PTA Urges Negotiations

Tuesday morning a representative group of the Executive Committee of the Hicksville Council of PTA Units delivered an urgent plea for around-the-clock negotiations to Mr. Martin Scheineman, Mediator for the Public Employment Relations Board. Mr. Scheineman is meeting with the Hicksville School Board and the Hicksville Congress of Teachers in an effort to avoid the scheduled strike on May 11.

The letter presented to Mr. Scheineman read as follows:

"Dear Mr. Scheineman:
We can no longer afford to wait for the bargaining process to run its course. The deadline is too near!
In order to protect the educational environment in Hicksville and to avoid the impending strike, we strongly urge that you implement around-the-clock negotiations immediately!
Sincerely,
Executive Committee
Hicksville Council of PTA Units

SENIORS OF THE YEAR: Oyster Bay Town Supervisor Joseph Colby (center) shares a proud moment with Michael Tinger of Hicksville and Vera Jacaruso of Massapequa after they were named senior man and woman of the year. The plaques were presented during Senior Citizen Recognition Day ceremonies on April 24th. Mrs. Jacar-

uso has been a volunteer at Suffolk Developmental Center for the past 10 years and is active in senior citizens clubs in Amityville and Massapequa. Mr. Tinger is also a volunteer at Suffolk Developmental Center and is active with the Senior Citizens Action Council that meets in Island Trees School.

Hicksville Council of PTA Units Sets The Record Straight

Prepared by the Executive Committee of the Hicksville Council of PTA Units

The Hicksville Council of PTA Units has always supported quality education. We follow the bylaws of Nassau District, State and National PTA. Article II of the PTA bylaws set forth our most important consideration: "To promote the welfare of children and youth in home, school, community and place of worship." Article IV - Basic Policies, Section 1, states "The organization shall be non-commercial, nonsectarian and nonpartisan".

The Hicksville Council of PTA Units is one part of a very large organization that has achieved many positive educational benefits for children and there is much more to be accomplished.

This PTA has and continues to actively participate on the following School Board Committees: Budget; Long Range Planning; Educational Goals and Objectives; Adult and Continuing Education and Student-Staff Relations.

We have over the years, fought

for better programs for our children. We have supported budgets that were educationally sound. Whenever teachers and administrators have needed able hands to chaperone class trips and to serve at after school functions, PTA has most often been available.

We do not like to operate under a grey cloud of threats or innuendo.

To set the record straight:
- PTA Council has met with Bob Zaleski, President of the Hicksville Congress of Teachers to discuss HCT issues.
- PTA Council has met with Tom Nagle, President of the Board of Education to discuss Board issues.
- PTA Council has met with Dr. Hawkins, Superintendent of Schools to clarify educational policy.
- PTA Council has patiently listened to the issues on both sides.
- PTA Council facilitated a Public Forum on March 29, 1979 giving equal time to both sides to

inform the community of the issues.

- PTA has NOT taken sides.
- PTA Council will remain neutral according to our bylaws.
- PTA doesn't settle strikes; negotiators, fact finders, mediators and arbitrators settle strikes.
- PTA Council has urged and will continue to urge that both sides meet.
- PTA has one, overriding concern - the welfare of the children of our community. Our children deserve an uninterrupted education by qualified teachers who will perform in a professional manner. In recent days it has been inferred that PTA has not been concerned with the current educational problems, and that PTA is anti-education. We believe our educational strides in Hicksville disprove these statements. PTA will remain neutral and will continue to urge both the School Board and the HCT to reach a contract settlement as soon as possible in order to avoid a strike.

G.O.P. Meeting

The Ernest F. Francke Republican Club of Hicksville will hold their regular monthly meeting at 8:30 P.M. on Friday evening, May 11th. The meeting will be held at the Veterans of Foreign Wars Hall - Wm. M. Gouse Jr. Post No. 3211, located at 320 South Broadway in Hicksville. (The hall is situated south of the Firestone Store and north of the H.I.P. Building). Refreshments will be served.

Mr. Ty Rice, Supervisor of Education and Program Development of Nassau County Museums, will talk on places of interest to visit in Nassau County.

At East Street

The children's concert of the East St. School will be conducted by Miss Florence Bowmar at the general meeting of the East St. PTA on Thursday, May 10 at 8 p.m.

On the program will be third and fourth grade chorus, and the fourth, fifth and sixth grade recorder club. This will be the last recital under Miss Bowmar's supervision before her retirement.

During the evening, they will be honoring Mrs. Muriel Feuerstein, their Kindergarten

teacher, and Miss Florence Bowmar the music teacher. Both ladies are retiring on May 11.

East St. has been extremely fortunate to have these very dedicated people. Mrs. Feuerstein gave each of her kindergarten children a unique experience.... their first year of school. And, Miss Bowmar introduced them to the beauty of music in a very special way.

Come and enjoy the children's concert and help East St. PTA honor two of their favorite people.

School Board Meeting

A regular meeting of the Hicksville Board of Education will be held on Wednesday, May 9, at 8:15 P.M. in Cafeteria A of the Senior High School, Division Avenue.

The public is invited to attend.

Budget Study Meeting

The Hicksville Board of Education will hold a Public Budget Study Meeting on Tuesday, May 8, at 8:15 P.M. in Cafeteria A of the Senior High School, Division Avenue.

At Lee Ave.

The Lee Ave. PTA will hold its Spring General Membership Meeting on May 7 at 8 PM in the All-Purpose Room. The meeting will include presentation of the proposed slate of officers for next year as well as elections for same.

The business portion of the meeting will be followed by a very informative Drug-Abuse Program, at which time the guest speaker, Mr. Al Peck of H.A.D. will be happy to answer any questions you might wish to ask.

All teachers, and parents-along with their sixth-grade students-are invited to attend. PLEASE MARK YOUR CALENDARS FOR THIS VERY IMPORTANT MEETING.

Hicksville H.S. French Poets

The Nassau Chapter of the American Association of Teachers of French and Hofstra University announce four Hicksville High School winners in their annual French Poetry Contest held at Hofstra University. These students won their prizes for writing original poems in French. They are also students of the College French courses (given in conjunction with Adelphi University) and members of the French Honor Society. Mr. Gentile is their teacher and faculty advisor.

Michael Nealon, First Prize (a bronze medal of Victor Hugo

given by the French Government) for best original poem on the high school level for Nassau County. This is the second consecutive year Hicksville High School has won first prize in this contest.

Steven Edwards, Second Prize (a text of French Chateaux given by the French Government) for best original poem on the high school level for Nassau County.

Pamela Abrams and Caroline Balek, Certificates of Honorable Mention.

Hicksville was the only high school to place with four winners.

TEACHERS UNION

I can't believe that Hicksville residents are ready to let outsiders set our tax rates. But that in what will happen if the teachers gain their demands and the board's hands are tied by contract.

If the teachers don't want to go on strike all they need do is remove their demands which encroaches on the board's and the administration's management systems. I urge each student and parent to call one of the teacher union negotiators and ask them to drop these unreasonable demands and seek a reasonable contract.

The negotiators are:
B Zaleski, Hicksville, 681-3761; R. West, Commack, 543-2920; J. Miller, Jackson Heights, (212) 446-8265; P. Foley, Glen Head, 759-0246; J. Schlaff (Rec. Sec.), Syosset, 931-2251.

Sincerely,

Teachers

I apologize to Mrs. Runhild E. Wessel. I didn't mean her and her age group at all. They were the dedicated and honorable teachers. But times have changed.

I recommend to Mrs. Wessel to read the November '78 Readers Digest edition "The NEA: A

Teen Plan CP Tag Day

Tag Day, a countywide teen campaign for the United Cerebral Palsy Association of Nassau County, will be held on Sunday, May 6th, and the Friday and Saturday of Mother's Day weekend, May 11th and 12th.

This annual project brings hundreds of students into shopping areas and other heavily trafficked areas to raise funds for the nationally recognized UCP Nassau treatment and rehabilitation center in Roosevelt, Long Island where many are volunteers.

According to S. Alan Hirschorn of Roslyn, Tag Day chairperson,

"these youngsters are high spirited, hard working, and believe strongly in the cause they are supporting. It is a tremendous experience for the teen volunteers who learn a great deal about cerebral palsy and acceptance of the handicapped through this campaign. Any youngsters interested in participating may do so by contacting one of the teen leaders in their community or calling the CP center at 378-2000, ext. 832."

Among the teenage leaders organizing the campaign are: N. MERRICK; Linda Skorupski, (Continued on page 10)

"Don't encourage Woodrow, or he'll explain about energy efficiency ratios."

Woodrow may be your typical earbender, but the subject he's onto is no joking matter. Knowing about energy efficiency ratios—or EER's—can help you make the wisest buying decision when it comes to purchasing one of your biggest and most important electric appliances, your air conditioner.

An air conditioner's EER tells you how efficiently it uses electricity. The higher the EER, the more economical it is to run. If you sign up for LILCO's Consumer Education Program, you can learn all about EER's and other fascinating subjects—from electrical safety to home insulation. You can come to one class, or all of them. They're all free.

For more information about LILCO's Consumer Education Program, and how you may join, write to LILCO, 309 Newbridge Road, Levittown, N.Y. 11756.

One of our Consumer Education graduates just wrote us this letter. "We found the courses extremely interesting and informative, and cannot praise your Helen May enough for the way she conducts and organizes the programs. Many of the things we learned are being put to good use and actually make a dollars-and-cents difference."

This is the kind of difference we strive to make. We're glad when we do.

Dear Friends:

NEGOTIATIONS UP-DATE: Mr. Martin Scheinman, factfinder from PERB (Public Employment Relations Board) met Tuesday with Hicksville School Board Negotiator Mr. Joseph Campanella, School Board President Mr. Thomas Nagle, Hicksville Congress of Teachers lawyer Mr. Joseph Rosenthal, NYEA (New York Education Association) representative Mr. Frank Sayres, and the HCT negotiating team.

The issues as seen and defined by both sides were presented. Mr. Scheinman has requested the attorneys for both sides to write and present a final brief, postmarked May 8, which will go to the factfinder on May 9. He will then write a factfinder's report to be given to both sides.

No date was given for the presentation of the factfinder's report. None of us are on the inside of the above-mentioned negotiations which go on as scheduled, probably because those who are of necessity participating, do not have every day free.

We believe that negotiations are going as fast as possible and in an intelligent fashion. We do not believe that they are being held up by any group. We ask the HCT to calmly and quietly sit down and extend their strike date in order that the last 10 or 12 items of an original 50 to 70 items, be resolved in an orderly fashion, which should not take so many more days, as we see it.

No one, the board, the district, the teachers and especially the students, will win, if the HCT does not extend this strike date just a little. And they (the teachers and the HCT) will be high in everyone's estimation if they make this concession for the ultimate good of all, especially our students. How about it, HCT?

At the Wed, May 2 student boycott of the senior high school in Hicksville, several reasons were given by students standing in front of the administration building as to why they were not in school, as follows:

- (1) some want the School board and the teachers to come to an agreement without a strike because they are worried about qualifying for graduation and regents exams.
- (2) some were out in support of the teachers action on the strike
- (3) some were out because "everyone is, and it's a day off"

PEOPLE IN THE NEWS: Albert G. Eckstein writes to say that he will be running as a candidate for the Hicksville Board of Education. Mr. Eckstein lives on Glenbrook Road in Hicksville (more on candidates later... Mrs. Vera V. THAT'S ALL for this week. Stay well and live each day to the very best of your God-given ability.

Letters To The Editor

Dear Mrs. Noeth:

On next Wednesday, May 9, the residents of Plainview - Old Bethpage will be able to cast their votes for their Public Library's Budget for 1979 - 1980.

The Library Board of Trustees is quite pleased to present to the public a budget with no tax increase over the current year. We are even more pleased that this could be accomplished at the same time that we are maintaining and enhancing the kind of Library service that has been provided to the community over the years.

Please join me at the polls on May 9 (10 AM to 10 PM) to show your support for your Public Library. In the meantime, if you have any questions as to the Library Budget, or if you have any comments or suggestions as to how the Library can better serve you, please feel free to give me a call at 433-0919.

Very truly yours,
Michael Polansky
Chairman
Plainview-Old Bethpage
Public Library Board of Trustees

Dear Editor:

With regard to the ominously impending teachers' strike: regardless of whether a person is pro-board or pro-teachers, we want to remember that a person has the right to disagree but to resort to violence, intimidation, and breaking the law against the person you disagree with is a crime. There is absolutely no excuse for it. Ultimately the perpetrator of this act is defeated - not the one you attack who has held to his own principles which are just as valid as yours.

And, furthermore, to take advantage of the students and to incite them to commit vandalism, etc. is unconscionable.

When the chips are down, the true nature of our characters are revealed. How well will the Board members - the teachers - the students - the parents - hold up? Let's show Hicksville and the world that we have the gumption to solve our differences with dignity so that when the strike issue is resolved, we can ALL hold up our heads with a good conscience not only in our own sights but in God's.

A resident of Hicksville

Letter to the Editor:

As principals and assistant principals of this school district, we would like to go on record urging the Board of Education and the Hicksville teachers to continue to intensify their negotiations in order to avoid a strike on May 11th.

As this date draws closer, we are witnessing a further deterioration of morale and a sense of despondency among the various groups that make up our school family. Wounds have already developed. After giving many years of dedicated service to the Hicksville community and its children, some excellent teachers have decided to retire prior to May 11th. In the present negotiations, some parents have sided with the Board of Education while other parents have sided with the teachers. Unless something is done quickly, these wounds will only get deeper.

No one wins in a strike. The Board of Education, staff, parents, and children are all losers in one way or another. A strike may end when the teachers return to the classrooms but the scars from a strike take months or even years to heal.

In the past, Hicksville has been proud to have been considered first in many education endeavors. It is our earnest hope

that our present Board of Education and our teachers can quickly resolve their differences so that they will not be a party to the first strike in Hicksville's admirable history.

John Mateer, President
The Hicksville School Administrators Association

Dear Editor Mrs. Noeth,

How many people have visited the Museum in Hicksville? I did, during its 15th Anniversary weekend and enjoyed every minute, talking with the many visitors. The chats and comments, made me a lot richer, as most everyone had an incident or item they recalled and for that moment or two they relaxed, smiled and possibly forgot the days tensions and problems.

It is Hicksville's National Historic site. A family place to visit and with their guests. A place to go without losing a whole day. Also save gas, avoid traffic jams, save time and distance. The many assorted things of interest, have to please each person at some point. We all don't have the same likes, naturally. Myself, I turn to the older history of Hicksville and surrounding area, in pictures, maps, tools, events, etc. Others are amazed at the great well displayed & widely known educational Gem & Mineral display, with information for each item. The large Butterfly display stops all visitors. A jewelry display also interests many.

Eleanor & I have seen many state & out of state museums & antique shows. Yet, saw items here we had not seen before this weekend. The tools of trade, household items, apparel, etc. shown here are not examples of the times. But, are items used and owned by local residents and loaned or donated to the Museum by their families. The Historic Heitz Place Court House, Draft-board, museum building size is deceiving, to some not aware inside is filled with displays. Newer residents, say 1945 on, see maps & pictures showing what was where they now live. Remember, Hicksville was a local shopping hub, (one of the 3 Hs - Hicksville - Huntington - Hempstead) for surrounding towns - Jericho - Syosset - Plainview - Central Park (Bethpage) etc. Seeing the younger visitors, curious, asking questions, many well informed, was good to see.

Many people are around that could add information, stories, identify places & people in pictures and the use of items on display. Who would give & get enjoyment talking over some of the times and special events mentioned by their parents or relatives. Remember, like the Family Album, unidentified or unmarked pictures are just another photo useless, unless corrected by those who know. You may know the person next to Aunt Tillie or Uncle Joe holding a baby. But as years pass, will the younger people remember without them marked? A local town museum is OUR museum, visit it. I hope I haven't rambled on or committed too many errors. Just hoping to get a thought across to the thousands of people unaware of the Museum and its contents in Hicksville.

Thank you for your time.
Bill Clark

To the Editor:

FEATHERBED is the proper term to describe the contract demanded by the Hicksville teacher's union. Its demands would require the retention of excess teachers to keep staffed and non-state-mandated programs previously implemented

by the school board as its management prerogative. This would prevent the board from effectively trimming the swollen, bloated, and gargantuan school budget for the coming year. Further, those non-mandated programs would now be set-in-stone by the contract and the board's management prerogatives would be limited. For example: to end any program and release the excess teachers would require teacher union approval - and that approval would be as elusive as lassoing the tongue of a rattler. But more important, the concept of "taxpayer educational control" will have received a mortal blow.

New York State law gives school district taxpayers the right to control the education of district children. For this right, taxes are levied on and paid by district property owners to pay education costs. Control is exercised by school board trustees elected to a local school board by district residents. The state mandates the minimum education each child receives. However, much has been mandated in response to demands of a very powerful state teacher's union. Nevertheless, mandated education items must be furnished by the local school district. Local school boards establish educational policy and programs according to the state's mandate and in accordance with their perception of district education objectives and goals.

As the size of the student body increased during Hicksville's expansion years, large numbers of new teachers were hired. And as the size of the student body decreased the board in its poor judgement established programs to utilize the excess teachers. Thus not enough teachers were actually released. Of course some teachers were retained for the new special education mandates - but many excess teachers still remain. When Hicksville had 13,000 students in 1964, our school budget was 11 million dollars. In contrast for the present school year we have about 7400 students and a budget of 28 million dollars. During that same period our tax rate rose from six to 17 dollars per hundred. Yes, the budget and tax grew because of inflation, but more important it grew at a much faster rate because of spendthrift school boards and the advent of teacher unions.

Now many Hicksville families are facing a severe economic crisis. The school board is aware of it - and so is the teacher's union. Therefore, the teachers union to save jobs and by using the hype-phrase "quality education" is attempting to set into the new contract most non-mandated programs in existence. This, if done, WILL PREVENT TAXPAYERS FROM EXERCISING EDUCATIONAL CONTROL THROUGH THEIR ELECTED TRUSTEES. Taxpayers have not agreed with all school board decisions to begin or end educational programs, but have never challenged the board's right to make such decisions. However, taxpayers are not ready for the teacher's union to exercise educational control and will challenge the right of the school board to include such programs in the teacher's contract which will effectively usurp the board's educational control and management prerogatives.

THE BOARD IS URGED TO STAND FAST!

Sincerely,
Frank H. Willard

Council thought enough of Frank to name the Membership trophy after him, so it was our job to go out and win it. We are proud of our achievement.

Another accomplishment, we placed eighth with our Community Activity book. Vinnie Edwards did a beautiful job putting it together.

Augie Barone will still be commander until the end of June. Our congratulation to Augie, and his staff for having done a great job.

OPEN LETTER TO HICKSVILLE PARENTS

On Wednesday, May 2nd, 70% of the students in our High School absented themselves. This action, we understand, was taken in connection with the ongoing negotiations and the threat of a teacher strike. We have received reports that some classroom teachers encouraged their students to absent themselves on that day. We feel that the use and the involvement of students in the current teacher negotiations is unprofessional conduct of the most flagrant sort. We are in the process of issuing an order to each teacher in the district prohibiting teachers from discussing negotiations and the threat of a strike on classroom time, and we would appreciate factual information from you concerning any violation of such order.

HICKSVILLE BOARD OF EDUCATION

CREDIBILITY GAP

With the threatened teachers' strike of May 11th just a few days away, we thought it helpful to report the status of negotiations with the teacher's union.

Like many of you, we have been appalled at the half-truths and distortions passed out by the leadership of the union in the name of a profession. Examples of behavior that is anything but professional include:

Breaking the Law - Strikes are illegal and yet many of those who would break the law by striking teach civics and supposedly provide a model to students.

Using Students - The Board has received reports that teachers have been using the classrooms to promote the union position and intimidate students. The union publicly announced that they were not involved in the recent student boycott of classes and yet the media and the police department both indicated they were notified of the student boycott by teachers.

Intimidating Other Teachers - Many of our outstanding teachers, who oppose a strike and wish to continue serving students, have been threatened with physical violence by their colleagues if they come to work in the event of a strike.

False Statements on Negotiations - The union president has said "money for salary is not the issue." Shortly thereafter, the same president escalated the union's demand for salary increases.

Even though the Board has personally met to negotiate at the union's request, the union continually reported that the Board refused to meet.

Mr. Zaleski, union president, demanded the Board give him a meeting date during the April 25th Board meeting or the union would stay in the building overnight. This was only hours after Mr. Zaleski sat with the Board president, the negotiator and the fact-finder and agreed to the date for the next meeting of May 1st.

This is the union that has as its slogan "Dedicated to working with and helping children, our most important asset." The fact of the matter is, that not one of the union's demands is related to the welfare of students.

Galileo Lodge News

By Joe Lorenzo

It was Sunday, April 29th. The weather had turned beautiful. Scene was the Field House at Eisenhower Park. Over 16,000 marchers had turned out for the much-heralded superwalk of the March Of Dimes program. And there right in the midst of all the activities was the Galilee Lodge dispensing soft beverages

from its 'pop shop' with the aid of its members and those from other lodges connected with the Sons Of Italy in America Skip Monteforte, the Galileo Lodge's chairman for the March Of Dimes, announced that the Lodge members who had assisted at the Field House were Tom Pasquarella, Venerable, Ralph

Vestuti, Joe Giordano, Jeff and Jo Ann Wallick, Rose and Sal Malone, Joe Ianotti, Sam Christiane, Jack and Rose Riccardi, Jim Ingine, Joe Spugna and Tony Puglisi. Theresa Meritforte, a relative, also assisted. From other lodges, there was Ciro Anselmo, Bill Petro and Sal Fili from the Giovanni Cabote Lodge; from the Aida Lodge there was Fran Hoffman, and from the Ann Bambino Lodge there were Terry Romeo and Francis Torre. Tony Parvis of the Marco Polo Lodge gave his services also, as did Caroline Allacio, of the Aida Lodge. An interesting note here is that Skip Monteforte, the chairman, gave a 'super' performance of his own. Skip was up for 36 hours with no rest. He left his home at 5 A.M. Saturday, took the bus from Long Island to Washington D.C. as part of the Casamonte Action Coalition. He walked in front of

the White House for three hours, arrived home at 1 A.M. and went to his job. He then came to Eisenhower Park at 7 A.M. where he spent the whole day. And finally back to work at midnight. This is indeed a 'super' performance by a 'super' member of the Galileo Lodge. Skip, by the way, wishes to extend his warm thanks to all those who had participated in this March Of Dimes Effort, for without their aid and cooperation, the running of this operation might have been in jeopardy. Skip has been the Lodge's March of Dimes chairman for four years.

The Ladies auxiliary of the Galileo Lodge announce that on Friday, the 11th of May, they will hold a Corn Beef and Cabbage dinner party at the Lodge quarters, 200 Levittown Parkway, Hicksville. The prices of admission are \$3.50 for adults and \$1.75 for children, from the hours of 6 to 9 P.M. There will also be an open bar with reasonable club prices, coffee and cake. Contact Jo Ann Wallick and Mary Monteforte, chairwoman and co-chairwoman, at 681-8428 and WE8-7081. Tickets, I might add, may be also purchased at the door. So, for an evening that promises good eating and delightful surroundings, call the above-mentioned numbers for more information concerning this activity.

For bowling enthusiasts, Joe Spugna and Tom Pasquarella announce that starting September first, bowling will become another activity of the Galileo Lodge. These sessions will begin at 8:30 P.M. on Fridays, and they will be husband-wife and friends activity. If you are interested in this recreation, please call Joe Spugna and Tom Pasquarella the 938-4173 and 931-2950 respectively.

Other news from the Lodge is that Jim Ingine's wife Mary is out of the hospital and is recovering and so is Dom Valente. A speedy recovery to both from the Lodge membership.

More golfing sessions are being planned, softball and bocci tournaments, dances, parties and dinners of various sorts; all offered with the purpose of satisfying those who have the most diversified tastes. Just take a quick glance at what is being offered a nostalgic 1960's dance featuring four hours of dance

music aided by the efforts of a disc jockey. This affair will take place on May 19th, starting at 8:30 P.M. Also an Hawaiian dance, featuring the delectable specialty known as the luau. The time and date of this affair will be announced in later columns. A special picnic or outing is in the planning stages, with a very suitable site to be chosen and with prices reasonable enough for the whole family to attend. The Ladies Auxiliary of the Galileo Lodge will also embellish the already established summer programs with their own dinners and parties.

The Blood Bank will be held on May 17th, from the hours of 4 to 10 P.M. Hot beverages and a roast beef dinner will be in store for all the participants. All members are urged to participate in this vital program, and, of course, so are members of the general public.

Then there is one of the most popular of the summer activities known as the Italian feast. With old world trappings the Italian feast is enjoyable and tempting to the appetite because it features many of the world-famous Italian specialties and delicacies. Rides and other activities will be a part of this activity which will start on May 30th and end on June 3rd, in the area known as Parking Lot No. 3, off Broadway in Hicksville. More on this Italian feast in later columns.

Scholarship programs are in the planning stages, which means that shortly the recipients (students) from the Hicksville school area will soon be made known to the general public.

COUNTY AOH ELECTS: David Henshaw, of Lynbrook was the unanimous choice of the delegates in attendance at the 1979 NASSAU COUNTY CONVENTION OF THE ANCIENT ORDER OF HIBERNIANS, convened at St. Joseph's Hall, Hewlett, last Sunday afternoon... Other Officers elected to serve with Henshaw, are: Donald Lyons, of Massapequa, County Vice-President; Martin Gannon, of Massapequa Par, Recording Secretary; William English, Financial Secretary and Michael Moran, Treasurer... John Steele, President of the Hicksville AOH Division placed Henshaw's name in nomination for the top county office... Hicksville delegates in attendance, were: Steele, Division President; Michael Crowley, Vice-President; John Campbell, Past Division President; Patrick Cowan, Past Division President; Edward Gillespie and Eamon Tuohy, Division alternates and your reporter who served a two-year term as Nassau County Board President in 1968.

SMALL WORLD: While attending a travel seminar in Las Vegas with her husband, Fred McCarney, my lovely daughter Valerie, who resides in San Jose, California, chanced to meet another gale who was also formerly from the east coast, as a matter of fact when the subject shifted to schools attended and Valerie mentioned elementary and private parochial schools on L.I. the gal said when Valerie mentioned Syosset - "did you perchance attend Our Lady of Mercy Academy on Convent Road?" and Valerie replied "I sure did-seventh and eight elementary and four years of High School under the very best of teachers."... to date we have no knowledge where the other gal agent lived on L.I, but you can rest assured we will find out when we fly "those friendly skies" in July for a family vacation... Two close friends and classmates who did graduated with Valerie, were: Patricia Dunn, daughter of Dr. & Mrs. James Dunn and Chris Poulous, daughter of the late Ed Paulous, both of Syosset-sure is a small world!

IRS Checking Identifying Numbers

About 39 thousand business concerns in Brooklyn, Queens, Nassau and Suffolk are being sent a request from Internal Revenue for verification of the spelling of their name and the identifying number they use on their tax returns.

George Alberts, IRS district director for the four counties, says the verification is needed as a check against names and numbers sent to IRS by those who have paid the concerns interest, dividend or other types of income.

Each of the business concern will receive Form 5332, "Request for Verification of Name and Taxpayer Identifying Number." A completed copy should be returned to the IRS Service Center at Holtsville, N.Y., one sent to the payer of the income, and the third retained for the taxpayer's file.

Meeting

Hicksville Septa (Special Education PTA) will hold a general meeting Tuesday May 8th, at the Hicksville Jr. High School at 8:00PM.

At this time, there will be an election of new officers.

DID 'YA KNOW THAT: Lance Corporal Thomas Polit of the United States Marines found a way out of the "29 Palms" and since has been on duty on Puerto Rico, Arizona and we know he will find his way to Plainview shortly for a visit with his proud parents, Mr. & Mrs. Sal Polit... Officers of Division Eleven, Ancient ORDER OF HIBERNIANS of Hicksville received the 1st Place Trophy at the Hotel Biltmore on Tuesday evening of this week-the IRISH ECHO TROPHY was for best appearance, best line of march and decorum in the entire St. Patrick's Day parade on March 17 this year - we're a proud community in Hicksville several special presentations are planned by Nassau County Executive Francis Purcell (a proud mem-

ber of Division #3, Lynbrook) and Town of Oyster Bay Supervisor Joseph Colby, who has been actively associated with the Hicksville Division over the years... Frank Szymanski and Joe Kaprinski of the Hicksville community really involve themselves when a project is at hand-this special cause was most inspiring to all who attended! My good friend Tom Landers of Queens County, presently serving as President of the NY State Board, Ancient Order of Hibernians will be tendered a Testimonial this Saturday evening at Antun's - couldn't happen to a nicer guy!... The "Green Hornet" reports that the recent focusing of attention on the tragic problems besetting the people of Northern Ireland has the support of labor leaders across the country - this matter has been a #1 project of the American Irish Congress who through meetings these past ten months has lit a torch of knowledge for all nations of the world to be concerned with human rights!

GENERAL

After five full weeks, almost the half way point of the season, the 26 Traveling Teams have now played 151 soccer games (including 25 Regional Cup games) and have won 89, lost 41 and tied 21. This is a winning percentage of 59% - meaning that the Club as a whole has won 59% of it's games. With so many teams (26) playing in 13 age groups from under 8 years old up to under 19 years, anything over 50% has to be considered very good.

The record in the Long Island League is 72 wins, 33 losses and 21 ties and in Regional Cup games, the Club has won 17 and lost 9. There are no ties in Regional Cup or State Cup games as they are on a one game knock-out basis. Of the 12 boys teams entered in the Cup (girls start later), only three are still in the running and we wish them every success in their quest for regional and state championships: the under 19 Hicksville Minutemen, coached by Peter Collins and Bill Cresham and sponsored by Bethpage Transmissions; the under 12 Red Express coached by Steve Florio and Jeff Kugler and sponsored by Eastern Exterminators and John Harris' under 10 Hicksville Rangers, sponsored by the Hicksville Motor Lodge.

U-19 Minutemen, will play Rockland County at Baldwin Park, Baldwin. Date: May 5 at 3:45 pm.

U-12 Red Express, will be

playing Deer Park or Union Lancers of New Jersey at Grumman Field, Time unknown.

The U-19 girls will play their first L.I. Cup game against the Northport Seadevils at Grumman, Sun. May 6, at 12:30 pm. Their first Regional Cup game will be on May 19, 10am at Grumman against East Meadow. Coach: Jim Dolan.

Four boys from the Club have been chosen to represent New York State in it's Select Team Program: Mike Jung (under 16), Mike Collins, Peter Janette and Steve Solaski (under 18). The Club is proud of their accomplishments and extends a warm congratulations and best wishes for continued success.

Congratulations are also very much in order to Bobby Bedell on being the second H.A.S.C. player to sign a professional contract. Bobby signed and is playing with the Las Vegas team in the American Soccer League. The under 19 team will miss him and we all wish him lots of luck in the future. A year ago, Roy Messing signed with the San Diego team of the North American Soccer League.

Boys U-'9'

The Hicksville "Grenadiers" bombed the visiting Brentwood "Tomahawks" by the score of 4 to 0 last Sunday.

Forward Anthony Schiralli started the locals scoring as he

high for a loose ball with James Panchookian coming on to back up the play.

Early in the second half, the darting Schiralli made a charge on goal after a nifty steal by midfielder Rich Chakrin. His lob shot was tipped past the "Tomahawk" goal tender by right wing Richard McCarthy. The talented Schiralli knocked in the "Grenadiers" third marker after some fancy ball handling by half back Craig Carson and forward Jean Claude Balek.

Head coach, Tony Schiralli, made some changes at that point. He moved fullbacks Tony DeRosa and Brian Magee to the forward line. The response was immediately sensational. Craig Carson swept the ball up the side line, sent a pass to the rangy DeRosa, who sizzled a shot into the visitors net.

The Hicksville defense was at its peak. Tim Richards, Mike Conway and Chris Kanuck consistently muscled the "Tomahawks" away from scoring tries. "Grenadier" goalie Tim D'Antuono, was called on to make only five saves all day.

The "soldiers" are off next Sunday. Coach Schiralli and his aide, Mike Kanuck are using the time to get the boys up for a tough match on May 13th. The team will travel east to take on the strong Bohemia club.

Hicksville Rowdies: The Rowdies improved its record to 4-1-1 this past Sunday with a 1-0 win over Rockville Centre. The persistent efforts of the forward line: Cliff Heller, Steve Olive, Gerrard McNamee and Tony Conigliaro,

paid off when the winning score was deflected in by the quick reactions of Tony Conigliaro. The midfield kept the ball moving forward on this muddy day. Dan Middleman, Greg Skupinsky, Sean Smith and Jim Reardon

made up the solid core at center field. Shutting out Rockville Centre was an unrelenting defense; William Sneedan, Joe Hanna, and Todd Roth at fullback, Kevin Hamel in goal.

easy however, and coach Pat McHugh had some very anxious moments. The lone score of the game came off the foot of Adrian Pepi and goalkeeper Robby Pearse made some very tough saves to preserve the 1-0 victory. Playing some excellent soccer, particularly in the second half were Vinny Christiano, John Fitzgerald, John McCann and Gene Tyranski. The boys are sponsored by the Plainview Burger King and have a record of 3 wins, 1 loss and a tie.

Willie Sneddon enabled them to win 2-0.

Hicksville Soccer Club
The Tigers travelled to Brentwood last Sunday. It was a beautiful day for soccer - cool with a slight breeze and the Tigers were ready to play. Living up to their name, the Tigers played aggressively. The front line of Gregg Greenberg, David Haut, Timmy Van Cise, David Nissenson and Joe Masters were on top of the ball and this paid off when Joe Masters on right wing crossed the ball to in front of the goal where Gregg Greenberg kicked it in. The second goal for Hicksville was scored on a follow up by David Nissenson on a good kick from Gregg. The half ended 2-0.

Sean Beach came out of goal in the second half and was replaced by Kevin Taylor. Sean went to fullback position where he impressed the crowd with good kicks and fast running. Howard Shragin and Jason Miller both played great defense also. Michael Grossman, Kevin Burke and Marc Diamont controlled the

midfield impressively. Brentwood scored one goal and it looked like the Tigers would win the game when the referee called a penalty shot and then blew the whistle ending the game. The penalty shot was taken after the game was over and hit the post and rolled past the goalie. So the game's final score was 2-2.

Rig Red U-11
by Jack McCann

Hicksville Big Red, sponsored by the Knights of Columbus, coached by Jack McCann, won a tough game over Smithtown Y 4-1. The score was 1-1 12 minutes into the second half. Hicksville was playing sloppy and then finally came alive and started to play their type of game and scored three quick goals. Goals by Derek Missimo and assist Phil Ziembeck and then Phil Ziembeck on corner kick by Rich Humm. Chris Bentley and Derek Missimo on across by Peter Christiano. And, of course, I can't say enough about the defense Doug Donsky, Alex Brib, Rich Youngs, Keith McCann, Scott Hertz, Dave Weinberg, Luis Mejia and goalie Gary Tyranski. And get well Mickey Boccafola.

CARDINALS Boys U-8

With the first half of the spring season behind them, the "Cardinals", sponsored by Barentone Productions, Inc., hosted the Cow Harbor "Tigers". In a game earlier this season the "Cardinals" overwhelmed the "Tigers" 4-0.

However, the game last Sunday was just the opposite. The score was nil at the end of the first half with the "Cardinals" unable to penetrate beyond the "Tigers" midfielders.

In the second half, the game seemed to be headed for a scoreless tie, with both teams unable to mount an attack; until an injury, to mid-fielder John Fabrizio, seemed to ignite the "Cardinals". With less than two minutes left, a pass from Stephen Postullo to Scott Duca gave the "Cardinals" the goal they needed to win. A second goal in the last seconds by Robert Franzese tied the game.

Superb goal tending by Brian Hoesten backed up by Eric Bentley, Brian Finnell, Stephen Gourlay, Bobby Himmel, Charlie Maione, Brian Sacks, John Schneider, Chris Shearer and

Nassau County Executive Francis T. Parcell presents a proclamation designating April 22 - 28 as "Volunteer Week" throughout the County to Phil Fleer of Great Neck, administrator of the county's Office of

Volunteer Services. Joining in the presentation are volunteer workers (from left) Orena Madge of Hicksville, Estello Orenstein of Jericho and Richard Taus of Baldwin.

Annual Flea Market-Garage Sale

The Jericho Chapter of Women's American ORT will hold its annual Flea Market-Garage Sale on Sat., May 5 and Sunday, May 6 from 10 a.m. to 4 p.m. at 109 Dewey St., Jericho. Quite a variety of both new and slightly used merchandise will be available. If you plan to join them and need any further information, call 433-5694. The next general meeting of this group will be held on Tues-

day, May 22 at 8:30 p.m. at Temple Or Elohim, Tobie Lane, Jericho. All women who have pledged "Mother for Another" will be honored. They will also have a nutritionist as their guest speaker. On Sunday, May 20, they are holding their Bike-A-Thon at the State University at Old Westbury. If you want to walk, run, jog, bike, or even push a carriage, call 935-2956.

To Mark 46th Anniversary

Oyster Bay Town Supervisor Joseph Colby announced that the Town Board will formally recognize the 46th anniversary of Career and Youth in Law Day, U.S.A. on Tuesday, May 8th. Sponsored by the Nassau County Boys and Girls Week Committee, this event provides high school students from throughout the Town with the opportunity to witness and directly participate in the operation of local government. Career Day activities will begin with the commencement of the Town Board meeting at 10 AM, and students from 15 public and private schools within Oyster Bay will spend a portion of the day with ranking Town officials, including Supervisor Colby and the Town Councilmen.

The participating students, chosen by their respective schools, will attend the Town Board meeting, having the opportunity to discuss local matters with Oyster Bay officials, and will join them for an informal luncheon. In addition, the students will have the opportunity to take part in a question-and-answer period with the Supervisor and participating officials. "It's a valuable learning experience to be involved and participate in the operation of local government, an experience that really can't be captured in a classroom," noted Supervisor Colby. "We hope that the students will enjoy participating in the Career Day activities as much as we have always enjoyed these visits."

Mercy League Fashion Show

Sr. Mary Jean Brady Director of Mercy Hospital, Rockville Center, will be the guest of honor at the Syosset-Hicksville-Glen Cove Mercy League's fashion show and dinner, which will take place on May 17th at 7:30 p.m. in the Crest Hollow Country Club in Woodbury. The money realized from this event will be used to pay off the \$10,000 pledge made by the League to be used for the purchase of

equipment for the new pediatric unit. Other guests will be Sister Thomas co-ordinator of Volunteers at Mercy Hospital and Dr. Fred Mendelson, prominent pianist who will play during the evening. Tickets may be obtained from Mrs. Louis Delles, Plainview, Chairlady - 433-4747 or Mrs. James McGeever, Hicksville, 935-3658.

At Syosset Hospital

Syosset Hospital has scheduled a series of free screenings and week long displays of informational materials in observance of National Hypertension Week, May 6-12. This year's theme, "The Voluntary Effort-It's Working For You", refers to the nationwide coalition of health care providers, insurers, suppliers, businessmen and consumers who are working together to keep down the costs of health care. The informational materials are the screenings at Syosset will emphasize the importance of staying healthy and thereby reducing health care costs. Free Glaucoma testing by Dr. Joseph LoPresti, Chief of Ophthalmology at Syosset, will take place on Tuesday, May 8, from 10 a.m. to noon in the Med-

ical Library. No appointment is necessary. Free Hypertension screening by the hospital's nursing staff will be available on Friday, May 11, from 9 a.m. to 11 a.m. and again from 1:30 to 3:30 in the Medical Library. No appointment is necessary. Week long displays open to the public will be set up in the hospital's main lobby by the Dietary Dept. on proper nutrition and by the Respiratory Therapy Dept. on the dangers of smoking. Informational materials from the American Cancer Society and the Heart Association will also be available. The hospital's Help Smokers Quit Clinic will hold its regular session on Thursday, May 10.

Second Annual Teen Conference

Approximately 200 students from 26 Nassau secondary schools are coming for a day of sharing and gaining new insights to problems of adolescents at the second annual Teen Conference, on Thurs., May 10, 8:00 A.M.-3:45 P.M., sponsored by The Association of Nassau County Funded School Social Workers and Counselors, at the Joyce Rd. School, Plainview. "Our goal is to encourage students to see for themselves that their problems aren't unique," conference chairperson Amy Schwartz, social worker with the Oceanside School District, said. "It is an enormous breakthrough when young people become aware of the universality of their

problems, and hear how others deal with them." This second conference, the result of students' enthusiastic response to the first conference in 1976, is set up as follows: 8:00 - 9:30, Registration and Welcome; 9:45 - 11:15, OK Theatre (Great Neck High School students illustrating problems - and answering audience questions - through improvisational theatre); 11:15 - 12:30, Workshops Groups; 12:30 - 1:15, Brown-Bag Lunch; 1:15 - 2:30, Workshops Groups; 2:30 - 3:45, "Running Away" (a serious issue developed into a theatre production by students from the Great Neck School District). Each of the Workshops Groups - composed of 10-

15 students and led by an Association social worker or counselor - will focus on one of the four subjects pre-selected by the students for discussion: "Depression and Suicide," understanding how common depression is, discovering positive internal and external alternatives; "Sexuality," TEENAGE EMOTIONAL AWARENESS and positive decision making; "Family Relationships," feelings about family roles, communication, and problem areas, and "Friends and Their Influence," what a friend should be, how to make friends, how friends influence values.

May Schedule Of Rotating Art Exhibits

The 1978 Rotating Art Exhibits, sponsored by the Cultural and Performing Arts (CAPA) Division of the Department of Community Services, will continue their tour of Oyster Bay banks, libraries and businesses in May, it was announced this week by Oyster Bay Town Councilman Gregory W. Carman. Now in its fifth year, the rotational art program features 45 local artists proficient in a variety of art forms including stained glass, pottery, photography, graphics and painting. find this location far more convenient than having to travel to Hempstead to avail themselves of the many services offered through the CETA program. CETA offers a variety of employment and training programs to assist the economically disadvantaged, long-term unemployed, and the working poor. It is designed to combat unemployment through classroom training and skills training, on-the-job training, and by placement in temporary jobs with various county, town, city and village offices, as well as non-profit organizations.

"Our CETA administrator informs me that there are literally hundreds of unfilled positions open to unemployed Town residents," Colby said. "Counselors also are available at the satellite office during working hours to assist the jobless in finding the proper program that will prepare the individual for the job market." The satellite office is open Monday through Friday from 9 AM to 4:45 PM. Information on eligibility for the various programs can be obtained by calling 681-4556.

Town Opens CETA Office

A satellite office of the Office of Employment and Training has been opened in Hicksville by the Town of Oyster Bay to better serve those seeking employment or training under the federally funded Comprehensive Employment and Training Act (CETA), according to Town Supervisor Joseph Colby. "The new office is located in the former Bloomingdale Elementary School on Fordham Road, Hicksville, which the Town has leased from the Bethpage School District," Colby said. Happy Anniversary Empire!

As we told you last week, the Empire Moving and Storage Company of Hicksville, celebrated its 75th anniversary at a gala dinner dance on April 22.

In these pictures we see (in the upper left hand picture) Mr. and Mrs. Henry Brengel Sr. and Mr. and Mrs. Henry Brengel Jr. standing in front of an elaborate display of memorabilia of 75 years of business activity.

Then, in the upper right hand picture, Mr. and Mrs. Henry Brengel, Jr. cut the beautiful (and delicious) anniversary cake.

In the lower left hand picture, Mr. Brengel Jr. looks over some of the display with Donna Spero, of Hicksville, an Empire secretary.

While, in the lower right hand picture, the Hon. Joseph Colby, Supervisor of the Town of Oyster Bay, congratulates Mr. Brengel Jr. on this auspicious occasion.

Marble Shooting Championships

Cries of "knuckle down" will echo around the official marble shooting ring at Old Bethpage Village Restoration Saturday, May 19 (rain date, May 26) as youngsters battle it out in a regional competition leading to the National Championships in June at Wildwood by-the-sea.

The program, sponsored by the Museums Division of the Nassau County Department of Recreation and Parks and the Friends of the Museum, is open to boys and girls no older than 14 by June 1, 1979. To register, call 420-5283. There is no fee.

The winner of the regional

event will represent OBVR and Long Island in the National Championships where a \$500 college scholarship will be the first prize. All expenses to the tournament will be paid for the local champion and one escort.

Rules of the National Marble Tournament will be observed and enforced by trained referees. Copies of the official rules are available at OBVR. Youngsters may bring their own favorite marbles or use those which will be supplied.

Old Bethpage Village Restoration is located on Round Swamp Rd. South of Long Island Expressway exit 48. Admission to the working farm community is \$2.75 for adults and \$1.50 for children. Leisure pass holders pay \$2.25 and \$1.25 respectively. Children under 5 are admitted free. A cafeteria and a gift shop are on the premises and there is no parking fee. For further information, call 420-5283.

Westworld

The Hicksville Library Science Fiction Film Series will end on Friday, May 4, with the screening of "Westworld" the 1973 MGM film starring Yul Brenner.

All library films are seen in the Community Room at 8:00 P.M. The public are always welcome.

Operation VFW

By Lou Palladino

It's that time of the year again. We've had our nominations and

elections. The new slate of Officers for the year 1979 and 1980

are: Commander Aldo Vitiello, Sr.; Vice Mike Monteleone, Jr.

Vice Carmine Somma, Chaplain, Connie Steers; George Walden is again Advocate, and of course Spike Froehoefer is our Quartermaster again.
Congratulations Comrades, our Post is in your hands for the

coming year. We have quite a large Post and you will have to give it a lot of time to do a good job. The majority of the members think you can do it, and that should be confidence enough to show they weren't wrong. You have all done well in what ever project you have undertaken before, so there is no reason why you shouldn't do as well in your present position. Again Congratulations and Good Luck.

Our Ladies, bless them, also had their elections. Carmela Vitiello is again the President. This is the second time we have had a Husband and wife team to head our Post and Aux. Lou and Dot Klein did it back in 1956. Sr Vice is May Bersohn, Jr. Vice is Eleanor Gerlack, Tres, Edna Barone. Good Luck girls, go to it. Apologies to the other elected Officers, but at this time I don't have a list and don't want to take guesses. We also have the honor of having Carrie Ann Wurth elected to the State, Jr. Girls Unit. Pretty good eh?

We also like to write nice things that happen in our Post. For the third year in a row we won the Frank Aug Membership Trophy, this will now be retired to our Post for all time. This is the place it should be, after all Frank was a past Commander of our Post, and a good one. Nassau County

Island. We are about to witness Levittown revisited. Once again we see a Board of Education, this time in Hicksville, apparently unable to resist the lure of adding millions of dollars to its treasury out of the blood of its teachers. This enormous windfall is being held out to it by the outrageous Taylor Law, which penalizes teachers two days' pay for each day out on strike, all of this going to the school district. To add injury to injury, the teachers will pay income tax on this money that they do not receive, since it is considered salary that has been paid back as a fine.

The procedure is simple. The Board allowed the contract with their teachers to expire last June. They announced that they would not consider any salary increase, and that they would terminate any provision of the contract that was not mandated by the State, including many that have come to be accepted as standard by most of the working people of this country. Finally, they refused to sit down with their teachers for serious, intensive, honest bargaining. Instead, they hired a lawyer whom they have paid just short of \$100,000 so far this year for his part time efforts; and he has found ways to postpone, delay, prolong and frustrate efforts to negotiate in earnest.

Reluctantly, even tearfully, the teachers, with no other choice left to them, have authorized their leadership to call a strike on May 11th if the situation continues unchanged.

But a pact with the devil does not come free. There has never been a strike in Hicksville, not even a whisper of a suggestion of a strike. But the experiences of other districts have documented the price: the disruption and the damage done to the education of the young people first and foremost, the notoriety and its resulting devastating effect on property values; the wounds of recrimination and bitterness and the long lasting scars they leave on the community; the serious if not fatal damage to a fine educational system.

I have taught in Hicksville for 26 years, many of them as science chairman at the Junior High School. I know this to be a faculty of hard working, concerned, dedicated and able professional people, with hardly any exceptions. Year after year I see our graduates, your children, successfully meeting the challenges of life in business, the professions, the trades; becoming fine citizens; making us proud. This does not just happen. I know my colleagues, and so do you, the parents of Hicksville; the rigorous taskmasters, the thorough exponents, the creative innovators, the perceptive, the helpful, the thought provokers. Will you allow us, who have served you so well, to be demeaned, degraded, dragged through emotional and financial hell - unnecessarily.

I plead with you, citizens of Hicksville. Make your voices heard. Demand that your Board of Education sit down and talk. The settlement that can be achieved now will probably be very little different from the one that would come after the heartbreak that a strike will impose on all of us.

Benjamin Gitlin

There has been much discussion over the past few weeks over the lack of a settlement between the teachers (HCT) and the district (Board of Education). Many of the opinions expressed in the press are geared for community consumption by heavy handed public relation techniques in support of the UNION'S position. The HCT'S

main outcry has been the absence of "meaningful negotiations" and the demand for around-the-clock negotiations so as to avoid a strike. The clear fact of the matter is that the Board did not set the strike date (May 11th), nor have we been negligent in setting up meeting dates with the HCT negotiating team. Constant contact and discussions are held by both sides, at least twice a week - but if the will for a settlement is NOT present, we can never have one. It is my belief that the HCT has not presented their final demands. When progress is made in one area of the demands new ones come into play, and we invariably end up on square one. The HCT appears to be following a particular game plan with a heavy emphasis on "public relations" to agitate the residents of this community to such a state that it would appear that it is the BOARD that is forcing a strike and not the UNION. In an attempt to put into focus the demands that the Board must address itself to, I have taken upon myself to list the HCT demands. The district did mail to all residents the union's demands, but not all had received a copy of our letter. Some of the more outstanding ones are:

1. The HCT wants in the new contract AGENCY FEE - every teacher on staff (536) must pay union dues, even though they do not choose to do so.

2. They want full time off for their president and half time off for the HCT vice-president. The salary for the president is \$19,694, and for the vice-president \$24,587.

3. They have a demand for an increase for coaches and instructors - \$20,000 for the first year and \$5,000 for the next year. The extra compensation runs from \$300 to \$1,850 a season or school year.

4. To provide speedy retirements they are demanding an incentive of \$10,000 for this year and \$5,000 for those that prefer to retire from staff next year.

5. As far as salary is concerned their new demand is a COST OF LIVING INCREASE for all teachers, the ramifications of which we cannot analyze at the present time. Our newly presented FLASH BUDGET shows an increase of \$1,400,000 over last year, with a tax rate increase of \$1.69 per \$100 assessed value. If we were to grant a cost of living increase as the HCT demands, the burden on our taxpayers will be overwhelming. The average salary right now of our teachers K-12 is \$22,502, not including fringe benefits - and this is for only 180 days of work per year.

In addition to the above they want total JOB SECURITY - that is to maintain educational programs and personnel at their present levels for the duration of the contract, and of course once it gets in the contract, no one will ever be able to get it out. (We the taxpayers will be paying millions to unneeded teachers in the face of declining enrollment.) In 1966, we had 12,413 students enrolled in our schools and next year we anticipate some 6,800 students. What will we have in 1985? And at what cost? Now you know why a

strike date was set. Not in support of their demands, but in what WE WILL, NOT GIVE THEM. The strike threat is to force the Board and the community to give job security and all other demands.

Space does not allow me to present all the Board's demands, but let me truthfully say that we are not taking any benefits away from the teachers completely, except for submittals, which we demand to be eliminated. Our aim is to correct gross deficiencies, such as the overlapping and duplication of protection afforded by disability insurance, disability retirement, Workmens Compensation, and social security. As to Workmens Compensation alone, they now can get 100% of salary for life if they are injured on the job - paid for directly by the Hicksville taxpayer even though that same taxpayer is already paying disability retirement pension to the state, to a private insurance company, and to the federal government itself in the form of social security payments. This is unconscionable wastefulness.

We are asking for the right to require our teachers to teach different grades or subjects calling for different preparations up to a limit of three. They presently have two. Of the fifty-six districts in Nassau that were polled, only four have less than three preparation periods. Yet the union seems adamant about this subject. Why? Because this forces the union to use more teachers for the same job. It is a camouflage form of job security and featherbedding. The teachers UNION has decided to split this community with the misrepresentation of the facts. They have the money, the backing of state and local UFT UNION groups, MISINFORMED teachers and misguided parents behind them. Their demands are demands of greed and not of need, and not for the education or safety of our children.

I speak for myself in writing this letter and not for any other Board member, but I know as they do that as the deadline date of May 11 approaches, the UNION will put more and more

pressure on the Board members, on you, the residents of the district, and on our students. We should join hands to achieve a just and equitable contract reflecting the needs and desires of our taxpayers and our students as well as our teachers. We should be able to achieve such a contract through honest and good-faith negotiations as the law commands, and not having our heads the threat of a strike, which the law forbids.

Sincerely,
William P. Bennett

To The Editor:
Hicksville taxpayers know that nearly 80% of Hicksville teachers reside outside of the limits of the Hicksville school district. This is an important fact to remember because if the school board's management rights are granted to the teachers' union, then CONTROL OF EDUCATION PASSES FROM HICKSVILLE RESIDENTS TO THE NON-RESIDENT, NON-TAXPAYING MAJORITY OF THE

Safety Hints

Watch Out for Youngsters
 Longer daylight hours mean more outdoor play time for youngsters. So the Automobile Club of New York urges motorists to drive carefully, especially near playgrounds and athletic fields during spring and summer.

Safe Exit
 The Automobile Club of New York cautions both drivers and passengers to always leave the car from the sidewalk side. Opening a car door in the face of moving traffic is not only dangerous—it's illegal in New York State if you interfere with the movement of other vehicles.

Best of luck to PLAINVIEW's Bob McNew, who is running in two very important races this week. On Sunday, May 6 he is running in the 2nd Annual Newsday Long Island Marathon, and on Wednesday, May 9 he is running for re-

election to his seat on the Plainview - Old Bethpage Board of Education. One way or another, Bob is always on the run.

The happiest of birthday wishes to Elaine Sandler of

Cornell Drive in PLAINVIEW, who celebrates a "milestone" birthday on May 7. Elaine's many community activities include being President of the Bethview Chapter of Womens American ORT and Membership Chairwoman of the Greater

Plainview Community Association. All of Elaine's friends wish her the happiest of birthdays.

Congratulations to Mr. and Mrs. Moyer of HICKSVILLE. They will celebrate their 6th wedding anniversary on May 12.

Brian Fox, son of Caroline and Alan Fox of PLAINVIEW, will be making his Bar Mitzvah at the Midway Jewish Center, on Sat., May 5. Congratulations, Brian.

There's a lot of celebrating to be done during the month of May at the home of Mr. and Mrs. John Bernius of Alexander Ave., HICKSVILLE. Michael Bernius will celebrate his 2nd birthday on May 12; John Bernius Jr., will receive his First Holy Communion at Holy Family Church on May 12. John Bernius Sr. will celebrate his birthday on May 16. Happy birthday and congratulations to all.

Teresa Unger of HICKSVILLE, a senior at Holy Trinity received a plaque for highest personal achievement. Congratulations.

Happy Anniversary. Congratulations to Mr. and Mrs. Harry Schoppmann of HICKSVILLE who celebrated their 31st wedding anniversary on May 2.

Ronald Kraft, a 1974 graduate of HICKSVILLE H.S., is now a

Sous Chef at the Hyatt Regency Hotel in Indianapolis.

Charlie and Carol Di Stefano and their daughters, Terri and Cindy of HICKSVILLE spent the Easter vacation camping in Crossville, Tennessee. They went with their camping friends, Dottie and Bill Hummel, Colleen and Mike Barton and their son, and Lori and Sal Fezza and their children. While in Crossville, they visited former Hicksville residents Norma and Jim Flanagan, Norma and Jim drove school buses in Hicksville for many years. They are now retired and have a lovely farm in Crossville. They still have the Herald delivered and say "Hi" to everyone. The camping group also visited Opryland and the Smoky Mountains National Park during their stay in Tennessee. A good time was had by all.

Don't forget to visit the Boutique that will be held on May 9 at the Karopeczy School, Farmedge Road, Levittown, 10 a.m. to 3 p.m. The Central Nassau Senior Nutrition Center is sponsoring this money-raising affair. Many of our HICKSVILLE senior citizens are involved in this venture. The Nutrition Center used to be located in the Hicksville V.F.W. Hall on Broadway. Lots of success with your efforts, folks.

LEGAL NOTICE PUBLIC NOTICE

PLEASE TAKE NOTICE that pursuant to law, a public hearing will be held in the Hearing Room, Town Hall, East Building, Audrey Avenue, Oyster Bay, New York on the 22nd day of May, 1979, at 10 o'clock a.m., prevailing time, or as soon thereafter as practicable to consider amending the "Building Zone Ordinance" of the Town of Oyster Bay, as revised and amended and now set forth as Appendix A of the Code of Ordinances of the Town of Oyster Bay, New York, in the following respects: Renumber the section added by Resolution No. 483-78 as 116 to become Sec. 117 and amend the title of said Sec. 117 and the paragraph following same and immediately preceding the "OFF-STREET PARKING SCHEDULE" thereof to read as follows: Sec. 117. Minimum off-street parking requirements. In any district, no new building shall be erected hereafter, unless the following off-street parking shall be provided. No existing building shall be structurally altered or added to in excess of 30% of its total area, unless the following off-street parking shall be provided for the entire building. Whenever an existing building shall be structurally altered or added to less than 30% of its total area, that portion of the area of the existing building which has been structurally altered or added to shall comply with the following off-street parking requirements: Delete from the "Off-Street Parking Schedule" of said Sec. 117 the symbols words, letters and numerals which read "(except 'E-2' and 'E-3' Zones)" wherever the same appear therein. Amend Sec. 410.60 and Sec. 410.985 by renumbering the subsections of each as follows: (a) to (b); (b) to (c); (c) to (d); (d) to (e); and (e) to (f). Amend Sec. 410.60 by adding thereto a new subsection (a) the first sentence of which shall read: (a) In an E-2 General Residence District, off-street parking spaces shall be provided as follows: Amend Sec. 410.985 by adding thereto a new subsection (a) the first sentence of which shall read: (a) In an E-3 General Residence District, off-street parking spaces shall be provided as follows: Amend Subsection (a) of Sec. 410.60 and Subsection (a) of Sec. 410.985 by adding the following immediately following the first sentence of each of said subsections:

Number of Habitable Rooms in Dwelling Unit	Number of Off-Street Parking Spaces Required for Each Dwelling Unit
1	1.00
2	1.25
3	1.50
4	1.75
5 or more	2.00

Notwithstanding anything hereinabove to the contrary, in the case of dwelling units intended for occupancy exclusively by the elderly, the required number of off-street parking spaces shall be not less than three (3) for each four (4) dwelling units on the lot. All persons interested shall have an opportunity to be heard upon the said proposed amendments at the time and place aforesaid. The ordinance is on file in the Office of the Town Clerk and may be examined during regular business hours by any or all interested persons. TOWN BOARD OF OYSTER BAY, Joseph Colby, Supervisor, Ann R. Ocker, Town Clerk. Dated: April 24, 1979, Oyster Bay, New York. D-4497 IT 5-3 PL
