to

interfere. Dumas has told the story in his "Black Tulip." Holland is still an important center of tulip culture.

The Dutch first established a colony in this part of the world, and the Nassau County Coat of Arms, seal and colors from the House of Orange (orange and blue) reflect this Dutch history. William Hofstra was a successful Long Island businessman of Dutch ancestry and it was upon his estate, which he named "The Netherlands," that Hofstra University was founded in the mid-1930s. The University seal, commencement exercises and athletic teams, nicknamed "The Flying Dutchmen," continue to reflect Hofstra's connection to Holland.

For two weekends the House and Garden areas of what was formerly the estate of the late John S. Phipps will be transformed into a little bit of New Amsterdam. Throughout the four days a film, "The Flower Gardens of Holland" will be shown. Speakers appearing each day at the festival, beginning at 11:30

a.m., will include Edward J. Smits, Director of the Nassau County Museum, on Nassau's Dutch Heritage, and Carl A. Totemeier, Jr., Director of Old Westbury Gardens, on Tulips. Additional speakers will include the following:

May 5 - Dr. J. W. Smith, Columbia University, on The Economic History of the Dutch Tulip

May 6 - John Stevens, Architectural Historian, on Dutch Buildings in the New World

May 12 - Dr. Myron H. Luke, Professor Emeritus of History, C. W. Post College, on Our Roots in New Amsterdam

May 13 - Mrs. Martha VanderVeer, Writer and former journalist, on The Dutch Rediscover New Netherlands

On Saturday, May 12 and Sunday, May 13, an assortment of booths featuring Dutch cheeses, beer, chocolate, and souvenirs, will be set up on the Garden's grounds. On Saturday, May 12, rain date, the 13th, at 2:00 P.M. ceremonies will begin with music

provided by the Hofstra Jazz Repertory Co. A proclamation from Nassau County Executive Francis Purcell will be read, proclaiming May 5 through 13 as Dutch Festival Week in Nassau County, and the Hon. Theo van den Muysenberg, Consul of the Netherlands for Press and Cultural Affairs, will act as official representative of the Dutch government, and Mrs. Howard Phipps, Jr., president of Old Westbury Gardens, will preside over ceremonies which will include the crowning of the Dutch Festival Queen.

On Sunday, the 13th, there will be a drawing for two round-trip tickets on KLM's Royal Dutch Airlines, to Holland, sponsored by the Netherlands National Tourist Office.

Old Westbury Gardens is located at 71 Old Westbury Road in Old Westbury, Long Island, between Jericho Turnpike and the Long Island Expressway, and can be reached via all major parkways. The Gardens are open Wednesday through Sunday, and holidays, from April 28th to the

end of October.

Come and join us for the Dutch Festival. Anyone arriving at the main gate dressed in authentic Dutch costume will be admitted free to the Gardens.

For further information, call 333-0048.

Admission to Gardens: Adults, \$2.50. Children 6-12, 50 cents. Members free.

Admission to House: Adults, \$1.50. Children 6-12, \$1.00. Members free.

## ORT Luncheon

Entertainment by Fontayne, a noted couturier, will be featured at the annual "Gift of Life" luncheon co-sponsored by the Ivanhoe and Malverne Chapters of Women's American ORT. South Nassau Long Island Region - to be held on Wednesday, April 25, 1979, at the Engineers Country Club in Roslyn. Proceeds will aid in the completion of the recently opened ORT School of Engineering on the Campus of Hebrew University in Jerusalem.

For further information, please call 593-2544.

## CUMMINGS 'N GOINGS (Continued from Page 2)

afternoon (commercial free) from 1:30 PM direct from Fordham University - besides the "Lakes of Sligo" which my dear Mother heralds from to "Moonlight in Mayo" a dear favorite of my late father, Bohola County, Mayo - such great tunes as "The Town I Love So Well" by Tommy Dunn - excerpts from albums and singles by Pat Roper, Paddy Noonan were a part of this listening - If you enjoy Irish music tune in the Sunday. Many drivers tend to "slide-through" FULL STOP SINGS lately - remember the life you save may be your own. Murant's Restaurant of Hicksville is about to become Cooky's? and Ed (Syosset) Sneed a very active member of the Joseph Barry Council, Knights of Columbus and the "Green Beret" Division AOH of Hicksville has opened "The Widow Brown's" on Jericho Turnpike in Smithtown - we did - and he is now featuring Friday and Saturday entertainment - another Irish restaurant will open in Hicksville shortly.

**NOSTALGIA** The great sounds of the 30's were musically expressed at the Milleridge Inn's newest banquet halls last week as Bob Eberly, Jr. stepped to the mike to create that wonderful period of the "Big Band" sound assisted the fantastic Bob Hofman 17 piece orchestra - this was a special taping scheduled to be shown in May on Cablevision - the technical Director was Fran Larkin and enjoying the "special performance" were Cele Larking and Peg Stewart of Hicksville - we'll report the date when confirmed by Cablevision.

**TIME WAS:** When you could sleep another hour - but this Sunday, April 29, you lose it - its Daylight Savings Time please turn your clocks ahead ONE HOUR - welcome those bright evenings ahead.

## LETTERS TO THE EDITOR (Continued from Page 5)

everyone cudgels his brain. I feel that this contract is not only for the teachers, but for the students as well. Items such as class ratio, non-certified teachers and excessing not only affect faculty, they affect students, too. Why must these two groups (teachers and students) be harmed so much?

When tears were shed during the strike vote, it wasn't only the faculty crying, I shed them, too... for the teachers and for the students... and for this unfortunate situation.

Very truly yours,  
Carrie L. Clark

## To The Editor:

**The Strike Vote**  
The ultraliberal "Newsday" describes the strike vote was taken with tears in the eyes. What a tear-jerker.

When the Hicksville taxpayer is taken by smiling or crying teachers is moneywise exactly the same thing. The cynical Easter greetings to the School Board is nothing less than the old familiar arrogance. When the teachers want peace, they need only lower meaningfully - not cosmetic - their demands and their would be peace all year round not only Easter.

I hope the School Board sticks to their guns and don't yield one inch. Fiscal sanity has to come

## Bike-A-Thon Set

The Nassau-Suffolk Council of the National Asthma Center will

from the grassroots. Our government seems to be still in the old spending age.

When one School Board makes a real breakthrough all teachers in the U.S. learn their lesson.

Keep up the good work School Board. The right of the American taxpayer has to have predominance over the greed of over-privileged tax consumers.

Erich Laumann  
Hicksville

hold its second annual Bike-A-Thon at Cedar Creek Park, Seaford, on Sunday, April 29th, (raindate May 6th) 1979.

The Bike-A-Thon will run along a five mile bike path to Jones Beach and back. Children from the age of seven up and all adults are invited to participate. Prizes will be awarded.

The Center's facilities are in Denver, Colorado, where many Long Island Children have benefited from the latest medical treatment for severe asthma and related allergies. For information or forms, call Muriel Bishop of North Bellmore, Bike-A-Thon chairman, at 826-6071 evenings or Nassau-Suffolk headquarters at 981-6083.

## Around Our Towns

Harriet A. Maher  
433 - 5994

Gary Putlock, of HICKSVILLE, son of Mr. and Mrs. Alfred Putlock, has been awarded a four year scholarship to Polytech Institute of New York. He will begin class this September in his chosen field of Electrical Engineering.

Ann and Ed Ocker of PLAINVIEW are thrilled with their new granddaughter, Kimberly Ann Ocker, who was born on April 18, and weighed 7 lbs. 9 ozs. The Ocker's son, Kevin, and their daughter-in-law Kathy, are delighted with their new baby. Kimberly Ann is Kevin and Kathy's first child. We wish you all much happiness and blessings on the new addition to the family. (P.S. Ann Ocker is not only a grandmother, but she's also the Town of Oyster Bay Clerk - and doing a great job in both areas.)

Amidst tumultuous applause and accolades, HICKSVILLE'S own equestrienne, Terri Rennert, won the Fourth Place Ribbon at the Highland Horse Show held at C.W. Post last week. There were over 4 contestants who competed in the various classes. Terri won her ribbon for her skill and prowess in the beginners' flat equitation (which we found out from Terri, means walk, trot and canter). Terri is a ninth grade student at Hicksville Jr. H.S. Oh, she asked us to tell you the horse's name is Andante, and he's from the Mill River Farm. Good work, Terri, we're all proud of you.

Arthur Cucci of Arpad Street, HICKSVILLE, is being feted with a family birthday party on his birthday, April 27. His wife, Carol, and three daughters, Ann Marie (7 yrs. old), Suzie (9 yrs. old), and Terri (14 yrs. old), want Dad to know that they love him and wish him the happiest of happy birthdays. (We do, too, Arthur.)

Another birthday celebrant, Gus Russo, HICKSVILLE, will enjoy his special day on April 29. Carmen, his wife, their daughter, Rae, their son, Charles and his wife, Mickey, and their 4 children all join in wishing Gus a happy birthday. Gus and Carmen spent two weeks at Christmastime in California with Charles, Mickey and their four grandchildren. When Gus and Carmen left San

Diego for home, people were enjoying warm, balmy weather and their swimming pools. They arrived in New York in bitter cold and inclement weather. But that's all behind them now - look at the lovely weather we have in our area at this time.

Congratulations to Ben and Vivian Zakrewski, Mayfair Lane, HICKSVILLE, who were married 34 glorious years on April 23. They have spent 29 of those years at their present address. They are the parents of nine lovely children - all of whom helped them celebrate this festive occasion. Best wishes, Vivian and Ben, from your family, friends and neighbors.

More April birthdays: Bill Blanc, Sr., was a year older on April 24. Bill is a very important member of the St. Ignace Loyola staff. We all hope he has a "happy." Congratulations, Bill.

Yes, there's another birthday Bill. This time it's Bill Willis, Hicksville, whose birthday is on April 28. Bill's dynamic wife, Wilma, helped him celebrate this memorable day.

Mustn't forget to wish a happy first wedding anniversary to Maureen and Jim Rennert. The Rennerts were married a year ago on April 15. Jim is a former resident of HICKSVILLE and attended and graduated from our local schools. Maureen (nee Ormand) grew up in Levittown before her marriage to Jim. Jim is employed by the National Bank of North America, and Maureen is a medical secretary at Dianetics Laboratory, Syosset. They are presently residing in Huntington Station. Best wishes from all of us, folks.

And still another April birthday. This time it's Ann Jablonsky who was born on April 20, 1923. Ann is employed with Nassau County and resides in Hicksville with her husband, Joe, Sr. and son Joe, Jr. We wish you many, many more happy birthdays, Ann.

Do you know who was a year old on April 12? It was Ryan Hughes, son of Elaine and Kevin Hughes of HICKSVILLE. Ryan has three older brothers: Eric, Michael and Scott. This lovely

family resides on Mayfair Lane, Hicksville.

So many good people were born in April - and one of the nicest is Eileen Clancy of Suggs Lane, HICKSVILLE. Eileen's birthday was on April 15, and we hope she will only have happy birthdays for all times to come. Love to you, Eileen, from your family, friends and neighbors.

Would you believe it - here's another April birthday celebrant - Jimmy Drost, who was a year older on April 16. In addition to being a year older, Jimmy is a new father via his daughter, Lauren Elizabeth who was born on March 22. Although Lauren Elizabeth is too young to wish her daddy "happy birthday," her mom, Christine, makes up for it by wishing her husband love and affection on this special occasion.

Birthday greetings go to Jennifer Alexander, of Schiller St. HICKSVILLE. She celebrated on April 7.

## NEGOTIATIONS URGED (Continued from Page 1)

wish to stay, they can, too.

Sometime later, Superintendent Dr. Wilber Hawkins and Mr. Nagle returned to the cafeteria and told Mr. Zaleski and those present that the Board would be in touch with Mr. Scheinman, the State appointed mediator tomorrow to see if a date could be set.

During the very brief business meeting, the Board approved a proposal from the Long Beach City School District for collection of outstanding tuition.

gave authorization to conduct fall sports physicals during May, 1979.

approved bids for temperature controls (\$6,200), fuel oil (\$10,000 approximately), audio visual equipment (\$9,005.08) and piping replacement (\$5,805).

The Board approved various appointments and accepted several retirements and resignations including, among others, Antoinette Amato, home economics teacher at the Junior High who has taught in the district for 34 years; and Muriel Feuerstein, kindergarten teacher at East Street, who has taught in the district for 26 years.
